The 19" (18.5" Viewable) LED Widescreen LCD

VA1938wa-LED

ViewSonic's new VA1938wa-LED is an environmentally friendly 19" (18.5" viewable) widescreen monitor that features LED backlight, providing energy saving up to 40%*. With 1366x768 resolution, 10,000,000:1 MEGA dynamic contrast ratio and VESA mountable glossy finish design, VA1938wa-LED is ideal for both homes and offices. It also has an automatic aspect ratio adjustment so when your input is a 4:3 signal, the image will not be stretched but instead it will be positioned in the middle of the screen with side bars. 3 year limited warranty, industry's best pixel performance policy and energy saving Eco-mode make the VA1938wa-LED the best choice for both corporate and education customers as well.

1 19" (18.5" viewable) widescreen LED

Displays a full, flat 18.5" viewable area with crisp detail and fully saturated color with up to 40% energy savings. With its mecury free LED backlight and low energy consumption, the VA1938wa-LED is not only environmentally friendly but also friendly on your electricity bill.

2 1366x768 native resolution

High resolution one mega pixel display provides incredible image detail for sharp text and graphics. Also supports 1280x720 HD format for amazing movie and gaming entertainment.

3 10,000,000:1 MEGA dynamic contrast ratio

The advanced LED backlight allows for complete on/off control, based on the screen content. This provides for darker black levels and better overall front-of-screen performance.

4 Stylish slim-bezel design

The thin bezel lets you see more without taking up valuable desktop real estate. Allows for easy dual monitor set up to increase your productivity.

5 OSD/power lock secures your settings

Prevents changes to monitor settings and maintains an optimized image.

6 VESA® compliant

100mm x 100mm VESA® mountable design allows for attachment to wall mount or desk mount articulating arms.
