DIGITAL PRODUCTS NEW NAMING CROSS REFERENCE

ORDERING INFORMATION **STOCK ROLLS**

Ordering Point

- All orders may be placed through your Avery Dennison Graphics and Reflective Products Division Customer Service Representative phone: 800-28-AVERY; fax: 1-800-232-4646; e-mail: sign.orders@averydennison.com
- Orders for Stock Rolls and Bulk Rolls must be submitted under separate P.O.s and are subject to individual order policies.
- Verbal orders permitted, however, cannot be disputed.
- Failure to submit accurate Avery item numbers could delay processing of order.

Order Cut-off

- Order entry cut-off is 12:00 noon EST for same-day shipment, pending credit review.
- Orders on credit hold for 5 business days will be cancelled without notice.

Order Acknowledgements

- Order acknowledgements will be faxed or e-mailed following order entry.

Order Cancellation/Change

- Stock roll orders are changeable prior to packaging or picking the order.
- Order/Shipping Errors—60 days from invoice date to make claim.
- Cancellations must be in writing and submitted via e-mail to: sign.orders@averydennison.com, or fax: 800-232-4646.

Backorders

- Avery Dennison Graphics and Reflective Products Division will make every effort possible to eliminate any backorders.
- Avery Dennison Graphics and Reflective Products Division will pay for the freight of the backorder, regardless of the original order quantity. The standard shipment method will be UPS Ground or equivalent.
- In the instance where a backorder is required, a revised acknowledgement will be faxed to you.

Order Size

- Minimum order volume is \$300.00. Any special service charges, including freight, handling, tax, etc., are not included in the order total for establishing the minimum order volume.

Freight

- Prices are F.O.B. Point of Shipment, freight billed on invoice to destination. Orders of \$2,500.00 or more (exclusive of special service charges, handling, tax, etc.) will receive complimentary freight.
- Bulk rolls will be freight prepaid and billed.
- All air shipments require written confirmation from customer.
- Routing is of our selection; routing at the discretion of customer will be at customer's expense.
- Separate purchase orders cannot be combined to meet the freight minimum.
- Custom orders do not qualify for free freight.

Drop Ship Policy

- To accommodate our customers in emergency situations, Avery Dennison Graphics and Reflective Products Division offers a drop ship policy.
- A handling fee equivalent to 4% of the total drop ship invoice, with a minimum fee of \$25, will be assessed.
- Drop shipment orders must be submitted under separate P.O.s for each individual delivery location.
- All air shipments require written confirmation from customer.
- Drop ship orders do not qualify for free freight.

Order Pick-Up Policy

- Customers may not pick up orders at Avery Graphics facilities.

Technical Support - Our AnswerLine 1-800-443-9380

- Full-time professionals are available to answer your questions about product characteristics, performance and applications.

Summary of Payment Terms

- Payment terms are 1% 10 days, net 30 days. Invoices not paid within 30 days of due date shall thereafter bear monthly service charges at a rate of 1% per month on the unpaid balance until paid in full.

Pricing Change Notification

- Avery Dennison Graphics and Reflective Products Division will provide 30 day notification of a change to its published prices or terms and conditions.
- Not responsible for typographical errors.

Returns: Defective Material

- All claims must be reviewed with Technical Services prior to authorization of return, issuance of credit or authorization of replacement order.
- All returns require Return Materials Authorization (RMA) prior to shipment to Avery Dennison Graphics and Reflective Division
- All returns must be received at Avery Dennison Graphics and Reflective Division within 30 days from date of RMA, otherwise they will be considered closed.

Returns: Overstock

- All sales of products are considered final. However, Avery Graphics may, at its sole discretion, consider an Authorized Avery Graphics Distributor's request for exception to this standard in policy and terms.
- All returned goods are subject to a 20% restocking charge.
- In addition to the 20% restocking charge, Avery Graphics will charge to the distributor any costs incurred that are associated with processing and reconditioning the returned product at its sole discretion.
- Credit on returned goods will be based on the lower of purchase price or current price.
- To be eligible for consideration of request for credits or exchange, goods proposed for return to Avery Graphics by Authorized Avery Graphics Distributors must comply with the following:
 - 1.) Goods must be current products of cataloged items that have been maintained and stored according to manufacturer's guidelines and shelf life as may be found published in Avery Graphics technical statements and product literature.
 - 2.) The return must be approved and pre-authorized in writing by Avery Graphics management prior to shipment.
 - 3.) Transportation charges must be prepaid at distributor's sole expense; and
 - 4.) Goods must be shipped to the appropriate designated Avery Graphics distribution center.

Splices

- Splices in 50-yard rolls will be a minimum of 15 feet from each other and 10 feet from either end.
- 10 yard rolls will not have splices, with the exception of Reflective and Leaf products.
- All splices will be clearly marked.

Sample Program

The following samples are available upon request:

- 3" x 5" sample sheets are available for all Screen and Cut films.
- Digital film samples are available in 5" x 8" samples.
- Short rolls of Digital Media are available for order using the Short Roll Request Form.
- A 21-day notice must be provided when ordering film or literature for a trade show.
- Samples are shipped within 48 hours via UPS from Painesville, OH.
- Maximum of 20 sample sheets per request.

All requests should be sent via e-mail to:
samples.graphics@averydennison.com

or fax to:
440-358-3793

ADDITIONAL ORDERING INFORMATION CUSTOM FINISHING & BULK ROLLS

Order Cancellation/Change

- Custom adhesive coat or custom color orders cannot be cancelled or changed after the receipt of the order.
- Custom finish orders are changeable up to the time of converting.
- Increase to order volume will become a new order.

Minimum Order Size

- For custom products, the following order minimums apply:

	PRODUCTS	MINIMUMS
Custom Adhesive Coating	Calendered	12,000 sq ft
	Cast	12,000 sq ft
	Digital (when applicable)	12,000 sq ft
	Reflective	6,000 sq ft
	Special (when applicable)	12,000 sq ft
	Premasking	3,000 sq ft
Custom Color Matching	Calendered	Contact Home Office
	Cast	12,000 sq ft
	Digital	N/A
	Reflective	12,000 sq ft
	Specialty	N/A
Custom Finishing	Slitting	50 yd
	Punching	250 yd
	Premasking/Slitting	250 yd

Cut Sheets

- Minimum order is 600 sq.ft. of identical sheets, sheets must be rectangular or square in shape and of the following dimensions:

WIDTH	LENGTH
6"	any length 6" through 96"
12"	"
18"	"
24"	"
30"	"
36"	"
48"	"

Custom Adhesive Coating

- Custom adhesive coat products require a 1,000 yd minimum order quantity.
- Custom finishing guidelines apply.
- Custom adhesive coat orders are considered complete at +/- 10% of order quantity.
- 10-day leadtime.

Custom Color Matching

- Custom color orders are considered complete at +/- 10% of order quantity.
- Avery Dennison Graphics and Reflective Products Division provides custom color matching for UC 900 Color and HV 1200 Reflective Films.
- Sample color matches are provided within 10 days for customer approval.
- Target lead time for manufacturing of an approved custom color match is 10 business days for cast films and 35 business days for reflective films.
- Colors can be matched by either referencing a PMS number or providing a sample.
- Custom finishing guidelines apply.

Custom Finishing

- Custom sized widths must be in excess of 6".
- Purchase of full web width is required.
- Custom slitting does not include custom lengths.
- Width tolerances are +/- .125"
- 3-5 day leadtime.

Freight

- All non-standard reflective products will be shipped freight prepaid and billed, F.O.B. Avery Dennison Graphics and Reflective Products Division (U.S.) Reflective Plant (Painesville, OH; Mt. Prospect, IL)
- All other products will be shipped freight prepaid and billed F.O.B. from any Avery Dennison Graphics and Reflective Products Division (U.S.) distribution facility for all U.S. customers (Fairport, OH; Lowell, IN).
- Avery Dennison Graphics and Reflective Products Division does not offer a drop ship policy for bulk rolls.
- Routing is of our selection; routing at the direction of customer will be at customer's expense.

Packaging Information

- Standard packaging is used but can vary depending upon format, size, and quantity of material to be shipped.
- Non-standard packaging requests require special quotation.

Technical Support - Our AnswerLine 1-800-443-9380

- Full-time professionals are available to answer your questions about product characteristics, performance and applications.

Splices

- Cast and calendered films: maximum of four splices per 250 yards
- Reflective films: maximum of six splices per 100 yards

Custom Premasking Order Information

- Minimum order quantity: web width x 250 yd.
- Lead time: custom premasking requires a lead time of five business days.
- Cost for premasking: list price is \$.15/sq ft for premasking on all products.

ADDITIONAL ORDERING INFORMATION REFLECTIVE PRODUCTS

Custom Finish and Custom Coat

- Custom Finish refers to materials in bulk form that are slit to a customer's unique width and length requirements. Customers will be responsible for the full web width of the bulk goods. Standard web width offerings are noted on each product price page. Please contact your Customer Service Representative for specifics.
- Custom Coat refers to a product that is made to order. Order may require a minimum order quantity of 6,000 sq ft. Customers will be responsible for the full 48" web width of the bulk goods. Orders that are Custom Coat will require an allowance of +/- 10% on the order. Please contact your Customer Service Representative for specifics.

Slit Width Tolerances

Roll and Sheet Width Tolerance	Standard Overage		
	Min	Target	Max
0" to 11.99"	0"	0"	1/16"
12" to 35.99"	3/16"	1/4"	5/16"
36" to 47.99"	5/16"	3/8"	9/16"
48"	7/16"	1/2"	9/16"

- If "exact" dimensions are required the material will conform to the following: 1/32" +/- 1/32"

For Sheeted Products:

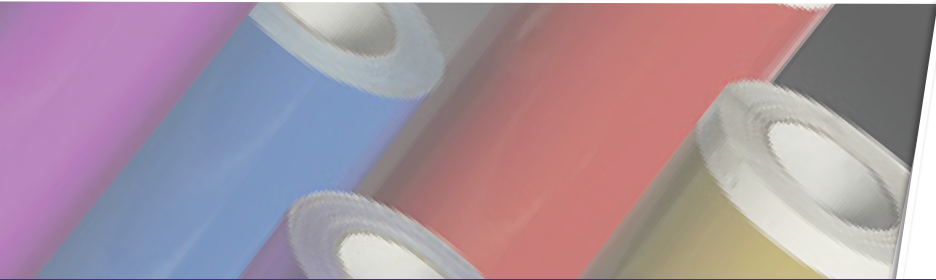

- Length and width tolerances are the same as above
- If exact dimensions are required please indicate, "exact" when ordering.
- "Exact" orders will conform to +1/32" +/- 1/32"

Lead Times

- Stock Products: 1 – 2 days
- Custom Finish: 3 – 4 days
- Custom Coat: Call for date
- Sheets: 5 days
- If the total order of a single color is over 5,000 square feet: Call for date

Durability

- Avery Dennison products are sold worldwide in a wide range of climate conditions. The durability stated corresponds to typical applications used for the sheeting. Other factors that affect film durability are the direction a sign is facing, the angle sign is to the sun, latitude and sign fabrication conditions.

CONDITIONS OF SALE

1. PRICE AND PAYMENT: All prices, unless stated otherwise herein, are F.O.B. shipping point and are exclusive of any present or future federal, state, local or other taxes applicable to the sale of products listed herein. Any such taxes shall be added to the price and paid by PURCHASER unless PURCHASER provides Avery Dennison Corporation (AVERY DENNISON) with a valid exemption certificate acceptable to AVERY DENNISON and the appropriate taxing authorities. All prices are subject to change without prior notice; however, prices shall be those contained in the appropriate AVERY DENNISON Price List covering the products ordered and in effect on the "Ship Date" noted on the face of AVERY DENNISON's Sales Order. Orders calling for future delivery shall be billed at prices in effect on the shipping date. Shipments which are +/- 10% of the actual quantity ordered shall constitute filling the order; and PURCHASER shall be billed only for the quantity actually shipped plus, if applicable, trim loss.

The net amount of invoice shall be payable in full within thirty days following the date of invoice. A one percent discount is available if payment is received within ten days of date of invoice. Amounts not paid within thirty days of date of invoice will be subject to a late payment charge of 1.0% per month on the unpaid balance to be included on each month's invoice until paid. The imposition of such charge is not intended to infer and consent, acquiescence or other agreement, expressed or implied, on the part of AVERY DENNISON to forbear or otherwise defer collection of such amounts when due. To the contrary, AVERY DENNISON expects payment on or before the due date of each invoice and intends to take all necessary and feasible action to enforce prompt payment. PURCHASER confirms, acknowledges and agrees that it would be expensive to attempt to determine the actual damage sustained by AVERY DENNISON as the result of the default payment of any individual account and that the charge of 1.0% per month referred to above represents a reasonable endeavor to fix AVERY DENNISON's minimum probable loss resulting from delinquent payment, that such charge bears a reasonable relation to such loss and that surcharge is reasonable in amount. It is expressly intended by AVERY DENNISON and PURCHASER that this provision for late payment charges shall constitute a valid, binding and enforceable agreement for the payment of liquidated damages pursuant to Section 1671 (b) of the California Civil Code and Section 2718 (1) of the California Commercial Code. If in AVERY DENNISON's opinion PURCHASER's financial condition does not justify continuance of production or shipment on the terms of payment specified, AVERY DENNISON may require payments in advance. Failure of PURCHASER to pay any AVERY DENNISON invoice by its due date makes all subsequent invoices immediately due and payable irrespective of terms and AVERY DENNISON may withhold subsequent deliveries until the full account is settled.

2. ACCEPTANCE: An order once placed with and accepted by AVERY DENNISON (all orders are subject to acceptance by AVERY DENNISON's home office) may be cancelled only with AVERY DENNISON's consent and upon terms that will indemnify AVERY DENNISON against loss.

3. TITLE AND RISK OF LOSS: Title and risk of loss to all products purchased shall pass to PURCHASER upon delivery by AVERY DENNISON to a common carrier, regardless of the freight terms stated or method of payment of transportation charges.

4. SHIPMENT AND TRANSPORTATION CHARGES: AVERY DENNISON reserves the right to specify routing of shipments. AVERY DENNISON shall attempt to ship within the time specified in AVERY DENNISON's Sales Order, if indicated and, if not, then within a reasonable time; and PURCHASER acknowledges that no claim may be made for delays in shipment where PURCHASER accepts the products. Unless specified in AVERY DENNISON's Sales Order, freight charges shall be prepaid and billed.

5. COMPLIANCE: AVERY DENNISON products are manufactured in compliance with all applicable requirements of the Fair Labor Standards Act, as amended. Except as otherwise agreed in writing, normal tolerances in specifications shall not be cause to reject products.

6. RETURNS: Products sold by AVERY DENNISON are reasonable only in accordance with the warranty provisions hereof. Before returning any product, PURCHASER must obtain AVERY DENNISON's written material authorization and instructions.

7. LIMITED WARRANTY. All statements, technical information and recommendations concerning products sold or samples provided by AVERY DENNISON are based upon tests believed to be reliable but do not constitute a guarantee or warranty. All products are sold and samples of products provided with the understanding that PURCHASER has independently determined the suitability of such products for its

purposes. AVERY DENNISON warrants the products to be free from defects in material and workmanship. Should any failure to conform to this warranty appear within one year* after the initial date of shipment, AVERY DENNISON shall, upon notification thereof and substantiation that the products have been stored and applied in accordance with AVERY DENNISON's standards, correct such defects by suitable repair or replacement of the products without charge at AVERY DENNISON's plant or at the location of the products (at AVERY DENNISON's election); provided, however, that if AVERY DENNISON determines that repair or replacement is not commercially practical, AVERY DENNISON shall issue a credit in favor of PURCHASER in an amount not to exceed the purchase price of the defective products.

THIS WARRANTY IS EXCLUSIVE AND IS IN LIEU OF ANY OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR USE AND/OR NON-INFRINGEMENT. NO WAIVER, ALTERATION, ADDITIONS OR MODIFICATIONS OF THE FOREGOING CONDITIONS SHALL BE VALID UNLESS MADE IN WRITING AND MANUALLY SIGNED BY AN OFFICER OF AVERY DENNISON.

* Or the time period stated on the specific product specification sheet, if any, and if not then on the specific information literature in effect at time of shipment.

8. LIMITATION OF LIABILITY: IN NO EVENT SHALL AVERY DENNISON BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO, LOSS OF PROFIT, LOSS OF USE OR PRODUCTION OR LOSS OF CAPITAL. THE REMEDIES OF PURCHASER SET FORTH HEREIN ARE EXCLUSIVE AND THE TOTAL LIABILITY OF AVERY DENNISON WITH RESPECT TO ANY CONTRACT, OR ANYTHING DONE IN CONNECTION THEREWITH SUCH AS THE PERFORMANCE OR BREACH HEREOF, OR FROM THE MANUFACTURE, SALE, DELIVERY, RESALE, INSTALLATION OR USE OF ANY PRODUCTS WHETHER ARISING OUT OF CONTRACT, NEGLIGENCE, STRICT TORT, OR UNDER ANY WARRANTY, OR OTHERWISE SHALL NOT EXCEED THE PURCHASE PRICE OF THE PRODUCTS UPON WHICH LIABILITY IS BASED.

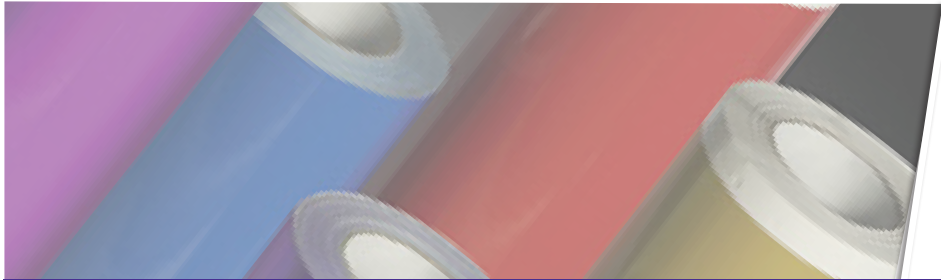

9. ASSIGNMENT: Any assignment of this agreement or of any rights hereunder or hypothecation thereof in any manner, in whole or in part, without the prior written consent of AVERY DENNISON shall be void.

10. NON-WAIVER: Failure by AVERY DENNISON to insist upon strict performance of any of the terms or conditions hereof, failure or delay to exercise any rights or remedies provided herein or by law or to properly notify PURCHASER in the event of breach, or the acceptance of payment for any products hereunder, shall not be deemed a waiver of any right of AVERY DENNISON to insist upon strict performance hereof or any of its rights or remedies or as to any prior to subsequent default hereunder, nor shall any termination of this agreement operate as a waiver of any of the terms hereof.

11. FORCE MAJEURE: AVERY DENNISON shall not be liable for any loss, damage, delays, changes in shipment schedules or failure to deliver caused by accident, fire, strike, riot, civil commotion, insurrection, war, the elements, embargo, failure of carrier, inability to obtain transportation facilities, government requirements, acts of God or public enemy, prior orders from others or limitations on AVERY DENNISON's or its suppliers' products or marketing activities or any other cause or contingency beyond AVERY DENNISON's control.

12. CHOICE OF LAW. This agreement shall be governed by and construed in accordance with the laws of the State of Ohio.

13. ENTIRE AGREEMENT: These terms and conditions embody the entire agreement and understanding between the parties, are intended as a complete and exclusive statement of the terms of agreement regarding the products set forth on AVERY DENNISON's Sales Order between the parties, and supersede any prior or collateral agreement or understanding between the parties relating to the subject matter hereof. PURCHASER acknowledges that AVERY DENNISON has not made any representation to PURCHASER other than those which are specifically referred to or contained herein. Each paragraph and provision hereof is severable and if any provision is held invalid or unenforceable, the remaining provisions shall nevertheless remain in full force and effect.

SCREEN & CUT **AVERY 100 SPECIALTY FILMS (SF)**

SPF 1000 SURFACE PROTECTION FILM

ADHESIVE: Permanent with long term removability
LINER: StaFlat™

High-performance, ultra-clear surface protection film. Highly-conformable 8-mil high-gloss, non-yellow urathane film features permanent adhesive, with long-term removability. Provides cars, recreational vehicles, motor coaches, trucks and motorcycles with the ultimate protection against paint chipping and damage caused by stones, bugs and abrasion. Converts and applies easily.

REFLECTIVE CONSPICUITY TAPE

V-5720 SERIES CONSPICUITY TAPE FOR TRUCKS AND TRAILERS

Prismatic conspicuity tape with pressure sensitive adhesive for application to trucks, trailers, and other vehicles to increase their visibility. Offers exceptional durability and reflectivity, exceeding National Highway Traffic Safety Administration FMVSS 108 requirements and displays the 'DOT-C2' certification of compliance. Omni-directional performance allows the product to be mounted in any orientation. V-5720-3 offers 3-year durability and V-5720-7 offers 7-year durability.

DURABILITY: 3 or 7 years
 CONFORMABILITY: Flat
 ADHESIVE: Permanent
 SPEC: Exceeds FMVSS 108 requirements

REFLECTIVE T SERIES

T-6500 SERIES HIGH INTENSITY PRISMATIC (HIP) GRADE REFLECTIVE SHEETING

2 mil Polyester film Liner

Offers exceptional value in a 10-year outdoor durable material. Microprismatic sheetings offer brighter colors and higher reflectivity than glass bead sheetings. Constructed with safety-enhancing multi-oriented microprisms designed to provide uniform light return regardless of material or sign orientation. Complies with new FHWA minimum reflectivity requirements, exceeds requirements of ASTM D-4956 for Type III and IV.

DURABILITY: 10 years
CONFORMABILITY: Flat
CONVERTING: Screen printing, thermal transfer printing and computer sign cutting
ADHESIVE: Permanent - Aluminum substrate
SPEC: ASTM D-4956 Type III/IV
TYPE: 16.0 - 17.0 mil high gloss acrylic

REFLECTIVE T SERIES

T-7500 MVP FLUORESCENT PRISMATIC GRADE REFLECTIVE SHEETING

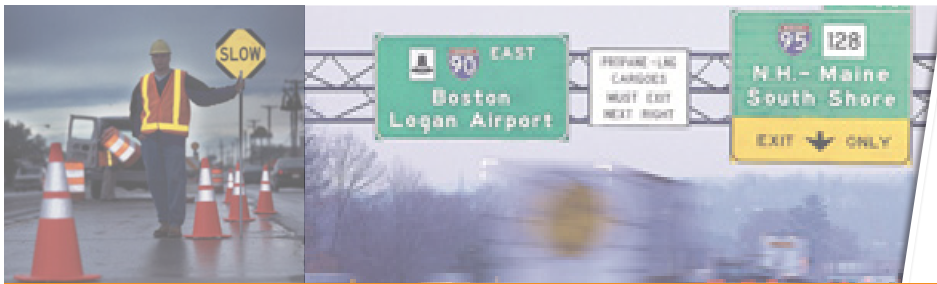

2 mil Polyester film Liner

A premium fluorescent prismatic sheeting offering 10-year outdoor durability when used for traffic control signs. Offers exceptional visibility during the hours of dusk and dawn. Use wherever higher levels of visibility are required, including school zones, pedestrian crossings, chevrons, object markers and other dangerous conditions to enhance safety. Constructed with safety-enhancing multi-oriented microprisms designed to provide uniform light return regardless of material or sign orientation. Exceeds the new FHWA minimum reflectivity requirements, exceeds requirements of ASTM D-4956 for Type VIII.

REFLECTIVE T SERIES

OMNI-VIEW™ T-9500 SERIES PRISMATIC GRADE REFLECTIVE SHEETING

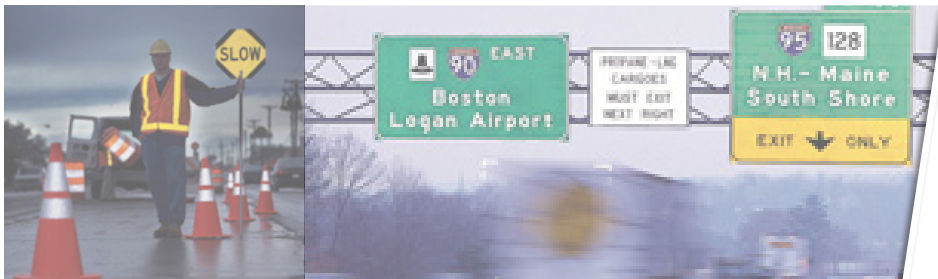

2 mil Polyester Liner

A premium prismatic sheeting designed to provide superior short, medium, and long distance reflectivity. 12-year outdoor durability makes Omni-View™ the ideal choice for all permanent traffic sign applications in urban and rural areas. Type IX sheeting is the sheeting of choice for many highway departments turning off lights on overhead signs to save on energy and maintenance costs without sacrificing nighttime visibility. Offers brighter day and nighttime colors. Constructed with safety-enhancing multi-oriented microprisms designed to provide uniform light return regardless of material or sign orientation. Plotter-cut border and legend can be efficiently nested during fabrication making Omni-View™ a more cost-effective choice. Exceeds the new FHWA minimum reflectivity requirements, exceeds requirements of ASTM D-4956 for Type IX.

REFLECTIVE **WORK ZONE**

W-1000 SERIES CONSTRUCTION WORK ZONE ENGINEER GRADE PRESTRIPED BARRICADE REFLECTIVE SHEETING

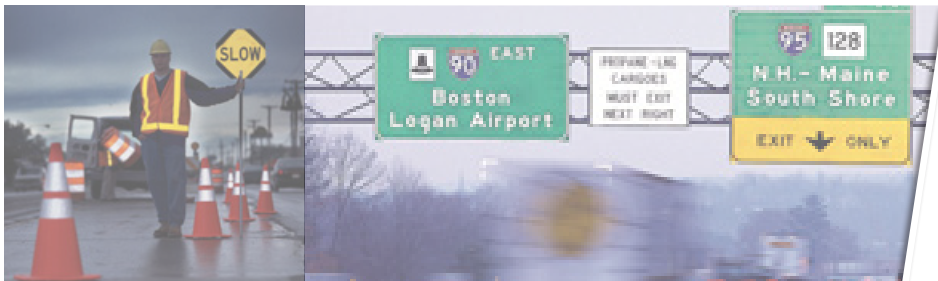

90# Imprinted StaFlat™ Liner

High quality, enclosed lens glass bead Engineer Grade retroreflective material. Specification grade, pre-printed with orange diagonal stripes on a white background. Offers exceptional value for barricades and other barriers.. Exceeds reflectivity requirements of ASTM D-4956 Type I.

DURABILITY: 3 years
CONFORMABILITY: Flat
CONVERTING: White/Orange preprinted pattern ready to apply
ADHESIVE: Permanent - Aluminum substrate, "-W" designates adhesive for MDO and HDO substrates
SPEC: ASTM D-4956 Type I
TYPE: 3.5 - 4.5 mil high gloss urethane

REFLECTIVE WORK ZONE

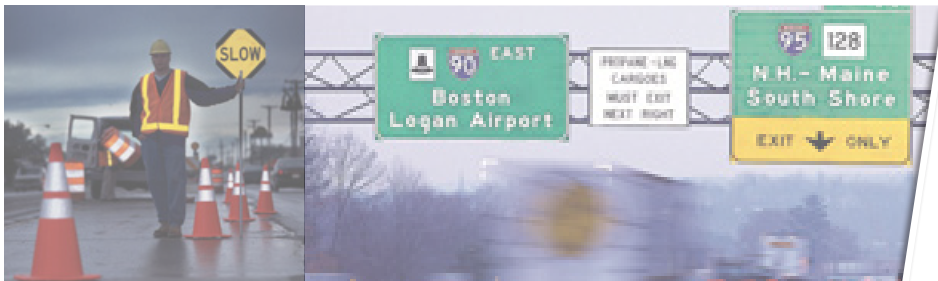

W-6000 SERIES CONSTRUCTION WORK ZONE HIGH INTENSITY PRISMATIC (HIP) GRADE PRESTRIPED BARRICADE REFLECTIVE SHEETING 2 mil Polyester film Liner

High Intensity Grade prismatic sheeting pre-printed with orange diagonal stripes on a white background. Superior visibility when used on work zone barricades and safety barriers. Constructed with safety-enhancing multi-oriented microprisms designed to provide uniform light return regardless of material or barricade orientation. Exceeds requirements of ASTM D-4956 for Type III and IV.

DURABILITY: 3 years
 CONFORMABILITY: Flat
 CONVERTING: White/Orange preprinted pattern ready to apply
 ADHESIVE: Permanent - plastic, wood, aluminum substrates
 SPEC: ASTM D-4956 Type III/IV
 TYPE: 16.0 - 17.0 mil high gloss acrylic

REFLECTIVE ACCESSORIES

OL-1000 PREMIUM ANTI-GRAFFITI FILM

90# Imprinted StaFlat® Liner

A premium quality, clear overlay film coated with a transparent pressure-sensitive adhesive. OL-1000 acts as an effective barrier to protect the underlying sign graphic from damage caused by spray paint, lipstick, magic marker, and stickers. Permits cleaning with the use of mild solvents.

DURABILITY: Matches the durability of the underlying Avery Dennison "T" series sheeting

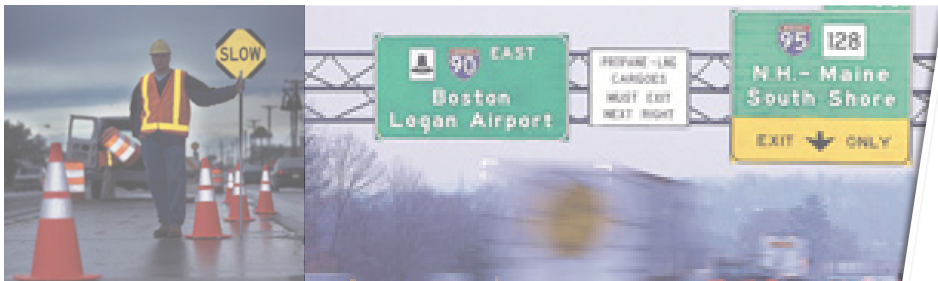

CONFORMABILITY: Flat

CONVERTING: Computer sign cutting

ADHESIVE: Permanent

REFLECTIVE ACCESSORIES

OL-2000 SERIES TRANSPARENT OVERLAY FILM

2 mil Polyester film Liner

A 3-mil transparent acrylic film coated with a transparent pressure-sensitive adhesive designed for computer sign cutting and application on the surface of Avery Dennison T-series reflective sheetings. Color formulations and resulting sign reflectivity are designed to comply with ASTM D-4956. An economical alternative to screen printing on small production runs.

DURABILITY: Matches the durability of the underlying Avery Dennison "T" series sheeting

CONFORMABILITY: Flat

CONVERTING: Computer sign cutting

ADHESIVE: Permanent

TYPE: High gloss acrylic

For more sign cuttable material options in vinyl constructions, we suggest the use of Avery Dennison 900 Ultimate Cast (UC) Opaque Series where applicable.

DURABILITY: 3 years
CONFORMABILITY: Flat
CONVERTING: Screen printing, thermal die-cutting, guillotine cutting, and steel rule die-cutting
ADHESIVE: Permanent
TYPE: 5.5 mil High gloss PET
WATERMARK: "Official" watermark available - subsurface printed for counterfeiting deterrence, call for details

REFLECTIVE

6600 SERIES TRANSLUCENT REFLECTIVE SHEETING

2 mil Polyester film liner

Transmits uniformly diffused light when used in internally illuminated signs. Provides reflective backup protection in the event of internal lamp or power failure. Exceeds FAA specification AC 150/5345-44E.

- DURABILITY: 5 years
- CONFORMABILITY: Flat
- CONVERTING: Computer sign cutting, screen printing (back adhesive product only)
- ADHESIVE: Permanent clear acrylic applied to face - test substrate before application
- SPEC: Exceeds FAA AC 150/5345-44E, and ASTM D-4956 Type IV for reflectivity
- TYPE: 17 mil high gloss acrylic
