<u>BASE PRICE</u> - BRONTO "HIGH-END" REAR MOUNTED PLATFORM	\$1,140,658
<u>BASE PRICE</u> - BRONTO "HIGH-END" REAR MOUNTED PLATFORM QUINT	\$1,280,043

**AVAILABLE DISCOUNT OPTIONS AND PERFORMANCE BOND OVERAGE
CHARGE**

METROPOLITAN AREA PLANNING COUNCIL

*Available Discount Options (no prepayments are required)

*(TO BE APPROVED BY TOWN PROCUREMENT OFFICER IN ACCORDANCE WITH MGL C41, S56)

A - GUARANTEED 2% FIXED DISCOUNT FOR 100% PREPAYMENT AT CONTRACT SIGNING

* Money is protected by Performance Bond (Performance Bond Rate is \$7.00 per thousand)

* Payment must be made within **21 days** of contract signing.

Examples:

Pre-Payment Amount	Guaranteed Discount Amount
\$400,000	\$8,000
\$500,000	\$10,000
\$600,000	\$12,000
\$700,000	\$14,000
\$800,000	\$16,000
\$900,000	\$18,000
\$1,000,000	\$20,000

B - SIMPLE INTEREST PROGRAM:

* Money always protected by Performance Bond

* Payment can be made at anytime before unit is completed

* No minimum payment

Rate is 3% simple interest

Term is from when money is received until unit ships from factory.

C - MULTI-VEHICLE DISCOUNTS (FOR SINGLE OR MULTI-COMMUNITY PURCHASE)

* \$10,000 DISCOUNT OFF TOTAL PRICE FOR 2-4 UNITS

* \$20,000 DISCOUNT OFF TOTAL PRICE FOR 5 OR MORE UNITS

Option No.	Description	PRICE
0100-0050	Rear tandem wheel well modification to driver and officer side to increase storage, by lowering extrusion above. Note SCBA bottle storage not available. Applies only to HP100 rear mount platform without pump.	\$518.00
1005-0133	(4) door, 237" WB & 47" frame cut, front tow hooks, 12K & 23K axles, ABS brakes, 1000 sq.in. radiator, 50 gal. left hand fuel tank, MBE900-300 6.4L 300 HP 98 EPA Engine EVS3000 transmission, MBE off/low/high compression and exhaust brake (2) 1850 CCA batteries, 270 alternator, ember separator and AC. Dual air horns, 911 Universal High Back Drivers Air Seat, 911 Universal SCBA Non Suspended Officers, (3) 911 Universal SCBA Rear Seats With Under Seat Storage Dual W\estT Coast Bright Finish Heated Remote with Left and Right Mirrors. 294-046 Separate taillight programming. Export chassis to Chilei ZCHILE-120308	\$81,208.00
1025-0002	Dana 221 22,800 lb. front axle.	\$20,583.00
1025-0003	Meritor FL941 front axle 16,000lb	\$12,441.00
1025-0004	Meritor FL941 front axle 18,000 lb. with assist cylinder.	\$14,198.00
1025-0005	Meritor FL-941 front axle 18,700 lb.	\$18,657.00
1025-0006	Meritor FL941 front axle 20,000 lbs.	\$19,332.00
1025-0007	Meritor FL941 front axle 21,000lb	\$19,332.00
1025-0008	Meritor FL941 front axle 21,500lb	\$19,601.00
1025-0009	Meritor FL943 front axle 18,000 lbs.	\$15,143.00
1025-0010	Meritor FL-943 front axle 18,700 lb.	\$19,601.00
1025-0011	Meritor FL-943 front axle 20,000 lb.	\$20,414.00
1025-0012	Meritor FL-943 front axle 21,000 lb.	\$20,682.00
1025-0013	Meritor FL-943 front axle 21,500 lbs.	\$21,089.00
1025-0014	Meritor front drive axle and suspension 16,540#	\$13,789.00
1025-0015	Meritor front drive axle and suspension 18,000#	\$41,152.00
1025-0016	Meritor RS-24-160 single rear axle 24,000 lb. capacity.	\$12,441.00
1025-0017	Meritor RS-25-160 single rear axle 27,000 lb. capacity.	\$13,925.00
1025-0018	Meritor RS-30-185 single rear axle 31,000 lb. capacity.	\$15,548.00
1025-0020	Meritor RT-46-160 rear tandem axle 46,000 lb. capacity.	\$33,117.00
1025-0021	Meritor RT-46-160 rear tandem axle 48,000 lb. capacity.	\$33,117.00
1025-0022	Meritor RT-50-160 rear tandem axle 52,000 lb. capacity.	\$41,902.00
1025-0023	Meritor RT-50-160 rear tandem axle 54,000 lb. capacity.	\$41,902.00
1025-0024	Meritor RT-58-185 rear tandem axle 60,000 lb. capacity.	\$52,716.00
1025-0027	Driver controlled rear differential.	\$888.00
1025-0028	Koni shock absorbers for front axle - adjustable.	\$386.00
1025-0029	Front shock absorbers.	\$208.00
1025-0030	Stemco oil seal front axle. Chicago Rawhide seal with Stemco sight glass will be supplied when front disc brakes are selected.	\$126.00
1025-0031	Spiral pins front suspension.	\$1,927.00
1025-0034	Automatic traction control. In addition to standard ABS system.	\$666.00
1025-0035	Koni shock absorbers for rear axle.	\$612.00
1025-0036	Automatic Traction Control System 6x4/6x6	\$2,270.00

Option No.	Description	PRICE
1025-0038	Meritor RT-58-185 rear tandem axle 62,000 lb. capacity.	\$62,176.00
1025-0039	Rear steer axle FL941 21,500lb for tiller.	\$27,744.00
1025-0058	Stemco oil seal rear axle (per axle). Not available with disc brakes.	\$267.00
1025-0059	Meritor front drive axle and suspension 21,000#	\$41,406.00
1025-0060	Meritor FL-943 front axle 22,100 lb.	\$21,880.00
1025-0061	A single indicator light installed in cab to show the activation of any of the brake wear indicator switches installed on the caliper at each wheel location.	\$387.00
1025-0063	Control in cab for kneeling of rear air ride suspension. Estimated dump time will be 30 seconds. Switch on dash to "Kneel" rear wire through park brake valve to allow Kneel only when park brake is activated.	\$579.00
1025-0064	Independent front axle/suspension - 18,000 lb. Not available with Series 60 engine.	\$47,567.00
1025-0065	Independent front axle/suspension - 20,000 lb. Not available with Series 60 engine.	\$47,567.00
1025-0066	Independent front axle/suspension - 22,800 lb. Not available with Series 60 engine.	\$47,567.00
1025-0067	Independent front axle/suspension - 24,000 lb. Not available with Series 60 engine.	\$47,567.00
1025-0069	Driver Controlled Dif Lock. on chassis with 26,000 rear axle.	\$604.00
1025-0071	OBS - Meritor RS-30-185 single rear axle 33,000lb capacity.	\$15,548.00
1025-0073	Meritor RS-30-185 single rear axle 31,500 lb. capacity.	\$15,548.00
1025-0074	Independent front axle/suspension rated at 18,700 lb due to tires (Uses 20,000 lb springs). Not available with Series 60 engine.	\$47,567.00
1025-0075	Independent front axle/suspension rated at 21,000 lb due to tires (Uses 22,800 lb springs). Not available with Series 60 engine.	\$47,567.00
1025-0076	Independent front axle/suspension rated at 21,500 lb due to tires (Uses 22,800 lb springs). Not available with Series 60 engine.	\$47,567.00
1025-0077	Rear steer axle FL941 22,100lb for tiller.	\$27,744.00
1025-0078	S-Cam brakes to have Haldex brand slack adjusters (per axle).	\$353.00
1025-0079	Meritor RS-23-240 two speed single rear axle 24,000lb capacity.	\$17,507.00
1025-0081	Chicago Rawhide oil seal rear axle (per axle). Not available with disc brakes.	\$267.00
1025-0084	Driver Controlled Dif Lock (Rearward rear axle). For use with International chassis with 40K tandem rear axle.	\$803.00
1025-0085	Driver Controlled Dif Lock (Rearward rear axle). For use with International chassis with 46K tandem rear axle.	\$627.00
1025-0086	Meritor FL941 front axle 18,500lb.	\$18,657.00
1025-0087	Dana S35-590 single rear axle 32,500lb capacity. Requires Bendix rear brakes.	\$19,780.00
1025-0088	Synthetic 75w90 gear oil for rear axle.	\$423.00
1025-0089	Meritor RS-26-185 single rear axle 27,000lb capacity	\$15,548.00
1025-0090	Meritor RT-46-160 rear tandem axle rated at 40,000lb capacity.	\$33,117.00
1025-0095	Meritor RS-30-185 single rear axle 29,000lb capacity	\$15,548.00
1025-0096	Front axle capacity upgrade for 23,000lb rating.	\$27,340.00
1025-0097	Meritor RS-30-185 single rear axle 33,000 lb. capacity. Requires 16.5" x 8.625" cast shoe brakes and 33K suspension.	\$15,548.00
1025-0099	Chassis axle package with FL-941 front axle with 18,000lb. suspension and RS-24-160 rear axle with 24,000lb. suspension. Includes front disc and rear cam brakes, Anti-Lock Brake System (ABS) and air Inlet located inside the driver side door area. Custom ES.	\$0.00

Option No.	Description	PRICE
1025-0100	Chassis axle package with FL-941 front axle with 18,000lb. suspension and RS-24-160 rear axle with 24,000lb. suspension. Includes front disc and rear cam brakes, Electronic Stability Control (ESC) for 172" WB and air inlet located inside the driver side door area. Custom ES.	\$3,378.00
1025-0101	Chassis axle package with FL-941 front axle with 18,000lb. suspension and RS-24-160 rear axle with 24,000lb. suspension. Includes front disc and rear cam brakes, Electronic Stability Control (ESC), and air inlet located inside the driver side door area. 180" and 194" WB Custom ES.	\$3,378.00
1025-0102	Chassis axle package with FL-941 front axle with 18,000lb. suspension and RS-24-160 rear axle with 24,000lb. suspension. Includes front disc and rear cam brakes, Electronic Stability Control (ESC), and air inlet located inside the driver side door area. 202", 206", and 214" WB Custom ES.	\$3,378.00
1025-0103	Chassis axle package with FL-941 front axle with 18,000lb. suspension and RS-24-160 rear axle with 24,000lb. suspension. Includes front disc and rear cam brakes, Anti-Lock Brake System (ABS) and air Inlet located inside the driver side door area. Export only Custom ES with 98 EPA engine.	\$0.00
1025-0106	Driver Control Differential for M2.	\$519.00
1025-0107	Synthetic 75w90 gear oil for front axle.	\$131.00
1025-0108	Meritor RS-30-185 single rear axle 30,000lb capacity	\$15,548.00
1025-0110	Meritor RT-50-160 rear tandem axle 50,000lb capacity	\$41,902.00
1025-0114	Meritor FL943 front axle 18,700lb with multi-leaf front springs.	\$20,063.00
1025-0115	The front axle to be an 18K Dana Spicer with taperleaf and shocks.	\$0.00
1025-0116	The rear axle to be tandem with 40K Dana Spicer with air ride suspension.	\$0.00
1025-0119	3 year extended parts and labor warranty (total of 4 year warranty) on Timoney Independant Front Axle. Does not include steering components.	\$2,798.00
1025-0120	Driver controlled rear differential. Includes guarded toggle switch located on driver side diagnostic panel.	\$888.00
1025-0121	2 year extended parts and labor warranty (total of 3 year warranty) on Timoney Independent Suspension Front Axle. Does not include steering components.	\$1,867.00
1025-0122	Stemco Hubometer on driver side of rear axle.	\$153.00
1025-0123	Meritor FL941 front axle 19,840 lb.	\$18,657.00
1025-0124	Meritor FL943 front axle 20,000 lb. Springs to have Berlin style eyes with rubber bushings.	\$20,759.00
1025-0125	Meritor FL943 front axle 19,840 lb.	\$19,601.00
1025-0127	Meritor FL941 front axle 18,000 lb with multi-leaf front springs.	\$12,891.00
1025-0132	Koni shock absorbers for front axle - non-adjustable. For use with IFS front axle only.	\$386.00
1025-0133	Meritor FL943 front axle 20,000 lb with multi-leaf front springs.	\$20,864.00
1025-0134	Meritor MT-40-14X rear tandem axle 40,000 lb. capacity.	\$28,385.00
1025-0135	AxleTech FS25 front axle 18,700 lb. Includes sight guage.	\$20,754.00
1025-0137	Meritor FL943 front axle 19,220 lb.	\$19,601.00
1025-0138	AxleTech FS25 front axle 20,000 lb. Includes sight guage.	\$20,754.00
1025-0139	AxleTech front drive axle and suspension 18,700#.	\$46,138.00
1025-0140	Spicer 232S4 single rear axle 24,000 lb. capacity with power divider (232D4 with DCDL). Includes drivelines to front axle.	\$18,629.00

Option No.	Description	PRICE
1025-0141	Spicer 301S4 single rear axle 31,000 lb. capacity with power divider. Includes drivelines to front axle.	\$23,511.00
1025-0142	Chicago oil seal front axle. Chicago Rawhide seal with Chicago Rawhide sight glass (model 1743) will be supplied when front disc brakes are selected.	\$126.00
1025-0144	The front axle shall be fitted with a 1" spacer block per customer request. The spacer block shall not compromise step height requirements or impose unacceptable rake characteristics when added. Chassis engineering approval required.	\$229.00
1025-0145	Front suspension grease points/spring pins shall have fittings inboard of the frame rails with grease fittings pointed towards the center of the chassis to prepare for dealer/customer supplied lubrication system.	\$575.00
1025-0146	Reyco Granning independent front suspension - 18,000 lb. Includes shocks and sight glass on hubs.	\$33,261.00
1025-0147	Reyco Granning independent front suspension - 18,700 lb. Includes shocks and sight glass on hubs.	\$33,261.00
1025-0148	Reyco Granning independent front suspension - 19,840 lb. Includes shocks and sight glass on hubs.	\$33,261.00
1025-0149	Reyco Granning independent front suspension - 20,000 lb. Includes shocks and sight glass on hubs.	\$33,261.00
1025-0150	Reyco Granning independent front suspension - 21,000 lb. Includes shocks and sight glass on hubs.	\$33,261.00
1025-0151	Reyco Granning independent front suspension - 21,500 lb. Includes shocks and sight glass on hubs.	\$33,261.00
1025-0152	Reyco Granning independent front suspension - 22,800 lb. Includes shocks and sight glass on hubs.	\$33,261.00
1025-0153	Reyco Granning independent front suspension - 24,000 lb. Includes shocks and sight glass on hubs.	\$33,261.00
1025-0158	Stemco sight glass guards.	\$108.00
1025-0159	Meritor front drive axle and suspension 19,840#	\$41,406.00
1025-0163	Rear axle high water ventilation tube.	\$246.00
1025-0164	Meritor MFS18 front axle rated at 16,000 lb.	\$12,261.00
1025-0165	Meritor FL-943 front axle 22,500 lb.	\$21,834.00
1025-0169	Dana Spicer single rear axle with 27,000 lb capacity with power divider. Includes drivelines to front axle.	\$23,511.00
1025-0170	Meritor MFS18 front axle rated at 18,000 lb.	\$12,261.00
1025-0171	Dana 221 24,000 lb. front axle.	\$20,961.00
1025-0172	Meritor front drive axle and suspension 22,800#	\$47,508.00
1025-0174	Meritor FL941 front axle 18,000 lb.	\$12,441.00
1025-0175	Meritor RS-25-160 single rear axle at 24,000 lb. rated capacity.	\$13,925.00
1025-0178	Meritor FL941 front axle 21,200lb	\$19,332.00
1025-0180	Stemco oil seal tiller axle.	\$126.00
1025-0181	Dana S35-590 single rear axle 33,000lb capacity. Requires Bendix rear brakes.	\$19,780.00
1025-0182	Dana S35-590 single rear axle 35,000lb capacity. Requires Bendix rear brakes. Unit will have an intermittent speed rating due to rear tires.	\$19,780.00
1025-0184	Marmon-Herrington MT-22 front drive axle and suspension 19,840 lb.	\$42,382.00
1025-0186	Meritor RS-30-185 single rear axle 28,450lb capacity	\$15,548.00
1050-0000	Steel wheels for front axle (2).	\$365.00
1050-0001	Alcoa aluminum wheels for front axle (2).	\$1,967.00
1050-0002	Steel wheels for rear axle (4).	\$723.00
1050-0003	Alcoa aluminum wheels for rear axle (4).	\$3,927.00

Option No.	Description	PRICE
1050-0004	Steel wheels for rear axles (8).	\$1,442.00
1050-0005	Alcoa aluminum wheels for rear axles (8).	\$7,849.00
1050-0007	Front axle wheel trim kit. Includes stainless steel lug nut covers (chrome plated plastic if applicable) and center cap with E-ONE logo. Note: Center cap will have an inspection port IPO a logo if equipped with Stemco oil seals.	\$264.00
1050-0008	Rear axle (single) wheel trim kit. Includes stainless steel lug nut covers (chrome plated plastic if applicable) and center cap with E-ONE logo. E-ONE custom chassis w/steel wheels will have chrome plated plastic lug covers.	\$325.00
1050-0009	Rear axle (tandem) wheel trim kit. Includes stainless steel lug nut covers (chrome plated plastic if applicable) and center caps with E-ONE logo. E-ONE custom chassis w/steel wheels will have chrome plated plastic lug covers.	\$723.00
1050-0010	Wheel Covers stainless steel (Real Wheels) 4x4	\$1,281.00
1050-0011	Wheel Covers stainless steel (Real Wheels) 6x6	\$1,916.00
1050-0012	Wheel Covers stainless steel 8x8 (Real Wheels)	\$2,553.00
1050-0017	Each inside wheel of the single rear axle shall have valve stem extensions.	\$133.00
1050-0018	Each inside wheel of the tandem rear axles shall have valve stem extensions.	\$262.00
1050-0019	Two steel wheels painted job color on both the inside and outside facing for front axle.	\$701.00
1050-0024	(1) spare steel wheel painted job color for front axle.	\$186.00
1050-0025	(1) spare steel wheel painted job color for rear axle.	\$186.00
1050-0026	Front axle Wheel Trim kit. Includes stainless steel lug nut covers and center cap (no logo). Note: Center cap will have an inspection port if equipped with Stemco oil seals.	\$264.00
1050-0027	Rear axle (single) wheel trim kit. Includes stainless steel lug nut covers (chrome plated plastic if applicable) and center caps (no logo). E-ONE custom chassis w/ steel wheels will have chrome plated plastic lug covers.	\$325.00
1050-0028	Rear axle (tandem) Wheel Trim kit. Includes stainless steel lug nut covers (chrome plated plastic if applicable) and center cap (No logo). E-ONE custom chassis w/ steel wheels will have chrome plated plastic lug covers.	\$723.00
1050-0029	Front & rear axle wheel simulator kit. Includes stainless steel wheel simulator and center cap with E-ONE logo.	\$1,906.00
1050-0030	Rear axle (single) wheel trim kit. Includes stainless steel lug nut covers and center caps (no logo). E-ONE custom chassis w/ steel wheels will have chrome plated plastic lug covers.	\$325.00
1050-0031	Front axle wheel simulator kit. Includes stainless steel wheel simulator and center cap with E-ONE logo. Note: Center cap will have an inspection port IPO a logo if equipped with Stemco oil seals.	\$633.00
1050-0032	Rear axle (single) wheel simulator kit. Includes full stainless steel wheel simulators with integrated lug nut covers and E-ONE logo.	\$923.00
1050-0033	Dura-Brite finish on aluminum wheel (EA). Not available on 13" wheel (425 and 445 tires).	\$120.00
1050-0034	Freightliner chassis rims painted job color. Tradition.	\$0.00
1050-0035	Freightliner provided polished aluminum wheels.	\$1,191.00
1050-0036	International chassis rims painted job color. Tradition.	\$0.00
1050-0037	International chassis Rims Aluminum. Tradition.	\$1,150.00
1050-0038	Steel wheels for rear axle (4) 24" split rim.	\$7,459.00
1050-0039	Polish inner and outer aluminum wheel (EA).	\$98.00
1050-0041	Freightliner provided Front and Rear Wheel Brake Dust Shields	\$80.00

Option No.	Description	PRICE
1050-0043	Rear axle (tandem) wheel simulator kit. Includes full stainless steel wheel simulators with integrated lug nut covers and E-ONE logo.	\$1,843.00
1050-0044	Accuride aluminum wheels for front axle (2).	\$1,910.00
1050-0045	Accuride aluminum wheels for rear axle (4).	\$3,811.00
1050-0046	Accuride aluminum wheels for rear axles (8).	\$7,618.00
1050-0047	Front axle wheel trim kit. Includes stainless steel "Cover-Up" covers with E-ONE logo. Not available with Stemco oil seals.	\$339.00
1050-0048	Rear axle (single) Wheel Trim kit. Includes stainless steel "Cover-Up" covers with E-ONE logo. Not available with Stemco oil seals.	\$435.00
1050-0049	Rear axle (tandem) Wheel Trim kit. Includes stainless steel "Cover-Up" covers with E-ONE logo.	\$868.00
1050-0050	Commercial chassis rims painted job color. For use with single rear axle.	\$0.00
1050-0051	International chassis rims aluminum. For use with single rear axle.	\$1,402.00
1050-0052	International chassis rims painted job color. For use with tandem rear axle.	\$0.00
1050-0053	International chassis rims aluminum. For use with tandem rear axle.	\$1,948.00
1050-0054	Crossfire dual wheel air tire equalizing system.	\$347.00
1050-0055	Six (6) steel wheels for front and rear axle tire package. Outboard wheels (outboard side only) are painted job color. Custom ES.	\$0.00
1050-0056	Six (6) aluminum wheels for front and rear axle tire package. Custom ES.	\$2,474.00
1050-0057	Wheel trim package. For use with steel or aluminum wheels. Custom ES.	\$393.00
1050-0058	Chassis rims painted job color.	\$0.00
1050-0059	Freightliner aluminum wheels.	\$1,206.00
1050-0060	International aluminum wheels.	\$1,218.00
1050-0061	The front and rear axle outboard steel rims to have painted trim. Color to be silver.	\$127.00
1050-0062	Navistar chassis rims painted job color, Wildland.	\$0.00
1050-0063	Navistar chassis rims polished aluminum, Wildland.	\$1,150.00
1050-0064	Navistar spare wheel/tire polished aluminum, Wildland.	\$897.00
1050-0065	Navistar spare wheel/tire painted steel, Wildland.	\$703.00
1050-0066	Kenworth aluminum wheels. For use with tandem rear axle.	\$2,093.00
1050-0067	Wheel check loose lug nut indicators (high temp orange) for 4x2/4x4 chassis. Front and rear wheels.	\$157.00
1050-0068	Each outboard facing wheel of the single axle unit shall have valve stem extensions; front 2", rear appropriately sized. Includes additional set (inside and outside) ship loose.	\$260.00
1050-0069	Isolators between wheels and/or hubs.	\$228.00
1050-0070	Accuride aluminum wheels outer and steel inner for rear axles (4).	\$2,268.00
1050-0071	Wheel check loose lug nut indicators (standard temperature lime green) for 4x2/4x4 chassis. Front and rear wheels.	\$157.00
1050-0072	Wheel simulator kit. Front & rear axle wheel simulator kit. Includes stainless steel wheel simulator and center cap with E-ONE logo where applicable.	\$1,094.00
1050-0073	Wheel trim package. For use with steel or aluminum wheels.	\$492.00
1050-0074	Lug nut Disc-Lock (40) per unit. Model NMF-2090-M-GEO.	\$332.00
1050-0075	Freightliner chassis rims aluminum. For use with tandem rear axle.	\$0.00
1050-0076	Accu-Shield finish on aluminum wheel (EA). Not available on 13" wheel (425 and 445 tires).	\$123.00

Option No.	Description	PRICE
1050-0077	Wheel check loose lug nut indicators (blue) for 4x2/4x4 chassis. Front and rear wheels.	\$157.00
1050-0078	Front axle wheel trim. Includes center cap with E-ONE logo only; NO lug nut covers. Note: Center cap will have an inspection port IPO a logo if equipped with Stemco oil seals.	\$244.00
1050-0079	Rear axle (single) wheel trim. Includes center cap with E-ONE logo only; NO lug nut covers.	\$304.00
1050-0080	Trim Kit, Lug nut covers for front and rear axle wheels. Includes lug nut covers only (chrome plated plastic if applicable)	\$203.00
1050-0081	Rear wheels to be 9 inches wide, quantity (4).	\$495.00
1050-0082	Alcoa aluminum wheels outer and steel inner for rear axles (8).	\$4,650.00
1050-0083	Alcoa aluminum wheels outer and steel inner for rear axles (4).	\$2,325.00
1060-0001	Two Michelin 315 tires model XZA-1 for front axle.	\$1,939.00
1060-0004	Four Michelin 11R tires model XZE2 highway tread for rear axle.	\$3,332.00
1060-0005	Four Michelin 12R tires model XZE highway tread for rear axle.	\$3,897.00
1060-0006	Four Michelin 315 tires model XZA-1 for rear axle	\$3,876.00
1060-0007	Eight Michelin 11R tires model XZE2 for rear axles.	\$6,659.00
1060-0008	Eight Michelin 12R tires model XZE for rear axles	\$7,792.00
1060-0009	Eight Michelin 315 tires model XZA-1 for rear axles.	\$7,754.00
1060-0010	Two Goodyear 315 tires model G291 for front axle.	\$1,939.00
1060-0015	Four Michelin 11R rear tires with XDN2 all weather tread.	\$3,740.00
1060-0016	Four Michelin 12R rear tires with XDN2 all weather tread.	\$4,262.00
1060-0017	Four Michelin 315 rear tires with XDN2 all weather tread.	\$4,672.00
1060-0020	Four Goodyear 315 rear tires with mud and snow tread. Intermittent fire service rating if GAWR is over 29,560.	\$4,060.00
1060-0021	Eight Michelin 11R rear tires with XDN2 all weather tread.	\$7,481.00
1060-0022	Eight Michelin 12R rear tires with XDN2 all weather tread.	\$8,523.00
1060-0023	Eight Michelin 315 rear tires with Mud and Snow tread	\$9,342.00
1060-0026	Eight Goodyear 315 rear tires with Mud and Snow tread. Intermittent fire service rating if GAWR is over 59,120.	\$8,118.00
1060-0030	Four Goodyear 315 rear tires with G291 highway tread.	\$3,876.00
1060-0033	Eight Goodyear 315 rear tires with G291 highway tread.	\$7,754.00
1060-0042	Two Michelin 365 tires model XZA for front axle. Speed rating for up to 75 mph. Requires Alcoa alum wheels.	\$1,981.00
1060-0043	Two Michelin 425 tires model XZY3 for front axle.	\$2,398.00
1060-0044	Two Michelin 445 tires model XZY3 for front axle.	\$2,320.00
1060-0046	Two Michelin 425 tires model XFE for front axle.	\$2,489.00
1060-0047	Two Michelin 385 tires model XFE for front axle.	\$2,297.00
1060-0048	Four Michelin 12.00 x 24 tires model XZY LRH for rear axle. Note: Tires have an operating restriction per Michelin bulletin MSPN29163 (maximum one-way distance of 50-miles with a one (1) hour cool down).	\$4,569.00
1060-0049	Tyron tire pressure monitoring system model TPMS. Includes wireless remote display in cab.	\$1,251.00
1060-0050	Tire pressure monitoring valve stem caps.	\$183.00
1060-0051	Two Michelin 385 tires model XZY3 for front axle.	\$2,259.00
1060-0052	Eight Michelin 275/80R tires model XZE2 for rear axles.	\$6,435.00

Option No.	Description	PRICE
1060-0053	PressurePro tire pressure monitoring system for single rear axle units. Includes bail mounted display in cab.	\$1,064.00
1060-0054	PressurePro tire pressure monitoring system for tandem rear axle units. Includes bail mounted display in cab.	\$1,273.00
1060-0055	Tire pressure monitoring valve stem caps. For use with a chassis with 14K front and 26K rear axle.	\$0.00
1060-0056	Tire pressure monitoring valve stem caps. For use with a chassis with 14K front and 30K rear axle.	\$50.00
1060-0057	Tire pressure monitoring valve stem caps. For use with a chassis with 18K front and 40K tandem rear axle.	\$67.00
1060-0058	Tire pressure monitoring valve stem caps. For use with a chassis with 18K front and 46K tandem rear axle.	\$67.00
1060-0059	Tire pressure monitoring valve stem caps. For use with a chassis with 20K front and 46K tandem rear axle.	\$67.00
1060-0060	Two Michelin 315 tires model XZY3 for front axle.	\$2,083.00
1060-0061	Four Michelin 12R rear tires with Mud and Snow XDS tread	\$3,520.00
1060-0062	Front and rear axle tire package. Includes two (2) Michelin 315 XZA-1 front tires and four (4) Michelin 11R XZE rear tires with highway tread. Custom ES.	\$0.00
1060-0063	Front and rear axle tire package. Includes two (2) Michelin 315 XZA-1 front tires and four (4) Michelin 11R XDN rear tires with mud and snow tread. Custom ES.	\$96.00
1060-0064	Tire pressure monitoring valve stem caps. Custom ES.	\$0.00
1060-0065	Tire pressure monitoring valve stem caps.	\$0.00
1060-0066	Tire pressure monitoring valve stem caps. For use with a chassis with 12K front and 23K rear axle.	\$0.00
1060-0067	Tire pressure monitoring valve stem caps. For use with a chassis with 12K front and 26K rear axle.	\$0.00
1060-0068	Tire pressure monitoring valve stem caps. For use with a chassis with 12K front and 24K rear axle.	\$0.00
1060-0069	Tire pressure monitoring valve stem caps. For use with a chassis with 14K front and 24K rear axle.	\$0.00
1060-0070	Tire pressure monitoring valve stem caps. For use with a chassis with 14K front and 26K rear axle.	\$0.00
1060-0071	Tire pressure monitoring valve stem caps. For use with a chassis with 16K front and 30K rear axle.	\$67.00
1060-0072	Two Goodyear 385 tires for front axle with G296 MSA highway tread.	\$2,222.00
1060-0073	Two Goodyear 425 tires for front axle.	\$2,163.00
1060-0074	Two Goodyear 445 tires for front axle	\$2,341.00
1060-0075	Four Goodyear 11R rear tires with G622 RSD mud and snow tread.	\$4,114.00
1060-0076	Four Goodyear 12R rear tires with mud and snow tread.	\$4,687.00
1060-0077	Eight Goodyear 11R rear tires with G622 RSD Mud and Snow tread.	\$8,229.00
1060-0078	Eight Goodyear 12R rear tires with Mud and Snow tread	\$9,376.00
1060-0079	Four Goodyear 11R rear tires with highway tread	\$2,978.00
1060-0080	Eight Goodyear 11R rear tires with highway tread.	\$5,952.00
1060-0081	PressurePro tire pressure monitoring system for single rear axle units. Includes electrical system integrated display in cab.	\$1,064.00
1060-0082	Tire pressure monitoring valve stem caps. For use with a chassis with 16K front and 30K rear axle.	\$50.00
1060-0084	Tire pressure monitoring valve stem caps. For use with a chassis with 14K front and 40K tandem rear axle.	\$67.00
1060-0085	Eight Michelin 12R rear tires with Mud and Snow XDS tread	\$7,032.00
1060-0086	Four Goodyear 11R rear tires with G287 MSA highway tread	\$2,978.00
1060-0087	Two Goodyear 315 tires with G287 MSA tread for front axle	\$1,869.00
1060-0088	Tire pressure monitoring valve stem caps. For use with a chassis with 20K front and 40K tandem rear axle.	\$159.00

Option No.	Description	PRICE
1060-0089	Front tires to be Bridgestone that are sized for the axle capacity provided.	\$0.00
1060-0090	Rear tandem axle tires to be Bridgestone mus and snow that are sized for the axle capacity provided.	\$0.00
1060-0091	Tire pressure monitor display is to be located on the [#LOC].	\$0.00
1060-0092	Eight Michelin 275/80R22.5 rear tires with Mud and Snow tread.	\$6,844.00
1060-0095	Eight Goodyear 315 rear tires with G287 MSA highway tread.	\$7,861.00
1060-0096	Tire balancing (EA). Location: front tires.	\$72.00
1060-0097	Eight Michelin 315 tires model XZU-S2 for rear axles	\$8,891.00
1060-0098	Two Bridgestone 315 tires model M860 for front axle.	\$2,728.00
1060-0099	Four Bridgestone 12R tires model R250F highway tread for rear axle.	\$4,457.00
1060-0100	Front and rear axle tire package. Includes two (2) Michelin 385 XFE front tires and four (4) Michelin 11R XDN rear tires with mud and snow tread. Custom ES.	\$208.00
1060-0103	Cat's Eye model 6130-AB00 single rear axle tire pressure monitoring system. For use on 130 PSI tires. Includes braided lines.	\$890.00
1060-0104	Four Goodyear 12R rear tires with G661 HSA highway tread.	\$3,032.00
1060-0105	Eight Goodyear 12R rear tires with G661 HSA highway tread.	\$6,061.00
1060-0106	Four Goodyear 11R rear tires with G661 HSA highway tread.	\$2,817.00
1060-0107	Eight Goodyear 11R rear tires with G661 HSA highway tread.	\$5,632.00
1060-0108	Tire pressure monitoring valve stem caps. For use with a chassis with 14K front and 23K rear axle.	\$0.00
1060-0109	Eight Michelin 295/80R tires model XZA2 for rear axles.	\$7,324.00
1060-0111	Four Goodyear 315 rear tires with G289 WHA tread.	\$4,236.00
1060-0112	Tire pressure monitoring valve stem caps. Real Wheels LED indicators.	\$244.00
1060-0113	Intermittent service tire rating.	\$0.00
1060-0114	Tire pressure monitoring valve stem caps. VECSAFE LED indicators.	\$244.00
1060-0116	Vogel Lube display is to be located on the [#LOC].	\$0.00
1060-0117	RWC AirGuard LED tire pressure monitoring valve stem caps (6) for single rear axle applications.	\$188.00
1060-0118	RWC AirGuard LED tire pressure monitoring valve stem caps (8) for Tiller applications.	\$251.00
1060-0119	RWC AirGuard LED tire pressure monitoring valve stem caps (10) for tandem rear axle applications.	\$299.00
1060-0120	Two Goodyear 315 front tires with G289 WHA tread.	\$2,119.00
1060-0121	Four Goodyear 11R rear tires with RHD-II G137 tread.	\$3,682.00
1060-0123	RWC AirGuard LED tire pressure monitoring valve stem caps (2) front only. For use with rear axle Crossfire equalization systems.	\$76.00
1060-0124	Four Michelin 11R rear tires with XDS2 mud and snow tread.	\$3,740.00
1060-0127	Four Goodyear 11R rear tires with G751 MSA highway tread	\$2,978.00
1060-0129	Tire pressure monitoring integrated with V-MUX multiplex electrical system. Includes wheel mounted sensors. Requires Vista display. For use with tandem rear axle units.	\$1,826.00
1060-0130	Four Michelin 12R rear tires with XZY3 tread.	\$4,900.00
1060-0131	Two Michelin 425 tires model XZL for front axle.	\$2,398.00
1060-0132	Four Goodyear 12R rear tires with G751 MSA highway tread.	\$3,520.00
1060-0133	Michelin tires for commercial chassis Freightliner M2	\$0.00

Option No.	Description	PRICE
1060-0134	Four Michelin 315 rear tires with XZY3 tread.	\$4,672.00
1060-0135	Eight Michelin 315 rear tires with XDY tread.	\$9,505.00
1060-0136	Two Michelin 425 tires model XZU S wide base for front axle.	\$2,398.00
1070-0001	Rear suspension springs rated equal to the capacity of the axle.	\$1,491.00
1070-0002	Rear suspension springs rated equal to the capacity of the axles.	\$4,668.00
1070-0003	Rear suspension air ride rated equal to the capacity of the axle.	\$6,057.00
1070-0004	Rear suspension air ride (40-46K) rated equal to the capacity of the axles.	\$10,557.00
1070-0005	Air ride cab.	\$3,115.00
1070-0007	Shock absorbers rear single axle. Not available on 31,000 lb.	\$208.00
1070-0011	Ridewell Dynalastic 62,000 lb rear suspension. C-Frame applications only.	\$12,723.00
1070-0012	Reyco rear suspension springs rated equal to the capacity of the axle.	\$1,491.00
1070-0013	Rear suspension air ride (48-54K) rated equal to the capacity of the axles.	\$12,368.00
1070-0014	Rear suspension air ride (60-62K) rated equal to the capacity of the axles.	\$14,276.00
1070-0015	Ridewell Dynalastic rear suspension (40-54K) rated equal to the capacity of the axles.	\$13,905.00
1070-0016	The rear suspension to be for a 24,000lbs. application IPO 27,000lbs.	\$0.00
1070-0017	Reyco rear spring suspension w/aux 33K rating.	\$2,238.00
1070-0018	Suspension spacers to be held at a minimum to keep OAH as low as possible.	\$0.00
1070-0019	Rear suspension springs rated at 27,000 lbs.	\$1,739.00
1070-0020	Rear axle u-bolts .875". 24K/27K rear axles only. Not available with air ride suspensions.	\$117.00
1070-0021	Rear suspension FIREMAAX EX air ride (50-54K) rated equal to the capacity of the axles. Requires TB modification on 4-jack aerials. (Raises OAH .5" over springs)	\$12,314.00
1070-0022	Rear suspension FIREMAAX EX model FMX-482 air ride rated equal to the capacity of the axles (40-48K). Requires TB modification on 4-jack aerials. (Raises OAH .5" over springs)	\$11,318.00
1070-0024	Lower leaf wrap. Single rear axle only.	\$596.00
1070-0025	Reyco rear axle shocks and anti-roll bar. Available on up to 26K rear axle.	\$1,735.00
1070-0026	Rear axle shocks for Reyco single axle rear suspension.	\$938.00
1070-0027	Rear suspension FIREMAAX EX model FMX-272 27,000 lb. single axle air ride.	\$6,508.00
1070-0028	Rear suspension FIREMAAX EX model FMX-242 24,000 lb. single axle air ride.	\$6,013.00
1070-0029	Rear suspension FIREMAAX EX model FMX-312 31,000 lb. single axle air ride. Requires aluminum wheels.	\$8,524.00
1070-0030	Rear suspension FIREMAAX EX model FMX-622 air ride (60-62K) rated equal to the capacity of the axles. Requires alum wheels. Requires TB modification on 4-jack aerials. (Raises OAH .5" over springs)	\$14,445.00
1070-0031	Front axle u-bolts .875". Not available with independent suspensions.	\$117.00
1070-0032	Rear suspension Link Atlas 33,000 - 35,000 lb. single axle air ride. Requires DANA axle and aluminum wheels. Not compatible with tire chains.	\$9,697.00
1100-0000	16-1/2" x 6" S-cam brakes with ArvinMeritor automatic slack adjusters for front axle.	\$341.00
1100-0001	Meritor EX225H 17" disc brakes for front axle.	\$1,331.00
1100-0002	ArvinMeritor 16-1/2" x 7" S-cam brakes with cast brake drums for a single rear axle.	\$341.00

Option No.	Description	PRICE
1100-0003	Meritor EX225H 17" disc brakes for rear axle, maximum capacity 27,000 lbs.	\$1,331.00
1100-0004	Meritor EX225H 17" disc brakes for rear axles, maximum capacity 54,000 lbs.	\$2,033.00
1100-0005	Brake system air 4X2/4X4.	\$8,994.00
1100-0006	Parking brake release mounted on the driver's side lower dash.	\$0.00
1100-0007	Parking brake release mounted center of the engine cover.	\$347.00
1100-0008	Brake system air 6X4.	\$9,318.00
1100-0009	Front axle parking brake.	\$570.00
1100-0010	Brake emergency release for spring.	\$1,036.00
1100-0011	Roll Stability Control, Includes ATC. Not available on commercial chassis, tiller or tandem axle custom chassis.	\$2,153.00
1100-0014	ArvinMeritor 16-1/2" x 7" S-cam brakes with cast brake drums for a tandem rear axle.	\$411.00
1100-0015	Air brake system tractor/tiller ABS system for both tractor and tiller axle brakes.	\$9,195.00
1100-0016	16-1/2" x 6" Q-Plus S-cam brakes with ArvinMeritor automatic slack adjusters for Tillerman steering axle.	\$341.00
1100-0017	(OBS) Meritor EX225H 17" disc brakes for Tillerman steering axle.	\$1,331.00
1100-0018	Dust Shields. Front and Rear Axle. CAM Brakes only.	\$397.00
1100-0019	Dust Shields. Rear Axle. CAM Brakes only.	\$242.00
1100-0020	Compression fittings for all air brake system lines. Includes cab interior air lines as applicable.	\$1,332.00
1100-0022	Dust Shields. Front and rear tandem axle. CAM brakes only.	\$636.00
1100-0023	Stainless steel park brake release guard.	\$232.00
1100-0024	G4 Electronic Stability Control (4x2), Includes RSC and ATC. Not available on 4x4, commercial chassis or tiller.	\$3,787.00
1100-0025	ArvinMeritor 16-1/2" x 8.625" Q-Plus S-cam brakes with cast brake drums for a single rear axle. 24K axle only.	\$1,402.00
1100-0026	G4 Electronic Stability Control (6x4), Includes RSC and ATC. Not available on 6x6 or commercial chassis.	\$4,515.00
1100-0027	Knorr-Bremse 17" disc brakes for front axle. Timoney IFS only.	\$1,331.00
1100-0028	ArvinMeritor 18" x 7" P-Type S-cam brakes with cast brake drums for a 33K single rear axle.	\$2,458.00
1100-0030	Brake chambers 30-36 for 24,000# single rear axle. N/A with disc brakes.	\$592.00
1100-0031	Dana ADB22X 17" disc brakes for front axle.	\$1,331.00
1100-0032	Hinged stainless steel park brake release guard.	\$309.00
1100-0033	Bendix 16-1/2" x 7" S-cam brakes for 33,000 - 35,000 Dana axle.	\$341.00
1100-0034	Brake chambers 30-36 for 48K/54K tandem rear axle. N/A with disc brakes.	\$1,179.00
1100-0035	Glad Hands tow option. Location: Front chassis frame.	\$581.00
1100-0036	16.5" x 8.625" P-Cast S-cam brakes for 27,000 - 33,000 Meritor axle.	\$873.00
1100-0037	Glad Hands tow option. Location: rear chassis frame.	\$581.00
1100-0038	Heavy duty 16-1/2" x 6" S-cam brakes with ArvinMeritor automatic slack adjusters for front axle. For use with 22,100 Meritor axle.	\$802.00
1100-0040	Gauge air brake application additional. Location: officer side overhead console.	\$331.00
1100-0042	Navistar ESP Stability control system, 4 x 4, Option, Wildland	\$1,750.00
1100-0043	Emergency park brake activation valve mounted on the officer's side dash with stainless steel guard.	\$720.00
1100-0044	Parking brake release mounted on the driver side electrical access cover (side facing). Severe duty interior only.	\$0.00

Option No.	Description	PRICE
1100-0045	2nd parking brake release mounted on the officer's side electrical access cover (side facing) with stainless steel guard. Severe duty interior only.	\$968.00
1100-0046	Brake system air tank to be mounted as high as possible.	\$232.00
1100-0047	Navistar ESP (ESC) Stability control system 4 x 2	\$1,760.00
1100-0048	Emergency park brake activation valve mounted on the center console offset driver side with stainless steel guard.	\$720.00
1100-0049	Parking brake release mounted on center dash (not available with ABS dash).	\$337.00
1100-0051	Location the front axle parking brake shall be located: [#LOC].	\$0.00
1100-0052	G4 Electronic Stability Control with Wabco OnGuard CMS system (4x2). Includes RSC and ATC. Not available on 4x4, commercial chassis or tiller.	\$8,019.00
1100-0053	G4 Electronic Stability Control with Wabco OnGuard CMS system (6x4). Includes RSC and ATC. Not available on 4x4, commercial chassis or tiller.	\$8,747.00
1100-0054	Bendix SN7 17" disc brakes for front axle. Reyco Granning IFS only.	\$1,331.00
1100-0055	Spring guards on each end of brake lines from wheel to frame.	\$182.00
1100-0056	Parking brake release mounted on the driver's side of upper tier. Severe duty dash only.	\$0.00
1100-0057	Brake chambers to be type 24 front and 30/30 rear. MGM piston style long stroke.	\$697.00
1100-0058	Safety Check brake stroke indicators.	\$770.00
1100-0059	Stainless steel u-bolt design park brake release guard.	\$232.00
1100-0060	Brake chambers on front axle to be type 24. MGM piston style long stroke.	\$349.00
1100-0061	Glad Hands tow option. Location: Front chassis frame, below gravel shield, driver side.	\$581.00
1100-0062	Locate front park brake control adjacent to rear park brake control ipos.	\$0.00
1100-0063	ArvinMeritor 16-1/2" x 8.625" Q-Plus S-cam brakes with cast brake drums for a 48K tandem rear axle.	\$2,802.00
1100-0064	Glad Hands tow option. Location: Front chassis frame, below gravel shield, officer side.	\$581.00
1100-0065	Brake chambers 36-36 for 27,000# single rear axle. N/A with disc brakes. Option limited to 20,000 front GAWR.	\$592.00
1100-0066	Emergency park brake activation valve mounted on the officer's side upper tier with stainless steel guard.	\$720.00
1100-0067	16-1/2" x 7" S-cam brakes with automatic slack adjusters for Marmon-Herrington front drive axle.	\$341.00
1100-0068	Parking brake release to be mounted on the driver's side lower dash, centered on panel to right side of steering column.	\$0.00
1110-0000	Inlet for air system. Location: [#LOC].	\$404.00
1110-0001	Air inlet auto eject. Includes weatherproof gasketed cover. [#LOC].	\$520.00
1110-0002	Air dryer Bendix AD-9.	\$526.00
1110-0003	Air dryer System Saver 1200.	\$633.00
1110-0004	Air tank drains w/pull cords.	\$461.00
1110-0005	Automatic moisture ejectors, heated.	\$458.00
1110-0006	Air lines nylon.	\$0.00
1110-0007	Air lines braided.	\$2,452.00
1110-0008	Gauge air brake application mounted in cab	\$331.00
1110-0009	Air horns on hood pair. Requires control.	\$655.00
1110-0010	Air inlet. To charge brake system. Commercial chassis only. Location: [#LOC].	\$404.00

Option No.	Description	PRICE
1110-0011	Air intake restriction gauge.	\$282.00
1110-0012	Air outlet off front ACC tank. It shall be located [#LOC].	\$404.00
1110-0013	Air horns shut-off valve. Located in cab accessible by driver.	\$119.00
1110-0021	Auxiliary 1738 cubic inch air tank plumbed to vehicle air system.	\$541.00
1110-0025	Thomas 110 volt air compressor plumbed to air brake system.	\$1,263.00
1110-0026	Air horns recessed in bumper (PR).	\$896.00
1110-0027	Isolated air tank. Includes pressure protection valve.	\$609.00
1110-0034	Auxiliary air tank to be plumbed to the chassis air horns only.	\$0.00
1110-0038	Driver and officer side foot switch. Supplied by International. For use with recess bumper mounted air horns.	\$0.00
1110-0039	Driver and officer side foot switch. Supplied by Freightliner. For use with recess bumper mounted air horns.	\$0.00
1110-0040	Dump valve system for rear air ride suspension. Includes three valves, one on each bag and one on supply line. Switch from driver's side overhead console.	\$696.00
1110-0041	Air horns Grover recessed in bumper (PR).	\$1,091.00
1110-0042	Label on isolated air tank "Air Horns Only".	\$36.00
1110-0043	Auxiliary air tank to be plumbed to the following optional accessories (if equipped): Chassis air horns, brake system air outlet, air reel, light tower, air primer and or customer/dealer supplied pneumatic add-on(s).	\$0.00
1110-0044	Air inlet Auto-Eject. Includes [#COL] weatherproof gasketed cover. Location: [#LOC].	\$520.00
1110-0045	Gast air compressor 110v model 3HBB-32-M300AX.	\$1,167.00
1110-0046	Kussmaul 12V Auto Drain. For use with Kussmaul air compressor.	\$506.00
1110-0048	Air inlet below bumper driver side. Fitting to be a Hansen male model B40 with protective plastic cover. Includes matching female model 4000 fitting (ship loose).	\$520.00
1110-0049	Air Lines Wrapped in Thermal Loom	\$1,985.00
1110-0050	Air brake lines to have 4 to 6" slack for future service work.	\$122.00
1110-0051	Tilt air horns down due to freezing conditions.	\$0.00
1110-0052	Air horns recessed behind bumper (PR). Includes E-ONE grilles on bumper.	\$1,127.00
1110-0053	Air horns Grover recessed in front bumper. (1) air horn 21" long, (1) air horn 24.5" long	\$1,142.00
1110-0054	Relocate air dryer to opposite the exhaust system inside the frame rails.	\$292.00
1110-0055	Air horns will alternate from driver to officer.	\$434.00
1110-0056	Air dryer Bendix ADIP.	\$676.00
1110-0057	Air outlet plumbed to vehicle air system. It shall be located [#LOC].	\$404.00
1110-0058	Air horns recessed in bumper (PR) with bells behind bumper.	\$959.00
1110-0059	Air horns Grover (1510) recessed in bumper (PR). Locate both to driver side of bumper.	\$1,119.00
1110-0060	Dual Grover Hood Mounted Air Horns with Driver and Officer Foot Switches to be Supplied and Installed by Freightliner. Tradition	\$695.00
1110-0061	Dual Grover hood mounted air horns with driver and officer foot switches to be supplied and installed by Freightliner.	\$0.00
1110-0062	Dual Hadley Hood Mounted Air Horns with Driver and Officer Foot Switches to be Supplied and Installed by International.	\$825.00
1110-0063	Dual Grover Hood Mounted Air Horns with Driver and Officer Foot Switches to be Supplied and Installed by International. Tradition	\$875.00
1110-0064	Dual Hadley Hood Mounted Air Horns with Driver and Officer Foot Switches to be Supplied and Installed by International.	\$0.00

Option No.	Description	PRICE
1110-0065	Dual Grover hood mounted air horns with driver and officer foot switches to be supplied and installed by Navistar.	\$0.00
1110-0066	Air horns Grover recessed in front bumper. (1) air horn 21" long, (1) air horn 24.5" long.	\$1,339.00
1110-0067	Auxiliary air tanks (2) on Tiller trailer to be plumbed to the air reel only.	\$0.00
1110-0068	Dual Grover Hood Mounted Air Horns with Driver and Officer Foot Switches to be Supplied and Installed by E-One.	\$1,091.00
1110-0069	Dual Grover hood mounted air horns with Y lanyard between driver and officer. This shall be supplied and installed by Navistar.	\$0.00
1110-0070	Dual Hadley Hood Mounted Air Horns with Y lanyard switch in overhead between Driver and Officer seating positions to be Supplied and Installed by International.	\$0.00
1110-0074	Air horns Grover mounted to hood each side. (1) air horn 21" long, (1) air horn 24.5" long.	\$1,342.00
1110-0075	Dual Stuttertone Hood Mounted Air Horns with Driver and Officer Foot Switches to be Supplied and Installed by Freightliner. Tradition	\$726.00
1110-0076	Dual Stuttertone hood mounted air horns with driver and officer foot switches to be supplied and installed by Freightliner.	\$0.00
1110-0077	Recessed air outlet off isolated tank. Location: [#LOC].	\$404.00
1110-0078	Omit the Hood Mounted Air Horns and install the Air Horn plumbing only with Driver and Officer Foot Switches to be Supplied and Installed by Freightliner. Tradition	\$695.00
1110-0080	Dual Hadley air horns mounted in front bumper extension. For use with driver and officer foot switches supplied and installed by International. Tradition	\$335.00
1110-0081	Dual foot switches. Locate (1) driver and (1) officer. To be supplied by International. For use with E-ONE installed air horns in bumper extension.	\$275.00
1110-0082	Air horns Grover model 2040 rectangular recessed in bumper (PR) with snow caps.	\$1,163.00
1110-0083	Dual Hadley Hood Mounted Air Horns with Driver Foot Switch and Center Dash Mounted Push Button to be Supplied and Installed by International. Tradition	\$610.00
1110-0084	Airhorns to be recessed flush (as applicable) with exterior of bumper.	\$0.00
1110-0085	Bumper mounted Grover 21" air horns. Controls required and provided separately.	\$942.00
1110-0086	Locate driver side air tank to rear of battery tray.	\$0.00
1110-0087	Air inlet. To charge brake system. Commercial chassis only. Inlet to be located within the cab and accessible from the driver side door area.	\$404.00
1110-0089	Single Grover 1512 air horn, steering wheel and officers foot switch controlled, Wildland	\$714.00
1110-0090	Air horns Grover recessed in bumper (PR) with snow caps.	\$1,230.00
1110-0091	Dual Grover hood mounted air horns with driver and officer foot switches to be supplied and installed by Navistar, Option, Wildland	\$1,426.00
1110-0092	Air tank manual drains shall have cables routed to the outside of the apparatus and labeled accordingly.	\$100.00
1110-0093	A momentary switch to activate air horns shall be mounted on the center console in easy reach of the officer.	\$78.00
1110-0094	A switch dedicated to the emergency amber lights shall be mounted on the cab interior instrument panel.	\$78.00
1110-0095	Automatic moisture ejector, heated. Wet tank only.	\$197.00
1110-0096	Stainless steel mounting straps for air tank.	\$160.00
1110-0097	Automatic moisture ejector, non-heated (EA).	\$151.00
1110-0098	All manual air tank drains to be at 45 degree or 90 degree angle as required.	\$0.00

Option No.	Description	PRICE
1110-0099	Air dryer System Saver Twin.	\$1,174.00
1110-0100	Auxiliary air tank system. Total reservoir capacity to be 11,585 cubic inches or greater (including brakes). Includes pressure protection valves as applicable. Airhorns and outlets plumbed to system.	\$2,430.00
1110-0101	Locate air horns officer side (1) inboard, (1) outboard of framerails.	\$0.00
1110-0102	Thomas 220 volt air compressor plumbed to air brake system.	\$1,263.00
1110-0103	Martin-Horn No. 2297 GM. Includes set of (4) horns, air compressor and snow caps for horns. Locate horns below front bumper and compressor below rear bench seat. Horn compressor to be activated through switch in multiplex display.	\$5,687.00
1110-0104	Air horns Grover (1510) recessed in bumper (PR). Locate one each side outboard of frame.	\$1,119.00
1110-0105	Gast air compressor 120V/240V model 4HCC-10-M450X.	\$1,355.00
1110-0106	Air horns Grover recessed behind bumper (PR). Includes E-ONE grilles on bumper.	\$1,323.00
1110-0107	The standard air brake release mounted on the center console shall be upgraded to include auxiliary tank release to brakes for emergency PSI buildup/brake release. A separate pressure gauge shall be mounted on the dash to indicate auxiliary air tank pressure.	\$649.00
1110-0108	Rubber cover for air outlet. Includes mechanical fastener for securing of cover.	\$19.00
1110-0109	Air hose routed from the compressor to the dryer shall be upgraded to include stainless steel mesh for the full length of hose.	\$85.00
1110-0110	Dual Stuttertone hood mounted air horns with driver and officer foot switches to be supplied and installed by Freightliner.	\$0.00
1110-0111	Gast air compressor 110v model 1HAB-10-M100X.	\$1,072.00
1110-0112	Martin-Horn No. 2297 GM. Includes set of (4) horns, air compressor and snow caps for horns. Locate horns and compressor in cab. Horn compressor to be activated through switch in cab accessible to the driver.	\$5,687.00
1110-0113	Dual Grover hood mounted air horns with a driver side foot switch to be supplied and installed by Navistar.	\$0.00
1110-0114	Dual Hadley Hood Mounted Air Horns with Driver side steering wheel switch to be Supplied and Installed by International.	\$0.00
1110-0115	Dual Grover hood mounted air horns with two (2) position horn ring switch DOT horn/air horn, to be supplied and installed by Navistar.	\$0.00
1110-0116	Air horns Buell recessed in bumper (PR).	\$1,137.00
1110-0117	Air horns Grover model 2040 rectangular recessed in bumper (PR).	\$1,163.00
1110-0118	Inlet for air system. Includes weather proof box and Hubbel [#COL] cover. Location: [#LOC].	\$515.00
1110-0119	Isolated air tank. Includes pressure protection valve. International chassis only.	\$100.00
1110-0120	Dual Stuttertone hood mounted air horns with dual lanyard control switches in overhead to be supplied and installed by Freightliner.	\$0.00
1110-0121	Stuttertone air horns on commercial hood pair. Horns to be mounted to side of commercial chassis hood. Does not include foot switch(s).	\$0.00
1110-0122	Dual Grover Hood Mounted Air Horns with E-ONE supplied activation to be Supplied and Installed by International. Tradition	\$765.00
1110-0123	Dual Stuttertone Hood Mounted Air Horns to be Supplied and Installed by Freightliner. Lanyard activation sold separately. Tradition	\$610.00
1110-0124	Air horns Grover recessed behind bumper (PR). Includes grilles (No Logo) on bumper.	\$1,323.00
1110-0125	Gast air compressor 110v model 3HBB-32-M300AX with moisture filter.	\$1,328.00
1110-0126	Air horns (pair) includes isolated 12V pump, tank, (2) switches: driver side foot & officer side push button on officer side of center console. Horns to be located: below front bumper between frame rails.	\$2,750.00

Option No.	Description	PRICE
1110-0127	Automatic moisture ejector, heated. Air dryer only.	\$197.00
1110-0128	Gauge air for tank. Location: driver side overhead.	\$426.00
1110-0129	Diamond plate flip cover for air inlet or outlet with label mounted in driver's door jamb.	\$125.00
1110-0130	Dual Stuttertone hood mounted air horns with driver foot switch to be supplied and installed by Freightliner. See options for additional switches as applicable to be E-ONE added.	\$0.00
1110-0131	Compression fittings for fan clutch ipos.	\$116.00
1110-0132	Air tank drains w/pull cords. Ends of pulls to be labeled with tank type and drain sequence.	\$461.00
1110-0133	Air dryer Haldex model N4253A.	\$717.00
1110-0134	Auxiliary air tanks to be plumbed to the following optional accessories (if equipped): Air reel, light tower and or customer/dealer supplied pneumatic add-on(s).	\$0.00
1110-0135	Air horns shut-off valve. Located on driver side overhead console.	\$119.00
1110-0136	Air horns shut-off valve. Located on officer side overhead console.	\$119.00
1110-0137	Compression fittings for pump shift ipos.	\$116.00
1110-0138	Air horns Grover model 2040 rectangular behind bumper (PR). Includes E-ONE grilles.	\$1,395.00
1110-0139	Air dryer Bendix AD-SP.	\$526.00
1110-0140	Locate air horns outside of frame rails.	\$0.00
1110-0141	Air inlet shut-off valve. Located adjacent to air inlet.	\$119.00
1110-0142	Brake system air tank drains located in (1) central location at rubrail.	\$0.00
1110-0143	Diamond plate flip cover for air inlet or outlet with label mounted on officer's gravel shield.	\$125.00
1110-0144	Air outlet shut-off valve. Located adjacent to air outlet.	\$119.00
1110-0145	Switch. Foot switch siren break. Includes: 25 degree mounting bracket. See photo on file for mounting instructions. Locate (1) officer side for left foot.	\$150.00
1110-0146	Dual Stuttertone hood mounted air horns with driver and officer foot switches to be supplied and installed by Kenworth.	\$0.00
1110-0147	Recessed air outlet off isolated tank. Location: driver and officer side rear wheel well offset rearward.	\$404.00
1110-0148	Locate air horns driver side (1) inboard, (1) outboard of framrails.	\$0.00
1110-0149	Drain. Manual drain for Atlas compressor. Locate at rubrail adjacent to compressor on officer side of body.	\$0.00
1110-0150	Parker model DCR601-4 air tank drains ipos (EA).	\$58.00
1125-0000	Retarder Telma focal mounted. All four stages applied with brake application. Not available on tandem axle or four jack aerials.	\$10,952.00
1125-0001	Brake Jacob's exhaust	\$817.00
1125-0002	Jacobs engine compression brake.	\$1,897.00
1125-0003	Allison transmission retarder. Pre-select feature will be switched off with this option.	\$12,978.00
1125-0006	Driveline Mounted Telma Retarder. Standard switch location is on console, manual lever on engine cover offset to driver's side. Cut off at 5 mph - 25% applied with throttle release & balance with brake application.	\$10,952.00
1125-0007	Tag located at Jacob Brake Controller. To read: Do Not Operate on Wet or Slippery Surfaces.	\$86.00
1125-0009	Allison retarder to activate per Seattle requirements. Dash label "Switch Retarder Off for Wet or Slippery Road Conditions. Retarder shall activate 30% at zero throttle with the remaining 70% applied sequentially through the brake pedal. The brake/stop light circuit shall activate with retarder application.	\$324.00

Option No.	Description	PRICE
1125-0010	Allison transmission retarder to be programmed at 1/3 off throttle, 1/3 at 4 psi brake pressure, 1/3 at full (10 psi) brake pressure.	\$0.00
1125-0011	Allison transmission retarder to be programmed at 1/3 at 4 psi brake pressure, 1/3 at 7 psi brake pressure, 1/3 at full (10 psi) brake pressure.	\$0.00
1125-0012	Driveline Mounted Telma Retarder. All four stages applied with brake application.	\$10,952.00
1125-0013	Lever control for Telma retarder. 5 position lever with low speed cutout.	\$318.00
1125-0014	Dual retarder operation. Engine Jacobs brake and transmission retarders to both be operable at the same time. Requires special approval. Option contingent on receiving formal approval from driveline component suppliers.	\$131.00
1125-0015	Relocate Jake Brake control to driver side of electrical access cover.	\$432.00
1125-0016	Allison transmission retarder.	\$11,290.00
1125-0017	Transmission to seek 3rd gear when Jacobs Compression brake is engaged. Requires special approval. Option contingent on receiving formal approval from driveline component suppliers.	\$131.00
1125-0018	Compression brake for MAXXFORCE engines.	\$1,897.00
1125-0019	Driveline Mounted Telma Retarder. Stage 1 & 2 applied off throttle; stage 3 & 4 applied with brake application.	\$10,952.00
1125-0020	Jacobs engine compression brake. To be controlled only by a single on/off sw.	\$1,897.00
1125-0021	Driveline Mounted Telma Retarder to operate w/ 5 position lever within cab. 5 position lever sold separately.	\$10,952.00
1125-0022	Driveline Mounted Telma Retarder. Stage 1 applied off throttle; stage 2, 3 & 4 applied with brake application.	\$10,952.00
1125-0023	Transmission to seek second gear when Jacobs engine brake or Telma retarder is engaged. N/A with Trans retarder.	\$0.00
1125-0024	Switch selector Jacobs compression brake / transmission retarder. Location and function: driver side overhead console to select compression brake or trans retarder.	\$218.00
1125-0025	Relocate Jacobs Brake control. Location: driver side of center dash upper tier.	\$432.00
1125-0026	Relocate Jacobs Brake control. Location: driver side, side facing, adjacent to Vista Display.	\$432.00
1150-0007	Tray center of bumper with slats 34x13x10 for 149 feet of 1-3/4" double jacket hose or 57 feet of 5" LDH.	\$737.00

1150-0196	Tray officer side bumper next to front intake. Half moon style for 20' of 6" rolled hose.	\$701.00
1150-0197	Nylon black strap with aluminum quick release buckle. Location: driver, officer and center top of front bumper gravel shield.	\$362.00
1150-0198	Notch front bumper tray for speaker/Q2B. Will reduce front hose/equipment load. Officer's side only.	\$131.00
1150-0199	Nylon black cargo net with bungee hold downs on sides for bumper crosslay.	\$291.00
1150-0200	Bumper tray center of bumper with slats 18 inches deep (approx 17 inches to slats).	\$486.00
1150-0201	Notch front bumper tray for speaker/Q2B. Notch to be sized as close to obstacle as possible to provide more storage space in tray. Will reduce front hose/equipment load. Center only.	\$131.00
1150-0202	Bumper tray center of bumper with slats 12 inches deep (approx 11 inches to slats). The bumper tray shall be raised 2" above the gravel shield (12" total depth). The bumper tray shall be approximately 17" front to rear X 30" in length side to side. A divider shall be centered (spanning from front to back) making a left hand and right hand center bumper tray.	\$486.00
1150-0203	Hinged smooth plate lid for center bumper tray. Includes D-Ring latch and gas shock hold open. Smooth plate lid will be painted with black Scorpion coating.	\$409.00
1150-0204	Stainless steel roller assemblies for bumper crosslays. Includes side rollers only; no bottom. Replaces stainless scuff plates on bumper crosslays.	\$308.00
1150-0205	Recessed bumper crosslay. Includes raised lid with outboard fixed panels for optional equipment. Requires 20" extension and side covers.	\$3,661.00
1150-0206	Hinged diamond plate lid for center bumper tray. Includes push button latch chrome grab handle and gas shock hold open.	\$375.00
1150-0207	Hinged diamond plate lid for center bumper tray. Includes 1/4 turn latch and moon spring hold open.	\$324.00
1150-0208	Bumper tray officer's side without slats, approximately 14 inches deep, 17" front to rear X 9" in length side to side.	\$486.00
1150-0209	Bumper tray driver's side without slats, approximately 14 inches deep, 17" front to rear X 17" in length side to side.	\$486.00
1150-0210	Tray driver side bumper next to frame. Half moon style for 25' of 5" rolled hose.	\$701.00
1150-0211	Bumper tray center of bumper with slats 16 inches deep (approx 15 inches to slats). Mount tray 1" above gravel shield. Forward bottom edge has 45 degree cut to improve approach angle. Forward cut height begins at approximate tray depth as it aligns with bumper bottom, continuing rearward at a 45 degree angle.	\$696.00
1150-0212	Nylon black strap with clip release on officer side front bumper tray running front to back.	\$149.00
1150-0213	Bumper tray center of bumper (w/o slats) 10 inches deep.	\$486.00

Option No.	Description	PRICE
1150-0214	Traffic cone storage on front bumper extension. Cones to be oriented downward through a 7 3/4" hole in the gravelshield. Includes nylon strap with aluminum buckle. Location: [#LOC].	\$402.00
1150-0215	Hinged diamond plate lid for center bumper tray. Includes 1/4 turn latch and two (2) gas shock hold open.	\$354.00
1150-0216	Bumper tray lid(s) to be constructed using 3/16" aluminum ipos.	\$155.00
1150-0217	Hinged diamond plate lid for officer side bumper tray 2/3 of length hinged 1/3 remaining length is fastened in place. Hinged inboard, /fixed portion outboard. Includes D-Ring latch and gas shock to hold open the hinged section.	\$322.00
1150-0218	Bumper tray center of bumper with slats 12 inches deep (approx 11 inches to slats). Mount tray 1" above gravel shield.	\$580.00
1150-0219	Additional gas shock on front bumper tray lid. Location: [#LOC].	\$167.00
1150-0220	Tray driver side bumper outboard for hydraulic/cord reel, 18 inches deep IPOS.	\$898.00
1150-0221	Tray officer side bumper outboard for hydraulic/cord reel, 18 inches deep IPOS.	\$898.00
1150-0222	The gravel shield lid shall open 90 degree's. The gas shock(s) shall be at a length and placed to allow the door to open a full 90 degrees.	\$0.00
1150-0223	Bumper tray officer's side with slats 16 inches deep (approx 15 inches to slats).	\$486.00
1150-0224	Bumper tray officer's side without slats located between front intake and frame extension. Tray to be approx 9" W (min) x full length x 14" D (13" to slats) to hold 25' of 5" LDH. Requires minimum 20" extension.	\$416.00
1150-0225	The rear wall of bumper tray to have louvers for additional ventilation. Location: [#LOC].	\$190.00
1150-0226	Smooth plate raised full lid with black Durabak finish for extended front bumper. 6" high with dual chrome grab hands, rubber hood latches and gas shocks.	\$1,553.00
1150-0227	Bumper tray center of bumper with slats 18 inches deep (approx 17 inches to slats).	\$416.00
1150-0228	Bumper tray driver's side of bumper with black Turtle Tile 14" deep (approx. 13.25" from tile).	\$486.00
1150-0230	Bumper trough full length, mounted on top of gravel shield. Trough shall run side to side 4" high, 7" wide made from 3/16" smooth plate aluminum.	\$260.00
1150-0231	Nylon black strap with aluminum quick release buckle for front bumper hose tray. Strap to attach to front and rear walls of tray as high as possible. Location: [#LOC].	\$122.00
1150-0232	Hinged diamond plate lid for center bumper tray. Includes Tri-Mark latch and gas shock hold open.	\$433.00
1150-0233	Hinged smooth plate lid for driver side bumper tray. Includes D-Ring latch and gas shock hold open. Lid to painted with black Scorpion brand coating inside and outside surfaces (smooth finish).	\$428.00
1150-0234	Bumper tray driver's side with slats 10 inches deep (approx 9 inches to slats). Tray interior to be painted with black Scorpion coating (smooth finish), Slat assembly to remain unpainted aluminum.	\$594.00
1150-0235	Diamond plate lid 3/16 " thick for driver, center, and officer hose trays. 5.25" high with dual chrome grab handles, SS butterfly latches and gas shocks.	\$782.00
1150-0236	Recessed bumper double crosslay to hold of 200' of 1.75" DJ hose in each crosslay. The crosslay floor/bottom shall be slotted to allow drainage (no slats). Includes hinged bi-fold raised lid in center with outboard fixed panels for optional equipment and stainless steel scuff guards at each side of crosslay opening across bottom and sides. Requires 28" extension, side covers, 12" heavy duty bumper and engineering approval.	\$3,960.00
1150-0237	Bumper tray driver's side without slats. Tray to be approx 17.5" W x 17"L x 14" D.	\$416.00
1150-0238	Bumper tray officer's side without slats. Tray to be approx 11" W x 17"L x 14" D.	\$416.00

Option No.	Description	PRICE
1150-0239	Bumper trays shall have 1/2" drain holes IPOS.	\$29.00
1150-0240	Recessed bumper tray centered full width 6.25" deep. Includes 5.25" raised lid centered. The gravel shield outboard of lid shall serve for mounting of optional equipment. Requires 20" extension and engineering approval.	\$3,881.00
1150-0241	Bumper tray center of bumper with slats 14 inches deep (approx 13 inches to slats) fabricated from smooth plate aluminum. Outside facing surface of tray below bumper shall be painted black Durabak.	\$581.00
1150-0242	Black nylon cargo net on officer side front bumper tray.	\$318.00
1150-0243	Bumper tray officer's side with slats 10 inches deep (approx 9 inches to slats). Mount tray 2" above gravel shield.	\$580.00
1150-0244	Bumper tray cover(s) to be dealer/customer provided and installed. Cove(s) to meet current NFPA standard(s) to prevent un-intentional deployment of hose.	\$0.00
1150-0245	Bumper tray driver's side with slats 10 inches deep (approx 9 inches to slats). Mount tray 2" above gravel shield.	\$580.00
1150-0246	Bumper tray center of bumper with Duradek 16 inches deep.	\$530.00
1150-0247	Hinged diamond plate lid raised 3" high for center bumper tray. Includes a single chrome grab handle, SS butterfly latches and gas shocks.	\$395.00
1150-0248	Divider driver side bumper hose tray running side to side with adjustable track (Provides two storage areas, one ahead and one behind divider).	\$255.00
1150-0249	Divider officer side bumper hose tray running side to side with adjustable track (Provides two storage areas, one ahead and one behind divider).	\$255.00
1150-0250	Single crosslay on top of the front bumper gravel shield. Tray to be "U" shape, approx 10" wide x 7.5" high x 90" wide. Holds 200' of 1.75" DJ (each). Includes diamond plate cover hinged at the front. Requires seperate side cover, and 24" extension.	\$1,198.00
1150-0252	Recessed bumper double crosslay. Includes 5.25" full width raised lid. The crosslay shall only be accessible through the top lid (no side access). The crosslay floor/bottom shall be slotted to allow drainage (no slats). The crosslay shall include an adjustable divider going from side to side to create a forward and rear crosslay run area. Requires 28" extension and engineering approval.	\$4,529.00
1150-0253	Black nylon cargo net on driver side front bumper tray.	\$318.00
1150-0254	Bumper tray driver side of bumper with slats 14 inches deep (approx 13 inches to slats) fabricated from smooth plate aluminum. Mount tray 2" above gravel shield. Outside facing surface of tray below bumper shall be painted black Durabak.	\$677.00
1150-0255	Hinged smooth plate lid for driver side bumper tray. Includes D-Ring latch and gas shock hold open. Smooth plate lid will be painted with black Durabak.	\$409.00
1150-0256	Bumper tray(s) to be constructed using smooth plate aluminum with exterior surface painted black Durabak.	\$194.00
1150-0257	Recessed bumper double crosslay to hold of 200' of 1.75" DJ hose with pistol grip (raise lid an additional 1") in each crosslay. The crosslay floor/bottom shall be slotted to allow drainage (no slats). Includes hinged bi-fold raised lid in center with outboard fixed panels for optional equipment and polished stainless steel scuff guards at each side of crosslay opening across bottom and sides. Requires 28" extension, side covers, 12" heavy duty bumper and engineering approval.	\$3,960.00
1150-0258	Recessed bumper double crosslay to hold of 200' of 1.75" DJ hose in each crosslay. The crosslay floor/bottom shall be slotted to allow drainage (no slats). Includes hinged bi-fold raised lid in center with outboard fixed panels for optional equipment and stainless steel rollers at each side of crosslay opening across bottom and sides. Requires 28" extension, side covers, 12" heavy duty bumper and engineering approval.	\$4,119.00

Option No.	Description	PRICE
1150-0259	.Bumper tray with no slats approx. 6" deep extending full width of the bumper as applicable based on outboard options. Includes notched frame extensions to provide flat floor for the tray.	\$905.00
1150-0260	Recessed bumper double crosslay to hold of 200' of 1.75" DJ hose in each crosslay. The crosslay floor/bottom shall be slotted to allow drainage (no slats). Includes full width hinged bi-fold raised lid and stainless steel scuff guards at each side of crosslay opening across bottom and sides. Requires 28" extension, side covers, 12" heavy duty bumper and engineering approval.	\$4,388.00
1150-0261	Diamond plate lid for driver, center, and officer hose trays. approx 6.25" high or as applicable to allow for jumpline swivel to be under lid pre-connected. with dual chrome grab handles, SS butterfly latches and gas shocks.	\$762.00
1150-0262	Vinyl cover for bumper tray notch. Includes diamond plate over perimeter of cover.	\$268.00
1150-0263	Recessed bumper crosslay to hold of 150' of 1.75" DJ hose. The crosslay floor/bottom shall be slotted to allow drainage (no slats). Includes full width flat lid. Requires 20" extension, side covers and 10" heavy duty bumper.	\$3,661.00
1150-0264	Recessed bumper double crosslay to hold 200' of 1.75" DJ hose in each crosslay with a nozzle as applicable. The crosslay floor/bottom shall be slotted to allow drainage (no slats). Includes hinged bi-fold full width raised lid for open full access to crosslays when open and stainless steel scuff guards at each side of crosslay opening across bottom and sides. Requires 28" extension, side covers, 12" heavy duty bumper and engineering approval. Lid shall be raised approx 5.25" above top of bumper for capacity to ensure ease of use with a nozzle. Lid to be secured in closed position with S/S Butterfly latches. Capacity may be affected and may require a compact nozzle depending on hose selection as loaded.	\$4,174.00
1150-0265	One continuous recessed bumper tray extending over the center and driver side of the bumper shall be provided with a raised 5.25" lid centered side to side.	\$3,881.00
1150-0266	Smooth plate raised full lid with black Durabak finish for extended front bumper. 6" high with one 24" Haralson Metals Stainless knurled handrail in place of grab handles centered on the lid, butterfly latches on side and gas shocks.	\$1,606.00
1150-0267	Bumper tray center / driver side of bumper w/o slats 12 inches deep. Tray to extend to driver side over frame extension. Officer side of tray to be approx 11" towards officer side from center. Tray to be 12" deep each side of step over frame. Requires drop frame extension option.	\$526.00
1150-0268	Bumper tray officer side / center of bumper with slats 12 inches deep (approx 11 inches to slats). Tray to extend to center area over frame extension. Inboard side of tray to be approx 14" towards officer side from center. Requires drop frame extension option.	\$669.00
1150-0269	Bumper tray to be constucted using 3/16" aluminum ipos.	\$108.00
1150-0270	Tray officer side bumper next to frame. Half moon style for (3) 50' sections of 1.5" rolled hose.	\$701.00
1150-0271	Tray driver side bumper next to frame. Half moon style for (6) 50' sections of 1" rolled hose.	\$701.00
1150-0272	Raised lid over bumper tray to be extended over jumpline swivel on top of gravel shield. For use with 2" swivel only.	\$63.00
1150-0273	Nylon black cargo net with black powder coated quick release buckles on sides for bumper crosslay.	\$342.00
1150-0274	Stainless steel roller assemblies for bumper crosslays. Includes side rollers and bottom. Replaces stainless scuff plates on bumper crosslays.	\$320.00
1150-0275	Hinged smooth plate lid for center bumper tray. Includes 1/4 turn latch and gas shock hold open. Smooth plate lid will be painted black Durabak.	\$404.00
1150-0276	Nylon black strap with aluminum quick-release buckle. Location: driver, officer and (2) center top of front bumper gravel shield.	\$486.00
1150-0277	Red vinyl lid with snap fasteners for bumper tray officer side.	\$1,366.00

Option No.	Description	PRICE
1150-0278	Bumper tray officer's side with slats to hold (2) lengths of 3" DJ hose, approximately 18" W X 14" L X 15" D	\$509.00
1150-0279	Tray center of bumper forward of winch max depth as applicable per winch application. Smooth plate .125 aluminum DA finish. Tray will be forward of winch mount and access lid above fairlead path. Recessed to max allowable depth per application to provide additional storage depth under raised lid for rescue tool to be placed topside under lid.	\$307.00
1150-0280	Bumper tray center of bumper with slats 17 inches deep (approx 16 inches to slats). Mount tray 1" above gravel shield. Exterior of tray to be painted FLNA4145 Black.	\$934.00
1150-0281	Hinged diamond plate lid for driver side bumper tray. Includes D-Ring latch and moon spring hold open.	\$352.00
1150-0282	Hinged diamond plate lid for center bumper tray. Includes Southco model C2-32-11-3 push button latch and gas shock hold open.	\$324.00
1150-0283	Hinged diamond plate lid for center and officer bumper tray. Includes (2) D-Ring latches, (2) gas shock hold open and smooth plate spacer between bumper trays.	\$673.00
1150-0284	Nylon black strap with aluminum quick release buckle. Location: driver, officer and center top of front bumper gravel shield. Mount at final inspection.	\$362.00
1150-0286	Shallow bumper tray located center of the bumper without slats. Tray to be as wide and as deep as possible while maintaining a flat floor without notches or protrusions.	\$330.00
1150-0287	Hinged diamond plate lid for officer side bumper tray. Includes D-Ring latch and moon spring hold open.	\$352.00
1150-0288	Bumper tray, secondary. Tray located towards the rear beneath first center tray for additional storage. Tray to be as long front to back as possible while maintaining a flat floor without notches or protrusions and still have the secondary lid removable. Tray to be as wide as applicable and as deep as other trays on the truck.	\$433.00
1150-0289	Diamond plate lid for driver, center, and officer hose trays. 5.25" high with dual chrome grab handles, SS butterfly latches and gas shocks. Hinge will be located as low down and far back as possible on fixed portion of the lid.	\$719.00
1150-0290	All fabricated aluminum sheet metal parts installed on the bumper shall be made using smooth plate in place of standard. Includes gravel shield, tray(s), lid(s) and other miscellaneous parts.	\$194.00
1150-0291	Crosslay divider(s) to be held back 6" from each side of bumper.	\$0.00
1150-0292	Bumper tray with no slats extending full width of the bumper as applicable based on outboard options. Includes notched frame extensions to provide at least 6" tray depth directly above the extensions. Tray to have multiple depth to meet customer specific requirements.	\$1,708.00
1150-0293	Bumper tray driver side of bumper made as large as possible with slats 14 inches deep (approx 13 inches to slats). Mount tray 1" above gravel shield.	\$688.00
1150-0294	Insulation on exterior of the bumper tray assembly. Location: Driver side.	\$252.00
1150-0295	Bumper lid to have one 24" knurled handrail in place of grab handles centered on the lid.	\$60.00
1150-0296	Hinged diamond plate lid for officer bumper tray. Includes Tri-Mark latch and gas shock hold open.	\$433.00
1150-0297	Bumper tray driver side of bumper made as large as possible without slats 14 inches deep. Mount tray 1" above gravel shield.	\$688.00
1150-0298	Bumper tray center of bumper without slats 14 inches deep. Mount tray 1" above gravel shield.	\$580.00
1150-0299	Tray officer side bumper inboard of frame. Half moon style for 25' of 5" rolled hose.	\$701.00
1150-0300	Bumper tray driver's side with slats 16 inches deep (approx 15 inches to slats).	\$486.00
1150-0301	Tray center of bumper aft of winch max available depth as applicable. Slats shall be provided.	\$586.00

Option No.	Description	PRICE
1150-0302	Raised diamond plate lid with dual chrome grab handles, stainless steel butterfly latches and gas shocks. The lid shall be full width (as applicable based on outboard options) and high enough to accomodate reels, rescue tools and equipment as applicable per customer specific requirements.	\$719.00
1150-0303	Nylon black strap with aluminum quick release buckle for front bumper hose tray. Strap to attach to front and rear top of tray. Location: [#LOC].	\$122.00
1150-0304	Recessed bumper double crosslay to hold 150' of 1.75" DJ hose in each crosslay. The crosslay floor/bottom shall be slotted to allow drainage (no slats). Includes hinged bi-fold raised lid and stainless steel scuff guards at the crosslay opening across bottom and sides. Requires 28" extension, side covers, 12" heavy duty bumper and engineering approval. Crosslay only open on one side of the bumper extension.	\$4,388.00
1150-0305	Bumper tray full width of bumper without slats 12" deep. For use with outboard options. Tray to extend to driver/officer area over frame extension. Center of tray to be approx 12" deep with outboard areas approx. 5.5" deep. Requires drop frame extension option.	\$895.00
1150-0306	Recessed bumper double crosslay to hold of 200' of 1.75" DJ hose in each crosslay. The crosslay floor/bottom shall be slotted to allow drainage (no slats). Includes full width hinged non bi-fold raised lid with side lips to hold up hinged drop down doors. Hinge will be southco brand hinge to keep lip held in the open position when in use. Rubber hold down latches ipo butterfly latches will be used to secure lid in closed position. Stainless steel scuff guards at each side of crosslay opening across bottom and sides, with a drop down door for side access. Requires 28" extension, side covers, 12" heavy duty bumper and engineering approval.	\$4,888.00
1150-0307	Bumper tray center of bumper with slats 16 inches deep (approx 15 inches to slats). Mount tray 2" above gravel shield.	\$580.00
1150-0308	Removable recessed lid for front bumper tray. Includes hand hole cutout for ease of removal to access. See drawing for specific customer location requirements. Finish: Sanded Aluminum.	\$293.00
1150-0309	Hinged smooth plate lid with DA finish for center bumper tray. Includes 1/4 turn latch and gas shock hold open.	\$324.00
1150-0310	Modify bumper crosslay. Includes lower side to side divider to 7" tall and ship loose. Add adjustable tracks on front and rear center with divider centered; installed. Single gas shock in center of lid. Outboard hold open devices (see photos on file with sales).	\$803.00
1150-0311	Hinged diamond plate lid for driver bumper tray. Includes (4) sides, 1/4 turn latch and gas shock hold open. For use with raised compts only.	\$416.00
1150-0312	Bumper tray full width of bumper (for use with outboard options) without slats approx. 6" inches deep outboard of frame rails and 12" deep center between rails. Outboard sides raised for airhorns.	\$1,163.00
1150-0313	Recessed bumper crosslay to hold of 200' of 1.75" DJ hose. The crosslay floor/bottom shall be slotted to allow drainage (no slats). Includes full width lid. Requires minimum 20" extension, side covers and 12" heavy duty bumper.	\$3,661.00
1150-0314	Bumper tray center / driver side of bumper w/o slats 12 inches deep. Tray to extend to driver side over frame extension. Tray to be 12" deep each side of step over frame. Requires drop frame extension option.	\$526.00
1150-0315	Hinged diamond plate lid for single center/driver bumper tray. Includes (2) push button latches and (2) gas shock hold opens.	\$524.00
1150-0316	D&S brand heavy duty [#COL] vinyl cover for bumper tray. Location: center bumper tray. Driver side of cover to feature a notch for 2.5" hose from bumper discharge to be pre-connected to hose stored in hose tray.	\$484.00

Option No.	Description	PRICE
1150-0317	Recessed bumper double crosslay to hold of 200' of 1.75" DJ hose in each crosslay. The crosslay floor/bottom shall be slotted to allow drainage (no slats). Includes hinged bi-fold raised lid in center with driver side outboard fixed panel for optional equipment and stainless steel scuff guards at each side of crosslay opening across bottom and sides. Requires 28" extension, side covers, 12" heavy duty bumper and engineering approval.	\$3,960.00
1150-0318	Bumper tray driver's side with slats 14 inches deep (approx 13 inches to slats). Tray shall be designed and built as big as possible for extra capacity.	\$737.00
1150-0319	45 degree angles horizontally mounted on bottom of front bumper tray(s) for water deflection.	\$500.00
1155-0000	Class III hitch for portable winch for the front.	\$932.00
1155-0001	Receiver under body rearward of wheel well (PR) for winch or rope use (does not include 12V power plug).	\$3,478.00
1155-0002	Winch, electric front mounted Ramsey 12,000 lb. Includes access door with quarter turn latch and spring hold open device.	\$4,348.00
1155-0003	Winch Warn Series 8 - 8,000lb with 125' 3/8" plated cable.	\$3,733.00
1155-0004	Winch semi hidden Warn 12,000lb with 125' 3/8" plated cable. N/A with 16" extended bumper.	\$4,108.00
1155-0005	Winch, Warn Series 12, 12,000 lb. with 125' 3/8" plated cable. Includes access door with quarter turn latch and spring hold open device. Locate: Mounted to the chassis frame extension centered at the front bumper area.	\$5,468.00
1155-0007	Winch control receptacle location: [#LOC].	\$0.00
1155-0008	Winch, Warn Series 12, 12,000 lb. with 125' 3/8" plated cable. Mounted in the brush gaurd. Includes rollers.	\$5,340.00
1155-0009	Winch, Warn 16.5ti, tow eye, front bumper, Wildland	\$6,450.00
1155-0010	Warn winch model 16.5 TI with 90' of 7/16" diameter IWRC or equal high performance wire rope with a 4-way roller cable guide controlled with a 30' remote control switch located at the rear of the rescue apparatus.	\$6,036.00
1155-0012	Winch, Warn 16.5ti 16,500 lb. with 90' 7/16" plated cable. Includes access door with quarter turn latch and spring hold open device.	\$6,036.00

1160-0184	14GA polished stainless steel overlay on front face of 12" heavy duty bumper.	\$613.00
1160-0185	Scorpion bumper package: Includes all visible diamond plate surfaces including gravel shield, exterior surface of trays and lids(flat or raised). If equipped, exterior of the fabricated booster reel housing, fabricated box for booster reel rollers and winch access door shall be included in this package. Color: job color.	\$1,160.00
1160-0186	2" lip on rear and sides of gravelshield. Includes 1" radius on corners. See photos on file with sales.	\$460.00
1200-0016	Transmission Lockout 5/6 Gear	\$0.00

Option No.	Description	PRICE
1200-0017	Push-button transmission shift selector.	\$0.00
1200-0018	"T" handle transmission selector.	\$1,627.00
1200-0020	TransSynd synthetic transmission fluid for EVS3000.	\$204.00
1200-0021	TransSynd synthetic transmission fluid for EVS 4000.	\$321.00
1200-0022	Conventional transmission fluid for EVS 3000.	\$0.00
1200-0023	Conventional transmission fluid for EVS 4000.	\$0.00
1200-0024	Speed range from 62 MPH to 67 MPH gear limited.	\$0.00
1200-0025	Speed maximum 75 MPH.	\$0.00
1200-0065	Transfer Case for All Wheel Drive- single speed with front axle declutch	\$10,300.00
1200-0070	Transmission dipstick - extended length for filling from engine access door.	\$0.00
1200-0076	Transmission to be 4500 in place of the 4000. Gears 1 through 4 shall be programmed as "D" (Drive). Gear 5 to be programmed to activate via "mode" switch on shifter.	\$3,189.00
1200-0077	Transmission re-programming. "D" allows trans to shift from 1st - 3rd gear and "Mode" allows 4th gear.	\$720.00
1200-0078	Speed maximum 70 MPH	\$0.00
1200-0083	Transmission re-programming. "D" allows transmission to shift from 1st - 4th gear, and "Mode" allows 5th gear.	\$720.00
1200-0096	Electronic speed limiting set at 60 MPH.	\$0.00
1200-0097	Electronic limiting of speed to 68 MPH maximum. Note: Max speed may be set at 65 MPH due to tire rating.	\$0.00
1200-0098	Electronically limited speed to 62 MPH.	\$0.00
1200-0122	Electronic speed limiting set to 60 MPH.	\$0.00
1200-0126	Chassis speed to be electronic limited and not to exceed a maximum of 68 MPH. Note: Speed rating may be lower based on OEM tire ratings/top speed limitations provided on chassis.	\$0.00
1200-0133	Transmission cooler. Extreme hot climate units only.	\$2,375.00
1200-0135	A RGA transfer case will be installed for hook up of PTO needed accessories. This will include drive line and mounting brkts.	\$11,092.00
1200-0137	Electronic speed limiting set to 60 MPH.	\$0.00
1200-0177	Electronically limited speed to 68 MPH.	\$0.00
1200-0200	Eng/Trans Cummins ISX12 450HP with EVS4000 transmission. 2010 EPA Compliant.	\$128,743.00
1200-0208	Compression brake. Provided by the chassis OEM.	\$1,144.00
1200-0220	6 speed transmission with 6.14 gears for an estimated speed of 66MPH.	\$0.00
1200-0222	Stainless steel transmission yoke shield.	\$416.00
1200-0223	Eng/Trans Cummins ISX15 550HP with EVS4000 transmission. 2010 EPA Compliant.	\$137,364.00
1200-0224	Transmission re-programming to allow for 6th gear (lower engine speed/better fuel economy). Rear axle gearing will be the same as used with 5 speed transmission.	\$720.00
1200-0234	Eng/Trans Cummins ISL 350HP/EVS3000 2013 EPA compliant engine.	\$86,152.00
1200-0235	Eng/Trans Cummins ISL 400HP/EVS3000 2013 EPA compliant engine.	\$100,273.00
1200-0237	Eng/Trans Cummins ISX12 400HP with EVS4000 transmission. 2013 EPA Compliant.	\$128,507.00
1200-0238	Eng/Trans Cummins ISX12 450HP with EVS4000 transmission. 2013 EPA Compliant.	\$130,078.00
1200-0239	Eng/Trans Cummins ISX12 500HP with EVS4000 transmission. 2013 EPA Compliant.	\$131,648.00

Option No.	Description	PRICE
1200-0241	Eng/Trans Cummins ISX15 550HP with EVS4000 transmission. 2013 EPA Compliant.	\$138,866.00
1200-0242	Eng/Trans Cummins ISX15 600HP with EVS4000 transmission. 2013 EPA Compliant.	\$142,315.00
1200-0243	Chassis speed to be electronic limited and not to exceed a maximum of 65 MPH. Note: Speed rating may be lower based off OEM tire ratings provided on chassis.	\$0.00
1200-0245	Eng/Trans Cummins ISX12 500HP with EVS4500 transmission. 2013 EPA Compliant.	\$133,673.00
1200-0269	"T" handle transmission selector for International chassis only.	\$315.00
1200-0270	Eng/Trans Cummins ISL 380HP/EVS3000 2013 EPA compliant engine.	\$94,625.00
1200-0280	Transfer Case for HS chassis - single speed with rear axle and pump declutches.	\$18,984.00
1200-0282	Eng/Trans Cummins ISX15 550HP with EVS4500 transmission. 2013 EPA Compliant.	\$140,890.00
1200-0283	Eng/Trans Cummins ISX15 600HP with EVS4500 transmission. 2013 EPA Compliant.	\$144,339.00
1200-0295	Transfer Case for HS chassis - single speed with rear axle, pump and front drive axle declutches.	\$21,427.00
1200-0309	Eng/Trans Cummins ISL 330HP/EVS3000 2016 EPA compliant engine.	\$83,167.00
1200-0310	Eng/Trans Cummins ISL 350HP/EVS3000 2016 EPA compliant engine.	\$86,152.00
1200-0311	Eng/Trans Cummins ISL 380HP/EVS3000 2016 EPA compliant engine.	\$94,625.00
1200-0312	Eng/Trans Cummins ISL 400HP/EVS3000 2016 EPA compliant engine.	\$100,273.00
1200-0313	Eng/Trans Cummins ISL 450HP/EVS3000 2016 EPA compliant engine.	\$101,139.00
1200-0315	Eng/Trans Cummins ISX12 400HP with EVS4000 transmission. 2016 EPA Compliant.	\$128,507.00
1200-0316	Eng/Trans Cummins ISX12 450HP with EVS4000 transmission. 2016 EPA Compliant.	\$130,078.00
1200-0317	Eng/Trans Cummins ISX12 500HP with EVS4000 transmission. 2016 EPA Compliant.	\$131,648.00
1200-0318	Eng/Trans Cummins ISX12 500HP with EVS4500 transmission. 2016 EPA Compliant.	\$133,673.00
1200-0319	Eng/Trans Cummins ISX15 550HP with EVS4000 transmission. 2016 EPA Compliant.	\$138,866.00
1200-0320	Eng/Trans Cummins ISX15 550HP with EVS4500 transmission. 2016 EPA Compliant.	\$140,890.00
1200-0321	Eng/Trans Cummins ISX15 600HP with EVS4000 transmission. 2016 EPA Compliant.	\$142,315.00
1200-0322	Eng/Trans Cummins ISX15 600HP with EVS4500 transmission. 2016 EPA Compliant.	\$144,339.00
1200-0328	Eng/Trans Cummins ISX15 455HP with EVS4000 transmission. 2016 EPA Compliant.	\$135,051.00
1200-0332	Transmission re-programming. "D" allows transmission to shift from 1st - 5th gear, and "Mode" allows 6th gear overdrive. Requires overdrive option.	\$720.00
1200-0335	Cummins ISX12 500 HP engine.	\$0.00
1200-0337	Eng/Trans Cummins L9 330HP/EVS3000 2017 EPA compliant engine.	\$83,167.00
1200-0338	Eng/Trans Cummins L9 350HP/EVS3000 2017 EPA compliant engine.	\$86,152.00
1200-0339	Eng/Trans Cummins L9 380HP/EVS3000 2017 EPA compliant engine.	\$94,625.00
1200-0340	Eng/Trans Cummins L9 400HP/EVS3000 2017 EPA compliant engine.	\$100,273.00
1200-0341	Eng/Trans Cummins L9 450HP/EVS3000 2017 EPA compliant engine.	\$101,139.00
1200-0342	Eng/Trans Cummins L9 450HP/EVS3000 2017 EPA compliant engine. For use with HS rear engine chassis only.	\$101,139.00
1200-0343	Eng/Trans Cummins X15 565HP with EVS4000 transmission. 2017 EPA Compliant.	\$138,866.00
1200-0344	Eng/Trans Cummins X15 565HP with EVS4500 transmission. 2017 EPA Compliant.	\$140,890.00
1200-0345	Eng/Trans Cummins X15 600HP with EVS4000 transmission. 2017 EPA Compliant.	\$142,315.00

Option No.	Description	PRICE
1200-0346	Eng/Trans Cummins X15 600HP with EVS4500 transmission. 2017 EPA Compliant.	\$144,339.00
1225-0005	Exhaust heat shield. Locate below compartment floor.	\$198.00
1225-0006	Exhaust tip stainless steel for Plymovent. For exhaust extraction system.	\$373.00
1225-0008	Wrap exhaust with heat tape from the turbo down to the flex pipe. Inspect after install for tears in material. Wrap outside with wire mesh to ensure material remains affixed.	\$890.00
1225-0010	Exhaust end for Nederman. For exhaust extraction system. Exhaust to discharge at 45 degree angle from body.	\$0.00
1225-0011	Vertical exhaust [#LOC]. Commercial chassis only.	\$0.00
1225-0012	Ward No Smoke Exhaust System.	\$18,534.00
1225-0013	Tailpipe support. Locate between tailpipe and body approx 10" in from edge of body.	\$563.00
1225-0015	Vertical exhaust officer side. This will include the vertical exhaust support.	\$1,725.00
1225-0016	Locate exhaust end between rear of compartment ahead of wheels and ahead of forward wheel well angle at approx. 45 degrees to rear.	\$255.00
1225-0017	Vertical exhaust elbow chrome plated 90 degree. Due to high heat from 2007 and later emission exhaust systems, dis-coloring of exhaust end may occur after prolonged use.	\$328.00
1225-0020	Exhaust tip MagneGrip. For exhaust extraction system. Tip to protrude approx. 2" outside of body (Not rubrail).	\$683.00
1225-0024	Plymovent Grabber magnetic exhaust end. Bolt-on for exhaust extraction system.	\$456.00
1225-0025	Vertical exhaust officer side. This will include the vertical exhaust support. Locate to forward area of module (internal) with exhaust end being approx. 6" above ladders stowed on ladder rack.	\$1,953.00
1225-0026	Vertical exhaust rain cap, chrome.	\$95.00
1225-0027	Vertical exhaust officer side. This will include the vertical exhaust support. Aerial vertical exhaust to be plumbed through (internal) right rear of pump module. Top of pipe to turn out.	\$2,571.00
1225-0029	Exhaust end modification for Nederman. For exhaust extraction system. Exhaust to discharge at 45 degree angle from body. Wildland.	\$100.00
1225-0030	Exhaust driver side terminating between L3/L4	\$657.00
1225-0031	Wrap exhaust with heat tape from the turbo down to the muffler. Visually inspect after install for tears in material. Wrap outside with wire mesh to keep material from coming off.	\$942.00
1225-0035	Exhaust end for Plymovent. For exhaust extraction system. Exhaust to be angled rearward to allow for possible deflection if impacted.	\$507.00
1225-0038	Vertical exhaust officer side. This will include the vertical exhaust support. Locate to forward area of pump module, outboard of deck gun support, rearward of crosslay with exhaust end being approx. 13" above the top of the pump module. End of pipe will be straight cut (no elbow) and shall be modified after delivery by local dealership with a Plymovent exhaust adaptor.	\$0.00
1225-0039	Modify the tailpipe to discharge straight out of a side panel located below R1 compartment but above the bottom edge of the body. Exhaust tip to be MagneGrip for exhaust extraction system. .	\$1,028.00
1225-0040	Vertical exhaust to have: TAIL PIPE (1) turnback type Bright for single exhaust and Muffler/Tail Pipe Guard (1) Bright Stainless Steel. International 7400 chassis.	\$318.00
1225-0041	Exhaust modification to add stiffeners to the standard exhaust stack to stabilize exhaust for Plymovent application.	\$426.00

Option No.	Description	PRICE
1225-0043	Exhaust end for Plymovent. For exhaust extraction system. Set back approx. 4" from exhaust end. Includes "Caution Hot" label above exhaust on side of body.	\$309.00
1225-0044	Exhaust end for Nederman. For exhaust extraction system. Extend tail pipe 2" past side of body (Not rubrail).	\$0.00
1225-0045	Vertical exhaust supplied by Freightliner IPO std horizontal. RH back of cab Tradition base spec 1005-0517	\$628.00
1225-0046	Stainless steel exhaust system ipos. Export only.	\$2,609.00
1225-0047	Exhaust. Vertical exhaust provision on rescue body. Includes vertical exhaust support, flue sheet metal thru lower body compartment to upper body, insulation between exhaust stack and body sheet metal, stack heat shield if applicable & warning tags for heat exposure inside body compartment and dunnage area as applicable. Locate: officer side.	\$2,809.00
1225-0048	Exhaust outlet cooling tip.	\$252.00
1225-0049	Vertical exhaust. M2 106 with ISL 330 HP 2013 EPA commercial chassis only. 114 inches high. Locate: officer side.	\$0.00
1225-0050	Vertical exhaust stack pipe straight chrome plated with rain cap. Due to high heat from 2007 and later emission exhaust systems, discoloring of exhaust end may occur after prolonged use.	\$417.00
1225-0052	Vertical exhaust officer side through body forward of R2. This will include shortening the existing standard tailpipe and adding the vertical exhaust to standard lower exhaust piping from connection point below rear section of R1 forward of wheel in supplied body cavity. Exhaust stack shall be mounted to supplied body provisions and shall have aluminized piping from lower elbow as attached to existing tail pipe up to upper stack. The upper stack and rain bonnet flap shall be chrome and shall extend up through outer compartment top to available OAH per customer requirements or Approx. 15.50" to topmost bonnet point. The bonnet shall be positioned where it opens outward of the body to expell exhaust away from apparatus.	\$1,158.00
1225-0054	Locate exhaust end 3" below rubrail extending 2" past rubrail.	\$255.00
1225-0055	Vertical exhaust officer side.	\$0.00
1225-0056	Re-route vertical exhaust to below body. Includes heat wrap as necessary. Metro 100 only.	\$1,309.00
1225-0057	Nederman exhaust transmitter on cab dash. Wired through engine run.	\$1,138.00
1225-0059	Ward No Smoke 2 Exhaust System.	\$18,534.00
1225-0060	Exhaust end with fresh air vent for Plymovent exhaust extraction system.	\$547.00
1225-0061	Modification to OEM exhaust. Modify commercial exhaust tail pipe aft of DPF supplied by commercial OEM to transition and connect to E-1 vertical exhaust provision.	\$1,309.00
1225-0062	Wrap exhaust with heat tape. Wrape the vertical exhaust componet that passes thru the rear body compartment area with heat tape. Includes outside wrap with wire mesh to protect heat wrap.	\$942.00
1225-0063	Wrap exhaust with thermal insulation tape from the turbo down to the DPF (not including flex pipe if equipped). Includes S/S tie wraps.	\$246.00
1225-0064	Vertical exhaust driver side. This will include the vertical exhaust support.	\$2,379.00
1225-0065	The exhaust outlet shall be vertical. (Metro 100 only)	\$0.00
1250-0003	Frame 10.25 x 3.5 x .375 chassis.	\$5,908.00
1250-0004	Frame - Torque box for HP95 Mid-Mount aerial.	\$22,177.00
1250-0005	Frame - Torque box for tandem axle RM aerial.	\$22,870.00
1250-0006	Frame liner 9.375 x 3.125 x .375.	\$3,253.00
1250-0009	Frame - Torque box for Tiller.	\$76,948.00

Option No.	Description	PRICE
1250-0010	Frame rail liner for commercial chassis	\$0.00
1250-0011	Rear underbody support frame.	\$621.00
1250-0013	Main frame - 12.0x3.5x.375 with 11.125 liner and 10" step. Step frame - 10.25x3.5x.375 with 9.375 liner.	\$22,611.00
1250-0014	Frame - Torque box for HP100 platform.	\$29,663.00
1250-0015	Frame assembly to include 176" wheelbase and 41" framecut.	\$19,223.00
1250-0016	Frame assembly to include 196" wheelbase and 41" framecut.	\$19,223.00
1250-0017	Frame assembly to include 210" wheelbase and 41" framecut.	\$19,223.00
1250-0018	Frame assembly to include 182" wheelbase and 47" framecut.	\$19,223.00
1250-0019	Frame assembly to include 202" wheelbase and 47" framecut.	\$19,223.00
1250-0020	Frame assembly to include 216" wheelbase and 47" framecut.	\$19,223.00
1250-0021	The wheel base of this apparatus must be 4" longer than stated under the commercial chassis line item. This is due to the 2007 EPA exhaust requirements.	\$0.00
1250-0022	Frame assembly to include 212" wheelbase and 47" framecut.	\$19,223.00
1250-0023	Frame assembly to include 192" wheelbase and 47" framecut.	\$19,223.00
1250-0024	Frame assembly to include 220" wheelbase and 47" framecut.	\$19,223.00
1250-0025	Frame 12 x 3.5 x .375 chassis.	\$5,908.00
1250-0026	Frame liner 11.125 x 3.125 x .375.	\$3,620.00
1250-0027	Frame - Torque box for tandem axle RM aerial with no waterway pipe.	\$20,824.00
1250-0028	Rear heavy duty underbody support frame.	\$1,655.00
1250-0029	Torque box modifications to allow for Hendrickson FIREMAAX tandem air ride suspension (for use with HM100/110 and HP100).	\$1,793.00
1250-0030	Frame assembly to include 220" wheelbase and 41" framecut.	\$19,223.00
1250-0031	Frame assembly to include 206" wheelbase and 41" framecut.	\$19,223.00
1250-0032	Frame assembly to include 186" wheelbase and 41" framecut.	\$19,223.00
1250-0033	Frame assembly to include 220" wheelbase and 41" framecut.	\$19,223.00
1250-0034	Frame assembly to include 192" wheelbase and 47" framecut.	\$19,223.00
1250-0035	Frame assembly to include 212" wheelbase and 47" framecut.	\$19,223.00
1250-0036	Frame assembly to include 226" wheelbase and 47" framecut.	\$19,223.00
1250-0056	Frame rails shall have access holes sealed to prevent road debris from accumulating. Access hole covers shall be removable.	\$2,113.00
1250-0057	Rear underbody support frame. SS product.	\$621.00
1250-0058	Framerails to have no additional holes (as applicable). To be designed for NYPD application.	\$462.00
1250-0061	Frame liner "L" 8.875 x 3.125 x .375.	\$3,019.00
1250-0062	Frame - Torque box for HP100 platform with 6" w/way pipe. For use with industrial applications only.	\$32,143.00
1250-0063	Frame - Torque box for single axle RM aerial.	\$20,987.00
1250-0064	Frame - Torque box for HP100 platform with 5" w/way pipe. For use with 2000 GPM waterway flow. May affect ground ladder storage in tunnel.	\$32,049.00
1250-0065	Rear chassis subframe for Urban Interface pumper. Raises bottom of chassis approx 4". For use with 12" frame rails and FS-25 front axle only.	\$2,480.00

Option No.	Description	PRICE
1250-0066	Rear chassis subframe for 4x4. Raises bottom of chassis 9.375". For use with 12" frame rails and AxleTech 4000 or equivalent front axle only.	\$2,979.00
1250-0067	Chassis frame rails shall be zinc plated (galvanized) IPOS. Includes rear subframe rails (if applicable).	\$2,123.00
1250-0068	Chassis frame rails, front frame extensions, rear subframe (Urban Interface), crossmembers and battery brackets shall be zinc plated (galvanized) IPOS.	\$5,131.00
1250-0069	Chassis frame rails, front frame extensions, rear 4x4 / 6x6 subframe, crossmembers and battery brackets shall be zinc plated (galvanized) IPOS.	\$5,543.00
1250-0070	Chassis frame liner shall be zinc plated (galvanized) IPOS.	\$544.00
1250-0071	Frame - Formed torque box for HP95 Mid-Mount aerial.	\$22,177.00
1250-0072	Torque box modifications to allow for Hendrickson FIREMAAX tandem air ride suspension (for use with CR100/137, 95-Platform and HP100 Platform).	\$3,170.00
1250-0073	Frame - Formed torque box for HP95 Mid-Mount aerial. Includes 12" high rails below cab.	\$22,177.00
1250-0074	Rear underbody support frame with side tow eye style frame brackets without lower tow eyes to minimize impact on departure angle. To be used with frame mounted tow eyes facing rearward from frame rails.	\$1,060.00
1250-0075	Forward outriggers on torque box shifted forward 10". Only available on HP100 Platform with 260" wheelbase.	\$536.00
1250-0076	Rear underbody support frame. Includes zinc plated (galvanized) IPOS.	\$1,472.00
1250-0077	Frame - Torque box for HP100 platform with no waterway pipe.	\$27,617.00
1250-0078	Zinc flame spray coating for integral torque box chassis.	\$5,333.00
1250-0080	Frame assembly with 10.25 x 3.5 x .375 powder coated galvanized rails.	\$5,908.00
1250-0081	Frame assembly with 12 x 3.5 x .375 powder coated galvanized rails.	\$5,908.00
1250-0082	Frame assembly with powder coated galvanized rails and 10" step for use with front drive axle. Includes 12 x 3.5 x .375 rails behind cab with 11.125 liner and 10.25 x 3.5 x .375 rails below cab with 9.375 liner.	\$22,611.00
1250-0083	Frame liner 9.375 x 3.125 x .375, galvanized and powder coated.	\$3,253.00
1250-0084	Frame liner 11.125 x 3.125 x .375, galvanized and powder coated.	\$3,620.00
1250-0085	Front chassis frame extensions, crossmembers and battery brackets shall be zinc plated (galvanized) IPOS. Includes rear subframe if applicable (urban interface, straight frame 4x4, etc).	\$3,008.00
1250-0086	Frame - Torque box for single axle Metro 100 Quint aerial.	\$20,987.00
1350-0000	Electric reprime diesel fuel pump. Not available on E-One custom chassis.	\$768.00
1350-0001	Dual fuel fill package. Additional fuel fill provided on officer side of unit.	\$543.00
1350-0002	Recessed fuel fill	\$141.00
1350-0003	Fuel system 50 gallon.	\$1,617.00
1350-0004	Fuel system 50 gallon saddle tanks.	\$2,779.00
1350-0005	Fuel system 65 gallons.	\$1,707.00
1350-0006	Fuel system 100 gallons	\$2,447.00
1350-0008	Fuel water separator Fuel-Pro 382 (Cummins FH2309). Filter is top serviceable.	\$740.00
1350-0009	Fuel line hose braided. Includes fuel pick-up (if applicable).	\$316.00
1350-0010	Fuel pick-up for generator or pump. Includes hoses run to generator compartment.	\$147.00

Option No.	Description	PRICE
1350-0011	Fuel pump electric w/re-prime.	\$449.00
1350-0012	Fuel shut-off valve. Location: [#LOC].	\$115.00
1350-0013	Racor fuel/water separator to be a bottom drop out style. Shall include indicator light and audible alarm.	\$781.00
1350-0014	Thermal control in-line fuel heater.	\$520.00
1350-0016	Fuel Fill Package. Required on chassis with approved factory tank.	\$391.00
1350-0022	Fuel line hose rubber.	\$0.00
1350-0023	Fuel cooler, to be routed from the discharge side of the pump to the chassis fuel line. Cooler to be functioning when the pump is in operation.	\$497.00
1350-0025	Fuel line hose braided. Includes re-usable fittings on both ends of the hose.	\$316.00
1350-0026	Fuel Lines Wrapped in Thermal Loom	\$931.00
1350-0027	Fitch fuel catalyst drop in style	\$854.00
1350-0028	Additional Fuel Sender in tank. For future use only. No wiring.	\$396.00
1350-0029	Racor fuel separator. To allow fuel flow to primary or secondary (back-up) fuel separator. Control valve to be located in pump compartment access in walkway with labeling. Locate adjacent to primary Racor unit.	\$1,218.00
1350-0030	Fuel water seperator to be mounted outboard of the driver's side frame rail in the pump module area.	\$0.00
1350-0032	A fuel water seperator heater and alarm will be added to the current system.	\$523.00
1350-0034	Racor separator 12 volt heated fuel / water, bottom drop out style (w/o alarm).	\$336.00
1350-0035	24 volt heated fuel/ water Racor separator to be a bottom drop out style.	\$362.00
1350-0036	Fuel water Racor separator light and audible alarm (w/o heat).	\$117.00
1350-0037	Fuel system w/65 gallon stainless steel tank.	\$2,999.00
1350-0038	Fuel water seperator with a heater, alarm and indicator light.	\$695.00
1350-0039	A fuel water seperator with heater will be added to the current Detroit Diesel system.	\$351.00
1350-0040	Fuel system 50 gallon stainless steel saddle tanks.	\$5,417.00
1350-0041	Fuel line service loop for tank maintenance. 4' loop coiled above fuel tank(s).	\$99.00
1350-0042	A 56 gallon aluminum fuel tank with 9 gallon DEF. tank to be located [#LOC].	\$0.00
1350-0043	Fuel system w/50 gallon stainless steel tank.	\$2,756.00
1350-0044	E.J. Ward Canceiver electronic fuel monitoring system. Includes (2) sensors for dual fuel fill application.	\$3,100.00
1350-0045	Channel and rod mount fuel tank in addition to straps.	\$573.00
1350-0046	Fuel water separator Fuel-Pro 382 with light and alarm. Filter is top servicable.	\$854.00
1350-0048	Fuel system 100 gallons. Tank located above framerails to rear of cab.	\$2,447.00
1350-0049	Fuel system 85 gallons. Tank located above framerails to rear of cab.	\$2,447.00
1350-0050	Fuel system 60 gallon saddle tanks.	\$3,285.00
1350-0051	Locate fuel/water seperator up high. Mount directly to cab tilt lock bracket.	\$0.00
1350-0052	Fuel system 75 gallons.	\$2,077.00
1350-0053	Racor model 4120R1230 fuel/water separator.	\$869.00
1350-0054	Fuel water separator Fuel-Pro 382 with light and alarm. Filter is top servicable.	\$854.00
1350-0055	Fuel system w/100 gallon stainless steel tank.	\$3,341.00

Option No.	Description	PRICE
1350-0056	Fuel system w/65 gallon tank below cab. HS chassis only.	\$1,707.00
1350-0057	Fuel line hose silicone.	\$316.00
1350-0058	Radiator mounted fuel cooler.	\$514.00
1350-0059	Fuel system w/65 gallon stainless steel tank below cab. HS chassis only.	\$2,999.00
1350-0060	Fuel system 60 gallon stainless steel saddle tanks.	\$5,923.00
1350-0061	Fuel system 70 gallons.	\$2,077.00
1350-0062	Fuel tank vent lines to be extended below frame rails and secured with metal clamps.	\$0.00
1350-0063	Fuel fills on each side of vehicle to be labeled "ULTRA LOW SULFUR DIESEL FUEL ONLY" with embossed metallic tags fastened in place with stainless steel hardware.	\$0.00
1350-0064	The exterior of the chassis fuel tank(s) shall be coated with LINE-X.	\$504.00
1350-0065	The exterior of the battery tray(s) shall be coated with LINE-X. Includes covers if equipped.	\$504.00
1350-0066	Fuel pick-up for diesel compressor. Includes hoses run to compressor compartment.	\$587.00
1350-0067	Fuel system w/50 gallon stainless steel tank. Includes taper rear.	\$3,168.00
1350-0068	Fuel drain valve in place of plug.	\$115.00
1400-0002	Battery four group 31 1000 CCA.	\$1,071.00
1400-0003	Battery six group 31 1000 CCA.	\$1,601.00
1400-0010	Battery six Delco 1150 Hi-Cycle 700 CCA.	\$1,411.00
1400-0011	Battery splash cover for ULC compliance.	\$324.00
1400-0012	Officer side front and middle batteries shall be isolated for use with communication equipment only. The (2) batteries are not to be hooked up to the 12 Volt electric bus. Provide (3) 2AWG red cables and (1) 2AWG black cable from the location of the batteries through the officer side comm box to the driver comm box w/4ft of excess cable.	\$882.00
1400-0013	Battery four group 31 1000CCA. (3) batteries driver side, (1) battery officer side w/ available space for additional (2) batteries on officer side.	\$1,337.00
1400-0014	Mount (3) 100A fuses, (2) 40A fuses near officer batteries. 100A fuse to manual trip, manual reset type. Wire (3) 2AWG red battery cables from comm box to 100A fuses. Provide jumpers from fuses to batteries. Wire 8AWG wires from comm box to 40A fuses. Route 2AWG cables into officer comm box, under bottom shelf and up through inboard side of shelf. Route through wireway to driver side comm box. Leave 4ft of excess in comm box.	\$423.00
1400-0019	Special battery jumper stud location. Jumper studs to be located [#LOC].	\$380.00
1400-0020	Relocate custom chassis batteries. Location: [#LOC].	\$1,133.00
1400-0021	Six (6) Odyssey Group 31 1000CCA Batteries. Locate (3) each side of the chassis.	\$4,077.00
1400-0023	Battery six Delco 1110 Hi-Cycle 750CCA.	\$1,411.00
1400-0024	Jumper studs to be located below driver's side front corner of body (or pump module if equipped). Studs to face down with positive stud outboard.	\$229.00
1400-0026	Black insulated battery terminal protectors shall be installed.	\$21.00
1400-0027	Additional set of jumper studs. Location: Opposite standard location.	\$390.00
1400-0028	Battery six Optima model D31T 900CCA.	\$3,731.00

Option No.	Description	PRICE
1400-0029	Battery jump start system. Includes Anderson receptacle under officer side running board offset forward and 25' jumper cables with alligator clips and Anderson connector.	\$646.00
1400-0031	Stainless steel battery trays with stainless steel covers.	\$1,595.00
1400-0032	Battery five group 31 1000 CCA (two left / three right). For use with below cab DEF tank only.	\$1,337.00
1400-0033	Heater pads for (4) Group 31 battery system. Wire pads to block heater receptacle.	\$1,093.00
1400-0034	Stainless steel battery trays.	\$541.00
1400-0035	Batteries to be wired in a "cross-charging" method as outlined in city spec. See details on file with sales.	\$577.00
1400-0036	Battery six group 31 1000CCA. Deka model 1231MF.	\$1,853.00
1400-0037	Battery rollout tray in body compartment R1.	\$732.00
1400-0038	Battery two 8D 1400 CCA.	\$1,309.00
1400-0039	Battery five Optima model D31T 900CCA.	\$3,301.00
1400-0040	Battery set additional two group 31 1000 CCA. Location: [#LOC].	\$594.00
1400-0041	Insulation on under side of battery tray assembly. NYPD only.	\$116.00
1400-0042	Jumper studs to be located below driver's side front corner of body (or pump module if equipped). Studs to face outboard.	\$229.00
1400-0043	Jumper studs to be located below driver's side front corner of body. Studs to face outboard.	\$229.00
1400-0046	Heater pads for (5) Group 31 battery system. Wire pads to winterization shoreline receptacle.	\$1,258.00
1400-0047	Battery six group 31 1000 CCA. For use with 67.5"/80" cab with 10G DEF under driver side of cab.	\$2,483.00
1400-0048	Battery five group 31 1000 CCA (two left / three right).	\$1,337.00
1400-0049	Battery six group 31 1000 CCA with post terminals. For use with 67.5"/80" cab with 10G DEF under driver side of cab.	\$3,038.00
1400-0050	(2) additional batteries located in R1 shall be isolated for use with 24V winch. The (2) batteries are not to be hooked up to the 12 Volt electric bus.	\$908.00
1400-0051	(2) additional batteries located under the cab shall be isolated for use with 24V winch. The (2) batteries are not to be hooked up to the 12 Volt electric bus.	\$908.00
1400-0052	Battery / Idle Mitigation System. Includes 200Ah power module (battery) on driver side and 300 Ah power module on officer side. For use with below cab DEF tank only.	\$15,012.00
1400-0053	Power module 500 Ah additional for Idle Mitigation System. Location: [#LOC]	\$12,371.00
1400-0054	Four(4) group 31 AGM 1150 CCA Odyssey PC-2150 batteries.	\$3,061.00
1400-0055	Battery four group 31 1000 CCA. One battery left side (with DEF) and three on right side. For use with 44.5" cab only.	\$1,071.00
1400-0056	Officer side front battery isolated for use with 12V accessory system. The battery is not to be hooked up to the 12 Volt electric bus.	\$557.00
1400-0057	Battery five group 31 760 CCA (two left / three right). For use with below cab DEF tank only.	\$1,337.00
1400-0058	Battery, deep cycle. Two (2) 12V deep cycle batteries shall be provided. Isolated batteries shall be wired in series to provide 24VDC service to a CBRN system. Note: Batteries not to be connected to OEM chassis electric bus. Locate: L1 Aft.	\$908.00
1400-0059	Five (5) group 31 AGM 1150 CCA Odyssey PC-2150 batteries. (two left / three right). For use with below cab DEF tank only.	\$3,825.00
1400-0060	Battery five Delco 1110 Hi-Cycle 750CCA (two left / three right). For use with below cab DEF tank only.	\$1,176.00
1400-0061	Stainless steel picture frame hold down battery brackets. Allows for batteries to be serviced without removing cover.	\$333.00
1510-0000	Seat cavity cover (EA).	\$187.00

Option No.	Description	PRICE
1510-0003	Seats, Inc. brand 911 cab seats.	\$0.00
1510-0004	Seats, Bostrom brand.	\$0.00
1510-0005	Seat cover material Imperial 1200.	\$0.00
1510-0007	Seat cover material vinyl.	\$0.00
1510-0008	Seat color gray.	\$0.00
1510-0009	Seat color black.	\$0.00
1510-0010	Seat color burgundy	\$0.00
1510-0035	Universal air pack bottle bracket (EA). Location: [#LOC].	\$163.00
1510-0037	Seat cover material Durawear.	\$0.00
1510-0038	Driver seat 911 air ride.	\$1,000.00
1510-0039	Driver seat to be 911 air ride with SCBA back	\$1,188.00
1510-0040	Officer seat to be 911 air ride	\$1,000.00
1510-0041	Officer seat 911 air ride SCBA.	\$1,188.00
1510-0042	Officer seat to be 911 fixed SCBA.	\$971.00
1510-0043	Driver seat to be Bostrom air ride.	\$1,106.00
1510-0044	Driver seat to be Bostrom air ride with SCBA back	\$1,283.00
1510-0045	Officer seat to be Bostrom air ride.	\$1,106.00
1510-0046	Officer seat to be Bostrom air ride SCBA.	\$1,283.00
1510-0047	Officer seat to be Bostrom fixed SCBA.	\$1,075.00
1510-0048	Driver seat to be 911 electric.	\$1,491.00
1510-0049	Driver seat to be Bostrom electric.	\$1,594.00
1510-0050	Rear facing 911 seat with SCBA driver's side.	\$835.00
1510-0051	Engine cover 911 one man bench with SCBA	\$1,093.00
1510-0052	Engine cover 911 two man bench with SCBA.	\$1,845.00
1510-0053	Rear facing 911 seat with SCBA officer's side.	\$835.00
1510-0054	Rear facing Bostrom seat with SCBA driver's side.	\$804.00
1510-0055	Engine cover Bostrom one man bench with SCBA	\$1,123.00
1510-0056	Engine cover Bostrom two man bench with SCBA.	\$1,870.00
1510-0057	Rear facing Bostrom seat with SCBA officer's side.	\$804.00
1510-0058	Fold down 911 seat located [#LOC]	\$449.00
1510-0059	Fold down 911SCBA seat located [#LOC].	\$990.00
1510-0060	Fold down Bostrom seat located [#LOC].	\$449.00
1510-0061	Fold down Bostrom SCBA seat located [#LOC].	\$931.00
1510-0062	Two man bench centered on rear wall with 911 SCBA backs. Includes angled corners.	\$1,423.00
1510-0063	Two man bench centered on rear wall with Bostrom SCBA. Includes angled corners.	\$1,754.00
1510-0064	Four man bench centered on rear wall with 911 SCBA	\$3,350.00
1510-0065	Four man bench centered on rear wall with Bostrom SCBA.	\$3,084.00

Option No.	Description	PRICE
1510-0066	One man bench centered on rear wall with 911 SCBA	\$1,157.00
1510-0067	One man bench centered on rear wall with Bostrom SCBA	\$1,262.00
1510-0068	Three 911 SCBA seats rear facing, one outboard driver, one outboard officer, one centered.	\$2,505.00
1510-0069	Three 911 SCBA seats rear facing, one outboard driver, one outboard officer, one centered for top mount enclosed cab only. The outboard seats to be angled 30 degrees inward.	\$2,505.00
1510-0070	Three Bostrom SCBA seats rear facing, one outboard driver, one outboard officer, one centered. For top mount enclosed cab only.	\$2,689.00
1510-0071	SEAT 911 3 RR FACING TME 30DEG	\$2,689.00
1510-0072	Tiller cab seating 911 air ride and flip down training seat.	\$1,068.00
1510-0073	Tag seat capacity one (1) for tiller cab only.	\$0.00
1510-0076	Bostrom SCBA seats forward facing center of rear wall (PR). Free standing with individual risers on rear wall.	\$2,142.00
1510-0077	Tiller cab seating Bostrom air ride and flip down training seat.	\$1,106.00
1510-0078	Three individual forward facing 911 Imperial 1200 gray attendant seats with flip up bottom seat cushions. Bottom cushions to be large as possible.	\$2,893.00
1510-0079	Rear Seat Riser Storage. Includes smooth plate doors with push-button latches and 250lbs. slide out trays- (1) each side. Compartment opening to be 17" w x 10" h and transverse side to side. Riser to be Zolatone gray.	\$2,853.00
1510-0080	Officer seat to be 911 attendant.	\$703.00
1510-0081	Cab occupant detection seating system. Wired to visual indicator (hazard light). Includes audible alarm. Requires multiplex electrical system.	\$4,909.00
1510-0082	Zico Quic-Hold mechanical air pack bottle bracket for 5" bottle (ea). Model MWAB with adjustable footplate and pull release strap. Location: [#LOC].	\$589.00
1510-0083	911 Attendant seat with individual riser (PR). Locate centered on rear wall.	\$2,393.00
1510-0084	Officer seat to be Bostrom electric	\$1,594.00
1510-0085	Custom logo embroidery (EA). Bostrom seats only. Requires set-up sales code.	\$143.00
1510-0086	Embroidery set-up for Bostrom cab seats.	\$727.00
1510-0087	Center rear wall seats to be mounted approximately 11" apart.	\$254.00
1510-0088	911 SCBA seats forward facing center of rear wall (PR). Free standing mtd on a common seat riser.	\$2,237.00
1510-0089	Tailbone pad for jump seat(s). (Reference print #634894)	\$53.00
1510-0090	One man bench (PR) on rear cab wall with Bostrom SCBA back. Location: driver and officer side outboard.	\$1,757.00
1510-0091	Zico Quic-Hold mechanical air pack bottle bracket (EA). Model QLM-U with adjustable footplate and pull release. Location: [#LOC].	\$712.00
1510-0092	Two man bench centered on rear wall with bench seat style back cushion and angled riser corners.	\$1,372.00
1510-0093	Custom logo embroidery (EA). Seats Inc. seats only. Requires set-up sales code.	\$158.00
1510-0094	Embroidery set-up for Seats Inc. 911 cab seats.	\$964.00
1510-0095	Driver seat Bostrom electric with integral seat belt.	\$1,774.00
1510-0096	Officer seat Bostrom electric with SCBA back with integral seat belt.	\$2,113.00
1510-0097	Rear facing seat driver side Bostrom with SCBA back and integral seat belt.	\$900.00

Option No.	Description	PRICE
1510-0098	Rear facing seat officer side Bostrom with SCBA back and integral seat belt.	\$900.00
1510-0099	Rear wall seat Bostrom flip-up with SCBA back and integral seat belt. Location: [#LOC].	\$1,248.00
1510-0100	Padded headrest for fold down jump seat (EA). Not available with rear wall windows.	\$131.00
1510-0101	Driver and officer outboard rear facing seats mounted at 30 degree angle. Includes upper seat belt brkt. adjusted to rear of cab.	\$519.00
1510-0104	911 SCBA seat forward facing center of rear wall. Free standing mtd on seat riser.	\$1,121.00
1510-0105	One man bench (PR) on rear cab wall with Seats 911 SCBA back. Location: driver and officer side outboard.	\$1,426.00
1510-0106	911 SCBA seats forward facing rear wall (PR). Equally spaced with individual risers on rear wall.	\$2,237.00
1510-0107	Seats Talladega 910 hi-back air suspended driver seat with 2 person bench. Rear seating area to have a 3 person bench seat.	\$0.00
1510-0108	Universal 911 Seating Package. Includes one (1) hi-back air ride suspension driver seat, one (1) hi-back fixed SCBA officer seat, and three (3) fixed SCBA rear seats. Tradition.	\$1,995.00
1510-0109	International Seating Package. Includes one (1) national brand air ride driver, Gra-Mag (2) person fixed bench and a (3) person fixed bench seat. Tradition.	\$0.00
1510-0110	Bostrom Seating Package. Includes one (1) air ride driver seat, one (1) fixed SCBA officer seat and (3) fixed SCBA rear seats. Tradition.	\$1,948.00
1510-0111	Seating Package Two (2) Door Freightliner. Includes One (1) Talladega 910 Hi-Back Air Ride Driver and One (1) 911 Fixed Officer (Non-SCBA).	\$139.00

1680-0053	Storage below rear bench seat. (1) hinged door on each side of the bench seat.	\$648.00
1680-0054	Cab floor modification - box type. Located in center rear floor behind engine cover. Top of box to be covered with floor matting.	\$0.00
1680-0055	Cab Floor Mod - Extnd Box Type. Required on RLP and HP100 Platform with stand alone hyd generator and all other CII/Quest applications with hyd gen pump direct mounted to top mtd pto.	\$0.00

Option No.	Description	PRICE
1680-0066	Vogel auto lube system for chassis points (up to 26) and jack system points (12).	\$6,025.00
1680-0076	Under front bumper 9K winch receiver. Includes electrical connection for portable winch application. Custom chassis only.	\$1,965.00
1680-0078	Tow hooks front OEM. Not available with extended E-ONE installed front bumper. Tow hooks are OEM supplied with chassis.	\$0.00
1680-0080	Tow eyes front painted in up and down position. Tow eyes to use same holes for both sets.	\$563.00
1680-0081	Special cover kit for Memphis to include auto lube Vogel driver's side front frame and cannon plug cover	\$450.00
1680-0082	The air intake emergency cable reset. Officer side of cab below the front bumper. Locate so cable is not visible or can be pulled without reaching under the bumper.	\$228.00
1680-0084	Exhaust extension and reinforcement for Nederman exhaust extraction system.	\$393.00
1680-0085	Right hand steer commercial chassis. All body and pump module components to be located the same as a left hand steer chassis.	\$0.00
1680-0087	Radiator brush guard below cab.	\$633.00
1680-0088	Angle of approach to be 15 degrees. Angle of departure to be 15 degrees.	\$0.00
1680-0090	Block heater to have thermostatic controller.	\$198.00
1680-0091	Tow eyes front stainless in up position and painted in down position.	\$988.00
1680-0092	Tow blocks under front bumper extension.	\$341.00
1680-0093	Tow eyes front stainless steel with 3" holes mounted in up position. Requires 16 in minimum bumper extension on custom chassis and 18 in minimum bumper extension on commercial chassis.	\$957.00
1680-0094	Trailer hitch Class IV mounted rear.	\$1,891.00
1680-0095	Side underbody 9K winch receivers. Includes (2) side facing- (1) each below rearward body compartments for portable winch with electrical connection for winch.	\$1,661.00
1680-0096	Side underbody 9K winch receivers. Includes (2) side facing- (1) each below body compartment ahead of the rear wheels for portable winch with electrical connection for winch.	\$1,661.00
1680-0097	Angle of approach to be no less than 13 degrees. Angle of departure to be no less than 13 degrees.	\$0.00
1680-0099	Block heater 1500 watt wired through inlet receptacle. Available on ISM, ISX and S60 only.	\$555.00
1680-0100	Tinted windows for improved visibility of jump seat area of cab.	\$1,115.00
1680-0103	One (1) air horn mounted on the driver side hood with driver and officer mounted foot switches. International.	\$583.00
1680-0116	Oil pan heater. Fleetguard 22MM 150W/120V wired to shoreline.	\$515.00
1680-0117	Special cab tilt reservoir location. Reservoir to be located in the [#LOC].	\$652.00
1680-0120	Under the body there shall be equipped with a pair of receiver assemblies, each with a removable swivel hoist ring. One each side of apparatus. The receivers shall be square steel tubing, same size as a receiver for a Class III trailer hitch. Located behind the rear axle.	\$3,635.00
1680-0121	Under the body there shall be equipped with a pair of 12,000 lb receiver assemblies, each with a removable swivel hoist ring, or can be used with a Class III trailer hitch. One each side of apparatus. The receivers shall be locate in front of rear axle. Final location will depend on Engineering and driveline. 12v not included.	\$3,635.00
1680-0122	Tow eyes rear below body painted. Eyes to be on edge pointing to rear.	\$651.00
1680-0124	Boom support modification - Tiller. Support to accommodate a 50" wide ladder tunnel.	\$489.00
1680-0126	Block heater 1000 watt wired through inlet receptacle (or block heater auto eject inlet receptacle if so equipped).	\$543.00
1680-0127	Block heater thermostat.	\$282.00

Option No.	Description	PRICE
1680-0128	The commercial chassis to have seat belt and chassis pre-wiring for NFPA seating indicator and vehicle data recorder.	\$243.00
1680-0129	The commercial chassis to have seat belt and chassis pre-wiring for NFPA seating indicator and vehicle data recorder.	\$497.00
1680-0130	High flow power steering pump. Includes additional cooler. Requires engineering evaluation. Not available in hot climates.	\$546.00
1680-0131	Tow eyes rear frame stainless steel.	\$1,365.00
1680-0136	Relocate the air governor to the steering reservoir bracket above the driver side frame rail.	\$201.00
1680-0137	Diesel Exhaust Fluid (DEF) 10 gallon tank. Location: [#LOC].	\$1,661.00
1680-0138	Cab step area trim plates provided on the driver and officer side.	\$203.00
1680-0139	Cab step area trim plates provided on the driver and officer side.	\$203.00
1680-0140	Cab step area trim plates provided on the driver and officer side.	\$203.00
1680-0141	Trim plate driver and officer step well area. Includes officer side mounting for battery charger receptacle and air inlet with auto eject.	\$0.00
1680-0143	The commercial chassis to have seat belt and chassis pre-wiring for NFPA seating indicator and vehicle data recorder.	\$0.00
1680-0144	Trailer hitch class V mounted rear. This hitch has under body support as needed.	\$2,672.00
1680-0145	Diesel Exhaust Fluid (DEF) 5 gallon tank. Location: [#LOC].	\$1,576.00
1680-0153	Boom support modification - 50' Boom. Support uprights to be offset 2" forward (MM application) from center of lower mounting holes.	\$0.00
1680-0154	Oil pan heater - Fleetguard 150W/120V wired to block heater receptacle. ISC/ISL only.	\$450.00
1680-0159	Vogel auto lube system for chassis points (up to 26) and Bronto inboard jack extension cylinder points (4).	\$4,985.00
1680-0164	Diesel Exhaust Fluid (DEF) 5 gallon tank. Location: R1 floor offset forward. 2010 EPA Custom ES.	\$0.00
1680-0168	The commercial chassis to have seat belt and chassis pre-wiring for NFPA seating indicator and vehicle data recorder.	\$0.00
1680-0169	The commercial chassis to have seat belt and chassis pre-wiring for NFPA seating indicator and vehicle data recorder.	\$0.00
1680-0173	Engine block heater. Locate receptacle below the driver side cab door. International	\$175.00
1680-0174	Philips 1000 watt engine block heater. Locate receptacle below the driver side cab door. Freightliner.	\$127.00
1680-0181	Oil pan heater - Fleetguard 300W/120V wired to block heater receptacle. ISM only.	\$570.00
1680-0182	Oil catch muffler to be located officer side rearward of frame mounted step.	\$0.00
1680-0184	Existing chassis to be modified to match wheelbase and frame cut of order configuration.	\$1,100.00
1680-0185	RUDD (Rotogrip) 18 strand automatic tire chains. Includes switch in cab.	\$3,281.00
1680-0186	Under the body to be equipped with a pair of receiver assemblies, each with a removable swivel hoist ring. One each side of apparatus. The receivers shall be square steel tubing, same size as a receiver for a Class III trailer hitch. Located to rear of front outriggers.	\$3,635.00
1680-0187	On-Spot tire chain installation. Requires pre-wire option located in Cab Electrical. Requires engineering review and approval if less than 176" WB.	\$2,975.00
1680-0188	Aerial hydraulics installed on bottom port of EVS4000/4500 transmission (to allow for flat rear cab floor). Requires drive through hyd pump option (6150-0015) on aerials with hyd generator.	\$1,733.00
1680-0189	Tow eyes front painted mounted in up position. Requires 16" minimum bumper extension on custom chassis and 18" minimum bumper extension on commercial chassis.	\$283.00

Option No.	Description	PRICE
1680-0192	Forward facing under front bumper winch receiver. Includes lowered height for center bumper mounted tray depth and electrical connection for portable winch application. Commercial chassis only.	\$1,959.00
1680-0193	Tow eyes rear below body stainless steel.	\$2,152.00
1680-0194	Tow eyes front stainless steel through bumper / cab (PR).	\$983.00
1680-0195	Diesel Exhaust Fluid (DEF) 5 gallon tank. Location: Driver side below rear of cab. 2010 EPA Custom ES.	\$0.00
1680-0196	Tow eyes front painted through bumper / cab (PR).	\$552.00
1680-0201	Angle of approach to be no less than 12 degrees. Angle of departure to be no less than 13 degrees.	\$0.00
1680-0202	Trailer hitch Class III mounted rear. Rear hitch will be constructed from the class IV due to weight in B1.	\$1,916.00
1680-0205	Cab windows and locks to be power operated. Two (2) door International.	\$582.00
1680-0208	Storm King Air And Fuel Line Wraps, Wildland	\$3,133.00
1680-0209	Stainless steel air intake screens, HVAC and vents, Wildland	\$429.00
1680-0210	Tow hooks, below front frame, painted, Wildland	\$753.00
1680-0211	Rear tow eyes, painted steel, 3" diameter 3/4" plate, Wildland	\$1,118.00
1680-0212	Tow eyes mid-ship painted in down position pair	\$283.00
1680-0214	Helmet holder locations: See photos on file with sales.	\$0.00
1680-0217	Driveline guard (EA).	\$324.00
1680-0218	Rear skid plates (PR). Locate below rear of body aft of rear outriggers.	\$3,128.00
1680-0222	Angle of approach to be no less than 10 degrees. Angle of departure to be no less than 10 degrees.	\$0.00
1680-0223	Under the body shall be equipped with a pair of 12K receiver assemblies. Location: (1) each side below rear compartments.	\$3,635.00
1680-0224	Air control panel for a chassis air outlet in compartment L2. The panel shall have quarter turn shut off valve, 0-300 pounds per square inch air pressure gauge and a check valve in the supply line.	\$865.00
1680-0225	Two (2) heavy-duty tow eyes plates made of 3/4" (0.75") thick steel having 3" diameter holes shall be bolted directly to the rear of the frame to allow towing. The tow plates shall be protruding out the rear of the body and shall be painted chassis black.	\$836.00
1680-0226	Shared aerial and hyd gen PTO system (for use with NPNT CR100/137/95-Platform with SmartPower or Harrison gen)(Requires eng approval with water pump).	\$4,384.00
1680-0227	Tow eyes front painted with 3" holes below bumper/cab (PR).	\$710.00
1680-0228	Under front bumper Class III hitch receiver. Custom chassis only.	\$1,591.00
1680-0229	Step bars will be located under the entry doors of the cab each side. Bars will have a black powder coat finish.	\$852.00
1680-0231	Insta-chain tire chain installation. Requires pre-wire option located in Cab Electrical.	\$2,975.00
1680-0232	Painted lifting points (high visibility orange) for IFS front axle. Includes metal placard on driver side door of Timmone diagram showing points.	\$366.00
1680-0234	The fuel tank to be [#COL] gallons and located to the [#LOC] of cab.	\$0.00
1680-0235	The batteries to be located under [#LOC] of cab.	\$0.00
1680-0239	Tow eyes rear frame painted mounted low just above tailboard.	\$579.00
1680-0243	Tow eye straight line pull tag located center front bumper extension.	\$0.00
1680-0245	Upgrade receiver and tow eye extension. The front bumper 9K winch receiver shall be extended forward, approximately 1" beyond front bumper IPOS (rather than at the under bumper location). Custom chassis only.	\$788.00

Option No.	Description	PRICE
1680-0246	The cab tilt manual back-up pump handle and mounting clips shall be shipped loose. Dealer to mount after delivery.	\$0.00
1680-0247	Trailer hitch Class III mounted rear, optimized mounting to be in a raised mounting position.	\$1,036.00
1680-0248	Step bars will be located under the entry doors of the cab each side. Bars will have a stainless finish.	\$1,722.00
1680-0249	Driveline guards (as applicable).	\$965.00
1680-0250	Diesel Exhaust Fluid (DEF) 5 gallon tank for 2013 / 2016 EPA engines. Location: [#LOC].	\$1,834.00
1680-0251	Diesel Exhaust Fluid (DEF) 10 gallon tank for 2013 / 2016 EPA engines. Location: [#LOC].	\$1,917.00
1680-0254	Officer side rear underbody Class III hitch receiver. Includes Class III trailer receiver, (1) officer side facing side for portable winch receiver with an electrical connection for winch.	\$1,001.00
1680-0255	Seperate PTO for aerial hydraulic pump IPO shared system.	\$2,076.00
1680-0256	Cab windows to be power operated. Two (2) door International (International code 16WJU) Tradition.	\$294.00
1680-0258	Insta-chain tire chain installation. Includes 12 chain sytem. Requires pre-wire option located in Cab Electrical.	\$3,106.00
1680-0262	Exhaust extension and reinforcement to allow the exhaust to extend 35" above the engine cover.	\$409.00
1680-0263	Additional metal placard on officer front cab door of Timmoney diagram showing points.	\$170.00
1680-0264	Air control panel for a chassis air outlet in compartment L2. The panel shall have quarter turn shut off valve, 0-300 pounds per square inch air pressure gauge, 0-125 pounds per square inch pressure regulator and a check valve in the supply line.	\$979.00
1680-0265	Upgrade pressure side power steering hoses with steel braided line in lieu of nylon braided.	\$50.00
1680-0269	On-Spot tire chain to be supplied and installed by commercial chassis supplier. Requires engineering review and approval if less than 180" WB.	\$0.00
1680-0270	Smooth plate trim package with black durabak finish for a (4) door International. Includes a full length driver side and a (2) piece officer side trim that will utilize pieces already supplied by the OEM, will include modification for booster reel(s).	\$5,655.00
1680-0271	Tow eyes front painted through bumper / cab (PR). Eyes to be 1" thick material.	\$552.00
1680-0272	Plumb Vogel lube system to On-Spot tire chains.	\$212.00
1680-0273	Additional engine insulation under cab. Includes forward and rearward cab areas. See Engineering for installation instructions.	\$1,495.00
1680-0274	On-Spot tire chain installation. Includes 12 chains per wheel. Requires pre-wire option located in Cab Electrical. Requires engineering review and approval if less than 180" WB.	\$3,190.00
1680-0277	Under the body there shall be equipped with a pair of receiver assemblies, each with a removable swivel hoist ring and chrome tow hooks (1) each side to act as tie down points. One each side of apparatus. The receivers shall be square steel tubing, same size as a receiver for a Class III trailer hitch. Located to rear of front outriggers.	\$3,726.00
1680-0279	Steel tow bar located below rear compartment mounted to chassis frame for towing purposes only, painted black.	\$1,962.00
1680-0282	Tow eyes rear below body, painted. 1" thick material with 3" diameter hole staight down from chassis frame.	\$777.00
1680-0284	Radiator mounted power steering cooler.	\$514.00
1680-0285	Power windows and door locks. Freightliner 2-Door. Tradition.	\$150.00
1680-0286	Tow eyes front painted in down position with additional officer only in the up position.	\$423.00
1680-0287	Tow eyes front painted bright silver through bumper / cab (PR).	\$552.00
1680-0288	Oil pan heater for ISL engine. Fleetguard 22MM 150W/120V wired to winterization shoreline receptacle.	\$515.00
1680-0289	Block heater to be wired through [#LOC].	\$0.00
1680-0290	Bevel interior holes of front and rear tow eyes.	\$516.00

Option No.	Description	PRICE
1680-0291	Tow forks under front bumper extension.	\$699.00
1680-0292	Auto lube system CPL. Chassis points only.	\$4,643.00
1680-0293	Tow hooks front painted in the outboard position.	\$293.00
1680-0294	Tow eyes rear frame painted. Eyes to be angled downward thru the rear body skid plate. Design to accommodate a rear body max departure angle modification.	\$772.00
1680-0295	Trailer hitch Class I receiver mounted rear.	\$633.00
1680-0299	Trim Package to be used with 4 door Freightliner M2 series chassis.	\$2,799.00
1680-0300	Steel lift bar located below rear compartment mounted to chassis frame for lifting purposes only (no towing), painted black.	\$1,962.00
1680-0302	Steel tow/lift bar located below rear compartment mounted to chassis frame, painted black.	\$3,132.00
1680-0303	Splash guard for reel below front of cab. Includes chute to front bumper tray for hose. Hush chassis only.	\$903.00
1680-0306	Air intake emergency shut-down. Pump panel mounted guarded switch with reset switch located below front bumper.	\$1,933.00
1680-0311	Fan drive w/thermatic clutch permanently engaged.	\$1,506.00
1680-0312	On-Spot tire chains. Includes switch in cab.	\$3,082.00
1680-0313	Power Mirrors 600, Disc Brakes 800, Air seat and additional battery modification 1,800, Mirror mounted turn signals 650, Two Tone paint 651	\$0.00
1680-0316	CPL auto lube system for chassis points (up to 26) and jack system points (12).	\$8,504.00
1680-0319	Tow eyes front painted below bumper/cab pointed forward. (PR). Custom chassis only.	\$1,965.00
1680-0320	Weather resistant box for tire chain solenoid.	\$122.00
1680-0321	Steel tow/lift bar located below front of cab mounted to chassis frame, painted black.	\$4,986.00
1680-0326	Side 9K Winch Receivers - frame rail height shall be provided. Two (2) winch receivers, one (1) each side, shall be located in line with the top of the frame rail ahead of the rear wheels. Each receiver position shall have its own pin. Winch receiver(s) shall be rated for a maximum of 9,000 line pull pounds with a 2.0 to 1 straight line pull no-yield safety factor. 12VDC power and exterior doors not included.	\$3,090.00
1680-0327	Block heater 1500 watt wired through APU. Available on ISM, ISX and S60 only.	\$555.00
1680-0328	Oil pan heater - Fleetguard 450W/120V wired to APU only. ISX only.	\$570.00
1680-0329	Air clutch for second hyd pump. For use with dual hyd pump systems on a single PTO. Requires first hyd pump to be drive-thru style.	\$3,967.00
1680-0330	Receiver, side body 9K Winch Receivers-frame rail height shall be provided for use with Reyco suspension. Two (2) winch receivers, one (1) each side, shall be located in line with the top of the frame rail ahead of the rear wheels. Each receiver position shall have its own pin. Winch receiver(s) shall be rated for a maximum of 9,000 line pull pounds with a 2.0 to 1 straight line pull no-yield safety factor. 12VDC power and exterior doors not included.	\$3,090.00
1680-0331	Tow eyes front painted job color mounted in up position. Requires 16" minimum bumper extension on custom chassis and 18" minimum bumper extension on commercial chassis.	\$422.00
1680-0332	Radiator overflow lines to be extended below frame rails and secured with metal clamps.	\$0.00
1680-0334	Oil pan heater - Fleetguard 450W/120V wired to block heater receptacle. ISX only.	\$570.00
1680-0336	Special transmission lock bracket for manual transmission and electrical programming.	\$721.00
1680-0338	Extensions for chassis and cab tilt grease fittings. Extensions to be routed to three groups (left front, right front and rear).	\$983.00
1680-0344	Tow eyes front painted in down position with additional stainless steel officer only in the up position.	\$638.00

Option No.	Description	PRICE
1680-0345	Tow eyes rear frame painted. Locate: B1, inside with eye plates spaced to best accommodate common sized towing hardware inside the compartment.	\$829.00
1680-0349	Tow eyes rear below body, painted. 1" thick material with 3" diameter hole straight down from chassis frame. For use as lifting eyes at rear of chassis.	\$1,845.00
1680-0350	Receivers, side body 9K winch receivers - frame rail height shall be provided. Two (2) winch receivers, one (1) each side, shall be located in line with the top of the frame rail between rear tandem wheels. Each receiver position shall have its own pin. Winch receiver(s) shall be rated for a maximum of 9,000 line pull pounds with a 2.0 to 1 straight line pull no-yield safety factor. 12VDC power and exterior doors not included.	\$3,390.00
1680-0351	All applicable .625" heater hose to have constant torque clamps. Includes end, union and T-fittings.	\$357.00
1680-0352	Side underbody 9K winch receivers. Includes (2) side facing- (1) each below body compartment offset forward on tiller trailer body for portable winch with electrical connection for winch.	\$1,661.00
1680-0353	Heavy duty frame cross-member located at cab locks.	\$1,028.00
1680-0356	Rope tie off. Side underbody Rope Tie Off. Includes (2) side facing- rope tie off points (1) each below body located per engineering approval. Rating: 1000 lbs with 10:1 safety factor with straight line pull.	\$1,995.00
1680-0360	Bevel interior holes of rear tow eyes.	\$258.00
1680-0361	Tow eyes rear frame stainless steel with 4" holes.	\$1,720.00
1685-0000	Cab interior gray. Does not include engine cover or seat color.	\$0.00
1685-0001	Cab interior black. Does not include seat color.	\$375.00
1685-0002	Cab interior burgundy. Does not include engine cover or seat color.	\$3,086.00
1685-0003	Fold down computer tray bolted to engine cover on officer's side.	\$799.00
1685-0004	Storage below rear bench seat for four SCBA bottles.	\$727.00
1685-0005	Lexan sun visors, driver and officer's side overhead.	\$0.00
1685-0006	Padded sun visors, driver and officer's side overhead.	\$0.00
1685-0008	Control lanyard Y type for air horns.	\$186.00
1685-0009	Chain for ignition key	\$139.00
1685-0011	Stainless steel pair of window bars for rear cab doors.	\$407.00
1685-0012	Seating capacity tag of two occupants.	\$0.00
1685-0013	Console control Ford chassis	\$512.00
1685-0015	Locking Gun Box	\$612.00
1685-0016	Three Ring Binder/VCR mount	\$593.00
1685-0017	Overhead Glove Box constructed of ABS plastic	\$569.00
1685-0018	Gun box aluminum with a Simplex lock.	\$593.00
1685-0019	Cab Handrail Floor to Ceiling (PR) to assist entry and exit of vehicle	\$143.00
1685-0020	Maplight 20" gooseneck on driver and officer side of console.	\$75.00
1685-0022	Lateral "G" Alert system with audible and visual warnings.	\$3,435.00
1685-0023	Inclinometer, phosphorescent illumination with 20-0-20 side slope indicator.	\$197.00
1685-0024	Cab Floor Mod - Crown	\$0.00

Option No.	Description	PRICE
1685-0026	Door Seat Riser Ovrlap drv/off for the Typhoon only.	\$211.00
1685-0027	Heater rear cab w/o cover (PR). 23,000 BTU ea.	\$1,621.00
1685-0028	Heaters rear cab w/covers (PR).	\$1,731.00
1685-0029	OEM Seat Center Section Removed Light Duty	\$295.00
1685-0030	Seating capacity tag of three occupants.	\$0.00
1685-0031	Seating capacity tag of four occupants.	\$0.00

1750-0064	Clamshell controller mounted on on officer's side of engine cover for electronic siren.	\$131.00
1750-0065	Turn signal Whelen 600 halogen amber pair located [#LOC].	\$298.00
1750-0066	Halogen front turn signal amber (PR). Locate: [#LOC].	\$288.00
1750-0067	Additional 4" red LED dome lights (PR) for driver and officer.	\$298.00
1750-0068	Additional 4" red incandescent dome lights (PR) for rear of cab.	\$279.00
1750-0069	Additional 4" red incandescent dome lights (PR) for driver and officer.	\$227.00
1750-0070	Additional 4" red LED dome lights (PR) for rear of cab.	\$298.00
1750-0071	Mount customer supplied antenna on cab roof. Location: [#LOC].	\$184.00
1750-0072	12 VDC (or 24VDC) electrical outlet in the cab wired battery hot. Location: [#LOC].	\$64.00
1750-0073	Antenna base Tessco P/N 90942 (NMO Motorola Style - also called MATM style) on cab roof. Location: [#LOC].	\$99.00
1750-0074	Interlock to position front intake for cab tilting.	\$291.00
1750-0075	English dominant main cab gauge cluster.	\$2,133.00
1750-0076	Metric dominant main cab gauge cluster.	\$2,258.00
1750-0077	Turn signal Code 3 model 65 LED amber with arrow insert (PR). Location: [#LOC].	\$755.00
1750-0078	Light Whelen model PSR00FRR LED (4) red. Horizontal mounted flashing strip light on each of the inside lower cab door panels. Wire through door switch.	\$829.00
1750-0079	Fuel gauge for officer.	\$263.00
1750-0080	Conduit flexible 1.5" for radio installation center of dash to compartment under officer's seat.	\$317.00
1750-0081	Conduit flexible 1.5" for radio installation compartment under officer's seat to pump panel.	\$279.00
1750-0082	12V power distribution module. Includes (6) battery hot and (6) switched hot circuits. 100 amps max (IATS). Location: [#LOC].	\$327.00
1750-0083	Turn signal Federal Signal QuadraFlare QL64Z-ARROW LED amber pair located [#LOC].	\$288.00
1750-0084	Receptacle inlet 220 volt European "Schuko" style. Includes matching cord connector. Location: [#LOC]	\$433.00
1750-0088	Whelen 500 LED red door ajar light. Model 50R00FRR light with 5FLANGEC flange.	\$197.00
1750-0091	Battery Saver Kussmaul model 091-195-12 wired to battery charger receptacle.	\$730.00
1750-0092	Warning Lights shall be switched Off/Amber/All.	\$54.00
1750-0093	Warning lights shall be switched Off/Upper/All.	\$54.00
1750-0094	Battery charger / air compressor 220 volt Kussmaul Pump Plus HO.	\$1,569.00
1750-0095	Second DOT traffic horn	\$141.00
1750-0096	Bracket for Motorola Spectra Radio in the center overhead console offset to officer side. Dim: 7"W x 2"H, must be size of the opening after break.	\$86.00
1750-0097	LED Light in cab to illuminate Pump Shifter and shall activate with the headlights.	\$53.00
1750-0098	Dome Lts Red/White Weldon with Euro style switches. Package includes two lights mounted in the front and two mounted in the rear of the cab. White light wired through master battery switch, door ajar and light assembly mounted switch. Red light through light assembly mounted switch.	\$588.00
1750-0100	Install ES-Key Display on Driver's Side of Doghouse by Shifter	\$0.00
1750-0101	Install EQ2B Amplifier on Front face of Communication Box behind Driver's Seat	\$0.00
1750-0102	Rear flood light switch in cab to operate the rear deck lights.	\$0.00

Option No.	Description	PRICE
1750-0103	Primary warning light switch to operate all warning lights and lightbar, except arrowstick traffic advisor and rear amber upper warning lights. Master warning light switch must be on as well.	\$0.00
1750-0104	Left alley lights to control driver's side white light on lightbar.	\$0.00
1750-0105	Right alley lights to control officer's side white light on lightbar.	\$0.00
1750-0106	One (2) position switch (Master) to initiate battery circuit - Typhoon style Eaton switch with red guard.	\$0.00
1750-0107	One (2) position switch (Ignition) to initiate ignition circuit - CII style Carling switch.	\$0.00
1750-0108	Seat belt detection system programmed to 2" red door ajar light and ES-Key display. Also tied to a "different sounding alarm".	\$640.00
1750-0109	The following items are not programmed through Master Warning Light switch: Left and Right Alley light. Left, Right, and Rear Scene Light, Ground Light and Horn/Air.	\$0.00
1750-0110	Battery Charger Professional Mariner. Located outside driver side door area. The charger to be mounted behind driver's seat on front face of communication box, next to EQ2B amplifier.	\$1,171.00
1750-0111	Digital voltmeter in cab. Location: Driver side overhead console.	\$358.00
1750-0113	Dome Lts Red/White Incandescent. Package includes two lights mounted in the front of the cab. White light wire through door and light assembly mounted switch. Red light through light assembly mounted switch.	\$295.00
1750-0114	Cab Headlights in addition to front quad headlights	\$451.00
1750-0115	Master warning light switch to have a red cover (or bezel).	\$41.00
1750-0116	Warning Lights shall be switched Off/Amber/Emergency.	\$54.00
1750-0117	Auto eject receptacle inlet 15 amp 240 volt with a [#COL] cover. Location: [#LOC].	\$549.00
1750-0118	Flexible 2" conduit with connectors. Location: Officer cab dash to bottom of medical cabinet.	\$386.00
1750-0119	Flexible 2" conduit with connectors. Location: Center cab dash to rear bench seat riser.	\$335.00
1750-0120	Receptacle/auto-eject shall be wired to [#LOC].	\$0.00
1750-0121	Ammeter gauge in cab 0-400amp Cruz Pro digital.	\$505.00
1750-0122	Additional dome lts red/white 4" LED (PR) located one each side over enclosed TM pump panel. White light wired through door and light assembly mounted rocker switch. Red light through light assembly mounted rocker switch.	\$795.00
1750-0123	Auto eject receptacle inlet 15amp location or function [#LOC] and the color shall be [#COL].	\$546.00
1750-0124	Whelen 4" round LED red door ajar light. Model 20R00FCR light with 2FLANGEC bezel.	\$197.00
1750-0125	Block heater receptacle 15 amp with a [#COL] cover. Location [#LOC].	\$304.00
1750-0126	Conduit flexible 1.5" for radio installation center of dash to area behind officer's seat.	\$317.00
1750-0128	Locate swivel lamps per photos on file from 131288 # 1-I-0804.	\$0.00
1750-0129	Door ajar alarm to be a chime versus an alarm.	\$228.00
1750-0130	Xantrex Truecharge 40+. Wire to autoeject receptacles.	\$1,787.00
1750-0131	Pyrometer gauge in cab.	\$600.00
1750-0132	Auto transfer switch for additional battery charge receptacle.	\$483.00
1750-0133	Conduit flexible 1.5" for radio installation center of dash to rear bench seat.	\$317.00
1750-0134	Conduit flexible 1.5" for radio installation rear bench seat to pump panel.	\$485.00

Option No.	Description	PRICE
1750-0135	35 AMP inline fuse as hot lead for radio installation. Radio circuit with G30060-1CR in-line fuse 35 amp. Fuse wired to ignition side to power the radio head. To be labeled and identified as "HOT". In-line fuse to be clearly labeled. Wiring located behind a face plate in the center overhead also provide ground wire and label wires. Label ground "Chassis Ground". Run speaker wires from center overhead to above the medical cabinets on each side leave 36" of coiled wire.	\$593.00
1750-0136	Battery charger Super Smart 220 volt 60 Hz, 20 amp.	\$440.00
1750-0138	Work lights to be programmed "on" when park brake is set and switched in overhead console.	\$131.00
1750-0139	Provide 30 amp radio circuit with 6' of wire (PR)	\$124.00
1750-0140	Mount customer supplied antenna(s) on cab roof. Location(s): (1) each side of A/C condensor and (1) GPS antenna located top of vista officer side front corner. Includes coaxial cable terminating in the rear bench seat riser.	\$184.00
1750-0141	Bullard T4 hand held Thermal imaging camera with charger. Mount Location.[#LOC]	\$21,770.00
1750-0142	Kussmaul Auto-Eject 20 on each side of charger with a Red cover. Auto-eject on each side of cab to allow plug in on either side for battery charger with transfer switch in cab.	\$1,574.00
1750-0144	Q2B brake switch to have a red cover (or bezel).	\$41.00
1750-0145	Relocate the battery charger and (if applicable) air compressor to below the rear wall bench seat or rear center wall medical cabinet (if equipped).	\$582.00
1750-0147	Hand held flashlight, orange Streamlight Survivor Division 2 right angle flashlight with 12 VDC fast charger. [#LOC].	\$282.00
1750-0148	Turn signal Whelen 700 LED Chevron amber (PR). Locate [#LOC].	\$707.00
1750-0149	Control push-button switch on officer's dash for Q2B siren brake.	\$100.00
1750-0150	Block heater receptacle 20 amp Auto-Eject with a [#COL] cover. Location [#LOC].	\$601.00
1750-0151	Receptacle inlet 15amp with a [#COL] cover. Location: [#LOC]	\$304.00
1750-0153	Federal Signal model 462121 Renegade red strobe light for compartment warning light under over head console.	\$279.00
1750-0154	Cab keyless entry touch pad(s) to lock/unlock all cab doors and cab/body electric locking roll-up door(s).	\$609.00
1750-0155	Secondary keyless entry touch pad on officer side of cab. Pad to include any and all functions provided by the driver side pad.	\$495.00
1750-0156	Special EQ2B power amplifier location. Amp to be located [#LOC].	\$292.00
1750-0157	Special battery charger location. Charger to be located [#LOC].	\$292.00
1750-0158	Dome Lts Red/White LED. Package includes two lights mounted in the front and two mounted in the rear of the cab. White light wired through door and light assembly switch. Red light through light assembly switch.	\$849.00
1750-0159	3 Position Q2B momentary switch (activate/off/brake). Loc: [#LOC].	\$212.00
1750-0160	Dome Lts Red/White Incandescent. Package includes two lights mounted in the front and two mounted in the rear of the cab. Front cab lights: White light wired through door and light assembly mounted switch. Red light through light assembly mounted switch. Rear cab lights: White light wired through door and switch on side cab interior wall. Red light through switch on side cab interior wall. Rear dome switches to be located between side window and door opening and control light on respective side of cab.	\$1,006.00
1750-0161	Air compressor, Kussmaul model 091-9B-1, 120V.	\$1,028.00
1750-0162	Battery charger Kussmaul model 091-35/10, 35 amp battery charger / 10 amp battery saver.	\$863.00
1750-0163	Speedometer officer's side switch panel.	\$327.00
1750-0164	Fuel gauge for officer. Location: officer switch panel.	\$263.00

Option No.	Description	PRICE
1750-0165	Conduit flexible 1.5" for radio installation center of dash to compartment under driver's seat.	\$317.00
1750-0166	ATC override switch.	\$212.00
1750-0167	Block heater to be wired to battery charger receptacle with a lighted on/off switch behind driver seat.	\$211.00
1750-0168	Dome Lts Red/White 4" incandescent (5). Lights to be located two front and three rear. White light wired through door and light assembly mounted rocker switch. Red light through light assembly mounted rocker switch.	\$766.00
1750-0169	Radio speakers (3). Locate officer ceiling and each side rear cab ceiling. Wiring to terminate in officer side overhead console for customer supplied radio(s).	\$493.00
1750-0171	Clamshell controller mounted on on driver's side of engine cover for Q2B.	\$131.00
1750-0172	Special battery charger and air compressor location. Charger and air compressor to be located [#LOC].	\$292.00
1750-0173	Rocker switch cover (or bezel) to be red. Location: [#LOC].	\$41.00
1750-0174	Battery Charger Professional Mariner. Located outside driver side door area. The charger to be mounted under rear bench seat riser (centered) .	\$1,464.00
1750-0176	Light Whelen model 70RA6FCR Super LED (4) split red/amber with chrome flanges. Horizontally mounted flashing lights on each of the interior cab door panels outboard mounted. Wire through door switch.	\$1,692.00
1750-0177	Receptacle inlet 30amp twist lock with a [#COL] cover. Location: [#LOC].	\$582.00
1750-0178	Windshield fan 8". Location: rear facing mounted on driver side 3x3 post.	\$199.00
1750-0179	Dome light red/white Incandescent for tiller cab. White light wire through door and light assembly switch. Red light through light assembly switch.	\$150.00
1750-0180	Dome light red/white LED for tiller cab. White light wire through door and light assembly switch. Red light through light assembly switch.	\$214.00
1750-0181	Dome light red/white 4" incandescent for tiller cab. White light wired thru door and light assembly mounted rocker switch. Red light thru light assembly mounted rocker switch.	\$155.00
1750-0182	Dome light red/white 4" LED for tiller cab. White light wired through door and light assembly mounted rocker switch. Red light through light assembly mounted rocker switch.	\$399.00
1750-0183	Wire Oil Pan Heater Provided by Commercial ChassisThrough Battery Charger Receptacle.	\$209.00
1750-0184	Auto eject receptacle inlet 15amp / 240V located [#LOC] with a [#COL] cover.	\$598.00
1750-0185	Vernier engine throttle in cab for use with jet dump operations. Locate in driver side overhead console or Lower Dash. Includes selector sw also in overhead console or Lower Dash.	\$954.00
1750-0186	Dome Lts Red/White Incandescent additional. White light wire through door and light assembly mounted switch. Red light through light assembly mounted switch. Location: Centered rear of cab.	\$151.00
1750-0187	Auto drain, Kussmaul model 091-9-089 120V. For use with air compressor 091-9B-1 only.	\$218.00
1750-0188	DPF regeneration override switch.	\$212.00
1750-0189	Gauge ambient temperature with digital display. Locate display on officer side switch panel.	\$870.00
1750-0190	Dome Lts Red/White LED. Package includes two lights mounted in the front of the cab. White light wire through door and light assembly mounted switch. Red light through light assembly mounted switch.	\$426.00
1750-0191	Cab quad headlights below front bumper in addition to standard headlights.	\$536.00
1750-0192	Aerial engagement switch in cab to have a red cover (or bezel).	\$41.00

Option No.	Description	PRICE
1750-0193	Oil level sensor light in cab to indicate drop in hydraulic reservoir oil level. Interlock w/parking brake, tag to read "Power Steering System Failure, Stop Vehicle".	\$148.00
1750-0194	Dome Lts Red/White LED additional (PR). White light wire through door and light assembly switch. Red light through light assembly switch. Location: Rear crew area.	\$426.00
1750-0195	Cab dome lts red/white (2 red/white, 2 white) 4" incandescent. White light wired thru door and light assembly mounted rocker switch. Red light thru light assembly mounted rocker switch. Red/white located in front of cab, white located at rear cab doors.	\$612.00
1750-0196	Battery charger Newmar model PT-80, 80amp.	\$3,692.00
1750-0197	Clamshell controller mounted on driver's side of engine cover for the air horns.	\$131.00
1750-0198	Battery charger to be located [#LOC].	\$0.00
1750-0199	Air compressor to be located [#LOC].	\$0.00
1750-0200	Whelen model 1510R red strobe hazard warning light. Locate in cab under over head console.	\$284.00
1750-0201	Shore line receptacle and air inlet. Driver side cab step area.	\$0.00
1750-0202	Kussmaul battery charger with air compressor and air inlet. The battery charger receptacle and air inlet to include auto-eject. Locate to driver side below the driver door.	\$991.00
1750-0203	Special location for battery charger indicator. Location: [#LOC].	\$117.00
1750-0204	Battery charger with indicator, inlet receptacle and air inlet with mounting plate. Locate to driver side of cab below driver door opening.	\$0.00
1750-0205	Handheld flashlight, orange Streamlight Vulcan flashlight with vehicle mount system. Location: [#LOC].	\$270.00
1750-0206	Clamshell controller mounted on officer's side cab dash for Q2B and air horns.	\$131.00
1750-0207	Louvered cover for battery charger or air compressor (EA). Finish to match cab interior.	\$203.00
1750-0208	Light Whelen model PSA00FAR LED (4) amber. Horizontal mounted flashing strip light on each of the interior lower cab door panels outboard. Wire through door switch.	\$829.00
1750-0209	Clamshell controller mounted on on officer's side of engine cover (knee height) for Q2B.	\$131.00
1750-0210	Vernier engine throttle in cab for pump&roll operations. Locate in console or Lower Dash. Includes selector sw also in center console or Lower Dash.	\$954.00
1750-0212	Battery charger and air compressor package 240 VAC/ 50 HZ.	\$1,505.00
1750-0213	Auto eject receptacle inlet 20 amp 240 volt, 24V inner coils with a [#COL] cover. Location: [#LOC]	\$331.00
1750-0214	Mount customer supplied GPS antenna on cab roof. Location: [#LOC].	\$184.00
1750-0215	Turn signal Whelen M6 LED arrow amber pair located [#LOC].	\$682.00
1750-0216	Mount customer supplied MAR antennas (5) on cab roof. Location: (1) approx 12" ahead of vista 18" left of cab center, (1) approx 12" ahead of vista 18" right of cab center (forward antennas will be 36" apart), (1) approx 18" rearward from front edge of vista centered left to right, (1) approx 18" rearward from front edge of vista 18" left of center and (1) approx 18" rearward from front edge of vista 18" right of center. Route all cables to below rear wall bench seat.	\$734.00
1750-0217	Conduit flexible .375" for radio installation driver dash to center overhead console.	\$317.00
1750-0218	Gauge engine oil temp in driver overhead console.	\$520.00
1750-0219	Keyed battery/ignition switch.	\$141.00
1750-0221	Xenon HID cab headlights. CIIX and TyphoonX only.	\$1,870.00

Option No.	Description	PRICE
1750-0222	12 volt electrical outlet in the cab wired through ignition. Location: [#LOC].	\$64.00
1750-0223	Control push button switch center electrical cover offset to officer side for air horns	\$100.00
1750-0224	Engine Compartment Light LED for Freightliner Chassis (EA).	\$255.00
1750-0225	Engine Compartment Light for Freightliner Chassis (EA).	\$136.00
1750-0226	Whelen 4" round LED amber jacks down light IPOS. Model 20A00FCR light with 2FLANGEC bezel.	\$197.00
1750-0227	Mount customer supplied antenna on cab roof. Location: (1) shark fin centered on cab roof between a/c condensor and storage box terminating below officer seat.	\$184.00
1750-0228	Omit Freightliner Chassis Taillight Programming. Assure Data Code 294-046 is in Chassis Specification.	\$0.00
1750-0230	Control Push Button Switch for Air Horns on Officers Side of Console.	\$100.00
1750-0231	Light Whelen model PSA00FAR LED (3) amber. Horizontally mounted flashing strip light on each of the interior lower cab door panels outboard. Wire through door switch.	\$621.00
1750-0232	Incandescent Red/White domes and upper NFPA step lighting. Package includes two lights mounted in the front and two mounted in the rear of the cab. White light wire through door and light assembly mounted switch. Red light through light assembly mounted switch. Upper cab step areas to have for NFPA incandescent step lighting. Step lighting to be positioned per OEM recommendations for best compliance to NFPA.	\$675.00
1750-0233	Customer supplied radio and antennas to be installed by Tri-Co Communicaitons.	\$849.00
1750-0234	Digital speedometer officer's side overhead.	\$605.00
1750-0235	English dominant main cab gauge cluster. Custom ES.	\$0.00
1750-0236	Metric dominant main cab gauge cluster. Custom ES.	\$312.00
1750-0237	Block heater 1000 watt. Includes 15 amp inlet receptacle located outside driver's door next to handrail. Custom ES.	\$330.00
1750-0238	English dominant main cab gauge cluster. 2010 EPA Custom ES.	\$0.00
1750-0239	Metric dominant main cab gauge cluster. 2010 EPA Custom ES.	\$0.00
1750-0240	Interior and exterior NFPA cab lighting package for (2) dr chassis. Consists of (2) incandescent interior and (2) incandescent under cab lights.	\$0.00
1750-0241	Interior and exterior NFPA cab lighting package for (4) dr chassis. Consists of (4) incandescent interior and (4) incandescent under cab lights.	\$161.00
1750-0242	Interior and exterior NFPA cab lighting package for (4) dr chassis (International). Consists of (4) incandescent interior and (4) incandescent under cab lights.	\$161.00
1750-0243	Interior and exterior NFPA cab lighting package for (2) dr chassis (International). Consists of (2) incandescent interior and (2) incandescent under cab lights.	\$0.00
1750-0244	Interior and exterior NFPA cab lighting package for (2) dr chassis. Consists of (2) incandescent interior and (2) incandescent under cab lights.	\$0.00
1750-0245	Interior and exterior NFPA cab lighting package for (4) dr chassis. Consists of (4) incandescent interior and (4) incandescent under cab lights.	\$161.00
1750-0246	Interior and exterior NFPA cab lighting package for (2) dr chassis. Consists of (2) incandescent interior and (2) incandescent under cab lights.	\$0.00

Option No.	Description	PRICE
1750-0247	Interior and exterior NFPA cab lighting package for (4) dr chassis. Consists of (4) incandescent interior and (4) incandescent under cab lights.	\$161.00
1750-0249	Dome/Pump panel Lts 4" Red/White LED top mount enclosed cab. Package includes (4) light assemblies evenly spaced over top mount enclosed pump panel. White light wire through door and light assembly switch. Red light through light assembly switch.	\$1,979.00
1750-0250	Dome Lt Red/White LED additional (EA). White light wire through door and light assembly switch. Red light through light assembly switch. Location: Rear facing engine cover seat(s).	\$214.00
1750-0251	Locate inlet receptacle a minimum of 3" rearward of driver cab handrail.	\$0.00
1750-0252	Kussmaul mounting plate model 091-9H for 12v air compressor.	\$86.00
1750-0253	Courtesy light for officer foot switch(es)wired through marker lights. Whelen model OSC0EDCR clear light. Quest with heat to feet only.	\$136.00
1750-0254	Stream Light model SL-20X-LED black handheld flashlight package. Includes (5) flashlights, (1) single 120V flashlight charger located officer side engine cover ahead of 3X3 and (1) 5-unit 120V charger located on officer engine cover rearward of 3X3.	\$1,210.00
1750-0255	Stream Light Vulcan LED orange handheld lantern package. Includes (4) lanterns with 120V charger and vehicle mounts located in driver side rear wall medical cabinet on top shelf, (2) over (2). Includes shelf to be angled forward for ease of viewing.	\$1,257.00
1750-0256	Auto eject block heater receptacle inlet 15amp with a [#COL] cover. Location: [#LOC].	\$546.00
1750-0257	Aerial PTO hourmeter in cab IPOS.	\$143.00
1750-0258	Antenna base Tessco P/N 90942 (NMO Motorola Style - also called MATM style) on cab roof package (6). Location: (3) driver side between a/c condensor and storage box terminating below officer seat and (3) officer side between a/c condensor and storage box with (1) terminating in center overhead and (2) terminating in officer dash. See customer layout drawing on file with sales.	\$582.00
1750-0259	Fog Lights Clear Lens (PR) located middle hole of bumper.	\$100.00
1750-0260	Battery charger, Super Smart, 20 amp with 120V Kussmaul HP air compressor.	\$1,746.00
1750-0261	Clamshell controller mounted on on officer's side cab dash at "A" post for Whelen Howler.	\$131.00
1750-0262	Auto transfer switch 120 volt. Includes 8 place breaker box. Allows interior receptacles to be powered by either shore power or generator. Ship to VanMor for installation.	\$798.00
1750-0263	Radio speakers pair. Locate each side rear cab ceiling. Wiring to terminate in center dash for customer supplied radio(s).	\$287.00
1750-0264	Block/oil pan heater on/off 110V switch. Location: inside driver door; rear of seat.	\$181.00
1750-0265	Speedometer for officer side multiplex display.	\$0.00
1750-0266	Dome Lts Red/White Incandescent. Package includes three lights mounted in the front of the cab. White light wire through door and light assembly mounted switch. Red light through light assembly mounted switch.	\$402.00
1750-0267	Battery charger Kussmaul 4000, 45 amp with air compressor.	\$2,553.00
1750-0268	Battery charger Kussmaul 40 amp model 1200 with 120V HP air compressor.	\$2,543.00
1750-0269	12ga dedicated ground wire to center overhead console.	\$83.00
1750-0270	Control push-button switch officer side (side facing) of center electrical cover for Q2B siren.	\$100.00
1750-0271	Control push-button switch officer side (side facing) of center electrical cover for air horns.	\$100.00
1750-0272	Kussmaul battery charger with air compressor and air inlet. The battery charger receptacle and air inlet to include auto-eject. Locate to driver side body above vacuum pump access.	\$1,885.00

Option No.	Description	PRICE
1750-0273	Kussmaul battery charger. The battery charger receptacle and air inlet to include auto-eject. Locate to driver side body above vacuum pump access. No compressor required with charger	\$1,196.00
1750-0275	Receptacle inlet 30amp household with a [#COL] cover. Location: [#LOC].	\$582.00
1750-0276	Battery charger Newmar model EV-40-12-1, 40amp.	\$1,531.00
1750-0277	Provide 30 amp radio circuit with 6' of wire Locate in Map Box for customer installed radios.	\$124.00
1750-0278	Light Whelen LED strip model PSC0CDCR to illuminate cab floor. Horizontally mounted on seat riser. Wire through door switch. Location: [#LOC]	\$161.00
1750-0279	Clamshell controller mounted on on officer's side of engine cover for Q2B. Switch to be on top horz surface next to dash.	\$131.00
1750-0280	An Akron directional finder shall be mounted in clear view of the driver and officer within the cab. It shall in. This roof turret electronic azimuth shall clearly identify roof turret directional aim at all times after the master power switch has been activated.	\$981.00
1750-0281	Safety Vision Safedrive Mini DVR. Locate officer side of center windshield post up high.	\$2,041.00
1750-0282	Auto-Eject receptacle inlet 20 amp located below the driver's door with a red cover. Receptacle to be wired to heaters on tank inlet / out collars. WaterMaster only.	\$601.00
1750-0283	LED cab headlights. TyphoonX, CIIX and QST2 only.	\$1,656.00
1750-0284	Switch additional guarded toggle. Location and Function: [#LOC].	\$212.00
1750-0285	The chassis shall be pre-wired for installation of tire chains. Includes guarded toggle switch located on the driver side diagnostic panel.	\$446.00
1750-0286	Receptacle block heater inlet 20amp with a [#COL] cover. Location: [#LOC].	\$304.00
1750-0287	Door ajar indicator light shall be upgraded to larger LED indicator light IPOS.	\$186.00
1750-0288	The master power switch shall be relocated from its standard position to a location that allows the switch to be activated from a standing location with the driver's door open.	\$25.00
1750-0289	Battery charger Kussmaul 4000, 45 amp	\$1,641.00
1750-0290	Light Weldon LED model 2631-000-30 to illuminate cab floor. Horizontally mounted on seat riser. Wire through headlight switch. Location: driver and officer seat riser.	\$291.00
1750-0291	Keyed ignition switch. Keyed same as cab doors. Includes (6) additional keys.	\$291.00
1750-0292	Cyber Dyne digital voltmeter in cab with blue display. Location: Driver side overhead console.	\$245.00
1750-0293	Dome Lts Red/White Incandescent additional. White light wire through door and light assembly mounted switch. Red light through light assembly mounted switch. Location: driver and officer seats.	\$151.00
1750-0294	Kussmaul ignition safety lock model 091-160. Includes switch on dash for activation labeled "OVERRIDE" with yellow guard. Cab door windows to be disabled with activation.	\$615.00
1750-0295	Turn signal shall not provide an audible indicator, visual only.	\$0.00
1750-0296	Flexible 2" conduit with connectors. Location: Center cab dash to body.	\$669.00
1750-0297	Dome Lts Red/White Incandescent additional. White light wire through door and light assembly mounted switch. Red light through light assembly mounted switch. Location: Centered front of cab for weapons storage.	\$151.00
1750-0298	Hella Xenon work lamp model AS300 (6) Pkg. Includes (2) AS300CR and (4) AS300LR and switch accessible to driver in cab. Location: AS300CR located outboard forward facing on light tower shield, (2) AS300LR each side evenly spaced between command light and outboard light on front of shield.	\$5,433.00

Option No.	Description	PRICE
1750-0299	Trilinear rod antenna model BMEFC24005 with K794 mount with RG58/U coaxial cable. Ship loose.	\$412.00
1750-0300	Radio AM/FM/CD/weather band w/auxiliary input port located [#LOC].	\$742.00
1750-0301	Battery saver to be located [#LOC].	\$0.00
1750-0302	Control push-button switch officer side overhead for Rumbler.	\$100.00
1750-0303	Aerial engagement switch to be guarded style located on the panel outboard of the steering wheel below dash.	\$232.00
1750-0304	Radio Pioneer DEH-X 7500HD AM/FM CD/USB located [#LOC].	\$1,022.00
1750-0305	Dome lts Whelen red/white 4" LED (6). Lights to be located two front and four rear. White light wired through door and light assembly mounted rocker switch. Red light through light assembly mounted rocker switch.	\$3,127.00
1750-0306	Radio speakers additional pair Pioneer TS-G1341R. Locate each side rear cab ceiling.	\$365.00
1750-0307	Three (3) Aux 12V center console circuit. 30AMP auto reset brkr. 6' minimum wire to power customer supplied devices (modify existing auxiliary power already standard in center console).	\$67.00
1750-0308	Battery charging connector 12V Anderson with weatherproof cover. Includes mating connector (ship loose). Location: Driver's door step area.	\$304.00
1750-0309	Air horn switch on passenger side wall of mic box on rear cab wall. Switch to be labeled "Evacuation Alert".	\$149.00
1750-0310	Clamshell controller mounted on officer's side of engine cover for Federal Signal Rumbler.	\$131.00
1750-0311	Tesco GPS antenna model #345146 located on the forward center cab roof between light bars with coaxial cable routed to center cab dash.	\$308.00
1750-0312	Tesco antenna model #418697 with coaxial cable. Ship loose.	\$300.00
1750-0313	Havis model CG-X computer charge guard located in cab at MDT mount.	\$152.00
1750-0314	Battery charger Kussmaul model 12 HO PIM, 20 amp. Includes model 091-189-12 indicator located adjacent to inlet receptacle.	\$1,473.00
1750-0315	Rear upper window wipers (PR). Top mount enclosed cab only. Requires 4" cap.	\$1,462.00
1750-0316	Switch horn button two position DOT/Rumbler.	\$105.00
1750-0317	Auto-Eject receptacle inlet 20 amp located driver side rear of body above tail lights in diamond plate box with a yellow cover.	\$728.00
1750-0318	Flexible 1" conduit with connectors. Location: Center cab dash to antenna rack.	\$317.00
1750-0319	Control push-button switch officer side (side facing) of center electrical cover for EQ2B siren.	\$100.00
1750-0320	Conduit flexible .75" for radio installation distribution box to officer's overhead.	\$317.00
1750-0321	ATC/KD driving lights (PR) with rubber housings. Includes switch in cab accessible to driver. Location: [#LOC].	\$899.00
1750-0322	Light Whelen model PSC00FCR LED (4) clear. Vertically mounted flashing strip light with 14 flash patterns including steady burn shall be mounted on the lower cab step well areas (interior). The front doors shall have (1) strip light shall be located on forward step well wall (both sides). The rear doors shall have (1) strip light shall be located on rear step well wall (both sides). Wire through door switch.	\$829.00
1750-0323	Engine tunnel to be fitted with a position activation switch to activate engine compartment lighting when not in the fully closed position.	\$524.00
1750-0324	Air compressor, Kussmaul model 091-9 12V.	\$989.00
1750-0325	Pigtail, minimum of 18" of wire for service of the battery charger and/or air compressor.	\$51.00
1750-0326	Auto transfer switch 120 volt. Includes 2 place breaker box. Allows interior receptacles to be powered by either shore power or generator.	\$776.00

Option No.	Description	PRICE
1750-0327	Switch momentary to activate heat option contained in mirrors for 10 minutes. The heat will automatically turn itself off after the heat activation time period (10 minutes) has expired.	\$204.00
1750-0328	Auto transfer switch 120 volt. Includes 8 place breaker box. Allows interior receptacles to be powered by either shore power or inverter.	\$798.00
1750-0329	Cornering light relay circuits for lights in center of rear tandem wheel well. Includes (2) relays. Requires scene light option. Interlocked with park brake.	\$432.00
1750-0330	Dome Lt Red/White LED additional (EA). White light wire through door and light assembly switch. Red light through light assembly switch. Location: centered between rear cab dome lights.	\$214.00
1750-0331	Control push-button switch driver side (side facing) of center electrical cover for EQ2B siren.	\$100.00
1750-0332	Dome lights Red/White incandescent. Package includes two lights mounted in the front and two mounted in the rear of the cab Trucklite 80 series with push style on/off button (may be used with Ford chassis). White light wire through door and light assembly mounted switch. Red light through light assembly mounted switch.	\$588.00
1750-0333	Dome lights White incandescent. Package includes two lights mounted in the front and two mounted in the rear of the cab Trucklite 80 series with push style on/off button (may be used with Ford chassis). Lights wire through door and light assembly mounted switch.	\$588.00
1750-0334	Dome lights White incandescent. Package includes two lights mounted in the front of the cab Trucklite 80 series with push style on/off button (may be used with Ford chassis). Lights wire through door and light assembly mounted switch.	\$294.00
1750-0335	Metric speedometer, in English dominant main cab gauge cluster.	\$2,258.00
1750-0336	Whelen traffic advisor control head (model TRACTRL1A) shall be mounted in the center overhead panel. The control head shall be wired to the main power switching circuit. There shall be a 50' control cable (model TAPVC50) ran from the control head to the rear of the body, coiled up for dealer supplied and installed traffic advisor.	\$1,056.00
1750-0337	Garmin GSP 18X USB. May be mounted at E-ONE discretion on the cab roof within reach of cab 12VDC hot outlet(s).	\$258.00
1750-0338	Radio Pioneer DEH-3300UB AM/FM CD/USB (with a pair of TS-D1302R speakers) located [#LOC].	\$1,022.00
1750-0339	Radio speakers additional pair Pioneer TS-D1302R. Locate each side rear cab ceiling.	\$365.00
1750-0340	Control push-button switch officer side (side facing) of center electrical cover for EQ2B siren brake.	\$100.00
1750-0341	Transverse cab compartment dome light package (4) LED. Trucklite 44 series.	\$606.00
1750-0342	Battery charger Kussmaul model 12 HO PIM, 20 amp. Includes model 091-189-12 indicator located behind driver's door adjacent to exterior handrail.	\$1,473.00
1750-0343	Battery charger E-ONE LPC 20. 120 volt inlet, 20 amp output.	\$633.00
1750-0344	Battery charger E-ONE LPC 40. 120 volt inlet, 40 amp output.	\$963.00
1750-0345	Battery charger E-ONE LPC 20. 240 volt inlet (50/60 hz), 12 volt 20 amp output.	\$837.00
1750-0346	Battery charger E-ONE LPC 20. 240 volt inlet (50/60 hz), 24 volt 20 amp output.	\$761.00
1750-0347	Battery charger with indicator, inlet receptacle and air inlet with mounting plate. Locate to driver side of cab below driver door opening.	\$0.00
1750-0348	Dome Lt Red/White LED additional (EA). White light wire through door and light assembly switch. Red light through light assembly switch. Location: driver seat, officer seat and center for weapons storage.	\$214.00
1750-0349	Flexible 3/4" conduit with connectors. Location: behind officer seat to antenna rack.	\$461.00

Option No.	Description	PRICE
1750-0350	Install customer supplied radio/intercom (ea). Loc: [#LOC].	\$526.00
1750-0351	Kussmaul solar power charging system; model 092-1220-1. Location: Center rear cab roof.	\$2,484.00
1750-0353	Dome Lts Red/White LED. Package includes two lights mounted in the front and three mounted in the rear of the cab. White light wired through door and light assembly switch. Red light through light assembly switch.	\$1,082.00
1750-0354	Tesco GPS antenna model #GPSNMO-02 located on the forward center cab roof between light bars with coaxial cable routed to center cab dash.	\$342.00
1750-0355	Each 110 volt cab receptacle shall have a dedicated breaker within the breaker box. This is to provide each cab mounted receptacle (single outlet, duplex, etc. as applicable) with its own isolated circuit.	\$280.00
1750-0356	Radio speaker (1). Locate center rear ceiling. Wiring to terminate in center overhead console for customer supplied radio.	\$146.00
1750-0357	Mount GPS antenna on cab roof. Location: [#LOC].	\$0.00
1750-0358	Antenna base Tessco P/N 90942 (NMO Motorola Style - also called MATM style) on cab roof package (5). Locations: (1) each side rearward of light bar (1) each side forward of the vista. These (4) shall be positioned side to side as required to prevent interference with light tower and its operation. There shall be (1) additional mounted on the officer side rear corner of the cab roof. All (5) shall have coax cable terminating below the officer seat.	\$491.00
1750-0360	Auto-Eject receptacle inlet 30 amp 240 volt located [#LOC] and with a [#COL] cover.	\$878.00
1750-0361	Cab quad headlights in front bumper in addition to standard headlights.	\$536.00
1750-0362	Stand alone J1939 CAN information display, to include odometer reading. The display is 2" in diameter, intuitive menu driven user interface accessed by (3) built in tactile switches for easy display configurations of active J1939 data and stored faults. Location: [#LOC].	\$798.00
1750-0363	Location for customer supplied speaker as part of customer supplied radio/intercom. Location: [#LOC].	\$0.00
1750-0364	Cab quad headlights below front bumper in addition to standard headlights. The headlights shall be mounted in a tread plate box that will extend the full depth and width of the hose trays mounted within the bumper ext. on each side.	\$604.00
1750-0365	Auto transfer switch 120 volt. Includes 8 place breaker box. Provides for all interior receptacles and Four (4) interior 110v fluorescent lights to be powered by shore power or generator.	\$798.00
1750-0366	The auto transfer switch/breaker box shall be located: body interior just inside L3 entrance door on the left side up high above L2 mounted inboard of the main breaker box.	\$0.00
1750-0367	Stream Light Vulcan LED orange handheld lantern package. Includes (4) lanterns with 120V charger and vehicle mounts. Mount as directed during final inspection.	\$1,257.00
1750-0368	Dome Lts Red/White 4" LED (6). Lights to be located two front and four rear. White light wired through door and light assembly mounted rocker switch. Red light through light assembly mounted rocker switch.	\$2,375.00
1750-0369	Guard. On-Spot activation switch shall have a red flip up safety guard. The switch shall be located on the driver side overhead panel offset to the officer side as far as possible.	\$54.00
1750-0370	Engine hourmeter in cab.	\$166.00
1750-0372	12 VDC (or 24VDC) electrical outlet in the cab wired battery hot with 14AWG at each seated position. Outlets are shared within the same circuit.	\$254.00
1750-0374	Light Whelen model PSB00FBR LED (4) blue. Horizontally mounted flashing strip light on each of the inside lower cab door panels. Wire through door switch.	\$829.00

Option No.	Description	PRICE
1750-0375	Switch console mounted to the driver side engine cover.	\$167.00
1750-0376	Light Whelen model PSR00FRR LED (3) red. Horizontally mounted flashing strip light on each of the inside lower cab door panels. Wire through door switch.	\$624.00
1750-0377	Additional 4" white LED dome lights (PR) for rear of cab wired battery hot to a 15 min. timer switch. Locate switch on interior officer side rear side wall just above floor level.	\$503.00
1750-0378	Switch momentary to illuminate cab dome lighting for 15 minutes. The lights will automatically turn themselves off after the activation time period (15 minutes) has expired. Locate switch on interior officer side rear side wall just above floor level.	\$263.00
1750-0379	Auto transfer switch 120 volt. Includes 12 place breaker box. Provides for all 110v interior receptacles and up to four (4) interior fluorescent lights to be powered by shore power or generator.	\$1,128.00
1750-0380	35 AMP inline fuse as hot lead for radio installation. Radio circuit with G30060-1CR in-line fuse 35 amp. Fuse wired to ignition side to power the radio head. To be labeled and identified as "HOT". In-line fuse to be clearly labeled. Wiring located behind a face plate in the center overhead also provide ground wire and label wires. Label ground "Chassis Ground". Fuse to be down line from standard fuse and accessible for Motorola Spectra 800 MHz radio.	\$593.00
1750-0381	Cornering light relay circuits for cab/body lights on side of unit. Includes (2) relays. Interlocked with park brake.	\$432.00
1750-0382	Conduit flexible 3/4" from center cab desk raceway to receptacle located at upper center in R1.	\$380.00
1750-0383	Radio Jensen JHD1630B AM/FM/WB (with a pair of Polk Audio DXi525 5.25" speakers) located [#LOC].	\$1,138.00
1750-0384	Light Weldon LED model 2631-000-30 to illuminate cab floor. Horizontally mounted on seat riser. Wire through headlight switch. Location: below each rear wall seat on riser.	\$291.00
1750-0385	Cab step lighting package. Includes (2) EON LED lights per side IPOS. (1) Light per door mounted in the cab step well area	\$263.00
1750-0386	The FoamPro controller shall be located in cab centered between driver and officer.	\$0.00
1750-0387	Golight controls shall be located [#LOC].	\$0.00
1750-0388	Handheld Flashlight, black Streamlight SL-20X with 12 VDC charger. Location: driver and officer rear cab wall outboard below seat support channel.	\$234.00
1750-0389	Radio speakers pair. Locate (1) above officer and (1) centered in rear crew cab area. Wiring to terminate (1) center dash, (1) center overhead for customer supplied radio(s).	\$287.00
1750-0390	Radio Poly-Planar AM/FM CD/MP3 with USB port located center overhead console offset to officer side.	\$909.00
1750-0391	Receptacle inlet 50amp 250V located in air compressor compartment with cover and manual 4 pole 100A transfer switch. Allows Bauer air compressor to be powered by either shore power or 3 phase generator.	\$3,792.00
1750-0392	Battery charger Kussmaul 75 amp model 091-149-12 with 091-9 air compressor.	\$3,689.00
1750-0393	Switch secondary braking three position Jacobs/Off/Telma. Jacobs Brake top position, off center, Telma bottom position.	\$218.00
1750-0394	Control push button switch for Q2B on officers side of console.	\$100.00
1750-0395	Light EON LED to illuminate cab floor(EA). Horizontally mounted on seat riser. Wire through door switch. Location: [#LOC].	\$161.00
1750-0396	Control push-button switch on officer's overhead for Q2B siren brake.	\$100.00
1750-0397	Mount customer supplied antenna on cab roof. Location: centered behind lightbar, driver side forward on vista roof, officer side forward on vista roof and officer side rear cab roof. All terminating in overhead command area cabinet.	\$732.00
1750-0398	Mount customer supplied GPS antenna on interior of cab. Location will be per antenna manufacturers' recommendation.	\$184.00
1750-0399	Control push-button switch driver side of center dash upper tier for Q2B siren.	\$100.00

Option No.	Description	PRICE
1750-0400	Cyber Dyne digital voltmeter in cab with blue display. Location: Driver side cab dash, side facing, adjacent to park brake release.	\$245.00
1750-0401	Cornering light relay circuits for only the side facing gravel shield lights. Includes (2) relays. Requires scene light option. Interlocked with park brake.	\$432.00
1750-0402	Install six (6) customer supplied radio cables. (3) 30' Cables will run from behind driver seat to center of dash. (3) 17' Cables will run from behind driver seat to the overhead cabinet area in cab.	\$762.00
1750-0403	Install radio interface cable for Motorola model APX 6500. Run cable from back of driver seat to center of dash. The interface cable shall consist of the following FireCom cables PN 110-5136-30 (4' interface cable), PN 108-0086-00 (15' extension cable), PN 108-0085-00 (10' extension cable) for a total of 29' in length.	\$656.00
1750-0404	Dome lights Whelen red/white 6" Super-LED surface mounted interior lights. Four (4) model 60CREGCS lights to be located two front and two rear. White light wired through door and light assembly. Red light through switch mounted on light assembly.	\$1,403.00
1750-0405	Battery charger Kussmual model 091-200-12-194-WT-RD. 120 Volt 40 Amp output includes water tight display mounted adjacent to inlet.	\$1,846.00
1750-0406	The air horn(s) shall not be included within the Multiplex system (separate switching from Multiplex display required).	\$406.00
1750-0407	Control push-button switch for Rumbler. Location [#LOC].	\$100.00
1750-0408	Mount customer supplied (1) radio cable and (4) antennas. Antenna locations: (1) driver and officer side forward cab roof, (1) driver and officer side rearward cab roof. Route all cables to upper rear wall medical cabinet. Route radio cable from center of dash to upper rear wall of medical cabinet.	\$734.00
1750-0410	Switch, additional through multiplex display. Function: [#LOC].	\$95.00
1750-0411	Dome Lts Red/White Whelen model 60CREGCS LED. Package includes two lights mounted in the front and four mounted in the rear of the cab. White light wired through door and light assembly switch. Red light through light assembly switch.	\$1,748.00
1750-0412	Kussmaul digital battery display model 091-194-IND-WT-RD in place of standard.	\$361.00
1750-0413	Dual USB charger socket in the cab wired battery hot. Location: [#LOC].	\$151.00
1750-0414	Warning light Whelen M6R series Linear Super LED (PR) red. Location: interior of canopy doors wired through each door ajar switch only.	\$748.00
1750-0415	Dome Lt Red/White LED additional (EA). White light wire through door and light assembly switch. Red light through light assembly switch. Location: Below forward vista medical cabinet.	\$214.00
1750-0416	30 AMP inline fuse as hot lead for radio installation. Radio circuit with in-line fuse 30 amp. Fuse wired to ignition side to power the radio head. To be labeled and identified as "HOT". In-line fuse to be clearly labeled. Wiring located in the interior of the center console also provide ground wire and label wires. Label ground "Chassis Ground".	\$593.00
1750-0417	Flexible 1" conduit with connectors. Location: radio cabinet to center of dash.	\$317.00
1750-0418	Conduit, flexible 1" with connectors. Location: Bottom of cab mounted center console to forward corner of counter top on driver side of body.	\$317.00
1750-0419	Turn signal TecNiq LED amber strip (PR) located in center of quad headlight bezel (QST2 only).	\$114.00
1750-0420	Daytime Running Light TecNiq LED strip (PR) located in center of quad headlight bezel (QST2 only).	\$123.00
1750-0423	Programming instructions for auxiliary switch 1 on steering wheel switch pod. Switch function: [#LOC].	\$95.00
1750-0424	Programming instructions for auxiliary switch 2 on steering wheel switch pod. Switch function: [#LOC].	\$95.00
1750-0425	Programming instructions for auxiliary switch 3 on steering wheel switch pod. Switch function: [#LOC].	\$95.00

Option No.	Description	PRICE
1750-0426	Turn signal Weldon LED amber pair located [#LOC].	\$570.00
1750-0427	Antenna base Tescro P/N 90942 (NMO Motorola Style - also called MATM style) on cab roof. Location: (4) vista cab roof, (4) front cab roof. See sales for exact location labeling instructions.	\$888.00
1750-0428	Interior courtesy red LED light package. Includes driver / officer side engine cover lighting, center dash wash lights and front / rear floor lights.	\$380.00
1750-0429	Dual USB charging ports in the cab wired battery hot. Location: [#LOC].	\$73.00
1750-0430	Weldon guard model 2034-0000-00 for horizontally mounted seat riser light (EA).	\$19.00
1750-0431	Conduit flexible 1" for radio installation center of dash to area behind officer's seat.	\$317.00
1750-0432	Flexible 1" conduit with connectors. Location: behind officer seat to antenna rack.	\$461.00
1750-0433	Battery charger Kussmaul LPC 80. 120 volt inlet, 80 amp output.	\$1,767.00
1750-0434	Radio cabinet ventilation fan (PR). Location: ceiling of radio cabinet wired through ignition.	\$229.00
1750-0435	Halogen cab headlights. TyphoonX, CIIX and QST2 only.	\$0.00
1750-0436	Dome Lt Red/White LED additional (EA). White light wire through door and light assembly switch. Red light through light assembly switch. Location: center between front cab seats.	\$214.00
1750-0437	The chassis shall be pre-wired for installation of tire chains. Includes guarded toggle switch located on the center dash panel.	\$446.00
1750-0438	Radio AM/FM CD with weather band located [#LOC]. Includes speakers in ceiling to rear of driver/officer.	\$849.00
1750-0439	Dome Lt Red/White Whelen model 60CREGCS LED additional (EA). White light wired through door and light assembly switch. Red light through light assembly switch. Location: center rear crew cab ceiling.	\$352.00
1750-0440	Switch horn button three position DOT/air horn/electronic siren. Wired through multiplex display screen.	\$212.00
1750-0441	Battery charger Kussmaul model EV40, 40 amp.	\$1,604.00
1750-0442	Light EON LED (EA). Horizontally mounted in seat riser. Wire through door switch. Location: officer seat riser.	\$161.00
1750-0443	Dome Lts Red/White Whelen model 60CREGCS LED. Package includes two lights mounted in the front of the cab. White light wired through door and light assembly switch. Red light through light assembly switch.	\$583.00
1750-0444	Battery charger Iota model DLS-45, 45 amp.	\$621.00
1750-0445	Clamshell controller mounted on center console offset to officer side for air horns.	\$131.00
1750-0446	Wire battery charger using cord connectors ipo hardware.	\$0.00
1750-0447	Dome Lts Red/White Whelen model 60CREGCS LED. Package includes two lights mounted in the front and two mounted in the rear of the cab. White light wired through door and light assembly switch. Red light through light assembly switch.	\$1,166.00
1750-0448	Light Whelen model PSRASXCR LED (4) red/amber. Horizontally mounted flashing strip light on each of the inside lower cab door panels. Wire through door switch.	\$862.00
1750-0449	Momentary DPF regeneration override switch.	\$212.00
1750-0450	Steering wheel with switch pods IPOS. Includes wiper functions, master warning sw, air horn sw, aux brake on/off and (3) aux switches. Required with Typhoon and CII equipped with 4Front and QST2. (Requires separate programming options to activate aux switches)	\$0.00
1750-0451	Steering wheel with switch pods IPOS. Includes wiper functions, master warning sw, air horn sw, aux brake on/off and (3) aux switches. For use only with Typhoon and CII NOT equipped with 4Front. (Requires separate programming options to activate aux switches)	\$953.00

Option No.	Description	PRICE
1750-0452	Radio speakers (3). Locate officer ceiling and each side rear cab ceiling. Wiring to terminate in center overhead console for customer supplied radio(s).	\$493.00
1750-0453	Auto transfer switch 120 volt. Includes 12 place breaker box. Allows interior receptacles to be powered by either shore power or generator.	\$840.00
1750-0454	Courtesy light for driver and officer located on front of risers wired through marker lights. Whelen model OSR00SCR light.	\$267.00
1750-0455	Block heater connector; 15 amp male. Location: driver side under front bumper adjacent to frame rail.	\$106.00
1750-0457	Turn signal Whelen 600 LED amber arrow pair with black bezel located [#LOC].	\$729.00
1750-0458	Quad bezels (4) black ipos.	\$268.00
1750-0459	Rear cab dome lights located inboard even with 3x3 posts with white light facing inboard.	\$0.00
1750-0460	Light Whelen model PSR00FRR LED (4) red. Horizontally mounted flashing strip light on each of the inside cab door panels below the windows. Wire through door switch.	\$829.00
1750-0461	Remove switch pods from 4Front steering wheel and install std switches for relevant functions.	\$0.00
1750-0462	Turn signal Whelen M6 LED arrow amber pair with clear lenses located [#LOC].	\$682.00
1750-0463	Handheld flashlight, Streamlight Vulcan LED Model 44401 flashlight with vehicle mount system. Location: [#LOC].	\$230.00
1750-0464	Dome Lt Red/White Whelen model 60CREGCS LED. One (1) light centered between driver/officer in the ceiling. White light wired through door and light assembly switch. Red light through light assembly switch.	\$352.00
1750-0465	Receptacle inlet 50A 230V located in the air compressor compartment with cover and manual 3 pole 100A transfer switch. Allows compressor to be powered by either shore power or generator.	\$3,200.00
1750-0466	DEF level gauge adjacent to tank fill area.	\$366.00
1750-0467	Officer side push button switches centered on dash.	\$0.00
1750-0468	Relocate driver master power window controls and officer front window control to center upper tier.	\$433.00
1750-0469	Flexible 3/4" conduit with connectors. Location: center cab dash to rear medical cabinet upper area.	\$461.00
1750-0470	Relocate driver master power window controls to cab dash upper tier offset to driver.	\$433.00
1750-0471	Auto-Eject receptacle inlet 20 amp located rear of body driver side with a Yellow cover. Receptacle wired to roof top A.C.	\$601.00
1750-0472	Center 12V distribution module under center cab dash electrical cover acces door to be re-located to officer side below access door and remove standard bracket. See sales for details.	\$0.00
1750-0473	Siren brake locate center dash	\$96.00
1750-0474	Control push button switch center dash upper tier offset to officer side for air horns	\$100.00
1750-0475	Control push-button switch center dash upper tier offset to officer for Q2B.	\$100.00
1750-0476	Speaker wire for dealer/customer supplied radio/speaker. Route wire from driver side 3x3 up high to center dash.	\$155.00
1750-0477	Clamshell controller mounted on officer's side of engine cover for Q2B brake.	\$131.00
1750-0478	Battery charger Kussmaul model 091-216-40/20, 40 amp battery charger / 20 amp battery saver.	\$2,088.00
1750-0479	On-Spot activation switch to have a red cover (or bezel).	\$41.00
1750-0480	Auto-Eject dual receptacle inlet; 30 amp 120V with air auto eject located [#LOC] with a [#COL] cover.	\$1,582.00
1750-0481	Auto-Eject receptacle inlet 20 amp wired to roof top AC located [#LOC] with a [#COL] cover.	\$601.00
1750-0482	Control push-button switch officer switch panel for Q2B siren.	\$100.00
1750-0483	Control push-button switch on officer's switch panel for Q2B siren brake.	\$100.00

Option No.	Description	PRICE
1750-0484	Control push-button switch officer switch panel for siren.	\$100.00
1750-0485	Control push-button switch officer switch panel for air horns.	\$100.00
1750-0486	Battery charger Kussmaul model Pump Plus 1200, 40 amp.	\$1,502.00
1750-0487	Customer supplied radio cable. Route from upper rear wall medical cabinet to pump operator panel.	\$183.00
1750-0488	Ammeter gauge in cab 0-300 amps through multiplex display.	\$794.00
1750-0489	Air compressor to be located floor mounted in officer side wheel well medical cabinet. Includes grating over front for protection.	\$129.00
1750-0490	Lateral "G" Alert system with Audible and Visual warnings.	\$4,475.00
1750-0491	The chassis shall be pre-wired for installation of tire chains. Includes 12 volt rocker lock-out/safety style switch.	\$565.00
1750-0492	Interlock to position front bumper lid for cab tilting.	\$291.00
1750-0493	Rear upper window wipers (3). Requires 4" cap. Switch located on upper rear overhead panel.	\$2,192.00
1750-0494	Mobility Pro GPS system model BT5830V2-AT with model ANT-NA520-ABC008 antenna.	\$1,807.00
1750-0495	Kussmaul bluetooth module model 091-226 wired to cab speakers. Located in cab accessible to driver.	\$363.00
1750-0496	Courtesy light TecNiq Dragon wired through marker lights. Model D04 [#COL] LED light with S/S horizontal mount. Location: [#LOC].	\$117.00
1750-0497	Additional marker light TecNiq amber LED strip (PR) located in center of quad headlight bezel (QST2 only).	\$123.00
1750-0498	Aerial PTO switch to have a red cover (or bezel).	\$41.00
1750-0499	Ammeter gauge in cab 0-400 amps through multiplex display.	\$794.00
1750-0500	Relocate driver master power window controls center upper tier offset to driver and officer front window control to center upper tier offset to officer.	\$433.00
1750-0501	Clamshell controller mounted on on driver's side of engine cover for electronic siren.	\$131.00
1750-0502	Auto transfer switch allows hydraulic tool pump to be controlled by a remote switch	\$776.00
1750-0503	Whelen model 01-066A584152 red courtesy light with 45 degree bezel. Locate on the driver ceiling to illuminate overhead switches. Includes switch adjacent to light.	\$346.00
1750-0504	Radio Delphi AM/FM/Weatherband with CD and aux input and USB port. Located [#LOC].	\$849.00
1750-0505	Dual DPF regeneration override switches. (1) controls manual generation; (1) controls inhibit.	\$423.00
1750-0506	Radio AM/FM CD Kenwood model KDC-BT762HD located [#LOC].	\$960.00
1750-0507	The chassis shall be pre-wired for installation of tire chains. Includes guarded toggle switch located on the driver overhead console.	\$446.00
1750-0508	High beam headlight mounted on the inboard position ipos.	\$0.00
1750-0509	Battery charger Iota model DLS-75, 75 amp.	\$793.00
1750-0510	Auto-Eject receptacle inlet 20 amp located below the driver's door with a red cover. Receptacle to be wired to: Transfer switch/sub breaker box, refrigerator, and module interior receptacles.	\$601.00
1750-0511	Auto-Eject receptacle inlet 20 amp located below the driver's door with a red cover. Receptacle to be wired to battery charger only.	\$601.00
1750-0512	Windshield fans RoadPro Tornado pair. Location: centered below overhead console.	\$394.00
1750-0513	The commercial chassis shall be pre-wired for installation of tire chains. Installed by chassis OEM.	\$565.00
1750-0514	Peterson LED cab headlights.	\$1,022.00

Option No.	Description	PRICE
1750-0515	Flexible 1" conduit with connectors. Location: Center cab dash to pump panel area.	\$377.00
1750-0516	Auto drain, Kussmaul model 091-9-086 12V. For use with air compressor 091-9-12V only.	\$218.00
1750-0517	Cab headlights Sirius single low/hi beam located recessed behind bumper in addition to front cab mounted quad headlights.	\$668.00
1750-0518	Cab headlights quad Sirius located recessed behind bumper in addition to front cab mounted quad headlights.	\$837.00
1750-0519	Sirius cab headlights. TyphoonX, CIIX and QST2 only.	\$163.00
1750-0520	Conduit, flexible 2" with connectors. Includes (3) three pull wires labled 1 thru 3 each end. Location: Bottom of cab mounted center console to body mounted electronics rack floor area.	\$317.00
1750-0521	Deutsch connector in center cab dash. Wired as follows: blue wire: hot master warning, red wire: hot park brake applied, purple wire: hot left turn signal and green wire: hot right turn signal.	\$535.00
1750-0522	Flexible 2" conduit with connectors. Location: Center cab dash to radio cabinet.	\$386.00
1750-0523	Switch for driver controlled differential lock to be momentary IPOS (Axle lock engages only when switch is pressed and held).	\$131.00
1750-0525	Light Whelen model PSR00FRR LED red, qty one (1). A horizontally mounted flashing strip light shall be provided on the inside rear body entry door panel below the window. Wire through door switch.	\$208.00
1750-0526	Dome Lts Red/White Incandescent. Package includes two lights mounted in the front of the cab. White light wire through door and light assembly mounted switch. Red light through light assembly mounted switch.	\$340.00
1750-0527	Light Whelen model PSR00FRR LED (2) red. Horizontal mounted flashing strip light on each of the inside lower cab door panels. Wire through door switch.	\$829.00
1750-0528	Interlock to prevent cab tilting with aerial in cradle.	\$517.00
1750-0529	Air compressor, Kussmaul model 091-9-12V-HP.	\$1,098.00
1750-0530	Radio speakers (4). Locate (1) each side front and rear cab ceiling. Wiring to terminate in center lower dash for customer supplied radio(s).	\$656.00
1750-0531	Control push-button switch center lower dash for Q2B siren.	\$100.00
1750-0532	Control push-button switch on center lower dash for Q2B siren brake.	\$100.00
1750-0533	Flexible 3/4" conduit with connectors. Location: officer side overhead to behind officer seat.	\$461.00
1750-0534	Flexible 3/4" conduit with connectors. Location: behind officer seat to pump panel area.	\$461.00
1750-0535	Clamshell controller mounted on officer's side switch panel for Q2B brake.	\$131.00
1750-0536	Clamshell controller mounted on officer's side switch panel for Q2B.	\$131.00
1750-0537	Conduit, 1" flexible with connectors, junction box & pull wires. Locate: L1/R1 forward bulkhead. Conduit to begin at same height on bulkhead as hydraulic reel switches on rearward wall and run vertical to compartment ceiling, then toward chassis centerline terminating at a ceiling mounted junction box with the box oriented so as to accommodate conduit running aft across the ceiling for dealer/customer installed equipment.	\$417.00
1750-0538	Flexible 1" conduit with connectors. Location: Center cab dash to radio cabinet.	\$324.00
1750-0539	PharmGuard dual mode power supply; 110V shoreline and 12V power.	\$542.00
1750-0540	Dual USB charging ports in the cab wired through ignition. Location: [#LOC].	\$73.00
1750-0541	Kussmaul bluetooth module model 091-226 wired to cab speakers. Located in officer overhead.	\$363.00
1750-0542	PharmGuard dual mode power supply; 110V shoreline and 12V power.	\$542.00
1750-0543	Zoll RescueNet Road Safety driver monitoring system.	\$10,593.00

Option No.	Description	PRICE
1750-0544	Control push-button switch on center console for Q2B siren.	\$100.00
1750-0547	Conduit flexible 1" from center cab dash to upper forward wall of L2.	\$461.00
1750-0548	Flexible 3/4" conduit with connectors. Location: officer side overhead to officer sid of forward vista medical cabinet .	\$461.00
1750-0550	Control push-button switch center dash upper tier offset to officer for Q2B brake.	\$100.00
1750-0551	Conduit flexible 1" from center cab dash to pump panel.	\$461.00
1750-0552	Battery charger Iota model DLS-75, 75 amp with IQ4 Smart Controller.	\$828.00
1750-0553	Relocate driver master power window controls to driver overhead and officer front window control to officer overhead.	\$582.00
1750-0554	FireTech LED/halogen cab headlights.	\$2,625.00
1750-0555	ROM Duro Lumen LED light model RO3853. Location: driver and officer rear cab ceiling outboard.	\$420.00
1800-0000	Cooling system for 2004 compliant engines, Typhoon only.	\$6,450.00
1800-0001	Cooling for EGR engines. Includes charge air cooler.	\$6,685.00
1800-0002	Conditioner Cooling System NalCool 2000	\$100.00
1800-0003	Coolant System Overflow Recovery System, CRS-150	\$581.00
1800-0005	Cooling system for use with Cyclone II X, Typhoon X, and Quest chassis. Includes coolant recovery system.	\$6,685.00
1800-0006	Remote coolant filter for engine cooling system (Cummins ISC and ISL engines only).	\$573.00
1800-0008	Cooling system Tier II OPTIONAL 125 DEGREE, no fan clutch available.	\$11,868.00
1800-0011	** USE 1800-0012 TIER III ENGINE COOLING SYSTEM STANDARD 115 DEGREE.	\$11,444.00
1800-0013	Cooling system for use with Cyclone II X, Typhoon X, and Quest chassis. For use with 2010 / 2013 / 2016 EPA engines. Includes coolant recovery system.	\$7,533.00
1800-0014	Cooling system for use with Cyclone II X Hush Mid Engine chassis. Includes coolant recovery system.	\$14,464.00
1800-0020	Cooling system for 98 EPA non-EGR engines. Includes charge air cooler.	\$6,685.00
1800-0021	Cooling system for use with Cyclone II Hush Mid Engine chassis. Includes coolant recovery system. For use with 2010 EPA engines.	\$15,310.00
1800-0022	Cooling system for use with Navistar MAXXFORCE MF10 2010 EPA engine in Cyclone II X, Typhoon X, and Quest chassis. Includes coolant recovery system.	\$8,566.00
1800-0023	Cooling for Pre-2004 export engines. Includes charge air cooler.	\$6,685.00
1800-0024	Ball valve drain for radiator ipo petcock valve.	\$117.00
1800-0025	Cooling system for use with Navistar MAXXFORCE MF13 2010 EPA engine in Cyclone II X and Quest chassis. Includes coolant recovery system.	\$10,624.00
1800-0026	Plug shall be installed in drain of radiator IPO petcock valve.	\$70.00
1800-0027	Cummins Compleat (blue) 50/50 pre-mixed antifreeze ipos.	\$295.00
1800-0028	Cooling system for use with Cyclone HS and Quest HS chassis. For use with 2013 / 2016 EPA engines.	\$7,533.00
1800-0029	Engine cooler. E-ONE chassis only. Requires control option for pump panel.	\$473.00
1800-0030	Shutoff valve (1) each side of optional coolant filter.	\$143.00
1979	Dealer installed generator - Space shall be provided for a Harrison 20KW MPC hydraulic generator. Dealer responsible for NFPA required 3rd party generator testing.	\$324.00
3000-0000	Body mainframe and hosebed side assemblies for a 80" high body.	\$0.00

Option No.	Description	PRICE
3000-0004	Diamond plate body for use with wide water tank, tandem axle chassis and driver side frame mounted pump. Includes driver and officer side forward lower body compartments (drivers narrow), framed wheel well area with diamond plate corners and flat back style rearend with 12" tailboard.	\$7,346.00
3000-0005	Diamond plate body for use with wide water tank, tandem axle chassis and individual SM pump module. Includes driver and officer side forward lower body compartments, framed wheel well area with diamond plate corners and flat back style rearend with 12" tailboard.	\$7,575.00
3000-0006	Diamond plate body for use with wide water tank, single axle chassis and driver side frame mounted pump. Includes driver and officer side forward lower body compartments (drivers narrow), framed wheel well area with diamond plate corners and boxed out style rear tailboard.	\$0.00
3000-0012	Diamond plate body for use with narrow water tank, tandem axle chassis with driver side under mount pump and officer side forward discharge/intake panel. Includes driver and officer side forward and rearward lower body compartments, framed wheel well area with diamond plate corners and flat back style rearend with 10" tailboard.	\$8,265.00
3000-0013	Diamond plate body for use with narrow water tank, under body pump and tandem axle chassis. Includes driver and officer side compartments forward of and rearward of tandem axle, framed wheel well area with diamond plate corners and flat back style rearend with 12" tailboard.	\$9,299.00
3000-0014	Diamond plate body for use with wide water tank, single axle chassis and driver side frame mounted pump. Includes driver and officer side forward lower body compartments (drivers narrow), framed wheel well area with diamond plate corners and flat back style rearend with 12" tailboard.	\$7,001.00
3000-0015	Diamond plate body for use with narrow water tank, tandem axle chassis with driver side under mount pump and officer side forward discharge/intake panel. Includes driver side forward and rearward lower body compartments, officer side (2) forward and (1) rearward lower body compartments, framed wheel well area with diamond plate corners and flat back style rearend with 12" tailboard.	\$8,265.00
3000-0016	Diamond plate body for use with narrow water tank, tandem axle chassis and driver side frame mounted pump with enclosed pump panel. Includes driver and officer side forward lower body compartments (drivers narrow), framed wheel well area with diamond plate corners and flat back style rearend with 12" tailboard. Oklahoma City.	\$9,265.00
3000-0017	Diamond plate body for use with wide water tank, single axle chassis and individual SM pump module. Includes driver and officer side forward lower body compartments, framed wheel well area with diamond plate corners and flat back style rearend with 12" tailboard.	\$10,734.00
3000-0018	Diamond plate body for use with wide water tank, single axle chassis and individual SM pump module. Includes driver and officer side forward lower body compartments, framed wheel well area with diamond plate corners and flat back style rearend with 12" tailboard.	\$10,734.00
3000-0019	Stainless Steel Body Construction. The compartment floors, front panels, vertical side sheets, rear walls, door openings, wheel wells, compartment panels, dividing walls, and reinforcements shall be constructed of 12 gauge 304L stainless steel material.	\$0.00
3000-0020	Wheel well compartment for (2) fire extinguishers, includes SS door painted job color. Available for any type of wheel well panel (each)	\$1,005.00
3000-0021	304L Stainless Steel formed body construction for Wetside tanker. Includes driver and officer side forward and rear lower body compartments and flat back style rearend with tailboard.	\$0.00

Option No.	Description	PRICE
3080-0000	Body aerial 95/CR100 CII/Quest medium cab without pump. 100" wide with L and R extended rescue style high sides and rear side staircases. 61" high body for 11'-10" OAH.	\$60,392.00

Includes driver and officer side forward lower body compartments (drivers narrow), framed wheel well area with diamond plate corners and flat back style rearend with 12" tailboard.	\$11,623.00
3080-0186	Diamond plate body for use with wide water tank, tandem axle chassis and individual SM pump module. Includes driver and officer side forward lower body compartments, framed wheel well area with diamond plate corners and flat back style rearend with 12" tailboard.	\$11,955.00
3080-0187	Smooth plate painted body for use with wide water tank, tandem axle chassis with driver side under mount pump and officer side forward discharge/intake panel. Includes driver and officer side forward and rearward lower body compartments, framed wheel well area with smooth plate corners and flat back style rearend with 12" tailboard.	\$14,482.00
3080-0188	HP95 MidMount center body without crosslays includes tank, 3/16" smooth plate compartment floors and wide ladder tunnel.	\$20,074.00
3080-0195	HP95 MidMount front body with pump and 3/16" smooth plate compartment floors (for use with DPF / SCR aftertreatment).	\$22,174.00
3080-0196	HP95 MidMount rear body with 3/16" smooth plate compartment floors, wide ladder tunnel and no hosebed or staircase.	\$32,852.00
3080-0197	HP95 MidMount front body with pump and 3/16" smooth plate compartment floors.	\$22,174.00
3080-0198	Body aerial HP75 / HP78 SideStacker Quest / CII / Typhoon with pump. Single axle. Includes 3/16" diamond plate floors for all compartments, pocket style drop down step at left rear staircase. The rear access doors to match the rear body finish.	\$51,198.00
3080-0199	Body aerial 95/CR100 CII/Quest medium cab without pump (187 C/A for use with DPF/SCR aftertreatment). 100" wide with L and R extended rescue style high sides and double beavertails. 63" high body for 12'-1" OAH.	\$60,392.00
3080-0200	Body aerial HP100 Platform 260" WB 80" cab without pump (180 C/A for use with DPF/SCR aftertreatment). 100" wide with L and R extended rescue style high sides, separate rear side compartments and rear side staircases. The door on small compt next to rear outrigger to match wheelwell.	\$59,786.00
3080-0201	Body aerial 95/CR100 medium cab without pump (187 C/A for use with DPF/SCR aftertreatment). 100" wide with L and R extended rescue style high sides and rear side staircases. Includes rear perimeter of body aft of rear jack legs raised 4" to improve angle of departure. 61" high body for 11'-10" OAH.	\$60,392.00
3080-0202	Body aerial HM100/110 ladder without pump (172 C/A for use with DPF/SCR aftertreatment). 100" wide with L and R extended rescue style high sides and double beavertails. 64" high body for 11'-2" +/-1" OAH. Requires troughed cab (if applicable).	\$68,005.00
3080-0204	Body aerial single axle LTH100 without pump (162 C/A for use with vertical SCR aftertreatment). 96" wide with L and R rescue style high sides and rear side staircases. Rear of body aft of rear jack legs raised 3". 61" high body. (10'-7" OAH with no wway, 10'10" OAH with wway).	\$61,683.00
3080-0207	Low profile cab stainless steel body aerial HP75 / HP78 SideStacker Quest / CII / Typhoon with pump, body lowered by 4" to 65" high. Single axle. Includes pocket style drop down step at left rear staircase. Includes full length of body right side hose bed. The rear access doors to match the rear body finish.	\$59,987.00
3080-0214	Anodes for water tank - (3) anodes located in bottom of water tank.	\$524.00
3080-0215	Body aerial HP75 / HP78 SideStacker Quest / CII / Typhoon with pump for industrial applications. Single axle. Includes extended R1 compt and pocket style drop down step at left rear staircase. The rear access door to match the rear body finish.	\$50,973.00

Option No.	Description	PRICE
3080-0216	Body aerial HM100/110 CII/Quest long cab ladder without pump (162.5" C/A for use with DPF/SCR aftertreatment). 100" wide with L and R extended rescue style high sides, L1 hydraulic oil reservoir and double beavertails. 64" high body for 11'-2" +/-1" OAH. Requires troughed cab (if applicable).	\$68,005.00
3080-0217	Body aerial HP100 ladder without pump (172 C/A for use with DPF/SCR aftertreatment). 100" wide tandem axle. (230" WB medium cab / 240" WB long cab). Includes L and R extended rescue style high sides, provisions for L1 hydraulic reservoir and double beavertails. 61" high body for low OAH. Requires troughed cab.	\$67,686.00
3080-0218	Body aerial HP100 ladder without pump (172 C/A for use with DPF/SCR aftertreatment). 100" wide tandem axle. (230" WB medium cab / 240" WB long cab). Includes L and R extended rescue style high sides and dual rear side staircases. 64" high body for 11'-9" OAH.	\$63,840.00
3080-0219	Body aerial single axle LTH100 without pump (162 C/A for use with vertical SCR aftertreatment). 100" wide with L and R rescue style extended high sides and rear side staircases. Rear of body aft of rear jack legs raised 3". 61" high body. (10'-7" OAH with no wway, 10'10" OAH with wway).	\$63,880.00
3080-0220	Body eMAX aerial HP75/78 with combined standard height front side compts and center hose bed. Configured for midship pump and 400-500 tank. Single axle 100" wide body.	\$48,415.00
3080-0224	Body aerial HM100/110 ladder without pump (172 C/A for use with DPF/SCR aftertreatment). 100" wide with L and R extended rescue style high sides and dual rear side staircases. 67" high body for 11'-5" OAH.	\$63,880.00
3080-0227	Body aerial HP100 Platform 250" WB 67.5/68 cab without pump (182" C/A for use with DPF/SCR aftertreatment). 100" wide with L and R extended rescue style high sides, seperate rear side compartments, upper 70" wide open storage beneath aerial and rear side staircases. Rear of body raised 4" for improved angle of departure. The doors on small compts next to rear outrigger to match wheelwell.	\$61,983.00
3080-0228	Body aerial HP75/78 SideStacker CII with pump. Single axle. 62" body height for low OAH applications. Includes pocket style drop down step at left rear staircase. The rear access doors to match the rear body finish.	\$50,973.00
3080-0229	Body aerial HP100 with 3" lower center hose bed body. Configured for midship pump and 450 tank. 100" wide body with 230" wheelbase tandem axle. Includes L and R extended rescue style high sides and double beavertails.	\$75,263.00
3080-0230	Body aerial HP100 Platform 250" WB 67.5/68 cab without pump (182" C/A for use with DPF/SCR aftertreatment). 100" wide with L and R extended rescue style high sides, compartments L2/R2 divided into upper and lower compartments(L2 lower 25" high opening/R2 lower 28" high opening), seperate rear side compartments, upper 70" wide open storage beneath aerial and rear side staircases. Rear of body raised 4" for improved angle of departure. The doors on small compts next to rear outrigger to match wheelwell.	\$61,983.00
3080-0231	Body aerial 95/CR100 medium cab without pump (187 C/A for use with DPF/SCR aftertreatment). 100" wide with L and R extended rescue style high sides and rear side staircases. 58" high body for 11'-7" +or-1" OAH. Requires troughed cab.	\$64,988.00
3080-0232	Body aerial HP100 ladder without pump (172 C/A for use with DPF/SCR aftertreatment). 100" wide tandem axle. (230" WB medium cab / 240" WB long cab). Includes L and R extended rescue style high sides, center front of body mounted aerial hydraulic reservoir and double beavertails. 61" high body for low OAH. Requires troughed cab.	\$67,686.00
3080-0234	Body aerial HP75 / HP78 with combined standard height front side compts, beavertail compts combined w/rear side compts and center hose bed. Configured for midship pump and 400-500 tank. Single axle 100" wide body. The rear turntable access door to match the rear body finish.	\$48,645.00

Option No.	Description	PRICE
3080-0235	Body aerial HP75 / HP78 SideStacker Quest / CII / Typhoon with pump for industrial applications. Single axle. Includes pocket style drop down step at left rear staircase. The rear access door(s) to match the rear body finish.	\$50,973.00
3080-0238	Body aerial HP100 Platform without pump (192 C/A for use with DPF/SCR after treatment). 100" wide with L and R extended rescue style high sides, left side combined rear compartment with rear side staircase, right side rear compartment IPO rear side staircase . The doors on small compartments next to rear outriggers to match wheel well.	\$60,392.00

3090-0000	Body Specs - SideStacker aerial with tandem axle. Includes left rear staircase with pocket style drop down step.	\$0.00
3090-0019	Body Specs - SideStacker aerial with tandem axle. Includes left rear staircase with pocket style drop down step and 3/16" smooth plate compartment floors.	\$1,428.00
3090-0021	Body Specs - Aerial with tandem axle. Includes dual rear staircases with pocket style drop down steps.	\$0.00
3090-0032	Body Specs - SideStacker eMAX aerial with tandem axle. Includes left rear staircase with pocket style drop down step.	\$0.00
3090-0033	Body Specs - Aerial with tandem axle. Includes left rear staircase with pocket style drop down step.	\$0.00
3090-0036	The unit has an bumper to bumper length restriction. The length is not to be exceeded. 40ft. 6in.	\$0.00
3090-0039	Body Specs - SideStacker 4 jack aerial with single axle. Includes left rear staircase with pocket style drop down step.	\$0.00
3092-0102	Sloped compartment floor. Compartment floor to be overlaid with a smooth aluminum plate that is sloped aprox 2 inches downward from the door opening to back of compartment in [#LOC]. Construction to be 3/16 aluminum.	\$125.00
3100-0000	Driver side body with full height 24" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$8,985.00

Option No.	Description	PRICE
3100-0001	Driver side body with full height 30" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$9,612.00
3100-0002	Driver side body with full height 36" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$10,297.00
3100-0003	Driver side body with full height 42" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,005.00
3100-0004	Driver side body with full height 48" wide forward and 48" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,773.00
3100-0006	Driver side body with upper and lower compartmentation. Includes 24" wide forward and 36" wide rearward lower compartments and (3) opening upper compartments.	\$9,434.00
3100-0007	Driver side body with upper and lower compartmentation. Includes 30" wide forward and 36" wide rearward lower compartments and (3) opening upper compartments.	\$10,061.00
3100-0008	Driver side body with upper and lower compartmentation. Includes 36" wide forward and 36" wide rearward lower compartments and (3) opening upper compartments.	\$10,733.00
3100-0009	Driver side body with upper and lower compartmentation. Includes 42" wide forward and 42" wide rearward lower compartments and (3) opening upper compartments.	\$11,454.00
3100-0010	Driver side body with upper and lower compartmentation. Includes 48" wide forward and 48" wide rearward lower compartments and (3) opening upper compartments.	\$12,224.00
3100-0011	Driver side body with upper and lower compartmentation. Includes 42" wide forward and 42" wide rearward lower compartments, (3) opening upper compartments with portable water tank storage with access door at rear.	\$11,796.00
3100-0012	Driver side body with upper and lower compartmentation. Includes 48" wide forward and 48" wide rearward lower compartments, (3) opening upper compartments with portable water tank storage with access door at rear.	\$12,590.00
3100-0013	Driver side body with full height 24" wide forward and 50" wide rearward extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$9,612.00
3100-0014	Driver side body with full height 30" wide forward and 50" wide rearward extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$10,244.00
3100-0015	Driver side body with full height 36" wide forward and 50" wide rearward extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$10,912.00
3100-0016	Driver side body with full height 42" wide forward and 56" wide rearward extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,633.00
3100-0017	Driver side body with full height 48" wide forward and 62" wide rearward extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,403.00
3100-0018	Driver side body with full height 24" wide forward and 50" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$9,902.00
3100-0019	Driver side body with full height 30" wide forward and 50" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$10,529.00

Option No.	Description	PRICE
3100-0020	Driver side body with full height 36" wide forward and 50" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,200.00
3100-0021	Driver side body with full height 42" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,922.00
3100-0022	Driver side body with full height 48" wide forward and 62" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,690.00
3100-0024	Driver side body with full height 36" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,005.00
3100-0025	Driver side body with full height 42" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,773.00
3100-0026	Driver side body with full height 48" wide forward and 48" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,597.00
3100-0049	Driver side body with full height 24" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and 30 degree rear body angle for greater angle of departure.	\$9,332.00
3100-0050	Driver side body with full height 30" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and 30 degree angle of departure.	\$9,960.00
3100-0051	Driver side body with full height 36" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and 30 degree rear body angle for greater angle of departure.	\$10,631.00
3100-0052	Officer half side body with 24" wide forward and 36" wide rearward compartmentation. Includes adjustable ladder tracks and 30 degree rear body angle for greater angle of departure.	\$4,841.00
3100-0053	Officer half side body with 30" wide forward and 36" wide rearward compartmentation. Includes adjustable ladder tracks and 30 degree rear body angle for greater angle of departure.	\$4,841.00
3100-0054	Stainless steel driver side body with full height 36" wide forward and 48" wide rearward compartmentation (interior). Includes (1) 60" wide compartment over the wheel well.	\$11,312.00
3100-0055	Stainless steel driver side body with full height 48" wide forward and 48" wide rearward compartmentation (interior). Includes (1) 60" wide compartment over the wheel well.	\$12,951.00
3100-0056	Stainless steel driver side body with full height 60" wide forward and 60" wide rearward compartmentation (interior). Includes (1) 60" wide compartment over the wheel well.	\$13,859.00
3100-0057	Body mainframe and upper body/hosebed side assemblies for a 85" high body.	\$0.00
3100-0059	Stainless steel driver side body with full height 48" wide forward and 60" wide rearward compartmentation (interior). Includes (1) 60" wide compartment over the wheel well.	\$13,599.00
3100-0060	Stainless Steel officer half side body with 36" wide forward and 48" wide rearward compartmentation (interior). Includes adjustable ladder tracks.	\$5,660.00
3100-0066	Driver side body with full height 60" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$13,480.00
3100-0067	Driver side body with upper and lower compartmentation. Includes 60" wide forward and 42" wide rearward lower compartments and (3) opening upper compartments.	\$13,078.00

Option No.	Description	PRICE
3100-0068	Driver side body with upper and lower compartmentation. Includes 60" wide forward and 42" wide rearward lower compartments, (3) opening upper compartments with portable water tank storage with access door at rear.	\$13,438.00
3100-0069	Driver side body with full height 60" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,597.00
3100-0074	Driver side body with full height 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$8,395.00
3100-0075	Driver side body with full height 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and 30 degree rear body angle for greater angle of departure.	\$8,744.00
3100-0076	Stainless steel driver side body with full height 36" wide forward and 48" wide rearward compartmentation (interior). Includes (1) 60" wide compartment over the wheel well.	\$11,312.00
3100-0077	Stainless steel driver side body with full height 48" wide forward and 48" wide rearward compartmentation (interior). Includes (1) 60" wide compartment over the wheel well.	\$12,951.00
3100-0078	Stainless steel driver side body with full height 60" wide forward and 60" wide rearward compartmentation (interior). Includes (1) 60" wide compartment over the wheel well.	\$13,859.00
3100-0079	Driver side body with full height 54" wide forward and 60" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. The compartment behind the wheel well has upper area for RM pump panel mounting.	\$18,281.00
3100-0080	Driver side body with full height 48" wide forward and 60" wide rearward compartmentation (interior). Includes (1) 60" wide compartment over the wheel well.	\$13,599.00
3100-0082	Stainless steel driver side body with full height 24" wide forward and 48" wide rearward compartmentation (interior). Includes (1) 60" wide compartment over the wheel well.	\$9,676.00
3100-0084	Stainless steel driver side body with full height 24" wide forward and 48" wide rearward compartmentation (interior). Includes (1) 60" wide compartment over the wheel well.	\$9,676.00
3100-0085	Driver half side body with 24" wide forward and 36" wide rearward compartmentation.	\$4,493.00
3100-0087	Driver half side body with 30" wide forward and 36" wide rearward compartmentation.	\$5,130.00
3100-0088	Officer half side stainless steel body with 36" wide forward and 48" wide rearward compartmentation (interior). Includes adjustable ladder tracks and brackets.	\$5,660.00
3100-0089	Driver half side body with 42" wide forward and 42" wide rearward compartmentation.	\$5,504.00
3100-0090	Driver half side body with 42" wide forward and 42" wide rearward compartmentation.	\$5,504.00
3100-0091	Driver side body with full height 60" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$13,480.00
3100-0092	Driver side body with full height 50" wide enhanced extended rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$9,312.00
3100-0093	Driver side body with full height 24" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$8,985.00
3100-0094	Driver side body with full height 30" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$9,612.00
3100-0095	Driver side body with full height 36" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$10,297.00

Option No.	Description	PRICE
3100-0096	Driver side body with full height 42" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,005.00
3100-0097	Driver side body with full height 48" wide forward and 48" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,773.00
3100-0098	Driver side body with upper and lower compartmentation. Includes 24" wide forward and 36" wide rearward lower compartments and (3) opening upper compartments.	\$9,434.00
3100-0099	Driver side body with upper and lower compartmentation. Includes 30" wide forward and 36" wide rearward lower compartments and (3) opening upper compartments.	\$10,061.00
3100-0100	Driver side body with upper and lower compartmentation. Includes 36" wide forward and 36" wide rearward lower compartments and (3) opening upper compartments.	\$10,733.00
3100-0101	Driver side body with upper and lower compartmentation. Includes 42" wide forward and 42" wide rearward lower compartments and (3) opening upper compartments.	\$11,454.00
3100-0102	Driver side body with upper and lower compartmentation. Includes 48" wide forward and 48" wide rearward lower compartments and (3) opening upper compartments.	\$12,224.00
3100-0103	Driver side body with upper and lower compartmentation. Includes 42" wide forward and 42" wide rearward lower compartments, (3) opening upper compartments with portable water tank storage with access door at rear.	\$11,796.00
3100-0104	Driver side body with upper and lower compartmentation. Includes 48" wide forward and 48" wide rearward lower compartments, (3) opening upper compartments with portable water tank storage with access door at rear.	\$12,590.00
3100-0105	Driver side body with full height 24" wide forward and 50" wide rearward extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$9,612.00
3100-0106	Driver side body with full height 30" wide forward and 50" wide rearward extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$10,244.00
3100-0107	Driver side body with full height 36" wide forward and 50" wide rearward extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$10,912.00
3100-0108	Driver side body with full height 42" wide forward and 56" wide rearward extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,633.00
3100-0109	Driver side body with full height 48" wide forward and 62" wide rearward extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,403.00
3100-0110	Driver side body with full height 24" wide forward and 50" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$9,902.00
3100-0111	Driver side body with full height 30" wide forward and 50" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$10,529.00
3100-0112	Driver side body with full height 36" wide forward and 50" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,200.00
3100-0113	Driver side body with full height 42" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,922.00

Option No.	Description	PRICE
3100-0114	Driver side body with full height 48" wide forward and 62" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,690.00
3100-0115	Driver side body with full height 36" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,005.00
3100-0116	Driver side body with full height 42" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,773.00
3100-0117	Driver side body with full height 48" wide forward and 48" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,597.00
3100-0118	Driver side body with full height 24in. wide forward and 36in. wide rearward compartmentation. Includes (1) 56in. wide compartment over the wheel well and 30 degree rear body angle for greater angle of departure.	\$9,332.00
3100-0119	Driver side body with full height 30" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and 30 degree rear body angle for greater angle of departure.	\$9,960.00
3100-0120	Driver side body with full height 36" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and 30 degree rear body angle for greater angle of departure.	\$10,631.00
3100-0121	Stainless steel driver side body with full height 36" wide forward and 48" wide rearward compartmentation (interior). Includes (1) 60" wide compartment over the wheel well.	\$11,312.00
3100-0122	Stainless steel driver side body with full height 48" wide forward and 48" wide rearward compartmentation (interior). Includes (1) 60" wide compartment over the wheel well.	\$12,951.00
3100-0123	Stainless steel driver side body with full height 60" wide forward and 60" wide rearward compartmentation (interior). Includes (1) 60" wide compartment over the wheel well.	\$13,859.00
3100-0124	Stainless steel driver side body with full height 48" wide forward and 60" wide rearward compartmentation (interior). Includes (1) 60" wide compartment over the wheel well.	\$13,599.00
3100-0125	Driver side body with full height 60" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$13,480.00
3100-0126	Driver side body with upper and lower compartmentation. Includes 60" wide forward and 42" wide rearward lower compartments and (3) opening upper compartments.	\$13,078.00
3100-0127	Driver side body with upper and lower compartmentation. Includes 60" wide forward and 42" wide rearward lower compartments, (3) opening upper compartments with portable water tank storage with access door at rear.	\$13,438.00
3100-0128	Driver side body with full height 60" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,597.00
3100-0129	Driver side body with full height 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$8,395.00
3100-0130	Driver side body with full height 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and 30 degree rear body angle for greater angle of departure.	\$8,744.00
3100-0131	Stainless steel driver side body with full height 36" wide forward and 48" wide rearward compartmentation (interior). Includes (1) 60" wide compartment over the wheel well.	\$11,312.00
3100-0132	Stainless steel driver side body with full height 48" wide forward and 48" wide rearward compartmentation (interior). Includes (1) 60" wide compartment over the wheel well.	\$12,951.00

Option No.	Description	PRICE
3100-0133	Stainless steel driver side body with full height 60" wide forward and 60" wide rearward compartmentation (interior). Includes (1) 60" wide compartment over the wheel well.	\$13,859.00
3100-0134	Stainless Steel Driver side body with full height 48" wide forward and 60" wide rearward compartmentation (interior). Includes (1) 60" wide compartment over the wheel well.	\$13,599.00
3100-0135	Driver side body with full height 60" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Top Mount eMAX Only.	\$13,480.00
3100-0136	Driver side tunnel to hold: Lower section (3) Backboards. Upper section (1) Divider full length of tunnel, bolted at rear of tunnel and held in place by a slot in the front of the tunnel for removability.	\$640.00
3100-0137	Driver side compartment top storage box. Box to be smooth plate and painted job color with diamond plate top. Box to have a rear vertically hinged door with push-button latch. Box to have diamond plate lids with push button latches.	\$1,909.00
3100-0138	Driver side body with upper and lower compartmentation. Includes 24" wide forward and 36" wide rearward lower compartments and (2) opening upper compartments.	\$9,434.00
3100-0139	Compartment L1 to have rescue style interior compartment depth and height.	\$1,526.00
3100-0140	Driver side 36"/48" assembly. Includes upper and lower compartments with diamond plate compartment top. Upper area is for storage of hardsuction rack (not included).	\$12,586.00
3100-0142	Driver side body with full height 42" wide forward and 48" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and upper area for recessed pike pole storage.	\$11,005.00
3100-0143	Driver side body with full height 52" wide forward and 52" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,597.00
3100-0144	Driver side body with full height 36" wide forward and 50" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,200.00
3100-0145	Driver side body with full height 30" wide forward and 50" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$10,529.00
3100-0146	Driver side body with full height 24" wide forward and 50" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$9,902.00
3100-0148	Driver side body with full height 42" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,872.00
3100-0149	Driver side body with full height 36" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,773.00
3100-0151	Driver side body with 42" wide x 38" high wide forward lower compartmentation and 42" wide x 26.75" high forward upper compartmentation. 42" wide full height rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,952.00
3100-0152	Driver side body with full height 36" wide forward and 50" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,907.00
3100-0153	Driver side body with full height 42" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,677.00
3100-0154	Driver side body with full height 48" wide forward and 62" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$13,502.00

Option No.	Description	PRICE
3100-0155	Driver side body with full height 60" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$14,384.00
3100-0156	Driver side body with full height 30" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Front and rear compartment opening height to be 66.75" high.	\$10,290.00
3100-0157	Driver side body with upper and lower compartmentation. Includes 42" wide forward and 42" wide rearward lower compartments and (3) opening upper compartments.	\$11,005.00
3100-0158	Portable water tank storage with access door at rear. Includes composite material overlay and door ajar switch.	\$793.00
3100-0159	Driver side body with full height 42" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel and access door at rear.	\$15,596.00
3100-0160	Driver side body with full height 30" wide forward and 50" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,191.00
3100-0161	Driver side body with 42" wide x 30" high wide forward lower compartmentation and 42" wide x 34.75" high forward upper compartmentation. 42" wide full height rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$14,188.00
3100-0162	2-Arm Ladder Rack. The ladder rack includes amber lights on each end to visually indicate when the rack is in motion. Ladder rack to hold storage box with (1) vertically hinged rearward and (2) horizontally hinged outboard (when ladder rack in the down position) diamond plate doors with push button latches. The outboard horizontally hinged door(s) to have chains set to open at approx 160 degrees. Forward section of the box to hold (2) backboards and the rearward section to hold (1) stokes basket.	\$18,476.00
3100-0163	Driver side body with full height 50" wide forward and 50" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,677.00
3100-0164	Driver side body with full height 56" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$13,502.00
3100-0165	Driver side body with full height 62" wide forward and 62" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$14,323.00
3100-0166	Driver side tunnel to hold: [#LOC].	\$640.00
3100-0167	Driver side body with full height 62" wide forward and 62" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$13,465.00
3100-0168	Driver side body with full height 30" wide forward and 50" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well. Rear compartment to be pumper style enhanced extended (shallow upper and deep lower compartmentation).	\$13,046.00
3100-0169	Overhead Ladder Rack to be offset rearward includes shifting compartment (forward) over the wheel well.	\$0.00
3100-0170	Driver side body with 62" wide full height forward enhanced extended compartment, 36" wide half height second forward compartment and 50" wide half height rearward compartmentation.	\$18,556.00
3100-0171	Driver side body with full height 24" wide forward and 50" wide rearward extended compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack.	\$16,167.00
3100-0172	Driver side body with full height 24" wide forward and 56" wide rearward extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$10,485.00

Option No.	Description	PRICE
3100-0173	Driver side body with full height 24" wide forward and 50" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well. Rear compartment to be pumper style enhanced extended (shallow upper and deep lower compartmentation).	\$13,862.00
3100-0174	Driver side body with upper and lower compartmentation. Includes 36" wide forward and 50" wide rearward extended lower compartments and (3) opening upper compartments.	\$15,763.00
3100-0175	Driver side body with full height 36" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel.	\$13,922.00
3100-0176	Driver side body with full height 36" wide forward and 50" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel.	\$14,825.00
3100-0177	Driver side body with full height 42" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel.	\$14,691.00
3100-0178	Driver side body with full height 42" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel.	\$15,596.00
3100-0179	Driver side body with full height 48" wide forward and 48" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel.	\$15,515.00
3100-0180	Driver side body with full height 48" wide forward and 62" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel.	\$16,420.00
3100-0181	Driver side body with full height 60" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel.	\$16,399.00
3100-0182	Driver side body with full height 60" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel.	\$17,299.00
3100-0183	Driver side body with full height 36" wide forward and 50" wide rearward enhanced extended compartmentation (2008 body design) with (1) 56" wide compartment over the wheel well.	\$17,286.00
3100-0184	Driver side internal portable tank storage to be set-up for: [#LOC]	\$0.00
3100-0185	Driver side body with full height 20" wide forward and 50" wide rearward extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$9,400.00
3100-0186	Driver side upper body extension. Does not include any external doors. External framework and platework only. Platework shall be recessed.	\$2,219.00
3100-0187	Stainless steel driver side body with full height 30" wide forward and 40" wide rearward compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$25,129.00
3100-0188	Stainless steel driver side body with full height 40" wide forward and 40" wide rearward compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$26,522.00
3100-0189	Stainless steel driver side body with full height 48" wide forward and 40" wide rearward compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$27,289.00
3100-0190	Stainless steel driver side body with full height 30" wide forward and 58" wide rearward enhanced extended compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$26,045.00

Option No.	Description	PRICE
3100-0191	Stainless steel driver side body with full height 40" wide forward and 58" wide rearward enhanced extended compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$27,438.00
3100-0192	Stainless steel driver side body with full height 48" wide forward and 58" wide rearward enhanced extended compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$28,207.00
3100-0194	Stainless steel driver side body with full height/full depth 48" wide forward and 40" wide rearward compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$27,289.00
3100-0195	Driver 3/4 side body with full height 36" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$6,428.00
3100-0196	Driver half side body with (2) forward compartments (48" and 30" wide) and one rearward area for locating of side tank dump.	\$5,011.00
3100-0197	Driver half side body with (2) forward compartments (48" and 30" wide) and (1) rearward compartment (24").	\$5,897.00
3100-0198	Driver 3/4 side body with (2) lower forward compartments (48" and 30" wide), (3) upper compartments (54") and one lower rearward area for locating of side tank dump.	\$6,930.00
3100-0199	Driver 3/4 side body with (2) lower forward compartments (48" and 30" wide), (3) upper compartments (54") and (1) lower rearward compartment (24").	\$7,810.00
3100-0201	Driver full height side body with (2) lower forward compartments (48" and 30" wide), (3) upper compartments (54") and one lower rearward area for locating of side tank dump.	\$8,850.00
3100-0202	Driver full height side body with (2) lower forward compartments (48" and 30" wide), (3) upper compartments (54") and (1) lower rearward compartment (24").	\$9,731.00
3100-0203	Driver full height side body with (2) full height, rescue style, forward compartments (48" and 30" wide), (1) upper compartment (61" and offset rearward of the rack opening) and one lower rearward area for locating of side tank dump.	\$8,850.00
3100-0204	Driver full height side body with (2) full height, rescue style, forward compartments (48" and 30" wide), (1) upper compartment (61" and offset rearward of the rack opening) and (1) lower rearward compartment (24").	\$9,731.00
3100-0207	Driver full height side body with (2) lower forward compartments (48" and 30" wide), (3) upper compartments (54") with rear compartment face access door for portable tank storage and one lower rearward area for locating of side tank dump.	\$10,249.00
3100-0208	Driver full height side body with (2) lower forward compartments (48" and 30" wide), (3) upper compartments (54") with rear compartment face access door for portable tank storage and (1) lower rearward compartment (24").	\$11,128.00
3100-0209	Driver side body with full height 24" wide forward and 50" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$10,477.00
3100-0210	Driver full height side body with (2) full height, rescue style, forward compartments (48" and 30" wide), (2) upper compartment (40" wide) and (1) lower rearward compartment (24").	\$9,731.00
3100-0211	Driver full height side body with (2) full height, rescue style, forward compartments (48" and 30" wide), (2) upper compartments (40" wide) and one lower rearward area for locating of side tank dump.	\$8,850.00
3100-0212	(1) driver side roof top compartments with extra width to inboard side. Includes hinged raised compartment lid with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. The lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$5,466.00
3100-0213	Stainless steel driver side body with full height 48" wide forward and 48" wide rearward compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$28,114.00

Option No.	Description	PRICE
3100-0214	Stainless steel driver side body with full height 54" wide forward and 54" wide rearward compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$29,122.00
3100-0215	Stainless steel driver side body with full height 60" wide forward and 60" wide rearward compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$30,130.00
3100-0216	Compartment L1 to be 48.75" high in full depth lower area due to pipe routing for deck gun in hosebed storage pan.	\$577.00
3100-0218	Driver side storage tunnel to hold (2) 6" x 10' hard suction hoses.	\$1,988.00
3100-0219	Driver half side body with 42" wide forward and 42" wide rearward compartmentation. Includes adjustable ladder tracks.	\$5,504.00
3100-0220	Overhead Ladder Rack to be offset forward includes shifting compartment (rearward) over the wheel well.	\$609.00
3100-0221	Driver half side tandem body with 30" wide forward and 30" wide rearward compartmentation.	\$7,519.00
3100-0222	Driver half side tandem body with 42" wide forward and 42" wide rearward compartmentation.	\$8,214.00
3100-0223	Driver half side tandem body with 60" wide forward and 54" wide rearward compartmentation.	\$9,013.00
3100-0224	Driver 3/4 side tandem body with full height 30" wide forward and 30" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well.	\$8,707.00
3100-0225	Driver 3/4 side tandem body with full height 42" wide forward and 42" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well.	\$9,574.00
3100-0226	Driver 3/4 side tandem body with full height 60" wide forward and 54" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well.	\$10,570.00
3100-0227	Driver side tandem body with upper and lower compartmentation. Includes 30" wide forward and 30" wide rearward compartments and (4) opening upper compartments.	\$12,756.00
3100-0228	Driver side tandem body with upper and lower compartmentation. Includes 42" wide forward and 42" wide rearward compartments and (4) opening upper compartments.	\$14,150.00
3100-0229	Driver side tandem body with upper and lower compartmentation. Includes 60" wide forward and 54" wide rearward compartments and (4) opening upper compartments.	\$15,773.00
3100-0230	Driver side tandem body with upper and lower compartmentation. Includes 30" wide forward and 30" wide rearward compartments and (4) opening upper compartments. Includes overhead rack opening centered between upper compartments.	\$13,265.00
3100-0231	Driver side tandem body with upper and lower compartmentation. Includes 42" wide forward and 42" wide rearward compartments and (4) opening upper compartments. Includes overhead rack opening centered between upper compartments.	\$14,714.00
3100-0232	Driver side tandem body with upper and lower compartmentation. Includes 60" wide forward and 54" wide rearward compartments and (4) opening upper compartments. Includes overhead rack opening centered between upper compartments.	\$16,403.00
3100-0233	Driver side tandem body with full height 30" wide forward and 30" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well.	\$12,309.00
3100-0234	Driver side tandem body with full height 42" wide forward and 42" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well.	\$13,701.00
3100-0235	Driver side tandem body with full height 60" wide forward and 54" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well.	\$15,292.00
3100-0236	Driver side tandem body with full height 30" wide forward and 30" wide rearward compartmentation. Includes (2) 42" wide compartments over the wheel well and overhead rack opening centered between upper compartments.	\$12,799.00

Option No.	Description	PRICE
3100-0237	Driver side tandem body with full height 42" wide forward and 42" wide rearward compartmentation. Includes (2) 42" wide compartments over the wheel well and overhead rack opening centered between upper compartments.-	\$14,247.00
3100-0238	Driver side tandem body with full height 60" wide forward and 54" wide rearward compartmentation. Includes (2) 42" wide compartments over the wheel well and overhead rack opening centered between upper compartments.	\$15,904.00
3100-0239	Driver side body with full height 36" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$10,297.00
3100-0240	Driver side body with full height 42" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,005.00
3100-0241	Driver side body with upper and lower compartmentation. Includes 36" wide forward and 36" wide rearward lower compartments and (3) opening upper compartments.	\$10,733.00
3100-0242	Driver side body with upper and lower compartmentation. Includes 42" wide forward and 42" wide rearward lower compartments and (3) opening upper compartments.	\$11,454.00
3100-0243	Driver side body with full height 42" wide forward and 50" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,535.00
3100-0244	Driver half side tandem body with with 42" wide forward and one rearward area for locating of side tank dump rearward of the wheel well.	\$8,502.00
3100-0245	Driver side body with full height 60" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Side Mount eMAX only.	\$13,480.00
3100-0246	Driver side body with upper and lower compartmentation. Includes 36" wide forward and 31" wide rearward lower compartments and (2) opening upper compartments.	\$10,733.00
3100-0247	Driver side body with full height 46" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well. L1 compartment to be Rescue Pumper style individual compartments.	\$14,075.00
3100-0248	Driver side body with full height 50" wide forward and 50" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$13,480.00
3100-0249	Driver side body with full height 36" wide forward and 50" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$10,733.00
3100-0250	Driver side body with full height 60" wide forward and 62" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$14,824.00
3100-0251	Driver side body with full height 60" wide forward and 42" wide rearward compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Portable Tank Rack. Rack to hold (1) 3000 gallon portable tank.	\$18,788.00
3100-0252	Driver side body with full height 42" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$13,251.00
3100-0253	Driver full height side body with (3) full height, rescue style, forward compartments (39" and 39" wide and rearward of wheel well 24" wide),(1) upper compartment over the wheel well 56" wide.	\$9,812.00
3100-0254	Driver side body with upper and lower compartmentation. Includes 48" wide forward and 62" wide enhanced extended rearward lower compartments and (3) opening upper compartments.	\$13,344.00

Option No.	Description	PRICE
3100-0255	Driver side body with full height 42" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack.	\$19,690.00
3100-0256	Zico ladder rack to be tested. After testing ladder rack to be disassembled and repackaged for shipping.	\$427.00
3100-0257	Driver side body with full height 36" wide forward and 50" wide rearward enhanced extended compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack.	\$17,754.00
3100-0258	Driver extruded half side tandem body with 74" wide forward and 34" wide rearward compartmentation. For use with wetside narrow tank application.	\$5,468.00
3100-0259	Driver side diamond plate roof top compartment. Includes smooth plate painted vertical hinged access door at the rear with push button latch to be wired to door ajar indicator in cab.	\$1,592.00
3100-0260	Driver side body with full height 36" wide forward and 45" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,820.00
3100-0261	Driver side body with full height 19.5" wide forward and 31" wide rearward compartmentation. Includes (1) 40" wide compartment over the wheel well.	\$9,902.00
3100-0262	Driver side body with full height 32" wide forward and 50" enhanced extended rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$9,317.00
3100-0263	Driver side body with full height 54" wide forward and 48" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Side Mount eMAX only.	\$12,636.00
3100-0264	Driver side body with full height 26" and 56" wide forward compartments and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Side Mount eMAX only.	\$14,885.00
3100-0265	Driver side diamond plate roof top compartment. Includes (2) hinged lift-up access doors with turn latches and grab handle(s) and (1) vertical hinged access door at the rear with push button latch to be. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$2,292.00
3100-0266	Driver side body with full height/full depth 60" wide front and 54" wide rear compartment. Includes (1) 60" wide compartment over the wheel well. Side mount SS eMAX only.	\$16,447.00
3100-0267	Driver side tandem body with upper and lower compartmentation. Includes 60" wide forward and 54" wide rearward compartments and (1) opening forward upper compartment with painted panels rearward.	\$16,880.00
3100-0268	Left Side Exterior Compartments. L1, 60" wide x 63" high x 48" deep (over frame) full height with vertically hinged doors. L2, 58" wide x 63" high x 27.5" deep (over frame) full height with vertically hinged doors. L3, 60" wide x 33" high x 27.5" deep full height with vertically hinged doors. L4, 50" wide x 63" high x 27.5" deep (over frame) full height with vertically hinged doors.	\$7,622.00
3100-0269	Driver side body with full height 44" wide forward and 48" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Side Mount eMAX only.	\$12,192.00
3100-0270	Rear aluminum smooth plate painted job color vertical hinged door on driver side roof top compartments. Includes thumb latch and wiring for door ajar switch.	\$220.00
3100-0271	Stainless steel driver side body with full height/full depth 36" wide front and 48" rear for reverse hinge compartment L1 door. Includes 54" wide compartment above rear wheels.	\$28,735.00
3100-0272	Stainless steel driver side body with 76" full height interior, 48" wide forward and 40" wide rearward compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$27,432.00

Option No.	Description	PRICE
3100-0273	Driver side roof top compartment contents: (2) 6" x 10' hard suction hoses (not included) stored vertical. Includes vertical partition around hard suction hoses.	\$1,088.00
3100-0274	Driver side body with full height 36" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well. Rescue Pumper individual style compartments.	\$14,016.00
3100-0275	Driver side tandem body with upper and lower compartmentation. Includes 30" wide forward and 54" wide rearward compartments and (4) opening upper compartments. Includes offsetting upper compartments forward due to deck gun location and access panel on upper rear compartment face to deck gun piping.	\$14,158.00
3100-0276	(1) driver side roof top compartment forward of hard suction storage area and (2) roof top compartments over hard suction storage area. Includes hinged raised compartment lids with turn latches and grab handle(s). The lids to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab. Includes partition between roof top compartment and hard suction storage area. Floor to be provided above the hard suction storage area to use remaining area above.	\$3,014.00
3100-0277	Driver side tandem body with 60" wide forward and 54" wide rearward compartmentation. Forward compartment to be full height, rearward to be half height.	\$11,106.00
3100-0278	Driver side body with full height 26" and 56" wide forward compartments and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel. Side Mount eMAX only.	\$17,767.00
3100-0279	Driver side body with full height 54" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Side Mount eMAX only.	\$12,192.00
3100-0280	Driver side roof top assembly. Does not include external upper doors or internal platework. External framework and platework only.	\$1,599.00
3100-0281	Driver side body with full height 36" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and 30 degree rear body angle for greater angle of departure. L1 compartment to be Rescue Pumper style individual compartments.	\$12,156.00
3100-0282	Driver full height side body with 66" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. For use with custom chassis only.	\$10,004.00
3100-0283	Driver half side body with (2) forward compartments (48" and 30" wide) and one rearward area for locating of side tank dump. Includes (1) 20" wide compartment above the lower forward compartment.	\$5,503.00
3100-0285	Driver side tandem body with full height 42" wide forward and 59" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well.	\$15,589.00
3100-0286	Driver side body with upper and lower compartmentation. Includes 36" wide forward and 42" wide rearward lower compartments and (3) opening upper compartments.	\$11,094.00
3100-0287	Driver side body with 19.5" wide forward and 31" wide rearward compartmentation. Includes (1) 40" wide compartment over the wheel well.	\$9,902.00
3100-0288	Stainless steel driver side body with full height 54" wide front and 54" rear with reduced upper depth for "T" tank. Includes 54" wide compartment over rear wheels.	\$28,551.00
3100-0289	Stainless steel driver side body with full height 48" wide forward and 70" wide rearward enhanced extended compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$30,322.00

Option No.	Description	PRICE
3100-0290	Driver side body with full height 48" wide forward and 48" wide rearward compartmentations. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel. Tunnel to be behind L2 and L3 compartments only. L1 compartment to be full depth, full height with notch in upper rearward wall and boxed in cover for hard suction.	\$17,068.00
3100-0291	Driver side body with full height 48" wide forward and 48" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel. Tunnel to be behind L2 and L3 compartments only. L1 compartment to be full depth, full height with notch in upper rearward wall and boxed in cover for hard suction.	\$17,073.00
3100-0292	Stainless steel driver side body high side 60" front and 60" rear. Five compartments, tandem axle. For use with single arm overhead portable tank rack.	\$18,980.00
3100-0293	Driver side tandem body with upper and lower compartmentation. Includes 30" wide forward and 54" wide rearward compartments and (4) opening upper compartments. Includes offsetting upper compartments forward due to deck gun location and access panel on upper rear compartment face to deck gun piping.	\$14,158.00
3100-0294	Driver side standard width roof top compartment contents: (2) 6" x 10' hard suction hoses (not included) stored vertical. The hard suction storage shall have a front wall which will prevent the hoses from sliding too far forward while also creating a full depth coffin storage area forward of the wall if applicable.	\$346.00
3100-0295	Driver side body with full height 26" and 56" wide forward compartments and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well for top mount application.	\$14,885.00
3100-0296	Driver side body with full height 26" and 56" wide forward compartments and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel.	\$17,767.00
3100-0298	Stainless steel driver side short Boston style body with low height 36" front and 40" rear and (2) lift-up doors above. Includes 60" wide fender panel. For use with optional suicide hinged L1 door.	\$27,587.00
3100-0299	Driver side tandem body with full height (1) 60" wide forward and (1) 60" wide rearward compartmentation. For use with Rear Mount pump.	\$18,931.00
3100-0300	Driver side body with full height/full depth 60" wide front and 54" wide rear compartment. Includes (1) 60" wide compartment over the wheel well. Top mount SS eMAX only.	\$16,447.00
3100-0301	Stainless steel driver side body with full height 60" wide forward and 60" wide rearward compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$33,432.00
3100-0302	Stainless steel driver side body with full height 48" wide forward and 58" wide rearward enhanced extended compartmentation. Includes (1) 60" wide compartment over the wheel well. Body interior height is 76" high.	\$29,263.00
3100-0303	Stainless steel driver side body with full height 48" wide forward and 54" wide rearward compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$28,207.00
3100-0304	Driver side tandem body with (2) 34" wide forward and 54" wide rearward compartmentation. Forward compartments to be full height, rearward to be half height.	\$12,373.00
3100-0305	(1) driver side roof top compartment (no divider). Includes (2) hinged raised compartment lids with turn latches and grab handle(s). Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$2,735.00
3100-0306	(2) driver side roof top compartments with removable floors and extra width to inboard side. Includes hinged raised compartment lids with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$6,818.00

Option No.	Description	PRICE
3100-0307	(2) Driver side roof top compartments. Includes hinged raised aluminum smooth plate with black Scorpion coating (IPOS diamond plate) compartment lids with turn latches and grab handle(s). Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$3,084.00
3100-0308	Driver side body with full height 60" wide forward and 54" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well. Top mount SS eMAX only.	\$20,005.00
3100-0309	Driver side body with full height 30" and 60" wide forward compartments and 54" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well. Side mount SS eMAX only.	\$18,160.00
3100-0310	Driver side body with full height 30" and 60" wide forward compartments and 54" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well, and a storage tunnel. Side mount SS eMAX only.	\$21,676.00
3100-0311	Driver side body with full height 30" and 60" wide forward compartments and 54" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well. Top mount SS eMAX only.	\$18,160.00
3100-0312	Driver side body with full height 30" and 60" wide forward compartments and 54" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well, and a storage tunnel. Top mount SS eMAX only.	\$21,676.00
3100-0313	Driver side body with full height 50" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Rear perimeter or body raised 3" for improved departure angle. Side Mount eMAX only.	\$12,192.00
3100-0314	Driver full height side body with upper and lower compartmentation. Includes 42" wide forward and 56" wide rearward lower enhanced compartmentation and (3) opening upper compartments. For use with ladder storage in the hosebed	\$11,922.00
3100-0315	Driver side body with 19.5" wide forward and 31" wide rearward compartmentation. Includes (1) 40" wide compartment over the wheel well. Compartment tops raised approximately 6" to match hosebed height.	\$10,465.00
3100-0316	Stainless steel driver side body with rescue style full height 30" front, 40" rear and 60" wide fender panel L2 compartment. For use with suicide hinged L1 door (if applicable).	\$27,587.00
3100-0317	Horizontal partition located in driver side roof top compartment over DOT bottles. Floor to be provided above the DOT bottles to use remaining area above.	\$956.00
3100-0318	Driver side body with full height 48" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$13,502.00
3100-0319	Driver side roof top compartment contents: (1) 10' hard suction hose (not included) stored horizontal. Includes stop bracket rearward of hard suction hoses and Nylatron compartment flooring.	\$548.00
3100-0320	(2) driver side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab. Compartment lid construction shall be aluminum smooth plate IPO diamond plate painted Black Scorpion (rough finish).	\$5,881.00
3100-0321	Driver side body with upper and lower compartmentation. Includes 42" wide forward and 42" wide rearward lower compartments, (3) opening upper compartments with portable water tank storage with access door at rear. Smooth plate compartment top painted black durabak.	\$12,295.00
3100-0322	Driver 3/4 side body with (3) full height, rescue style, (2) forward compartments (48" and 30" wide) and (1) rearward compartment (24"). Includes (1) 56" wide compartment over the wheel well.	\$8,276.00

Option No.	Description	PRICE
3100-0323	Driver 3/4 side tandem stainless steel body with 35" front and 35" rear for flat back body design. Includes (2) 42" wide compartments over rear tandem wheels, with side dump valve between.	\$12,333.00
3100-0324	Driver side roof top compartment. Includes vertically hinged access door at the rear with push button latch to be wired to door ajar indicator in cab.	\$1,592.00
3100-0325	(2) driver side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (2) bracket mounted LED lights and to be wired to door ajar indicator in cab.	\$5,562.00
3100-0326	Driver side tandem body with upper and lower compartmentation. Includes 30" wide forward and 30" wide rearward compartments and (4) opening upper compartments.	\$13,575.00
3100-0327	Driver side body with full height 50" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Rear perimeter or body raised 3" for improved departure angle.	\$12,192.00
3100-0328	Driver side upper body extension. Stainless Steel product only. Does not include external upper doors. External platework only and painted FRP covering.	\$1,376.00
3100-0329	Stainless steel driver side body with full height 48" wide forward and 48" wide rearward compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$28,828.00
3100-0330	Driver 1/2 side tandem stainless steel tanker body with 60" front and 60" rear for flat back body design. Includes (2) 55" wide tandem wheel fender panels.	\$14,031.00
3100-0331	Driver side body with full height 24" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Rear bottom corner of truck will be angled 30 degrees for a greater rear angle of departure.	\$10,236.00
3100-0332	Driver side body with full height 36" wide forward and 62" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,792.00
3100-0333	Driver full height side body with 36" wide forward and 48" wide rearward compartmentation. Includes (2) 38" wide compartments over the wheel well and one forward area for side tank dump. For use with custom chassis only.	\$10,227.00
3100-0334	Driver side tandem body with full height 30" wide forward and 30" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well.	\$13,407.00
3100-0335	Driver side body with full height 48" wide forward and 48" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Compartment material to be 5083-H321.	\$13,369.00
3100-0336	Driver full height side body with 42" wide and 20" wide forward compartments and 42" wide rearward compartment. Includes (1) 56" wide compartments over the wheel well. For use with custom chassis only.	\$10,227.00
3100-0337	Driver side body with full height 48" wide forward and 54" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,823.00
3100-0338	Driver side body with full height 48" wide forward and 48" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,597.00
3100-0339	Driver 3/4 side body with upper and lower compartmentation. Includes 42" wide forward and 42" wide rearward lower compartments and (2) opening upper compartments.	\$7,328.00

Option No.	Description	PRICE
3100-0340	Driver side ERV body with full height 37" forward and 52" rearward. Includes (1) 56" wide compartment over the wheel well. Includes (2) roof top compartments with hinged raised lids with thumb latches, grab handle(s), and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$19,568.00
3100-0341	Driver side body with full height 24" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$10,236.00
3100-0342	Driver side body with full height 38" wide forward and 56" wide rearward compartment. Includes (1) 56" wide compartment over the wheel well.	\$12,677.00
3100-0343	(2) Driver side roof top compartments. Includes hinged raised compartment lids with thumb latches and grab handle(s). Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$2,735.00
3100-0344	Driver half side tandem body with (2)41" wide forward and (2)32" wide rearward compartmentation.	\$12,174.00
3100-0345	Stainless steel driver side body with full height 48" wide forward and 54" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$12,248.00
3100-0346	Stainless steel driver side body with full height 40" wide forward and 40" wide rearward compartmentation with reduced upper depth. Includes (1) 60" wide compartment over the wheel well.	\$9,987.00
3100-0347	Stainless steel driver side body with full height/full depth 40" wide forward and 48" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$27,289.00
3100-0348	Driver side body with 42" wide full height forward and 42" wide lower rearward lower compartments and (2) opening upper compartments. Includes offsetting upper compartments forward due to deck gun location and side facing access panels for deck gun piping.	\$11,454.00
3100-0349	Driver side roof top compartment contents: (1) 12'-14'+ hard suction hose (not included) stored horizontal. Includes Nylatron compartment flooring. Length of capacity depends on body configuration.	\$638.00
3100-0350	Notch compartment L1 in forward ceiling area to allow for hose bed preconnect piping to route down into pump module.	\$419.00
3100-0351	Driver side body with full height 48" wide forward and 62" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,690.00
3100-0352	Stainless steel driver side body with full height 48" wide forward and 58" wide rearward enhanced extended compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$29,263.00
3100-0354	Driver side body with full height 54" wide forward and 48" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Top Mount eMAX Only.	\$12,636.00
3100-0355	(2) driver side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to be wired to door ajar indicator in cab.	\$5,330.00
3100-0356	(2) driver side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$5,466.00
3100-0357	Driver 3/4 height side body with 20" wide and 42" wide forward compartments and 42" wide rearward compartment. Includes (1) 56" wide compartments over the wheel well. For use with custom chassis only.	\$8,231.00
3100-0358	Driver side body with full height 42" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$13,251.00

Option No.	Description	PRICE
3100-0359	Stainless steel driver side tanker body high side 52" front and 52" rear rescue style, with Lord/coil spring torsion style body mounts. Four compartments, tandem axle.	\$21,183.00
3100-0360	Stainless steel driver side special tall body with full height 40" wide forward and 58" wide rearward enhanced extended compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$28,207.00
3100-0361	Stainless steel driver side body with full height/full depth 48" wide forward and 48" wide rearward compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$28,828.00
3100-0362	Driver side body with full height 50" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Rear perimeter of body raised 4" for improved departure angle.	\$11,764.00
3100-0363	Driver side body with full height 42" wide forward and 54" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,773.00
3100-0364	Stainless steel driver side body with full height 40" wide forward and 58" wide rearward enhanced extended compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$27,988.00
3100-0365	Driver 3/4 side body with full height 24" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$5,617.00
3100-0366	(2) driver side roof top compartments. Includes hinged raised compartment lids with slam style D-ring latches and no grab handles. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$2,866.00
3100-0367	Driver side body with upper and lower compartmentation. Includes 42" wide forward and 42" wide rearward lower compartments and (2) opening upper compartments.	\$11,454.00
3100-0368	Driver side body with full height 26" and 30" wide forward compartments and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Side Mount eMAX only.	\$14,885.00
3100-0369	Driver side body with full height 60" wide forward and 42" wide rearward compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Portable Tank Rack. Rack to hold (1) 2100 gallon portable tank.	\$18,788.00
3100-0370	Driver side body with full height 42" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,555.00
3100-0371	Stainless steel driver side body with full height 40" wide forward and 58" wide rearward extended compartmentation. Includes (1) 60" wide compartment over the wheel well	\$27,694.00
3100-0372	Driver side smooth plate roof top compartment and paited black Durabak. Includes smooth plate vertically hinged access door at the rear with push button latch and painted job color to be wired to door ajar indicator in cab.	\$1,990.00
3100-0373	(2) driver side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) Amdor LED strip light and to be wired to door ajar indicator in cab.	\$6,243.00
3100-0374	Driver side roof top compartment contents: (2) 6" x 10' hard suction hoses (not included) stored horizontal side by side. Includes stop bracket rearward of hard suction hoses and partition over the hard suction hoses.	\$1,088.00
3100-0375	(2) driver side roof top compartments. Includes hinged raised compartment lids with turn latches and grab handle(s). Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab. Includes fixed floor with hard suction storage below accessible through hinged rear panel access door with bent D-ring latch.	\$3,599.00

Option No.	Description	PRICE
3100-0376	Stainless steel driver side body with full height 34" wide forward and 48" wide rearward compartmentation and reduced upper depth for storage tunnel. Includes (1) 60" wide compartment over the wheel well.	\$28,399.00
3100-0377	Driver side body with full height 42" and 40" wide forward compartments and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Side Mount eMAX only.	\$15,421.00
3100-0378	Stainless steel driver side body with full height 30" wide forward and 58" wide rearward enhanced extended compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$27,145.00
3100-0379	Driver Full height forward compartment and 3/4 side rear of L1 tandem body with 42" wide forward and 42" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well. Lowered W/Well for extra compt heighth. Side Dump Valves between Tandems N/A.	\$14,398.00
3100-0380	(2) driver side roof top compartments. Includes hinged raised compartment lids with turn latches and grab handle(s). Each lid to have (3) bracket mounted EON LED lights and to be wired to door ajar indicator in cab.	\$2,735.00
3100-0381	Driver side tandem body with upper and lower compartmentation. Includes (2) 28" wide forward and 54" wide rearward compartments and (1) opening forward upper compartment with painted panels rearward.	\$17,429.00
3100-0382	The compartment opening width (interior to remain standard) shall be reduce 2" in the L1 and L3 compartments due to the mounting stanchion for the awning.	\$268.00
3100-0383	Stainless steel driver side short Boston style body with low height 30" front and 40" rear and (2) lift-up doors above. Includes 60" wide fender panel. For use with optional suicide hinged L1 door.	\$26,313.00
3100-0384	Driver side tandem body with upper and lower compartmentation. Includes 60" wide full height forward and 54" wide half height rearward compartments and (1) opening forward upper compartment with painted panels rearward.	\$17,433.00
3100-0385	(2) Driver side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab. Forward compartment to have standard floor. Rearward compartment shall be stepped at inboard side for a 26" deep section approximately 8.5" wide in order to stow a stokes basket on edge. Forward and rearward compartments to have a dividing wall between them to secure the different floor configurations. Stokes basket to be stored shall be a Ferno 71-M basket or similar in size.	\$6,407.00
3100-0386	Driver side rear mount pumper body with full height 48" wide forward and 60" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel and access door at rear.	\$17,539.00
3100-0387	Driver side body with full height 60" wide forward and 48" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Side Mount eMAX only.	\$13,480.00
3100-0388	(2) driver side roof top compartments for instillation of DOT/ASME bottles. Includes hinged raised compartment lids with turn latches and grab handle(s). Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$2,735.00
3100-0389	Driver side body with full height 34" and 48" wide forward compartments and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Side Mount eMAX only.	\$15,421.00
3100-0390	Driver side body with full height 30" wide forward and 44" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,200.00
3100-0391	Stainless steel driver side body with full height/full depth 60" wide forward and 60" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$31,184.00

Option No.	Description	PRICE
3100-0392	Driver side body with full height 26" and 50" wide forward compts, 56" wide over wheel compt and 52" wide rearward compt. Includes slide-back rear side compt for engine access. Side Mount eMAX HS only.	\$25,597.00
3100-0393	Stainless steel driver side body with full height 48" wide forward and 40" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$28,458.00
3100-0394	Driver side rear mount rescue pumper body with full height 38" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and 30 degree angled rear body for improved angle of departure.	\$12,677.00
3100-0395	Driver full height body side with (1) 48" wide, Full Height forward compartment, (1) 30" wide, lower forward compartment adjacent to w/well, (2) upper compartments (57" wide each), the rearward upper having a rear compartment face access door for portable tank storage, and (1) lower rearward compartment (24") to rear of the w/well.	\$11,663.00
3100-0396	Stainless steel driver side body with full height 54" wide forward and 48" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$31,135.00
3100-0397	Driver side body with full height 60" wide forward and 54" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well. Top mount SS eMAX only.	\$18,934.00
3100-0398	(2) side low profile stepped interior roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with turn latches, gas shock hold opens and drain line(s) ran to below body. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab. Lids shall be without grab handles for lowered OAH and shall have a stepped interior.	\$5,578.00
3100-0399	Driver half side body with 42" wide forward and 56" wide rearward extended compartmentation. For use with a drop down ladder rack.	\$6,135.00
3100-0400	Driver side body with upper and lower compartmentation. Includes 42" wide forward and 36" wide rearward lower compartments and (3) opening upper compartments.	\$11,345.00
3100-0401	Driver side rear mount rescue pumper body with full height 62" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and 30 degree angled rear body for improved angle of departure.	\$14,737.00
3100-0402	Driver side diamond plate roof top compartment. Includes smooth plate painted vertical hinged access door at the rear with D-Ring latch to be wired to door ajar indicator in cab.	\$1,618.00
3100-0403	(1) driver side roof top compartment. Includes dual hard suction storage (over/under) accessible through hinged rear panel access door with trigger style latch. Includes (1) bracket mounted LED light and to be wired to door ajar indicator in cab. Includes fixed forward stop for 10' hard suction hoses. Lower hose stop to be positioned for use with a barrel type suction strainer attached.	\$3,329.00
3100-0404	Stainless steel driver side body with full height 40" wide forward and 40" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$27,709.00
3100-0405	Driver side body with full height 30" wide forward and 60" wide rearward extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,494.00
3100-0406	Stainless steel driver side body with full height 30" front, 40" rear and 60" wide fender panel L2 compartment.	\$26,368.00
3100-0407	Driver side body with full height 36" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. For use on low hosebed body and individual compartments on the driver side.	\$14,016.00
3100-0408	L1 floor to have a cut-out rearward and near back wall for a recessed box as applicable to allow for 6000 psi DOT bottle to be located without interference.	\$528.00

Option No.	Description	PRICE
3100-0409	(2) driver side roof top compartments. Includes hinged raised compartment lids with turn latches and grab handle(s). Each lid to have (1) bracket mounted ROM V4 LED strip light and to be wired to door ajar indicator in cab.	\$3,107.00
3100-0410	Driver side body with full height 34" and 30" wide forward compartments and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Side Mount eMAX	\$15,458.00
3100-0411	Driver full height side body with (3) full height, rescue style, forward compartments (48" and 30" wide) and (1) rearward compartment (24" wide), (1) upper compartment (56" wide).	\$9,731.00
3100-0412	Driver side body with full height 42 in. wide forward and 56 in. wide rearward enhanced extended compartmentation. Includes (1) 56 in. wide compartment over the wheel well. L1 compartment to be Rescue Pumper style full depth compartment.	\$13,766.00
3100-0413	(2) driver side roof top compartments with extra width to inboard side. Compartment top and lids to be smooth plate painted black Durabak. Includes hinged raised compartment lids with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$6,831.00
3100-0414	Stainless steel driver side body with full height 48" wide forward and 48" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$33,432.00
3100-0415	(2) driver side roof top compartments. Includes hinged raised compartment lids with turn latches and grab handle(s). Each lid to have (1) bracket mounted ROM V4 LED strip light and to be wired to door ajar indicator in cab.	\$3,107.00
3100-0416	Driver side body with full height 42in. wide forward and 62in. wide rearward enhanced extended compartmentation. Includes (1) 56in. wide compartment over the wheel well and one (1) storage tunnel.	\$16,420.00
3100-0418	Driver half side tandem body with 60" wide forward and 48" wide rearward compartmentation.	\$9,013.00
3100-0419	Driver side body with full height 60" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Rear perimeter or body raised 3" for improved departure angle. Side Mount eMAX only.	\$13,480.00
3100-0420	Drivers full height side body with 20" wide and 42" wide forward compartments and 42" wide rearward compartment. Includes (1) 56" wide compartments over the wheel well. For use with 30 high lower compt height only.	\$10,227.00
3100-0421	Driver side body with full height 44" wide forward and 36" wide rearward compartmentation and 60.75" opening. Includes (1) 56" wide compartment over the wheel well and 28.75" opening .	\$12,642.00
3100-0422	Driver side body with full height 30" wide forward and 50" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Rescue Pumper individual style compartments.	\$11,191.00
3100-0423	Driver side body with full height 36" wide forward and 50" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Rescue Pumper individual style compartments.	\$12,101.00
3100-0424	Driver half side tandem body with 66" wide forward and 40" wide rearward compartmentation. Includes 50" wide tandem wheel well compartment. SS top cap.	\$11,717.00
3100-0425	(2) driver side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) bracket mounted ROM V4 LED strip light and to be wired to door ajar indicator in cab.	\$5,838.00
3100-0426	Driver side body with full height 60" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel located behind the upper (3) compartment back walls. Top Mount eMAX Only.	\$16,399.00

Option No.	Description	PRICE
3100-0427	Driver 3/4 side tandem body with 3/4 full height 42" wide forward, (2) 3/4 compartments over the wheel well, the forward 41.5" wide, rearward to be 61.5" wide, and a 3/4 full height 42" wide rearward compartment. Additionally, there shall be a 3/4 full height 20" wide beavertail compartment.	\$10,490.00
3100-0428	Drivers full height side body (FOR 4X4 Chassis) with 30" high lower compartment height, (2) lower forward compartments (34" and 28" wide) ahead of wheel well, (1) one lower rearward compartment 24" wide, and (3) upper compartments (48.67" wide x 32" high opening) each, transverse front to rear.	\$9,731.00
3100-0429	Driver side standard width roof top compartment contents: (2) 6" x 12' hard suction hoses (not included) stored vertical. The hard suction storage shall have a front wall which will prevent the hoses from sliding too far forward while also creating a full depth coffin storage area forward of the wall if applicable.	\$346.00
3100-0430	(2) driver side roof top compartments. Includes hinged raised compartment lids with turn latches and grab handle(s). Each lid to have (1) Amdor LED strip light and to be wired to door ajar indicator in cab.	\$3,513.00
3100-0431	Driver side tandem body with full height 48" wide forward and 48" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well.	\$14,500.00
3100-0432	Stainless steel driver 3/4 side body with 40" wide forward and 58" wide rearward compartmentation rear for flat back body design. Includes (1) 60" wide compartment over the wheel well.	\$23,976.00
3100-0433	Driver side body with upper and lower compartmentation. Includes 30" wide forward and 50" wide rearward lower compartments and (3) opening upper compartments.	\$11,200.00
3100-0434	2-arm ladder rack on driver side. The ladder rack includes amber lights on each end to visually indicate when the rack is in motion. Restricts the top folding step (if optioned) from closing completely. Mounting bracket for lights not required.	\$12,370.00
3100-0435	Driver side body with full height 26" and 50" wide forward compts, 56" wide over wheel compt and 52" wide rearward compt. Includes slide-back rear side compt for engine access. HS only.	\$25,597.00
3100-0436	Stainless steel driver side body with rescue style full height 35" front, 40" rear and 60" wide fender panel L2 compartment.	\$28,645.00
3100-0437	Driver side body with full height 60" wide forward and 52" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Includes slide-back rear side compt for engine access. HS only.	\$24,244.00
3100-0438	Driver side rear mount rescue pumper body with full height 24" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and 30 degree angled rear body for improved angle of departure.	\$11,647.00
3100-0439	Driver full height side body with (2) full height, rescue style, forward compartments (48" and 30" wide), (2) upper compartment (42" wide) and (1) lower rearward compartment (28").	\$9,812.00
3100-0440	(2) driver side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with one (1) L handle style 1/4 turn latch in the center of the compartment top, and two (2) grab handle(s) on each side of the L handle and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) Amdor LED strip light and to be wired to door ajar indicator in cab.	\$6,263.00
3100-0441	Driver 3/4 side tandem body with full height 42" wide forward and 54" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well.	\$10,570.00
3100-0442	The [#LOC] compartment opening width (interior to remain standard) shall be reduce to allow for a single pan door.	\$466.00
3100-0443	Stainless steel driver side body high side 60" front and 60" rear. (4) compartments, tandem axle. For use with single arm overhead portable tank rack	\$18,980.00

Option No.	Description	PRICE
3100-0444	Driver side body with upper and lower compartmentation. Includes full height 24" wide forward, 30" high by 38" wide lower rear, and 34" high by 38" wide upper rear compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$9,902.00
3100-0445	Stainless steel driver side body with full height/full depth 54" wide forward and 54" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$29,994.00
3100-0446	Driver side body with full height 30" wide forward and 52" wide rearward extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,200.00
3100-0447	Driver full height side body with 66" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. The compartment opening height to be 30" IPO 34". For use with custom chassis only.	\$10,004.00
3100-0448	(2) driver side roof top compartments for foam pails. Includes hinged compartment lids with turn latches and grab handle(s). Each compartment shall include LED lighting and to be wired to door ajar indicator in cab.	\$2,735.00
3100-0449	Stainless steel driver side body with full height 48" wide front and 58" rear with reduced upper depth for "T" tank. Includes 60" wide compartment over rear wheels. Upper compartments to be 15" deep.	\$28,551.00
3100-0450	Stainless steel driver side short Boston style body with low height 48" front and 40" rear and (3) lift-up doors above. Includes 60" wide fender panel.	\$28,458.00
3100-0451	Driver side rear mount pumper body with (2) two full height 34" wide forward and (1) one 60" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and provisions to rear mount pump panel in rearward side compartment.	\$15,400.00
3100-0452	Driver side tandem body with full height 60" wide forward and 54" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well. Wheel wells and lower compartment height to lowered 4" over standard (Pumper/Rescue Pumper Height).	\$15,292.00
3100-0453	Driver side body with full height 24" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$10,336.00
3100-0454	Driver side body with full height 28" and 28" wide forward and 52" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Includes slide-back rear side compt for engine access. HS only.	\$24,759.00
3100-0455	Driver side rear mount pumper body with two full height 48" wide forward compartments and 42" wide rearward compartment. Includes (1) 56" wide compartment over the wheel well and 30 degree angled rear body for improved angle of departure.	\$18,421.00
3100-0456	Driver side tandem body with 48" wide forward and 42" wide rearward compartmentation. Forward compartment to be full height, rearward to be half height.	\$11,106.00
3100-0457	Driver side body with full height 30" wide forward and 50" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$10,529.00
3100-0458	Driver side body with full height 42" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,005.00
3100-0459	Driver side body with full height 42" (pump panel area the forward 26") and 56" wide forward compartments and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Side Mount eMAX only. The rearward section of L4 to be transverse with B1/R4 compartments.	\$17,222.00
3100-0460	Stainless steel driver side body with full height 30" wide forward and 58" wide rearward extended compartmentation. Includes (1) 60" wide compartment over the wheel well	\$27,694.00

Option No.	Description	PRICE
3100-0461	Driver side body with full height/full depth 60" wide front and 54" wide rear compartment. Includes (1) 60" wide compartment over the wheel well. Includes notch in upper rear compartment walls to provide for a level hose bed. Side mount SS eMAX only.	\$16,678.00
3100-0462	Driver side body with full height 60" wide forward and 42" wide rearward compartments. Includes (1) 56" wide compartment over the wheel well. Side Mount e-MAX only.	\$12,636.00
3100-0463	Driver full height side body with 31" wide and 31" wide forward compartments and 42" wide rearward compartment. Includes (1) 56" wide compartments over the wheel well.	\$10,227.00
3100-0464	Driver side body with full height 48" and 30" wide forward and 38" wide rearward non-transverse extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,403.00
3100-0465	Officer side body with full height 48" and 30" wide forward and 38" wide rearward non-transverse extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,403.00
3100-0466	**NARROW BODY** Driver side body with full height 42" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,677.00
3100-0467	Roof top compartment contents: (1) 6in x 10ft hard suction hose (not included) stored in the lower area of roof top compartment. Includes stop bracket rear ward of hard suction hose if applicable to body length and partition surround over the hard suction hoses to accommodate storage area above and in front of the stored hose. Floor to include nylon pad as applicable for ease of deployment on scene.	\$701.00
3100-0468	Rear aluminum smooth plate painted job color vertical hinged door on roof top compartment. Includes D-ring latch and wiring for door ajar switch.	\$222.00
3100-0469	**NARROW BODY** Driver side body with full height 36" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$10,297.00
3100-0470	Stainless steel driver side body with full height, full depth 48" wide forward and 48" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$29,343.00
3100-0471	Stainless steel driver side body with full height 48" wide forward and 54" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$29,122.00
3100-0472	Driver side body with full height 30 and 60" wide front and 54" wide rear compartments. Includes (1) 60" wide compartment over the wheel well and one (1) storage tunnel located behind reduced upper depth compartments. SS eMAX only.	\$21,676.00
3100-0473	(2) driver side roof top compartments. Includes hinged raised compartment lids with turn latches and grab handle(s). Each lid to include LED light (per specifications) and to be wired to door ajar indicator in cab.	\$2,529.00
3100-0474	Driver side body with full height 36" wide forward and 50" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,907.00
3100-0475	Driver side body with upper and lower compartmentation. Includes 42" wide forward and 56" wide rearward lower compartments and (3) opening upper compartments.	\$12,642.00
3100-0476	Driver side diamond plate roof top compartment. Includes smooth plate painted vertical hinged access door at the rear with D-ring style latch to be wired to door ajar indicator in cab.	\$1,592.00
3100-0477	Stainless steel driver side body with full height 30" wide forward and 46" wide rearward compartmentation having Lord/coil spring torsion style body mounts. Includes a 60" wide compartment over the wheel well. Custom height in lower L3 for a special ALS shelving unit.	\$26,045.00

Option No.	Description	PRICE
3100-0478	Driver side body with full height 36" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel.	\$14,691.00
3100-0479	Stainless steel 96" wide driver side body with full height, full depth 48" wide forward and 48" wide rearward compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$29,343.00
3100-0480	Driver side body with full height 30" wide forward and 52" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,200.00
3100-0481	Driver side tandem body with (2) full height 28" wide forward and 54" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well.	\$15,792.00
3100-0482	Driver side body with 19.5in. wide forward and 31in. wide rearward compartmentation. Includes (1) 40in. wide compartment over the wheel well. Compartment tops raised approximately 6in. to match hosebed height. Rear of body under rearward compartment shall be raised 4in. or as applicable to allow for additional departure angle.	\$10,671.00
3100-0483	Stainless steel driver side body with full height/full depth 36" wide front compartment and reduced depth upper 48" rearward compartmentation. Includes 60" wide compartment above rear wheels.	\$28,735.00
3100-0484	Stainless steel driver side body with full height 44" wide forward and 60" wide rearward compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$30,894.00
3100-0485	Driver side body with full height 34" and 56" wide forward compartments and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Side Mount eMAX only.	\$15,499.00
3100-0486	Driver side tandem body with full height 54" wide forward and 48" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well. Includes 30" high lower compartment height "Pumper Style" ilo 34" high. Side Dumps between or adjacent to Tandems are not available.	\$15,292.00
3100-0487	Stainless steel driver side body with full height, full depth 48" wide forward and 58" wide rearward enhanced extended compartmentation. Includes (1) 60" wide compartment over the wheel well. Compartment height to be 78".	\$29,738.00
3100-0488	2-arm ladder rack on driver side. The ladder rack includes amber lights on each end to visually indicate when the rack is in motion. Restricts the top folding step (if optioned) from closing completely. Includes mounting bracket (if required, matching rear compartment face or compartment wrap finish) for components mounted on rear compartment face.	\$12,370.00
3100-0489	Stainless steel driver side body with full height 30" wide forward and 46" wide rearward compartmentation having Lord/coil spring torsion style body mounts. Includes a 66" wide compartment over the wheel well. Custom height in lower L3 for a special ALS shelving unit.	\$26,045.00
3100-0490	Driver side body with full height 60" wide forward and 46" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Top Mount eMAX Only.	\$12,878.00
3100-0491	Driver side body with full height 36" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,535.00
3100-0492	Driver half side body with 36" wide forward and 50" wide rearward enhanced extended compartmentation. Includes adjustable ladder tracks.	\$6,060.00
3100-0493	Stainless steel driver side body with full height 48" wide front and 48" wide rear compartments. Includes 60" wide compartment over rear wheels.	\$28,150.00

Option No.	Description	PRICE
3100-0494	Stainless steel driver side body with full height/full depth 40" wide forward and 58" wide rearward extended compartment. Includes (1) 60" wide compartment over the wheel well.	\$27,694.00
3100-0495	Driver side tandem body with two forward compartments ahead of the rear wheels, and one rear compartment behind rear wheels. The forward front compartment to be 38" wide and full height, the rearward front compartment to be 24" wide and half height. The single rear to be a half height 60" wide compartment.	\$15,292.00
3100-0496	Stainless steel driver side body with full height 35" wide forward and 48" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$28,645.00
3100-0497	Rear aluminum smooth plate painted job color vertical hinged door on driver side roof top compartments. Includes D-Ring latch and wiring for door ajar switch.	\$266.00
3100-0498	Driver side roof top compartment contents: (1) 6" x 10' hard suction hose (not included) stored in lower rearward area of the roof top storage with Nylatron compartment flooring. Includes surround forward and above hard suction hose to allow for additional storage in remaining available roof top storage compartments accessible from top lift doors.	\$719.00
3100-0499	Driver side tandem body with full height 66" wide forward and 60" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well.	\$16,866.00
3100-0500	Driver side body with upper and lower compartmentation. Includes 42" wide forward and 48" wide rearward lower compartments and (3) opening upper compartments.	\$11,839.00
3100-0501	(2) driver side roof top compartments with extra width to inboard side. Custom sized to store hydraulic reels. Includes hinged raised compartment lids with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$5,466.00
3100-0502	Driver side body with full height 52" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Side Mount eMAX only.	\$12,620.00
3100-0503	(2) driver side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with one (1) ' L' handle style 1/4 turn latch in the center of the compartment top, two (2) grab handle(s) on each side of the ' L' handle, gas shock hold open and drain line(s) ran to below body. Each lid to have (1) Amdor LED strip light and to be wired to door ajar indicator in cab.	\$6,263.00
3100-0505	Driver side body with full height 42" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel.	\$15,596.00
3100-0506	Driver side body with full height 35" wide forward and 47" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$13,540.00
3100-0507	(3) driver side roof top compartments with extra width to inboard side (43"/43"/43"). Includes hinged raised compartment lids with thumb latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$6,392.00
3100-0508	Driver side body with full height 42" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,922.00
3100-0509	Stainless steel driver side 3/4 side body with full height 40" wide forward and 48" wide rearward compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$23,949.00

Option No.	Description	PRICE
3100-0510	Driver side tandem body with 60" wide full height forward compartment. Rearward of the forward compartment to 3/4 height with 54" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well.	\$12,600.00
3100-0511	Stainless steel driver side body with full height full depth 48" wide forward and 48" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$28,858.00
3100-0512	Vertical partition located in driver side roof top compartment at rear access door. Partition is to be full height of compartment and 61" long capped of at the end to create a boxed in area for separate storage.	\$483.00
3100-0513	Driver half side tandem body with (1) 44" wide first forward, (1) 30" wide second forward and (1) 66" wide rearward compartments. Compartment height openings to be 30" IPO standard 34".	\$12,174.00
3100-0514	Driver side body with full height 40" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,597.00
3100-0515	Stainless steel driver side body with full height 40" wide forward and 48" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$27,806.00
3100-0516	Driver side body with full height 42" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,922.00
3100-0517	Compartment L1 to be notched for vertical exhaust in back forward corner of the compartment.	\$289.00
3100-0518	(2) side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with D-ring slam style latch (s) and no grab handles for reduced OAH impact, with gas shock hold open(s) and drain line(s) ran to below body. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$5,466.00
3100-0519	Driver side body with full height 36" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,872.00
3100-0520	Driver side body with full height 72" wide forward and 60" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Includes provision for pump panel. Rear Mount Pumper Body only.	\$16,400.00
3100-0521	Driver side body with upper and lower compartmentation. Includes 24" wide forward and 36" wide rearward lower compartments and (2) opening upper compartments. For use with 94"(96" with rubrail) wide body configuration.	\$9,434.00
3100-0522	Flat back Driver side body with full height 48" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$13,280.00
3100-0523	Driver side body with full height 26" and 56" wide forward compartments and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. eMax Only.	\$14,885.00
3100-0524	(2) driver side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with D-Ring latches, no grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) bracket mounted ROM V4 LED strip light and to be wired to door ajar indicator in cab.	\$6,036.00
3100-0525	Driver side body with full height 42" wide forward and 56" wide rearward extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,677.00
3100-0526	(2) driver side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to be wired to door ajar indicator in cab. Special 24" interior depth.	\$5,330.00

Option No.	Description	PRICE
3100-0527	Stainless steel driver side body with full height/full depth 48" wide forward and 60" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well. Special 69" high rescue pumper body height.	\$29,994.00
3100-0528	Stainless steel driver side body with full height 30" wide forward and 58" wide rearward enhanced extended compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$27,145.00
3100-0529	Driver high side stainless steel body with 60" front and 60" rear. (4) compartments, tandem axle.	\$18,902.00
3100-0530	Stainless steel driver side body with full height full depth 48" wide forward and 58" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$28,951.00
3100-0531	Stainless steel driver side body with full height 30" wide forward and 46" wide rearward compartmentation. NOTE: Standard Lord mount body mounting system. Includes a 60" wide compartment over the wheel well. Custom height in lower L3 for a special ALS shelving unit. No upper hose bed side sheet on the driver side of the body providing a finished overall body height of 70".	\$26,045.00
3100-0532	Driver side body with upper and lower compartmentation. Includes lower 48" wide forward and full height 48" wide rearward compartments and (2) opening upper compartments.	\$12,224.00
3100-0533	The L3 compartment to be transverse into L4.	\$280.00
3100-0534	(2) driver side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with D-ring latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$5,569.00
3100-0535	Driver side body with full height 60in. wide forward and 56in. wide rearward extended compartment. Includes (1) 56in. wide compartment over the wheel well.	\$13,225.00
3105-0001	Enhanced extended forward compartmentation for Rescue Pumper. Includes 14" of additional interior width to the forward side compartments and 25" of additional depth in the forward 14" wide section (as applicable). Overall interior height will vary depending on additional option selections.	\$2,283.00
3105-0002	Rear Mount forward body. Includes main side body structures and compartment L1/R1, L2/R2.	\$15,539.00
3105-0004	Rear Mount forward body compartments. Includes L1/R1 48" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2/R2 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area.	\$0.00
3105-0005	Hosebed walkway. Includes forward body headboard mod and rear body module walkway end partition. Walkway to be a slip resistant material. Walkway located to [#LOC] of the hosebed.	\$1,925.00
3105-0006	Rear Mount forward body compartments. Includes L1/R1 54" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2/R2 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area.	\$1,539.00
3105-0007	Rear Mount forward body compartments with officer side Zico Overhead Ladder Rack. Includes L1/R1 - 48" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area, R2 - 33" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area (position of R2 depends on position of overhead ladder rack).	\$0.00
3105-0008	Rear Mount forward body. Includes main side body structures and compartment L1/R1, L2/R2 and a Zico overhead ladder rack (control located officer rear body/pump module).	\$24,742.00
3105-0009	Rear Mount forward body compartments with driver side storage tunnel. Includes L1 - 72" wide x 26" deep in the 30" lower area and 12" deep in the 34" upper area, L2 - 56" wide x 12" deep, R1 - 72" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, R2 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area.	\$4,536.00

Option No.	Description	PRICE
3105-0010	Rear Mount forward body. Includes main side body structures and compartment LT/RT, L1/R1, L2/R2. LT/RT (full width and 95" high) with lower storage areas (compartment opening 67" wide and same height as main body compartments). Includes full width forward storage pan and a pan in the rearward center/officer area between the driver roof top compartment. Transverse floor to run full width. Rear headboard to have area for routing of plumbing for preconnects located in rearward area. Area above preconnects (forward area) to be for storage of a stokes basket. L1/R1 54" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2/R2 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area.	\$31,653.00
3105-0011	Rear Mount forward body compartments with driver side storage tunnel. Includes L1 - 54" wide x 26" deep in the 30" lower area and 12" deep in the 38" upper area, L2 - 56" wide x 12" deep. R1 - 54" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, R2 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area.	\$1,539.00
3105-0013	Rear Mount forward body compartments. Includes L1 - 48" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area, R1 - 48" wide x 26" deep in the 30" lower area and 12" deep in the 38" upper area and R2 - 56" wide x 12" deep x 34 high.	\$0.00
3105-0014	Rear Mount forward body compartments. Includes L1/R1 - 60" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2/R2 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area.	\$2,539.00
3105-0015	Rear Mount forward body compartments. Includes L1/R1 - 66" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2/R2 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area.	\$3,539.00
3105-0016	Rear Mount forward body compartments. Includes L1/R1 - 72" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2/R2 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area.	\$4,536.00
3105-0017	Rear Mount forward body compartments with officer side Zico Overhead Ladder Rack. Includes L1/R1 - 54" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area, R2 - 33" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area (position of R2 depends on position of overhead ladder rack).	\$1,539.00
3105-0018	Rear Mount forward body compartments with officer side Zico Overhead Ladder Rack. Includes L1/R1 - 60" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area, R2 - 33" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area (position of R2 depends on position of overhead ladder rack).	\$2,539.00
3105-0019	Rear Mount forward body compartments with officer side Zico Overhead Ladder Rack. Includes L1/R1 - 66" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area, R2 - 33" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area (position of R2 depends on position of overhead ladder rack).	\$3,539.00
3105-0020	Rear Mount forward body compartments with officer side Zico Overhead Ladder Rack. Includes L1/R1 - 72" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area, R2 - 33" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area (position of R2 depends on position of overhead ladder rack).	\$4,536.00
3105-0021	Rear Mount forward body compartments with driver side storage tunnel. Includes L1 - 48" wide x 26" deep in the 30" lower area and 12" deep in the 38" upper area, L2 - 56" wide x 12" deep. R1 - 48" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, R2 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area.	\$0.00

Option No.	Description	PRICE
3105-0022	Rear Mount forward body compartments with driver side storage tunnel. Includes L1 - 60" wide x 26" deep in the 30" lower area and 12" deep in the 38" upper area, L2 - 56" wide x 12" deep. R1 - 60" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, R2 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area.	\$2,539.00
3105-0023	Rear Mount forward body compartments with driver side storage tunnel. Includes L1 - 66" wide x 26" deep in the 30" lower area and 12" deep in the 38" upper area, L2 - 56" wide x 12" deep. R1 - 66" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, R2 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area.	\$3,539.00
3105-0024	Rear Mount forward body compartments with officer side storage tunnel. Includes L1 - 48" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area. R1 - 48" wide x 26" deep in the 30" lower area and 12" deep in the 38" upper area, R2 - 56" wide x 12" deep.	\$0.00
3105-0025	Rear Mount forward body compartments with officer side storage tunnel. Includes L1 - 54" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area. R1 - 54" wide x 26" deep in the 30" lower area and 12" deep in the 38" upper area, R2 - 56" wide x 12" deep.	\$1,539.00
3105-0026	Rear Mount forward body compartments with officer side storage tunnel. Includes L1 - 60" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area. R1 - 60" wide x 26" deep in the 30" lower area and 12" deep in the 38" upper area, R2 - 56" wide x 12" deep.	\$2,539.00
3105-0027	Rear Mount forward body compartments with officer side storage tunnel. Includes L1 - 66" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area. R1 - 66" wide x 26" deep in the 30" lower area and 12" deep in the 38" upper area, R2 - 56" wide x 12" deep.	\$3,539.00
3105-0028	Rear Mount forward body compartments with officer side storage tunnel. Includes L1 - 72" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area. R1 - 72" wide x 26" deep in the 30" lower area and 12" deep in the 38" upper area, R2 - 56" wide x 12" deep.	\$4,536.00
3105-0029	Rear Mount forward body compartments w/dual storage tunnels. Includes L1/R1 - 48" wide x 26" deep in the 30" lower area and 12" deep in the 38" upper area, L2/R2 - 56" wide x 12" deep.	\$0.00
3105-0030	Rear Mount forward body compartments w/dual storage tunnels. Includes L1/R1 - 54" wide x 26" deep in the 30" lower area and 12" deep in the 38" upper area, L2/R2 - 56" wide x 12" deep.	\$1,539.00
3105-0031	Rear Mount forward body compartments w/dual storage tunnels. Includes L1/R1 - 60" wide x 26" deep in the 30" lower area and 12" deep in the 38" upper area, L2/R2 - 56" wide x 12" deep.	\$2,539.00
3105-0032	Rear Mount forward body compartments w/dual storage tunnels. Includes L1/R1 - 66" wide x 26" deep in the 30" lower area and 12" deep in the 38" upper area, L2/R2 - 56" wide x 12" deep.	\$3,539.00
3105-0033	Rear Mount forward body compartments w/dual storage tunnels. Includes L1/R1 - 72" wide x 26" deep in the 30" lower area and 12" deep in the 38" upper area, L2/R2 - 56" wide x 12" deep.	\$4,536.00
3105-0034	Rear Mount forward body. Includes main side body structures and compartment L1/R1, L2/R2 and (1) storage tunnel.	\$21,521.00
3105-0035	Rear Mount forward body. Includes main side body structures and compartment L1/R1, L2/R2 and (2) storage tunnels.	\$26,062.00

Option No.	Description	PRICE
3105-0036	Rear Mount forward body. Includes main side body structures and compartment LT/RT, L1/R1, L2/R2. LT/RT (full width and 95" high) with lower storage areas (compartment opening 67" wide and same height as main body compartments). Includes full width storage pan. Transverse floor to run full width. Rear headboard to have area for routing of plumbing for preconnects located in rearward area. The speedlay area to be stacked style and offset to rearward area of the transverse compartment. The upper speedlay area to hold (2) speedlay trays: (1) to hold - 200' of 2.5" DJ hose and (1) dry lay to hold - 100' of 1.75" DJ hose and 100' of 2.5" DJ hose. The lower speedlay area to hold (3) speedlay trays: (2) to hold 200' of 1.75" DJ hose each and (1) to hold 100' of 1.75" DJ hose. L1/R1 54" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2/R2 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area.	\$31,653.00
3105-0037	Transverse module (full width and height of the body) located forward of the body. Includes single 30" wide compartment opening per side (with a shallow lower area and a transverse upper area with full width smooth plate flooring). Upper area of transverse module to have diamond plate dunnage pan.	\$11,565.00
3105-0038	Transverse module (full width and height of the body) located forward of the body. Includes single 36" wide compartment opening per side (with a shallow lower area and a transverse upper area with full width smooth plate flooring). Upper area of transverse module to have diamond plate dunnage pan.	\$13,103.00
3105-0039	Transverse module (full width and height of the body) located forward of the body. Includes single 42" wide compartment opening per side (with a shallow lower area and a transverse upper area with full width smooth plate flooring). Upper area of transverse module to have diamond plate dunnage pan.	\$14,641.00
3105-0040	Transverse module (full width and height of the body) located forward of the body. Includes single 50" wide compartment opening per side (with a shallow lower area and a transverse upper area with smooth plate flooring). Rearward transverse compartment area to have double preconnects with removable trays (side by side) and backboard storage (rearward of preconnects with velcro straps). Upper area of transverse module to have diamond plate dunnage pan.	\$12,918.00
3105-0041	Transverse module (full width and height of the body) located forward of the body. Includes single 56" wide compartment opening per side (with a shallow lower area and a transverse upper area with smooth plate flooring). Rearward transverse compartment area to have double preconnects with removable trays (side by side) and backboard storage (rearward of preconnects with velcro straps). Upper area of transverse module to have diamond plate dunnage pan.	\$14,456.00
3105-0042	Transverse module (full width and height of the body) located forward of the body. Includes single 62" wide compartment opening per side (with a shallow lower area and a transverse upper area with smooth plate flooring). Rearward transverse compartment area to have double preconnects with removable trays (side by side) and backboard storage (rearward of preconnects with velcro straps). Upper area of transverse module to have diamond plate dunnage pan.	\$15,994.00
3105-0043	Transverse module (full width and height of the body) located forward of the body. Includes single 50" wide compartment opening per side (with a shallow lower area and a transverse upper area with smooth plate flooring). Rearward transverse compartment area to have triple preconnects with removable trays (side by side). Upper area of transverse module to have diamond plate dunnage pan.	\$13,369.00
3105-0044	Transverse module (full width and height of the body) located forward of the body. Includes single 56" wide compartment opening per side (with a shallow lower area and a transverse upper area with smooth plate flooring). Rearward transverse compartment area to have triple preconnects with removable trays (side by side). Upper area of transverse module to have diamond plate dunnage pan.	\$14,907.00

Option No.	Description	PRICE
3105-0045	Transverse module (full width and height of the body) located forward of the body. Includes single 62" wide compartment opening per side (with a shallow lower area and a transverse upper area with smooth plate flooring). Rearward transverse compartment area to have triple preconnects with removable trays (side by side). Upper area of transverse module to have diamond plate dunnage pan.	\$16,445.00
3105-0046	Transverse module (full width and height of the body) located forward of the body. Includes single 50" wide compartment opening per side (with a shallow lower area and a transverse upper area with smooth plate flooring). Rearward transverse compartment area to have double preconnects with removable trays (stacked). Upper area of transverse module to have diamond plate dunnage pan.	\$13,223.00
3105-0047	Transverse module (full width and height of the body) located forward of the body. Includes single 56" wide compartment opening per side (with a shallow lower area and a transverse upper area with smooth plate flooring). Rearward transverse compartment area to have double preconnects with removable trays (stacked). Upper area of transverse module to have diamond plate dunnage pan.	\$14,760.00
3105-0048	Transverse module (full width and height of the body) located forward of the body. Includes single 62" wide compartment opening per side (with a shallow lower area and a transverse upper area with smooth plate flooring). Rearward transverse compartment area to have double preconnects with removable trays (stacked). Upper area of transverse module to have diamond plate dunnage pan.	\$16,298.00
3105-0049	Preconnect module (stacked) for use with aluminum speedlay trays. Includes area for (2) stacked preconnect, lower storage compartments with push button latches, running boards and upper area dunnage pan.	\$11,565.00
3105-0050	Preconnect module (stacked). Includes area for (2) stacked preconnects, (1) upper preconnect, lower storage compartments with push button latches and running boards.	\$0.00
3105-0051	Preconnect module to be capable of holding the following contents: Upper preconnect area to hold (1) 400' of 1.75" DJ with removable tray. Lower preconnect area to hold (1) 400' of 1.75" DJ with removable tray.	\$904.00
3105-0052	Preconnect module to be capable of holding the following contents: Upper preconnect area to hold (2) 200' of 1.75" DJ with removable trays. Lower preconnect area to hold 200' of 2.5" DJ with removable tray.	\$1,354.00
3105-0053	Preconnect module to be capable of holding the following contents: Upper preconnect area to hold (2) 200' of 1.75" DJ with removable trays. Lower preconnect area to hold (2) 200' of 1.75" DJ with removable trays.	\$1,806.00
3105-0054	Rear Mount forward body. Includes main side body structures and compartment L1/R1, L2/R2.	\$20,487.00
3105-0055	Rear Mount Body Assembly. Includes driver side, officer side and rear end assemblies. Driver side body with full height 48" wide forward and 60" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Officer side body with full height 48" wide forward and 60" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel. Rear end for rear mount pump application. Includes smooth plate panels and storage access door with push button latch.	\$31,641.00
3105-0056	Preconnect module (stacked). Includes area for (2) stacked preconnect, lower storage compartments with push button latches, running boards, upper area dunnage pan and horizontal backboard storage with drop down diamond plate access door (wired to door ajar).	\$8,556.00

Option No.	Description	PRICE
3105-0057	Preconnect/Transverse module (full width and height of body). Includes (2) full width stacked speedlays (make standard size opening as used on normal width speedlay module). Each speedlay to be plumbed for use with 1.75" DJ hose. Area directly behind speedlays to have a transverse compartment (opening height to match body compartments). Transverse to include full width floor. Upper area to include a full width storage pan (forward of roof top compartments) and (1) pan located between the roof top compartments. Make pans as deep as practical.	\$10,844.00
3105-0058	Transverse module (full width and height of the body) located forward of the body. Includes single 30" wide compartment opening per side (with a shallow lower area and a transverse upper area with smooth plate flooring). Lower transverse compartment area to have triple preconnects with removable trays (side by side). Above the speedlay area to be storage for stokes basket. Upper area of transverse module to have diamond plate dunnage pan.	\$12,152.00
3105-0059	The outboard panels of the full width transverse module to be smooth plate overlays. These areas are to be seamless and painted job color.	\$316.00
3105-0060	Transverse module (full width and height of the body) located forward of the body. Includes single 30" wide compartment opening per side (with a shallow lower area and a transverse upper area with smooth plate flooring). Rearward transverse compartment area to have triple preconnects with removable trays (stacked, (2) 1.5" on top and (1) 2.5" on bottom). Upper area of transverse module to have diamond plate dunnage pan.	\$13,369.00
3105-0061	Backboard storage sleeve with retaining strap. Located in LT/RT compartment forward of the speedlays to be 5" wide x 20" high.	\$982.00
3105-0062	Rear Mount body. Includes main side body structures and compartments L1/R1, L2/R2, L3/R3 and L4/R4. Includes interior compartment offset for pump panel location and mounting, rear body structure for rear mounted pump application.	\$37,866.00
3105-0063	Rear Mount forward body compartments. Includes L1 - 32" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, R1 - 36" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2/R2 - 48" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L3/R3 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area, L4 - (pump panel location) - 60" wide x 68" high x 12" deep and R4 - 60" wide x 68" high x 12" deep.	\$0.00
3105-0066	Rear Mount forward body compartments. Includes L1/R1 - 72" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2/R2 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area. An externally-mounted compartment top shall be provided and constructed of a 1/8" (.125") aluminum smooth plate with black Scorpion coating (IPOS diamond plate).	\$4,885.00
3105-0067	Transverse module (full width and height of the body) located forward of the body. Includes single 30" wide compartment opening per side (with a shallow lower area and a transverse upper area with smooth plate flooring). Rearward transverse compartment area to have triple preconnects with removable trays (stacked, (2) 1.5" on top and (1) 2.5" on bottom). Upper area of transverse module to have a dunnage pan made of aluminum smooth plate with black Scorpion coating (IPOS diamond plate). The running boards shall be constructed of aluminum smooth plate with black Scorpion coating (IPOS diamond plate)	\$13,977.00
3105-0068	Preconnect module to be capable of holding the following contents: Upper preconnect area to hold (2) 200' of 1.75" DJ with removable poly trays. Lower preconnect area to hold 200' of 2.5" DJ with removable poly tray.	\$1,354.00
3105-0069	Preconnect module (stacked)for use with Poly trays. Includes area for (2) stacked preconnect, lower storage compartments with push button latches, running boards and upper area dunnage pan.	\$12,047.00
3105-0070	Rear Mount body. Includes main side body structures and compartments L1/R1, L2/R2, L3/R3 and L4/R4. Includes interior compartment offset for pump panel location and mounting, rear body structure for rear mounted pump application.	\$0.00

Option No.	Description	PRICE
3105-0071	Rear Mount forward body compartments. Includes L1/R1 - 44" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2/R2 - 44" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L3/R3 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area, L4 - (pump panel location upper section) - 46" wide x 24" high x 24" deep in the lower section and R4 - 46" wide x 24" deep in the 56" lower area and 12" deep in the 12" upper area.	\$38,584.00
3105-0072	Transverse module (full width and height of the body) located forward of the body. Includes single 24" wide compartment opening per side (with a shallow lower area and a transverse upper area with full width smooth plate flooring). Upper area of transverse module to have diamond plate dunnage pan.	\$10,957.00
3105-0073	Backboard storage sleeve with retaining strap(s). Located in LT/RT compartment in transverse area horizontally mounted. 5"H x 22"W x 76"L.	\$982.00
3105-0074	Transverse module (full width and height of the body) located forward of the body. Includes single 24" wide compartment opening per side (with a shallow lower area and a transverse upper area with full width smooth plate flooring). Upper area of transverse module to have diamond plate dunnage pan.	\$10,957.00
3105-0075	Preconnect module (stacked). Includes area for (2) preconnect, (1) transverse storage area, lower storage compartments with push button latches, running boards, upper area dunnage pan and horizontal backboard storage with drop down diamond plate access door (wired to door ajar).	\$10,957.00
3105-0076	Transverse module (full width and height of the body) located forward of the body. Includes single 32" wide compartment opening per side (with a shallow lower area and a transverse upper area with full width smooth plate flooring). Upper area of transverse module to have diamond plate dunnage pan.	\$11,918.00
3105-0077	A pre-connect storage area will be located inside the transverse module towards the rear that will accommodate double pre-connects with removable trays (trays listed separately).	\$2,110.00
3105-0078	Transverse module (full width and height of the body) located forward of the body. Includes single 38" wide compartment opening per side (with a shallow lower area and a transverse upper area with smooth plate flooring). Rearward transverse compartment area to have triple preconnects with removable trays (side by side). Upper area of transverse module to have diamond plate dunnage pan.	\$10,290.00
3105-0079	Backboard storage sleeve with retaining strap. Located in LT/RT compartment forward of the speedlays to be 5" high x 20" wide.	\$982.00
3105-0080	Preconnect module (stacked) for use with aluminum speedlay trays. Includes area for (2) stacked preconnect, lower and upper storage compartments with push button latches, running boards.	\$11,565.00
3110-0000	Center Slam Strip Rear End with (3) compartments- (2) lower and (1) upper and a diamond plate center strip for a Jet or Newton Dump application. Includes diamond plate panels.	\$2,391.00
3110-0001	Center Slam Strip Rear End with (3) compartments- (2) lower and (1) upper and a smooth plate center strip for a Jet or Newton Dump application. Includes smooth plate panels.	\$2,391.00
3110-0002	Upper and Lower Rear Compartment. Includes diamond plate panels.	\$1,843.00
3110-0003	Upper and Lower Rear Compartment. Includes smooth plate panels.	\$1,843.00
3110-0004	Full Height Rear Compartment. Includes diamond plate panels.	\$1,295.00
3110-0005	Full Height Rear Compartment. Includes smooth plate panels.	\$1,295.00
3110-0006	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (2) pike poles and a drop down storage access door with push button latches (wire to door ajar).	\$2,208.00

Option No.	Description	PRICE
3110-0007	Full Height Rear Compartment. Includes diamond plate panels, 30 degree angle of departure with flip down tailboard and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$2,827.00
3110-0008	Full Height Rear Compartment. Includes smooth plate panels, angled rear body with flip down tailboard and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$2,827.00
3110-0010	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (2) pike poles and a drop down storage access door with push button latches (wire to door ajar).	\$2,208.00
3110-0011	Full Height Rear Compartment with Upper Storage Compartment and Side Storage Tunnel. Includes smooth plate panels and storage access doors with push button latches.	\$2,296.00
3110-0012	Full Height Rear Compartment with Upper Storage Compartment and Officer Side Ladder Tunnel. Includes diamond plate panels and storage access doors with push button latches.	\$2,296.00
3110-0013	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch.	\$1,204.00
3110-0014	Full Height Rear Compartment with Officer Side Ladder Tunnel and Recessed Traffic Advisor. Includes smooth plate panels and storage door with push buton latch..	\$1,593.00
3110-0015	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes diamond plate panels and storage access door with push button latch.	\$1,167.00
3110-0016	Full Height Rear Compartment with Officer Side Ladder Tunnel and Recessed Traffic Advisor. Includes diamond plate panels and storage door with push button latch.	\$1,593.00
3110-0017	Full Height Rear Compartment with diamond plate panels.	\$1,080.00
3110-0018	Full Height Rear Compartment with smooth plate panels.	\$1,080.00
3110-0019	Full Height Rear Compartment with recessed traffic advisor and smooth plate panels.	\$1,506.00
3110-0020	Full Height Rear Compartment with recessed traffic advisor and diamond plate panels.	\$1,506.00
3110-0021	Rear mount rear end with upper storage area and lower pump panel. Includes 12" bolt-on tailboard, smooth plate panels and upper access area door with push button latches.	\$1,790.00
3110-0023	Rear mount rear end with upper storage area, lower pump panel area and officer side ladder/equipment tunnel. Includes 12" bolt-on tailboard, smooth plate panels, upper access area and ladder/equipment storage doors with push button latches.	\$1,874.00
3110-0024	Stainless Steel rear end with lower center compartment. Includes 12" bolt-on diamond plate tailboard and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$2,555.00
3110-0025	Stainless steel rear end with lower center compartment.	\$2,732.00
3110-0026	Rear body panels to be diamond plate.	\$0.00
3110-0027	Rear of body to have un-painted extrusions with un-painted smooth plate body panels or just unpainted smooth plate to facilitate rear body striping.	\$267.00
3110-0028	Rear body panels to be painted smooth plate.	\$936.00
3110-0030	(2) bolt-on compartments. Locate (1) each side of B1. Each compartment includes a hinged diamond plate door (with 4" gap at top for connecting of hose stored in compartment) with D-Ring latch (wired into door ajar indicator), removable slat flooring and Gator Grip compartment top. Lower hosebed access step (one each side) to be mounted to inboard side of compartment.	\$1,850.00

Option No.	Description	PRICE
3110-0031	Full Height Rear Compartment. Includes diamond plate panels. Opening offset to officer side for special rear compartments. Width to be 31" wide.	\$1,941.00
3110-0033	Single low rear compartment. For use with low hosebed. Includes diamond plate panels.	\$972.00
3110-0034	Upper rear compartment depth to be shallow.	\$0.00
3110-0035	Upper rear compartment depth to be approximately 25" deep.	\$291.00
3110-0036	Upper and Lower Rear Compartment with Officer Side Ladder Tunnel. Includes diamond plate panels and storage access door with push button latches.	\$2,870.00
3110-0037	Full Height Rear Compartment. Includes diamond plate panels, recessed traffic advisor and full width rear intermediate step located below the recessed advisor. B1 compartment to have no louvers. Includes access panel on bottom of compartment break to be 7" wide x 32" long. Panel to be centered front to back and side to side.	\$2,365.00
3110-0038	Bolt-on diamond plate tailboard (full width of rear compartment). Includes the enhanced extended side compartment frame work with diamond plate compartment tops, (3) folding steps- (2) low and (1) high officer side with a 12" handrail (as applicable) and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$903.00
3110-0039	Bolt-on diamond plate tailboard (full width of body). Includes (2) handrails- (1) vertical on officer body and (1) horz below hosebed, aluminum ladder (angled) on officer side from tailboard to top edge of body and (3) Cast Products steps (staggered) on driver side.	\$3,144.00
3110-0040	Compartment B1 to be 30" deep IPOS 26" deep.	\$915.00
3110-0041	Stainless steel rear end assembly. Includes lower rear compartment, tailboard with slanted beavertails and bolt-on outboard compartments, (4) Cast Products steps- (2) each side, (1) intermediate step above B1 and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$7,391.00
3110-0042	Single low rear compartment. For use with low hosebed. Includes smooth plate panels.	\$1,032.00
3110-0043	Full Height Rear Compartment with Full Width Upper Storage Compartment. Includes officer side area for storage of (1) 10' Attic, (7) pike poles and a drop down storage access door with push button latches (wire to door ajar). Includes driver side area for storage of backboards and a drop down storage access door with push button latches (wire to door ajar). Includes (1) divider located 25" off officer's side wall. Includes diamond plate panels.	\$2,625.00
3110-0044	Bolt-on diamond plate 10" tailboard (full width of body). Includes handrails- (2) mounted vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$1,087.00
3110-0045	Upper and Lower Rear Compartment with Officer Side Ladder Tunnel. Includes smooth plate panels and storage access door with push button latches.	\$2,870.00
3110-0046	Enhanced extended rear compartmentation for Rescue Pumper. Includes 14" of additional interior width to the rear side compartments and 25" of additional depth in the rearward 14" wide section. Overall interior height will vary depending on additional option selections.	\$2,020.00
3110-0047	Full Height Rear Compartment with Full Width Upper Ladder Storage Compartment with smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (2) pike poles, (1) stokes basket, drop down storage access door with push button latches (wire to door ajar) and retaining straps for tunnel contents. Includes channels each side of ladder tunnel for discharges to terminate.	\$3,310.00

Option No.	Description	PRICE
3110-0048	Enhanced extended rear compartmentation for Rescue Pumper. Includes 14" of additional interior width to the rear side compartments and 25" of additional depth in the rearward 14" wide section. Overall interior height will vary depending on additional option selections. Includes bolt-on diamond plate tailboard (full width of rear compartment) and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$2,792.00
3110-0049	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 10" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work with diamond plate compartment tops, (1) officer side lower area folding step. Driver side includes (1) upper hosebed mounted handrail (as applicable) and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$2,432.00
3110-0050	Upper Storage Compartment to hold (1) stokes basket in place of standard ladder components. Stokes basket to be located on officer side of storage tunnel. Stop bracket included.	\$177.00
3110-0051	B1 compartment to have no door. Includes removal of compartment lights and door ajar.	\$390.00
3110-0052	Bolt-on diamond plate tailboard (full width of rear compartment). Includes the enhanced extended side compartment frame work and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$1,158.00
3110-0053	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 10" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$2,432.00
3110-0054	Rear Mount Rear Body. Includes rear body side structures with compartment L3/R3, interior compartment offset for pump panel location and mounting, rear body structure for rear mounted pump application (includes painted job color smooth plate panels outboard of pump access/panel(s) and rear body hosebed.	\$14,508.00
3110-0055	Rear Mount rearward body compartments (with officer side pump panel). Includes L3- 54.5" wide x 24" deep (as applicable) in the 56" lower area and 12" deep in the 12" upper area and R3 (pump panel location)- 54.5" wide x 24" deep (as applicable) in the 24" lower area and 12" deep in the 44" upper area.	\$0.00
3110-0056	Compartment preconnect hose feed thru. Includes smooth plate doors with push button latches. Locate to [#LOC] just outboard of the rear pump panel.	\$2,170.00
3110-0057	Lower Rear Compartment only. Upper section to be diamond plate panel. Includes diamond plate panels.	\$1,120.00
3110-0058	Rear of body to have flush un-painted smooth plate body panels to facilitate rear body striping.	\$1,379.00
3110-0060	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes diamond plate panels. Includes area for misc. storage and a drop down storage access door with push button latches (wire to door ajar).	\$2,208.00
3110-0061	Bolt-on diamond plate tailboard (full width of rear compartment). Includes the enhanced extended side compartment frame work with diamond plate compartment tops, (1) officer side lower area folding step with integral lights. Driver side includes (1) upper hosebed mounted handrail (as applicable) and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$903.00
3110-0062	Upper Storage Compartment to hold (1) backboard in place of standard ladder components. Backboard to be located on officer side of storage tunnel. Includes stop bracket located at approximately 80".	\$314.00
3110-0063	Full Height Rear Compartment with Upper Storage Compartment. Includes smooth plate panels. Includes area for misc. storage and a drop down storage access door with push button latches (wire to door ajar).	\$2,208.00

Option No.	Description	PRICE
3110-0064	Upper Storage Compartment to have (1) bolt-in compartment 24" deep. Compartment for storage of misc. items. Includes holding center divider for lower hosebed short to allow room for compartment.	\$623.00
3110-0065	Full Height Rear Compartment with Officer Side Ladder Tunnel. Includes officer side rear tunnel access door with latch (material to match rearend platework).	\$1,204.00
3110-0066	Full Height Rear Compartment.	\$1,080.00
3110-0067	Lower Rear Compartment only. Upper section to be diamond plate panel. Includes diamond plate panels. Additional diamond plate area just above compartment for mounting of recessed directional lightbar.	\$6,217.00
3110-0068	Center Slam Strip Rear End with (3) compartments - (2) lower and (1) upper and a smooth plate center strip for a Jet or Newton Dump application. Includes smooth plate panels. Includes area above upper compartment for directional lightbar.	\$4,938.00
3110-0069	Full Height Rear Compartment with Upper Storage Compartment and Officer Side Ladder Tunnel. Includes diamond plate panels and storage access doors with Tri-Mark model 030-1300 door latches. The upper tunnel to have on the officer side a stop at 128" and on the driver side a stop at 72" from rear of truck.	\$2,794.00
3110-0070	Upper and Lower Rear Compartment. Includes smooth plate panels. B1 to be 36" wide due to enhanced extended feature and vertically hinged door(s).	\$2,586.00
3110-0071	Spacer panel(s) for recess/warning lighting. Located:[#LOC]. Panel(s) to be painted job color and to include mounting area for any and all lighting mounted in area.	\$303.00
3110-0072	Rear of body to have flush painted smooth plate body panels.	\$1,686.00
3110-0073	Upper rear compartment depth to be approximately 29" deep.	\$539.00
3110-0074	Full Height Rear Compartment with Officer Side Ladder Tunnel. Includes smooth plate panels and storage access door with push button latch. Includes a 18" channel for (2) tank inlets and (1) 5" jet dump located 16" up from bottom of compartment opening. Includes area above the channel for mounting of a booster reel. The lower opening to have double door and the upper opening to have a dutch door.	\$4,914.00
3110-0075	Full Height Rear Compartment with Officer Side Ladder Tunnel. Includes diamond plate panels and storage access door with push button latch(es). Includes stepped upper horizontal tube to reduce hosebed height from ground over tank and driver side hosebed area.	\$3,021.00
3110-0076	Full Height Rear Compartment with Officer Side Ladder Tunnel. Includes diamond plate panels and storage access door with D-ring latch.	\$1,167.00
3110-0077	Provide modification to B1 officer side compartment opening. To include vertical extrusion and smooth plate panel with lower access door with push button latches for access to tow eye in compartment. Interior width of B1 to remain standard.	\$1,354.00
3110-0078	Lower Rear Compartment only. Upper section to be smooth plate panel. Includes smooth plate panels.	\$1,120.00
3110-0079	Rear of body to have painted extrusions with un-painted smooth plate body panels to facilitate rear body panel striping.	\$267.00
3110-0080	Center Slam Strip Rear End with smooth plate center strip for a Jet or Newton Dump application. Includes smooth plate low side panels and diamond plate upper panel.	\$2,104.00
3110-0081	Full Height Rear Compartment with Officer Side Ladder Tunnel. Includes smooth plate panels and storage access door with D-ring latch.	\$1,204.00

Option No.	Description	PRICE
3110-0082	Rear Mount rearward body compartments (with driver side pump panel). Includes R3- 60" wide x 24" deep (as applicable) in the 56" lower area and 12" deep in the 12" upper area and L3 (pump panel location)- 60" wide x 24" deep (as applicable) in the 24" lower area and 12" deep in the 44" upper area.	\$0.00
3110-0083	Half length officer side tunnel. Reduces officer side upper compartment depths of R2 and R3 to 12" deep IPO 26".	\$2,193.00
3110-0085	Upper and Lower Rear Compartment. Includes upper and lower sanded smooth plate panels. Upper rear compartment door to be offset to driver side constructed of smooth plate. Upper rear compartment to be 56" wide for little giant ladder storage. (2) 1.5" x 4" extrusions to be stacked between upper and lower compartments for directional light mounted under intermediate rear step.	\$2,395.00
3110-0086	Bolt-on diamond plate 24" tailboard (full width of hosebed). Includes handrails- (2) vertical mounted on trailing edge of body and (1) horizontal mounted handrail(s) below hosebed.	\$1,155.00
3110-0087	Full Height Rear Compartment with Upper Storage Compartment and Officer Side Ladder Tunnel. Includes smooth plate panels and storage access doors with Tri-Mark door latches.	\$2,871.00
3110-0088	Full Height Rear Compartment with Officer Side Ladder Tunnel. Includes diamond plate panels and storage access door with push button latch. Officer side to have Rescue Pumper and Driver to have Pumper style enhanced extended.	\$4,615.00
3110-0090	Handrail above B1 and below the hosebed will be "split". Each handrail to be approximately 18" and installed approximately 6" offset of centerline of B1 to allow for a 12" gap at center.	\$544.00
3110-0091	Rear Mount rearward body compartments (with officer side pump panel). Includes L3- 60" wide x 24" deep (as applicable) in the 56" lower area and 12" deep in the 12" upper area and R3 (pump panel location)- 60" wide x 24" deep (as applicable) in the 24" lower area and 12" deep in the 44" upper area.	\$0.00
3110-0092	Enhanced Extended Compartmentation stepped down below hosebed level. Includes embossed diamond plate compartment tops.	\$0.00
3110-0093	Full Height Rear Compartment with Driver Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch.	\$1,204.00
3110-0094	Full Height Rear Compartment with Upper Storage Compartment and Driver Side Storage Tunnel. Includes smooth plate panels and storage access doors with push button latches.	\$2,296.00
3110-0095	Full Height Rear Compartment with Driver and Officer Side Storage Tunnels. Includes smooth plate panels and storage access doors with push button latches.	\$1,328.00
3110-0096	Full Height Rear Compartment with Upper Storage Compartment, Driver and Officer Side Storage Tunnels. Includes smooth plate panels and storage access doors with push button latches.	\$2,569.00
3110-0097	Bolt-on smooth plate tailboard (full width of rear compartment). Tailboard to include gator grip and be black duraback painted. Includes the enhanced extended side compartment frame work (2008 design) and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed. Handrails to include center stanchion.	\$1,753.00
3110-0098	Rear Mount rearward body compartments (with officer side pump panel). Includes L3- 60" wide x 24" deep (as applicable) in the 30" lower area and 12" deep in the 34" upper area and R3 (pump panel location)- 60" wide x 24" deep (as applicable) in the 24" lower area and 12" deep in the 44" upper area.	\$0.00
3110-0099	NFPA hose bed access ladder. Zico model RL12 for increased visibility of rear outboard body mounted DOT/NFPA lighting. Includes required step lights and additional hand rail(s) if applicable. Location: [#LOC].	\$1,816.00
3110-0100	Backboard stop bracket to be located approximately 76" back in officer side of ladder tunnel.	\$251.00

Option No.	Description	PRICE
3110-0101	Compartment preconnect hose feed thru. Includes smooth plate doors with push button latches. Locate to [#LOC] just outboard of the rear pump panel.	\$1,316.00
3110-0102	Upper Storage Compartment to hold (2) backboards in place of standard ladder components. Backboard to be located on officer side of storage tunnel. Includes stop bracket located at approximately 74".	\$623.00
3110-0103	Bolt-on diamond plate tailboard (full width of rear compartment). Includes the enhanced extended side compartment frame work with diamond plate compartment tops (embossed IPO Gator Grip due to department mounting of hose storage connectors in this area) and (1) driver and officer side lower area folding step (NO steps on driver or officer side upper areas). Main hosebed access is to be from the driver side of the pump module access ladder. Includes handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$1,017.00
3110-0104	(2) vertically mounted booster reel roller assemblies. Locate (1) each side inboard side of the enhanced extended area (as far outboard as applicable). For use with rear compartment mounted booster reel.	\$508.00
3110-0105	Upper Storage Compartment to hold (1) 17' Little Giant ladder and (1) backboard in place of standard ladder components. Little giant ladder to be located on officer side of storage tunnel stop bracket included approximately 113" back from opening, ladder to be stored in unfolded position. Backboard to be located in aluminum box hanging from upper area of officer side tunnel. Tunnel divider to be held 6" short from opening.	\$623.00
3110-0106	Rear Mount pump/ladder tunnel access door. Includes single center mounted D-Ring latch and (2) hold open devices. Door to be [#LOC]. Door to open to 90 degrees and includes pull strap for access from ground.	\$513.00
3110-0107	Upper and Lower Rear Compartment. Includes smooth plate panels. Includes a 19" channel for (2) tank inlets and (1) 5" jet dump located between the upper and lower non-transverse style compartments. The lower compartment height to be 15".	\$3,952.00
3110-0108	Rear Mount rearward body compartments (with driver side pump panel). Includes R3- 60" wide x 24" deep (as applicable) in the 30" lower area and 12" deep in the 34" upper area and L3 (pump panel location)- 60" wide x 24" deep (as applicable) in the 24" lower area and 12" deep in the 44" upper area.	\$0.00
3110-0109	Upper and Lower Rear Compartment. Includes smooth plate lower panels outboard of B1 and diamond plate upper panels outboard of B2. The B1 compartment to be 42" wide and B2 compartment to be 38" wide. Includes (2) 1.5" x 4" extrusions to be stacked between upper and lower compartments for directional light mounted under intermediate rear step.	\$3,855.00
3110-0110	Rear Mount Rear Body. Includes rear body side structures with compartment L3/R3, interior compartment offset for pump panel location and mounting, rear body structure for rear mounted pump application. Includes painted job color smooth plate panels (and storage access door with push button latch, if applicable) outboard of pump access/panel(s) and rear body hosebed.	\$10,246.00
3110-0111	Upper and Lower Rear Compartment. Includes smooth plate lower panels outboard of B1 and diamond plate upper panels outboard of B2. Includes (2) 1.5" x 4" extrusions to be stacked between upper and lower compartments for directional light mounted under intermediate rear step and back-up camera to be mounted centered in front of directional lightbar. The upper compartment to be offset to officer side due to rear discharge options.	\$3,855.00
3110-0112	The rear mounted E-ONE logo to be the small size and mount to the outboard side on the driver side rear compartment face. No logo or tags are to be installed on the exterior rear pump/ladder access door.	\$0.00
3110-0113	Bolt-on diamond plate 12" tailboard with Gator Grip (full width of body). Includes hand rails- (2) vertical on trailing edge of body and horizontal mounted hand rail(s) below hose bed.	\$1,087.00

Option No.	Description	PRICE
3110-0114	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$1,087.00
3110-0115	Bolt-on diamond plate 12" tailboard with Gator Grip (full width of body). Includes (2) squared off beavertails with hand rails- (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$815.00
3110-0116	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. Includes (2) squared off beavertails with hand rails, (2) vertically on trailing edge of beavertails and horizontally mounted hand rail below hose bed.	\$815.00
3110-0117	Bolt-on diamond plate 20" tailboard with Gator Grip. Includes hand rails- (2) vertically on trailing edge of body and horizontally mounted hand rail(s) below hose bed.	\$1,011.00
3110-0118	Bolt-on diamond plate 20" tailboard between rear side compartments with Bustin Tread. Includes hand rails (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$1,011.00
3110-0119	Bolt-on diamond plate 20" tailboard with Gator Grip (full width of body). Includes (2) squared off beavertails with hand rails- (2) vertically on trailing edge of body and horizontally mounted hand rail(s) below hose bed.	\$1,011.00
3110-0120	Bolt-on diamond plate 20" tailboard with Bustin Tread (full width of body). Includes (2) squared off beavertails with hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$1,011.00
3110-0121	Bolt-on diamond plate 20" tailboard with Gator Grip (full width of body). Includes (2) slanted beavertails with removable outer panels and hand rails- (2) vertically on trailing edge of body and horizontally mounted hand rail(s) below hose bed.	\$1,011.00
3110-0122	Bolt-on diamond plate 20" tailboard with Bustin Tread (full width of body). Includes (2) slanted beavertails and hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$1,011.00
3110-0123	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 26" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$1,120.00
3110-0124	Lower rear stainless steel tall compartment B1, 46" wide x 45" high x 26" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$1,295.00
3110-0125	Upper Storage Tunnel to have bolt-in side panels to enclose the sides of the tunnel.	\$623.00
3110-0126	Upper and Lower Rear Compartment with Driver and Officer Side Storage Tunnels. Includes smooth plate panels. Includes a 19" area for (1) tank inlet and (1) 5" jet dump located between the upper and lower compartments. The lower compartment height to be 17". The upper compartment to be full height and depth, includes bolt-in floor for access to plumbing components. Driver side tunnel opening to be narrowed to allow non-recessed folding step.	\$4,239.00
3110-0127	Bolt-on diamond plate 18" tailboard (full width of body). Includes (2) slanted beavertails (no stanchions) with removable outer panels and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed. Upper beavertail to be 8.75 due to folding steps.	\$1,264.00
3110-0128	Full Height Rear Compartment with smooth plate panels. The rear compartment to be 36" due to the enhanced extended compartment and double door options.	\$1,425.00
3110-0129	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch. The rear compartment to be 36" due to the enhanced extended compartment and double door options.	\$1,549.00
3110-0130	Rear end tanker. Includes smooth plate upper and lower panels and a smooth plate center strip for a Jet or Newton Dump application.	\$649.00

Option No.	Description	PRICE
3110-0131	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch. Includes stepped upper horizontal tube to reduce hosebed height from ground over tank area.	\$2,352.00
3110-0132	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 10" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work and handrails - (1) vertical on trailing edge of body opposite side of ladder and handrail(s) horizontal below hosebed.	\$2,432.00
3110-0133	Rear end tanker. Includes smooth plate upper and lower panels, a smooth plate center strip for a Jet or Newton Dump application and upper area access door for thru the tank storage.	\$764.00
3110-0134	Lower rear stainless steel short compartment B1, TBD" wide x TBD" high x TBD" deep. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$0.00
3110-0135	Lower rear stainless steel tall compartment B1, TBD" wide x TBD" high x TBD" deep. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$0.00
3110-0136	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (4) pike poles and a lift-up storage access door with push button latches (wire to door ajar). Lift-up door to use plunger style hold open device. Includes "NO STEP" tags located on outboard ends and positioned to be read from the open position of the door.	\$2,208.00
3110-0137	Rear body panels to be painted smooth FRP.	\$289.00
3110-0138	Rearend assembly with 3/4 height rear body compartment. Compartment located directly above chassis frame rails and to be non-transverse. For use with Industrial products and pumpers with large fuel tanks over 65 gallons. only.	\$1,295.00
3110-0139	Rearend assembly with no rear compartment. For use with Industrial products only.	\$649.00
3110-0140	Rearend assembly with 3/4 height rear end and dual dry chemical access doors. The upper access areas to either side of the center section to provide access to the dry chemical vessel and the nitrogen bottle(s). For use with Industrial products only.	\$972.00
3110-0142	Upper rear compartment stepped for use newton dump.	\$203.00
3110-0143	(2) bolt-on compartments. Locate (1) each side of B1. Each compartment includes a hinged smooth plate door with D-Ring latch (wired into door ajar indicator), removable slat flooring and Gator Grip compartment top. Driver side compartment to be 37" high and officer side compartment to be 31" high. Lower hosebed access step (two driver side and one officer side) to be mounted to inboard side of compartment.	\$2,136.00
3110-0144	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 10" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work and handrails - (1) vertical on trailing edge of body opposite side of ladder and handrail(s) horizontal below hosebed on trailing edge of the intermediate step.	\$2,432.00
3110-0145	Full Height Rear Compartment with smooth plate panels.	\$1,366.00
3110-0146	Rear end with full height compartment. Includes diamond plate panels and double upper extrusions below hosebed area. Interior of compartment to be transverse side to side.	\$1,583.00
3110-0147	Bolt-on diamond plate 16" tailboard (full width of body). Includes (2) slanted beavertails with raised stanchions post with E-ONE logo style mounts and removable outer panels, handrails- (2) vertically on trailing edge of body/beavertail and horizontally mounted handrail below hosebed on trailing edge of intermediate step.	\$815.00

Option No.	Description	PRICE
3110-0148	Bolt-on tailboard compartments located to the driver and officer side of B1. The bolt-on tailboard compartments to be 64" high with embossed diamond plate compartment tops. The compartments includes hinged smooth plate door with 1/4 turn latch(es). The each compartment to have 4" gap at top of the door. Each door to be wired into door ajar indicator.	\$3,119.00
3110-0149	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (2) pike poles and a drop down storage access door with Tri-Mark latch (wire to door ajar).	\$2,290.00
3110-0150	Upper Storage Compartment to hold (1) 17' Little Giant ladder. Little giant ladder to be located on driver side of storage tunnel stop bracket included approximately 58" back from opening.	\$623.00
3110-0151	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 5.5" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work with diamond plate compartment tops, (1) officer side lower area folding step. Driver side includes (1) upper hosebed mounted handrail (as applicable) and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$2,432.00
3110-0152	Upper Storage Compartment divider to be located offset 26" from officer side. Officer side of divider to be enclosed to 86" deep and driver side of divider to be enclosed to 72" deep.	\$623.00
3110-0153	Rear access into the enhanced extended portion of the L2 and R2 compartments. Includes smooth plate access doors with (2) push button latches each (wired to door ajar).	\$797.00
3110-0154	Bolt-on diamond plate 6" tailboard (full width of body). Includes handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$1,125.00
3110-0155	Extruded lower rearend for use with Wetside tank. Includes smooth plate panels and area for Newton dump application.	\$1,048.00
3110-0156	Upper Storage Compartment to hold (1) 17' Little Giant ladder, (1) 24' 2-section ladder, (1) 14' roof ladder, (1) 10' attic ladder and (2) pike poles.	\$623.00
3110-0157	Rear end with Upper Storage Compartment. Includes smooth plate panels. Includes area for misc. storage and vertical hinged double doors with D-ring latch (wire to door ajar).	\$2,208.00
3110-0158	Bolt-on diamond plate 16" tailboard (full width of body). Includes handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$1,257.00
3110-0159	Full Height Rear Compartment with smooth plate panels for mini pumper. Compartment width will be 44" wide.	\$1,080.00
3110-0160	(2) bolt-on compartments. Locate (1) each side of B1 - driver side to have 11.5" wide x 46" high opening and officer side to have 14.5" wide x 29" high opening. Each compartment to be 21" deep. Each compartment includes a hinged smooth plate door (with 4" gap at top for connecting of hose stored in compartment) with D-Ring latch (wired into door ajar indicator), removable slat flooring and Gator Grip compartment top. Lower hosebed access step (two on the driver side and one on the officer side) to be mounted to inboard side of compartment.	\$1,993.00
3110-0161	Bolt-on diamond plate 25" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and (2) 48" handrails vertical on beavertails and (1) 36" horizontal below hosebed.	\$1,246.00
3110-0162	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch. B1 compartment opening to be 35" wide due to officer side tailboard compartment.	\$1,377.00

Option No.	Description	PRICE
3110-0163	Enhanced extended rear end with tall rear compartment and with officer side storage tunnel. Driver side enhanced extended to be Pumper style and officer to be Recue Pumper style. Officer side hosebed extrusion to be stepped for storage tunnel. Included are diamond plate tailboard full width of the rear compartment, smooth plate panels and storage access door (wired to door ajar) with push button latch.	\$2,596.00
3110-0164	Bolt-on diamond plate 24" tailboard (full width of body). Includes (2) squared off 12" deep beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed. The outer beavertail panels to be aluminum smooth plate to allow for chevron striping. For use with swivel style rear tank dump only.	\$1,388.00
3110-0165	Full Height Rear Compartment with Driver Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch. The rear compartment to be 36" due to the enhanced extended compartment and double door options.	\$1,549.00
3110-0166	Full height rear compartment with officer side storage tunnel. Includes bolt-on intermediate step above. SS eMAX only.	\$1,436.00
3110-0167	Full Height Rear Compartment with Upper Storage Compartment and Officer Side Ladder Tunnel. Includes smooth plate panels and storage access doors with Tri-Mark model 030-1300 door latches. The upper tunnel access door to be horizontally hinged lift-up with gas shock. The upper tunnel to have on the officer side a stop at 128" and on the driver side a stop at 72" from rear of truck.	\$2,794.00
3110-0168	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 5" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work, (1) officer side lower area folding step and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$1,776.00
3110-0169	Right Rear Panel Compartment at the rear face of the body on the right side. The compartment shall be 58" high x 27" wide x 10" deep equipped with a single stainless steel lap style door with D-ring locking latch. The floor will be lined with 1/2" U.H.M.W plastic.	\$2,822.00
3110-0170	Lower Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch.	\$1,328.00
3110-0171	Rear of stainless steel aerial body to have un-painted smooth plate panels to facilitate rear body striping.	\$309.00
3110-0172	Bolt-on diamond plate 14" tailboard full width of body with Bustin Tread, provides flat back body design. Includes rear of body hand rails.	\$1,151.00
3110-0173	Rear body smooth ladder door be painted job color finish to match body color.	\$414.00
3110-0174	Traffic advisor platework to be removed to allow for taller compartment opening.	\$0.00
3110-0175	Lower Rear Compartment only. Upper section to be smooth plate panel. Includes smooth plate panels. Upper section to be set back 8" with diamond plate step with gator grip.	\$2,615.00
3110-0176	Full Height Rear Compartment. Includes smooth plate panels. B1 to be as tall as possible (remove traffic advisor platework).	\$1,268.00
3110-0177	Bolt-on diamond plate 12" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and (2) vertical mounted handrails on trailing edge of body.	\$815.00
3110-0178	Full height rear compartment. Includes smooth plate panels. Bolt-on diamond plate tailboard (full width of rear compartment). Includes the driver side rescue style enhanced extended side compartment frame work with diamond plate compartment tops, officer side pumper style enhanced extended side compartment frame work with diamond plate compartment top. Officer side lower rear compartment will be transverse with B1. Handrail included and located: (1) driver upper hosebed mounted handrail (as applicable) and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$2,996.00

Option No.	Description	PRICE
3110-0179	Upper Storage Compartment to hold (1) 24' 2-section ladder, (1) 14' roof ladder, (1) 12' pike pole, (1) 8' pike pole, (2) 6' pike poles and (2) 6' D-handle trash hooks. Area rearward of pike poles to be closed off just before fill towers.	\$797.00
3110-0180	Bolt-on diamond plate 14" tailboard (full width of body). For use with rear ladder/flat back style application. Includes handrails- (1) mounted vertical on trailing edge of body opposite side of ladder and handrail(s) horizontal below hosebed.	\$1,120.00
3110-0181	Rear flip down tailboard. Includes indicator in cab when the tailboard is in the down position. Includes handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$3,926.00
3110-0182	Full Height Rear Compartment with Upper Storage Compartment. Includes diamond plate panels. Includes area for misc. storage and a drop down storage access door with a D-ring latch (wire to door ajar).	\$2,208.00
3110-0183	Full height rear compartment with upper ladder storage compartment. Includes smooth plate panels. Includes area for storage of (1) 24',(1)14',(1)10' attic, (2) pike poles and a drop down storage access door with push button latches (wire to door ajar).note door to open up past 90 degrees.	\$2,208.00
3110-0184	(2) bolt-on compartments. Locate (1) each side of B1 - driver side to have 13" wide opening and officer side to have 16" wide opening. Each compartment includes a hinged smooth plate door (with 4" gap at top for connecting of hose stored in compartment) with D-Ring latch (wired into door ajar indicator), removable slat flooring and Gator Grip compartment top. Lower hosebed access step (one each side) to be mounted to inboard side of compartment.	\$1,993.00
3110-0185	Upper and Lower Rear Compartment. Includes smooth plate panels. Upper compartment to be as tall as possible (remove traffic advisor platework).	\$1,961.00
3110-0186	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch. Area just below hosebed for discharge pipe routing above the rear compartment. Includes stepped upper horizontal tube to reduce hosebed height from ground over tank area.	\$2,611.00
3110-0187	Rearend assembly with 3/4 height rear body for dry chemical access. Includes smooth plate panels. Compartment opening located directly above chassis frame rails and vertically hinged access door with D-ring latches. For use with Industrial products only.	\$1,295.00
3110-0188	Bolt-on diamond plate 10" tailboard (full width of body). For use with rear ladder application. Includes a handrail vertically mounted on trailing edge of body opposite side of ladder.	\$974.00
3110-0189	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch (remove traffic advisor platework).	\$1,204.00
3110-0190	Lower rear stainless steel short compartment B1, 46" x 35" high x 26" deep. Includes intermediate step above. Side walls removed to allow a Little Giant ladder to be slid in from compartment R3. Provide a stainless steel bolt-on panel to conceal and protect ladder when stored.	\$1,385.00
3110-0191	Bolt-on diamond plate 14" tailboard between rear side compartments with Bustin Tread. Includes hand rails (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$1,151.00
3110-0193	Full Height Rear Compartment with Driver Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch.	\$1,659.00
3110-0194	Full Height Rear Compartment with smooth plate panels. The B1 compartment to be 40" wide, full depth (no compartment break) and as tall as possible (remove traffic advisor platework).	\$1,659.00
3110-0195	Full Height Rear Compartment. Includes smooth plate panels. The rear compartment to be 36" due to the enhanced extended compartment and double door options.	\$1,196.00

Option No.	Description	PRICE
3110-0196	Rear end assembly with dual dry chemical access doors. The upper access areas to either side of the center section to provide access to the dry chemical vessel and the nitrogen bottle(s) to include (2) dividers.	\$2,012.00
3110-0197	The rear mounted E-ONE logo to be centered on the rear Stokes storage door.	\$0.00
3110-0198	B1 floor to be recessed as applicable to allow for booster reel and/or dealer installed equipment to be located below newton dump/applicable dump without interference.	\$528.00
3110-0199	Compartment B1, 24" wide x 10" high x 26" deep, located between full length chassis frame rails. The compartment shall include a bottom hinged drop-down access door using a D-ring latch (wire to door ajar).	\$1,014.00
3110-0200	Full Height Rear Compartment with Driver and Officer Side Storage Tunnels. Includes smooth plate panels and storage access doors with d-ring latches.	\$1,357.00
3110-0201	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 10" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work and (1) handrail vertical on trailing edge of driver's side of body and horizontal mounted handrail (driver's side) below hosebed.	\$2,432.00
3110-0202	Upper and Lower Rear Compartment. Includes upper and lower sanded smooth plate panels. Upper rear compartment door to be offset to driver side constructed of smooth plate. Upper rear compartment to be 56" wide for little giant ladder storage. (2) 1.5" x 4" extrusions to be stacked between upper and lower compartments for directional light mounted under intermediate rear step.	\$2,395.00
3110-0203	Bolt-on diamond plate tailboard (full width of rear compartment). Includes the enhanced extended side compartment frame work with diamond plate compartment tops raised 12" to cover rear piping, (1) officer side lower area folding step. Driver side includes (1) upper hosebed mounted handrail (as applicable) and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$1,246.00
3110-0204	Lower rear stainless steel tall compartment B1, 46" wide x 50" high x 26" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$1,380.00
3110-0205	Full Height Rear Compartment with smooth plate panels for mini pumper. Compartment opening dimensions will be approximately 44" wide x 38" wide. Extra compartment height will reduce the hosbed by approximately 11".	\$1,080.00
3110-0206	Full Height Rear (no compartment). Includes opening for access to rear mount pump panel and smooth plate panels. Includes openings for preconnects to driver's side of rear pump panel	\$1,537.00
3110-0207	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 26" deep, without an intermediate rear step. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$895.00
3110-0208	Bolt-on diamond plate 10" tailboard (full width of body). For use with a folding step application. Includes handrails- (2) vertical on trailing edge of body and handrail(s) horizontal below hosebed.	\$748.00
3110-0209	Upper and Lower Rear Compartment. Includes smooth plate panels. B1 to be 36" wide due to enhanced extended feature and hinged door(s) as required.	\$2,586.00
3110-0210	Bolt-on diamond plate 10" tailboard (full width of body). For use with folding step application. Includes handrails- (1) vertical on trailing edge each side of body and handrail(s) horizontal below hose bed.	\$974.00
3110-0211	Bolt-on diamond plate tailboard (full width of rear compartment). Includes the enhanced extended side compartment frame work with diamond plate compartment tops, (2) recessed folding steps in lower area (1) officer side, (1) driver side. Driver side includes (1) upper hosebed mounted handrail (as applicable) and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$1,167.00

Option No.	Description	PRICE
3110-0212	Bolt-on diamond plate tailboard (full width of hosebed). Additional 10" of tailboard to run full width of body ("T" shaped tailboard). Includes the extended side compartment frame work and handrails- (2) vertical mounted on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$2,432.00
3110-0213	Bolt-on diamond plate 20" tailboard with Bustin Tread (full width of body). Includes (2) slanted beavertails and hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed. Lower rear stainless steel short compartment B1, 46" wide x 35" high x 26" deep, without an intermediate rear step. Entire rear panel to be smooth stainless steel for Chevron graphics.	\$2,222.00
3110-0215	Upper Storage Compartment to hold (1) 10' attic ladder, (4) pike poles, and (2) 6" x 10' hard suction hoses. Includes stop bracket included approximately 130" back from opening. An enclosed frontal area shall be included as part of the tunnel design.	\$623.00
3110-0216	Bolt-on diamond plate 12" tailboard (full width of body). Includes (2) squared off beavertails with stanchions and removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$815.00
3110-0217	(1) Officer side rear pump module roof top compartment. Includes hinged raised aluminum smooth plate with black Scorpion coating (IPOS diamond plate) compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab. Outboard side of body to run full width and wrap around the rear and meet with the end of the hosebed end.	\$1,719.00
3110-0218	(1) Driver side rear pump module roof top compartment. Includes hinged raised smooth plate with black Scorpion coating (IPOS diamond plate) compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab. Outboard side of body to run full width and wrap around the rear and meet with the end of the hosebed end.	\$1,719.00
3110-0220	Bolt-on 10" tailboard (full width of body) aluminum smooth plate with black Scorpion coating (IPOS diamond plate). For use with rear ladder application. Includes handrails- (1) vertically on trailing edge of body opposite side of ladder and handrail(s) horizontally below hosebed.	\$1,278.00
3110-0221	Full height rear compartment with upper storage compartment. Includes smooth plate panels. Includes area for misc. storage and a lift up storage access door with push button latches (wire to door ajar).	\$2,377.00
3110-0222	Bolt-on 10" diamond plate tailboard (full width of rear compartment). Includes the enhanced extended side compartment frame work. For use with rear ladder application. Includes handrails (1) vertical mounted on trailing edge of body opposite side of ladder and (1) horizontal mounted handrail(s) below hosebed.	\$2,130.00
3110-0223	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with d-ring latch.	\$1,204.00
3110-0224	Rear body panels to be upgraded from smooth aluminum plate to un-painted smooth FRP.	\$289.00
3110-0225	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (2) pike poles and a lift up storage access door with push button latches (wire to door ajar). The door shall be held in place with a plunger style hold open device.	\$2,208.00
3110-0226	Bolt-on diamond plate 22" tailboard between rear side compartments with Bustin Tread. Includes hand rails (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$1,151.00
3110-0227	Upper and lower rear compartment. Includes smooth plate panels. For use with raised lower rear body (B1 is 25" high).	\$1,843.00

Option No.	Description	PRICE
3110-0228	Bolt-on diamond plate 12" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertical trailing edge of body and horizontal mounted handrail(s) below hosebed. Beavertails and outer panels to be smooth plate painted job color. Tailboard to diamond plate painted black durabak.	\$2,011.00
3110-0229	Lower rear stainless steel tall compartment B1, 46" wide x approx. 64" high x 26" deep, but door opening remains in the normal 45" high position. Includes bolt-on intermediate step above the door opening. Entire rear panel to be smooth plate for Chevron graphics.	\$1,433.00
3110-0230	Bolt-on 10" tailboard (full width of body) aluminum smooth plate with black Scorpion coating (rough finish) IPOS diamond plate. For use with rear ladder application. Includes handrails- (1) vertically on trailing edge of body opposite side of ladder and handrail(s) horizontally below hosebed.	\$1,278.00
3110-0231	(1) bolt-on compartment. Locate on the officer side of rear step and to have 16" wide opening. The compartment includes a vertically hinged smooth plate door (with 4" gap at top for connecting of hose stored in compartment) with D-ring latch (wired into door ajar indicator), removable Duradek flooring and embossed non-skid treadplate compartment top. Lower hose bed access step to be mounted to inboard side of compartment.	\$998.00
3110-0232	Bolt-on diamond plate 22 inch tailboard tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$1,275.00
3110-0233	Bolt-on tailboard compartments located to the driver and officer side of B-1. The bolt-on tailboard compartments to be full height just below hosebed. Doors to be (1) Piece full height as applicable and hinged to the outside with push-button latches. Install shelf tracking in each compartment full height	\$3,692.00
3110-0234	Upper Storage Compartment to hold (1) stokes basket in place of standard ladder components. Stokes basket to be located on officer side of storage tunnel. Stop bracket full width across tunnel shall be included.	\$177.00
3110-0235	Step full width rear intermediate. Intermediate rear step to be located just below the upper ladder storage compartment.	\$843.00
3110-0236	Step full width rear intermediate. Intermediate rear step to be located just above the upper ladder storage compartment.	\$843.00
3110-0237	Full height rear compartment with upper storage compartment. Includes smooth plate panels. Includes an area for misc. storage and a lift up storage access door with a D-ring latch (wire to door ajar) and a plunger style hold open device. To include a storage sleeve for (2) backboards (72"X16"X2" each) offset to the officer side with a stop at 80".	\$2,542.00
3110-0238	Bolt-on diamond plate 18" tailboard (full width of body). Includes handrails- (2) vertically on trailing edge of body and handrail(s) horizontally below hosebed.	\$1,856.00
3110-0239	Bolt-on diamond plate 10" tailboard (full width of body). Includes handrail - (1) vertically on officer side trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$1,087.00
3110-0240	Lower Rear Compartment with access door above to the ladders storage thru tank. Includes smooth plate panels and storage access door with push button latches.	\$1,798.00
3110-0241	(1) bolt-on compartment 17" W x 40" H x 11" D. Locate on the officer side of rear step and to have 15" wide opening. The compartment includes a vertically hinged smooth plate door (with 4" gap at top for connecting of hose stored in compartment) with D-ring latch (wired into door ajar indicator), removable Duradek flooring and embossed non-skid treadplate compartment top. Lower hose bed access steps to be mounted to inboard side of compartment.	\$1,056.00
3110-0242	Bolt-on diamond plate 25" tailboard between rear side compartments with Bustin Tread. Includes hand rails (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$1,151.00

Option No.	Description	PRICE
3110-0243	Bolt-on diamond plate 16" tailboard (full width of body). For use with flat back style body. Includes handrails- (1) vertically on trailing edge of body opposite side of ladder and handrail(s) horizontally below hosebed.	\$1,789.00
3110-0244	Single Low Rear Compartment with Officer Side Storage Tunnel. For use with low hosebed. Includes smooth plate panels and storage access door with push button latch.	\$1,204.00
3110-0245	Bolt-on diamond plate 18" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed. Outer panels to be smooth plate painted job color.	\$1,214.00
3110-0246	Bolt-on diamond plate 18" tailboard (full width of body). For use with rear ladder application. Includes handrails- (1) vertically on trailing edge of body opposite side of ladder and handrail(s) horizontally below hosebed.	\$1,856.00
3110-0247	Full Height Rear Compartment with Upper Storage Compartment and Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch. Upper compartment to be approx 17" high x 38" wide x 26" deep.	\$1,698.00
3110-0248	Full Height Rear Compartment. Includes smooth plate panels, angled rear body with flip down tailboard and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$3,446.00
3110-0249	Bolt-on diamond plate 10" tailboard (full width of body). Includes handrails- (2) vertically on trailing edge of body. Must be used with hosebed dividers that include hand hold cut outs (the horizontally mounted handrail(s) are not included).	\$1,087.00
3110-0250	Top of body stepping surface plate work (compartment tops and enhanced extended compartment top at rear of body) shall be smooth plate painted black Durabak.	\$765.00
3110-0251	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes flush smooth plate rear facing body panels and storage access door with push button latch.	\$1,379.00
3110-0252	Enhanced extended exterior inside facing walls at either side of B1 compartment opening shall be smooth plate painted black durabak.	\$629.00
3110-0253	Full Height Rear Compartment with smooth plate panels. Compartment material to be 5083-H321.	\$1,396.00
3110-0254	Single low rear compartment. For use with low hosebed. Includes smooth plate panels.	\$1,196.00
3110-0255	Full Height Rear Compartment 44" wide. Includes smooth plate panels.	\$1,295.00
3110-0256	Bolt-on diamond plate 14" tailboard (full width of body). For use with dual rear ladder application. Includes handrail horizontally mounted below hosebed.	\$1,120.00
3110-0257	Rear Panel Compartment. Compartment B1, located centered ahead of the rear tailboard, shall be 46" wide x approximately 50" high x 26" deep. Solid walls shall be provided on both sides of the rear compartment. This compartment shall be of 12 gauge 304L stainless steel.	\$1,327.00
3110-0258	Rear Panel Area. The entire rear panel of the body shall be covered using smooth FRP panels for application of the Chevron graphics. The rear panel area shall be of the flat back body design.	\$1,953.00
3110-0259	Bolt-on diamond plate 14" tailboard (full width of body). Includes handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$1,232.00
3110-0260	(1) officer side rear pump module extra width (inboard side) roof top compartment. Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) Amdor LED strip light and wired to door ajar indicator in cab. Outboard side of body to run full width and wrap around the rear and meet with the end of the hosebed end.	\$2,832.00

Option No.	Description	PRICE
3110-0261	(1) driver side rear pump module extra width (inboard side) roof top compartment (offset rearward and sized to allow deck gun to stow without interfering with hosebed area). Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) Amdor LED strip light and wired to door ajar indicator in cab. Outboard side of body to run full width and wrap around the rear and meet with the end of the hosebed.	\$2,488.00
3110-0262	Full Height Rear Compartment with Upper Storage Compartment and Officer Side Storage Tunnel. Upper Storage Compartment to be fully enclosed drop in / bolt in box with top. Compartment to be full height X full width of opening and 86" deep with a vertical partition located 26" from officer side. Driver side of partition to have a stop located 75" from box opening. Includes smooth plate panels and storage access doors with push button latches.	\$5,215.00
3110-0263	Lower Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch. Includes bolt-on panel between recessed traffic advisor and lower compartment for rear tank fill.	\$1,506.00
3110-0264	Lower rear stainless steel tall compartment B1, 46" wide x 60" high x 26" deep. Entire rear panel to be smooth FRP plate for Chevron graphics.	\$1,320.00
3110-0265	Bolt-on diamond plate 16" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$1,188.00
3110-0266	Rear end tanker. Includes smooth plate upper and lower panels, a smooth plate center strip for a Jet or Newton Dump application, driver, and officer side access doors for storage tunnels.	\$846.00
3110-0267	Upper and Lower Rear Compartment. Includes smooth plate panels. Upper compartment to be as tall as possible (remove traffic advisor platework).	\$2,618.00
3110-0268	Bolt-on diamond plate 12" tailboard 98" width Bustin Tread and Chicago style mitered corners. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$1,306.00
3110-0269	Lower rear stainless steel short and narrow compartment B1, 26" wide x 35" high x 26" deep, for use with special lower rear panel plumbing options. Includes 46" wide intermediate rear step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$1,129.00
3110-0273	Full Height Rear Compartment with 4" high permanent diamond plate shelf for a Upper and Lower Rear Compartment design. Includes smooth plate panels. Upper compartment to be as tall as possible (remove traffic advisor platework).	\$2,618.00
3110-0274	Bolt-on diamond plate 24" tailboard (full width of body). Includes (2) squared off 10" deep beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed. For use with swivel style rear tank dump only.	\$1,192.00
3110-0275	Lower rear stainless steel tall compartment B1, 46" wide x approx. 64" high x 34" deep, door opening 53" high position. Includes bolt-on intermediate step above the door opening. Entire rear panel to be smooth plate for Chevron graphics.	\$1,688.00
3110-0276	Lower Rear Compartment with access above to the ladders storage thru tank. Includes smooth plate panels and stepped upper horizontal tube to reduce hosebed height from ground over tank area.	\$2,076.00
3110-0277	Lower rear stainless steel short compartment B1, 46" wide x 40.25" high x 26" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$1,120.00
3110-0278	Upper rear body panel below hose bed and above lower compartments to be brushed stainless steel (no chevron). Panel to be full width and includes the area behind the rear discharge pipes.	\$199.00

Option No.	Description	PRICE
3110-0279	Bolt-on diamond plate 20" tailboard (full width of body). Includes (2) slanted beavertails with lowered height approx 5.5" from standard to inhibit interference as stowed with beacon lights as optioned (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$1,318.00
3110-0280	Bolt-on diamond plate 20" full width tailboard between rear side compartments with Bustin Tread. Includes hand rails (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed. Trailing edge of side compartments include 2" deep aluminum treadplate bumperettes to align tailboard to back of body.	\$1,195.00
3110-0281	Full Height Rear Compartment with Upper Storage Compartment and Side Storage Tunnel. Includes smooth plate panels and storage access doors with "D"-ring latches.	\$2,296.00
3110-0282	Single low rear compartment. For use with low hosebed. Includes smooth plate panels. B1 compartment 28" deep.	\$1,032.00
3110-0283	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (2) pike poles and a drop down storage access door with D-Ring latch (wire to door ajar).	\$2,288.00
3110-0284	Bolt-on diamond plate 18" tailboard (full width of body). Includes (2) slanted beavertails (no stanchions) with removable outer panels and handrails- (2) vertically on trailing edge of body.	\$1,070.00
3110-0285	The rearend area of the extra wide roof top compartment above the Zico access ladder to be recessed in 16". The stepping area to be embossed diamond plate and side and forward plates to be diamond plate.	\$796.00
3110-0286	Full Height Rear Compartment with Upper Storage Compartment and Officer Side Storage Tunnel. Includes smooth plate panels and storage access doors with "D"-ring latches. Divider to be full length and be positioned 27" off of driver side compartment wall or as applicable close to fill tower on water tank. Area to the left of the divider to have a stop and be 84" deep. Area to the right of the divider to have a stop and be 75" deep.	\$2,330.00
3110-0287	Upper rear stainless steel short compartment B2, 36" wide x 16" high x 26" deep. Entire rear panel to be smooth FRP plate for Chevron graphics.	\$904.00
3110-0288	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread, provides a flat back body design. Center section of step to be able to pull out and provide additional stepping surface. Includes hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$2,516.00
3110-0289	Pumper rear mount rear end with lower pump panel provisions and upper pump maintenance access door with driver side ladder tunnel. Includes smooth plate panels and storage access doors with D-ring latches.	\$1,265.00
3110-0290	Bolt-on diamond plate 12" tailboard (full width of body). For use with rear ladder application. Includes handrails- (1) vertical on trailing edge of body opposite side of ladder and handrail(s) horizontal below hosebed.	\$1,056.00
3110-0291	Single Low Rear Compartment with Officer Side Storage Tunnel. For use with low hosebed. Includes smooth plate panels and storage access door with d-ring latch.	\$1,204.00
3110-0292	Rear Panel Compartment. Compartment B1, located centered ahead of the rear tailboard, shall be 46" wide x approximately 50" high x 32" deep. Solid walls shall be provided on both sides of the rear compartment. This compartment shall be of 12 gauge 304L stainless steel.	\$1,327.00
3110-0293	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body and NO horizontally mounted hand rail below hose bed.	\$1,045.00
3110-0294	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 26" deep, without an intermediate rear step for hinged doors. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$895.00

Option No.	Description	PRICE
3110-0295	HS pumper / rescue pumper rear body with officer side storage tunnel. Includes center radiator mesh, smooth plate panels and storage access door with push button latch.	\$1,765.00
3110-0296	Lower Rear Compartment only. Upper section to be smooth plate panel. Includes smooth plate panels.	\$1,120.00
3110-0297	HS pumper / rescue pumper rear body. Includes center radiator mesh and smooth plate panels.	\$1,592.00
3110-0298	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 28', (1) 14', (1) 10' Attic, (1) Dry wall hook, (2) pike poles and a drop down storage access door with push buton latches (wire to door ajar).	\$2,208.00
3110-0299	1" X 1.5" extrusion added to lower B1 compartment door opening to form a 10" wide notch offset to officer side for 5" LDH hose connected to customer supplied and installed valve stored in B1. This will also require floor mounted rollout tray to be raised to clear lower door opening.	\$375.00
3110-0300	Full Height Rear Pump Panel Compartment with officer side ladder tunnel storage with smooth plate door secured with D-Ring style latch. Includes smooth plate panels, angled rear body with flip down tailboard and handrails as applicable. Pump Panels to be recessed in the rear body and enclosed on all sides.	\$5,505.00
3110-0301	Bolt-on diamond plate 10" tailboard (full width of body) with center integral slide-out step. Includes handrails- (1) vertical on trailing edge of body opposite side of ladder and handrail(s) horizontal below hosebed.	\$2,128.00
3110-0302	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (2) NY Roof Hook style pike poles and a drop down storage access door with push buton latches (wire to door ajar).	\$2,208.00
3110-0303	Full Height Rear Compartment with Driver and Officer Side Storage Tunnels. Includes smooth plate panels and storage access doors with push button latches tied to door ajar. Rear compartment to be dual purpose and equipped with a 22" wide door opening on the driver side and a rear body panel added in the remaining space for a rear slam strip to accommodate a jet dump and a direct tank fill in the lower officer side area of the rear compartment. Upper area above slam strip to include a vertical hinged access door of smooth plate aluminum matching rear of body selected finish with stainless steel hinge, push button latch and rubber impact bumper to cushion door on handrail in open position.	\$2,807.00
3110-0304	Full Height Rear Pump Panel Compartment. Includes smooth plate panels, angled rear body with flip down tailboard and handrails as applicable. Pump Panels to be recessed in the rear body and enclosed on all sides.	\$5,299.00
3110-0305	Lower rear stainless steel tall compartment B1, 46" wide x 45" high x 26" deep without intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$1,070.00
3110-0306	Lower Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with "D"-ring.	\$1,328.00
3110-0307	Rearend assembly with 3/4 height rear end and (3) dry chemical access doors. The upper access areas to the center section to provide access to the dry chemical vessel and two access doors to the nitorgen bottle(s). For use with Industrial products only.	\$972.00
3110-0308	Upper rear stainless steel short compartment B2, 39" wide x 12" high x 26" deep. Entire rear panel to be smooth FRP plate for Chevron graphics.	\$904.00
3110-0309	Bolt-on 3/16" (.1875") smooth plate painted black Durabak 10" tailboard (full width of body). For use with rear ladder application. Includes handrails- (1) vertical on trailing edge of body opposite side of ladder and handrail(s) horizontal below hosebed.	\$1,217.00

Option No.	Description	PRICE
3110-0310	Full height rear compartment with upper ladder storage compartment. Includes smooth plate panels. Includes area for storage of (1) 24',(1)14',(1)10' attic, (3) pike poles, including (1) one each 6', 8' and 10' with APH style hooks, a lift up storage access door with hold open springs and push button latches (wire to door ajar) note door to open up 90 degrees. There shall be label 'DO NOT STEP' to be applied "upside down" as viewed from the ground at the bottom of the lift-up door.	\$2,422.00
3110-0311	Bolt-on diamond plate tailboard (full width of rear compartment). 20" tailboard to run full width of body ("T" shaped tailboard). Includes the extended side compartment frame work and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$1,856.00
3110-0312	Bolt-on diamond plate 18" tailboard (full width of body). Includes (2) slanted beavertails (no stanchions) with removable outer smooth plate panels painted job color and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$2,031.00
3110-0313	Full Height Rear Compartment with Driver Side Storage Tunnel. Includes smooth plate panels and storage access door with D-ring latch.	\$1,247.00
3110-0314	Rear flip down tailboard to be painted Durabak black. Includes indicator in cab when the tailboard is in the down position. Includes handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$4,907.00
3110-0315	Upper rear compartment depth to be approximately 40" deep.	\$291.00
3110-0316	Lower Rear Compartment only 46" wide opening. Upper section to be smooth plate panel. Includes smooth plate panels.	\$1,292.00
3110-0317	Rear flip down tailboard. Includes indicator in cab when the tailboard is in the down position. Includes handrails- (1) vertical on trailing edge of body opposite side of ladder and handrail(s) horizontal below hosebed.	\$3,926.00
3110-0318	Upper and lower rear compartment. Includes smooth plate panels. For use with raised lower rear body (B1 is 29" high).	\$1,843.00
3110-0319	Handrails on rear of body below hosebed IPO standard hand rail. Includes (2) horizontally mounted handrails with offset stanchions. (1) each side of the camera below hosebed.	\$0.00
3110-0320	Full Height Rear Compartment with Officer Side Storage Tunnel. Rear tank fill to terminate above rear compartment thru a bolt-on access panel. Includes smooth plate panels and storage access door with push button latch.	\$1,592.00
3110-0321	Rear end tanker. Includes smooth plate upper and lower panels and a smooth plate center strip for a Newton Dump application.	\$843.00
3110-0322	Lower rear stainless steel short compartment B1, for hose reel.	\$1,120.00
3110-0323	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$1,087.00
3110-0324	Full Height Rear Compartment with Driver Side Storage Tunnel. Includes smooth plate panels and storage access door with "D"-ring latch.	\$1,204.00
3110-0325	Bolt-on diamond plate tailboard (full width of rear compartment). Includes the rear beavertail compartments and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$2,432.00
3110-0326	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 10" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work and handrails- (2) vertical on trailing edge of body. Does not include the horizontal handrail.	\$2,432.00
3110-0327	Rear body panels to be upgraded from smooth aluminum plate to aluminum treadplate. This includes the doors for ladder and storage tunnels (if applicable). For use with dealer/customer installed rear panel chevron.	\$706.00

Option No.	Description	PRICE
3110-0328	Bolt-on diamond plate 16" tailboard with Bustin Tread (full width of body). Includes (2) slanted beavertails and hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$953.00
3110-0329	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24' / 2section, (1) 16' roof, (1) 10' Attic, (3) pike poles with a drop down storage access door with push button latches (wire to door ajar).	\$2,255.00
3110-0330	Single low rear compartment. B1 compartment to be 30" deep and non transverse. For use with low hosebed. Includes smooth plate panels.	\$1,032.00
3110-0331	Lower rear stainless steel short compartment B1 between full length chassis frame rails with drop-down door, 26.5" wide x 14.5" high x 26" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$914.00
3110-0332	Bolt-on diamond plate 10" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$1,835.00
3110-0333	Enclosed Rear Pump Panel on Rear Mount. Includes 40" wide pump panel opening. Upper module area to have embossed diamond plate top.	\$1,807.00
3110-0334	Bolt-on diamond plate 14" tailboard (full width of body). For use with rear ladder application. Includes handrails- (1) mounted vertical on trailing edge of body opposite side of ladder and handrail(s) horizontal below hosebed. Gator grip to be on each end outboard of the rear pump panel enclosure.	\$1,120.00
3110-0335	Rear Compartment between frame rails. Includes bottom hinged drop-down access door using a D-ring latch (wire to door ajar).	\$1,014.00
3110-0336	The rearend area of the extra wide roof top compartment above the Zico access ladder to be recessed in 16". The stepping surface to be embossed diamond plate, side plates to be diamond plate and forward plate to be sanded smooth plate.	\$796.00
3110-0337	Full Height Rear Compartment with Officer Side Combination Storage Tunnel. Includes smooth plate panels and storage access doors with d-ring latches.	\$2,749.00
3110-0338	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (3) pike poles and a drop down storage access door with push button latches (wire to door ajar).	\$2,381.00
3110-0339	Bolt-on diamond plate 14" tailboard (full width of body). For use without a rear ladder application. Includes handrails- (2) mounted vertical on trailing edge of body and handrail(s) horizontal below hosebed.	\$1,120.00
3110-0340	Full Height Rear Compartment with Driver Side Combination Storage Tunnel. Includes smooth plate panels and storage access doors with d-ring latches.	\$2,749.00
3110-0341	Pumper rear mount rear end with lower pump panel provisions and upper pump maintenance access door with officer side ladder tunnel. Includes smooth plate panels and storage access doors with push button latches.	\$1,265.00
3110-0342	Lower rear stainless steel compartment B1, 24" wide x 20" high x 26" deep, located between full length chassis frame rails. For use with special lower rear panel plumbing options with a low hose bed design. Entire rear panel to be smooth aluminum plate for Chevron graphics. No intermediate step above.	\$902.00
3110-0343	(1) bolt-on compartment 17" W x 40" H x 11" D. Locate on the driver side of rear step and to have 15" wide opening. The compartment includes a vertically hinged smooth plate door (with 4" gap at top for connecting of hose stored in compartment) with D-ring latch (wired into door ajar indicator), removable Duradek flooring and embossed non-skid treadplate compartment top. Lower hose bed access steps to be mounted to inboard side of compartment.	\$1,056.00
3110-0344	Rear body panels to be upgraded from smooth aluminum plate to painted smooth FRP.	\$289.00

Option No.	Description	PRICE
3110-0345	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch. The B1 compartment to be 40" wide, full depth (no compartment break) and as tall as possible.	\$1,204.00
3110-0346	The rearend area of the extra wide roof top compartment above the Zico access ladder to be recessed in 16in. The stepping area to be embossed diamond plate and side and forward plates to be smooth plate painted job color.	\$958.00
3110-0347	Rear body panels to be unpainted smooth FRP. For use with full width rear chevron applications.	\$183.00
3110-0348	Bolt-on diamond plate 22" tailboard with Bustin Tread (full width of body). Includes (2) squared off beavertails with hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$1,118.00
3110-0349	(1) bolt-on compartment 19" W x 36" H x 20" D. Locate on the officer side of rear step and to have 17" wide opening. The compartment includes a vertically hinged smooth plate door (with 4" gap at top for connecting of hose stored in compartment) with D-ring latch (wired into door ajar indicator), removable Duradek flooring and embossed non-skid treadplate compartment top. Lower hose bed access steps to be mounted to inboard side of compartment.	\$1,298.00
3110-0350	((1) bolt-on compartment 17" W x 36" H x 20" D. Locate on the driver side of rear step and to have 15" wide opening. The compartment includes a vertically hinged smooth plate door (with 4" gap at top for connecting of hose stored in compartment) with D-ring latch (wired into door ajar indicator), removable Duradek flooring and embossed non-skid treadplate compartment top. Lower hose bed access steps to be mounted to inboard side of compartment.	\$1,262.00
3110-0351	Lower rear stainless steel narrow compartment B1 opening, approximately 29" wide. For use with special lower rear step compartment options.	\$0.00
3110-0352	Bolt-on diamond plate tailboard (full width of driver side hosebed to officer side rear compartment). Includes the enhanced extended officer side compartment frame work. Driver side includes (1) upper hosebed mounted handrail (as applicable) and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$903.00
3110-0353	Bolt-on diamond plate 22" full width tailboard between rear side compartments with Bustin Tread. Includes hand rails (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed. Trailing edge of side compartments include 4" deep aluminum treadplate bumperettes to align tailboard to back of body.	\$1,195.00
3110-0354	Lower rear stainless steel short compartment B1, transverse access, 46" wide x 35" high x 26" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$1,120.00
3110-0355	Angled (Boston style) style tailboard corners. 8" x 8" cutouts to be provided.	\$482.00
3110-0356	Bolt-on diamond plate tailboard 10 in. (full width of Body). Includes hose bed structure extended to rear of body over side enhanced compartments for a smooth back body and provide a max depth B1 compartment as optioned. With handrails- (2) vertical on trailing edge of body or (1) if a Zico ladder is equipped and horizontal mounted handrail(s) below hosebed.	\$2,551.00
3110-0357	Single low rear compartment. For use with low hosebed. Includes smooth plate panels.	\$1,032.00
3110-0358	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (2) pike poles and a drop down storage access door with push button latches (wire to door ajar).	\$2,208.00
3110-0359	LINE-X package for welded (exterior surface only), bolt on (exterior surface only) or flip down style (exterior and interior surfaces) tailboards. Includes rear bumper overlay or E-ONE fabricated boxes mounted on the tailboard as applicable.	\$273.00
3110-0360	Rear of body to have un-painted smooth plate overlay style body panels to facilitate rear body striping.	\$1,379.00

Option No.	Description	PRICE
3110-0361	Lower rear stainless steel short and narrow compartment B1, 46" wide x 30" high x 28" deep, for use with special lower rear panel plumbing options. Left side wall removed to allow for ALS module passage from L3. This compartment shall not have an exterior door opening. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$1,129.00
3110-0362	Upper rear stainless steel short/narrow compartment B2, 23" wide x 10" high x 43" deep. Includes a 3-sided floor mounted 1/2" thick Poly tray, open to the front (door opening).	\$1,332.00
3110-0363	Full Height Rear Compartment with Full Width Upper Storage Compartment. Includes officer side area for storage of (1) Ice Sled approx. 28"W X 6"H X 86"L with stops set at 88" from inside door opening and a drop down smooth plate storage access door with push button latches (wire to door ajar). Door to be as wide as B1 compartment opening. Includes driver side area for storage of (2) 6" X 10' Hard Suction Hoses with stops set at 130" from inside door opening and a drop down smooth plate storage access door with push button latches (wire to door ajar). Includes (1) divider located 30" off officer's side door opening. Includes smooth plate panels.	\$2,625.00
3110-0364	Bolt-on diamond plate 10" tailboard (full width of body) with center integral slide-out step. Includes handrails- (2) mounted vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$2,128.00
3110-0365	Bolt-on diamond plate 12" tailboard (full width of body). For use with folding step application. Includes handrails- (1) vertical on trailing edge of body opposite each side of body and handrail(s) horizontal below hose bed.	\$1,056.00
3110-0366	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 26" deep. Includes bolt-on intermediate step above FULL WIDTH BETWEEN HANDRAILS (less 2" each side for grab rail use). Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$1,275.00
3110-0367	Bolt-on diamond plate tail board 14 in. (full width of Body). Includes hose bed structure extended to rear of body over side enhanced compartments for a smooth back body and provide a max depth B1 compartment as optioned. With handrails- (2) vertical on trailing edge of body or (1) if a Zico ladder is equipped and horizontal mounted handrail(s) below hosebed.	\$2,751.00
3110-0368	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (4) pike poles and a drop down storage access door with push button latches (wire to door ajar).	\$2,208.00
3110-0369	The rearend area of the extra wide roof top compartment above the Zico access ladder to be recessed in 16". The stepping area to be embossed diamond plate and side plates to be diamond plate and the forward plate to be smooth plate.	\$796.00
3110-0370	Rear end tanker. Includes smooth plate full width upper and side lower panels and a smooth plate center area for mounting of rear tank inlet(s) application.	\$649.00
3110-0371	(2) bolt-on compartments. Locate (1) each side of B1. Each compartment includes a hinged smooth plate door (with 4" gap at top for connecting of hose stored in compartment) with push button latch (wired into door ajar indicator), removable slat flooring and Gator Grip compartment top. Lower hosebed access step (one each side) to be mounted to inboard side of compartment.	\$1,850.00
3110-0372	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (2) pike poles and a drop down storage access door with D-ring latches (wire to door ajar).	\$2,256.00
3110-0373	Bolt-on diamond plate 24" tailboard with Bustin Tread (full width of body). Includes (2) slanted beavertails with removable outer panels and hand rails (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$1,181.00
3110-0374	Full Height Rear Pump Panel Compartment with officer side ladder tunnel storage with smooth plate door secured with D-Ring style latch. Includes smooth plate panels, angled rear body with flip down tailboard and handrails as applicable.	\$4,505.00

Option No.	Description	PRICE
3110-0375	Rear stainless steel extra tall compartment B1, 46" wide x 60" high x 26" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$1,295.00
3110-0376	Lower rear stainless steel compartment B1, 26.5" wide x 14.5" high x 26" deep, located between full length chassis frame rails. Entire rear panel to be smooth aluminum plate for Chevron graphics. Does not include an intermediate step. Includes a smooth aluminum bottom hinged drop-down door and stainless steel bent D-ring latch.	\$988.00
3110-0377	Full Height Rear Compartment. Includes smooth plate panels. Includes stepped upper horizontal tube to reduce hosebed height from ground over tank area.	\$2,208.00
3110-0378	Center Slam Strip Rear End with diamond plate center strip for a Jet or Newton Dump application. Includes diamond plate low side panels and diamond plate upper panel(s). Requires rear NFPA striping compatible for diamond plate panels.	\$2,104.00
3110-0379	Upper Storage Compartment to hold (1) 10' attic ladder, (1) 6' pike pole, (1) 12' pike pole and (1) 8' NY pike pole and (2) 6" x 10' hard suction hoses. Includes stop bracket included approximately 130" back from opening. An enclosed frontal area shall be included as part of the tunnel design. Storage shall be enclosed with drop down door with D-Ring latch(es).	\$798.00
3110-0380	Lower Rear Compartment 40" high with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with D-Ring latch.	\$1,328.00
3110-0381	Single low rear compartment. For use with low hosebed. Includes smooth plate panels.	\$1,032.00
3110-0382	(2) bolt-on compartments. Locate (1) each side of B1. Each compartment includes a hinged smooth plate door (with 4" gap at top for connecting of hose stored in compartment) with D-ring style latch (wired into door ajar indicator), removable slat flooring and Gator Grip compartment top. Lower hosebed access step (one each side) to be mounted to inboard side of compartment.	\$1,850.00
3110-0383	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 25" deep (for fuel tank clearance). Includes bolt-on intermediate step above FULL WIDTH BETWEEN HANDRAILS (less 2" each side for grab rail use). Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$1,275.00
3110-0384	Rear of body to have un-painted extrusions with un-painted smooth plate overlay style body panels to facilitate rear body striping. (For use with HM100/110 NPNT and center hosebed HM100/110, HP100,CR100/137, HPS105, 95-P only)	\$267.00
3110-0385	2) bolt-on compartments. Locate (1) each side of B1 - driver side to have 13" wide x 34" high opening and officer side to have 17" wide x 29" high opening. Each compartment to be 20" deep. Each compartment includes a hinged smooth plate door (with 4" gap driver side only at top for connecting of hose stored in compartment) with D-Ring latch (wired into door ajar indicator), removable slat flooring and Embossed Diamond Plate compartment top. Lower hosebed access step (one on the driver side and one on the officer side) to be mounted to inboard side of compartment.	\$1,993.00
3110-0386	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with D-Ring. B1 compartment opening to be 34" wide due to officer side tailboard compartment.	\$1,377.00
3110-0387	The rearward area of the extra wide roof top compartment above the Zico access ladder to be recessed in 16". The stepping surface to be embossed diamond plate, side plates to be diamond plate and forward plate to be FRP smooth plate.	\$796.00
3110-0388	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes lower smooth plate panels and upper diamond plate panels and storage access door with "D"-ring latch.	\$1,719.00
3110-0389	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 16', (1) 10' Attic, (2) pike poles and a drop down storage access door with push button latches (wire to door ajar).	\$2,208.00

Option No.	Description	PRICE
3110-0390	The rearend area of the extra wide roof top compartment above the folding steps to be recessed in 16". The stepping area to be embossed diamond plate and side and forward plates to be diamond plate.	\$796.00
3110-0391	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 12in. of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work and handrails- (2) vertical on trailing edge of body as applicable and horizontal mounted handrail(s) below hose bed.	\$2,432.00
3110-0392	Full Height Rear Compartment with Officer Side Storage Tunnel. Hosebed extrusion to be stepped for storage tunnel if applicable. Includes smooth plate panels and storage access door with D-ring latch.	\$1,419.00
3110-0393	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and horizontally hinged storage access door with push button latch and rubber bumpers.	\$1,204.00
3110-0394	Single Low Rear Compartment with Upper Storage Compartment and Officer Side Storage Tunnel. For use with low hosebed. Includes smooth plate panels and storage access door with push button latch.	\$3,204.00
3110-0395	Lower rear stainless steel short compartment B1, transverse access, 46" wide x 35" high x 26" deep without an intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$1,007.00
3110-0396	Rear End with no rear compartment and officer side storage tunnel. Includes smooth plate panels and storage access door with d-ring latch.	\$837.00
3110-0397	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 35', (1) 14', (1) 10' Attic, (2) pike poles and a drop down storage access door with push button latches (wire to door ajar).	\$2,208.00
3110-0398	Bolt-on diamond plate 8" tailboard (full width of body). Includes handrails- (2) mounted vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$1,087.00
3110-0399	Upper and lower rear compartment. Includes smooth plate panels. For use with raised lower rear body (B1 is 34" high).	\$1,843.00
3110-0400	Lower rear stainless steel narrow short compartment B1, 37" wide x 35" high x 26" deep, offset to the driver's side to allow for rear panel plumbing options. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$1,120.00
3110-0401	Bolt-on diamond plate 18" tailboard (full width of body). Includes (2) squared off 11.25" deep beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed. For use with swivel style rear tank dump only.	\$1,192.00
3110-0402	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 7" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work and handrails per NFPA requirement.	\$2,432.00
3110-0403	Handrails, extruded aluminum, installed full length on outboard top edge of driver roof top compartment lids.	\$588.00
3110-0404	Full Height Rear Compartment with Upper Storage Compartment and Officer Side Storage Tunnel. Includes smooth plate panels and storage access doors with push button latches. There shall be smooth plate panels each side of upper storage drop down door for rear discharges. Includes a stop bracket approximately 130" back from opening.	\$2,989.00
3110-0405	Bolt-on diamond plate 14" tailboard (full width of body). Includes (2) slanted beavertails (no stanchions) with removable outer panels and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$1,264.00
3110-0406	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 35' 3-section ladder and a drop down storage access door with push button latches (wire to door ajar).	\$2,208.00
3110-0407	Single low rear compartment. For use with low hosebed. Includes smooth plate panels. This is a non transverse compartment.	\$1,032.00

Option No.	Description	PRICE
3110-0408	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with push D-ring style latch. Includes stepped upper horizontal tube to reduce hosebed height from ground over tank area.	\$2,352.00
3110-0409	Rear Panel Compartment. Compartment B1, located centered ahead of the rear tailboard, shall be 46" wide x approximately 36" high x 26" deep. Solid walls shall be provided on both sides of the rear compartment. This compartment shall be of 12 gauge 304L stainless steel.	\$1,126.00
3110-0410	Bolt-on diamond plate 10" tailboard (full width of body). Includes handrail - (1) vertically on driver side trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$1,087.00
3110-0411	Bolt-on diamond plate 18" tailboard with Bustin Tread (full width of body). Includes (2) squared off beavertails with hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$1,011.00
3110-0412	Rear end tanker. Includes smooth plate upper and lower panels, and driver side access door for storage tunnel with D-ring latch.	\$846.00
3110-0413	The rearward area of the extra wide roof top compartment above the rear panel folding steps on the driver side be recessed in 16". The stepping surface to be embossed diamond plate, side plates to be diamond plate and forward plate to be FRP smooth plate.	\$796.00
3110-0414	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed. Includes a bolted double C-channel mounting structure.	\$1,087.00
3110-0415	Angled 6" x 6" (Boston style) style tailboard corners.	\$482.00
3110-0416	Upper rear stainless steel short/narrow compartment B2, 23" wide x 10" high x 36" deep. Includes a 3-sided floor mounted 1/2" thick poly tray, open to the front (door opening).	\$1,332.00
3110-0417	Bolt-on diamond plate 16" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) vertically mounted handrail on the trailing edge of officer side of body and horizontally mounted handrail below hose bed. For use with driver side ladder.	\$1,188.00
3110-0418	Full Height Rear Compartment with Upper Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) Washington-Ferno Stokes basket offset to officer side with stop set at 86" from opening, storage for (1) backboard above stokes basket with stop set at 74" from opening, misc. storage for long handle tools offset to driver side and a drop down storage access door with push buton latches (wire to door ajar).	\$3,313.00
3110-0419	Single Low Rear Compartment with Driver Side Storage Tunnel. For use with low hosebed. Includes smooth plate panels and storage access door with d-ring latch. B1 compartment opening to be narrowed and offset to driver side with a rear slam strip offset to officer side for rear plumbing to exit without being inside B1 compartment.	\$1,504.00
3110-0420	Tanker body rear end sheet metal will be configured with inner plates to be smooth plate, both upper and lower. Outer plates and any storage tunnel doors to be diamond plate.	\$400.00
3110-0421	Full Height Rear Compartment 42" wide. Includes smooth plate panels.	\$1,295.00

3120-0367	Stainless steel officer side body with full height 54" wide forward and 54" wide rearward compartmentation with reduced upper depth. Includes (1) 54" wide compartment over the wheel well and (1) storage tunnel.	\$16,758.00
3120-0368	Stainless steel officer side body with full height 60" wide forward and 60" wide rearward compartmentation with reduced upper depth. Includes (1) 54" wide compartment over the wheel well and (1) storage tunnel.	\$18,000.00
3120-0369	Stainless steel officer side body with full height 48" wide forward and 48" wide rearward compartmentation. Includes 54" wide compartment over the wheel well and a dual arm hydraulic overhead ladder rack.	\$12,597.00
3120-0370	Stainless steel officer side body with full height 54" wide forward and 54" wide rearward compartmentation. Includes 54" wide compartment over the wheel well and a dual arm hydraulic overhead ladder rack.	\$13,605.00

Option No.	Description	PRICE
3120-0371	Stainless steel officer side body with full height 60" wide forward and 60" wide rearward compartmentation. Includes 54" wide compartment over the wheel well and a dual arm hydraulic overhead ladder rack.	\$14,614.00
3120-0372	Officer side 1/2 height body with 34" forward / 54" rearward compartment and adjustable ladder brackets.	\$0.00
3120-0373	Officer side 3/4 height enhanced extended body with 34" forward / 54" rearward compartment. Includes drop down ladder rack. Rack sized for (1) 24' 2-section and (1) 14' roof.	\$0.00
3120-0374	Officer side full height enhanced extended body with 34" forward / 54" rearward compartment. Includes overhead ladder rack with rack arm drop down cover plate.	\$0.00
3120-0375	Officer side storage tunnel to hold (1) 24' 2-section ladder, (1) 14' roof ladder, (1) 10' attic ladder with feet and (2) pike poles. Set-up for Alco-Lite ladders.	\$0.00
3120-0376	Officer side storage tunnel to hold (1) 24' 2-section ladder, (1) 14' roof ladder, (1) 10' attic ladder with feet and (2) pike poles. Set-up for Duo-Safety ladders.	\$0.00
3120-0377	Officer half side tandem body with 30" wide forward and 30" wide rearward compartmentation.	\$7,519.00
3120-0378	Officer half side tandem body with 42" wide forward and 42" wide rearward compartmentation.	\$8,214.00
3120-0379	Officer half side tandem body with 60" wide forward and 54" wide rearward compartmentation.	\$9,013.00
3120-0380	Officer 3/4 side tandem body with full height 30" wide forward and 30" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well.	\$8,707.00
3120-0381	Officer 3/4 side tandem body with full height 42" wide forward and 42" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well.	\$9,574.00
3120-0382	Officer 3/4 side tandem body with full height 60" wide forward and 54" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well.	\$10,570.00
3120-0383	Officer side tandem body with upper and lower compartmentation. Includes 30" wide forward and 30" wide rearward compartments and (4) opening upper compartments.	\$12,756.00
3120-0384	Officer side tandem body with upper and lower compartmentation. Includes 42" wide forward and 42" wide rearward compartments and (4) opening upper compartments.	\$14,150.00
3120-0385	Officer side tandem body with upper and lower compartmentation. Includes 60" wide forward and 54" wide rearward compartments and (4) opening upper compartments.	\$15,773.00
3120-0386	Officer side tandem body with upper and lower compartmentation. Includes 30" wide forward and 30" wide rearward compartments and (4) opening upper compartments. Includes overhead rack opening centered between upper compartments.	\$13,265.00
3120-0387	Officer side tandem body with upper and lower compartmentation. Includes 42" wide forward and 42" wide rearward compartments and (4) opening upper compartments. Includes overhead rack opening centered between upper compartments.	\$14,714.00
3120-0388	Officer side tandem body with upper and lower compartmentation. Includes 60" wide forward and 54" wide rearward compartments and (4) opening upper compartments. Includes overhead rack opening centered between upper compartments.	\$16,403.00
3120-0389	Officer side tandem body with full height 30" wide forward and 30" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well.	\$12,309.00
3120-0390	Officer side tandem body with full height 42" wide forward and 42" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well.	\$13,701.00

Option No.	Description	PRICE
3120-0391	Officer side tandem body with full height 60" wide forward and 54" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well.	\$15,292.00
3120-0392	Officer side tandem body with full height 30" wide forward and 30" wide rearward compartmentation. Includes (2) 42" wide compartments over the wheel well and overhead rack opening centered between upper compartments.	\$12,799.00
3120-0393	Officer side tandem body with full height 42" wide forward and 42" wide rearward compartmentation. Includes (2) 42" wide compartments over the wheel well and overhead rack opening centered between upper compartments.-	\$14,247.00
3120-0394	Officer side tandem body with full height 60" wide forward and 54" wide rearward compartmentation. Includes (2) 42" wide compartments over the wheel well and overhead rack opening centered between upper compartments.	\$15,904.00
3120-0395	Officer half side body with 36" wide forward and 36" wide rearward compartmentation.	\$5,147.00
3120-0396	Officer 3/4 side body with full height 36" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$6,011.00
3120-0397	Officer side body with full height 36" wide forward and 36" wide rearward compartmentation. Includes (1) 33" wide compartment (forward) over the wheel well and (1) Zico Overhead Ladder Rack.	\$16,838.00
3120-0398	Officer half side body with 42" wide forward and 42" wide rearward compartmentation.	\$5,504.00
3120-0399	Officer 3/4 side body with full height 42" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$6,879.00
3120-0400	Officer side body with full height 42" wide forward and 42" wide rearward compartmentation. Includes (1) 33" wide compartment (forward) over the wheel well and (1) Zico Overhead Ladder Rack.	\$17,559.00
3120-0401	Officer side body with full height 42" wide forward and 50" wide rearward compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack.	\$17,972.00
3120-0402	Officer half side tandem body with with 42" wide forward and one rearward area for locating of side tank dump rearward of the wheel well.	\$8,502.00
3120-0403	Officer side body with full height 60" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel located behind the upper (3) compartment back walls.	\$16,399.00
3120-0404	Officer half side body with 36" wide forward and 31" wide rearward compartmentation. Includes adjustable ladder tracks mounted to outside of hosebed 3x3 and to run full height for max adjustments..	\$5,147.00
3120-0405	Officer side body with full height 46" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$13,502.00
3120-0406	Officer side body with full height 50" wide forward and 50" wide rearward compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack.	\$20,494.00
3120-0407	Officer side body with full height 42" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well. Rescue Pumper style compartments for use with low hosebed.	\$14,401.00
3120-0408	Officer side body with full height 36" wide forward and 50" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel area directly behind the upper compartment area (accessed from the rear end assembly).	\$12,310.00
3120-0409	Officer half side body with 42" wide forward and 56" wide rearward enhanced extended compartmentation. For use with a Zico drop down ladder rack.	\$6,420.00

Option No.	Description	PRICE
3120-0410	Officer side body with full height 60" wide forward and 62" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$14,824.00
3120-0411	Officer side body with full height 42" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$13,251.00
3120-0412	2-Arm Ladder Rack on Officer Side. The ladder rack includes amber lights on each end to visually indicate when the rack is in motion. Restricts the top folding step (if optioned) from closing completely. Includes mounting bracket (matching rear compartment face or compartment wrap finish) for components mounted on rear compartment face including the stop/tail/turn lights.	\$15,895.00
3120-0413	Officer side body with full height 60" wide forward and 56" wide rearward compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack.	\$20,494.00
3120-0414	Officer half side body with (2) forward compartments (39" and 39" wide) and (1) rearward compartment (24").	\$7,041.00
3120-0415	Officer full height side body with upper and lower compartmentation. Includes 48" wide forward and 62" wide enhanced extended rearward lower compartments and (3) opening upper compartments and (1) Zico Overhead Ladder Rack. Upper compartments to be (1) 56" wide forward, Overhead ladder rack, (2) 45" wide compartments rearward of rack.	\$20,330.00
3120-0416	Officer full height side body with upper and lower compartmentation. Includes 60" wide forward and 42" wide rearward lower compartments and (3) opening upper compartments and (1) Zico Overhead Ladder Rack.	\$19,269.00
3120-0417	Officer side body with full height 60" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. For use with ladders stored in hosebed.	\$13,480.00
3120-0418	Officer 3/4 side body with full height 42" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well. Compartments raised 8" due to roll-up doors to allow for additional storage room.	\$11,866.00
3120-0419	Officer extruded half side tandem body with 74" wide forward and 34" wide rearward compartmentation. For use with wetside narrow tank application.	\$5,468.00
3120-0420	Officer side body with full height 36" wide forward and 45" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,820.00
3120-0421	Officer side diamond plate roof top compartment. Includes (2) hinged lift-up access doors with turn latches and grab handle(s) and (1) vertical hinged access door at the rear with push button latch to be. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$2,292.00
3120-0422	Officer side body with full height 19.5" wide forward and 31" wide rearward compartmentation. Includes (1) 40" wide compartment over the wheel well.	\$9,902.00
3120-0423	Officer side body with full height 32" wide forward and 50" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel beside the water tank.	\$10,735.00
3120-0424	Officer side body with full height 54" wide forward and 48" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel located behind the upper (3) compartment back walls.	\$15,553.00
3120-0425	Officer side body with half height 36" wide forward (above fuel fill area) and full height 50" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well. Area below forward compartment will be for mounting of fuel fill.	\$11,200.00

Option No.	Description	PRICE
3120-0426	Officer side body with full height 26" and 56" wide forward compartments and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel.	\$17,767.00
3120-0427	Officer side body with full height 60" wide front and 54" wide rear compartments. Includes (1) 60" wide compartment over the wheel well and one (1) storage tunnel located behind reduced upper depth compartments. SS eMAX only.	\$20,005.00
3120-0428	Officer side body with full height 36" wide forward and 50" wide rearward enhanced extended compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack. Area below forward compartment will be for mounting of fuel fill.	\$18,920.00
3120-0429	Officer side tandem body with upper and lower compartmentation. Includes 60" wide forward and 54" wide rearward compartments and (1) opening forward upper compartment with painted panels rearward.	\$16,880.00
3120-0430	Right Side Exterior Compartments. R1, 60" wide x 63" high x 48" deep (over frame) full height with vertically hinged doors. R2, 58" wide x 63" high x 27.5" deep (over frame) full height with vertically hinged doors. R3, 60" wide x 33" high x 27.5" deep full height with vertically hinged doors. R4, 40" wide x 63" high x 27.5" deep (over frame) full height with vertically hinged doors.	\$7,622.00
3120-0431	Officer side body with full height 36" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$10,297.00
3120-0432	Officer side body with full height 42" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,005.00
3120-0433	Officer side body with upper and lower compartmentation. Includes 36" wide forward and 36" wide rearward lower compartments and (3) opening upper compartments.	\$10,733.00
3120-0434	Officer side body with upper and lower compartmentation. Includes 42" wide forward and 42" wide rearward lower compartments and (3) opening upper compartments.	\$11,454.00
3120-0435	Officer 3/4 side body with with upper and lower compartmentation. Includes 36" wide forward and 36" wide rearward lower compartments and (3) opening upper compartments.	\$6,452.00
3120-0436	Officer 3/4 side body with with upper and lower compartmentation. Includes 42" wide forward and 42" wide rearward lower compartments and (3) opening upper compartments.	\$7,322.00
3120-0437	Rear aluminum smooth plate painted job color vertical hinged door on officer side roof top compartments. Includes thumb latch and wiring for door ajar switch.	\$220.00
3120-0438	Stainless steel officer side body with full height 36" wide forward and 48" wide rearward compartmentation. Includes 54" wide compartment over the wheel well and a dual arm hydraulic overhead ladder rack.	\$12,646.00
3120-0439	Officer side body with full height 26" and 56" wide forward and 56" wide rearward compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack.	\$21,891.00
3120-0440	Stainless steel officer side body with 76" full height interior, 48" wide forward and 40" wide rearward compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$12,219.00
3120-0441	Officer half side body with 36" wide forward and 56" wide rearward enhanced extended compartmentation. Includes adjustable ladder tracks.	\$6,420.00

Option No.	Description	PRICE
3120-0442	Officer side tandem body with upper and lower compartmentation. Includes 30" wide forward and 54" wide rearward compartments and (4) opening upper compartments. Includes overhead rack opening centered between upper compartments. Includes offsetting upper compartments forward due to deck gun location and access panel on upper rear compartment face to deck gun piping.	\$14,756.00

3120-0480	Officer side body with full height 30/60" wide front and 54" wide rear compartments. Includes (1) 44" wide compartment over the wheel well, with Zico overhead ladder rack. SS eMAX only.	\$26,707.00
3120-0481	Officer side body with full height 30/60" wide front and 54" wide rear compartments. Includes (1) 60" wide compartment over the wheel well and one (1) storage tunnel located behind reduced upper depth compartments. SS eMAX only.	\$21,676.00
3120-0482	Officer side body with full height 50" wide forward and 42" wide rearward compartmentation. Includes (1) 33" wide compartment over the wheel well, (1) Zico overhead ladder rack. Rear perimeter or body raised 3" for improved departure angle.	\$19,205.00
3120-0483	Officer full height side body with upper and lower compartmentation. Includes 42" wide forward and 56" wide rearward lower enhanced compartmentation and (3) opening upper compartments. For use with ladder storage in the hosebed.	\$11,922.00
3120-0484	Officer side body with 19.5" wide forward and 31" wide rearward compartmentation. Includes (1) 40" wide compartment over the wheel well. Compartment tops raised approximately 6" to match hosebed height.	\$10,465.00
3120-0485	Stainless steel officer half side body with 30" wide front and 40" wide rear and 60" wide fender panel. For use with suicide hinged R1 door (if applicable).	\$5,613.00
3120-0486	Vertical and horizontal partitions located in officer side roof top compartment. Vertical partition located rearward of electric cord reel and horizontal partition located over DOT bottles. Floor to be provided above the DOT bottles to use remaining area above.	\$1,307.00
3120-0487	Officer side body with full height 48" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$13,502.00
3120-0488	Vertical door stop for storage tunnel door.	\$127.00
3120-0489	Officer side roof top compartment contents: (1) 10' hard suction hose (not included) stored horizontal. Includes stop bracket rearward of hard suction hoses and Nylatron compartment flooring.	\$548.00
3120-0490	(2) officer side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab. Compartment lid construction shall be aluminum smooth plate IPO diamond plate painted Black Scorpion (rough finish).	\$5,881.00

Option No.	Description	PRICE
3120-0491	Officer side body with upper and lower compartmentation. Includes 42" wide forward and 42" wide rearward lower compartments, (3) opening upper compartments. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack. Smooth plate compartment top painted black durabak.	\$18,847.00
3120-0492	Officer 3/4 side body with (3) full height, rescue style, (2) forward compartments (48" and 30" wide) and (1) rearward compartment (24"). Includes (1) 56" wide compartment over the wheel well.	\$8,276.00
3120-0493	Officer 3/4 side tandem stainless steel body with 35" front and 35" rear for flat back body design. Includes (2) 42" wide compartments over rear tandem wheels, with side dump valve between.	\$12,333.00
3120-0494	Officer side roof top compartment. Includes vertically hinged access door at the rear with push button latch to be wired to door ajar indicator in cab.	\$1,592.00
3120-0495	(2) officer side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (2) bracket mounted LED lights and to be wired to door ajar indicator in cab.	\$5,562.00
3120-0496	Officer side tandem body with full height 30" wide forward and 30" wide rearward compartmentation. Includes (2) 42" wide compartments over the wheel well and overhead rack opening centered between upper compartments.	\$13,619.00
3120-0497	Officer side upper body extension. Stainless Steel product only. Does not include external upper doors. External platework only and painted FRP covering.	\$1,376.00
3120-0498	Stainless steel officer side body with full height 48" wide forward and 48" wide rearward compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$12,438.00
3120-0499	Officer 1/2 side tandem stainless steel tanker body with 60" front and 60" rear for flat back body design. Includes (2) 55" wide tandem wheel fender panels.	\$14,031.00
3120-0500	Officer side body with full height 24" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Rear bottom corner of truck will be angled 30 degrees for a greater rear angle of departure.	\$10,236.00
3120-0501	Officer side body with full height 36" wide forward and 62" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel.	\$15,116.00
3120-0502	Officer full height side body with 36" wide forward and 48" wide rearward compartmentation. Includes (2) 28.5" wide compartments over the wheel well for the installation of Zico Overhead Ladder Rack and one forward area for side tank dump. For use with custom chassis only.	\$10,227.00
3120-0503	Officer side tandem body with upper and lower compartmentation. Includes 30" wide forward full height and 30" wide low rearward compartments and (2) opening upper compartments. Includes offsetting upper compartments forward due to deck gun location and access panel on upper rear compartment face to deck gun piping.	\$14,158.00
3120-0504	Officer side body with full height 48" wide forward and 48" wide rearward compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack. Ladder rack controls to be located on officer side rear compartment face above tail lights. Compartment material to be 5083-H321.	\$20,487.00
3120-0505	Officer 3/4 height side body with 42" wide and 20" wide forward compartments and 42" wide rearward compartment. Includes (1) 56" wide compartments over the wheel well. For use with custom chassis only.	\$8,231.00
3120-0506	Officer side body with full height 48" wide forward and 54" wide rearward compartmentation. Includes (1) 33" wide compartment (forward) over the wheel well and (1) Zico Overhead Ladder Rack.	\$18,554.00

Option No.	Description	PRICE
3120-0507	Officer side body with full height 48" wide forward and 48" wide rearward compartmentation. Includes (1) 33" wide compartment (forward) over the wheel well and (1) Zico Overhead Ladder Rack.	\$18,329.00
3120-0508	Officer side ERV body with full height 37" forward and 52" rearward. Includes (1) 56" wide compartment over the wheel well. Includes (2) roof top compartments with hinged raised lids with thumb latches, grab handle(s), and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$19,568.00
3120-0509	Officer side body with full height 24" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$10,236.00
3120-0510	Officer half side body with 38" wide forward and 56" wide rearward compartment. Includes adjustable ladder tracks.	\$6,741.00
3120-0511	The rear body corner on the right side to extend full height and a smooth plate inner panel.	\$198.00
3120-0512	Notch compartment R2 in upper back wall rearward due to the 5" rear suction and provide a cover box.	\$341.00
3120-0513	(2) Officer side roof top compartments. Includes hinged raised compartment lids with thumb latches and grab handle(s). Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$2,735.00
3120-0514	Officer half side tandem body with (2)41" wide forward and (2)32" wide rearward compartmentation.	\$12,174.00
3120-0515	Stainless steel officer side body with full height 48" wide forward and 54" wide rearward compartmentation with reduced upper depth. Includes (1) 60" wide compartment over the wheel well.	\$12,248.00
3120-0516	Stainless steel officer side body with half height 40" wide forward and 40" wide rearward compartmentation.	\$9,987.00
3120-0517	Stainless steel officer side body with full height 40" wide forward and 48" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$11,773.00
3120-0518	Officer side body with 42" wide full height forward and 42" wide lower rearward lower compartments and (2) opening upper compartments. Includes offsetting upper compartments forward due to deck gun location and side facing access panels for deck gun piping.	\$11,454.00
3120-0519	Officer side roof top compartment contents: (1) 12'-14'+ hard suction hose (not included) stored horizontal. Includes Nylatron compartment flooring. Length of capacity depends on body configuration.	\$638.00
3120-0520	Officer side body with full height 48" wide forward and 62" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,690.00
3120-0521	Stainless steel officer side body with full height 48" wide forward and 58" wide rearward enhanced extended compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$12,912.00
3120-0522	Officer 3/4 side body with full height 36" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$7,648.00
3120-0524	Officer side body with full height 54" wide forward and 48" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,636.00
3120-0525	(2) officer side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to be wired to door ajar indicator in cab.	\$5,330.00
3120-0526	(2) officer side roof top compartments. Includes hinged raised compartment lids with turn latches and grab handle(s). The rear compartment to include (1) vertically hinged access door at the rear with push button latch for access to (1) 6" X10' hard suction tube. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$2,834.00

Option No.	Description	PRICE
3120-0527	2-arm ladder rack on officer side. Modified pivot position to allow the ladder rack to deploy at 48" to the center of ladders as loaded or less from ground level. The ladder rack includes amber lights on each end to visually indicate when the rack is in motion. Restricts the top folding step (if optioned) from closing completely. Includes mounting bracket (if required, matching rear compartment face or compartment wrap finish) for components mounted on rear compartment face.	\$13,064.00
3120-0528	Officer full height side body with 20" wide and 42" wide forward compartments and 42" wide rearward compartment. Includes (1) 56" wide compartments over the wheel well. For use with custom chassis only.	\$10,227.00
3120-0529	Officer side body with full height 42" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$13,251.00
3120-0530	Officer high side stainless steel tanker body with 52" front and 52" rear rescue style, R2 and R3 modified for one-arm Zico overhead ladder rack. Four compartments, tandem axle. Ladder rack not included, requires adding sales code 3365-0185-199.	\$20,319.00
3120-0531	Officer side body with full height, full depth 60" wide front and 54" wide rear compartments. Includes (1) 44" wide compartment over the wheel well and one (1) Zico overhead ladder rack. SS eMAX only.	\$25,216.00
3120-0532	Double hard suction storage rack: Two (2) hard suction hose storage racks shall be provided on the driver side of the body. The racks shall be positioned with one (1) rack located beside the other.	\$1,088.00
3120-0533	Stainless steel officer side special tall body with full height 40" wide forward and 58" wide rearward enhanced extended compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$12,690.00
3120-0534	(2) officer side roof top compartments for use with Zico ladder lift. Includes hinged raised compartment lids with turn latches and grab handle(s). Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$2,735.00
3120-0535	Officer side body with full height 60" wide forward and 62" wide rearward enhanced extended compartmentation. Includes (1) 33" wide compartment over the wheel well, one (1) storage tunnel and (1) Zico Overhead Ladder Rack.	\$24,754.00
3120-0536	Officer side body with full height 50" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Rear perimeter or body raised 4" for improved departure angle.	\$11,764.00
3120-0537	Officer 3/4 side body with full height 42" wide forward and 54" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$7,361.00
3120-0538	Officer half side stainless steel body with 40" wide forward and 58" wide rearward enhanced extended compartmentation. Includes adjustable ladder tracks, and 60" wide rear fender.	\$6,549.00
3120-0539	(2) officer side roof top compartments. Includes hinged raised compartment lids with slam style D-ring latches and no grab handles. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$2,866.00
3120-0540	(2) officer side roof top compartments. Includes hinged raised compartment lids with turn latches and grab handle(s). Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab. Includes fixed floor with hard suction storage below accessible through hinged rear panel access door with bent D-ring latch.	\$3,599.00
3120-0541	Officer side body with full height 60" wide forward and 42" wide rearward compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack.	\$18,788.00
3120-0542	Officer side body with full height 42" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,555.00
3120-0543	Officer half side stainless steel body with 40" wide forward and 58" wide rearward extended compartmentation. Includes adjustable ladder tracks, and 60" wide rear fender.	\$6,606.00

Option No.	Description	PRICE
3120-0544	Officer half side body with 42" wide forward and 50" wide rearward enhanced extended compartmentation. Includes adjustable ladder tracks.	\$6,253.00
3120-0545	Officer half side body with 24" wide forward and 50" wide rearward enhanced extended compartmentation.	\$5,412.00
3120-0546	Officer side smooth plate roof top compartment and painted black Durabak. Includes vertically hinged smooth plate access door painted job color at the rear with push button latch to be wired to door ajar indicator in cab.	\$1,990.00
3120-0547	(2) officer side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) Amdor strip LED light and to be wired to door ajar indicator in cab.	\$6,243.00
3120-0548	Officer full height side body with (3) full height, rescue style, forward compartments (48" and 30" wide) and (1) rearward compartment (24" wide), plus (1) upper compartment over w/well(33" wide and offset rearward of the rack opening).	\$9,731.00
3120-0549	Stainless steel officer side body with full height/full depth 34" wide forward and 48" wide rearward compartmentation. Includes 60" wide compartment over the wheel well.	\$12,533.00
3120-0550	Officer side tandem body with (1) 36" wide and (1) 20" wide forward and 54" wide rearward compartmentation. (1) forward compartment to be full height, (1) forward and rearward to be half height.	\$9,914.00
3120-0551	Stainless steel officer side body with full height 30" wide forward and 58" wide rearward enhanced extended compartmentation. Includes (1) 40" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack.	\$17,804.00
3120-0552	Officer Full height forward compartment and 3/4 side rear of R1 tandem body with 42" wide forward and 42" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well. Lowered W/Well for extra compt heighth. Side Dump Valves between Tandems N/A.	\$14,398.00
3120-0553	(2) officer side roof top compartments. Includes hinged raised compartment lids with turn latches and grab handle(s). Each lid to have (3) bracket mounted EION LED lightS and to be wired to door ajar indicator in cab.	\$2,735.00
3120-0554	Stainless steel officer half side body with 30" wide front and 40" wide rear and 60" wide fender panel.	\$5,353.00
3120-0555	Officer side tandem body with upper and lower compartmentation. Includes 60" wide full height forward and 54" wide half height rearward compartments and (1) opening forward upper compartment with painted panels rearward.	\$17,433.00
3120-0556	Officer side rear mount pumper body with full height 48" wide forward and 60" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and provisions to rear mount pump panel in rearward side compartment.	\$12,964.00
3120-0557	Officer side body with full height 60" wide forward and 48" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$13,480.00
3120-0558	(2) officer side roof top compartments for instillation of DOT/ASME bottles. Includes hinged raised compartment lids with turn latches and grab handle(s). Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$2,735.00
3120-0559	Officer side body with full height 42" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel beside the water tank.	\$14,110.00
3120-0560	Officer side body with full height 34" and 48" wide forward and 56" wide rearward compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack.	\$22,427.00
3120-0561	Officer side body with full height 30" wide forward and 44" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,200.00

Option No.	Description	PRICE
3120-0562	Officer side body with full height 42" and 40" wide forward compartments and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Side Mount eMAX only.	\$15,421.00
3120-0563	Zico hydraulic drop-down ladder rack (LAS-XT) with 12 inches additional drop. Includes spacer brackets with ladder rack controller located on the officer side pump panel.	\$7,752.00
3120-0564	Stainless steel officer side body with full height/full depth 60" wide forward and 60" wide rearward compartmentation. Includes 60" wide compartment over the wheel well and a 2-arm hydraulic overhead ladder rack.	\$15,125.00
3120-0565	Officer side body with full height 26" and 50" wide forward compts, 56" wide over wheel compt and 52" wide rearward compt. Includes slide-back rear side compt for engine access and one (1) storage tunnel. eMAX HS only.	\$28,478.00
3120-0566	Stainless steel officer side body with full height 48" wide forward and 40" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$12,272.00
3120-0567	Officer side body with full height 26" and 50" wide forward compts, 33" wide compartment over the wheel well, Zico Overhead Ladder Rack and 52" wide rearward compt. Includes slide-back rear side compt for engine access. eMAX HS only.	\$32,602.00
3120-0568	Officer side rear mount rescue pumper body with full height 38" wide forward and 42" wide rearward compartmentation with officer side ladder storage tunnel. Includes (1) 56" wide compartment over the wheel well and 30 degree angled rear body for improved angle of departure.	\$15,596.00
3120-0569	Stainless steel officer side body with full height, full depth 48" wide forward and 40" wide rearward compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$12,438.00
3120-0570	Officer full height body side with (1) 48" wide, Full Height forward compartment, (1) 30" wide, lower forward compartment adjacent to w/well, (2) upper compartments (57" wide each), the rearward upper having a rear compartment face access door for portable tank storage, and (1) lower rearward compartment (24") to rear of the w/well.	\$11,663.00
3120-0571	Stainless steel officer side body with full height 54" wide forward and 48" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$13,434.00
3120-0572	Officer side body with full height 60" wide front and 54" wide rear compartments. Includes (1) 60" wide compartment over the wheel well and one (1) storage tunnel located behind reduced upper depth compartments. SS eMAX only.	\$20,005.00
3120-0573	(2) side low profile stepped interior roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with turn latches, gas shock hold opens and drain line(s) ran to below body. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab. Lids shall be without grab handles for lowered OAH and shall have a stepped interior.	\$5,578.00
3120-0574	Officer half side body with 42" wide forward and 36" wide rearward compartmentation. Includes adjustable ladder tracks.	\$5,377.00
3120-0575	Stainless steel officer side body with full height 40" wide forward and 58" wide rearward enhanced extended compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$14,271.00
3120-0576	Officer side rear mount rescue pumper body with full height 62" wide forward and 42" wide rearward compartmentation with officer side ladder storage tunnel. Includes (1) 56" wide compartment over the wheel well and 30 degree angled rear body for improved angle of departure.	\$17,656.00
3120-0577	Officer side rear mount rescue pumper body with full height 62" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and 30 degree angled rear body for improved angle of departure.	\$14,737.00
3120-0578	Officer side body with 3/4 height 36" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide x 20" high compartment over the wheel well.	\$8,658.00

Option No.	Description	PRICE
3120-0579	Officer side diamond plate roof top compartment. Includes smooth plate painted vertical hinged access door at the rear with D-Ring latch to be wired to door ajar indicator in cab. .125 material	\$1,618.00
3120-0580	(1) officer side roof top compartment. This is to be used for long handle tool storage and to be accessible through hinged rear panel access door with trigger style latch. Includes (1) bracket mounted LED light and to be wired to door ajar indicator in cab. Includes fixed forward wall at 143".	\$3,003.00
3120-0581	Stainless steel officer half side body with 40" wide forward, 40" wide rear and a 60" wide fender panel. Includes adjustable ladder tracks.	\$5,750.00
3120-0582	Officer side body with full height, full depth 30/60" wide front and 54" wide rear compartments. Includes (1) 44" wide compartment over the wheel well, with Zico overhead ladder rack. SS eMAX only.	\$27,243.00
3120-0583	(1) shallow officer side roof top compartment with extra width to inboard side, forward position. Includes hinged raised compartment lid with turn latch, grab handle(s) and gas shock hold open and drain line(s) ran to below body. (1) rear opening hard suction storage compartment with lift up vertically hinged door w/bent D-ring latch. Each compartment to have a (1) LED light and to be wired to door ajar indicator in cab. Compartments shorter to allow recessing of ladder rack.	\$5,712.00
3120-0584	Officer half side body with 30" wide forward and 60" wide rearward extended compartmentation. Includes adjustable ladder tracks.	\$6,580.00
3120-0585	Stainless steel officer half side body with 30" wide front and 40" wide rear and 60" wide fender panel. For use with suicide hinged R1 door.	\$5,365.00
3120-0586	(2) officer side roof top compartments. Includes hinged raised compartment lids with turn latches and grab handle(s). Each lid to have (1) bracket mounted ROM V4 LED strip light and to be wired to door ajar indicator in cab.	\$3,107.00
3120-0587	Officer side body with full height 68" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel located behind the upper (3) compartment back walls.	\$16,972.00
3120-0588	Stainless steel officer side body with full height 60" wide forward and 60" wide rearward compartmentation with reduced upper depth. Includes (1) 60" wide compartment over the wheel well and (1) storage tunnel.	\$18,704.00
3120-0589	Officer full height side body with (3) full height, rescue style, forward compartments (48" and 30" wide) and (1) rearward compartment (24" wide), (1) upper compartment (56" wide).	\$9,731.00
3120-0590	Officer side rear mount rescue pumper body with full height 38" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and 30 degree angled rear body for improved angle of departure.	\$12,677.00
3120-0591	(2) officer side roof top compartments with extra width to inboard side. Compartment top and lids to be smooth plate painted black Durabak. Includes hinged raised compartment lids with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$6,831.00
3120-0592	Stainless steel officer side body with full height 48" wide forward and 48" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well, and a storage tunnel.	\$16,613.00
3120-0593	Electric Lock for Zico Hydraulic Drop Down Ladder Rack.	\$2,138.00
3120-0594	(2) officer side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) bracket mounted ROM V4 LED strip light and to be wired to door ajar indicator in cab.	\$5,838.00

Option No.	Description	PRICE
3120-0595	Officer side body with full height 30in. wide forward and 62in. wide rearward enhanced extended compartmentation. Includes (1) 56in. wide compartment over the wheel well and a cavity (using space from R1) between R1 and R2 for vertical exhaust to exit on outer compartment top just forward of wheel well.	\$15,734.00
3120-0596	Officer half side tandem body with 60" wide forward and 48" wide rearward compartmentation.	\$9,013.00
3120-0597	Officer side body with full height 60" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel located behind the upper (3) compartment back walls. Rear perimeter or body raised 3" for improved departure angle.	\$16,399.00
3120-0598	Officer side body with full height 30" wide forward and 50" wide rearward enhanced extended compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack.	\$18,205.00
3120-0599	Officer full height side body with 20" wide and 42" wide forward compartments and 42" wide rearward compartment. Includes (1) 56" wide compartments over the wheel well. For use with 30" high lower compt height only.	\$10,227.00
3120-0600	Officer half side body with 44" wide forward and 36" wide rearward compartmentation and 28" high opening. Includes adjustable ladder tracks.	\$7,352.00
3120-0601	Officer side body with full height 30" wide forward and 50" wide rearward compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack. Rescue Pumper individual style compartments.	\$18,205.00
3120-0602	Officer side body with full height 36" wide forward and 50" wide rearward compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack. Rescue Pumper individual style compartments.	\$19,113.00
3120-0603	Officer half side tandem body with 66" wide forward and 40" wide rearward compartmentation. Includes 50" wide tandem wheel well compartment. SS top cap.	\$10,657.00
3120-0604	Stainless steel officer side body with full height 40" wide forward and 40" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$11,147.00
3120-0605	Officer side body with upper and lower compartmentation. Includes 42" wide forward and 42" wide rearward lower compartments, (3) opening upper compartments. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack.	\$17,905.00
3120-0606	Officer side body with full height 60" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Top Mount eMAX Only.	\$13,480.00
3120-0607	Officer 3/4 side tandem body with 3/4 full height 42" wide forward, (2) 51.5" wide compartments over the wheel well, and a 3/4 full height 42" wide rearward compartment. Additionally, there shall be a 3/4 full height 20" wide beavertail compartment openings.	\$10,490.00
3120-0608	Officer full height side body (FOR 4X4 Chassis) with 30" high lower compartment height, (2) lower forward compartments (34" and 28" wide) ahead of wheel well, (1) one lower rearward compartment 24" wide, and (3) upper compartments (48.67" wide x 32" high opening) each, transverse front to rear.	\$9,731.00
3120-0609	Stainless steel officer side body with full height 40" wide forward and 58" wide rearward enhanced extended compartmentation. Includes (1) 41" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack.	\$19,204.00
3120-0610	Officer side body with full height 60" wide front and 54" wide rear compartments. Includes (1) 60" wide compartment over the wheel well for use with 2-arm ladder rack. SS eMAX only.	\$25,002.00

Option No.	Description	PRICE
3120-0611	(2) officer side roof top compartments. Includes hinged raised compartment lids with turn latches and grab handle(s). Each lid to have (1) Amdor LED strip light and to be wired to door ajar indicator in cab.	\$3,513.00
3120-0612	Officer side tandem body with upper and lower compartmentation. Includes 48" wide full height forward and 48" wide rearward compartments and (3) opening upper compartments. Includes offsetting upper compartments forward due to deck gun location and access panel on upper rear compartment face to deck gun piping.	\$16,349.00
3120-0613	Officer 3/4 side stainless steel body with 40" wide forward and 58" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$8,105.00
3120-0614	Officer side ERV style roof top compartment contents: (2) 6" x 10' hard suction hoses (not included) stored vertical. Includes vertical partition around hard suction hoses.	\$1,088.00
3120-0615	Officer side rear mount pumper body with full height 54" wide forward and 60" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel and access door at rear.	\$22,681.00
3120-0616	Officer side body with full height 60" wide forward and 52" wide rearward compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack. Includes slide-back rear side compt for engine access. HS only.	\$31,258.00
3120-0617	Stainless steel officer half side body with 35" wide front and 40" wide rear and 60" wide fender panel.	\$5,562.00
3120-0618	Officer side rear mount rescue pumper body with full height 24" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and 30 degree angled rear body for improved angle of departure.	\$11,647.00
3120-0619	Officer 3/4 side body with (2) lower forward compartments (48" and 30" wide), (3) upper compartments (55") and (1) lower rearward compartment (28").	\$7,954.00
3120-0620	Two (2) officer side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with one (1) L handle style 1/4 turn latch in the center of the compartment top, and two (2) grab handle(s) on each side of the L handle and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) Amdor LED strip light and to be wired to door ajar indicator in cab.	\$6,263.00
3120-0621	Officer 3/4 side tandem body with full height 42" wide forward and 54" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well.	\$10,570.00
3120-0622	Officer high side stainless steel body with 60" front and 60" rear. (4) compartments, tandem axle. For use with single arm overhead ladder rack.	\$18,095.00
3120-0623	Officer side tandem body with upper and lower compartmentation. Includes 60" wide lower forward and 54" wide lower rearward compartments and (1) forward upper compartment with standard hose bed side rearward.	\$17,433.00
3120-0624	Officer side body with full height 60" wide front and 54" wide rear compartments. Includes (1) 44" wide compartment over the wheel well and one (1) Zico overhead ladder rack. Ladder rack offset rearward. SS eMAX only.	\$25,002.00
3120-0625	Officer side body with upper and lower compartmentation. Includes full height 24" wide forward, 30" high by 38" wide lower rear, and 34" high by 38" wide upper rear compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack.	\$16,457.00
3120-0626	Stainless steel officer side body with full height 54" wide forward and 54" wide rearward compartmentation with reduced upper depth. Includes (1) 60" wide compartment over the wheel well and (1) storage tunnel.	\$17,260.00
3120-0627	Officer side body with full height 30" wide forward and 52" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,200.00

Option No.	Description	PRICE
3120-0628	Officer half side body with (2) forward compartments (42" and 20" wide) and (1) rearward compartment (42"). The compartment opening height to be 30" IPO 34". For use with custom chassis only.	\$6,311.00
3120-0629	Officer side body with full height 60" wide forward compts, 56" wide over wheel compt and 52" wide rearward compt. Includes slide-back rear side compt for engine access and one (1) storage tunnel. HS only.	\$27,139.00
3120-0630	Stainless steel officer side body with full height 48" wide front and 58" rear with reduced upper depth for "T" tank. Includes 60" wide compartment over rear wheels. Upper compartments to be 15" deep.	\$13,668.00
3120-0631	(2) officer side roof top compartments for foam pails. Includes hinged compartment lids with turn latches and grab handle(s). Each compartment shall include LED lighting and to be wired to door ajar indicator in cab.	\$2,735.00
3120-0632	Stainless steel officer half side body with 48" wide front and 40" wide rear and 60" wide fender panel. Includes adjustable ladder tracks.	\$6,137.00
3120-0633	Stainless steel officer side body with full height/full depth 54" wide forward and 54" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$16,758.00
3120-0634	Stainless steel officer 3/4 side body with full height 40" wide forward and 40" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$7,189.00
3120-0635	Officer side rear mount pumper body with (2) two full height 34" wide forward and (1) one 60" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel and access door at rear.	\$19,084.00
3120-0636	Officer side tandem body with full height 60" wide forward and 54" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well. Wheel wells and lower compartment height to lowered 4" over standard. (Pumper/Rescue Pumper Height).	\$15,292.00
3120-0637	Officer 1/2 side body with 24" wide forward and 42" wide rearward compartmentation. Includes adjustable ladder tracks.	\$5,504.00
3120-0638	Officer side body with full height 28" and 28" wide forward compts, 56" wide over wheel compt and 52" wide rearward compt. Includes slide-back rear side compt for engine access and one (1) storage tunnel. HS only.	\$27,654.00
3120-0639	Officer side roof top compartment contents: (2) 6" x 10' hard suction hoses (not included) stored vertically. Includes horizontal partition between the hard suction hoses. NO stop for hoses.	\$1,088.00
3120-0640	Officer side rear mount pumper body with two full height 48" wide forward compartments and 42" wide rearward compartment. Includes (1) 56" wide compartment over the wheel well and 30 degree angled rear body for improved angle of departure.	\$18,421.00
3120-0641	Officer half side tandem body with 48" wide forward and 42" wide rearward compartmentation.	\$9,013.00
3120-0642	Officer side body with full height 30" wide forward and 50" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$10,529.00
3120-0643	Officer half side stainless steel body with 30" wide forward and 58" wide rearward extended compartmentation. Includes adjustable ladder tracks and 60" wide rear fender.	\$6,606.00
3120-0644	Officer side body with full height 60in. wide forward and 42in. wide rearward compartments. Includes (1) 56in. wide compartment over the wheel well. Side Mount e-MAX only.	\$12,636.00
3120-0645	Officer full height side body with 31" wide and 31" wide forward compartments and 42" wide rearward compartment. Includes (1) 56" wide compartments over the wheel well.	\$10,227.00
3120-0646	**NARROW BODY** Officer side body with full height 42" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel.	\$15,596.00

Option No.	Description	PRICE
3120-0647	Rear aluminum smooth plate painted job color vertical hinged door on roof top compartment. Includes D-ring latch and wiring for door ajar switch.	\$222.00
3120-0648	Roof top compartment contents: (1) 6in x 10ft hard suction hose (not included) stored in the lower area of roof top compartment. Includes stop bracket rear ward of hard suction hose if applicable to body length and partition surround over the hard suction hoses to accommodate storage area above and in front of the stored hose. Floor to include nylon pad as applicable for ease of deployment on scene.	\$701.00
3120-0649	**NARROW BODY** Officer side body with full height 36" wide forward and 36" wide rearward compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack.	\$16,838.00
3120-0650	Stainless steel officer side body with full height 48" wide forward and 48" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$12,566.00
3120-0651	Stainless steel officer side body with full height 48" wide forward and 54" wide rearward compartment with reduced upper depth. Includes (1) 60" wide compartment over the wheel well and (1) storage tunnel.	\$16,758.00
3120-0652	Officer side body with full height 30" and 60" wide forward compartments and 54" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well. Side mount SS eMAX only.	\$18,160.00
3120-0653	Officer side body with special full height 23" wide forward and 50" wide rearward compartmentation. Includes (1) 50" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack with special provision for ladder rack to be lowered so as to meet customer requirements in the down position.	\$20,568.00
3120-0654	Officer side diamond plate roof top compartment. Includes smooth plate painted vertical hinged access door at the rear with D-ring style latch to be wired to door ajar indicator in cab.	\$1,592.00
3120-0655	Officer side rear mount rescue pumper body with full height 38" wide forward and 42" wide rearward compartmentation. Includes (1) 33" wide compartment over the wheel well, (1) Zico Overhead Ladder Rack, and 30 degree angled rear body for improved angle of departure.	\$19,688.00
3120-0656	Officer half side stainless steel body with 30" wide forward and 46" wide rearward compartmentation. Includes full height adjustable ladder tracks, and 60" wide fender panel.	\$5,724.00
3120-0657	Stainless steel 96" wide officer side body with full height 48" wide forward and 48" wide rearward compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$12,566.00
3120-0658	The front body corner on the right side to extend full height and have a smooth plate inner panel.	\$198.00
3120-0659	**NARROW BODY** Officer side body with half height 36" wide forward and 36" wide rearward compartmentation. Includes adjustable ladder tracks mounted to the hosebed side wall.	\$5,147.00
3120-0660	Officer side body with full height 30" wide forward and 52" wide rearward enhanced extended compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack.	\$17,559.00
3120-0661	Officer side tandem body with (2) full height 28" wide forward and 54" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well.	\$15,792.00
3120-0662	Officer side body with 19.5in. wide forward and 31in. wide rearward compartmentation. Includes (1) 40in. wide compartment over the wheel well. Compartment tops raised approximately 6in. to match hosebed height. Rear of body under rearward compartment shall be raised 4in. or as applicable to allow for additional departure angle.	\$10,671.00

Option No.	Description	PRICE
3120-0663	Stainless steel officer side body with full height 36" wide forward and 48" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well and a ladder storage tunnel.	\$13,140.00
3120-0664	Stainless steel officer side body with full height 44" wide forward and 60" wide rearward compartmentation. Includes (1) 54" wide compartment over the wheel well and ladder storage tunnel.	\$13,140.00
3120-0665	(3) Officer side roof top compartments with extra width to inboard side. (1) open generator compartment and (2) hinged raised compartments with lids and turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$5,728.00
3120-0666	Officer half side tandem body with 54" wide forward and 48" wide rearward compartmentation. Compartment height 30" pumper style. Side dumps not available.	\$9,013.00
3120-0667	Officer side body with full height 34" and 56" wide forward compartments and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$15,499.00
3120-0668	Stainless steel officer side body with full height, full depth 48" wide forward and 58" wide rearward enhanced extended compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$14,271.00
3120-0669	Officer side tandem body with full height 48" wide forward and 48" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well.	\$14,500.00
3120-0670	Officer half side stainless steel body with 30" wide forward and 46" wide rearward compartmentation. Includes full height adjustable ladder tracks, and 66" wide fender panel.	\$5,724.00
3120-0671	Officer side body with full height 60" wide forward and 46" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel located behind the upper (3) compartment back walls.	\$15,797.00
3120-0672	Officer side rear mount rescue pumper body with full height 24" wide forward and 42" wide rearward compartmentation with officer side ladder storage tunnel. Includes (1) 56" wide compartment over the wheel well and 30 degree angled rear body for improved angle of departure.	\$14,566.00
3120-0673	Stainless steel officer side body with full height 48" wide front and 48" rear compartments. Includes 60" wide compartment over the rear wheels.	\$12,633.00
3120-0674	Officer 3/4 side body with full height 60" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide and 20" high compartment over the wheel well.	\$9,845.00
3120-0675	Officer side tandem body with two forward compartments ahead of the rear wheels, and one rear compartment behind rear wheels. The forward front compartment to be 38" wide and full height, the rearward front compartment to be 24" wide and half height. The single rear to be a half height 60" wide compartment.	\$15,292.00
3120-0676	Stainless steel officer side body with half height 35" wide forward and 48" wide rearward compartmentation. Include 60" wide wheel well. Includes adjustable ladder tracks.	\$5,724.00
3120-0677	Officer side body with full height 36" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,535.00
3120-0678	Officer side tandem body with upper and lower compartmentation. Includes 66" wide half height forward and 60" wide half height rearward compartments and (1) opening rearward upper compartment to rear of compartment top mounted Portable Tank or Equipment Storage.	\$17,768.00

Option No.	Description	PRICE
3120-0679	Officer 3/4 side body with upper and lower compartmentation. Includes 42" wide forward and 48" wide rearward lower compartments and (2) opening upper compartments.	\$7,569.00
3120-0680	Officer side body with full height 52" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel located behind the upper (3) compartment back walls.	\$15,517.00
3120-0681	Two (2) officer side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with one (1) ' L' handle style 1/4 turn latch in the center of the compartment top, two (2) grab handle(s) on each side of the ' L' handle, gas shock hold open and drain line(s) ran to below body. Each lid to have (1) Amdor LED strip light and to be wired to door ajar indicator in cab.	\$6,263.00
3120-0682	Officer side body with full height 35" wide forward and 47" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel.	\$16,896.00
3120-0683	(3) officer side roof top compartments with extra width to inboard side (20"/96"/15"). Includes hinged raised compartment lids with thumb latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab. Compartments shall be stepped at inboard side for a 26" deep section approximately 8.5" wide in order to stow a stokes basket.	\$6,392.00
3120-0684	Stainless steel officer side body with full height 54" wide forward and 54" wide rearward compartmentation with reduced upper depth. Includes (1) 60" wide compartment over the wheel well and (1) storage tunnel. NOTE: 12" deep upper compartments to accommodate special ladder tunnel storage requirements.	\$17,260.00
3120-0685	Officer side body with full height 42" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack.	\$18,475.00
3120-0686	Officer side body with full height 36" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) ladder storage tunnel and access door at rear.	\$14,454.00
3120-0687	Stainless steel officer 3/4 side body with full height 40" wide forward and 48" wide rearward compartmentation. Includes (1) 54" wide compartment over the wheel well.	\$7,361.00
3120-0688	Stainless steel officer side body with full height 48" wide forward and 48" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well, and a storage tunnel.	\$16,613.00
3120-0689	Officer side roof top assembly. Does not include external upper doors. External framework, plate work, and internal floors only.	\$1,599.00
3120-0690	Officer side body with upper and lower compartmentation. Includes 42" wide forward and 56" wide rearward lower compartments and (3) opening upper compartments.	\$12,642.00
3120-0691	Officer side body with full height 42 in. wide forward and 56in. wide rearward enhanced extended compartment. Includes (1) 56" wide compartment over the wheel well and one storage tunnel.	\$15,596.00
3120-0692	Vertical partitions located in officer side roof top compartment. Vertical partition located 3" forward of electric cord reel and a adjustable divider shall be installed forward of the partition. The divider shall span from front to rear and be adjustable left to right. The use of Unistrut or equal materials shall provide for adjustability as required for divider. The divider plate shall be 3/16" smooth aluminum.	\$728.00
3120-0693	Roof top compartment modification to provide storage for a stokes basket accessible from the top. Includes partition wall to separate the stokes basket storage area from the remaining usable area of the compartment. Modify roof top compartment lids as needed.	\$663.00

Option No.	Description	PRICE
3120-0694	Officer side roof top compartment contents: (2) 6" x 10' hard suction hoses (not included) stored vertically. Lower suction storage shall be extended in length for suction hose with barrel strainer (not included). Includes horizontal partition between the hard suction hoses. NO stop for hoses.	\$1,088.00
3120-0695	Stainless steel officer side body with full height/full depth, 60" wide forward and 60" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$18,621.00
3120-0696	Officer side body with full height 48" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel located behind the upper (3) compartment back walls. A cavity between R1 and R2 for vertical exhaust to exit on outer compartment top just forward of wheel well.	\$17,979.00
3120-0697	Officer side body with full height 54" wide forward and 48" wide rearward compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack.	\$19,850.00
3120-0698	Officer half side tandem body with (1) 44" wide first forward, (1) 30" wide second forward and (1) 66" wide rearward compartments. Compartment height openings to be 30" IPO standard 34".	\$12,174.00
3120-0699	Officer side body with full height 40" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$12,597.00
3120-0700	Officer side body with full height 42" wide forward and 56" wide rearward enhanced extended compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack.	\$18,475.00
3120-0701	Stainless steel officer side body with modified (63" high from bottom to compt top) full height full depth 48" wide forward and 48" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$15,586.00
3120-0702	Officer side roof top compartment contents: (1) 6" x 10' hard suction hose (not included) stored in lower rearward area of the roof top storage with Nylatron compartment flooring. Includes surround forward and above hard suction hose to allow for additional storage in remaining available roof top storage compartments accessible from top lift doors.	\$719.00
3120-0703	Officer side body with lower 48in wide forward and 48in wide rearward lower compartments. Includes: one (1) storage tunnel behind upper area inboard for ladders with an outer body additional storage tunnel accessible from the rear of the body for storage of four (4) 6in. diameter x minimum 12ft. hard suction hoses with rocker style or folding style handles. Storage chutes for hard tubes to be full body length trays and nylatron without tube stops so department can order custom full length hoses after delivery.	\$16,515.00
3120-0704	Officer side body with full height 42" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$11,872.00
3120-0705	Officer side rear mount rescue pumper body with full height 24" wide forward and 42" wide rearward compartmentation. Includes (1) 33" wide compartment over the wheel well, (1) Zico Overhead Ladder Rack, and 30 degree angled rear body for improved angle of departure.	\$18,647.00
3120-0706	Officer side body with full height 72" wide forward and 60" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel.	\$19,400.00
3120-0707	Officer side body with full height 50" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel located behind the upper (3) compartment back walls. Rear perimeter or body raised 3" for improved departure angle.	\$15,450.00

Option No.	Description	PRICE
3120-0708	Officer side body with upper and lower compartmentation. Includes 24" wide forward and 36" wide rearward lower compartments and (2) opening upper compartments. For use with 94"(96" with rubrail) wide body configuration.	\$9,434.00
3120-0709	Flat back style Officer side body with full height 48" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$13,280.00
3120-0710	(2) officer side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with D-Ring latches, no grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) bracket mounted ROM V4 LED strip light and to be wired to door ajar indicator in cab.	\$6,036.00
3120-0711	Stainless steel officer half side body with 48" wide front and 48" wide rear and 60" wide fender panel. Includes adjustable ladder tracks.	\$6,469.00
3120-0712	Stainless steel officer 3/4 side body with full height 48" wide forward and 40" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$7,419.00
3120-0713	Zico Hydraulic Drop Down Ladder Rack, LAS-HA2 with electric lock option. Includes diamond plate spacer brackets with ladder rack controller located on the officer side pump panel.	\$7,085.00
3120-0714	Officer side body with full height 42" wide forward and 56" wide rearward extended compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel.	\$15,596.00
3120-0715	Stainless steel officer side body with full height 48" wide forward and 60" wide rearward compartment with reduced upper depth. Includes (1) 60" wide compartment over the wheel well and (1) storage tunnel. Special 69" high rescue pumper body height.	\$16,758.00
3120-0716	(2) officer side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to be wired to door ajar indicator in cab. Special 24" interior depth.	\$5,330.00
3120-0717	Officer side body with full height 26" and 56" wide forward compartments and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Top Mount eMAX With Low Hosebed Only	\$14,885.00
3120-0718	Officer half side tandem body with 66" wide forward and 60" wide rearward compartmentation.	\$9,826.00
3120-0719	Flat back style Officer side body with full height 48" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel.	\$16,199.00
3120-0720	Officer 3/4 side stainless steel body with 30" wide forward and 58" wide rearward enhanced extended compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$7,591.00
3120-0721	Officer high side stainless steel body with 60" front and 60" rear. (4) compartments, tandem axle. For use with single arm overhead ladder rack.	\$19,385.00
3120-0722	Officer side body with full height/full depth 60" wide front and 54" wide rear compartment. Includes (1) 60" wide compartment over the wheel well. Side mount SS eMAX only.	\$18,300.00
3120-0723	Stainless steel officer side body with full height 48" wide forward and 58" wide rearward compartmentation with reduced depth upper. Includes (1) 60" wide compartment over the wheel well.	\$13,325.00
3120-0724	(1) Officer side shallow roof top compartment rearward of full height compartment R3. Top of door even with top of full height side compartments. Outer wall flush with outside of body compartments. Includes hinged raised compartment lid with turn latch, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Includes (1) bracket mounted LED light and to be wired to door ajar indicator in cab. Approximate size to be 7" high x 53.5" long x 11" wide. SS aerial body only.	\$2,259.00

Option No.	Description	PRICE
3120-0725	Officer side body with upper and lower compartmentation. Includes lower 48" wide forward and full height 48" wide rearward compartments and (2) opening upper compartments.	\$12,224.00

3125-0058	eMAX Forward body configuration - SM. Includes an extruded boxed out lower double pre connect storage area, extruded boxed out upper transverse storage area with horizontal smooth plate painted job color hinged door each side with D-Ring style latch and pull strap, rack in upper storage area for (2) back boards (vertical stored offset forward - sleeve each side of center pump access) and (1) stokes basket (offset rearward) - 84.5in. " long x 24in. high x 7.5in. deep, center front pump access doors, removable center floor in upper area.	\$3,449.00
3125-0059	eMAX Forward body configuration - SM. Includes a transverse storage area for (1) stokes baskets (84.5" long X 24" wide X 7.5" deep) with a vertical divider and center front pump access doors.	\$3,000.00
3125-0060	eMAX Forward body configuration - SM. Includes a lower double preconnect storage area, upper preconnect storage area, upper backboard storage sleeve with vertical hinged door, center front pump access doors and removable center floor in upper area. Lower area to hold (2) 200' of 1.75" DJ and upper area to hold (1) 200' of 2.50" DJ.	\$2,773.00
3125-0061	SS eMAX Forward body configuration - SM. Includes one (1) lower preconnect storage area (forward), a rearward full height transverse storage area, a sleeve in the upper storage area above the preconnect for (2) backboards and a Stokes basket. The storage areas will have a boxed out style access door frame (full width of body). Center area to be sleeved for pump access with center front pump access door and removable center floor area. Right side door opening is narrower to allow a recessed area for the ladder lift arm. Note; due to narrower officer side door opening, rearward tranverse storage access may be limited to the drivers side only.	\$3,182.00
3125-0062	eMAX Forward body configuration - SM. Includes extruded boxed out upper and lower transverse storage area with rack in upper storage area with horizontal partition (centered) for misc storage (offset forward - sleeve each side of center pump access) and (1) stokes basket (offset rearward) - 84.5" long x 24" high x 7.5" deep, center front pump access doors, removable center floor in upper area. The lower 15" below stokes storage floor to compartment floor for storage of poly boxes.	\$3,154.00
3125-0063	eMAX Forward body configuration - SM. Includes a lower double preconnect storage area, upper double preconnect storage area. Center front pump access doors and removable center floor in upper area. Pump module opening 23" wide for use with roll-up doors.	\$3,147.00

Option No.	Description	PRICE
3125-0064	eMAX Forward body configuration - SM. Includes a lower double preconnect storage area, extruded boxed out upper preconnect storage area, upper stokes storage sleeve with vertical hinged door each side with push button latch, rack in upper storage area for (1) stokes basket (offset forward) - 84.5" long x 24" high x 7.5" deep and (1) preconnect area (offset rearward), center front pump access doors, removable center floor in upper area.	\$2,954.00
3125-0065	SS eMAX forward body configuration, 22" wide - SM. Includes a lower double preconnect storage area, upper forward preconnect storage area and a sleeve in the upper rearward storage area for (1) stokes basket, and (1) backboard (stored in the stokes basket). The sleeve is removable for center pump access. The enclosed stokes storage area extends outward from the pump panels approx. 6" each side. Center front pump access doors and removable center floor in upper area. Optional preconnect storage trays selected separately.	\$3,699.00
3125-0066	eMAX Forward body configuration - SM. Includes a lower double preconnect storage area with 24" high opening, upper storage area access from the top, center front pump access doors and removable center floor in upper area.	\$2,608.00
3130-0003	Pump module. Includes 39" wide pump panel opening and running boards.	\$5,249.00
3130-0004	Pump module. Includes 45" wide pump panel opening and running boards.	\$5,249.00
3130-0005	Pump module. Includes 51" wide pump panel opening and running boards.	\$5,249.00
3130-0006	Pump module. Includes 57" wide pump panel opening and running boards.	\$5,249.00
3130-0007	Crosswalk module. Includes running boards, (1) folding step each side and access handrails mounted on the pump module.	\$1,035.00
3130-0008	Crosswalk module. Includes walkway storage compartments with push button latches, running boards, (1) folding step each side and access handrails mounted on the pump module.	\$1,509.00
3130-0009	Speedlay module. Includes area for (2) speedlays with trays, (1) area for dry storage, lower storage compartments with push button latches and running boards.	\$1,810.00
3130-0010	Transverse Module (narrow). Locate forward of pump area. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area with diamond plate flooring) and running boards.	\$2,314.00
3130-0011	Transverse Module (full width). Locate forward of pump area. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area with smooth plate flooring).	\$3,201.00
3130-0012	Upper SM pump module with double stacked double crosslays and diamond plate storage pan.	\$1,548.00
3130-0013	Upper SM pump module with single stacked double crosslays and diamond plate storage pan.	\$1,548.00
3130-0014	Upper SM pump module with single stacked triple crosslays and diamond plate storage pan.	\$1,941.00
3130-0015	Upper SM pump module with single stacked double crosslay, backboard storage and diamond plate storage pan.	\$2,637.00
3130-0016	Upper TM pump module with double stacked double crosslays.	\$1,727.00
3130-0017	Upper TM pump module with single stacked double crosslays.	\$1,727.00
3130-0018	Upper TM pump module with single stacked double crosslays and backboard storage.	\$2,777.00
3130-0020	Upper TM pump module with diamond plate storage pan.	\$1,810.00
3130-0021	Upper TM pump module with backboard storage and diamond plate storage pan.	\$2,216.00
3130-0022	Speedlay module. Includes area for (2) speedlays with trays, (1) area for backboard storage with hinged doors with latches, lower storage compartments with push button latches and running boards.	\$2,861.00
3130-0023	Speedlay module. Includes area for (3) speedlays with trays, lower storage compartments with push button latches and running boards.	\$2,204.00

Option No.	Description	PRICE
3130-0024	Upper SM pump module with diamond plate storage pan (only).	\$1,680.00
3130-0030	Stainless steel pump module. Includes 39" wide pump panel opening and running boards.	\$6,565.00
3130-0031	Stainless steel pump module. Includes 45" wide pump panel opening and running boards.	\$6,565.00
3130-0032	Stainless steel pump module. Includes 51" wide pump panel opening and running boards.	\$6,565.00
3130-0033	Stainless steel pump module. Includes 57" wide pump panel opening and running boards.	\$6,565.00
3130-0036	Stainless steel Speedlay module. Includes area for (2) speedlays with trays, (1) area for dry storage, lower storage compartments with push button latches and running boards.	\$2,261.00
3130-0037	Transverse Module (narrow). Locate forward of pump area. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area with diamond plate flooring) and running boards.	\$2,890.00
3130-0038	Transverse Module (full width). Locate forward of pump area. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area with diamond plate flooring).	\$4,000.00
3130-0039	Upper SM pump module with double stacked crosslays and diamond plate storage pan.	\$1,934.00
3130-0040	Upper SM pump module with single stacked double crosslays and diamond plate storage pan.	\$1,934.00
3130-0041	Upper SM pump module with triple single stacked crosslays and diamond plate storage pan.	\$2,425.00
3130-0042	Upper SM pump module with single stacked double crosslay, backboard storage and diamond plate storage pan.	\$3,296.00
3130-0043	Upper TM pump module with double stacked double crosslays.	\$2,157.00
3130-0044	Upper TM pump module with single stacked double crosslays.	\$2,157.00
3130-0045	Upper TM pump module with single stacked double crosslays and backboard storage.	\$3,471.00
3130-0047	Upper TM pump module with diamond plate storage pan.	\$2,261.00
3130-0048	Upper TM pump module with back board storage and diamond plate storage pan.	\$2,769.00
3130-0050	Stainless steel speedlay module. Includes area for (2) speedlays with trays, (1) area for backboard storage with hinged doors with latches, lower storage compartments with push button latches and running boards.	\$3,575.00
3130-0051	Stainless Steel Upper SM pump module with diamond plate storage pan (only).	\$2,096.00
3130-0055	Stainless steel speedlay module. Includes area for (3) speedlays with trays, lower storage compartments with push button latches and running boards.	\$2,752.00
3130-0058	Full width transverse module. Includes transverse area with full width floor, triple speedlay with removable trays and full width upper storage pan. Module height to match body.	\$9,888.00
3130-0059	Pump module HP75 / HP78. Includes running boards.	\$7,844.00
3130-0062	Upper SM pump module with quad single stacked crosslays and diamond plate storage pan.	\$2,334.00
3130-0063	Upper SM pump module with quad single stacked crosslays and diamond plate storage pan. The rear crosslay is for dry hose storage.	\$2,334.00
3130-0064	Upper stainless steel SM pump module with quad single stacked crosslays and diamond plate storage pan.	\$2,917.00
3130-0065	Upper stainless steel SM pump module with quad single stacked crosslays and diamond plate storage pan. The rear crosslay is for dry hose storage.	\$2,917.00
3130-0067	Upper TM pump module with single stacked triple crosslays. Includes (2) dividers.	\$1,919.00
3130-0068	Upper TM pump module with single stacked triple crosslays and backboard storage.	\$3,319.00

Option No.	Description	PRICE
3130-0069	Upper SM pump module with double stacked triple dry crosslays. Crosslay floor to be hinged and accessed from driver side. Include gas shocks, hold open rod, adj tracks and (2) dividers w/handhold cut-outs on both ends.	\$4,843.00
3130-0070	Pump module. Includes lowered area for lowered upper module and 45" wide pump panel opening and running boards.	\$6,565.00
3130-0071	Upper SM pump module with single stacked triple crosslay, backboard storage and diamond plate storage pan.	\$3,031.00
3130-0072	Upper SM pump module with single stacked triple crosslays and diamond plate storage pan. Upper module to be full width as applicable to match lower module.	\$2,908.00
3130-0073	Pump panel opening is 43.5" wide.	\$0.00
3130-0074	Pump panel opening is 45" wide.	\$0.00
3130-0075	Pump panel opening is 45.5" wide.	\$0.00
3130-0076	Pump panel opening is 47" wide.	\$0.00
3130-0077	Pump panel opening is 50.5" wide.	\$0.00
3130-0078	Pump panel opening is 52" wide.	\$0.00
3130-0079	Pump panel opening is 55.5" wide.	\$0.00
3130-0080	Pump panel opening is 57" wide.	\$0.00
3130-0083	Speedlay module. Includes area for triple speedlays with divider(s) and lower storage compartments with push button latches and running boards.	\$2,204.00
3130-0084	Speedlay module to have (2) dividers for a triple speedlay configuration. Each divider to be notched for preconnect nozzles. Preconnect plumbing to be internal to the speedlay.	\$402.00
3130-0085	Upper TM pump module with single stacked 2.5" crosslay and 2.5" double single stacked dry crosslay.	\$2,777.00
3130-0086	Driver side SM module extension for vertical exhaust. Includes forward extended running board.	\$291.00
3130-0087	Upper SM pump module with double crosslay with double stack set-up in single stack depth. Includes backboard storage with raised push button latches and diamond plate storage pan (open back style). Crosslay divider to be adjustable side to side with slat style flooring.	\$3,031.00
3130-0088	Speedlay module to have (1) divider for a double configuration. The divider is to be held short for preconnect nozzle. Preconnect plumbing to be internal to the speedlay. Rearward area to be for backboard storage and includes vertically hinged doors with push-button latching.	\$753.00
3130-0089	Upper SM pump module with (5) single stacked crosslays- (4) 1.5" AND (1) 2.5" rearward. Includes open back style pan for generator.	\$2,686.00
3130-0090	Pump module. Includes 63" wide pump panel opening and running boards.	\$5,249.00
3130-0092	Stainless steel pump module. Includes 63" wide pump panel opening and running boards.	\$6,565.00
3130-0093	Upper SM pump module with double stacked triple crosslays and diamond plate storage pan.	\$2,115.00
3130-0094	Class 1 Tradition Pump Module. Includes additional forward 3" vertical extrusion and double stacked double crosslay. See Product Management for any questions.	\$51,796.00
3130-0095	Crosswalk module. Includes walkway storage compartments with push button latches, running boards, (1) diamond plate gator grip step each side and access handrails mounted on the pump module.	\$1,743.00
3130-0096	Speedlay module(stacked). Includes area for (2) stacked speedlays and (1) upper speedlay (crosslay style), lower storage compartments with push button latches and running boards. Lower speedlay, upper speedlay and crosslay.	\$2,457.00

Option No.	Description	PRICE
3130-0097	Speedlay module to be located between crosswalk module and pump module.	\$0.00
3130-0098	Speedlay module full width. Includes area for (4) speedlays, (2) speedlays (stacked) per side with partition in center of module. Includes lower storage compartments with push button latches.	\$4,000.00
3130-0099	Pump module. Includes 45" wide pump panel opening and running boards. Interior of module to have 70" width.	\$5,249.00
3130-0100	Upper SM pump module with triple single stacked crosslays and diamond plate storage pan. Module is for use with a wider lower module base. To include a non-stepped pan with 1.5" extrusion rearward and narrow crosslay widths.	\$1,941.00
3130-0101	Upper SM pump module with single stacked double crosslay, backboard storage and diamond plate storage pan. Interior to be 70" wide to match lower module.	\$2,637.00
3130-0102	Speedlay module(stackd). Includes area for (2) speedlays, lower storage compartments with push button latches and running boards.	\$2,204.00
3130-0103	Speedlay module. Includes area for (2) speedlays with center divider, lower storage compartments with push button latches and running boards.	\$1,810.00
3130-0104	Top mount enclosed pump module. Includes full width single crosslay, backboard storage and storage pan with push button latches and enclosed side pump panels with AM Roll-Up Doors.	\$14,812.00
3130-0105	Ladder access and egress to top of body at [#LOC]. Industrial application	\$522.00
3130-0106	Upper pump module. Includes double, double stacked crosslay area (rearward of module). Forward area to have storage for tools and backboards (horizontally stored). To include diamond plate hinged doors on sides (vertically hinged). The upper are is to have a diamond plate top.	\$5,094.00
3130-0107	Speedlay module. Includes area for (2) speedlays with dividers, (1) area for backboard storage with hinged doors with latches, lower storage compartments with push button latches and running boards.	\$2,861.00
3130-0108	Upper TM pump module with double stacked triple crosslays (single stack depth).	\$2,777.00
3130-0109	Upper TM pump module with single stacked single crosslay, backboard storage and diamond plate storage pan. 2.5" crosslay to be rearward of the backboard storage.	\$2,777.00
3130-0110	Speedlay module to be located forward of crosswalk module.	\$0.00
3130-0111	Upper SM pump module with single stacked triple crosslay, backboard storage and diamond plate storage pan.	\$3,789.00
3130-0112	Pump Module. Includes 61" wide pump panel opening and running boards. Required with CAFS system. Interior of module to have 70" width.	\$5,249.00
3130-0113	TM Pump Module. Includes triple crosslay area (crosslays to be 4.25"-divider-4.25"-divider-4.25" dry lay with stops provided, bottom of crosslay to be max of 60.5" from ground level with air suspension lowered. In reference to stops provided. Preconnect 1 will be enclosed on driver's side and preconnect 2 will be enclosed on officer's side). Walkway on this module is wider front to rear than standard and the walkway is incorporated into the main module. Driver and Officer runningboard hose trays to be angled and "floating" style..	\$9,055.00
3130-0114	Pump module. Includes 51" wide pump panel opening and running boards. Interior of module to have 70" width.	\$5,340.00
3130-0115	Upper SM pump module with single stacked double crosslays and diamond plate storage pan. Interior of module to have 70" width.	\$1,548.00
3130-0116	Pump module. Includes 39" wide pump panel opening and running boards. Interior of module to have 70" width.	\$5,340.00
3130-0119	Upper TM pump module with diamond plate storage pan. Interior to be 70" wide to match lower module.	\$1,810.00

Option No.	Description	PRICE
3130-0120	Crosswalk module.Includes running boards, (1) folding step each side and access handrails mounted on the pump module. Interior to be 70" to match lower module.	\$1,035.00
3130-0121	Crosswalk module.Includes walkway storage compartments with push button latches, running boards, (1) folding step each side and access handrails mounted on the pump module.Interior to be 70" wide to match lower module.	\$1,509.00
3130-0125	Upper SM pump module with triple single stacked crosslays and diamond plate storage pan. Interior to be 70" wide to match lower module.	\$1,941.00
3130-0127	Upper TM pump module with single stacked double crosslays. Interior to be 70" wide to match lower module.	\$1,727.00
3130-0155	Upper TM pump module with single stacked triple crosslays. Includes (2) dividers. Interior to be 70" to match lower module.	\$1,919.00
3130-0164	Upper SM pump module with double stacked triple crosslays (single stacked depth) and diamond plate storage pan.	\$4,489.00
3130-0165	Upper SM pump module with (5) single stacked crosslays. (4) single stacked 1.5" crosslays, (1) single stacked 2.5" crosslay rearward and diamond plate storage pan.	\$2,686.00
3130-0166	Pump Module to be 72" wide (side to side). Includes upper, lower, crosswalk, speedlay and tranverse module(s) if applicable.	\$0.00
3130-0167	Pump module to be 76" wide (side to side). Includes upper, lower, crosswalk, speedlay and tranverse module(s) if applicable.	\$0.00
3130-0168	Upper SM pump module with triple single stacked crosslays and wide dry crosslay storage area. The area rearward of crosslays is for deck gun channel.	\$7,895.00
3130-0169	Transverse module to hold: Lower section (1) Stokes basket and (2) backboards. Upper section to hold miscellaneous long handled tools.	\$640.00
3130-0170	Upper SM pump module with double stacked (dry) crosslays and diamond plate storage pan.	\$1,548.00
3130-0171	Transverse Module (narrow). Locate forward of pump area. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area with diamond plate flooring) and running boards. Upper area for triple stacked double crosslay. Transverse floor to be over framersails only, do not extend over tool compartments.	\$4,178.00
3130-0172	Upper SM pump module with triple stacked double crosslays and diamond plate storage pan.	\$2,777.00
3130-0173	Stainless steel speedlay module. Includes area for (2) speedlays with center divider, lower storage compartments with push button latches and running boards.	\$2,262.00
3130-0174	Pump module for top mount enclosed operation. Includes 57" panel opening and area for double stacked double crosslay with storage pan. Module has sanded finish and crosslay floors are slotted for draining.	\$10,426.00
3130-0175	Raised crosswalk module. Includes walkway storage compartments with push button latches, running boards, (1) diamond plate walkway step w/gator grip each side and access handrails mounted on the pump module. Includes 8" raise with 5" high storage compartment with drop down diamond plate doors with push button latches.	\$2,920.00
3130-0176	Upper TM pump module with double stacked double crosslays with backboard storage.	\$3,637.00
3130-0177	Upper SM pump module with backboard storage and diamond plate storage pan. Backboard storage to be located rearward of storage pan. Deck gun channel to be located between pan and back board compartment.	\$2,537.00
3130-0178	Upper SM pump module with 2.5" single stacked double crosslays and diamond plate storage pan.	\$1,934.00
3130-0179	Speedlay module(stacked). Includes area for (2) stacked speedlays and (1) upper storage compartment, lower storage compartments with push button latches and running boards. Lower 1.75 speedlay and upper 2.5 speedlay. Single diamond plate cover for upper storage area. Includes (1) grab handle and (2) hold downs.	\$3,817.00

Option No.	Description	PRICE
3130-0180	Transverse Module (narrow). Locate forward of pump area. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area with diamond plate flooring) and running boards. Upper area for single stacked triple crosslay.	\$4,178.00
3130-0181	Pump/Speedlay Module. Includes area for runningboards, upper side stainless steel panels, (2) removable speedlay trays and upper dunage storage pan.	\$12,109.00
3130-0182	Upper SM pump module with triple crosslays (single stacked depth) and diamond plate storage pan. Forward crosslays to be double stacked and rearward crosslay to be single stacked dry lay.	\$4,882.00
3130-0183	Upper SM pump module with double stacked triple crosslays and diamond plate storage pan. Upper module to be full width as applicable to match lower module.	\$4,664.00
3130-0184	Pump module top mount with speedlays. Includes 41" wide pump panel opening, dunnage pan and running boards. Raised top mount walkway includes storage compartments with D-Ring latches, (1) 5" diamond plate top mount walkway step with gator grip each side and access handrails mounted on the pump module. Raised walkway for backboard storage includes diamond plate door with push button latches. Includes area for (2) speedlays with 1.5" plumbing. Driver and Officer side upper pump access panels to be horizontally hinged with diamond plate doors. Includes (2) D-Ring latches and (2) gas shock hold opens for each.	\$10,362.00
3130-0186	Upper TM pump module with double stacked single 2.5" crosslay. Includes area for dry crosslay storage rearward of 2.5".	\$2,777.00
3130-0187	Upper SM pump module with triple single stacked crosslays and diamond plate storage pan. Each crosslay to be 6" wide for nozzle storage.	\$2,190.00
3130-0188	Upper TM pump module with single stacked quad crosslays. Includes (3) dividers.	\$2,114.00
3130-0189	Upper SM pump module with backboard storage and diamond plate storage pan. Backboard storage to be located forward of storage pan.	\$2,537.00
3130-0190	Top Mount Pump Module. Includes area for single stacked double crosslay (notched divider) and TM walkway with folding steps with intergral lights and (2) vertical handrails.	\$2,081.00
3130-0191	Top Mount Pump Module. Includes area for single stacked triple crosslay (notched dividers) and TM walkway with folding steps with integral lights and (2) vertical handrails.	\$2,525.00
3130-0192	Side Mount Pump Module. Includes area for single stacked double crosslay (notched divider).	\$0.00
3130-0193	Side Mount Pump Module. Includes area for single stacked triple crosslay (notched dividers).	\$450.00
3130-0194	Top Mount Pump Module. Includes area for a double speedlay and TM walkway with folding steps with integral lights and (2) vertical handrails.	\$3,291.00
3130-0195	Top Mount Pump Module. Includes area for a double speedlay, single crosslay and TM walkway with folding steps with integral lights and (2) vertical handrails.	\$3,735.00
3130-0196	Upper SM pump module with single stacked double crosslay, backboard storage and diamond plate storage pan. Backboard storage opening to be 6.5" wide.	\$4,550.00
3130-0197	Upper SM pump module with double stacked double crosslay for 400' of 1.75" hose in each crosslay, backboard storage and diamond plate storage pan.	\$5,186.00
3130-0198	Upper TM pump module with single stacked double crosslays. Each crosslay to hold 100' of 3" DJ.	\$4,275.00
3130-0199	Upper SM pump module with single stacked triple crosslays and diamond plate storage pan. (2) Backboard and Ferno model 6 or EXL scoop stretcher storage box located below the storage pan with lift-up diamond plate door with thumb latches each side. Upper module to be full width as applicable to match lower module.	\$5,753.00

Option No.	Description	PRICE
3130-0200	Transverse Module (narrow). Locate forward of pump area. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area with diamond plate flooring) and running boards. Upper area for single stacked quad crosslay. Plumbing to terminate thru outboard extrusion as follows: #1 driver side, #2 officer side, #3 driver side and #4 officer side.	\$6,137.00
3130-0201	Upper SM pump module with 2.5" double stacked double crosslay and diamond plate storage pan. Both preconnects to be offset to officer side of module.	\$5,370.00
3130-0202	Speedlay module(stacked). Includes area for (3) speedlays, lower storage compartments with push button latches and running boards.	\$2,457.00
3130-0203	Transverse Module (narrow). Locate forward of pump area. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area with diamond plate flooring) and upper area for triple stacked double crosslay with backboard storage.	\$4,948.00
3130-0204	Pump module for top mount enclosed operation. Includes 47" panel opening, area for double stacked single crosslay, area for double stacked double speedlay with trays stacked side by side, lower storage compartments with D-ring latches and running boards. Crosslay floor to be slotted for draining. Includes backboard storage forward of crosslay. Includes deck gun channel and open back storage pan rearward of crosslay.	\$13,506.00
3130-0205	Upper TM pump module with backboard storage and diamond plate storage pan. Backboard storage located rearward of storage pan.	\$2,216.00
3130-0206	Upper SM pump module with 2.5" double stacked double crosslays and diamond plate storage pan.	\$4,793.00
3130-0207	Transverse Module (narrow). Locate forward of pump area. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area with diamond plate flooring) and running boards. Upper area for double stacked double crosslay.	\$4,815.00
3130-0208	Pump/Speedlay Module. Includes area for E-ONE supplied runningboards, (2) removable speedlay trays and upper diamond plate panels/doors for access to (2) horizontally stored backboards.	\$12,576.00
3130-0209	Crosswalk module. Includes walkway storage compartments with D-ring latches, running boards, (1) folding step each side and access handrails mounted on the pump module.	\$1,817.00
3130-0210	Speedlay module. Includes area for (2) speedlays with trays, (1) area for backboard storage with hinged doors with latches, lower storage compartments with D-ring latches and running boards. Speedlays to hold 250' of 1.75" DJ hose.	\$3,603.00
3130-0211	Upper SM pump module with quad single stacked crosslays and diamond plate storage pan. Preconnects to located as follows: Preconnects 1 and 3 to be offset to officer side, Preconnects 2 and 4 to be offset to driver side. Crosslays to be 66" high from ground. Includes diamond plate access door on officer side of module with push button latches.	\$4,245.00
3130-0212	Pump module. Includes 57" wide pump panel opening and running boards. Crosslays to be 66" high from ground.	\$6,525.00
3130-0213	Speedlay module to be mounted with backboard storage located forward.	\$314.00
3130-0214	Upper SM pump module with single stacked single crosslay and diamond plate storage pan.	\$4,481.00
3130-0215	Transverse Module (full width). Locate forward of pump area. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area with diamond plate flooring). Upper area for double stacked double crosslay.	\$4,160.00
3130-0216	Upper SM pump module with double stacked triple crosslays and diamond plate storage pan.	\$7,036.00
3130-0217	Speedlay module(stacked). Includes area for (3) 1.75" speedlays, lower storage compartments with push button latches and running boards. Upper speedlay to be dry lay.	\$2,457.00
3130-0218	Upper TM pump module with 2.5" triple stacked single crosslay.	\$4,469.00

Option No.	Description	PRICE
3130-0219	Enclosed Pump Module with Triple Speedlays. Includes 45" wide pump panel opening. Includes area for (3) speedlays with trays, lower storage compartments with push button latches forward of pump panel opening. Upper module area to have storage pan.	\$18,675.00
3130-0220	TM Upper module. Includes wide pan and open back style for special reel requirement.	\$4,357.00
3130-0221	TM Pump Module. Includes triple crosslay area (crosslays to be 4.25"-divider-4.25"-divider-4.25") Rearward crosslay to be for a dry lay. Bottom of crosslay to be max of 60.5" from ground level with air suspension lowered. Walkway on this module is wider front to rear than standard and the walkway is incorporated into the main module. Driver and Officer runningboard hose trays to be angled and "floating" style. Special top mount diamond plate walkway access steps. Each step to be positioned where top stepping surface is centered between top of runningboard and top of walkway.	\$9,235.00
3130-0222	Upper TM pump module with single stacked double crosslays. Rearward crosslay to hold 2.5" DJ hose.	\$2,298.00
3130-0224	Upper TM pump module with single stacked triple crosslays, dunnage storage pan and backboard storage. Storage pan located between T/M panel and backboard storage.	\$4,118.00
3130-0225	Pump module. Includes 45" wide pump panel opening and running boards. Includes area forward of pump panel opening for (2) speedlays (stacked), lower storage compartments with push button latches.	\$8,912.00
3130-0226	Upper SM pump module with double stacked double crosslay (single stack depth) and diamond plate storage pan. Built in compartment on officer side of module rearward of crosslays. Compartment dimensions to be approx. 18.5"W x 20"H x 20"D, includes stainless steel door with push button latches. Storage pan to be stepped around compartment. Crosslay divider to be adjustable side to side.	\$4,414.00
3130-0227	Pump module. Includes lowered area for lowered upper module and 51" wide pump panel opening and running boards.	\$6,565.00
3130-0228	Upper SM pump module with single stacked double crosslay, backboard storage and diamond plate storage pan. 2.5" plumbing for rear crosslay.	\$3,256.00
3130-0229	Speedlay module. Includes area for triple speedlays with divider(s) and lower storage compartments with push button latches and running boards.	\$3,415.00
3130-0230	One piece side mount pump module with (2) 4.25" and (1) 5.5" single stacked triple crosslays and diamond plate storage pan. Includes 76" wide (side to side) module with a 45.5" wide pump panel opening and running boards.	\$7,188.00
3130-0231	Speedlay module. Includes area for triple speedlays with divider(s) and lower storage compartments with D-ring latches and running boards.	\$2,432.00
3130-0232	Speedlay module(stackd). Includes area for (3) speedlays, lower storage compartments with push button latches and running boards.	\$2,997.00
3130-0233	Speedlay module. Includes area for triple speedlays with divider(s) and lower storage compartments with push button latches and running boards. Forward speedlay to have 2.5" plumbing.	\$2,490.00
3130-0234	Pump module. Includes 45.5" wide pump panel opening and running boards. Lowered to 45.5" high to allow approx 69" high crosslay height from ground.	\$6,487.00
3130-0235	TM Pump Module. Includes triple crosslay area (crosslays to be 4.25"-divider-4.25"-divider-4.25") and backboard storage forward of crosslays. Bottom of crosslays to be approx. 67" from ground level with air suspension full. Walkway on this module is wider front to rear than standard and the walkway is incorporated into the main module. Driver and Officer runningboards to have hose storage trays. Special top mount diamond plate walkway access steps. Each step to be positioned where top stepping surface is centered between top of runningboard and top of walkway.	\$9,235.00

Option No.	Description	PRICE
3130-0236	Upper SM pump module with double stacked double crosslays and diamond plate storage pan. Storage pan to be open back style.	\$4,995.00
3130-0237	Upper TM pump module with 2.5" double stacked single crosslay.	\$1,727.00
3130-0238	Speedlay module. 48"H IPO 54.5"H so as not to block rear windows. Includes area for (2) speedlays with center divider, lower storage compartments with push button latches and running boards.	\$3,440.00
3130-0239	Upper TM pump module with single stacked double crosslays and diamond plate storage pan.	\$2,526.00
3130-0240	Pump module. Includes 51" wide pump panel opening and running boards. Includes modifications for 4x4 and plumbing applications as required.	\$6,564.00
3130-0241	Upper SM pump module with single stacked triple crosslay, backboard storage and diamond plate storage pan. Includes 8"W x 8"H storage rearward of the backboard storage and below the storage pan.	\$5,330.00
3130-0242	Speedlay module(stacked). Includes area for (2) stacked speedlays and (1) upper speedlay (crosslay style), lower storage compartments with push button latches and running boards. Lower speedlay, upper speedlay and crosslay. For use with removable or slide-master tray(s).	\$3,064.00
3130-0243	Transverse Module (narrow). Locate forward of pump area. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area with diamond plate flooring) and running boards. Upper area for triple stacked double crosslay. Includes backboard storage in transverse upper for (5) backboards, each backboard slot be approx. 3" wide.	\$5,902.00
3130-0244	Upper SM pump module with single stacked double crosslays and diamond plate storage pan. Crosslays to be 28" deep.	\$2,122.00
3130-0245	Speedlay module (stacked). Includes area for (2) stacked speedlays with removable trays (each to hold 250' of 2.5" DJ triple stacked), lower storage compartments with push button latches, running boards and upper area dunnage pan.	\$8,121.00
3130-0246	Upper SM pump module with single stacked triple crosslay, backboard storage and diamond plate storage pan. Forward (2) crosslay to be 6" wide and the rearward crosslay to be 6.75" wide.	\$4,755.00
3130-0247	Upper SM pump module with triple crosslays and diamond plate storage pan. Forward (2) crosslays to be single stack and rearward crosslay to be double stack.	\$4,349.00
3130-0248	Pump module - one piece. Includes 45.5" wide pump panel opening and running boards.	\$5,249.00
3130-0249	Single stacked triple crosslays and diamond plate storage pan. Crosslays 5.5" wide each to hold 200'-1.75"DJ or 150-200'-2.5"DJ.	\$1,941.00
3130-0250	Pump module. Includes 45" wide pump panel opening. Running boards to be smooth plate with gator grip and painted black duraback.	\$5,936.00
3130-0251	Speedlay/crosslay module (stacked). Includes area for (2) speedlays with removable trays (each to hold 200' of 1.75" DJ), upper crosslay for storage of 200' of 2.5" DJ, lower storage compartments with push button latches and running boards.	\$8,121.00
3130-0252	Upper SM pump module with double stacked single crosslay and diamond plate storage pan. Crosslay to be dry lay.	\$3,272.00
3130-0253	Side mount pump module. Includes upper area for double stacked double preconnects.	\$0.00
3130-0254	Pump module. Includes 75" wide pump panel opening and running boards.	\$5,249.00
3130-0255	Pump/Speedlay Module. Includes area for E-ONE supplied runningboards, (2) removable speedlay trays and upper diamond plate panels/doors for access to (2) horizontally stored backboards.	\$6,097.00
3130-0257	Crosslay plumbing to be run thru a channel on each side of forward upper corner of the lower module. Preconnects to located as follows: Preconnects 1 and 3 to be offset to officer side, Preconnect 2 to be offset to driver side. The plumbing channel to be the width of the crosslay opening. The plumbing channels may require the pump panel and/or pump access door(s) to be modified for clearance.	\$1,278.00

Option No.	Description	PRICE
3130-0258	Pump/Speedlay Module. Includes main module lower stainless steel side panels (officer side main panel to be vertically main hinged), diamond plate runningboards, (2) removable speedlay trays with side hand-holds. Upper module to have dunnage storage area.	\$9,219.00
3130-0259	Pump module. Includes 51" wide pump panel opening and running boards. Lowered to allow 70" high crosslay height from ground.	\$6,399.00
3130-0261	Pump module to have triple crosslay configuration (rearward crosslay for dry lay storage only). No plumbing will go to this area (note officer side rear 2.5" discharge application). Rearward area will have floor slotted and will have full capability to have a discharge added for future use.	\$423.00
3130-0262	Pump module. Includes 45" wide pump panel opening and running boards. Includes modifications for 4x4 and plumbing applications as required.	\$6,564.00
3130-0263	Side mount pump module. Includes upper area for double stacked double preconnects with area for dead lay of hose. Side panels to be stainless steel and backside of module to have diamond plate trim. Includes red crosslay cover with mechanical hold downs and quick release side flaps.	\$1,037.00
3130-0264	Upper SM pump module with single stacked triple crosslays and diamond plate storage pan. Storage pan to be open back style.	\$1,941.00
3130-0265	Transverse Module (narrow). Locate forward of pump area. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area with diamond plate flooring) and running boards. Upper area for triple crosslay, forward (2) crosslays to be single stacked and rearward crosslay to be double stacked.	\$5,074.00
3130-0266	Transverse Module (narrow). Locate forward of pump area. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area with diamond plate flooring) and running boards. Upper area for double stacked double crosslay.	\$4,815.00
3130-0267	Pump/Speedlay Module. Includes double stacked single crosslay located above the (2) speedlays in the lower area. Includes area for E-ONE supplied runningboards and (2) removable speedlay trays.	\$10,840.00
3130-0269	Pump module to be E-ONE built.	\$0.00
3130-0270	Pump module to be Class 1 built.	\$0.00
3130-0271	Upper SM pump module with triple crosslays and diamond plate storage pan. Forward (2) crosslays to be single stack and rearward crosslay to be double stack. Crosslay plumbing to be located centered in place of outboard.	\$4,349.00
3130-0272	Transverse Module (narrow). Module to be unpainted. Locate forward of pump area. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area with diamond plate flooring full width) and running boards. Module to be same height as main pump module.	\$2,730.00
3130-0273	Pump module. Includes 51" wide pump panel opening and running boards. Crosslays to be 73" high from ground.	\$7,548.00
3130-0274	Upper SM pump module with double stacked (single stack depth) double crosslays and diamond plate storage pan. Front headboard stepped down 5" to allow 18" deep crosslays.	\$3,090.00
3130-0275	Upper SM pump module with single stacked double crosslay, backboard storage and diamond plate storage pan. Storage pan to be open back style due to Honda Generator. Storage pan to be 15.75" deep with 3" extrusions to step up generator for air flow.	\$3,788.00
3130-0276	Speedlay module. Includes area for triple speedlays with divider(s) and lower storage compartments with push button latches and running boards. Speedlay module tool compartments to be 20" high.	\$3,065.00
3130-0277	Speedlay module. Includes area for (2) speedlays with trays, lower storage compartments with push button latches and running boards.	\$2,040.00

Option No.	Description	PRICE
3130-0278	Pump module. Includes 45" wide pump panel opening and running boards. Includes area forward of pump panel opening for (2) speedlays (stacked), lower storage compartments with push button latches	\$7,764.00
3130-0279	Upper TM pump module with double stacked single crosslay and backboard storage. Crosslay to be rearward of the backboard storage. Crosslay to hold 3" DJ hose.	\$4,557.00
3130-0280	Upper SM pump module with single stacked triple crosslay, backboard storage and diamond plate storage pan. Rearward crosslay to be double stacked for extra capacity.	\$4,755.00
3130-0281	Stainless steel 46" wide lower pump module. Includes side running boards with Gator Grip.	\$5,249.00
3130-0282	Stainless steel 46" wide lower pump module. Includes side running boards with Bustin Tread inserts.	\$5,249.00
3130-0283	Stainless steel 50" wide lower pump module. Includes side running boards with Gator Grip.	\$5,249.00
3130-0284	Stainless steel 50" wide lower pump module. Includes side running boards with Bustin Tread inserts.	\$5,249.00
3130-0285	Stainless steel 54" wide lower pump module. Includes side running boards with Gator Grip.	\$5,249.00
3130-0286	Stainless steel 54" wide lower pump module. Includes side running boards with Bustin Tread.	\$5,249.00
3130-0287	Stainless steel 60" wide lower pump module. Includes side running boards with Gator Grip. This size required for most CAFS units.	\$5,249.00
3130-0288	Stainless steel 60" wide lower pump module. Includes side running boards with Bustin Tread. This size required for most CAFS units.	\$5,249.00
3130-0289	Upper SM stainless steel pump module with single stacked double crosslays and top open storage with treadplate flooring.	\$1,548.00
3130-0290	Upper SM stainless steel pump module with double stacked double crosslays and top open storage with treadplate flooring.	\$1,548.00
3130-0291	Upper SM stainless steel pump module with single stacked triple crosslays and top open storage with treadplate flooring.	\$1,941.00
3130-0292	Upper SM stainless steel pump module with double stacked triple crosslays and top open storage with treadplate flooring.	\$1,941.00
3130-0293	Upper SM stainless steel pump module with single stacked double crosslays and a backboard with top open storage with treadplate flooring.	\$2,637.00
3130-0294	Upper SM stainless steel pump module with double stacked double crosslays and a backboard plus top open storage with treadplate flooring.	\$2,637.00
3130-0295	Upper SM stainless steel pump module with single stacked triple crosslays and a backboard with top open storage with treadplate flooring.	\$3,031.00
3130-0296	Upper SM stainless steel pump module with double stacked triple crosslays and a backboard with top open storage with treadplate flooring.	\$3,031.00
3130-0297	Upper SM stainless steel pump module without crosslays. Top open storage only with treadplate flooring. For use with crosslays mounted on top of a front of pump transverse storage module, or with preconnects in the main hose bed, or as otherwise specified.	\$1,680.00
3130-0298	Upper TM stainless steel pump module with single stacked double crosslays and top open storage with treadplate flooring.	\$1,727.00
3130-0299	Upper TM stainless steel pump module with single stacked double crosslays and a backboard with top open storage (if space available) with treadplate flooring.	\$2,777.00
3130-0300	Upper TM stainless steel pump module without crosslays. Top open storage only with treadplate flooring. For use with various preconnected discharge options.	\$1,810.00
3130-0301	Speedlay module. Includes area for (2) speedlays, (1) area for backboard storage with hinged doors with latches, stainless steel lower storage compartments with push-button latches and running boards.	\$2,861.00

Option No.	Description	PRICE
3130-0302	Speedlay module. Includes area for (3) speedlays, stainless steel lower storage compartments with push-button latches and running boards.	\$2,204.00
3130-0303	Speedlay module. Includes area for (2) 1-3/4" speedlays with a sliding tray and center divider, stainless steel lower storage compartments with push-button latches and running boards.	\$1,810.00
3130-0304	Speedlay module. Includes area for (2) speedlays with dividers, (1) area for backboard storage with hinged doors with latches, stainless steel lower storage compartments with push button latches and running boards.	\$2,861.00
3130-0305	Speedlay module. Includes area for triple speedlays with dividers and stainless steel lower storage compartments with push-button latches and running boards.	\$2,204.00
3130-0306	Transverse Module (narrow). Located forward of pump area. Includes a single stainless steel compartment opening per side (with a shallow lower area and a transverse upper area with SS flooring) and running boards with Gator Grip.	\$2,314.00
3130-0307	Transverse module (20" wide) with brushed stainless steel doors. Located forward of pump area and welded integral. Includes a single stainless steel compartment opening per side (with a shallow lower area and a transverse upper area) and side running boards with Bustin Tread.	\$2,314.00
3130-0308	Crosswalk module. Includes stainless steel walkway storage compartments with lift-up access lids and butterfly latches, non-skid running boards with Bustin Tread, and access hand rails mounted one each side to the front of the pump enclosure assembly.	\$1,509.00
3130-0309	Speedlay module (stacked). Module to be full width. Includes area for (2) stacked speedlays and (1) upper speedlay (crosslay style), lower storage compartments with push button latches and running boards. Lower speedlay, upper speedlay and crosslay. For use with removable or slide-master tray(s).	\$4,443.00
3130-0310	Upper SM pump module with diamond plate storage pan (only). Upper module to be full width as applicable to match lower module.	\$3,060.00
3130-0311	Speedlay module(stackd). Includes area for (2) stacked speedlays, lower storage compartments with push button latches and running boards. For use with removable or slide-master tray(s).	\$2,432.00
3130-0312	Upper SM pump module with double stacked double crosslay and diamond plate storage pan. Area rearward of crosslays to be raised 12" due to ladder tunnel above the tank.	\$4,755.00
3130-0313	Pump module. Includes 51" wide pump panel opening and running boards. Crosslays to be 66" high from ground.	\$6,525.00
3130-0314	Pump module. Includes 39" wide pump panel opening and running boards. Includes area forward of pump panel opening for (2) speedlays (stacked), lower storage compartments with push button latches.	\$8,912.00
3130-0315	Pump module. Includes 57" wide pump panel opening and running boards. Includes modifications for 4x4 and plumbing applications as required.	\$6,564.00
3130-0316	Lower module height opening to be [#LOC].	\$0.00
3130-0318	Upper SM pump module with double stacked (single stacked depth) double crosslays and diamond plate storage pan.	\$1,941.00
3130-0319	Upper SM pump module with triple crosslays (single stacked depth) and diamond plate storage pan. Forward crosslays to be double stacked and rearward crosslay to be single stacked dry lay.	\$2,619.00
3130-0320	Pump module. Includes 45" wide pump panel opening and running boards. Lowered to allow 70" high crosslay height from ground.	\$6,399.00
3130-0321	Pump module. Includes 51" wide pump panel opening and running boards. Includes area forward of pump panel opening for (2) speedlays (stacked), lower storage compartments with push button latches. For use with removable or slide-master tray(s).	\$9,143.00
3130-0322	Pump module. Includes 33" wide pump panel opening and running boards.	\$5,249.00

Option No.	Description	PRICE
3130-0323	Pump module. Includes 39" wide pump panel opening and running boards. Includes modifications for 4x4 and plumbing applications as required.	\$6,564.00
3130-0324	Crosswalk module. Includes running boards, (1) folding step each side and access handrails mounted on the pump module. Includes modifications for 4x4 and plumbing applications as required.	\$1,294.00
3130-0325	Transverse Module (narrow). Module to be located forward of the main pump module and match main module in height and finish. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area with diamond plate flooring full width) and running boards.	\$4,995.00
3130-0326	Top Mount Pump Module. Includes area for single stacked double crosslay (notched divider) and TM walkway with dual lighted LED folding steps with intergral lights and (2) vertical handrails.	\$2,081.00
3130-0327	Top Mount Pump Module. Includes area for single stacked triple crosslay (notched dividers) and TM walkway with dual lighted LED folding steps with integral lights and (2) vertical handrails.	\$2,525.00
3130-0328	Top Mount Pump Module. Includes area for a double speedlay and TM walkway with dual lighted LED folding steps with integral lights and (2) vertical handrails.	\$3,291.00
3130-0329	Top Mount Pump Module. Includes area for a double speedlay, single crosslay and TM walkway with dual lighted LED folding steps with integral lights and (2) vertical handrails.	\$3,735.00
3130-0330	Crosswalk module. Includes running boards, (1) dual lighted LED folding step each side and access handrails mounted on the pump module.	\$1,035.00
3130-0331	Crosswalk module. Includes walkway storage compartments with push button latches, running boards, (1) dual lighted LED folding step each side and access handrails mounted on the pump module.	\$1,509.00
3130-0332	Speedlay module(stacked). Includes area for (2) stacked speedlays and (1) upper speedlay (crosslay style, plumbing to be offset to driver side), lower storage compartments with push button latches and running boards. Lower speedlay, upper speedlay and crosslay. For use with removable or slide-master tray(s).	\$3,064.00
3130-0333	Upper SM pump module with bolt-on top. Includes bracing below bolt-on top for light tower mounting. Vertically hinged stainless steel panels with push button latches on each side of the module.	\$1,680.00
3130-0334	Side mount pump module (25MF) with area for double stacked crosslays w/divider and driver side pump control panel and officer side pump access panel (hinged)	\$0.00
3130-0335	Top mount pump module (25MF) with area for double stacked crosslays w/divider and driver and officer side pump access panels (hinged).	\$2,114.00
3130-0336	Top mount pump module (25MF) with area for double speedlays and driver and officer side pump access panels (hinged). Upper area behind TM includes panel cover.	\$3,149.00
3130-0337	SM pump module runningboards.	\$0.00
3130-0338	TM pump module runningboards.	\$0.00
3130-0339	TM with speedlays pump module runningboards.	\$0.00
3130-0340	Side mount pump module (23MF) with area for double stacked crosslays w/divider and driver side pump control panel and officer side pump access panel (hinged)	\$0.00
3130-0341	Top mount pump module (23MF) with area for double stacked crosslays w/divider and driver and officer side pump access panels (hinged).	\$2,114.00

Option No.	Description	PRICE
3130-0342	Top mount pump module (23MF) with area for double speedlays and driver and officer side pump access panels (hinged). Upper area behind TM includes panel cover.	\$3,149.00
3130-0343	Main lower pump module. For use with a 23" mainframe.	\$0.00
3130-0344	Main lower pump module. For use with a 25" mainframe.	\$0.00
3130-0345	Upper side mount module with area for double stacked crosslays w/divider (crosslays offset rearward). Includes deck gun channel and forward module area storage.	\$0.00
3130-0346	Upper top mount module with area for double stacked crosslays w/divider. Includes deck gun channel and forward area for the top mount control panel.	\$0.00
3130-0347	Upper top mount module for use with a speedlay module. Includes deck gun channel and rearward area storage.	\$0.00
3130-0348	Top mount walkway for use with a 23" mainframe. Includes diamond plate walkway, side runningboards and walkway access steps.	\$2,114.00
3130-0349	Top mount walkway for use with a 25" mainframe. Includes diamond plate walkway, side runningboards and walkway access steps.	\$2,114.00
3130-0350	Speedlay module behind cab with area for (2) side by side preconnects with (1) center divider and runningboards. Includes (2) handrails mounted (1) each side of module for use with walkway access steps.	\$1,039.00
3130-0351	Speedlay module behind cab with area for (2) side by side preconnects with (1) center divider and runningboards. Includes (2) handrails mounted (1) each side of module for use with walkway access steps.	\$1,039.00
3130-0352	Runningboards for main pump module.	\$0.00
3130-0353	Top mount walkway for use with a 23" mainframe and speedlay module. Includes diamond plate walkway, side runningboards and walkway access steps.	\$2,114.00
3130-0354	Top mount walkway for use with a 25" mainframe and speedlay module. Includes diamond plate walkway, side runningboards and walkway access steps.	\$2,114.00
3130-0355	TM w/DBL SPDLY w/red side/frt cvrs and side vertically hinged panels (as applicable to overall design), OFC panel cab jack w/door, runningboards and TM wlkwy w/folding steps.	\$3,149.00
3130-0356	Top mount walkway for use with a 23" mainframe. Includes diamond plate walkway, side runningboards and walkway dual lighted LED folding steps.	\$2,114.00
3130-0357	Top mount walkway for use with a 25" mainframe. Includes diamond plate walkway, side runningboards and walkway dual lighted LED folding steps.	\$2,114.00
3130-0358	Top mount walkway for use with a 23" mainframe and speedlay module. Includes diamond plate walkway, side runningboards and walkway dual lighted LED folding steps.	\$2,114.00
3130-0359	Top mount walkway for use with a 25" mainframe and speedlay module. Includes diamond plate walkway, side runningboards and walkway dual lighted LED folding steps.	\$2,114.00
3130-0362	Crosswalk module. Includes running boards, (1) dual lighted LED folding step each side and access handrails mounted on the pump module. Diamond plate walkway plate to be 20" wide due to 2-door Freightliner DEF tank.	\$1,035.00
3130-0363	Crosswalk module. Includes walkway storage compartments with push button latches, running boards, (1) dual lighted LED folding step each side and access handrails mounted on the pump module. Diamond plate walkway plate to be 20" wide due to 2-door Freightliner DEF tank.	\$1,509.00

Option No.	Description	PRICE
3130-0364	Special Top Mount Pump Module. Includes area for a double speedlay and TM walkway with dual lighted LED folding steps with integral lights and (2) vertical handrails. Extend-a-gun piping located in the dunnage pan offset to officer side.	\$4,442.00
3130-0365	Upper top mount triple speedlays and storage in remaining area.	\$2,876.00
3130-0366	Speedlay module full width with stokes basket and backboard storage. Includes area for (2) speedlays, lower storage compartments with push button latches. Upper area of module to hold (1) stokes basket and (2) backboards. Includes vertically hinged smooth plate door(s) with push button latches.	\$4,627.00
3130-0367	Upper SM pump module with 2.5" double stacked single crosslay and diamond plate storage pan. 300' of 2.5" DJ	\$1,941.00
3130-0368	Pump module. Includes 51" wide pump panel opening and running boards. Upper SM pump module with single stacked double crosslays with diamond plate storage pan. Crosslays to be 68" high from ground.	\$7,134.00
3130-0369	Pump module. Includes 63" wide pump panel opening and running boards. For use with Industrial products.	\$5,249.00
3130-0370	Pump module. Includes 71.5" wide pump panel opening and running boards. For use with Industrial products.	\$5,249.00
3130-0371	Upper SM pump module with double stacked double crosslays and diamond plate gator grip platform rearward of crosslays.	\$2,041.00
3130-0373	Upper SM pump module with diamond plate gator grip platform.	\$1,660.00
3130-0374	Upper TM pump module with double stacked double crosslays and diamond plate gator grip platform rearward of crosslays.	\$2,185.00
3130-0375	Upper TM pump module with a diamond plate gator grip platform.	\$1,727.00
3130-0376	Upper SM pump module with triple crosslays and diamond plate storage pan. Forward (2) crosslays to be single stack and rearward crosslay to be double stack.	\$2,426.00
3130-0377	Upper SM pump module with single stacked triple crosslays and diamond plate storage pan. Rearward crosslay to be double stacked dry lay.	\$3,090.00
3130-0378	Pump module. Includes 33" wide pump panel opening and running boards. Includes modifications for front headboard due to special exhaust routing.	\$6,564.00
3130-0379	Pump module. Includes 51" wide pump panel opening and running boards. Running boards to include gator grip and be painted black duraback.	\$5,845.00
3130-0380	Raised crosswalk module. Includes walkway storage compartments with push button latches, running boards, (1) smooth plate walkway step w/gator grip each side and access handrails mounted on the pump module. Includes 8" raise with 5" high storage compartment with drop down aluminum smooth plate doors with push button latches. T/M walkway and walkway access steps to be smooth plate gator grip to be painted black durabak. All access doors on module to be painted gray zolatone.	\$3,618.00
3130-0381	The main pump formed enclosure. The enclosure will not be part of the upper forward body. Final design will be clarified as the unit moves from engineering to production. See engineering with any questions.	\$0.00
3130-0382	Pump module. Includes 51" wide pump panel opening and running boards. Includes area forward of pump panel opening for (2) speedlays (stacked), lower storage compartments with push button latches.	\$8,912.00
3130-0383	Pump module. Includes 57" wide pump panel opening and running boards. Crosslays to be 70" high from ground.	\$6,525.00
3130-0384	Upper SM pump module with backboard storage and diamond plate storage pan. Backboard storage to be located rearward of storage pan.	\$2,537.00
3130-0385	Pump module. Includes 45" wide pump panel opening and running boards. Includes area forward of pump panel opening for (3) speedlays (stacked), lower storage compartments with push button latches.	\$9,492.00
3130-0386	Pump module. Includes 69" wide pump panel opening and running boards.	\$5,249.00

Option No.	Description	PRICE
3130-0387	Enclosed Pump Module. Includes 51" pump panel opening. Driver side to have pump operator's panel. Officer side to include area for NFPA pump access. Upper area of pump module to have diamond plate storage pan.	\$10,894.00
3130-0388	Crosswalk module with running boards. Includes upper walkway storage compartments with embossed diamond plate lift-up walkway lids (includes gas shock(s) as required to hold the lids at 90 degrees with butterfly style latch(es) for securing in the closed position). Compartments to be large as possible and include (1) light each (match body compartments for brand and type of light) and door ajar indicator wiring. Outboard sides of walkway to have diamond plate panels and each includes (1) intermediate style step and access handrails mounted on the pump module.	\$2,382.00
3130-0389	Pump module. Includes 57" wide pump panel opening and running boards. Includes area forward of pump panel opening for (3) speedlays (stacked), lower storage compartments with push button latches. For use with removable tray(s).	\$8,342.00
3130-0390	Upper SM pump module with triple crosslays and diamond plate storage pan. Forward (2) crosslays to be single stack and rearward crosslay to be double stack.	\$4,349.00
3130-0391	Upper TM pump module with single stacked triple crosslays. Forward (2) crosslays to be single stack and rearward crosslay to be double stack.	\$2,426.00
3130-0392	Upper TM pump module with single stacked double crosslays and backboard storage. Crosslays to be 6" wide each.	\$3,065.00
3130-0393	Pump module. Includes 45" wide pump panel opening and running boards. Lowered to allow 72" high crosslay height from ground.	\$5,249.00
3130-0394	Pump module. Includes 39" wide pump panel opening and running boards. Includes area forward of pump panel opening for (2) speedlays (stacked), lower storage compartments with push button latches. For use with removable or slide-master tray(s).	\$9,143.00
3130-0395	Upper TM pump module with double stacked double crosslays with backboard storage.	\$2,809.00
3130-0396	Upper SM pump module with double stacked (single stack depth) double crosslays and diamond plate storage pan.	\$2,334.00
3130-0397	Upper SM stainless steel pump module with single stacked triple crosslays and top open storage with treadplate flooring. Crosslay 1 to be a dead lay.	\$1,941.00
3130-0398	Pump module. Includes 45" wide pump panel opening and running boards. Includes area forward of pump panel opening for (2) speedlays (stacked), lower storage compartments with push button latches. For use with removable or slide-master tray(s).	\$9,143.00
3130-0399	Pump module for top mount enclosed operation. Includes 51" panel opening, area for double stacked double speedlay with trays stacked side by side, lower storage compartments with push button latches and running boards. Speedlay floor to be slotted for draining. Includes backboard storage for (3) backboards. Includes deck gun channel and open back storage pan.	\$13,506.00
3130-0400	Pump module. Includes 51" wide pump panel opening and running boards. Lowered to allow 72" high crosslay height from ground.	\$5,775.00
3130-0401	Crosslay double with dry lay. Includes (2) double stack crosslays to hold up to 200' of 2.0" DJ each and (1) dry lay to hold up to 200' of 2.5" DJ. Wetside tanker only.	\$1,548.00
3130-0402	Pump module side mount with 33" wide pump panel opening. Includes dia plt running boards. Wetside tanker only.	\$3,422.00
3130-0403	Upper SM pump module with single stacked triple crosslays and transverse storage area rearward of deckgun channel with stainless steel lift-up door with push button latches on driver side.	\$2,789.00
3130-0404	Raised crosswalk module with forward headboard. Includes running boards, (1) dual lighted LED folding step each side and access handrails mounted on the pump module.	\$1,493.00
3130-0405	Pump module with stepped headboard. Includes 45" wide pump panel opening and running boards.	\$5,616.00

Option No.	Description	PRICE
3130-0406	Main top mount pump module with upper storage area rearward of TM control panel. For use with individual TM walkway and speedlay module behind cab. Includes forward access pump door with push button latches and (2) vertical handrails (1 each side) mounted along the forward outboard extrusion.	\$3,291.00
3130-0407	Pump module, base, single crosslay, stainless, Wildland	\$9,011.00
3130-0408	Pump module, Option, Double crosslays, stainless, Wildland	\$9,248.00
3130-0409	Pump module. Includes 31" wide pump panel opening and running boards.	\$5,249.00
3130-0410	Crosswalk module. Includes walkway storage compartments with push button latches, running boards, (1) dual lighted LED folding step each side and access handrails mounted on the pump module.	\$0.00
3130-0411	Pre-connect module behind cab with area for (2) side by side preconnects with (1) center divider and runningboards. Pre-connects to feed from floor area.	\$0.00
3130-0412	Pump module for use with frame mounted PTO pump. Will be mounted below tank forward of driver side front compartment and will reduce the size of L1 by approximately 39".	\$0.00
3130-0413	Upper SM pump module with single stacked triple crosslays, deck gun channel and transverse storage area. Transverse storage area to be rearward of the deck gun channel. Includes vertically hinged diamond plate doors with butterfly latches, doors to be hinged rearward.	\$3,401.00
3130-0414	Enclosed Pump Module with Triple Speedlays. Includes 51" wide pump panel opening. Includes area for (3) speedlays with trays, lower storage compartments with push button latches forward of pump panel opening. Upper module area to have storage pan.	\$18,675.00
3130-0415	Upper SM pump module with single stacked triple crosslays and diamond plate storage pan. Each crosslay to be 4.75" wide.	\$1,941.00
3130-0416	Crosswalk module. Includes running boards, (1) dual lighted LED folding step each side and access handrails mounted on the pump module. Includes modifications for 4x4 and plumbing applications as required.	\$1,241.00
3130-0417	Top Mount Pump Module. Includes area for a diamond plate storage pan and 20" wide TM walkway with dual lighted LED folding steps with integral lights and (2) vertical handrails.	\$2,809.00
3130-0418	Pump module with stepped headboard. Includes 51" wide pump panel opening and running boards.	\$5,616.00
3130-0419	Pump module. Includes 39" wide pump panel opening and running boards. Includes modifications for front headboard due to special exhaust routing.	\$6,564.00
3130-0420	Upper SM pump module with double stacked triple crosslays and diamond plate storage pan. Crosslay plumbing to be located as far outboard as possible.	\$2,115.00
3130-0421	eMAX Pump module HP75/78. Includes enclosed pump panel, compt on officer side (opposite pump panel), lower and upper storage areas, center front pump access doors, removable center floor in upper area, storage pan and boom support diamond plate filler panels. Lower storage area to hold (1) tray for 200' of 1.75" DJ preconnected hose and (1) tray for 200' of 2.5" DJ preconnected hose. Upper storage area to hold (1) tray for 200' of 1.75" DJ preconnected hose offset to rear and storage area for (2) backboards vertically stored offset forward w/sleeve each side of center pump access.	\$8,838.00
3130-0422	Pump module. Includes 45" wide pump panel opening and running boards. Includes area forward of pump panel opening for (3) speedlays (stacked), lower storage compartments with push button latches. For use with removable tray(s).	\$9,492.00
3130-0423	Stainless steel pump module HP75 / HP78. Includes running boards with Bustin Tread inserts.	\$9,098.00
3130-0424	Upper SM pump module with single stacked double crosslays and diamond plate open back storage pan.	\$1,548.00

Option No.	Description	PRICE
3130-0425	Upper TM pump module with single stacked double crosslays and diamond plate storage pan with lid for Hot Shot II Hydraulic Reservoir.	\$2,847.00
3130-0426	Upper TM pump module with diamond plate open back storage pan.	\$2,040.00
3130-0427	Upper SM pump module with backboard storage and diamond plate storage pan. Backboard storage to be located forward of storage pan. Backboard storage to be 12" wide and includes divider 4" off forward wall to create two storage spaces.	\$2,846.00
3130-0428	Upper TM pump module with storage area with horizontally hinged access door (wired to door ajar) with push button latches, one each side.	\$2,773.00
3130-0429	Crosswalk compartments to located rearward and dual lighted folding steps located forward on the crosswalk module.	\$0.00
3130-0430	Pump module. Includes 39" wide pump panel opening and running boards. Upper SM pump module with double stacked double crosslays. Crosslays to be 66" high from ground.	\$7,405.00
3130-0431	Pump module. Includes 45" wide pump panel opening and running boards. Upper SM pump module with double stacked double crosslays with diamond plate storage pan. Crosslays to be 66" high from ground.	\$7,134.00
3130-0432	Pump module for top mount enclosed operation. Includes 80" panel opening and area for double stacked double crosslay with storage pan. Module has sanded finish and crosslay floors are slotted for draining.	\$10,426.00
3130-0433	Crosslay double. Includes (2) double stack crosslays to hold up to 200' of 2.0" DJ each and a diamond plate cover over module to rear of crosslays. Wetside tanker only.	\$1,461.00
3130-0434	Crosslay double. Includes (2) double stack crosslays to hold up to 200' of 2.0" DJ each and a diamond plate storage pan to rear of crosslays. Wetside tanker only.	\$1,914.00
3130-0435	Pump module. Includes 45" wide pump panel opening and running boards. Upper SM pump module with single stacked double crosslays with diamond plate storage pan. Crosslays to be 66" high from ground.	\$7,134.00
3130-0436	Upper SM pump module with single stacked double crosslays and transverse storage area rearward of deckgun channel with aluminum Zolatone lift-up door with push button latches on officer side.	\$2,556.00
3130-0437	Upper SM pump module with single stacked triple crosslays and diamond plate open back storage pan. Duunage pan to be 17.75" deep on driver side due to booster reel height.	\$2,514.00
3130-0438	Speedlay module full width with stokes basket and backboard storage. Includes area for (3) speedlays: (1) 2.5" in lower speedlay and (2) 1.5" in upper speedlay, lower storage compartments with push button latches. Upper area of module to hold (1) stokes basket and (2) backboards. Includes vertical hinged smooth plate door(s) with push button latches.	\$4,563.00
3130-0439	Stainless steel 62" wide lower pump module. Includes side running boards with Bustin Tread. This size required for most CAFS units.	\$5,363.00
3130-0440	Upper SM pump module with single stacked triple crosslay, backboard storage and diamond plate storage pan. Rearward crosslays to be double stacked. Crosslays to be 28" deep.	\$4,232.00
3130-0441	Upper TM pump module with double stacked double crosslays. Crosslays to hold 300' of 2.5" DJ hose.	\$2,051.00
3130-0442	Upper SM pump module with single stacked triple crosslays and diamond plate storage pan. Rearward crosslay to hold 150' of 3" DJ hose.	\$2,086.00
3130-0443	Pump module. Includes 51" wide pump panel opening and running boards. Includes area forward of pump panel opening for (2) speedlays (stacked), lower storage compartments with push button latches. Includes modifications for 4x4 and plumbing applications as required.	\$9,466.00

Option No.	Description	PRICE
3130-0444	Crosswalk module. Includes walkway storage compartments with push button latches, running boards, (1) dual lighted LED folding step each side and access handrails mounted on the pump module. Includes modifications for 4x4 and plumbing applications as required.	\$1,868.00
3130-0445	Pump module. Includes 39" wide pump panel opening and running boards. Upper SM pump module with single stacked double crosslays and open back storage pan.	\$7,114.00
3130-0446	Side mount pump module. Includes upper area for double stacked double preconnects with area for dead lay of hose. Side panels to be stainless steel and backside of module to have diamond plate trim.	\$1,036.00
3130-0447	Pump module. Includes 39" wide pump panel opening and running boards. Includes area forward of pump panel opening for (3) speedlays (stacked), lower storage compartments with push button latches.	\$8,795.00
3130-0448	Top mount pump module with double stacked double crosslays and diamond plate gator grip platform rearward of crosslays. Includes 71.51" wide pump panel opening and running boards. Crosswalk (21" wide) with walkway storage compartments with D-ring latches, (1) top mount walkway step each side with mounting flanges to extend all the way from bottom to the top and access handrails mounted on the pump module. Crosswalk raised 10", formed lip on panel with lighting extrusion, breaker box in driver side tool box, all cab tilt controls in officer side tool box and hinged lift up access door on the opposite side of the access ladder if applicable. For use with Industrial products.	\$10,897.00
3130-0449	Top mount eMAX pump module. Includes area for a double speedlay, TM walkway (raised) with compartments, dia plt running boards, folding steps with integral lights and (2) vertical handrails.	\$5,689.00
3130-0450	Pump module top mount with speedlays. Includes 45" wide pump panel opening, dunnage pan and running boards. Top mount walkway includes storage compartments with push button latches, (1) 5" diamond plate top mount walkway step with gator grip each side and access handrails mounted on the pump module. Includes area for (3) speedlays - (2) with 1.5" plumbing and (1) with 2.5" plumbing. The front area of the speedlays to have a removable diamond plate panel with D-ring latches.	\$11,573.00
3130-0451	Pump module. Includes 57" wide pump panel opening and running boards. Upper SM pump module with single stacked triple crosslays, backboard storage and diamond plate storage pan. Crosslays to be 65" high from ground.	\$9,901.00
3130-0452	Speedlay module. Includes area for (2) speedlays with dividers, (1) area for backboard storage with hinged doors with latches, lower storage compartments with D-ring latches and running boards. Speedlays to hold 250' of 1.75 each.	\$3,603.00
3130-0453	Crosswalk module. Includes walkway storage compartments with D-ring latches, running boards, (1) dual lighted LED folding step each side and access handrails mounted on the pump module.	\$1,509.00
3130-0454	Upper SM pump module with double stacked double crosslays and diamond plate storage pan. Crosslay divider to be adjustable side to side.	\$1,920.00
3130-0455	Pump module. Includes 51" wide pump panel opening and running boards. (Tradition style pump module see body layout). Includes area forward of pump panel opening for (2) speedlays (stacked), lower storage compartments with push button latches.	\$8,911.00
3130-0456	Upper TM pump module with double stacked single crosslay and backboard storage.	\$2,777.00
3130-0457	Upper SM pump module with single stacked double crosslay, backboard storage and diamond plate open back storage pan.	\$2,976.00
3130-0458	Upper stainless steel pump module with single stacked quad crosslays and top open storage with treadplate flooring. Crosslay floors lowered to approximately 72" above ground.	\$3,031.00
3130-0459	Speedlay module to be mounted with backboard storage located forward. Two (2) latches shall be used to secure the doors. One (1) top and one (1) bottom.	\$325.00

Option No.	Description	PRICE
3130-0460	Upper SM pump module with single stacked double crosslay, backboard storage forward of crosslays and diamond plate open back storage pan.	\$2,637.00
3130-0461	Pump module for use with frame mounted PTO pump. Will be mounted below tank rearward of driver side front compartment and will reduce the size of L1.	\$0.00
3130-0462	Upper TM pump module with single stacked quad crosslays and backboard storage. Crosslay preconnects to be offset to driver side of module.	\$3,862.00
3130-0463	Upper SM pump module with single stacked triple crosslay, backboard storage and diamond plate storage pan. Area rearward of crosslays to be raised 6" due to hosebed preconnect.	\$3,636.00
3130-0464	Upper SM stainless steel pump module with double stacked double crosslays for 1-1/2" DJ hose and top open storage with treadplate flooring. Width of each of the crosslay beds must be 6-1/2".	\$1,548.00
3130-0465	Upper SM pump module with quad single stacked crosslays and diamond plate storage pan. The rear crosslay is for dry hose storage. The (3) forward crosslays to be 5.5" wide and the rearward crosslay to be 6" wide.	\$2,568.00
3130-0466	Embossed diamond plate panel to be located above speedlays forward of top mount pump panel area. To include a "NOT A WALKING SURFACE" tag.	\$0.00
3130-0467	Side Mount Pump Module. Includes area for double stacked double crosslay (notched dividers). Crosslay opening to be same as standard tradition triple crosslay design.	\$1,012.00
3130-0468	Upper SM pump module with double stacked single crosslay and diamond plate storage pan. 400' of 1.75" DJ	\$1,941.00
3130-0469	Upper SM pump module with quad single stacked crosslays and diamond plate storage pan. Rearward (2) crosslays to be 3" DJ dry lays.	\$2,334.00
3130-0470	Pump module top mount with single stack double crosslay, double speedlay (9" wide) and diamond plate storage pan. Includes 45" wide pump panel opening and running boards. Top mount walkway storage compartments with push button latches, (1) 5" diamond plate top mount walkway step with gator grip each side and access handrails mounted on the pump module. Deck gun to be located in channel centered in storage pan running front to back. Embossed diamond plate covers with D-ring latches (wired to door ajar switch) each side of deck gun channel, covers to be reinforced and hinged to front.	\$12,488.00
3130-0471	eMAX Forward body extension for aerial application. Includes a lower double preconnect storage area, upper transverse storage area, center front pump access doors, removable center floor in upper area, upper storage pan, and boom support diamond plate filler panels.	\$2,608.00
3130-0472	Upper SM pump module with single stacked triple crosslay, backboard storage and diamond plate storage pan. Rearward crosslay to be for 2.5" dry lay. Storage pan to be open back style due to generator.	\$4,232.00
3130-0473	Vertical speedlay module welded integral to front of pump enclosure. Includes 12" wide area for (2) speedlays.	\$2,300.00
3130-0474	Top mount eMAX pump module. Includes area for a double speedlay, TM walkway (raised) with compartments, dia plt running boards, fixed walkway steps and (2) vertical handrails.	\$5,689.00
3130-0475	Upper TM pump module with triple stacked double crosslays.	\$1,727.00
3130-0476	Top mount SS eMAX pump module. Includes area for double speedlays, TM walkway with compartments, treadplate running boards with Bustin Tread inserts and (2) vertical hand rails.	\$6,425.00

Option No.	Description	PRICE
3130-0477	Triple Speedlays with Enclosed Pump Panel Full Width Module. Includes 45" wide pump panel opening. Includes area for (3) speedlays and lower storage compartments with push button latches forward of pump panel opening. Backboard/stokes basket storage above the speedlays. Upper module area above the pump panel to have storage pan.	\$19,379.00
3130-0478	Pump module top mount with 39" wide pump panel opening and integral walkway (no compartments). Includes dia plt running boards. Wetside tanker only.	\$4,455.00
3130-0479	Crosslay Triple. Includes (3) single stack crosslays to hold up to 200' of 2.0" DJ each. Wetside tanker only.	\$1,461.00
3130-0480	Upper SM pump module with single stacked double crosslay, New York Hook storage with horizontal divider 8" off floor and diamond plate open back storage pan.	\$2,976.00
3130-0481	Pump module. Includes 51" wide pump panel opening and running boards. Upper SM pump module with single stacked triple crosslays, backboard storage and diamond plate storage pan. Crosslays to be 72" high from ground.	\$8,868.00
3130-0482	eMAX Pump module HP75/78. Includes enclosed pump panel, compt on officer side (opposite pump panel), lower and upper storage areas, center front pump access doors, removable center floor in upper area, storage pan and boom support diamond plate filler panels. Lower storage area to hold (1) tray for 200' of 3" DJ preconnected hose offset to rear and storage area for (2) backboards vertically stored offset forward w/sleeve each side of center pump access. Upper storage area for dry storage.	\$8,838.00
3130-0483	Transverse Module (narrow). Locate forward of pump area. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area with diamond plate flooring) and running boards. Upper area for triple crosslay, forward (2) crosslays to be single stacked for 200' of 1.75 DJ hose per lay and rearward crosslay to be single stacked for 150-200' of 2.50" DJ hose.	\$4,850.00
3130-0484	Upper SM pump module with backboard storage and diamond plate storage pan. Backboard storage to be located forward of storage pan. Deck gun piping to be located forward center area of pan and just rearward of back board compartment.	\$2,537.00
3130-0485	Pump module - one piece. Includes 71.5" wide pump panel opening and running boards. For use with Industrial products.	\$5,249.00
3130-0486	Upper TM pump module with smooth plate storage pan. Side panels to be Zolatone gray. Storage pan to be painted black durabak.	\$2,247.00
3130-0487	Pump module. Includes 57" wide pump panel opening and running boards. Running boards to be painted black durabak.	\$5,605.00
3130-0488	Painted crosswalk area to includes all smooth plate and extrusion surfaces exposed to exterior in the crosswalk area (speedlay and pump module) to be painted job color. Does not include top facing exposed surfaces.	\$2,609.00
3130-0489	Crosswalk module. Includes walkway storage compartments with push button latches, running boards, (1) dual lighted LED folding step each side and access handrails mounted on the pump module. Compartment doors to be painted job color. Crosswalk and running boards to be painted durabak black.	\$2,020.00
3130-0490	Speedlay/crosslay HP75/78 module(stacked) for triple speedlays and double crosslay above. Includes 44" wide pump panel opening, running boards, upper area dunnage pan, lower storage compartments with push button latches and boom support diamond plate filler panels. Lower for (2) 1.75" speedlays to hold 150' of 1.75" DJ hose in each. Upper for (1) 2.5" speedlay to hold 200' of 2.5" DJ hose. Speedlays to utilize removable tray(s). Upper crosslay storage to hold up to 100' of 1.75" DJ (forward) and 400' of 2.5" DJ (rearward).	\$8,265.00
3130-0491	Upper SM stainless steel pump module with single stacked triple crosslays and top open storage with treadplate flooring. Capacities of 300', 200' and 200' of hose for selected discharges.	\$2,166.00
3130-0492	Pump module. Includes 45" wide pump panel opening and running boards. Upper SM pump module with single stacked double crosslays with diamond plate storage pan. Crosslays to be 72" high from ground.	\$7,134.00

Option No.	Description	PRICE
3130-0493	Speedlay module full width with stokes basket and backboard storage. Includes area for (2) speedlays: (2) 1.5" side by side speedlay storage compartments. Upper area of module shall have (2) adjustable dividers to hold (1) stokes basket and (2) backboards. Includes vertically hinged smooth plate door(s) with push button latches.	\$4,563.00
3130-0494	Upper TM pump module with a transverse storage compartment with aluminum tread plate vertical hinged doors (1) each end of the compartment and a embossed tread plate top.	\$2,196.00
3130-0495	Enclosed Pump Module with Double Speedlays. Includes 47.5" wide pump panel opening. Includes area for (2) stacked speedlays, lower storage compartments with push button latches forward of pump panel opening. Upper module area to have storage pan.	\$19,020.00
3130-0496	Upper SM pump module. Crosslay area to be: (2) compts 4.5" at base, (1) compt 4.75" at base and (1) compt 7.5" at base. Ensure that each crosslay is wide enough to accommodate the nozzles so they are easily deployed for each side. Backboard storage and diamond plate storage pan. Crosslays to be 28" deep.	\$4,598.00
3130-0497	Upper TM pump module with modified sides for improved visibility and diamond plate storage pan.	\$2,360.00
3130-0498	Pump panel opening is 67" wide.	\$0.00
3130-0499	Upper stainless steel pump module with single stacked quad crosslays and top open storage with treadplate flooring. Crosslay floors located approximately 75" above ground. Top mount pump module only.	\$3,031.00
3130-0500	Upper SM pump module with forward (2) crosslays to be single stack and rearward crosslay to be double stack includes diamond plate storage pan.	\$4,349.00
3130-0501	Upper SM pump module with single stacked quad crosslays and diamond plate storage pan. Crosslays to be 28" deep due to additional capacity.	\$2,791.00
3130-0502	Pump panel opening is 62" wide.	\$0.00
3130-0503	Crosswalk module. Includes running boards, (1) intermediate style step each side and access handrails mounted on the pump module. Crosswalk, intermediate steps and running boards to be 3/16" aluminum treadplate plate.	\$1,335.00
3130-0504	Speedlay module. Includes area for (2) speedlays 15" front to rear with center divider curt to a height of 24", lower storage compartments with push button latches and running boards.	\$2,418.00
3130-0505	Pump module top mount with speedlays. Includes 45" wide pump panel opening, dunnage pan and running boards. Top mount walkway includes storage compartments with push button latches, (1) 10" diamond plate top mount walkway step with gator grip each side and access handrails mounted on the pump module. Includes area for (3) speedlays - (2) with 1.5" plumbing and (1) with 2.5" plumbing. The front area of the speedlays to have a removable diamond plate panel with D-ring latches.	\$12,121.00
3130-0506	Pump module. Includes 63" wide pump panel opening and running boards. Upper SM pump module with double stacked double crosslays with diamond plate storage pan. The hose to be in three (3) poly trays of 200' each. The module to be stepped up rearward of the crosslays.	\$7,134.00
3130-0507	Crosswalk module. Includes walkway storage compartments with push button latches, running boards, (1) dual lighted LED folding step each side and access handrails mounted on the pump module. The crosswalk shall be raised to accommodate storage of (2) backboards.	\$1,674.00
3130-0508	SM Pump module. Includes 71.5" wide pump panel opening and running boards. Upper pump module with double stacked double crosslays and diamond plate gator grip platform rearward of crosslays. For use with Industrial products.	\$7,509.00
3130-0509	Upper SM stainless steel pump module with single stacked single crosslay and a backboard/Stokes with top open storage with treadplate flooring.	\$2,637.00

Option No.	Description	PRICE
3130-0510	Pump module top mount with speedlays. Includes 51" wide pump panel opening and running boards. Includes area forward of pump panel opening for (2) speedlays (stacked). Includes crosswalk module and walkway storage compartments with push button latches, (1) dual lighted LED folding step each side and access handrails mounted on the pump module.	\$11,200.00
3130-0511	Pump module. Includes 39" wide pump panel opening with integral double speedlays and running boards. Upper SM pump module with double stacked single crosslay and diamond plate storage pan.	\$11,387.00
3130-0512	Enclosed triple vertically stacked speedlays with trays, 14" wide, capacities to be for the selected size preconnect discharges. Speedlay assembly welded integral to the front of SS pump enclosure. For use with enclosed side pump panels with special WB dimension added to create space for door openings. (Actual WB dimension for this application is 22".)	\$2,528.00
3130-0513	Transverse full width module (24" wide) with full height doors. Located behind cab, and stands alone. Includes a single compartment opening per side (with approximately 27" deep lower area and a transverse upper area).	\$4,285.00
3130-0514	Upper SM pump module with single stacked triple crosslays and transverse storage area rearward of deckgun channel with stainless steel lift-up doors with push button latches. (1) On driver and (1) on officer side.	\$2,927.00
3130-0515	Pump module top mount with speedlays. Includes 45" wide pump panel opening, dunnage pan and running boards. The crosswalk shall be raised 3". The area directly below the crosswalk walkway shall include five (5) compartments, one (1) each side for storage in the lower area and a horizontal storage directly under the walkway surface with three (3) compartments.	\$12,285.00
3130-0516	Pump module - one piece. Includes 49.5" wide pump panel opening includes smooth plate aluminum painted black Durabak with gator grip for running boards.	\$5,249.00
3130-0517	Double stacked 15"D triple crosslays and aluminum smooth plate storage pan painted black durabak. (2) 7.5" wide each to hold 250'-1.75"DJ & (1) 10.5" wide to hold 200'-2.5"DJ.	\$2,474.00
3130-0518	Crosswalk module. Includes walkway storage compartments with D-ring latches, running boards, (1) dual lighted LED folding step each side and access handrails mounted on the pump module.	\$1,509.00
3130-0519	Pump module for top mount enclosed operation. Includes 45" panel opening and area for single stacked double crosslay and deck gun channel. Module has sanded finish and crosslay floors are slotted for draining.	\$10,152.00
3130-0520	Upper SM pump module with double stacked double crosslays and transverse storage area. Transverse storage area to be rearward crosslays. Includes horizontally hinged diamond plate doors with thumb latches, doors to be hinged at top. Each crosslay to accommodate (1) removable poly tray (removable tray(s) sold separately).	\$3,401.00
3130-0521	eMAX Pump module HP75/78. Includes enclosed pump panel, compt on officer side (opposite pump panel), lower and upper storage areas, center front pump access doors, removable center floor in upper area, storage pan and boom support diamond plate filler panels. Lower storage area to hold (1) tray for 200' of 1.75" DJ preconnected hose and (1) tray for 200' of 2.5" DJ preconnected hose. Upper storage area to hold (1) tray for 200' of 1.75" DJ preconnected hose offset to rear of transverse storage area w/sleeve each side of center pump access. Label TRANSVERSE STORAGE (IPO BACK BOARD STORAGE).	\$8,838.00
3130-0522	Upper SM pump module with double stacked triple crosslay, deck gun channel and backboard storage. The rear crosslay is for dry hose storage.	\$2,721.00
3130-0523	Side mount pump module. Extruded aluminum with runningboards.	\$5,249.00
3130-0524	Top mount pump module with 20" walkway. Extruded aluminum with runningboards and formed side access steps.	\$6,255.00
3130-0525	Top mount pump module with walkway and integral double speedlays (9" W). Extruded aluminum with runningboards. Includes formed walkway access steps.	\$7,751.00

Option No.	Description	PRICE
3130-0526	Top mount pump module with walkway and integral triple speedlays (13" W). Extruded aluminum with runningboards. Includes formed walkway access steps. Each 1.5" speedlay will have capacity for up to 200 ft. of 1-3/4" hose. The 2.5" speedlay (if selected) will have capacity for 150 ft. of 2.5" hose.	\$8,235.00
3130-0527	Upper SM pump module with 8" channel forward for turret , 2.5" single stacked single crosslay and diamond plate storage pan.	\$2,209.00
3130-0528	Upper SM pump module with single stacked triple crosslays and diamond plate storage pan. Crosslay 3 to be a dead lay.	\$1,941.00
3130-0529	Enclosed Pump Module with Double Speedlays. Includes 40.5" wide pump panel opening. Includes area for (2) stacked speedlays, lower storage compartments with D-handle latches forward of pump panel opening. Upper module area to have storage pan.	\$19,020.00
3130-0530	A side mount pump module with triple crosslays. The module shall have overall dimensions of 70"H x 72"W (not including runningboards) x 49"L (front to rear).	\$7,673.00
3130-0531	Pump panel opening is 33" wide. Tanker only.	\$0.00
3130-0532	Pump panel opening is 39" wide. Pumper / tanker only.	\$0.00
3130-0533	Pump panel opening is 45" wide. Pumper / tanker only.	\$0.00
3130-0534	Pump panel opening is 51" wide. Pumper / tanker only.	\$0.00
3130-0535	Pump panel opening is 57" wide. Pumper / tanker only.	\$0.00
3130-0536	Pump panel opening is 63" wide. Pumper / tanker only.	\$0.00
3130-0537	Pump module height is 65". Pumper / tanker only.	\$0.00
3130-0538	Pump module height is 70". Pumper / tanker only.	\$0.00
3130-0539	Pump module height is 75". Pumper / tanker only.	\$0.00
3130-0540	Pump module height is 80". Pumper / tanker only.	\$0.00
3130-0541	eMAX Forward body extension for aerial application. Includes lower and upper storage areas, center front pump access doors, removable center floor in upper area, storage pan and boom support diamond plate filler panels. Lower storage area to hold (2) trays for 200' of 1.75" DJ preconnected hose each. Upper storage area to hold (1) tray for 200' of 2.5" DJ preconnected hose.	\$3,378.00
3130-0542	Speedlay module. Includes area for (2) speedlays with divider forward, (1) area for four (4) pike pole storage tubes to accommodate 6' pike poles in rearward lower area of module staggered two tubes on forward compartment wall and two tubes on rearward compartment wall. Upper area of rearward storage area over the pike poles there shall be a shovel storage compartment in remaining space which is open to the top of module when lid on top is opened. There shall be a bolt in divider between the pike pole storage and the upper shovel area. There shall be a hinged door on officer side only of rearward upper pike and shovel storage area with 2 push button latches, lower storage compartments with push button latches and running boards. All storage doors shall be wired to door ajar circuit in accordance with NFPA.	\$3,808.00
3130-0543	Upper SM pump module with 2.5" double stacked single crosslay and diamond plate storage pan. 250' of 2.50" DJ	\$1,941.00
3130-0544	Triple vertically stacked speedlays for top console 12" wide (no trays), capacities to be for the selected size preconnect discharges. Speedlay assembly welded integral to the front of SS pump enclosure. Bustin Tread in side running boards of speedlay area.	\$2,416.00
3130-0545	Upper SM pump module with single stacked triple crosslay, backboard storage and diamond plate storage pan.	\$3,141.00
3130-0546	Crosswalk module. Includes stainless steel walkway storage compartments with lift-up access lids and butterfly latches, non-skid running boards with Bustin Tread, and access hand rails mounted one each side to the front of the pump enclosure assembly.	\$2,558.00
3130-0547	Stainless steel 50" wide lower pump module. Includes side running boards with Bustin Tread inserts.	\$4,977.00
3130-0548	Upper SM stainless steel pump module with (2) triple stacked crosslays and top open storage with treadplate flooring.	\$1,618.00

Option No.	Description	PRICE
3130-0549	Upper SM stainless steel pump module with (3) crosslays in both single and double stacks, and top open storage with treadplate flooring.	\$1,879.00
3130-0550	Upper TM stainless steel pump module with (2) triple stacked crosslays.	\$1,778.00
3130-0551	Upper TM stainless steel pump module with (3) crosslays in both single and double stacks.	\$2,039.00
3130-0552	Pump module height is 85". Pumper / tanker only.	\$0.00
3130-0553	Top mount pump module with double stacked double crosslays and diamond plate gator grip platform rearward of crosslays. Includes 71.51" wide pump panel opening and running boards. Crosswalk (21" wide) with walkway storage compartments with D-ring latches, (1) top mount walkway step each side with mounting flanges to extend all the way from bottom to the top and access handrails mounted on the pump module. Crosswalk raised 10", formed lip on panel with lighting extrusion, breaker box in driver side tool box, all cab tilt controls in officer side tool box and hinged lift up access door on the opposite side of the access ladder if applicable. For use with Industrial products.	\$10,897.00
3130-0554	Pump module. Includes 39" wide pump panel opening and running boards. Upper SM pump module with double stacked double crosslays and transverse storage area. Transverse storage area to be rearward crosslays. Includes horizontally hinged diamond plate doors with push button latches. Each crosslay to accommodate (1) removable poly tray (trays not included).	\$8,648.00
3130-0555	Pump module. Includes 41" wide pump panel opening and running boards. Upper SM pump module with diamond plate storage pan and forward transverse compartment with double stacked double crosslays. Crosslays to be 12" wide and 15" deep.	\$12,182.00
3130-0556	Upper TM stainless steel pump module with single stacked double crosslays and a transverse storage compartment with top open storage (if space available) with treadplate flooring.	\$2,777.00
3130-0557	Stainless steel 70" wide lower pump module. Includes side running boards with Bustin Tread. This size is used for some big Industrial type foam systems.	\$5,249.00
3130-0558	Upper SM pump module with double stacked triple crosslays.	\$1,632.00
3130-0559	Crosslay triple double stacked. Includes (2) double stack crosslays to hold up to 200' of 2.0" DJ each and (1) crosslay to hold up to 200' of 2.5" DJ. Wetside tanker only.	\$1,548.00
3130-0560	Pump module. Includes 45" wide pump panel opening and running boards. Includes area forward of pump panel opening for (2) stacked speedlays and (1) upper speedlay (crosslay style), lower storage compartments with push button latches.	\$11,252.00
3130-0561	Upper TM pump module with single stacked single crosslay and backboard storage.	\$3,889.00
3130-0562	Crosswalk module. Includes running boards. The crosswalk shall be raised 8". (1) Dual lighted LED folding step each side and access handrails mounted on the pump module.	\$1,206.00
3130-0563	Top mount eMAX pump module for use with a (2) arm ladder rack. Includes area for a double speedlay, TM walkway (raised) 21" front to rear without compartments, dia plt running boards, folding steps with integral lights and (2) vertical handrails.	\$5,689.00
3130-0564	eMAX Pump module HP75/78. Includes enclosed pump panel, compt on officer side (opposite pump panel), lower and upper storage areas, center front pump access doors, removable center floor in upper area, storage pan and boom support diamond plate filler panels. Lower storage area to hold (2) preconnected hose storage trays. Upper transverse storage area to to have provision for (2) backboards vertically stored offset forward w/sleeve each side of center pump access.	\$8,838.00
3130-0565	Upper SM pump module with triple crosslays and diamond plate storage pan. Forward (2) crosslays to be single stack and rearward crosslay to be double stack.	\$2,215.00

Option No.	Description	PRICE
3130-0566	Speedlay module. Includes area for (2) speedlays, (1) area for backboard storage and Little Giant ladder with hinged doors with latches, lower storage compartments with push button latches and running boards.	\$3,030.00
3130-0567	Speedlay module tray #1 to hold 200' of 1-3/4" hose in double stack and tray #2 to hold 300' of 1-3/4" hose in a triple stack.	\$0.00
3130-0568	Pump module. Includes 45" wide pump panel opening and running boards. Upper SM pump module with double stacked triple crosslays with diamond plate storage pan.	\$7,134.00
3130-0569	Upper TM pump module with 2.5" single stacked single crosslay.	\$1,863.00
3130-0570	eMAX Tanker Pump module. Includes enclosed pump panel, compt on officer side (opposite pump panel), lower and upper storage areas, center front pump access doors, removable center floor in upper area, storage pan. Lower storage area to hold (1) tray for 200' of 1.75" DJ preconnected hose and (1) tray for 200' of 2.5" DJ preconnected hose. Upper storage area to hold (1) tray for 200' of 1.75" DJ preconnected hose offset to rear and storage area for (2) backboards vertically stored offset forward w/sleeve each side of center pump access.	\$8,838.00
3130-0571	Upper TM pump module with double stacked single crosslay and pike pole storage.	\$2,777.00
3130-0572	Top mount pump module with 19" walkway. Extruded aluminum with runningboards.	\$6,255.00
3130-0573	Transverse module (18" wide) with brushed stainless steel doors. Located forward of pump area and welded integral. Includes a single stainless steel compartment opening per side (with a shallow lower area and a transverse upper area) and side running boards with Bustin Tread.	\$2,472.00
3130-0574	Transverse Module (narrow) 24.5. Locate forward of pump area. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area with diamond plate flooring) and running boards.	\$2,444.00
3130-0575	Transverse Module (full width). Locate forward of pump area. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area with diamond plate flooring). Upper area for double stacked double crosslay.	\$4,160.00
3130-0576	Crosslay double. Includes (2) single stack crosslays to hold up to 200' of 2.0" DJ each and a diamond plate storage pan to rear of crosslays. Wetside tanker only.	\$1,914.00
3130-0577	Upper TM pump module with double crosslays. Forward crosslay to be double stacked and rearward crosslay to be dry lay for storage to include (2) pike pole tubes for 6' pike poles located on the rearward wall.	\$2,752.00
3130-0578	Speedlay module. Includes a lower double preconnect storage area, upper preconnect storage area, sleeve in upper storage area for (2) backboards (vertically stored offset forward) lower storage compartments with push button latches and running boards.	\$3,517.00
3130-0579	Pump module. Includes 51" wide pump panel opening and running boards. Upper SM pump module with (4) single stacked single crosslays with diamond plate storage pan. Crosslays to be 66" high from ground.	\$7,134.00
3130-0580	Top mount eMAX pump module. Includes area for a double speedlay, TM walkway (raised) with compartments with embossed diamond plate lift-up walkway lids (includes gas shock(s) as required to hold the lids open with butterfly style latch(es) for securing in the closed position). Compartments to be large as possible and include (1) light (match body compartments for brand and type of light) door ajar indicator wiring. Outboard sides of walkway to have diamond plate panels. Dia plt running boards, Gator Grip fixed walkway steps and (2) vertical handrails.	\$6,564.00
3130-0581	Upper SM pump module with double stacked double crosslay, backboard storage and diamond plate storage pan.	\$2,796.00
3130-0582	Speedlay module. Includes area for (2) speedlays with center divider, lower storage compartments with push button latches and running boards.	\$1,810.00

Option No.	Description	PRICE
3130-0583	Transverse Module (narrow). Locate forward of pump area. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area with diamond plate flooring) and running boards. Upper area for double crosslay/drylay, forward crosslay to be single stacked and rearward drylay to be double stacked.	\$5,074.00
3130-0584	Top mount pump module with double stacked double crosslays and diamond plate gator grip platform rearward of crosslays. Includes 71.5" wide pump panel opening and running boards. Crosswalk (21.5" wide) with walkway storage compartments with D-ring latches, (1) top mount walkway step with gator grip each side with mounting flanges and access handrails mounted on the pump module. Lip on panel with lighting extrusion. For use with Industrial products.	\$8,482.00
3130-0585	Side mount pump module. Includes upper area for double stacked double preconnects with area for dead lay of hose. Side panels to be stainless steel and backside of module to have diamond plate trim.	\$1,084.00
3130-0586	Pump module. Includes 45" wide pump panel opening and running boards. Upper SM pump module with 1.5" single stacked double crosslays 71" from ground, 2.5" double stack single dry crosslay stepped up 7" from double crosslay and diamond plate storage pan.	\$9,108.00
3130-0587	Pump module. Includes 45" wide pump panel opening and running boards. Upper SM pump module with single stacked double crosslays, backboard storage and open back storage pan. Crosslays and backboard storage to be stepped down 8".	\$7,885.00
3130-0588	Pump module. Includes 45" wide pump panel opening and running boards. Upper SM pump module with single stacked double crosslays, backboard storage and open back storage pan.	\$7,885.00
3130-0589	Transverse Module (full width). Locate forward of pump area. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area with smooth plate flooring).	\$3,201.00
3130-0590	Transverse module to hold: Four (4) shoreboards 48" x 92" on edge.	\$1,332.00
3130-0591	Transverse Module (narrow). Locate forward of pump area. Includes Upper and Lower compartment openings each side of module, a 3" extrusion located between upper and lower openings. The separate lower, "tool style" compartment on each side of module shall be shallow with diamond plate flooring, and include a diamond plate door with D-ring door latch. The upper transverse storage area shall include a diamond plate floor that shall extend out to the 3" extrusion which separates the upper and lower compartment openings.	\$4,948.00
3130-0592	Speedlay module. Includes area for triple speedlays with divider(s) and lower storage compartments with push button latches and running boards. The side facing tool compartment doors along with the front and rear facing panels are to be smooth plate and painted gray Zolatone. Running boards to include gator grip and be painted black Durabak.	\$3,426.00
3130-0593	Upper TM pump module with smooth plate side panels painted job color and smooth plate storage pan painted black Durabak.	\$2,156.00
3130-0594	Pump module. Includes 45" wide pump panel opening and running boards. The front access door and the front panels to be smooth plate and painted gray Zolatone. Running boards to include gator grip and be painted black durabak. Used on TM module only.	\$6,562.00
3130-0595	Upper SM pump module with double stacked quad crosslays and no storage pan. Crosslays to be 23" deep. For use on narrow 39" module only with applications approval that no pump panel will be utilized on upper module.	\$2,765.00
3130-0596	Stainless steel 62" wide pump module with a pair of side by side integral speedlays. Includes side running boards with Bustin Tread. Consists of a 42" wide pump panel area with a 12" wide area forward for integral speedlays with 250' of 1-3/4" hose each.	\$7,170.00

Option No.	Description	PRICE
3130-0597	Transverse Module (narrow). Locate forward of pump area. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area with diamond plate flooring) and running boards. Upper area for triple crosslay, forward (2) crosslays to be single stacked for 200' of 2.00" DJ hose per lay and rearward crosslay to be single stacked for 150' of 2.50" DJ hose.	\$4,850.00
3130-0598	Pump module. Includes 51" wide pump panel opening and running boards. Upper SM pump module with single stacked double crosslays, backboard storage and diamond plate storage pan. Crosslays to be @ 72" high from ground.	\$8,474.00
3130-0599	Crosswalk module. Includes walkway storage compartments with push button latches, running boards, (1) dual lighted LED folding step each side and access handrails mounted on the pump module. Diamond plate walkway plate to be 21" wide due to 2-door Freightliner DEF tank.	\$1,509.00
3130-0600	Pump module modification. Includes modification to officer side of module to accommodate folding steps on forward body, resizing pump panel and relocating DEF fill forward if applicable. Option does not include steps.	\$804.00
3130-0601	Pump module. Includes 51" wide pump panel opening and running boards. Upper SM pump module with double stacked triple crosslays with diamond plate storage pan. Crosslays to be 70" high from ground. Front headboard of module to be lowered 10" and provisions added to mount crosslay cover forward of deck gun channel.	\$7,456.00
3130-0602	Dunnage pan notch. Located in the pump module. Pan to have a notch on the rear wall for the ladders to extend into.	\$282.00
3130-0603	Top mount pump module with double stacked double crosslays and diamond plate gator grip platform rearward of crosslays. Includes 71.5" wide pump panel opening and running boards. Crosswalk (21" wide) with walkway storage compartments with push button latches, (1) dual lighted LED folding step each side and access handrails mounted on the pump module. Formed lip on panel with lighting extrusion, all cab tilt controls in officer side tool box and hinged lift up access door on the opposite side of the access ladder if applicable. For use with Industrial products.	\$10,897.00
3130-0604	Upper SM pump module with double stacked double crosslay, backboard storage and diamond plate storage pan.	\$2,769.00
3130-0605	Pump module. Includes 51" wide pump panel opening and running boards. Upper SM pump module with double stacked triple crosslays single stack depth for extra capacity with diamond plate storage pan. Crosslays to be 70" high from ground.	\$7,765.00
3130-0606	Upper SM stainless steel pump module with double stacked double crosslays for 1-1/2" DJ hose and top open storage with treadplate flooring. Width of each of the crosslay beds must be 6-1/2". Crosslay height to be aprox. 65" from ground.	\$1,815.00
3130-0607	Upper SM pump module with single stacked triple crosslays and enclosed storage compartment with vertical hinged (rearward) diamond plate access door (1) each side and a bolt-on diamond plate top. Inside compartment will be a vertical partition centered in the opening and a full width adjustable shelf forward of the partition.	\$4,200.00
3130-0608	Top mount eMAX pump module for use with a (2) arm ladder rack. Includes area for a raised double speedlay, TM walkway (raised) 21" front to rear, diamond plate access doors without compartments, diamond plate running boards, folding steps with integral lights and (2) vertical handrails. For use with 4X4 application.	\$5,689.00
3130-0609	Pump module top mount with speedlays. Includes 45" wide pump panel opening, dunnage pan and running boards. The crosswalk shall be raised 3". The area directly below the crosswalk walkway shall include three (3) compartments, one (1) each side for storage in the lower area and a horizontal transverse backboard storage directly under the walkway surface with an access door on both sides of the module. (1) 14" diamond plate top mount walkway step with gator grip each side and access handrails mounted on the pump module. Includes area for two (2) speedlays with 1.5" plumbing, one (1) discharge swivel to either side of the body. The front area of the speedlays to have a removable diamond plate panel with D-ring latches.	\$11,906.00
3130-0610	Heat shield. Locate below diamond plate walkway top.	\$142.00

Option No.	Description	PRICE
3130-0611	eMAX Pump module HP75/78. Includes enclosed pump panel, compt on officer side (opposite pump panel), lower and upper storage areas, center front pump access doors, removable center floor in upper area, storage pan and boom support diamond plate filler panels. Lower storage area to hold (1) tray for 200' of 1.75" DJ preconnected hose and (1) tray for 200' of 2.5" DJ preconnected hose. Upper storage area to hold (1) tray for 200' of 1.75" DJ preconnected hose and for dry storage (1) tray for 200' of 2.5" DJ hose.	\$8,838.00
3130-0612	Upper SM pump module with storage for (2) New York Hook pike poles and diamond plate storage pan.	\$2,637.00
3130-0613	Pump module. Includes 57" wide pump panel opening and running boards. Upper SM pump module with double stacked double crosslays, backboard storage, and diamond plate storage pan. Crosslays to be no higher than 68" from ground.	\$7,528.00
3130-0614	Pump module top mount with 39" wide pump panel opening, triple sgl stack crosslays rear of TM panel and integral walkway with compartments. Includes dia plt running boards.	\$8,805.00
3130-0615	Upper SM stainless steel pump module with double stacked quad crosslays with top open storage with treadplate flooring.	\$2,074.00
3130-0616	Pump module top mount with speedlays. Includes 45" wide pump panel opening and running boards. Includes area forward of pump panel opening for (2) speedlays (stacked). Includes crosswalk module and walkway storage compartments with push button latches, (1) dual lighted LED folding step each side and access handrails mounted on the pump module.	\$10,510.00
3130-0617	Upper SM pump module with single stacked triple crosslays and rear of the crosslays a Double Stacked Dry Lay.	\$4,162.00
3130-0618	Crosswalk module. Includes walkway storage compartments with push button latches, running boards, (1) dual lighted LED folding step each side and access handrails mounted on the pump module. The crosswalk shall be raised to accommodate storage of (1) backboard.	\$1,674.00
3130-0619	Pump module. Includes 51" wide pump panel opening, integral walkway and running boards. Includes area forward of pump panel opening for (2) speedlays (stacked), lower storage compartments with push button latches, (1) dual lighted LED folding step each side and access handrails mounted on the pump module.	\$10,952.00
3130-0620	One (1) diamond plate gator grip step each side of TM walkway in place of the standard folding step.	\$235.00
3130-0621	Pump module. Includes 51" wide pump panel opening and running boards. Upper SM pump module with single stacked triple crosslays, backboard storage and open back storage pan. Crosslays and backboard storage to be stepped down 8".	\$8,340.00
3130-0622	Pump panel opening is 37" wide. Pumper / tanker only.	\$0.00
3130-0623	Pump module. Includes 39" wide pump panel opening with integral double speedlays and running boards. Upper SM pump module with diamond plate storage pan.	\$11,387.00
3130-0624	Top Mount Enclosed Pump Module. Includes 39" panel opening and area directly below the top mount controls for a double stacked double speedlay with removable aluminum trays stacked side by side, lower storage compartments with push button latches and running boards. The upper module will include a storage pan.	\$11,315.00
3130-0625	Top mount enclosed pump module. 70" overall length includes 22" wide pump panel, 100" wide, 110" tall. Running boards with Bustin tread inserts. Double speedlay storage.	\$46,852.00
3130-0626	Pump module top mount with better visibility and with speedlays. Includes 45" wide pump panel opening, dunnage pan and running boards. Top mount walkway includes storage compartments with push button latches, (1) dual lighted LED folding step each side and access handrails mounted on the pump module. Includes area for (3) speedlays - (2) with 1.5" plumbing and (1) with 2.5" plumbing.	\$11,895.00

Option No.	Description	PRICE
3130-0627	Pump module. Includes 51" wide pump panel opening and running boards. Upper SM pump module with double stacked double crosslays with diamond plate storage pan. Crosslays to be 66" high from ground.	\$7,096.00
3130-0628	Pump module top mount with better visibility and with speedlays. Includes 45" wide pump panel opening, dunnage pan and running boards. Top mount walkway includes storage compartments with push button latches, (1) dual lighted LED folding step each side and access handrails mounted on the pump module. Includes area for (3) speedlays - (2) with 1.5" plumbing and (1) with 2.5" plumbing. Each speedlay to have a 200' capacity of hose.	\$11,895.00
3130-0629	Upper SM pump module with single stacked double crosslay, cribbage storage and diamond plate storage pan. Cribbage storage to be a minimum 4" clear opening (including latch).	\$2,905.00
3130-0630	Upper SM pump module with double stacked triple crosslays (single stacked depth) and rear of the crosslays a single stacked Dry Lay.	\$4,162.00
3130-0631	Pump module height is 90". Pumper / tanker only.	\$0.00
3130-0632	Upper SM pump module with diamond plate storage pan and storage compartment. Storage compartment located forward of storage pan. Includes (1) full height adjustable divider and vertically hinged stainless steel door each side and push button latches.	\$5,012.00
3130-0633	Upper stainless steel pump module with single stacked triple crosslays and top open storage with treadplate flooring. Crosslay floors lowered to approximately 66" above ground. Crosslay plumbing terminates at side panels below beds.	\$3,031.00
3130-0634	One (1) Folding step each side of TM walkway in place of the standard diamond plate gator grip step.	\$0.00
3130-0635	Side mount pump module fully enclosed. Includes upper area for double stacked double preconnects.	\$0.00
3130-0636	Side mount fully enclosed pump module. Includes upper area for double stacked double preconnects.	\$0.00
3130-0637	Double vertically stacked speedlays for use with removable trays, 9.5" wide, capacities to be for the selected size preconnect discharges. Includes (1) crosslay at top above speedlays. Module assembly welded integral to the front of SS pump enclosure. Actual module width 13".	\$3,042.00
3130-0638	Crosslay triple. Includes two (2) double stack pre-connected crosslays forward to hold up to 200' of 2.0" DJ each, and one (1) double stacked crosslay rearward. Crosslay to hold up to 200' of 2.5" DJ dry hose. Wetside tanker only.	\$1,805.00
3130-0639	Pump module one piece. Includes 39in. wide pump panel opening and running boards. Upper SM pump module with single stacked double cross lays and a transverse storage located rearward of cross lays equipped with boxed out lift up tread lids on both sides to accommodate storage of up to a 86in. length stokes basket and a nested back board. Boxed out doors to have D-ring latches, Stainless steel staked hinges and hold open device(s) and be designed to lift up high enough to easily deploy equipment from below. Door to be tied to door ajar circuit in cab. Upper module to be raised to also accommodate a dunnage pan.	\$8,712.00
3130-0640	Enclosed Pump Module with Double Speedlays. Includes 40.5" wide pump panel opening. Includes area for (2) stacked speedlays, lower storage compartments with D-handle latches forward of pump panel opening. Upper module area to have storage pan.	\$19,020.00
3130-0641	Top mount pump module with 20" walkway and running boards. Includes area forward of pump panel opening for (2) speedlays (stacked), lower storage compartments with push button latches.	\$8,912.00
3130-0642	Pump module height is 72". Pumper / tanker only.	\$0.00
3130-0643	Interior of Backboard Storage compartment shall include gray zoloatone on floor, sides, and top of storage enclosure. Floor of compartment to include a composite material overlay.	\$741.00
3130-0644	Full Width Speedlay module. Includes a lower double preconnect storage area, upper preconnect storage area, full width storage pan, and lower storage compartments with push button latches.	\$3,996.00

Option No.	Description	PRICE
3130-0645	LINE-X package for side mount pump module: Includes exterior surfaces of all running boards (including speedlay running boards if applicable), integral running board platforms (underbody style not included), exterior surface of runningboard trays and lids, intermediate steps and all fabricated mounting plates installed under the module or body for plumbing options like drains, bleeders, etc. as applicable.	\$479.00
3130-0646	LINE-X package for top mount pump module: Includes exterior surfaces of all running boards (including speedlay running boards if applicable), exterior surface of runningboard trays and lids, intermediate steps and all fabricated mounting plates installed under the module or body for plumbing options like drains, bleeders, stirrup style switch etc. as applicable. Also includes walkway and walkway steps.	\$909.00
3130-0647	Top mount eMAX pump module. Includes area for a single 2.5" speedlay with 200' capacity, TM walkway (raised) with compartments, dia plt running boards, folding steps with integral lights and (2) vertical handrails.	\$5,689.00
3130-0648	Top mount pump module with walkway and integral double speedlays (11" W). Extruded aluminum with runningboards. Includes formed walkway access steps.	\$7,751.00
3130-0649	LINE-X for embossed diamond plate panel to be located above speedlays forward of top mount pump panel area.	\$269.00
3130-0650	Raised crosswalk module. Includes 8" raise with 5" high storage compartment with drop down diamond plate doors with push button latches.	\$1,411.00
3130-0651	Top mount pump module with walkway and integral double speedlays (11" W). Extruded aluminum with runningboards. Includes formed walkway access steps.	\$7,751.00
3130-0652	Pump module, base, single crosslay, stainless, Wildland, Export	\$9,011.00
3130-0653	eMAX Rescue Pump module. Includes a lower double preconnect storage area, enclosed pump panels, compartment on officer side (opposite pump panel), center front pump access doors and upper transverse storage area.	\$12,352.00
3130-0654	Upper SM stainless steel pump module without crosslays. Side access open storage only with treadplate flooring. Includes (1) full width lift up door drivers side and (1) vertically hinged backboard door officer side.	\$2,918.00
3130-0655	Raised walk surface on optioned module with integrated cross walk module. Includes additional structure for 8 in. raise with 5 in. high transverse storage compartment with drop down diamond plate doors with push button latches. Compartment to be sleeved to allow for un-specified dry storage.	\$1,411.00
3130-0656	Upper TM pump module with diamond plate gator grip platform rearward top mount panel.	\$2,052.00
3130-0657	Pump module. Includes 39" wide pump panel opening and running boards. Includes area forward of pump panel opening for (2) stacked speedlays and (1) upper speedlay (crosslay style), lower storage compartments with push button latches.	\$11,252.00
3130-0658	eMAX Pump module HP75/78. Includes enclosed pump panel, compt on officer side (opposite pump panel), lower and upper storage areas, center front pump access doors, removable center floor in upper area, storage pan and boom support diamond plate filler panels. Upper and lower storage area to hold (1) tray for 200' of 1.75" DJ preconnected hose and (1) tray for 200' of 2.5" DJ preconnected hose.	\$8,838.00
3130-0659	Pump module. Includes 45" wide pump panel opening with integral double speedlays and running boards. Upper SM pump module with double stacked single crosslay, tool compartment each side below speedlay and diamond plate storage pan.	\$11,387.00
3130-0660	Pump module. Includes 71.5" wide pump panel opening and running boards. Includes Extending pump module forward of side pump panels an additional 10" and providing access panel opening to interior of forward pump module area on each side of body. For use with Industrial products.	\$6,890.00

Option No.	Description	PRICE
3130-0661	Upper SM pump module with double stacked 2.5" double crosslays and diamond plate gator grip platform rearward of crosslays.	\$2,244.00
3130-0662	Transverse Module (narrow). Locate forward of pump area. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area with diamond plate flooring) and running boards. Upper area for double stacked triple crosslay. Crosslay 3 to be a dead lay.	\$5,074.00
3130-0663	Upper SM pump module with storage for double stacked double crosslay/drylay and diamond plate gator grip platform rearward of hose storage area.	\$2,244.00
3130-0664	Upper SM stainless steel pump module with (3) crosslays in double stacks, and top open storage with treadplate flooring.	\$1,879.00
3130-0665	Upper TM stainless steel pump module with (3) crosslays in double stacks.	\$2,039.00
3130-0666	Pump panel opening is 47" wide. Applies only to Bronto Industrial Q116.	\$0.00
3130-0667	Upper pump module to be double stack double crosslay and diamond plate storage pan rearward of the crosslays with a Gator Grip hinged lid with gas shock hold opens.	\$2,041.00
3130-0668	Stainless steel 62" wide lower pump module. Includes side running boards with Bustin Tread. This size required for most CAFS units.	\$5,249.00
3130-0669	Top mount pump module with 20" walkway, 12" W tool compartment opening, and integral double speedlays (9" W). Extruded aluminum with runningboards. Includes full width formed walkway access steps.	\$7,751.00
3130-0670	Upper SM pump module with single stacked triple crosslay area (4.25/4.25/6") and diamond plate storage pan. Rearward crosslay is to be a dry lay to hold 150' of 3" DJ (1" wider than standard). Forward crosslay areas are for up to 200' of 2" DJ each.	\$2,194.00
3130-0671	The walkway step(s) shall be offset to the rear to accommodate pole/tripod light or other options located on the back of the cab. If equipped, the tool storage compartment door(s) shall be reduced in size.	\$0.00
3130-0672	Pump module for side mount enclosed operation. Includes 52.5" panel opening and area for double stacked triple crosslay. Module has sanded finish and crosslay floors are slotted for draining. Pump module to be full width.	\$12,713.00
3130-0673	Upper SM stainless steel pump module with single stacked double crosslays and double stacked dead lay for LDH hose. Top open storage with treadplate flooring.	\$1,941.00
3130-0674	Pump panel opening is 48" wide.	\$0.00
3130-0675	Upper stainless steel pump module with single stacked double crosslays and top open storage with treadplate flooring. Crosslay floors lowered to approximately 66" above ground. Crosslay plumbing terminates at side panels below beds. Crosslay 1 and crosslay 2 on the officer side.	\$3,031.00
3130-0676	Door at officer side upper pump panel for dunnage compartment access Locate directly rearward of the crosslay beds with forward hinged vertical access door 17.5" wide x 31" tall and push button trigger latch.	\$267.00
3130-0677	The tool compartments directly below the walkway shall have doors hinged to the rear IPOS so that the door opens away from walkway step and does not hit the step.	\$0.00
3130-0678	Top mount pump module with 20in. walkway. Extruded aluminum with running boards and LED lighted folding side access steps.	\$6,255.00
3130-0679	Side mount panel for lever controls IPO push pull handles.	\$1,533.00
3130-0680	Durabak package for side mount pump module: Includes exterior surfaces of all running boards (including speedlay running boards if applicable), exterior surface of runningboard trays and lids, intermediate steps and all fabricated mounting plates installed under the module or body for plumbing options like drains, bleeders, stirrup style switch etc. as applicable.	\$479.00

Option No.	Description	PRICE
3130-0681	Durabak package for top mount pump module: Includes exterior surfaces of all running boards (including speedlay running boards if applicable), exterior surface of runningboard trays and lids, intermediate steps and all fabricated mounting plates installed under the module or body for plumbing options like drains, bleeders, stirrup style switch etc. as applicable. Also includes walkway and walkway steps.	\$909.00
3130-0682	Upper SM stainless steel pump module with double stacked double crosslays and top open storage with treadplate flooring. Each bed to hold up to 200' of double jacket hose for the selected discharges.	\$1,548.00
3130-0683	eMAX Pump module HP75/78. Includes enclosed pump panel, compt on officer side (opposite pump panel), lower and upper storage areas, center front pump access doors, removable center floor in upper area, storage pan and boom support diamond plate filler panels. Lower storage area to hold (2) trays for 200' of 1.75" DJ preconnected hose. Upper storage area to hold (1) tray for 200' of 2.50" DJ preconnected hose offset to rear and storage area for (2) backboards vertically stored offset forward w/sleeve each side of center pump access.	\$8,838.00
3130-0684	Top mount pump module with walkway and integral double speedlays (9" W). Extruded aluminum with runningboards. Includes formed walkway access steps.	\$7,751.00
3130-0685	Pump module height is 87". Pumper / tanker only.	\$0.00
3130-0686	Pump panel opening is 57" wide. Pumper / tanker only.	\$0.00
3130-0687	Crosslay double. Includes (2) double stack crosslays for up to 300' of 2.0 DJ hose forward, and 200' of 2.5" DJ hose to rear, with either a diamond plate storage pan, or an aluminum treadplate panel in available area rearward of the crosslays. Wetside tanker only.	\$1,955.00
3130-0688	Stainless steel 65" wide lower pump module. Includes side running boards with Bustin Tread. This size required for most CAFS units.	\$5,249.00
3130-0689	Top mount pump module with walkway and integral double speedlays (11" W). Extruded aluminum with runningboards. Includes formed walkway access steps.	\$7,751.00
3130-0690	Pump module side mount with 39" wide pump panel opening. Includes dia plt running boards. Wetside tanker only.	\$3,422.00
3130-0691	Upper stainless steel pump module with double stacked triple crosslays and top open storage with treadplate flooring. Crosslay floors lowered to approximately 71" above ground.	\$3,031.00
3130-0692	Pump module modification for lowered crosslays accessed from the ground. Front headboard of module to be lowered and provisions added to mount crosslay cover forward of deck gun channel. See body layout.	\$430.00
3130-0693	Upper SM stainless steel pump module with double stacked double crosslays and a backboard plus top open storage with treadplate flooring. Crosslay capacity of 300' of 1.75" hose per bed.	\$2,637.00
3130-0694	Upper stainless steel pump module with single stacked triple crosslays and top open storage with treadplate flooring. Crosslay floors lowered to approximately 64" above ground.	\$3,031.00
3130-0695	Pump panel opening is 37.5" wide. Pumper / tanker only.	\$0.00
3130-0696	Upper SM pump module with single stacked triple crosslay, and diamond plate storage pan. Forward (2) crosslay to be 6" wide and the rearward crosslay to be 6.75" wide.	\$4,755.00
3130-0697	Enclosed Side Mount Pump Module with 17" wide integral preconnect area located forward of pump panel. Includes tool compartment each side below the forward preconnect area and running boards.	\$15,234.00
3130-0698	Pump panel opening is 47.5" wide.	\$0.00

Option No.	Description	PRICE
3130-0699	Pump module height is 95". Pumper / tanker only.	\$0.00
3130-0700	Upper SM stainless steel pump module with double stacked double crosslays and a backboard plus top open storage with treadplate flooring. Crosslay capacity of 300' of 1.75" hose per bed. Crosslay floors lowered to approximately 71" above ground.	\$3,049.00
3130-0701	Side Mount Pump Module with 11" wide integral preconnect storage area located forward of pump panel. Includes tool compartment each side below the forward preconnect storage area and running boards.	\$9,181.00
3130-0702	Top mount eMAX pump module. Includes area for a double speedlay, TM walkway (raised) with compartments, dia plt running boards, folding steps with integral lights and (2) vertical handrails. The walkway shall be raised and stretched to accommodate storage of (2) backboards.	\$6,225.00
3130-0703	Upper SM stainless steel pump module without crosslays. Transverse storage compartment 20" wide x 24" high with mid-point shelf at front of the enclosure with ADT cover. (1) door actuated light at each door opening. (2) vertical rearward hinged box pan fully gasketed doors with d-ring latches and gas tube hold opens. Wire to door adjar indicator in cab. A full height vertical partition installed 2.5" from the rear wall to provide space for backboard storage. Shelf installed forward of partition at mid-height to permit storage of high rise pack on bottom and long handle tools on top. Top open storage rearward of the transverse compartment with treadplate flooring. Outer door panel finish to match side pump panel finish.	\$3,565.00
3130-0704	Pump module. Includes 39" wide pump panel opening with integral double speedlays and running boards. Upper SM pump module with double stacked single crosslay, tool compartment each side below speedlay and diamond plate storage pan.	\$11,387.00
3130-0705	Pump module. Includes 63" wide pump panel opening and running boards. Upper SM pump module with double stacked triple crosslays extra capacity with diamond plate storage pan. Crosslays to be 68" high from ground. Front headboard of module to be lowered 15" and provisions added to mount crosslay cover.	\$7,599.00
3130-0706	Upper SM pump module with double stacked double crosslays and diamond plate storage pan. Rear crosslay to be plumbed 2.5" with opening for 3" DJ hose.	\$1,808.00
3130-0707	Pump panel opening is 34" wide Pumper/Tanker only. REQUIRES APPARATUS ENGINEERING APPROVALwith MIDSHIP pump in quote.	\$0.00
3130-0709	Pump panels to be recess mounted in the pump module by approximately 2" each side of body.	\$533.00
3130-0710	eMAX Pump module HP75/78. Includes enclosed pump panel, compt on officer side (opposite pump panel), lower and upper storage areas, center front pump access doors, removable center floor in upper area, storage pan and boom support diamond plate filler panels. Lower storage area to hold (2) preconnected hose storage trays. Upper storage area to have transverse area accessible thru lift-up door each side.	\$8,838.00
3130-0711	eMAX Pump module HP75/78. Includes enclosed pump panel, compt on officer side (opposite pump panel), lower and upper storage areas, center front pump access doors, removable center floor in upper area, storage pan and boom support diamond plate filler panels. Lower storage area to hold (1) tray for 200' of 3" DJ preconnected hose offset to rear and storage area for (2) backboards vertically stored offset forward w/sleeve each side of center pump access. Upper transverse storage area for dry storage accessible from both sides and open top area.	\$9,338.00
3130-0712	Pump module height shall be customized per customer specific requirement. See drawings for more details. Pumper / tanker only.	\$0.00
3130-0713	Pump module modification for lowered crosslays accessed from the ground. Front headboard of module to be lowered and provisions added to mount crosslay cover forward of deck gun channel. See body layout.	\$430.00

Option No.	Description	PRICE
3130-0714	Removable boxed out upper speedlays. The rear area of the two (2) upper speedlays are to be boxed out with a removable back wall to reduce the width of the speedlays. Both upper speedlays are to have 7" of clear opening front to rear including forward speedlay roller.	\$632.00
3130-0715	Enclosed triple vertically stacked speedlays with trays, 14" wide, capacities to be for the selected size preconnect discharges. Speedlay assembly welded integral to the front of SS pump enclosure. For use with enclosed side pump panels with special WB dimension added to create space for door openings. Actual WB dimension for this application is 23".	\$2,872.00
3130-0716	Top mount eMAX pump module. Includes area for a double speedlay, TM walkway (raised) without compartments (access doors ONLY for CAFS system), dia plt running boards, folding steps with integral lights and (2) vertical handrails.	\$5,689.00
3130-0717	Crosswalk module. 19" wide. Includes stainless steel walkway storage compartments with lift-up access lids and butterfly latches, non-skid running boards with Bustin Tread, and access hand rails mounted one each side to the front of the pump enclosure assembly.	\$1,420.00
3130-0718	Double vertically stacked speedlays 16" wide, capacities to be for the selected size preconnect discharges. Each bed to hold 300' of hose. Speedlay assembly welded integral to the front of SS pump enclosure.	\$2,700.00
3130-0719	Pump panel opening is 36" wide. Pumper / tanker only.	\$0.00
3130-0720	Side Mount Pump Module with 13" wide integral preconnect area located forward of pump panel. Includes tool compartment each side below the forward preconnect area and running boards.	\$9,431.00
3130-0721	Side Mount Pump Module with 15" wide integral preconnect area located forward of pump panel. Includes tool compartment each side below the forward preconnect area and running boards.	\$9,681.00
3130-0722	Side Mount Pump Module with 9" wide integral preconnect area located forward of pump panel. Includes tool compartment each side below the forward preconnect area and running boards.	\$8,931.00
3130-0723	Pump panel opening is 46" wide.	\$0.00
3130-0724	Speedlay module, 17" wide. Includes area for (2) 2" speedlays, fixed center divider, stainless steel lower storage compartments with push-button latches and running boards. Plumbing with swivel elbows will be routed outboard of the frame rails, (1) each side.	\$1,567.00
3130-0725	Stainless steel 46" wide lower pump module. Includes side running boards with Bustin Tread inserts. Side access pump panels fully removable with lift and turn latches.	\$5,479.00
3130-0726	Crosswalk module. Includes stainless steel walkway storage compartments with side opening lift-up access door/step combination, with gas shocks and latches, non-skid running boards with Bustin Tread and access hand rails mounted one each side to the front of the pump enclosure assembly.	\$1,561.00
3130-0727	Top Mount Enclosed Pump Module with 19" wide integral preconnect area located forward of pump panel. Includes tool compartment each side below the forward preconnect area and running boards.	\$10,181.00
3130-0728	Top Mount Enclosed Pump Module. Extruded aluminum with runningboards.	\$8,931.00
3130-0729	Pump module height is 69". Top Mount Enclosed pump module only.	\$0.00
3130-0730	The side mount pump module shall be enclosed with roll up doors on both sides. Roll up doors added seperately.	\$4,371.00
3130-0731	Enclosed triple vertically stacked speedlays, 15" wide, for use with trays (selected separately). Capacities to be 250' for the selected size preconnect discharges. Speedlay assembly welded integral to the front of SS pump enclosure. For use with enclosed side pump panels. Overall additional width adds 22" to the wheelbase.	\$2,528.00

Option No.	Description	PRICE
3130-0732	Enclosed Pump Module with Triple Speedlays vertical stacked. Includes 45" wide pump panel opening. Includes preconnect area for (3) 1.5" speedlays, lower storage compartments forward of pump panel opening. Upper module area to have storage pan.	\$17,405.00
3130-0733	The outboard panels of the pump module to be smooth plate seamless and painted job color.	\$535.00
3130-0734	Side Mount Pump Module with 17" wide integral preconnect area located forward of pump panel. Includes tool compartment each side below the forward preconnect area and running boards.	\$9,981.00
3130-0735	eMAX Pump module HP75/78. Includes enclosed pump panel, compt on officer side (opposite pump panel), lower and upper storage areas, center front pump access doors, removable center floor in upper area, storage pan and boom support diamond plate filler panels. Lower storage area to hold (1) tray for 200' of 1.75" DJ preconnected hose and (1) tray for 200' of 2.5" DJ preconnected hose. Upper storage area to hold (1) tray for 200' of 1.75" DJ preconnected hose offset to rear and storage area offset forward. Includes sleeves offset forward each side of center pump access for (1) backboard vertically stored (approx. 3" wide) and remaining area to rear of backboard storage sleeve to be divided into (2) equal slots for long handle tools.	\$8,838.00
3130-0736	Upper SM pump module with double stacked double cross lays and transverse storage area. Transverse storage area to be rearward cross lays. Includes horizontal hinged diamond plate doors with D-Ring latches and gas shocks, doors to be hinged at top and tied to door ajar in cab.	\$2,080.00
3130-0737	Enclosed Pump Module with Triple Speedlays. Includes 51" wide pump panel opening. Includes a lower preconnect area for (1) 2.5" speedlay and a upper preconnect area for (2) 1.5" speedlays, lower storage compartments with push button latches forward of pump panel opening. Upper module area to have storage pan.	\$17,405.00
3130-0738	Pump module compartment approx. 20 inches deep located on the officer side. Includes provision for discharges or intakes on the back wall as applicable. Requires enclosed pump module, special ordered water pump and engineering approval.	\$718.00
3130-0739	The pump module side panels shall be inset at standard width on both sides of the apparatus with running boards only below module panels. Forward hose storage areas and/or upper module shall be extended outward to full body width to allow for longer storage capacity and for upper module to have a full body width dunnage pan as applicable per configuration. Side forward body steps not usable with this option and slide out platforms may be needed to accommodate reach to options in dunnage pan as applicable. i.e. booster or cord reels or similar which will deploy off of module side.	\$4,371.00
3130-0740	Pump panel opening is 51" wide.	\$0.00
3130-0741	Upper stainless steel pump module with double stacked double crosslays and top open storage with treadplate flooring. Crosslay floors lowered to approximately 66" above ground.	\$1,857.00
3130-0742	Top mount pump module walkway, runningboards and formed walkway access steps shall be made out of embossed diamond plate with no gator grip in place of standard.	\$332.00
3130-0743	Top mount pump module with 20" walk way. Extruded aluminum with running boards and full width formed side access steps.	\$6,255.00
3130-0744	LINE-X pump module exterior: Includes exterior surfaces of all extrusions only. Specific areas like the areas for hinges, doors, handrails and pump panels shall not hav LINE-X finish to meet tight tolerance for better fit.	\$2,000.00
3130-0745	Stainless steel 42" wide lower pump module. Includes side running boards with Bustin Tread inserts.	\$4,977.00
3130-0746	304L stainless steel 14" wide crosslay module for Wetside tanker, located forward of body, intended for use with undertank pump when crosslays or officer side intake or discharge(s) are required. Includes area for (2) preconnected crosslays with center divider, lower storage compartment(s) with push button latches and running boards.	\$2,500.00

Option No.	Description	PRICE
3130-0747	Upper SM stainless steel pump module for Wetside Tanker with (2) 1.5" & (1) 2.5" single stacked preconnected crosslays, and top open storage with treadplate flooring.	\$1,879.00
3130-0748	Upper SM stainless steel pump module for Wetside Tanker with two (2) 1.5" double stacked preconnected crosslays and top open storage with treadplate flooring.	\$1,680.00
3130-0749	Upper SM stainless steel pump module for Wetside Tanker with two (2) 1.5" single stacked preconnected crosslays and one (1) dry lay and top open storage with treadplate flooring.	\$1,740.00
3130-0750	Upper SM stainless steel pump module for Wetside Tanker with three (3) single stacked 1.5" preconnected crosslays, and top open storage with treadplate flooring.	\$1,830.00
3130-0751	Upper SM pump module with double stacked double cross lays and double back board storage slot with no storage pan.	\$1,798.00
3130-0752	Vertically stacked combination speedlay/crosslay module. Assembly welded integral to the front of SS pump enclosure. (2) lower speedlays with extended height will be 15" wide (for use with trays) and each bed holds 200' of 1.75" hose. (1) upper crosslay bed to hold 200' of 2.5" hose, (3) lays wide, extends into the pump module dunnage pan. Bustin Tread in side running boards of speedlay area.	\$2,516.00
3130-0753	Upper SM stainless steel pump module with single stacked double crosslays, Rearward of the crosslay is a transverse storage area approximately 8" wide with a 3.25" wide backboard storage area, a partition wall, and (2) aluminum tubes for 6' Boston rakes rearward of the partition (accessible from the officer side). Includes a top open storage area with treadplate flooring rearward of the transverse storage area. Crosslay floors lowered to approximately 64" above ground.	\$3,234.00
3130-0754	eMAX Pump module HP75/78. Includes enclosed pump panel, compt on officer side (opposite pump panel), lower and upper storage areas, center front pump access doors, removable center floor in upper area, storage pan and boom support diamond plate filler panels. Lower storage area to hold (1) tray for 200' of 2.5" DJ preconnected hose. Upper storage area to hold (1) tray for 200' of 2.5" DJ preconnected hose offset to rear and storage area for (2) backboards vertically stored offset forward w/sleeve each side of center pump access.	\$8,838.00
3130-0755	The outboard panels of the pump module to be smooth plate recessed and painted job color.	\$483.00
3130-0756	Stainless steel 46" wide lower pump module for side mount application. Includes side running boards with Bustin Tread inserts. Officer side lower panel is lift-off style (IPO hinged) with lift and turn latches.	\$5,379.00
3130-0757	Upper SM stainless steel pump module with double stacked double crosslays and top open storage with treadplate flooring. Crosslay capacity is 200' each bed. Overall pump module height to match rear body.	\$1,548.00
3130-0758	Pump panel opening is 45.5" wide. MM Boom only.	\$0.00
3130-0759	Enclosed Pump Module with Triple Speedlays. Includes 45" wide pump panel opening. Includes a lower preconnect area for (1) 2.5" speedlay and a upper preconnect area for (2) 1.5" speedlays, lower storage compartments with push button latches forward of pump panel opening. Upper module area to have storage pan.	\$17,405.00
3130-0760	Top mount eMAX pump module with expanded upper module to include the speed lay storage area up to the top of the module. Speed Lays chute expanded for additional hose storage capacity Includes area for a double speed lay, TM walkway (raised) with compartments, dia plt running boards, fixed walkway steps and (2) vertical handrails.	\$11,820.00
3130-0761	Side mount pump module with integral double speedlays (11" W). Extruded aluminum with runningboards.	\$7,751.00

Option No.	Description	PRICE
3130-0762	Transverse Module (full width). Locate forward of pump area. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area for storage of triple hard suction 6" in size with smooth plate flooring). Upper area for double stacked double crosslay. Crosslay to hold up to 200' of 2.00 DJ.	\$5,850.00
3134-0006	The single gauge panel on the driver's side of the side mount module is to be hinged downward. Includes two (2) cable hold opens, and latches.	\$144.00
3134-0009	The gauge panel(s) on the driver side of the Side Mount module to be hinged upward. Includes two (2) gas shock hold opens and latches.	\$144.00
3134-0011	Officer side pump panel to be vertical hinged on forward extrusion. Panel(s) to be secured in the closed position with push button latches. Upper panel to be held open with gas shock.	\$528.00
3134-0012	Officer side upper pump access panel to be horizontal hinged with diamond plate door. Includes (2) push button latches and (2) hold open devices.	\$0.00
3134-0013	Driver and Officer side pump panels to be vertical hinged on forward extrusion. Panels to be (2) or (3) pieces, depending on module height, and secured in the closed position with push button latches. Upper panels to be held open with gas shock.	\$1,050.00
3134-0014	Driver and Officer side upper pump access panels to be horizontal hinged with diamond plate doors. Includes (2) push-button latches and (2) hold opens for each.	\$0.00
3134-0015	Stainless steel TM control panel, driver and officer side pump panels.	\$1,021.00
3134-0016	Stainless steel driver and officer side pump panels.	\$0.00
3134-0017	The TM control panel, driver and officer side pump panels are to be painted Zolatone black.	\$861.00
3134-0018	The TM control panel, driver and officer side pump panels are to be painted Zolatone gray.	\$861.00
3134-0019	The driver and officer side pump panels are to be painted Zolatone black.	\$670.00
3134-0020	The driver and officer side pump panels are to be painted Zolatone gray.	\$670.00
3134-0021	Body mainframe and upper body/hosebed side assemblies for a 95" high body.	\$1,395.00
3134-0023	The TM control panel, driver and officer side pump panels are to be aluminum. For zolatone finish applications.	\$0.00
3134-0024	The driver and officer side pump panels are to be aluminum plate. For zolatone finish application.	\$0.00
3134-0025	16 Inch Wide Standard Pump Panel featuring (1) 2.5 discharge, (1) 2.5 Pressure Gauge and (1) 1.5 Foam Fill	\$5,828.00
3134-0026	Pump panel support angles. Locate up to (3) horizontal mounted as required on interior side of the main vertically hinged pump panel(s).	\$163.00
3134-0027	TM control panel to be Zolatone gray and driver and officer side panels to be stainless steel.	\$606.00
3134-0028	Pump panel layout and approval drawing to match existing and/or previous unit. To match as close as possible (Engineering and/or vendor requirements may alter final panel layout).	\$445.00
3134-0033	16 Inch Wide Standard Pump Panel featuring (1) 2.5 Electric actuated discharge, (1) 2.5 Pressure Gauge, and (1) 1.5 Foam Fill.	\$7,263.00
3134-0034	16 Inch Wide Standard Pump Panel featuring (1) 2.5 Electric actuated discharge, (1) 2.5 Pressure Gauge and (1) 1.5 Foam Fill	\$7,514.00
3134-0035	Officer side pump access door to be two piece. Split door for access to pump area with ladders mounted on rack.	\$228.00
3134-0036	The TM control panel to be painted zolatone black and the driver and officer side pump panels are to be stainless steel.	\$1,119.00
3134-0037	Driver side pump panel to be vertically hinged on forward extrusion. Panel to be (2) piece and lower panel to be secured in the closed position with push button latches. Upper panel to be stationary. Includes vertically hinged panel rearward of backboard storage to be secured in the closed position with push button latches.	\$737.00

Option No.	Description	PRICE
3134-0038	Diagrammatic Color coded overlay around control handles and discharges	\$49.00
3134-0039	The gauge panel on the driver side pump panel is to be hinged upward. Includes two spring type hold opens, two trigger latches, and a recessed handle.	\$144.00
3134-0041	Pump operator panel in L1 forward area. Includes stainless steel panel with vertical hinge.	\$673.00
3134-0042	Pump panels. Driver side upper pump access panel to be horizontally hinged with diamond plate door. Includes (2) push-button latches and (2) hold opens. Officer side pump panel to be vertically hinged on forward extrusion. Panel to be (2) or (3) pieces, depending on module height, and secured in the closed position with push button latches. Upper panel to be held open with gas shock.	\$1,050.00
3134-0043	Rear Mount pump access door. Includes (2) push button latches and (2) hold open devices. Door to be [#LOC]. Door to open to 90 degrees and includes pull strap for access from ground.	\$513.00
3134-0044	Rear main lower pump/ bleeder panel material to be [#LOC].	\$0.00
3134-0045	Pump operator panel to be located [#LOC] body compartment behind the rear wheel well.	\$0.00
3134-0046	Pump operator panel material to be [#LOC].	\$0.00
3134-0048	Rear mount pump panel to be vertically hinged on driver side extrusion. Panel(s) to be secured in the closed position with push button latches.	\$737.00
3134-0049	The main rear pump panel to be vertically hinged along officer side. Includes push-button latches and cable mounted hold open.	\$528.00
3134-0050	The gauge panel is to swing downward/forward for access to electrical connections on panel. Includes two (2) cable hold opens, and push button latches.	\$0.00
3134-0051	Driver and Officer side upper pump access panels to be horizontally hinged with diamond plate doors. Includes (2) D-ring latches and (2) hold opens for each.	\$623.00
3134-0052	Driver side pump panel to be vertically hinged on forward extrusion. Panel to be (2) piece and lower panel to be secured in the closed position with push button latches. Upper panel to be stationary.	\$737.00
3134-0053	Officer side pump panel Escutcheon Plate shall be attach with Thumb Latch.	\$190.00
3134-0054	Pump panel standard instrumentation. Location: Driver's side pump panel	\$417.00
3134-0055	Officer side upper pump access panel to be horizontal hinged with stainless steel door. Includes (2) push button latches and (2) hold open devices.	\$224.00
3134-0056	Driver side panel shall be attach with screw. Officer side pump panels to be vertically hinged on forward extrusion. Panels to be (2) or (3) pieces, depending on module height, and secured in the closed position with push button latches. Upper panels to be held open with gas shock.	\$1,050.00
3134-0057	Insulated wire cable shall replace standard BB chain on all applicable items.	\$0.00
3134-0059	Driver and officer side pump panels for a non-NFPA compliant AP or MBP side mount pump module.	\$0.00
3134-0060	Driver and officer side pump panels for a NFPA compliant AP or MBP side mount pump module.	\$0.00
3134-0061	Driver and officer side pump panels for a non-NFPA compliant DSD side mount pump module.	\$0.00
3134-0062	Driver and officer side pump panels for a NFPA compliant DSD side mount pump module.	\$0.00
3134-0063	The rear mount gauge panel to be hinged upward. Includes (2) mechanical/pneumatic (as applicable to panel size) hold opens and latches.	\$168.00

Option No.	Description	PRICE
3134-0064	The gauge panel(s) on the driver side of the Side Mount module to be hinged upward. Panel(s) to include (2) mechanical/pneumatic (as applicable to panel size) hold opens and latches.	\$144.00
3134-0065	Driver and Officer side pump panels. Upper panel to be bolt-on diamond plate panel. Lower pump panel to be vertically hinged on forward extrusion. Panel to be secured in the closed position with push button latches.	\$1,471.00
3134-0066	Officer side upper pump access panel to be horizontally hinged with smooth plate door painted Zolatone black. Includes (2) push button latches and (2) hold open devices.	\$670.00
3134-0067	Driver side pump panel to be full width of pump module due to thru-bolted push/pull rod extrusion.	\$147.00
3134-0068	Driver side panel shall be attach with screw and Escutchion Plate shall be vertically hinge forward. Officer side pump panels to be vertically hinged on forward extrusion. Panels to be (2) or (3) pieces, depending on module height, and secured in the closed position with push button latches. Upper panels to be held open with gas shock.	\$1,050.00
3134-0069	The stainless steel single gauge panel on the driver side of the side mount pump module is to be hinged downward. Includes two (2) cable hold opens, and latches.	\$144.00
3134-0070	The stainless steel double gauge panels on the driver side of the side mount pump module are to be hinged downward. Includes two (2) cable hold opens and latches, per door. Required with 6" master gauges and/or overcrowded single lower gauge panels.	\$289.00
3134-0071	The stainless steel single gauge panel on the top mount pump module is to be bottom hinged to swing toward the cab. Includes two (2) cable hold opens, and latches.	\$0.00
3134-0072	Driver and officer side mounted pump panels are to be brushed stainless steel.	\$577.00
3134-0073	Driver and officer side mount pump panels are to be stainless steel with black Zolatone finish. Includes black suction and discharge bezels.	\$670.00
3134-0074	The top mount control panel and the driver and officer side pump panels are to be brushed stainless steel.	\$1,021.00
3134-0075	The top mount control panel, driver and officer upper and lower side pump panels, and bleeder valve panels are to be stainless steel with a black Zolatone finsh.	\$861.00
3134-0076	Pump panels for use with side mount pump module. Includes driver side fixed main and bleeder panel and swing down upper gauge panel with latching and hold-open cables. Officer side with fixed lower(s) and a swing down removable upper with latching.	\$0.00
3134-0077	Pump panels for use with top mount pump module. Includes swing forward top mount control panel with latching and hold-open cables. The driver and officer side panels are fixed lower(s) and a swing down/removable upper with latching.	\$0.00
3134-0078	Special Driver and Officer side pump panels to be vertically hinged on forward extrusion. Panels to be (2) or (3) pieces, depending on module height, and secured in the closed position with push button latches. Upper panels to be held open with gas shock.	\$1,510.00
3134-0079	The side pump intake / discharge panels to be stainless steel. eMAX only.	\$0.00
3134-0080	Pump operator control panel in driver side forward body compartment to be stainless steel. eMAX only.	\$0.00
3134-0081	Stainless steel pump panel located in [#LOC].	\$0.00
3134-0082	Driver side pump panel Escutchion Plate shall be hinge forward. Include thumb Latches.	\$285.00
3134-0083	The main and lower pump panel to be inset in the rear body and to run full height just below the roll-up door drum. Panels to enclosed on the sides and bottom with bolt-in plates matching main panel material.. Panel materials to be [#LOC].	\$527.00
3134-0084	Driver and Officer side upper pump access panels to be horizontally hinged with aluminum smooth plate doors painted job color. Includes (2) push-button latches and (2) hold opens for each.	\$670.00

Option No.	Description	PRICE
3134-0085	Officer side upper pump access panel to be horizontally hinged with stainless steel door. Includes (2) push button latches and (2) hold open devices.	\$0.00
3134-0086	The side pump intake / discharge panels to be painted Zolatone gray. eMAX only.	\$331.00
3134-0087	Pump operator control panel in driver side forward body compartment to be painted Zolatone gray. eMAX only.	\$420.00
3134-0088	The side pump intake / discharge panels to be painted Zolatone black. eMAX only.	\$331.00
3134-0089	Pump operator control panel in driver side forward body compartment to be painted Zolatone black. eMAX only.	\$420.00
3134-0090	Custom sized stainless steel gauge panel(s) on the driver side of the side mount pump panel are to be hinged downward. Includes two (2) cable hold opens and latches.	\$1,985.00
3134-0091	Officer side upper pump access panel to be horizontally hinged with diamond plate door. Includes (2) push-button latches and (2) hold opens. Lower pump panel Escutchion plate to be vertically hinged forward. Panel to be secured in the closed position with push button latches.	\$737.00
3134-0092	Top mounted pump operator control panel to be stainless steel. eMAX only.	\$0.00
3134-0093	Top mounted pump operator control panel to be painted Zolatone gray. eMAX only.	\$346.00
3134-0094	Top mounted pump operator control panel to be painted Zolatone black. eMAX only.	\$346.00
3134-0095	The upper gauge panel on the enclosed pump panel is to be hinged forward. Side mount eMAX only.	\$144.00
3134-0096	Pump panels for use with top mount pump module. Includes swing forward top mount control panel with latching and hold-open cables. The driver and officer side panels are fixed lower(s) and a swing down/removable upper with latching. Driver side rearward pump panel are to have area for direct tank fill application.	\$0.00
3134-0097	Rearward area pump panel header panels for use with hinged panels (vertical and horizontal) and forward body/tank mounted lighting with poles.	\$529.00
3134-0098	The driver side under mount pump panel to be stainless steel. Includes panel supports and hinged upper diamond plate top with hold-down.	\$682.00
3134-0099	The driver and officer side under mount pump panel to be stainless steel. Includes panel supports and hinged upper diamond plate top (driver side) with hold-down.	\$975.00
3134-0100	Officer side upper pump access panel to be horizontally hinged with diamond plate door. Includes (2) push button latches and (1) hold open device.	\$0.00
3134-0101	The driver side pump panel below tank to be painted Zolatone black. Wetside Tanker Only.	\$449.00
3134-0102	The driver side under mount pump panel to be stainless steel. Includes panel supports and hinged upper diamond plate top (driver side) with hold-down. The officer side panel will be constructed of the same material as the body compartment.	\$975.00
3134-0103	The pump operator's pump panel and rear main pump panels are to be painted Zolatone black.	\$670.00
3134-0104	Officer side upper pump access panel behind crosslays to be horizontally hinged with stainless steel door. Includes (2) push button latches and (2) hold open devices.	\$224.00
3134-0105	Stainless steel driver side pump panel. Wetside tanker with under tank pump only.	\$0.00
3134-0106	Officer side pump panel escutchion plate shall be around each discharge, and pump intakes.	\$188.00
3134-0107	The TM control panel to be stainless steel. The driver and officer side pump panels are to be painted Zolatone black.	\$861.00
3134-0108	Booster reel rewind switch. Switch guarded half moon. Location on driver side upper pump display panel.	\$31.00
3134-0109	Booster reel rewind switch. Switch guarded half moon. Location on driver side upper pump display panel.	\$31.00

Option No.	Description	PRICE
3134-0110	Gauge panel on the driver's side compartment top for under tank pump module. Panel is to be hinged downward. Includes two (2) cable hold opens, and latches. To include Fuel Gauge, Class 1 TPG Control, Suction and Pressure Gauges, Tank to Pump Switch, Tank Level Gauge and Guarded Hose Reel Switch. Panel to be painted Zolatone black. OKC Only.	\$480.00
3134-0111	Nylon looped strap to be installed on pump access door(s) to allow easy closure of door when fully open.	\$97.00
3134-0112	Side control pump enclosure structure and panels to be modified as necessary to provide the lowest practical crosslay floor height from the ground.	\$1,399.00
3134-0113	Officer side upper pump access panel to be horizontally hinged with aluminum smooth plate door painted Zolatone black both sides. Includes (2) push button latches and (2) hold open devices.	\$267.00
3134-0114	Driver and officer side mount pump panels are to be stainless steel with gray Zolatone finish.	\$670.00
3134-0117	The main rear pump panel to be vertically hinged along officer side. Includes push-button latches and gas spring(s) mounted in place to hold open.	\$620.00
3134-0118	Rear Mount pump access doors (2) lift-up doors, (1) each side. Includes (1) center slam strip reinforced, (2) push button latches each side and (2) hold open devices each side. Doors to be [#LOC]. Doors to open to 90 degrees and includes pull strap for access from ground.	\$513.00
3134-0119	Pump panel standard instrumentation. Location: officer side pump panel.	\$451.00
3134-0120	Driver and officer side mount pump control and gauge panels to be stainless steel with black Zolatone finish. Includes T bar and trim.	\$0.00
3134-0121	The side pump intake / discharge panels to be painted Zolatone black. SS eMAX only.	\$404.00
3134-0122	Pump operator control panel in driver side forward body compartment to be painted Zolatone black. SS eMAX only.	\$512.00
3134-0123	Top mounted pump operator control panel to be painted Zolatone black. SS eMAX only.	\$422.00
3134-0124	Officer side upper pump access panel to be horizontally hinged with diamond plate door. Includes (2) D-ring latches and (2) hold open devices.	\$0.00
3134-0126	The top mount control panel and the driver and officer side pump panels are to be stainless steel. The top panel shall be finished with black Zolatone. The side panels shall remain stainless steel finish.	\$861.00
3134-0127	Driver and officer side mount pump panels are to be stainless steel with black Zolatone finish. Includes brushed suction and discharge bezels (not coated). Includes T bar and trim.	\$633.00
3134-0129	Driver side mount pump panel to be stainless steel with black Zolatone finish. Includes black suction and discharge escutcheon plates.	\$336.00
3134-0130	Zoloatone escutcheon plate under each (4) foam control handles. Hole diameter shall be as tight as possible to handle shaft size.	\$249.00
3134-0131	Driver and Officer side upper pump access panels to be horizontally hinged with stainless steel doors. Includes (2) D-ring latches and (2) hold opens for each.	\$719.00
3134-0133	Driver and officer side upper pump access panels to be horizontal hinged with stainless steel doors. Includes (2) push-button latches and (2) hold opens for each.	\$445.00
3134-0134	Officer side upper pump access panel to be horizontally hinged door painted Zolatone to match lower panels. Includes (2) push button latches and (2) hold open devices.	\$224.00
3134-0135	Driver and officer side upper pump access panels to be horizontally hinged with smooth plate door painted Zolatone to match lower panels. Includes (2) push button latches and (2) hold opens for each.	\$445.00

Option No.	Description	PRICE
3134-0136	The side upper module panels/ access smooth plate doors to be painted Zolatone black. eMAX only.	\$331.00
3134-0137	The upper gauge panel is to be hinged forward. Includes (2) push-button latches.	\$140.00
3134-0138	The stainless steel single gauge panel on the officer side of the side mount pump module are to be vertically hinged rearward. Includes hold open(s) and latches on panel. Panel to include retainer assemblies which will lock the panel in place when closed removing stress from hinges and latch assembly. Fixed lower line gauge panel below. Custom for right side pump modules with 6" master gauges and lower gauge panels.	\$339.00
3134-0139	Hinge Pump Panel shall be reinforce with a stiffener mounted on each hinge panel.	\$117.00
3134-0140	Officer side upper pump access panel to be horizontally hinged with smooth plate door painted to match lower panels. Includes (2) push button latches and (1) hold open device.	\$224.00
3134-0141	Rear Mount pump access door. Includes (2) D-ring latches and (2) hold open devices. Door to be [#LOC]. Door to open to 90 degrees and includes pull strap for access from ground. D-ring latch to utilize a slot in extrusion or to latch behind extrusion to secure without angle latch catch.	\$594.00
3134-0142	Pump panel support angles. Locate up to (3) horizontal mounted as required on interior side of the main vertically hinged pump panel(s).(Bolt on support).	\$162.00
3134-0143	Officer side pump panel to be vertical hinged on forward extrusion. Panel to be (3) pieces with upper (2) panels secured in the closed position with push button latches. Upper panel to be held open with gas shock.	\$175.00
3134-0144	Driver and officer side pump panels to be vertical hinged on forward extrusion. Panels to be (2) pieces with upper panel secured in the closed position with push button latches. Upper panels to be held open with gas shock.	\$0.00
3134-0145	Driver and officer side pump panel to be vertical hinged on forward extrusion. Panels to be (3) pieces with upper (2) panels secured in the closed position with push button latches. Upper panel to be held open with gas shock.	\$348.00
3134-0146	Officer side upper pump access panel to be horizontally hinged with stainless steel door. Includes (2) push button latches and (1) hold open device.	\$224.00
3134-0147	Driver and officer side mount pump panels are to be stainless steel with black Zolatone finish.	\$634.00
3134-0148	Front mounted pump panel angle mounted and located at left side of the extended front bumper. Instrument area shall have lift up of easy access to gauges.	\$2,732.00
3134-0149	Stainless steel driver side front mount pump panel(s).	\$0.00
3134-0150	Pump operator control panel in driver side forward body compartment L1 to be stainless steel.480	\$515.00
3134-0151	The pump operator's pump panel are to be painted Zolatone black.	\$327.00
3134-0152	The pump panels including gauge panels shall be coated with LINE-X.	\$1,363.00
3134-0153	Officer's side panels forward of and above pump access door to be smooth plate and painted job color IPOS.	\$448.00
3134-0154	Gauge panel on the driver's side is to be hinged downward to fully open without unplugging gauges, electrical, and any other components.	\$0.00
3134-0155	Officer side upper pump access panel to be horizontal hinged door. Includes (1) D-Ring latch and (2) hold open devices.	\$0.00
3134-0156	The stainless steel single gauge panel on the driver side of the side mount pump module is to be fixed mounted with stainless steel fasteners. For use with left side intermediate pump step option.	\$100.00
3134-0157	The upper gauge panel is to be hinged upward. Includes latching and hold-open device.	\$189.00

Option No.	Description	PRICE
3134-0158	Exterior surfaces of the front, rear and side of the pump module as well as the upper access doors and t-bar/trim will have a black LINE-X finish.	\$2,536.00
3134-0159	Driver and officer side mounted pump panels are to be stainless steel with a black LINE-X finish.	\$1,230.00
3134-0160	(2) Custom sized stainless steel gauge panels on the driver side of the side mount pump panel, are to be (2) piece vertically hinged latching in center. Each panel includes two (2) cable hold opens and latches.	\$1,985.00
3134-0161	Driver, and Officer side pump panel light shield to be an integral part of the pump panel.	\$0.00
3134-0162	Driver, and Officer side pump panel Escutcheon Plate shall be attach with Thumb Latch.	\$380.00
3134-0163	Top mount module upper side panels above and or forward of side pump panels and /or access doors to be stainless steel to match lower pump panels and shall be bolt on IPO welded in diamond plate aluminum.	\$740.00
3134-0164	Driver and officer side mounted pump panels are to be stainless steel with a black LINE-X finish. Includes T-Bar and trim.	\$1,940.00
3134-0165	Pump operator panel to be located on the officer side pump module.	\$0.00
3134-0166	Driver side upper pump access panel to be horizontal hinged with stainless steel door. Includes (2) push button latches and (2) hold open devices.	\$224.00
3134-0167	Top mount control handle trim plate to be diamond plate, in lieu of standard (stainless steel).	\$0.00
3134-0168	The TM control panel, driver and officer side pump panels are to be aluminum. For swirl finish applications.	\$1,321.00
3136-0000	Air horn switch at pump panel. Switch to be labeled "Evacuation Alert". Location: [#LOC].	\$149.00
3136-0001	Backboard storage compartment in pump module. Locate rearward of crosslays on SM and forward of crosslays on TM. Includes vertical hinged diamond plate access door each side.	\$1,093.00
3136-0002	Microphone box. Locate at the [#LOC].	\$523.00
3136-0003	Microphone box, Cast Products. Locate at/in the [#LOC].	\$488.00
3136-0004	The lower area of the pump compartment to have a four (4) sided heat pan with two (2) removable (side to side) bottoms. Bottoms to be secured in the closed position with mechanical fasteners.	\$1,062.00
3136-0005	The crosslay divider(s) to be notched both ends for Task Force Nozzle.	\$129.00
3136-0006	Two (2) pump compartment heaters are to be mounted in the pump area. Locate as low as possible.	\$1,727.00
3136-0007	Two (2) FRC Mansaver bars, (1) each side. Installed at pump module crosswalk area. The bars are to include [#COL] vinyl covers.	\$1,336.00
3136-0010	Stainless steel roller assemblies for crosslays and/or speedlays.	\$308.00
3136-0011	P-Rubber in flex joint(s) between pump module and/or body modules.	\$633.00
3136-0012	Slat flooring. The crosslay and/or speedlays are to have removable slat flooring.	\$391.00
3136-0013	Additional Booster Reel Roller Assembly. Locate opposite side of booster reel.	\$257.00
3136-0014	Booster Reel Roller Assembly. Locate to booster reel side.	\$0.00
3136-0015	(2) vertical mounted booster reel spool guide roller assemblies. Locate (1) each side on trailing edge of beavertails/body (as applicable). For use with rear compartment mounted booster reel or similar.	\$508.00
3136-0016	Speedlay module trays mounted to a bi-directional Slide Master tray.	\$1,290.00
3136-0017	Driver side pump enclosure. The driver side lower pump module to be full width and full depth of the module and include area in upper section for mounting of roll-up door.	\$3,217.00
3136-0018	Officer side pump enclosure. The officer side lower pump module to be full width and full depth of the module and include area in upper section for mounting of roll-up door.	\$3,217.00

Option No.	Description	PRICE
3136-0019	The label on the pump panel for the air horn to read: Emergency Evacuation. Label to be red back ground with white letters.	\$0.00
3136-0020	Air horn switch at pump panel. Switch to be labeled EMERGENCY EVACUATION. Label to have red back ground with white letters. Location: [#LOC].	\$153.00
3136-0021	Divider in storage pan with adjustable tracks (front to rear).	\$196.00
3136-0023	Microphone Box Cast Products. Locate at/in the [#LOC].	\$518.00
3136-0024	Crosslays to accomadate extra capacity.	\$558.00
3136-0025	Microphone box. Dimensions for microphone box are 14" wide x 6.5" high x 5.5" deep. Locate at the [#LOC].	\$573.00
3136-0026	The crosslay divider(s) to have a hand hold cutout on outboard edge each side of divider(s).	\$270.00
3136-0027	The lower area of the pump compartment to have (2) heat pans. (1) pan located under the driver side and (1) pan located under the officer side. pump compartment.	\$1,062.00
3136-0028	(PR) folding steps with handrails. Locate in walkway (1) each side of TM walkway access door (includes backing plate) and handrails mounted on upper module.	\$356.00
3136-0029	Air horn switch at pump panel. Switch to be labeled "Air Horn". Location: [#LOC].	\$149.00
3136-0030	Diamond plate cover for Vogel Auto Lube System. Cover to have cut-outs for checking system fluid levels. Location: driver's side of dunnage pan.	\$163.00
3136-0031	Removable Speedlay Tray(s). The floor of the tray(s) to be slotted to prevent the accumulation of water and allow for ventilation of wet hose.	\$636.00
3136-0032	Spacer plate for quartz lights. Requires 4" additional cab to body gap.	\$0.00
3136-0033	Crosslay divider(s) to be lowered approx 5" to provide room for bail handled nozzle(s) below cover.	\$129.00
3136-0034	Microphone box 10W X 6H X 11D located on pump operator panel.	\$595.00
3136-0035	Officer side pump panel light shield to be offset forward to allow clearance for 2-section and roof ladders.	\$0.00
3136-0036	Spacer plate for Commercial Chassis. Requires 6" additional to cab and body gap due to exhaust requirements.	\$0.00
3136-0037	Top mount walkway compartments. Includes spring mounted hinged doors with push button latch. Each compartment includes (1) incandescent light and wired to door adjar indicator.	\$950.00
3136-0038	Module mainframe for use with M2 chassis with 23,000 rear axle.	\$0.00
3136-0039	Module mainframe for use with M2 chassis with 26,000 rear axle.	\$0.00
3136-0040	Module mainframe for use with Typhoon chassis.	\$0.00
3136-0041	Module mainframe for use with International chassis.	\$0.00
3136-0042	Stainless steel roller assemblies for crosslays and/or speedlays. Rollers on side extrusions only and scuff plates on bottom extrusions.	\$803.00
3136-0043	Cut-out for Booster Reel. Through upper panel on pump module and dunnage pan. Cut-out to be approx. 14" wide x 6" high for visibility of booster reel. Location(s): Driver and officer side upper pump module.	\$190.00
3136-0044	Pump panel compartments with push button latch. Locate (1) driver side pump panel and (1) officer side pump panel. Compartments to be located in lower forward corner of pump panels. Compartments to be approx. 14" wide x 14" high x 14" deep.	\$1,950.00
3136-0045	Microphone Box Cast Products. Locate at/in the [#LOC].	\$518.00
3136-0046	All piping is to be color coded as follows: foam - blue; water - yellow; foam/water solution - red.	\$700.00

Option No.	Description	PRICE
3136-0047	Backboard storage compartment in pump module. Locate rearward of crosslays on SM and forward of crosslays on TM. Includes vertically hinged smooth plate painted job color access door each side.	\$1,343.00
3136-0048	Notched crosslay divider(s) on both ends for preconnect line(s) nozzle end storage with NFPA cover(s) in closed position.	\$0.00
3136-0049	Deckgun to be located offset to the driver side of the dunnage storage pan.	\$702.00
3136-0050	Extreme weather heat pan plates. Includes interior module area mounted plates for increasing the lower heat pan (forward and rearward) into the lower area of the module for increased heat retaining.	\$454.00
3136-0051	Air horn switch at pump panel. Switch to be labeled "Code Red". Location: [#LOC].	\$149.00
3136-0052	Spacer plate for Custom Chassis. Requires 8" additional to cab and body gap due to vertical exhaust requirements.	\$0.00
3136-0053	Microphone box. Locate at the [#LOC]. Microphone box to be 9"W x 11"H x 6.5"D.	\$652.00
3136-0054	Deckgun to be located offset to the driver side of the dunnage storage pan. Deckgun piping to be recessed as low as possible for use with Akron Apollo Hi-Riser #3431	\$702.00
3136-0055	The speedlay divider(s) to be held 12" short both ends for Nozzles.	\$405.00
3136-0056	The crosslay divider(s) to be held 12" short both ends.	\$426.00
3136-0057	Notched crosslay divider(s) extended both ends to 4" above the floor of the crosslay.	\$367.00
3136-0058	E-ONE logo mounted one each side on pump module/preconnect panels. Logos to be sized as applicable to available space on panels.	\$0.00
3136-0059	Speedlay module tray(s) mounted to a directional SlideMaster tray. SlideMaster to have 100% extension to one side.	\$1,482.00
3136-0060	Transverse compt over pump panel. Includes lift-up dia plt door on each end with gas shock and D-Ring latch.	\$2,427.00
3136-0061	Heat pan removable bottoms to have screws and nuts in place of butterfly latches.	\$289.00
3136-0062	Crosslay divider(s) to be adjustable front to rear.	\$1,003.00
3136-0063	Stone Guard cover plates. Locate one each side on front of lower pump module.	\$0.00
3136-0064	Heat pan. The lower area of the pump compartment to have a four (4) sided heat pan with two (2) removable (side to side) bottoms. Bottoms to be secured in the closed position with butterfly latches.	\$1,062.00
3136-0065	Push/Pull Rod Extrusion shall be thru bolted. IPOS	\$0.00
3136-0066	Microphone box. Dimensions for microphone box are 12.5" wide x 8" high x 6" deep. Locate at the [#LOC].	\$573.00
3136-0067	DEF Tank mounting provision in right side of pump compt. Includes tank supports, heat shield and tank fill access either through pump access door or separate door as applicable.	\$380.00
3136-0068	E-One Logo. Mounted one each side on speedlay module. Logo to be sized as applicable to available space on panel(s).	\$0.00
3136-0069	Speedlay module tray(s) mounted to a directional Slide Master tray. Slide Master to have 100% extension to the officer side.	\$1,482.00
3136-0070	Stainless steel scuff plate assemblies for speedlays. Scuff plates to be on top, bottom and sides of each opening.	\$803.00
3136-0071	Microphone Box Cast Products. Locate at/in the [#LOC].	\$488.00
3136-0072	Spacer plate for Electric Pump Panel Control Cables. Requires 3" additional to cab and body gap.	\$0.00
3136-0073	Removable Poly Speedlay Tray(s). The floor of the tray(s) to be slotted to prevent the accumulation of water and allow for ventilation of wet hose. Includes vertical slotted hand hold cutouts on each end to facilitate easy removal of the hose tray.	\$583.00
3136-0074	Stainless steel scuff plates for crosslays and/or speedlays.	\$358.00
3136-0075	Provide as much ground clearance as possible below the heat pan.	\$0.00

Option No.	Description	PRICE
3136-0076	Pump module mounted 3 sided light tower shield with approx 28 degree side slope to the driver side. The shield to be even with top of the body and painted job color.	\$1,255.00
3136-0077	Top mount walkway without compartments.	\$0.00
3136-0078	Top mount walkway compartments. Includes spring mounted hinged doors with push button latch. Each compartment includes (1) LED light and wired to door adjar indicator.	\$950.00
3136-0079	Q2B switch at pump panel. Switch to be labeled "Evacuation Alert". Location: [#LOC].	\$149.00
3136-0080	Compartment below the top mount walkway to be labeled "SHOVELS" on each door.	\$59.00
3136-0081	A pump compartment heater with 110V blower to be mounted in the pump area.	\$1,346.00
3136-0082	Two (2) pump compartment heaters are to be mounted in the pump area. Locate as low as possible. The lower area of the pump compartment to have a four (4) sided heat pan with removable bottoms. Extreme weather heat pan plates. Includes interior module area mounted plates for increasing the lower heat pan (forward and rearward) into the lower area of the module for increased heat retaining.	\$4,025.00
3136-0083	Removable Poly Speedlay Tray. The floor will be notched for the preconnect swivel to be positioned as required with the tray in the stowed position. The floor of the tray(s) to be slotted to prevent the accumulation of water and allow for ventilation of wet hose.	\$583.00
3136-0084	Mechanical spring-loaded stainless steel latches that automatically deploys upon loading the trays. The latches will be used one each side of the speedlay openings.	\$0.00
3136-0085	Cast Products EB0010-1-A microphone box. Locate on driver side pump panel. Hinge door to the right.	\$563.00
3136-0086	Notched crosslay divider(s) on both ends for preconnect line(s) nozzle end storage with NFPA cover(s) in closed position. Additional 45 degree angle notch on inside edge on each side. Crosslay divider(s) to be held 1" short below crosslay cover.	\$317.00
3136-0087	Aluminum splash guard over top of hydraulic pump for cab tilt.	\$201.00
3136-0088	Captive booster reel rollers mounted through panel/module. Locate to booster reel side and size for width of reel assembly.	\$420.00
3136-0089	Two (2) pump compartment heaters are to be mounted in the pump area. Locate as low as possible within the pump module structure. Controlled with switch located on pump operator panel.	\$1,690.00
3136-0090	Speedlay tray - removable. Tray includes a 1.25" extruded alum handle low on each end of tray and slots down each side to facilitate lifting. The floor of the tray shall have poly slides and be slotted to prevent the accumulation of water and allow for ventilation of wet hose.	\$636.00
3136-0091	Vertically hinged access door with push button latch for cord reel in driver side of dunnage pan. Includes cut-out in dunnage pan for access to cord reel rollers. Mount junction box to inside of access door.	\$498.00
3136-0092	Pump module modification for vertical exhaust. Exhaust to run up through right side of pump compartment offset to rear thru storage pan.	\$0.00
3136-0093	Dunnage area Right side, option, Wildland	\$1,236.00
3136-0094	Pump panel compartment, Right side, base, Wildland	\$1,472.00
3136-0095	Delete Pump panel compartment, Right side, option, Wildland	\$621.00
3136-0096	Stainless steel roller assemblies for crosslays. Includes handrail the width of the crosslays in place of bottom roller.	\$446.00
3136-0097	Cold climate insulation for pump module. Includes insulation for top, front wall, rear wall and compartment/stairway back walls as applicable. RLP application only.	\$1,369.00

Option No.	Description	PRICE
3136-0098	Microphone box. Dimensions for microphone box are 12" wide x 12" high x 6" deep. Locate at the [#LOC].	\$594.00
3136-0099	Captive booster reel rollers. (1) mounted through dunnage pan floor inboard of booster reel and (1) thru pump access door. Locate to booster reel side and size for width of reel assembly.	\$420.00
3136-0100	Notched Speedlay divider(s) on both ends for connecting preconnected hoses. Notch to be 12"L X 4"H enough room to use a spanner wincher for connecting hoses.	\$100.00
3136-0101	Diamond plate shield for under tank pump module on Wetside Tankers. Shield shall be mounted vertically at the front of the module.	\$337.00
3136-0102	Booster Reel Riser for rollers. Locate with officer side dunnage pan rollers.	\$95.00
3136-0103	Booster Reel Riser for rollers. Locate with driver side dunnage pan rollers.	\$94.00
3136-0104	The lower area of the under tank pump compartment to have a four (4) sided heat pan with two (2) removable (side to side) bottoms. Bottoms to be secured in the closed position with butterfly latches. Wetsides Only.	\$1,062.00
3136-0105	Spacer plate for Commercial Chassis. Requires 4" additional to cab and body gap due to exhaust requirements.	\$0.00
3136-0106	One (1) pump compartment heater is to be mounted in the pump area. Locate as low as possible.	\$735.00
3136-0107	Microphone box. Locate at the [#LOC]. Microphone box to be 9"W x 11"H x 8"D. Locate Pump operator panel.	\$652.00
3136-0108	(2) vertically mounted booster reel spool guide roller assemblies. Locate (1) each side inside rear body compartment opening. For use with rear compartment mounted booster reel.	\$508.00
3136-0109	Removable Poly Box(es). Box to be located in lower transverse storage area (one each side), approx. 15" high x 14" wide x 34" deep. The floor of the box(es) to be slotted to prevent the accumulation of water and allow for ventilation of wet hose.	\$583.00
3136-0110	Captive booster reel rollers mounted through panel/module. Locate to booster reel side and size for width of reel assembly.	\$420.00
3136-0111	Microphone box. Dimensions for microphone box are 8" wide x 12" high x 6" deep. Locate at the [#LOC].	\$573.00
3136-0112	(3) "DO NOT STEP" tags to be installed upside down located (1) on each pump panel access door and (1) on inside of drop down door of driver side running board suction tray.	\$131.00
3136-0113	"Crush Hazard" warning label to be mounted on aluminum panel behind pump module access ladder.	\$43.00
3136-0114	The running board(s) to be notched for Pistion Intake Valve. Location(s): [#LOC].	\$493.00
3136-0115	The lower area of the pump compartment to have a four (4) sided heat pan with two (2) removable (side to side) bottoms. Lower section of pan designed to provide the maximum amount of ground clearance. Bottoms to be secured in the closed position with butterfly latches.	\$1,062.00
3136-0116	DEF Tank mounting provision in left side pump compt to the rear of the pump. Includes tank supports and tank fill access door.	\$335.00
3136-0117	P-Rubber in flex joint(s) between pump module and/or body modules. Horizontal across tops and along sides at flex joint(s).	\$633.00
3136-0118	A two (2) piece aluminum pan shall be bolted in place below the pump controls within the pump module. This pan shall utilize .090 aluminum plate to provide a shield to reduce heat loss as the pump controls exit the pump module for the top mount control panel.	\$276.00
3136-0120	Captive booster reel rollers mounted on booster reel assembly. Rollers sized for width of reel assembly.	\$420.00
3136-0121	Speedlay tray - Polypropylene - removable. Tray includes pull out grab handle (poly dowel) down low on each end to facilitate lifting. The trays shall be made from Polypropylene, the floor of the tray shall be slotted to prevent the accumulation of water and allow for ventilation of wet hose.	\$903.00
3136-0122	Commercial chassis requires 3" additional to cab and body gap due to exhaust requirements.	\$357.00

Option No.	Description	PRICE
3136-0123	One (1) pump compartment heater to be mounted in the pump area. Locate in rear with the pump. Controlled with switch located cab.	\$850.00
3136-0124	Backboard storage compartment located to rear of crosslays. Includes vertically hinged smooth plate painted job color access door each side. Top cover to be smooth plate IPO diamond plate painted black durabak.	\$1,398.00
3136-0125	The officer side pump module upper plate-work shall be smooth plate IPO diamond plate (where E-One logo is mounted).	\$126.00
3136-0126	Microphone box. Dimensions for microphone box are 7.5" wide x 15" high x 11" deep. Locate at the [#LOC].	\$573.00
3136-0127	The pump module storage pan shall be upgraded to include a hinged cover. The hinged cover shall be constructed of 3/16" embossed aluminum tread plate, include a grab handle, (2) butterfly latches and hold open device(s). The cover shall be included in the door ajar circuit and may be used a walking surface.	\$542.00
3136-0128	Modify the speedlay center divider to reduce the length side to side so it is shallow full width. The center divider will begin inboard of the preconnects to allow threading operations without interference related to the center divider.	\$0.00
3136-0129	Horizontally hinged access door with D-ring latch for access to officer side of dunnage pan. Includes cut-out in dunnage pan.	\$498.00
3136-0130	Speedlay tray - Polypropylene - removable. Tray includes pull out grab handle (poly dowel) down low on each end to facilitate lifting. The tray(s) shall be sized approximately 18" H X 10" W. The tray(s) shall be made from Polypropylene, the floor of the tray shall be slotted to prevent the accumulation of water and allow for ventilation of wet hose.	\$903.00
3136-0131	Notched crosslay divider(s) on both ends for preconnect line(s) nozzle end storage with NFPA cover(s) in closed position and a notch on the bottom of the divider for the spanner wrench access.	\$0.00
3136-0132	Provide notch on right side of pump module for deck gun. Notch to be offset to rear of crosslays. To include formed .25" aluminum plate for support.	\$822.00
3136-0133	Removable Poly Speedlay Tray(s). The floor of the tray(s) to be slotted to prevent the accumulation of water and allow for ventilation of wet hose.	\$583.00
3136-0134	Replace pump module handrails (left and right) with 18" handrails IPOS.	\$395.00
3136-0135	Removable Poly Speedlay Tray(s). The floor of the tray(s) to be slotted to prevent the accumulation of water and allow for ventilation of wet hose. Trays will be equipped with a handle each side to assist in removing from speedlay storage area.	\$583.00
3136-0136	Removable speedlay tray(s). The floor of the tray(s) shall be sloped from a raised position in the middle slanted downward towards each end. Additionally the floors shall be slotted to prevent the accumulation of water and allow for ventilation of wet hose. There shall be slotted hand holds on each side of the tray (IPO grab handles on each end).	\$777.00
3136-0137	All drains within the pump module shall be bundled together to exit the heat pan as a bundle beneath the pump, rather than separately.	\$218.00
3136-0138	Pump module storage pan.	\$802.00
3136-0139	Crosslay double 7.5" wide each to hold up to 200' of 2.0" DJ hose (each).	\$786.00
3136-0140	Crosslay double 7.5" wide each with extra depth to hold up to 400' of 2.0" DJ hose (each).	\$968.00
3136-0141	Crosslay double 4.25" wide single stack to hold up to 200' of 2.0" DJ (each).	\$940.00
3136-0142	Crosslay triple 4.25/4.25/5" wide single stack to hold up to 200' of 2.0" DJ (each) in front lays and 150' to 200' of 2.5" DJ hose in rear lay.	\$1,393.00
3136-0143	(4) "DO NOT STEP" tags to be installed upside down located (1) on each pump panel access door and (1) on inside of drop down door of driver side running board suction tray. (1) on inside of drop down door of officer side running board suction tray.	\$131.00

Option No.	Description	PRICE
3136-0144	Crosslay single 5" wide single stack to hold up to 200' of 2.0" DJ or 150' to 200' of 2.5" DJ hose.	\$521.00
3136-0145	Insulation - front pump compartment access door.	\$113.00
3136-0146	Compartments for TM walkway (PR). Includes hinged door each side with push button latch and LED compartment light. Requires TM pump module with walkway.	\$782.00
3136-0147	All crosslay connections to be accessible from side of pump module.	\$0.00
3136-0148	E-ONE logo mounted one each side on pump module/preconnect panels. Logos to be sized as applicable to available space on panels and installed without fasteners.	\$0.00
3136-0149	A removable .187" aluminum treadplate cover panel shall be installed at the front of the speedlay module, adjacent to the crosswalk assembly. Panel shall be secured with lift & turn latches for quick removal and for accessibility for hose loading. SS Product only.	\$408.00
3136-0150	Spacer plate for Commercial Exhaust. Requires 5" additional cab to body gap.	\$0.00
3136-0151	Microphone box. Dimensions for microphone box are 12" wide x 12" high x 6" deep. Locate at the driver side pump panel. With hold open device.	\$701.00
3136-0152	Air horn switch at pump panel. Switch to be labeled "Evacuation Alert" with a 4" x 2.5" orange backing plate.	\$202.00
3136-0153	(2) vertically mounted booster reel spool guide roller assemblies. Locate (1) each side on trailing edge of body 3x3 down low.	\$508.00
3136-0154	Enclosed transverse compartment above pump gauge panel. Approximately 24" H x 15" W x 76" L. Includes vertically hinged SS doors each side and D-ring latch with gas tube hold opens, and the top of the compartment will be embossed aluminum treadplate.	\$1,847.00
3136-0155	Stainless steel roller assemblies to span full width of the bottom of hosebed and side to assist in deployment of hose.	\$921.00
3136-0156	Top cover for pump module. Located rearward of crosslays or TM panel with no crosslays.	\$347.00
3136-0157	Stainless steel scuff plates for speedlays. Includes full height of exterior extrusion to lower tool compartment.	\$331.00
3136-0158	Upper and/or lower speedlay tray 8.5" interior width. - removable. Tray includes a 1.25" extruded alum handle low on each end of tray and slots down each side to facilitate lifting. The floor of the tray shall have poly slides and be slotted to prevent the accumulation of water and allow for ventilation of wet hose.	\$636.00
3136-0159	Speedlay module tray(s) mounted to a directional SlideMaster tray. SlideMaster to have 100% extension to drivers side only.	\$1,444.00
3136-0160	Two (2) pump compartment heaters are to be mounted in the pump area. Locate (1) as low as possible and (1) to discharge on the back of the gauge panel.	\$1,682.00
3136-0161	The lower front wall of the enclosed pump module shall have a removable front panel to allow pump service access. Panel shall be accessible when cab is tilted and includes lift and turn latches.	\$707.00
3136-0162	Hi Rise tray - removable. Tray includes a 1.25" extruded alum handle low on each end of tray and slots down each side to facilitate lifting. The floor of the tray shall have poly slides and be slotted to prevent the accumulation of water and allow for ventilation of wet hose.	\$636.00
3136-0164	Stainless steel scuff plate assemblies for speedlays & crosslays. Scuff plates to be on top, bottom and sides of each opening mechanically fastened with screws.	\$1,231.00
3136-0165	Microphone box. Dimensions for microphone box are 14" wide x 6" high x 6" deep. Locate at the pump operator panel.	\$573.00

Option No.	Description	PRICE
3136-0166	Removable Speedlay Tray(s). The floor of the tray(s) to be slotted to prevent the accumulation of water and allow for ventilation of wet hose. The front and rear walls of tray(s) to be the same height. There shall be vertical slots on each side of the tray (in place of extruded grab handle) to facilitate lifting. This tray shall only be used with taller speedlay opening so the preconnect swivel shall be at the top (as opposed to rear wall) and walls of the tray can be same height.	\$636.00
3136-0167	Two (2) 12" x 22" sunroofs in TME module ceiling. Black aluminum frame with dark Gray tinted glass. Frameless exterior appearance.	\$911.00
3136-0168	Three (3) 12" x 22" sunroofs in TME module ceiling. Black aluminum frame with dark Gray tinted glass. Frameless exterior appearance.	\$1,368.00
3136-0170	A 24" x 24" escape hatch shall be installed in the roof of the TME module.	\$1,324.00
3136-0171	The TME module shall include Eleven (11) fixed windows in addition to any sunroofs or windows in the entry doors.	\$1,293.00
3136-0172	The TME module shall include Nine (9) fixed windows in addition to any sunroofs or windows in the entry doors.	\$1,327.00
3136-0173	Two (2) Armrests shall be installed between the (3) seats in the TME module. Each armrest shall be constructed of stainless steel.	\$651.00
3136-0174	Two (2) tool compartments shall be provided, one (1) each side, directly in front of the step well areas of the TME module, accessible from outside of the vehicle.	\$837.00
3136-0175	Two (2) adjustable window defogger fans with individual switches shall be mounted in the TME module above the pump operator's panel. Each fan shall be rated at 250 cfm.	\$306.00
3136-0176	Two (2) storage cubbies shall be provided (1) each side under outboard seating positions of TME module.	\$538.00
3136-0177	Notched speedlay divider(s) on both ends for preconnect line(s) nozzle end storage with NFPA cover(s) in closed position.	\$0.00
3136-0178	Microphone box. Dimensions for microphone box are 14" wide x 5" high x aprox 6" deep. Locate at the the right side of the top mount gauge panel. SS top mount product only	\$599.00
3136-0179	Recessed area in storage pan for deck gun to be as low as practical. Deck gun connection to terminate 3" below top of pump module.	\$666.00
3136-0180	Crosslay triple 4.25/4.25/4.25" wide single stack to hold up to 200' of 2.0" DJ in each hose lay.	\$1,393.00
3136-0181	Speedlay tray - removable - extra length for full width module. Tray to be 14W x 9H x Full width of module. Tray includes a 1.25" extruded alum handle on each end of tray and slots down each side to facilitate lifting. The floor of the tray shall have poly slides and be slotted to prevent the accumulation of water and allow for ventilation of wet hose.	\$733.00
3136-0182	Crosslay double 6.25" wide single stack to hold up to 200' of 2.0" DJ or 150' of 3.0 DJ (each).	\$940.00
3136-0183	Backboard/pike pole storage compartment located to rear of crosslays. Includes partition between backboard and pike poles and vertically hinged diamond plate access door each side. Note pike poles will only be accessible from driver side and longest pike pole that compartment will accommodate is 6'.	\$1,257.00
3136-0184	Crosslay double 5.5" wide single stack to hold up to 200' of 2.0" DJ (each) or 150' of 3.0 DJ (each).	\$940.00
3136-0185	Extra Capacity Removable Poly Speedlay Tray(s). Tray(s) to be approx 8.25" wide inside X 17.50" high inside. The floor of the tray(s) to be slotted to prevent the accumulation of water and allow for ventilation of wet hose.	\$583.00
3136-0186	Air horn switch at pump panel. Switch to be labeled "Evacuation Alert" with red cover. Location: [#LOC].	\$149.00
3136-0187	Speedlay module integral to body forward of compartment L1/R1. Beds to be accessible with vertically hinged stainless steel doors with a Bent D-Ring latches.	\$2,732.00

Option No.	Description	PRICE
3136-0188	Vertically stacked speedlay beds, each to hold 200' of 1-3/4" DJ hose. Removable aluminum trays with horizontal retention rollers supplied.	\$2,330.00
3136-0189	Speedlay rollers mounted on hinged speedlay doors.	\$134.00
3136-0190	Backboard storage compartment in pump module. Locate rearward of crosslays on SM and forward of crosslays on TM. Includes vertical hinged diamond plate access door each side. Backboard storage to be 10" wide.	\$1,051.00
3136-0191	LINE-X package for pump module storage pan(s): Includes all surfaces of the pan visible from top of the truck. Also includes all platework fabricated at E-ONE mounted inside the pan such as hydraulic system cover, generator shield, reservoir cover, cooler cover, cord reel cover, boxes, dividers, trays, etc as applicable.	\$766.00
3136-0192	Zolatone (same color as pump panels) package for top mount pump module platework: Includes pump module upper side panels, panels and access door(s) in front of the module adjacent to the walkway, back panel of speedlay module adjacent to the walkway if applicable, tool compartment doors on walkway and speedlay as applicable.	\$446.00
3136-0193	Crosslay quadruple single stack. Forward two (2) lays to hold up to 200' of 1.75" DJ (each). Rearward two (2) lays to be dry lays that hold up to 200' of 1.75" DJ or 150 of 3.0" DJ (each).	\$1,830.00
3136-0194	Crosslay triple 4.25/4.25/12" wide single stack to hold up to 200' of 2.0" DJ (each) in front lays and double stack to hold 200' of 3.0" DJ hose in rear lay.	\$1,393.00
3136-0195	Pump module upper side panels shall be smooth plate painted job color (dual tone as applicable). Smooth plate Zolatone (same color as pump panels) finish shall be applied to panels and access door(s) in front of the module adjacent to the walkway, speedlay panels (back panel of separate speedlay module adjacent to the walkway and front panel facing the cab) as applicable, tool compartment doors on walkway and speedlay as applicable.	\$446.00
3136-0196	Backboard/pike pole storage compartment located to rear of crosslays. Two (2) pikes to be offset rear in the compartment and up high. One (1) pike pole accessible from driver side and one (1) to be accessible from the officer side. Longest pike pole that compartment will accommodate is 6'.	\$1,257.00
3136-0197	Backboard storage compartment in pump module. Locate rearward of crosslays on SM and forward of crosslays on TM. Includes vertical hinged diamond plate access door each side hinged rearward. Opening to be 7" wide.	\$1,093.00
3136-0198	Backboard and rescue bag storage area for customer furnished and installed items. Module for (2) 19.5"W x 2"H x 75"L backboards in the forward section. Rearward left side sections, (1) Pedi board bag, (1) splint board bag, (1) collar bag and (1) KED bag. Module constructed of 1/8" smooth aluminum plate.	\$695.00
3136-0199	Speedlay tray - removable. Tray includes a 1.25 inch extruded alum handle low on each end of tray and slots down each side to facilitate lifting. The floor of the tray shall have poly slides and be slotted to prevent the accumulation of water and allow for ventilation of wet hose. Tray designed to accommodate 200 feet of double stacked 1.75 inch hose.	\$636.00
3136-0200	Crosslay triple 4.25/ 5"/ 4.25" wide single stack to hold up to 250' of 1.75" DJ (each) in front and rear lays and 200' 2.5" DJ hose in center lay. The crosslay depth shall be 28" deep.	\$1,393.00
3136-0201	Cross lay divider(s) to be adjustable front to rear in slotted holes added to cross lay floor.	\$363.00
3136-0202	Speedlay single - double stack to hold up to 200' of 2.0" DJ hose located in the rear pump compartment.	\$521.00
3136-0203	Pump module modification for vertical exhaust. Exhaust to run up through officer side running board offset rearward.	\$0.00

Option No.	Description	PRICE
3136-0204	Modify the upper rear officers side pump module and dunnage pan. Assemble and install a 4-bottle SCBA storage rack (consisting of an 8" aluminum tube assy; 2-tubes wide/2-tubes high) for SCBA bottle storage up to 7.5" diameter x up to 25" long (including valve). Includes a Lift-up style door (matching pump access door material) w/gas spring (wired to door ajar alert), bottle tube safety straps, and a removable aluminum diamond plate protective cover in officers side dunnage pan over the bottle rack.	\$773.00
3136-0205	Removable Aluminum Speedlay Tray(s) with slotted floor to prevent the accumulation of water and allow for ventilation of wet hose. Includes vertical slotted hand hold cutouts on each end to facilitate easy removal of the hose tray. No lip, No grab rod.	\$636.00
3136-0206	Removable Poly Speedlay Tray(s). The floor of the tray(s) to be slotted to prevent the accumulation of water and allow for ventilation of wet hose. The front and rear walls of tray(s) to be the same height. There shall be vertical slots on each side of the tray (in place of extruded grab handle) to facilitate lifting. Tray to have special notching for easy removal of tray(s) from module area.	\$583.00
3136-0207	Crosslay double 4.25"/5.0" wide single stack to hold up to 200' of 2.0" DJ and 150' of 2.5" DJ	\$940.00
3136-0208	Cross lay double, Lay 1- 4.25in. wide single stack to hold up to 200ft. of 2.0in. DJ and Lay 2- 7.75in. wide double stack to hold 200ft of 2.0in DJ with lower stacks or more with excess capacity as configured.	\$1,010.00
3136-0209	Speedlay tray - removable. Tray includes a 1.25" extruded alum handle low on each end of tray and slots down each side to facilitate lifting. The floor of the tray shall have poly slides and be slotted to prevent the accumulation of water and allow for ventilation of wet hose. Tray to be 8" tall IPO standard.	\$605.00
3136-0210	Crosslay double 5.5" wide single stack to hold up to 200' of 2.0" DJ (each).	\$940.00
3136-0211	The pump module storage pan shall be upgraded to include a two piece cover for the Wabasto system. The cover shall be constructed of 3/16" embossed aluminum tread plate, include a grip strut insert in the section over the heater to allow heat dissipation. It shall be bolted down using four 5/16" HEX-head bolts in each section for easy removal. The cover may be used a walking surface.	\$542.00
3136-0212	Crosslay single 10.25" wide single stack to hold up to 300' of 2.5" DJ hose.	\$521.00
3136-0213	LINE-X package for enclosed pump module: All sheet metal surfaces including compartment walls, pump access doors, storage compartment walls and doors, running boards, etc shall be coated with LINE-X. Does not include pump panel or gauge panel which are part of a seperate package.	\$427.00
3136-0214	Crosslay triple 7.75/7.75/10" wide double stack to hold up to 200' of 2.0" DJ (each) in front lays and 200' of 2.5" DJ hose in rear lay.	\$1,393.00
3136-0215	Gast air compressor 12v model ROA-P201-JH to be used IPO standard IAVA mini-pumper aux air system for pump shift. System shall be mounted to ceiling of B1 behind roll up door drum with isolated reservoir 1738 cu in. capacity with PR2 valve. For use as an upgraded system to operate pump shift and (separately)optioned air outlet located as specified.	\$1,522.00
3136-0216	Enclosed pump panel backboard/pike pole storage located to rear of crosslays to be accessible beneath rollup door drum on driver and officer side. Includes aluminum smooth plate sleeve for (2) two backboards, approx size of backboard: 21"wide x 72"long x 3"thick, (2) two 6' aluminum tubes for 6' pike poles, one accessible from driver side, one accessible from officer side and horizontally hinged lift-up diamond plate doors with gas shock hold open and push button latches each side. Note longest pike pole that compartment will accommodate is 6'. Storage pan is not available with this option.	\$1,609.00
3136-0217	Crosslay triple 4.25/4.25/5in. wide single stack to hold up to 200ft. of 2.0in. DJ (each) in front lays and 150-200ft. of 2.5in. DJ hose in rear lay. Cross Lay lowered height to be 68in. from ground for ease of deployment.	\$1,424.00

Option No.	Description	PRICE
3136-0218	Diamond plate protective cover shall be provided for the foam system hydraulic cooling fan assembly. Cover shall be partially made out of expandable metal or similar design for sufficient air flow.	\$382.00
3136-0219	Diamond plate protective cover shall be provided for the foam system hydraulic reservoir. Cover shall be designed with the reservoir fill cap protruding through it for easier refilling.	\$249.00
3136-0220	Crosslay triple 4.25/4.25/6" wide single stack to hold up to 200' of 2.0" DJ (each) in front lays and single stack to hold 150' of 3.0" DJ hose in rear lay.	\$1,393.00
3136-0221	Crosslay quadruple single stack. All four (4) lays to hold up to 200' of 1.75" DJ (each).	\$1,830.00
3136-0222	Durabak package for pump module storage pan(s): Includes all surfaces of the pan visible from top of the truck. Also includes all platework fabricated at E-ONE mounted inside the pan such as hydraulic system cover, generator shield, reservoir cover, cooler cover, cord reel cover, boxes, dividers, trays, etc as applicable.	\$766.00
3136-0223	Crosslay single 5.5" wide single stack to hold up to 150' of 3.0" DJ.	\$521.00
3136-0224	Aluminum speedlay module with divider and Duradek flooring. Constructed using 1/4" thick aluminum with a DA sanded finish.	\$986.00
3136-0225	The upper side panels of the TM pump module to be smooth plate painted Zolatone to match the lower pump panels.	\$268.00
3136-0226	The upper side panels of the TM pump module to be stainless steel to match the lower pump panels.	\$268.00
3136-0227	Crosslay quad 7.50/7.50/7.50/7.50 wide double stack to hold up to 200ft. of 1.75in. DJ hose (each) per lay.	\$1,937.00
3136-0228	Upper storage compartment in pump module. Located in the upper rear corner of pump module. Includes driver side vertical hinged diamond plate access door.	\$1,093.00
3136-0229	Crosslay triple 5.50/5.50/5.50" wide single stack to hold up to 200' of 2.0" DJ in each hose lay.	\$1,393.00
3136-0230	Crosslay double 7.75"/ 7.75" wide double stack to hold up to 200' of 2.0" DJ (each) in front lays and dry lay 10" wide to hold 150' of 2.5" DJ hose in rear lay.	\$1,393.00
3136-0231	Transverse storage compartment in pump module. Locate rearward of crosslays on SM and forward of crosslays on TM. Includes vertical hinged diamond plate access door each side. Width and Height of storage based on available space forward (or) aft of the crosslays ilo a Dunnage pan if applicable.	\$1,093.00
3136-0232	Crosslay triple 4.75/4.75/5.50" wide single stack to hold up to 200' of 2.0" DJ (each) in front lays and 150' of 2.5" DJ hose in rear lay.	\$1,393.00
3136-0233	A recessed pocket area in the rearward portion of the officer side running board shall be provided. It is a square fabricated assembly designed to store (1) 2.5 gallon pressurized water can fire extinguisher. The extinguisher shall be recessed in the running board approximately half of it height. A nylon buckle strap shall be provided to secure item for transit. Extinguisher not included.	\$277.00
3136-0234	Crosslay triple 4.25/4.25/6" wide single stack to hold up to 200' of 2.0" DJ (each) in front lays and 200' of 3.0" DJ hose in rear lay.	\$1,393.00
3136-0235	Backboard and Pike Pole storage compartment in pump module. Locate rearward of crosslays on SM and forward of crosslays on TM. Includes vertical hinged diamond plate access door each side. Storage for one (1) backboards forward and three (3) pike poles on the rear wall stored vertically. The pike pole tubes to be inside each door opening 8" (60" long tubes). The door opening to be 6" wide.	\$1,613.00
3136-0236	Cross lay double 7.5" wide double stack to hold up to 200ft. of 2.0in. DJ (each) Cross Lay lowered height to be 66in. from ground for ease of deployment. Front module headboard height to be reduced aprox. 12in. on an 80" high module or as applicable to hose load and module height if otherwise optioned.	\$1,424.00

Option No.	Description	PRICE
3136-0237	A 19" wide preconnect area shall be provided on the pump module to accomodate three (3) speedlay hosebeds. The lower area shall each have two (2) speedlays each with a capacity to hold 200` of 1.75" DJ fire hose double stacked. The upper area shall have one (1) speedlay with a capacity to hold 200` of 2.5" DJ fire hose triple stacked.	\$1,393.00
3136-0238	Storage pan access lid(s) made from embossed diamond plate. The lid(s) shall be hinged outboard with two grab handles per lid and gas shock hold opens.	\$738.00
3136-0239	Storage pan side access door(s) made from aluminum smooth plate (same finish as pump module). The door(s) shall be lift up style with push button latch(es) and gas shock hold opens.	\$483.00
3136-0240	The pump module shall include (3) 1.5" speedlays and (1) 2.5" crosslay rearward of the stacked preconnect area.	\$1,570.00
3136-0241	Crosslay(s) to be lowered per customer specific requirement.	\$272.00
3136-0243	Crosslay single 10" wide single stack to hold up to 300' of 1.75" DJ or 250' of 2.5" DJ hose.	\$888.00
3136-0244	The walls of top mount walk way tool storage compartments to have (2) additional louver patterns in rear wall of each compartment for a total of (3) each side IPO standard for additional ventilation.	\$195.00
3136-0245	Crosslay triple 5.50/5.50/5.50" wide single stack to hold up to 200' of 2.0" DJ (each) in front lays and 150' to 200' of 2.5" DJ hose in rear lay.	\$1,393.00
3136-0246	Maximum size brushed stainless steel fully removable bolt-on access panel shall be installed on the driver side of the pump enclosure, lower pump connection panel.	\$498.00
3136-0247	The module design shall include a storage area rearward of the cross lays for (2) New York Hooks each 72" long. The storage area shall have an opening of approximately 20in. high x 5in. wide. The hooks shall be secured with 1/8in. (.125) aluminum treadplate vertical hinged doors on each end of the compartment with push button latches. There shall be a horizontal divider 8in. off storage compartment floor and the door shall be tied to door ajar.	\$1,122.00
3136-0248	Crosslay triple 6.5/6.5/8" wide single stack to hold up to 200' of 2.0" DJ (each) in front lays and single stack to hold up to 200' of 3.0" DJ hose in rear lay.	\$1,393.00
3136-0249	Booster Reel Riser for rollers. Locate with officer side dunnage pan rollers. Riser to have increased height to clear the top of the body.	\$184.00
3136-0250	The upper pump module shall be extended to the full width(side to side) of the lower pump module.	\$1,008.00
3136-0251	Crosslay double 7.5" wide forward and 10.5" wide rearward each with extra depth. Forward lay to hold up to 400' of 2.0" DJ hose and rearward lay to hold up to 400' of 2.5" DJ hose.	\$1,068.00
3136-0252	Crosslay triple 5.50 / 5.50 / 5.50" wide single stack to hold up to 200' of 2.0" DJ (each) in front lays and 200' of 2.5" DJ hose in rear lay.	\$1,393.00
3136-0253	Rollers, roller assemblies for enclosed vertical stacked speedlay beds. (1) each side in forward door opening.	\$1,107.00
3136-0254	Divider in back board compartment located 3" from the front wall. Rearward of the divider a full height stop located 50" from the door opening on the officer side for a 1" x 17" high x 45" long airbag.	\$240.00
3136-0255	Speedlay tray - Polypropylene - removable. Tray includes pull out relief grab handles each end in side walls or as applicable in place of dowels to facilitate lifting. The trays shall be made from Polypropylene, the floor of the tray shall be slotted to prevent the accumulation of water and allow for ventilation of wet hose.	\$903.00
3136-0256	The pump module shall include (2) 1.5" speedlays and (1) 2.5" speedlay preconnect area.	\$1,370.00
3136-0257	The pump module shall include (3) 1.5" speedlays.	\$1,370.00

Option No.	Description	PRICE
3136-0258	Tool storage compartment doors in module to have D-ring style latches in place of standard.	\$0.00
3136-0259	Pump module upper side panels shall be Flush smooth plate painted job color (dual tone as applicable).	\$920.00
3136-0260	Air horn switch at officer side pump panel. Switch to be labeled "Evacuation Alert" with a 4" x 2.5" orange backing plate.	\$202.00
3136-0261	Heat pan, stainless steel. The lower area of the pump compartment to have a four (4) sided stainless steel heat pan with two (2) removable (side to side) bottoms. Bottoms to be secured in the closed position with butterfly latches.	\$1,402.00
3136-0262	The pump module shall include (2) 1.5" speedlays and (1) 2.5" crosslay.	\$1,370.00
3136-0263	The pump module shall include (2) 1.5" speedlays.	\$1,370.00
3136-0264	Crosslay quadruple 5.5/5.5/5.5/6 wide single stack to hold up to 200' of 1.75" DJ in the front two lays and up to 150' of 2.5" in the rear two lays. Rear crosslay is a dry lay.	\$1,830.00
3136-0265	Speedlay double - double stack to hold up to 200' of 1.75" DJ hose each located in the forward area of the pump module. Above the speedlay will be an open storage area for customer supplied storage.	\$1,432.00
3136-0266	Speedlay(s) to be lowered per customer specific requirement.	\$272.00
3136-0267	The pump module shall include (1) 1.5" speed lay and (1) 2.5" speed lay.	\$1,370.00
3136-0268	Booster Reel Riser for rollers. Locate with officer side reel rollers.	\$95.00
3136-0269	The crosslay(s) shall be dry lay(s).	\$0.00
3136-0270	Stokes basket storage compartment in pump module. Locate in forward upper area of module or as applicable per module layout. Includes vertical hinged diamond plate access door each side with applicable latch and shall be tired to door ajar system per NFPA. Must be located in a full body width section of the module as optioned separately.	\$1,093.00
3136-0271	Aerial wireless control box 18W X 9H X 12D located on pump operator panel. Door to be tie into door ajar.	\$595.00
3136-0272	Pike and Hook storage; (2) 6' pike poles and (2) 6' hooks stacked vertically inside an enclosed compartment rearward of crosslays, accessible from the officer side. Compartment full height and width (side to side) of the dunnage area, constructed of aluminum treadplate. Brushed stainless door with push button latch. Pikes/hooks secured with a pin style retainer.	\$1,021.00
3136-0273	Radio box. Dimensions for the box are 10" wide x 4" high x 12" deep. Locate at the [#LOC].	\$688.00
3136-0274	Top mount walkway shall be enclosed with hinged doors on each side of walkway entrance.	\$1,713.00
3136-0275	Crosslay quadruple single stack. 4.25/4.25/4.25/5" wide single stack to hold up to 200' of 2.0" DJ (each) in front lays and 150' of 2.5" DJ hose in rear lay.	\$1,830.00
3136-0276	Crosslay double stacked double lays to each hold 200' of 2" hose.	\$0.00
3136-0277	Backboard storage; (1) industry standard backboard stored on edge inside an enclosed compartment rearward of crosslays, accessible from the officer side. Compartment full height and width (side to side) of the dunnage area, constructed of aluminum treadplate. Brushed stainless door with push button latch.	\$1,021.00
3136-0278	Crosslay double 10/15" wide with extra depth. Front lay to be double stack and to hold up to 100' of 2.5" DJ along with 200' of 1.75" DJ and rear lay to be triple stack and to hold 200' of 2.5" DJ hose. Crosslay lowered height to be 66" from ground for ease of deployment.	\$1,424.00
3136-0280	Pump module storage pan to be smooth plate.	\$802.00
3136-0281	Transverse storage compartment in pump module. Locate rearward of crosslays and/or backboard storage if applicable. Includes fixed transverse partition centered in compartment, vertically hinged double pan diamond plate access door each side and sealed top to prevent moisture from entering.	\$1,525.00

Option No.	Description	PRICE
3136-0282	Compartments for TM walkway (PR). Includes embossed diamond plate lift-up walkway lids each side for access with butterfly style latch(es) for securing in the closed position and LED compartment light. Requires TM pump module with walkway.	\$782.00
3136-0283	Pump module exterior platework to have swirl finish. Includes tool compartment access doors, front access panel, and upper panels on top mounts. Does not include walkway or walkway steps.	\$1,589.00
3136-0284	The pump module shall include (2) 1.5" speedlays and (1) 1.5" crosslay.	\$1,370.00
3136-0285	Aluminum treadplate removable enclosure for the DOT bottle storage in the pump module dunnage area.	\$1,154.00
3136-0286	Pump module upper side panels shall be smooth plate painted job color (dual tone as applicable).	\$446.00
3136-0287	Crosslay double, 7.75" wide and 10" wide, to hold up to 200' of: 2.0" DJ (front) and 2.5" DJ (rear).	\$786.00
3136-0288	Crosslay triple 4.25/4.25/5" wide single stack, to hold up to 200' of 2.0" DJ in front (2) lays, and 200' of 2.5" DJ hose in single rear lay.	\$1,393.00
3136-0289	Transverse compt with vertical centered divider forward over pump panel. Includes vertical hinged to the front dia plt door tied to door ajar on each end with gas shock, D-Ring latch and compartment light.	\$1,080.00
3136-0290	Crosslay double 7.5" wide each to hold up to 250' of 1.75" DJ hose (each). For use with poly trays (not included) and total width of 15.25" wide crosslay area. No divider.	\$786.00
3136-0291	Transverse storage compartment in pump module. Includes vertical hinged access door each side to match adjacent panels. Width and Height of side openings dependant upon available space. Includes composite floor overlay. To hold misc equipt (or) two (2) 6" x 72" long Hard Suction Hose.	\$1,193.00
3136-0292	Crosslay triple 4.25/4.25/7.5". Forward two crosslays to be single stack to hold up to 200' of 2.0" DJ (each) and the rearward crossley to be double stack to hold a minimum of 250' of 2.0" DJ hose.	\$1,393.00
3136-0293	The upper side panels of the SM pump module to be smooth plate painted Zolatone to match the lower pump panels.	\$268.00
3136-0294	Backboard storage compartment in pump module. Locate rearward of crosslays on SM and forward of crosslays on TM. Includes vertical hinged smooth plate access door each side painted Zolatone to match the lower pump panels. Backboard storage to be 10" wide.	\$1,361.00
3136-0295	Momentary switch at pump panel. Switch to be labeled "Evacuation Alert". Location: Driver side pump panel.	\$149.00
3136-0296	Divider (bolt in) to be located pump module dunnage pan to be fabricated from .188 smooth plate aluminum. Divider to surround deck gun and/or riser to segregate plumbing from remaining storage space in pan. Divider to be 4 in tall minimum or as applicable to surround deck gun with ample space to cycle deck gun.	\$112.00
3136-0297	Microphone box. Dimensions for microphone box are 12" wide x 12" high x 12" deep. Locate at the driver side pump panel. The door of the microphone box shall have a hinge at the top and open in a lift up style with hold open device.	\$701.00
3200-0027	E-One supplied/Van-Mor installed Swivel Pedestal Seat. Locate in cab command area in front of desk. If more then one seat offset them.	\$549.00
3300-0007	Door single vertical hinged painted. Location(s): [#LOC]	\$785.00
3300-0008	Door double vertical hinged painted. Location(s): [#LOC].	\$873.00
3300-0009	Door single vertical hinged diamond plate. Location(s): [#LOC]	\$549.00
3300-0010	Door double vertical hinged diamond plate. Location(s): [#LOC].	\$785.00
3300-0011	Door single horizontal hinged lift-up box pan configuration painted. Location(s): [#LOC]	\$763.00
3300-0012	Door single horizontal hinged lift-up box pan configuration diamond plate. Location(s): [#LOC]	\$592.00

Option No.	Description	PRICE
3300-0013	Door roll up short (up to 45") with satin finish POK. Location(s): [#LOC]	\$791.00
3300-0014	Door roll up tall (greater than 45") with satin finish POK. Location(s): [#LOC]	\$1,131.00
3300-0015	Door roll up short (up to 45") with painted finish POK. Location(s): [#LOC]	\$1,265.00
3300-0016	Door roll up tall (greater than 45") with painted finish POK. Location(s): [#LOC]	\$1,602.00
3300-0017	Door roll up short (up to 45") with satin finish ROM. Location(s): [#LOC].	\$880.00
3300-0019	Door roll up tall (greater than 45") with satin finish ROM. Location(s): [#LOC].	\$1,255.00
3300-0021	Door roll up short (up to 45") with painted finish ROM. Location(s): [#LOC].	\$1,491.00
3300-0022	Door roll up tall (greater than 45") with painted finish ROM. Location(s): [#LOC].	\$1,866.00
3300-0023	Door single stainless steel vertical hinged painted. Location(s): [#LOC]	\$982.00
3300-0024	Door double stainless steel vertical hinged painted. Location(s): [#LOC]	\$1,003.00
3300-0025	Door single horizontal hinged drop down painted. Location(s): [#LOC]. Door(s) will have chain hold open devices.	\$630.00
3300-0027	Door bi-fold horizontal hinged diamond plate. Location(s): [#LOC]. Includes upper door mounted guide roller assembly and the lower door will have chains for side or upper rear body mount or bumper style for lower rear body mounted.	\$873.00
3300-0028	Door tri-fold vertical hinged diamond plate. Location(s): [#LOC]	\$1,187.00
3300-0029	Door single stainless steel horizontal hinged lift-up painted. Location(s): [#LOC]	\$1,006.00
3300-0030	Door double 3-point vertical hinged painted. Location(s): [#LOC]	\$1,740.00
3300-0062	Keyed compartment door latch with #1250 key. Location(s): [#LOC].	\$84.00
3300-0063	Keyed roll-up compartment door with #1250 key. Location(s): [#LOC].	\$148.00
3300-0064	All apparatus doors, body and chassis, are to be keyed alike. Not avail on Commercial Chassis. Requires keyed latch option to be included in shop order.	\$325.00
3300-0065	Electric lock for an ROM roll-up door (EA). The door to lock on both sides of compartment as applicable. Includes manual J236 key lock. Location(s): [#LOC]	\$646.00
3300-0066	Drip pan for a ROM roll-up door (EA). Location(s): [#LOC].	\$178.00
3300-0076	Door double 3-point vertical hinged painted. Location(s): [#LOC]	\$1,268.00
3300-0078	Cleveland door springs provided for all vertical hinged body doors.	\$161.00
3300-0080	Stainless steel interior body door overlay. Each hinged body door interior surface to have a stainless steel overlay. Overlay to fit around any surface mounted items on the door.	\$3,267.00
3300-0081	Keyed compartment door latch (Best Lock). Location(s): [#LOC]	\$213.00
3300-0082	Roll-up door a tall, 3' wide, ROM door. Satin finish. Locate in [#LOC].	\$1,131.00
3300-0083	Roll-up door a tall, 4' wide, ROM door. Satin finish. Locate in [#LOC].	\$1,395.00
3300-0084	Roll-up door a tall, 5' wide, ROM door. Satin finish. Locate in [#LOC].	\$1,426.00
3300-0085	Roll-up door a tall, 3' wide, ROM door. Painted job color. Locate in [#LOC].	\$1,424.00
3300-0086	Roll-up door a tall, 4' wide, ROM door. Painted job color. Locate in [#LOC].	\$1,702.00
3300-0087	Roll-up door a tall, 5' wide, ROM door. Painted job color. Located in [#LOC].	\$1,755.00
3300-0088	Roll-up door over wheel well, 4' wide, ROM door. Satin finish. Locate in [#LOC].	\$1,103.00
3300-0089	Roll-up door over wheel well, 5' wide, ROM door. Satin finish. Locate in [#LOC].	\$1,376.00
3300-0090	Roll-up door over wheel well, 4' wide, ROM door. Painted job color. Locate in [#LOC].	\$1,133.00

Option No.	Description	PRICE
3300-0091	Roll-up door over wheel well, 5' wide, ROM door. Painted job color. Locate in [#LOC].	\$1,424.00
3300-0092	Door double 3-point vertical hinged diamond plate. Location(s): [#LOC].	\$1,678.00
3300-0093	Door double stainless steel vertical hinged un-painted. Location(s): B1. Includes D-Ring latch. Includes brushed stainless steel overlay to match center rear body.	\$1,106.00
3300-0096	Keyed roll-up compartment door with #J236 key. Location(s): [#LOC]	\$148.00
3300-0097	Keyed compartment door latch with #J236 key. Location(s): [#LOC]	\$84.00
3300-0098	Roll-up door package Amdor. Includes (2) short satin roll-up doors and (4) tall satin roll-up doors. Door pennant plates to be mounted offset forward of the compartment for better contact of external door slats to header plate brush.	\$8,514.00
3300-0099	Intergrated sill plate. Water Dam type door sill for ROM rollup door. Location(s):[#LOC]	\$152.00
3300-0100	Cleveland door springs provided for vertical hinged body door(s). Locate [#LOC].	\$161.00
3300-0102	Polished stainless steel interior body door overlay. Each hinged body door interior surface to have a polished stainless steel overlay. Overlay to fit around any surface mounted items on the door.	\$4,900.00
3300-0103	Door double vertical hinged smooth plate sanded. Location(s): [#LOC].	\$873.00
3300-0104	Keyed compartment Tri-Mark model 030-1300 door locking latch with (2) TM-700 keys. Location: [#LOC].	\$168.00
3300-0105	Door roll up tall (greater than 45") with satin finish Amdor. Location(s): [#LOC].	\$1,639.00
3300-0106	Door roll up short (up to 45") with satin finish Amdor. Location(s): [#LOC].	\$1,174.00
3300-0107	Pull down straps for lift-up door. Loc: [#LOC].	\$110.00

3305-0136	(2) piece aluminum hosebed cover. Includes center hosebed divider with NO notched rear, fill tower(s) access door(s) and handles (as applicable), (2) gas shocks, positive hold-opens/hold-closed at rear, (2) grab handles on fwd area of cover with (2) handrails on rear of cover. A FULL width step (sized and positioned as required with overall rearend configuration) with embossed diamond plate surface will be located at the upper rear of the apparatus to assist with hosebed cover/hose loading operations.	\$3,855.00
3305-0137	Powered (2) piece aluminum hosebed cover. Includes center hosebed divider with notched rear, fill tower(s) access door(s) and handles (as applicable), (2) electric actuators, (2) grab handles forward area of cover with (2) handrails on rearward area of cover. Partition at front of hosebed to cover electric actuators (approx 4" loss in hosebed length). Includes control panel on officer side rear compartment face with (3) momentary switches: (1) master on/off, (1) left cover and (1) right cover.	\$7,437.00
3305-0138	Stokes Basket storage box. Located on top of the driver side hosebed cover. To hold (1) stokes basket with access from a horizontally hinged lift-up diamond plate door with a push-button latch.	\$913.00
3305-0140	Split style diamond plate hosebed cover. Covers to be low profile and light weight with cross support structure on underside. Covers to lay flat and stow against center hosebed storage box. Includes low profile hold-open and chrome grab handles at the front and rear (no stanchion type handrails to be used).	\$1,993.00
3305-0141	Diamond plate hosebed deflector located at front of hosebed area with angled front edge. To be hinged along forward edge with "T" style hold-downs.	\$508.00
3305-0142	Vinyl red side covers for diamond plate crosslay cover. Covers to attach to the DP cover with snaps. The lower corners to have bungee cords. Cords are to be tie-in versus sown. Flaps to have eyelets sized to secure individual looped and tied bungees. Cords to be easily removed and replaced (by fire department) in field.	\$325.00
3305-0143	Vinyl rear cover for diamond plate hosebed cover. Cover to attach to the DP cover with snaps. The lower edge to have bungee cords. Cords are to be tie-in versus sown. Flap to have eyelets sized to secure individual looped and tied bungees. Cords to be easily removed and replaced (by fire department) in field. Color: Red	\$411.00
3305-0144	(4) piece aluminum hosebed cover. Includes center hosebed divider with notched rear, fill tower(s) access door(s) and handles (as applicable), (2) gas shocks, positive hold-opens/hold-closed at center and at the rear, (8) handrails - (4) forward cover and (4) rearward cover. The enhanced extended landing area(s) will be used to assist with hosebed cover operations. For use with Enhanced Extended Rescue Pumper only.	\$3,533.00
3305-0145	Zico ladder control switching wiring cover.	\$121.00
3305-0146	Door ajar switch guard. For use with diamond plate hosebed covers.	\$0.00
3305-0147	Nylon yellow strap with aluminum quick-release buckle for hose tray. Strap to attach to side walls of tray down low as applicable. Location: [#LOC].	\$122.00
3305-0148	Cover for generator in hosebed storage pan. For max air flow and protection of main generator the side to be open and the upper flat surface to be bustin grating. Cover to be to officer side and hinged forward with gas shock and mechanical hold-downs. Hydraulic connections next to main generator to have a removable diamond plate cover.	\$762.00
3305-0149	Nylon yellow cargo net on sides for crosslay cover. Cover to have snaps in place of bungees.	\$330.00
3305-0150	Nylon yellow cargo net at rear of diamond plate or vinyl hosebed cover. Cover to have snaps in place of bungees.	\$630.00
3305-0151	2-piece aluminum hose bed cover, fill tower(s) access door(s) and handles (as applicable), positive hold opens/hold closed, (2) hand rails rear, Wildland	\$3,626.00

Option No.	Description	PRICE
3305-0152	Vinyl speedlay cover. For use with individual preconnect module with side by side storage. Includes mechanical hold-downs on top outer corners and quick-release side flap hold downs. Cover color: [#COL].	\$368.00
3305-0153	A cover will be located over the generator in the pan. Cover will allow air flow while keeping the generator from sitting in the direct weather. Cover will have mesh on all 4 sides welded to Dia Plate.	\$1,296.00
3305-0154	Single diamond plate hinged cover on top w/hinged stainless steel side panels for the crosslay area. Includes center grab handle. Liftup hinged side panels hinged across the top on each end, with gasket around sides and bottom. Includes center grab handle above rubber hood latch located at lower center of side panels to hold closed.	\$1,403.00
3305-0155	Vertically hinged aluminum plate door includes gasket around side and bottom and latch at rear of body over hose chute for diamond plate hosebed cover. Door to match rear body finish.	\$441.00
3305-0156	One piece vinyl cover for driver's side upper control & lower pump panel opening. RLP application only. Top of vinyl cover outboard corners to have twist locks with velcro around permieter and weighted lower bottom. Color to be Red.	\$556.00
3305-0157	Nylon yellow cargo net on sides of speedlay. Covers to have snaps in place of bungees.	\$318.00
3305-0158	Diamond Plate Booster Reel Cover. Includes (1) grab handle and (2) hold downs. Hinge towards the front of the storage pan. Includes partitions located around booster reel.	\$1,592.00
3305-0159	Hosebed cover hold open devices to be thru bolted on side of 3x3 hosebed side extrusions.	\$122.00
3305-0160	Vinyl red utility bed cover with attached rear flap(s). Rear flap will have velcro to attach it to the top cover.	\$904.00
3305-0161	Embossed diamond plate cover over generator fuel tank.	\$0.00
3305-0162	Vinyl flaps for diamond plate crosslay and hose bed covers. Color: [#COL].	\$0.00
3305-0163	Powered (2) piece aluminum hosebed cover with smooth bottom plate. Includes center hosebed divider with notched rear, fill tower(s) access door(s) and handles (as applicable), (2) electric actuators, (2) grab handles forward area of cover with (2) handrails on rearward area of cover. Partition at front of hosebed to cover electric actuators (approx 4" loss in hosebed length). Includes control panel on driver side rear body with (3) momentary switches: (1) master on/off, (1) left cover and (1) right cover.	\$6,340.00
3305-0164	Nylon black cargo net hosebed cover with attached rear flap(s).	\$1,175.00
3305-0165	Aluminum plate rear cover for diamond plate hosebed cover. Drop down with gasket along sides and top. Includes 1/4 turn D-Ring latch. Hose bed aluminum cover shall be provided with an extrusion at rear of cover for door's top gasket to seal against when door is closed. Door to match rear body finish. Note: on HP75/78 SideStacker, when door is open adjacent doors must be closed.	\$527.00
3305-0166	Nylon black strap with aluminum quick-release buckle for hose tray. Strap to attach to side walls of tray down low as applicable. For use with rolled hose. Location: [#LOC].	\$133.00
3305-0167	Vinyl rear cover for diamond plate cover on pre-connect tray. Color: [#COL]	\$101.00
3305-0168	Vinyl [#COL] hose bed cover with side bungee cords without attached rear flap(s). Requires rear cover option.	\$1,120.00
3305-0169	Diamond plate cover for the dunnage pan area. Includes (2) butterfly latches to hold closed. Hinge to the rear of dunnage pan.	\$774.00
3305-0170	Spring hold down for hose tray. Spring to attach to side wall of tray with scuff plate on pump panel. Location: [#LOC].	\$161.00
3305-0171	Diamond plate speedlay cover (3/16" diamond plate). Includes fixed rear portion on rear of module (over backboard storage area, if applicable) and hold-open with grab handles on rearward area.	\$711.00
3305-0172	Diamond plate booster reel cover with open sides for hose deployment.	\$943.00

Option No.	Description	PRICE
3305-0173	Cargo Net for inside R3 compartment for containing cribbing in compartment when door is opened. Net to permanently fasten on rearward wall just inside door opening and fasten with twist locks on forward wall just inside door opening. Cargo netting will be 3"x3" squares. See photo in shop order file.	\$865.00
3305-0174	Single diamond plate cover for the crosslay area. Includes applicable grab handle(s) and (2) hold downs. Cover to be embossed diamond plate.	\$691.00
3305-0175	Vinyl fire retardant [#COL] hose bed cover with attached rear flap(s).	\$1,129.00
3305-0176	Vinyl fire retardant [#COL] side covers for diamond plate crosslay cover.	\$249.00
3305-0177	Vinyl fire retardant [#COL] cover for running board suction tray. Location: [#LOC].	\$249.00
3305-0178	One piece vinyl fire retardent cover for top mount pump panel opening. Top of vinyl fire retardent cover outboard corners to have twist locks with velcro around perimetier. Color to be [#COL].	\$870.00
3305-0179	(2) piece aluminum hosebed cover. Includes divider-less cross structure, fill tower(s) access door(s) and handles (as applicable), (2) gas shocks, positive hold-opens/hold-closed at rear, (2) grab handles on fwd area of cover with (2) handrails on rear of cover. A landing platform (sized and positioned as required with overall rearend configuration) with embossed diamond plate surface will be centrally located at the upper rear of the apparatus to assist with hosebed cover operations.	\$4,127.00
3305-0180	Vinyl [#COL] hose bed cover with side bungee cords and attached rear flap(s). Includes large pull tabs to ease securing cover while wearing gloves.	\$1,372.00
3305-0181	Vinyl [#COL] hosebed cover with side twist locks with Velcro in between the twist locks and bungee cord attached rear flap(s).	\$1,505.00
3305-0182	Hold open retaining pin for aluminum crosslay (single or bi-fold) cover. Locate as required based off options on module.	\$158.00
3305-0183	Vinyl [#COL] crosslay cover with attached side flaps with bungee cord.	\$396.00
3305-0184	Vinyl [#COL] side covers for diamond plate crosslay cover. Includes large pull tabs to ease securing end flaps while wearing gloves.	\$199.00
3305-0185	Nylon red cargo cover for running board suction tray. Location: [#LOC].	\$401.00
3305-0186	Nylon red cargo net on sides for crosslay cover.	\$262.00
3305-0187	Nylon red cargo net at rear of diamond plate or vinyl hose bed cover.	\$623.00
3305-0188	Nylon black strap with footman loops and Velcro closure to secure hose. Location: [#LOC].	\$96.00
3305-0189	The rear flap(s) of the hosebed cover shall be upgraded to add weight to the bottom of the rear vertical flap(s).	\$562.00
3305-0190	(4) piece aluminum hosebed cover. Includes off center hosebed divider located 8" left of center (NOT CENTERED) with notched rear, fill tower(s) access door(s) and handles (as applicable), (4) gas shocks, positive hold-opens/hold-closed at center and at the rear, (6) grab handles- (4) fwd cover and (2) fwd area of rear cover with (2) handrails on rear cover. Includes center bracing between forward and rearward covers for mounting of gas shocks for rearward covers.	\$4,053.00
3305-0191	Vinyl rear cover for diamond plate hose bed cover using California Type 3 straps IPOS. Color: [#COL].	\$428.00
3305-0192	Vinyl rear cover for hose chute(s). Color: [#COL]. Includes large pull tabs to ease securing cover while wearing gloves.	\$281.00
3305-0193	Hold open device(s) shall be provided. Rubber plunger type hold downs(s) shall hold the aluminum crosslay cover(s) (single or bi-fold) in the open position.	\$219.00
3305-0194	Bi-Fold diamond plate cover for the crosslay area. Includes applicable grab handles, (2) hold downs and magnetic door ajar switch(s).	\$1,054.00

Option No.	Description	PRICE
3305-0195	(4) piece aluminum hose bed cover. Includes divider-less cross structure, fill tower(s) access door(s) and handles (as applicable), (2) gas shocks, positive hold-opens/hold-closed at center and at the rear, (6) grab handles- (4) fwd cover and (2) fwd area of rear cover with (2) hand rails on rear cover. A landing platform (10" in depth, the width shall be sized and positioned as required with overall rear end configuration) with embossed diamond plate surface will be centrally located at the upper rear of the apparatus to assist with hose bed cover operations.	\$4,445.00
3305-0196	Diamond plate cover for the dunnage pan area. Includes (2) butterfly latches to hold closed and (1) grab handle mounted between butterfly latches. Hinge to the front of dunnage pan.	\$774.00
3305-0197	Hose bed deflector. The diamond plate deflector shall be bolted in place on the front of hose bed area with an angled top edge to shield rain and wind from the frontal area of the hose bed.	\$534.00
3305-0198	Diamond plate preconnect cover. Cover to attach to preconnect tray mounted on compartment top and protect preconnect discharge(s).	\$437.00
3305-0199	Double diamond plate cover for each outboard hose storage area on the Low Hosebed body. Includes applicable grab handle(s) and (2) hold downs on each cover. Covers to be embossed diamond plate and hinged outboard.	\$1,579.00
3305-0200	Vinyl [#COL] end covers for upper outboard hose storage of the hosebed.	\$199.00
3305-0201	Bi-Fold smooth plate cover for the crosslay area. Includes applicable grab handles and (2) hold downs. The cover to be painted black durabak.	\$1,112.00
3305-0202	(4) Piece aluminum smooth plate with black Scorpion coating (IPOS diamond plate) hosebed cover for use with rear mount body. Includes center hosebed divider with notched rear, fill tower(s) access door(s) and handles (as applicable), (2) gas shocks, positive hold-opens/hold-closed at center and at the rear, (6) grab handles- (4) fwd cover and (2) fwd area of rear cover with (2) handrails on rear cover. A landing platform (sized and positioned as required with overall rear end configuration) with aluminum smooth plate with black Scorpion coating (IPOS diamond plate) surface will be centrally located at the upper rear of the apparatus to assist with hosebed cover operations.	\$4,031.00
3305-0203	Nylon black strap with aluminum quick-release buckle for tailboard hose tray(s). Strap to attach to side walls of tray down low as applicable.	\$122.00
3305-0204	(4) piece aluminum hosebed cover for use with rear mount body. Includes center hosebed divider with notched rear, fill tower(s) access door(s) and handles (as applicable), (2) gas shocks, positive hold-opens/hold-closed at center and at the rear, (6) grab handles- (4) fwd cover and (2) fwd area of rear cover with (2) handrails on rear cover. A landing platform (sized and positioned as required with overall rearend configuration) with embossed diamond plate and gator grip surface will be centrally located at the upper rear of the apparatus to assist with hosebed cover operations.	\$3,575.00
3305-0205	Vinyl [#COL] side covers for diamond plate crosslay cover. Covers to attach to the DP cover with snaps. The lower corners shall be secured in place using California type straps (2) each side IPOS. These straps shall function to allow each strap to be looped around the horizontal crosslay roller on each side as part of the attach system.	\$402.00
3305-0206	Vinyl [#COL] hose bed cover using Nitrogen/Oxygen type straps (2) attach positions each side (4) total to secure the rear flap(s) IPOS. The upper straps shall be sewn in place leaving the ratchet clamp approximately half way or mid height of the rear flap(s). The bottom straps shall be fastened to a strap tie down mounted slightly above the horizontal handrail in line with the sewn in straps above (4) total top and (4) total bottom. The bottom straps shall feed directly above to the ratchet clamps (sewn in) as part of the attach/securing system.	\$1,714.00

Option No.	Description	PRICE
3305-0207	Vinyl [#COL] hose bed cover with side bungee cords for main hose bed storage area. Seperate cover w/snaps and attached rear flap for hose chute(s). Aerial application only.	\$1,257.00
3305-0208	Cargo net for inside compartment for containing cribbing in compartment when door is opened. Net to permanently fasten on rearward wall just inside door opening and fasten with buckle straps on forward wall just inside door opening. Cargo netting will be 3" x 3" squares. Location: [#LOC].	\$865.00
3305-0209	Smooth plate speedlay cover painted gray durabak. Includes fixed rear portion on rear of module (over backboard storage area, if applicable) and hold-open with grab handles on rearward area.	\$871.00
3305-0210	Diamond plate cover for the dunnage pan area. Includes permanently mounted panel under ladder rack and hinged panel over remaining pan. Includes (2) butterfly latches to hold closed to include gas spring(s) as hold open device. Hinge to the rear of dunnage pan.	\$809.00
3305-0211	(2) piece aluminum hosebed cover. Includes center hosebed divider with NO notched rear, fill tower(s) access door(s) and handles (as applicable), (2) gas shocks, positive hold-opens/hold-closed at rear, (2) grab handles on fwd area of cover with (2) handrails on rear of cover.	\$3,855.00
3305-0212	Vinyl fire retardant [#COL] hosebed cover with twist locks fasteners and bungee cord attached rear flap(s). Cover to be partial hosebed cover leaving hosebed walkway area uncovered. To extend full length of the hosebed from roof top compartment on the side to divider against walkway in the middle and to hosebed storage pan rearward mounting flange at the front.	\$1,458.00
3305-0213	(4) Piece aluminum hose bed cover. Includes divider-less cross structure, fill tower(s) access door(s) and handles (as applicable), (2) gas shocks, custom positive hold-open devices at the rear and separate hold closed devices (see photos in file), (6) grab handles- (4) fwd cover and (2) fwd area of rear cover with (2) 18" hand rails on rear cover mounted inboard not to interfere with upper warning lights.	\$4,538.00
3305-0214	Nylon black cargo net at rear of diamond plate or vinyl hose bed cover. Notched for hosebed storage compartment(s) and door(s) as required.	\$589.00
3305-0215	Vinyl [#COL] hose bed cover with attached rear flap(s). Cover to have snaps and velcro along front (NO awning attachment) and velcro along sides. No twist locks.	\$904.00
3305-0216	Cargo Net Cover for R1 lower shelf rearward of partition to hold cribbing in place.	\$508.00
3305-0217	Vinyl [#COL] hosebed cover with attached rear flap(s). Cover to have bungees on sides ipo velcro. Bungee to be easily removed and replaced (by fire department) in field.	\$1,530.00
3305-0218	(4) piece aluminum smooth plate hosebed cover (flat profile with no pitch) painted with Durabak black coating. Includes center hosebed divider with notched rear, notch for boom support, fill tower(s) access door(s) and handles (as applicable), (2) gas shocks, positive hold-opens/hold-closed at center and at the rear, (6) grab handles- (4) fwd cover and (2) fwd area of rear cover with (2) handrails rear of each cover. The enhanced extended landing area(s) will be used to assist with hosebed cover operations. For 50' Teleboom with Enhanced Extended Rescue.	\$7,525.00
3305-0219	(2) piece light weight aluminum hose bed cover. Includes center hose bed divider with notched rear (as applicable), fill tower(s) access door(s) and handles (as applicable), gas shocks, positive hold opens/hold closed at rear, (2) grab handles front and (2) hand rails rear.	\$3,182.00
3305-0220	(2) piece light weight aluminum hose bed cover. Includes dividerless cross structure, fill tower(s) access door(s) and handles (as applicable), (2) gas shocks, positive hold-opens/hold-closed at the rear, (2) grab handles (fwd) and (2) hand rails (rear).	\$3,182.00

Option No.	Description	PRICE
3305-0221	Liftup hinged diamond plate side panels for single diamond plate crosslay cover. Hinged across the top on each end, with gasket around sides and bottom. Includes center grab handle above butterfly latch located at lower center of side panels to hold closed.	\$779.00
3305-0222	Vinyl rear cover for diamond plate hosebed cover. Cover to be attached with bungee cords at all attachment positions. Color: [#COL].	\$399.00
3305-0223	Nylon black cargo net on sides of speedlay. Cover to be attached with bungee cords at all attachment positions.	\$342.00
3305-0224	Nylon cargo net, color: Yellow (PR). (1) at each open end of square transverse tube. Location: rear of L3/R3 Covers to have snaps in place of bungees and permanent fasteners along compartment side wall mounting surface. Approx dimensions of net is 14" wide X 28" high.	\$659.00
3305-0225	Nylon cargo net, color: Yellow. Locate inside of L1/R1 module compartment for containing storage on adjustable shelving on both side of module. Nets to fasten with snaps on edges and permanent fasteners along bottom of shelving edge. Cargo net will be 2x2 square. The bottom of the cargo net shall be permanently attached to the floor on the driver side and attached to the counter top above the R1 compartment on the officer side. The net shall comply with the latest edition of NFPA 1901.	\$1,303.00
3305-0226	The driver and officer side pump panels shall include 3/16" smooth aluminum plate along the bottom of the pump panels. This plate work shall compliment other lower center body plate work to permit vinyl covers (1) each side to be secured in place using twist locks full perimeter. Color shall be: [#COL].	\$762.00
3305-0227	Vinyl fire retardant rear cover for diamond plate hose bed cover. Color: [#COL].	\$308.00
3305-0228	Fire Retardent Vinyl [#COL] side covers for diamond plate crosslay cover.	\$397.00
3305-0229	Access cover for fill tower(s) dealer supplied and installed.	\$0.00
3305-0230	NFPA Crosslay cover to be dealer supplied and installed.	\$0.00
3305-0231	Powered (2) piece aluminum hosebed cover with notch built into the officer side rear corner (to miss monitor are mounted). Includes center hosebed divider with notched rear, fill tower(s) access door(s) and handles (as applicable), (2) electric actuators, (2) grab handles forward area of cover with (2) handrails on rearward area of cover. Partition at front of hosebed to cover electric actuators (approx 4" loss in hosebed length). Includes control panel on left rear of body above taillights with (3) momentary switches: (1) master on/off, (1) left cover and (1) right cover.	\$7,257.00
3305-0232	Speedlay side covers to be dealer/customer provided and installed. Covers to meet current NFPA standard(s) to prevent un-intentional deployment of hose.	\$0.00
3305-0233	Cover for B2 upper storage compartment to be dealer installed/supplied per NFPA.	\$0.00
3305-0234	Powered (2) piece aluminum hose bed cover. Includes center hose bed divider with notched rear, fill tower(s) access door(s) and handles (as applicable), (2) electric actuators, (2) grab handles forward area of cover with (2) hand rails on rearward area of cover. A landing platform (sized and positioned as required with overall rear end configuration) with embossed diamond plate surface will be centrally located at the upper rear of the apparatus to assist with hose bed cover operations. Partition at front of hose bed to cover electric actuators (approx 4" loss in hose bed length). Includes (2) momentary controls - (1) left cover and (1) right cover.	\$6,578.00
3305-0235	Booster Reel Cover. Cover to be .125" diamond plate and shall include hinged lid for top access with 1.5" lip all around, gas shock hold open and (2) butterfly latches, one on each end. A slot shall also be provided with 1.5" diameter stainless steel rollers for hose to fed through. Location: [#LOC].	\$918.00
3305-0236	Vinyl [#COL] hose bed cover with front and side bungee cords and attached rear flap(s). Includes large pull tabs to ease securing cover while wearing gloves.	\$1,372.00

Option No.	Description	PRICE
3305-0237	E-One fabricated enclosure shall be provided for the Haskel Booster Pump. Cover to be .125" diamond plate and shall include hinged lid for top access with 1.5" lip all around and (2) butterfly latches, one on each end. Location: L4 compartment top offset forward.	\$918.00
3305-0238	Vinyl [#COL] hose bed covers with attached rear flaps. Two Seperate covers for bi-level hose bed sides stepped to clear overhead rack assembly.	\$1,085.00
3305-0239	All twist lock, snap, and hook fasteners for crosslay and hosebed cargo nets to be in identical locations so that these covers are interchangeable for these multiple units.	\$0.00
3305-0240	A cover will be located over the Hot Sho theat exchanger in the pan. Cover will have mesh on top to allow for air flow welded to Dia Plate.	\$1,242.00
3305-0241	Bi-fold style diamond plate cover for running board suction tray(s) hinged outboard from pump panels. Includes butterfly latches and gator grip. Location(s): [#LOC].	\$434.00
3305-0242	Bolt-on aluminum cover for the forward end of the driver side storage tunnel. To include mounting bracket mounted to underside of dunnage storage pan and or other module/body components as necessary. Cover to be removable for access to tunnel area.	\$408.00
3305-0243	Vinyl [#COL] crosslay cover with attached side flaps. Includes side snaps.	\$395.00
3305-0244	Cargo net: Black nylon with 2 inch openings, mechanical type hold downs and notch to accommodate pan mounted options if applicable. Locate in upper eMAX forward module roof pan area.	\$1,307.00
3305-0245	Hose bed cover shall be installed on center hosebed only leaving side open bonus storage areas uncovered topside. Nylon black cargo net at rear of diamond plate or vinyl hose bed cover shall be applied to rear of center hosebed only. These outboard areas shall be utilized as misc. equipment storage.	\$0.00
3305-0246	Smooth plate aluminum rear covers for the application of applicable chevrons mounted on the ends of the top outboard hose bed storage areas. Includes vertical hinge each side and a non-locking D-ring latch. Doors to be wired to door ajar circuit. Storage areas to be open to the top and shall be used for misc. equipment to be added/secured as applicable to NFPA by customer/dealer. Not identified to be used as loose hose storage.	\$842.00
3305-0247	Diamond plate vertically hinged door each side of the 2.5" crosslay hinge rearward. Includes thumb latch and wiring for door ajar switch.	\$391.00
3305-0248	(2) piece aluminum hose bed cover. Includes dividerless cross structure, fill tower(s) access door(s) and handles (as applicable), (2) gas shocks, positive hold-opens/hold-closed at the rear, (2) grab handles (fwd), (2) grab handles rear and (2) hand rails (rearend).	\$4,544.00
3305-0249	The mechanical attachments of the side speedlay and rear hosebed covers to be small clip (black) IPO bungees.	\$409.00
3305-0250	Diamond plate speedlay cover painted gray Zolatone. Includes fixed rear portion on rear of module (over backboard storage area, if applicable) and hold-open with grab handles on rearward area.	\$913.00
3305-0251	Powered (2) piece aluminum smooth plate hosebed cover and painted black Durabak. Includes center hose bed divider with notched rear, fill tower(s) access door(s) and handles (as applicable), (2) electric actuators, (2) grab handles forward area of cover with (2) hand rails on rearward area of cover. Partition at front of hose bed to cover electric actuators (approx 4" loss in hose bed length). Includes controls, through VMUX system (if so equipped): (2) momentary controls - (1) left cover and (1) right cover.	\$7,926.00
3305-0252	Nylon black cargo net hosebed cover with side bungee cords and attached rear flap(s). Rear Cover notched for hosebed storage compartment(s) and door(s) as required.	\$1,667.00

Option No.	Description	PRICE
3305-0253	One piece vinyl cover for top mount pump panel opening. Top of vinyl cover outboard corners to have twist locks with velcro around permieter. Color to be [#COL].	\$870.00
3305-0254	Wiring covers in roof top compartments.	\$363.00
3305-0255	Diamonda plate battery box to protect batteries. Cover includes louvers. Locate in hosebed offset to officer side.	\$422.00
3305-0256	Powered (2) piece aluminum hose bed cover. Includes center hose bed divider with notched rear, fill tower(s) access door(s) and handles (as applicable), (2) air operated actuators, (2) grab handles forward area of cover with (2) hand rails on rearward area of cover. Partition at front of hose bed to cover actuators (mounted forward and enclosed). Includes controls through VMUX system: (2) momentary controls - (1) left cover and (1) right cover and switches located on rear wall of L3. Removable safety chains to be provided. (2) Amdor Luma-Bar lights strips provided on the underside of each cover to illuminate the hose bed.	\$6,988.00
3305-0257	(2) lift-up top hatch covers above the pump enclosure, non-skid aluminum treadplate with D-ring latches. Covers hinged outboard and latching in center area, full length and width of upper pump house area.	\$1,185.00
3305-0258	Vinyl front cover for diamond plate cover on pre-connect tray. Color: [#COL]	\$101.00
3305-0259	Nylon black cargo net at rear of diamond plate or vinyl hose bed cover w/(2) aluminum quick release buckles.	\$826.00
3305-0260	Nylon black cargo net end flaps w/(2) aluminum quick release buckles on each side for crosslay cover.	\$588.00
3305-0261	Vinyl rear cover for diamond plate hose bed cover. End flaps to have nylon webbing straps with stainless steel spring buckles and footman loops to secure cover closed. Color: Black	\$518.00
3305-0262	Hosebed cover aluminum (3) piece with recessed handles, SideStacker. Note: This option effects hose bed capacity.	\$2,979.00
3305-0263	Removable diamond plate cover for the crosslay area. Includes applicable grab handles and aluminum fabricated brackets with safety pins for hold downs.	\$927.00
3305-0264	Diamond plate cover for running board suction tray(s). Includes butterfly latches and gator grip. Includes cords to prevent covers from dropping to the ground when removed. Location(s): [#LOC].	\$434.00
3305-0265	Vinyl rear cover for diamond plate hose bed cover. The top of the cover shall be mechanically attached to the rear hose bed cover extrusion with over lapping flaps in the center secured with velcro. The lower portion of the cover shall be secured in place with heavy duty nylon straps. The lower portion fasteners shall be mounted at pick up. Color: Red.	\$411.00
3305-0266	Vinyl crosslay cover. Includes mechanical hold-downs on top outer corners and quick release side flap hold downs. Cover color: Blue.	\$0.00
3305-0267	(4) piece aluminum hose bed cover. Includes divider-less cross structure, fill tower(s) access door(s) and handles (as applicable), (4) 153 lb gas shocks, positive hold-opens/hold-closed at center and at the rear, (6) grab handles- (4) fwd cover and (2) fwd area of rear cover with (2) hand rails on rear cover. A landing platform (10" in depth, the width shall be sized and positioned as required with overall rear end configuration) with embossed diamond plate surface will be centrally located at the upper rear of the apparatus to assist with hose bed cover operations.	\$4,531.00
3305-0268	Diamond plate cover for the dunnage pan area. Includes (2) butterfly latches to hold closed and (2) gas shocks as hold open device. Cover to hinge to the rear of dunnage pan and open a full 90 deg.	\$809.00
3305-0269	Vinyl rear cover for hose chute(s). Color: [#COL].	\$212.00
3305-0270	The reaward hosebed cover flap to be notched for access to the hard suction storage.	\$0.00
3305-0271	Nylon black cargo net end cover, for driver side upper outboard hose storage of the hosebed.	\$151.00
3305-0272	Cargo Net Cover for for poly storage box in L4. Cargo netting will be 2"x2" squares.	\$865.00

Option No.	Description	PRICE
3305-0273	The rearward hosebed cover flap to be notched for access to, or to stop short of, the hard suction and/or hose bed storage box opening.	\$0.00
3305-0274	Vinyl black hose bed cover with attached rear flap, on one side only, to the top of the hose bed storage compartment.	\$904.00
3305-0275	Diamond plate cover for running board suction tray(s). Includes lift & turn latches and stainless steel hinge. Location(s): [#LOC].	\$394.00
3305-0276	Vinyl red crosslay cover top with attached nylon red cargo net on each side of cover.	\$606.00
3305-0277	Vinyl rear cover for diamond plate hose bed cover. Cover shall attach to hard cover optioned and have weighted bottom edge with additional shock cord attaching cords to comply with NFPA current version. Cover shall be split in the center along hard cover center or divider at center of hose bed. D&S custom covers brand NFPA compliant with reflective yellow and red "A" chevrons.	\$905.00
3305-0278	The hose bed center divider/support for the hosebed cover shall be offset to meet the hoseload and/or storage requirements.	\$176.00
3305-0279	Forward crosslay cover to be hinged forward and rear drylay cover to be hinged rearward.	\$0.00
3305-0280	Nylon black strap with aluminum quick-release buckle for hose tray. Location: to be mounted at final inspection. [#LOC].	\$122.00
3305-0281	(4) piece aluminum hose bed cover. Includes center hose bed divider with notched rear, fill tower(s) access door(s) and handles (as applicable), (2) gas shocks, positive hold-opens/hold-closed at center and at the rear, (6) grab handles- (4) fwd cover and (2) fwd area of rear cover with (2) hand rails on rear cover. Requires an Intermediate rear step located at the upper rear of the apparatus to assist with hose bed cover operations.	\$3,255.00
3305-0282	Vinyl black hose bed cover with nylon black strap with footman loops and Velcro closure to secure hosebed cover without attached rear flap(s). Requires rear cover option.	\$1,120.00
3305-0283	Nylon black cargo net at rear of diamond plate or vinyl hosebed cover. Cover to have nylon black strap with footman loops and Velcro closure to secure hosebed end flap.	\$630.00
3305-0284	Diamond plate hose bed deflector. Aluminum tread plate .25 in thick. Located at front of hosebed area with angled front edge. The NFPA hosebed light (as applicable) to be located on trailing edge and provisions added to secure hose bed vinyl cover along forward edge below deflector. Top of shield to extend upwards approx. 5 in. above hose bed top extrusion and approx. 10.5 in. rearward to trailing edge from front of body.	\$320.00
3305-0285	Powered (2) piece aluminum hosebed cover with smooth bottom plate. Includes center hosebed divider with notched rear, fill tower(s) access door(s) and handles (as applicable), (2) electric actuators, (2) grab handles forward area of cover with (2) handrails on rearward area of cover. Partition at front of hosebed to cover electric actuators (approx 4" loss in hosebed length). Includes control panel [#LOC] with (3) momentary switches: (1) master on/off, (1) left cover and (1) right cover.	\$6,340.00
3305-0286	Cover for side ladder tunnel forward end. Cover shall be fabricated from flat smooth plate aluminum and be easily removable for access to the forward end of the ladder tunnel for clean out. Usable only on body configurations where the ladders do NOT extend into pump module.	\$289.00
3305-0287	(4) piece aluminum hosebed cover (flat profile with no pitch). Includes center hosebed divider with notched rear, fill tower(s) access door(s) and handles (as applicable), (2) gas shocks, positive hold-opens/hold-closed at center and at the rear, (6) grab handles- (4) fwd cover and (2) fwd area of rear cover. (2) handrails on back lip of hosebed cover due to overall height restriction. A landing platform (sized and positioned as required with overall rear end configuration) with embossed diamond plate surface will be centrally located at the upper rear of the apparatus to assist with hose bed cover operations.	\$4,774.00

Option No.	Description	PRICE
3305-0288	Booster Reel Cover. Cover to be .125" aluminum and shall include hinged lid for top access with 1.5" lip all around, gas shock hold open and (2) butterfly latches, one on each end. A slot shall also be provided with 1.5" diameter stainless steel rollers for hose to fed through. Finish to be painted job color. Location: [#LOC].	\$918.00
3305-0289	NFPA front and/or side Speedlay covers to be dealer supplied and installed.	\$0.00
3305-0290	Trivantage aluminum hooks (item # 239100) to be used on crosslay and hosebed cover end flaps IPOS stainless steel.	\$0.00
3305-0291	Nylon red cargo net on sides of speedlay.	\$318.00
3305-0292	Removable diamond plate cover for the hydraulic power supply for E-ONE 2 arm ladder rack for use in top side dunnage or storage pan mounting applications. Includes flush access door with thumb latch to inspect or fill hydraulic reservoir. To include NO STEP tags as applicable.	\$392.00
3305-0293	(2) piece aluminum smooth platehose bed cover and painted black Durabak.. Includes dividerless cross structure, fill tower(s) access door(s) and handles (as applicable), (2) gas shocks, positive hold-opens/hold-closed at the rear, (2) grab handles (fwd) and (2) hand rails (rear).	\$5,556.00
3305-0294	Vinyl red cover for fire extinguisher box. Cover to attach to the shelf lip with snaps. The lower corners to have bungee cords.	\$325.00
3305-0295	NFPA Hosebed cover rear end flap to be dealer supplied and installed.	\$0.00
3305-0296	(2) piece aluminum hose bed cover and painted black Durabak with smooth bottom plate. Includes center hose bed divider with notched rear (as applicable), fill tower(s) door(s) and handles (as applicable), gas shocks, positive hold opens/hold closed at rear, (2) grab handles front and (2) hand rails rear.	\$4,193.00
3305-0297	Crosslay cover to be a diamond plate three (3) piece cover. Forward and middle covers w/center section below aerial fixed with hinged outside panels above swivel connections. Full width hinged cover over rearward dry lay storage area (hinged forward). Includes applicable grab handles and (4) hold downs.	\$1,882.00
3305-0298	Nylon black strap with aluminum quick release buckle for rear bumper hose tray. Strap to attach to front and rear walls of tray down low as applicable. Location: rear step.	\$122.00
3305-0299	Insulated vinyl red pump panel cover with bungee fasteners.	\$616.00
3305-0300	Nylon black cargo net on sides for crosslay cover. Note: Side flaps are to be interchangeable from side to side.	\$338.00
3305-0301	Red vinyl cover with snap fasteners for bumper tray officer side.	\$258.00
3305-0302	LINE-X package for Pump Module top cover(s): Includes exterior surfaces only on all crosslay/speedlay cover(s) and top surface of backboard storage and deck gun channel as applicable.	\$210.00
3305-0303	LINE-X package for aluminum hosebed cover(s): Includes exterior surfaces only on hosebed cover(s) including fabricated hold opens and access door(s) for fill towers, etc as applicable. Also includes the rear intermediate step/platform under the hosebed.	\$1,739.00
3305-0304	Crosslay cover to be a diamond plate three (3) piece cover. Forward crosslay cover (hinged forward) and second crosslay cover (hinged rearward) are each a two piece cover which includes a separate cover for access to swivel connections when the aerial is bedded. One piece cover over rearward dry lay storage area (hinged forward). Includes applicable grab handles and (6) butterfly latches.	\$1,882.00
3305-0305	Vinyl [#COL] hose bed cover with attached rear flap(s). End flap(s) to have nylon webbing straps with stainless steel spring buckles and footman loops to secure cover closed.	\$950.00
3305-0306	Vinyl Black hosebed cover with twist locks fasteners and nylon strap attached rear flap(s).	\$949.00

Option No.	Description	PRICE
3305-0307	Vinyl [#COL] hose bed cover with attached rear flap(s). Cover to have snaps and velcro along front (NO awning attachment) and velcro along sides. Rear of cover to be attached with snaps (no bungee).	\$904.00
3305-0308	R.O.M. power hose bed cover to be supplied with NFPA compliant walk surface option.	\$232.00
3305-0309	Vinyl rear cover for ROM power hose bed cover. Color: Black	\$462.00
3305-0310	The mechanical attachments of the side crosslays and rear hosebed covers to be small clip (black) IPO bungees.	\$409.00
3305-0311	Vinyl [#COL] hose bed cover with side bungee cords and attached rear flap(s). Cover to accommodate main hose bed and side auxiliary hose bed above ladder tunnel. Top of cover to be one piece and rear cover to be one piece with two flaps to cover each storage area.	\$1,659.00
3305-0312	Smooth plate rear cover for vinyl hosebed cover. Cover to have horizontally hinged door (wired to door ajar) w/push-button latch and painted job color.	\$606.00
3305-0313	Access door. One (1) lift-up roof top access door shall be provided on the body roof above the reel(s). The access & door shall be sized to best accommodate reel access & minor service. The door shall be provided with a non-locking latch, hold open device and a door activated compartment light shall be included, wired to the door ajar indicator in the cab. Construction shall be aluminum treadplate. In the case where (2) reels are located side by side within (1) compartment the door shall be sized to accommodate access to both reels.	\$988.00
3305-0314	Nylon black cargo net crosslay cover with attached side flaps.	\$434.00
3305-0315	Bi-Fold diamond plate cover w/notch to clear waterway for the crosslay area. Includes applicable grab handles and (2) hold downs. Non-aerial applications to be tagged as a non-stepping surface. Notch is to allow cover to open while aerial is nested.	\$964.00
3305-0316	Embossed diamond plate cover at top of body over Generator/APU. Includes hinged access door and sliding door over vent and baffle around radiator to prevent re-circulation. Generator's radiator air flow directed into pump module for heating pump/plumbing during cool climate and redirected out during warm climate.	\$1,995.00
3305-0317	Vinyl [#COL] hose bed cover with attached rear flap(s). Rear face of body to have twist locks to hold down rear flap(s).	\$904.00
3305-0318	Two (2) piece aluminum hosebed cover. The rear section shall slide over the forward section on tracks and rollers. When rolled open, the two sections shall lift upward on a forward mounted stainless steel piano hinge to assist in loading hose. Includes appropriate handrails per NFPA guidelines.	\$3,729.00
3305-0319	D&S brand vinyl hose bed cover with removable attached rear flap(s). Top cover to be heavy duty red vinyl with shock cord attaching system and rear nylon buckles with straps to attach rear flap. Rear flap to be matching heavy duty red vinyl with shock cords and mating buckles. Rear flap to feature weighted bottom skirting and have Yellow reflective letters centered "WEMA" as large as possible with weighted bottom per application.	\$1,398.00
3305-0321	The mechanical attachments of the side crosslay covers to be small clip (black) IPO bungees.	\$409.00
3305-0322	Vinyl Black crosslay cover with attached side flaps. Includes side twist locks (ilo snaps).	\$395.00
3305-0323	Vinyl cover for hose bed area. Includes lateral support bows across the hose bed area to minimize cover sag. The front edge of the cover shall be mechanically attached to the body. The sides of the cover shall be held in place with heavy duty Velcro strips running the length of the hose bed. The rear of the cover shall have an integral flap secured with straps. Color to be [#COL]	\$1,438.00
3305-0324	D&S Custom Covers brand vinyl hose bed cover with removable attached rear flap(s). Top cover to be heavy duty black vinyl with shock cord attaching system and rear nylon buckles with straps to attach rear flap. Rear flap to feature weighted bottom skirting.	\$1,398.00

Option No.	Description	PRICE
3305-0327	Hose chute access door at rear of body. Diamond plate vertically hinged door, hinged on officer side of hosebed chute for door to swing outboard. Includes push-button latches and hinges that hold door in open position. Note door to work in conjunction with hose bed cover. Wired to door ajar. Aerial application only.	\$634.00
3305-0328	Vinyl [#COL] upper storage area cover(s) without attached rear flap(s). If storage area is partitioned, then two separate top covers shall be provided. Requires rear cover/door option.	\$318.00
3305-0329	Cargo net, black, 2"x2" squares with buckles. Locate: R4. Net to be permanently fasten on aft compartment wall just inside door opening and spans forward to closest partition.	\$865.00
3305-0330	(2) piece aluminum hose bed cover for officer side of hosebed. Includes hose bed divider, fill tower(s) access door(s) and handles (as applicable), (1) gas shocks, positive hold-opens/hold-closed at center and at the rear, (3) grab handles- (2) fwd cover and (1) fwd area of rear cover with (1) hand rail on rear cover. A full width landing platform (sized and positioned as required with overall rear end configuration) with embossed diamond plate surface will be centrally located at the upper rear of the apparatus to assist with hose bed cover operations.	\$2,572.00
3305-0331	Single diamond plate cover for the crosslay area. Includes (2) hold downs. NO grab handle(s) on cover.	\$628.00
3305-0332	Vinyl red flap for ladder tunnel opening at rear of body with twist lock fasteners.	\$342.00
3305-0333	(2) lift-up top hatch covers above the pump enclosure, non-skid aluminum treadplate with double D-ring latches in each door. Covers hinged outboard and latching in center area, full length and width of upper pump house area.	\$1,232.00
3305-0334	Vinyl [#COL] hose bed cover with attached rear flap(s) with straps and 1in. Delrin buckles.	\$955.00
3305-0335	Vinyl [#COL] speed lay side covers with 1 inch Delrin buckles.	\$253.00
3305-0336	Cargo Net Cover for B1 compartment. Cargo netting will be 2" x 2" squares and black in color. The bottom edge of the cover shall be mechanically attached to the body. The top and sides of the cover shall be held in place with nylon covered elastic synthetic rubber cord with stainless steel hooks.	\$664.00
3305-0337	Diamond plate cover for forward dunnage area above the speedlays. Includes applicable grab handle(s), gas spring hold opens and latching hold downs. Cover to be embossed diamond plate and hinged forward. Cover to be wired to door ajar.	\$848.00
3305-0338	(2) lift-up top hatch covers above the pump enclosure, non-skid aluminum treadplate with double D-ring latches in each door. Covers hinged forward and latching at rear area, full length and width of upper pump house area.	\$1,232.00
3305-0339	Vinyl red crosslay cover top with attached nylon black cargo net on each side of cover. Vinyl cover to be attached with twist locks only (No snaps).	\$606.00
3305-0341	Powered (2) piece aluminum hosebed cover with smooth bottom plate. Includes center hosebed divider with notched rear, fill tower(s) access door(s) and handles (as applicable), (2) electric actuators, (4) recessed handles, (2) forward and (2) rearward area of cover with (2) handrails on trailing edge of cover. Partition at front of hosebed to cover electric actuators (approx 4" loss in hosebed length). Includes control panel [#LOC] with (3) momentary switches: (1) master on/off, (1) left cover and (1) right cover.	\$6,752.00
3305-0342	Vinyl rear cover for diamond plate hose bed cover. End flaps to have nylon webbing straps with aluminum quick release buckles and footman loops to secure cover closed and weighted lower bottom. Color: Red	\$768.00
3305-0343	Center hosebed aluminum/vinyl cover without center divider. Includes (2) piece aluminum diamond plate cover from the front of the hosebed back to just ahead of the "V" deflector, vinyl covers between the rear of the dia plt covers and the forward ends of the hose chutes, fill tower access door(s), gas shocks, positive hold opens/hold closed at rear, (2) frt grab handles and (2) rear grab handles. Note: Cover to be level, no pitch. Aerial Application only.	\$4,063.00

Option No.	Description	PRICE
3305-0344	Vinyl [#COL] side covers for diamond plate crosslay cover. Cover will have metal loops on vertical extrusion and velcro tiedowns. (See photo in folder)	\$512.00
3305-0345	Nylon black strap with aluminum quick-release buckle for hose tray. Strap to attach to side walls of tray as high as applicable. Location: [#LOC].	\$122.00
3305-0346	Nylon black cargo net w/(2) pull straps and aluminum quick release buckles on each side for crosslay cover. Cargo net end flaps to be fasten at the front of the crosslay with twist locks and at the rear with the female portion of buckle at top and bottom corners. Includes (2) 2" aluminum quick release buckles (female end) to be attached at top and bottom of the cargo net on the rear of the crosslay opening to hold cargo net in place with the male portion attached to the module. Orange 1" nylon pull strap to be attached to the paddle to release for quick drop down access. Note pull straps to be attached to the crosslay with approx 5" hand loop at end and velcro on the back to hold in place during travel.	\$588.00
3305-0347	Booster Reel Cover. Cover to be .125" (or thicker) smooth aluminum plate and shall be installed around the booster reel below the chassis frame rails to help protect the reel from road debris. Finish to be painted to match chassis frame rails.	\$918.00
3305-0348	TM control panel black vinyl cover. Includes upper twist locks and velcro front, side and bungee cords on bottom.	\$418.00
3305-0349	Trivantage aluminum hooks (item # 239100) to be used on top mount cover bottom flap IPOS stainless steel.	\$0.00
3305-0350	D&S brand heavy duty [#COL] vinyl cover for running board suction tray. Location: [#LOC].	\$401.00
3305-0351	D&S Custom Covers brand heavy duty [#COL] vinyl cover on sides for cross lay cover with shock cord attaching system. One pair of covers.	\$363.00
3305-0352	D&S brand 22 oz heavy duty [#COL] vinyl hose bed cover with attached vinyl rear flap. Top cover fastened at the front and both sides using patented shock cord system. Rear flap with weighted end attached with nylon buckles at bottom and attached to the top cover using a zipper.	\$1,343.00
3305-0353	Heavy duty black nylon cargo netting with airline style quick release buckles shall be installed at the rear apparatus hose bed.	\$789.00
3305-0354	A heavy duty black nylon strap (EACH) with an airline style aluminum quick release buckle shall be provided for hose retention inside crosslay/speedlay as applicable. The strap shall be attached by looping beneath slats or drainage slots as applicable, beneath respective hose storage areas.	\$168.00
3305-0355	Heavy duty black nylon cargo netting with airline style quick release buckles shall be installed on either side of the crosslay/speedlay hose storage areas.	\$435.00
3305-0357	A heavy duty black nylon strap (EACH) with an airline style aluminum quick release buckle shall be provided for hosebed hose retention. The strap shall be attached by looping beneath hosebed extrusions and beneath respective hose storage areas.	\$252.00
3305-0358	Diamond plate cover for driver side outboard hose storage area on the Low Hosebed body. Includes applicable grab handle(s) and (2) hold downs. Cover to be embossed diamond plate and hinged outboard. Cover to be wired to door ajar.	\$791.00
3305-0359	(1) piece aluminum hose bed cover. Includes fill tower(s) access door(s) and handles (as applicable), (1) gas shock, positive hold-open/hold-closed at the rear, (1) grab handle (fwd) and (1) hand rail (rear).	\$3,002.00
3305-0360	Embossed diamond plate (No gator grip) cover for running board suction tray(s). Includes push-button latches. Cover shall prevent water intrusion in the tray. Location(s): [#LOC].	\$433.00

Option No.	Description	PRICE
3305-0361	Diamond plate hosebed deflector 12" long located at front of hosebed area. Leading edge to be tapered, hinged along forward edge with stainless steel piano hinge, fastened with quarter turn latches. Includes a black vinyl hose bed cover attached to trailing edge of the deflector using Velcro and extending to the rear of the hose bed secured with side Velcro attachment. Rear of hose bed has cargo net secured to drivers side and quick release buckles on officer side.	\$2,554.00
3305-0362	Nylon black strap with aluminum quick-release buckle for officer side hose tray. Strap to attach to TOP of tray.	\$122.00
3305-0363	Vinyl rear cover for ROM power hose bed cover. Color: Red	\$462.00
3305-0364	Vinyl red cover for fire extinguisher box. Cover to attach with snaps. The lower corners to have bungee cords.	\$325.00
3305-0365	Two (2) piece aluminum hosebed cover.The rear section shall roll over the forward section on tracks and rollers. When rolled open, the two sections shall lift upward on a forward mounted stainless steel piano hinge to assist in loading hose. Includes appropriate handrails per NFPA guidelines.	\$3,729.00
3305-0366	Diamond Plate Storage Pan Cover. Includes (1) grab handle and (2) Tri-Mark latches. Hinge to the front of the storage pan.	\$1,199.00
3305-0367	Black vinyl speedlay cover. Includes (2)single piece covers(1 each side). The cover to be attached at the bottom with slide and pull-down bungees at the top.	\$588.00
3305-0368	A chrome handle will be attached to each side of the diamond plate cover in addition to the standard handles, centered front to rear on top outboard.	\$246.00
3305-0369	Diamond plate hosebed deflector 18" long located at front of hosebed area. Leading edge to be tapered, hinged along forward edge with stainless steel piano hinge, fastened with quarter turn latches. Includes a black vinyl hose bed cover attached to trailing edge of the deflector using Velcro and extending to the rear of the hose bed secured with side Velcro attachment. Rear of hose bed has cargo net secured to drivers side and quick release buckles on officer side.	\$2,554.00
3305-0370	Vinyl black hose bed cover with attached rear flap(s). Rear flap to feature weighted bottom skirting.	\$1,079.00
3305-0372	Cover for front headboard opening. Cover to be diamond plate with butterfly latches.	\$381.00
3305-0373	D&S brand 22 oz heavy duty [#COL] vinyl hosebed rear flap. For use with aluminum hosebed cover (added seperately). Rear flap with weighted end attached with nylon buckles at bottom and attached to the top cover using a zipper.	\$694.00

3310-0081	Jack leg opening cover diamond plate (4). Includes diamond plate outrigger cover and diamond plate filler panel.	\$875.00
3310-0082	Wall at rear of upper open storage area bolt-in 3/16 Dia Plt. with diamonds facing rear. May require notching for lift cylinder clearance if applicable.	\$396.00
3310-0083	Rear double beavertail handrails (outer handrail only) to be extended up and wrap up over top of body approx 10".	\$220.00
3310-0084	All tags on body to be mechanically attached with S/S screws and nuts.	\$847.00
3310-0085	Compartment at right rear of body for storage of tethered horn control. Locate above pike pole compartment.	\$390.00

Option No.	Description	PRICE
3310-0086	Label package for Memphis aerial - Includes the following: Labeling of items behind removable / hinged panels (including relays); Labels on driver and officer seat risers stating: "NO ELECTRICAL COMPONENTS INSTALLED IN THIS AREA"; Label on electrical cover at center of dash stating: PC BOARD, LOAD MANAGER & FUSE FOR RADIO BEHIND THIS ACCESS COVER"; Special cab tilt tags to read: "CHECK LOOSE ITEMS IN CAB. CHECK QUARTZ LIGHTS AND MOVE AERIAL BEFORE TILTING CAB (if equipped). THIS IS A TWO PERSON OPERATION" located on cab tilt door and on officer's side dash; Tag in cab listing front GAWR, rear GAWR and total GVWR; Tag in cab listing OAL, OAH and OAW; Tag next to hyd oil fill stating: HYDRAULIC OIL"; Tags on rear wall next to each light and driver's side dash stating: "LOWER POLE COMPLETELY DOWN PRIOR TO TILTING CAB" (if equipped). Tags to be mechanically fastened.	\$1,514.00
3310-0087	Boxed out rear ladder tunnel doors. Vertically hinged diamond plate with lowered D-rings and gas shocks. Includes recess above doors for directional light.	\$1,743.00
3310-0088	Body module for Snozzle boom.	\$7,431.00
3310-0089	Compartments officer side CR100/95 platform SideStacker with 300g tank. Includes rescue style extended height compartments ahead of wheel well with extended hosebed and optional R3 compartment above forward tandem.	\$32,585.00
3310-0090	Hose bed depth 18" HP75 / HP78 SideStacker. Will hold up to 1200' of 5" LDH. Capacity will be reduced with diamond plate covers.	\$0.00
3310-0091	Hosebed depth 20" HP75 / HP78 SideStacker. Will hold up to 1400' of 5" LDH. Capacity will be reduced with diamond plate covers.	\$0.00
3310-0092	Hosebed depth 21" HP75 / HP78 SideStacker. Will hold up to 1450' of 5" LDH. Capacity will be reduced with diamond plate covers.	\$0.00
3310-0093	Hose bed depth 16" HP75 / HP78 SideStacker. Will hold up to 1100' of 5" LDH. Capacity will be reduced with diamond plate covers.	\$0.00
3310-0094	Hosebed depth 19" HP75 / HP78 SideStacker. Will hold up to 1300' of 5" LDH. Capacity will be reduced with diamond plate covers.	\$0.00
3310-0095	Rear ladder tunnel doors. Vertically hinged diamond plate with slam latch style d-ring assemblies.	\$806.00
3310-0096	Doors for rear master and jack control controls. Doors will match rear body finish.	\$421.00
3310-0097	Hose bed depth 26" HP75 / HP78 SideStacker with tall R1. Will hold up to 800' of 5" LDH and up to 300-400' of 2.5 or 3" DJ. Capacity will be reduced with optional diamond plate covers.	\$0.00
3310-0098	Step fold-down (EA). Location: [#LOC].	\$976.00
3310-0099	Jack leg covers painted job color. Includes (2) painted extension covers and (2) painted fixed covers.	\$1,750.00
3310-0100	Enclosed pump panels. Upper door opening stepped up to allow crosslays to be accessed from inside compartment. Includes hinged diamond plate crosslay cover.	\$8,846.00
3310-0101	Smooth plate fixed panels rear of tandem axle painted job color.	\$197.00
3310-0102	Recessed storage for (6) pike poles. Includes box at upper left rear of body for (2) D-handled 6' poles, (1) recessed tube on the left side below 6' poles for a 12' pole, and (3) recessed tubes below right side hose chute for (2) 10' poles and (1) 12' pole. For use with center HB 4-jack aerial body with sgl chute.	\$1,622.00
3310-0103	Crosslay single w/dry lay. Includes (1) dbl stack for 200' of 2.0" DJ in forward lay and (1) 20" wide dry lay for up to 400' of 2.5" DJ. Includes storage pan to rear of crosslays.	\$3,823.00
3310-0104	Crosslay double, forward lay 7.5" w x 18" d to hold up to 400' of 2" DJ. Rearward lay 9.25" w x 18" d to hold 350' of 2.5" DJ. Midmount only.	\$2,835.00
3310-0105	Crosslay double w/dry lay. Includes (2) 4.25" wide single stack crosslays to hold up to 200' of 2.0" DJ (each) and (1) 5.5" wide dry lay for up to 200' of 2.5" DJ. Includes storage pan to rear of crosslays.	\$3,823.00
3310-0106	Rear ladder tunnel doors. Horizontally hinged drop down diamond plate.	\$730.00

Option No.	Description	PRICE
3310-0107	Transverse compartment floor to be extended out to door opening in L1/R1.	\$878.00
3310-0108	Pan shallow for generator. Locate at front of open storage area.	\$666.00
3310-0109	Auxiliary jack pad 24X24 (4) with side mounted handles. Includes mounting brackets that are bolted to body.	\$2,875.00
3310-0110	Boxed out rear ladder tunnel doors. Horizontally hinged diamond plate (drop down).	\$1,147.00
3310-0111	Recessed tubes for (4) pike poles. Not available on HP75 SideStacker.	\$541.00
3310-0112	Body module for Snozzle boom. Side panels / doors to be smooth painted plate.	\$8,728.00
3310-0113	Upper body side panels to be smooth plate painted job color IPO D.P.	\$792.00
3310-0114	Crosslay triple (2) 5.5" wide single stack to hold up to 200' of 2.0" DJ or 150'-200' 2.5" DJ (each) and (1) 11" wide double stack for up to 300' of 3.0" DJ. Includes storage pan to rear of crosslays.	\$3,823.00
3310-0115	Jack leg covers polished stainless steel. Includes (2) polished stainless steel extension covers and (2) painted fixed covers.	\$1,918.00
3310-0116	Transverse compartment floor to be extended out to approx 4" from inside of door opening in L1.	\$583.00
3310-0117	Pikepole/backboard storage. Available on HP75/78 SideStacker only. The access door to match the rear body finish.	\$675.00
3310-0118	Crosslay triple w/dry lay. Includes (2) 5.5" wide single stack crosslays to hold up to 200' of 2.0" DJ (each), (1) 6" wide single stack crosslay to hold up to 150'-200' 2.5" DJ and (1) 6" wide dry lay for up to 150-200' of 3.0" DJ. Includes storage pan to rear of crosslays if applicable.	\$4,829.00
3310-0119	Auxiliary jack pad 24X24x1.5 poly (4) with textured finish and rope handles. Includes mounting brackets (welded on).	\$3,273.00
3310-0120	Transverse compartment floor to be extended out to door opening in R1.	\$440.00
3310-0121	Body module for 50' Mid-mount boom. 100" wide. Includes left side staircase and provision for aerial control panel.	\$8,060.00
3310-0122	Hosebed depth 23" HP75 / HP78 SideStacker. Will hold up to 1600' of 5" LDH. Capacity will be reduced with diamond plate covers.	\$0.00
3310-0123	Crosslay double w/dry lay. Includes (2) 5.5" wide single stack crosslays to hold up to 200' of 2.0" DJ or 150'-200' 2.5" DJ (each) and (1) 5.5" wide dry lay for up to 150-200' of 2.5" DJ. Includes storage pan to rear of crosslays.	\$3,823.00
3310-0124	Raised lip 3" high 3/16" dia plt on each end of center raised transverse compartment floor. Loc: L4/R4.	\$416.00
3310-0125	Recessed tubes for (4) pike poles. Tubes to be for (2) 8' and (2) 10' poles.	\$541.00
3310-0126	Storage compartment on top of body. Box to be dia plt approx 90L x 10H x 16W with lift-up door on outboard side of box. Locate over L4/L5/L6 and R4/R5/R6.	\$1,846.00
3310-0127	Crosslay quad w/dry lay. Includes (3) 5.5" wide single stack crosslays to hold up to 200' of 2.0" DJ or 150'-200' 2.5" DJ (each) and (1) 6" wide dry lay for up to 150-200' of 3.0" DJ. Includes storage pan to rear of crosslays if applicable.	\$4,829.00
3310-0128	Pike pole/Ladder storage. Available on HP75/78 SideStacker with tall R1 & HM100/110 SideStacker only. The access door to match the rear body finish.	\$675.00
3310-0129	Crosslay triple to hold 400' of 1.75" DJ (each) in two forward lays and up to 300' of 2.5" DJ in rear lay. Includes storage pan to rear of crosslays (if applicable).	\$3,823.00
3310-0130	Crosslay quad with (2) 4.25" wide single stack to hold up to 200' of 2.0" DJ (each) and (2) 5.5" wide to hold up to 150'-200' 2.5" DJ (each). Includes storage pan to rear of crosslays	\$4,829.00
3310-0131	Upper storage box w/hinged cover (PR). Boxes to be dia plt approx 20" wide x 72" long x 11" deep. Lid to be hinged on outboard side with a gas spring hold-open and chrome grab handle offset to the rear. Left side compt to have a full length divider centered side to side. Locate on top of the body between the upper transverse compartments and the turntable.	\$3,381.00

Option No.	Description	PRICE
3310-0132	Hose storage box w/hinged cover. Box to be dia plt approx 18" wide x 64" long x 8" deep. Lid to be hinged on outboard side with a gas spring hold-open and chrome grab handle. Floor to have extruded alum slats. Locate on top of body left side offset forward.	\$1,191.00
3310-0133	Storage boxes above officer side recessed side mount ladder offset rearward. Provide (3) diamond plate storage boxes with drop down doors and D-ring latches. Two rearward boxes to be approx 80" wide each with remaining space for third box.	\$2,697.00
3310-0134	Rear ladder tunnel doors. Vertically hinged diamond plate. Doors to hinge on outboard sides and latch in the middle. D-ring to be on right hand "primary" door.	\$730.00
3310-0135	Recessed tubes for (6) 16' pike poles. Tubes to have locking slots to hold poles in compt IPO doors.	\$947.00
3310-0136	Compartments officer side tandem axle HM100/110 SideStacker with 300 gallon tank. Includes rescue style extended height compartments ahead of wheel well, compartment over forward tandem and extended hosebed.	\$33,582.00
3310-0137	Compartments driver side tandem axle HM100/110 SideStacker with 300 gallon tank. Includes rescue style extended height compartments.	\$44,484.00
3310-0138	Crosslay double (2) 4.25" wide single stack to hold up to 200' of 2.0" DJ (each). Includes storage pan to rear of crosslays	\$2,818.00
3310-0139	Pikepole/Ladder storage. Holds (4) pike poles and (1) 10' attic with shoes. Available on rear mount platform only. The access doors to match the rear body finish.	\$1,204.00
3310-0140	Crosslay double (1) 7.5" wide double stack to hold up to 400' of 2.0" DJ and (1) 10.5" wide to hold 300'-400' of 2.5" DJ. Includes storage pan to rear of crosslays.	\$3,303.00
3310-0141	Body wheelwell compartments (4). Driver side forward, driver side rearward and officer side rearward approx 24" W x 6" H x 26" D. Officer side forward approx 48" W x 6" H x 26" D. All with drop down doors. Door material to match wheelwell finish. N/A with 8 SCBA tubes (6 max).	\$2,388.00
3310-0142	Compartments officer side CR100/95 platform SideStacker with 500g tank. Includes rescue style extended height compartments ahead of wheel well with extended hosebed and optional R3 compartment above forward tandem.	\$32,585.00
3310-0143	Auxiliary jack pad 24X24 (PR) with handle welded to top surface of pad. Includes mounting brackets.	\$1,225.00
3310-0144	Rear ladder tunnel doors. Vertically hinged smooth plate aluminum. Doors to hinge on outboard sides and latch in the middle. D-ring to be on right hand "primary" door.	\$730.00
3310-0145	Storage boxes above officer side recessed side mount ladder offset rearward. Provide (2) diamond plate storage boxes with drop down doors and D-ring latches. Boxes to be approx 93" wide each.	\$2,650.00
3310-0146	Auxiliary jack pad 24X24 (PR) with side mounted handle. Includes mounting brackets. Driver side mounted below L1, officer below RSBM. Mid mount boom only.	\$1,225.00
3310-0147	Compartments officer side HP100 SideStacker 3" lowered body with 450g tank. Includes rescue style extended height compartments ahead of wheel well with extended hosebed and optional R3 compartment above forward tandem.	\$35,757.00
3310-0148	Compartments driver side tandem axle HP SideStacker 3" lowered body with 450g tank. Includes rescue style extended height compartments.	\$46,781.00
3310-0149	Fixed diamond plate cover at front of hosebed approx 24" long.	\$601.00
3310-0150	Nozzle/Hose holder with aluminum plate bottom and upright pipe. Location: Hosebed chute tray.	\$448.00
3310-0151	Crosslay triple 7.5w x 23d (to 3x3) to hold up to 400' of 2.0" DJ (each). Includes storage pan to rear of crosslays (if applicable).	\$4,307.00
3310-0152	Crosslay dry storage. Includes 20"W storage area and storage pan to rear of crosslay.	\$3,823.00

Option No.	Description	PRICE
3310-0153	Hose storage box w/hinged cover. Box to be dia plt approx 18" wide x 64" long x 8" deep. Lid to be hinged on outboard side with a gas spring hold-open and chrome grab handle. Floor to have extruded alum slats. Locate on top of body right side offset forward.	\$1,191.00
3310-0154	Recessed tubes for (8) pike poles. Tubes to be sized for (2) 6', (2) 8', (2) 10', and (2) 12' poles.	\$899.00
3310-0155	Body wheelwell compartments (2) above forward tandem approx 24" W x 6" H x 26" D with drop down doors. Door material to match wheelwell finish.	\$826.00
3310-0156	Single pan diamond plate door with return bends. Location: B1 and B2.	\$0.00
3310-0157	(8) pike pole style tubes to provide storage for brooms, shovels etc. Assembly located in L1/R1 bolted to bottom of transverse shelf. Tubes to be spaced down 2" and recessed in from inside of door opening by 10" on each side. Includes warning label (569518) on each side of compartment.	\$899.00
3310-0158	Recessed tubes for (6) 12' pike poles. Tubes to have locking slots to hold poles in compt.	\$830.00
3310-0159	Side intake panels Zolatone black. HP95MM no tank/pump only.	\$339.00
3310-0160	Crosslay triple w/dry lay. All to be 31" deep (to 3x3) with approx 28" high dividers. Includes (2) 4.25" wide single stack crosslays to hold 200' of 1.75" DJ (each), (1) 5.5" wide single stack crosslays to hold 200' of 2.5" DJ and (1) 5.5" wide dry lay for 200' of 2.5" DJ. Includes storage pan to rear of crosslays if applicable.	\$5,313.00
3310-0161	Jack leg opening covers diamond plate (2) sets. Includes diamond plate outrigger covers and fixed diamond plate filler panels.	\$0.00
3310-0162	Jack leg opening covers diamond plate (4) sets. Includes diamond plate outrigger covers and fixed diamond plate filler panels. HM100/110 requires surface mount warning lights.	\$0.00
3310-0163	Rear ladder tunnel door. Smooth plate lift up door to open 20 degrees past horizontal. Door will be painted.	\$964.00
3310-0164	Compartments driver side tandem axle HM100/110 SideStacker with 500 gallon tank. Includes rescue style extended height compartments (L1-L3).	\$45,058.00
3310-0165	Compartments officer side tandem axle HM100/110 SideStacker with 500 gallon tank. Includes rescue style extended height compartments ahead of wheel well, compartment over forward tandem (extended height) and extended hosebed.	\$34,157.00
3310-0166	Crosslay quad with (3) 4.25" wide single stack to hold up to 200' of 2.0" DJ (each) and (1) 5.5" wide to hold up to 150'-200' 2.5" DJ. Includes storage pan to rear of crosslays.	\$4,829.00
3310-0167	Fixed diamond plate cover at front of hosebed approx 12" long.	\$601.00
3310-0168	Crosslay triple 28" deep (to 3x3). Includes (2) 4.25" wide single stack to hold up to 250' of 1.75" DJ(each) and (1) 8.75" wide dbl stack to hold 500' of 1.75" DJ. Includes storage pan to rear of crosslays.	\$5,140.00
3310-0169	Pikepole/Ladder storage. Holds (2)6' APH6, (2)8' APH8, (2)12' APH12 Fire Hooks Unlimited Inc. pike poles and (1) FL-10 attic ladder. Available on HP75 SideStacker only. The access door to match the rear body finish.	\$675.00
3310-0170	Crosslay Quad (3) 4.25" wide single stack to hold up to 200' of 2.0" DJ each and (1) 10.5 wide double stack to hold up to 300' of 2.5" DJ. Includes storage pan to rear of crosslays.	\$5,096.00
3310-0171	Crosslay quad with (2) 4.25" wide single stack to hold up to 200' of 2.0" DJ (each), (1) 5.5" wide to hold up to 150'-200' 2.5" DJ and (1) 10.25" wide dry lay for up to 300' of 2.5" DJ.. Includes storage pan to rear of crosslays if applicable.	\$4,829.00
3310-0172	Diamond plate trim plate at top of SideStacker hosebed to simulate compartment top.	\$279.00
3310-0173	Fuel fill door at rear of body. Finish to match rear of body.	\$297.00
3310-0174	Provide gas shock for rear ladder tunnel doors at rear of body. To keep doors open when ladders are being deployed.	\$183.00

Option No.	Description	PRICE
3310-0175	Body wheelwell compartments (4) approx 26" W x 5" H x maximum depth permissible without interference with hydraulic line(s) reservoir(s) etc. A gasketed drop down door shall be installed on each compartment. Door material to match wheelwell finish.	\$1,878.00
3310-0176	Transverse compartment floor to be extended out to approx 12" from inside of door opening in L1/R1.	\$583.00
3310-0177	Pikepole/tool storage. Holds (3) pike poles and (3) Akron Brass Rubbish Hooks. Available on rear mount platform only. The access doors to match the rear body finish.	\$1,204.00
3310-0178	Crosslay triple (2) 4.25" wide single stack to hold up to 200' of 2.0" DJ (each) and (1) 11" wide dbl stack to hold 300' of 3" DJ. Includes storage pan to rear of crosslays	\$3,823.00
3310-0179	Cover plate over hydraulic generator lines located towards rear of compartment below generator.	\$264.00
3310-0180	Crosslay with cord reel compartment RLP. Includes 2.5" x-lay extra capacity for 650' - 2.5" DJ approx. 17" w x 23" d (to 3x3), x-lay rollers on each end and cord reel compartments located each side ahead of x-lay w/lift-up diamond plate door.	\$3,207.00
3310-0181	Crosslay triple (2) 7.50" wide double stack to hold up to 400' of 1.75" DJ (each) and (1) 5.5" wide single stack to hold up to 150'-200' 2.5" DJ. Includes storage pan to rear of crosslays	\$4,307.00
3310-0182	Crosslay triple w/dry lay. Includes (2) 10w x 18d (to 3x3) double stack to hold up to 400' of 1.5" DJ or 250-300' of 2.5" DJ each and (1) 16" w x 18d (to 3x3) wide dry lay. Does NOT include space for a dunnage pan to rear of crosslays.	\$2,717.00
3310-0183	Recessed tubes for (6) pike poles (2)6', (2)8', (1)12' & (1)14'. Note 14' pike pole located officer side storage at bottom position. Not available on HP75 SideStacker.	\$905.00
3310-0184	Bolt-in 3/16" diamond plate wall. Locate in upper storage area beneath aerial from side to side just ahead of point where body sides angle down. Note may require notching to wall for aerial lift cylinder clearance (if applicable).	\$236.00
3310-0185	Compartments officer side CR100/CR137/95 platform SideStacker with 450g tank. Includes rescue style compartments ahead of wheel wells with standard hosebed. 58" high body for low OAH. Requires troughed cab.	\$29,890.00
3310-0186	Compartments driver side CR100/CR137/95 platform SideStacker with 450g tank. Includes rescue style compartments. 58" high body for low OAH. Requires troughed cab.	\$43,145.00
3310-0187	Compartments officer side CR100/95 platform with 300g tank. Includes rescue style extended height compartments.	\$44,972.00
3310-0188	Rear SideStacker body access doors (4) to have single pan doors with slam style compartment latches.	\$654.00
3310-0189	Storage box w/hinged cover. Box to be dia plt approx 13" wide x 96" long x 10" deep. Lid to be hinged on outboard side with slat flooring, gas spring hold-opens and chrome grab handle. Locate on top of right side extended high compartments offset rearward.	\$1,022.00
3310-0190	Auxiliary jack pad 24X24 (PR) with side mounted handle and 2x2 aluminum angles welded to form u-shaped channel for jack foot. Includes mounting brackets. Note: Truck is not to be driven with pads on jack feet.	\$1,342.00
3310-0191	Observation door with light to view hydraulic generator's reservoir sight level gauge. Locate door above forward driver side outrigger. RLP only.	\$230.00
3310-0192	Hose storage box w/hinged covers hinged on outboard side. Box to be dia plt approx 9" wide x 132" long x 14" deep. Cover to be two piece split in the middle with tab permanently attached to underside surface of one of the covers to support the other cover. Includes gas spring hold-opens, chrome grab handles and (2) butterfly latches for each cover. Floor to have extruded alum slats. Locate on top of body right side offset as far forward as possible.	\$1,693.00

Option No.	Description	PRICE
3310-0193	Crosslay with backboard compartment RLP. Includes (2) 1.5" single stacked x-lays for 200' - 1.75" DJ each, (1) 2.5" single stacked x-lay for 200' - 2.5" DJ (all 5.5" wide less plumbing), stainless steel trim around crosslay openings on each end and 8" wide backboard compartment located ahead of x-lays w/smooth plate painted door on each end (Note fixed panel ahead of backboard storage on each side also to be smooth plate painted).	\$3,354.00
3310-0194	Stainless steel trim shall be installed vertically at the hosebed chute at rear of body to help protect the body paint.	\$192.00
3310-0195	Compartments officer side tandem axle HP SideStacker. Includes rescue style extended height compartments ahead of wheel well with extended hosebed and optional R3 compartment above forward tandem.	\$36,408.00
3310-0196	Notch compartment L2 in deep area above jack leg to allow for routing of hydraulic generator hoses.	\$341.00
3310-0197	Hosebed depth 22" HP75 / HP78 SideStacker with tall R1. Will hold up to 700' of 5" LDH and up to 200-300' of 2.5 or 3" DJ. Capacity will be reduced with diamond plate covers.	\$0.00
3310-0198	Crosslay double to hold up to 200' of 2" DJ (each). Includes storage pan to rear of crosslays. Stainless steel product.	\$3,268.00
3310-0199	Crosslay triple 5.5" wide single stack to hold up to 200' of 2" DJ (each) or 150'-200' 2-1/2" DJ (each). Includes storage pan to rear of crosslays. Stainless steel product.	\$4,435.00
3310-0200	Crosslay double 5.5" wide single stack to hold up to 200' of 2" DJ (each) or 150'-200' 2.5" DJ (each). Includes storage pan to rear of crosslays. Stainless Steel product.	\$3,268.00
3310-0201	Crosslay double w/dry lay. Includes (2) 5.5" wide single stack crosslays to hold up to 200' of 2" DJ or 150'-200' 2.5" DJ (each) and (1) 11" wide dry lay for up to 300' of 3.0" DJ. Includes storage pan to rear of crosslays. Stainless Steel product.	\$4,435.00
3310-0202	Crosslay double to hold up to 400' of 2" DJ (each). Includes storage pan to rear of crosslays. Stainless steel product.	\$3,830.00
3310-0203	Crosslay triple (2) 4.25" wide single stack to hold up to 200' of 2" DJ (each) and (1) 5.5" wide to hold up to 150'-200' 2.5" DJ. Includes storage pan to rear of crosslays. Stainless steel product.	\$4,435.00
3310-0204	Notch compartment R3 in deep area below compartment depth change offset to forward wall to allow for routing of hydraulic generator hoses.	\$341.00
3310-0205	Additional "Safe Operating Grade Indicator" gauge shall be provided, gauge is in addition to gauge at rear of body. To be located side facing at rear of body midway up on body panel above corner tailboard. Aerial body only.	\$123.00
3310-0206	Crosslay double. Both lays 10.875"W x 23"D (to 3x3) to hold up to 300-350' of 2.5" (each) or 300' of 3" DJ (each). Includes storage pan to rear of crosslays if applicable.	\$3,303.00
3310-0207	Crosslay triple extra deep. All to be 31" deep (to 3x3) with approx 28" high dividers. Includes (2) 4.25" wide single stack crosslays to hold 200' of 1.75" DJ (each), (1) 5.5" wide single stack crosslays to hold 200' of 2.5" DJ. Includes storage pan to rear of crosslays if applicable.	\$4,298.00
3310-0208	Jack leg opening covers smooth plate painted job color (2) sets. Includes outrigger covers and fixed filler panels.	\$1,171.00
3310-0209	Forward jack pad access doors painted outside surface job color and inside surface zolatone gray IPO diamond plate. 95 Mid-mount only.	\$456.00
3310-0210	Storage at rear of body in rear tow eye compartment for Junkin MIL-8131-W stokes basket and (2) two pike pole tubes for (1)10' and (1)12' poles. 95' Mid-Mount only.	\$512.00
3310-0211	Diamond plate storage box with hinged lid to outside for (2) K12 power cut saws. Box to be approx 48L x 18W x 18H includes butterfly latch, gas shock hold-upen and chrome grab handle. Locate on top of body right side offset forward.	\$980.00

Option No.	Description	PRICE
3310-0212	Crosslay triple extra deep. All to be 31" deep (to 3x3) with approx 28" high dividers (notched). Includes (2) 4.25" wide single stack crosslays to hold 250' of 1.75" DJ (each), (1) 5.5" wide single stack crosslays to hold 200-250' of 2.5" DJ. Includes storage pan to rear of crosslays if applicable.	\$4,298.00
3310-0213	Pike pole/Ladder storage. Available on HP75/78 SideStacker with tall R1 & HM100/110 SideStacker only. The pike pole tubes to accomodate APH pike poles. The access door to match the rear body finish.	\$675.00
3310-0214	Jack leg opening covers polished stainless steel (2) sets. Includes outrigger covers and fixed filler panels.	\$1,918.00
3310-0215	Transverse compartment floor to be extended out to door opening in L1.	\$441.00
3310-0216	Compartments officer side tandem axle HP eMAX SideStacker. Includes rescue style extended height compartments ahead of wheel well with extended hosebed.	\$33,999.00
3310-0217	Storage box w/hinged cover. Box to be dia plt approx 15" wide x 96" long x 15" deep. Lid with 1.5" lip to be hinged on outboard side with (2) thumb latches, (3) EON LED lights mounted to lid to illuminate interior when open , gas spring hold-opens and chrome grab handle. Locate on top of body right side above R1/R2.	\$1,516.00
3310-0218	Storage box w/hinged cover. Box to be dia plt approx 15" wide x 96" long x 15" deep. Lid with 1.5" lip to be hinged on outboard side with (2) thumb latches, (3) EON LED lights mounted to lid to illuminate interior when open , gas spring hold-opens and chrome grab handle. Locate on top of body left side above L1/L2.	\$1,516.00
3310-0219	Storage box w/hinged cover. Box to be dia plt approx 16" wide x 43" long x 12" deep. Lid to be hinged on outboard side with gas shock hold-opens and chrome grab handle. Locate on top of body over R1 offset forward.	\$1,005.00
3310-0220	Crosslay single (1) 10.5" wide double stack to hold up to 300-400' of 2.5" DJ. Includes storage pan to rear of crosslays.	\$1,543.00
3310-0221	Compartments driver side tandem axle HP eMAX SideStacker, med cab, 240 WB. Includes rescue style extended height compartments.	\$45,058.00
3310-0222	Rear turntable access door. Smooth plate lift up door to open 20 degrees past horizontal. Door will match rear body finish.	\$964.00
3310-0223	Compartments driver side HP100 industrial platform SideStacker with short cab, 1000 gallon tank and 260" WB. Includes rescue style extended height compartments and raised rear perimeter aft of rear jack legs. The door on small compts next to rear outrigger to match wheelwell. Requires aerial envelope controls.	\$46,122.00
3310-0224	Compartments officer side HP100 industrial platform SideStacker with 1000 gallon tank and 260" WB. Includes rescue style extended height compartments ahead of wheel well with extended hosebed, optional R3 compartment above forward tandem and raised rear perimeter aft of rear jack legs. Requires aerial envelope controls.	\$34,175.00
3310-0225	Compartments officer side CR100/95 platform with 300g tank. Includes rescue style extended height compartments.	\$44,949.00
3310-0226	Jack leg opening covers smooth plate painted job color (4) sets. Includes painted plate outrigger covers and fixed painted plate filler panels. HM100/110 requires surface mount warning lights.	\$1,846.00
3310-0227	Exterior body stepping surfaces (running boards, floor of left rear staircase, staircase turntable access steps and rear area at top of access steps) to be 3/16" smooth plate with gator grip painted black durabak IPOS diamond plate.	\$1,436.00
3310-0228	Recessed compartment at right rear of body up high for storage of long handle tools (approx size: 6"W x 13"H x 88"D). Locate to outside of officer side pike pole compartment includes hinged door with push button latch. The access door to match the rear body finish.	\$737.00
3310-0229	Compartments driver side HP100 Platform SideStacker 260" W/B with medium cab and 300g tank. Includes rescue style extended height compartments. The door on small compts next to rear outrigger to match wheelwell.	\$43,823.00

Option No.	Description	PRICE
3310-0231	Compartments officer side HP100 SideStacker 3" lowered body with 450g tank. Includes rescue style extended height compartments ahead of wheel well with extended hosebed.	\$34,630.00
3310-0234	Compartments officer side HP100 industrial platform SideStacker with 750 gallon tank, 252" WB and 58-62K rear. Includes rescue style extended height compartments ahead of wheel well with extended hosebed and raised rear perimeter. Requires aerial envelope controls.	\$32,440.00
3310-0235	Compartments driver side HP100 industrial platform SideStacker with short cab, 750 gallon tank, 252" WB and 58-62K rear. Includes rescue style extended height compartments and raised rear perimeter. The door on small compts next to rear outrigger to match wheelwell. Requires aerial envelope controls.	\$44,949.00
3310-0236	Recessed tubes for (4) pike poles. Tubes to be for (2) 6' and (2) 12' poles.	\$541.00
3310-0237	Body wheelwell compartments (2), one each side above rearward tandem wheel approx 24" W x 6" H x maximum depth permissible without interference with hydraulic line(s) reservoir(s) etc. A gasketed drop down door shall be installed on each compartment. Door material to match wheelwell finish.	\$826.00
3310-0238	Wall at rearward most point between cord reel enclosure storage boxes to enclose open storage area beneath aerial. Shall be bolt-in 3/16 Dia Plt. with diamonds facing rear. May require notching for lift cylinder clearance if applicable.	\$396.00
3310-0239	Compartments officer side HP100 Platform SideStacker with 300 gallon tank, 252" WB and 58-62K rear. Includes rescue style extended height compartments ahead of wheel well, compartment over forward tandem and extended hosebed. Requires aerial envelope controls.	\$33,684.00
3310-0240	Compartments driver side HP100 Platform SideStacker for long cab with 300 gallon tank, 252" WB and 58-62K rear. Includes rescue style extended height compartments ahead of wheel well. The door on small compt next to rear outrigger to match wheelwell. Requires aerial envelope controls.	\$44,922.00
3310-0241	Compartments officer side HP100 Platform SideStacker with 300g tank. Includes rescue style extended height compartments ahead of wheel well and rescue style compartments IPO hosebed. The door on small compts next to rear outrigger to match wheelwell.	\$34,274.00
3310-0242	Compartments driver side HP100 Platform SideStacker with 300g tank (lowered 2"). Includes rescue style extended height compartments. The door on small compts next to rear outrigger to match wheelwell.	\$46,122.00
3310-0243	Compartments officer side HP100 Platform SideStacker with 300g tank (lowered 2"). Includes rescue style extended height compartments ahead of wheel well and rescue style compartments IPO hosebed. The door on small compts next to rear outrigger to match wheelwell.	\$46,122.00
3310-0244	Contoured beavertail compartments. Full height door for compartment opening. Includes special mount painted job color for upper rear warning light and rear facing scene (if applicable).	\$3,920.00
3310-0245	Notch compartment(s) L1 & R1 in deep area forward above jack leg to allow for routing of deck gun piping. N/A with rollup door.	\$466.00
3310-0246	Auxiliary jack pad 24X24 (4) with side mounted handle. Includes (2) double mounting brackets welded in place.	\$2,448.00
3310-0247	Compartments driver side HP100 industrial platform SideStacker for short cab, 1000 gallon tank, 252" WB and 58-62K rear. Includes rescue style extended height compartments. The door on small compt next to rear outrigger to match wheelwell. Requires aerial envelope controls.	\$46,122.00

Option No.	Description	PRICE
3310-0248	Compartments officer side HP100 industrial platform SideStacker with 1000 gallon tank, 252" WB and 58-62K rear. Includes rescue style extended height compartments ahead of wheel well with extended hosebed, optional R3 compartment above forward tandem. Requires aerial envelope controls.	\$34,175.00
3310-0249	Storage box for handheld jack control. Approx size: 14"wide x 8" high x 14"deep. Includes hinged diamond plate door with push button latch. Locate in driver side rear staircase down low recessed in back wall.	\$359.00
3310-0250	Diamond plate trm between turntable disc and top of body. Required on Metro 100 with waterway.	\$496.00
3310-0251	Recessed storage for (4) pike poles IPO recessed tubes at rear of body. Includes boxes at driver's side for (2) D-handled 6' poles and officer's side for (2) D-handled 8' poles. The access doors to match the rear body finish. For use with rear mount aerials.	\$1,204.00

Lid with 1.5" lip to be hinged on outboard side with (3) EON LED lights mounted to lid to illuminate interior when open , gas spring hold-opens and chrome grab handle painted Durabak black. Note: Aerial applications may require raising aerial to open storage lid, if option for ladder storage bracket mounted to side of base is present in order. Locate on top of body above R2-R4.	\$1,613.00
3310-0307	Aluminum smooth plate IPO diamond plate, painted job color for the following: forward facing panels in the pump module's headboard, upper side facing and rear facing panels driver and officer side above compartments, panel just to rear of tandem axle and bolt-on splash guards at front of the body. Diamond plate painted Durabak black for the following: upper deck plate work on top of body including compartment tops and contoured beavertail exterior inside facing plate work. Body plate work to be smooth plate IPO diamond plate, painted Durabak black for the following: rear access steps w/gator grip and tailboard w/gator grip.	\$2,478.00
3310-0308	Storage area beneath aerial at top of body to have roof top style compartment lids for weather proof storage, gas shocks, chrome grab handles painted Durabak black and (3) EON LED lights mounted to each lid to illuminate interior when open. All exterior plate work to be diamond plate painted Durabak black. All enclosed interior plate work to be smooth plate with sanded finish (unpainted). Includes an open transverse storage forward for generator and (2) lift up lids with one degree pitch hinged to outside to enclose rearward storage. Note inside enclosed storage area to be open without partitions.	\$10,826.00
3310-0309	Auxiliary jack pad 26X26 (4) with 20 degree formed handle. Includes (4) mounting brackets.	\$2,517.00
3310-0310	Auxiliary jack pad 26X26 (4) with 20 degree formed handle. Includes (2) double mounting brackets.	\$2,097.00
3310-0311	Auxiliary jack pads 24X24 (4) with 20 degree formed handle. Includes mounting brackets to store (2) each side of the body next to front drop down jacks.	\$2,015.00
3310-0312	Auxiliary jack pad 28X28 (4) with 20 degree formed handle. Includes (2) double mounting brackets.	\$2,158.00
3310-0313	Auxiliary jack pad 30X30 (4) with 20 degree formed handle. Includes (4) mounting brackets.	\$2,651.00
3310-0314	Auxiliary jack pad 24X24 (2) with 20 degree formed handle. Includes mounting brackets.	\$1,225.00
3310-0315	Auxiliary jack pad 26X26 (4) with 20 degree formed handles. Includes (2) double mounting brackets. Note both pads to store in same slot, to reduce profile below body.	\$2,448.00
3310-0316	Aerial jack controls shall be located one each side inboard of beavertail below second from bottom rear step. Master control at standard location. Applies only to beavertail style rear end.	\$0.00
3310-0317	Hose storage box w/hinged covers hinged on outboard side. Box to be dia plt approx 11" wide x 115" long x 16" deep with forward facing surface of box left open for preconnected hose. Cover to be two piece split in the middle with tab permanently attached to underside surface of one of the covers to support the other cover. Includes black nylon strap with buckle to secure hose and gas spring hold-opens, chrome grab handles and (2) butterfly latches for each cover. Floor to have extruded alum slats. Locate on top of body right side offset as far forward as possible.	\$1,693.00
3310-0318	Compartments officer side HP100 Platform SideStacker with 300g tank (lowered 2"). Includes rescue style extended height compartments ahead of wheel well, compartment over forward tandem and extended hosebed.	\$34,147.00
3310-0319	Hose/Electric ladder pipe storage box w/hinged cover to outside for 100' of 3" DJ and Akron Electric Ladder Pipe monitor model#1494 with 5177 nozzle. Box to be dia plt approx 12" wide x 88" long x 16" deep with divider offset 50" from forward wall to separate hose storage side from electric ladder pipe storage side. Includes gas spring hold-opens, chrome grab handle and (2) butterfly latches. Hose storage side (38" long) floor to have extruded alum slats. Locate on top of body right side offset forward.	\$1,971.00

Option No.	Description	PRICE
3310-0320	Body exterior aluminum plate work to be smooth plate IPO diamond plate and painted job color as follows: upper side facing and rear facing panels driver and officer side above compartments and fuel fill hinged door and fixed panel below door each side to rear of tandem axle.	\$574.00
3310-0321	Access panels on upper back wall of L4/R3 for access to inside of ladder tunnel for periodic cleaning. Requires corresponding access panels on ladder tunnel plate work. Aerial bodies with center ladder tunnel only.	\$341.00
3310-0322	Compartments officer side HP100 Platform SideStacker with 300g tank. Includes rescue style extended height compartments and rescue style compartments IPO hosebed (Note officer side compartments to match driver side). The door on small compt next to rear outrigger to match wheelwell.	\$44,647.00
3310-0323	Compartments driver side HP100 Platform SideStacker with 300g tank. Includes rescue style extended height compartments and separate rear side compartment ahead of 18"W rear side staircase. The door on small compt next to rear outrigger to match wheelwell.	\$44,647.00
3310-0324	Crosslay double w/dry lay 26" deep. Includes (1) 4.25" wide single stack to hold up to 200' of 2.0" DJ, (1) 5.5" wide single stack to hold up to 200' of 2.5" DJ and (1) 11" wide dry lay to hold up to 300' of 3" DJ. Includes storage pan to rear of crosslays (if applicable).	\$3,823.00
3310-0325	Storage box w/hinged cover for miscellaneous items. Box to be dia plt approx 16" wide x 60" long x 10" deep. Lid to be bi-fold style and hinged on outboard side with a gas spring hold-open, chrome grab handle and butterfly latch. Floor to have extruded aluminum slats. Locate on top of body on compartment top over L4.	\$1,397.00
3310-0326	Compartments driver side CR100/CR137/95 platform SideStacker with 300g tank. Includes rescue style extended height compartments (L1-L3) and rear corner style staircase w/corner access steps to allow 45 degree angle access to turntable.	\$45,409.00
3310-0327	Recessed tubes for (8) Fire Hooks Unlimited pike poles. Tubes to be sized for (2) 6', (2) 8', (2) 10', and (2) 12' poles. The access doors to match the rear body finish. Not available on HP75/78 SideStacker.	\$899.00
3310-0328	Compartments officer side CR100/CR137/95 platform SideStacker with 300g tank. Includes rescue style extended height compartments (R1-R3) and rear corner style staircase w/corner access steps to allow 45 degree angle access to turntable IPO hosebed.	\$47,009.00
3310-0329	Double crosslays for use with removable poly trays and dry lay storage offset to rear without tray. Forward tray to be accessible from driver side only and second tray to be accessible from officer side only, each tray to hold 180' of 2" DJ preconnected hose. Rearward for dry lay storage to hold 200' of 3" DJ, accessible from officer side only. Includes storage pan to rear (if applicable).	\$3,308.00
3310-0330	Fuel fill hinged door and fixed panel below door each side to rear of tandem axle to be brushed S/S IPOS. Grain to run horizontal.	\$61.00
3310-0331	Compartments driver side HPS105 ladder SideStacker with 500g tank (182 C/A). Includes rescue style extended height compartments and raised rear body for improved angle of departure.	\$43,823.00
3310-0332	Compartments officer side HPS105 ladder SideStacker with 500 gallon tank. Includes rescue style extended height compartments ahead of wheel well with extended hosebed and raised rear body for improved angle of departure.	\$31,312.00
3310-0334	Stainless steel trim (PR) along sides and top edge of each fuel fill opening on driver and officer side of body.	\$365.00
3310-0335	Fabricated aluminum smooth plate enclosure for pump panel to mount to. Located in L1 transverse compartment against rearward wall that extends from inside of L1 door opening to center of transverse compartment to allow plumbing to enter up through floor between frame rails. Includes an access panel with thumb latches on forward wall for plumbing access. Note enclosure to match compartment interior finish.	\$1,337.00

Option No.	Description	PRICE
3310-0336	Crosslay double w/dry lay. Includes (2) 7.5" wide double stacked crosslays to hold up to 200' of 1.75" DJ preconnected hose in each lay and (1) 11.5" w double stack dry lay for 200' of 3" DJ (15" deep to 3x3). Forward lay to be accessible from driver side only with second lay and third dry lay accessible from officer side only. Remaining space to rear of crosslays for long handle tool storage with vertically hinged diamond plate door and thumb latch on driver side only. For use with hose connection above crosslay floor only.	\$4,230.00
3310-0337	Crosslay single w/dry storage. Includes (1) 5.5" wide single stack to hold up to 200' of 2.0" DJ or 150'-200' 2.5" DJ and (1) 14.25" wide for dry storage. Includes storage pan to rear of crosslays.	\$3,948.00
3310-0338	Crosslay quad (4) 4.75" wide single stack to hold up to 200' of 2.0" DJ (each) or 150-200' of 2.5" DJ (each). Includes storage pan to rear of crosslays.	\$4,829.00
3310-0339	Crosslay single w/dry lay. Includes (1) 5.5" wide single stack crosslays to hold up to 200' of 2.0" DJ or 150'-200' 2.5" DJ and (1) 11" wide dry lay for up to 300' of 3.0" DJ. Includes storage pan to rear of crosslays.	\$3,823.00
3310-0340	Jack leg opening covers smooth plate (4) sets. Includes aluminum smooth plate outrigger covers and fixed aluminum smooth plate filler panels. HM100/110 requires surface mount warning lights.	\$0.00
3310-0341	Compartments officer side CR100/95 platform/CR137 SideStacker with 500g tank. Includes rescue style compartments ahead of wheel well, optional R3/R4 above tandem, with extended hosebed with single lay extending behind R4. Rear of body raised 4" for improved angle of departure.	\$34,065.00
3310-0342	Compartments driver side CR100/95 platform/CR137 SideStacker, 250" w/b with 500g tank. Includes rescue style extended height compartments on L1-L3. Rear of body raised 4" for improved angle of departure.	\$45,026.00
3310-0343	Compartments driver side HP100 Platform SideStacker for medium cab, 400-500 gallon tank, 252" WB and 58-62K rear. Includes rescue style extended height compartments ahead of wheel well and raised rear perimeter. The door on small compt next to rear outrigger to match wheelwell. Requires aerial envelope controls.	\$44,922.00
3310-0344	Compartments driver side HP100 Platform SideStacker for long cab, 400-500 gallon tank, 252" WB and 58-62K rear. Includes rescue style extended height compartments ahead of wheel well and raised rear perimeter. The door on small compt next to rear outrigger to match wheelwell. Requires aerial envelope controls.	\$44,922.00
3310-0345	Compartments officer side HP100 Platform SideStacker, 400-500 gallon tank, 252" WB and 58-62K rear. Includes rescue style extended height compartments ahead of wheel well, extended hosebed and raised rear perimeter. Requires aerial envelope controls.	\$32,412.00
3310-0346	Compartments officer side HP100 Platform SideStacker, 400-500 gallon tank, 252" WB and 58-62K rear. Includes rescue style extended height compartments ahead of wheel well, optional R3 compartment above forward tandem, extended hosebed and raised rear perimeter. Requires aerial envelope controls.	\$32,960.00
3310-0347	Body exterior aluminum plate work to be smooth plate IPO diamond plate and painted job color as follows: upper side facing and rear facing panels, driver and officer side above compartments.	\$360.00
3310-0348	Auxiliary jack pad 24X24 (4) with 20 degree formed handle. Includes (1) double mounting bracket for driver side and (2) single mounting brackets for officer side. Applies to L2 lower aerial hydraulic reservoir location.	\$2,238.00
3310-0349	Body wheelwell compartments (2), one each side above forward tandem wheel approx 24" W x 4" H x maximum depth permissible without interference with hydraulic line(s) reservoir(s) etc. A gasketed drop down door shall be installed on each compartment. Door material to match wheelwell finish.	\$826.00

Option No.	Description	PRICE
3310-0350	Storage shall be provided for two (2) customer supplied Junkin JSA-200 stokes baskets and four (4) 6' pike poles in L2/R2 transverse compartment. Includes the transverse floor extended out to door opening on each side, one horizontal fixed shelf offset approximately 8.5" above transverse floor and four 6' aluminum tubes. Four 6' pike pole tubes located, one at each lower corner of the two storage bins that will store the stokes baskets, pike pole tubes to be bolted in. Note pike poles to exit out L2 to be mounted ahead of stokes and pike poles to exit out R2 to mount to rearward of stokes baskets.	\$634.00
3310-0351	Two storage boxes (PR) for dealer supplied 6' Dragon Slayer hooks with D-Handles. Approx. box size: 8" wide x 74" long x 3" high. Boxes to be fabricated from .125" diamond plate with drop down hinged door and butterfly latches on each box end. Locate over horizontal ladder storage offset forward bolted to ceiling positioned approximately at 15 degree angle out to rear.	\$978.00
3310-0352	Long handle tool storage box w/lift-up hinged cover. Special design box to allow cover to open with storage box extending below bottom rail of aerial base section. Box to be diamond plate approx 26" wide x 74" long x 14" tall. Lid hinged on outboard side with 1.5" lip all sides, chrome grab handle, (2) thumb latches, (3) EON LED lights mounted to lid to illuminate interior when open and gas spring hold-opens. Locate on top of body driver side just to rear of L2 extended high side.	\$1,527.00
3310-0353	There shall be no E-One logo(s) on rear ladder tunnel door.	\$0.00
3310-0354	Auxiliary jack pad 24X24 (4) with 20 degree formed handle. Includes (2) double mounting brackets.	\$2,028.00
3310-0355	Body wheelwell compartments for total of (4) shall be as follows: driver side (2) approx 24" W and officer side (2) approx 20" W both sides x 6" H x maximum depth permissible without interference with hydraulic line(s) reservoir(s) etc. A gasketed drop down door shall be installed on each compartment. Door material to match wheelwell finish.	\$1,479.00
3310-0356	Upper dunnage area extension 34 x 46 diamond plate. Includes offset for generator cover clearance.	\$630.00
3310-0357	Body modification to R3 compartment for mounting diesel generator. Includes support bracing, diamond plate cover raised approx 4" with lift-up hinged access door on top, gas shock hold open and thumb latches. Diamond plate liftup door with expanded metal cutout for side access IPO double pan door, includes gas shock hold open and thumb latches. Fixed diamond plate panel w/expanded metal cutout offset ahead of lift-up door with partition wall to prevent air flow recirculation.	\$3,076.00
3310-0358	Hinged smooth plate cover for the aerial hydraulic reservoir for use in top side mounting applications. Includes flush access door with thumb latch to inspect or fill hydraulic reservoir.	\$392.00
3310-0359	Crosslay triple extra deep. All to be 30" deep (to 3x3). Includes (2) 4.25" wide single stack crosslays to hold 250' of 1.75" DJ (each), (1) 5.5" wide single stack crosslays to hold 200' of 2.5" DJ. Includes storage pan to rear of crosslays if applicable.	\$4,298.00
3310-0360	Ladder tunnel opening to have a S/S chain to retain ladders.	\$362.00
3310-0361	Crosslay double (1) 7.5" wide double stack for 200' of 2.0" DJ and (1) 10.5" wide double stack for 200' of 2.5" DJ. Includes storage pan to rear of crosslays.	\$3,303.00
3310-0362	Diamond plate liftup door with expanded metal cutout for side access to diesel/APU generator. Includes hinged lift-up diamond plate access panel w/D-ring latch and (2) gas shocks. Officer side of body over forward outrigger.	\$431.00
3310-0363	Compartments driver side HP100 Platform SideStacker with pump, no tank. Includes rescue style extended height compartments. The door on small compts next to rear outrigger to match wheelwell.	\$43,823.00
3310-0364	Compartments officer side HP100 Platform SideStacker with pump, no tank. Includes rescue style extended height compartments ahead of wheel well with extended hosebed.	\$31,312.00
3310-0365	Compartments officer side HP100 Platform SideStacker with 150g tank. Includes rescue style extended height compartments ahead of wheel well with extended hosebed.	\$31,312.00

Option No.	Description	PRICE
3310-0366	Compartments driver side HP100 Platform SideStacker with 150g tank. Includes rescue style extended height compartments. The door on small compts next to rear outrigger to match wheelwell.	\$43,823.00
3310-0367	Crosslay quad w/dry lay. Includes (2) 5.5" wide single stack crosslays to hold up to 200' of 2.0" DJ, (1) 10.5" wide double stack to hold up to 200' of 2.5" DJ and (1) 11" wide dry lay for up to 300' of 3.0" DJ. Does NOT include a storage pan rearward of crosslays.	\$4,137.00
3310-0368	Crosslay quad with (2) 4.25" wide single stack to hold up to 200' of 2.0" DJ (each), (1) 10.5" wide to hold 200' 2.5" DJ and (1) 16.5" wide dry lay for up to 450' of 3" DJ. Does NOT include storage pan to rear of crosslays.	\$4,829.00
3310-0369	Rear under-body splash shield(s) to mitigate road debris from getting on components up in chassis at rear of body. HP100 Platform only. Locate rearward of jacks. Shield(s) must be removable (bolt-on) for periodic cleaning.	\$1,010.00
3310-0370	Recessed tubes for (6) NY Hook pike poles. Not available on HP75 SideStacker.	\$675.00
3310-0371	Pike pole/Attic ladder storage at rear of body each side of ladder tunnel. Shall hold (2) 8' and (2) 10' pike poles w/Fire Hooks Unlimited all purpose heads on driver side and (2) 10' Duo-Safety attic ladders (585-A) on officer side. Available on rear mount platform only. The access doors to match the rear body finish.	\$1,880.00
3310-0372	Rear beavertail access staircase's top step on both sides to extend to and align with hose chute floor.	\$146.00
3310-0373	Body wheelwell compartments (4) approx 24" W x 4" H x maximum depth permissible without interference with hydraulic line(s) reservoir(s) etc. A gasketed drop down door shall be installed on each compartment. Door material to match wheelwell finish.	\$1,246.00
3310-0374	Crosslay single (1) 10.5" wide double stack to hold up to 200' of 2.5" DJ. Includes storage pan to rear of crosslays (if applicable).	\$1,543.00
3310-0375	Compartments officer side CR100/95 platform SideStacker with 500g tank and extended hosebed. Includes rescue style extended height compartments R1-R2 ahead of wheel well extended higher to match enclosed pump panel compartment height, followed by optional R3 over forward tandem wheel stepped down to standard extended height with hosebed behind for additional hose storage, making R3 shallow compartment.	\$37,241.00
3310-0376	Compartments driver side CR100/CR137/95 platform SideStacker, 250" WB with 500g tank. Includes rescue style extended height compartments L1-L2 ahead of wheel well extended higher to match enclosed pump panel compartment height, followed by L3 stepped down to standard extended high.	\$43,014.00
3310-0377	Doors for rear master and jack control controls. Doors for jack controls to be drop down door. Doors to match rear body finish.	\$421.00
3310-0378	Diamond plate hose storage box on officer side of open storage area below aerial device behind generator. Includes open top area with (3) seatbelt style hold downs and decking. Size box to fit 150' of 3" hose. (hose not included)	\$959.00
3310-0379	Compartments L3 & L4 modified into one continuous compartment on the inside, without wall between. Note will maintain original compartment depths.	\$338.00
3310-0380	Doors for rear master and jack control controls. Doors for jack controls, to hinged on inboard side for clearance when operating controls. Door for master control to be drop down door. Doors will match rear body finish.	\$421.00
3310-0381	Pikepole/Ladder storage. Recessed tubes for (5) Fire Hooks Unlimited pike poles w/straight fiberglass poles and (1) 10' attic with shoes. Available on rear mount platform only. The access doors to match the rear body finish.	\$792.00
3310-0382	Jack leg opening covers smooth plate painted job color (2) sets. Includes painted plate outrigger covers and fixed painted plate filler panels. HP95 MM only.	\$923.00
3310-0383	Auxiliary jack pad 26X26x1.5 poly (4) with textured finish and rope handles. Includes mounting brackets (welded on).	\$3,342.00
3310-0384	Storage boxes above officer side recessed side mount ladder offset rearward. Provide (2) diamond plate storage boxes with drop down doors and D-ring latches. Boxes to be approx 72" wide each	\$2,580.00

Option No.	Description	PRICE
3310-0385	Recessed fuel fills IPOS for dual fuel fill application, (1) each side recessed in panel behind body wheel wells. Aerial application only.	\$691.00
3310-0386	Attic ladder storage at rear of body, above top step, each side of ladder tunnel. Shall hold (2)10' Alco-Lite attic ladders w/shoes, one each side. Available on rear mount platform only. The access doors to match the rear body finish.	\$1,880.00
3310-0387	Storage sleeve ceiling mounted in L1/R1 compartment in transverse area horizontally mounted. Sleeve to hold pike poles and quartz lights. Sleeve to be approximately 24" wide x 12" high x 72" long, centered side to side between compartment openings. Sleeve shall have four total openings. Upper opening to be approximately 23.5" wide x 6" high x 72" long. Three lower openings equally spaced, approximately 7.75" wide x 6" high x 72" long. Below each equally spaced compartment shall be (1) 6' pike pole tube. (2) tubes to be accessible from officer side, (1) from the driver side. See photo on file.	\$2,165.00
3310-0388	Compartments officer side HPS105 ladder SideStacker with 300g tank. Includes rescue style extended height compartments ahead of wheel well with extended hosebed, optional R3 compartment above forward tandem and raised rear body for improved angle of departure.	\$32,585.00
3310-0389	Compartments officer side HPS105 ladder SideStacker with 500g tank. Includes rescue style extended height compartments ahead of wheel well with extended hosebed, optional R3 compartment above forward tandem and raised rear body for improved angle of departure.	\$32,585.00
3310-0390	Compartments driver side CR100/CR137/95 platform SideStacker with 270g tank. Includes rescue style height compartments. 58" high body for low OAH. Requires troughed cab.	\$42,990.00
3310-0391	Compartments officer side CR100/CR137/95 platform SideStacker with 270g tank. Includes rescue style height compartments ahead of wheel well with standard hosebed. 58" high body for low OAH.	\$31,042.00
3310-0392	Contoured beavertail compartments. Door opening raised for warning light. Includes special mount painted job color for upper rear warning light and rear facing scene (if applicable).	\$3,920.00
3310-0393	Rollup rear ladder compartment door for SideStacker and NPNT aerial with side staircases (N/A on HP100P) painted upper two-tone job color. Includes hinged ladder retention plate.	\$2,513.00
3310-0394	Jack leg opening covers brushed finish S/S (4) sets. Includes outrigger covers and fixed filler panels. Panels made of 12ga material.	\$771.00
3310-0395	Hinged access door with (2) thumb latches for access to aerial hydraulic reservoir fill cap. Located in hosebed floor.	\$0.00
3310-0396	Recessed tubes for (4) pike poles. Not available on HP75 SideStacker.	\$541.00
3310-0397	Compartments officer side HP100 Platform SideStacker with 300g tank (lowered 2"). Includes rescue style extended height compartments ahead of wheel well with extended hosebed.	\$33,611.00
3310-0398	Auxiliary jack pad 24X24 (4) with 20 degree formed handle. Includes (4) mounting brackets. Brackets to be mounted so the formed handles are flush with edge of rubrail.	\$2,963.00
3310-0399	Hose storage box w/hinged cover to outside. Box to be diamond plate approximately 10.25" wide x 62" long x 12" deep. Includes gas spring hold-opens, chrome grab handle and (2) butterfly latches. Floor to have extruded alum slats. Locate on top of body right side offset forward.	\$1,191.00
3310-0400	Compartments driver side CR100/95 platform/CR137 SideStacker with 500g tank, long cab, 250 WB. Includes rescue style extended height compartments.	\$44,338.00
3310-0401	Recessed storage box at driver side rear of body for handheld jack control 10W x 13H x 10D. Locate below extended top step. Door material to be the same as rear body surface.	\$520.00

Option No.	Description	PRICE
3310-0402	Access handrails at driver side rear staircase to be (2) two pairs. One pair mounted on side of body and second separate pair on top of body as low as possible IPO standard pool style handrails. Applies to 95 mid-mount only.	\$0.00
3310-0403	Storage pan. Locate in forward area of ladder tunnel in center body section on officer side ahead of ladders for generator storage. Applies to 95 mid-mount only.	\$802.00
3310-0404	Compartments officer side tandem axle HP SideStacker. Includes rescue style extended height compartments ahead of wheel well with extended hosebed and optional R3 & R4 compartments above forward and rearward tandem wheels.	\$37,408.00
3310-0405	Crosslay quad with (3) 4.75" wide single stack to hold up to 200' of 2.0" DJ (each) and (1) 5.5" wide to hold up to 150'-200' 2.5" DJ. Includes storage pan to rear of crosslays.	\$5,079.00
3310-0406	Boxed out rear ladder tunnel doors. Vertically hinged smooth plate aluminum. Doors to hinge on outboard sides and latch in the middle. D-ring to be on right hand "primary" door. Doors to match rear body finish.	\$1,230.00
3310-0407	Compartment door drip rail provided over each wheel well cribbage storage compartment(s). Only available with tandem axle wheel well storage compartment option.	\$211.00
3310-0408	Upgrade the aerial turntable access steps to include cutouts with Grip Strut inserts, IPO Gator Grip.	\$564.00
3310-0409	Body wheelwell compartments for a total of (4) shall be as follows: (1) each side centered over forward wheel approx 20" W and (1) each side centered over rearward wheel approx 24" W both sides x 6" H x maximum depth permissible without interference with hydraulic line(s) reservoir(s) etc. A gasketed drop down door shall be installed on each compartment. Door material to match wheelwell finish.	\$1,479.00
3310-0410	Relocate fuel fill as high as possible at rear of body.	\$500.00
3310-0411	Crosslay triple (3) 6.00" wide single stack to hold up to 200' of 2.0" DJ or 150'-200' 2.5" DJ. Includes storage pan to rear of crosslays.	\$3,823.00
3310-0412	Jack leg opening covers polished stainless steel (4) sets. Includes outrigger covers and fixed filler panels.	\$1,343.00
3310-0413	Storage shall be provided for one (1) customer supplied Junkin JSA-200 stokes basket in L2/R2 transverse compartment. Includes the transverse floor extended out to door opening on each side and one horizontal fixed shelf offset approximately 8.5" above transverse floor.	\$410.00
3310-0414	Long handle tool storage box w/lift-up hinged cover. Box to be diamond plate approx 18" wide x 74" long x 14" tall. Lid hinged on outboard side with 1.5" lip all sides, chrome grab handle, (2) thumb latches, (3) EON LED lights mounted to lid to illuminate interior when open and gas spring hold-opens (Note lid to open up to 90 degrees). Locate on top of body officer side just to rear of R2 extended high side.	\$1,527.00
3310-0415	Compartments driver side HP100 Platform SideStacker with 300g tank. Includes rescue style extended height compartments and separate rear side compartments. The door on small compt next to rear outrigger to match wheelwell.	\$44,647.00
3310-0416	Recessed tubes for (5) pike poles and (1) NY Hook. Not available on HP75 SideStacker.	\$825.00
3310-0417	Crosslay double (1)4.25"/(1)5.50" wide single stack to hold up to 200' of 2.0" DJ/150'-200' 2.5" DJ. Includes storage pan to rear of crosslays.	\$2,818.00
3310-0418	Compartments driver side HP100 Platform SideStacker with pump (No tank). Includes extended height compartments ahead of wheel well. The door on small compts next to rear outrigger to match wheelwell.	\$43,823.00
3310-0419	Compartments officer side HP100 Platform rescue body with pump (No tank). Includes extended height compartments ahead of wheel well and rescue style compartments IPO hosebed. The door on small compts next to rear outrigger to match wheelwell.	\$43,823.00

Option No.	Description	PRICE
3310-0420	Storage box w/hinged cover for customer supplied rescue jacks. Box to be .187" diamond plate approx 60" wide x 8" high x 22" deep. Lid to be hinged on inboard side with a gas spring hold-opens, Nylatron floor overlay, (2) EON LED lights mounted to lid to illuminate interior when open and D-ring latch. Note front face and top are one piece hinged lift-up lid. Located on top of the body over L7 offset forward.	\$1,443.00
3310-0421	Storage box with hinged lift-up door on each end shall be provided to store dealer supplied and installed Ferno Advantage Plastic Basket Stretcher. The box shall be .125" aluminum diamond plate approximately 25.5" wide x 86.25" long x 8" high. Includes (2) thumb latches, one on each door. The box shall be located on top of the body mounted transversely over L4/R4, accessible from each side of apparatus. Applicable only with standard height tiller body.	\$1,382.00
3310-0422	Storage box w/hinged cover. Box to be diamond plate approx 15" wide x 122" long x 15" tall. Lid with 1.5" lip to be hinged on outboard side with (3) EON LED lights mounted to lid to illuminate interior when open, gas spring hold-opens and chrome grab handles. Dividers in box to separate fill and route drain for Super CAFS system. Note: Aerial applications may require raising aerial to open storage lid, if option for ladder storage bracket mounted to side of base is present in order. Locate on top of body above L1-L3.	\$1,695.00
3310-0423	Pike pole/Attic ladder storage at rear of body each side of ladder tunnel. Shall hold (1) 10' Duo-Safety attic ladder on driver side and (4) pike poles w/ New York Hook heads on officer side. Available on rear mount platform only. The access doors to match the rear body finish.	\$1,880.00
3310-0424	Storage box w/hinged cover. Box to be diamond plate approx 15" wide x 122" long x 15" tall. Lid with 1.5" lip to be hinged on outboard side with (3) EON LED lights mounted to lid to illuminate interior when open, gas spring hold-opens and chrome grab handles. Note: Aerial applications may require raising aerial to open storage lid, if option for ladder storage bracket mounted to side of base is present in order. Locate on top of body above R1-R3.	\$1,695.00
3310-0425	Rear tandem wheel well modification to driver and officer side to increase storage, by lowering extrusion above. Note SCBA bottle storage not available. Applies only to HP100 rear mount platform without pump.	\$518.00
3310-0426	Boxed out rear ladder tunnel door. Smooth plate lift-up door to open 20 degrees past horizontal (degrees may be reduced due to other options). Door will match rear body finish.	\$1,446.00
3310-0427	Compartments officer side tandem axle HM100/110 SideStacker with 500 gallon tank. Includes rescue style extended height compartments ahead of wheel well, compartment over forward tandem and extended hosebed.	\$34,157.00
3310-0428	Compartments driver side tandem axle HM100/110 SideStacker with 500 gallon tank. Includes rescue style extended height compartments ahead of wheel well.	\$44,558.00
3310-0429	Crosslay triple 6" wide single stack to hold up to 200' of 2.0" DJ (each) or 150'-200' 2.5" DJ (each). Includes storage pan to rear of crosslays.	\$3,823.00
3310-0430	Crosslay double w/dry lay. Includes (1) 11.5"w for 400' of 1.75" DJ in forward lay and (1) 20"w dry lay for 400' of 2.5" DJ (15" deep to 3x3). Includes storage pan to rear of crosslays (if applicable).	\$2,789.00
3310-0431	Pike pole/Attic ladder storage at rear of body each side of ladder tunnel. Shall hold (2) 4' and (2) 6' pike poles w/Fire Hooks Unlimited New York style heads on driver side and 10' Duo-Safety attic ladder (585-A) on officer side. Available on rear mount platform only. The access doors to match the rear body finish.	\$1,480.00

Option No.	Description	PRICE
3310-0432	Crosslay quad w/dry lay. All to be 31" deep (to 3x3) with approx 28" high dividers. Includes (3) 5.5" wide single stack crosslays to hold up to 200' of 2.0" DJ or 200' of 2.5" DJ (each) and (1) 6" wide dry lay for up to 150-200' of 3.0" DJ. Includes storage pan to rear of crosslays (if applicable).	\$5,313.00
3310-0433	Pike pole/Ladder storage. Available on HP75/78 SideStacker with tall R1 & HM100/110 SideStacker only. The pike pole tubes to accomodate New York roof hook pike poles. The access door to match the rear body finish.	\$675.00
3310-0434	Body mounts at rear of body to be spring mounted. Applies only to HP75/78.	\$250.00
3310-0435	Compartments officer side CR100/95 platform SideStacker with 300g tank. Includes rescue style extended height compartments (R1-R3) with extended hosebed.	\$33,100.00
3310-0436	Compartments driver side CR100/95 platform/CR137 SideStacker, Med cab, 240" W/B with 300g tank. Includes rescue style extended height compartments (L1-L3) and 18" wide rear staircase.	\$44,338.00
3310-0437	Storage box with hinged drop down door on long side, shall be provided to store (3) backboards. The box shall be .125" aluminum diamond plate approximately 25.5" wide x 86.25" long x 8" high. Includes (2) thumb latches for securing door closed. The box shall be located on top of the body mounted front to back over R5/R6, accessible only from side of apparatus.	\$1,474.00
3310-0438	Compartments driver side HPS105 ladder SideStacker 3" lowered 96" wide body with 500g tank, med cab, 250 WB. Includes rescue style extended height compartments and raised rear body for improved angle of departure. 61" high body for low OAH. Requires troughed cab.	\$46,368.00
3310-0439	Compartments officer side HPS105 ladder SideStacker 3" lowered 96" wide body with 500g tank. Includes rescue style extended height compartments ahead of wheel well with extended hosebed, optional R3 compartment above forward tandem and raised rear body for improved angle of departure. 61" high body for low OAH. Requires troughed cab.	\$34,894.00
3310-0440	Storage box w/hinged cover for miscellaneous storage. Box to be smooth plate painted two tone job color approx 18" wide x 30" long x 12" deep. Lid hinged on outboard side with 1.5" lip all sides, chrome grab handle and gas spring hold-open. Locate on top of the body over L3 offset forward.	\$1,147.00
3310-0441	Storage box w/hinged cover for miscellaneous storage. Box to be smooth plate painted two tone job color approx 16.5" wide x 30" long x 12" deep. Lid hinged on outboard side with 1.5" lip all sides, chrome grab handle and gas spring hold-open. Locate on top of the body over R3 offset forward.	\$1,128.00
3310-0442	Auxiliary jack pad 26X26 (2) with 20 degree formed handle. Includes mounting brackets.	\$1,259.00
3310-0443	Compartments driver side single axle LTH100/HM100/110 SideStacker. Includes rescue style extended height compartments ahead of wheel well and full width body over pump panel. Requires front tank module.	\$36,734.00
3310-0444	Compartments officer side single axle LTH100/HM100/110 SideStacker. Includes rescue style extended height compartments ahead of wheel well and full width body over pump panel.	\$28,862.00
3310-0445	Metro 100 single axle Quint front body module for use with 500 gallon tank and vertical SCR.	\$13,119.00
3310-0446	Recessed tubes for (8) Fire Hooks Unlimited pike poles w/straight poles. Not available on HP75/78 SideStacker.	\$675.00
3310-0447	Left rear staircase with pocket style drop down step to be 18" wide IPO standard. Note reduces compartment volume of compartment immediately ahead of staircase.	\$452.00
3310-0449	Pikepole/Ladder storage. Holds (2)6' New York Hook, (2)6' Boston Hook, (1)12' New York Hook and (1) 12' Boston Hook pike poles and (1) FL-10 attic ladder. Available on HP75 SideStacker only. The access door to match the rear body finish.	\$675.00

Option No.	Description	PRICE
3310-0450	Amdor rear ladder compartment rollup door with satin finish for SideStacker and NPNT aerial with side staircases (N/A on HP100P). Includes hinged ladder retention plate.	\$1,902.00
3310-0451	Body wheelwell compartments (2) above rearward tandem approx 18" W x 6" H x maximum depth permissible without interference with hydraulic line(s) reservoir(s) etc. A gasketed drop down door shall be installed on each compartment. Door material to match wheelwell finish.	\$826.00
3310-0452	Modify L3/R3 compartment opening to accommodate cord reel and junction box. Note the forward and rearward compartment's interior shall remain combined into one large compartment over driver and officer side tandem wheel.	\$784.00
3310-0453	Compartments officer side HP100 Platform SideStacker with 300g tank. Includes rescue style extended height compartments ahead of wheel well, optional compartments over forward and rearward tandem wheels and extended hosebed for customer's specific hose load requirement.	\$34,585.00
3310-0454	Pike pole/Attic ladder storage at rear of body each side of ladder tunnel. Shall hold (2) 8' and (2) 10' pike poles w/Fire Hooks Unlimited all purpose heads on officer side and (1) 10' Duo-Safety attic ladder (585-A) and (1) Fire Hooks Unlimited Dry Wall Hook on driver side. Available on rear mount platform only. The access doors to match the rear body finish.	\$1,880.00
3310-0455	Crosslay quadruple single stack, dry lay storage and storage for high rise pack split into two separate areas by backboard storage. Forward storage to be as follows: (2) 4.25" wide single stack to hold up to 200' of 2.0" DJ (each), (1) 5.5" wide to hold up to 150-200' 2.5" DJ and (1) 6" wide single stack to hold up to 150-200' of 3.0" DJ. Rearward storage to be as follows: 11.5" wide dry lay to hold up to 300' of 3" DJ and (1) 11" wide storage for a high rise pack. Does not include storage pan to rear.	\$4,199.00
3310-0456	Metro 100 single axle Quint front body module for use with 300 gallon tank and vertical SCR.	\$13,619.00
3310-0457	Compartments officer side single axle LTH100/HM100/110 SideStacker. Includes rescue style extended height compartments ahead of wheel well.	\$28,862.00
3310-0458	Compartments driver side single axle LTH100/HM100/110 SideStacker. Includes rescue style extended height compartments ahead of wheel well. Requires front tank module.	\$36,734.00
3310-0459	Crosslay triple (2) 4.25" wide single stack to hold up to 200' of 2.0" DJ (each) and (1) 9.75" wide dbl stack to hold 300' of 2.5" DJ. Includes storage pan to rear of crosslays.	\$3,823.00
3310-0460	Pikepole/Ladder storage. Holds (4) pike poles and (1) 6' sheet rock hook. Available on rear mount platform only. The access doors to match the rear body finish.	\$1,204.00
3310-0461	Storage box w/hinged cover. Box to be diamond plate painted Line-X black approx 15" wide x 79" long x 15" deep. Lid with 1.5" lip to be hinged on outboard side with (2) thumb latches, (2) EON LED lights mounted to lid to illuminate interior when open, gas spring hold-opens and chrome grab handle. Note: Aerial applications may require raising aerial to open storage lid, if option for ladder storage bracket mounted to side of base is present in order. Locate on top of body over L1/L2.	\$1,545.00
3315-0005	2-Bottle DOT 6000 PSI Breathing Air Cascade System with air panel, bottle rack and all associated air lines, valves and gauges. Rack and bottles to be located in [#LOC].	\$13,265.00
3315-0006	4-Bottle DOT 6000 PSI breathing air cascade system with air panel, bottle rack and all associated air lines, valves and gauges. Rack and bottles to be located [#LOC].	\$18,629.00
3315-0007	6-Bottle DOT 6000 PSI Breathing Air Cascade System with air panel, bottle rack and all associated air lines, valves and gauges. Rack and bottles to be located in [#LOC].	\$24,873.00

Option No.	Description	PRICE
3315-0008	2-Bottle ASME 6000 PSI Breathing Air Cascade System with air panel, bottle rack and all associated air lines, valves and gauges. Rack and bottles to be located in [#LOC].	\$16,308.00
3315-0009	4-Bottle ASME 6000 PSI Breathing Air Cascade System with air panel, bottle rack and all associated air lines, valves and gauges. Rack and bottles to be located in [#LOC].	\$24,075.00
3315-0010	6-Bottle ASME 6000 PSI Breathing Air Cascade System with air panel, bottle rack and all associated air lines, valves and gauges. Rack and bottles to be located in [#LOC].	\$33,105.00
3315-0017	Breathing Air Compressor Bauer 15 HP, 19.0 CFM, 6000 PSI. The compressor shall be located in the middle of the transverse rear wheel well compartment. Compressor shorepower connection and transfer switch required.	\$57,511.00
3315-0018	Breathing Air Compressor Bauer 20 HP, 25.2 CFM, 6000 PSI. The compressor shall be located in the middle of the transverse rear wheel well compartment. Compressor shorepower connection and transfer switch required.	\$58,547.00
3315-0021	Utility Air Compressor, Atlas Copco 5.5 HP, 20 CFM @145 PSI. Location: [#LOC].	\$5,939.00
3315-0023	Storage rack for three DOT or ASME air bottles. Mounted either vertical or horizontal in a compartment or top of body. Locate [#LOC].	\$535.00
3315-0024	Sierra Booster Pump, 6000 PSI. Locate in [#LOC].	\$14,832.00
3315-0025	6-Bottle ASME 6000 PSI Breathing Air Cascade System with air panel, bottle rack and all associated air lines, valves and gauges. Rack and bottles to be located in L5. There shall also be a Bauer CFS2 two (2) bottle fill station located in R5.	\$41,452.00
3315-0026	Pasco County Air System. There will be bracing for the 19.2 Bauer Open compressor centered between L1/R1 and a 6 bottle cascade system 2 high x 3 wide directly behind B1 centered. Need cut-out and bracing for a Space Saver Fill station in B1 offset to officer side. Generator sizing needs to be verified based on Air Compressor HP and all other AC loads.	\$347.00
3315-0027	3-Bottle ASME 6000 PSI Breathing Air Cascade System with air panel, bottle rack and all associated air lines, valves and gauges. Rack and bottles to be located in B1 rearward. Bauer CFS2 two (2) bottle fill station shall be located in B1 with control panel.	\$28,385.00
3315-0028	City of Clinton Air System (dealer installed). There will be bracing for a 3 bottle cascade system in Transverse area of L1/R1 rearward offset to the officer's side. Need cut-out and bracing for a Bauer 1 bottle fill station in L1 offset rearward. Generator sizing needs to be verified based on Air Compressor HP and all other AC loads.	\$337.00
3315-0029	Air System. There will be bracing for the 14cfm Mako compressor centered between L1/R1 and a 9 bottle cascade system 3 high x 3 wide directly behind B1 centered. Need cut-out and bracing for a Space Saver Fill station in B1 offset to officer side. Dealer supplied air system. Generator sizing needs to be verified based on Air Compressor HP and all other AC loads.	\$347.00
3315-0030	System shall consist of a Space Saver 2 bottle fill station offset against rearward wall and control panel with provisions to have low pressure system which includes controls for E-One supplied air reel and air outlet port. Control panel shall be mounted in an E-One fabricated enclosure offset against forward wall located in L3. Haskel booster pump shall be provided in L3 mounted to fixed shelf just above breathing air system units. A (4) DOT bottle cascade system located in L1/R1 horizontally mounted to transverse floor offset as far forward as possible in an E-One supplied rack.	\$40,299.00
3315-0031	Storage rack for four (2x2) DOT or ASME air bottles. Locate [#LOC].	\$2,132.00
3315-0033	Location for the air panel of the breathing air cascade system shall be: R1 rearward wall.	\$0.00
3315-0034	Bauer BP13H-E3 truck compressor module mobile skid with 4 DOT type UN bottles Located in L3/R3 with "tilt out filter design" and Bauer CFSII-2 fill station with "top mount flush fill panel cascade located in R4. Purification cartridge(s) tilt feature shall be located in L3 and the compressor and controls shall be located in R3.	\$55,984.00

Option No.	Description	PRICE
3315-0035	Low pressure utility air outlet with regulator , gauge and shut off. Located on breathing air panel and plumbed into the on board cascade system.	\$380.00
3315-0036	Storage rack for two DOT or ASME air bottles. Mounted either vertical or horizontal in a compartment or top of body. Locate top of body in upper storage beneath aerial offset forward transversely mounted ahead of aerial hydraulic reservoir.	\$535.00
3315-0037	Storage enclosure for breathing air system's control panel shall be provided. Located in L3 offset against forward wall.	\$665.00
3315-0038	System shall consist of a Space Saver 2 bottle fill station offset against rearward wall in L3 compartment and control panel with provisions to have low pressure system which includes controls for E-One supplied air reel and air outlet port. Control panel shall be mounted in an E-One fabricated enclosure offset against forward wall located in L3. Haskel booster pump with E-One supplied diamond plate cover shall be located on compartment top over L4 offset forward. A (4) ASME bottle cascade system located top of body in upper storage beneath aerial offset forward transversely mounted ahead of aerial hydraulic reservoir in an E-One supplied racks.	\$43,248.00
3315-0041	Storage rack for Six (3Wx2T) DOT or ASME air bottles. Locate between L2/R2 over rear axle and provide access to bottles thru B1 rear wall.	\$3,203.00
3315-0042	System shall consist of horizontal Space Saver 2 bottle fill station with control fill panel above, located in R2. System includes all associated plumbing, valves and gauges to accommodate a (6) bottle system. NOTE: the (6) DOT bottles are not included and shall be dealer or customer supplied! Control panel shall be mounted in an E-One fabricated enclosure. (6) Bottle DOT 6000 PSI breathing air cascade system shall be horizontally mounted in an E-One fabricated storage rack located between L2/R2 over the rear axle with intent of bottle valves to be access thru rear of B1 compartment door for easy access to DOT bottle valves.	\$15,560.00
3315-0043	6-Bottle DOT 6000 PSI Breathing Air Cascade bottles with air lines routed to fill station location in L4 forward area. Rack and bottles to be located in forward roof top boxes (3) bottles on driver side and (3) bottles on officer side. Note: No control panel included.	\$11,884.00
3315-0044	Storage rack for four (4) DOT or ASME air bottles. Mounted horizontal in roof top compartments. Locate two (2) each side in roof top compartments for dealer supplied and installed DOT/ASME bottles and Cascade system.	\$868.00
3315-0045	Storage rack for One (1) 4500 nitrogen bottle air bottle. Mounted horizontal above standard bottles (1) B1 and (1) B2.	\$627.00
3315-0046	SpaceSaver Fill Station, horizontal operation, fill two SCBA cylinders. Fill station to be located in R3.	\$14,632.00
3315-0047	Storage rack for two DOT or ASME air bottles. Mounted either vertical or horizontal in a compartment or top of body. Locate: [#LOC].	\$535.00
3315-0048	Compressor System, Breathing Air. E-ONE provided breathing air compressor system. Dealer to generate CRs providing unique customer requirements for breathing air compressor system, shoreline connection, and accommodating body modifications. Generator size requires verification. Due to unique qualities of breathing air system pricing not provided by this sales code.	\$0.00
3315-0049	Compressor System, Breathing Air. Dealer supplied and installed breathing air compressor system. Dealer to provide compressor system specifications on files tab. Dealer to generate CRs providing unique customer requirements for shoreline connection and accommodating body modifications. Generator size requires verification. Due to unique qualities of breathing air system pricing not provided by this sales code.	\$0.00

Option No.	Description	PRICE
3315-0050	SpaceSaver Fill Station, vertical operation, fill two SCBA cylinders. Fill station to be locate: L2 floor. Sierra Booster Pump, 6000 PSI. Locate: Above L2 in coffin style compartment with a remote mounted on control panel. 4-Bottle DOT 6000 PSI Breathing Air Cascade System with air panel located in L2 above fill station, bottle rack and all associated air lines, valves and gauges. Rack and bottles to be located: (2) in roof top compartments over wheelwells on officer side and (2) in roof top compartment over wheelwells on driver side.	\$32,224.00
3315-0051	SpaceSaver Fill Station, horizontal operation, fill two SCBA cylinders. Fill station to be locate: R2 floor. Sierra Booster Pump, 6000 PSI. Locate:: 2-Bottle DOT 6000 PSI Breathing Air Cascade System with air panel located above fill station and all associated air lines, valves and gauges. The bottles are to be located on the rear wall.	\$26,799.00
3315-0053	4-Bottle DOT 6000 PSI breathing air cascade system with air panel, bottle rack and all associated air lines, valves and gauges. Rack and bottles to be located [#LOC].	\$17,626.00
3315-0054	4-Bottle ASME 6000 PSI Breathing Air Cascade System with air panel, bottle rack and all associated air lines, valves and gauges. Rack and bottles to be located in [#LOC].	\$25,184.00
3315-0055	SpaceSaver M2792M two (2) bottle vertical fill station. Fill station to be located in [#LOC].	\$13,881.00
3315-0056	Bauer CFS5.5-2M two (2) bottle fill station. Fill station to be located in [#LOC].	\$14,369.00
3315-0057	Haskel Booster Pump 6000 psi, #58985-2 or equivalent	\$15,052.00
3315-0058	Mako MSCFS2 two (2) bottle fill station. Fill Station will be located in [#LOC].	\$15,615.00
3315-0059	2-bottle DOT 6000 PSI breathing air cascade system, Klamp-it, fill station and Haskel booster with control panel, installed. Bottle rack and all associated air lines, valves and gauges. Bottles, fill station, booster to be located in R2.	\$29,705.00
3315-0060	Breathing air system with (6) ASME bottles. Includes: (1) 35.9 cfm 6000 psi compressor with (TBD 208V or 230V voltage) 3 phase soft start motor & P10 Securus, (4) vertical Space Saver 2 bottle fill stations. (6) 6000 psi ASME storage bottles, control fill panel, all associated plumbing, valves and gauges to accommodate system. Compressor Located between L1/L2 & R1/R2, (2) ASME bottles located on aft wall of L4, (2) ASME bottles located on aft wall of R4, (2) ASME bottles located on rear wall of B1, (2) SpaceSaver fill stations located in L4 forward, (2) SpaceSaver fill stations located in R4 forward, Control panel located in B1 E-One fabricated enclosure. Purification to be relocated to accommodate servicing.	\$132,939.00
3315-0061	Enclosure to mount air system control panel with 6 ASME bottles and (4) 2 bottle SpaceSaver fill stations. Finish: sanded aluminum. Location: B1	\$1,061.00
3315-0062	1-Bottle DOT 6000 PSI tool air system with air panel, bottle and all associated air lines, valves and gauges (Breathing Air Systems supplied).Bottle located in L1 rearward back wall. Air Panel located in L3 upper between reels.	\$4,324.00
3315-0063	Storage enclosure for breathing air system's control panel shall be provided. Panel for (1) DOT tool system. Located in L3 between reels as high as possible.	\$421.00
3315-0064	Storage rack for One (1) DOT air bottle. Mounted vertical top of body in compartment L1 rearward to back wall.	\$627.00
3315-0065	2-Bottle DOT 6000 PSI tool air cascade system, bottle rack, associated air lines, valves and gauges. Rack and bottles to be located in [#LOC].	\$13,265.00
3315-0066	Back fill port for cascade system. Includes quick-connect fitting for refilling storage vessels. Locate on mini panel for reel locate in [#LOC].	\$0.00

Option No.	Description	PRICE
3315-0067	Bauer BP13H-E3 truck compressor module mobile skid module. Includes soft start feature. Located in L3/R3 with "tilt out filter design". Purification cartridge(s) tilt feature shall be located in B1 (behind lift up stair case) and the compressor and controls shall be located in R3. Installation requires the elimination of the back walls of compartments L3/R3 for installation and airflow requirements.	\$41,679.00
3315-0068	Partition between roof top compartments and cascade bottle storage areas for both driver and officer side. Floor to be provided above the cascade bottle storage areas to use remaining area above.	\$2,847.00
3315-0069	8-Bottle DOT 6000 PSI Breathing Air Cascade System with air panel, bottle rack and all associated air lines, valves and gauges. Rack and bottles to be located (4) each in compartments L2 and R2.	\$30,582.00
3315-0070	High pressure breathing air outlet with HP regulator, supply & regulated pressure gauges and shut off. Includes 6000 PSI quick disconnect and cap. Located on breathing air panel and plumbed into the on board cascade system. For off-filling of cascade systems with onboard compressor at scene or station houses.	\$2,365.00
3315-0071	Storage enclosure for breathing air system's control panel shall be provided. Panel for (3) DOT breathing air system. Located in L4 above the fill station..	\$421.00
3315-0072	Cascade system, 3-bottle DOT 6000 PSI breathing air system with Sidewinder fill station, air panel above fill station and all associated air lines, valves and gauges. Locate: L3.	\$18,615.00
3315-0073	Storage enclosure for breathing air system's control panel shall be provided. Panel for (3) DOT breathing air system. Located in L3 above the fill station..	\$421.00
3315-0074	Storage rack for four (4) DOT or ASME air bottles. Mounted horizontal in roof top compartments. Locate two (2) each side in roof top compartments for DOT/ASME bottles and Cascade system.	\$868.00
3315-0075	Storage rack for Two DOT or ASME air bottles. A dual bottle storage rack with lifting eyes shall be provided so that the rack with storage bottles installed can be lifted from the mounting surface for service. Rack to accommodate bottles configured side by side horizontally. Locate: Body roof. Note: Bottles not included.	\$1,623.00
3315-0076	Raceway to accommodate air lines routed thru body roof. Provision to accommodate dealer supplied and installed air lines. Option shall be designed to prevent water intrusion into compartment from roof top opening. Locate: Forward area of L4 and as close to rear of compartment as possible.	\$635.00
3315-0077	Diamond plate enclosure for six (6) DOT breathing air bottles in open storage area beneath aerial.	\$1,864.00
3315-0078	System shall consist of HYPRES single containment fill station with control fill panel. System includes all associated plumbing from cascade storage bottles to compartment with fill station. Locate: L3	\$26,712.00
3315-0079	Enclosure for breathing air system control panel shall be provided. Locate: L3 above fill station.	\$665.00
3315-0080	BreathingAir Systems cascade system: Shall consist of a Soft Start 3 phase 10 HP 13 CFM compressor, P5 Securus tilt out purification, remote controls, electric carbon monoxide monitor with calibration kit, (1) one SpaceSaver M2794 4 bottle fill station, control panel mounted in an E-One fabricated enclosure, A (6) DOT bottle cascade system roof mounted in E-One supplied racks 3 bottles each side in forward roof top compartments. Also includes: 60 FT of remote fill hose, panel fill connection, panel air outletfrom cascade, all plumbing to complete install. Compressor pkg located: L1/R1 centered. SpaceSaver fill station and controls Located: R1.	\$74,792.00
3315-0081	Enclosure, aluminum construction to accommodate air system control panel with 6 storage bottles. Finish: sanded aluminum. Location: R1	\$1,061.00

Option No.	Description	PRICE
3315-0082	Storage racks (PR) for DOT or ASME air bottles shall be provided. A pair of three (3) bottle storage racks with lifting eyes shall be provided so that the rack with storage bottles installed can be lifted from the mounting surface for service. Racks to accommodate bottles configured side by side horizontally. Locate: Body roof compartment with (1) over L2/L3 & (1) over R2/R3. Note: Bottles not included.	\$4,300.00
3315-0083	SpaceSaver Fill Station, horizontal operation, fill two SCBA cylinders. Fill station to be located in [#LOC].	\$14,632.00
3315-0084	Raceway for air lines between L2 & L3 compartments at upper rear corner and from open storage area to L2 compartment.	\$635.00
3315-0085	2-Bottle DOT 6000 PSI Breathing Air Cascade System with Space Saver M2792M 2-bottle fill station in L2 offset against forward wall, bottle rack and all associated air lines, valves and gauges for Dealer supplied and installed air control panel. Includes Sierra Precision 12000A electric booster pump 30A/110V in L3 offset forward. Rack and bottles to be located in open storage area on officer side beneath aerial.	\$23,085.00
3315-0086	Enclosure for breathing air system control panel shall be provided. Controls & panel not included. Finish shall be sanded aluminum unless otherwise specified. Locate:[#LOC].	\$665.00
3315-0087	Removable floor. A removable floor shall be provided in the roof top compartment to accommodate access and storage of ASME /DOT storage bottles below. The floor design shall be designed to maximize compartment storage space and access. The removable floor shall include a thumb latch access plate to provide quick access to the bottle valve without the need to remove the floor plate. Material shall be 3/16 smooth aluminum with a sanded finish. Locate: Roof top compartments over L3 and R3.	\$1,416.00
3315-0088	SpaceSaver M2791M Single bottle vertical fill station. Fill station to be located in [#LOC].	\$10,941.00
3315-0089	SpaceSaver fill station 300H, horizontal operation, fills two (2) SCBA cylinders. Locate in L2 offset as far rearward as practical.	\$14,632.00
3315-0090	Storage racks for Twelve (12) DOT / ASME air bottles that accommodate lift out service to bottles thru body roof. Provide Two (2) storage racks to accommodate Six (6) bottles each arranged 2Wx3L vertically secured in a lift out steel rack. Body roof access not included. Locate: Between L2/R2.	\$6,313.00
3315-0091	Storage rack for six (6) DOT air bottles for dealer supplied and installed bottles and cascade system. (6) mounted horizontal (3) wide x (2) high above the frame between L3/R3.	\$1,316.00
3315-0092	Dealer prep for a Mako MCFS2 2 bottle Fill Station. Fill Station will be located in L4, offset rearward.	\$735.00
3320-0001	SCBA large tube bottle rack. Location: [#LOC].	\$107.00
3320-0002	SCBA Small Tube Bottle Rack. Location: [#LOC]	\$90.00
3320-0003	SCBA compartment storage vertical. Location: [#LOC].	\$0.00
3320-0004	SCBA compartment storage horizontal. Location: [#LOC].	\$0.00
3320-0005	SCBA Bottle Storage. (4) Cast Product SCBA bottle storage with gasketed doors. (2) each side in rear wheel well area.	\$783.00
3320-0006	SCBA Bottle Storage. (3) Cast Product SCBA bottle storage with gasketed doors. (2) officer side and (1) driver side (fwd) in rear wheel well area.	\$1,172.00
3320-0007	SCBA Bottle Storage. (7) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (4) officer side and (3) driver side in wheel well area.	\$1,253.00
3320-0008	SCBA Bottle Storage. (8) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (4) officer side and (4) driver side in wheel well area.	\$1,494.00
3320-0009	SCBA Bottle Storage. (8) Cast Product SCBA bottle storage with gasketed doors. (4) each side in rear wheel well area.	\$1,562.00

Option No.	Description	PRICE
3320-0010	SCBA Bottle Storage. (4) Cast Product SCBA bottle storage doors. (2) each side in rear wheel well area. Each tube to include a ribbed rubber insert mounted to rear of tube.	\$704.00
3320-0011	SCBA Bottle Storage. (11) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (6) officer side and (5) driver side in wheel well area- (3) FWD and (2) RWD.	\$1,684.00
3320-0012	SCBA bottle storage. (7) E-ONE SCBA bottle storage with hinged stainless steel doors with push-button latches. (4) officer side and (3) driver side in wheel well area.	\$1,368.00
3320-0013	SCBA Bottle Storage Cast Product SCBA bottle storage with gasketed doors located in [#LOC]	\$199.00
3320-0014	SCBA Bottle Storage. (6) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (3) officer side and (3) driver side in wheel well area for use with dual tank fills.	\$1,223.00
3320-0015	SCBA Bottle Storage. (2) Cast Product SCBA bottle storage with gasketed doors. Located driver side rear wheel well area.	\$783.00
3320-0016	SCBA Bottle Storage. (7) E-ONE SCBA bottle storage with hinged doors with push button latches. (4) officer side and (3) driver side in wheel well area. Rear driver side to have Cast Product SCBA bottle storage with gasketed door.	\$1,253.00
3320-0017	SCBA Bottle Storage. (4) Cast Product SCBA bottle storage with gasketed doors. (2) each side in rear wheel well area. Recessed fuel fill to be protected behind the rear driver side SCBA door.	\$1,401.00
3320-0018	SCBA Bottle Storage. (8) Fire Shopp SCBA bottle storage with hinged doors with push button latches. (4) officer side and (4) driver side in wheel well area.	\$1,824.00
3320-0019	SCBA Bottle Storage. (7) Fire Shopp SCBA bottle storage with doors hinged doors with push button latches. Doors shall have a brushed stainless steel finish. (4) officer side and (3) driver side in wheel well area.	\$1,527.00
3320-0020	SCBA Bottle Storage. (4) Fire Shopp SCBA bottle storage with hinged doors with push button latches. (2) officer side and (2) driver side in wheel well area.	\$1,327.00
3320-0021	SCBA/Wheel Chock Storage. (2) Cast Product SCBA bottle storage with gasketed doors on driver side in wheel well area. (2) wheel chock storage compartments with hinged doors and push button latches located on officer side in wheel well area. (2) wheel chocks to be stored per compartment. Does not include wheel chocks. Storage doors to match wheel well material.	\$3,096.00
3320-0022	SCBA Bottle Storage. (7) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (3) officer side and (4) driver side in wheel well area.	\$1,253.00
3320-0023	SCBA Storage. (6) Cast Product SCBA bottle storage with gasketed doors. (3) each side rear wheel well area located in center and rearward positions.	\$1,173.00
3320-0024	SCBA Bottle Storage. (7) E-ONE SCBA bottle storage with hinged stainless steel doors with push button latches. (4) officer side and (3) driver side in wheel well area.	\$1,654.00
3320-0025	SCBA Storage. (6) Cast Product SCBA bottle storage with gasketed doors. (4) Driver side rear wheel well area and (2) officer side (located either side of the rearward tandem wheel).	\$1,173.00
3320-0026	(2) SCBA Storage. Located (1) each side and rearward of the rear axle.	\$628.00
3320-0027	SCBA Bottle Storage. (7) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (4) officer side and (3) driver side in wheel well area. The rear door on driver side will be a single door and will not cover the fuel fill.	\$1,483.00
3320-0028	Vision Mark tag for officer side rearward SCBA bottle storage. Tag to have red letters on white background. Tag to read "Extinguishers".	\$46.00

Option No.	Description	PRICE
3320-0030	SCBA Bottle Storage. (8) E-ONE SCBA bottle storage with hinged stainless steel doors with push-button latches. (4) officer side and (4) driver side in wheel well area.	\$1,003.00
3320-0031	Zico, metal QUIC-STORAGE bottle rack for large bottles for 6.1" to 7.4" cylinder. Locate in [#LOC]. Each unit will have straps to hold the bottle in and all top units will have a flat top. Each unit will be bolted together and be [#COL] PVC coated.	\$146.00
3320-0032	Zico, metal QUIC-STORAGE for small bottles 5.3" to 5.8" cylinder. Locate in [#LOC]. Each unit will have straps to hold the bottle in, an angle floor to hold bottle in place, and all top units will have a flat top. Each unit will be bolted together and be [#COL] PVC coated.	\$146.00
3320-0033	SCBA/Wheel Chock Storage. (4) Cast Product SCBA bottle storage with gasketed doors, two (2) each side centered between tandems. Four (4) wheel chock storage compartments with hinged doors (doors to match wheel well material) and push button latches located two (2) each side (1) forward and (1) rearward in each rear wheel well area for (1) SAC-44-E wheel chock to be stored per compartment. Does not include wheel chocks.	\$3,096.00
3320-0034	Four (4) SCBA bottle bracket's will be supplied evenly spaced on driver's side wall above bench seat. Bracket will be a Zico model KD-UN-5-SF.	\$117.00
3320-0035	SCBA Bottle storage - behind the cab qty of (4)	\$628.00
3320-0036	(4) SCBA Storage. Located (2) each side rearward of the rear axle in the body skirting.	\$1,278.00
3320-0037	(4) SCBA Storage. Located (2) each side- (1) forward and (1) rearward of the rear axle in the body skirting.	\$1,278.00
3320-0038	SCBA bottle storage. (2) Fire Shopp style SCBA bottle storage with hinged brushed stainless steel doors with push-button latches. (1) officer side and (1) driver side in the rear wheel well area.	\$665.00
3320-0039	SCBA bottle storage. (3) Fire Shopp style SCBA bottle storage with hinged brushed stainless steel doors with push-button latches. (2) officer side and (1) driver side in the rear wheel well area.	\$997.00
3320-0040	SCBA bottle storage. (4) Fire Shopp style SCBA bottle storage with hinged brushed stainless steel doors with push-button latches. (2) officer side and (2) driver side in the rear wheel well area.	\$1,327.00
3320-0041	SCBA Bottle Storage. (4) Cast Product SCBA bottle storage with gasketed doors with locking latches. (2) each side in rear wheel well area.	\$876.00
3320-0042	SCBA Bottle Storage. (8) Cast Product SCBA bottle storage with gasketed doors with locking latches. (4) each side in rear wheel well area.	\$1,812.00
3320-0043	SCBA/Wheel Chock Storage. (5) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (4) officer side and (1) driver side in wheel well area. (1) wheel chock storage compartment with hinged door and push button latch driver side in forward wheel well area. (2) wheel chocks to be stored per compartment. Does not include wheel chocks.	\$1,943.00
3320-0044	SCBA Bottle Storage. (6) E-ONE SCBA bottle storage with hinged stainless steel doors with push button latches. (3) officer side and (3) driver side in wheel well area. There will (2) bottles forward of the rear axle and (1) rearward.	\$891.00
3320-0045	SCBA Bottle Storage. (7) E-ONE SCBA bottle storage with hinged stainless steel doors with push button latches. (4) officer side and (3) driver side in wheel well area.	\$948.00
3320-0046	SCBA Bottle Storage. (12) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches and one aluminum tray for each bottle. Each side of body to have (3) Double SCBA bottle storage compartments, (1) forward, (1) rearward and (1) between tandem offset to rear in wheel well area.	\$1,764.00

Option No.	Description	PRICE
3320-0047	SCBA Bottle Storage. (2) Cast Product SCBA bottle storage with gasketed doors. Located officer's side rear wheel well area.	\$783.00
3320-0048	(4) SCBA Storage. Located (2) each side in wheel well - (1) forward and (1) rearward of the rear axle.	\$1,342.00
3320-0049	Four (4) SCBA bottle storage. Located (2) each side in body wheel well area.	\$685.00
3320-0050	SCBA Bottle Storage. (7) E-ONE SCBA bottle storage with hinged polished stainless steel doors with push button latches. (4) officer side and (3) driver side in wheel well area.	\$1,690.00
3320-0051	The officer side rearward SCBA/Extinguisher trough to be held 4" back from opening due to extinguisher handle.	\$0.00
3320-0052	Stainless steel trim on bottom edge of each SCBA/Extinguisher compartment opening.	\$226.00
3320-0053	SCBA Bottle Storage. (4) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (2) officer side and (2) driver side in wheel well area.	\$748.00
3320-0054	SCBA Bottle Storage. (4) Fire Shopp SCBA double bottle storage with hinged doors and push button latches. (2) SCBA bottles forward and (2) SCBA bottles rearward each side in wheel well area.	\$1,824.00
3320-0055	SCBA Storage. (6) Fire Shopp SCBA bottle storage with hinged doors with push button latches. (4) Driver side rear wheel well area and (2) officer side (located either side of the rearward tandem wheel).	\$1,989.00
3320-0056	SCBA storage, PVC, large, (3), center rear, Wildland	\$313.00
3320-0057	SCBA storage, PVC, small, (4), center rear, Wildland	\$313.00
3320-0058	SCBA Bottle Storage. (2) Fire Shopp SCBA bottle storage with hinged doors with push button latches. Located centered in officer side wheel well area.	\$665.00
3320-0059	SCBA Bottle Storage. (6) Fire Shopp SCBA bottle storage with hinged doors with push button latches. (4) officer side and (2) in center on driver side in tandem wheel well area.	\$1,368.00
3320-0061	SCBA Bottle Storage. (4) Cast Product SCBA bottle storage doors. (2) each side in rear wheel well area.	\$704.00
3320-0062	SCBA/Wheel Chock Storage. (1) E-ONE SCBA bottle storage with hinged door (door to match wheel well material) with push button latches. (1) driver side in wheel well area. (3) wheel chock storage compartment with hinged door and push button latch, (1) driver side in forward wheel well area and (2) officer side in forward and rearward wheel well area. (2) wheel chocks to be stored per compartment. Does not include wheel chocks.	\$2,846.00
3320-0063	(2) SCBA Storage. Located (1) each side in rear wheel well. Driver's side will be forward of axle, officer's side will be rear of axle.	\$628.00
3320-0064	SCBA/Fire Extinguisher Storage. Eight (8) storage compartments with hinged doors (doors to match wheel well material) and push button latches. Four each side in rear wheel well area.	\$3,096.00
3320-0065	SCBA Bottle Storage. (6) Fire Shopp SCBA bottle storage with hinged doors with push button latches. (3) officer side and (3) driver side in wheel well area.	\$1,428.00
3320-0066	Zico Bottle rack for large bottles. Locate in roll-out tray in B1 (vertically mounted) 3 wide x 3 deep. Each unit will have straps to hold the bottle in and all top units will have a flat top. Each unit will be bolted together and be Black PVC coated.	\$143.00
3320-0067	SCBA Bottle Storage. (5) Cast Product SCBA bottle storage with gasketed doors. (3) officer side - (2) over forward axle and (1) at rear of wheel well area. (2) driver side (over forward axle) in rear wheel well area.	\$978.00
3320-0068	SCBA bottle storage. (2) Fire Shopp style SCBA bottle storage with hinged brushed stainless steel doors with push-button latches. Driver's side will be forward of axle, officer's side will be rear of axle.	\$665.00
3320-0069	PAC Cylinder Mate. Locate in [#LOC]. Each unit will be black in color and have a strap to secure bottle.	\$251.00
3320-0070	Each SCBA storage area to include a ribbed rubber insert mounted to rear of storage area.	\$93.00

Option No.	Description	PRICE
3320-0071	SCBA bottle storage for 5.25" diameter high pressure cylinders. (3) dually style SCBA bottle compartments with hinged brushed stainless steel doors and push-button latches for total storage of 6 bottles. (2) officer side and (1) driver side in the rear fender panels.	\$1,223.00
3320-0072	SCBA Bottle Storage. (8) Cast Product gasketed doors with (7) SCBA bottle storage tubes. (4) Cast Product SCBA bottle storage with gasketed doors on officer's side and (3) Cast Product SCBA bottle storage tubes with (4) gasketed doors on driver's side. Recessed fuel fill to be protected behind the rear driver side SCBA door.	\$1,562.00
3320-0073	SCBA bottle storage/Recessed fuel fill. (7) Fire Shopp style SCBA bottle storage with hinged polished stainless steel doors with push-button latches. (4) officer side, (3) driver side and (1) recessed fuel fill with cast stainless housing and hinged SCBA style polished stainless steel door offset rearward in wheel well area. Note all doors to match.	\$4,436.00
3320-0074	SCBA Bottle Storage. (16) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches and one aluminum tray for each bottle. (8) officer side and (8) driver side in wheel well area.	\$2,349.00
3320-0075	SCBA storage modification to officer's side. Tubes shall be left open, no trays / brackets or matting required tubes only.	\$0.00
3320-0076	SCBA Bottle Storage. (2) Cast Product SCBA bottle storage with gasketed doors. Located (1) driver's side forward wheel well area, (1) officer's side rear wheel well area.	\$783.00
3320-0077	SCBA/Wheel Chock Storage. (6) Cast Product SCBA bottle storage with gasketed doors, (2) two driver side centered between tandem and (4) four officer side. Two (2) wheel chock storage compartments with hinged doors (doors to match wheel well material) and push button latches located (2) two driver side (1) forward and (1) rearward in rear wheel well area for (1) one SAC-44-E wheel chock to be stored in each compartment. Does not include wheel chocks.	\$3,096.00
3320-0079	SCBA Bottle Storage. (7) Fire Shopp SCBA bottle storage with hinged doors with push button latches (wired to door ajar). (4) officer side and (3) driver side in wheel well area.	\$2,057.00
3320-0080	SCBA Bottle Storage. (2) Fire Shopp SCBA bottle storage with hinged doors with push button latches. Located centered in driver side wheel well area.	\$665.00
3320-0081	Vision Mark tags (2) for driver side wheel well area SCBA bottle storage. Tags to have red letters on white background. (1) Tag forward inboard tube to read "WATER EXTINGUISHER". (1) Tag rearward inboard tube to read "DRY CHEM".	\$112.00
3320-0082	Universal air pack bottle bracket (EA). Ziamatic ULLH Universal SCBA bottle bracket(s) shall be mounted in place. Location : [#LOC].	\$195.00
3320-0083	SCBA Bottle Storage. (4) Fire Shopp SCBA double bottle storage for (8) bottles and (4) Fire Shopp SCBA single bottle storage for (4) bottles with hinged doors and push button latches (wired to door ajar). Double storage tubes located over forward tandem wheel and single storage tubes over rearward tandem wheel each side in rear wheel well area for a total of (12) SCBA bottles.	\$3,148.00
3320-0084	"Extinguishers" label to be mounted on the Officer's side rear SCBA bottle storage door IPOS.	\$43.00
3320-0085	SCBA bottle storage for 5.25" diameter high pressure cylinders. (4) dually style SCBA bottle compartments with hinged brushed stainless steel doors and push-button latches for total storage of 7 bottles. (2) officer side and (2) driver side in the rear wheel well area. Left side rear door covers the fuel pocket and has single bottle SCBA storage.	\$1,558.00
3320-0086	SCBA/Wheel Chock Storage. (3) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (2) Officer side and (1) driver side in wheel well area. (2) Wheel chock storage compartments with hinged door and push button latch. (1) Officer side, (1) driver side in forward wheel well area. (2) Wheel chocks to be stored per compartment. Does not include wheel chocks.	\$2,480.00

Option No.	Description	PRICE
3320-0087	SCBA Bottle Storage. (4) E-ONE SCBA bottle storage with hinged doors. Doors are smooth aluminum plate painted job color (doors only) with push button latches. (2) officer side and (2) driver side in wheel well area.	\$1,051.00
3320-0088	SCBA/Wheel Chock Storage. (5) E-ONE SCBA bottle storage with hinged doors. Doors are smooth aluminum plate painted job color (doors only) with push button latches. (4) Officer side and (1) driver side in wheel well area. (1) Wheel chock storage compartment with hinged door and push button latch driver side in forward wheel well area. (2) wheel chocks to be stored per compartment. Does not include wheel chocks.	\$1,943.00
3320-0089	SCBA Bottle Storage. (4) Fire Shopp SCBA bottle storage with hinged doors with push button latches with locking latches. (2) officer side and (2) driver side in wheel well area.	\$1,545.00
3320-0090	SCBA bottle storage. (7) E-ONE SCBA bottle storage hinged doors. Doors are smooth aluminum plate painted job color (doors only) with push button latches. (4) Officer side and (3) driver side in wheel well area.	\$1,838.00
3320-0091	SCBA Bottle Storage. (6) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (3) officer side and (3) driver side in wheel well area. All doors to be hinged forward.	\$2,229.00
3320-0092	PAC Cylinder Mate. Each unit will be black in color and have a strap to hold the bottle in. Locate: Inside rear body, drivers side, on top of counter top in rear most corner.	\$251.00
3320-0093	SCBA bottle storage. (3) Fire Shopp style SCBA bottle storage with hinged brushed stainless steel doors with push-button latches. (2) officer side and (1) driver side in the forward wheel well area.	\$997.00
3320-0094	SCBA Storage. (6) Cast Product SCBA bottle storage with gasketed doors. (3) each side rear wheel well area located in center and forward positions.	\$1,173.00
3320-0095	SCBA Bottle Storage. (7) E-ONE SCBA/Extinguisher bottle storage with hinged brushed stainless steel doors with push button latches. (4) officer side and (3) driver side in wheel well area.	\$1,677.00
3320-0096	Tag for SCBA/Extinguisher bottle storage. Tag to have red letters on white background. Tag to read "SCBA/FIRE EXTINGUISHER"	\$46.00
3320-0097	SCBA/Wheel Chock Storage. (3) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches in driver side in wheel well area. (2) Wheel chock storage compartments with hinged door and push button latch in officer side in wheel well area. Does not include wheel chocks.	\$2,480.00
3320-0098	SCBA/Wheel Chock Storage with hinged doors (doors to match wheel well material) with push button latches. (6) E-ONE SCBA bottle storage, (2) two driver side centered between tandem and (4) four officer side. Two (2) wheel chock storage compartments located (2) two driver side (1) forward and (1) rearward in rear wheel well area for (1) one SAC-44-E wheel chock to be stored in each compartment. Does not include wheel chocks.	\$3,096.00
3320-0099	SCBA Bottle Storage. (7) Fire Shopp SCBA bottle storage with hinged doors with locking push button latches. (4) officer side and (3) driver side in wheel well area.	\$1,997.00
3320-0100	Strap(s), loop style to retain SCBA bottle(s). Locate one per bottle in each exterior storage compartment.	\$0.00
3320-0101	SCBA bottle storage. (7) E-ONE SCBA bottle storage with hinged stainless steel doors with push-button latches. (4) officer side and (3) driver side in wheel well area. Left side rear door also covers the fuel pocket.	\$1,479.00
3320-0102	SCBA Bottle Storage. (3) Cast Product SCBA bottle storage with gasketed doors. Locate: In rear wheelwell area (2) officer side and (1) driver side (fwd).	\$589.00
3320-0103	SCBA Bottle Storage. (7) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with 1/4 turn latches. (4) officer side and (3) driver side in wheel well area.	\$1,253.00

Option No.	Description	PRICE
3320-0104	SCBA Bottle Storage shall be designed per customer request. A sample drawing and/or photo with reference to a previously built truck shall be provided in the shop order Engineering Handoff folder.	\$0.00
3320-0105	Storage sleeve for small portable O2 bottle includes securing device. Bottle size is 4.5" dia X 20" long. Finish is sanded aluminum unless otherwise specified. Locate: R3, Forward of SCBA bottles.	\$129.00
3320-0106	SCBA Bottle/Extinguisher Storage. (8) E-ONE SCBA/Ext. bottle storage with hinged doors (doors to match wheel well material) with push button latches. (4) officer side and (4) driver side in wheel well area. Driver side to accommodate four (4) Scott 45 min 4500 PSI bottles. Officer side to accommodate two(2) Amerex model A411 20# ABC Dry Chem extinguishers and Two(2) Amerex model A240 2.5 gal pressurized water extinguishers. Officer side to load one ABC drychem and One H2O extinguisher in forward storage and same in rearward storage arranged thus to provide space for the different nozzles on extinguishers.	\$1,543.00
3320-0107	SCBA Bottle Storage. (4) Fire Shopp SCBA bottle storage with hinged doors with push button latches. (4) driver side only in wheel well area. Officer side SCBA not to be installed due to rear body plumbing options. Available only on commercial units with forward fuel tanks or custom applications with officer side only fuel fill.	\$922.00
3320-0108	SCBA Storage. (6) Cast Product SCBA bottle storage with gasketed doors. (3) each side rear wheel well area located in center and rearward positions. Note rear bottle tube support brackets to be welded to body IPO bolted.	\$1,173.00
3320-0109	Extinguisher Bottle Storage (PR). Includes hinged stainless steel door with push button latch and fabricated aluminum bottle tray. Each storage compartment 26" deep to fit Amerex 420 2.5 gallon H2O extinguisher at 8" diameter or Ansul 1-20-G extinguisher at 9" diameter. Locate driver and officer side in rear tandem wheel well offset forward. Wired to door ajar.	\$2,946.00
3320-0110	SCBA Bottle Storage. (4) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (4) officer side only.	\$748.00
3320-0111	SCBA Bottle Storage. (4) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (4) driver side only.	\$748.00
3320-0112	SCBA Bottle Storage. (10) E-ONE SCBA bottle storage with hinged stainless steel doors with push button latches. (5) officer side and (5) driver side in wheel well area.	\$2,189.00
3320-0113	SCBA Bottle Storage. (8) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. Note one aluminum tray for each bottle in double storage compartments. Each side of body to have (2) Double SCBA bottle storage compartments (1) offset forward and (1) offset rearward over each tandem wheel in wheel well area.	\$1,320.00
3320-0114	SCBA Bottle Storage. (9) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (6) officer side and (3) driver side in wheel well area.	\$2,748.00
3320-0115	SCBA Bottle Storage. (6) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (4) officer side and (2) driver side in wheel well area.	\$1,121.00
3320-0116	SCBA Bottle Storage. (10) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. Note one aluminum tray for each bottle in double storage compartments. Each side of body to have (1) Double SCBA bottle storage compartment offset forward and (3) single storage compartments (2) between tandem and (1) offset to rear in wheel well area.	\$1,764.00
3320-0117	SCBA Air Pack Storage. (4) E-ONE SCBA air pack storage (2 each side) with hinged door (door to match wheel well material) with push button latches. Does not include SCBA bottles or air pack.	\$2,999.00

Option No.	Description	PRICE
3320-0118	SCBA Bottle Storage. (11) E-ONE SCBA bottle storage with hinged stainless steel doors with push button latches. (5) driver side and (6) officer side in wheel well area.	\$2,298.00
3320-0119	SCBA/Wheel Chock Storage. (5) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (4) officer side and (1) driver side in wheel well area. (1) wheel chock storage compartment with hinged door and push button latch driver side in forward wheel well area. (2) wheel chocks (fits Worden #HWG non-folding chock) to be stored per compartment. Does not include wheel chocks.	\$2,786.00
3320-0120	Strap, loop style to retain SCBA bottle (EA). Locate one per bottle in each cab outside SCBA storage compartment.	\$0.00
3320-0121	SCBA Bottle Storage. (4) Fire Shopp SCBA double bottle storage and (4) Fire Shopp SCBA single bottle storage with hinged doors and push button latches to store twelve (12) SCBA bottles. Locate (2) Double SCBA bottle storage compartments (1) offset forward over each tandem wheel and (2) single storage compartments (1) offset rearward over each tandem wheel in wheel well area.	\$2,613.00
3320-0122	SCBA Bottle Storage. (15) Fire Shopp SCBA bottle storage with hinged doors with push button latches. (8) officer side and (7) driver side in wheel well area.	\$3,350.00
3320-0123	SCBA Bottle Storage. (12) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. Note one aluminum tray for each bottle in double storage compartments. Each side of body to have (2) Double SCBA bottle storage compartments (1) offset forward over each tandem wheel and (2) single storage compartments (1) offset rearward over each tandem wheel in wheel well area.	\$1,978.00
3320-0124	SCBA Bottle Storage. (10) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (6) officer side in 2 (3) bottle pods and (4) driver side in wheel well area. Driver side to have (1) 3 bottle pod forward and a single bottle and fuel fill rearward under a single door.	\$2,771.00
3320-0125	SCBA bottle storage. (7) E-ONE SCBA bottle storage with hinged stainless steel doors with push-button latches. (4) officer side and (3) driver side in wheel well area. Left side rear door also covers the fuel pocket. Fuel pocket shall be formed stainless steel with opening large enough to open fuel cap with gloved hand.	\$1,633.00
3320-0126	SCBA/Wheel Chock Storage. (6) Fire Shopp SCBA bottle storage doors, (2) two driver side centered between tandem and (4) four officer side. Two (2) wheel chock storage compartments with hinged doors (doors to match wheel well material) and push button latches located (2) two driver side (1) forward and (1) rearward in rear wheel well area for (1) one SAC-44-E wheel chock to be stored in each compartment. Does not include wheel chocks.	\$3,096.00
3320-0127	SCBA/SPEED-DRI Storage. (5) E-ONE SCBA bottle storage/Speedi-Dri hopper with hinged doors (doors to match wheel well material) with push button latches. (2) SCBA officer side rearward, (1) speedy-dri pull out storage compartment forward. (3) driver side in wheel well area, (2) forward (1) rearward with recessed fuel fill. Speedy Dri pull out storage to be sized to utilize available space in forward wheel well and hold max available capacity per wheel well area as optioned. Hopper to hold approximately 35 lbs of absorbent.	\$2,958.00
3320-0128	SCBA Bottle Storage. (3) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (3) driver side ONLY in wheel well area.	\$573.00
3320-0129	SCBA Bottle Storage. (10) E-ONE SCBA bottle storage with hinged brushed stainless steel doors with push button latches. (6) officer side and (4) driver side in wheel well area. Officer side to have (1) 3 bottle storage forward and (1) 3 bottle storage rearward. Driver side to have (1) 3 bottle storage forward and a single bottle and fuel fill rearward under a single door.	\$3,172.00

Option No.	Description	PRICE
3320-0130	SCBA/Wheel Chock Storage. (5) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (3) officer side and (2) driver side in wheel well area. (1) wheel chock storage compartment with hinged door and push button latch driver side in forward wheel well area. (2) wheel chocks to be stored per compartment. Does not include wheel chocks. Requires right side fuel fill.	\$2,786.00
3320-0131	SCBA Bottle Storage. (4) Fire Shopp SCBA bottle storage with hinged doors with push button latches. (2) officer side and (2) driver side in 2 bottle pods in forward wheel well areas only.	\$1,327.00
3320-0132	SCBA/Wheel Chock Storage. (7) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (6) officer side and (1) driver side in wheel well area. (1) wheel chock storage compartment with hinged door and push button latch driver side in forward wheel well area. (2) wheel chocks to be stored per compartment. Does not include wheel chocks.	\$2,960.00
3320-0133	Extinguisher Bottle Storage (PR). Includes hinged stainless steel door with push button latch and fabricated aluminum bottle tray. Each storage compartment 26" deep to fit Amerex 420 2.5 gallon H2O extinguisher at 8" diameter or Ansul 1-20-G extinguisher at 9" diameter. Locate officer side in rear tandem wheel well one forward and one rearward. Wired to door ajar.	\$2,946.00
3320-0134	SCBA Storage. (6) Cast Product SCBA bottle storage with gasketed doors. . (4) Driver side rear wheel well area and (2) officer side (located center between of the rearward tandem wheel).	\$1,173.00
3320-0135	SCBA Bottle Storage. (4) Cast Product SCBA bottle storage with gasketed doors. Officer side in rear tandem wheel well area.	\$783.00
3320-0136	SCBA/Wheel Chock Storage. (3) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (2) officer side and (1) driver side in wheel well area. (1) wheel chock storage compartment with hinged door and push button latch driver side in forward wheel well area. (2) wheel chocks to be stored per compartment. Does not include wheel chocks.	\$1,587.00
3320-0137	SCBA Bottle Storage. (2) Fire Shopp SCBA double bottle storage with hinged doors and push button latches. (2) SCBA bottles, forward, each side of body in wheel well area.	\$912.00
3320-0138	SCBA Bottle Storage. (11) SCBA bottle storage with brushed stainless steel hinged doors with push-button latches. (6) officer side and (5) driver side in wheel well area. For use with high pressure 5.25" diameter cylinders only.	\$2,298.00
3320-0139	The wheel well SCBA/Storage door(s) shall not cover the fuel fill(s).	\$0.00
3320-0140	SCBA Bottle Storage. (4) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (2) officer side and (2) driver side in forward wheel well areas.	\$748.00
3320-0141	Extinguisher Bottle Storage (PR). Includes hinged door (doors to match wheel well material) with push button latch and fabricated aluminum bottle tray. Each storage compartment 26" deep to fit Amerex 420 2.5 gallon H2O extinguisher at 8" diameter or Ansul 1-20-G extinguisher at 9" diameter. (4) drivers side forward, and (3) driver side rearward in wheel well area, includes the fuel fill access in rear door. Tandem axle only w/out side Newton Dump.	\$1,838.00
3320-0173	SCBA/Oxygen Bottle Storage. (4) Fire Shopp SCBA bottle storage with hinged doors with push button latches. (2) officer side and (2) driver side in wheel well area. The (2) forward tubes shall hold "D" sized oxygen bottle, (1) each side, the (2) rear tubes to hold SCBA bottles, (1) each side.	\$1,827.00
3320-0174	SCBA/Wheel Chock Storage. (5) E-ONE SCBA bottle storage with hinged stainless steel doors with push button latches. (4) officer side and (1) driver side in wheel well area. (1) wheel chock storage compartment with hinged door and push button latch driver side in forward wheel well area. (2) wheel chocks to be stored per compartment. Does not include wheel chocks.	\$2,058.00
3320-0175	SCBA Bottle Storage. (10) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (6) officer side and (4) driver side in wheel well area.	\$1,908.00
3320-0176	SCBA Bottle Storage. (9) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (5) officer side in (1) 3-bottle pod forward, (1) double SCBA bottle storage compartment rearward. (4) driver side in wheel well area. Driver side to have (1) 3 bottle pod forward and a single bottle and fuel fill rearward under a single door.	\$2,668.00
3320-0177	SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (4) driver side in wheel well area. Driver side to have (1) 3 bottle pod forward and a single bottle and fuel fill rearward under a single door.	\$994.00
3320-0178	SCBA/Wheel Chock Storage. (6) Fire Shopp SCBA bottle storage doors, (3) three each side. Two (2) wheel chock storage compartments with bushed stainless steel hinged doors and push button latches located (1) one each side offset forward in rear wheel well area for (2) two NON-folding AC-44 Zico wheel chocks to be stored in each compartment. Does not include wheel chocks.	\$3,096.00
3320-0179	There shall be a horizontally mounted SCBA/Fire Extinguisher storage trough(s) located in compartment [#LOC].	\$125.00
3320-0180	SCBA Bottle Storage. (8) Cast Product SCBA bottle storage doors. (4) each side in rear wheel well area. Each tube to include a ribbed rubber insert mounted to rear of tube.	\$1,404.00

Option No.	Description	PRICE
3320-0181	SCBA bottle storage. (6) Fire Shopp style SCBA bottle storage with hinged brushed stainless steel doors with push-button latches. (3) officer side and (3) driver side in wheel well area. Left and right side rear doors also cover the fuel pockets.	\$1,785.00
3320-0182	E-ONE (1) SCBA bottle storage [#LOC] with hinged door and push button latch. Door material to match wheel well material. Door shall cover the recessed fuel fill if located adjacent to the SCBA storage.	\$268.00
3320-0183	E-ONE (2) SCBA bottle storage [#LOC] with hinged door and push button latch. Door material to match wheel well material.	\$403.00
3320-0184	E-ONE designed (3) SCBA bottle storage [#LOC] with hinged door and push button latch. Door material to match wheel well material.	\$627.00
3320-0185	Fire Shopp brand (1) SCBA bottle storage with hinged door and push button latch. Door shall have a brushed stainless steel finish. Door shall NOT cover the recessed fuel fill if located adjacent to the SCBA storage. Location:[#LOC]	\$334.00
3320-0186	Fire Shopp brand (2) SCBA bottle storage with hinged door and push button latch. Door shall have a brushed stainless steel finish. Location:[#LOC]	\$520.00
3320-0187	Cast Products brand (1) SCBA bottle storage with gasketed door and push button latch. Door shall NOT cover the recessed fuel fill if located adjacent to the SCBA storage. Location: [#LOC]	\$223.00
3320-0188	E-ONE designed Wheel Chock storage compartment [#LOC] with hinged door and push button latch. Door material to match wheel well material. Storage area shall hold (2) Zico Model SAC-44-E or comparable Wheel Chocks (not included).	\$448.00
3320-0189	E-ONE Speedy Dry storage compartment [#LOC] with hinged door and push button latch. Door material to match wheel well material. Includes a slide out bin (sanded finish) with hinged lid on top and grab handle on front. Capacity: Approximately 35 lbs of Speedy Dry absorbent material.	\$1,163.00
3320-0190	SCBA Bottle Storage (16). Fire Shopp SCBA double bottle storage with hinged doors and push button latches. (8) SCBA bottles officer side and (8) SCBA bottles driver side in wheel well area.	\$3,643.00
3320-0191	Wheel well storage area door(s) to be stainless steel in place of standard.	\$351.00
3320-0192	Compartment approx 26" W x 10" H x 25" D with drop down door. Door material to match wheelwell finish. Minimum 34" high lower body compartment openings required. Location:[#LOC]	\$582.00
3320-0193	SCBA Bottle Storage. (7) E-ONE SCBA bottle storage with hinged doors (doors to match wheel well material) with push button latches. (6) officer side in 2 (3) bottle pods and (1) driver side in a single (1) bottle pod located rearward in the wheel well area. Driver side forward wheel well area to accommodate one (1) wheel chock storage to fit two (2) NON-folding AC-44 Zico wheel chocks. (not included). For use on commercial units or apparatus without a wheel well located fuel fill. May not be compatible with wheel well located receptacles, aux. turn signals or back up lighting if located in wheel wells.	\$2,977.00
3320-0194	E-ONE (4) SCBA bottle storage (2 bottle storage per door) located [#LOC] with hinged doors and push button latches. The doors shall be hinged at the center with one door facing forward and other door facing rearward. Door material to match wheel well material.	\$803.00
3320-0195	E-ONE designed (6) SCBA bottle storage (3 bottle storage per door) located [#LOC] with hinged doors and push button latches. The doors shall be hinged at the center with one door facing forward and other door facing rearward. Door material to match wheel well material.	\$1,255.00
3320-0196	SCBA Air Pack Storage. (1) E-ONE SCBA air pack storage with hinged door (door to match wheel well material) with push button latches. Does not include SCBA bottles or air pack.	\$548.00

Option No.	Description	PRICE
3320-0197	E-ONE (2) SCBA bottle storage (1 bottle storage per door) located [#LOC] with hinged doors and push button latches. The doors shall be hinged at the center with one door facing forward and other door facing rearward. Door material to match wheel well material.	\$535.00
3320-0198	Fire Shopp brand (2) SCBA bottle storage (1 bottle storage per door) located [#LOC] with hinged doors and push button latches. Doors shall have a brushed stainless steel finish and shall be hinged at the center with one door facing forward and other door facing rearward.	\$725.00
3320-0199	Fire Shopp brand (4) SCBA bottle storage (2 bottle storage per door) located [#LOC] with hinged doors and push button latches. Doors shall have a brushed stainless steel finish and shall be hinged at the center with one door facing forward and other door facing rearward.	\$1,128.00
3320-0200	Cast Products brand (2) SCBA bottle storage (1 bottle storage per door) located [#LOC] with gasketed doors and push button latches. The doors shall be hinged at the center with one door facing forward and other door facing rearward.	\$806.00
3320-0201	E-ONE Wheel Chock storage with hinged stainless steel door with push button latch. Locate driver side forward wheel well area. Assembly to fit (2) Worden #HWG non-folding wheel chocks. Does not include wheel chocks.	\$420.00
3320-0202	SCBA bottle storage for 5.6" diameter cylinders. (2) triple style SCBA bottle compartments with hinged brushed stainless steel doors and push-button latches for total storage of (6) bottles. Locate officer side forward and rearward in the rear body wheel well.	\$1,358.00
3320-0203	SCBA bottle storage. (5) E-ONE SCBA bottle storage with hinged stainless steel doors with push-button latches. (2) officer side rear and (3) driver side in wheel well area. Rear door on driver side covers the fuel fill.	\$998.00
3320-0204	(6) E-ONE SCBA bottles and (4) Wheel Chocks storage. SCBA bottles located; (3) officer and (3) driver side in wheel well area (two center and one rear) with an individual door for each bottle. (2) wheel chock compartments located; (1) officer and (1) driver side in forward wheel well area. Each chock compartment fits up to (2) Worden #HWG non-folding chocks. Wheel chocks selected separately. All doors are brushed stainless steel with a push button latch.	\$2,796.00
3320-0205	SCBA/Wheel Chock Storage. (8) SCBA bottle and (4) Wheel Chock storage with E-One style hinged doors (doors to match wheel well material) with push button latches. Note one aluminum tray for each SCBA bottle in double storage compartments. Both sides to have (4) SCBA bottles each side. (1) Double SCBA bottle storage compartment offset rearward over each forward tandem wheel and (2) single storage compartments (1) forward and (1) rearward over each rearward tandem wheel. (2) Wheel Chock storage compartments offset forward over each forward tandem wheel for (2) two NON-folding AC-44 Zico wheel chocks to be stored in each compartment. Does not include wheel chocks.	\$3,096.00
3320-0206	SCBA/Extinguisher/Chock storage. (3) Fire Shopp style SCBA bottle storage with hinged brushed stainless steel doors and push-button latches. (2) officer side and (1) driver side (rearward) in the rear wheel well area. (1) wheel chock storage compartment with hinged door and push button latch driver side in forward wheel well area, fits (2) Worden #HWG non-folding chocks. Does not include equipment.	\$1,327.00
3325-0000	E-ONE designed PTO driven HRT system, 9,000-10,500 PSI system, with 3 tool capability.	\$37,399.00
3325-0001	E-ONE designed PTO driven HRT system, 9,000-10,500 PSI system, with 4 tool capability.	\$45,767.00
3325-0002	E-ONE designed 2 PTO driven HRT system, 9,000-10,500 PSI system, with 6 tool capability.	\$68,814.00
3325-0003	E-ONE designed PTO driven HRT system, 9,000-10,500 PSI system, with 2 tool capability.	\$34,188.00

Option No.	Description	PRICE
3325-0004	XRT Hydraulic tool system with 2 tool capability. 10,500 PSI system. Includes selector vlv for each reel, hyd res / filter and remote cooler. Requires gen with XRT hyd pump.	\$23,508.00
3325-0005	E-One designed PTO driven HRT system. 5,000 PSI system with 3 tool capability.	\$37,399.00
3325-0006	The hydraulic tool system selector control(s) shall be located: [#LOC].	\$0.00
3325-0007	HRT 3 tool system for Holmatro, thru drive on generator hydraulic pump for HRT air clutch and drive pump. Locate reservoir in upper pan adjacent to the hydraulic generator unit in rear dunnage pan. Locate the manifold inside the pump panel compartment up high with roof access for adjustments. Locate the cooler adjacent to the foam system cooler in forward dunnage pan. Port locations are (2) quick disconnect panels in the L4/ R4 and (1) to the reel in R4. L4 quick disconnect station to be as high as possible offset to the rear of the compartment. R4 quick connect station to be as high as possible offset forward in the compartment. Control panels for quick connect stations to be integral with quick connect mounting plates. R4 reel to be offset rearward and control panel shall be up high adjacent to the reel.	\$52,674.00
3325-0008	TNT PTO-TWIN Hydraulic tool system with 2 tool capability. 10,500 PSI system. Requires Harrison gen with IHT configuration. Pump location: [#LOC]	\$13,139.00
3325-0009	XRT Hydraulic tool system with 3 tool capability. 5,000 PSI system. Includes selector vlv for each reel, hyd res / filter and remote cooler. Requires gen with XRT hyd pump.	\$26,422.00
3325-0010	XRT Hydraulic tool system with 2 tool capability. 5,000 PSI system. Includes selector vlv for each reel, hyd res / filter and remote cooler. Requires gen with XRT hyd pump.	\$27,529.00
3325-0011	Additional hydraulic reel valves. (2) Dump and (2) splitter valves shall be provided. The (2) dump valves are required when providing functionality for (2) additional reels. The (2) splitter valves are required to allow (2) tools to operate at each of (2) reels.	\$14,886.00
3325-0012	Route hyd lines from IHT function manifold to [#LOC]. Terminate with bulkhead fittings.	\$0.00
3325-0013	TNT PTO-TWIN-LP Hydraulic tool system with 2 tool capability. 5000 PSI system. Requires Harrison gen with IHT configuration. Pump location: [#LOC]	\$13,440.00
3325-0014	XRT Hydraulic tool system with 3 tool capability. 10,500 PSI system. Includes selector vlv for each reel, hyd res / filter and remote cooler. Requires gen with XRT hyd pump.	\$26,422.00
3325-0015	HRT 2 tool system for Holmatro, thru drive on generator hydraulic pump for HRT air clutch and drive pump. Locate reservoir in upper pan adjacent to the hydraulic generator unit in rear dunnage pan. Locate the manifold inside the pump panel compartment up high with roof access for adjustments. Locate the cooler adjacent to the foam system cooler in forward dunnage pan. Plumb to reels in front bumper.	\$51,546.00
3325-0016	E-ONE designed PTO driven HRT system, 10,000 PSI, with 3 tool capability.	\$42,644.00
3325-0017	Amkus 4-tool Ultimate system. Includes (4) Amkus reels each with 150' 10500PSI twin line hoses located (1) above forward L2 (red) and (1) above rearward L2 (blue), (1) above forward R2 (black) and (1) (yellow) above rearward R2. Pennant mount controllers in L2 & R2. System installed between L1 & R1 with roof mounted cooler on top of forward rescue body.	\$115,060.00
3325-0018	There will be a thru shaft for the generator to work off the same PTO as HRT system.	\$2,347.00
3325-0019	E-ONE HRT hydraulic outlet control panel for Amkus tools. Location: driver and officer side front bumper.	\$2,389.00
3325-0021	Genesis Mach III Hydraulic tool system with 2 tool capability. 10,000 PSI system. Requires Harrison gen with IHT configuration. Pump location: [#LOC].	\$16,366.00

Option No.	Description	PRICE
3325-0022	XRT Hydraulic tool system with 1 tool capability. Includes selector vlv for each reel, hyd res / filter, remote cooler and hydraulic pump. Requires Smart Power Liberator generator.	\$20,842.00
3325-0023	Hydraulic tool system to be for 5000 PSI tools.	\$0.00
3325-0024	XRT PTO driven HRT system, 5,000 PSI system, with 2 tool capability.	\$31,162.00
3325-0025	Holmatro Core hydraulic pump with 240v 60 Htz electric motor, three (3) bulkhead fittings, and three (3) Core hoses.	\$24,803.00
3325-0026	Control panel Hydraulic outlet control panel for Hurst tools. Location: Front bumper over frame rail area, driver side.	\$2,389.00
3325-0027	Control panel Hydraulic outlet control panel for Hurst tools. Location: Front bumper over frame rail area, officer side.	\$2,389.00
3325-0028	Holmatro / Harrison PTO driven HRT system, 10,500 PSI system, with 4 tool capability. NOTE: Option to be utilized with CORE connections not included and requires additional sales code.	\$32,265.00
3325-0029	Hydraulic bulkhead fitting for Holmatro CORE (fitting comes with hinged cover) shall be mounted to an angled mounting bracket which is mounted to the top of the driver side gravel shield. The mounting bracket shall enclose the lead lines feeding the rear of the bulkhead fitting as mounted on the angled bracket. The bracket shall be made of 1/8 aluminum diamond plate. Includes Core Technology hose (up to 10,000 PSI). The hose shall run from Holmatro pump to the driver side front bumper gravel shield.	\$4,307.00
3325-0030	Hydraulic bulkhead fitting for Holmatro CORE (fitting comes with hinged cover) shall be mounted to an angled mounting bracket which is mounted to the top of the officer side gravel shield. The mounting bracket shall enclose the lead lines feeding the rear of the bulkhead fitting as mounted on the angled bracket. The bracket shall be made of 1/8 aluminum diamond plate. Includes Core Technology hose (up to 10,000 PSI). The hose shall run from Holmatro pump to the officer side front bumper gravel shield.	\$4,307.00
3325-0031	Hydraulic bulkhead fitting for Holmatro CORE (fitting comes with hinged cover). Includes Core Technology hose (up to 10,000 PSI). The hose shall run from Holmatro pump to the rear body on the driver side below the DOT light.	\$4,307.00
3325-0032	Hydraulic bulkhead fitting for Holmatro CORE (fitting comes with hinged cover). Includes Core Technology hose (up to 10,000 PSI). The hose shall run from Holmatro pump to the rear body on the officer side below the DOT light.	\$4,307.00
3325-0033	A wireless remote will be hooked up to the HRT system. There will be up to 4 wireless controllers located near reels. System antennas and control module will be located in the dunnage area.	\$4,766.00
3325-0034	Genesis Outlaw hydraulic electric pump. Pump to be located [#LOC].	\$13,183.00
3325-0035	Valve diverter for XRT 5,000 PSI tool system. Location: L1 rear wall.	\$1,845.00
3330-0000	Lower handrails for both cab and body to be rubber inlaid	\$604.00
3330-0001	Slide-out platform, integral driver side running board (includes hand rail as applicable).	\$1,475.00
3330-0002	Slide-out platform, rollerless. Includes chrome grab handle centered on the front face of the platform (includes hand rail as applicable). Located [#LOC].	\$1,428.00
3330-0003	Rear slideout platform - rollerless HP75 / HP78 SideStacker 36" wide located below hosebed. Includes a chrome grab handle centered on the frt face of the platform and a handrail below hosebed.	\$1,069.00
3330-0004	Slideout platform-recessed rear. Located below hosebed. Includes a handrail below hosebed. Requires extended hosebed on HP100, CR100, and 92 Pltfrm SideStacker bodies.	\$965.00
3330-0005	Slideout platform-rollerless low profile style located below driver side pump panel. RLP only.	\$957.00
3330-0007	Folding Step. Location [#LOC]. Each location requires a minimum of (1) handrail per NFPA.	\$139.00
3330-0008	Handrail up to 12". Location [#LOC].	\$122.00

Option No.	Description	PRICE
3330-0012	Intermediate pump panel step officer side with forward tapered corner. Includes step lighting (as applicable). Step light to be switched thru work light in cab.	\$735.00
3330-0013	Platform with 500lbs. slides. Locate [#LOC]. Platform sized as required per location. I includes a chrome grab pull handle and a body mounted handrail (as applicable for body mounted locations).	\$961.00
3330-0015	Auto Kwikkee Step for Large Rescues. Locate under Entry door. The step shall be locked out when parking brake is activated.	\$876.00
3330-0017	Ceiling Handrail - Install full length ceiling handrail to ceiling of walk-in area. Offset drivers side 14 inches off the center. Van-Mor will be installing the handrail.	\$304.00
3330-0020	Intermediate pump panel step driver and officer side with forward tapered corner. Includes step lighting (as applicable). Step lights to be switched through work light in cab.	\$1,411.00
3330-0023	Slideout platform-integral officer side running board. Not available with a front suction (includes handrail as applicable).	\$1,475.00
3330-0024	Steps rear NFPA. Includes folding steps on driver side (staggered stepped as applicable with tailboard depth) for NFPA hosebed access and handrail mounted on driver side upper hosebed side (as applicable).	\$0.00
3330-0025	Steps rear. Includes folding steps on officer side (staggered stepped as applicable with tailboard depth) for additional hosebed access and handrail mounted on officer side upper hosebed side (as applicable).	\$397.00
3330-0026	(3) Cast Product steps. Mount to driver side of B1. To include lighting under each step and driver side upper hose bed hand rail.	\$367.00
3330-0027	(3) Cast Product steps. Mount to officer side of B1. To include lighting under each step and officer side upper hose bed hand rail.	\$367.00
3330-0028	Rear driver side cast products steps with intermediate step. Includes step lighting with cast product steps.	\$1,035.00
3330-0029	Intermediate pump panel step officer side with forward tapered corner. Includes (1) lower and (1) upper folding step with (1) handrail and (1) recessed step light located above the intermediate step. Step light to be switched thru work light in cab.	\$999.00
3330-0030	Intermediate pump panel step officer side with forward tapered corner. Includes (2) lower and (1) upper folding step with (1) handrail and (1) recessed step light located above the intermediate step. Step light to be switched thru work light in cab.	\$1,129.00
3330-0031	Intermediate pump module step officer side with forward and rearward tapered corners. Locate just below the crosslay floor. Includes step lighting (as applicable). Step light to be switched thru work light in cab.	\$482.00
3330-0032	(3) Folding Steps. Located on the officer side rear of cab. Position all (3) steps below the upper module intermediate step. Handrail to be mounted on top of pump module rearward of the crosslays	\$609.00
3330-0033	Intermediate pump module step driver side. Locate just below the crosslay floor. Includes step lighting (as applicable). Step light to be switched thru work light in cab.	\$340.00
3330-0034	Recessed folding step box. Driver side rear. To accommodate all steps as applicable.	\$273.00
3330-0035	Recessed folding step box. Officer side rear. To accommodate all steps as applicable.	\$273.00
3330-0036	(5) Folding Steps. Located on the officer and driver side behind rear doors of cab. Handrail to be mounted on upper portion of cab for access to the crosslays	\$1,417.00
3330-0037	Intermediate pump panel step driver side directly below crosslays (full width). Includes (2) lower folding steps with (1) loop handrail towards rear. Includes step lighting (as applicable). Step light to be switched thru work light in cab.	\$1,197.00
3330-0038	Upper hosebed handrail. Locate to rear most area of hosebed with same stanchions as rear tailboard handrails. Handrail not to be in the hosebed.	\$255.00
3330-0039	Handrail reinforcement located behind driver side upper pump panel. To be welded into place for mounting of handrail.	\$41.00

Option No.	Description	PRICE
3330-0040	Steps rear NFPA. Includes diamond plate gator grip corner steps on driver side for NFPA hosebed access and handrail mounted on driver side upper hosebed side (as applicable).	\$0.00
3330-0041	Steps Rear NFPA. Includes diamond plate corner steps on driver and officer side for NFPA hosebed access and handrail mounted on driver and officer side upper hosebed side (as applicable)	\$258.00
3330-0042	Hansen white LED body hand rails upgrade package (includes pump module if applicable).	\$1,431.00
3330-0043	Full width handrail to be mounted just below hosebed. Handrail to run from beavertail to beavertail. Includes (2) pass-through stanchions equally spaced. This handrail is in place of standard handrail.	\$380.00
3330-0044	Step rear intermediate. Includes steps for NFPA hosebed access and handrail on upper hosebed side on driver side. Locate: (1) large corner step each side below intermediate step and (1) small corner step each side above intermediate step. Includes handrail mounted on officer upper hosebed side.	\$781.00
3330-0045	Handrail to be mounted just below hosebed to be thru bolted. Includes (2) pass-through stanchions equally spaced. This 48" handrail is in place of standard 48" handrail.	\$544.00
3330-0046	Folding Step Package. Steps include LED integral lights. Locate (3) each front compartment face and (2) each side rear. Includes applicable handrails as required.	\$2,271.00
3330-0047	(2) Folding Steps. Located on the officer and driver side behind rear doors of cab. Rear cab handrails will be used for steps.	\$766.00
3330-0048	Handrails above compartments over 96" (Pair). To be mounted on top of body.	\$380.00
3330-0049	Handrails full length of hosebed cover door. Total of (4) handrails. Location (1) handrail on inboard side of each hosebed cover door.	\$1,191.00
3330-0050	Intermediate pump panel step driver side with forward tapered corner. Includes step lighting (as applicable). Step light to be switched thru work light in cab.	\$735.00
3330-0051	Step rear intermediate above B1. Includes handrail mounted on top of 5x5 extrusions both sides.	\$770.00
3330-0052	Slideout platform-rollerless low profile style located [#LOC]. Includes (1) hand rail (mounted as applicable).	\$957.00
3330-0053	Folding Step, Fire Shopp. Location [#LOC]. Step include integral lights. Each location requires a minimum of (1) handrail per NFPA.	\$161.00
3330-0054	Steps rear NFPA, Fire Shopp. Steps include integral lights. Includes folding steps on driver side (staggered stepped as applicable with tailboard depth) for NFPA hosebed access and handrail mounted on driver side upper hosebed side (as applicable).	\$0.00
3330-0055	Steps rear, Fire Shopp. Steps include integral lights. Includes folding steps on officer side (staggered stepped as applicable with tailboard depth) for additional hosebed access and handrail mounted on officer side upper hosebed side (as applicable).	\$480.00
3330-0056	Intermediate pump panel step officer side with forward and rearward tapered corners. Includes step lighting (as applicable). Step lights to be switched thru work light in cab.	\$917.00
3330-0057	Handrails to be mounted just below hosebed to be thru bolted. Handrails to have offset stanchions. These (2) appropriately sized handrails are in place of standard 48" handrail.	\$544.00
3330-0058	Intermediate pump panel step driver side with forward and rearward tapered corners. Includes step lighting (as applicable). Step lights to be switched thru work light in cab.	\$917.00
3330-0059	Zico swing-out access ladder with 4 rungs on main ladder and 2 rungs on swing down ladder. Locate on right side of pump module offset to rear.	\$2,051.00
3330-0060	Folding Step. Location (1) one each side of staircase on rear extrusions for access to staircase . Each location requires a minimum of (1) handrail per NFPA.	\$270.00

Option No.	Description	PRICE
3330-0061	Handrail to be mounted on the rear of the hosebed. Handrail to use offset stanchions and be mounted downward. This is in place of standard below the hosebed handrail.	\$195.00
3330-0062	Step rear intermediate. Intermediate rear step to be embossed diamond plate. Includes folding steps on driver side for NFPA hosebed access and handrail mounted on driver side upper hosebed side (as applicable).	\$603.00
3330-0063	Steps rear. Includes diamond plate gator grip corner steps on officer side for hosebed access and handrail mounted on officer side upper hosebed side (as applicable).	\$498.00
3330-0064	Hosebed Access Ladder. Aluminum extruded ladder with diamond plate gator grip steps located on driver side inboard of beavertail. Requires removal of gator grip on tailboard below step for mounting.	\$1,404.00
3330-0065	Zico access ladder. Location: [#LOC]. Includes required step lights.	\$1,834.00
3330-0067	Compartment (interior) mounted manually operated fold-out step/platform with gator grip surface. Includes a mechanical hold close located in the compartment and (1) vertically mounted handrail mounted along one side of the compartment exterior. Step/platform will reduce compartment interior mounted items overall width and/or depth. Locate: [#LOC].	\$1,069.00
3330-0068	Slideout platform-rollerless. Includes mounting brackets to lower the platform (bottom of platform) to approximately 12" from the ground and a chrome grab handle centered on the front face of the platform. Located [#LOC].	\$1,854.00
3330-0069	Spacer bracket for platform mounting. Bracket to lower platform to approx. 12" from ground (measured to bottom of platform). Locate: [#LOC].	\$282.00
3330-0070	Steps rear driver and officer (Montreal). Includes folding steps on driver and officer side with steps mounted as far rearward on the beavertail (not staggered) as applicable. Steps located (top of tailboard to top of step(down) flat surface) lowest (11"), middle (24.5") and top (39.5").	\$458.00
3330-0071	Step rear intermediate above B2.	\$770.00
3330-0072	Hansen red LED body handrails upgrade package (includes pump module if applicable).	\$1,431.00
3330-0073	Step rear intermediate embossed tread plate. Locate rear body. Includes handrail (in place of horizontal hosebed handrail).	\$603.00
3330-0074	Access ladder. Aluminum extruded ladder with ribbed aluminum extrusion steps located on officer side of pump module offset to the rear. Rear rail to loop up and over to aid in access into/out of dunnage storage pan.	\$1,726.00
3330-0075	Slideout platform - SlideMaster. Location: [#LOC].	\$1,883.00
3330-0076	Pool style hand rail. Includes and approx. 16" loop over the body. Location: driver side staircase; forward hand rail.	\$274.00
3330-0077	Intermediate pump panel step officer without taper. Includes step lighting (as applicable). Step light to be switched thru work light in cab.	\$775.00
3330-0078	Handrail pool stlye. Locate on rear of beavertail and rear upper body corner. In place of standard 48" beavertail and 10" upper rear body handrails.	\$474.00
3330-0079	Slide-out platform, rollerless. Includes chrome grab handle centered on the front face of the platform (includes hand rail as applicable for body mounted locations) and required step lighting. Located [#LOC].	\$961.00
3330-0080	Intermediate pump panel step driver side located rearward of the crosslays. Includes step lighting (as applicable). Step lights to be switched thru work light in cab.	\$917.00
3330-0081	(5) Folding Steps. Located on the driver side behind rear doors of cab w/ diamond plate paint guard. Handrail to be mounted on upper portion of cab for access to dunnage area.	\$837.00
3330-0082	Handrail 36". Location: driver side vertically mounted on forward corner extrusion of pump module..	\$362.00

Option No.	Description	PRICE
3330-0083	Handrail 18". Location: (1) on top of forward staircase module 3x3 extrusion, (1) on officer side lip of staircase storage pan and (1) on top of officer side compartment top offset to front.	\$541.00
3330-0084	Step pocket flop down. Locate under staircase in rub rail.	\$611.00
3330-0085	Ladder, aluminum access rear of body with extruded and ribbed extrusion sides and steps. The outboard vertical extrusion is to extend full height and over the rear upper body for an additional gripping surface when accessing the upper body/hosebed area. Locate to the [#LOC]	\$627.00
3330-0086	Below body step (PR) bolt-on. Locate on right side of body, forward and rearward of rear outrigger. Steps to be approx 12" wide with gator grip top surface. Each step to include a horizontal handrail on side of body. Requires aux jack pad to be located to rear of rearward step. For use with extended HB body only.	\$940.00
3330-0087	Aluminum access ladder with extruded and ribbed extrusion sides and steps. Note that ladder width may vary with position of pump intake/discharge locations. Locate to the [#LOC]	\$1,251.00
3330-0088	Ladder, hosebed access. Includes welded aluminum rungs and stanchion connector/ends. Location: [#LOC].	\$958.00
3330-0089	Intermediate pump panel step driver and officer side without taper. Includes step lighting (as applicable). Step light to be switched thru work light in cab. Mounting feet to be reverse mounted due to vertically hinged panel.	\$1,411.00
3330-0090	Handrail on pump module to be full length as possible. Location: [#LOC].	\$122.00
3330-0091	Rear intermediate landing platform. Locate above pump access door at rear of body.	\$603.00
3330-0092	Grab-Handles to be installed to the rear of the engine cover.	\$94.00
3330-0093	Ladder access, aluminum extruded ladder with ribbed aluminum extrusion steps located on the rear offset to the officer side. Includes required step lights.	\$1,737.00
3330-0094	A pair of 12" handrails shall be supplied. Locate 1 each side outboard of ladder on roof.	\$242.00
3330-0095	Intermediate pump panel step driver and officer side located rearward of the backboard storage. Includes step lighting (as applicable). Step lights to be switched thru work light in cab.	\$917.00
3330-0096	Steps rear package. Includes (2) diamond plate gator grip corner steps - (1) up high and (1) down low and (1) folding step between the corner steps on the driver and officer sides for hosebed access. Includes handrails mounted vertically on driver and officer side rear upper hosebed sides (as applicable).	\$498.00
3330-0097	Handrail 36". Location: (1) each side on driver and officer side pump module up high.	\$544.00
3330-0098	Handrail 12". Location outboard driver and officer side rear hosebed side.	\$122.00
3330-0099	Step rear intermediate. Intermediate rear step to be located just below the upper rear body compartment.	\$603.00
3330-0100	Step below body. Located below [#LOC]. Each location requires a minimum of (1) handrail / handhold per NFPA.	\$367.00
3330-0101	Intermediate pump panel step for rear pump panel.	\$409.00
3330-0102	Handrail 18" (PR) located one each side at front of body for use when entering or exiting rear cab doors.	\$395.00
3330-0103	Dual lighted LED folding steps rear NFPA. Includes folding steps on driver side (staggered stepped as applicable with tailboard depth) for NFPA hosebed access and handrail mounted on driver side upper hosebed side (as applicable).	\$0.00
3330-0104	Dual lighted LED folding steps rear NFPA. Includes folding steps on officer side (staggered stepped as applicable with tailboard depth) for additional hosebed access and handrail mounted on officer side upper hosebed side (as applicable).	\$424.00
3330-0105	Dual lighted LED folding step. Location: [#LOC]. Each location requires a minimum of (1) handrail per NFPA.	\$131.00
3330-0106	Step rear intermediate. Intermediate rear step to be located just below the upper ladder storage compartment.	\$603.00

Option No.	Description	PRICE
3330-0107	All body and pump module (if applicable) hand rails to use Austin Hardware model GR-002-AL-BRT-144 knurled bright anodized aluminum tubes IPOS.	\$319.00
3330-0108	Five (5) folding steps- two (2) officer and three (3) driver side front compartment face. Includes two (2) handrails - one (1) officer side and one (1) driver side of pump module and (1) light up high on driver side compartment face.	\$534.00
3330-0109	Four (4) folding steps- one (1) officer and three (3) driver side front compartment face. Includes two (2) handrails - one (1) officer side and one (1) driver side of pump module and (1) light up high on driver side compartment face.	\$417.00
3330-0110	Six (6) folding steps- three (3) officer and three (3) driver side front compartment face. Includes two (2) handrails - one (1) officer side and one (1) driver side of pump module and (2) lights up high on front compartment faces.	\$654.00
3330-0111	Four (4) dual lighted LED folding steps- one (1) officer and three (3) driver side front compartment face. Includes two (2) handrails - one (1) officer side and one (1) driver side of pump module.	\$0.00
3330-0112	Five (5) dual lighted LED folding steps- two (2) officer and three (3) driver side front compartment face. Includes two (2) handrails - one (1) officer side and one (1) driver side of pump module.	\$0.00
3330-0113	Six (6) dual lighted LED folding steps- three (3) officer and three (3) driver side front compartment face. Includes two (2) handrails - one (1) officer side and one (1) driver side of pump module.	\$0.00
3330-0114	Intermediate pump panel step officer side with forward tapered corner. Includes (1) lower and (1) upper dual LED lighted CPI folding step and a minimum of (1) handrail as req to meet NFPA. Step lights to be switched thru work light in cab.	\$993.00
3330-0115	Intermediate pump panel step officer side with forward tapered corner. Includes (2) lower and (1) upper dual LED lighted CPI folding step and a minimum of (1) handrail as req to meet NFPA. Step lights to be switched thru work light in cab.	\$1,121.00
3330-0116	Dual lighted LED folding step. Location: (1) one each side of staircase for access to staircase. Each location requires a minimum of (1) handrail per NFPA.	\$262.00
3330-0117	Frame mounted stirrup style step with gator grip offset to forward area of pump module one each side. Requires relocating oil catch muffler.	\$1,382.00
3330-0118	Steps rear. Steps include integral LED lights. Includes (6) folding steps - (3) on driver side and (3) on officer side (staggered stepped as applicable with tailboard depth) for additional hosebed access and handrail mounted on driver and officer side upper hosebed side (as applicable).	\$711.00
3330-0119	Handrail location for the folding steps on the driver's side front compartment face shall be 2" from the front of the body to the center of the handrail station on the front of the hosebed side.	\$0.00
3330-0121	Rear intermediate step with Bustin Tread insert above compartment B2. Includes hand rails mounted on both sides (or as applicable).	\$772.00
3330-0122	Handrails for rear body steps to be mounted on inboard side of 3x3 extrusion above each of the landing platforms on each side of the body. Handrails to use offset stanchions and be mounted upward.	\$0.00
3330-0123	Rear landing platform located above the B1 compartment. Landing platform to be used for hose loading operations and will be embossed diamond plate.	\$603.00
3330-0124	Access ladder. Aluminum extruded ladder with ribbed aluminum extrusion steps located on the rear offset to the driver side. Includes required step lights.	\$1,737.00
3330-0125	Slideout platform-integral driver side running board (includes handrail as applicable). The platform step to be smooth plate with gator grip painted black durabak.	\$1,773.00

Option No.	Description	PRICE
3330-0126	Slideout platform-rollerless. Includes chrome grab handle centered on the frt face of the platform (includes handrail as applicable). Located below officer side pump panel. The platform step to be smooth plate with gator grip painted black durabak	\$1,726.00
3330-0127	Handrail 36". Location: (1) each side on driver and officer side pump module forward extrusion vertically mounted.	\$544.00
3330-0128	Diamond plate step (approx. 12"w) with Gator Grip at center rear of body even with top of body to provide additional top deck area. Step to have tapered ends left and right and 1" lip extending up. Available on SideStacker style bodies only.	\$802.00
3330-0129	Auto Kwikkee step. Step shall be wired into the door interlock system to enable the step to automatically extend when the door is opened and retract when the door is closed. Location: [#LOC].	\$876.00
3330-0130	Diamond plate gator grip overlay to be located on driver and officer compartment tops forward body and compartment tops ahead of turntable.	\$777.00
3330-0131	Zico retractable Step for Large Rescues. The step shall be locked out when parking brake is activated. Locate under entry door.	\$2,183.00
3330-0132	A flop down step shall be provided at the rear. Step shall be mounted to the top of the tailboard and fold down behind the tailboard. Platform of the step shall be approx 14" deep x 36" wide. Step will be pinned in the up position for transit.	\$1,216.00
3330-0133	Access ladder. Aluminum extruded ladder with ribbed aluminum extrusion steps located on the rear offset to the driver side. Includes required step lights.	\$1,737.00
3330-0134	Step rear intermediate. Locate above rear traffic advisor, includes handrail (in place of horizontal hosebed handrail).	\$603.00
3330-0135	Handrail on top pump module to be full length as possible. Location: Driver and officer side pump module.	\$225.00
3330-0136	The rear body vertical hand rails extended to top of body.	\$131.00
3330-0137	The side upper rear body handrails extended to rear of body.	\$131.00
3330-0138	Diamond plate step. Located below hosebed with step running from inboard of access ladder to opposite side end of hosebed. Step to be embossed diamond plate.	\$689.00
3330-0139	Step below side intake / discharge panel (PR). Embossed dia plt with supports. Each location requires a minimum of (1) handrail / handhold per NFPA. eMAX only.	\$1,433.00
3330-0140	Driver side rear flop down step (24" wide). Includes driver side step area only gator grip overlay, (1) 18" handrail vertically mounted on rear inboard side of hard suction storage box and (1) 12" mounted horizontally on rear of driver side compartment top storage. Step to be stored in the up/pinned position when not in use.	\$675.00
3330-0141	Access ladder with aluminum side rails and aluminum ribbed extruded steps for NFPA hosebed access and handrail mounted on upper hosebed side (as applicable). LED lighting provided and positioned to illuminate steps per NFPA. Ladder to be located [#LOC].	\$1,203.00
3330-0142	Rear Step/Bumper, 12" stainless steel w/swing-up assist, Wildland	\$2,108.00
3330-0143	Folding Step Package. Steps include LED integral lights. Locate (3) each side rear. Includes applicable hand rails as required, Wildland.	\$1,530.00
3330-0144	Ceiling Handrail. E-One supplied/Van-Mor installed. - Install a 10' long ceiling handrail to ceiling of walk-in area. Van-Mor will be installing the handrail.	\$304.00
3330-0145	Handrail 36". Location: (1) each side on rear body each side of utility area vertically mounted.	\$546.00
3330-0146	Step rear intermediate below B1. Step will be approx 8" deep.	\$770.00
3330-0147	Slideout platform with OnScene Solutions slide 81900 step series rated at 500lbs. Platform sized as required per location and includes handrail (as applicable for body mounted locations). Location: [#LOC].	\$2,098.00

Option No.	Description	PRICE
3330-0149	(7) Stainless steel knurled grip surface hand rails, (1) mounted on the inside of each rear entrance door interior box pan, (1) 24 at the back of the body to assist in entry to rear of body, (5) hand rails shall be provided in the interior walkway.	\$865.00
3330-0150	Intermediate pump panel step officer side without taper. Includes (1) lower and (1) upper dual LED lighted CPI folding step and a minimum of (1) handrail as req to meet NFPA. Step lights to be switched thru work light in cab.	\$993.00
3330-0151	Rescue body access ladder. Zico model RL12 for increased visibility of rear outboard body mounted DOT/NFPA lighting. Includes required step lights and additional hand rail(s) if applicable. Location: [#LOC].	\$1,816.00
3330-0152	Handrail 36". Location offset to driver side of body headboard forward of the water tank fill tower(s).	\$242.00
3330-0153	Tailboard 12" bolt-on w/Bustin insert. Stainless steel body. Includes hand rail below hose bed and (1) underbody ground light on the officer's side.	\$876.00
3330-0154	Full width brushed stainless steel rubrail for the back of aerial body.	\$261.00
3330-0155	Step rear intermediate. Locate above B1.	\$603.00
3330-0156	Step rear intermediate. Intermediate rear step to be located above the thru the tank storage tunnel.	\$603.00
3330-0157	Handrails mounted to the top deck shall be extended to 35" in height in place of standard top deck handrail height. Mounted to the top deck in a manner to support 200 pounds of lateral force.	\$1,179.00
3330-0158	Step below side intake / discharge panel (PR). Gator grip diamond plate. Each location requires a minimum of (1) handrail / handhold per NFPA. eMAX only.	\$1,096.00
3330-0159	Step rear intermediate. Intermediate rear step to be located above the rear Newton dump.	\$603.00
3330-0160	Handrail 12". Location inboard driver side rear hosebed side angled.	\$122.00
3330-0161	Handrail 12" with angled stanchions. Location: outboard on driver side compartment top 8" off front compartment face.	\$122.00
3330-0162	Step rear intermediate. Intermediate rear step to be located just below the dry chemical access door or raised B1 above frame height compartment	\$603.00
3330-0163	Slide-out platform, integral below driver side running board (includes hand rail as applicable) with Bustin Tread insert. SS product only.	\$1,475.00
3330-0164	Slide-out platform, recessed rear. Located below hose bed. Includes a hand rail near hose bed. Requires extended hose bed on HP100, CR100, and 92 Pltfrm SideStacker bodies. SS product.	\$965.00
3330-0165	Handrail 24". Location [#LOC].	\$220.00
3330-0166	Handrail 12". Location: Mount on rear of truck at E-One discretion.	\$122.00
3330-0167	Intermediate rear step to be approximately 10" deep located above the rear Newton dump valve, and be of embossed aluminum treadplate.	\$603.00
3330-0168	Slide-out platform, rollerless. Includes chrome grab handle centered on the front face of the platform (includes hand rail as applicable). Located under right side pump running board.	\$1,428.00
3330-0169	Handrails on rear of body. Includes (3) vertically on trailing edge of body (2 driver side and 1 officer side) and horizontally mounted handrail(s) below hosebed.	\$0.00
3330-0170	Slideout platform-roller-less. Includes chrome grab handle and retaining pin, centered on the front face of the platform (includes handrail as applicable for body mounted locations) and required step lighting. Located: [#LOC].	\$961.00
3330-0171	Steps rear NFPA compliant. Includes diamond plate corner steps on driver and officer side rear of body for NFPA hose bed access. Includes hand rails mounted vertically on driver and officer side rear beavertails and horizontal below the hose bed (as applicable).	\$435.00

Option No.	Description	PRICE
3330-0172	Dual lighted LED folding steps rear mounted, Includes folding steps on driver side on lower rear body and step(s) mounted to the slam strip (center divider) of the dual rear mount pump access doors on the upper rear body NFPA. (staggered stepped as applicable with tailboard depth) for NFPA hosebed access and handrail mounted on driver side upper hosebed side (as applicable). Requires rear mount access door option with reinforced center slam strip option.	\$0.00
3330-0173	Step bolt on, 19.9" X 8" gator grip stepping surface shall be mounted [#LOC].	\$332.00
3330-0174	Slideout platform-rollerless. Includes chrome grab handle centered on the front face of the platform (includes hand rail as applicable). The platform step to be smooth plate with gator grip painted black durabak. Located [#LOC].	\$1,711.00
3330-0175	Intermediate pump panel step driver side above operator's panel. Includes (2) loop handrails, (1) forward, (1) rearward. Includes step lighting (as applicable). Step light to be switched thru work light in cab.	\$1,310.00
3330-0176	Handrails located each side at the left rear staircase to be mounted on sloped upper extrusions only.	\$0.00
3330-0177	Intermediate pump panel step constructed of 3/16" (.187") aluminum smooth plate with black Scorpion coating (IPOS diamond plate) for rear pump panel.	\$561.00
3330-0178	Rescue body access ladder. Zico model RL12 for increased visibility of rear outboard body mounted DOT/NFPA lighting. Includes required step lights and additional hand rail(s) if applicable. Location: [#LOC].	\$1,816.00
3330-0179	Steps below side intake / discharge panel (PR). Bustin Tread and diamond plate. Each location requires a minimum of (1) hand rail / hand hold per NFPA. SM SS eMAX only.	\$1,096.00
3330-0180	Dual lighted LED folding steps rear NFPA. Includes folding steps on officer side (staggered stepped as applicable with tailboard depth) for NFPA hosebed access and handrail mounted on officer side upper hosebed side (as applicable). Option is only available if driver side access steps are deleted.	\$0.00
3330-0181	Intermediate rear step to be located [#LOC], and be of embossed aluminum treadplate.	\$0.00
3330-0182	Step rear intermediate embossed treadplate. Locate above B1, includes handrail (in place of horizontal hosebed handrail).	\$603.00
3330-0183	Step rear intermediate. Locate above B1, includes handrail (in place of horizontal hosebed handrail). Step construction shall be aluminum smooth plate IPO diamond plate painted Black Scorpion (rough finish).	\$849.00
3330-0184	Step rear intermediate. Locate above B2, includes handrail (in place of horizontal hosebed handrail).	\$603.00
3330-0185	Step below side intake / discharge panel (PR). Gator grip plate constructed of 1/8" (.125") aluminum smooth plate with black Scorpion coating (rough finish) IPOS diamond plate. Each location requires a minimum of (1) handrail / handhold per NFPA. eMAX only.	\$1,392.00
3330-0186	Rear handrails. Locate on rear of the body 3x3 and extend from just above the tailboard to the top of the body on the driver and officer sides. In place of standard 48" handrail.	\$474.00
3330-0187	Step rear intermediate. Locate above B1. The step shall be 10" in depth.	\$658.00
3330-0188	Hansen green LED body hand rails upgrade package (includes pump module if applicable).	\$1,431.00
3330-0189	Step rear intermediate embossed treadplate. Locate below fold-a-tank.	\$603.00
3330-0190	Step below side intake / discharge panel (PR). Smooth plate aluminum with gator grip painted black durabak. Each location requires a minimum of (1) handrail / handhold per NFPA. eMAX only.	\$1,316.00
3330-0191	Access ladder. Aluminum extruded ladder with ribbed aluminum extrusion steps located on driver side of pump module offset to the rear. Rear rail to loop up and over to aid in access into/out of dunnage storage pan.	\$1,726.00
3330-0192	Chrome grab handle (EA). Location: (1) each side front of open bed doors	\$50.00

Option No.	Description	PRICE
3330-0193	Step rear intermediate. Locate below hosebed, includes handrail (in place of horizontal hosebed handrail).	\$603.00
3330-0194	Intermediate Step. An 8" deep x 46" wide non-skid aluminum treadplate step with mitered corners shall be installed above the rear panel compartment door opening for ease of access to the upper body area. The step shall include a Bustin tread insert for increased traction and drainage.	\$629.00
3330-0195	An 8" deep non-skid aluminum treadplate step with mitered corners shall be installed above the rear panel compartment door opening for ease of access to the upper body area. The step shall include a Bustin tread insert for increased traction and drainage. The width of the step shall be 38" when one rear discharge is selected or 31" when two rear discharges are selected.	\$621.00
3330-0196	Additional handrails horizontal above pump panel, below upper pump module (1) driver, (1) officer side. Mount handrails offset to the rear (just forward of folding steps).	\$236.00
3330-0197	Steps NFPA compliant. Fabricated diamond plate steps on driver and officer side of crosswalk.	\$435.00
3330-0198	Intermediate rear step to be approximately 10" deep located above the rear compartment and be of embossed aluminum treadplate.	\$603.00
3330-0199	Steps below body. Located each side below crosswalk.	\$496.00
3330-0200	Step flop down rear 16" wide rung type (PR) IPO pocket step at rear side staircases.	\$1,014.00
3330-0201	Step rear intermediate embossed tread plate. Locate rear body. Includes hand hold cut-outs on top of the step in place of the hand rail.	\$603.00
3330-0202	Intermediate rear step to be approximately 8" deep located at the rear panel and be constructed of embossed aluminum treadplate.	\$523.00
3330-0203	Intermediate rear step to be approximately 8" deep located above the upper rear panel compartment that is below the hose bed, and be of embossed aluminum treadplate. Step to have hand hole cut outs and integral handrail assembly welded into step structure.	\$657.00
3330-0204	Diamond plate step (approx. 12"w) with Gator Grip at center rear of body even with top of body to provide additional top deck area. Step to have square ends left and right and 1" lip extending up. Available on SideStacker style bodies only.	\$802.00
3330-0205	Step pocket flop down (EACH). Step to be a pull out style designed to stow in body rubrail. Locate: on rear of body facing rear on officer side.	\$610.00
3330-0206	Step rear 10" intermediate embossed treadplate. Locate below hosebed, includes three (3) hand hold cut-outs on top of the step in place of the hand rail.	\$603.00
3330-0207	Hansen blue LED body hand rails upgrade package (includes pump module if applicable).	\$1,431.00
3330-0208	Rescue body access ladder. Zico model RL18 for increased visibility of rear outboard body mounted DOT/NFPA lighting.. Includes required step lights and additional hand rail(s) if applicable. Location: [#LOC].	\$2,217.00
3330-0209	Slide-out platform, rollerless. Includes chrome grab handle centered on the front face of the platform (includes hand rail as applicable). Located below tailboard centered and the step area the same width as the access ladder.	\$1,428.00
3330-0210	Handrail 12". Install 12" handrails on the upper flat section above the speedlays for easier access to the top mount pump panel walkway.	\$122.00
3330-0211	Intermediate pump panel step officers side located rearward of the crosslays. Step to be constructed of embossed aluminum treadplate. Includes step lighting (as applicable). Step lights to be switched thru work light switch in cab.	\$920.00

Option No.	Description	PRICE
3330-0212	(2) Dual lighted LED folding steps. Location: Side by side centered on front pump module access door above walkway to aid pump operator in reaching and operating deck gun from crosswalk area. Includes reinforced 3/16" diamond plate pump access door. Each location requires a minimum of (1) handrail per NFPA.	\$370.00
3330-0213	Two (2) bright polished knurled stainless steel handrails shall be provided, one (1) at each entry door, mounted vertically inside the TME module approximately 12 inches inboard of door opening, to aid in entrance and egress.	\$252.00
3330-0214	Slidemaster pull out platform shall be mounted in B1 compartment floor.	\$1,222.00
3330-0215	Step flop down rear 12" wide rung type (PR). Painted Durabak black.	\$1,282.00
3330-0216	Access ladder. Sure Step V2. Finish: Aluminum. Includes required step lights and additional hand rail(s) if applicable. Location: [#LOC].	\$2,570.00
3330-0217	Haralson Metals Stainless steel knurled grip surface hand rails shall be provided in place of standard anodized handrails on Body and Pump Module (as applicable).	\$675.00
3330-0218	Step rear 10" deep intermediate. Step to be embossed treadplate and located between engine access door and lower air intake.	\$603.00
3330-0219	Step rear intermediate embossed treadplate. Locate below hose bed, to extend rearward from body 12 in. and shall include three (3) hand hold cut-outs on top of the step in place of the hand rail.	\$660.00
3330-0220	Slide-out platform, rollerless. Includes chrome grab handle centered on the front face of the platform (includes hand rail as applicable). Located [#LOC].	\$1,428.00
3330-0221	Sides of intermediate rear step to be cut out.	\$46.00
3330-0222	Rear landing platform (full width) located below hosebed area. Landing platform to be used for hosebed operations and will be embossed diamond plate.	\$850.00
3330-0223	Intermediate rear step to be approximately 10" deep located above the rear compartment and be of embossed aluminum treadplate. Includes side mounted gussets to provide a 500lb weight rating.	\$673.00
3330-0224	Handrails 12". Install (2) 12" Hansen white LED lighted handrails on the upper rear top of body forward of the rear unistruts.	\$408.00
3330-0225	Folding Step. Step to be located 18" above surface of tailboard, and directly below drivers side rear vertical handrail.	\$264.00
3330-0226	Step rear intermediate smooth plate painted black Durabak. Locate above B1, includes handrail (in place of horizontal hosebed handrail).	\$754.00
3330-0227	Step rear intermediate above B1. Includes handrail mounted on top of 5x5 extrusions both sides. Modified GatorGrip pattern to accommodate hose deployment from walkway aft of the walkway hose bed.	\$852.00
3330-0228	Step rear intermediate embossed treadplate. Locate above B1, includes three (3) hand hold cut-outs on top of the step in place of the hand rail.	\$603.00
3330-0229	Diamond plate step (approx. 8"w) with Gator Grip at center rear of body full width even with top of body to provide additional top deck area. Step to have tapered ends left and right with 1" lip extending up. Includes (2) two gussets, one each side inboard of upper rear warning lights. Available on SideStacker style bodies only.	\$1,111.00
3330-0230	Non-folding 8x8 bolt on surface mount CPI step with LED lighting. CPI model# SP2012-1-D Each location requires a minimum of (1) handrail per NFPA. Location: Officer side rear of body	\$164.00
3330-0231	Slide-out platform, rollerless to be painted Durabak black. Includes chrome grab handle centered on the front face of the platform (includes hand rail as applicable). Located [#LOC].	\$3,568.00

Option No.	Description	PRICE
3330-0232	Step below side intake / discharge panel (PR) to be painted Durabak black.. Smmoth plate. Each location requires a minimum of (1) handrail / handhold per NFPA. eMAX only.	\$1,371.00
3330-0233	Dual lighted LED folding steps rear NFPA. Includes folding steps on driver and officer side (staggered stepped as applicable with tailboard depth) for NFPA hose bed access and handrails mounted on rear panel as required.	\$131.00
3330-0234	Hansen white LED handrails upgrade (EA).	\$208.00
3330-0235	Modular diamond plate intermediate steps shall be provided - one step on the driver and officer side of the rear dump valve and one above it. Includes handrails as applicable.	\$706.00
3330-0236	Cut-outs in top rear intermediate step. Includes three (3) hand hold cut-outs on top of the step in place of the hand rail.	\$46.00
3330-0237	Handrail 60". Location: (1) each side on driver and officer side pump module forward extrusion vertically mounted.	\$544.00
3330-0238	Rescue body access ladder. Zico model RL15 for increased visibility of rear outboard body mounted DOT/NFPA lighting. Includes required step lights and additional hand rail(s) if applicable. Location: rear of body driver side .	\$1,875.00
3330-0239	Four (4) Handrails 60" at rear body. Two (2) mounted either side of the B1 compartment and two (2) mounted outboard of body.	\$1,025.00
3330-0240	Step, staircase access, treadplate with Gator Grip. Pair. Locate: Rear of body, 1 step each side of staircase for access to staircase from tailboard.	\$603.00
3330-0241	Handrails located each side at rear staircases to be mounted within outside perimeter of body. To protect against damage.	\$0.00
3330-0242	Flop down 36" wide step (EA) fabricated from .125" diamond plate with gator grip to be located at rear of body for access to turntable. Includes mechanical lock to store in the up and stored position.	\$1,704.00
3330-0243	Compartment (interior) mounted manually operated fold-out Seat/step/platform with Bustin inserts. Includes a mechanical hold close located in the compartment and (1) vertically mounted handrail mounted along one side of the compartment exterior. Seat/step/platform will reduce compartment interior mounted items overall width and/or depth. Locate: L1, L2, L4, R1, R2 & R4	\$1,069.00
3330-0244	Diamond plate step w/Gator Grip at rear of body even with top of body. Located between beavertail aerial access staircases over ladder tunnel, to provide additional stepping surface. Available on aerial center hosebed style bodies only.	\$560.00
3330-0245	LINE-X Package for step below body (each).	\$140.00
3330-0246	Slidemaster pull out platform shall be mounted in B1 compartment at compartment break so that the stepping surface when deployed is at same height as the enhanced extended compartment side steps at rear of apparatus. To include center compartment structure as needed to mount and secure slide master slide unit in elevated position.	\$1,472.00
3330-0247	Handrails full length of hosebed cover door. Total of (2) handrails. Location (1) handrail on inboard side of each hosebed cover door.	\$596.00
3330-0248	Intermediate pump panel step driver side above operator's panel with forward tapered corner. Includes step lighting (as applicable). Step light to be switched thru work light in cab.	\$999.00
3330-0249	Intermediate pump panel step officer side above operator's panel with forward tapered corner. Includes step lighting (as applicable). Step light to be switched thru work light in cab.	\$999.00
3330-0250	Zico HVS-1 retractable Step for Large Rescues. The step shall be locked out when parking brake is activated. Locate under rear body entry door.	\$1,582.00
3330-0251	Intermediate pump panel step drivers side located rearward of the crosslays. Step to be constructed of embossed aluminum treadplate. Includes step lighting (as applicable). Step lights to be switched thru work light switch in cab. Includes (1) handrail at the top of the pump module and (1) at the top of the left side body.	\$922.00

Option No.	Description	PRICE
3330-0252	Intermediate pump panel step officers side located rearward of the crosslays. Step to be constructed of embossed aluminum treadplate. Includes step lighting (as applicable). Step lights to be switched thru work light switch in cab. Includes (1) handrail at the top of the pump module and (1) at the top of the right side body.	\$922.00
3330-0253	Dual lighted LED folding steps rear NFPA. Includes folding steps on driver side (staggered stepped as applicable with tailboard depth) for body roof access and handrail mounted on driver side upper hosebed side (as applicable).	\$407.00
3330-0254	Step rear intermediate embossed treadplate. Locate below hosebed, includes two (2) hand hold cut-outs on top of the step in place of the hand rail. The cut-outs to be on the left side and center only.	\$603.00
3330-0255	Slide-out platform, rollerless. Includes chrome grab handle centered on the front face of the platform (includes hand rail as applicable for body mounted locations) and required step lighting. Located R1 as wide as space allows due to exhaust pipe.	\$961.00
3330-0256	Hansen amber LED body hand rails upgrade package (includes pump module if applicable).	\$1,431.00
3330-0257	Upper rear turntable handrails shall have (2) two additional horizontal handrails spaced approximately 14" from the top and bottom of each of the main handrails.	\$695.00
3330-0258	Intermediate pump panel step on driver and officer side located above the pump panel but below level of cross lays. Includes step lighting (as applicable). Step lights to be switched thru work light in cab. Steps to be 8in toe depth or greater step surface and shall allow for panel lighting to be mounted under step if applicable or optioned separately.	\$917.00
3330-0259	Rear landing platform located above the storage tunnel through tank. Landing platform to be used for hose loading operations and will be embossed diamond plate.	\$603.00
3330-0260	Intermediate pump panel step drivers side located rearward of the crosslays. Step to be constructed of embossed aluminum treadplate. Includes step lighting (as applicable). Step lights to be switched thru work light switch in cab.	\$920.00
3330-0261	Dual lighted LED folding steps, Signature Partners Inc. Each location requires a minimum of (1) handrail per NFPA. Location: Drivers and officers side front compartment faces.	\$215.00
3330-0262	Dual lighted LED folding steps Signature Partners Inc, rear NFPA. Includes folding steps on driver and officers sides (staggered stepped as applicable with tailboard depth) for NFPA hosebed access and handrails mounted on drivers and officers sides upper hosebed sides (as applicable).	\$856.00
3330-0263	Intermediate pump panel step driver and officer side without taper below crosslays. Intermediate steps to be 8" wide and made of embossed diamond plate. Includes (2) lower and (1) above dual LED lighted CPI folding steps each side and a minimum of (1) handrail as required to meet NFPA. Step lights to be switched thru work light in cab. (officer side requires vertical hinged pump panel)	\$2,185.00
3330-0264	Rescue body access ladder. Zico model RL15 for increased visibility of rear outboard body mounted DOT/NFPA lighting. Includes required step lights and additional hand rail(s) if applicable. Location: [#LOC].	\$1,875.00
3330-0265	Rear landing platform located below the Ladder Storage Tunnel. Landing platform to be used to assist in hose loading operations and will be embossed diamond plate.	\$603.00
3330-0266	Dual lighted rear fixed steps (1) driver side and (1) officer side and handrails mounted each side outboard of the storage compartment doors for additional hose bed access.	\$557.00
3330-0268	Step rear intermediate embossed treadplate. Locate on extrusion above rear dump and tank fills, includes three (3) hand hold cut-outs on top of the step in place of the hand rail.	\$603.00
3330-0269	Dual lighted LED Signature4 folding step. Location: [#LOC]. Each location requires a minimum of (1) handrail per NFPA.	\$192.00

Option No.	Description	PRICE
3330-0270	Intermediate rear step to be approximately 8" deep x 36" wide located below the hose bed, and be of embossed aluminum treadplate. Step to have hand hole cut outs and integral handrail assembly welded into step structure. Formed stainless steel angle braces provided at each end of step for additional support.	\$657.00
3330-0271	Handrail package - Provide (4) handrails. (2) two full available length walkway handrails inside of body located to ceiling 7 inches either side of roof centerline, (1) one each side of counter top at forward edge and span from side of cabinets forward to end of walkway.	\$4,100.00
3330-0272	Additional handrails on pump panel.	\$236.00
3330-0273	A flop down step shall be provided at the rear. Step shall be mounted to the top of the tailboard and fold down behind the tailboard. Platform of the step shall be approx 9" deep x 28" wide. Step will be pinned in the up position for transit.	\$1,257.00
3330-0274	Ladder Hose Bed access, aluminum extrusion and gator grip steps stair case style located on the rear offset to the officer side against inside of rear beavertail. Includes required step lights.	\$3,161.00
3330-0275	Intermediate pump panel step officer side with forward tapered corner. Includes (1) lower and (1) upper Innovative Controls dual LED lighted folding step with (1) handrail and (1) recessed step light located above the intermediate step. Step light to be switched thru work light in cab.	\$1,041.00
3330-0276	Intermediate pump panel step officer side with forward tapered corner. Includes (2) lower and (1) upper Innovative Controls dual LED lighted folding step with (1) handrail and (1) recessed step light located above the intermediate step. Step light to be switched thru work light in cab.	\$1,184.00
3330-0277	Innovative Controls dual lighted LED folding steps rear NFPA. Includes folding steps on driver side rear of the body. (staggered stepped as applicable with tailboard depth) for NFPA hosebed access and handrail mounted on driver side upper hosebed side (as applicable).	\$63.00
3330-0278	Innovative Controls dual lighted LED folding steps rear NFPA. Includes folding steps on officer side (staggered stepped as applicable with tailboard depth) for additional hosebed access and handrail mounted on officer side upper hosebed side (as applicable).	\$487.00
3330-0279	Innovative Controls dual lighted LED folding step. Location: [#LOC]. Each location requires a minimum of (1) handrail per NFPA.	\$194.00
3330-0280	Intermediate pump panel step officer side with forward tapered corner. Includes (1) lower and (1) upper Innovative Controls dual LED lighted folding step and a minimum of (1) handrail as req to meet NFPA. Step lights to be switched thru work light in cab.	\$1,035.00
3330-0281	Intermediate pump panel step officer side with forward tapered corner. Includes (2) lower and (1) upper Innovative Controls dual LED lighted folding step and a minimum of (1) handrail as req to meet NFPA. Step lights to be switched thru work light in cab.	\$1,184.00
3330-0282	Innovative Controls dual lighted LED folding step. Location: (1) one each side of staircase for access to staircase. Each location requires a minimum of (1) handrail per NFPA.	\$304.00
3330-0283	Handrail 18" (PR) located on each side inboard of beavertails up high angled to assist in access to aerial device.	\$395.00
3330-0284	Hansen red LED body hand rails upgrade package (includes pump module if applicable).	\$1,431.00
3330-0285	Handrail 18". Location: Officer side above pump panel and below E-One logo.	\$183.00
3330-0286	Access ladder. Aluminum access ladder driver side pump module with diamond plate gator grip steps and handrails. Rear rail to loop up and over to aid in access into/out of dunnage storage pan.	\$2,572.00
3330-0287	Steps below body. Located each side below tailboard.	\$496.00
3330-0288	Step swing down diamond plate with gator grip located at each aerial access staircase (3). Includes mechanical lock to store in the up position. (HP95MM Platform only)	\$843.00

Option No.	Description	PRICE
3330-0290	Steps NFPA compliant. Fabricated diamond plate steps on driver and officer side of crosswalk. Full width.	\$498.00
3330-0291	Intermediate rear step to be located behind the rear Newton dump valve swivel chute assembly, on the Driver's or Officer's side, and be of embossed aluminum treadplate.	\$481.00
3330-0292	Step swing down diamond plate with gator grip located at each aerial access staircase. Includes mechanical lock to store in the up position.	\$281.00
3330-0293	Step rear intermediate approximately 8" deep and full width of hosebed. Locate above B1, includes handrail (in place of horizontal hosebed handrail).	\$850.00
3330-0294	Diamond plate gator grip overlay to be located on driver side forward compartment top.	\$185.00
3330-0295	Diamond plate gator grip overlay to be located on officer side forward compartment top.	\$185.00
3330-0296	Intermediate pump panel step officer side above operator's panel. Includes step lighting (as applicable). Step light to be switched thru work light in cab.	\$999.00
3330-0297	Intermediate pump panel step driver side above operator's panel. Includes step lighting (as applicable). Step light to be switched thru work light in cab.	\$999.00
3330-0298	Handrail on pump module to be full length as possible. Location: Officer side just below crosslays.	\$122.00
3330-0299	Chrome grab handle (Pair). Location: Rear upper body (1) each side of body entry way IPO standard grab rail.	\$100.00
3330-0300	Innovative Controls dual lighted LED folding steps rear NFPA. Includes folding steps on officer side (staggered stepped as applicable with tailboard depth) for NFPA hosebed access and handrail mounted on officer side upper hosebed side (as applicable). This code only for use if primary rear steps for climb per NFPA will be mounted on officer side. and unit will have tunnel on the driver side.	\$63.00
3330-0301	Steps rear NFPA. Includes folding steps on driver side (staggered stepped as applicable with tailboard depth) for NFPA hosebed access and handrail mounted on driver side upper hosebed side and/or rear of tank (as applicable). Includes mounting blocks as necessary for Wetside Tank.	\$663.00
3330-0302	Slide-out Slide Master brand intermediate step. Includes hand hold notch centered on the front face of the step and required step lighting. Located on the rear body.	\$1,201.00
3330-0303	Handrail 18in. Location: Vertical orientation mounted driver and officer side on rearward area on speed lay module as additional hand rails for upper top mount walkover access.	\$183.00
3330-0304	All hand rails (as applicable) are to have a rubber insert. Includes cab (N/A on commercial chassis), pump module and body. Wetside Tanker only.	\$604.00
3330-0305	Steps rear NFPA. Includes folding steps on office side (staggered stepped as applicable with tailboard depth) for NFPA hosebed access and handrail mounted on officer side upper hosebed side and/or rear of tank (as applicable). Includes mounting blocks as necessary for Wetside Tank only.	\$747.00
3330-0306	Dual lighted LED folding step, Signature Partners Inc. Each location requires a minimum of (1) handrail per NFPA. Location: officers side front compartment face.	\$161.00
3330-0307	Dual lighted LED folding steps Signature Partners Inc, rear NFPA. Includes folding steps on driver side (staggered stepped as applicable with tailboard depth) for NFPA hosebed access and handrails mounted on drivers and officers sides upper hosebed sides (as applicable).	\$428.00
3330-0308	Slidemaster pull out platform shall be mounted in Rear Body compartment at location depicted on Sales Drawing. To include center compartment structure as needed to mount and secure slide master slide unit in elevated position.	\$1,472.00

Option No.	Description	PRICE
3330-0309	Intermediate pump panel step on driver and officer side located above the pump panel rearward of cross lays mounted at same level as bottom of cross lay opening or above as applicable to NFPA step distance to top of module. Includes step lighting (as applicable). Step lights to be switched thru work light in cab. Steps to be 8 in. toe depth or greater step surface and shall allow for panel lighting to be mounted under step if applicable or optioned separately.	\$917.00
3330-0310	Step pocket, flop down side of body rear aerial staircase (single).	\$610.00
3330-0311	Step rear intermediate embossed tread plate. Locate rear body. Includes hand hold cut-outs on top of the step in place of the hand rail. Step shall extend 9in. from body rear surface to trailing edge of step as mounted.	\$603.00
3330-0312	Intermediate pump panel step driver and officer side without taper below crosslays. Intermediate steps to be 8" wide and made of embossed diamond plate. Includes (2) lower and (1) above dual LED lighted IC folding steps each side and a minimum of (1) handrail as required to meet NFPA. Step lights to be switched thru work light in cab. (officer side requires vertical hinged pump panel)	\$2,185.00
3330-0313	Austin Hardware Model# FS-200 CHR folding step w/Whelen Model# 0ACOEDCR LED w/chrome bezel . Location: [#LOC]. Each location requires a minimum of (1) handrail per NFPA.	\$314.00
3330-0314	Handrail up to 18". Location [#LOC].	\$122.00
3340-0003	Cast Products recessed fuel fill with door.	\$141.00
3340-0004	Hosebed above the booster tank. Includes forward hosebed and tower(s) cover plate work (as applicable). Hosebed adjustable divider extrusion rearward of the furthest tower is to run full width of the hosebed (as is practical with other hosebed mounted equipment).	\$1,756.00
3340-0005	Step rear intermediate. Includes folding steps on driver side for NFPA hosebed access and handrail mounted on driver side upper hosebed side (as applicable).	\$603.00
3340-0010	This unit has a overall height restriction. The height restriction must not be exceeded.	\$0.00
3340-0011	This unit has an overall length restriction. The length restriction must not be exceeded.	\$0.00
3340-0012	Overall Width of the Vehicle	\$0.00
3340-0015	Diamond plate single axle wheel well. Includes bolt-on composite wheel well liners and aluminum trim fenderettes.	\$1,210.00
3340-0016	Poly storage box 85" X 20" X 30" located on top deck.	\$1,740.00
3340-0017	Poly Box Storage 85x24x30 located on Top Deck	\$2,083.00
3340-0021	Compartment Heaters installed in [#LOC].	\$515.00
3340-0022	Vehicle number sign plates located one on each side of the engine cover and one on top of the engine cover / rear body.	\$460.00
3340-0023	Propellant bottle lift, right hand side.	\$4,681.00
3340-0026	Diamond plate overlay front body. For Stainless Steel product only. To include the entire front body panels. Do not wrap to the door opening.	\$445.00
3340-0027	Diamond plate corner guards for the driver and officer front compartment face. Guards to wrap around the corner and be full height of side assembly or to a max of 96".	\$226.00
3340-0028	Stainless Steel corner guards for the driver and officer front compartment face. Guards to wrap around the corner and be full height of side assembly.	\$287.00
3340-0029	Brushed stainless steel overlay. Locate on rear body (centered) directly below the hosebed and down to bottom of body.	\$251.00
3340-0030	For Stainless Steel product only. Brushed stainless steel panels on entire rear panels of the body.	\$1,643.00

Option No.	Description	PRICE
3340-0033	Stainless Steel product only. AL/DP center lower area of body	\$251.00
3340-0034	The hinged door(s) of [#LOC] to have door louvers for additional ventalation.	\$175.00
3340-0035	Divider Long. To run full length of hose bed (front to rear).	\$534.00
3340-0036	Body compartment interiors to have a swirled finish. Includes pan or hinged door as applicable.	\$2,275.00
3340-0041	Removable number plate with mounting brackets. Locate [#LOC]. Plate to be painted job color. Lettering and/or graphics not included.	\$294.00
3340-0042	Includes diamond plate cover and mounting hardware (PTS-TCH).	\$9,156.00
3340-0045	(2) driver side roof top compartments. Includes hinged raised compartment lids with turn latches and grab handle(s). Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$2,735.00
3340-0046	For Stainless Steel product only. Hinged door SCBA compartment recessed into wheel well area with dual SCBA tubes (each). Doors will match wheel well panels.	\$699.00
3340-0047	For Stainless Steel product only. Wheel well compartment for fire extinguisher, includes door of aluminum diamond plate or brushed S/S. Available for any type of wheel well panel (each)	\$699.00
3340-0049	Hosebed storage pan. Locate in forward area of hosebed.	\$802.00
3340-0051	Reinforce flooring of compartment [#LOC] for storage of heavy equipment.	\$351.00
3340-0052	Stainless steel trim on bottom edge of compartment opening of [#LOC].	\$133.00
3340-0055	Cast Products recessed fuel fills with doors for dual fuel fill application.	\$478.00
3340-0056	Fuel fill (non-recessed) driver side wheel well.	\$0.00
3340-0057	Fuel fills (non-recessed) for dual fuel fill application. (1) each side in wheel well.	\$0.00
3340-0058	Recessed fuel fill driver side wheel well.	\$0.00
3340-0059	Recessed fuel fills for dual fuel fill application, (1) each side in rear wheel wells.	\$272.00
3340-0060	Diamond plate corner guards for the driver and officer rear compartment face. Guards to wrap around the corner and be full height of side assembly or to a max of 96".	\$256.00
3340-0061	The walls of compartment [#LOC] to have additional louvers for additional ventilation.	\$90.00
3340-0062	Divider medium. To run full length of hose bed (front to rear) behind single fill tower.	\$479.00
3340-0063	Divider short. To run full length of hose bed (front to rear) behind dual fill towers or single set back fill tower.	\$402.00
3340-0064	Stainless steel trim package for compartment openings and step areas.	\$542.00
3340-0065	Pike Pole Bracket(PR)2 Poles mounted Horizontally. Location.[#LOC]	\$253.00
3340-0067	Turtle Tile Brand [#COL] Floor Matting covering all applicable Compartment Floors, Shelves, and Rollout Trays.	\$1,156.00
3340-0068	Mud flaps, rear, black with Saulsbury logo.	\$178.00
3340-0070	Bracket for Installation of Cutter Tool [#LOC]	\$80.00
3340-0071	Bracket for Installation of the Crow Bar	\$255.00
3340-0072	Single Hard Suction Rack to Hold a 2.5" or 3" Diameter Suction Hose	\$260.00
3340-0074	Body mainframe and hosebed side assemblies for a 85" high body.	\$1,268.00
3340-0075	Body mainframe and hosebed side assemblies for a 90" high body.	\$2,531.00
3340-0076	(2) officer side roof top compartments. Includes hinged raised compartment lids with turn latches and grab handle(s). Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$2,735.00

Option No.	Description	PRICE
3340-0077	Body compartment Interiors to have Zolatone gray finish. To include pan of hinged doors and tool compartments (as applicable). Does not include floors if they are dia plt.	\$5,691.00
3340-0078	Body compartment Interiors and compartment mounted components (shelves, trays, toolboards,etc.) to have Zolatone gray finish. To include pan of hinged doors, and tool compartments (as applicable). Does not include floors if they are dia plt.	\$12,072.00
3340-0079	Locate Tank Fill Tower(s) in the hose bed storage pan as applicable.	\$0.00
3340-0080	Bolt-on diamond plate 18" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$1,011.00
3340-0081	Bolt-on diamond plate tailboard (full width of body). Includes handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$1,350.00
3340-0082	Bolt-on diamond plate tailboard (full width of hosebed). Includes handrails- (2) vertical mounted on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$762.00
3340-0083	Bolt-on diamond plate tailboard (full width of rear compartment). Includes the enhanced extended side compartment frame work with diamond plate compartment tops, (1) officer side lower area folding step. Driver side includes (1) upper hosebed mounted handrail (as applicable) and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$903.00
3340-0088	Smooth plate single axle wheel well painted job color. Includes bolt-on composite wheel well liners.	\$1,753.00
3340-0089	Turtle Tile Brand [#COL] Floor Matting covering all applicable Compartment Floors, Shelves, and Rollout Trays.	\$1,864.00
3340-0090	Turtle Tile Brand [#COL] Floor Matting covering all applicable Compartment Floors, Shelves, and Rollout Trays.	\$2,537.00
3340-0093	Mud flaps, rear, black with E-ONE logo.	\$177.00
3340-0094	Body mainframe and hosebed side assemblies for a 95" high body.	\$3,797.00
3340-0095	(2) officer side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$5,466.00
3340-0096	(2) driver side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$5,466.00
3340-0097	Brushed Stainless Steel single axle wheel wells. Includes bolt-on composite wheel well liners and fenderettes.	\$1,331.00
3340-0098	Stainless Steel single axle wheel wells. Includes job color paint, bolt-on composite wheel well liners and fenderettes.	\$1,655.00
3340-0099	Diamond plate overlay rear body. For Stainless Steel product only. To include the entire rear body panels. Do not wrap to the door opening.	\$366.00
3340-0102	Angled (Boston style) style tailboard corners.	\$482.00
3340-0103	Lower center body and lower rear body to be painted job color.	\$2,112.00
3340-0104	Lower center body shall be made with diamond plate and lower rear body shall be constructed of diamond plate.	\$0.00
3340-0105	Smooth Plate Engine Cover Painted Job Color	\$1,355.00
3340-0106	Engine cover shall be constructed of diamond plate.	\$0.00
3340-0107	Diamond plate tandem axle wheel well. Includes bolt-on composite wheel well liners and fenderettes.	\$2,414.00
3340-0108	Smooth plate tandem axle wheel well painted job color. Includes bolt-on composite wheel well liners and fenderettes.	\$3,499.00
3340-0109	Power vent system located in [#LOC]. Includes timer and is run from shorepower inlet.	\$209.00

Option No.	Description	PRICE
3340-0110	The rear of each hose bed divider to have a hand hold cut-out(s).	\$0.00
3340-0111	Horizontal ladder bracket. Location and type of ladder: [#LOC].	\$280.00
3340-0113	Adjustable ladder brackets. Mount in adjustable tracks on officer side.	\$511.00
3340-0114	Hosebed above the booster tank and side body compartments. Includes forward hosebed and tower(s) cover plate work (as applicable) and extended width side to side (over side compartments) for increased hosebed capacity.	\$3,362.00
3340-0115	Bolt-on diamond plate 16" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$947.00
3340-0116	Bolt-on diamond plate 14" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$880.00
3340-0117	Bolt-on diamond plate 12" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal (as applicable) mounted handrail(s) below hosebed.	\$815.00
3340-0118	Bolt-on diamond plate 10" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$748.00
3340-0119	Speedy dry hopper. Locate [#LOC]. Includes discharge chute in compartment directly below roof top compartment with close off valve and extension hose for ground level dispensing. Capacity of speedy dry hopper is 200 lbs.	\$1,700.00
3340-0121	Full length driver side tunnel. Reduces driver side upper compartment depths to 12" deep IPO 26". Tunnel includes access door at rear.	\$1,532.00
3340-0122	Half length driver side tunnel. Reduces driver side upper compartment depths of L2 and L3 to 12" deep IPO 26".	\$956.00
3340-0124	Upgrade runningboards to 3/16" diamond plate.	\$101.00
3340-0125	Directonal light bar to be recess mounted. Located on rear area of body.	\$432.00
3340-0126	Diamond plate single axle wheel well. Includes fenderettes and bolt-on stainless steel wheel well liners.	\$3,092.00
3340-0127	Body mainframe and hosebed side assemblies for a 77" high body.	\$763.00
3340-0128	Bolt-in partition walls. Locate in lower rear compartment transverse area. Partitions to separate the side rear compartments from the rear compartment.	\$254.00
3340-0129	Overlay compartment R1 floor with stainless steel.	\$304.00
3340-0130	B1 floor to have removable slat flooring	\$291.00
3340-0131	Diamond plate hose storage box. Locate on driver side compartment top. Hosebed side to be the inside edge of box for maximum storage. Use .090 overlay on hosebed side to protect paint and rear 3x3 extrusion. Box to include a 3" radius rear corner, removable slat flooring and a cargo net top and rear.	\$799.00
3340-0132	Diamond plate single axle wheel well. Includes fenderettes and bolt-on aluminum wheel well liners painted job color.	\$2,414.00
3340-0133	Officer side beavertail to have recess box (9"w x 14"H x depth of beavertail). Box to be mounted low flush with top of tailboard.	\$445.00
3340-0134	Bolt-in floor L2. Floor is in addition to the existing DP floor. Floor to have 2" raised forward area (tapered towards rear for securing cribbing) and run full length front to rear.	\$239.00
3340-0135	Body mainframe and hosebed side assemblies for a 73" high body.	\$1,774.00
3340-0136	Bolt-on diamond plate 20" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertically on beavertails and (1) horizontally below hosebed.	\$1,079.00
3340-0137	Body mainframe and hosebed side assemblies for a 92" high body.	\$3,037.00

Option No.	Description	PRICE
3340-0138	Full length officer side tunnel. Reduces officer side upper compartment depths to 12" deep IPO 26".	\$1,532.00
3340-0139	Bolt-on diamond plate 18" tailboard (full width of body). Includes (2) slanted beavertails (no stanchions) with removable outer panels and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$1,264.00
3340-0140	Hosebed above the booster tank. Includes forward hosebed and tower(s) cover plate work (as applicable). Adjustable track rearward of the fill tower(s) to run full width of the hosebed area.	\$1,965.00
3340-0141	Label package for Memphis units only, to include labeling of removable panels to indicate what is behind.	\$107.00
3340-0142	Crosslay roller 18". Mount driver side front compartment face just below compartment top.	\$163.00
3340-0143	Interior ladder tunnel door. Locate in B1 inline with ladder tunnel thru tank. Hinge to officer side with D-Ring latch and driver side to be notched for cord reel.	\$460.00
3340-0144	Stainless Steel floor overlay. B1/R1 full width.	\$299.00
3340-0145	Rub rail for the body and pump area module(s).	\$813.00
3340-0146	Stainless steel rubrail for the body and pump area module(s).	\$1,621.00
3340-0147	Louver Guards. All lower body compartment louvers to have protective guard provided on exterior of compartments. Guards to prevent road spray from entering compartments.	\$579.00
3340-0148	Body and Cab logos (exterior large and small logos) to be mounted at final inspection.	\$813.00
3340-0149	Transverse Module (full width). Locate forward of pump area. Includes a single compartment opening per side (with a shallow lower area and a transverse upper area with diamond plate flooring) and upper area for single stacked double crosslay with backboard storage.	\$4,283.00
3340-0150	Dri-Dek brand [#COL] floor matting covering all applicable compartment floors, shelves, and rollout trays.	\$1,079.00
3340-0151	Dri-Dek Brand [#COL] floor matting covering all applicable body compartment floors, shelves, and rollout trays.	\$1,785.00
3340-0152	Dri-Dek brand [#COL] floor matting covering all applicable compartment floors, shelves, and rollout trays.	\$2,460.00
3340-0153	Hosebed storage pan diamond plate lids (2) lids. Officer side lid to run just under the ladder rack in the stored position. The driver side to be as large as possible with remaining space. Each hinged to rear of pan. Includes (1) gas shock hold open and push-button latches. Included in the pan are vertical "L" shaped partition walls located next to inboard side of fill towers. Seal partitions to keep water from entering from the outboard position.	\$757.00
3340-0154	Mud flaps, rear, black with no logo.	\$177.00
3340-0155	L1,L3,R1,R3 floors to have removable slat flooring.	\$1,150.00
3340-0156	Driver side rear compartment face to have recessed compartment (8"W x 18"H x 3"D) includes diamond plate hinged door with thumb latch. For storage of Ramsay signal controls and horn.	\$381.00
3340-0157	1/2" x 2" aluminum flat bar mounted on trailing edges of bvtails to allow for support of handrails and booster reel rollers. To be mounted on the inner section of beavertail not visible from outside.	\$362.00
3340-0158	Underbody splash guard behind rear axle mounted to body.	\$571.00
3340-0159	(3) E-ONE logos to be mounted (1) on driver side B1 door and (1) centered each side on wheel well panel. Reference photos in shop order folder.	\$0.00
3340-0161	Axe Bracket installed on [#LOC].	\$151.00
3340-0162	Crow Bar Bracket installed on the [#LOC].	\$257.00
3340-0163	Turtle Tile brand [#COL] floor matting covering all applicable compartment floors, shelves, and rollout trays.	\$729.00

Option No.	Description	PRICE
3340-0164	Winch System 24 volt Electrical Nitrogen	\$4,096.00
3340-0165	Bracket pac trac jumbolok p/n 1070 PT. To hold (2) pike poles (1) 6ft and (1) 10ft. To be located on officer side compartment top.	\$293.00
3340-0166	Partition, bolt-in vertical partition wall. Locate in [#LOC].	\$236.00
3340-0167	Tag kit in Spanish for cab interior switches, controls and gauges (5/8" X 1 1/2" or 1" X 3") as best will fit to duplicate English tags. For other warning, caution and operational tags, labels, and plaques a label shall be made in Spanish to duplicate English (verbiage only, no picture). Sizing/font size may vary to allow fit.	\$1,642.00
3340-0173	Backboard storage box. Located in the officer side of the hosebed (full length). Includes vertically hinged door (wired to door ajar) w/push-button latch and composite flooring. Box to hold: (2) backboards. The box to have an open area (top access) to the rear of the backboards in remaining hosebed area.	\$545.00
3340-0174	Stokes basket storage compartment. Locate in [#LOC] with a strap(s) to hold basket in rack.	\$791.00
3340-0175	Backboard storage compartment. Locate in [#LOC] with a strap to hold the boards in the rack. Rack to hold 3 boards.	\$736.00
3340-0176	Swirl plate single axle wheel well with clear coat finish. Includes bolt-on composite wheel well liners.	\$1,859.00
3340-0177	Black Dri-Deck flooring to be installed on all flat surfaces of the body. This includes floor, shelves and trays.	\$1,316.00
3340-0178	Storage rack floor mounted in R3. For storage of air bags and plywood.	\$1,069.00
3340-0179	Roof top compartments to have clear 12.5" opening.	\$0.00
3340-0180	Brushed stainless steel overlay front body. For Stainless Steel product only. To include the entire front body panels. Do not wrap to the door opening.	\$664.00
3340-0181	Each lid to have (1) additional bracket mounted light. This is in addition to light that comes standard for total of (2) lights per compartment.	\$165.00
3340-0182	Brushed stainless steel single axle wheel well. Includes bolt-on stainless steel wheel well liners and fenderettes.	\$2,655.00
3340-0183	Body Saulsbury logo package. For use with Spartan chassis. Includes all applicable Saulsbury logos for the body and/or pump module (as applicable)	\$0.00
3340-0184	Diamond plate box for directional lightbar and (2) GH scene lights. Box to be mounted on 3" x 3" aluminum angle at rear of hosebed storage pan. Lights to be surface mounted to box.	\$609.00
3340-0185	Hosebed divider(s) to be notched for hosebed preconnects. Notch to be large enough for divider(s) to be adjustable over preconnects.	\$163.00
3340-0186	Recessed storage compartment located between driver side upper and lower compartments. Compartment to hold dealer supplied and installed back up tether and plug.	\$441.00
3340-0187	Sign "Stay Back 150 Metres" with black reflective lettering. Locate below rear of body.	\$145.00
3340-0189	Seattle Body. Includes all body doors (hinged doors to have magnetic door ajar includes TM walkway tool cmpts, side body roll-up doors (as applicable) to be painted job color), B1 to be notched on (8" wide x 3" high) D-Ring door (door to have no gas shock, to be plunger style), hosebed, rear int. step 10" wide IPOS with (2) lower folding steps (no upper steps), Zico drop down rack (hat brackets to be reduced in depth to pull ladders closer inboard), ladder rack to include audible alarm same as last units, vertical partition in B1 compt was deleted from units. L3/R3 extended areas to have flush floors. Unit to have old style shelf tracking. Tracks to be ran to compartment floor to just below roll-up door from compartment ceiling. All compartment floors to be 3/16" smooth plate IPOS diamond plate.	\$38,987.00

Option No.	Description	PRICE
3340-0190	Diamond Plate Hosebed Storage Pan Cover. Includes (1) D-ring latch and gas shock(s). Hinge to the rear of the hosebed storage pan. Cover to open to 90 degrees.	\$1,120.00
3340-0191	Divider Support to run full width of hosebed (side to side) at the front of the hosebed and towards the rear of the hosebed at top of the divider(s). Attach to each hosebed divider to provide additional support.	\$365.00
3340-0192	Storage box ceiling mounted in transverse of L3/R3.	\$482.00
3340-0193	Pumper Body, Pump Module and Cab Tags in French to replace standard English E-One supplied Tags. Includes pump panel and multiplex display if applicable.	\$1,642.00
3340-0194	Bolt-on diamond plate tailboard (full width of rear compartment) for use with low hosebed. Includes driver side (1) upper hosebed mounted handrail (as applicable), handrail(s) mounted horizontally below hosebed and (2) handrails mounted vertically on trailing edge of body.	\$903.00
3340-0195	Rear body propellant lift with 12v electric winch to raise and stow bottle.	\$2,692.00
3340-0196	Rear body propellant lift with 24v electric winch to raise, lower, and stow bottle.	\$3,017.00
3340-0197	The following compartments to be full height and full depth L1, L2, R1.	\$959.00
3340-0198	Rear diamond plate vertical hinged door on driver side roof top compartments. Includes thumb latch and wiring for door ajar switch.	\$196.00
3340-0199	Hosebed storage box for 17' Little Giant Ladder to be vertically stored. Includes vertically hinged door (wired to door ajar) with push-button latch. Located in driver side of hosebed.	\$953.00
3340-0200	Removable slat flooring. Location: [#LOC]	\$291.00
3340-0202	Arabic tags in addition to the standard English tags on the body and cab. Also includes .625 inch x 1.5 inch located next to cab switches.	\$2,433.00
3340-0203	Bracket Hooligan tool mount [#LOC]	\$175.00
3340-0204	Mount customer supplied Spanner wrench sets(PR). 1ea. on each Pump panel. To be painted Job color	\$258.00
3340-0207	Piping cover to be located in compartment [#LOC]. Includes compartment wall cut-outs for piping.	\$491.00
3340-0210	Brushed stainless steel overlay rear body. For Stainless Steel product only. To include the entire rear body panels. Do not wrap to the door opening.	\$664.00
3340-0211	Painted smooth plate overlay rear body. For Stainless Steel product only. To include the entire rear body panels. Do not wrap to the door opening.	\$2,046.00
3340-0212	Diamond plate access door in dunnage pan for access to plumbing in pump module. Includes push button latches.	\$358.00
3340-0213	"L" shaped partition located in hosebed to protect the fill towers.	\$375.00
3340-0214	Smooth plate outboard beavertail panels (PR). Painted job color.	\$571.00
3340-0215	Divider Long. To run full length of hosebed (front to rear). Divider height to half of hosebed depth (top to bottom). For use with low hosebed configurations only.	\$534.00
3340-0216	Body mainframe and upper body/hosebed side assemblies for a 90" high body.	\$701.00
3340-0217	The upper outboard panels of the speedlay module, the wheel well and the rear end upper/lower rearward facing panels to smooth plate overlays. These area are to be seamless and painted job color.	\$4,574.00
3340-0218	Sign "Stay Back 500FT". White plate with red reflective lettering. Locate low on rear of body / body doors.	\$145.00

Option No.	Description	PRICE
3340-0219	Body and hosebed storage pan pump access panel package. Includes removable access panels in upper forward area of L1/R1 and a large removable access panel in floor of the hosebed storage pan.	\$633.00
3340-0220	Body compartment Interiors to have Zolatone black finish. To include pan of hinged doors (as applicable). Does not include floors if they are dia plt.	\$5,691.00
3340-0221	Body compartment Interiors and compartment mounted components (shelves, trays, toolboards,etc.) to have Zolatone black finish. To include pan of hinged doors (as applicable). Does not include floors if they are dia plt.	\$12,072.00
3340-0222	Locking push button latches. Located (1) on each backboard storage door and (2) on drop down door for stokes basket storage.	\$68.00
3340-0223	Stainless Steel corner guards for the driver and officer rear compartment face. Guards to wrap around the corner and be the height of the top of the tail lights.	\$273.00
3340-0224	(1) officer side rear pump module extra width (inboard side) roof top compartment (offset rearward and sized to accommodate electric reel). Includes hinged raised compartment lid with push-button latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab. Forward area to be open for general location of deck gun (open to walkway area). Outboard side of body to run full width and wrap around the rear and meet with the end of the hosebed walkway end (rearward facing plate work to match rear of body as applicable).	\$2,390.00
3340-0225	Stair case module (full width of body). Includes large compartment area with lower storage area and upper area dunnage pan. Stair case located to [#LOC].	\$9,346.00
3340-0226	Special hosebed configuration. (1) long divider driver side on top of discharge box 4.25" from hosebed side. (1) short divider officer side on top of discharge box 5.625" from hosebed side. (1) short divider officer side up against discharge box 8.875" from hosebed side. (1) short divider officer side 14.625" from hosebed side. (2) short dividers officer side 14" high, (1) divider 21.375" in from hosebed side and (1) divider 28.125" in from hosebed side. Includes bolt-in vertical partition from right side hosebed wall to center divider, 84" from rear of hosebed. Remaining area forward of partition to be used for storage area. Includes hinged shelf in hosebed over the (2) 14" high dividers hinged on right side 20" wide x 84" long. Includes hosebed dividers and discharge cover boxes.	\$3,713.00
3340-0227	Divider Long. To be split for rear mount hosebed application. Main body hosebed divider to be squared on both ends. Rear hosebed divider to have radius end.	\$798.00
3340-0228	Storage area for misc. equipment located above the upper speedlay compartment on driver side rear. Includes divider with (2) 6' pike pole with D-Handle and two small shovels (remaining space with pike poles high-approx. 5' foot deep). Includes smooth plate door with push button latch.	\$2,259.00
3340-0229	Speedy Dry Hopper. Locate [#LOC]. Includes discharge chute in compartment directly below roof top compartment with close off valve and extension hose for ground level dispensing. Capacity of speedy hopper is 50 lbs.	\$1,275.00
3340-0230	(4) Removable aluminum trays for the rear preconnects. The (2) driver and (1) officer upper trays to hold 200' of 1.75" DJ hose. The (1) officer lower tray to hold 150' of 3" DJ hose (tray will be longer front to rear for capacity). Each tray is removable from the rear of the body and include handhold cut outs on each side (4 total) and (2) handrails mounted side to side and placed 13" back from tray edge.	\$1,710.00
3340-0231	Nylon black cargo net(s) in interior compartment opening(s) behind lift-up doors of [#LOC]. Cargo net(s) to be held in place at top between two (2) pieces of flat bar, through-bolted. Cargo net(s) to be held in place at bottom with twist-locks outboard and snaps inboard. Two (2) velcro straps to be installed: (1) on rear of flat bar and (1) on cargo net to hold in place for compartment access.	\$723.00

Option No.	Description	PRICE
3340-0232	Directional Lightbar Box. Located on rear area of body between upper rear hosebed side tubes. Box to be diamond plate.	\$623.00
3340-0233	Speedy Dry Hopper. Locate roof top compartment above R3. Includes discharge chute in compartment directly below roof top compartment with close off valve and extension hose for ground level dispensing. Capacity of speedy hopper is 68 lbs.	\$1,328.00
3340-0234	Divider Long. To run full length of hosebed (front to rear). Rear of divider to have cut at 45 degree angle and hand hold cutout at 45 degree angle.	\$534.00
3340-0235	Rubrail for the body and pump area module(s). Rubrail for rear of tailboard not included.	\$813.00
3340-0236	Center hose bed walkway. Non-slip diamond plate walkway to run full length of hose bed.	\$502.00
3340-0237	Speedy Dry Hopper. Locate dunnage pan on officer side. Locate control on officer side pump panel, plumbing to terminate approx. 20" above runningboard. Includes 2.5" Akron ball valve to control plow and provide cap. Includes snubber valve control of air to assist feed of speedy dry and a trash screen to in top of hopper. Capacity of speedy hopper is 200 lbs.	\$3,114.00
3340-0238	Recessed fuel fill driver side top rear of tractor body.	\$0.00
3340-0239	Recessed fuel fills for dual fuel fill applications. Fills located (1) each side top rear of tractor body.	\$272.00
3340-0240	Hydraulic hose cover. Removable cover located in the dunnage pan to protect hydraulic hose from damage.	\$314.00
3340-0241	Rear diamond plate vertical hinged door on officer side roof top compartments. Includes thumb latch and wiring for door ajar switch.	\$196.00
3340-0242	Diamond plate storage box with hinged lid w/push button latches. Located in hosebed storage pan to be approx. 36"W x 60"L x 18"H.	\$1,775.00
3340-0243	Hose storage tray located on officer side compartment top. Tray to be full length of compartment top and have drainage slots on bottom of tray. Includes cargo net cover.	\$1,892.00
3340-0244	Locking push button latches to match body compartment door locks. Locate (2) on ladder storage door, (1) on each backboard storage door (if applicable), (1) on microphone box (if applicable), (1) on each pike pole door (if applicable) and (1) on each SCBA bottle storage door.	\$68.00
3340-0245	Nylon black cargo net(s) over exterior compartment opening(s) [#LOC]. Cargo net to be held in place with twist-locks.	\$589.00
3340-0246	Air bag storage for 4 bags. Appox slot sizes: (1) 3" wide x 17" high x 17" deep, (1) 3" wide x 8" high x 8" deep, (1) 3" wide x 16" high x 28" deep, (1) 3" wide x 24" high x 22" deep, and a plywood sleeve that is 6" wide x 24" high x 22" deep. Locate in L3 compartment..	\$335.00
3340-0247	Hosebed storage pan partition. Partition to be located forward of generator and water/foam fill towers.	\$340.00
3340-0248	Hosebed Storage Pan. Locate in forward area of hosebed. Extra width front to back for equipment, generator and fill tower storage.	\$1,601.00
3340-0249	Stokes basket storage on forward top of body officer side.	\$544.00
3340-0250	Poly Box Storage 90x20x30 located on Top Deck	\$2,662.00
3340-0251	Half length driver side tunnel. Reduces driver side upper compartment depths of L2 and L3 to 12" deep IPO 26". Includes cut-out in hosebed side wall in forward area of L2. Cut-out to forward of Little Gaint sleeve. Includes cover plate with push button latches.	\$2,193.00
3340-0252	Bolt-in floor R2. Floor is in addition to the existing DP floor. Floor to have 2" raised forward area (tapered towards rear for securing cribbing) and run full length front to rear.	\$239.00
3340-0253	Backboard storage compartment. Locate in officer side ladder tunnel. Rack to be approx 2" wide.	\$448.00
3340-0254	All compartment walls are to be non-louvered.	\$251.00
3340-0255	Hosebed storage pan partition. Partition to seperate the booster reel from rest of pan.	\$340.00

Option No.	Description	PRICE
3340-0256	Glad Hand connections will be provided at front and rear of the unit (approach and departure panels).	\$385.00
3340-0257	Diamond plate box storage 85 x 20 x 30 located on top deck.	\$1,933.00
3340-0258	A deflector shield will be placed in front of the light tower or A/C system. Construction aluminum diamond plate. Deflector will be in front of the forward most component.	\$1,008.00
3340-0259	(1) officer side transverse module extra width (inboard side) roof top compartment. Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab.	\$2,390.00
3340-0260	Transverse module (full width and height of body) with lower storage areas and frame width transverse floor (compartment opening 48" wide and same height as main body compartments). Includes open front storage pan to driver side (same depth as staircase storage pan), transverse (front to rear) walkway area (inline with staircase and main body).	\$6,534.00
3340-0261	Stair case module (full width of body). Includes large compartment area with lower storage area and upper area open back storage pan. Stair case located to [#LOC].	\$9,346.00
3340-0262	(1) transverse storage pan roof top type compartment. Locate to inboard side (access from walkway). Compartment top and walls (diamond plate) to be bolt-in type and spaced to allow required air-flow for generator. Lid to be raised with push button latches (like roof top compartment lids) with gas shock hold open and includes one bracket mounted LED light.	\$2,270.00
3340-0263	Bolt-on 1/8" aluminum smooth plate wheel well liners.	\$426.00
3340-0264	License plate sized number plate. Locate in license plate bracket(s). Plate to be painted job color. Lettering and/or graphics not included.	\$229.00
3340-0265	Diamond plate fill tower deflector. Locate around fill tower located in hosebed storage pan. To be four sided and bolt-in for removing and to be height of pan.	\$358.00
3340-0266	Seattle Body (Rev B). Includes all body doors (hinged doors to have plunger style door ajar including TM walkway tool cmpts), side body roll-up doors (as applicable) to be painted job color, B1 to be notched on (8" wide x 3" high) D-Ring door (both doors to have plunger style hold opens- NO GAS SHOCKS), hosebed, rear int. step 10" wide IPOS with (2) lower folding steps (no upper steps), Zico drop down rack (hat brackets to be reduced in depth to pull ladders closer inboard), ladder rack to include audible alarm same as last units. L3/R3 extended areas to have flush floors. Unit to have old style shelf tracking. Tracks to be ran to compartment floor to just below roll-up door from compartment ceiling. All compartment floors to be 3/16" smooth plate IPOS diamond plate. Includes aluminum multiplex covers in L3/R3 compartments IPOS ABS covers.	\$39,764.00
3340-0267	Stokes/backboard storage rack. Stokes rack for 8"W x 24"H x 84"L basket with backboard sleeves for (2) backboards 2.5"W x 18"H x 84"L forward of rack. Includes restraining strap for stokes and backboards on each side. Location: L1/R1 transverse rear wall.	\$1,025.00
3340-0268	(1) staircase module storage pan roof top type compartment. Locate to inboard side (access from walkway). Compartment top and walls (diamond plate) to be bolt-in type. Lid to be raised with push button latch (like roof top compartment lids) with gas shock hold open and includes one bracket mounted LED light.	\$1,115.00
3340-0269	Diamond plate tandem axle wheel well. Includes bolt-on alum wheel well liners (un-painted) and fenderettes.	\$2,983.00
3340-0270	The painted aerial body side panels shall be smooth / flush. Applies to SideStacker HB side, panels next to water tank on MM, and upper body sides on RLP.	\$0.00
3340-0271	Nylon black cargo net in interior compartment opening behind door(s) of [#LOC]. Cargo net to be mechanically attached to bottom of compartment opening and bungee cords in the top corners.	\$589.00
3340-0272	Sign "Stay Back 500FT" with black reflective lettering. Locate B1 door above D-ring.	\$145.00

Option No.	Description	PRICE
3340-0273	A Do Not Move Apparatus label shall be affixed to the Door Ajar Warning Light.	\$33.00
3340-0274	Storage Pan. Locate in forward area of body, running front to rear for light tower.	\$802.00
3340-0275	Lower Center Body propellant lift with 12v electric winch to raise and stow bottle	\$2,800.00
3340-0276	Hosebed divider(s) to be notched. Notch(es) to be 24" wide x 24" high at the upper front corner of the divider(s).	\$282.00
3340-0277	Pass through in compartment ceiling for cord reel cable / hyd hose. For use with compts that have a ceiling spaced away from compt top. Loc: [#LOC]	\$923.00
3340-0278	Diamond plate tandem axle wheel well. Includes bolt-on painted job color alum wheel well liners and fenderettes.	\$3,479.00
3340-0279	Hosebed above the booster tank. Includes forward hosebed with notch for boom support, deflector for boom support and tower(s) cover plate work. Hosebed adjustable divider extrusion rearward of the furthest tower is to run full width of the hosebed.	\$1,756.00
3340-0280	Divider Long. To run full length of hosebed (front to rear). Locate on top of hard suction storage in hosebed.	\$534.00
3340-0281	Backboard storage compartment for (2) boards. [#LOC]. Includes retaining strap for boards.	\$736.00
3340-0282	Cab tilt switch and manual jack to be located: [#LOC].	\$0.00
3340-0283	Horizontal ladder bracket. Location and type of ladder: [#LOC].	\$280.00
3340-0284	The hosebed divider(s) to be notched on the rearward end for nozzle(s).	\$282.00
3340-0285	Bolt-in partition wall. Locate in centered (front to back) in driver side roof top compartment.	\$352.00
3340-0286	Mounting bar for 36" long roll of sheet plastic. Includes "U" brackets on each end and quick release pins to hold bar to brackets. Bar to be up high in compt positioned for a 10" dia roll. Loc: [#LOC].	\$588.00
3340-0287	Lip 2" high along lower compartment door opening just inside door. Loc: [#LOC].	\$158.00
3340-0288	Louvers, each compartment shall contain nine (9) slotted louvers.	\$24.00
3340-0289	Stokes basket storage on forward top of body driver side for storage of a CMC Rescue-CMC Pro Series Model #726112-T1 stokes basket.	\$544.00
3340-0290	Full width partition(s) located in hosebed rearward of the fill tower(s).	\$575.00
3340-0291	Removable number plate with mounting brackets. Locate [#LOC]. Plate to be painted job color. Plate to be 8"W x 20"H. Lettering and/or graphics not included.	\$417.00
3340-0292	Smooth plate single axle wheel well painted job color. Includes bolt-on composite wheel well liners. Wheel well plate(s) to be flush mounted.	\$4,053.00
3340-0293	Crosswalk and Speedlay module compartment Interiors to have Zolatone gray finish. Does not include floors if they are dia plt.	\$766.00
3340-0294	Recessed fuel fill officer side wheel well.	\$319.00
3340-0295	(1) driver side rear pump module extra width (inboard side) roof top compartment (offset rearward and sized to allow deck gun to stow without interfering with hosebed area). Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab. Outboard side of body to run full width and wrap around the rear and meet with the end of the hosebed.	\$2,390.00
3340-0296	(1) driver side transverse module extra width (inboard side) roof top compartment (offset rearward). Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab. Forward area to be open for general location of items in forward transverse pan.	\$2,390.00

Option No.	Description	PRICE
3340-0297	(1) officer side transverse module extra width (inboard side) roof top compartment (offset rearward). Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab. Forward area to be open for general location of items in forward transverse pan.	\$2,390.00
3340-0298	(1) officer side rear pump module extra width (inboard side) roof top compartment. Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab. Outboard side of body to run full width and wrap around the rear and meet with the end of the hosebed end.	\$2,734.00
3340-0299	Transverse module (full width and height of body) with lower storage areas (compartment opening 67" wide and same height as main body compartments). Includes full width forward storage pan and a pan in the rearward center/officer area between the driver roof top compartment. Transverse floor to run full width. Rear headboard to have area for routing of plumbing for preconnects located in rearward area.	\$7,683.00
3340-0300	(1) officer side rear pump module roof top compartment. Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab. Outboard side of body to run full width and wrap around the rear and meet with the end of the hosebed end.	\$1,368.00
3340-0301	Special hosebed configuration. First hosebed divider to be 12" off driver side hosebed side, to have fixed shelf centered vertically between hosebed side and hosebed divider, includes (1) long divider centered on top of fixed shelf. Second hosebed divider to be 18.25" off driver side hosebed side, to have fixed shelf centered vertically between first and second hosebed dividers. Both fixed shelves to run full length of dividers.	\$1,328.00
3340-0302	Long hose bed divider(s) to be held short to allow for adjustability of the divider(s) with hose bed preconnect(s) if applicable per hose loading and option locations.	\$0.00
3340-0303	(1) driver side rear pump module roof top compartment. Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab. Outboard side of body to run full width and wrap around the rear and meet with the end of the hosebed end.	\$1,368.00
3340-0304	Recessed fuel fill officer side wheel well.	\$0.00
3340-0305	Body mainframe and hosebed side assemblies for a 90" high body. Includes modifications for 4x4 and plumbing applications as required.	\$3,163.00
3340-0306	Speedy Dry Hopper. Locate [#LOC]. Includes discharge chute in compartment directly below roof top compartment with close off valve and extension hose for ground level dispensing. Capacity of speedy hopper is 100 lbs.	\$1,700.00
3340-0307	Stop bracket. Bracket to be located approx 125" back from door opening on rear compartment face of the roof top compartment.	\$33.00
3340-0309	Sign "Keep Back 300FT". White plate with red reflective lettering. Locate on rear ladder access door.	\$145.00
3340-0311	Two dividers in hosebed storage pan with adjustable tracks to move fore and aft in pan. Each divider to be full height and depth of dunnage area.	\$1,003.00
3340-0312	(1) driver side rear pump module roof top compartment. Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab. Outboard side of body to run full width and wrap around the rear and meet with the end of the hosebed end.	\$1,368.00
3340-0313	Locate Foam Fill Tower in the hosebed storage pan. Water Fill Tower located in the hosebed.	\$462.00
3340-0314	Air bag module for Paratech air bags as follows: 1-KPI-1, 1-KPI-3, 1-KPI-5, 1-KPI-12, 1-KPI-17, 1-KPI-22, 1-KPI-32, 1-KPI-35L, 1-KPI-44, 1-KPI-74. Locate in upper part of R1 rearward.	\$1,427.00

Option No.	Description	PRICE
3340-0315	Four (4) rope hooks will be on a slide that extends out of the compartment. Locate in R1 against rearward wall below air bag module.	\$449.00
3340-0316	Storage for 4 fire extinguishers. Locate in upper part of L1, rearward.	\$1,083.00
3340-0317	Storage Pan. Locate in forward area of body. For equipment, generator and light tower storage. Pan will be centered at the front of the body and the long way will run [#LOC].	\$1,643.00
3340-0318	Lower center body shall be diamond plate.	\$0.00
3340-0319	Bolt-on diamond plate 10" tailboard (full width of body). For use with rear ladder application. Includes handrails- (1) vertical on trailing edge of body opposite side of ladder and handrail(s) horizontal below hosebed.	\$974.00
3340-0320	Locate Tank Fill Tower(s) in the hosebed area. For use with hosebed storage pan for max storage pan capacity.	\$814.00
3340-0321	Driver side hosebed storage box. Storage box to hold (3) pike poles and (3) backboards. Pike poles to be stored down low. Backboards to be stored up high with dividers seperating storage for each board. Includes vertically hinge hinged door (wired to door ajar) with D-ring latch.	\$1,434.00
3340-0322	Diamond plate deflector shield for Light Tower. Deflector to be mounted to forward area of hosebed storage pan. Includes cross mounting structure in hosebed storage pan for Light Tower mounting.	\$1,380.00
3340-0323	Partitions to seperate the side rear compartments from the rear compartment to be pop riveted into place.	\$60.00
3340-0324	Body mainframe and hosebed side assemblies for a 98" high body.	\$4,557.00
3340-0325	(PR) NFPA compliant wheel chocks. Locate (1) each side rearward of the rear axle.	\$753.00
3340-0326	Storage compartment driver side compartment top. Locate to forward area. Includes roll-up door (wired to door ajar) with header and (1) interior strip light.	\$2,079.00
3340-0327	Heat Pan for rear mount pump application. Includes notching for tow eyes and rear hitch receiver (as applicable). Pan to not interfere with the connections of any towing hooks.	\$2,284.00
3340-0328	Hosebed partition. Locate at rear of hosebed, approx 9.25" from right side wall, extend 90" forward and taper at 45 degrees to right hosebed side wall. Partition to be .25" al plt with sanded finish.	\$703.00
3340-0329	The main hosebed sides and front are to be raised an additional 3" to fit the requested hoseload with the NFPA diamond plate hosebed covers.	\$0.00
3340-0330	Transverse module (full width and 95" high) with lower storage areas (compartment opening 40" wide and same height as main body compartments). Includes storage pan inboard of driver side roof top compartment. Transverse floor to run full width. Rear headboard to have area for routing of plumbing for preconnects located in rearward area.	\$7,683.00
3340-0331	Transverse module (full width and 95" high) with lower storage areas (compartment opening 25" wide and same height as main body compartments). Includes upper dunnage pan, transverse floor to run full width. Rear headboard to have area for routing of plumbing for preconnects located in rearward area.	\$9,245.00
3340-0332	Full width hosebed above the booster tank and rear mounted pump. Includes forward hosebed and tower(s) cover plate work (as applicable). Hosebed adjustable divider extrusion rearward of the furthest tower is to run full width of the hosebed.	\$2,362.00
3340-0333	Ribbed extrusion for additional divider support to be welded around the top and rearward edges of hoesbed divider(s).	\$382.00

Option No.	Description	PRICE
3340-0334	(2) Removable aluminum trays for the officer rear preconnects. The (1) officer upper tray to hold 200' of 1.75" DJ hose. The (1) officer lower tray to hold 200' of 2.5" DJ hose (both trays sized the same and to take the full R3 interior compartment width). Each tray is removable from the rear of the body and includes handhold cut outs on each side (4 total) and (2) handrails mounted side to side and placed 13" back from tray edge.	\$856.00
3340-0335	Door, pass thru. A Cast Products Inc. CPI sealed pass thru door shall be provided. There will be a sealed pass thru from the outside of the truck to the inside for wires. Opening size 5-1/2" T x 5-5/8" W. Locate [#LOC].	\$141.00
3340-0336	Guard, A/C. Guard construction to be from hand rail extrusion, will be provided around the A/C unit.	\$836.00
3340-0337	Hosebed divider with 45 degree offset to store customer required hose load. Rear section of divider approx. 94.5" to rear of offset and forward section of divider approx. 102.5" ahead of offset. HP75/78 only.	\$787.00
3340-0338	(1) driver side rear pump module extra width (inboard side) roof top compartment. Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab. Outboard side of body to run full width and wrap around the rear and meet with the end of the hosebed end.	\$2,734.00
3340-0339	(1) driver side transverse module extra width (inboard side) roof top compartment. Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab.	\$2,390.00
3340-0340	Backboard storage box. Located in [#LOC]. Includes sanded smooth plate exterior with smooth plate interior with (1) velcro strap on each end. Sized to hold (2) backboards.	\$542.00
3340-0341	Diamond plate raised cover with rubber hold-downs. Locate forward area of dunnage pan above transverse compartment. Hinge forward and wire to door ajar indicator in cab. Includes (1) bracket mounted LED light.	\$565.00
3340-0342	Body mainframe and hosebed side assemblies for a 90" high body. Includes height of rear body/pump module.	\$0.00
3340-0343	Body mainframe and hosebed side assemblies for a 95" high body. Includes height of rear body/pump module.	\$1,268.00
3340-0344	Hosebed above the booster tank and rear pump. Includes forward hosebed and tower(s) cover plate work (as applicable). Hosebed adjustable divider extrusion rearward of the furthest tower is to run full width of the forward hosebed.	\$1,756.00
3340-0345	Hosebed above the booster tank and rear pump. Includes forward hosebed and tower(s) cover plate work (as applicable). Hosebed adjustable divider extrusion rearward of the furthest tower is to run full width of the hosebed.	\$1,255.00
3340-0346	Hosebed above the booster tank and rear pump. Includes forward hosebed and tower(s) cover plate work (as applicable). Hosebed adjustable divider extrusion rearward of the furthest tower is to run full width of the hosebed.	\$1,581.00
3340-0347	Hosebed above the booster tank and rear pump. Includes forward hosebed and tower(s) cover plate work (as applicable). Hosebed adjustable divider extrusion rearward of the furthest tower is to run full width of the hosebed.	\$2,408.00
3340-0348	Divider Short. To be split for rear mount hosebed application. Main body hosebed divider to be squared on both ends. Rear hosebed divider to have radius end.	\$691.00
3340-0349	Divider Medium. To be split for rear mount hosebed application. Main body hosebed divider to be squared on both ends. Rear hosebed divider to have radius end.	\$744.00
3340-0350	Hosebed Storage Pan (24" front to rear). Locate in forward area of hosebed.	\$486.00
3340-0351	Hosebed Storage Pan (40" front to rear). Locate in forward area of hosebed.	\$802.00
3340-0352	Special hosebed configuration. To have the following dividers: (4) 14" high long dividers, (1) short (1) medium and (2) long standard height dividers and storage for (1) hardsuction with drop down door, with bumpers, wired to door ajar (do not shorten hosebed handrail length). Provide hosebed slats above storage with (1) adjustable divider. Reference layout in file.	\$6,008.00

Option No.	Description	PRICE
3340-0353	Body compartment Interiors and compartment mounted components (shelves, trays, toolboards,etc.) to have Zolatone gray finish. To include pan of hinged doors (as applicable).	\$5,691.00
3340-0354	(1) officer side rear pump module extra width (inboard side) roof top compartment (offset rearward and sized to allow deck gun to stow without interfering with hosebed area). Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab. Outboard side of body to run full width and wrap around the rear and meet with the end of the hosebed.	\$2,390.00
3340-0355	(1) officer side rear transverse module roof top compartment. Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab.	\$1,368.00
3340-0356	(1) driver side rear transverse module roof top compartment. Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab.	\$1,368.00
3340-0357	Body mainframe and hosebed side assemblies for a 85" high body. Includes modifications for 4x4 and plumbing applications as required.	\$1,584.00
3340-0358	Backboard storage sleeve for (1) board. 4"H x 20"W x 76"L. Includes (2) retaining straps, (1) each side for boards. Location: Horizontally mounted through L3/B1/R3.	\$736.00
3340-0359	Backboard storage box. Located in [#LOC]. Includes sanded smooth plate exterior with smooth plate interior with (1) velcro strap on each end. Sized to hold (3) backboards and spaced 3" per space.	\$812.00
3340-0360	Access panel on back wall of compartments L3 and R3 for access to the jet dump and rear tank inlet plumbing.	\$289.00
3340-0361	Divider Support to run full width of hosebed (side to side) at the front of the hosebed and towards the rear of the hosebed at top of the divider(s). Attach to each hosebed divider to provide additional support. Rear divider support to be split on either side of the aluminum hosebed center divider.	\$365.00
3340-0362	Black Dri-Deck flooring to be installed on floor of the backboard storage, hosebed storage pan and both medical cabinets.	\$1,316.00
3340-0363	Hosebed Storage Pan. Locate in forward area of hosebed. Pan to be 30" wide.	\$1,033.00
3340-0364	Diamond Plate Hosebed Storage Pan Cover. Cover to be split due to ladder rack for access when in stowed position. Includes D-ring latches and gas shock(s). Hinge to the rear of the hosebed storage pan.	\$1,695.00
3340-0365	Hosebed deflector divider. Locate to driver side rear of hosebed forward of deck gun. Deflector to only cover the forward and side of the deck gun piping. Rear area fo hosebed to be open for access from driver side rear.	\$357.00
3340-0366	Seattle Body (RevB). Includes all body doors (hinged doors to have plunger style door ajar including TM walkway tool cmpts), side body roll-up doors (as applicable) to be painted job color, B1 to be smooth plate doors with smooth plate panels outboard, to be notched on (8" wide x 3" high) D-Ring door (both doors to have plunger style hold opens- NO GAS SHOCKS), B2 to have diamond plate drop down door with diamond plate panels outboard, hosebed, rear int. step 10" wide IPOS with (2) lower folding steps with handrails (no upper steps), Zico drop down rack (hat brackets to be reduced in depth to pull ladders closer inboard), ladder rack to include audible alarm same as last units. L3/R3 extended areas to have flush floors. Unit to have old style shelf tracking. Tracks to be ran to compartment floor to just below roll-up door from compartment ceiling. All compartment floors to be 3/16" smooth plate IPOS diamond plate. Includes aluminum multiplex covers in compartment L3/R3 IPOS ABS covers.	\$39,764.00
3340-0367	Sign "NO STEP". White vinyl background with red reflective lettering. Locate (1) each forward and rearward on each of the hosebed cover doors.	\$145.00
3340-0368	Mount customer supplied AkronBrass Model 443 Spanner wrench. 1ea. on driver's side pump panel. Shall be unpainted.	\$258.00

Option No.	Description	PRICE
3340-0369	Bracket ProBar30 Hooligan tool shall be mounted in the L3 compartment on the back wall.	\$175.00
3340-0370	Body mainframe and hosebed side assemblies for a 80" high body. Includes modifications for 4x4 and plumbing applications as required.	\$319.00
3340-0371	Crosswalk module compartment Interiors to have Zolatone gray finish. Does not include floors if they are dia plt.	\$384.00
3340-0372	There shall be an area in R3 on the floor ahead of the divider to hold 2 batteries. The lowest shelf shall be approx 3" above the batteries and have rubber mounted to the bottom. There shall also be a rubber mat on the floor under the batteries.	\$0.00
3340-0373	The R1 compartment to have smooth plate floor and compartment walls to be non-louvered.	\$304.00
3340-0374	Sign "Stay Back 300FT" with black reflective lettering. Locate below rear of body.	\$145.00
3340-0375	Ship E-ONE body logos loose with unit.	\$0.00
3340-0376	Diamond plate single axle wheel well. Includes fenderettes and bolt-on aluminum wheel well liners sanded finish.	\$2,183.00
3340-0377	Storage compartment driver side compartment top. Locate to forward area. Includes roll-up door (wired to door ajar) with header and (1) interior strip light. For use with 2000 Gallon Tank.	\$2,079.00
3340-0378	Storage compartment driver side compartment top. Locate to forward area. Includes roll-up door (wired to door ajar) with header and (1) interior strip light. For use with 2500 Gallon Tank.	\$2,079.00
3340-0379	Storage compartment driver side compartment top. Locate to forward area. Includes roll-up door (wired to door ajar) with header and (1) interior strip light. For use with 3000 Gallon Tank.	\$2,079.00
3340-0380	Storage compartment driver side compartment top. Locate to forward area. Includes roll-up door (wired to door ajar) with header and (1) interior strip light. For use with 3500 Gallon Tank.	\$2,079.00
3340-0381	Storage compartment driver side compartment top. Locate to forward area. Includes roll-up door (wired to door ajar) with header and (1) interior strip light. For use with 4000 Gallon Tank.	\$2,079.00
3340-0382	Body main frame and hose bed side assemblies for a 78" high pumper body.	\$1,151.00
3340-0383	Body main frame and hose bed side assemblies for an 83" high pumper body.	\$1,268.00
3340-0384	Body main frame and hose bed side assemblies for an 88" high pumper body.	\$2,531.00
3340-0385	Body main frame and hose bed side assemblies for a 93" high pumper body.	\$3,797.00
3340-0386	Mateflex brand [#COL] floor matting covering all applicable compartment floors, shelves, and roll-out trays.	\$1,864.00
3340-0387	Full width of hose bed stainless steel transverse storage divider. Located in forward area of hose bed to separate equipment items such as generator, etc. from the main storage area. Main hose bed dividers will be located rearward of the transverse divider.	\$802.00
3340-0388	Brushed stainless steel rubrails for the sides of the body below the lower side compartments.	\$813.00
3340-0389	Stainless steel rear fender panels painted job color. (Recommended for FRP paint process compatibility!) Includes bolt-on stainless steel inner wheel well liners (not painted) and polished stainless steel outer fenderettes.	\$1,753.00
3340-0390	Stainless steel rear fender panels with aluminum treadplate overlays IPO painted finish. Includes bolt-on stainless steel wheel well liners (not painted) and polished stainless steel outer fenderettes.	\$1,331.00
3340-0391	Body mainframe and hosebed side assemblies for a 83" high body.	\$1,268.00
3340-0392	Underbody full width mudflap behind rear axle (as applicable) mounted to body.	\$673.00
3340-0393	Hosebed above the booster tank. Includes forward hosebed and tower(s) cover plate work (as applicable). Hosebed adjustable divider extrusion rearward of the furthest tower is to run full width of the hosebed.	\$0.00
3340-0394	Hosebed Storage Pan (36" front to rear). Locate in forward area of hosebed.	\$723.00

Option No.	Description	PRICE
3340-0395	Pike pole storage box. Located in the officer side of the hose bed (full length). Includes vertically hinged door (wired to door ajar) w/push-button latch. Box to hold: (4) 10' pike poles.	\$1,476.00
3340-0396	A deflector shield will be placed in front of the light tower or A/C system. Deflector will be in front of the forward most component. Deflector will be painted [#COL].	\$1,255.00
3340-0397	Recessed fuel fill with flat latching Stainless Steel door.	\$232.00
3340-0398	Propane Tank storage compartment. Box to be dia plt approx 20H x 14W x 14L with lift up door on top of box with 1/4 turn latch. Locate at front of catwalk.	\$1,812.00
3340-0399	Body mainframe and hosebed side assemblies for a 90" high body.	\$0.00
3340-0400	Backboard storage compartment for (2) boards in transverse. Location: [#LOC]. Includes retaining straps on both sides for boards.	\$736.00
3340-0401	Water Master wheel well to have E-One style trim. For use with single axle only.	\$0.00
3340-0402	Water Master wheel well to have E-One style trim. For use with tandem axle only.	\$884.00
3340-0403	Diamond plate side dump panels. Includes lift-up diamond plate doors with spring loaded hinges.	\$486.00
3340-0404	Smooth plate side dump panels. Includes lift-up smooth plate doors with spring loaded hinges. Smooth plate panels painted job color.	\$924.00
3340-0405	Sign, "STAY BACK 500 FEET" with black reflective lettering. Locate below rear of body.	\$145.00
3340-0406	Sign "Stay Back 150 Metres" with black reflective lettering. Locate below rear of body.	\$145.00
3340-0407	Hosebed above the booster tank. Hosebed assembly to be 3-piece design due to stepped hosebed. Includes forward hosebed and tower(s) cover plate work (as applicable). Hosebed adjustable divider extrusion rearward of the furthest tower is to run full width of the hosebed.	\$2,330.00
3340-0408	Adjustable ladder brackets. Locate in track [#LOC].	\$529.00
3340-0409	Adjustable tracks (pair). Locate tracks to [#LOC] assembly. For use with ladder and/or hard suction rack(s).	\$209.00
3340-0410	Water Master Body, Pump Module and Cab Tags in French to replace standard English E-One supplied Tags.	\$1,642.00
3340-0411	Recessed DEF fill Ford. Locate forward driver side wheel well.	\$0.00
3340-0412	Bolt-on diamond plate 24" tailboard (full width of body). Includes (2) squared off 12" deep beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed. For use with swivel style rear tank dump only.	\$1,192.00
3340-0413	Wheel Chocks 44" NFPA Complaint - Pair of Zico SAC-44. Up to 44" diameter Tires. Includes mounting bracket. Locate [#LOC].	\$700.00
3340-0414	Body main frame and 46" wide hose bed for a 90" high rescue pumper body.	\$2,531.00
3340-0415	Body main frame and 46" wide hose bed for a 97" high rescue pumper body.	\$3,797.00
3340-0416	Removable number plate with mounting brackets. Locate driver side outboard of B1. Plate to be painted job color. Plate to be 10"W x 10"H. Lettering and/or graphics not included.	\$294.00
3340-0417	Removable number plate with mounting brackets. Locate driver and officer side of the cab below canopy window. Plate to be painted job color. Plate to be 12"W x 12"H. Lettering and/or graphics not included.	\$294.00
3340-0418	Body compartment floors to be diamond plate.	\$0.00
3340-0419	Body compartments to be smooth plate (natural finish).	\$0.00
3340-0420	Smooth plate panels of body interior compartments to have zolatone (gray) finish.	\$3,876.00
3340-0421	Diamond plate single axle wheel well. Includes bolt-on composite wheel well liners and mudflaps.	\$0.00

Option No.	Description	PRICE
3340-0422	Double hardsuction storage with NFPA compliant restraints. Locate over adjustable ladder brackets.	\$603.00
3340-0423	Double hardsuction storage with NFPA compliant restraints. Locate (1) officer side on ladder rack and (1) driver side on compartment top.	\$603.00
3340-0424	Double hardsuction storage with NFPA compliant restraints. Locate (1) officer side on ladder rack and (1) driver side on compartment top.	\$603.00
3340-0425	Storage brackets for(1) attic ladder and (2) pike poles. Officer side compartment top.	\$0.00
3340-0426	Storage brackets for(1) attic ladder and (2) pike poles. Officer side ladder rack.	\$0.00
3340-0427	Storage brackets for (1) attic ladder and (2) pike poles. Officer side ladder rack (inboard).	\$0.00
3340-0428	Long hosebed divider.	\$384.00
3340-0429	Main (structural) body rubrail package. Includes white scotchlite inserts.	\$636.00
3340-0430	Hosebed assembly for use with single fill tower.	\$0.00
3340-0431	Hosebed assembly for use with dual fill towers.	\$0.00
3340-0432	Long hosebed divider.	\$402.00
3340-0433	Hosebed assembly for use with hosebed storage pan.	\$0.00
3340-0434	Long hosebed divider. For use with hosebed storage pan option.	\$336.00
3340-0435	Hosebed storage pan for use with single fill tower. Pan dimensions to be 69.125" L x 40" W x 12.75" D.	\$0.00
3340-0436	Hosebed storage pan for use with dual fill towers. Pan dimensions to be 69.125" L x 40" W x 12.75" D.	\$0.00
3340-0437	Diamond plate single axle wheel well. Includes bolt-on composite wheel well, sanded fenderettes and mudflaps.	\$0.00
3340-0438	Diamond plate single axle wheel well. Includes bolt-on composite wheel well, sanded fenderettes and mudflaps. Includes driver side recessed fuel fill.	\$0.00
3340-0439	Diamond plate single axle wheel well. Includes bolt-on composite wheel well, sanded fenderettes and mudflaps. Includes storage for (4) SCBA bottles - (2) driver side and (2) officer side.	\$2,009.00
3340-0440	Diamond plate single axle wheel well. Includes bolt-on composite wheel well, sanded fenderettes and mudflaps. Includes driver side recessed fuel fill and storage for (4) SCBA bottles - (2) driver side and (2) officer side.	\$2,009.00
3340-0441	Diamond plate single axle wheel well. Includes bolt-on composite wheel well, sanded fenderettes and mudflaps. Includes driver side recessed fuel fill and storage for (7) SCBA bottles - (3) driver side and (4) officer side.	\$2,424.00
3340-0442	Diamond plate single axle wheel well. Includes bolt-on composite wheel well, sanded fenderettes and mudflaps. Includes storage for (8) SCBA bottles - (4) driver side and (4) officer side.	\$2,600.00
3340-0443	Double hardsuction storage with NFPA compliant restraints. Locate (1) officer side on compartment top and (1) driver side on compartment top.	\$603.00
3340-0444	Main (structural) body rubrail package. Includes white scotchlite inserts.	\$721.00
3340-0445	Backboard storage. Storage for (1) backboard in officer side storage tunnel against hosebed side wall. Includes stop bracket.	\$194.00
3340-0446	Cover plate for the DEF tank in forward area of the officer side forward body compartment.	\$0.00
3340-0447	Bolt-in partition for the DEF tank in lower forward area of the officer side forward body compartment. Includes fixed shelf over the DEF tank.	\$74.00
3340-0448	Bolt-in partition for the DEF tank in lower forward area of the officer side forward body compartment. Includes fixed shelf over the DEF tank.	\$74.00

Option No.	Description	PRICE
3340-0449	Cover plate above the rear body compartment.	\$0.00
3340-0450	Bolt-in partition for the DEF tank in lower forward area of the officer side forward body compartment. Includes fixed shelf over the DEF tank.	\$74.00
3340-0451	Double hardsuction storage with NFPA compliant restraints. Locate (2) driver side on compartment top.	\$603.00
3340-0452	Hosebed storage pan for use with single fill tower. Pan dimensions to be 64.625" L x 40" W x 12.75" D.	\$743.00
3340-0453	Hosebed assembly for use with hosebed storage pan.	\$0.00
3340-0454	Long hosebed divider. For use with hosebed storage pan option.	\$336.00
3340-0455	Reinforce compartment [#LOC] for storage of heavy equipment. The compartment to be capable of storing up to 1000lbs of equipment.	\$351.00
3340-0456	4000lbs Equipment Weight Allowance. This exceeds the standard NFPA equipment weight allowance for Pumpers.	\$0.00
3340-0457	Zico vertical QUIC-MOUNT pike pole holder, locate on officer's side of catwalk. Holders shall accommodate 10 foot pike poles. There shall be a pin added to the U-shaped Zico bracket to secure the poles.	\$316.00
3340-0458	Adjustable ladder brackets. Mount in adjustable tracks on [#LOC] in the catwalk.	\$627.00
3340-0459	Locking push button latches to match body compartment door locks. Locate (1) on each door of the deluxe trim package of chassis and (1) on each SCBA bottle storage door.	\$68.00
3340-0460	Body main frame and hose bed side assemblies for a 78" high body with low hose bed and "L" shaped water tank.	\$1,438.00
3340-0461	Body main frame and hose bed side assemblies for an 83" high body with low hose bed and "L" shaped water tank.	\$1,727.00
3340-0463	Commercial chassis tandem axle wheelbase modification. Adds 1" to wheelbase due rear axle offset between commercial and custom chassis.	\$0.00
3340-0464	Rubrail spaced .50" away from body IPOS.	\$244.00
3340-0465	Pass thru between B1 and R3 compartments to allow room for booster reel motor for B1 mounted booster reel.	\$289.00
3340-0466	Turtle Tile Brand Red Floor Matting covering all applicable Compartment Floors, Shelves, and Rollout Trays.	\$723.00
3340-0467	Roof top compartment Interiors to have Zolatone gray finish.	\$2,056.00
3340-0468	Storage compartment driver side compartment top with extended length (58" opening with roll-up door open). Locate to forward area. Includes roll-up door (wired to door ajar) with header and (1) interior strip light. For use with 3500 Gallon Tank.	\$2,309.00
3340-0469	Driver side upper body storage area to have black dri-deck installed and run full length and width as applicable. Area to be for storage of two (2) lays of 5" LDH hose (500' total). Includes bolt-in plate at rear to square off back of storage area and three (3) NFPA retaining straps (sized to wrap up from floor and over hoses with adjustability for hose stacking). Hose to be deployable from the rear with rear body and bolt-in plate notched to provide rear opening. A red vinyl drop down flap shall be provided with quarter turn upper latching.	\$914.00
3340-0470	The outboard panels of the roof top compartments or full width hosebed as applicable to be smooth plate overlays. These areas are to be seamless and painted job color.	\$2,848.00
3340-0471	Hosebed partition. Locate at rear of hosebed, approx 9.25" from left side wall, extend 86" forward and taper at 45 degrees to left hosebed side wall. Partition to be .25" al plt with sanded finish.	\$703.00
3340-0472	Compartment floors to be flush for sweep out.	\$672.00
3340-0473	Lower Center Body to be Painted Job Color	\$736.00

Option No.	Description	PRICE
3340-0474	Body, Cab and Aerial Tags in French to replace standard English E-One supplied Tags. Includes pump panel and multiplex display if applicable.	\$1,642.00
3340-0475	This unit has an overall length restriction of 428", overall width restrictions of 125" and an overall height restriction of 130". These restrictions do not include the mirrors. These restrictions must not be exceeded.	\$769.00
3340-0476	Stainless steel tandem axle rear fender panels painted job color. Includes bolt-on stainless steel wheel well liners (not painted) and polished stainless steel outer fenderettes.	\$2,300.00
3340-0477	Bolt-on cover plates for light hole cut-outs in each body compartment.	\$0.00
3340-0478	Insulation shall be installed behind and / or below the body to protect the compartment(s) from excessive exhaust system heat.	\$990.00
3340-0479	Upper rear corner on each side of body to have diamond plate cover.	\$147.00
3340-0480	Hosebed assembly for use with three fill towers.	\$0.00
3340-0481	Vehicle number sign plate located on the top of the rear body / engine cover. The sign plate shall be 34" X 34" of smooth plate aluminum painted job color..	\$143.00
3340-0482	Roof top compartments on driver and officer side to have 1" drain holes with tubing and plugs.	\$289.00
3340-0483	Divider Long. To run full length of hose bed (front to rear). Divider 3/4 height of hose bed depth (top to bottom). For use with low hose bed configurations only.	\$534.00
3340-0485	Body mainframe and hosebed side assemblies for a 95" high body. Includes modifications for 4x4 and plumbing applications as required.	\$4,556.00
3340-0486	Diamond plate single axle wheel well. Includes bolt-on composite wheel well liners and bolt-on polished alum fenderettes.	\$1,096.00
3340-0487	Backboard storage sleeve. Locate in ladder tunnel between PEL-24 and PRL-14. Sleeve to be approx 4"W x 19.625"H x 74"L.	\$448.00
3340-0488	Divider long for use with hosebed preconnect. Divider to be set back and/or notched at forward area of hosebed for access to preconnect line connection.	\$534.00
3340-0489	ABC Extinguisher 10#. Locate bracket [#LOC].	\$178.00
3340-0490	Sign "Stay Back 15 Meters" with black reflective lettering. Locate below rear of body.	\$145.00
3340-0491	There shall be an antenna raceway made of Diamond Plate located on top of the walk-in module on each side. The officer's side shall hold 6 antennas approx 18" appart. The driver's side shall hold 6 antennas approx 14" appart. Deflector shield will be shortened on the officer's side due to raceway. Race Way will be installed at VanMor.	\$374.00
3340-0492	Panels removable under truck to protect from debris.	\$5,922.00
3340-0493	Sign "Keep Back 150M". White plate with red reflective lettering. Locate on rear ladder access doors.	\$145.00
3340-0494	Rubrail for the body.	\$813.00
3340-0495	Fabricate and install a storz hose holder including Zico coupling mount (CM 3.0/4.0) for 4" hose at rear of body on officers side below pike pole storage. Fabricated from .125" aluminum diamond plate.	\$595.00
3340-0496	Louver Guards. All body compartment louvers to have protective guard provided on exterior of compartments. Guards to prevent road spray from entering compartments.	\$579.00
3340-0497	Storage bin with (4) cells each approx. 9"w x 9"h, for square configuration. Located in L3 floor mounted offset rearward.	\$462.00
3340-0498	Storage bin approx. 24"w x 8"h. Located in R3 suspended from ceiling offset rearward.	\$347.00

Option No.	Description	PRICE
3340-0499	Storage area to officer side of center hosebed divider. Area to include (from driver to officer side): (1) 10" H x 10" W. This includes (1) divider with square ends and hosebed style top. Remaining are to be for horizontally stored backboards (2). Area to be 6" H x remaining hosebed width with a hosebed style top (full length of hosebed). Each storage area to have a drop down diamond plate door with push button latching and each wired to door ajar indicator in cab.	\$692.00
3340-0500	[#LOC] compartment walls are to be non-louvered.	\$251.00
3340-0501	Fenders additional in wheel wells added to forward center body, rear center body, rear body, tank skins and lower center body. All fenders including cab fenders to measure 4" extension from cab skin to protect body and cab painted surfaces from road debris.	\$1,663.00
3340-0502	Compartment walls shall be insulated using aluminum plate to sandwich 1" closed cell insulation for all heated compartments.	\$3,406.00
3340-0503	Handrails mounted on the top deck shall be extended to a height of 36".	\$613.00
3340-0504	E-ONE logo mounted (1) each side on forward body side rearward of water level gauge and (1) rear below the rear tank inlet and offset to driver side. Logos to be sized as applicable to available space.	\$0.00
3340-0505	Storage for air bags. Locate in R1 above the crosslay on the rear wall and against lower forward wall in R1. Storage will hold a Sava 223 Ton City Heavy Rescue Kit, 7 Lift Bag Set.	\$1,427.00
3340-0506	Stokes basket mounting brackets on top of body. Locate in the catwalk offset to the drivers side. Bracket will include a set of straps and a piece of poly on catwalk floor.	\$518.00
3340-0507	Backboard storage compartment. Locate in driver's side roof compartment on the forward interior corner. Rack to hold 3 boards.	\$736.00
3340-0508	Utility Air Compressor, Atlas Copco LT3-20, 3 HP, 7.8 CFM @290 PSIG. Located in dunnage area on the driver's side.	\$6,996.00
3340-0509	The outboard panels of the roof top compartments to be smooth plate overlays. These areas are to be seamless and painted job color.	\$2,848.00
3340-0510	Hosebed dividers to be 34" tall.	\$0.00
3340-0511	Bolt-in partition walls. Locate in lower rear compartment transverse area. Partitions to separate the L3 compartment from the rear compartment.	\$128.00
3340-0512	I-Zone brackets mounted on driver and officer rear body compartment face up high. Includes 14" removable poles with keeper pins.	\$247.00
3340-0513	Special hosebed configuration from driver to officer side. 500' of 2.5" DJ hose, (1) short divider, backboard storage to hold (2) backboards with access from a vertically hinged diamond plate door with a push-button latch, (1) short divider, 750' of 3" DJ hose to be stored above strut storage box with (3) 5" aluminum tubes length of the hosebed includes drop down door (wired to door ajar) with push button latch and hosebed style top, hosebed cover center divider, 1200' of 5" LDH hose, (1) long divider with horizontally hinged shelf to separate upper hose packs from lower 300' of 1.75" DJ hose.	\$3,335.00
3340-0514	Compartment R1 to have no louvers. Requires roll-up door application.	\$117.00
3340-0515	Driver side upper body storage area to have black dri-deck installed and run full length and width as applicable. Area to be for storage of 400' Of 2.5" DJ hose. Includes bolt-in plate at rear to square off back of storage area and three (3) NFPA retaining straps (sized to wrap up from floor and over hoses with adjustability for hose stacking). Hose to be deployable from the side of the body.	\$914.00
3340-0516	Storage Pan Hot Shot II Hydraulic Reservoir. Includes a hinged lid with gas shock hold open.	\$802.00
3340-0517	Bolt-in partition to separate the officer side booster reel from the officer side main hosebed. Partion to have scotch-brite finish.	\$339.00
3340-0518	Storage Pan. Locate in forward area of body. For equipment, generator and/or light tower storage. Pan will be centered at the front of the body and the long way will run side to side.	\$1,293.00

Option No.	Description	PRICE
3340-0519	Removable number plate with mounting brackets. Locate [#LOC]. Plate to be painted job color. Plate to be 12"W x 12"H. Lettering and/or graphics not included.	\$307.00
3340-0520	Smooth plate single axle wheel well painted job color. Includes bolt-on composite wheel well liners and bolt-on polished alum fenderettes.	\$1,641.00
3340-0521	All body and pump module compartments (if applicable) and/or storage areas to have no louvers or vents.	\$289.00
3340-0522	Vehicle number sign plate (painted job color) bolted on top of compartment top over R1.	\$149.00
3340-0523	Hosebed area above booster tank. Includes raised sides and front of water tank, slatted flooring and adjustable divider extrusions.	\$2,895.00
3340-0524	Hosebed area above booster tank. Includes raised sides and front of water tank, slatted flooring and adjustable divider extrusions.	\$4,388.00
3340-0526	Hose bed storage pan to extend forward over eMAX transverse storage area(s).	\$340.00
3340-0527	2x2 angle to be located full width of opening of compartment L2.	\$188.00
3340-0528	This unit has an overall length restriction of 494", overall width restrictions of 125" and an overall height restriction of 150". These restrictions do not include the mirrors. These restrictions must not be exceeded.	\$0.00
3340-0529	Smooth plate single axle wheel well. Includes bolt-on composite wheel well liners and bolt-on polished alum fenderettes. Panel to be painted job color.	\$1,781.00
3340-0530	Removable number plate with mounting brackets. Locate [#LOC]. Plate to be painted job color. Plate to be 12"W x 8"H. Lettering and/or graphics not included.	\$280.00
3340-0531	Spare tire carrier lift, 12VDC, below body, Wildland	\$1,899.00
3340-0532	Storage compartment on top of body. Box to be dia plt approx 120L x 8H x 20W with lift-up door on the rear of box. Door will be equipped with a hold open device and have a thumb latch. Locate 1 bolted to the officer's side compartment top and 1 bolted to the driver's side compartment top . Box will be made out of .1875 dia plate.	\$951.00
3340-0533	Backboard storage sleeve. Locate within LS hose bed cover, underneath. Sleeve to be approximately 3" H x 20" W x 72" L, Wildland	\$828.00
3340-0534	Backboard storage sleeves. Locate in under both hose bed covers. Racks to be approximately 3" H x 20" W x 72" L, Wildland	\$1,226.00
3340-0535	Hose bed bulkhead dividers, stainless, Wildland	\$762.00
3340-0536	Hose bed divider, aluminum, Wildland	\$377.00
3340-0537	Stokes basket mounting brackets on top of body. Locate in the catwalk offset to the drivers side. Bracket will be lined with poly material and include straps.	\$518.00
3340-0538	Brushed stainless steel rubrails for the sides of the body below the lower side compartments, Wildland	\$477.00
3340-0539	Bolt-on rubber fenderettes, Wildland	\$622.00
3340-0540	Embossed aluminum treadplate trim, Wildland	\$810.00
3340-0541	Cab, Body and Pump Module safety and warning Tags in French to be in addition to standard English E-One supplied Tags.	\$2,202.00
3340-0542	Hose bed divider, aluminum, additional, Wildland	\$377.00
3340-0543	Transverse sleeve thru backwall of compartments L1 and R1. Transverse area to be approx. 32" wide x 18" high x 47" deep.	\$797.00
3340-0544	Body mainframe and hosebed side assemblies for a 70" high body	\$0.00
3340-0545	Diamond plate box for directional lightbar. Box to be mounted on 3" x 3" aluminum angle at rear of hosebed storage pan. Lightbar to be surface mounted to box.	\$609.00

Option No.	Description	PRICE
3340-0546	A bolt-on preconnect storage area to be provide to the driver side upper tank area. To include aluminum sides and front (notched for discharges), (2) dividers (notched for nozzle) with handhold cut-outs. Storage from driver to officer (double stacked) : 200' of 1.75" DJ/ 200' of 1.75" DJ/ 200' of 2.5" DJ. Storage area depth to be approximatley 8.75" deep to the dri-deck flooring.	\$1,441.00
3340-0547	A chrome handle will be attached to each roof compartment lid, centered front to rear.	\$123.00
3340-0548	Zico Walkaway bracket with standard spring clip brackets will be located as follows: two (2) on the forward toolboard forward facing and two (2) on the rearward toolboard rearward facing in L6.	\$151.00
3340-0549	Flexible 2.5" conduit with connectors. Location: R3 rearward below roll-out work surface to below the desk centered in the floor.	\$669.00
3340-0550	Top of hosebed sides to be approximately same height as top of commercial cab. Adjust standard hosebed height as required to meet this customer requirement.	\$0.00
3340-0551	Diamond plate hose storage box located on driver side compartment top. Includes lift-up door for easy access from the ground. Tray to sized for 150' of 2.50" hose (deadlay).	\$2,467.00
3340-0552	Double pre-connect tray on top of the drivers side compartment top offset to the rear. Tray to be "U" shape to hold 200' of 1.75" DJ (each). Includes hinged diamond plate cover.	\$1,529.00
3340-0553	Solid aluminum 1" x 3" bar stock rubrail with 45 degree mitered ends. Includes white Diamond Grade Scotchlite.	\$1,088.00
3340-0554	Aluminum smooth plate false back wall bolted-in 6" from outside of body. Locate in each L2 & R4 compartments.	\$423.00
3340-0555	Roof top compartments to have raised push button latches in place of turn latches.	\$354.00
3340-0556	Recessed fuel fill officer side.	\$0.00
3340-0557	Triple hardsuction storage with NFPA compliant restraints. Locate (1) officer side inboard on ladder rack and (2) driver side on compartment top (stacked).	\$973.00
3340-0558	Storage brackets for (1) attic ladder and (3) pike poles (6', 8' and 10'). Locate the attic ladder and pike poles on outboard side of the ladder rack.	\$482.00
3340-0559	There will be a compartment accessible from the rear below the open bed for storage of a stokes basket. Compartment offset to the officer side. Compartment approximately 26" wide x 88" deep. The floor of the comparmnt to have poly attached for ease of sliding stokes basket in and out. Compartment to have drop down smooth plate door with thumb latches.	\$244.00
3340-0560	Rolled hose rack for (4) hose rolls. Includes (3) adjustable dividers to be 18" high x 24" deep each with adjustable tracking on floor. Locate in floor of L1 compartment.	\$630.00
3340-0561	Access panel on back wall of the driver and officer side body compartments rearward of the wheel well for access to the frame mounted tow eyes.	\$0.00
3340-0562	Universal air pack bottle bracket installed on backwall of compartment [#LOC].	\$163.00
3340-0563	Driver and officer side assembly compartment tops to cover upper section of hosebed sides.	\$0.00
3340-0564	The unit has critical dimensions. See specification.	\$0.00
3340-0566	Front panel of the body shall be covered by 16 gauge brushed finish stainless steel. The vertical panels at the inner rear entrance area shall be covered with brushed 16 gauge stainless steel. 16 gauge stainless steel overlays shall be placed between the compartment door hinges on the exterior left and right sides of the body. Non-skid aluminum treadplate protection on the entire roof of the command body area with built-in or add on upper side drip rails.	\$2,939.00
3340-0567	Underbody UltraGuard splash guard behind rear axle mounted to body.	\$571.00

Option No.	Description	PRICE
3340-0568	(2) Stainless steel eyebolts shall be mounted through the body at the upper top rear corners at the rear of the vehicle. The eyebolts shall have an I.D. of 2" and stainless steel scuff plates shall be provided behind the eyebolts. The eyebolts shall be to provide a maximum pull of 4500 lbs. per location.	\$2,013.00
3340-0569	14 gauge stainless steel floor lip guards shall be provided.	\$319.00
3340-0570	An oil dip stick hinged access door shall be located in R4.	\$0.00
3340-0571	Hinged access door to foam transfer pump breaker.	\$296.00
3340-0572	Stainless steel tag on wheel well area above each tire location. To include pressure, torque and size of each tire.	\$113.00
3340-0574	Color coded warning labels NYPD. Yellow/black caution, Red/black danger, Black/white informational. See Specifications for detail.	\$0.00
3340-0575	Recessed DEF fill forward officer side wheel well.	\$0.00
3340-0576	Mateflex brand [#COL] floor matting covering all applicable compartment floors, shelves, and roll-out trays.	\$1,128.00
3340-0577	Bolt-in partition wall. Located forward of electric cord reels in driver and officer side roof top compartments.	\$236.00
3340-0578	Bolt-on trim panels to be installed over the side walls extrusions of the driver and officer side roof top compartments.	\$889.00
3340-0579	Provide (2) two inch conduits with pull wires in them for dealer/customer installed equipment. Locate (1) from driver side forward roof top compartment to the hydraulic ports on the front bumper and (1) from driver side forward roof top compartment to the hydraulic ports in the B1 compartment.	\$469.00
3340-0580	Backboard storage compartment. Locate in R1/L1 as high as possible ahead of the vertical partition with a strap to hold the boards in the rack. Rack to hold 2 backboards/spine boards. Each compartment will be 4.5"h x 22"w x transverse.	\$493.00
3340-0581	B2 storage will consist of stokes basket storage and 3 pike poles.	\$791.00
3340-0582	B3 will consist of 3 pike poles, position for a PEL-14 14' 2 section extension ladder, and a 10' attic ladder.	\$789.00
3340-0583	Cast Products recessed DEF fill with door.	\$141.00
3340-0584	Hosebed dividers to be 19" tall.	\$0.00
3340-0585	Ladder storage box. Located in the driver side of the hosebed. Includes vertically hinged door (wired to door ajar) w/push-button latch and composite flooring. Box to hold: (1) Alco-lite CJL-12 ladder. Deletion of aluminum hose bed cover center divider notch may be required as applicable.	\$673.00
3340-0586	Storage pan over eMAX transverse storage area(s).	\$479.00
3340-0587	Slip-on stainless steel dump elbow and 36" straight extension chute. Includes body mounted removable support arm and mounting brackets at rear of body for elbow and straight chute.	\$1,808.00
3340-0588	Slip-on painted steel dump elbow and 36" straight extension chute. Includes body mounted removable support arm and mounting brackets at rear of body for elbow and straight chute.	\$1,396.00
3340-0589	Body main frame and 46" wide hose bed for a 83" high rescue pumper body. Intended for use with overhead ladder rack and stay under 10' OAH.	\$2,531.00
3340-0590	Storage sleeve compartment in transverse. Location: L1/R1 just below rollup door drum centered on upper rear wall. Approximately 6"wide x 12"high x 72"long. Includes retaining straps on both sides.	\$498.00
3340-0591	Hose bed bulkhead divider, stainless.	\$595.00
3340-0592	Body walk-in Interiors to have Zolatone gray finish. To include extrusions, smooth plate surfaces and storage cabinets interior and exterior (as applicable). Does not include floors if they are dia plt.	\$3,881.00

Option No.	Description	PRICE
3340-0593	Bottom louver to be approximate 11" from the floor in R1.	\$0.00
3340-0594	Staircase storage will be as follows: B1 - open, B2 - open, B3 - Stokes basket, B4 - (1) 24' 2 section ladder, (1) 14' roof ladder, (1) 10' attic ladder and (2) pike poles. All floors to have Nylatron.	\$2,107.00
3340-0595	Area between L3 and R3 will not be transverse due to storage in the staircase.	\$0.00
3340-0596	Backboard storage compartment. Locate in R2 upper with a black cargo net to hold the boards in the rack. Rack to hold 3 boards.	\$852.00
3340-0597	Handrail to be mounted between stanchion posts. Stanchion post be 6" high and set back 11" from back of body.	\$529.00
3340-0598	Driver side upper body storage area to have black dri-deck installed and run full length and width as applicable. Area to be for storage of 200' Of 3" DJ hose. Includes welded plate at rear to square off back of storage area and three (3) NFPA retaining straps (sized to wrap up from floor and over hoses with adjustability for hose stacking). Hose to be deployable from the rear of the body. A black vinyl drop down flap shall be provided with quarter turn upper latching.	\$914.00
3340-0599	Hosebed storage box. Located in the driver side of the hosebed. To hold (2) backboards, (2) 10' pike poles and (1) 10' attic ladder with access from a vertically hinged diamond plate door (wired to door ajar) with a push-button latch.	\$1,601.00
3340-0600	Bolt-in partition walls. Locate in lower rear compartment transverse area. Partitions to separate the R2 compartment from the rear compartment.	\$128.00
3340-0601	Backboard storage compartment for (2) boards in transverse. Location: [#LOC]. Includes retaining straps on both sides for boards.	\$736.00
3340-0602	Diamond plate side dump panels. Includes drop-down diamond plate doors with counter balanced actuation.	\$711.00
3340-0603	Removable number plate with mounting brackets. Locate [#LOC]. Plate to be painted lower job color (if cab is painted two tone). Plate to be 8"W x 14"H. Lettering and/or graphics not included.	\$307.00
3340-0604	Diamond plate hose storage box. Locate on driver side compartment top. Box to include removable flooring and a diamond plate drop down door with d-ring latch(s). Rubber stops will be provided ipo chains.	\$1,529.00
3340-0605	Removable number plate with mounting brackets. Locate [#LOC]. Plate to be painted upper job color (if cab is painted two tone). Plate to be 14"W x 8"H. Lettering and/or graphics not included.	\$307.00
3340-0606	Diamond plate partition on inboard side of hydraulic generator in open storage area.	\$379.00
3340-0607	Hosebed above the booster tank. Includes forward hosebed and tower(s) cover plate work. Hosebed adjustable divider extrusion rearward of the furthest tower is to run full width of the hosebed. Includes access panel at rear of truck to access dry chemical system.	\$2,108.00
3340-0608	Hosebed area above booster tank. Includes raised sides and front of water tank. No hosebed slats in hosebed.	\$1,785.00
3340-0609	Guard Booster Reel. There shall be an expanded metal guard provided for booster reel mounted below body between frame rails to prevent booster reel hose from falling below the truck.	\$594.00
3340-0610	Full width partition/channel located in hosebed rearward of the fill tower(s). Channel shall be approximately 6" wide x 2" high and located 106" from the rear of the truck. See photos on file.	\$489.00
3340-0611	Body will have (2) additional compartments, (1) each side behind the rear wheels. Doors to match material of forward doors. Wetsides.	\$1,344.00
3340-0612	Diamond plate shield over electrical items mounted on extended box at upper rear of Wetside tank.	\$105.00
3340-0613	Storage compartment on top of body. Box to be dia plt approx 120L x 8H x 20W with open top and a door on the rear of box. Locate 1 bolted to the driver's side compartment top . Box will be made out of .1875 dia plate. Box will have slats for water drainage.	\$1,123.00

Option No.	Description	PRICE
3340-0614	[#COL] edge trim for floor mounted Turtle Tile matting. Locate on door opening side only. Requires seperate floor matting option.	\$407.00
3340-0615	Pan mounted diamond plate 3 sided generator shield. Includes partition in storage pan for driver side wall.	\$1,008.00
3340-0616	Tool air system. Includes 6000 PSI DOT cyl, bottle rack, fill panel. Rack located driver side roof top compartment. Fill panel adjacent to breaker box In L1.	\$5,104.00
3340-0617	The following items to be sanded smooth plate painted with black Scorpion coating place of standard diamond plate: Compartment tops, roof top compartment lids, hosebed storage pan, transverse module storage pan, aluminum hosebed covers, tailboard, rear intermediate steps, transverse module running boards.	\$3,355.00
3340-0618	Captive booster reel rollers mounted through center rear compartment face. Locate down low and size for width of reel assembly.	\$420.00
3340-0619	Body will have (2) additional compartments, located (1) each side behind rear wheels. Narrow tank Wetside only.	\$238.00
3340-0620	Body will have (2) additional compartments, located (1) each side behind rear wheels. Wide tank Wetside only.	\$238.00
3340-0621	Air bag storage:(6) bags. Slot sizes: approximately 24" wide x 5" high x 24" deep. located R3 on rear portion of SlideMaster tray. Includes tray on top with 2 inch lip all around.	\$1,127.00
3340-0622	Air bag storage for 4 bags. Appox slot sizes: (4) 24" wide x 4" high x 31" deep. Locate in L3 compartment.	\$1,075.00
3340-0623	There shall be a compartment below side dumps, it will include a vertically hinged access door (one each side) below the side dumps with push button latch. Doors to match dump panel material. Compartment dims to be approximately 15" high x 24" wide x 26" deep.	\$300.00
3340-0624	Box mounted on driver side rear compartment face to hold auto eject rectacle and battery charger display. Box to be angled downward at an approximate 15 degree angle.	\$277.00
3340-0625	Catwalk to be installed above hydraulic generator in hosebed storage pan.	\$931.00
3340-0626	Body mainframe and hosebed side assemblies for a 94" high body.	\$3,797.00
3340-0627	Hosebed dividers heights to vary depending on the hose load requirements of each lay.	\$284.00
3340-0628	Entire top of body's diamond plate panels to be sand blasted to remove shine.	\$741.00
3340-0629	Hose Reel Nozzle Bracket. Location (1) above L1 compartment and (1) shipped loose.	\$85.00
3340-0630	Upper hosebed above the upper section of the booster tank. Includes forward hosebed cover plate work and modifying hosebed storage pan to be 39" wide above upper section of booster tank.	\$1,124.00
3340-0631	Removable number plate with mounting brackets. Locate [#LOC]. Plate to be painted body job color. Plate to be 8"W x 14"H. Lettering and/or graphics not included.	\$307.00
3340-0632	Body main frame and 59" wide hose bed for a 90" high rescue pumper body.	\$2,531.00
3340-0633	Removable Poly hose bed storage tray (EA). The floor of the tray(s) to be slotted to prevent the accumulation of water and allow for ventilation of wet hose.	\$583.00
3340-0634	Double pre-connect tray on top of the drivers side compartment top offset to the rear. Tray to be "U" shape to hold 200' of 1.75" DJ (each). Includes black vinyl cover.	\$1,529.00
3340-0635	Mud flaps, in front of rear wheels, black with no logo. Install additional row of fasteners close to bottom of wheel well.	\$233.00
3340-0636	Fill Tower support bracket to be held 1/4" back from fill tower and attached to front hosebed wall.	\$127.00
3340-0637	Cover plates around rear frame mounted tow eyes in B1 compartment.	\$127.00
3340-0638	Bolt-in partition wall. Located rearward of air cord reel in officer's side roof top compartment.	\$236.00

Option No.	Description	PRICE
3340-0639	Front of hose bed stainless steel partial storage divider on officer side for selected accessory such as a generator. Located in forward area of hose bed to separate the storage area from the main hose storage area. Applicable main hose bed dividers will be located rearward of the partial divider.	\$851.00
3340-0640	Bolt-in partition walls located as follows in hose bed, (1) one partition side to side to rear of fill towers and (2) partitions located one each side to inside of each tower for additional storage space between fill towers.	\$748.00
3340-0641	Removable number plate with mounting brackets. Locate [#LOC]. Plate to be painted upper cab job color. Plate to be 5.5"H x 11"W. Lettering and/or graphics not included.	\$307.00
3340-0642	Body will have (2) additional compartments, (1) each side behind the rear wheels.	\$820.00
3340-0643	Stainless steel trim for lower edge of rear mudflap (PR). The trim shall be 2" in height and go full width of the mudflap. The material shall be "polished" stainless steel and it will be mounted to the lower edge of the rear (back side) of the mudflaps.	\$339.00
3340-0644	Flooring plate additional in L2 and R2 compartments. 3/16" aluminum smooth plate to be bolted in place 1/2" above standard diamond plate compartment floors.	\$169.00
3340-0645	(2) driver side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids ("embossed" treadplate) with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$5,522.00
3340-0646	(2) officer side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids ("embossed" treadplate) with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$5,522.00
3340-0647	Roof top compartment doors shall have larger latches installed (Southco model C5-11-15 latch, C5-82 gasket) in place of standard.	\$244.00
3340-0648	Air bag storage for Paratech air bags. Three (3) areas, one (1) inside body walkway and two (2) in R4. See specifications for details.	\$791.00
3340-0650	Fill tower partition. "U" shaped partition to be located around water fill tower and extend rearward to bolt to rear surface of storage pan. This 1/8" diamond plate "hat" section shall provide fill tower protection within the hose bed.	\$347.00
3340-0651	Piping cover where visible for discharge piping above pump enclosure to front of hose bed (each). Cover to be stainless steel to blend with surrounding area.	\$515.00
3340-0652	Stainless steel trim for lower edge of front mudflap (PR). The trim shall be 2" in height and go full width of the mudflap. The material shall be "polished" stainless steel and it will be mounted to the lower edge of the rear (back side) of the mudflaps.	\$339.00
3340-0653	Diamond plate tandem axle wheel well. Includes bolt-on composite wheel well liners and bolt-on polished alum fenderettes.	\$2,190.00
3340-0654	Sign plates made from smooth aluminum plate (PR), 12" X12", painted color: [#COL] shall be mounted to the diamond plate panel rearward of the rear tires each side.	\$265.00
3340-0655	The forward body shall be modified to allow the headboard to stow rearward of it's normal position (flex joint area) thus allowing the monitor to rotate 360 degrees without interference. Tread plate shall be used as necessary to trim/closeout the repositioned headboard mounting surface rearward of the body's forward most or normal headboard storage position.	\$368.00
3340-0656	The forward body upper storage area shall have the partition removed between the backboard and stokes storage area.	\$0.00
3340-0657	Trim between the body front and the cab. One (1) each side to close out the majority of the gap between the body and cab, The trim pieces shall be smooth aluminum plate painted job color and will be bolted in place to the body.	\$454.00
3340-0658	Locate Tank Foam Fill Tower(s) in the officer side of hose bed storage pan. If two towers, they will be located side to side in storage pan. Water tower to be located in standard location in hosebed.	\$0.00

Option No.	Description	PRICE
3340-0659	Speedy Dry Hopper location: [#LOC]. Mounted on a floor mounted 500# roll-out tray. Tray to have notch on front wall for Speedy Dry Hopper valve to hold #200 pounds.	\$2,789.00
3340-0660	Insulation to protect compartment from exhaust system heat. Locate in R2 lower back wall.	\$990.00
3340-0661	Vehicle number sign plate (un-painted smooth plate) bolted on top of storage box over R1. Approx. size 16" x 24".	\$141.00
3340-0662	Recessed fuel fill with flat latching stainless steel door. Door style to match SCBA doors.	\$295.00
3340-0663	Recessed fuel fill driver side forward of L1 compartment, up high due to fuel tank location.	\$0.00
3340-0664	Backboard storage box. Located in the officer side of the hosebed. To hold (1) backboard with access from a vertically hinged diamond plate door with a lift and turn latch. The box to only run the length of the backboards.	\$545.00
3340-0665	Hosebed storage pan partition. Partition to be adjustable front to back in hosebed storage pan.	\$347.00
3340-0666	Mounting for directional light bar. Located on rear area of body below upper or intermediate step.	\$131.00
3340-0668	The forward edge of all side body mounted rub rails shall be mitered at a 45 degree angle. This includes the two (2) upper body and two (2) lower body assemblies on each side of the vehicle. The rearward ends shall remain square cut. The two (2) rub rails at the back of the body shall remain as is.	\$199.00
3340-0669	Rubrail for the body (sides only, serrated surface facing down).	\$605.00
3340-0670	Double pre-connect tray on top of the drivers side compartment top offset to the rear. Tray to be "U" shape to hold 200' of 1.75" DJ (each). Includes cover to protect preconnects and hinged smooth plate cover for hose. Tray and covers to be painted job color.	\$1,700.00
3340-0671	Recessed fuel fill driver side wheel well supplied by Ford.	\$0.00
3340-0672	Body and Cab Tags in French to replace standard English E-One supplied Tags.	\$1,642.00
3340-0673	Storage box with (2) drop down doors. Diamond plate box to be approx. 136" long x 12" high x 12" deep mounted on officer side compartment top between hosebed side tubes. Includes hinged drop down doors with locking D-ring latches (wire to door ajar).	\$1,016.00
3340-0674	There shall be a metal plate mounted to the side of the driver side compartment top mounted preconnect tray to assist in the application of the NFPA stripe and/or Lettering.	\$182.00
3340-0675	The outboard panels of the rear body to be smooth plate overlays. These areas are to be seamless and painted job color.	\$2,820.00
3340-0676	Hosebed divider with 45 degree offset to store customer required hose load. Locate on driver side of hosebed, to store 400' of 2.5" DJ hose.	\$898.00
3340-0677	Stokes basket storage top of body [#LOC].	\$544.00
3340-0678	Double pre-connect tray on top of the drivers side compartment top offset to the rear. Tray to be "U" shape to hold 200' of 1.75" DJ (each). Includes red vinyl cover.	\$1,529.00
3340-0679	Body mainframe layout line to be 22". Includes body and all applicable modules.	\$0.00
3340-0680	Body mainframe layout line to be 23". Includes body and all applicable modules.	\$0.00
3340-0681	Body mainframe layout line to be 24". Includes body and all applicable modules.	\$0.00
3340-0682	Body mainframe layout line to be 25". Includes body and all applicable modules.	\$0.00
3340-0683	Hosebed storage pan. Locate in forward area of hosebed. Pan depth shall be approximately 18".	\$1,131.00
3340-0684	Body compartment interiors to have Zolatone gray finish. To include pan of hinged doors (as applicable). Does not include floors if they are dia plt. Wetside Only.	\$1,426.00
3340-0685	Backboard storage compartment. Locate in R1/L1 vertical against forward wall with a strap to hold the boards in the rack. Rack to hold 2 boards in a single slot.	\$493.00

Option No.	Description	PRICE
3340-0686	Body mainframe and hosebed side assemblies for a 75" high body.	\$1,268.00
3340-0688	The driver & officer side upper body to be flush painted smooth plate body panels. Includes rear facing to rear of extended high side body panels and side facing over L3 & R3 body panels. These areas are to be painted job color.	\$951.00
3340-0689	Insulation to protect compartment from exhaust system heat. Locate behind R1 wall.	\$579.00
3340-0690	Slide-out Speedy Dry Hopper. Tray mounted to floor mounted tray that is located in R3, forward. Capacity of hopper is 100 lbs. (Tray not included which must be selected separately.)	\$1,700.00
3340-0691	Drop down fuel fill door and panel below on side of body to rear of driver and officer side tandem wheel well to be smooth plate painted job color.	\$363.00
3340-0692	Each storage compartment shall include a compartment capacity tag to identify maximum load capacities based upon weight analysis.	\$0.00
3340-0693	Equipment capacity tag(s) shall identify maximum allowable equipment capacity(s) based upon weight analysis.	\$0.00
3340-0694	Spool qty (4) to accommodate plastic or paper roll storage. Mounting bar to fit 48" long x 12" Dia. roll of sheet plastic. Includes "U" brackets & quick release pins on each end. Loc: [#LOC]. Locate (2) spools up high to rear (2) in L3 and (2) R3.	\$763.00
3340-0695	Soda ash hopper. Locate [#LOC]. Includes discharge chute in compartment directly below roof top compartment with close off valve and extension hose for ground level dispensing. The hopper shall be constructed of stainless steel, holding capacity shall be 200 lbs.	\$2,290.00
3340-0696	Louvers The rear wall and floor of [#LOC] to have louvers for additional ventilation.	\$375.00
3340-0697	Power vent system located in [#LOC]. Wired through receptacle in compartment.	\$210.00
3340-0698	Body compartment floors to be 3/16" aluminum smooth plate.	\$727.00
3340-0699	Bolt-on cover plate over upper section of water tank to be embossed diamond plate.	\$611.00
3340-0700	Body will have (2) additional compartments, (1) each side behind the rear wheels below side dumps. Includes a vertically hinged diamond plate door with thumb latch.	\$820.00
3340-0701	Body mainframe layout line to be 26". Includes body and all applicable modules.	\$0.00
3340-0702	Hosebed storage box. Located in the driver side of the hosebed. To be 76" long X 25" wide X hosebed depth. Box to have diamond plate top with approx. 4" upper. 4" middle and 8" lower storage space. Includes a vertically hinged diamond plate door (wired to door ajar) with a push-button latch.Hinge door to outside.	\$1,601.00
3340-0703	Diamond plate box for directional lightbar. Box to be mounted on 3" x 3" aluminum angle at rear of hosebed decking. Includes two (2) Whelen M6 Super LED scene lights to be surface mounted to box outboard.	\$1,407.00
3340-0704	(2) Two access panels to be provided. (1) One thru B1 interior forward bulkhead to access dealer installed DOT bottle valves and (1) One roof access for installation and service of dealer installed DOT bottles installed in E-1 provided rack.	\$1,559.00
3340-0705	Within the hose bed the divider(s) shall be located: [#LOC].	\$0.00
3340-0706	NO HOSEBED - EZDRAW USE ONLY	\$0.00
3340-0707	Upper right side of body to be notched to allow hydraulic overhead ladder rack to be lowered for reduced travel height. Compartment opening height to remain std.	\$1,668.00
3340-0708	The outboard panels of the driver side roof top compartments to be smooth plate overlays. These areas are to be seamless and painted job color.	\$1,426.00

Option No.	Description	PRICE
3340-0709	Vertical handrails as mounted the rear body shall extend full height from the bottom of the body to the top of the body IPOS (as practicality permits).	\$143.00
3340-0710	Transverse storage modification affecting L3, B1 and R3 compartments to accommodate a transverse storage area running from L3 to R3 (lower area only). The transverse tunnel area shall be approximately the full depth of the B1 compartment, the compartment opening height shall start approximately 2" above the floor to maximum height available (height may be reduced as required depending upon the rear body storage tunnel foot print). The B1 compartment side walls will be opened (removed) as part of the transverse modifications necessary.	\$1,192.00
3340-0711	Hosebed divider with 45 degree offset to store customer required hose load. Rear section of divider approx. 82" to rear of offset and forward section of divider approx. 46" ahead of offset. HP75/78 only.	\$787.00
3340-0712	Recessed area in storage pan for deck gun or other applicable option located in pan to be as low as practical.	\$666.00
3340-0713	Diamond plate deflector shield for Light Tower. Deflector to be mounted on driver side compartment top at front of body. See photos on file.	\$433.00
3340-0714	Bolt-in floor [#LOC]. Floor is in addition to the existing DP floor. Floor to have 2" raised forward area (tapered towards rear for securing cribbing) and run full length front to rear.	\$239.00
3340-0715	Stokes/backboard storage area for customer furnished and installed items. Full width 1/8" smooth aluminum Stokes divider for 8"W x 24"H x 84"L basket with backboards to be installed inside the basket . Includes restraining straps for stokes and backboards on each side. Location to be in the top open storage area rearward of the light tower.	\$715.00
3340-0716	Bolt-in SS floor taper [#LOC]. Floor taper is in addition to the existing stainless steel floor. Floor to have 1.5" raised outer area (tapered towards back wall for securing cribbing) and run full length side to side.	\$239.00
3340-0718	A tag stating DIESEL FUEL ONLY shall be permanently affixed to the vehicle near the fuel fill(s) IATS.	\$72.00
3340-0719	One (1) horizontal air bag module to contain six (6) customer supplied 24" square air bags. Module to be .125" aluminum sheet with six (6) slots and installed on upper right side slide out tray in compartment R3. Half circle cut outs shall be provided on the outer edge to assist in grabbing the bags. Layout shall be in a one (1) wide & six (6) tall configuration . One (1) strap will be installed vertically across the openings to keep items securely stowed in side	\$1,127.00
3340-0720	Slip-on painted steel dump elbow and 36" straight extension chute. Includes body mounted removable support arm and mounting brackets in compartment [#LOC] for elbow and straight chute.	\$1,396.00
3340-0721	E-ONE logos (1) for the pump panel, (1) each side over wheels and (1) for the rear body not to be mounted until final inspection rather than standard location.	\$0.00
3340-0722	Body Saulsbury logo package, Hamburg. For use with Custom or Commercial chassis. Includes all applicable Saulsbury logos for the body and/or pump module (as applicable)	\$0.00
3340-0723	All compartment floors to have Zolatone gray finish. Includes changing floors from diamond plate to smooth plate.	\$1,974.00
3340-0724	Diamond plate tandem axle wheel well. Includes fenderettes and bolt-on aluminum wheel well liners painted job color.	\$2,414.00
3340-0725	Rear vertically hinged door for the officer's side roof top compartment. The door includes thumb latch(s) and wiring for the door ajar switch. The material shall be 1/8" aluminum smooth plate and the hinge shall be placed outboard.	\$131.00
3340-0726	Nylon black cargo net for interior compartment opening of compartment [#LOC]. Cargo net to have custom designed one-piece bar assembly and one step Velcro attachment process with footman loops shall be used opposite the bar end.	\$326.00
3340-0727	Body main frame and hose bed for a 85" high stainless steel eMAX rescue pumper body.	\$1,603.00

Option No.	Description	PRICE
3340-0728	Body main frame and hose bed for a 90" high stainless steel eMAX rescue pumper body.	\$3,086.00
3340-0729	Body main frame and hose bed for a 95" high stainless steel eMAX rescue pumper body.	\$4,632.00
3340-0730	Smooth plate corner guards for the driver and officer front and rear compartment faces. Guards to wrap around the corner and be full height of side assembly or to a max of 96". Corner guards to be painted black durabak.	\$972.00
3340-0731	Access panels thru B1 interior officer side and into rear of R4. Service access rear of fill station controls. Access panel to be sized as large as possible to accommodate sevice operations.	\$498.00
3340-0732	Black poly box Qty (1) to be .50" polypropylene with carry handles. Locate: R4 above fill panel approx 28in wide x 24in deep x 6in tall.	\$715.00
3340-0733	Bolt-in lower floor R1. Floor is in addition to the existing DP floor. Floor to have 2" raised forward area (tapered towards rear for securing cribbing) and run full length front to rear.	\$239.00
3340-0734	Storage tunnel for (1) backboard. Locate tunnel in L2/R2 on ceiling, rear of L2 partition offset to rearward wall. Tunnel shall be approximately 72" long (side to side) X 19" wide (front to rear) to hang approximately 6.5" below the roll up door with strap(s) to stow board in place.	\$782.00
3340-0735	The [#LOC] compartment to have .187" smooth plate floor IPO diamond plate.	\$192.00
3340-0736	Body main frame and hose bed side assemblies for an 83" high body with low hose bed and "L" shaped water tank. No upper rear crossover hand rail.	\$1,507.00
3340-0737	Body mainframe and hosebed side assemblies for a 100" high body.	\$5,060.00
3340-0738	A landing platform (10" in depth, the width shall be sized and positioned as required with overall rear end configuration) with embossed diamond plate surface will be centrally located at the upper rear of the apparatus to assist with hose bed cover operations.	\$392.00
3340-0739	Turtle Tile brand floor matting covering driver and officer roof top compartment floors full length and width. Color: [#COL].	\$659.00
3340-0740	Divider shroud for cab tilt pump, bolt in R1.	\$198.00
3340-0741	Rubrail for the body (sides only, serrated surface facing up).	\$605.00
3340-0742	Hose bed walkway offset to driver side. Non-slip diamond plate walkway to run full length of hose bed.	\$502.00
3340-0743	Backboard Storage sleeve. Located in the officer side hard suction storage compartment. Sleeve to hold (1) backboard, 2"H x 16" W x 73" L. Includes stop bracket approximately 74" back from opening.	\$448.00
3340-0744	Full width hosebed above the booster tank from the driver side extra wide roof top compartments to the officer side with raised side assemblys.	\$1,939.00
3340-0745	Divider Support to run full available width of hosebed (side to side not including hosebed walkway) at the front of the hosebed and at the rear of the hosebed at top of the divider(s) even with the top of the hosebed. Position inboard divider to be utilized as a walkway sidewall and add an aluminum angle bracket along the length of the divider on the hosebed side to facilitate mounting of twist-lock fasteners for the hosebed cover.	\$480.00
3340-0746	CTECH Brand 4 drawer compartment toolbox unit in [#LOC]. Includes Cal Gray drawer face finish with two (2) 8" drawers below and two (2) 3" drawers above to mount in an available compartment opening. Toolbox dimensions to fit in an opening 39.5" W X 23.0" H X 24". Requires a fixed shelf mounted above toolbox enclose top drawer and to create opening height added separately.	\$2,126.00
3340-0747	Compartment heater as high as possible on forward wall. Includes switch on driver overhead. Location: [#LOC].	\$1,296.00

Option No.	Description	PRICE
3340-0748	Horizontal air bag module for five (5) customer furnished air bags. Bags will be Paratech Maxiforce brand and each bag will store with two (2) identical pieces of 3/4" plywood. Locate under backboard module in compartment L2. See specifications for details.	\$1,833.00
3340-0749	Directional light bar box. Located on rear area of body between upper rear hose bed Unistruts. Box to be .125" diamond plate and mounted to structural stainless steel framework including Unistrut channel for hose bed divider attachment. SS product only.	\$2,460.00
3340-0750	Four (4) divider supports to attach to each top rear edge of each hose bed divider to provide additional support. Ship loose for dealership installation. SS product only.	\$263.00
3340-0751	One (1) vertical air bag module to contain four (4) customer supplied air bags (2) 21" x 21" and (2) 22.5" x 16". Module to be .125" aluminum sheet with four (4) slots and installed in L2 offset forward. Half circle cut outs shall be provided on the outer edge to assist in grabbing the bags. Layout shall be (2) slots approximately 2" W x 12" H x 23" D, (2) slots 2" W x 22" H x 22" D configuration. One (1) strap will be installed horizontally across the openings to keep items securely stowed.	\$752.00
3340-0752	Embossed diamond plate in place of ALL standard and optioned diamond plate on body and modules.	\$1,523.00
3340-0753	Diamond plate storage enclosure on top of body. Enclose the driver side forward area of the catwalk to create a storage area with interior dimensions of approx. 60"L x 60"W x 15"D. Method of construction optional. Two (2) double pan diamond plate lift-up doors hinged to the outboard (left and right) of the box. The doors shall utilize D-ring handles with (2) point latching and be wired to the door ajar circuit. LED lighting shall be provided for each compartment. The lights shall illuminate when the compartment lid is in the open position. There shall be gas spring hold open device(s) on each door. The rear of the doors shall include pull down straps to assist closing the doors by pulling the straps from the opened position. Locate forward of driver side roof top compartments extending forward and to the right short of generator as mounted position.	\$2,991.00
3340-0754	Hosebed storage pan constructed of 3/16" (.187") aluminum smooth plate with black Scorpion coating (rough finish) IPOS diamond plate. Locate in forward area of hosebed.	\$1,018.00
3340-0755	Upper body side panels driver & officer side to be flush.	\$1,595.00
3340-0756	Smooth plate deflector shield for Carefree automatic awning. Deflector to be located forward of awning. Location: [#LOC] of body. To be painted job color.	\$232.00
3340-0757	Floor overlay [#LOC]. The overlay shall be constructed of 1/8" treadplate and shall be raised at the interior wall 1" providing a sloped floor (low point at the door opening).	\$405.00
3340-0758	Speedy dry hopper. Locate [#LOC]. Includes discharge chute in compartment directly below roof top compartment with close off valve and extension hose for ground level dispensing. Capacity of speedy dry hopper is 180 lbs for a shorter upper body (less than 19").	\$1,700.00
3340-0759	Backboard storage compartment for (2) boards in transverse, side by side. Location: [#LOC]. Includes retaining straps on both sides for boards.	\$736.00
3340-0760	Body main frame and hose bed side assemblies for an 93" high pumper body. Upper outer body has rescue body style appearance (100" wide) and header to be used for NFPA lighting, lettering, etc.	\$2,703.00
3340-0761	Warning light cut-out/mounting holes provided on the forward upper body panels of left and right sides of body. Cut-outs to be covered with existing painted FRP panels. Cut-out to be designed for Whelen 900 series super LED warning lights.	\$0.00
3340-0762	False ceiling L1/R1. Mounted in place just below roll up guards (upper door handle stop) and stop each side just inside the roll up door drums (open ends inboard of drums are acceptable) full length and width.	\$483.00

Option No.	Description	PRICE
3340-0763	Storage box, fully enclosed for Paratech TVS 200. (1) in L1/R1 transverse floor mounted centered on rear wall 12" tall x8" wide. Access available from L1 and or R1, includes a strap to secure the stabilizer in place within the storage box. Does not include Paratech Stabilizer TVS 200.	\$328.00
3340-0764	Engle MR040 AC/DC fridge-freezer with durable corrosion-resistant ABS case. Location: tray mounted in compartment R2. Requires 12 volt and 120 volt power sources in selected location.	\$1,990.00
3340-0765	Upper body panels driver side, officer side and rear body to be seamless and flush.	\$1,924.00
3340-0766	Rear body panels to be seamless and flush.	\$474.00
3340-0767	Dividers, bolt in, Qty (2) for transverse compartment. Location between L3/R3. One (1) divider to be located 26 inches deep from L3 and one 28 inches deep R3 door opening so as to generate a compartment located over chassis centerline.	\$1,029.00
3340-0768	Horizontal air bag module for five (5) customer furnished air bags. Location: R3 rearward. Bags will be Paratech. Openings to be 2 inch wide. (1) 16 inch X 44 inch, (4) 26 inch X 26 inch.	\$1,833.00
3340-0769	Ladder tunnel. Tunnel to be a compact design and approximately 12" Tall X full width of B1 X approx 14 feet deep. Tunnel sized to stow (1) 24` 2-section ladder, (1) 14` roof ladder, (1) 10` folding attic ladder, (6) 12` pike poles. Tunnel option will reduce the compartment area of the lower body. Locate: B1 high as possible.	\$3,401.00
3340-0770	Hosebed area above booster tank. Includes raised sides and front of water tank, slatted flooring and adjustable divider extrusions. Hosebed walls to be 20" high (18" deep hosebed). Wetside only.	\$5,708.00
3340-0771	Special hose bed divider height and reinforcement. The height of the hose bed divider from driver to officer side: 1st divider 36"T, 2nd divider 30"T. Each divider shall have a round reinforcement welded in place on the forward and rear vertical edges and the top horizontal edges to stiffen the dividers as mounted.	\$268.00
3340-0772	Rear wheel well trim shall be added to both sides of the unit. Diamond plate 1/16" thick shall be added to the 4" extrusion that surrounds the wheel well. The extrusion forward, rear and on top of the wheel well shall have a diamond plate overlay added.	\$219.00
3340-0773	Label SCBA doors with 1x3 labels to read applicable contents per location. ex. SCBA, CO2, etc.	\$0.00
3340-0774	Body wheelwell compartments (2) centered above tandem approx 24" W x 6" H x 26" D with drop down doors. Door material to match wheelwell finish.	\$826.00
3340-0775	Stokes basket storage box for a Ferno Washington model 71. The storage box shall be made from diamond plate material approx 9" wide x 26" tall x 90" deep. It shall include a rear mounted door with a vertical hinge and a thumb latch. Location officer side hosebed.	\$1,812.00
3340-0776	The driver side rear body engine access door shall be modified. The hinge shall be mounted horizontally (IPO vertically). A grab strap shall be added to pull the door from its open position.	\$87.00
3340-0777	Slip-on stainless steel dump elbow and 36" straight extension chute. Includes body mounted removable support arm and mounting brackets in compartment [#LOC] for elbow and straight chute.	\$1,808.00
3340-0778	Wheel well liner extensions for inboard side of rear wheel well liners (PR).	\$358.00
3340-0779	All folding steps shall be Signature Fire Shopp brand. The folding steps shall be dual LED (top and bottom) model 101953-2 IPOS.	\$166.00
3340-0780	The officer side upper body roof top compartment rear wall to have welded filler panel to be seamless and flush with supporting extrusions.	\$244.00
3340-0781	Storage tube 14in x 14in square x transverse, (pr). locate to rear in compartment L3/R3 and stack vertically.	\$1,187.00

Option No.	Description	PRICE
3340-0783	The upper body side panels driver & officer side to have welded filler panels to be flush with supporting extrusions. Includes forward body module.	\$1,595.00
3340-0784	Removable brushed stainless steel panel shall be provided that includes from top to bottom: Chassis air inlet, Battery charge indicator, Yellow 30 AMP shore line auto-eject receptacle , and at the bottom of the panel a dedicated Red 30 AMP shore line auto-eject receptacle for roof top air conditioner. Locate: rear of body on driver side.	\$359.00
3340-0785	There shall be no visible diamond plate on the body exterior.	\$331.00
3340-0786	Dual Hosebed above the booster tank. Includes forward hosebed cover plate work (as applicable). Hosebed adjustable divider extrusion rearward of the furthest tower is to run full width of the hosebed in the upper hose bed. (as is practical with other hosebed mounted equipment). Lower hose bed over tank shall have one non adjustable center divider hard mounted to divide lower hosebed into (2) equal width storage compartments for dealer added pull out hometrays with nylatron slide plates	\$3,160.00
3340-0787	Air bag storage for Paratech air bags. Two (2) areas, one (1) inside body walkway and one (1) in R4. See specifications for details.	\$359.00
3340-0788	Storage Pan Hot Shot II Hydraulic Reservoir. Includes a lid hinged forward with gas shock hold open.	\$802.00
3340-0789	Hosebed storage pan. Locate in forward area of hosebed. Storage pan to be 109" interior length for Night Scan NSP7.5 light tower.	\$1,603.00
3340-0790	Swing arm bracket with smooth plate box for TAL65 lightbar mounted on square extrusion. Swing arm to be mounted at rear of hosebed, with pivot tower and (2) locking towers to be provided.	\$768.00
3340-0791	Body mainframe and hosebed side assemblies for a 87" high body.	\$2,531.00
3340-0792	Body mainframe layout line to be 28". Includes body and all applicable modules.	\$0.00
3340-0793	Hosebed divider for dry lay storage with 45 degree offset to store customer required hose load. Locate on driver side of hosebed, to store 300' of 3" DJ hose.	\$898.00
3340-0794	B2 and B3 storage: B2 storage shall accommodate (2) 6` pike poles, (2) 8` pike poles and (1) Little Giant 22 ladder. B3 storage shall accommodate (1) Stokes basket, (2) backboards, (2) 12` pike poles and (1) attic ladder. Compartments shall be designed to secure stowed items with aluminum construction dividers, tubing and extrusions. Stops and securing devices shall be utilized as required to prevent items from shifting during transport.	\$1,123.00
3340-0795	Stainless steel rear fender panels.Includes bolt-on stainless steel inner wheel well liners (not painted) and polished stainless steel outer fenderettes.	\$1,613.00
3340-0796	Body main frame and hose bed side assemblies for a 94" high rescue pumper body.	\$3,696.00
3340-0797	Body main frame and hose bed side assemblies for a 88" high pumper body.	\$4,335.00
3340-0798	Extruded aluminum rubrails for the sides of the body below the lower side compartments and full width of the rear tailboard.	\$712.00
3340-0799	A cut-out shall be provided on the lower right rear panel of the body, accessing a hydrant assist valve that will be located in compartment R3. Door opening shall be a minimum of 14" wide x 19" high. A vertically hinged smooth plate rear door shall be provided with a bent D-ring latch, and a light wired to door ajar indicator circuit.	\$1,354.00
3340-0800	Notched hosebed divider(s). Notch to be in center approximately 32" up from floor and angle up 45 degrees at each end. See photo on file.	\$450.00
3340-0801	Special hose bed divider reinforcement. Each divider shall have a round reinforcement welded in place on the forward and rear vertical edges and the top horizontal edges to stiffen the dividers as mounted.	\$356.00
3340-0802	The vehicle shall be supplied with a deck gun cradle for additional support of the deck gun's tip/nozzle assembly. The cradle shall be made of stainless steel materials with a cushioned rest pad. Cradle shall remain unpainted.	\$277.00

Option No.	Description	PRICE
3340-0803	The driver & officer side upper body side panels over L1/R1 to be a flush smooth plate finish.	\$374.00
3340-0804	Zico Quic-Index Multiple Bracket Holder. Without brackets. located in the rear walkin body on top of the counter next to the rear entry door.	\$544.00
3340-0805	Mount customer supplied hooligan tool in L2, on the rear wall.	\$258.00
3340-0806	Cab, Body and Pump Module safety and warning Tags in French to be in addition to standard English E-One supplied Tags.	\$1,642.00
3340-0807	Speedy Dry Hopper. Locate in roof compartment above R2. Includes discharge thru bottom of compartment R3 along forward compartment wall with valve for ground level dispensing. Capacity of speedy hopper is 100 lbs.	\$1,464.00
3340-0808	DEF fill located officer side pump panel.	\$0.00
3340-0809	Body main frame and hose bed for a 95" high stainless steel eMAX rescue pumper body. Hose bed to be 56" wide.	\$4,632.00
3340-0810	Rolled hose rack for (2) hose rolls, (1) 35' of 5" and (1) 50' of 3", Speedy Dry, traffic cones and cribbing. Includes (5) dividers attached to roll out tray(s) in compartment(s) L1, R1.	\$743.00
3340-0811	Two (2) stainless steel dividers with ADT doors to be installed in the upper forward body dunnage area with clearance for deck gun. Hinged outboard side.	\$1,172.00
3340-0812	Hose tray - Polypropylene - removable. Tray includes pull-out grab handle (poly dowel) down low on each end to facilitate lifting. The tray shall be sized to fit the area above the ground ladders. The tray(s) shall be made from Polypropylene, the floor of the tray shall be slotted to prevent the accumulation of water and allow for ventilation of wet hose.	\$903.00
3340-0813	Driver side hosebed storage box. Storage box to hold (3) New York style pike poles and (3) backboards (2"x16"x71"). Pike poles to be stored down low. Backboards to be stored up high with dividers seperating storage for each board. Includes vertically hinge hinged door (wired to door ajar) with D-ring latch.	\$1,434.00
3340-0814	(2) Wheel well storage compartments with vertically hinged stainless steel painted doors and latches. Wired into compartment door ajar circuit.	\$1,042.00
3340-0815	Horizontal air bag module for nine (9) customer furnished Paratech air bags. Location: L1 rearward. Vertical storage for two (2) large Paratech bags inside the walk-in rescue body. See specification for details.	\$1,833.00
3340-0816	Bolt-in two piece cribbing storage modules constructed of .1875 smooth plate aluminum installed in compartments L3 & R3. Modules to hold (8) 2 x 6, (8) 6 x6, (40) 4 x 4 and (3) divided areas for miscellaneous items. Spaced apart for step chock storage.	\$986.00
3340-0817	Vertical extension cord modules for customer furnished cords. Location: L1 and R1 offset forward. Each constructed of smooth plate aluminum, 18.5" H x 19" W x 22" D with (3) vertical dividers on 3" centers.	\$446.00
3340-0818	Stainless steel light guards on the strip lights in compartment L2 and armory. Guard on ceiling mounted fluorescent fixture in armory. See specifications for details. NYPD only.	\$249.00
3340-0819	Mount (4) footman loops on the side of the ladder tunnel in the walk-in rescue body. Mount customer supplied 36Volt portable tool and charger in the walk-in rescue body. Mount and hard wire customer supplied TNT hydraulic power supply to the shelf in compartment L2. NYPD only.	\$122.00
3340-0820	Removable aluminum hose bed storage tray (EA), installed at the top rear of bed 1. Tray shall include manual release assembly to lock tray in place. The floor of the tray(s) to be slotted to prevent the accumulation of water and allow for ventilation of wet hose.	\$750.00
3340-0821	Locate (2) hosebed storage pans (1) each side of ladder storage box in forward area of hosebed. Pans to hold hydraulic cooler and hydraulic resevoir.	\$913.00

Option No.	Description	PRICE
3340-0822	Air bag storage:(3) bags. Slot sizes: approximately 40" wide x 6" high x 24" deep. located L3 on rear portion of SlideMaster tray. Includes tray on top with 2 inch lip all around.	\$1,127.00
3340-0823	Body mainframe and hosebed side assemblies for a 85" high bi-level body. Includes stepped headboard.	\$1,268.00
3340-0824	The unit has critical dimensions. See specification. NYPD 80" cab.	\$0.00
3340-0825	Sign plate located on the lower rear grill of the engine cover. The sign plate shall be 42"L X 7"H bolted in place and made of smooth plate aluminum plate painted job color.	\$121.00
3340-0826	Air bag storage for (11) bags. Horizontal storage to accommodate Paratech brand bags. Includes vertical restraint straps. The air bag sizes are as follows: (1) 15x21 (1) 15x42 (2) 20x20 (2) 15x15 (2) 24x24 (3) 37x37. Locate in R3.	\$2,089.00
3340-0827	Ice sled storage compartment. Locate below right rear aluminum hose bed cover with a strap to hold ice sled in rack. Floor of the rack will have poly. Ice sled shall be approx 24" wide x 5" high x 74" long.	\$640.00
3340-0829	Sign plate made from smooth aluminum plate (PR), 12" X 12", painted color: FLNA3225E-1 Red shall be mounted to the rear of body.	\$133.00
3340-0830	Turtle Tile brand floor matting covering L1, R1 and B1 compartment floors only. Color: [#COL].	\$659.00
3340-0831	Sign plates made from smooth aluminum plate (PR), 30" X 30", painted job color. They shall overlay the diamond plate panel rearward of the rear tires each side.	\$426.00
3340-0832	Hosebed dividers to be 26" high.	\$0.00
3340-0833	Above the right side ladder tunnel shall be a weather resistant top hatch compartment, forward of the shovel and broom storage module. Compartment shall be approximately 12.75" wide x 74" long x 13.5" deep. Includes 3/16" polished aluminum treadplate door, hinged outboard, latching towards the hose bed. One (1) clear lens light shall be installed in the compartment and the lid shall be wired to the door ajar indicator in the cab.	\$532.00
3340-0834	Body main frame and hose bed side assemblies for an 83" high body with low hose bed and "L" shaped water tank. No upper cross over handrail.	\$1,581.00
3340-0835	Turtle Tile Brand [#COL] Floor Matting, 1/2" tiles covering all applicable Compartment Floors, Shelves, and Rollout Trays.	\$1,864.00
3340-0836	Compartment pan drop down door inside to have Zolatone gray finish (door only). Location L2 and R2 drop down doors.	\$248.00
3340-0837	Cast products AD0039-1 switch box assembly with polished flange, 120 grit directional finish on lid and concealed hardware and hinges, mounted on the rear body.	\$220.00
3340-0838	Hosebed deflector divider. Locate to officer side rear of hosebed forward of deck gun. Deflector smooth plate to cover the forward and side of the deck gun piping. Rearward side of deflector at back of hose bed to be diamond plate.	\$357.00
3340-0839	Stokes / backboard tunnel. A storage tunnel with approx size of 10 inches tall X 44 inches wide X 90 inches long shall accommodate (1) stokes basket, (2) backboards and (1) scoop stretcher. Option shall reduce the transverse area of body compartment L2/R2. Location: B1 ceiling mounted on center.	\$1,832.00
3340-0840	Divider in left hand full body length storage area running side to side with adjustable track (Provides two storage areas, one ahead and one behind divider). To be located in LH hosebed open storage area on driver side top of body. Locate adjustable divider tracks on sides of storage area 55" forward of the rear of the storage area with tracks to allow for adjustment a minimum of 15" forward and rearward from 55" location. For storage of a bound Hi-Rise hose pack to be stored rearward of the divider and the forward area to be open misc. equipment storage.	\$255.00
3340-0841	Sign plate smooth 30" x 30" mounted centered on body roof. Color: [#COL].	\$254.00

Option No.	Description	PRICE
3340-0842	The hose bed is to have the capacity for the following hose (unless otherwise specified on the approval drawing). Hose load shall be listed from driver to officer. The hoseload will be 500' of 5.00" DJ and 1000' of 7.25" DJ.	\$0.00
3340-0843	Storage compartment driver side compartment top with extended length (42" W x 34 tall opening with roll up door added). Locate to forward area. Includes roll-up door (wired to door ajar) with header and (1) interior strip light. For use with 3500 Gallon Tank.	\$2,309.00
3340-0844	Storage compartment officer side compartment top with extended length (42" W x 34 tall opening with roll up door added). Locate to forward area. Includes roll-up door (wired to door ajar) with header and (1) interior strip light. For use with 3500 Gallon Tank.	\$2,309.00
3340-0845	Driver and officer side upper body storage area to have a rearward deployment notch with vinyl cover with twist button latches to match color as selected for other areas of apparatus. A strap shall be provided each side rearward within reach form the rear of the apparatus to secure equipment. Area both sides to be for storage of (2) 6 in. x 10' diameter hard suction hoses. For use with dual folding tank body racks mounted to body sides which further captivate stored hard tubes.	\$933.00
3340-0846	Hosebed dividers to be 30" high.	\$0.00
3340-0847	Rubrail for the body (sides only, serrated surface facing down).	\$605.00
3340-0848	Backboard storage compartment. Locate in [#LOC] with a strap to hold the boards in the rack. Rack to hold 2 boards.	\$736.00
3340-0849	Rub rail assemblies constructed of 3" x 2" Black U.H.M.W. plastic. (1) bolted to the lower exterior edge of the apparatus body and pump module. Rub rail shall be mitered 45 degrees at leading and trailing end and notched for marker and warning lights clearance (where applicable)	\$959.00
3340-0850	Windows body side sliding. Locate over L1	\$293.00
3340-0851	A fixed window with an approx size of 12 x 18 inches shall be provided in the lower section of the body entry door. The window shall be oriented vertically and located below the door latch so as to provide a visual reference of the entry and exit step area. LOC: Body entry door.	\$616.00
3340-0852	Stokes basket storage compartment with a strap(s) to hold basket in rack. "Ferno" brand. Locate: on floor in walkin body with opening facing rear body entry door on driver side. Compartment to be oriented on its side and as far aft as posiable.	\$900.00
3340-0853	Storage / pigeon hole: 18 in X 18 in square X 26 in deep. For bunker gear. Locate inside walkin body.	\$212.00
3340-0854	Cargo net cover for pigeon storage opening. Cargo net to be Black 2 in x 2 in squares. Use permanent fastners along top edge and snaps in other locations.	\$127.00
3340-0855	There will be an access panel located in the hosebed for access to the water/foam tank level senders.	\$117.00
3340-0856	Body roof recess storage to accommodate generator and service access all around unit. Approx sixe 42 in. front to rear X wide as possible X deep as possible. Locate in forward area of body roof.	\$1,293.00
3340-0857	Divider for transverse compartment, bolt in between L1/R1. Locate 22 in. deep from inside of L1 door. Finish is sanded aluminum unless otherwise specified.	\$515.00
3340-0858	Divider for transverse compartment, bolt in between L2/R2. Located at chassis centerline and forward of partition. Finish is sanded aluminum unless otherwise specified.	\$515.00
3340-0859	B2 and B3 storage: Provide storage for Stokes basket in B2 and storage for (2) backboards and (1) 8 foot pike pole in B3.	\$1,123.00
3340-0861	Reinforce flooring of compartment LTC and RTC for storage of heavy equipment.	\$538.00
3340-0862	Stainless steel trim on bottom edge of compartment opening of [#LOC]. Includes full height of exterior extrusion.	\$166.00
3340-0863	Headboard extrusions and smooth plate at top front of the body to be painted job color finished.	\$208.00
3340-0864	Diamond plate single axle wheel well. Includes bolt-on composite wheel well liners and sanded aluminum trim fenderettes.	\$981.00

Option No.	Description	PRICE
3340-0865	Roof top compartment for Stokes Basket storage. Compartment to accommodate (1) Stokes Basket. Compartment approx size 105 in. L x 12 in. T X 25 in. W. Includes rear lift up diamond plate hinged door with D-style latch, door hold open device located at rear and interior stop to limit basket travel from sliding forward out of reach. Location: Roof top of body on officer side.	\$1,634.00
3340-0866	Roof top compartment for hard suction storage. Compartment to accommodate (2) 6 inch. X 8 foot long hard suction pipes. Compartment approx size 105 in. L x 12 in. T X 25 in. W. Includes: Diamond plate construction, (1) vertical divider centered, rear lift up hinged door with D-style latch and door hold open device located at rear. Locate: Roof top of body on driver side.	\$1,768.00
3340-0867	Pike pole storage for (4) 8' Nupla pike poles. Located inside body with access thru rear, officer side. Includes horizontally hinged door with push button style latch. Door Material to match mounting surface. (wire to door ajar).	\$1,609.00
3340-0868	Fire Shopp recessed fuel fills for dual fuel fill applications. Includes brushed finish S/S doors with positive latch.	\$628.00
3340-0869	Divider long. To run full length of hosebed from front of hosebed to rear of hose chute on driver side of hosebed/chute. Divider shall also be set back and/or notched at forward area of hosebed for access to preconnect line connection. Can be multiple pieces due to overall length if needed.	\$641.00
3340-0870	Stainless steel trim on bottom edge and covering entire surface of extrusion below compartment opening of [#LOC].	\$200.00
3340-0871	Air bag rack for (10) air bags. Rack only (does not include air bags). Brand: TNT. Vertical storage for bags as follows, left to right: (1) 32" x 32" (2) 28" x 28" (6) 25" x 25" (1) 16" x 16". Locate in R2.	\$1,675.00
3340-0872	Provision for Revolve Air fill station to be installed after delivery. Includes blowout cutout, mounting preparation and cover plate. Location: L4.	\$577.00
3340-0873	Compartment for Stokes storage. Basket approx size 25 inches tall X 8 inches wide X 86 inches long. Compartment to include: hinged top access lid, thumb latches and door hold open device. Compartment shall accommodate (1) basket. Brand and model: Traverse rescue "StratLoad" Advantage Basket Stretcher Part No. 11-0125A: Compartment to be aluminum diamond plate. Locate: Roof top walkway, attached to front of forward roof top storage box on officer side of body.	\$2,116.00
3340-0874	Reinforced hinged .188" embossed diamond plate lid for dunnage pan. Includes two (2) D-Ring latches, stainless steel hinge along forward edge and gas shock hold open. Lid to be reinforced with welded on structure on underside to allow for lid to be a walking surface.	\$730.00
3340-0875	Removable fuel tank access panel to be installed on the rear wall of compartment B1. Panel to be retained with stainless steel machine screws.	\$199.00
3340-0876	Bolt-in floor rise and horizontally bottom hinged smooth plate aluminum door with D-ring latch in compartment R2. Floor rise to have 2" raised forward area (tapered towards rear for securing cribbing) and run full width front to rear.	\$847.00
3340-0877	Brushed stainless steel rear fender panels. Includes bolt-on stainless steel inner wheel well liners (not painted) and polished stainless steel outer fenderettes.	\$2,091.00
3340-0878	Front of hose bed stainless steel transverse storage divider for selected accessory such as a generator, fill towers. Located in forward area of 46" wide hose bed to separate the storage area from the main hose storage area. Applicable main hose bed dividers will be located rearward of the transverse divider.	\$538.00
3340-0879	Body main frame and 46" wide hose bed for a 88" high rescue pumper body.	\$2,531.00
3340-0880	Brushed stainless steel scuff plates for all body handrails.	\$508.00
3340-0881	Sign plate holder made from smooth aluminum material, sized to be 12"w x 6"h, painted job color. Locate (1) at rear of truck, one (1) mounted on front bumper and (1) each side on L1/R1 in forward upper corner.	\$532.00

Option No.	Description	PRICE
3340-0882	Body main frame and hose bed for a 97" high stainless steel eMAX rescue pumper body.	\$4,730.00
3340-0883	Rubber fenderette in place of weld-on.	\$307.00
3340-0884	Body main frame and hose bed side assemblies for a 91" high pumper body with special location side sheet on right side to lower overhead ladder rack. No upper rear crossover hand rail with this option.	\$3,776.00
3340-0885	Locate Tank Foam Fill Tower(s) in the driver's side of hose bed storage pan. If two towers, they will be located in storage pan as per design drawing(s) indicates. Water tower to be located in standard location in hosebed.	\$0.00
3340-0888	FRP exterior panel replacement set for stainless steel tanker body. Panels to include all original factory cutouts and notches. Panels to be shipped loose with vehicle upon delivery.	\$1,102.00
3340-0889	Body mainframe and hosebed side assemblies for a 96" high body.	\$4,050.00
3340-0890	Divider Hose Bed Special Height iat standard. All Hose Bed Divider(s) shall include an extra 4" height over the standard hose bed divider height.	\$210.00
3340-0891	Louvered vent filters. All body compartment louvered vents to have dust filters provided. Filters to prevent road debris from entering compartments.	\$239.00
3340-0892	Rub rail assemblies constructed of 3" x 2" Black U.H.M.W. plastic. (1) bolted to the lower exterior edge of the apparatus body only. Rub rail shall be mitered 45 degrees at leading and trailing end and notched for marker and warning lights clearance (where applicable)	\$650.00
3340-0893	Hosebed divider with 45 degree offset to store customer required hose load. Locate on driver side of hosebed, to store 250' of 3" DJ hose.	\$898.00
3340-0894	Smooth plate single axle wheel well painted job color. Includes bolt-on composite wheel well liners and bolt-on polished alum fenderettes. Wheel well plates to be flush mounted.	\$3,296.00
3340-0895	Smooth plate tandem axle wheel well painted job color. Includes bolt-on composite wheel well liners and bolt-on polished alum fenderettes. Wheel well plates to be flush mounted.	\$5,367.00
3340-0896	Body wheelwell driver side compartments (2) approx 24" W x 6" H x 26" deep. A gasketed drop down door shall be installed on each compartment. Door material to match wheelwell finish.	\$740.00
3340-0897	Air bag storage rack with four (4) horizontal slots that angle downward into the compartment to hold three (3) air bags (each 24"W x 24"L x 1"THK) and one (1) pelican case (24"W x 20"L x 9"THK). The rack fabricated from .125" smooth plate aluminum with a strap to hold contents in rack and finish to match body compartment interior. Note rack is designed with slot directed at an angle down to allow 24" x 24" air bag to fit in upper compartment's 24" depth. Openings are: (3) 26" wide x 24.5" deep x 2" tall and (1) 26" wide x 21" deep x 10" tall. Located in L1 ceiling mounted offset against forward face of partition wall.	\$1,347.00
3340-0898	Rolled hose rack for (2) hose rolls, (1) 5" LDH 9" wide, (1) for the balance of tray. Includes (3) dividers attached to roll out tray in compartment L1.	\$392.00
3340-0899	Storage sleeve officer side rear of tank. Sleeve to hold large road signs. Opening to be approx 16"W x 16"H x 44"D with 4 individual storage areas approximately 8"W x 8"H x 44"D (EA) seperated by dividers. Wetside.	\$1,809.00
3340-0900	Single Hard Suction Rack to Hold a 2.5" or 3" Diameter Suction Hose.	\$420.00
3340-0901	(3) Removable number plates with mounting brackets. Locate (1) each side of cab rearward of driver and officer doors, (1) driver side rear compartment face above taillights. Plates to be 5.25" tall X 5" wide and painted job color. Lettering and/or graphics not included.	\$881.00

Option No.	Description	PRICE
3340-0902	Body wheelwell compartments (4) approx 24" W x 6" H x maximum depth permissible without interference with hydraulic line(s) reservoir(s) etc. A gasketed drop down door shall be installed on each compartment. Door material to match wheelwell finish.	\$1,479.00
3340-0903	Rear discharge piping will pass through upper back wall of side compartments (without covers).	\$0.00
3340-0904	Logo, rear body to be mounted at final inspection.	\$263.00
3340-0905	Zolatone Gray finish compartments. Side body compartment interior walls and floors shall have a Zolatone Gray finish. Includes inner pan of hinged doors and floors (if smooth plate). Does not include floors if they are diamond plate. Option does not include rear body or roof top compartments.	\$5,691.00
3340-0907	Body mainframe and hosebed side assemblies for a 88" high body.	\$2,531.00
3340-0908	Slip-on stainless steel dump elbow and 36" straight extension chute. Includes body mounted removable support arm, mounting brackets at rear of body for elbow and brackets for straight chute in R2	\$1,808.00
3340-0909	Divider Long Fixed. To run full length of hose bed (front to rear) positioned fixed as close to center of hosebed ROM roll up door drum center as hose loading permits..	\$630.00
3340-0910	Label wheel well doors with 1x3 labels to read applicable contents per location. Mechanically attached lable to each location required.	\$22.00
3340-0911	A polypropylene storage box for foan cannisters shall be supplied. The storage shall be for fourteen (14) cannister 7 wide x 2 high. Each compartment shall be 6" wide x 11" high. There shall be NO back wall on the box.	\$1,604.00
3340-0912	Attic ladder storage for (1) 10' attic ladder with feet. Locate: B1 officer side up high. Includes smooth hinged door with thumb latch. Finish: sanded aluminum.	\$633.00
3340-0913	Divider for transverse compartment, bolt in between L1/R1. Locate: R1, 26 in deep from inside of door. Finish is sanded aluminum unless otherwise specified.	\$515.00
3340-0914	Divider for transverse compartment, bolt in between L2/R2. Locate: R2, 26 in deep from inside of door. Finish is sanded aluminum unless otherwise specified.	\$515.00
3340-0915	Body main frame and 46" wide hose bed for a 95" high rescue pumper body.	\$3,437.00
3340-0916	Warning light wiring shield (PR) fabricated from .090 smooth plate aluminum finished to match compartment interiors, shall be provided in upper hard suction storage compartment at rear.	\$237.00
3340-0917	Recessed fuel fill driver side pump panel area.	\$0.00
3340-0918	Wheel Chocks Alum HGS Heavy Includes Brackets. Locate below compartment ahead of Drivers side rear wheels.	\$569.00
3340-0919	Diamond plate Storage Box. Located on the driver side compartment top for long tool storage. Includes hinged raised compartment lid with turn latches and grab handle(wired to door ajar indicator). Box to be as long as possible.	\$1,087.00
3340-0920	Bolt-in partition wall. Locate in lower rear compartment transverse area. Partition to separate R3 compartment from B1 compartment.	\$166.00
3340-0921	Special hose bed divider height and reinforcement for single (or first) hose bed divider. The height of the hose bed divider shall be lowered 10" over standard. The divider shall have a round reinforcement welded in place on the rear vertical and the top horizontal edges to stiffen the divider as mounted. A Divider Support to run full width of hosebed (side to side) at the front of the hosebed and be attached to the hosebed divider to provide additional support.	\$499.00
3340-0922	Hosebed rearward of the booster tank. Includes diamond plate tank cover, engine access provision and adjustable divider extrusions. HS pumper only.	\$2,484.00

Option No.	Description	PRICE
3340-0923	Speedy Dry Hopper. Locate in roof compartment above R3. Includes discharge thru bottom of compartment R4 along forward compartment wall with valve for ground level dispensing. Capacity of speedy hopper is 100 lbs.	\$1,464.00
3340-0924	Aluminum angle 2"x2" bolt on light guard to protect ROM light fixture and roll-up door track from damage for L4 rearward light only. (1) 18" piece at top and (1) 18" piece at the bottom bolted to the rear wall.	\$122.00
3340-0925	Speedy dry hopper. Locate [#LOC]. Includes discharge chute in compartment directly below roof top compartment with close off valve and extension hose for ground level dispensing. Capacity of speedy dry hopper is 200 lbs.	\$1,700.00
3340-0926	The hose bed is to have the capacity for the following hose (unless otherwise specified on the approval drawing). Hose load shall be listed from driver to officer. Bed 1, 250' of 2-1/2" hose, Bed 2, 1000' of 1" forestry hose, Bed 3, 800' of 3" hose, Bed 4, 1000' of 4" hose	\$0.00
3340-0927	Divider long fixed at the edge of the step-down in hosebed (driver side). Divider to run full length of hose bed (front to rear).	\$534.00
3340-0928	Body main frame and hose bed side assemblies for a 93" high pumper body with special location side sheet on right side to lower overhead ladder rack. No upper rear crossover hand rail with this option.	\$3,776.00
3340-0929	Smooth plate tandem axle wheel well painted job color. Includes bolt-on composite wheel well liners and fenderettes painted Durabak black.	\$4,142.00
3340-0930	Hosebed storage area (no pan) in forward area of hosebed with embossed diamond plate cover hinged forward with two grab handles and gas shock hold opens. The cover to open past 90 degree for ease of equipment loading and removal in the storage area.	\$802.00
3340-0931	B2 and B3 storage for (1) Stokes basket (1) backboard, (3) pike poles, (1) 10' FL-10 with feet Alco-Lite ladder. B3 storage for long handle tools only.	\$1,123.00
3340-0932	Transverse opening in the lower section of side compartments to accommodate pass through the rear compartment. The opening will be 2" above the floor and have aluminum picture frame style trim from each compartment over lapping to enclose compartment wall breaks without a sleeve.	\$2,127.00
3340-0933	Body mainframe and hosebed side assemblies for a 88" high body.	\$2,531.00
3340-0934	Bolt-in floor rise and horizontally top hinged smooth plate full height aluminum door with D-ring latch and gas spring hold open in compartment R2. Floor rise to have 2" raised forward area (tapered towards rear for securing cribbing) and run full width front to rear.	\$919.00
3340-0935	Removable wiring access panels to be installed on the rear wall of compartment L3 and R3. Panels to be retained with stainless steel machine screws.	\$199.00
3340-0936	Air bag module for Paratech air bags as follows: 1-KPI-1, 1-KPI-3, 1-KPI-5, 1-KPI-12, 1-KPI-17, 1-KPI-22, 1-KPI-32, 1-KPI-35L. Locate floor mounted in lower R3.	\$1,427.00
3340-0937	Tank sides to be raised 14" above booster tank. Includes raised sides and front of water tank. No hosebed slats to be installed.	\$2,500.00
3340-0938	Provide access with covers on forward wall of compartment R3 to access to upper KLAMP-IT hardware for DOT storage bottles located in R2.	\$197.00
3340-0939	Tool box, CTECH brand 4 drawer compartment toolbox. Includes Cal Gray drawer face finish with two (1) 8" drawer below and three (3) 3" drawers above. Toolbox dimensions to fit in an opening 36" W X 18" H X 24" deep. Requires a fixed shelf mounted above toolbox to enclose top drawer and create opening height added separately. Locate: forward and below extended floor in L2.	\$2,126.00

Option No.	Description	PRICE
3340-0940	Storage Pan. Pan to accommodate generator and light tower equipment. Approx size 46 inches wide and depth to match upperbody height X 216 in. long. Locate on top of rear body roof and span from front of body to rear body.	\$3,036.00
3340-0941	There shall be (2) rubber bumpers to be mounted to exterior of rear access door. Bumpers to hold door off of the tank and protect the paint.	\$0.00
3340-0942	Speedy Dry Hopper location: [#LOC]. Mounted on a floor mounted 500# roll-out tray. Tray to have notch on front wall for Speedy Dry Hopper valve to hold #150 pounds.	\$2,125.00
3340-0943	Transverse opening in the lower rear section of side compartments to accommodate pass through the rear compartment. The opening will be 2" above the floor and have aluminum picture frame style trim from each compartment over lapping to enclose compartment wall breaks without a sleeve.	\$1,192.00
3340-0944	Access thru body roof to accommodate DOT / ASME bottle valve access. Includes: Thumb latch type access diamond plate cover. Location: Above B1 in body roof pan aft side wall centered forward of bottle valve area.	\$358.00
3340-0945	Storage Pan. For equipment, generator and light tower storage. Sized to accommodate equipment option. Locate: over rear axle area.	\$1,643.00
3340-0946	Body mud flap heights. Bottom of flaps to be approx. 6" off ground.	\$0.00
3340-0947	Rolled hose rack for (3) hose rolls, (1) 50' of 1.75", (1) 25' of 3" and (1) 25' of 5. Includes adjustable (4) dividers attached to roll out tray(s) in compartment(s) L1, R1.	\$624.00
3340-0948	The hose bed is to have the capacity for the following hose (unless otherwise specified on the approval drawing). Hose load shall be listed from driver to officer. Bed 1, 1000' of 5" hose, Bed 2, 200' of 2-1/2" hose, Bed 3, 300' of 2" hose, Bed 4, 200' of 3" hose, Bed 5, (2) areas each holding 200' of 3" hose seperated by a hinged false floor.	\$645.00
3340-0949	Stokes storage with stops located in the drivers side upper header. Includes a lift-up rear access door (wired to door ajar) w/bent D-ring latch.	\$1,803.00
3340-0950	Rubrail for the body (serrated surface facing down).	\$605.00
3340-0951	Hosebed area above booster tank. Includes raised sides and front of water tank, slatted flooring and adjustable divider extrusions. Hosebed walls to be 18" high (16" deep hosebed). Wetside only.	\$5,708.00
3340-0952	Hosebed deflector box and access to the dry chem fill. Locate center of the hosebed at rear.	\$570.00
3340-0953	Rub rail assembly constructed of 3" x 2" Black U.H.M.W. plastic. Bolted to the lower exterior perimeter edge of the apparatus body. Rub rail shall be mitered 45 degrees at leading and trailing end and notched for marker and warning lights clearance (where applicable).	\$1,419.00
3340-0954	Stainless steel rear fender panels painted job color. (Recommended for FRP paint process compatibility!) Includes bolt-on stainless steel inner wheel well liners (not painted) and rubber outer fenderettes.	\$1,495.00
3340-0955	Backboard storage sleeve. Locate in ladder tunnel. Rack to be approx 3"W x 18"H x 72"L.	\$448.00
3340-0956	Compartment R1 to be notched for vertical exhaust in back forward corner of the compartment.	\$289.00
3340-0957	Compartment R4 to be notched for deck gun piping in back rearward corner of the compartment.	\$289.00
3340-0958	Backboard storage sleeve for (2) boards individually stored one on top of the other. Each area to be 3"W x 17"H x 72"L. Includes (1) retaining strap on the driver side. Location: Vertically mounted in L1 and into R1 (no access this side) inboard of the vertical exhaust.	\$736.00

Option No.	Description	PRICE
3340-0959	One (1) Vertical mount traffic cone holder shall be fabricated and installed to hold up to (8) 28" tall traffic cones with 12" bases (not included). The bracket shall be constructed of 1/8" aluminum smooth plate, bolted and mounted to the left rear panel step bumperette, inboard of the tail light assembly.	\$289.00
3340-0960	Body main frame and hose bed side assemblies for a 90" high pumper body.	\$4,437.00
3340-0961	Divider long fixed at the edge of the step-down in hosebed (officer side) to be "L" shaped. Divider to run full length of hose bed (front to rear).	\$534.00
3340-0962	Body main frame and hose bed side assemblies for a 97 in. high body.	\$4,304.00
3340-0963	Hosebed storage pan smooth plate painted black Durabak. Locate in forward area of hosebed.	\$1,003.00
3340-0964	Storage pan over eMAX transverse storage area(s) to be smooth plate painted black Durabak.	\$600.00
3340-0965	Tunnel, ladder. A ladder tunnel to be a compact design. Tunnel sized to stow (1) 24 foot 2-section ladder, (1) 14 foot roof ladder, (1) 10 foot folding attic ladder & (1) 10 foot pike pole. Option reduces the compartment area of the lower body. Ladder shall extend thru end of tunnel and into a water tank notch on the officer side. Locate: B1 vertically stacked on officer side low as possible.	\$2,559.00
3340-0966	Hosebed to accommodate 500 feet of 5 inch LDH. Locate: Roof top walkway on driver side in front of roof top compartments and span full length. Design to accommodate passing over roof access to water tank in body. Includes: hosebed pan, side wall, slatts, hinged top access cover with handels and latches to load hose and stand on top of lid if required & vinyl cover at rear of body. (as applicable).	\$4,259.00
3340-0967	Mounting plate for battery charger receptacle, indicator and air inlet (if applicable). Plate to be removable brushed stainless steel. Locate: rear of body driver side.	\$303.00
3340-0968	Tunnel, cribbing. A storage tunnel, approx size 8 inches tall X 23 inches wide X 72 inches deep shall be provided. Includes: Lift up rear access door, thumb style latch, hold open device and shall be wired to door ajar. Door finish shall match rear of body. Locate: Below roof top compartment on driver side of body.	\$1,832.00
3340-0969	Divider Reinforcement. To run full length of hose bed divider on top surface (front to rear). 3/4" extruded aluminum tubing welded to divider. Price per each divider.	\$346.00
3340-0970	Hosebed divider #1 to be 30" high.	\$0.00
3340-0971	Stainless steel tag on wheel well area above each tire location. Tag to be engraved, silver with black lettering, and specify pressure, torque and size of each tire.	\$227.00
3340-0972	B1 compartment modifications. Provide (2) 4" diameter holes on left side wall of B1 into the rear wall of L3, approx 29" off floor. offset to rear. These will be directly below the left side reel rewind switch Provide (2) hose notches with welded reinforcements on the upper shelf in the B1 compartment. Notches shall be approximately 3" wide x 5" deep. These shall be centered below the reel rollers. See photos in job folder.	\$240.00
3340-0973	The R2 Compartment shall include Unistrut for dealer/customer supplied equipment. (2) full width horizontal lengths shall be attached to the rear wall of the compartment. Bottom strut shall be located 8" from floor and second one 10" from center of lower.	\$271.00
3340-0974	NO logos to be mounted on doors covering the cord reels on body.	\$0.00
3340-0975	Smooth plate painted tandem axle wheel well. Includes bolt-on composite wheel well liners and bolt-on polished alum fenderettes.	\$3,320.00

Option No.	Description	PRICE
3340-0976	Horizontal air bag module for four (4) customer furnished air bags. Bags will be Paratech Maxiforce brand and each bag will store with two (2) identical pieces of 3/4" plywood. Nylon buckle strap assembly shall be provided across the openings. Locate on floor of compartment L2. See specifications for details.	\$1,297.00
3340-0977	The foam transfer pump breaker shall be located inside the vertical storage compartment in the driver side lower center body.	\$296.00
3340-0978	Body mainframe and hosebed side assemblies for a 104" high body.	\$6,069.00
3340-0979	Smooth plate single axle wheel well painted black Durabak. Includes bolt-on composite wheel well liners and bolt-on polished alum fenderettes.	\$1,641.00
3340-0980	Sign plate holder made from smooth aluminum material, sized to be 12"w x 6"h, painted job color. Locate (1) at rear of truck, one (1) mounted on front bumper and (1) each side cab below canopy windows.	\$532.00
3340-0981	Divider Support to run full width of hosebed (side to side) at the front of the hosebed and towards the rear of the hosebed at top of the divider(s). Attach to each hosebed divider to provide additional support. The rear divider support to be located as far rearward as available space on upper rear hose bed allows for support mounting.	\$406.00
3340-0982	Body mainframe and hosebed side assemblies for a 72" high body.	\$0.00
3340-0983	All body and pump module compartments (if applicable) and/or storage areas (EXCEPT R1 compartment) to have no louvers or vents. Louvers or vents for compartment R1 are to located up high only.	\$289.00
3340-0984	Special Driver side hose bed walkway. Embossed diamond plate walkway driver side over driver side compartments to run full length of the body. Walkway to have drains with drain tubes that extend to the bottom of the vehicle.	\$672.00
3340-0985	Attic Ladder / Pike Pole cover to be located in compartment R1. Includes compartment wall cut-outs.	\$187.00
3340-0986	Rear step trays drivers and officer's sides with slats. Each to hold (1) length of 3" DJ hose. They shall be a floating design.	\$880.00
3340-0987	Wheel chock storage areas behind hinged doors. (1) pair of chocks driver's side. (Chocks not included)	\$188.00
3340-0988	Hose bed above the booster tank. Includes DuraDeck fiberglass grating.	\$1,756.00
3340-0989	Body mainframe and hose bed side assemblies for a 100" high body.	\$3,797.00
3340-0990	Stainless steel tandem axle rear fender panels painted job color. Includes bolt-on stainless steel wheel well liners (not painted) and polished stainless steel outer fenderettes.	\$2,300.00
3340-0991	Backboard storage sleeve. Locate within RS hose bed cover, underneath. Sleeve to be approximately 3" H x 20" W x 72" L.	\$828.00
3340-0992	Hosebed storage pan partition. Partition to be adjustable side to side in hosebed storage pan. (2) adjustable tracks on the front wall and (2) adjustable tracks on the rear wall of the storage pan.	\$347.00
3340-0993	LINE-X package for hosebed storage pan(s): Includes all surfaces of the pan visible from top of the truck. Also includes all platework fabricated at E-ONE mounted inside the pan such as hydraulic system cover, generator shield, reservoir cover, cooler cover, cord reel cover, boxes, dividers, trays, etc as applicable.	\$766.00
3340-0994	LINE-X package for Pumper or Tanker body (excluding eMAX), see specification for more details.	\$2,347.00
3340-0995	LINE-X package for under body platform(s): Includes all exterior surfaces of the pump panel operator and/or under body platform(s) as applicable. Quantity each.	\$136.00
3340-0996	LINE-X package for eMAX Pumper, see specification for details.	\$3,905.00
3340-0997	Horizontal fixed shelf. Shelf to separate upper hose from lower hose.	\$585.00
3340-0998	Body mainframe and hosebed side assemblies for a 101" high body.	\$5,317.00
3340-0999	Push button latches to match side pump panel latch. Locate Top Mount pump panel	\$203.00

Option No.	Description	PRICE
3340-1000	Cast Products FG4102-1-250-N (hinge right) recessed fuel fill with door. Recessed fuel fill driver side wheel well.	\$141.00
3340-1001	Tunnel, ladder. A ladder tunnel to be a compact design. Tunnel sized to stow (1) 24' 2-section ladder, (1) 14' roof ladder & (1) 10 foot folding attic ladder. Option may reduce the compartment area. Locate: B3.	\$2,302.00
3340-1002	Upper body side panels driver & officer side to be flush. Option for extended body height modification and includes forward body module (if applicable) .	\$2,625.00
3340-1003	Storage pan over eMAX Rescue module.	\$1,955.00
3340-1004	Stokes storage compartment. Compartment shall include a top load hinged access door with D-ring latches and moon spring door hold open device. Compartment shall be 9 in. wide X full width of body and full height of upper body. Locate: eMAX module pan toward aft bulkhead with vertical access to rear body catwalk area.	\$1,545.00
3340-1005	Storage sleeves. A open faced storage sleeve unit shall be provided that is 25 in. wide X 26 in. deep X 18 in tall. Unit includes (1) shelf centered horizontally inside. Construction is 3/16 smooth aluminum. Locate: in L1, up high and forward in compartment.	\$335.00
3340-1006	Hosebed to accommodate 800 feet of 3 inch DJ hose. Locate: Roof top walkway on driver side in front of roof top compartments and span full length. Design to accommodate passing over roof access to water tank in body. Includes: hosebed, side wall, slats, hinged top access cover with handles and latches to load hose and stand on top of lid if required & a cargo net cover shall be provided to access the hose bed area from the rear of body. Cargo net color: Black	\$4,259.00
3340-1007	Hosebed area above booster tank. Includes raised sides and front of water tank, slatted flooring and adjustable divider extrusions. Hosebed walls to be 12" high (10" deep hosebed). Wetside only.	\$3,410.00
3340-1008	Air bag module. Module to include drop down horizontal hinged door for access. (Final design details TBD) Module to accommodate " BRAND TBD" air bags as follows: TBD. Finish: Sanded aluminum. Locate: R3.	\$1,942.00
3340-1009	The L3 Upper Compartment shall include Unistrut for dealer/customer supplied equipment. Two (2) full width horizontal lengths shall be attached to the upper back wall of the compartment. Top strut shall be located approx 14" down from compt opening. Second strut shall be located 12" below the upper, measured center to center.	\$271.00
3340-1010	Notched hosebed divider(s). Notch to be in center approximately 25" up from hose bed floor and angle up 45 degrees at each end. Priced per divider.	\$91.00
3340-1011	Special hose bed divider reinforcement. Each divider shall have 3/4" extruded aluminum tubing reinforcement welded in place on the forward and rear vertical edges and the top horizontal edges to stiffen the dividers as mounted. Price per divider.	\$346.00
3340-1012	One (1) divider support(s) to attach to each top rear edge of each hose bed divider to provide additional support. SS product only. Price each.	\$61.00
3340-1013	The ladder compartment door shall be equipped with a hold open device.	\$127.00
3340-1014	Hang rod, stainless steel, bolt in. Qty (1). Design to be similar to grabrail. configuration to accommodate Sterns life jackets stowed on hangers. Hang rod to be approx half compartment length. Locate: R3 centered on ceiling against aft wall and to run forward.	\$402.00
3340-1015	Sign, "STAY BACK 500 FEET" with black reflective lettering. Sign to be a vertically split design with "STAY BACK" on the left plat side plate and "500 FEET" on the right side plate. Locate: B1 door centered.	\$290.00
3340-1016	Access panels, pair. Bolt in access panels for body compartment back wall to provide service access located over chassis centerline. Construction to be consistant with compartment interior. Locate: L2/R2 26 inches deep from body door opening.	\$1,029.00
3340-1017	LINE-X package for Tandem Axle Aerial, see specification for details.	\$8,689.00
3340-1018	LINE-X package for body fenderettes.	\$239.00

Option No.	Description	PRICE
3340-1019	LINE-X package for Aerial body miscellaneous parts: Includes wheel well plates, outrigger covers, diamond plate filler panels, diamond plate fuel fill doors and aerial control doors as applicable.	\$1,074.00
3340-1020	Body will have (2) additional compartments, (1) each side behind the rear wheels. Size increased as necessary for tank capacity and/or side dump valves in w/wells.	\$820.00
3340-1021	Body mud flaps to be located as far outboard as practical.	\$0.00
3340-1022	Storage pan over eMAX transverse storage area to be deleted and a solid tread panel top added.	\$371.00
3340-1023	Cab, Body, Multiplex Color Display and Pump Module, safety and warning Tags in Spanish to be in addition to standard English E-One supplied Tags.	\$2,749.00
3340-1024	Provision for roof access to ASME/DOT storage bottles located in B2 and B4. Includes: removabe roof access cover plates. Location: Rear body roof over B2 and B4.	\$804.00
3340-1025	Storage sleeve compartment in transverse. Location: L1/R1 offset to the rear of the compartment. There shall be three separate storage areas. The bottom sleeve shall be approximately 34" wide x 12" high x 86" long. Two vertical sleeves shall be on top of this base section. The first shall be 16" wide x 24" high x 86" long and offset to the rear. The second shall be 18" wide x 24" high x 86" long and shall be offset forward. Includes (3) sets of retaining straps on both sides, (1) for each sleeve.	\$1,493.00
3340-1026	Driver and officer side compartment top to be embossed diamond plate IPO standard.	\$761.00
3340-1027	Sign plate, smooth, large as possible. Locate: top of roof top compartment officer side forward. Color: White FLNA 4006	\$729.00
3340-1028	Divider for transverse compartment, bolt in between L3/R3. Located at chassis centerline. Finish is sanded aluminum unless otherwise specified.	\$515.00
3340-1029	Cover for ASME / DOT storage bottles. A bolt on diamond plate cover shall be provided for the ASME / DOT storage bottles. Includes: Thumb latch type fast access to bottle valve. Location: eMAX dunnage pan.	\$799.00
3340-1030	Recessed switch enclosure with hinged stainless steel door with lift and turn latch. Located on the right rear body panel to protect the power hose bed cover switches.	\$267.00
3340-1031	Turtle tile floor matting on floor of walk-in body. Matting to be secured to the floor with stainless steel machine screws and locktite. NYPD only.	\$418.00
3340-1032	Mount dealer supplied white board in the walk in area of the body. To be located on the armory door(s). Exact details to be completed at the time of a future customer inspection.	\$78.00
3340-1033	Mount (4) footman loops on the side of the ladder tunnel in the walk-in rescue body. Mount customer supplied 36Volt portable tool and charger in the walk-in rescue body. Mount and hard wire customer supplied TNT hydraulic power supply to the shelf in compartment L2. Mount four (4) additional footman loops on the side of the ladder tunnel in the walk-in rescue body. Exact details to be completed at the time of a future customer inspection. NYPD only.	\$238.00
3340-1034	Air bag storage for Paratech air bags. Two (2) areas, one (1) inside body walkway and one (1) in R4. See specifications for details.	\$596.00
3340-1035	All compartment louvers to be up as high as possible.	\$301.00
3340-1036	Body compartment floors to be 3/16" aluminum smooth plate.	\$1,261.00
3340-1038	Roof top compartment Interiors to have Zolatone black finish.	\$2,056.00
3340-1039	Diamond plate tandem axle wheel well. Includes bolt-on composite wheel well liners and bolt-on rubber trim fenderettes.	\$2,055.00

Option No.	Description	PRICE
3340-1040	Body compartment Interiors and compartment mounted components (shelves, trays, toolboards,etc.) to have gray Scorpion polyurethane coating. To include pan of hinged doors, and tool compartments (as applicable). Does not include floors if they are dia plt.	\$14,012.00
3340-1041	Solid aluminum 1" x 2" bar stock rubrail with 45 degree mitered ends. No scotchlite striping to be included.	\$987.00
3340-1042	The vehicle shall be supplied with a deck gun cradle for additional support of the deck gun assembly above the pump module. The cradle shall be made of Alum Extrusion and smooth plate with Nylon cushioned rest pads. Cradle shall be painted fluorescent Orange on all metal parts.	\$1,348.00
3340-1043	Hosebed above the booster tank. Hosebed assembly to be designed with short divider(s) held forward 20". Hosebed adjustable divider extrusion rearward to run full width of the hosebed.	\$2,330.00
3340-1044	Body mainframe and hosebed side assemblies for a 93" high body.	\$3,288.00
3340-1045	Speedy Dry Hopper. Locate in roof compartment above forwardmost driver side compartment. Includes discharge through bottom of compartment along forward wall with valve for ground level dispensing. Pipe to be fully boxed in with a vertical partition running the full height and depth of the comaprtnent and completly enclosed at the front as wide as necessary so the pipe is not visiable. Capacity of speedy hopper is 100 lbs.	\$1,695.00
3340-1046	There shall be 12 gauge stainless steel smooth plate false wall bolted-in 16" in from outside of body. Locate in one (1) each L2 & R2 compartments.	\$500.00
3340-1047	Hosebed divider with 45 degree offset to store customer required hose load. Locate on officer side of hosebed, to store 400' of 2.5" DJ hose.	\$898.00
3340-1048	L1 vertical partition to have cut in the lower area of the partition to accomadate a recessed breaker box with the door flush with partition wall. Partition will also include cuts as needed for other electrical items to be recessed as much as possible.	\$0.00
3340-1049	Stainless Steel corner guards for the driver and officer rear compartment face. Guards to wrap around the corner and be full height of side assembly.	\$294.00
3340-1050	Bottom hinged, flat latching stainless steel doors with lift and turn latches shall be provided on each side the forward body wheel well panels for access to the side mounted portable winch receiver assembly and electrical connection. The rear side interior walls of the compartments adjacent to the side mounted receivers, shall have access doors for connection purposes.	\$433.00
3340-1051	Diamond plate box for directional lightbar and (2) GH scene lights. Box to be mounted at rear of hosebed. Lights to be surface mounted to box.	\$609.00
3340-1052	Body mainframe and hosebed side assemblies Low Profile for a 85" high Tanker style body with OAH issue.	\$2,531.00
3340-1053	Redesign the TAC-Stick box holder for the current dealer supplied model. Holder shall mount in compartment L1. This is in lieu of the existing holder. NYPD only.	\$300.00
3340-1054	Sign plate smooth plate with sanded finish 30" x 30" mounted on forward body roof.	\$254.00
3340-1055	A tag stating "Top off DEF tank when fueling main tank" shall be permanently affixed to the vehicle near the fuel fill(s).	\$72.00
3340-1056	Body main frame and hose bed side assemblies for a 96" high tanker body.	\$3,931.00

Option No.	Description	PRICE
3340-1057	Modified hose bed divider height and reinforcement. The height of the hose bed divider (s) to extend up over body height 2 inches with tapered forward end at front of hose bed and rounded rear end. Divider (s) shall have a split round reinforcement welded in place on the forward and rear vertical edges and the top horizontal edges to stiffen the divider (s) as mounted and to provide a rounded edge where raised divider (s) will contact hose bed nylon cover in transit to reduce chaffing. Added per each divider as equipped.	\$162.00
3340-1058	Doors, access to wheel well receiver, (pair). Access doors shall be provided on each side of the rear body wheel well panels to access to the side mounted portable winch receiver assembly and electrical connection (if applicable). The rear side interior walls of the compartments adjacent to the side mounted receivers, shall have access doors for pin connection access. Door construction shall be consistent with the body design and match panels they are located in.	\$433.00
3340-1059	(1) top of body, forward hose bed compartment. This includes divider wall located behind the water tank fill tower. Area shall be approximately 46" wide x 22" long x 34" deep. Includes hinged compartment lid with turn latches, grab handle(s) and gas shock hold open. Door hinges at the forward hose bed wall opening to the rear. This provides an area for additional rolled hose storage. This area is not watertight.	\$837.00
3340-1060	Pan for pole light to be recessed in roof. Construction to be consistent with roof construction and includes drain. Pan shall be sized by engineering to best accommodate pole lighting that is designated in same location. Locate: [#LOC].	\$819.00
3340-1061	Hosebed storage pan partition. Provide an "L" shape partition for the fill tower(s).	\$340.00
3340-1062	Body main frame and 70" wide hose bed for an 90" high body with low hose bed and "L" shape tank. Hose bed is 40" from top of tailboard to bottom of hose bed.	\$2,498.00
3340-1063	Rub rail assemblies constructed of 2.5" x 2" Black U.H.M.W. plastic. The first rub rail shall be bolted to the lower exterior edge of the apparatus body below the compartment doors. The second rub rail shall be mounted above the compartment doors on both sides of the body from front to back. The third rub rail shall be mounted just below the compartment tops on both sides of the body from front to back.	\$2,605.00
3340-1064	LINE-X Package: Body compartment Interiors and compartment mounted components (shelves, trays, toolboards,etc.) to have LINE-X finish. To include pan of hinged doors, and tool compartments (as applicable). Includes diamond plate floors and E-ONE style wheel well SCBA compartments if applicable. Package does not include roof top compartment interior.	\$18,108.00
3340-1065	LINE-X package for Pumper or Tanker body stepping surfaces, see specification for more details.	\$783.00
3340-1066	The storage box(es) shall have LINE-X finish both inside and outside.	\$637.00
3340-1067	LINE-X Package: Body compartment Interiors shall have LINE-X finish. Package does not include roof top compartment interior.	\$8,536.00
3340-1068	Smooth plate tandem axle wheel well painted job color. Includes bolt-on composite wheel well liners and bolt-on alum fenderettes painted Durabak black. Wheel well plates to be flush mounted.	\$5,989.00
3340-1069	Staircase steps and platework and upper rear deckplate shall be made out of smooth plate and shall be coated with black Durabak. There shall be GATOR GRIP on the stepping surfaces.	\$0.00
3340-1070	LINE-X package for Rescue catwalk area on top of the body. Includes floor surfaces of catwalk and forward pan area.	\$1,952.00
3340-1072	Storage for 4 rope bags. 8 in. x 8 in. square tube design x 24 in. deep with closed back & Includes securing straps in front. Aluminum construction with sanded finish. Locate: L1.	\$881.00

Option No.	Description	PRICE
3340-1073	Air bag module for Paratech air bags as follows: 1-6X6, 1-10X10, 1-6X12, 1-15X15, 2-15X21 & leak seal bag with webbing 1-20X20, 1-24X24, 1-28X28, 1-15X42 & 1-37X37. All bags slots shall include space to accommodate 3/4 inch thk plywood. Plywood not included. Locate:R1.	\$1,942.00
3340-1074	Ladder storage in roof top walkway. A compartment for a 24'-2 section extension ladder shall be provided. Ladders shall be stored on beam. Provide a lift up hinged access door with a thumb style lever latch and door hold open device located at rear. Locate: Driver side of body.	\$1,886.00
3340-1075	Ladder storage in roof top walkway. A compartment for a 16' roof ladder and four (4) pike poles shall be provided. Ladder shall be stored on beam. Pike poles to be stowed in tubes accessed through rear facing hinged access door with a thumb style lever latch. Provide a lift up hinged access door on top for ladder access with a thumb style lever latch and door hold open device. Locate: Officer side of body.	\$2,092.00
3340-1076	Tunnel, cribbing. A storage tunnel shall be provided that will be sized to accommodate (4) 6x6 post and (6) 4x4 post 10 feet long stowed flat on the B1 extended floor extending forward over chassis frame area. The tunnel design shall include a hinged drop down rear access door with D type handle to secure cribbing in place.	\$1,983.00
3340-1077	Stop bracket. A 1 inch aluminum angle to be located along body compartment floor edge close to door opening. Locate: L3.	\$44.00
3340-1078	Stop bracket. A 1 inch aluminum angle to be located along body compartment floor edge close to door opening and between aft wall and 2nd partition. Locate: R4.	\$44.00
3340-1079	Slip-on stainless steel dump elbow and 36" straight extension chute. Includes body mounted removable support arm and mounting brackets at rear of body for straight chute and in dunnage pan for elbow.	\$1,990.00
3340-1080	Hosebed area above booster tank. Includes raised sides and front of water tank, slatted flooring and adjustable divider extrusions.	\$4,301.00
3340-1081	Hosebed walls to be 14" high (12" deep hosebed). Wetside only.	\$804.00
3340-1082	Two (2) short dividers to run from forward hosebed wall front of fill tower to create a storage area. Wetside Tanker Only.	\$2,686.00
3340-1082	Speedy Dry Hopper location: R2 floor. Mounted on a floor mounted 500# roll-out tray. Tray to have notch on front wall for Speedy Dry Hopper valve. Capacity #145 pounds.	\$2,686.00
3340-1083	Provision for reels to be dealer installed after delivery. Provision includes: Four (4) adjustable tracks welded to compartment roof structure and a mounting plate bolted into place to later be removable and fitted with reels after delivery. Mounting plate to be approximately 38 in. x 50 in. Locate: L1/R1 ceiling centered.	\$515.00
3340-1084	Hinged .188in. embossed diamond plate lid for dunnage pan. Includes two (2) D-Ring latches, stainless steel hinge along rearward edge or as applicable to options, and gas shock or mechanical hold open. For narrow dunnage pans without additional span reinforcement required up to 10in. inside pan width.	\$289.00
3340-1085	Body wheelwell compartments (2), one each side above tandem wheelwell approximately 24" wide x 6" high x maximum depth permissible, with drop down doors. Door material to match wheelwell finish.	\$826.00
3340-1086	Front of hose bed stainless steel 57" wide transverse storage divider for selected accessory such as a hose reel, fill towers. Located in right side forward area of the hose bed to separate the second storage area from the main hose storage area. Applicable main hose bed dividers will be located rearward of the transverse divider.	\$555.00

Option No.	Description	PRICE
3340-1087	Stokes / Step Ladder module. A storage module with approx size of 15" tall x 25.25" wide x 90" long shall accommodate (1) stokes basket and (1) customer supplied 7' tall folding step ladder. Construction shall be smooth aluminum sheet metal with a sanded finish unless otherwise specified. Poly shall be utilized on the floor of the Stokes and Ladder tunnel. Location: B1 ceiling mounted offset to right side. Nylon strap assemblies shall be provided across the openings.	\$1,586.00
3340-1088	Officer side running board modified to extend out 2" beyond body side with 45 degree angled forward and rearward corners	\$229.00
3340-1089	Hosebed divider fixed to store customer required hose load. Locate divider inline with back wall of R3 shallow compartment extending rearward to hosebed opening, to store 750' of 5" LDH hose.	\$534.00
3340-1090	Diamond plate single axle wheel well. Includes bolt-on aluminum wheel well liners sanded finish and bolt-on polished aluminum fenderettes.	\$1,628.00
3340-1091	Durabak package for Tandem Axle Aerial, see specification for details.	\$8,689.00
3340-1092	Install a stainless steel 2" high flange full width of the door opening on the floor of compartment L2.	\$46.00
3340-1093	The rear of each hose bed divider to have a hand hold cut-out(s). The base of each divider will have an 8" deep x full height set back notch. Base of the divider extends to rear of hose bed for mounting.	\$0.00
3340-1094	Over the hose bed swing-out bracket for rear lighting accessories. Height not to exceed highest point on rear body. Swing bracket located on inside of hose bed side sheet. to reduce OAH of installation. Constructed of aluminum extrusion/tubing with aluminum plate end brackets. Paint job color.	\$1,252.00
3340-1095	Brushed stainless steel scuff plate for folding or formed step. (ea.) Locate per step on painted surface to protect paint from boot contact while climbing. Position on body, module walkover or as applicable where folding or formed steps are optioned on apparatus. Not to be used where painted surface is coated with Line-X or similar anti scuff coatings.	\$30.00
3340-1096	Full width hose bed above the booster tank from the officer side hose bed at ladder rack Urban notch to the driver side with raised side assemblies.	\$1,939.00
3340-1097	Vertical air bag module for four (4) customer furnished air bags. Bags will be Vetter brand. Nylon buckle strap assembly shall be provided across the openings. Locate on the upper rear wall of compartment L2. See specifications for details.	\$1,396.00
3340-1098	Hose bed walkway offset to officer side. Non-slip diamond plate walkway to run full length of hose bed.	\$502.00
3340-1099	Stainless steel light guards on the strip lights in body compartments. Price per compartment fixture.	\$59.00
3340-1100	A deflector shall be located on the cab roof and to the rear. The deflector shall be designed with an angled face at 45 degrees upward toward the body and shall be sized to best accommodate the height of the body aft of the cab. Deflector to be painted [#COL].	\$1,921.00
3340-1101	Hosebed rearward of the booster tank. Includes diamond plate pan over tank, engine access provision and adjustable divider extrusions. HS pumper only.	\$2,896.00
3340-1102	Durabak package for hosebed storage pan(s): Includes all surfaces of the pan visible from top of the truck. Also includes all platerwork fabricated at E-ONE mounted inside the pan such as hydraulic system cover, generator shield, reservoir cover, cooler cover, cord reel cover, boxes, dividers, trays, etc as applicable.	\$766.00
3340-1103	Durabak package for Pumper or Tanker body (excluding eMAX), see specification for more details.	\$2,347.00
3340-1104	Durabak package for body fenderettes.	\$239.00
3340-1105	Durabak package for body interior door panels. Location(s): [#LOC].	\$239.00
3340-1106	Hinged access door for rear mounted booster reel.	\$342.00

Option No.	Description	PRICE
3340-1107	Front of hose bed stainless steel transverse storage divider for selected accessory such as a generator, hose reel and fill towers. Located in forward area of 72" wide hose bed to separate the storage area from the main hose storage area. Applicable main hose bed dividers will be located rearward of the transverse divider.	\$538.00
3340-1108	Provision for MAKO fill station to be installed. Includes blowout cutout, mounting preparation. Fill station mounting specs to be provided to E-1 by dealer prior to engineering release. Location: L4.	\$577.00
3340-1109	Hosebed area above booster tank. Includes raised sides and front of water tank, slatted flooring and adjustable divider extrusions. Hosebed walls to be 15" high (13" deep hosebed). Wetside only.	\$5,795.00
3340-1110	There shall be two (2) short dividers, one (1) forward, to run from forward hosebed wall to front of fill tower, one (1) rearward from rear of fill tower to end of hose bed.	\$804.00
3340-1111	Brackets to store one (1) 14' extension ladder. Construction is aluminum. Finish is sanded aluminum. Locate: in catwalk on driver side.	\$768.00
3340-1112	Deflector for hosebed. To run from center of "V" to the left side of hosebed so all hose deploys through right side chute.	\$334.00
3340-1113	Bracing installed for Dealer supplied and installed wheel chock brackets (PR). Location below L2 & R2 offset rearward. Note requires jack pad bracket offset forward as far as possible (if applicable).	\$473.00
3340-1114	Body compartment door pans to have a swirled finish. Includes pan or hinged door as applicable.	\$569.00
3340-1115	Rub rail, Poly 3" x 2" Black U.H.M.W. plastic bolted to body. Rub rail shall be mitered at each end and shall be fitted between body lighting (where applicable). Locate: IPO standard aluminum rubrail of the apparatus side body only.	\$1,419.00
3340-1116	Rub rail, Poly 3" x 2" Black U.H.M.W. plastic bolted to body. Rub rail shall be mitered at each end and shall be fitted between body lighting (where applicable). Locate: above body compartment header extrusion apparatus side body only.	\$1,419.00
3340-1117	Rub rail, Poly 3" x 2" Black U.H.M.W. plastic bolted to body. Rub rail shall be mitered at each end and shall be fitted between body lighting (where applicable). Locate: upper roof extrusion of the apparatus side body only.	\$1,419.00
3340-1118	The end(s) of each crosslay divider to be held short 5" from end of each bed(s).	\$0.00
3340-1119	Rivet in place stainless steel trim on bottom edge of compartment opening. Option quantity is each. Option does not include stainless steel trim.	\$54.00
3340-1120	Stokes basket mounting brackets top of body officer side over R3/R4 for storage of a CMC Rescue-Stainless Steel Rescue Litter Model #726101 Stokes basket.	\$544.00
3340-1121	Storage sleeve. A open faced storage sleeve unit shall be provided that is 6 W X 40 T X 40 D. Includes: nylon strap with plastic buckle across opening at center. Construction is 3/16 aluminum diamond plate. Locate: inside walk-in module against aft wall on driver side with opening facing module entry door.	\$335.00
3340-1122	Conduit, flexible, 2.5" conduit with connectors. Location: Route from aft area of cab map box to body module electronics cabinet above refrigerator. Includes (4) four pull wires labeled 1 thru 4. Renton Rescue.	\$799.00
3340-1123	Underbody full width mudflap mounted to body. Includes white reflective "STAY BACK 300 FEET" lettering. Locate at rear of body ahead of staircase. Bottom of flap to be approx 12" off ground.	\$817.00
3340-1124	Raceway. There shall be an antenna raceway provided and fabricated of aluminum Diamond plate. The design shall provide for easy access and installation of antennas. The raceway shall be located on top of the walk-in module to the officer side and span front to rear of the module area.	\$374.00

Option No.	Description	PRICE
3340-1125	All body, walkway and speedlay compartments (if applicable) and/or storage areas (EXCEPT R3 compartment) to have no louvers or vents. Louvers for compartment R3 are to located only on the rear and back walls.	\$289.00
3340-1126	Spool plastic roll storage 1 inch diameter round bar stock for a 36 inch long roll of plastic located in R4 upper. See Photos on file.	\$445.00
3340-1127	Roof top compartment Interiors to have Zolatone black finish.	\$2,056.00
3340-1128	Hosebed dividers to be 35" high.	\$0.00
3340-1129	Underbody UltraGuard splash guard behind rear axle mounted to body at rear step area. Guard to be modified to include cutouts for rear tow eyes and rear hitch receiver (If applicable).	\$695.00
3340-1130	Provision for SpaceSaver M2792M two bottle mobile fill station to be installed after delivery. Includes blowout cutout, mounting preparation and cover plate. Location: L4.	\$577.00
3340-1131	Storage for Fire Department supplied ALS gear in a shelving style pigeon hole horizontal fashion to closely match existing Chicago units in compartment L3 and lower B1. Module constructed of 1/8" smooth aluminum plate.	\$2,486.00
3340-1132	Stainless steel rear fender panels with aluminum treadplate overlays IPO painted finish. Includes bolt-on stainless steel wheel well liners (not painted) and rubber outer fenderettes.	\$1,232.00
3340-1133	Cargo net. Black Nylon cargo net with 2x2 openings shall be provided inside body compartment for area below transverse style extended floor [#LOC]. Cargo net to be permanently fastened to bottom of transverse compartment style extended floor and secured in place at bottom and sides with twist-locks, snaps and Velcro straps as deemed required by E-1 engineering to adequately secure cargo in place.	\$723.00
3340-1134	LINE-X package for Wetside body: All visible diamond plate surfaces shall be coated with LINE-X finish. See specification for more details.	\$2,347.00
3340-1135	Double hose restraints to be located on the officer side Water Master body to match those provided with the body on the driver side to utilize both compartment top storage areas for hose as required to meet departments needs. Water Master only.	\$165.00
3340-1143	Body main frame and hose bed side assemblies for a 90" high pumper body with a 72" wide low hose bed.	\$2,589.00
3340-1144	Deflector, for roof mounted A/C unit. A 3 sided smooth aluminum deflector shall be positioned in front of and around a pair of roof mounted A/C systems on the body roof. The deflector shall be slotted on the sides to provide unobstructed ventilation. Finish: Paint FLNA 4006 White.	\$1,211.00
3340-1145	Removable aluminum hose bed storage tray (EA), installed at the top rear of bed 1 at the center of the body. Tray shall include manual release assembly to lock tray in place. The floor of the tray(s) to be slotted to prevent the accumulation of water and allow for ventilation of wet hose. UHMW strips on the bottom rails to assist in installation/removal of tray.	\$750.00
3340-1146	Hosebed area above booster tank. Includes raised sides and front of water tank, slatted flooring and adjustable divider extrusions. Hosebed walls to be 14" high (12" deep hosebed). Wetside only.	\$5,513.00
3340-1147	Bolt-on diamond plate 24" tailboard (full width of body) ILO a standard tailboard. Includes (2) slanted beavertails (no stanchions) with removable outer panels and handrails - (2) vertical on trailing edge of beavertails. Wetside Tanker Only.	\$1,334.00
3340-1148	Divider Support to run full width of hosebed (side to side) at the front of the hosebed divider(s). Attach to each hosebed divider to provide additional support.	\$316.00
3340-1149	Stainless Steel corner guard for the officer rear 3x3 to protect the paint from the pike poles.. Guard to wrap around the 3x3.	\$148.00
3340-1150	Rear Aerial staircase steps, beavertail platework and tailboard shall be coated with black Line-X.	\$865.00

Option No.	Description	PRICE
3340-1151	Smooth plate corner guards for the driver and officer front compartment face. Guards to wrap around the corner and be full height of side assembly. Corner guards to be painted job color.	\$643.00
3340-1152	The upper right sight side of the body shall include an integral drip edge formed into the compartment top trim assembly. Trim shall be formed at a 30 degree angle. The upper side of the body shall include a full length FRP panel without exposed seams. The seams will be positioned behind the upper side warning lights. The warning lights shall be trimmed with a 14" x 14" mirror polished stainless steel trim panels.	\$161.00
3340-1153	Binder box. A smooth aluminum box with a sealed water resistant front drop down hinged access door shall be provided. Includes: Shock resistant lined interior finish, water resistant design, thumb style door latching, door support and interior light. The box interior shall be lined with a thin profile shock resistant product to provide minimal protection for items stored inside. Approx dimensions: 20 in. wide X 16 in. tall X 25 in. deep. Finish: Sanded aluminum. Locate:R2, below extended floor.	\$1,496.00
3340-1154	Provision for SpaceSaver M2794M Quad 4 bottle fill station. Includes blowout cutout and mounting. Location: R1.	\$536.00
3340-1155	Storage / pigeon hole: 18 in wide X 15 in tall X 25 in deep interior dimensions. Locate: L3.	\$212.00
3340-1156	Storage / pigeon hole, REMOVABLE: 18 wide X 18 in tall X 19 in deep for bunker gear. Locate: L1 compartment floor.	\$212.00
3340-1157	Storage / pigeon hole: 18 in wide X 15 in tall X 25 in deep interior dimensions. Locate: R3.	\$212.00
3340-1158	Divider for transverse compartment, bolt in between L2/R2. Locate: R2, 26 inches deep. Finish is sanded aluminum unless otherwise specified.	\$515.00
3340-1159	Bolt-in partition. Locate: R4, 23 inches from aft compartment wall and span from compartment floor to bottom of permanent shelf located 20 inches above floor mounted generator tray.	\$254.00
3340-1160	Cargo net cover for (6) six pigeon storage openings. Cargo net to be Black 2 in x 2 in squares. Use Velcro along top and sides and snaps along the bottom. Locate: L3	\$738.00
3340-1161	Stokes storage compartment. Compartment shall include a top load hinged access door with D-ring latches and moon spring door hold open device. Compartment shall be sized to best accommodate stokes basket. Locate: Upper body catwalk against face of roof top storage box on driver side and forward bulkhead.	\$1,545.00
3340-1162	Cargo net cover for (6) six pigeon storage openings. Cargo net to be Black 2 in x 2 in squares. Use Velcro along top and sides and snaps along the bottom. Locate: R3	\$738.00
3340-1163	Compartment heater. Includes switch on driver overhead. Location: [#LOC].	\$1,296.00
3340-1164	The upper top sides of the body shall include an integral drip edge formed into the compartment top trim assembly. Trim shall be formed at a 30 degree angle.	\$132.00
3340-1165	Body main frame and 96" wide hose bed for an 83" high body with low hose bed and "L" shaped water tank.	\$1,727.00
3340-1166	Rub rail assemblies constructed of 2.5" x 2" Black U.H.M.W. plastic. Bolt to the lower exterior edge of the apparatus body below the side of body compartment doors.	\$1,077.00
3340-1167	Stainless steel trim on edges of compartment openings; vertical edge of L1 and R1 opposite the hinges and the vertical edges of L2 and R2	\$532.00
3340-1168	Brushed stainless steel rear fender panels. Includes bolt-on stainless steel inner wheel well liners (not painted) and rubber fenderettes.	\$1,988.00
3340-1169	Body main frame and 59" wide hose bed side assemblies for a 90" high pumper body.	\$3,113.00

Option No.	Description	PRICE
3340-1170	The hose bed is to have the capacity for the following hose (unless otherwise specified on the approval drawing). Hose load shall be listed from driver to officer. Lay-1, 300' of 2.50" DJ with 300' of 1.75" DJ stacked on top, Lay-2, 500' of 2.50" DJ with 300' of 1.75" DJ stacked on top, Lay-3, 1000' of 5.00" LDH, Lay-4, 500' of 2.50" DJ.	\$0.00
3340-1171	Rub rail assemblies constructed of 2.5" x 2" Black U.H.M.W. plastic. The first rub rail shall be bolted to the lower exterior edge of the apparatus body below the compartment doors. The second rub rail shall be mounted above the compartment doors on both sides of the body from front to back.	\$2,012.00
3340-1172	Poly box with approx size 12" W x 12" H x 23" D to be located on the rearward adjustable shelf in L2.	\$349.00
3340-1173	Horizontal air bag module for five (5) customer furnished air bags. Location: R3. Each storage area to be 2" high. The bottom storage are to be full width and the uppers to be half width.	\$1,833.00
3340-1174	Horizontal air bag module for (7) seven customer furnished Paratech air bags. Floor mounted in L3 compartment offset against rearward wall. See sketch in file and for specifications see detailed specs.	\$791.00
3340-1175	Air bag storage for (5) five customer furnished Paratech air bags. Floor mounted in L2 compartment. Includes hinged style box that swings outward towards opening and stops for access to bags and lock to store in upright position. See sketch in file and for specifications see detailed specs.	\$1,272.00
3340-1176	Recessed fuel fill on MAN chassis. Locate: officer side body module forward of mudule entry door.	\$268.00
3340-1177	Body main frame and hose bed side assemblies for a 88" high rescue pumper body with a 72" wide hose bed and a special location side sheet on right side to lower overhead ladder rack. No upper rear crossover hand rail with this option.	\$3,776.00
3340-1178	Sign plate, smooth, 25 in wide x 30 in long front to rear. Locate: top of body roof, officer side forward. Color: White FLNA 4006	\$550.00
3340-1179	Flooring plate additional in R2 compartment. 3/16" aluminum smooth plate to be bolted in place 1/2" above standard diamond plate compartment floor.	\$85.00
3340-1180	Notch the ceiling of the [#LOC] compartment and add a cap to raise the ceiling height.	\$298.00
3340-1186	LINE-X package for roof top compartment lids: Includes all exterior surfaces of the lids only, no interior.	\$766.00
3340-1187	Doors, access to tandem wheel well receiver (set). Access shall be provided for the side receiver assembly and electrical connection (if applicable) thru a hinged door located in front of the receiver centered in the tandem wheel well. Construction shall be consistent with the body design and match panels where located.	\$533.00
3340-1188	Cast Products recessed fuel fill with door in driver side wheel well.	\$141.00
3340-1189	Nylatron bolt-on overlay for compartment floor (full width/full depth). Includes 45 degree beveled edge to outside and .187" smooth plate aluminum beneath Nylatron floor with fasteners countersunk. Location: [#LOC].	\$574.00
3340-1190	Hosebed Storage Pan. Locate in forward area of hosebed. To be utilized for a Wetside Tanker application. Wetside Tanker only.	\$1,601.00
3340-1191	Storage box with doors over forward body pan. Diamond plate storage enclosure on top of body. Construction shall be consistent with the upper body design. Includes: A split pan diamond plate lift-up door hinged to the outboard (left and right) of the box. The doors shall utilize D-ring handles with (2) point latching and be wired to the door ajar circuit. LED lighting shall be provided for each. The lights shall illuminate when the compartment lid is in the open position. There shall be gas spring hold open device(s)on each door. The rear of the doors shall include pull down straps to assist closing the doors by.	\$2,991.00

Option No.	Description	PRICE
3340-1192	Tunnel, ladders & cribbing. Tunnel to be compact design and split into two levels. Tunnel upper level to accommodate (1) one Duo Safety 775-A 14' roof ladder and (1) one Duo Safety 585-A 10' folding ladder. Tunnel lower level to accommodate 4X4X12 foot cribbing. Option shall reduce the compartment area in L2/R2. Option includes angles and stops to provide as guides for ease of equipment access and security. Locate: B3.	\$2,550.00
3340-1193	There shall be 12 gauge stainless steel smooth plate floor above the horizontal hard suction storage racks in the drivers roof top compartments to provide additional storage.	\$1,020.00
3340-1194	The rear of the outer (2) hose bed dividers to be cut back 6". An additional adjustable track will be installed at the rear of the hose bed to secure these dividers.	\$272.00
3340-1195	Cargo net for opening of storage cabinet located inside walk in rescue body side walls. Size to best accommodate cabinet openings. Cargo net to be Black 2 in x 2 in squares. Use permanent fasteners along bottom edge and snaps in other locations. Qty each.	\$304.00
3340-1197	Storage module for air bags and plywood as follows (from bottom to top): Plywood Storage, (2)26x26 air bags, (2)21.5x21.5 air bags, (2)16.5x22 air bags, (2)16.5x16.5 air bags, and (2) 13.5x19.5 air bags. Locate floor mounted in R2 compartment.	\$1,427.00
3340-1198	Bolt-in partition wall. Locate in lower rearward side compartment in order to divide the compartment storage area from the cord reel, and/or other, permanently mounted equipment in the forward, or rearward, area of the compartment.	\$128.00
3340-1199	Body will have (2) additional compartments, (1) each side behind the rear wheels below side dumps. Includes a vertically hinged door, same material finish as wheel well with thumb latch.	\$820.00
3340-1200	Storage module located in [#LOC] compartment. Module shall be designed per customer specific requirement and drawing shall be provided for review and approval.	\$633.00
3340-1201	Storage module located in [#LOC] compartment. Module shall be designed per customer specific requirement and drawing shall be provided for review and approval.	\$1,233.00
3340-1202	Storage module located in [#LOC] compartment. Module shall be designed per customer specific requirement and drawing shall be provided for review and approval.	\$1,833.00
3340-1203	3/8" thick white poly box with hand hold cutout on each end located in [#LOC] compartment. The box shall be designed per customer specific requirement and drawing shall be provided for review and approval.	\$349.00
3340-1204	1/2" thick black poly box with hand hold cutout on each end located in [#LOC] compartment. The box shall be designed per customer specific requirement and drawing shall be provided for review and approval.	\$349.00
3340-1205	Brackets to store one (1) extension ladder & one (1) roof ladder. Construction: aluminum. Finish: sanded aluminum. Locate: in catwalk on driver side.	\$968.00
3340-1206	Storage module located in [#LOC] compartment. Module shall be designed per customer specific requirement and drawing shall be provided for review and approval.	\$633.00
3340-1207	(1) Front of hose bed top open storage compartment. Includes hinged raised compartment lid with turn latches and grab handle(s). Located rearward of eMAX transverse pan, forward of fill tower(s). Bolt in design to allow water tank serviceability. Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab.	\$1,368.00
3340-1208	Body main frame and hose bed for a 95" high stainless steel eMAX rescue pumper body. Hose bed to be 46" wide.	\$4,632.00
3340-1209	Body mainframe and hosebed side assemblies for a 93" high body.	\$3,288.00
3340-1210	Body mainframe and hosebed side assemblies for a 100" high body. Includes height of rear body/pump module.	\$2,310.00

Option No.	Description	PRICE
3340-1211	Front of hose bed stainless steel partial storage divider on driver side for additional storage. Located in forward area of hose bed at end of hard suction storage assembly to separate the storage area from the main hose storage area. Applicable main hose bed dividers will be located rearward of the partial divider.	\$452.00
3340-1212	The following items to be sanded smooth plate painted with gray Scorpion coating in place of standard diamond plate: Aluminum hose bed covers. The coating shall be tinted to match the upper body color and have a flat (not glossy) slip resistant finish.	\$1,658.00
3340-1213	Rear compartment protruding through rear side compartment. Includes hinged door (to match rear body finish) with D-Ring latch. Door Ajar included.	\$578.00
3340-1214	Aluminum diamond plate trim on bottom and side edges of speedlay openings.	\$409.00
3340-1215	1.25" diameter spool rod to accommodate plastic roll storage. Includes applicable brackets and quick release pins on each end. Located in [#LOC].	\$166.00
3340-1216	Body mainframe and hosebed side assemblies for a 102" high body.	\$5,470.00
3340-1217	Cast products AD0003-1 switch box assembly with polished flange, 120 grit directional finish on lid and concealed hardware and hinges, mounted on the rear body.	\$209.00
3340-1218	Access thru body roof pan to accommodate DOT / ASME bottle valve access. Includes: Thumb latch type access diamond plate cover. Location: Body roof pan aft vertical side wall centered forward of bottle valve area.	\$358.00
3340-1219	Access thru roof. Roof access shall be provided in the rear body for ASME / DOT bottle installation and servicing. A bolt in door shall be located on top of DOT bottle storage area at running long ways, sized by engineering to best accommodate service access. Construction shall be consistent with the body roof and accommodate stepping and walking activity.	\$1,354.00
3340-1220	Speedy Dry Hopper. Locate in roof compartment above L4. Includes discharge thru bottom of compartment L4 along forward compartment wall with valve for ground level dispensing. Capacity of speedy hopper is 100 lbs.	\$1,464.00
3340-1221	An additional hose bed divider track to be held 24" from rear of hose bed to allow for adjustability and space to walk side to side for hose bed access.	\$0.00
3340-1222	Backboard open storage located in the driver side hose bed using an additional hose bed divider. (2) Backboards, no divider between boards. Back stop and nylon retaining strap with quick release buckle provided.	\$664.00
3340-1223	Speedy dry hopper. Locate: roof top compartment above R5. Includes: discharge chute in compartment directly below roof top compartment routed thru compartment floor close to door opening, close off dispensing valve and extension hose for ground level dispensing below compartment. Capacity of speedy dry hopper is 200 lbs.	\$2,050.00
3340-1224	Upper rear body panels to be seamless and flush.	\$433.00
3340-1225	Diamond plate single axle wheel well. Includes bolt-on composite wheel well liners and bolt-on rubber trim fenderettes.	\$1,064.00
3340-1226	Provision for Bauer CFSII 2 bottle fill station. Includes blowout cutout and mounting. Locate:[#LOC].	\$536.00
3340-1227	Speedy Dry Hopper. Locate [#LOC]. The hopper shall have a discharge chute with a shut-off valve that extends down into the interior compartment directly below the roof compartment. with an extension hose for ground level dispensing . Capacity of speedy hopper is 25 lbs.	\$1,275.00
3340-1228	Horizontal air bag and poly box module for four (4) poly boxes and three (3) customer furnished air bags. Location: R3.	\$1,833.00
3340-1229	Smooth plate single axle wheel well painted job color. Includes bolt-on aluminum wheel well liners painted Job Color and bolt-on polished aluminum fenderettes.	\$1,859.00

Option No.	Description	PRICE
3340-1230	Diamond plate box for directional lightbar. Box to be mounted below intermediate step at rear of body. Lightbar to be surface mounted to box.	\$617.00
3340-1231	Vertical air bag module for four (4) customer furnished air bags. Nylon buckle strap assembly shall be provided across the openings. Locate on the floor of compartment R3, offset rearward. See specifications for details.	\$1,396.00
3340-1232	Storage box, fully enclosed for miscellaneous equipment. 12" high x 16" wide x compartment depth. Includes horizontally hinged drop down ADT door with trigger style latch. Location: On the upper back wall of the B1 compartment.	\$475.00
3340-1233	Add a removable cover to the two rear roof top compartment interiors to cover all upper rear body 900 LED lights, upper side rear body 900 LED lights, and corner electrical harnesses.	\$964.00
3340-1234	Nylon black cargo net in interior compartment opening behind door(s) of upper [#LOC]. Cargo net to be mechanically attached at compartment offset and bungee cords in the top corners.	\$589.00
3340-1235	Body wheelwell compartments (2) centered above tandems approx 26" W x 10" H x 25" D with drop down doors. One compartment each side of body. Door material to match wheelwell finish. Minimum 34" high lower body compartment openings required.	\$1,228.00
3340-1236	Two (2) diamond plate aluminum storage boxes (PR) with lift-up hinged doors that flip back onto the top of the storage box (No hold open device required). Storage box outside dimensions to be 37" wide x 37" deep x 12" high. Includes fixed shelf offset 6" from floor and (2) two push button latches for each storage box. Located side by side on top of L5/L6 compartments.	\$2,089.00
3340-1237	Enclosure to box-in the CAFS components and thereby provide an obstruction free usable space in the remainder of the compartment. Locate: [#LOC]	\$248.00
3340-1238	Sleeve through the driver side compartment into the rear compartment to accommodate Little Giant Model 17 ladder on its beam recessed as much as possible. Includes a strap to secure the ladder and appropriate spacer/stop. Bolt on vertical partition in front of the sleeve full width and full height of the rear compartment to separate the usable compartment space.	\$725.00
3340-1239	Painted smooth plate shield over electrical items mounted on extended box at upper rear of Wetside tank.	\$202.00
3340-1240	Aluminum diamond plate overlays on both sides of the pump module to extend from the top of the pump panel or as applicable to surround openings down to running boards. Overlay shall surround the openings for the speed lay(s) and or tool compartments in the forward area of the pump module and shall be positioned to protect the module surface during tool or hose deployment.	\$740.00
3340-1241	Removable upper rear side trailing panel designed to mimic the upper left rear panel of the body. Constructed of smooth plate stainless steel and painted job color. Formed construction to mimic a hose bed side sheet with forward facing access cover. Rear surface can be used for mounting warning and/or scene lights. Located on the upper right side rear compartment top.	\$723.00
3340-1242	Hosebed tray - removable. Tray includes a 1.25" extruded alum handle low on each end of tray and slots down each side to facilitate lifting. The floor of the tray shall have poly slides and be slotted to prevent the accumulation of water and allow for ventilation of wet hose.	\$636.00
3340-1243	Backboard storage sleeve. Locate within RS hose bed cover, underneath. Sleeve to be approximately 5" H x 20" W x 72" L. Rear of storage sleeve to have a horizontal hinged door with push button latches and mounting for notched rear hosebed cover flap.	\$903.00
3340-1244	Flooring plate additional in [#LOC] compartment. 3/16" aluminum smooth plate to be bolted in place 1/2" above standard diamond plate compartment floor.	\$169.00
3340-1245	Flooring plate additional in R2 compartment. The 3/16" aluminum smooth plate to be bolted in place 1/2" above standard diamond plate compartment floor and shall be 30" wide x deep as possible, offset rearward.	\$169.00

Option No.	Description	PRICE
3340-1246	CTECH Brand tool box. A (5) five drawer toolbox shall be provided. Finish: Cal Gray drawer face. Drawer size: five (5) 3in. tall drawers. Toolbox dimensions to fit in an opening 36 in W X 18 in H X 24 in deep. Requires shelf above to enclose top drawer. Locate: R1.	\$2,526.00
3340-1247	Storage module for storing 4x4 wood cribbage. Module to include vertical partition, lower bolt-in floor and above (1) one permanently fixed shelf at compartment offset. Lower floor is in addition to the existing DP floor. The bolt-in floor and fixed shelf both shall include 2" raised area at opening (tapered towards backwall for securing cribbing) and run full length opening to backwall. Located in R1 compartment.	\$633.00
3340-1248	One (1) Vertical mount traffic cone holder shall be fabricated and installed to hold up to (8) 28" tall traffic cones with 12" bases (not included). The bracket shall be constructed of 1/8" aluminum smooth plate, bolted and mounted to the right rear panel step bumperette, inboard of the tail light assembly.	\$289.00
3340-1249	Divider for transverse compartment to be bolt in. Locate: between L2/R2 at chassis centerline and aft of partition. Finish is sanded aluminum unless otherwise specified.	\$515.00
3340-1250	Provision for reel to be dealer installed after delivery. Provision includes: ceiling mounted Unistrut track spanning front to rear inside compartment to accommodate hydraulic reel model JL-ER. Rollers & additional brackets not included. Locate: L1 ceiling offset forward.	\$515.00
3340-1251	Provision for reel to be dealer installed after delivery. Provision includes: ceiling mounted Unistrut track spanning front to rear inside compartment to accommodate hydraulic reel model JL-ER. Rollers & additional brackets not included. Locate: R1 ceiling offset forward.	\$515.00
3340-1252	All body and pump module compartments (if applicable) and/or storage areas (EXCEPT R1 and R3 compartments) to have no louvers or vents. Louvers or vents for compartment R1 and R3 are to be located up high only.	\$289.00
3340-1253	LINE-X Package: Specified Body compartment interior and compartment mounted components (shelves, trays, toolboards, etc.) to have LINE-X finish. To include pan of hinged doors if applicable. Compartment interior includes floor, back and side walls and ceiling as applicable. Location(s): [#LOC].	\$2,587.00
3340-1254	Body will have (2) additional compartments, (1) each side behind the rear wheels.	\$820.00
3340-1255	Body will have (2) additional compartments, (1) each side behind the rear wheels 24" wide.	\$820.00
3340-1256	Hosebed area above booster tank. Includes raised sides and front of water tank, slatted flooring and adjustable divider extrusions. Hosebed walls to be 15" high (13" deep hosebed). Wetside only.	\$4,301.00
3340-1257	Hosebed divider with 45 degree offset to store customer required hose load. Rear section of divider approx. 80.5" to rear of offset and forward section of divider approx. 57.5" ahead of offset. HP75/78 only.	\$787.00
3340-1258	Body main frame and 72" wide hose bed for a 93" high rescue pumper body.	\$2,799.00
3340-1259	The spacer plates between the cab and body shall be coated with LINE-X.	\$248.00
3340-1260	Captive booster reel rollers mounted through center rear compartment face on a removable bolt-on access panel assembly. Assembly shall be located down low, size for width of reel as components and structures allow. Roller panel assembly shall be removable to allow for limited access to Booster Reel.	\$563.00
3340-1261	Hosebed area above booster tank. Includes raised sides and front of water tank, slatted flooring and adjustable divider extrusions. Hosebed walls to be 17" high (15" deep hosebed). Wetside only.	\$5,004.00

Option No.	Description	PRICE
3340-1262	Double pre-connect tray on top of the drivers side compartment top offset to the rear. Tray to be "U" shape to hold 250' of 1.75" DJ (each). Include inged diamond plate cover. Wetside Tanker only.	\$1,700.00
3340-1263	Storage module located in [#LOC] compartment. Module shall be designed per customer specific requirement and drawing shall be provided for review and approval.	\$2,988.00
3340-1264	Roof top compartment for hard suction storage. Compartment to accommodate (2) 6 inch. X 8 foot long hard suction pipes. Compartment approx size 105 in. L x 12 in. T X 25 in. W. Includes: Diamond plate construction, (1) vertical divider centered, rear lift up hinged door with D-style latch and door hold open device located at rear. Locate: Roof top of body on officer side.	\$1,768.00
3340-1265	One (1) Vertical mount traffic cone holder shall be fabricated and installed to hold up to (8) 28" tall traffic cones with 12" bases (not included). The bracket shall be constructed of 1/8" aluminum smooth plate, bolted and mounted to the right rear panel step, inboard of the tail light assembly. Note; this may extend the OAL of the vehicle depending upon the depth of the selected rear step.	\$289.00
3340-1266	Body will have (2) additional compartments, (1) each side behind the rear wheels.	\$902.00
3340-1267	Body mainframe layout line to be 31" due to 4x4 application. Includes body and all applicable modules.	\$0.00
3340-1268	Transverse sleeve in the upper rear section of side compartments to accommodate pass through the rear compartment. Sleeve to be designed per customer specific requirements detailed on the apparatus layout.	\$1,792.00
3340-1269	Provision for SpaceSaver M2791M single bottle mobile fill station to be installed after delivery. Includes blowout cutout, mounting preparation and cover plate. Location: L4.	\$577.00
3340-1270	Body will have (2) additional compartments, (1) each side behind the rear wheels. Raised as necessary for side dumps in W/Wells.	\$820.00
3340-1271	Cover , heater. Cover to be aluminum. Finish to match compartment interior. Location: [#LOC].	\$99.00
3340-1272	Speedy dry hopper. Locate [#LOC]. Includes discharge chute in compartment directly below roof top compartment with close off valve and extension hose for ground level dispensing. Capacity of speedy dry hopper is 150 lbs.	\$1,700.00
3340-1273	Diamond plate corner guard shall extend from inside the wall of the hosebed.	\$310.00
3340-1274	Stop bracket. A 1 inch aluminum angle to be located along body compartment floor edge close to door opening. Locate: L1.	\$78.00
3340-1275	Enhanced extended compartment located [#LOC]. Includes hinged door (to match rear body finish) with D-Ring latch. Door Ajar included. Requires enhanced extended body compartmentation (selected separately). This option reduces the depth of rear side compartments.	\$417.00
3340-1276	Bolt-in partition walls to be located as follows: in the forward hose bed area, (1) one partition mounted side to side, with a 16" clear opening to rear of forward Hosebed-Headboard wall, and a second identical partition located rearward of the forward partition. The second partition to create a 42" clear opening rearward of the first. Each partition shall have a minimum 2" 90 degree break at the bottom edge (located against the hose bed floor), and an extrusion welded across the top edge of the partition wall to facilitate tie-off's. These partitions to create two separate Storage areas.	\$788.00
3340-1277	A Stainless Steel plate shall be mounted on the Drv's side rear of tank for mounting of Hydrant Wrench Set. Include mounting bosses on rear tank wall as per final customer design. Customer to supply design sketch/drawing for approval prior to start of manufacturing of tank.	\$350.00

Option No.	Description	PRICE
3340-1278	Roof top compartment for hard suction storage. Compartment to accommodate (2) 6 inch. X 8 foot long hard suction pipes. Compartment approx size 105 in. L x 12 in. T X 25 in. W. Includes: (1) vertical divider centered, rear lift up hinged door with D-style latch and door hold open device located at rear. Construction: smooth aluminum with sanded finish unless other wise specified. Locate: Roof top of body on driver side.	\$1,768.00
3340-1279	Roof top compartment for hard suction storage. Compartment to accommodate (2) 6 inch. X 8 foot long hard suction pipes. Compartment approx size 105 in. L x 12 in. T X 25 in. W. Includes: (1) vertical divider centered, rear lift up hinged door with D-style latch and door hold open device located at rear. Construction: smooth aluminum with sanded finish unless other wise specified. Locate: Roof top of body on officer side.	\$1,768.00
3340-1280	Bolt-in partition walls for officer side storage. Ship loose. Partition to be 3/16" smooth plate x 26" wide x 18" high.	\$128.00
3340-1281	Body mainframe layout line to be 27in. Includes body and all applicable modules.	\$0.00
3340-1282	Stainless steel trim along sides and top edge of each fuel fill opening on driver side of body.	\$183.00
3340-1283	Speedy Dry Hopper. Locate in roof compartment above L4. Includes discharge thru bottom of compartment L4 along rearward compartment wall with valve for ground level dispensing. Capacity of speedy hopper is 100 lbs.	\$1,464.00
3340-1284	Swirl plate corner guards for the driver and officer front compartment face. Guards to wrap around the corner and be full height of side assembly or to a max of 96".	\$455.00
3340-1285	Fuel fill driver side wheel well to be recessed & covered with a Fire Shopp brushed finish S/S door with positive latch. Locate: Driver side wheel well to rear.	\$581.00
3340-1286	Deflector for hosebed. A bolt in deflector shall span across the forward hosebed bulkhead between the body roof top boxes and with matched height (as applicable). Construction shall be diamond plate.	\$450.00
3340-1287	Roof compartment for mini pumper body. 24 in wide x 12 in tall inside x 96 in long. Includes: Removable shelf center mounted inside box, Includes full length top hinged access door to open to outboard side and rear drop down hinged access door, D-ring latches, door check devices. Aluminum diamond plate construction. Access doors to be wired to door ajar system. Locate: Top of rear body, driver side.	\$1,766.00
3340-1288	Roof compartment for mini pumper body. 24 in wide x 12 in tall inside x length as long as space provides. Includes: Removable shelf center mounted inside box, Includes full length top hinged access door to open to outboard side and rear drop down hinged access door, D-ring latches, door check devices. Aluminum diamond plate construction. Access doors to be wired to door ajar system. Locate: Top of rear body, officer side.	\$1,332.00
3340-1289	Divider, transverse and full width of hose bed. Locate in forward area of hose bed to separate equipment items such as fill towers etc. from the main hose storage area. Main hose bed dividers if optioned will be located rearward of the transverse divider. Locate divider approx. 21in from the storage pan located at the front of the hose bed and just AFT of the fill tower(s). hose bed pre-connect(s) if optioned shall pass through transverse divider.	\$402.00
3340-1290	Body main frame and 46" wide hose bed for a 93" high rescue pumper body.	\$3,437.00
3340-1291	Backboard storage sleeve. Locate in hose bed on Officer side. Sleeve to be approx 3"W x 18"H x 72"L.	\$387.00
3340-1292	Vehicle number sign plate located on the top of the rear body / engine cover. The sign plate shall be 28" X 28" of smooth plate aluminum painted job color.	\$143.00

Option No.	Description	PRICE
3340-1293	Stainless Steel hose bed side guard panel for compartment top mounted Portable Tank Rack. The guard panel(s) shall extend approximately 2" above, and at either end of, the compartment top mounted portable tank rack assembly to help protect painted surfaces.	\$1,029.00
3340-1294	Provision for SpaceSaver M2792M two bottle mobile fill station to be installed after delivery. Includes blowout cutout, mounting preparation and cover plate as required. Qty (each). Location: B1	\$577.00
3340-1295	Body mainframe and hosebed side assemblies for a 103" high body.	\$5,817.00
3340-1296	Access thru roof. Roof access shall be provided in the rear body for ASME / DOT bottle installation and servicing. A hinged door shall be located at the center of the body running long ways, sized by engineering to best accommodate air storage system. The door shall be fabricated from the same material as the roof and accommodate walking on. Door to include a chrome grab handle, and gass springs. Locate: centered between L2/R2.	\$1,354.00
3340-1297	Horizontal air bag module for six (6) customer furnished air bags. Each bag will store with two (2) identical pieces of 3/4" plywood. Nylon buckle strap assembly shall be provided across the openings. Locate on floor of compartment R2. Brand and size TBD.	\$1,805.00
3340-1298	Rear compartment access through rear side compartment wall. Includes hinged door (to match rear body finish) with D-Ring latch. Door Ajar included.	\$578.00
3340-1299	There shall be 12 gauge stainless steel smooth plate floor above the Stokes storage in the officers roof top compartment to provide additional storage.	\$780.00
3340-1300	Body mainframe and hosebed side assemblies for a 105" high body.	\$6,323.00
3340-1301	Aluminum treadplate catwalk, 14" wide x full length, at top of hosebed side sheet, officer side.	\$906.00
3340-1302	Body main frame and hose bed side assemblies for a 70" high body with low hose bed and "L" shaped water tank.	\$1,727.00
3340-1303	Body main frame and hose bed for a 95" high stainless steel eMAX rescue pumper body. Hose bed to be 59" wide	\$4,632.00
3340-1304	LINE-X custom package for Pumper body, see sales drawing additional sheet for coverage or exclusion details.	\$3,905.00
3340-1305	Ladder storage in roof top walkway. A compartment for a 24'-2 section extension ladder shall be provided. Ladders shall be stored on beam. Provide a lift up hinged access door with a thumb style lever latch and door hold open device located at rear. Locate: Officer side of body.	\$1,886.00
3340-1306	Rub rail constructed of 3" x 2" black U.H.M.W. plastic. Bolted to the lower exterior of the apparatus at the rear of the body, full width. Rub rail mitered 45 degrees at the ends and notched for marker and warning lights clearance (where applicable).	\$710.00
3340-1307	Speedy Dry Hopper. Locate in roof compartment above L2. Includes discharge thru bottom of compartment L3 along forward compartment wall with valve for ground level dispensing. Capacity of speedy hopper is 100 lbs.	\$1,464.00
3340-1308	One (1) Vertical mount traffic cone holder shall be fabricated and installed to hold up to (5) 28" tall traffic cones with 12" bases (not included). The bracket shall be constructed of 1/8" aluminum smooth plate, bolted and mounted to the forward corner of roll-out tray to the rear of the compartment R4.	\$289.00
3340-1309	Catwalk to be installed above driver side hosebed storage pan.	\$931.00
3340-1310	Storage Pan for PyroBlitz Hydraulic Reservoir and cooler. Includes a hinged lid with gas shock hold open.	\$802.00
3340-1311	Stainless steel tandem axle rear fender panels painted job color. Includes bolt-on stainless steel wheel well liners (not painted) and black rubber fenderettes.	\$2,300.00
3340-1312	Speedy Dry Hopper. Locate in roof compartment above L2/L3. Includes discharge thru bottom of compartment L3 along forward compartment wall with valve for ground level dispensing. Capacity of speedy hopper is 180 lbs.	\$1,700.00

Option No.	Description	PRICE
3340-1313	Storage module located in R1 lower compartment offset rearward. Module shall be 26" wide x 30" high x full depth with smooth plate door, hinged to the rear and (2) thumb latches. Module spaced off rear most wall. Top of module shall be a full width permanent shelf that runs full width of compartment.	\$1,233.00
3340-1314	Extend wheel well liners close to frame, to include splash shields (deflect road splash downward) to mitigate road splash grime to inner body.	\$1,018.00
3340-1315	Compartment, storage for air bags. Provide a sleeve 8W x 40T x 42D to stow two (2) customer furnished air bags vertically. Brand and model TBD at prebuild. Access to have a single vertically hinged diamond plate door with thumb style latches and wired to door ajar. Locate: Rear body between B1 entry and officer side DOT lights.	\$951.00
3340-1316	Smooth plate bolt-in sleeve for around transverse storage components. Located in transverse compartment. Storage sleeve will have an access door in the rear compartment with flush mounted latches. To be sized based on transverse storage equipment and run the full width of the truck.	\$1,209.00
3340-1317	Tinted glass. Dark tint (smoked glass with approx 30% light transmittance) IPOS shall be provided for rear body window options. Option provides for side wall, entry doors and slide out room windows if so equipped. Qty is per each window.	\$155.00
3340-1318	Rear light switches to be recessed into the body.	\$186.00
3340-1319	Removable wall at the back of B1 for DOT bottle access.	\$564.00
3340-1320	12 gauge stainless steel removeable smooth plate enclosure for the horizontal cascade system bottle storage racks in between the L3/R3 compartments.	\$1,005.00
3350-0000	Hydraulic hose reel for use with Hurst brand tools. Includes 100' 1/4" Parker Polyflex hose (up to 5,000 PSI) and rollers (captive type). Location: [#LOC]. Hose Color: [#COL].	\$2,628.00
3350-0001	Air Reel w/electric rewind. 12V with 100' 1/4 in. hose plumbed to the truck air system (unless otherwise specified). Location: [#LOC].	\$2,889.00
3350-0002	Low Pressure Utility Air Hose Reel assembly with 175' 3/8 in. low pressure air hose and mini panel. Locate in [#LOC].	\$2,628.00
3350-0003	Low Pressure Breathing Air Hose Reel assembly with 175' 3/8 in. low pressure air hose and mini panel. Locate in [#LOC].	\$2,768.00
3350-0004	Reel, Air. Low Pressure Utility Air Hose Reel assembly (Includes Rollers) with 250' 3/8 in. low pressure air hose. Includes mini panel located in compartment below reel. Located in [#LOC].	\$2,772.00
3350-0006	Low Pressure Breathing Air Hose Reel assembly with 250' 3/8 in. low pressure air hose and panel. Locate in [#LOC].	\$2,799.00
3350-0007	High Pressure Breathing Air Hose Reel assembly with 150' 1/4 in. high pressure air hose and panel. Locate in [#LOC].	\$3,347.00
3350-0008	High Pressure Breathing Air Hose Reel assembly with 250' 1/4 in. high pressure air hose and panel. Locate in [#LOC].	\$3,548.00
3350-0009	Hydraulic hose reel for use with TNT brand tools. Includes 100' 1/4" Parker Polyflex hose (up to 10,500 PSI) and rollers (captive type). Location: [#LOC]. Hose Color [#COL].	\$5,279.00
3350-0010	Hydraulic hose reel for use with Phoenix brand tools. Includes 100' 1/4" Parker Polyflex hose (up to 5,000 PSI) and rollers (captive type). Location: [#LOC]. Hose Color [#COL].	\$2,628.00
3350-0011	Hydraulic hose reel for use with Code 3 brand tools. Includes 100' 1/4" Parker Polyflex hose (up to 5,000 PSI) and rollers (captive type). Location: [#LOC]. Hose Color [#COL].	\$2,628.00
3350-0012	Hydraulic hose reel for use with Amkus brand tools. Includes 100' 1/4" Parker Polyflex hose (up to 10,500 PSI) and rollers (captive type). Location: [#LOC]. Hose Color: [#COL].	\$5,279.00

Option No.	Description	PRICE
3350-0013	Hydraulic hose reel for use with Hurst Centaur brand tools. Includes 100' 1/4" Parker Polyflex hose (up to 10,000 PSI) and rollers (captive type). Location: [#LOC]. Hose Color [#COL].	\$5,279.00
3350-0014	Hydraulic hose reel for use with Genesis brand tools. Includes 100' 1/4" Parker Polyflex hose (up to 10,000 PSI) and rollers (captive type). Location: [#LOC]. Hose Color [#COL].	\$5,279.00
3350-0015	Hydraulic hose reel for use with Holmatro brand tools. Includes 100' 1/4" Parker Polyflex hose (up to 10,000 PSI) and rollers (captive type). Location: [#LOC]. Hose Color [#COL].	\$5,279.00
3350-0016	12' Lead/Supply Line for high pressure hydraulic reel. To be used with 10,000 PSI hyd reels. Locate on reel in [#LOC].	\$899.00
3350-0017	30' Lead/Supply Line for high pressure hydraulic reel. To be used with 10,500 PSI hyd reels. Locate [#LOC].	\$1,336.00
3350-0018	12' Lead/Supply Line for low pressure hydraulic reel. To be used with 5,000 PSI hyd reels. Locate [#LOC].	\$720.00
3350-0019	30' Lead/Supply Line for low pressure hydraulic reel. To be used with 5,000 PSI hyd reels. Locate [#LOC].	\$1,131.00
3350-0020	Air reel w/ electric rewind 150' of .375" hose plumbed to the truck air system. Location: [#LOC].	\$1,417.00
3350-0021	Hanney Core Reel in compartment L3. Mounted in rearward area. Includes reel mounted rollers, rearward wall mounted rewind switch and 100' of blue hose. The lead line from the compartment to forward area of driver side roof top compartment to be wrapped (No use of loom to be in conduit).	\$8,020.00
3350-0022	Hanney Core Reel in driver side bumper tray (tray not included). Includes reel mounted rollers and rewind switch and 100' of orange hose. Lead line that is ran to the driver side forward upper roof compartment is to be wrapped for protection (No use of loom to be in conduit).	\$8,485.00
3350-0024	Dual hydraulic reel rollers mounted thru bolt-on bracket. Location(s): [#LOC].	\$529.00
3350-0025	Hydraulic hose reel for use with TNT brand tools. Includes 100' 1/4" synthetic rubber hose (up to 10,500 PSI) and rollers (captive type). Location: [#LOC]. Hose Color [#COL].	\$5,279.00
3350-0026	Hydraulic hose reel for use with Amkus brand tools. Includes 100' 1/4" rubber hose (up to 10,500 PSI) and rollers (captive type). Location: [#LOC]. Hose Color: [#COL].	\$5,279.00
3350-0027	Reel(s) mounted in transverse area to be mounted to center area of transverse (max storage space forward of reel(s)).	\$0.00
3350-0028	Raceway for 12' Lead/Supply Line between the B1 and L3 compartments.	\$367.00
3350-0029	Route hydraulic lead line(s) to [#LOC].	\$107.00
3350-0030	Low pressure utility air hose reel w/spring rewind. Includes 50' 3/8" low pressure air hose, rollers, ball stop and and shut-off valve accessible from ground. Loc: [#LOC].	\$1,455.00
3350-0031	High Pressure Breathing Air Hose Reel assembly with 300' 1/4 in. high pressure air hose and panel. Locate [#LOC].	\$3,906.00
3350-0032	Akron utility air hose reel. Includes 200' 3/8" hose and reel mounted rollers (captive type). Loc: [#LOC].	\$1,545.00
3350-0033	Akron hydraulic hose reel for use with Hurst brand tools. Includes 100' 1/4" Parker Polyflex hose (up to 5,000 PSI) and rollers (captive type). Location: [#LOC]. Hose Color: [#COL].	\$2,443.00
3350-0034	Hydraulic hose reel for use with Holmatro Core Technology tools. Reel model EF2220-17-18 w/ 100' of CORE hydraulic hose and a 30' CORE Holmatro pigtail. Location: [#LOC]. Hose Color [#COL].	\$8,362.00
3350-0035	A set of hydraulic ports will be located in the front bumper for use with Hurst Brand tools. Ports should have quick disconnects, be colored black and blue so a lead may be plugged directly into them. Locate on driver side, under diamond plate lid.	\$462.00
3350-0036	Hydraulic hose reel for use with Hurst Centaur brand tools. Includes 150' 1/4" Parker Polyflex hose (up to 10,000 PSI) and rollers (captive type). Location [#LOC]. Hose Color [#COL].	\$6,427.00

Option No.	Description	PRICE
3350-0037	Streamline fittings for hurst Centaur reels and tools. This covers 3 hose to lead connections and 6 tool to reel connections.	\$3,520.00
3350-0038	Hurst tool power unit, portable model JL-4GH-SI. Gasoline powered pull start motor. Location: [#LOC].	\$11,545.00
3350-0039	Reel Hurst hydraulic 12V rewind, 100' orange line. Location: [#LOC].	\$4,984.00
3350-0040	12' Lead/Supply Line for high pressure hydraulic reel. To be used with 10,500 PSI hyd reels. Locate on reel in [#LOC].	\$944.00
3350-0041	30' Lead/Supply Line for high pressure hydraulic reel. To be used with 10,500 PSI hyd reels. Locate [#LOC].	\$1,402.00
3350-0042	Triple Hose Lead/Supply Line for TNT Reels. (1) 30' Lead/Supply Line for high pressure hydraulic reel. Locate officer side front bumper. Hose Color Blue. (2) 12' Lead/Supply Line for high pressure hydraulic reel. driver forward roof compartment (above L1 forward). Hose Color (1) Red and (1) Yellow. To be used with 10,000 PSI hyd reels.	\$4,402.00
3350-0043	Akron hydraulic hose reel for use with Amkus brand tools. Includes 100' 1/4" Parker Polyflex hose (up to 10,500 PSI) and rollers (captive type). Location: [#LOC]. Hose Color: [#COL].	\$3,768.00
3350-0044	Akron reel to be powder painted standard color. Location: [#LOC]. Reel Color: [#COL].	\$0.00
3350-0045	Akron reel to be powder painted custom color. Requires approval from vendor on color. Location: [#LOC]. Reel Color: [#COL].	\$133.00
3350-0046	8' Lead/Supply Line for high pressure hydraulic reel. To be used with hydraulic reels between 10,000 to 10,500 PSI. Locate: [#LOC].	\$438.00
3350-0047	6' Lead/Supply Line for high pressure hydraulic reel. To be used with 10,500 PSI hyd reels. Locate on reel in [#LOC].	\$887.00
3350-0048	Low Pressure Utility Air Hose Reel assembly with 250' 3/8 in. low pressure air hose. Locate in [#LOC].	\$2,082.00
3350-0049	Streamline fittings for Hurst reels and tools. This covers 3 hose to lead connections and 6 tool to reel connections.	\$3,520.00
3350-0050	Dual hydraulic reel rewind switch panel. Includes mounting rewind switches towards center of bracket. Location: mounted between B1 hydraulic reels.	\$272.00
3350-0051	Nexus couplings with swivels main reel hose only. Lead-ins to use standard TNT couplers.	\$1,221.00
3350-0052	6' Lead/Supply Line for high pressure hydraulic reel. To be used with 10,000 PSI hyd reels. Locate on reel in [#LOC].	\$865.00
3350-0053	40' Lead/Supply Line for low pressure hydraulic reel. To be used with 5,000 PSI hyd reels. Locate [#LOC].	\$1,508.00
3350-0054	Hydraulic hose reel with Nexus couplings with swivels for use with TNT brand tools. Includes 60' 3/8" hose (up to 10,500 PSI) and rollers (captive type). Location: officer side front bumper. Hose Color: Black/Black with Blue shrink wrap every 10'.	\$6,496.00
3350-0055	Hydraulic hose reel with Nexus couplings with swivels for use with TNT brand tools. Includes 100' 3/8" hose (up to 10,500 PSI) and rollers (captive type). Location: B1 driver side. Hose Color: Black/Black with Red shrink wrap every 10'.	\$6,496.00
3350-0056	Akron utility air hose reel. Includes 200' 3/8" hose and reel mounted rollers (captive type). Loc: [#LOC].	\$1,124.00
3350-0057	Streamline fittings for Hurst reels. This covers 3 streamline fittings on 3 hose reels.	\$1,335.00
3350-0058	Streamline fittings for Hurst reels and tools. This covers hose to lead connections and 2 tool to reel connections.	\$1,175.00
3350-0059	6' Lead/Supply Line for Holmatro Core hydraulic reel. To be used with Holmatro Core hyd reels. Locate on reel in [#LOC].	\$1,106.00
3350-0060	Hydraulic hose reel for use with Holmatro Core Technology tools. Reel model EF2220-17-18 w/ 100' of CORE hydraulic hose. Location: [#LOC]. Hose Color [#COL].	\$6,323.00
3350-0061	A set of hydraulic ports will be located in the front bumper and B1 compartment for use with Hurst Brand tools. Ports should have quick disconnects, be colored black so a lead may be plugged directly into them. Locate on driver side of front bumper and B1 driver side, up high (approximately 4" below and 2 " rearward of roll up door spool). Includes 30' Lead/Supply Line to be used with 5,000 PSI hydraulic ports. The Lead/Supply Line to be routed from the driver side front bumper and B1compartment to the forward area of L1.	\$1,592.00

Option No.	Description	PRICE
3350-0062	Hydraulic hose reel for use with Hurst brand tools. Includes rollers (captive type). Does not include hydraulic hose. Location: [#LOC].	\$2,017.00
3350-0063	Low Pressure Utility Air Hose Reel assembly with 175' low pressure 1/2" air hose and mini panel. Locate in L2 offset rearward of cord reel, set back 24" from compartment opening with rewind switch located next to the breaker box, locate the air panel in L2 between lower air bag rack and adjustable shelves with protective shield above air panel, run reel plumbing to dunnage area forward of drivers side coffin compartment for the customer installed air compressor.	\$2,783.00
3350-0064	Air reel w/electric rewind 100' of .375" hose plumbed to the cascade system for low pressure utility air. Includes 100' 3/8" low pressure air hose, rollers and ball stop (controls for reel included with breathing air system). Location: L3 suspended below fixed shelf offset rearward next to breathing air fill station.	\$2,082.00
3350-0065	Rollers and bracket, captive for air reel. Roller shall be mounted through a bolt-on bracket. Includes rewind switch mounted on side wall. Location(s): [#LOC].	\$792.00
3350-0066	16' Lead/Supply Line for low pressure hydraulic reel. To be used with 5,000 PSI hyd reels. Locate [#LOC].	\$764.00
3350-0067	Dual rollers for cord reel and air reel mounted thru bolt-on bracket. Includes mounting rewind switches towards center of bracket. Locate in B1 compartment.	\$924.00
3350-0068	A lead line #8, 5,000 psi hydraulic hose line routed from IHT manifold to B2 lower rear wall.	\$514.00
3350-0069	Hydraulic tool ports with TNT RV-120 remote actuation vlv. Quick connect fittings on vlv to be for Phoenix brand tools. vlv with tool fittings to be located on officer side of front bumper. Includes hyd supply lines run to B1.	\$2,023.00
3350-0070	Hydraulic hose reel for use with Holmatro brand tools. Includes 150' 1/4" Parker Polyflex hose (up to 10,000 PSI) and rollers (captive type). Location: R4 upper backwall high as possible and offset rearward as possible. Hose Color Blue/Black. Each tool circuit is to be provided with a control panel mounted adjacent to the reel. The panel shall contain a pressure gauge. Locking toggle switch labeled "PRESSURE" and "DUMP", green indicator light and reel rewind push button.	\$6,688.00
3350-0071	Air Reel w/electric rewind. 12V with 200' .5" hose plumbed to the truck air system. Location: officer side hosebed pan rearward of generator. Install 1/4 turn valve to shut off in case of hose failure or leakage. Rewind switch to be located on the officer's side wheel well next to booster reel rewind switch.	\$4,838.00
3350-0072	A lead line 5,000 psi hydraulic line routed from B2 lower forward wall to dunnage pan located MAS heat exchanger	\$735.00
3350-0073	A return lead line 5,000 psi hydraulic line routed from B2 lower forward wall to dunnage pan located generator	\$735.00
3350-0074	Raceway 8" x 8" (round) for hydraulic hose routing from dunnage area to chassis	\$635.00
3350-0075	Remote actuation vlv for hyd tool reels. Includes TNT RV-ATT vlv and hyd supply lines run to front bumper. Vlv to be located low on back wall of center frt bumper tray with inlet lines running through back wall. Lines between RV-ATT vlv and reel to have quick connect fittings.	\$3,822.00
3350-0076	Hannay hydraulic hose reel for use with TNT brand tools. Includes rollers (captive type). Location: L2	\$1,576.00
3350-0077	Hydraulic hose reel for use with Amkus brand tools. Includes 150' 1/4" Parker Polyflex hose (up to 10,500 PSI) and rollers (captive type). Location: [#LOC]. Hose Color: [#COL].	\$5,543.00
3350-0078	Hydraulic reels to be mounted in aluminum tray with a cutout for roller assembly. A 1" lip around roller tray assembly to contain any fluids that may leak from hyd reel. Location [#LOC].	\$427.00
3350-0080	Captive roller assemblies for (1)cord reel and (2)hyd reels mounted thru bolt-on bracket. Includes mounting rewind switches adjacent to each roller for it respective reel on bracket. Locate in R1 compartment 11" in from door opening.	\$1,238.00

Option No.	Description	PRICE
3350-0081	Raceway for Air Lines from Driver and Officer Roof Top compartments to rearward L3 compartment for Dealer Supplied and Installed Air Fill System. Locate raceway in ceiling of L3, rearward and as far back as possible.	\$635.00
3350-0083	Hydraulic hose reel for use with Amkus brand tools. Includes rollers (captive type). Does not include hydraulic hose. Location: [#LOC].	\$2,334.00
3350-0084	16' Lead/Supply Line for high pressure hydraulic reel. To be used with 10,500 PSI hyd reels, lines are red and black in color. Compatible with Amkus tool brand. Locate on reel in [#LOC].	\$1,106.00
3350-0085	16' Lead/Supply Line for high pressure hydraulic reel. To be used with 10,500 PSI hyd reels, lines are yellow and black in color. Compatible with Amkus tool brand. Locate on reel in [#LOC].	\$1,106.00
3350-0086	Hydraulic hose reel with Nexus couplings with swivels for use with TNT brand tools. Includes 100' 3/8" hose (up to 10,500 PSI) and rollers (captive type). Location(s): [#LOC].	\$6,496.00
3350-0087	Low Pressure Breathing Air Hose Reel assembly with 175' low pressure air hose. Reel to include strap (Comet) brake to provide drag pressure to reel axle and a mini panel. Locate in [#LOC].	\$2,852.00
3350-0088	40' Lead/Supply Line for high pressure hydraulic reel. To be used with 10,500 PSI hyd reels. Locate: [#LOC].	\$1,781.00
3350-0089	CMW model 6011-W3-H1 dual reel, low pressure working air and hydraulic hose reel combo. Includes 100' of 300 PSI blue air hose and 100' of 10,500 PSI red/black hydraulic hose, compatible with Amkus tools. Located on ceiling of compartment B1 offset to officer side.	\$7,001.00
3350-0090	CMW model 6011 dual hydraulic hose reel for use with 10,500 PSI Amkus tools. Reel SHALL NOT be supplied with hose or ball stops. Located on ceiling of compartment B1 offset to driver side.	\$4,909.00
3350-0091	15' Lead/Supply Line for high pressure hydraulic reel. To be used with 10,500 PSI hyd reels. Locate on reel in [#LOC].	\$1,033.00
3350-0092	Hydraulic hose reel for use with Holmatro brand tools. Includes 60' of Core Technology hose installed (up to 10,000 PSI) and rollers (captive type). Location: [#LOC]. Hose Color: [#COL].	\$5,021.00
3350-0093	Holmatro bulkhead fitting on driver side front bumper (fitting comes with hinged cover). Includes Core Technology hose (up to 10,000 PSI). The hose shall run from R7 compartment to the driver side front bumper. The bulkhead fitting shall be mounted to an angled mounting bracket which is mounted to the top of the gravel shield. The mounting bracket shall enclose the lead lines feeding the rear of the bulkhead fitting as mounted on the angled bracket. The bracket shall be made of 1/8" aluminum diamond plate.	\$4,307.00
3350-0095	Remote actuation vlv for hyd tool reels. Includes TNT RV-ATT vlv and hyd supply lines run to front bumper. Vlv to be located low on back wall of center frt bumper tray with inlet lines running through back wall. Lines between RV-ATT vlv and reel to have quick connect fittings.	\$3,822.00
3350-0097	Hannay hydraulic hose reel for use with TNT brand tools. Includes blue twinline hose, blue lead in lines annd rollers (captive type). Location: L2	\$6,311.00
3350-0098	45' Lead/Supply Line for low pressure hydraulic reel. To be used with 5,000 PSI hyd reels. Locate [#LOC].	\$1,570.00
3350-0099	Hydraulic hose reel for use with Holmatro Core Technology tools. Reel model EF2220-17-18 w/ 80' of CORE hydraulic hose. Location: [#LOC]. Hose Color [#COL].	\$5,611.00
3350-0100	31' to 40' Core Technology Lead/Supply Line for high pressure hydraulic reel. To be used with 10,000 PSI hyd reels. Locate on reel in [#LOC].	\$1,850.00

Option No.	Description	PRICE
3350-0101	Up to 10' Core Technology Lead/Supply Line for high pressure hydraulic reel. To be used with 10,000 PSI hyd reels. Locate on reel in [#LOC].	\$1,256.00
3350-0102	Hydraulic reel rewind switch. Switch located [#LOC].	\$125.00
3350-0103	Up to 16' maximum length Lead/Supply Line for high pressure hydraulic reel(s) To be used with 10,500 PSI hyd reel(s), lines are to match the color of the reel(s). Compatible with Amkus tool brand. Hoses shall be custom length.	\$1,105.00
3350-0104	8' Lead/Supply Line for high pressure hydraulic reel. To be used with 10,500 PSI hyd reels. Locate on reel in [#LOC].	\$851.00
3350-0105	Low pressure utility air hose reel assembly with 250` low pressure air hose and mini panel shall be plumbed to the cascade system for low pressure utility air. Locate in [#LOC].	\$2,772.00
3350-0106	Air reel w/electric rewind 100' of .375" hose. Breathing Air to plumbed to the B/A cascade system for low pressure utility air. Includes 100' 3/8" low pressure air hose, rollers and ball stop (controls for reel included with breathing air system). Location: Roof top compartment above R4 rearward.	\$2,082.00
3350-0107	Air reel w/electric rewind 100' of .375" hose for low pressure utility air. Dealer is responsible for plumbing air reel to the cascade system. Includes 100' 3/8" low pressure air hose, rollers and ball stop. Location: L4 ceiling offset forward rearward of cord reel.	\$2,082.00
3350-0108	CMW model 6011 dual hydraulic hose reels for use with 5,000 PSI tools shall be provided and installed. Includes two (2) sets of 100' 1/4" twinline hose (up to 5,000 PSI), hose guides and ball stops. Includes (2) 30' lead/supply lines. Location: [#LOC]. Hose Color: [#COL].	\$12,796.00
3350-0109	A slide out and hinged roller assembly. Roller shall be Hannay Reels, 4 way roller 2.5" opening mounted on a slide out bracket attached up high on the side walls of compartment L3.	\$341.00
3350-0110	TNT Nexus connector on the tool end of hydraulic hose reel. This requires removing the Hannay twinline end connection tool couplers from existing hydraulic hose reel. Existing Hannay connectors shall be shipped loose with the vehicle upon delivery.	\$595.00
3350-0111	Bulk Head Fittings, including (2) 3' Pig Tails. Locate R3 back wall offset forward and 10" off compartment floor.	\$876.00
3350-0112	Low Pressure Breathing Air Hose Reel assembly with 175' low pressure air hose. Includes: Co-locating reel controls on cascade system control panel. Locate: R5, ceiling towards rear.	\$3,102.00
3350-0113	Low pressure utility air hose reel assembly with 250` low pressure air hose. Reel shall be plumbed to the cascade system for low pressure utility air. (controls for reel provided on air system panel). Locate: driver roof compartment (above L2 forward). Reel color: Black.	\$2,772.00
3350-0114	Hydraulic hose reel for use with TNT brand tools. Includes 100' 3/8" hose (up to 10,500 PSI), rollers (captive type), ball stop and a Nexus coupler at end of hose. Includes (2) 12' 3/8" lead in lines. Hose Color: Black/Black with Red shrink bands every 10' and matching colored bend restrictors at the fitting ends. Location: L2 upper right side ceiling area.	\$6,740.00
3350-0115	CMW model 6011 dual hydraulic hose reel for use with 10,500 PSI TNT tools shall be provided and installed. Includes two (2) sets of 100' 1/4" twinline hose (up to 10,500 PSI), hose guides and ball stops. Location: [#LOC]. Hose Color: [#COL].	\$10,248.00
3350-0116	Dual hydraulic reel rollers located in back wall of center front bumper tray.	\$529.00
3350-0117	Captive roller assemblies for (1)cord reel and (1) air reel mounted thru bolt-on bracket. Includes mounting rewind switches adjacent to each roller for it respective reel on bracket. Locate in [#LOC].	\$924.00
3350-0118	CMW model 6011 dual hydraulic hose reel for use with 10,000 PSI Genesis tools shall be provided and installed. Includes two (2) sets of 100' 1/4" twinline hose (up to 10,500 PSI), hose guides and ball stops. Location: [#LOC]. Hose Color: [#COL].	\$10,248.00
3350-0119	Akron utility air hose reel. Capacity for 200' 3/8" hose (hose not included) and reel mounted rollers (captive type). Loc: L3 forward.	\$1,280.00

Option No.	Description	PRICE
3350-0120	Remote dual actuation vlv for (2) hyd tool reels. Includes Genesis remote dual valve. Does not include lead lines.	\$4,526.00
3350-0121	30' Lead/Supply Line for high pressure hydraulic reel. To be used with 10,000 PSI hyd reels. Locate [#LOC].	\$1,336.00
3350-0122	Mounting to be provided for twin line hydraulic hose reel. Includes mounting only. Location: [#LOC].	\$515.00
3350-0123	Bulk Head Fittings, including (2) 5' Pig Tails. Locate R3 back wall offset forward and 10" off compartment floor.	\$1,082.00
3350-0124	Air reel w/electric rewind 100' of .375" hose. Breathing Air to plumbed to the B/A cascade system for low pressure utility air. Includes 100' 3/8" low pressure air hose, rollers and ball stop (controls for reel included with breathing air system). Location: Roof top compartment above R4 rearward.	\$2,082.00
3350-0125	Rollers, captive roller assemblies for (1) cord reel and (2) hyd reels mounted thru bolt-on bracket. Includes mounting rewind switches adjacent to each roller for the respective reel. Locate: L2.	\$1,238.00
3350-0126	Rollers, captive roller assemblies for (1) cord reel and (2) hyd reels mounted thru bolt-on bracket. Includes mounting rewind switches adjacent to each roller for the respective reel. Locate: R2.	\$1,238.00
3350-0127	Hydraulic hose reel for use with Genesis brand tools. Includes Genesis 100' 1/4" twinline hose with One Step coupler and rollers (captive type). Location: [#LOC]. Hose Color [#COL].	\$7,097.00
3350-0128	Captive roller assemblies mounted on slideout assembly. Includes mounting rewind switches adjacent to each roller for it respective reel on slideout assembly. Locate in [#LOC].	\$466.00
3350-0129	Bulk Head Fittings, including (2) 5' Pig Tails. Locate R3 back wall offset rearward and 10" off compartment floor.	\$1,082.00
3350-0130	CMW model 6011 dual hydraulic hose reel for use with 10,500 PSI Amkus tools shall be provided and installed. Includes two (2) sets of 100' 1/4" twinline hose (up to 10,500 PSI), hose guides and ball stops. Location: officer side front bumper. Hose Color: Reel #1: Yellow, Reel #2: Blue.	\$10,248.00
3350-0131	CMW model 6011 dual hydraulic hose reel for use with 10,500 PSI Genesis tools. Reel SHALL NOT be supplied with hose or ball stops. Located [#LOC].	\$4,909.00
3350-0132	Air Reel w/electric rewind. 12V with 100' .375" hose plumbed to the truck air system (unless otherwise specified). Location: [#LOC].	\$2,889.00
3350-0133	Lead-ins to use standard TNT couplers on the pump end and Nexus couplings on the reel end.	\$1,221.00
3350-0134	Hydraulic hose reel Hannay model EF2516-17-18 for use with TNT brand tools. Includes rollers (captive type). Does not include hydraulic hose. Location: [#LOC].	\$2,568.00
3350-0135	Remote actuation hydraulic valve for hydraulic tool utility (reel, outlet etc). Includes TNT RV-120 valve and hydraulic supply lines run from dealer supplied tool pump/power unit to RV120 valve and from RV-120 valve to hydraulic utility (reel, outlet etc). Lines between RV-120 valve and reel to have quick connect fittings. RV-120 valve location: Front Bumper.	\$2,023.00
3350-0136	The lead lines connecting the hydraulic tool outlet valve to the power unit shall have #6 FJIC connections on the power unit side and #6 MNPT connections on the valve side.	\$51.00
3350-0137	Air reel w/electric rewind 100' of .375" hose plumbed to the cascade system for low pressure utility air. Includes 100' 3/8" low pressure air hose, rollers and ball stop (controls for reel included with breathing air system). Location: [#LOC].	\$2,082.00
3350-0138	Upgrade hydraulic hose on a reel to Hurst brand yellow/grey with Streamline fitting (EA).	\$2,798.00
3350-0139	A slide out and hinged roller assembly. Roller shall be Hannay Reels, 4 way roller 2.5" opening mounted on a slide out bracket attached up high on the side walls of compartment L2.	\$341.00

Option No.	Description	PRICE
3350-0140	CMW model 6011 dual reel, electric cord and hydraulic hose reel combo. Includes 100' of 10/4 yellow cord and 100' of 5,000 PSI [#COL] (vendor supplied) hydraulic hose, compatible with Hurst tools. Location: [#LOC].	\$8,440.00
3350-0141	Rollers, captive for air reel mounted on reel.	\$373.00
3350-0142	CMW model 6011 dual reel, electric cord and hydraulic hose reel combo. Includes 100' of 10/3 black cord and 100' of 10,500 PSI [#COL] (vendor supplied) hydraulic hose, compatible with TNT tools. Location: [#LOC].	\$8,440.00
3350-0143	Hannay dual hydraulic hose reel model TEF2516-17-18 for use with Hurst 5,000psi hose. Painted graphite. Roller assemblies selected separately. Does not include hydraulic hose or lead in lines. Location: [#LOC].	\$3,317.00
3350-0144	CMW model 6022 dual hydraulic hose reel for use with 10,500 PSI Amkus tools shall be provided and installed. Includes two (2) sets of 200' 1/4" twinline hose (up to 10,500 PSI), hose guides and ball stops. Location: [#LOC]. Hose Color: [#COL].	\$11,255.00
3350-0145	CMW model 6011 dual hydraulic hose reel for use with 10,500 PSI Amkus tools shall be provided and installed. Includes two (2) sets of 100' 1/4" twinline hose (up to 10,500 PSI), hose guides and ball stops. Location: [#LOC]. Hose Color: [#COL].	\$10,248.00
3350-0146	CMW model 6011 dual hydraulic hose reel for use with 10,500 PSI tools. Reel SHALL NOT be supplied with hose or ball stops. Location: [#LOC]	\$4,909.00
3350-0147	Hannay dual hydraulic hose reel model TEF2516-17-18 for use with TNT 10,500 psi hose. Painted graphite. Roller assemblies selected separately. Does not include hydraulic hose or lead in lines. Location: [#LOC].	\$3,617.00
3350-0148	Hannay dual hydraulic hose reel model TEF2516-17-18 for use with 10,500psi hose. Painted graphite. Roller assemblies selected separately. Does not include hydraulic hose or lead in lines. Location: [#LOC].	\$3,617.00
3350-0149	Low Pressure Utility Air Hose Reel assembly with 175' 3/8 in. low pressure air hose and mini panel shall be plumbed to the CAF system for low pressure utility air. Locate in [#LOC].	\$2,628.00
3350-0150	Rollers, reel mounted on a support bracket, for (1) hydraulic reel.	\$373.00
3350-0151	Conduit flexible 1.5" for hydraulic lead line installation. Conduit routed from each bumper reel to behind L2 compartment.	\$630.00
3350-0152	Genesis One Step coupler with 100' of Genesis twin line hydraulic hose ipos (EA).	\$1,818.00
3365-0002	Recessed folding ladder storage compartment located [#LOC]. Compartment sized to store a 10' ladder with feet.	\$603.00
3365-0003	Overhead Zico storage rack to have a job color painted door.	\$248.00
3365-0004	(2) pike pole storage tubes. Locate inboard side of ladder rack with pike pole hooks stored in the up position.	\$474.00
3365-0005	Drop Down Fold-A-Tank Rack. Rack to hold [#LOC] gallon portable tank.	\$1,670.00
3365-0006	In place of standard diamond plate.	\$594.00
3365-0008	Overhead Zico storage rack to have a diamond plate door.	\$0.00
3365-0010	(3) pike pole storage tubes. Locate inboard side of rack with pike pole hooks stored in the up position.	\$710.00
3365-0011	Floor mounted roll-out tray. Includes 250lbs. tray capacity. Mount on [#LOC] floor.	\$711.00
3365-0012	Recessed folding ladder and pike pole storage compartment located [#LOC]. Compartment sized to store a 10' ladder with feet and (2) pike poles.	\$946.00
3365-0013	Center mounted ladder tunnel. Ladder rack to hold: [#LOC].	\$5,575.00
3365-0014	Dual ladder tunnel for HP75 / HP78 SideStacker. Ladder rack to hold: [#LOC].	\$5,575.00
3365-0015	Dual ladder tunnel for HP75 / HP78. Ladder rack to hold: [#LOC]	\$5,575.00
3365-0016	Box type enclosure for forward end of ladder tunnel. Required on center HB HP75 / HP78 with ladder tunnel doors.	\$474.00
3365-0018	Hold down brackets to secure a 2-section extension and roof ladder.	\$0.00

Option No.	Description	PRICE
3365-0019	Poly Horizontal Ladder Rack welded to the Top Deck	\$559.00
3365-0020	Zico electric drop-down ladder rack. Includes spacer brackets with ladder rack controller located on the officer side pump panel.	\$5,342.00
3365-0021	Manual Operated Aluminum Drop Down Ladder Rack. Includes (2) assist lift/lower handles and securing pins (accessible from ground) on each end. Ladder hold downs to secure (1) 2-section extension and (1) roof.	\$2,517.00
3365-0022	Hold down brackets to secure a 3-section extension and roof ladder.	\$0.00
3365-0023	Ladder storage through tank for (1) 2-section 24' extension, (1) 14' roof, (1) 10' attic with feet and (2) pike poles. Reduces selected water tank capacity by approximately 250 gallons for pumpers and 300 gallons for tankers.	\$3,039.00
3365-0024	Ladder storage thru tank for (1) 3-section 35' extension, (1) 14' roof, (1) 10' attic with feet and (2) pike poles. Reduces selected water tank capacity by approximately 250 gallons for pumpers and 300 gallons for tankers.	\$3,309.00
3365-0025	Attic ladder mounting brackets (PR). Locate [#LOC].	\$336.00
3365-0026	Zico pike pole mounting brackets (PR). Locate on top of Zico drop-down ladder rack.	\$180.00
3365-0027	Zico attic ladder mounting brackets (PR). Locate on top of Zico drop-down ladder rack.	\$381.00
3365-0028	Hard Suction Storage Rack. Driver side compartment top. Includes spring hold downs and scuff plates behind spring mounts (as applicable).	\$404.00
3365-0029	Hard suction storage box (pr). Stored (1) each side below "T" of tank. Includes hinged door with push-button latch.	\$595.00
3365-0030	Double Hard Suction Storage Rack for 10' hard suction hoses. Driver side compartment top. Includes spring hold downs with scuff plates (as applicable)	\$800.00
3365-0031	Hard Suction Storage Rack. Officer side in adjustable track above ladders (if applicable). Includes spring hold downs and scuff plates.	\$421.00
3365-0032	Hard Suction Storage Box. Stored below driver side "T" of tank. Includes hinged door with push-button latch.	\$299.00
3365-0033	Recessed pike pole storage compartment located [#LOC]. Compartment sized to store (2) pike poles.	\$488.00
3365-0034	(2) aluminum pike pole storage tubes. Locate [#LOC].	\$347.00
3365-0035	Hard Suction Storage Rack. Officer side compartment top. Includes spring hold downs and scuff plates behind spring mounts (as applicable).	\$404.00
3365-0036	Center mounted ladder tunnel. Ladder rack to hold: [#LOC]	\$5,575.00
3365-0037	Center mounted ladder tunnel. Ladder rack to hold: [#LOC].	\$5,575.00
3365-0038	Center mounted ladder tunnel. Ladder rack to hold: [#LOC]	\$5,575.00
3365-0039	Center mounted ladder tunnel. Ladder rack to hold: [#LOC]	\$5,575.00
3365-0040	SCBA/Fire Extinguisher storage rack. Locate in [#LOC]. To hold (6) bottles- (2) wide/(3)high. Bottles to be stored angled upward in the compartment. The bottom and sides are to include ribbed rubber inserts.	\$547.00
3365-0041	Hard suction storage box. Located in the officer side hose bed. Includes drop down door (wired to door ajar) w/push-button latch(es), hose bed style top and nylatron flooring (no divider). Box to hold [#LOC] tube(s).	\$1,713.00
3365-0043	Triple Hard Suction Storage Rack. Driver side compartment top. Includes spring hold downs and scuff plates behind spring mounts (as applicable).	\$1,198.00
3365-0046	The driver side full length tunnel to store (2) 6" x 10' hardsuction hoses. Each to be stored individually and accessed by a vertically hinged diamond plate door with a push-button latch. Door to wired to the door ajar indicator in the cab.	\$613.00

Option No.	Description	PRICE
3365-0047	The driver side half length tunnel to store (3) backboards. Each to be stored individually with stop bracket 75" back from opening, composite material on floor and accessed by a vertically hinged door at rear with a push-button latch. Door to wired to the door ajar indicator in the cab.	\$658.00
3365-0048	Hard Suction Storage Box. Stored below officer side "T" of tank. Includes hinged door with push-button latch.	\$299.00
3365-0049	Brand of ladders capable of being carried on unit to be Alco-Lite.	\$0.00
3365-0050	Brand of ladders capable of being carried on unit to be Duo-Safety.	\$0.00
3365-0051	Portable Tank Storage Box. Located in the officer side hosebed. Includes drop down door (wired to door ajar) w/push-button latches, hosebed style top and nylatron flooring (no divider). Box to hold [#LOC] gallon portable tank.	\$1,713.00
3365-0052	Over the hosebed ladder rack. Includes framing (with a sanded finish) and mounting points. Ladder storage box to be center mounted with diamond plate front box.	\$2,147.00
3365-0053	Tunnel Hosebed Driver Ladders/Pike Poles	\$2,506.00
3365-0054	Officer side ladder storage tunnel. Includes area for a vertically stored 24' 2-section', 14' roof and 10' attic with feet and storage box. Lower area raised for rear intake.	\$1,246.00
3365-0056	Ladder storage thru tank for (2) 6" x 10' hardsuction hoses, (2) pike poles and (1) 10' attic ladder. Provide retaining straps to hold the hardsuctions stationary when stored. Reduces selected water tank capacity by approximately 250 gallons.	\$3,410.00
3365-0057	The driver side full length tunnel to store (3) 6" x 10' hardsuction hoses. Each to be stored individually and accessed by a vertically hinged access door with a push-button latch. Door to wired to the door ajar indicator in the cab.	\$919.00
3365-0058	Recessed pike pole storage compartment located [#LOC]. Compartment sized to store (3) pike poles.	\$729.00
3365-0059	SCBA/Fire Extinguisher storage rack. Locate in [#LOC]. To hold (4) bottles- (2) wide/(2)high. Bottles to be stored angled upward in the compartment. The bottom and sides are to include ribbed rubber inserts.	\$367.00
3365-0061	Hard Suction Storage Racks. Driver side hose bed side with adjustable tracks. Includes spring hold downs and scuff plates behind spring mounts (as applicable).	\$927.00
3365-0062	Hard Suction Storage Box. Stored below driver side "T" of tank. Includes DP hinged door with push-button latch.	\$779.00
3365-0063	Hard Suction Storage Box. Stored below officer side "T" of tank. Includes DP hinged door with push-button latch.	\$779.00
3365-0065	(4) Hard Suction Storage Racks. Driver side hosebed side with adjustable tracks. Includes spring hold downs and scuff plates behind spring mounts (as applicable)	\$1,468.00
3365-0066	The driver side half length tunnel to store (1) stokes basket and (2) backboards. Each to be stored individually and accessed by a vertically hinged diamond plate door with a push-button latch. Door to wired to the door ajar indicator in the cab.	\$658.00
3365-0067	8' and 10' pike pole located in ladder tunnel.	\$0.00
3365-0068	10' attic ladder located in ladder tunnel.	\$0.00
3365-0069	Officer side hosebed storage box to store a 24' two section and 14' roof (nested). Access thru brushed stainless steel drop down door. Door to be secured with D-ring latch. Upper area of storage to be for storage of LDH hose. Ladders will extend into pump module storage pan. Provide box/ ladder stop in pump module pan.	\$2,790.00
3365-0070	Recessed folding ladder and pike pole storage compartment located below officer side "T" of the tank. Compartment sized to store a 10' ladder with feet and (2) pike poles.	\$1,415.00
3365-0071	Ladder storage thru tank for (1) 2-section 24' extension, (1) 14' roof, (1) 10' attic with feet and (2) pike poles, (1) 10' with d-handle and (1) 6' with d-handle. Reduces selected water tank capacity by approximately 250 gallons.	\$3,341.00

Option No.	Description	PRICE
3365-0072	Door aluminum smooth plate with d-ring latch for thru the tank ladder tunnel. Location: B1 compartment.	\$1,231.00
3365-0073	(4) 6' pike pole storage tubes in the rear transverse compartment ceiling mounted. Locate for compartment L3 access with pike pole hooks stored in the down position. (1) pike pole caution tags to be provided, one each side mounted inside the compartment at the offset.	\$1,135.00
3365-0074	SCBA/Fire Extinguisher storage rack. Locate in [#LOC]. To hold (6) bottles- (3) wide/(2)high. Bottles to be stored angled upward in the compartment. The bottom and sides are to include ribbed rubber inserts.	\$547.00
3365-0075	Officer side vertical storage tunnel. For use with low hose bed. Tunnel to hold: [#LOC]. Includes vertical hinged rear diamond plate door(s) with push-button latch.	\$2,155.00
3365-0076	Center mounted ladder tunnel for HP100 and HPS100 Platforms. Note: 1" aerial raise required with 30' and larger 3-section ladder in tunnel. Rack to hold: [#LOC].	\$5,575.00
3365-0077	(2) pike pole storage tubes. Locate outboard side of rack with pike pole hooks stored in the up position.	\$474.00
3365-0078	(3) pike pole storage tubes. Locate outboard side of rack with pike pole hooks stored in the up position.	\$710.00
3365-0079	2-arm ladder rack on officer side. The ladder rack includes amber lights on each end to visually indicate when the rack is in motion. Restricts the top folding step (if optioned) from closing completely. Includes mounting bracket (if required, matching rear compartment face or compartment wrap finish) for components mounted on rear compartment face.	\$12,370.00
3365-0080	2-Arm Ladder Rack to have a sanded finish.	\$0.00
3365-0081	2-Arm Ladder Rack to be painted job color.	\$3,189.00
3365-0082	Hydraulic Power Supply for E-ONE 2-Arm Ladder Rack. Location: [#LOC].	\$0.00
3365-0083	Zico pike pole mounting brackets (PR). Locate [#LOC].	\$180.00
3365-0084	Vertical ladder brackets (3) with adjustable tracks. Locate on officer's side of body to hold PEL-28, PRL-14, and CJL-14 ladders.	\$1,087.00
3365-0085	Zico pike pole mounting brackets with straps (PR). Locate [#LOC].	\$198.00
3365-0086	Pike pole(s) capable of being stored are to be the following length: [#LOC].	\$0.00
3365-0087	The length of ladders capable of being stored shall be the following: [#LOC].	\$0.00
3365-0088	Double hard suction hose storage tray. Locate on inboard side of overhead ladder rack. Includes (2) securing straps per tray.	\$883.00
3365-0089	Hardsuction Storage Box. Located in the driver side hosebed. Includes vertically hinged door (wired to door ajar) w/push-button latch and composite flooring. Box to hold (1) tubes.	\$861.00
3365-0090	Officer side half length vertical storage tunnel. For use with low hosebed. Tunnel to hold: (2) backboards, (1) AEL 12' 2-section ladder, (1) 4' D-handled pike pole, (1) 8' pike pole and (1) 6' pike pole. Includes vertically hinged rear diamond plate door with push-button latch. Pike poles to be located down low in tunnel with backboards and ladder located above.	\$1,620.00
3365-0091	Recessed folding ladder storage compartment located officer side just below hosebed. Compartment sized to store a 10' ladder with feet.	\$720.00
3365-0092	(2) pike pole storage tubes. Locate in driver side roof top compartment with pike pole hooks stored in the up position.	\$474.00
3365-0093	Hard Suction Storage Box to be capable of storing one (1) 6" x 10` hard suction hose. Includes a rear smooth plate access door with push button latch. Door to be wired to door ajar indicator in cab. Located just below hosebed to [#LOC].	\$595.00
3365-0094	Storage tunnel access (contents to be noted). Includes vertically hinged door (to match material of pump access door) with push-button latch(s) and wired to door ajar indicator. Door to [#LOC] of the body/water tank.	\$331.00

Option No.	Description	PRICE
3365-0095	Rear mount beside tank storage tunnel contents. Includes brackets capable of securing (1) two section, (1) roof, (1) 10' attic with feet and (2) pike pole tubes.	\$2,750.00
3365-0096	Zico Hydraulic Drop Down Ladder Rack. Includes diamond plate spacer brackets with ladder rack controller located on the officer side pump panel.	\$6,975.00
3365-0097	12' Hard suction hose storage tray. Locate on inboard side of overhead ladder rack. Includes (2) securing straps.	\$553.00
3365-0098	12' Hard Suction Storage Rack. Driver side compartment top. Includes spring hold downs and scuff plates behind spring mounts (as applicable)	\$604.00
3365-0099	SCBA/Fire Extinguisher storage rack. Locate in R1 mounted to lower ceiling below compartment offset. To hold (4) bottles to be stored angled upward in the compartment. The bottom and sides are to include ribbed rubber inserts. Each storage slot to be 11" wide x 11" high.	\$1,895.00
3365-0100	Hard Suction Storage Rack. Officer side compartment top. Includes spring hold downs and scuff plates behind spring mounts (as applicable). Rack to hold 5' hard suction.	\$277.00
3365-0101	Officer side vertical storage tunnel. For use with low hosebed. Lower section of tunnel to hold: 2-Section 24', 14' roof, 10' attic and (2) pike poles. Upper section of tunnel to hold: 2-Section AEL-10 attic ladder and (1) 300' of 1.75" DJ hose. Upper section includes ladder stop 90" back from opening and bolt-in divider between ladder and hose storages. Includes vertically hinged rear diamond plate door(s) with push-button latch(es). The diamond compartment top of tunnel to be hinged for access to dry lay of hose.	\$3,428.00
3365-0102	SCBA/Fire Extinguisher storage rack. Locate in [#LOC]. To hold (4) bottles- (4)wide/(1)high. Bottles to be stored angled upward in the compartment. The bottom and sides are to include ribbed rubber inserts.	\$367.00
3365-0103	SCBA/Fire Extinguisher storage rack. Locate in [#LOC]. To hold (6) bottles- (6)wide/(1)high. Bottles to be stored angled upward in the compartment. The bottom and sides are to include ribbed rubber inserts.	\$547.00
3365-0104	Double hard suction hose storage tray. Locate (1) each side on inboard side of overhead ladder rack(s). Includes (2) securing straps per tray. For use with 13' hard suction hoses.	\$2,422.00
3365-0106	Pike pole pin. Pin to prevent pike poles form vibrating out of stored position.	\$158.00
3365-0107	SCBA/Fire Extinguisher storage rack. Locate in [#LOC]. To hold (12) bottles- (4) wide/(3)high. Bottles to be stored angled upward in the compartment. The bottom and sides are to include ribbed rubber inserts.	\$1,091.00
3365-0108	10' folding ladder with feet. Locate in officer side roof top compartment.	\$720.00
3365-0109	(4) pike pole storage tubes. Locate inboard side of rack with pike pole hooks stored in the up position.	\$943.00
3365-0110	Recessed pike pole storage compartment located below officer side "T" of the tank. Compartment sized to store (3) pike poles.	\$729.00
3365-0111	Hard suction hose storage tray. Locate on [#LOC]. Includes (2) securing straps. For use with 13' hard suction hoses.	\$1,063.00
3365-0112	Over the hosebed ladder rack. Includes framing (with a sanded finish) and mounting points. Ladder storage box to be adjustable side to side with diamond plate front box. The ladder storage rack to have locking points of driver side outboard, center and officer side outboard. The framework of the ladder rack to be 9.5" high.	\$3,319.00
3365-0113	Pike Pole Mounting Tube locate in catwalk on walkway wall on Officer's side.	\$238.00
3365-0114	Recessed pike pole storage compartment located [#LOC]. Compartment sized to store (3) pike poles. Pike pole box to be 7" deep.	\$1,327.00
3365-0115	Ladder storage thru tank for (1) 2-section 24' extension, (1) 14' roof, (1) 10' attic with feet and (3) pike poles. Reduces selected water tank capacity by approximately 250 gallons.	\$3,107.00

Option No.	Description	PRICE
3365-0116	Ladder tunnel to extend to rear of body (over pump/plumbing). Extension to be aluminum and bolt-on for removal for pump maintenance.	\$897.00
3365-0117	Storage rack (4) 8" x 64" aluminum tubes. Locate ceiling mtd in L1/R1 transverse compartment centered side to side offset to front.	\$1,204.00
3365-0118	(3) pike pole storage tubes. Locate [#LOC].	\$520.00
3365-0119	Horizontal ladder brackets right side of body in recessed storage area above half side compartments. Brackets to hold from top to bottom: [#LOC].	\$2,285.00
3365-0120	SCBA/Fire Extinguisher storage rack. Locate in [#LOC]. To hold (12) bottles- (6) wide/(2)high. Bottles to be stored angled upward in the compartment. The bottom and sides are to include ribbed rubber inserts.	\$1,091.00
3365-0121	Hosebed storage box for (1) scoop stretcher, (3)backboards and (4) pike poles. Scoop stretcher located in lower area of storage with stop located 67" back, backboards located in middle area with stop 74" back, and pike poles located in upper area for (2) 6' and (2) 8' pike poles. Includes vertically hinged door (wired to door ajar) with push-button latches. Located on officer side of hosebed.	\$1,713.00
3365-0122	Officer side vertical storage tunnel. For use with low hosebed. Tunnel to hold: 2-Section 24', 14' roof, 10' attic and (2) pike poles. Upper storage area to have hinged diamond plate top for storage of misc. items. Includes vertically hinged rear diamond plate door(s) with D-ring latch.	\$3,328.00
3365-0123	Brand of ladders capable of being carried on unit to be Alaco.	\$0.00
3365-0124	Recessed pike pole storage compartment located below officer side compartment top. Compartment sized to store (2) pike poles. Recessed box to be 10" high for Boston Roof Hooks.	\$1,106.00
3365-0125	Officer side vertical storage tunnel. For use with low hosebed. Tunnel to hold: 2-Section 24', 14' roof, 10' attic, (6) pike poles and (2) 6" x 10' hard suction hoses (individually vertically stacked). (2) pike poles will be in ladder tunnel and (2) in each hard suction storage. Includes vertically hinged rear diamond plate door(s) with push-button latch.	\$3,055.00
3365-0126	Pike pole tube(s) on overhead ladder rack to be mounted flush with rear of body.	\$351.00
3365-0127	Storage box in ladder tunnel for tripod 10 wide x 10 high x 106 long.	\$1,082.00
3365-0128	Pike pole storage tube (1) One. Locate [#LOC].	\$175.00
3365-0129	Officer side half length vertical storage tunnel. For use with low hosebed. Tunnel to hold: (2) backboards, (1) 4' D-handled pike pole, (1) 8' pike pole and (1) 6' pike pole. Make box for 4' D-handle pike pole 56" long. Includes vertically hinged rear diamond plate door with push-button latch. Pike poles to be located down low in tunnel with backboards located above.	\$1,620.00
3365-0131	Stokes basket storage rack approx 9"H x 25"W x 86"L with open ends. Includes nylon strap on each end to retain stokes. Also includes (6) pike pole tubes equally spaced below stokes rack. Position retaining slots so they alternate facing the left and right sides (first pole left, second pole right. etc). Locate ceiling mtd in L2/R2 transverse.	\$1,112.00
3365-0132	Fire extinguisher storage rack to hold (3) extinguishers in a single horz row. Bottom and sides to include ribbed rubber inserts. Each opening to have a vertically mounted strap. Locate floor mtd in [#LOC].	\$717.00
3365-0133	Hold down brackets to secure a (2) 2-section extension ladders and (1) roof ladder.	\$0.00
3365-0134	Double Hard Suction Storage Rack. Driver side compartment top. Includes spring hold downs with scuff plates (as applicable). For use with 11' hard suction hoses.	\$1,419.00
3365-0135	Stop bracket set for Zico HLAS ladder rack. Optional bracket for additional ladder rack stability in the up position.	\$234.00

Option No.	Description	PRICE
3365-0136	P-Rubber in flex joint(s) between the ladder tunnel sections of the pump module and/or body modules.	\$0.00
3365-0137	Pike pole. Locate (1) pike pole on officer side compartment top with pike pole hook stored in the up position. Mount with tulip clip(s) for use with D-handle pike pole.	\$102.00
3365-0138	SCBA/Fire Extinguisher storage rack. Locate in [#LOC]. To hold (9) bottles- (3) wide/(3)high. Bottles to be stored angled upward in the compartment. The bottom and sides are to include ribbed rubber inserts.	\$821.00
3365-0140	Stokes Basket Storage Box. Located in the officer side hosebed. Includes Nylon black strap, hosebed style top and nylatron flooring (no divider). Box to hold (1) Junkin JSA-200 stokes basket. Includes stop located 86" back from opening. Vinyl hosebed cover to extend down over this storage.	\$2,258.00
3365-0141	Nylon black strap with clip release for use with storage tunnel thru the tank.	\$0.00
3365-0142	Officer side hosebed storage box to store a (1) 26' 3-section, (1) 12' roof, (1) 10' attic ladder and (3) pike poles. Includes vertically hinged rear diamond plate door with push-button latches.	\$3,058.00
3365-0143	Hard Suction Storage Rack. Locate: [#LOC]. Includes (1) spring hold down and scuff plates behind spring mount (as applicable). Includes diamond plate box with air deflector to hold end of hose in place.	\$806.00
3365-0144	Horizontal ladder brackets left side of body in recessed storage area above half side compartments. Brackets to hold from top to bottom: [#LOC].	\$2,285.00
3365-0145	Nylon scuff pads for vert uprights of rear ladder rack. Approx 1/16 thick self-stick material located on each side of extension ladders.	\$120.00
3365-0146	Pike pole storage tube aluminum 16' with capped end. Locate in ladder tunnel.	\$238.00
3365-0147	Backboard and Little Giant storage rack. Backboard sleeve approx 4"H x 20"W x 70"L with open ends located in trans compt over pump ceiling mtd offset to frt. Little Giant sleeve for a Model 17 approx 7"H x 25.5" W x 56" L open on left side only and located below backboard sleeve.	\$1,206.00
3365-0148	Backboard Storage Box. Located in the driver side hosebed. Includes drop down door (wired to door ajar) w/push-button latch, hosebed style top and composite flooring. Box to hold (1) backboard. Includes stop bracket approximately 74" back from opening. Includes short hosebed divider located on top of storage area.	\$1,945.00
3365-0149	Storage tunnel capable of holding: [#LOC].	\$0.00
3365-0150	Manually operated drop down rack on officer body. Secures portable folding tank with capacity of main tank on body.	\$0.00
3365-0152	Diamond plate portable folding tank cover. For use with 2000 tank and Zico drop down rack.	\$748.00
3365-0153	Diamond plate portable folding tank cover. For use with 2500 tank and Zico drop down rack.	\$748.00
3365-0154	(2) Zico quic-mount brackets (1 brackets supports 2 poles) with rubber pull-over hold-downs. Locate in driver side compartment top storage outboard. Position for use with (2) 6' pike poles.	\$204.00
3365-0157	Diamond plate portable folding tank cover. For use with 3000 tank and Zico drop down rack.	\$748.00
3365-0158	Diamond plate portable folding tank cover. For use with 3500 tank and Zico drop down rack.	\$748.00
3365-0159	Diamond plate portable folding tank cover. For use with 4000 tank and Zico drop down rack.	\$748.00
3365-0160	Manually operated drop down rack on driver body. Secures portable folding tank with capacity of main tank on body.	\$876.00

Option No.	Description	PRICE
3365-0162	Hard suction racks (one each side) with job color painted box ends (rearward of body only). Racks to be positioned on compartment top so forward coupling end rest flush with end of forward compartment top. Each rack to have (1) spring hold down located as far forward as possible (no hold down at rear). Racks to include extension so rear coupling rest on the rack in the stowed position. Rearward box to be smooth plate and designed to fit around the rack extension. Size box to be 10"x 10"x 10".	\$2,108.00
3365-0163	Hard Suction Storage Box Vert. Located in the [#LOC] hose bed. Includes vertical hinged door (wired to door ajar) w/push-button latches and nylatron flooring. Box to hold (2) 10' hard suction hoses vertical stacked.	\$1,713.00
3365-0164	Backboard Storage Box. Located in the officer side hosebed. Includes drop down door (wired to door ajar) w/push-button latch, hosebed style top and composite flooring. Box to hold (1) backboard. Includes stop bracket approximately 74" back from opening. Includes 45 degree angle plate at rear of the backboard storage.	\$1,945.00
3365-0165	Double hard suction storage rack. One (1) rack located above the other. Officer side compartment top. Includes spring hold downs with scuff plates (as applicable).	\$800.00
3365-0166	Rear Mount storage tunnel contents. Includes brackets for storing: [#LOC].	\$1,600.00
3365-0167	Dual ladder tunnel for HP75 / HP78 SideStacker with tall R1 compartment. Ladder rack to hold: [#LOC].	\$5,575.00
3365-0168	Pike pole tube secondary retaining pin(s) with cable. Locate on end of pike pole tube(s).	\$0.00
3365-0169	Triple hardsuction storage with NFPA compliant restraints. Locate driver side of tank with fixed mounted brackets. Trays to formed diamond plate (diamonds out) and sized to hold 6" x 15' hardsuction hose.	\$1,554.00
3365-0170	Dual hardsuction storage with NFPA compliant restraints. Locate (1) driver side of tank (above PFT rack) with fixed mounted brackets and (1) officer side of tank (above PFT rack) with fixed mounted brackets. Trays to formed diamond plate (diamonds out) and sized to hold 6" x 15' hardsuction hose.	\$0.00
3365-0171	The overhead ladder rack is to be positioned to provide a max overall height of 9'-8".	\$0.00
3365-0172	Storage tunnel. Contents to be noted. Access to contents to be pump/ladder tunnel access door. Tunnel to be on [#LOC] of the body/water tank.	\$0.00
3365-0173	Hard Suction Storage Box. Stored below officer side just below the hosebed. Includes hinged door with push-button latch.	\$640.00
3365-0174	Hold down brackets to secure a (3) section extension, (2) section extension and roof ladder. Requires additional ladder bracket height due to 6 sections of ladders.	\$692.00
3365-0175	Backboard Storage Box. Located in the officer side hose bed. Includes vertical hinged door (wired to door ajar) w/push-button latch, hose bed style top if applicable to hose bed depth or smoothplate aluminum if no hose shall be stored above and composite flooring. Box to hold (2) backboards.	\$1,945.00
3365-0176	Hosebed Storage Box. Located in the officer side hosebed. Includes drop down door (wired to door ajar) w/push-button latch(es), hosebed style top and nylatron flooring (no divider). Box to hold (1) stokes basket and (3) backboards. Includes stop bracket approximately 88" back from opening. Stokes basket 86" long x 24" wide x 8" high, backboards will stow inside stokes basket.	\$1,945.00
3365-0177	Hold down brackets to secure a (3) section extension ladder.	\$205.00
3365-0178	Storage box for (1) 8' Dry Wall pike pole. Located in officer side roof top compartment.	\$326.00
3365-0179	Officer side vertical storage tunnel behind reduced upper depth right side compartments. Tunnel to hold: 24' 2-section and 14' roof, plus (2) pike poles and a folding ladder. Includes vertically hinged rear smooth plate door with bent D-ring latch.	\$2,155.00

Option No.	Description	PRICE
3365-0180	Backboard storage box located in the driver side of hosebed 9.75" off hosebed side wall. Storage to be 22" wide x 5" high. Includes drop down door (wired to door ajar) w/push-button latch, hosebed style top and composite flooring. Box to hold (2) backboards. Includes stop bracket approximately 74" back from opening. Includes 45 degree angle plate at rear of the backboard storage.	\$1,945.00
3365-0181	Stop bracket to be located approximately 50" back in upper section of driver side of storage tunnel above the hard suction hoses.	\$136.00
3365-0182	Pike Pole Mounting Tube locate in catwalk on walkway wall on Driver's side.	\$238.00
3365-0183	Hard suction storage rack. Locate [#LOC]. Includes NFPA retaining strap(s).	\$283.00
3365-0184	Zico hydraulic drop down portable tank rack. Rack located to [#LOC] of body. Rack sized for [#COL] gallon aluminum frame portable tank. The control switching to be located on the side pump panel with the rack being in full view of the operator during operations.	\$5,825.00
3365-0185	Zico overhead ladder rack. Includes electrical relay with cover in compartment adjacent to the storage rack. Locate rack to [#LOC] of body. The control switching to be located at the pump module area with the rack being in full view of the operator during operations.	\$6,988.00
3365-0186	Zico overhead portable tank rack. Includes electrical relay with cover in compartment adjacent to the storage rack. Locate rack to [#LOC] of body. Rack sized for [#COL] gallon aluminum frame portable tank.	\$6,988.00
3365-0187	Zico drop down rack to have diamond plate cover between outboard rack assemblies.	\$679.00
3365-0188	Zico drop down rack to have smooth plate cover between outboard rack assemblies. Cover to be painted job color.	\$828.00
3365-0189	Manual drop-down portable tank storage rack. Includes forward and rearward securing clamps with manual releases. Locate rack to [#LOC] of body. Rack sized for steel framed [#COL] portable tank.	\$1,987.00
3365-0190	Manual drop down rack to have diamond plate cover over the forward, rearward, upper and outboard sides. Includes hand rails along the outboard front and rear and (1) on each end mounted on the upper area.	\$654.00
3365-0191	Manual drop down rack to have smooth plate cover over the forward, rearward, upper and outboard sides. Includes handrails along the outboard front and rear and (1) on each end mounted on the upper area. Cover to be painted job color.	\$957.00
3365-0192	Internal aluminum frame portable tank storage with vertically hinged smooth plate door painted job color (wired to door ajar) with D-ring latch. Access door to be located to the rear of the [#LOC] body. Included is a composite material floor overlay and a tank stop for use with a [#COL] aluminum frame portable storage tank.	\$793.00
3365-0193	Portable storage tank thru water tank. To be capable of storing a [#COL] aluminum frame portable storage tank. Storage thru tank will reduce overall gallon capacity of water tank.	\$2,349.00
3365-0194	Double hard suction storage rack. Locate [#LOC]. Includes NFPA retaining strap(s).	\$599.00
3365-0195	Hard suction hose storage tray. Locate on inboard side of [#LOC] overhead storage rack. Includes (2) NFPA retaining straps.	\$445.00
3365-0196	Ladder storage in hosebed for the following: (1) 2-section extension, (1) roof ladder, (1) attic and (2) pike poles. Extension and roof ladders stored nested. Includes (1) hosebed divider with squared off upper rear, vertically hinged (to swing into hosebed area) door with latch (wired to door ajar indicator) and composite material overlay on hosebed flooring. Upper area open and main hosebed cover to be used to cover top area of ladder storage area. Storage located to [#LOC] of hosebed.	\$1,198.00
3365-0197	Portable storage tank in hosebed for the following: [#COL] gallon aluminum frame tank. Includes (1) hosebed divider with squared off upper rear, vertically hinged (to swing into hosebed area) door with latch (wired to door ajar indicator) and composite material overlay on hosebed flooring. Upper area open and main hosebed cover to be used to cover top area of storage area. Storage located to [#LOC] of hosebed.	\$1,198.00

Option No.	Description	PRICE
3365-0198	Storage box for (1) 10' length of hard suction hose. Includes vertically hinged door with latch (wired to door ajar indicator). Reduces selected water tank capacity by approximately 100 gallons on Tankers. Locate to [#LOC] below "T" of water tank.	\$675.00
3365-0199	Zico electric drop-down ladder rack. Rack located to [#LOC] of body. The control switching to be located on the side pump panel with the rack being in full view of the operator during operations.	\$5,825.00
3365-0200	Pike pole tube secondary retaining pin(s) with cable. Locate on end of pike pole tube(s).	\$0.00
3365-0201	Manual operated drop down rack on driver. To secure a 2500 portable folding tank IPO capacity of main tank on body. Includes rearward mounted tank stop (2500 gallon portable tank to stored offset forward in rack).	\$1,221.00
3365-0202	Hard Suction Storage Rack. Driver side in adjustable track above ladders. Includes spring hold downs and scuff plates.	\$421.00
3365-0203	Zico electric drop-down hard suction rack. Rack located to [#LOC] of body. The control switching to be located on the side pump panel with the rack being in full view of the operator during operations. The rack includes (2) main rack mounted 10' trays.	\$5,825.00
3365-0204	Zico electric drop down ladder rack on officer body.	\$5,342.00
3365-0205	Driver side hardsuction storage racks for (2) 18' hardsuction hoses. Each rack to be mounted to tank ribs and includes NFPA retaining straps.	\$1,177.00
3365-0206	Storage tunnel capable of holding: (1) 2-Section, (1) Roof, (1) Attic, (2) pike poles, (1) backboard storage sleeve between 2-section and roof ladder and (1) 8' block storage with stop above 2-section ladder in Officer Side Storage Tunnel. Includes ladder tunnel door to hinge to officer side of truck.	\$807.00
3365-0207	Diamond plate box for storage of (3) 10' hard suction hoses (hoses not included). Box to be mounted off driver side of tank (tank rib mounts) and is to include rear access door with push-button latch. Door to be wired to door ajar indicator.	\$2,091.00
3365-0208	Horizontal ladder bracket. Location and type of ladder: in officer side of hosebed storage pan to hold Little Giant model 17.	\$280.00
3365-0209	Officer side vertical storage tunnel. For use with low hosebed. Tunnel to hold: 2-Section 24', 14' roof, 10' attic and (2) pike poles. Includes vertically hinged rear diamond plate door with push-button latch. Upper storage area to have an open top and run full length of the body. Upper area to have hosebed style flooring.	\$3,306.00
3365-0212	(2) pike pole tubes with retaining pins. Locate driver side mounted to tank ribs. Tubes are for use with up to (2) 10' poles.	\$294.00
3365-0213	Manual operated drop down rack (PR) located (1) each side of body. Each capable of securing a 4000 gallon portable folding tank. Includes diamond plate cover along ends, top and outward side with (2) 20" handrails mounted along the forward and rearward ends and (2) 12" handrails mounted along the top towards the ends of the cover.	\$2,649.00
3365-0214	Hard suction storage thru tank for (2) 5" x 15' hard suction hoses. Includes vertical hinged door wired to door ajar with push button latch. Reduces selected water tank capacity by approximately 200 gallons.	\$3,039.00
3365-0215	Double Hard Suction Storage Rack to store 6"x 6' hard suction hoses. (1) set Driver side compartment top offset forward and (1) set matching on Officer side atop diamond plate hosebed cover. Includes spring hold downs with scuff plates (as applicable).	\$713.00
3365-0217	Officer side vertical storage tunnel. For use with low hosebed. Tunnel to hold: 3-Section 35', 14' roof, 10' attic and (3) pike poles. Pike poles to be stored in upper storage area. Includes vertically hinged rear diamond plate door(s) with push-button latch.	\$2,155.00
3365-0218	Recessed D-handle pike pole storage compartment located below officer side compartment top. Compartment sized to store (2) 6' D-handle pike poles.	\$729.00
3365-0219	Diamond plate storage compartment located on officer side compartment top. Compartment sized to store (1) 10' ladder with feet and (2) 6' D-handle pike poles.	\$729.00

Option No.	Description	PRICE
3365-0220	Storage box for (1) 6" x 10' hard suction hose. Includes vertically hinged swing-out door with push-button latch (wired to door ajar). Box to be smooth plate and painted job color. Located [#LOC].	\$581.00
3365-0221	Driver side vertical storage tunnel. For use with low hosebed. Tunnel to hold: 2-Section 24', 14' roof, 10' attic and (2) pike poles. Includes vertically hinged rear diamond plate door(s) with push-button latch.	\$2,155.00
3365-0222	Upper hosebed storage area above driver side compartments and officer side ladder/storage tunnel or compartments as applicable. Upper storage areas to have an open top and run length of the hosebed area. Includes hosebed style flooring.	\$2,099.00
3365-0223	Hard Suction Storage Rack. Officer side on compartment top. Rack to be 118" in length and be held back 9" from the front of the compartment top. Includes spring hold downs and scuff plates.	\$421.00
3365-0224	Double hardsuction storage with NFPA compliant restraints. Locate driver side of tank with fixed mounted brackets. Trays to formed diamond plate (diamonds out) and sized to hold (1) 6" x 16' and (1) 6" x 18' hardsuction hose.	\$1,037.00
3365-0225	Hardsuction rack(s) mounted on the compartment top to be mounted with the rearward edge of the rack flush with the rear compartment top.	\$0.00
3365-0226	Hosebed ladder storage box with diamond plate top. Located centered in hosebed and to secure from driver to officer: (1) 10' attic w/feet (in a box) w/(2) 10' pike pole tubes mounted on top, (1) PRL-12 & (1) PEL3-24. Ladders to be stored on beam. Included are (2) hosebed dividers with squared ends, diamond plate top and a vertically hinged diamond plate door (hinged to officer side) wired to the door ajar indicator.	\$1,425.00
3365-0228	Hosebed ladder tunnel to have diamond plate top cover.	\$0.00
3365-0229	Hosebed Storage Box. Located in the officer side hosebed between aluminum hosebed cover center divider and officer side hosebed wall (Approx 34.875" W X 12" interior height). Includes drop down door (wired to door ajar) w/push-button latches, hosebed style top, composite flooring, (1) vertical divider full depth of hosebed held 12" short of rear - located 5" off center divider to hold (3) 10' pike pole tubes. (1) horizontal divider full depth of hosebed and approx 29.625" wide X approx 7.875" off hosebed floor to form upper and lower storage. Lower storage to have a stop at 72". Upper storage to have a vertical divider approx 18" off driver side divider with a stop at 72" for backboard storage. Storage box to be sealed as tight as possible from water and road grime.	\$2,864.00
3365-0230	Diamond plate storage area for up to (3) 5" x 10' hardsuction hoses (not included). Includes side facing access with a fixed forward panel, a side rearward swing door with mechanical latching (wired to door ajar) and (2) securing straps located inward front to rear. Storage to be located [#LOC]	\$609.00
3365-0231	Diamond plate storage box for storage of a 2500 gallon portable water tank (not included). Includes drop down rear access door with push button latch (wired to door ajar). Box to be located [#LOC]	\$609.00
3365-0232	Diamond plate storage box for storage of a 3500 gallon portable water tank (not included). Includes drop down rear access door with push button latch (wired to door ajar). Box to be located [#LOC]	\$639.00
3365-0233	Diamond plate storage area for a portable water storage tank (not included). Includes side facing access with a full width drop down door with mechanical latching (wired to door ajar). Storage located to [#LOC] of body. Sized for [#COL] steel frame portable tank.	\$535.00
3365-0234	Diamond plate storage area for up to (3) 5" x 10' hardsuction hoses (not included). Includes rear facing access with a full width drop down door with mechanical latching (wired to door ajar). Storage to be located [#LOC]	\$609.00

Option No.	Description	PRICE
3365-0235	Diamond plate box for storage of (4) 16' hard suction hoses (hoses not included). Box to be mounted off driver side of tank (tank rib mounts) and is to include rear access door with push-button latch. Door to be wired to door ajar indicator. Position box to allow loading of lower body storage tray with hose from rear.	\$2,240.00
3365-0236	Officer side vertical storage tunnel behind reduced upper depth right side compartments. Tunnel to hold: 24' 2-section and 14' roof, plus (4) pike poles and a folding ladder. Includes vertically hinged rear smooth plate door with bent D-ring latch.	\$2,500.00
3365-0237	Hard Suction Storage Rack. Rack to be 138" in length and rear of rack to be flush with rear compartment top. Rack to be located officer side in adjustable track above ladders (if applicable). Includes spring hold downs and scuff plates.	\$421.00
3365-0238	Folding ladder and pike pole storage compartment located in driver side of hosebed. Includes drop down door with push button latch. Compartment sized to store a 10' ladder with feet and (2) pike poles.	\$946.00
3365-0240	Hard Suction storage left side, Ladder storage right side, base, stainless, Wildland	\$4,508.00
3365-0241	Hard suction storage on right side, Ladder storage on left side, option, stainless, Wildland	\$4,649.00
3365-0242	Horizontal ladder bracket. Location and type of ladder: officer's side compartment top for a PEL3-24.	\$280.00
3365-0243	Horizontal ladder storage with forward diamond plate box and and hold-down bracket. Location and type of ladder: officer's side compartment top for a PRL-12.	\$522.00
3365-0244	Pre-connect storage box with hinged full length lid. Includes center divider and storage for (2) 1.75" DJ hose (200' each) with black dri-deck flooring and red vinyl end flap with hold-downs.	\$734.00
3365-0245	Pike pole tubes in officer side storage tunnel to be modified to hold (1) ARH-60 and (1) ARH-72 pike poles.	\$214.00
3365-0246	Officer side vertical storage tunnel behind reduced upper depth right side compartments. Tunnel to hold: 24' 2-section and 14' roof, plus (2) pike poles and a folding ladder. Includes vertically hinged rear 3/16" treadplate door with bent D-ring latch.	\$2,300.00
3365-0247	Horizontal ladder bracket installed on officer side of hosebed. Will include aluminum boot and ladder hold down. Ladder Compliment: [#LOC].	\$280.00
3365-0248	(2) Pike pole storage tubes to store (2) Fire Hooks Unlimited 16' Boston Rake Hooks. Locate in ladder tunnel recessed forward to allow ladder tunnel door to close.	\$474.00
3365-0249	Ladder/Pike pole/Tripod module formed from .188 aluminum tread plate shall be provided and installed on the roadside interior walkway. It shall have a door hinged on the aisle side with a locking D-ring handle and sliding locking pins (Door to be hinged on the aisle side).The counter top created by this assembly shall be lined with black U.H.M.W plastic.	\$5,694.00
3365-0250	Two (2) stainless steel hooks shall be provided in the cab behind the seats to be used as coat hooks. NYPD only.	\$163.00
3365-0251	Controls for the Ziamatic ladder rack shall be recessed on the officer's side rear body. The control box shall have a hinged door for easy access of ladder rack controls and operation.	\$283.00
3365-0252	Ladder storage officer side compartment top. Includes boot at forward compartment top and a hold-down for (1) Duo-Safety 925-A 22' 3-section extension ladder and (1) Duo-Safety 775-A 10' roof ladder.	\$804.00
3365-0253	Ladder storage thru tank for (2) 6" x 10' hardsuction hoses. Reduces selected water tank capacity by approximately 150 gallons.	\$1,721.00
3365-0254	Hard suction storage box with cargo net cover at rear. Located in B1 compartment to be in-line with thru the tank tunnel.	\$630.00
3365-0256	Ladder storage officer side compartment top. Includes boot at forward compartment top and a hold-down for (1) 16' 2-section and (1) 10' roof ladder.	\$804.00
3365-0257	Hard Suction Storage Rack. Driver side compartment top. Includes spring hold downs and scuff plates behind spring mounts (as applicable). Rack to hold (1) 8 foot tube.	\$404.00

Option No.	Description	PRICE
3365-0258	Recessed pike pole storage compartment located officer side "T" of the tank. Compartment sized to store (3) pike poles. Center pike pole will be a multi -purpose" hook.	\$729.00
3365-0259	Recessed pike pole storage compartment located officer side just below the hosebed. Compartment sized to store (2) pike poles.	\$488.00
3365-0260	Ladder storage thru tank for (1) 2-section 24' extension, (1) 14' roof, (1) 10' attic with feet, (3) pike poles and (1) backboard. Reduces selected water tank capacity by approximately 300 gallons.	\$3,309.00
3365-0261	Hard suction storage box, horizontal side by side. Located in the driver's side hose bed. Includes lift-up ADT door (wired to door ajar) w/bent D-ring latch, hose bed style top and flooring. Box to hold (2) 6" x 10' long tubes.	\$1,713.00
3365-0262	Double Hard Suction Storage Rack for 8' hard suction hoses. Driver side compartment top. Includes spring hold downs with scuff plates (as applicable)	\$865.00
3365-0263	Ladder storage officer side compartment top. Includes boot at forward compartment top and a hold-down for (1) Duo-Safety 1000-A 12' 2 section extension ladder.	\$280.00
3365-0264	Ladder storage box. Located in the officer side hose bed. Includes drop down door (wired to door ajar) w/push-button latch(es), hose bed style top and nylatron flooring (no partition). Box to hold (1) 22' 3-Section Duo-Safety ladder.	\$1,713.00
3365-0265	Recessed storage compartment located officer side just below hosebed. Compartment sized to store (1) 10' ladder with feet offset to left and (1) 6' pike pole offset to right, tube to be set back 6" from opening.	\$863.00
3365-0266	Ladder stops to be attached with bolts IPO rivets.	\$0.00
3365-0267	Officer side vertical storage tunnel. For use with low hose bed. Tunnel to hold: [#LOC]. Includes vertically hinged rear smooth plate door(s) with push-button latch.	\$2,155.00
3365-0270	Stainless steel scuff plate mounted full height of tank to protect paint from hard suction handles. Located at each end of hard suction hose.	\$256.00
3365-0271	Ladder storage box in driver side of hosebed. Dimensions to be 25" wide x 8" high x length of hosebed. Includes ladder stop 66" back from opening and diamond plate drop down door with push button latches (wired to door ajar indicator) and composite material overlay on hosebed flooring.	\$1,198.00
3365-0272	Hard Suction Storage Box. Located in the driver side hosebed. Includes vertical hinged door (wired to door ajar) w/push-button latches and nylatron flooring. Box to hold two (2) 6" X 10' hard suction hoses.	\$1,713.00
3365-0273	Horizontal ladder bracket installed on driver side of hosebed. Will include aluminum boot and ladder hold down. Ladder Compliment: [#LOC].	\$280.00
3365-0274	Hard Suction Storage Box. Located horizontal in the officer side hosebed. Includes vertical hinged door (wired to door ajar) w/push-button latches and nylatron flooring. Box to hold two (2) 6" X 14' hard suction hoses.	\$1,713.00
3365-0275	Hard suction storage rack for (1) 6" X 14' suction hose. Locate [#LOC]. Includes NFPA retaining strap(s).	\$429.00
3365-0276	Zico pike pole mounting brackets (PR). Locate on top of Zico drop-down ladder rack. Brackets to be for D-ring pike poles.	\$180.00
3365-0277	Horizontal ladder bracket mounted on top of body officer side for CJL-14 combo shall be raised to clear generator.	\$0.00
3365-0278	Officer side vertical storage tunnel. For use with low hosebed. Tunnel to hold: 2-Section 24', 14' roof, 10' attic and (2) pike poles. Includes vertically hinged rear diamond plate door(s) with push-button latch. The pike poles and attic ladder to be stored below the 2-section and roof ladders. Ladder tunnel will not extend to top of the body, the area above the ladder tunnel to have hosebed style flooring.	\$3,306.00
3365-0279	Hold down brackets to secure a 3-section extension ladder.	\$0.00

Option No.	Description	PRICE
3365-0280	Hard Suction Storage Box. Located horizontal in the officer side hosebed. Includes vertical hinged dia plate door (wired to door ajar) w/push-button latches and nylatron flooring. The storage area shall be sized to hold two (2) 6" X 10' long hard suction hoses laying side-by-side. Top of storage area above the hard suction hose to be hosebed style flooring.	\$1,713.00
3365-0281	Hard Suction Storage Box. Located horizontal in the officer side hosebed. Includes vertical hinged door (wired to door ajar) w/push-button latches and nylatron flooring. Box to hold two (2) 6" X 13' hard suction hoses.	\$1,713.00
3365-0282	Hard suction storage box. Located in the officer side hose bed. Includes drop down door with finish to match rear of body, latch(s) shall be provided to secure the door in the closed position (wired to door ajar), hose bed style top, nylatron flooring and hosebed divider extending to top of hose bed for inboard side. Box to hold (1)6" x 10' hard suction hose w/rocker lugs. Approximate size of opening 9.5"w x 8"h.	\$1,378.00
3365-0283	Divider Long. To run full length of hose bed above ladder tunnel (front to rear).	\$534.00
3365-0284	Officer side vertical storage tunnel behind reduced upper depth right side compartments. Tunnel to hold: 28' 2-section and 16' roof, (2) pike poles and a folding ladder, plus two 10' lengths of 6" hard suction hose above ladders together with a skinny backboard. Where ladders extend into the pump enclosure, they shall be enclosed from the elements with aluminum treadplate.	\$1,847.00
3365-0285	Officer side vertical storage tunnel. For use with low hosebed. Tunnel to hold: 2-Section 20', 12' roof, 10' attic and (2) pike poles. Includes vertically hinged rear smooth plate door (to accommodate graphics/stripping) with push-button latch. Upper storage area to have an open top and run full length of the body. Upper area to have hosebed style flooring.	\$3,306.00
3365-0286	Officer side vertical storage tunnel behind reduced upper depth compartments. Tunnel to hold: 24' 2-section and 14' roof, plus (2) pike poles and a folding ladder. Above ladders is storage area for a sheet rock hook and a pike pole with D-handle, both 4' in length. Stops shall be provided ahead this storage area approximately 60" from the rear opening to prevent these items from sliding forward during transport. Includes vertically hinged rear smooth plate door with bent D-ring latch.	\$2,256.00
3365-0287	Smooth plate portable folding tank cover, painted job color. For use with 3000 tank and Zico drop down rack.	\$909.00
3365-0289	Hard suction hose storage tray. Locate on inboard side of overhead ladder rack. Includes spring hold downs and scuff plates behind spring mounts (as applicable).	\$470.00
3365-0290	Ladder storage thru tank for (1) 3-section 30' extension, (1) 14' roof, (1) 10' attic with feet and (2) 10' pike poles. Reduces selected water tank capacity by approximately 300 gallons for pumpers and 350 gallons for tankers.	\$3,039.00
3365-0291	Double hard suction storage rack (side by side). Driver side compartment top. Includes spring hold downs with scuff plates (as applicable).	\$800.00
3365-0292	Hard Suction Storage Box. Located in the driver side hosebed. Includes vertical hinged door (wired to door ajar) w/push-button latches and nylatron flooring. Box to hold one (1) 6" X 12' hard suction hoses.	\$857.00
3365-0293	Cover diamond plate for hydraulic ladder rack power supply. Location: [#LOC].	\$219.00
3365-0294	There shall be a metal plate mounted to the side of the portable tank rack to assist in the application of the NFPA stripe and/or Lettering.	\$182.00
3365-0295	Manual drop down portable tank storage rack. Includes forward and rearward securing clamps with manual releases. Locate rack to [#LOC] of body. Rack sized for an aluminum framed [#COL] portable tank.	\$1,987.00
3365-0296	Rubber flaps to enclose ladder tunnel between body sections at boom support (sides, top and bottom). HP95 Mid-mount only.	\$489.00
3365-0297	(1) Pike pole storage tube, pike pole hook stored in the up position. (1) Dry wall hook storage using brackets to secure in place rather than tube. Locate inboard side of rack.	\$587.00

Option No.	Description	PRICE
3365-0298	(5) Pike pole storage tubes. Locate inboard side of rack with pike pole hooks stored in the up position.	\$1,351.00
3365-0299	Hard suction storage box. Located in the officer side hose bed. Includes a swing open door, vertical hinged on the left hand side (inboard) and wired to door ajar w/push-button latch(es), hose bed style top and nylatron flooring (no divider). Box to hold [#LOC] tubes.	\$1,713.00
3365-0300	Storage tunnel capable of holding: dealer supplied and installed 2100 gallon portable tank (husky brand) in [#LOC].	\$0.00
3365-0301	The hard suction rack shall be located: [#LOC].	\$0.00
3365-0302	Provision to store (4) Fire Department supplied 50' lengths of 2-1/2" high rise hose packs on right side compartment top.	\$1,246.00
3365-0303	Four (4) pike poles and a folding ladder tucked behind ground ladders on the adjustable ladder tracks.	\$1,208.00
3365-0304	Hard suction storage within the hosebed. (1) Hard suction tube shall be located on each side of the hosebed center divider. The rear and top hosebed covers shall be used for access.	\$1,713.00
3365-0305	Provision to store (4) Fire Department supplied 50' lengths of 2-1/2" high rise hose packs on right side compartment top. (6) PAC ADJUSTAMOUNT brackets to secure hose.	\$1,631.00
3365-0306	Backboard storage sleeve with containment strap(s). Located in L1 and R1 compartments just below compartment offset to be approximately 9" high x 27" wide as clearance permits. Locate as far forward as possible.	\$1,291.00
3365-0307	Hard suction storage box, horizontal side by side. Located in the officer's side hose bed. Includes lift-up door (wired to door ajar) w/bent D-ring latch, hose bed style top and flooring. Box to hold (2) 6" x 10' long tubes.	\$1,713.00
3365-0308	Hard Suction Storage Rack. Officer side in adjustable track below ladders (if applicable). Includes spring hold downs and scuff plates.	\$421.00
3365-0309	Hard Suction Storage Box with long handle tool storage trough with stop at 72". Stored at rear panel driver side for two (2) hoses. Includes vertical hinged smooth plate door and bent D-ring latch.	\$733.00
3365-0310	Hard suction storage box, smooth plate side wall construction painted job color. Located on the [#LOC]. Includes vertically hinged door(s) (wired to door ajar) w/D-Ring latch(s). Box to hold (3) tubes and to extend to the back side of the L2 compartment and to be approximately the same height as L1, L2 compartments.	\$1,713.00
3365-0311	Hard suction storage box with (2) pike poles (pr). Stored (1) each side below "T" of tank. Includes hinged door with push-button latch.	\$1,123.00
3365-0312	Ladder storage thru tank for AlcoLite ladders (1) 3-section 35' extension, (1) 16' roof, (1) 10' attic with feet and (2) pike poles. Reduces selected water tank capacity by approximately 250 gallons for pumpers and 300 gallons for tankers.	\$3,309.00
3365-0313	Double hard suction storage rack. One (1) rack located above the other. Officer side in ladder track. Includes spring hold downs with scuff plates (as applicable). Rack shall accommodate 3" hard suction hose.	\$799.00
3365-0314	**OBS** (Use 3365-0295) Manual drop down portable tank storage rack. Includes forward and rearward securing clamps with manual releases. Locate rack to [#LOC] of body. Rack sized for aluminum framed [#COL] portable tank.	\$1,987.00
3365-0315	Zico drop down rack to have smooth plate cover between outboard rack assemblies. Rack and cover to be painted job color, includes painting of the actuator covers.	\$1,655.00
3365-0316	Storage box for (1) 15' length of hardsuction hose. Includes vertically hinged door with latch (wired to door ajar indicator). Locate [#LOC] side below "T" of water tank.	\$787.00
3365-0318	Hard suction storage rack for (1) 6" x 12' suction hose. Locate: [#LOC]. Includes NFPA retaining strap(s).	\$429.00

Option No.	Description	PRICE
3365-0319	Hard Suction Storage Rack. Driver side compartment top. Includes spring hold downs and scuff plates behind spring mounts (as applicable).	\$404.00
3365-0320	Storage box on officer side compartment top with hinged full length side hinged down with butterfly latches (wired to door ajar). Storage to accomodate 250' of 2.5" DJ hose with nozzle for hi-rise pac with black dri-deck flooring.	\$1,106.00
3365-0321	Horizontal ladder bracket, Includes .187" smooth aluminum boot painted black durabak with ladder hold down. Location and type of ladder: [#LOC].	\$334.00
3365-0322	Recessed New York hook and pike pole storage compartment located officer side just below the "T" of the tank to include a smooth plate door with thumb latch(s). Compartment sized to store (2) Fire Hooks Unlimited New York Hook Model RH-6 and RH-8 and (2) pike poles.	\$946.00
3365-0323	Double hard suction storage rack. Two (2) 2.5" or 3" x 10' hard suction hoses. One (1) next the other horizontally mounted. Includes spring hold downs with scuff plates (as applicable). Locate: Driver side compartment top.	\$800.00
3365-0324	Hard suction storage boxes welded one each side to upper body hose bed side sheets, to be painted as applicable. Includes vertically hinged brushed stainless steel rear access doors and aluminum hose trays with forward travel limit stops. Requires minimum 88" high pumper body.	\$2,820.00
3365-0325	Officer side vertical storage tunnel behind reduced upper depth right side compartments. Tunnel to hold: 35' 3-section and 14' roof, (2) pike poles and a folding ladder. Where ladders extend into the pump enclosure, they shall be enclosed from the elements with aluminum treadplate. Includes vertically hinged rear smooth aluminum door with bent D-ring latch.	\$2,155.00
3365-0326	Recessed pike pole storage compartment located below officer side "T" of the tank. Compartment sized to store (2) pike poles.	\$729.00
3365-0327	Ladder brackets. Locate on welded brackets on the driver side of the Water master tank.	\$572.00
3365-0328	Officer side vertical storage tunnels. For use with low hose bed. aLower tunnel to hold [#LOC]. The upper tunnel to be full length of hose bed with an open top. Includes vertically hinged rear .1875" smooth plate doors with D-ring latch on each door accessible at the rear of body	\$2,292.00
3365-0329	Ladder storage thru tank for (1) 2-section 24' extension, (1) 16' roof, (1) 10' attic with feet and (2) pike poles. Reduces selected water tank capacity by approximately 250 gallons for pumpers and 300 gallons for tankers.	\$3,039.00
3365-0331	Recessed folding ladder and pike pole storage compartment located right rear of body up high. Compartment sized to store a 10' ladder with feet and (2) 12' pike poles.	\$1,096.00
3365-0332	Recessed pike pole storage compartment located left rear of body up high. Compartment sized to store (4) 10' pike poles.	\$972.00
3365-0333	Backboard storage for use with low hose bed stroage tunnel only. Storage for (1) backboard vertically in officer side storage tunnel. Includes stop bracket at the front.	\$396.00
3365-0334	Ladder Storage Box. Located in the officer side hosebed. The top shall be enclosed using the hosebed cover, the rear access shall be included in the vinyl rear flap as part of the hose bed cover (hinged door not included), The hosebed cover and rear flap shall be sold separately. Box to hold (1) Alcolite PEL 24' 3-section, (1) Alcolite PRL 12' roof, (1) Alcolite FL 10' attic ladder, (2) backboards and (2) pike poles.	\$2,952.00
3365-0335	Miscellaneous storage in hosebed above the ladder tunnel. Upper area open and main hosebed cover to be used to cover top area of the storage area. There is to be a bolted end plate at the rear of the storage area, horizontal adjustable tracks 60" from the rear mounted forward with a divider.	\$391.00
3365-0336	Horizontal ladder storage with forward diamond plate box and and hold-down bracket. Location and type of ladder: [#LOC].	\$522.00

Option No.	Description	PRICE
3365-0337	Two (2) pike poles and a folding ladder tucked behind ground ladders on the adjustable ladder tracks on the officer's side outside of the hose bed.	\$1,208.00
3365-0338	Hard Suction Storage Box. Located in the [#LOC] hose bed. Includes vertical hinged door (wired to door ajar) w/push-button latches (without nylatron flooring as preferred by customer). Box to hold (2) 10' hard suction hoses.	\$1,713.00
3365-0339	Hard Suction Storage Box. Located in the [#LOC] hose bed. Includes vertical hinged smooth plate door (wired to door ajar) w/D-Ring latch(s) and Nylatron flooring. Box to hold (2) 10' hard suction hoses.	\$1,788.00
3365-0340	Dual hard suction hose storage with stops located (above ladders) in the officer side ladder storage tunnel. Includes a common taller rear access door (wired to door ajar) w/bent D-ring deadbolt type latch.	\$1,210.00
3365-0341	Ladder brackets. Locate on welded brackets on the driver side of the Water Master tank. Brackets shall be mounted so the bottom edge of stored ladder(s) are approximately 18" above the hose bed storage floor.	\$572.00
3365-0342	Dual hard suction hose storage with stops located in the officer side upper header. Includes a lift-up rear access door (wired to door ajar) w/bent D-ring latch.	\$1,945.00
3365-0343	Hard suction hose storage tray. Locate on top of Zico drop-down portable tank rack.	\$889.00
3365-0344	Hard suction storage box. Located in the officer side hose bed. Includes a swing open diamond plate door, vertically hinged on the right hand side (outboard) and wired to door ajar w/push-button latch(es), hose bed style top and nylatron flooring (no divider). Box to hold [#LOC] tubes.	\$1,713.00
3365-0345	Officer side horizontal storage tunnel between top of tank and below hose bed floor. Tunnel to hold: up to a 24' 2-section and 14' roof, up to (3) pike poles and a folding ladder. Includes a horizontally hinged lift-up rear smooth plate door with bent D-ring latch and a gas tube hold-open.	\$2,300.00
3365-0346	Storage box for (1) 12' length of hard suction hose. Includes vertically hinged door with latch (wired to door ajar indicator). Locate to [#LOC] below "T" of water tank.	\$675.00
3365-0347	Recessed folding ladder storage compartment located driver side just below hosebed. Compartment sized to store a 10' ladder with feet.	\$720.00
3365-0348	Ladder storage box in driver side of hosebed. Dimensions to be 25" wide x 8" high x length of hosebed. Includes ladder stop 66" back from opening and diamond plate drop down door with a D-ring latch (wired to door ajar indicator) and composite material overlay on hosebed flooring.	\$1,198.00
3365-0349	Stop bracket to be located approximately 80" back in the lower area of the driver side storage tunnel.	\$136.00
3365-0350	Hard suction storage box (pr). Stored (1) each side below "T" of tank. Storage boxes shall be lined with plastic liner and include hinged door with push-button latch. Inside compartment and tube tunnel to be enlarged in depth to fit strainers to be pre-connected as stored.	\$1,301.00
3365-0351	Box type enclosure shall be provided for Little Giant "Classic" Model 17 ladder. Box shall be mounted rearward on bi-directional tray. The box shall be approximately 58" long X 28" high X 8.63" wide. The box ends (left and right) shall be left open, Straps shall be provided on each end to secure the ladder in place. WOP aerial body only.	\$785.00
3365-0352	Portable Tank Storage Box. Located in the officer side hosebed. Includes vertically hinged door (wired to door ajar) w/push-button latches (hinge to the exterior and latch to the interior), hosebed style top and nylatron flooring (no divider). Box to hold [#LOC] gallon aluminum framed Fol-da-tank portable tank.	\$1,713.00

Option No.	Description	PRICE
3365-0353	Double hard suction hose storage tray. Locate inboard side of overhead ladder rack(s) (1) stacked above the other. Includes (2) securing straps per tray. For use with 10' hard suction hoses.	\$2,422.00
3365-0354	Ladder storage thru tank for (1) 2-section 24' extension, (1) 14' roof, (1) 10' attic with feet. Ladders shall be stored vertically or on their side (ILO horizontal/flat). (1) 10' Folding ladder and (2) pike poles stacked over and under each other adjacent ladder storage. Tunnel shall be approx centered in rear body. Reduces selected water tank capacity by approximately 300 gallons.	\$3,369.00
3365-0355	Hard suction Storage Box located in the drivers side roof top compartment. The storage to be boxed off inside roof top compartment. Includes vertical hinged smooth plate door (wired to door ajar) w/push-button latch. Storage to hold [#LOC] 6" x 10' hard suction hoses.	\$2,200.00
3365-0356	Ladder storage thru tank for (1) 2-section 24' extension, (1) 14' roof, (1) 10' attic with feet and (2) pike poles. Provide retaining straps to hold contents stationary. Reduces selected water tank capacity by approximately 250 gallons for pumpers and 300 gallons for tankers.	\$3,121.00
3365-0357	Hard suction storage thru the tank for up to (3) 6" x 10' hard suction hoses. Tunnel located driver side of water tank stacked vertical. Wetside Tanker Only.	\$4,171.00
3365-0358	Portable tank storage thru the tank to hold: (1) 2100 gallon portable tank. Tunnel located officer side of water tank vertically. Wetside Tanker Only.	\$3,819.00
3365-0359	Storage tunnel capable of holding: (2) 6" x 10' hard suction hoses (individually vertically stacked) in Driver Side Storage Tunnel. Tradition Only.	\$1,016.00
3365-0360	Driver side vertical storage tunnel behind reduced upper depth left side compartments. Tunnel to hold: up to (3) 10' lengths of 6" hard suction hose. Includes vertically hinged rear smooth plate door with bent D-ring latch.	\$2,256.00
3365-0361	Zico hydraulic drop down portable tank rack. Rack located to [#LOC] of body. Rack sized for [#COL] gallon aluminum frame portable tank. The control switching to be located on the side rear compartment face (same side as the rack) with the rack being in full view of the operator during operations.	\$5,982.00
3365-0362	Storage tunnels at the rear to be outboard of access ladder and/or handrail.	\$0.00
3365-0363	Hard suction storage rack. Locate:[#LOC]. Includes NFPA retaining strap(s). For use with 15' hard suction hose.	\$552.00
3365-0364	Ladder storage box. Located in the officer side hose bed. Includes vertical hinged door (wired to door ajar) w/push-button latch(es), hose bed style top and nylatron flooring (no partition). Box to hold (1) 20' 2-Section and (1) 12' roof.	\$1,713.00
3365-0365	Officer side vertical storage tunnel. For use with low hosebed, fully enclosed and extended to pump area with drain holes forward in tunnel flooring. Tunnel to hold: 2-Section 24', 14' roof, 10' attic and (2) pike poles. Includes vertically hinged rear smooth plate door(s) with push-button latch. The pike poles and attic ladder to be stored below the 2-section and roof ladders. Ladder tunnel will not extend to top of the body, the area above the ladder tunnel to have hosebed style flooring.	\$3,626.00
3365-0366	Double Hard Suction Storage Rack. Driver side compartment top. Includes spring hold downs with scuff plates (as applicable). For use with 14' hard suction hoses.	\$1,419.00
3365-0367	Zico hydraulic drop down portable tank rack. Rack located to [#LOC] of body. Rack sized for [#COL] gallon aluminum frame portable tank. The control switching to be located on the side pump panel with the rack being in full view of the operator during operations.	\$5,825.00

Option No.	Description	PRICE
3365-0368	Zico hydraulic drop down portable tank rack. Rack located to [#LOC] of body. Rack sized for [#COL] gallon aluminum frame portable tank. The control switching to be located on the side rear compartment face (same side as the rack) with the rack being in full view of the operator during operations.	\$5,825.00
3365-0369	Zico hydraulic drop down rack on officer body. Secures portable folding tank with capacity of main tank on body.	\$6,444.00
3365-0370	Zico hydraulic drop down rack on driver body. Secures portable folding tank with capacity of main tank on body.	\$6,572.00
3365-0372	Attic ladder storage to be dealer installed.	\$0.00
3365-0373	(2) D-handle pike pole storage tubes 10' on length. Locate outboard side of ladder rack with pike pole hooks stored in the up position.	\$545.00
3365-0374	SCBA/Fire Extinguisher storage rack. Locate in R1 mounted to lower ceiling below compartment offset. To hold (6) bottles to be stored angled upward in the compartment. The bottom and sides are to include ribbed rubber inserts. Each storage slot to be 9.25" wide x 11" high.	\$2,842.00
3365-0375	Hard suction storage box. Located in the driver side hose bed. Includes a swing open diamond plate door, vertical hinged on the right hand side (inboard) and wired to door ajar w/"D"-ring latch(es), hose bed style top and nylatron flooring (no divider). Box to hold [#LOC] tubes.	\$1,713.00
3365-0376	Ladder/Pike pole/Tripod module formed from .188 aluminum tread plate shall be provided and installed on the roadside interior walkway. It shall have a door hinged on the aisle side with a NON-Locking D-ring handle and sliding locking pins (Door to be hinged on the aisle side).The counter top created by this assembly shall be lined with black U.H.M.W plastic. Designed to store Werner D7124-2LV ladder.	\$5,826.00
3365-0377	Fire extinguisher storage rack to hold (3) extinguishers in a single horz row. The rack shall be raised 3" on the open end to allow the extinguishers to slide back into the box at an angle. Bottom and sides to include ribbed rubber inserts. Each opening to have a vertically mounted strap. The rearward opening shall be 15" wide, the middle and forward opening to be 10" wide. The opening shall be 18" high. The top shall be flat and have a 2" lip up for storing items as a permanent shelf. Locate floor mtd in [#LOC].	\$717.00
3365-0378	Ladder Storage Box. Located in the officer side hosebed. The top shall be enclosed using hosebed style top. Includes drop down door (wired to door ajar) W/ D-ring latch. Box to hold (1) Alcolite FEL 24' 2-section, (1) Alcolite FRL 14' roof, (1) Alcolite FL 10' attic ladder and (5) 10' pike poles (NY hooks).	\$2,952.00
3365-0379	Fire extinguisher storage rack to hold (3) extinguishers in a single horz row. Bottom and sides to include ribbed rubber inserts. Each opening to have a vertically mounted strap. The top shall have a 1" lip up for storing items.Locate floor mtd in [#LOC].	\$717.00
3365-0380	Zico pike pole mounting brackets (PR). Locate outboard on top of Zico drop-down ladder rack.	\$180.00
3365-0381	Hosebed Storage Box. Located in the officer side hosebed. Includes drop down door (wired to door ajar) w/push-button latches, hose bed style top and nylatron flooring (no divider). Box to hold (2) 6" x 10' hard suction hoses, (2)up to 10' in length pike poles.	\$1,968.00
3365-0382	Hose bed storage compartment for Low Hosebed body. Contents stored as follows from left to right: (1) Model 17 Little Giant ladder extended, (2) pike poles (6' with drywall hook, 10' with dry wall hook)above the Little Giant ladder, (1) 10' folding ladder above the Little Giant ladder, (2) 6" x 10" hard suction hoses.	\$2,625.00
3365-0383	Officer side vertical storage tunnel behind reduced upper depth right side compartments. Tunnel to hold: 24' 2-section and 14' roof, plus (2) pike poles and a folding ladder. Does not include a door.	\$1,897.00
3365-0384	Single hard suction hose storage with stop located (above ladders) in the officer side ladder storage tunnel. Includes a common taller rear access door (wired to door ajar) w/bent D-ring deadbolt type latch.	\$1,210.00

Option No.	Description	PRICE
3365-0385	Portable tank storage thru the tank to hold: (1) 3000 gallon portable tank. Tunnel located officer side of water tank vertically. Includes vertically hinged door wired to door ajar with push button latch. Wetside Tanker Only.	\$3,819.00
3365-0386	Hard suction storage thru the tank for up to (3) 6" x 10' hard suction hoses. Tunnel located driver side of water tank stacked vertical. Includes vertical hinged door wired to door ajar with push button latch. Wetside Tanker Only.	\$4,171.00
3365-0387	Hard Suction Hose Rack for 2.5" or 3" Hose located inboard on hydraulic ladder rack (Each)	\$261.00
3365-0389	Hard suction hose storage tray. Locate on top of Zico drop-down ladder rack. Mount secure straps further outboard to accommodate longer hard tube or 10' hard suction tube with a Kocheck BS60 Barrel strainer pre-attached.	\$889.00
3365-0390	Ladder storage box. Located in the driver side hose bed. Includes vertically hinged door (wired to door ajar) w/push-button latch(es), hose bed style top and nylatron flooring (no partition). Box to hold (1) 22' 3-Section, (1) 10' roof and (1) 8' folding ladder	\$1,713.00
3365-0391	Portable tank storage compartment recessed into officer's side of water tank for (1) 4000 gallon portable tank. Includes vertically hinged door (wired to door ajar) w/push-button latch accessible from the rear. Will reduce tank size by approximately 250 gallons. Wetside Only.	\$3,359.00
3365-0392	Storage Tunnel. A storage tunnel shall be provided, constructed of break formed .125" aluminum sheet, located behind the officer upper compartments. Includes a hinged rear access door (wired to door ajar) with a 2-point bent D-ring latch.	\$2,555.00
3365-0393	Hard suction storage for (2) 6" x 10' hard suction hose stacked vertically. Located in a tunnel on the driver side of tank. Includes vertically hinged door (wired to door ajar) w/push-button latch accessible from the rear. Wetside only.	\$4,483.00
3365-0394	Storage tunnel capable of holding: (1) Husky 3000 gallon portable tank in Officer side storage tunnel.	\$0.00
3365-0395	Fire Extinguisher storage rack. Locate in B1 mounted to ceiling and/or compartment walls as applicable to drop down and exit just below the roll up door when opened. To hold (3) bottles- (3)wide/(1)high. Each box to be 11" high x 11" wide. The bottom and sides are to include ribbed rubber inserts. The storage box shall have a drop down door with a latch to secure the cylinders in place during transit.	\$452.00
3365-0396	Space in slide pad in bottom channel shall be provided for Alco-Lite brand truss style ladder. Space to allow ladder's side rail to rest on slide pad and not on rung ends. The ladder's weight will be distributed evenly across rail reducing friction by not allowing the rung end to dig into the slide pad when pulled from the tunnel.	\$0.00
3365-0397	Officer side vertical storage tunnels. For use with low hose bed. Tunnels to hold: [#LOC]. The upper ladder tunnel shall be full length of hose bed, same width as lower ladder tunnel. The upper ladder tunnel compartment shall be fully enclosed except for an open top/roof which will be open to the elements.	\$2,512.00
3365-0398	Hard suction storage box (pr). Stored (1) each side below "T" of tank. Includes hinged door with push-button latch. Tube tunnels to extend through raised rear enhanced extended compartment steps to gain additional capacity for longer length tube storage. Tube tunnels to fit One (1) 6" X 12' Hard suction tube on each side.	\$1,376.00
3365-0399	Relocate the adjustable ladder brackets in place of standard placement. The ladders (if equipped) are to align with the rear of the tailboard as practicality permits. The hard section racks (if equipped) are centered about the body as practicality permits.	\$0.00
3365-0400	Officer side vertical storage tunnels. For use with low hose bed. Tunnels to hold: [#LOC]. The upper tunnel to have enclosed storage for (2) 10' X 6" hard suction hoses (stacked) with (2) pike poles with multipurpose hooks (recessed 5" fwd of door). The upper area above and forward of the fully enclosed hard suction / pike pole storage to be open top/roof which will be open to the elements includes drain hole(s) as required. Includes vertically hinged rear .1875" smooth plate doors with D-ring latch on each door accessible at the rear of body.	\$3,346.00

Option No.	Description	PRICE
3365-0401	Officer side vertical storage tunnel behind reduced upper depth right side compartments. Tunnel to hold: 24' 2-section and 16' roof, plus a folding ladder. Includes vertically hinged rear smooth plate door with bent D-ring latch.	\$1,990.00
3365-0402	Officer side vertical storage tunnel. For use with low hose bed. Tunnel to hold: [#LOC]. Includes vertically hinged rear diamond plate door(s) with push-button latch.	\$2,327.00
3365-0403	Zico model HLAS-HS-2KIT, Double hard suction hose storage tray. Locate on inboard side of overhead ladder rack. Includes (2) securing straps per tray.	\$871.00
3365-0404	Hosebed storage box. Located in the center of the hosebed. To hold (1) backboard, (1) 10' pike poles,(1) 8' pike pole, (1) 6' NY style pike pole, (1) 6' pike pole and (1) 10' attic ladder with access from a vertically hinged diamond plate door (wired to door ajar) with a push-button latch.	\$1,946.00
3365-0405	Hose tray storage with stop located (above ladders) in the officer side ladder storage tunnel. Includes a common taller rear access door (wired to door ajar) w/bent D-ring deadbolt type latch.	\$1,210.00
3365-0406	Portable Tank Storage Box. Located in the driver side hosebed. Includes drop down door (wired to door ajar) w/push-button latches, hosebed style top and nylatron flooring (no divider). Box to hold [#LOC] gallon portable tank.	\$1,713.00
3365-0407	(2) Pike pole storage tubes with locking end. Locate in the driver side hosebed area to extend into the hose reel area. (1) 6' and (1) 8' pike pole. Pike poles are not includes (sold separately).	\$567.00
3365-0408	Hard Suction Storage Box. Located in the officer side hosebed. Includes vertical hinged door (wired to door ajar) w/push-button latches and nylatron flooring. Box to hold one (1) 6" X 10' hard suction hose.	\$857.00
3365-0409	Ladder storage box. Located in the officer side hose bed. Includes vertically hinged diamond plate door (wired to door ajar) w/push-button latch, open top and nylatron flooring (no partition). Box to hold (1) 20' 2-Section and (1) 12' roof, (1) 10 foot attic ladder with feet. and (2) 10' pike pole tubes.	\$2,062.00
3365-0410	Ladder Storage Box. Located in the officer side hosebed. The top shall be enclosed using the hosebed cover, the rear access shall be equipped with an outboard vertical hinged door with thumb latch and moon spring hold open, The hosebed cover and rear flap shall be sold separately. Box to hold (1) Alcolite PEL 24' 3-section, (1) Alcolite PRL 12' roof with separate divider and (1) Model 13 Little Giant	\$2,952.00
3365-0411	Driver side ladder storage tunnel. Includes area for a vertically stored 24' 2-section'and 14' roof. Includes vertically hinged rear smooth plate door with push-button latch.	\$1,246.00
3365-0412	Storage tunnel capable of holding: (2) 6" x 10' hard suction hoses (individually vertically stacked) in Officer Side Storage Tunnel. Includes vertically hinged rear smooth plate door with push-button latch. Tanker Only.	\$1,016.00
3365-0413	A module formed from .188" aluminum treadplate shall be provided and installed on the driver side interior walkway. This module shall be 13.75" high x 18.5" wide and the full length of the interior to contain the ladder/pike pole assortment and to become the base of the bench seat assembly. It shall have a rear access door hinged on the aisle side with a single point bent D-ring latch assembly.	\$5,120.00
3365-0414	Backboard stop bracket to be located approximately 80" back in officer side of ladder tunnel.	\$251.00
3365-0415	Little Giant sleeve for a Classic Model 17 approx 9.25" W x 25.5" H x 56" L for vertical storage in transverse compartment. Includes door to secure the ladder in place with composite flooring. Located just above upper transverse floor centered on forward wall, to be accessible from L1/R1.	\$533.00

Option No.	Description	PRICE
3365-0416	Hosebed ladder storage box with diamond plate top. Located centered in hosebed and to secure from driver to officer: (3) 2.5" x 10' hard suction tubes, (2) 10' pike pole tubes mounted down low, (1) 925-A 22' 3 Sect & (1) 775-A 10' Roof. Ladders to be stored on beam. Included are (2) hosebed dividers with squared ends, diamond plate top and a vertically hinged diamond plate door (hinged to officer side) wired to the door ajar indicator.	\$1,425.00
3365-0417	Zico attic ladder mounting brackets (PR). Locate [#LOC].	\$239.00
3365-0418	Hard suction storage box welded left side to upper body hose bed side sheet, to be painted as applicable. Includes vertically hinged brushed stainless steel rear access door and aluminum hose tray with forward travel limit stop. Requires minimum 88" high pumper body.	\$1,411.00
3365-0420	Dual hard suction hose storage with stops located in the drivers side upper header. Includes a lift-up rear access door (wired to door ajar) w/bent D-ring latch.	\$1,945.00
3365-0421	Storage tunnel capable of holding: (2) 6" x 12' hardsuction hoses (individually vertically stacked)in the officer Side Storage Tunnel. Use >3365-0149-ORR	\$0.00
3365-0422	Ladder storage through tank for (1) 2-section 24' extension, (1) 14' roof, (1) 10' attic with feet,(2) pike poles, and (2) backboards. Reduces selected water tank capacity by approximately 350 gallons.	\$3,533.00
3365-0423	Recessed folding ladder storage compartment located [#LOC]. Compartment sized to store a 10' ladder with feet.	\$603.00
3365-0424	Ladder tunnel. Rack to hold (1) 24'-2 section, (1) 14' roof ladder, (1) 12' D-handle pike pole, and (1) 8' D-handle pike pole.	\$3,133.00
3365-0425	Officer side vertical storage tunnel. For use with low hose bed. Tunnel to hold: 2-section 24', 14' roof, 10' attic, (2) pike poles, (2) NY Hooks, (1) piercing nozzle, area for fire brooms and area for shovels. Includes vertically hinged rear brushed stainless steel door(s) with push-button latch.	\$2,707.00
3365-0426	(3) Hard Suction Storage Racks. Driver side hosebed side with adjustable tracks. Includes spring hold downs and scuff plates behind spring mounts (as applicable).	\$1,103.00
3365-0427	Hard suction storage box. Located on the driver side compartment top. Includes vertical hinged door at the rearward of the apparatus as installed that swings outward (wired to door ajar) w/push-button latch, To be constructed of .125" thick aluminum tread plate with nylatron flooring. Box to hold one (1) 6 inch dia. x 10 foot hard tube.	\$1,480.00
3365-0428	Hard suction storage box. Located on the officer side compartment top. Includes vertical hinged door at the rearward of the apparatus as installed that swings outward (wired to door ajar) w/push-button latch, To be constructed of .125" thick aluminum tread plate with nylatron flooring. Box to hold one (1) 6 inch dia. x 10 foot hard tube.	\$1,480.00
3365-0429	Hard suction Storage Box located in the driver side roof top compartment. The storage to be boxed off inside roof top compartment. Includes vertical hinged smooth plate door (wired to door ajar) w/push-button latch. Storage to hold (2) 6" X 12' hard suction tubes.	\$2,200.00
3365-0430	Extra wide folding ladder/rake pole box and (2) additional pike poles (total of 4) stored outboard of 2-section ladder located in Officer Side Tunnel. Compartment sized to store a 10' ladder with feet with 72" long are for rake pole and (2) additional pike poles.	\$683.00
3365-0431	Hard suction storage box. Located in the officer side hose bed. Includes vertically hinged diamond plate door (wired to door ajar) with D-Ring latch, hose bed style top and nylatron flooring (no divider). Box to hold 3 tube(s).	\$1,713.00
3365-0432	Zico hydraulic drop down rack on driver body. Secures portable folding tank with capacity of main tank on body.	\$6,572.00
3365-0433	Zico hydraulic drop down rack on officer body. Secures portable folding tank with capacity of main tank on body.	\$6,444.00

Option No.	Description	PRICE
3365-0434	Ladder Storage Box. Located in the officer side hosebed. The top shall be enclosed using the hosebed cover, the rear access shall be equipped with an INBOARD, vertical hinged, door with thumb latch and moon spring hold open, The hosebed cover and rear flap shall be Sold Separately. Rear Flap does not cover rear ladder box door. Box to hold (1) Alcolite PEL 24' 3-section, (1) Alcolite PRL 12' roof with separate divider, (1) Model 13 Little Giant, (1) 6` Firehook model MPH-6 pike pole w/gas shut-off end, and (1) 8` Firehook model MPH-8 pike pole w/gas shut-off end.	\$3,299.00
3365-0435	Nylon black strap with clip release for use with Drv/Ofc side storage tunnel.	\$96.00
3365-0436	Ladder storage box. Located in the officer side hose bed. Includes vertically hinged door (wired to door ajar) w/push-button latch(es) and nylatron flooring (no partition). Box to hold (1) 20' 2-Section and (1) 12' roof.	\$1,713.00
3365-0437	Officer side vertical storage tunnel. For use with low hose bed. Tunnel to hold: [#LOC]. Includes vertically hinged rear diamond plate door(s) with D-ring latch.	\$2,209.00
3365-0438	Storage tunnel above B1 capable of holding: (1) Ferno Washington Model 71 stokes basket. Install (1) divider 26" off driver side wall full length with nylatron on floor and stop set at 90". Right side remaining area will have a stop set at 72".	\$1,082.00
3365-0439	Recessed folding ladder and pike pole storage compartment located right rear of body up high. Compartment sized to store a 10' ladder with feet and (3) 10' pike poles. The pike poles shall be (1) mounted from the top and (2) at the bottom of the box.	\$1,333.00
3365-0440	Zico HHS-TM-1 hard suction storage rack. Locate on the Zico Hydraulic Portable Tank System. Includes NFPA retaining strap(s).	\$477.00
3365-0441	Zico model HLAS-HS-1KIT, Single hard suction hose storage tray. Locate on inboard side of overhead ladder rack. Includes (2) securing straps.	\$549.00
3365-0442	Officer side vertical storage tunnel. For use with low hosebed. Tunnel to hold: 2-Section 24', 14' roof, 10' attic,(2) pike poles, and (1) backboard. Includes vertically hinged rear diamond plate door(s) with push-button latch. Includes upper area of ladder tunnel to have (2) roof top compartments. Includes hinged raised compartment lids with turn latches. Each lid to have (1) bracket mounted light and to be wired to door ajar indicator in cab.	\$3,737.00
3365-0443	Hard suction storage rack for (1) 6" X 8' suction hose. Locate [#LOC]. Includes NFPA retaining strap(s).	\$306.00
3365-0444	Ladder tunnel. Located high as possible in B1. Tunnel to be a compact design 19.75 in. Tall X full width of B1 X 16 ft- 4 in. deep. Tunnel sized to stow (1) 24` 2-section ladder, (1) 16` roof ladder, (1) 14` combination ladder (1) 10` folding attic ladder. Tunnel option will reduce the compartment area of the lower body.	\$4,080.00
3365-0445	Single hard suction hose storage without stop located (above ladders) in the officer side ladder storage tunnel. Includes a common taller rear access door (wired to door ajar) w/bent D-ring deadbolt type latch. Used for extra long suction hose (up to 14').	\$1,161.00
3365-0446	Single hard suction hose storage (without stops) located in the drivers side upper header. This allows for longer suction hose. Includes a lift-up rear access door (wired to door ajar) w/bent D-ring latch.	\$1,599.00
3365-0447	Recessed folding ladder and pike pole storage compartment located officer side just below "T" of the tank. Compartment sized to store a 10' ladder with feet and (2) pike poles. To have a hinged smoothplate door with a thumb latch hinged to open downward tied to door ajar and park brake per NFPA.	\$946.00
3365-0448	Driver side vertical storage tunnel behind reduced upper depth left side compartments. Tunnel to hold: 24' 2-section and 14' roof, plus (2) pike poles and a folding ladder. Includes vertically hinged rear smooth plate door with bent D-ring latch.	\$2,256.00
3365-0449	Storage in center forward area of hosebed for spare tire. Open top storage with hosebed cover to be enclose area.	\$586.00
3365-0450	Triple hard suction storage rack. Officer side in ladder track. Includes NFPA restraining straps. Rack shall accommodate 3" hard suction hose.	\$1,094.00

Option No.	Description	PRICE
3365-0451	(2) 10' pike pole storage tubes. Locate driver side in adjustable tracks with pike pole hooks stored in the up position. Outboard tube to be fitted for a NY hook.	\$474.00
3365-0452	Hard suction storage compartment for (2) 6 inch x 8' hoses. Hoses to be stacked vertical inside compartment. Locate: Officer side high as possible thru rear of body and pass thru side body compartments rear upper corner. Includes vertical hinged rear body access door w/D-ring latch (wired to door ajar). Door material and finish to match rear body.	\$2,126.00
3365-0453	Hard suction storage compartment for (2) 6 inch x 8' hoses. Hoses to be stacked vertical inside compartment. Locate: Driver side high as possible thru rear of body and pass thru side body compartments rear upper corner. Includes vertical hinged rear body access door w/D-ring latch (wired to door ajar). Door material and finish to match rear body.	\$2,126.00
3365-0454	Stokes/backboard storage with stops located in the officers side upper header. Includes a lift-up rear access door (wired to door ajar) w/bent D-ring latch.	\$1,803.00
3365-0455	Dual hard suction hose storage (without stops) located in the officer side upper header. This allows for longer suction hoses (maximum length of 12'). Includes a lift-up rear access door (wired to door ajar) w/bent D-ring latch.	\$1,982.00
3365-0456	Storage box on officer side compartment top with an open top access and seatbelt style straps with the buckle end mounted to the top of box. Box will be designed per customer specific requirements.	\$2,034.00
3365-0457	Four (4) pike poles and a folding ladder tucked behind ground ladders on the adjustable ladder tracks.	\$2,855.00
3365-0458	Ladder storage driver side compartment top. Includes boot at forward compartment top and a hold-down for (1) 16' 2-section and (1) 10' roof ladder.	\$804.00
3365-0459	Box storage rack. Locate in [#LOC]. (2) wide/(2) high. Each compartment to be 8" wide x 10" high. Box to be angled upward in the compartment. No ribbed rubber.	\$367.00
3365-0460	Box storage rack. Locate in [#LOC]. (1) wide/(2) high. Each compartment to be 12" wide x 10" high. Box to be angled upward in the compartment. No ribbed rubber.	\$317.00
3365-0461	Ladder storage box. Located in the officer side hose bed. Includes vertically hinged door (wired to door ajar) w/push-button latch(es), hose bed style above the ladder storage and nylatron flooring (no partition). Box to hold (1) 24' 2-Section, (1) 14' roof, (1) 10' attic and (2) pike poles.	\$2,802.00
3365-0462	Pike pole storage tubes with locking end bolt in. Qty (2). One (1) tube oriented to and as close as possible to driver side of door opening and one (1) tube oriented to and as close as possible to officer side of door opening. Pike poles not includes (sold separately). Finish is sanded aluminum. Locate L2/R2 up high to rear wall of compartment.	\$567.00
3365-0463	Broom / Shovel storage tubes bolt in. (1) of each, Qty (2) for tools with straight handles. One (1) tube oriented as close as possible to driver side of door opening and one (1) tube oriented as close as possible to officer side of door opening. Broom and Shovel not included (sold separately). Finish is sanded aluminum. Locate: L2/R2 up high on forward wall of compartment. If (2) pair are required locate center of upper tube set 8 inches below door opening and the second pair 13 inches above extended floor mounted tray.	\$567.00
3365-0464	Nylon black strap with clip release for use with storage tunnel thru the tank. Strap shall secure the first rungs closest to the compartment door for easy access to the release clip.	\$0.00

Option No.	Description	PRICE
3365-0465	Officer side vertical storage tunnels. For use with low hose bed. Lower Tunnel to hold: 2-section 24', 14' roof, 10' attic and (3) pike poles, (1) standard, (2) with multipurpose hooks (recessed 5" fwd of door). The upper tunnel to have enclosed storage for (1) 10' X 6" hard suction hose with (1) pike pole with multipurpose hook (recessed 5" fwd of door). The area below the hard suction storage for a removable hose tray (not included) for customers "high raise packs" with a stop set at 72" from access opening. Includes vertically hinged rear .188" smooth plate doors with D-ring latch on each door accessible at the rear of body.	\$3,346.00
3365-0466	One (1) pike pole and one (1) multipurpose hook and a folding ladder tucked behind ground ladders on the adjustable ladder tracks on the officer's side outside of the hose bed.	\$1,208.00
3365-0467	Hard suction storage in hosebed for the following: (3) 6" x 10' hard suction hoses. Includes (2) hosebed divider with squared off upper rear, vertically hinged (to swing outboard hosebed area) door with latch (wired to door ajar indicator) and composite material overlay on hosebed flooring. Upper area open and main hosebed cover to be used to cover top area of storage area. Storage located in the center of the hosebed.	\$1,732.00
3365-0468	Internal ladder tunnel storage with vertically hinged smooth plate door (wired to door ajar). Access door to be located to the rear of the officer's side body. Storage tunnel capable of holding: (2) 12' Roof, (1) 10' Attic, (1) 6' roof hook pole, (1) 8' pike pole and (1) 10' pike pole.	\$2,923.00
3365-0469	Ladder storage through tank for (1) 2-section 24' extension, (1) 14' roof, (1) 10' attic with feet, (2) pike poles and (2) 10' X 6" hard suction hoses. Reduces selected water tank capacity by approximately 450 gallons for pumpers.	\$5,902.00
3365-0470	Hard suction Storage Box located in the officer side roof top compartment. The storage to be boxed off inside roof top compartment. Includes vertical hinged smooth plate door painted job color as applicable (wired to door ajar) w/D-ring latch. Storage to hold (2) 6" X 10' hard suction tubes horizontal side by side..	\$2,200.00
3365-0471	Upper hosebed storage area above ladder or storage tunnel on officer side body. Upper storage area to have an open top and run length of the hosebed area. Includes hosebed style flooring and matching rear vinyl or cargo net cover of same style/color as main hosebed.	\$1,050.00
3365-0472	Recessed folding ladder and pike pole storage compartment located right rear of body up high. Compartment sized to store a 10' ladder with feet and (3) up to 12' in length pike poles.	\$1,444.00
3365-0473	Upper hosebed storage area above driver side compartments. Upper storage area to have an open top and run length of the available hosebed area as optioned. Includes hosebed style flooring.	\$1,051.00
3365-0474	Officer side vertical storage tunnel. For use with low hosebed, fully enclosed and extended to pump area with drain holes forward in tunnel flooring. Tunnel to hold: 2-Section 24', 14' roof, 10' attic and (2) D-Handle pike poles. Includes vertically hinged rear smooth plate door(s) with push-button latch. The attic ladder to be stored below the 2-section and roof ladders. The D-Handle pike poles to be located on the hose bed wall outboard of ground ladders. Ladder tunnel will not extend to top of the body, the area above the ladder tunnel to have hosebed style flooring.	\$3,626.00
3365-0475	Hard suction storage box, vertical, over/under. Located in the officer's side hose bed. Includes a swing open door, vertical hinged on left side (wired to door ajar) w/trigger latch, hose bed style top and flooring. Box to hold (2) 6" x 10' long tubes.	\$1,713.00
3365-0476	Ladder Storage Box. Located in the officer side hosebed. The top shall be enclosed using hosebed style top. Includes vert hinged door (wired to door ajar) w/ thumb latch(s). Box to hold (1) one 24' 2-section, (1) one 14' roof, (1) one 10' folding attic ladder, (4) four pike poles, and (2) two 6" x 10' hard suction hose above ladders.	\$3,282.00

Option No.	Description	PRICE
3365-0477	Hard suction storage box, vertical, over/under. Located in the driver's side hose bed. Includes a swing open door, vertical hinged on right side (wired to door ajar) w/trigger latch, hose bed style top and flooring. Box to hold (2) 6" x 10' long tubes (not included).	\$1,713.00
3365-0478	Hard suction storage box with strainer storing capacity. Located in the driver side hose bed. Includes a swing open diamond plate door, vertically hinged on the right hand side (inboard) and wired to door ajar w/thumb latch(es), diamond plate top and nylatron flooring (no divider). Box to hold [#LOC] tubes with strainer.	\$1,713.00
3365-0479	Hardsuction Storage in hosebed for the following: (2) 6" x 10' Hoses. Includes (1) hosebed divider with squared off upper rear, vertically hinged (to swing into hosebed area) door with latch (wired to door ajar indicator) and composite material overlay on hosebed flooring. Upper area open and main hosebed cover to be used to cover top area of hardsuction storage area. Storage located to officer of hosebed.	\$1,198.00
3365-0480	Hard suction storage in hosebed for the following: (2) 6" x 10' hard suction hoses. Includes (1) hosebed divider with squared off upper rear, vertically hinged (to swing outboard hosebed area) door with latch (wired to door ajar indicator) and composite material overlay on hosebed flooring. Upper area open and main hosebed cover to be used to cover top area of storage area. Storage located to officer side of hosebed.	\$1,198.00
3365-0481	Zico hydraulic drop down portable tank rack. Rack located to officer of body. Rack sized to be a portable tank 169" long. The control switching to be located officer side rear compartment face with the rack being in full view of the operator during operations.	\$6,361.00
3365-0482	The driver side Storage Box to store (2) backboards. Each to be accessed by a vertically hinged diamond plate door with a push-button latch. Door to wired to the door ajar indicator in the cab.	\$551.00
3365-0483	Officer side vertical storage tunnel. For use with low hosebed. Tunnel to hold: 2-Section 24', 14' roof, 10' folding attic, (2) pike poles, and (1) backboard. Includes vertically hinged rear smooth plate door (to accommodate graphics/stripping) with push-button latch. Upper storage area to have an open top and run full length of the body. Upper area to have hosebed style flooring.	\$3,306.00
3365-0484	Recessed folding ladder and pike pole storage compartment located left rear of body up high. Compartment sized to store a 10' ladder with feet and (2) 12' pike poles.	\$1,096.00
3365-0486	Adjustable tracks (pair). Locate tracks to hosebed side plate assembly ipo of the outboard side 3x3. For use with ladder and/or hard suction rack(s).	\$0.00
3365-0487	A bolt on aluminum fabricated sign plate mounted to the exterior vertical surface of the hydraulic ladder lift structure. This shall provide a mounting surface for lights along with an area for graphics. Sign plate shall be painted job color to match the ladder lift.	\$818.00
3365-0488	Ladder rack installed on rear body (facing rearward) so ladders may be accessed from ground level (opposite top deck access ladder).	\$145.00
3365-0489	Trash Hook storage compartment located driver side just below hosebed. Compartment sized to store a 10' Trash Hook with D-Handle with smooth plate vertically hinged door and D-Ring latch.	\$720.00
3365-0490	Hard suction storage box welded left side to upper body hose bed side sheet, to be painted as applicable. Includes vertically hinged smooth aluminum rear access door and aluminum hose tray with forward travel limit stop. Requires minimum 88" high pumper body.	\$1,411.00
3365-0491	Hard suction storage box welded right side to upper body hose bed side sheet, to be painted as applicable. Includes vertically hinged smooth aluminum rear access door and aluminum hose tray with forward travel limit stop. Requires minimum 88" high pumper body.	\$1,411.00

Option No.	Description	PRICE
3365-0492	Storage box on officer side compartment top with 2 half length side hinged down access doors with 2 butterfly latches per door (wired to door ajar). Box to be approximately 149" long x 12" high x 12" deep without center divider. Storage is for 2.5" DJ hose with nozzle for hi-rise pack remaining extra space for tool storage. With black dri-deck flooring.	\$1,458.00
3365-0493	(2) 10' pike pole storage tubes. Locate inboard bottom side of ladder rack on old style adjustable track with pike pole hooks stored in the down position.	\$646.00
3365-0494	Zico electric drop down hardsuction rack. Rack located to driver of body. The control switching to be located on the side pump panel with the rack being in full view of the operator during operations. The rack includes (2) main rack mounted 12' trays.	\$6,703.00
3365-0495	Storage tunnel capable of holding: (1) Husky brand steel frame 2100 gallon folding tank. Tunnel to be 35" tall by standard width and full length of the available body. Forward end of tunnel to be capped with a removable plate to seal tunnel from debris and a 10.5" wide (minimum or as applicable to tank model) U channel top and bottom centered in tunnel with Nylon pads to be supplied on the bottom. Door to be plate aluminum matching ladder tunnel with push button latch tied to door ajar. Tank storage to be Driver Side Storage Tunnel.	\$1,694.00
3365-0496	Ladder tunnel. Tunnel to be a compact design and approximately 25 in. Tall X 32 in. Wide X approx 12 ft 3 in. deep at top. Tunnel sized to stow (1) 20' 2-section ladder at top driver side, (6) 12' pike poles at top officer side, (1) Stokes basket center, (1) Little Giant Model 17 at bottom. Tunnel option will reduce transverse compartment area of the lower body. Locate: B1 high as possible.	\$3,936.00
3365-0497	Portable tank storage thru the tank to hold: (1) 2100 gallon portable tank. Tunnel located driver side of water tank vertically. Tunnel to be 11" wide x 32" high. Includes a D-Ring style latch on access door. Wetside Tanker Only.	\$3,707.00
3365-0498	Storage Tunnel to be completely enclosed to prevent road grime and dust from entering into the storage tunnel. Drain holes shall be provided as applicable for water drainage.	\$496.00
3365-0499	Portable tank storage thru the tank to hold: (1) 2100 gallon portable tank. Tunnel located officer side of water tank vertically. Tunnel to be 11" wide x 32" high. Includes a D-Ring style latch on access door. Wetside Tanker Only.	\$3,819.00
3365-0500	The tunnel to be used with the dealer supplied equipment shall be approx. 29" high x 13" wide x length of the body. Dealer to confirm that the equipment will fit within these dimensions.	\$0.00
3365-0501	Dual hard suction hose storage with stops located in the officer side upper header. Designed to hold (1) 11' and (1) 7' hoses (not included).	\$1,945.00
3365-0502	Four (4) pike poles and a folding ladder located under stokes basket module on floor of upper left side body compartment.	\$1,208.00
3365-0503	Recessed pike pole storage compartment located [#LOC]. Compartment sized to store (2) pike poles.	\$488.00
3365-0504	Three (3) pike poles and a folding ladder tucked behind ground ladders on the adjustable ladder tracks.	\$2,855.00
3365-0505	Hard Suction Storage Box. Located horizontal in the drivers side hosebed. Includes vertical hinged door (wired to door ajar) with D-Ring style latches and nylatron flooring. Box to hold two (2) 6" X 10' hard suction hose.	\$1,713.00
3365-0506	Hard suction storage box. Located in the officer side hose bed. Includes a swing open door, vertical hinged on the right hand side (outboard) and wired to door ajar w/push-button latch(es), hose bed style top and nylatron flooring (no divider). Box to hold two (2) tubes.	\$1,713.00
3365-0507	Horizontal stokes basket bracket installed on driver side of hosebed cover for Washington Ferno model 71 stokes basket. Will include aluminum boot and stokes hold down fasteners.	\$544.00
3365-0508	Ladder storage thru tank for (1) 2-section 24' extension, (1) 14' roof, (1) 10' attic with feet,(2) 10' pike poles and (1) Combo step-extension (Duo Safety 300-A) ladder. Ladders shall be stored horizontally. Ladder storage is approximately 270 gallons.	\$3,576.00

Option No.	Description	PRICE
3365-0509	Double hard suction storage rack (side by side) for 6" x 6' hard suction hoses. Driver side compartment top. Includes spring hold downs with scuff plates (as applicable).	\$659.00
3365-0510	(2) aluminum pike pole storage tubes. (2) 48" pike pole tubes to be Located just below, rearward, and across lower B1 compartment top and to extend into L4 and R3 compartments for dealer supplied and installed trash hooks. Dealer is to supply and install required retaining devise for hooks.	\$347.00
3365-0511	2-Arm Ladder Rack rear painted formed arm cover panel for mounting lights at the rear of the apparatus on officer side shall have the top and lower trailing corners of the panel rounded with 1 in. radius or as applicable per lighting optioned.	\$0.00
3365-0512	Hard suction storage box. Located in the driver side hose bed. Includes a swing open diamond plate door, vertical hinged on the right hand side (inboard) and wired to door ajar w/push button latch(es), and nylatron flooring. Box to hold one (1) 6" X 10' tube.	\$1,216.00
3365-0513	Hard suction storage box. Located in the officer side hose bed. Includes a swing open diamond plate door, vertical hinged on the left hand side (inboard) and wired to door ajar w/push button latch(es), and nylatron flooring. Box to hold one (1) 6" X 10' tube.	\$1,216.00
3365-0514	Fire extinguisher storage rack to hold (3) extinguishers in a single horz row. Each storage area to be 11" wide x 11" high x 25" deep with a trough in the bottom (same as used in E-ONE wheelwell bottle storage. Bottom and sides of the trough to include ribbed rubber inserts. Each opening to have a vertically mounted strap. Bolt to the bottom of the adjustable shelf in R1 forward end.	\$717.00
3365-0515	Full width horizontal storage tunnel between top of tank and below hose bed floor. Tunnel to hold: (3) 10' lengths of 6" hard suction hose, side by side on the right side. Includes horizontally hinged drop down rear smooth plate door with bent D-ring latch, and bolt-on SS partition protection for water tank fill tower(s).	\$3,031.00
3365-0516	Controls for the Ziamatic ladder rack shall be located inside the officer side battery compartment door.	\$283.00
3365-0517	Recessed pike pole storage compartment located on the officer side between the upper and lower compartments. Compartment sized to store (1) 6' NY Roof Hook and (1) 6' Drywall Hook. The box to be 5" deep.	\$488.00
3365-0518	Fire Extinguisher storage rack. Locate in R2 offset forward. To hold (4) bottles- (2) wide/(2)high. Bottles to be stored angled upward in the compartment. The bottom and sides are to include ribbed rubber inserts. Each storage slot to be 11" wide x 10" high.	\$956.00
3365-0519	Upper hosebed storage area above driver side compartments. Upper storage area to have an open top and run length of the available hosebed area as optioned. Includes slotted flooring for storage of 17' Little Giant Ladder with divider set 8.5", leaving 4.25" outboard for customer supplied and installed backboards. Dealer to supply stops for backboards.	\$1,453.00
3365-0520	Storage tunnel capable of holding: (2) 6" x 10' hard suction hoses (individually vertically stacked) in Drivers Side Storage Tunnel. Includes vertically hinged rear smooth plate door with push-button latch. Tanker Only.	\$1,016.00
3365-0521	Officer side ladder storage tunnel. Includes area for a vertically stored 35' 3-section', 16' roof and 10' folding ladders plus storage for two (2) standard pike poles.	\$1,761.00
3365-0522	Ladder storage box in driver side of hosebed. Dimensions to be 25" wide x 9" high x length of hosebed. Includes ladder stop 66" back from opening and diamond plate drop down door 8" high (1" open space between top of door and top of box) with a D-ring latch (wired to door ajar indicator) and composite material overlay on hosebed flooring.	\$1,348.00
3365-0523	Recessed folding ladder and pike pole storage compartment located right rear of body up high. Compartment sized to store a 10' ladder with feet, (3) 10' pike poles, and (1) 8' "D" handle trash hook.	\$2,067.00
3365-0524	Hard suction storage box. Located in the driver side hose bed. No door. Box to hold one (1) 6" X 10' tube below and a slotted smooth plate floor for hose storage above.	\$857.00

Option No.	Description	PRICE
3365-0525	Recessed folding ladder and pike pole storage compartment located right rear of body. Compartment sized to store a 10' ladder with feet and (3) pike poles. The pike poles shall be (1) 6', (1)8', and (1) 10'. Content lables to be located on access door.	\$1,333.00
3365-0526	Storage box located in the officer side ladder tunnel above the attic ladder storage box. To be constructed of .125" aluminum smooth plate x 5" wide x 6" high x 82" long similar to the attic ladder box. Closed end at front.	\$342.00
3365-0527	Zico hydraulic drop down portable tank rack. Rack located to officers side on compartment top of body. Rack sized for 2500 gallon aluminum frame portable tank. The control switching to be located on the right rear switch panel with the rack being in full view of the operator during operations.	\$5,825.00
3365-0528	Zico drop down rack to have smooth plate cover between outboard rack assemblies. Cover to be painted job color.	\$828.00
3365-0529	Storage box for (1) 10' length of hard suction hose. Includes rear mounted vertically hinged door with latch (wired to door ajar indicator). Locate to driver's side compartment top. To be large enough to hold customer supplied low level strainer attached to the hose and folding ladder.	\$1,306.00
3365-0530	Folding ladder storage located drivers side hard suction compartment. Sized to store a 10' ladder with feet.	\$720.00
3365-0531	(2) aluminum pike pole storage tubes. Locate officer's side hard suction compartment. Sized for 10' pike poles.	\$347.00
3365-0532	Storage box for (1) 10' length of hard suction hose. Includes rear mounted vertically hinged door with latch (wired to door ajar indicator). Locate to officer's side compartment top. To be large enough to hold customer supplied low level strainer attached to the hose and two pike poles.	\$1,306.00
3365-0533	Zico hydraulic drop down portable tank rack. Rack located to driver's side on compartment top of body. Rack sized for 2500 gallon aluminum frame portable tank. The control switching to be located on the left rear switch panel with the rack being in full view of the operator during operations.	\$5,601.00
3365-0534	Ladder assist roller system shall be provided for the Duo-Safety 45' 1525-A "Bangor" style ladder in the ladder tunnel. Includes sealed bearing rollers at the opening of the ladder tunnel. Purpose is to relieve a significant portion of the weight of the ladder at the opening to reduce the pulling force required to remove the ladder from the storage compartment.	\$622.00
3365-0535	Hard suction storage box. Located in the driver side hose bed. Includes a swing open smooth plate door painted job color, vertical hinged on the right hand side (inboard) and wired to door ajar w/"D"-ring latch(es), hose bed style top and nylatron flooring (no divider). Box to hold [#LOC] tubes.	\$1,713.00
3365-0536	Hard suction storage box. Located in the officer side hose bed. Includes a swing open diamond plate door, vertically hinged on the right hand side (outboard) and wired to door ajar w/"D" ring latch(es), hose bed style top and nylatron flooring (no divider). Box to hold [#LOC] tubes.	\$1,713.00
3365-0537	Internal aluminum frame portable tank storage with vertically hinged diamond plate door (wired to door ajar) with a D-ring latch. Access door to be located to the rear of the Driver's side of body. Included is a composite material floor overlay and a tank stop for use with a 2100 gallon aluminum frame portable storage tank.	\$793.00
3365-0538	Ladder storage in hosebed for the following: (1) 20' 2-section extension and (1) 12' roof laddersr, (1) 10' folding attic, (2) standard 10' pike pole storage tubes and (2) two 4" hard suction hose with small style coupling (10' LENGTH UNLESS NOTED OTHERWISE IN RELEASED ORDER). Extension and roof ladders stored nested above other items in storage box. Includes (1) hosebed divider style side support with squared off upper rear, vertically hinged (to swing into hosebed area) door with latch (wired to door ajar indicator) and composite material overlay on hosebed flooring and below ground ladders. Upper area open and main hosebed cover to be used to cover top area of ladder storage area. Storage located to officer's side of hosebed.	\$1,359.00

Option No.	Description	PRICE
3365-0539	Hard suction storage rack. Locate on the Officer's side adjustable ladder tracks (above ladder brackets if applicable). Includes spring hold downs with scuff plates (as applicable). For use with 15' hard suction hose.	\$552.00
3365-0540	Ladder tunnel. Tunnel to be a compact design configured to stow (1) CJL-14, (1) Little Giant 1A-17, (1) 36 in. long closet hook with D-handle, (1) 48 in. long trash hook with D-handle. Tunnel option will reduce the compartment area of the lower body. Locate: B1 high as possible.	\$2,839.00
3365-0541	Tunnel, ladder. An aluminum diamond plate storage tunnel shall be provided to stow (1) FL-10. The tunnel shall have a smooth aluminum hinged access door with a sanded finish. Locate: Body roof top walk way against driver side boxes and flush with rear of body.	\$749.00
3365-0542	Center mounted ladder tunnel. Ladder rack to hold: PEL3-35, PEL-20, PRL-14, PRL-12 and FL-10.	\$5,575.00
3365-0543	Hard suction storage box. Located in the driver side hose bed. Includes a swing open door, vertical hinged on the right hand side (inboard) and wired to door ajar w/push-button latch(es), hose bed style top and nylatron flooring (no divider). Box to hold [#LOC] tubes.	\$1,713.00
3365-0544	Hosebed Storage Box. Located in the officer side hosebed. Includes drop down door (wired to door ajar) w/push-button latch(es), hosebed style top and nylatron flooring (no divider). Box to hold (1) stokes basket. Includes stop bracket approximately 88" back from opening. Stokes basket 86" long x 24" wide x 8" high.	\$1,945.00
3365-0545	Double hard suction hose storage tray. Locate inboard side of overhead ladder rack(s) (1) stacked above the other. Includes (2) securing straps per tray. For use with 10' hard suction hoses.	\$1,782.00
3365-0546	2-Arm Ladder Rack to be painted Sikkens FLNA 4145 Black.	\$3,189.00
3365-0547	(2) pairs of pike pole mounting brackets. Locate inboard side of rack for use with customer/dealer supplied pike poles. Brackets to be located so they retain both a standard pike and a D-handle model. Brackets to be P.A.C. TOOLOK.	\$380.00
3365-0548	Backboard storage located in upper storage compartment under hose bed to the left of the supplied center divider. A vertical partition is to be located across the front of storage 84 inches deep x available height at door opening approx. 10 inches x available width of 20 inches to center divider. Space to be utilized for storage of backboards. Remaining area to the right of the center supplied divider to have a vertical partition located across the front of storage 100 inches deep and to contain a storage box for a 8' "D"-handle trash hook along with two (2) pike pole tubes for two (2) 8' pike poles with NY hooks.	\$1,364.00
3365-0549	One (1) pike pole and two (2) multipurpose hooks and a folding ladder tucked behind ground ladders on the adjustable ladder tracks on the officer's side outside of the hose bed.	\$1,208.00
3365-0550	Backboard Storage Box. Located in the officer side hose bed. Includes vertically hinged door (wired to door ajar) w/push-button latch. Box to hold (1) backboard.	\$761.00
3365-0551	Triple Hard Suction Storage Rack for 10' hard suction hoses. Driver upper body side. For use with custom style hose hold downs.	\$842.00
3365-0552	2-Arm Ladder Rack to be painted Sikkens FLNA 9550 Dark Grey Metallic.	\$3,395.00
3365-0553	Hard suction hose storage tray. Locate on top of Zico drop-down ladder rack. Mount secure straps further outboard to accommodate longer hard suction hose up to 13' in length.	\$889.00

Option No.	Description	PRICE
3365-0554	Pre-connect removable horizontal U formed divider to be mounted to adjustable aluminum angles attached to Driver side hose bed wall and first and second full length divider in hose bed. Divider(s) to be fabricated from formed .25in thick smooth plate aluminum with DA finish with drainage slots to allow for water shed. Sides of formed divider shall be formed with a bend upwards 2in. to increase rigidity of the divider for hose weight. Each formed divider to be equipped with a Pin (s) with lanyard through side mounting angles to prevent movement of divider in transit. Divider trays when emptied of stored hose shall have a hand hold relief cut in each divider formed pan for ease of removal once unloaded. Side angles shall be located on the divider (s) and side wall of hose bed as applicable to position the divider approximately 21 in. above the hose bed level. This to allow for 2 vertical stacked hose storage areas to accommodate hose lays below at bed level and additional above	\$2,040.00
3365-0555	Officer side vertical storage tunnel. For use with low hose bed. Tunnel to hold: 2-Section 24ft, 14ft roof, 10ft attic, (1) back board and (4) pike poles. Includes vertical hinged rear smooth plate door matching rear body finish with push-button latch. Upper storage area to have an open top and run full length of the body. Upper area to have hose bed style flooring.	\$3,409.00
3365-0556	Center mounted ladder tunnel. Ladder rack to hold: PEL-35, PEL-28, PEL-24, PRL-16, PRL-14 and FL-10 attic ladder.	\$5,575.00
3365-0557	Storage box for (1) 15' length of hardsuction hose. Includes vertically hinged door with latch (wired to door ajar indicator). Locate [#LOC] side below "T" of water tank.	\$787.00
3365-0558	Recessed folding ladder storage assembly located behind the lift up stair case. Assembly constructed of smooth aluminum plate and sized to store a 12' ladder with feet. Requires notching of all transverse compartment walls at center ceiling level. Ladder not included.	\$603.00
3365-0559	Zico pike pole mounting brackets (PR). Locate inside forward transverse area in E-MAX module forward of stokes basket storage. May limit/omit back board storage at this location. To store short 6ft poles in upper module transverse. ZICO parts PPMB-AA and PPMB-BB. These are the brackets only and will not include any tubes or pike poles.	\$180.00
3365-0560	Storage box located [#LOC]. Content of the storage to be vertically stacked and include a vertically hinged door w/D-Ring style latch (thumb latch if space is restricted). The box is to be the full length of the available hose bed and include stop(s) as needed for storage content.	\$1,713.00
3365-0561	Pike pole tubes. Provide (2) tubes to accommodate Fire Hooks Unlimited New York Hook Model RH-6 pike pole storage. Locate: Pump module upper transverse area on driver side.	\$740.00
3365-0562	Pike pole tubes. Provide (2) tubes to accommodate Fire Hooks Unlimited New York Hook Model RH-6 pike pole storage. Locate: Pump module upper transverse area on officer side.	\$740.00
3365-0563	A module formed from .188" aluminum treadplate shall be provided and installed on the driver side interior walkway. This module shall be as high and wide as necessary to contain the ladder assortment and to become the base of the bench seat assembly. It shall have a rear access door hinged on the aisle side with bent D-ring handle and sliding locking pins.	\$6,561.00
3365-0564	Hard Suction Storage Rack Double side by side 2.5" or 3.0" hard tubes. Drivers side in adjustable track above ladders and or other track mounted options (if applicable). Includes NFPA retaining strap(s). To hold (2) 2.5" or 3.0" x 10' long hard tubes on a side by side double tray.	\$800.00

Option No.	Description	PRICE
3365-0565	Hard suction storage box, smooth plate side wall construction painted job color. Located on the [#LOC]. Includes vertically hinged door(s) (wired to door ajar) w/D-Ring latch(s). Compartments are to extend to the back side of the L2 compartment and to be approximately the same height as L1, L2 compartments. Lower two (2) box compartments to have stops to accommodate 10' suction hose. Third compartment to have stops to accommodate 10' pike pole with D style handles. Uppermost compartment to have stops to accommodate 6' pike poles with D style handles.	\$1,713.00
3365-0566	Ladder storage officer side compartment top. Includes boot at forward compartment top and a hold-down for (1) 24' 3-section and (1) 12' roof ladder.	\$804.00
3365-0567	Content of storage box located officer side hosebed to be designed to hold the following: [#LOC].	\$0.00
3365-0568	The storage box located [#LOC] to have hosebed style top.	\$183.00
3365-0569	Content of storage box located officer side hosebed to hold the following equipment:: [#LOC]	\$0.00
3365-0570	Ladder storage tunnel through the tank located to the [#LOC] of the water tank stacked vertical. Wetside Tanker Only.	\$4,686.00
3365-0571	Ladder storage through tank for (1) 2-section 28' extension, (1) 16' roof, (1) 10' attic with feet and (2) pike poles. Reduces selected water tank capacity by approximately 300 gallons for pumpers and 350 gallons for tankers.	\$3,039.00
3365-0572	Officer side Combination tunnel upper compartment Contents: (2) 6" x 10' hard suction hoses (not included) stored vertical. Includes necessary plate work and bolt in removable floors between tubes as stored with end stops to prevent the tube from sliding forward into body during transit. Includes Nylatron or similar flooring material to ease deployment of hoses.	\$1,048.00
3365-0573	Recessed folding ladder and pike pole storage compartment located at rear of apparatus officer side under "T" of tank. Compartment sized to store a 10' ladder with feet and (3) pike poles positioned with tubes on center for double side headed pike poles, NY style or similar.	\$998.00
3365-0574	Center mounted ladder tunnel. Ladder rack to hold: (1)PEL-24 24' 2-sect. extension ladder	\$1,918.00
3365-0575	Portable storage tank in hosebed for the following: 2100 gallon aluminum frame tank. Includes (2) hosebed divider with squared off upper rear, vertically hinged (to swing into hosebed area) door with latch (wired to door ajar indicator) and composite material overlay on hosebed flooring. Upper area open and main hosebed cover to be used to cover top area of storage area. Storage located 5" from the officer side hosebed side.	\$1,732.00
3365-0576	Driver side combination tunnel upper compartment Contents: (2) 6" x 10' hard suction hoses (not included) stored vertical and (2) Closet Hooks with D-Handles above the hard suction. Includes necessary plate work and bolt in removable floors between content as stored with end stops to prevent the content from sliding forward into body during transit. Includes Nylatron or similar flooring material to ease deployment of hoses and closet hooks.	\$1,048.00
3365-0577	Left hosebed horizontal tunnel. For use with low hose bed. Tunnel to hold: 24' 2-Section, 14' roof ladder and 10' attic. Includes horizontal top hinged rear diamond plate door(s) with bent D-ring latch. Open storage space on left side for additional long handle tool storage.	\$2,155.00
3365-0578	Ladder storage thru tank for (1) 2-section, (1) 14' roof, (1) 10' attic with feet and (2) pike poles. Includes horizontally hinged lift up door with Bent D-Ring latch (wired to door ajar indicator). Reduces selected water tank capacity by approximately 250 gallons.	\$3,121.00
3365-0579	Hard suction storage rack for (1) 6" x 11' suction hose. Locate: [#LOC]. Includes NFPA retaining strap(s).	\$356.00
3365-0580	Driver side vertical storage tunnel behind reduced upper depth left side compartments. Tunnel to hold: up to (2) 10' lengths of 6" hard suction hose. Includes vertically hinged rear smooth plate door with bent D-ring latch.	\$1,978.00

Option No.	Description	PRICE
3365-0581	Officer side vertical storage tunnel behind right side upper compartments. Tunnel to hold: up to a 24' 2-section and 14' roof, up to (3) pike poles and a folding ladder. Includes a vertically hinged rear smooth plate door with bent D-ring latch and a gas tube hold-open.	\$2,300.00
3365-0582	Smooth plate portable folding tank cover. Cover to be painted job color. For use with 4000 tank and Zico drop down rack.	\$1,144.00
3365-0583	Zico hydraulic drop down rack on driver body. Secures an oversized portable folding tank with 4000 gallon capacity on 3500 gallon apparatus. Tank not included.	\$6,444.00
3365-0584	Zico hydraulic drop down rack on officer body. Secures an oversized portable folding tank with 4000 gallon capacity on 3500 gallon apparatus. Tank not included.	\$6,444.00
3365-0585	Ladder storage through tank for (1) 2-section 28' extension, (1) 16' roof, (1) 10' attic with feet and (2) pike poles. Reduces selected water tank capacity by approximately 250 gallons for pumpers and 300 gallons for tankers or large water tank pumper applications.	\$3,039.00
3365-0586	Hard Suction Storage Box Drivers side. Located in the driver's side of the hose bed. Includes a vertically hinged (to swing into hosebed area) door with thumb latch (wired to door ajar indicator) and composite material overlay. Box to hold (1)one 6" x 15' long hard suction hose (outboard), and (1)one 4" x 10' long hose (inboard). The closed end of box shall be built to help deflect the main hose load inboard around the shorter hard suction hose length. The hard suction storage area to be open top style with the main hose bed cover used to cover both the hard suction box and main hose bed area.	\$1,690.00
3365-0587	Hard Suction Storage Box Officers side. Located in the officer's side of the hose bed. Includes a vertically hinged (to swing into hosebed area) door with thumb latch (wired to door ajar indicator) and composite material overlay. Box to hold (1)one 6" x 15' long hard suction hose (outboard), and (1)one 4" x 10' long hose (inboard). The closed end of box shall be built to help deflect the main hose load inboard around the shorter hard suction hose length. The hard suction storage area to be open top style with the main hose bed cover used to cover both the hard suction box and main hose bed area.	\$1,690.00
3365-0588	The storage box located [#LOC] to have a fully enclosed top.	\$183.00
3365-0589	Double hard suction storage rack. Two (2) racks side by side mounted to adjustable bracket. Driver side in ladder track. Includes securing strap to keep in place. Rack shall accommodate 4" hard suction hose.	\$958.00
3365-0590	Storage box recessed into rear body officer side above side compartment ceiling for hard suction hose. Includes vertical hinged door (matching rear body) with D-ring latch (wired to door ajar indicator) and hose stops as applicable.	\$675.00
3365-0591	Storage box recessed into rear body driver side above side compartment ceiling for hard suction hose. Includes vertical hinged door (matching rear body) with D-ring latch (wired to door ajar indicator) and hose stops as applicable.	\$675.00
3365-0592	Hard suction storage compartment for (1) 6 inch x 8' hose. Hoses to be recessed in rear of body in upper area of inside compartment. Locate: Driver side high as possible thru rear of body and pass thru side body compartments rear upper corner. Includes vertical hinged rear body access door w/D-Ring latch (wired to door ajar). Door material and finish to match rear body.	\$1,417.00
3365-0593	Recessed pike pole storage compartment located officer side under hose bed above water tank. Compartment sized to store up to (6) up to 8ft. length pike poles. With a horizontal hinged drop down door tied to door ajar in cab with a drop stop and push button latch.	\$845.00
3365-0594	Ladder storage officer side compartment top. Includes boot at forward compartment top and a hold-down for (1) Duo-Safety 925-A 22' 3-section extension ladder.	\$804.00

Option No.	Description	PRICE
3365-0595	Ladder storage driver side compartment top. Includes boot at forward compartment top and a hold-down for (1) Duo-Safety 1000-A 14' 2 section extension ladder and (1) 1000-A 10' 2 section extension ladder nested.	\$804.00
3365-0596	Hosebed Storage Box. Located in the officer side hosebed. Includes vertical hinged to swing outboard smooth plate rear door (wired to door ajar) w/D-Ring latch, Box to be fabricated from .188 embossed tread plate at the top and the top access doors and smooth plate on the sides where mounted against the hosebed or where hose will store against box. Storage box shall feature support structure as applicable to allow for the box to be walk on with up to 300# capacity. Box to hold (1) stokes basket in the upper storage area above a divider and (2) backboards in the lower area below the divider both storage areas to be 63in. deep and boxed at the forward ends to provide stops. Forward area ahead of stokes and back board storage to have a top side lift up coffin lid with gas shock(s) and D-Ring latch(s) as applicable (wired to door ajar) so that the remaining space in the forward area of the hosebed can be used for storage. Box to be bolt in and removable to service water tank if required.	\$3,070.00
3365-0598	Double hard suction storage rack (side by side) for 6" x 10' hard suction hoses. Hard suction storage rack located officer side compartment top. Includes spring hold downs with scuff plates (as applicable).	\$659.00
3365-0599	Officer side Combination tunnel upper compartment Contents: (1) 6" x 10' hard suction hose (not included) stored in upper tunnel. Includes necessary plate work and bolt in removable floor between tube and lower tunnel as stored with end stops to prevent the tube from sliding forward into body during transit. Includes Nylatron or similar flooring material to ease deployment of hose.	\$598.00
3365-0600	Officer side vertical storage tunnel. For use with low hose bed. Tunnel to hold: [#LOC]. Includes vertical hinged rear diamond plate door(s) with bent D-Ring latch.	\$2,155.00
3365-0601	Hard Suction Storage Box Horz. Located in the [#LOC] hose bed. Includes vertical hinged aluminum smooth plate DA finish door (wired to door ajar) w/D-ring style latch and nylatron flooring. Top of box to feature hose bed slat flooring to accommodate storage of additional hose above the box as applicable per hose bed available depth. Box to hold (2) 10' hard suction hoses horizontal positioned side by side.	\$1,803.00
3365-0602	Hard Suction Storage Rack. Driver side raised above the compartment top. Includes spring hold downs and scuff plates behind spring mounts (as applicable). Rack to include brackets on hose bed side to raise the hard tube above compartment top to clear optioned scene lights or similar equipment mounted on compartment top.	\$462.00
3365-0603	Storage box for (1) Fresno ladder model 14-701. Aluminum with job color painted finish, located behind the ground ladders on the officer's outside of the body. Box will be open at the rear and include nylon strap(s) to secure the ladder during transit.	\$1,523.00
3365-0604	Storage tunnel to be completely enclosed to prevent road grime, dust, water or snow from entering into the storage tunnel.	\$744.00
3365-0605	Hosebed storage box. Includes hinged raised compartment lid with turn latches and grab handle(s) wired to door ajar indicator in cab. Includes LED light that shall illuminate when the lid is in the open position.	\$974.00
3365-0606	Internal ladder tunnel storage with vertically hinged smooth plate door (wired to door ajar). Access door to be located to the rear of the officer's side body. Storage tunnel capable of holding: (1) 2-Section, (1) Roof, (1) Attic, (2) pike poles.	\$2,923.00
3365-0607	Hard Suction Storage Box Vert. Located in the hosebed as specified in hose load table between lays of hose. Includes vertical hinged diamond plate door (wired to door ajar) w/push-button latch and nylon flooring. Box to hold two (2) 6in x 10ft. hard suction hoses and two (2) 3in. X 10ft. hard suction hoses vertical stacked. Both sides of the storage box shall be hosebed dividers full available height and length as applicable per location.	\$2,573.00
3365-0608	Bolt-in storage sleeve. Located in center of ladder rack to be approximately 5" wide x 19" high by as deep as waterway riser pipe will allow. Note sleeve to remain open at rear.	\$721.00

Option No.	Description	PRICE
3365-0609	Hard suction storage boxes welded one each side to upper body hose bed side sheets, to be painted as applicable. Includes vertically hinged brushed stainless steel rear access doors and aluminum hose trays without forward travel limit stops to allow storage for longer hose. Maximum hose length is 11'-6". Requires minimum 88" high body.	\$2,820.00
3365-0610	Hard suction storage rack for (1) 6" X 16' suction hose. Locate [#LOC]. Includes NFPA retaining strap(s).	\$552.00
3365-0611	The ground ladders shall be nested in the ladder storage area.	\$0.00
3365-0612	The ladder storage shall be designed so that the ground ladders shall be not be nested and can be individually removed.	\$518.00
3365-0613	Hosebed Storage Box. Located in the officer side hosebed. Includes drop down door (wired to door ajar) w/push-button latch(es), hosebed style top and nylatron flooring (no divider). Box to hold (1) stokes basket and (3) backboards. Includes stop bracket approximately 88" back from opening. Stokes basket 86" long x 24" wide x 8" high, backboards will stow inside stokes basket.	\$1,945.00
3365-0614	Horizontal ladder bracket. Location and type of ladder: over R1 for Little Giant model 17. Mounted similar to previous unit, see photo in electronic file.	\$280.00
3365-0615	Pre-connect storage horizontal divider to be attached to hose bed side wall hinged to outboard side on each outer lay in hose bed. Divider to be fabricated from .25in thick smooth plate aluminum with drainage slots to allow for water shed w/staked stainless steel hinge to allow for loading in the lower lay when the divider is in the open position. Divider inboard of divided hose bed storage to have an angle mounted for the hinged divider to rest upon when in loaded position. This to allow for 2 vertical stacked hose storage areas to accommodate (2)double stack 2.5in. DJ lays on each side of hose bed to fit 200ft of hose in each lay upper and lower. Upper lay to be pre connected and the lower lay to be a dry lay for additional hose if need arises on scene. Main hose bed vertical dividers added separately to order. Locate one divider in the driver side first lay area and the other in the officer side last lay area of the hose bed.	\$474.00
3365-0616	(1) pike pole storage tube. Locate inboard side of ladder rack with pike pole hook stored in the up position or as applicable to hook.	\$289.00
3365-0617	Officer side vertical storage tunnel. For use with low hose bed. Tunnel to hold: [#LOC]. Includes vertically hinged rear smooth plate door(s) with D-Ring latch.	\$2,155.00
3365-0618	Storage box for (2) two 12' length of hard suction hose. Includes vertically hinged door with latch (wired to door ajar indicator). Locate to drivers side below "T" of tank.	\$1,360.00
3365-0619	Four (4) pike poles and a folding ladder tucked behind ground ladders on the adjustable ladder tracks. The bottom two (2) are standard pike poles and the upper two (2) are roof hook pike poles. The rear end of the pike pols to be 2" short of the end of the body side.	\$1,208.00
3365-0620	Backboard Storage Box adjustable and mounted horizontally located in the hose bed. Includes horizontally hinged drop down door (wired to door ajar) w/push-button latches. Box to hold (1) backboard. The storage box opening shall be 3" high x 20" wide and a stop at 76" deep. The box to be full length of the hosebed.	\$761.00
3365-0621	Hard suction hose storage tray. Locate on top of Zico drop-down ladder rack. Mount secure straps further outboard to accommodate longer hard suction hose up to 15' in length.	\$889.00
3365-0622	Triple hard suction storage rack. Driver side in ladder track. Includes NFPA restraining straps. Rack shall accommodate 2.5" (or) 3" hard suction hose.	\$1,094.00

Option No.	Description	PRICE
3365-0623	Thru tank for (1) 5in. x 8ft. jet dump discharge hose with elbow and 2 ft. drop pipe. For use with Jet Dump and Folding drop tank. Reduces selected water tank capacity by 40 gallons. To include a storage bracket to accommodate horizontal positioning of the elbow pipe above jet dump and tank fills in B1. Bracket to be attached to compartment wall and shall be .25 in. thick and have a rounded notch in the top side for the dump pipe to rest in with a strap with nylon buckle attached to rear wall above and below pipe as stowed to secure the pipe for transit.	\$2,452.00
3365-0624	Hosebed storage box with composite material overlay on the flooring and applicable stop(s) to prevent equipment from sliding in too far.	\$1,243.00
3365-0625	Contents stored in the [#LOC] shall be secured with a door. The door shall be wired through the door ajar indicator located in the cab. The door shall be [#COL].	\$332.00
3365-0626	The [#LOC] door(s) shall have [#COL] latch(es).	\$1,713.00
3365-0627	The storage box shall have hosebed style top.	\$494.00
3365-0628	Hosebed storage box shall be capable of storing [#LOC]	\$1,713.00
3365-0629	Storage box located [#LOC] with composite material overlay on the flooring and applicable stop(s) to prevent equipment from sliding in too far.	\$1,713.00
3365-0630	Storage box located [#LOC] with composite material overlay on the flooring and applicable stop(s) to prevent equipment from sliding in too far.	\$1,713.00
3365-0631	Storage box located [#LOC] with composite material overlay on the flooring and applicable stop(s) to prevent equipment from sliding in too far.	\$1,713.00
3365-0632	The driver side of the upper rear body panel area shall have a storage area for one (1) standard backboard stored vertically. Board to be industry standard backboard size of 72" long x 17" wide x 3" high. This area shall also retain a folding 6 foot 'A' frame ladder, 24" wide x 7" high. Both ladder and back boards are customer supplied. Includes a rear facing smooth aluminum vertically hinged access door with stainless steel bent D-ring latch.	\$2,025.00
3365-0633	Hard suction storage racks. Located in the drivers and officer's side hose outer beds. Forward section of hose to be under the upper water tank cover. Nylon buckle strap assemblies installed at the rear openings. Each to hold (1) 6" x 10' long tube.	\$1,507.00
3365-0634	Recessed pike pole storage compartment located right rear of body up high at hose bed level under roof top compartments. Compartment sized to store (4) 10' pike poles. Not available if reels are optioned in roof top compartments with cord or hoses deployed in compartments below.	\$1,010.00
3365-0635	Hard suction storage box, horizontal side by side. Located in the driver's side hose bed. Includes drop down smooth plate door (wired to door ajar) w/bent D-ring latch, hose bed style top and flooring. Box to hold (2) 6" x 10' long tubes.	\$1,713.00
3365-0636	Officer side vertical storage tunnel. For use with low hose bed. Tunnel to hold: [#LOC]. Includes vertical hinged rear smooth plate door(s) with stainless steel bent D-ring latch.	\$2,155.00
3365-0637	Two (2) multipurpose hooks and a folding ladder tucked behind ground ladders on the adjustable ladder tracks on the officer's side outside of the hose bed.	\$1,208.00
3365-0638	Officer side vertical storage tunnel behind reduced upper depth right side compartments. Tunnel to hold: 24' 2-section and 14' roof, plus (2) pike poles and a folding ladder and STD backboard. Includes vertically hinged rear smooth plate door with bent D-ring latch.	\$2,284.00
3365-0639	Hold down brackets to secure a 2-section extension, roof ladder and a combo ladder.	\$0.00

Option No.	Description	PRICE
3365-0640	Recessed folding ladder and pike pole storage compartment located right rear of body up high. Compartment sized to store a 10' ladder with feet and (3) up to 12' in length pike poles.	\$1,444.00
3365-0641	A bolt on aluminum fabricated sign plate approx 19.75" X 187 mounted to the exterior vertical surface of the hydraulic ladder rack. This shall provide a mounting surface for lights along with an area for graphics. Sign plate shall be painted job color.	\$1,045.00
3365-0642	Ladder tunnel. Located at frame height in B1 offset to the officer side. Ladders stored on-beam. Includes chain retention assembly.	\$3,264.00
3365-0643	One (1) multipurpose hook and a folding ladder above ground ladders on the adjustable ladder tracks on the officer's side outside of the hose bed. The aluminum tube for the hook will be welded to the mounting bracket in lieu of a clamp.	\$964.00
3365-0644	Dual hold down brackets to secure a 2-section extension and roof ladder. Includes an additional full height Unistrut channel.	\$266.00
3365-0645	A pair of PAC TRAC positive locking brackets for a D handle pike pole. Locate outboard side of rack	\$333.00
3365-0646	Hosebed ladder storage box with diamond plate top. Located officer's side in hosebed: To include (1) 10' attic w/feet (in a box) w/(2) 10' pike pole tubes mounted over top, (1) PRL-14 & (1) PEL-24. Ladders to be stored on beam. Included are (2) hosebed dividers with squared ends, diamond plate top and a vertically hinged diamond plate door (hinged to driver's side) wired to the door ajar indicator.	\$1,425.00
3365-0647	(4) aluminum pike pole storage tubes. (4) 48" pike pole tubes to be located just below full depth compartment ceiling of L3/B1/R2 , rearward, and horizontally mounted (2) each side offset from the other (2), for dealer supplied and installed trash hooks. End of each tube to be 6" in from inside door opening. Dealer is to supply and install required retaining devise for hooks.	\$693.00
3365-0648	Hard suction storage thru tank for (4) 6" x 10' hard suction hoses. Includes a smooth plate horizontal drop down hinged door wired to door ajar with push button latch. Reduces selected water tank capacity by approximately 250 gallons.	\$2,827.00
3365-0649	Storage box w/center divider for (2) two equal lengths of 6" hard suction hose(s), length of hose shall vary w/overall length of box. Each end of the box shall include a vertically hinged swing-out door with push-button latch (wired to the door ajar). The box and doors shall be smooth aluminum plate and painted job color. The storage box shall be located on driver side compartment top and be as long as the compartment top surface shall permit.	\$1,162.00
3365-0650	Storage box on driver side compartment top with an open top access and seatbelt style straps with the buckle end mounted to the top of box. Box will be designed per customer specific requirements.	\$2,034.00
3365-0651	Fire extinguisher storage rack to hold (2) extinguishers in a single horz row. Each storage area to be 11" wide x 11" high x 25" deep with a trough in the bottom (same as used in E-ONE wheelwell bottle storage. Bottom and sides of the trough to include ribbed rubber inserts. Each opening to have a vertically mounted strap. Rack to be mounted to the compartment top below off set in R1 off set forward.	\$478.00
3365-0652	(2) D-handle pike pole storage tubes 8' on length. Locate inboard side of ladder rack with pike pole hooks stored in the up position.	\$545.00
3365-0653	Pike pole storage compartment located in driver side of hosebed. Includes drop down door with push button latch. Compartment sized to store (2) pike poles.	\$488.00
3365-0654	Dual hard suction hose storage with stops located in the drivers side hose bed. Includes a lift-up rear access door (wired to door ajar) w/bent D-ring latch.	\$1,945.00
3365-0655	Ladder tunnel. Tunnel sized to properly stow (1) CJL-14 combination ladder & (1) FL-10 roof ladder. Located: B2.	\$2,302.00
3365-0656	Hard suction hose storage tray. Locate on top of Zico drop-down hard suction hose rack for additional tube capacity.	\$889.00

Option No.	Description	PRICE
3365-0657	SCBA/Fire Extinguisher storage. Locate in [#LOC]. To hold (6) bottles floor mounted. There shall be a permanent shelf located 8" off of floor. Space below shall be have 6 equally spaced openings.	\$759.00
3365-0658	Hard Suction Storage Rack. Officer side compartment top. Includes spring hold downs and scuff plates behind spring mounts (as applicable). Rack to hold (1) 8 foot tube.	\$404.00
3365-0659	Little Giant sleeve for a Classic Model 17 approx 9.25" W x 25.5" H x 56" L for vertical storage in transverse compartment. Includes (2) nylon black straps with clip release to secure the ladder in place with composite flooring. Located just above upper transverse floor centered on forward wall, to be accessible from L2/R2.	\$533.00
3365-0660	Zico hydraulic drop down rack on officer body. Secures an oversized portable folding tank with 3500 gallon capacity on 3000 gallon apparatus. Tank not included.	\$6,444.00
3365-0661	Zico pike pole mounting brackets (PR). Locate inside transverse area in E-MAX module beneath the stokes basket storage. May limit/omit storage at this location. ZICO parts PPMB-AA and PPMB-BB. These are the brackets only and will not include any tubes or pike poles.	\$180.00
3365-0662	Storage for (1) 8' Dry Wall pike pole. Located in rear storage area.	\$326.00
3365-0663	Pike pole holder to be sized to accommodate 6ft fiberglass I- beam w/ D-handle.	\$0.00
3365-0664	Storage box recessed into rear body driver side above side compartment ceiling for miscellaneous storage. Includes vertical hinged door (matching rear body) with D-ring latch (wired to door ajar indicator) and stops as applicable.	\$675.00
3365-0665	Storage box recessed into rear body officer side above side compartment ceiling for miscellaneous storage. Includes vertical hinged door (matching rear body) with D-ring latch (wired to door ajar indicator) and stops as applicable.	\$675.00
3365-0666	Fire extinguisher storage rack to hold (3) extinguishers in a single horizontal row. Each storage area to be 11" wide x 11" high x 25" deep with a trough in the bottom (same as used in E-ONE wheelwell bottle storage. Bottom and sides of the trough to include ribbed rubber inserts. Each opening to have a vertically mounted strap. Loc: R1	\$717.00
3365-0667	SCBA/Fire Extinguisher storage rack. Locate in [#LOC]. To hold (6) bottles- (1)wide/(6)high. Bottles to be stored angled upward in the compartment. The bottom and sides are to include ribbed rubber inserts.	\$547.00
3365-0668	Ladder storage thru tank for (1) 3-section 24' extension, (1) 12' roof, (1) 10' attic with feet and (2) pike poles. Reduces selected water tank capacity by approximately 300 gallons.	\$3,309.00
3365-0669	Pike pole storage box. Located in the officer side of the hose bed (full length). Includes vertically hinged door (wired to door ajar) w/push-button latch. Box to hold: (3) 10' pike poles(NY hooks).	\$1,207.00
3365-0670	Recessed folding ladder and pike pole storage compartment located at rear of apparatus driver side under "T" of tank. Compartment sized to store a 10' ladder with feet and (3) pike poles.	\$998.00
3365-0671	Storage box removable, bolt-in, located in the [#LOC] hose bed. Includes smooth plate sanded sides and interior and (2) two diamond plate lids per box with raised water lip lids(wired to door ajar) w/D-ring latches and applicable lighting and hold open shocks. Box to feature an adjustable divider in the forward area of the box to hold 3-4 5 gallon foam buckets per box in place during transit. Remaining area rearward of foam pail storage to be open storage.	\$2,974.00
3365-0672	Zico LAS-XT electric drop-down ladder rack. Rack located to officer side of body. The control switching to be located on the side pump panel with the rack being in full view of the operator during operations.	\$6,209.00
3365-0673	Enclosed folding ladder storage compartment rear of body on driver side below hose bed with horizontally top hinged door and push-button latch.	\$735.00

Option No.	Description	PRICE
3365-0674	(2) pike pole tubes inside folding ladder storage compartment, driver side.	\$474.00
3365-0675	Ladder tunnel. Tunnel sized to properly stow (1) FL-10 roof ladder. Located: B2.	\$497.00
3365-0676	Stop bracket (fixed) to be located just aft of Tank Fill Tower.	\$136.00
3365-0677	Storage for Little Giant ladder as indicated on sales drawing. Includes: poly flooring, retaining strap with composit buckle at open end to secure ladder in place. Design shall accommodate transverse access when located in transverse compartments and include securing straps at each end. Finish is sanded aluminum. Locate in [#LOC].	\$751.00
3365-0678	(4) pike pole storage tubes. Located top of the rear transverse area of L4/R4. Tubes to be attached to tracks for adjustability front to rear of B1. Tubes will have no slots.	\$520.00
3365-0679	Portable tank storage compartment recessed into center of water tank for (1) 2100 gallon portable tank. Forward portion to include stop for portable tank. Includes lift up smooth plate door with Bent-D ring latch located above the B1 compartment. Reduces water capacity by approximately 120 gallons. Porta-tank not included.	\$3,359.00
3365-0680	SCBA/Fire Extinguisher storage rack. To hold (4) bottles to be stored angled upward in the compartment. The bottom and sides are to include ribbed rubber inserts. Each storage slot to be 11" wide x 11" high. Locate: R3	\$1,895.00
3365-0681	Tunnel, ladder. An aluminum diamond plate storage tunnel shall be provided to stow (1) one FL-(specify) folding ladder as specified on customer approval drawing. The tunnel shall have a smooth aluminum hinged access door with a sanded finish. Locate in [#LOC] compartment.	\$749.00
3365-0682	Tube for pike pole with multipurpose head shall be provided. Locate in [#LOC].	\$275.00
3365-0683	Hard suction storage box welded left side to upper body hose bed side sheet for dual vertically stacked 10' hose. Painted as applicable. Includes vertically hinged smooth aluminum rear access door and aluminum hose trays with forward travel limit stops. Requires minimum 93" high pumper body.	\$2,311.00
3365-0684	Vertical ladder brackets (2) with adjustable tracks. Locate on officer's side of body above R7 to hold Little Giant Model 17 ladder.	\$895.00
3365-0685	Storage Box. Located in the officer side hosebed. Includes vertically hinged door (wired to door ajar) w/push-button latch and open top. Box area to be 26" wide x 18" high x length of hosebed.	\$861.00
3365-0686	Overhead Zico storage rack door modification: The gas shock shall be mounted in such a way that it would be capable of being removed from the outside of the apparatus with the door in up or down position.	\$223.00
3365-0687	Ladder storage thru tank for (1) 2-section 24' extension, (1) 14' roof, and (1) 10' attic with feet. Provide retaining straps to hold contents stationary. Reduces selected water tank capacity by approximately 250 gallons for pumpers and 300 gallons for tankers.	\$3,121.00
3365-0688	Storage box located [#LOC]. Content of the storage to be horizontal and include a horizontal hinged door w/D-Ring style latch (thumb latch if space is restricted). The box is to be the full length of the available hose bed and include stop(s) as needed for storage content.	\$1,713.00
3365-0689	Content of storage box located center hosebed to be designed to hold the following: [#LOC]	\$0.00
3365-0690	Officer side vertical storage tunnel. For use with low hose bed. Tunnel to hold: (1) 2-section 20' ladder and (2) backboards. Includes vertical hinged rear boxed out smooth plate door(s) with push-button latch. Includes upper hose bed style flooring.	\$2,155.00
3365-0691	Ladder storage through tank for (1) 2-section 24' extension, (1) 14' roof, (1) 10' attic with feet and (6) pike poles. Reduces selected water tank capacity by approximately 300 gallons for pumpers and 350 gallons for tankers.	\$3,039.00
3365-0692	Ladder tunnel. Tunnel sized to properly stow (1) PEL 3-35, (1) PEL 2-28, (1) PRL-16 & (1) CJL-14. Tunnel will reduce transverse usable space in body compartments. Located: B1.	\$3,634.00

Option No.	Description	PRICE
3365-0693	Ladder tunnel. Tunnel sized to properly stow (1) FL-12 attic ladder with feet. Located: B1.	\$550.00
3365-0694	Rack, SCBA/Fire Extinguisher vertical storage rack. A vertical storage rack to hold (4) four bottles stored angled upward in the compartment. openings are to include ribbed rubber inserts. Each storage slot from the bottom to be 11" wide x 11" high with the top opening size to be the remainder of to over all height. Locate: R2 per customer approval drawing.	\$1,895.00
3365-0695	A pair of PAC TRAC positive locking brackets for a D handle pike pole. Locate inboard side of rack	\$333.00
3365-0696	A bolt on aluminum fabricated sign plate approx 25" X 205.50" mounted to the exterior vertical surface of the hydraulic ladder rack. This shall provide a mounting surface for lights along with an area for graphics. Sign plate shall be painted job color.	\$1,045.00
3365-0697	Enclosed folding ladder storage compartment rear of body on the officer side below hose bed with horizontally top hinged door and push-button latch.	\$735.00
3365-0698	Upper hosebed storage area above driver side compartments as applicable. Upper storage area to have an open top and run length of the hosebed area. Includes hosebed style flooring.	\$1,050.00
3365-0699	Hard Suction Storage Rack. Driver side on top of Zico drop down rack. Includes spring hold downs and scuff plates behind spring mounts (as applicable).	\$421.00
3365-0700	Double Hard Suction Storage Rack for 15' hard suction hoses. Driver side compartment top. Includes spring hold downs with scuff plates (as applicable)	\$1,200.00
3365-0701	Hard Suction storage driver side compartment top. Includes diamond plate boot at forward compartment top for hard suction hose end .	\$280.00
3365-0702	Controls for the Ziamatic ladder rack shall be located inside the officer side rear body compartment.	\$283.00
3365-0703	Ladder storage through tank, Vertical oriented, ladders on edge, for (1) 2-section 24' extension, (1) 14' roof, (1) 10' attic with feet and (2) pike poles. Reduces selected water tank capacity by approximately 300 gallons. Requires addition body mods.	\$3,539.00
3365-0704	Dual hard suction hose storage with stops located in the officer side upper roof top storage compartment in a (1) wide x (2) high configuration. Includes an outboard hinged rear access door (wired to door ajar) with D-ring latch. Bottom storage area sized hold a 10' long hose with preconnected barrel strainer.	\$2,229.00
3365-0705	Storage box located [#LOC]. Content of the storage to be vertically stacked. The box is to be the full length of the available hose bed and include stop(s) as needed for storage content.	\$1,713.00
3365-0706	Zico brackets for (2) 10' Boston rakes on the drop down ladder rack, officer side. Includes retaining pins/straps as applicable.	\$474.00
3365-0707	Center mounted ladder tunnel. Ladder rack to hold: (2)PEL-35, PEL-28, PEL-24, PRL-20 and FL-10 (with rubber block feet).	\$5,575.00
3365-0708	Ladder storage through tank for (1) 2-section 24' extension, (1) 14'/28' folding roof, (1) 10' attic with feet and (2) pike poles. Reduces selected water tank capacity by approximately 340 gallons for pumpers and 390 gallons for tankers.	\$3,039.00
3365-0709	Officer side vertical storage tunnel behind reduced upper depth right side compartments. Tunnel to hold: (1) 2-section ladder and (1) roof ladder, plus (2) pike poles and a folding ladder. Includes vertically hinged rear smooth plate door with bent D-ring latch.	\$2,155.00
3365-0710	Driver side vertical storage tunnel. For use with tanker. Tunnel to hold: 3-Section 35', 14' roof and 10' attic.	\$2,155.00
3365-0711	Recessed pike pole storage compartment located on the officer side between the upper and lower compartments. Compartment sized to store (2) 10' multi/all purpose - NY Roof Hook (s). The box to be 5" deep.	\$488.00
3365-0712	Miscellaneous hose bed storage horizontal partition assembly. Located in the main hose bed offset to officers side to rear of tank fill towers. No door. Storage area to be used for miscellaneous storage. Requires minimum of two (2) hose bed dividers.	\$857.00

Option No.	Description	PRICE
3365-0713	Double Hard Suction Storage Rack. Driver side compartment top. Includes spring hold downs with scuff plates (as applicable). For use with 12' hard suction hoses.	\$1,419.00
3365-0714	Hard suction storage rack located on the officer side catwalk. Includes spring hold downs and scuff plates behind spring mounts (as applicable).	\$404.00
3365-0715	(2) aluminum pike pole storage tubes. Locate officers side compartment top. Storage for (1) 6' and (1) 10' long, standard head pike pole.	\$347.00
3365-0716	Enclosed horizontal storage tunnel between top of tank and below hose bed floor. Tunnel to hold: (1) 2-section ladder, (1) roof ladder, (2) pike poles and a folding ladder with shoes (offset to the officer side). Partition installed next to the ladder/pike storage with a back wall installed at a depth of 84" to provide a separate area for storage of long tools. Tunnel includes a single horizontally hinged lift-up rear smooth plate door with bent D-ring latch and a gas tube hold-open.	\$2,502.00
3365-0717	Dual hard suction hose storage with stops located in the officer side upper header, stored vertically. Includes an outboard vertically hinged rear access door (wired to door ajar) with a push-button trigger latch.	\$2,229.00
3365-0718	Partition for storage tunnel. Includes divider to separate forward and rearward area of storage tunnel. Includes trim pieces to deflect elements from entering the storage tunnel at each end of the aluminum hosebed cover spanning on top of the tunnel if equipped.	\$360.00
3365-0719	Hard Suction Storage Box. Located horizontal in the officer's side hosebed. Includes vertical hinged door (wired to door ajar) with D-Ring style latches and nylatron flooring. Box to hold two (2) 6" x 10' hard suction hose, (1) 10' Folding Ladder, (2) 10' pike pole storage tubes.	\$2,213.00
3365-0720	Storage box located [#LOC]. Content of the storage to be vertically stacked and include a vertically hinged door w/ thumb latch style latch. The box is to be the full length of the available hose bed and include stop(s) as needed for storage content.	\$1,713.00
3365-0721	Recessed folding ladder and pike pole storage compartment located right rear of body. Compartment sized to store a 10' ladder with feet and (2) pike poles.	\$1,096.00
3365-0722	Storage tunnel capable of holding: Center compartment above water tank. three (3) 4" x 10' hard suction tubes with storz fittings to the right of divider, to the left of divider, one (1) 10' attic ladder with feet next to tank fill tube, three (3) pike pole tubes to fit 10' pike poles upper left and one (1) back board storage sleeve lower left with stop and secure strap behind fill tower.	\$1,880.00
3365-5000	The control switching to be relocated from the pump panel to the officer side rear compartment face with the rack being in full view of the operator during operations.	\$0.00
3370-0022	Aluminum Adjustable Shelf installed in Compartment [#LOC]	\$450.00
3370-0029	Adjustable shelf. For compartments with upper shallow depth. Location: [#LOC].	\$250.00
3370-0034	Shelf adj full transverse. Locate in [#LOC].	\$700.00
3370-0163	Fixed shelf [#LOC] compartment.	\$250.00
3370-0196	Adjustable shelf for non-transverse compartment. Location: [#LOC].	\$400.00
3380-0013	Rollout tray floor mounted located in [#LOC].	\$714.00
3380-0014	Roll-out generator tray. Includes tray interlock. Locate [#LOC].	\$846.00
3380-0015	Fixed back wall mounted toolboard. Toolboard to be spaced off wall a half inch. Location(s): [#LOC].	\$235.00
3380-0017	Floor mounted slide master roll-out/tilt down tray. Single depth. Mount on [#LOC] floor.	\$1,191.00

Option No.	Description	PRICE
3380-0018	Adjustable roll-out toolboard. Includes upper and lower adjustable track with 250 lbs. slides and gas shock actuated. Toolboard sized to compartment height and depth as applicable. Location(s): [#LOC].	\$875.00
3380-0019	Running board suction tray. Includes removable slats in bottom of tray. Location(s): [#LOC]	\$557.00
3380-0021	Hard suction hose storage tray. Locate on inboard side of overhead ladder rack. Includes (2) securing straps.	\$445.00
3380-0022	Floor mounted roll-out tray. Includes 500lbs. tray capacity. Location: [#LOC].	\$927.00
3380-0023	Adjustable mounted roll-out/tilt-down tray. Location(s): [#LOC]. For use in single depth or rescue style compartments.	\$1,505.00
3380-0024	Adjustable mounted roll-out tray. Includes 250 lbs tray capacity. Location(s): [#LOC]	\$1,021.00
3380-0025	Adjustable mounted roll-out tray. Includes 500 lbs tray capacity. Location(s): [#LOC]	\$1,240.00
3380-0027	Floor mounted SlideMaster with tray. Model SM3-SP. Single depth. Mount on [#LOC] floor.	\$954.00
3380-0028	Adjustable mounted Slide Master with tray. Model SM3-SP. Single depth. Location(s): [#LOC]	\$1,264.00
3380-0029	Floor mounted Bi-Directional Slide Master with tray. Model SM2-D-SP. Mounted on [#LOC].	\$1,643.00
3380-0030	Adjustable mounted bi-directional Slide Master with tray. Model SM2-D-SP. Mounted in transverse area of [#LOC].	\$1,952.00
3380-0032	Rollout Tray to be Adjustable Located in [#LOC].	\$953.00
3380-0033	Hard suction hose storage tray. Locate on top of Zico drop-down ladder rack.	\$889.00
3380-0035	Rollout tray specifically used for installation of Extraction Tools in [#LOC].	\$1,732.00
3380-0036	Fixed wall mounted peg tool board. Tool board to be spaced off wall a half inch. Location(s): [#LOC].	\$282.00
3380-0037	Compartment L1 to have the following: (1) floor mounted toolbox sized to maximize width and depth. Box to have (4) pull-out trays. Each with 250lbs. slides	\$2,279.00
3380-0038	Floor mounted roll-out tray with Jonathan Slides. Includes 400lbs. tray capacity. Mount on [#LOC] floor.	\$1,621.00
3380-0039	Adjustable mounted roll-out tray with Jonathan Slides. Includes 400 lbs tray capacity. Location(s): [#LOC]	\$1,932.00
3380-0040	Vertical hinged swing-out tool board. Location: [#LOC]. Hinge along forward compartment wall and position centered between door and back wall. Includes butterfly latch to secure in the closed position that is accessible from the ground.	\$1,644.00
3380-0041	PAC TRAC panels vertical stacked with tool mounting grooves orientated horizontal on back wall of compartment. Locate: [#LOC].	\$849.00
3380-0043	Toolbox with slide out trays L1 offset forward. To include (4) individual trays mounted on slides. Reference photos and drawings in engineering file. Each tray to lock in and lock out. Include a 3/16" permanent shelf located directly above top of toolbox. Includes cover plate between tool box and forward compartment wall.	\$3,010.00
3380-0044	Toolbox with slide out trays L3 offset forward (forward of partion). To include (7) individual trays mounted on slides. Reference photos and drawings in engineering file. Each tray to lock in and lock out. Include a 3/16" permanent shelf located directly above top of toolbox. Includes cover plate between tool box and forward compartment wall.	\$4,999.00
3380-0045	Floor mounted Slide Master with tray. Model SM3-SP. 1/2 depth transverse or full depth on non transverse. Mount on [#LOC] floor.	\$1,243.00
3380-0046	Adjustable mounted Slide Master with tray. Model SM3-SP. 1/2 depth in transverse compartments or full depth in upper B1. Mounted in transverse area or extended area of [#LOC].	\$1,576.00
3380-0047	Floor mounted Slide Master with tray. Model SM3-SP. 2/3rds deep. Mount on [#LOC] floor.	\$1,393.00
3380-0048	Adjustable mounted Slide Master with tray. Model SM3-SP. 2/3rds deep. Mounted in transverse area of [#LOC].	\$1,729.00
3380-0049	Running board suction tray (floating style). Includes tapered 3" front corner and removable slats in bottom of tray. Location(s): [#LOC].	\$723.00

Option No.	Description	PRICE
3380-0050	Floor mounted double stacked tray with 500# slides in B1.	\$1,147.00
3380-0051	PAC TRAC panels on permanent shelf/floor of compartment. Locate: [#LOC].	\$286.00
3380-0052	Rollout tool boards (PR). To hold Memphis F.D aerial compliment of Holmatro tools (Bracketry to be dealer installed). Locate against front and rear wall of R1.	\$3,959.00
3380-0053	Rollout Tray Floor mount Full Height 500# Mounted Located in [#LOC]	\$909.00
3380-0054	Dividers to be equal height of the side walls and installed on adjustable track on floor and rear wall of tray, dividers shall be installed in the [#LOC] rollout tray.	\$81.00
3380-0055	Floor mounted roll-out/tilt down tray with aluminum frame. Mount on [#LOC] floor.	\$1,160.00
3380-0056	Adjustable mounted roll-out/tilt down tray with aluminum frame. Location(s): [#LOC]. For use in single depth or rescue style compartments.	\$1,469.00
3380-0057	Adjustable mounted preconnect storage roll-out tray. Includes extended sides and front for storage of preconnected hose and 500 lbs slide capacity. Location(s): [#LOC]	\$1,548.00
3380-0058	Floor mounted preconnect storage roll-out tray. Includes extended sides and front for storage of preconnected hose and 500 lbs slide capacity. Location(s): [#LOC]	\$1,236.00
3380-0059	Running board suction tray. Outboard (front) wall of tray and rubrail hinged at the bottom with quick release latches for drop down door. Includes tapered 3" front corner and removable slats in bottom of tray. Location(s): [#LOC]	\$900.00
3380-0060	Adjustable tool board with 500 lbs slides. Includes upper and lower adjustable track and gas shock actuated. Tool board sized to compartment height and depth as applicable. Location(s): [#LOC].	\$1,203.00
3380-0061	Compartment underbody. Includes drop down front door with D-ring latches. Locate [#LOC].	\$1,626.00
3380-0062	Adjustable peg tool board. Includes upper and lower adjustable track and gas shock actuated. Tool board sized to compartment height and depth as applicable. Location(s): [#LOC].	\$1,051.00
3380-0063	Ready Respond Storage cabinet. Includes (5) drawers with gray fronts. No side trim required. Locate floor mounted in [#LOC].	\$4,306.00
3380-0064	Floor mounted roll-out tray. Includes 250lbs. tray capacity. Mount on B1 floor. Front and rear lips of tray to be 9.5".	\$1,985.00
3380-0065	Vertical hinged swing-out toolboard. Location: [#LOC]. Hinge along forward compartment wall and position centered between door and back wall. Includes D-Ring latch to secure in the closed position that is accessible from the ground.	\$1,644.00
3380-0066	Roll-out trays to be built to current specifications with the addition of .25"H X 3"L slots to be cut 12" center all four sides.	\$336.00
3380-0067	Poly box(s) to be located [#LOC]. Box(s) depth (front to rear) to be sized for placement on floor/shelf or tray as applicable to compartment options. Box sized [#COL]	\$349.00
3380-0068	Floor mounted equally sized roll-out trays (PR). Includes 250lbs. tray capacity. Mount on [#LOC] floor.	\$1,417.00
3380-0069	Adjustable tool board - notched. Includes upper and lower adjustable track and is gas shock actuated. Tool board sized to compartment height and depth as applicable. Upper end to be notched around compartment offset to provide maximum height. Location(s): [#LOC]	\$1,002.00
3380-0071	Tool board on dual direction 1000 lb. SlideMaster. Includes lock-in/lock-out. Tool board sized to compartment height and depth as applicable. Location(s): [#LOC].	\$2,355.00
3380-0072	Running board suction tray. Includes removable slats in bottom of tray. Tray to be as long as possible. Location(s): [#LOC].	\$1,112.00
3380-0073	Slidemaster frame powder coated silver. Location(s): [#LOC]	\$128.00

Option No.	Description	PRICE
3380-0074	Tool board HD adjustable. Includes upper and lower adjustable track and is gas shock actuated, return style re-enforcing bends on vertical front and rear edges of tool board, upper and lower adjustable track and gas shock actuated. Tool board sized to compartment height and depth as applicable. Location(s): [#LOC]	\$935.00
3380-0075	Running board suction tray (floating style). Includes tapered 3" front corner and removable slats in bottom of tray. Tray to be as long as possible. Location(s): [#LOC].	\$1,084.00
3380-0076	Tray, floor mounted: roll-out with gas spring. 500 lbs. capacity. Location: [#LOC].	\$711.00
3380-0077	Tray, adjustable roll-out with 500 lbs. capacity and a gas shock. Location(s): [#LOC].	\$1,021.00
3380-0078	Compartment underbody with slide-out tray. Includes drop-down front door with push-button latch(es). [#LOC].	\$2,012.00
3380-0079	Adjustable heavy duty tool board with 500 lbs. capacity. Includes return style reinforcing bends on vertical front and rear edges of tool board, upper and lower adjustable track and gas shock actuated. Tool board sized to compartment height and depth as applicable. Location(s): [#LOC].	\$935.00
3380-0080	Adjustable heavy duty tool pegboard with 500 lbs. capacity. Includes return style reinforcing bends on vertical front and rear edges of tool board, upper and lower adjustable track and gas shock actuated. Tool board sized to compartment height and depth as applicable. Location(s): [#LOC].	\$1,111.00
3380-0081	Roll-out generator tray. Includes tray interlock. Locate [#LOC].	\$846.00
3380-0082	Slidemaster frame powder coated black (EA). Location: [#LOC].	\$128.00
3380-0084	Poly toolboards to be half inch thick. Toolboards to be spaced off wall a half inch. Location(s): L2 back wall and B1 upper side and back walls.	\$894.00
3380-0085	Slide Master Tray in transverse. A slide master tray to be mounted in the transverse module. Tray to extended 70% either side. Top tray to hold four (4) removable speedlay trays (lower tray on slide master to have higher lips on sides and lower on sides for easier removal of trays). Each tray to have the following capacity: (1) 200' of 1.75", (1) 200' of 1.75", (1) 200' of 2.5" and last tray to hold 100' of 1.75", 100' of 1.75" and 100' of 2.5".	\$3,399.00
3380-0087	Adjustable toolboard with 500 lb. slides for use with deep compartments. Includes upper and lower adjustable track with lock in/lock out latch. Toolboard sized to compartment height and depth as applicable. Location(s): [#LOC].	\$1,203.00
3380-0088	Allow 3 inches between door and trays/shelves in B1 so hoses will not be pinched.	\$0.00
3380-0089	Poly tray liners. Locate in the B1 floor mount, B1 adjustable mounted and R3 floor mounted trays. Liner to have hand holes.	\$544.00
3380-0090	Aluminum tool box(es) to be 8" wide x 10" high x 25" deep. Location: L1 compartment floor.	\$225.00
3380-0091	Floor mounted preconnect roll-out tray. Includes 500lbs. tray capacity with (3) 5" tall sides and rear (front to be 2" with area for hand-hold cut-out on each end). To hold up to 150' of 1.75" DJ and placed on top of black dri-deck. Tray to have rotary latching IPO shock(s). Location : [#LOC].	\$1,047.00
3380-0092	Tailboard suction tray designed per customer requirements. Includes removable slats in bottom of tray.	\$557.00
3380-0093	Floor mounted roll-out/tilt down tray. Mount on [#LOC] floor. For use on half transverse trays.	\$1,191.00
3380-0094	Floor mounted roll-out/tilt down tray. Mount on [#LOC] floor. For use on two thirds transverse trays or in the B1above the frame rails.	\$1,191.00
3380-0095	Adjustable mounted roll-out/tilt down tray. Location(s): [#LOC]. For use on 1/2 depth transverse trays or upper deep B1 compartment.	\$1,505.00
3380-0096	Adjustable mounted roll-out/tilt down tray. Location(s): [#LOC]. For use on 2/3 deep transverse trays or B1above the frame rails.	\$1,505.00

Option No.	Description	PRICE
3380-0097	Adjustable partition in running board suction tray. Partition to be adjustable from front to back and use old style adjustable track.	\$236.00
3380-0098	Floor mounted Slide Master with tray. Model SMEX w/ 120% extension. 1/2 depth transverse or full depth on non transverse. Mount on [#LOC] floor.	\$1,756.00
3380-0099	Vertical hinged swing-out toolboard. Location: [#LOC]. Hinge along rearward compartment wall and position centered between door and back wall. Includes D-Ring latch to secure in the closed position that is accessible from the ground and a positive hold open device in the open position.	\$1,644.00
3380-0100	SlideMaster slideout tray w/hose tray approx 8.625 wide x 124 long x 16 deep to hold 200' of 5" LDH. Includes handrail at rear top corner of tray and slotted holes in floor for hose ventaltion. Floor mounted at rear of body in ladder tunnel on officer side.	\$1,652.00
3380-0101	Adjustable tool board with 500 lbs slides. Includes upper and lower adjustable track and gas shock actuated. Tool board sized to compartment height and depth as applicable. Location(s): R4 rearward of Partition.	\$1,203.00
3380-0102	Battery slide-out tray. Locate in [#LOC]. There will be a cover over the top of the batteries.	\$1,151.00
3380-0103	Running board suction tray (floating style). Includes tapered 3" front corner and Turtle Tile brand [#COL] floor matting in bottom of tray. Location(s): [#LOC]	\$723.00
3380-0104	Roll-out tray. Mount on driver side forward body compartment floor.	\$600.00
3380-0105	Roll-out tray. Mount on driver side rearward body compartment floor.	\$660.00
3380-0106	Roll-out tray. Mount on rear body compartment floor.	\$600.00
3380-0107	Roll-out tray. Mount on officer side forward body compartment floor.	\$600.00
3380-0108	Roll-out tray. Mount on officer side rearward body compartment floor.	\$660.00
3380-0109	Roll-out generator tray. Includes tray interlock for full tray extension generator operations. Locate in rearward driver side body compartment with connector/wiring.	\$0.00
3380-0110	Roll-out tray. Mount on driver side forward body compartment floor.	\$623.00
3380-0111	Roll-out tilt-down tray. Mount on driver side wheel well body compartment floor.	\$833.00
3380-0112	Roll-out tray. Mount on driver side rearward body compartment floor.	\$670.00
3380-0113	Roll-out tray. Mount on rear body compartment floor.	\$623.00
3380-0114	Roll-out tray. Mount on officer side forward body compartment floor.	\$623.00
3380-0115	Roll-out tray. Mount on officer side rearward body compartment floor.	\$670.00
3380-0116	Adjustable roll-out tray. Mount in driver side forward body compartment.	\$907.00
3380-0117	Adjustable roll-out tray. Mount in driver side rearward body compartment.	\$983.00
3380-0118	Adjustable roll-out tray. Mount in officer side forward body compartment.	\$907.00
3380-0119	Adjustable roll-out tray. Mount in officer side rearward body compartment.	\$983.00
3380-0120	Adjustable roll-out tray. Mount in rear body compartment.	\$907.00
3380-0121	Adjustable roll-out toolboard. Mount in driver side forward body compartment.	\$383.00
3380-0122	Adjustable roll-out toolboard. Mount in driver side rearward body compartment.	\$383.00
3380-0123	Roll-out tray. Mount on officer side forward body compartment floor. For use with DEF tank.	\$623.00
3380-0124	Floor mounted roll-out tray with 500lbs capacity. Mount on L1 and R1 floor.	\$711.00
3380-0125	Running board suction tray. Outboard (front) wall of tray and rubrail hinged at the bottom with quick release latches for drop down door. Includes removable slats in bottom of tray. Location(s): [#LOC]	\$900.00

Option No.	Description	PRICE
3380-0126	Floor mounted bi-directional Slide Master with speed lay. Model SM2-D-SP. Mounted on [#LOC] transverse floor. Speed Lay will hold 200 feet of 1.75" DJ hose.	\$1,643.00
3380-0127	Floor mounted Slide Master with tray. Model SM3-SP. Single depth. Mount on rearward R2 floor. The tray shall be approx 39" wide.	\$954.00
3380-0128	Adjustable tool board. Includes upper and lower adjustable track and gas shock actuated. Tool board sized to compartment height and depth as applicable. Location(s): R2 approx 14" off the front wall.	\$875.00
3380-0129	Left side running board SS hose tray with Duradek flooring.	\$577.00
3380-0130	Right side running board SS hose tray with Duradek flooring.	\$577.00
3380-0133	On Scene Solutions floor mounted roll-out/tilt down tray mount on [#LOC] floor. This tray shall not exceed 30" in depth.	\$1,616.00
3380-0134	On Scene Solutions adjustable mounted roll-out/tilt down tray mount in the [#LOC] compartment. This tray shall not exceed 30" in depth.	\$1,919.00
3380-0135	Roll-out tray. Mount on driver side forward body compartment floor.	\$711.00
3380-0136	Roll-out tray. Mount on officer side forward body compartment floor.	\$711.00
3380-0137	Adjustable roll-out tray. Mount in driver side forward body compartment.	\$1,021.00
3380-0138	Adjustable roll-out tray. Mount in officer side forward body compartment.	\$1,021.00
3380-0139	Vertical hinged swing-out toolboard. Location: R2. Hinge along forward compartment wall and position centered between door and back wall. The hinge to be full height of toolboard (as applicable). Includes D-Ring latch to secure in the closed position that is accessible from the ground.	\$1,726.00
3380-0140	Generator roll-out tray. Includes tray interlock. For use with Harrison compartment mounted generator. Locate in compartment [#LOC].	\$573.00
3380-0141	Roll-out generator tray for use with Harrison generator. Includes tray interlock for full tray extension generator operations. Locate in rearward officer's side body compartment with connector/wiring.	\$0.00
3380-0142	PAC TRAC panels vertical stacked on compartment walls with tool mounting grooves orientated horizontal (includes installation on vertical hinged compt door, if applicable). Locate: [#LOC].	\$2,741.00
3380-0143	Compartment underbody with slide-out tray. Includes front door with D-ring latch(es). Door will be attached to the tray. Locate [#LOC].	\$2,322.00
3380-0144	Floor mounted roll-out/tilt down tray. Mount on shelf above crosslay in L1. For use on half transverse trays.	\$1,191.00
3380-0145	Suction tray includes removable slats in bottom of tray. Tray to be 25" long. Location: in front of the pump panel in L2 forward.	\$1,112.00
3380-0146	Vertical hinged swing-out toolboard. Location: [#LOC]. Hinge along rearward compartment wall and position centered between door and back wall. Includes latch to secure in the closed position that is accessible from the ground.	\$1,644.00
3380-0147	Poly toolboards to be half inch thick. Toolboards to be spaced off wall a half inch. Location(s): B1 side and back walls. Includes cut-out for compartment light(s). Toolboards to be approx (2) 30" high x 24" wide and (1) 30" high x 43" wide.	\$979.00
3380-0148	Poly toolboards to be half inch thick. Toolboards to be spaced off wall a half inch. Location(s): L1 back wall, notch around generator gauge panel. Toolboard to be approx 37" high x 32" wide.	\$328.00
3380-0149	Respond Ready toolbox located in the L1 compartment. Toolbox includes (4) drawers with 500 lb. lock-out slides and (4) dividers per drawer. Drawer heights to be (1) 3", (1) 4", (1) 8" and (1) 10" drawer. Includes standard top shelf, gray powder coated front panels and galvanized components. Dimensions of overall toolbox 26" W x 27.5" H x 22.7" D.	\$3,132.00

Option No.	Description	PRICE
3380-0150	Fixed back wall mounted toolboard with swirled finish. Toolboard to be spaced off wall a half inch. Location(s): [#LOC].	\$386.00
3380-0151	Suction tray includes removable slats in bottom of tray. Tray to be compartment width minus 3". Locate on the floor of [#LOC].	\$1,112.00
3380-0152	Vertical hinged swing-out toolboard, adjustable in and out. Location: L2. Hinge along rearward compartment wall and position centered between door and back wall. Includes latch to secure in the closed position that is accessible from the ground.	\$1,644.00
3380-0153	Fixed back wall mounted toolboards, compartment above rear wheels on the left and right side. Toolboards to be spaced off back walls. Wildland	\$571.00
3380-0154	Brass tray, egg crate dividers, 500 lb., Wildland	\$1,188.00
3380-0155	Running board suction tray. Includes Turtle Tile brand black floor matting in bottom of tray. Location(s): [#LOC].	\$557.00
3380-0156	A pull-out work surface shall be located just below the offset in R3.	\$846.00
3380-0157	Floor mounted Slide Master with tray. Model SM3-SP. 1/2 depth transverse or full depth on non transverse. Mount on [#LOC] forward floor. Tray should be approx 38" wide.	\$1,243.00
3380-0158	Floor mounted roll-out tray. Includes OnScene Solutions slide 81900 series. 500 lbs. tray capacity. Location: [#LOC].	\$2,097.00
3380-0159	Adjustable tool board with 500 lbs slides. Includes upper and lower adjustable track, .75" x .75" aluminum angle welded to front edge and gas shock actuated. Tool board sized to compartment height and depth as applicable. Location(s): [#LOC].	\$935.00
3380-0160	Two (2) pairs of Poly box(s) (1) to be 10" x 10", black, mounted on 3/16" aluminum module. (1) shipped loose.	\$349.00
3380-0161	There shall be stainless steel floor mounted and adjustable mounted SlideMaster Model # SM3-SP with roll-out trays provided. The capacity rating shall be 1000 pounds distributed load and 500 pounds end load at full extension.	\$2,074.00
3380-0162	Vertical hinged swing-out pegboard toolboard. Location: [#LOC]. Hinge along rearward compartment wall and position centered front to rear. Includes latch to secure in the closed position and gas shock to secure in the open position that is accessible from the ground.	\$1,782.00
3380-0163	Floor mounted slidemaster roll-out tray to hold 6 SCBA donning stations. Donning stations will be Zico spring clip brackets. Mount on L2 floor forward of SCBA bottle storage rack.	\$3,753.00
3380-0164	Floor mounted Slide Master with tray. Model SM3-SP. 2/3rds deep. Mount on R1 extended floor forward of partition.	\$1,393.00
3380-0165	Adjustable mounted Slide Master with tray. Model SM3-SP. 2/3rds deep. Mounted in transverse area of R1 ahead of the divider.	\$1,729.00
3380-0166	Horizontal storage box with (4) equally spaced openings stacked vertically, each area to be approx. 9" wide x 7" high x 47" deep. Locate: rearward wall of L2	\$796.00
3380-0167	Vertical hinged heavy duty swing-out toolboard. Location: [#LOC]. Hinge along forward compartment wall and position centered between door and back wall. Includes D-Ring latch to secure in the closed position that is accessible from the ground. Hinge made from 1/2" stainless steel rod and stainless steel plate with flanged bearing top and bottom.	\$1,726.00
3380-0168	Floor mounted roll-out tray with 500 lbs. capacity. Locate in R1 offset forward. Tray to be half the width of compartment.	\$711.00
3380-0169	Adjustable roll-out tray with 500 lbs. capacity. Tray to have 6" lips. Location(s): [#LOC].	\$1,315.00
3380-0170	Roll-out generator tray. Includes tray interlock for full tray extension generator operations. Locate in rearward driver side body compartment.	\$829.00
3380-0171	Floor mounted bi-directional Slide Master with tray. Model SM2-D-SP. Rear wall of tray to extend up as high as possible to make a toolboard. Includes return style reinforcing bends on vertical sides and horizontal top edges of toolboard. Mounted on floor of L1/R1 transverse.	\$2,103.00
3380-0172	Tailboard suction tray. Includes removable slats in bottom of tray. Requires rear compartment to be roll-up door.	\$557.00

Option No.	Description	PRICE
3380-0173	Vertical hinged heavy duty swing-out pegboard toolboard. Location: [#LOC]. Hinge along forward compartment wall and position centered between door and back wall. Includes D-Ring latch to secure in the closed position that is accessible from the ground. Hinge made from 1/2" stainless steel rod and stainless steel plate with flanged bearing top and bottom.	\$1,825.00
3380-0175	Floating style left side running board SS hose tray with Duradek flooring.	\$690.00
3380-0176	Floating style right side running board SS hose tray with Duradek flooring.	\$690.00
3380-0177	Prepare upper back walls of compartment L3 and L4 with studs for dealer to provide plywood (or whatever material) toolboard panels. Studs are to be threaded stainless steel.	\$313.00
3380-0178	Vertical hinged swing-out toolboard. Location: R1, full height. Hinge along rearward compartment wall and position 5" in from door pan. Includes dual single point D-Ring latches to secure in the closed position that is accessible from the ground.	\$1,644.00
3380-0179	Vertical hinged heavy duty swing-out aluminum tool board(s) shall be provided for compartment(s) [#LOC]. The tool board shall be constructed of 1/4" (.25") smooth aluminum plate, peg board style, and be sized in height and length as applicable. The tool board shall be position centered between door and back wall and hinged along rearward wall mounted. The hinge shall be made from 1/2" stainless steel rod and stainless steel plate with flanged bearing top and bottom that will permit the board to swing out of the compartment for easier access to tools and/or equipment. The tool board shall latch to a 3" x 3" extrusion, with a Tri-Mark latch to secure the toolboard in the closed position.	\$2,228.00
3380-0181	Vertical hinged swing-out toolboard. Located in [#LOC] 12" from door. Hinge along rearward compartment wall and position centered between door and back wall. Includes D-Ring latch to secure in the closed position that is accessible from the ground and a positive hold open device in the open position.	\$1,644.00
3380-0182	Floor mounted slidemaster roll-out tray to hold (3) SCBA donning stations. Donning stations will be Zico spring clip brackets. Location [#LOC].	\$1,877.00
3380-0183	Floor mounted Slide Master with tray. Model SM3-SP. Single depth. Mount on [#LOC] floor align with transverse shelf edge and offset rearward as much as practical. The tray shall be approx 36" wide x 70" deep.	\$1,393.00
3380-0185	Aluminum long handle tool tray with hand hold cutouts. 96" L x 9" W x 6" D. Installed in ladder storage module.	\$273.00
3380-0186	Aluminum long handle tool tray with hand hold cutouts. 96" L x 9" W x 6" D. Ship Loose.	\$273.00
3380-0187	Dual toolboards vertical hinged heavy duty swing-out toolboards. Location: [#LOC]. The inboard toolboard shall be hinged along rearward compartment wall and positioned 8" off inboard/back wall of the compartment. The outboard toolboard shall be hinged along forward compartment wall and positioned 8" outboard of other (inboard) tool board. Includes (1) D-Ring latch per toolboard to secure in the closed position that is accessible from the ground. Hinge made from 1/2" stainless steel rod and stainless steel plate with flanged bearing top and bottom.	\$3,793.00
3380-0189	Running board suction tray with a diamond plate door hinged on the inboard side with quick release flush latch(s) and a lanyard type holding device. Includes removable slats in bottom of tray. Location(s): [#LOC].	\$1,181.00
3380-0190	Vertical hinged swing-out tool board. Location: [#LOC]. Hinge along forward compartment wall and position halfway in from door opening. Includes single point D-ring latch to secure in the closed position that is accessible from the ground.	\$1,644.00
3380-0191	Vertical hinged heavy duty swing-out toolboard. Location: [#LOC]. Hinge along rearward compartment wall and position centered between door and back wall. Includes D-Ring latch to secure in the closed position that is accessible from the ground. Hinge made from 1/2" stainless steel rod and stainless steel plate with flanged bearing top and bottom.	\$1,726.00

Option No.	Description	PRICE
3380-0192	Roll-out generator tray for use with Harrison generator. Includes tray interlock for full tray extension generator operations. Locate in rearward driver's side body compartment with connector/wiring.	\$0.00
3380-0193	Poly toolboards to be half inch thick. Toolboards to be spaced off interior/backwall a half inch. Location(s):[#LOC].	\$894.00
3380-0194	PAC TRAC panels vertical stacked with tool mounting grooves orientated horizontal on each side of Swing-out Toolboard. Locate:[#LOC].	\$1,697.00
3380-0195	Poly boxes (4) to be located [#LOC]. Box depth (front to rear) to be sized for placement on floor/shelf or tray as applicable to compartment options. All (4) boxes shall be 10" in height and equal width to fill the placement area designated.	\$1,390.00
3380-0196	Vertical hinged heavy duty swing-out pegboard toolboard. Location: [#LOC]. Hinge along rearward compartment wall and includes D-Ring latch to secure in the closed position that is accessible from the ground. Hinge made from 1/2" stainless steel rod and stainless steel plate with flanged bearing top and bottom.	\$1,808.00
3380-0197	Floor mounted roll-out/tilt down tray with aluminum frame. Mount on [#LOC] floor. Tray(s) to have 2" high sides all around IPO standard.	\$1,160.00
3380-0198	Adjustable mounted roll-out/tilt down tray with aluminum frame. Location(s): [#LOC]. Tray(s) to have 2" high sides all around IPO standard. For use in single depth or rescue style compartments.	\$1,469.00
3380-0199	Floor mounted bi-directional Slide Master with tray. Model SM2-D-SP. Includes fixed toolboard centered in tray lengthwise extending up as high as possible. Toolboard to be fabricated from 1.5" square aluminum tubing for frame and centered inside of frame shall be .250" smooth plate with bracing on each end for rigidity when tools are mounted. Tray/toolboard mounted on L1/R1 transverse floor.	\$2,544.00
3380-0200	Running board suction tray (floating style). Includes tapered 3" front corner and removable slats in bottom of tray. Location(s): [#LOC]. Trays to be smooth plate painted black durabak.	\$916.00
3380-0201	PAC TRAC panels vertical stacked with tool mounting grooves orientated horizontal on each side of swing-out tool board. Locate: [#LOC].	\$1,697.00
3380-0203	Adjustable peg tool board. Includes upper and lower adjustable track and gas shock actuated. Tool board sized to compartment height and depth as applicable. Location(s): [#LOC].	\$1,015.00
3380-0204	Floor mounted Slide Master with tray. Model SM3-LP (low profile). Single depth. Mount on [#LOC] floor.	\$1,018.00
3380-0205	Fixed wall mounted peg toolboard(s). Toolboards to be spaced off wall a half inch. Location(s):[#LOC].	\$282.00
3380-0206	Adjustable peg tool board. Includes upper and lower adjustable track with lock in/lock out latch. Slides for use with deep compartments. Toolboard sized to compartment height and depth as applicable. Location(s): [#LOC].	\$1,279.00
3380-0208	Floor mounted rollout tray/toolboard, with gas spring and 500 lbs. capacity. The vertical toolboard will be mounted on adjustable mount(s) on the floor of the roll out tray. Includes return style reinforcing bends on vertical front and rear edges of tool board. Tool board sized to compartment height and depth as applicable. Location: [#LOC].	\$1,411.00
3380-0209	Vertical hinged swing-out tool board. Location: L1 Hinge along rearward compartment wall and position halfway in from door opening. Includes single point D-ring latch to secure in the closed position that is accessible from the ground.	\$1,155.00
3380-0210	Pac Trac panels vertically stacked on forward wall of transverse storage box located in L1/R1.	\$1,552.00
3380-0211	Officer side running board suction tray shall have 1/2" drain holes IPOS.	\$29.00

Option No.	Description	PRICE
3380-0212	Floor mounted rollout tray/toolboard, with gas spring and 500 lbs. capacity. The vertical peg board tool board will be mounted on adjustable mount(s) on the floor of the roll out tray. Includes return style reinforcing bends on vertical front and rear edges of tool board. Tool board sized to compartment height and depth as applicable. Location: [#LOC].	\$1,521.00
3380-0213	Sliding Rope Storage Assembly with 30" extension, lock in/out and 85 lb rating.	\$466.00
3380-0214	Adjustable toolboard with SlideMaster SM3-MP 600 lb. slides for use with deep compartments. Includes upper and lower adjustable track with lock in/lock out latch. Toolboard sized to compartment height and depth as applicable. Location(s): [#LOC].	\$1,239.00
3380-0215	Adjustable mounted Slide Master with tray. Model SM3-HD 1000LB full depth in upper B1. Mounted in extended area of [#LOC].	\$1,989.00
3380-0216	Floor mounted Slide Master with tray. Model SM3-HD 1000LB full depth in upper B1. Mounted in extended area of [#LOC].	\$1,901.00
3380-0217	Respond Ready toolbox located in the R1 compartment. Toolbox includes (6) drawers with 500lb lock-out slides and (4) dividers per drawer. Drawer heights to be (1) 7" at the bottom & (5) 5" above. Includes standard top shelf, Color: Black powder coated front panels and galvanized components. Dimensions of overall toolbox 34.5"H x 50"W x 22.7"D.	\$5,318.00
3380-0218	One (1) pair of Poly box(s) to be 10" x 10", black, mounted on floor of compartment L2.	\$339.00
3380-0219	Slide Master bi-directional with tray and toolboard. Mounted in L1/R1 in a raised position within the compartment (just above the frame rail). SlideMaster model SM2-D-SP mounted rearward of the backboard storage container. The tray shall include a toolboard as tall as possible running full length side to side. The toolboard shall be framed with an angle to provide rigidity.	\$2,287.00
3380-0220	Floor mounted roll-out/tilt down and adjustable mounted roll-out/tilt down trays with aluminum frame. Trays to have 2" high sides all around IPO standard. Mount in [#LOC] compartment.	\$2,628.00
3380-0221	Running board suction tray. Tray to be 8" deep. Includes removable slats in bottom of tray. Location(s): [#LOC]	\$634.00
3380-0222	Floor mounted roll-out inverted tray with 500 lbs. capacity. Location: [#LOC].	\$711.00
3380-0223	Tool board HD adjustable. Includes return style re-enforcing bends on vertical front and rear edges of tool board, upper and lower adjustable track, 250LB slides and manual lock in/out latches at top. Tool board sized to compartment height and depth as applicable. Location(s): L3	\$852.00
3380-0224	Floor mounted roll-out tray, with gas spring. 500 lbs. capacity. Tray shall be made of 1/4" smooth aluminum. Location: [#LOC].	\$942.00
3380-0225	Floor mounted Slide Master with tray. Model SMEX w/ 120% extension. 2/3rds deep. Includes fixed toolboard centered in tray lengthwise extending up as high as possible. Toolboard to be fabricated from 1.5" square aluminum tubing for frame and centered inside of frame shall be .250" smooth plate with bracing on each end for rigidity when tools are mounted. Tray/toolboard mounted on [#LOC] floor.	\$2,544.00
3380-0226	Poly toolboards to be half inch thick. Toolboards to be spaced off wall a half inch. Location(s): B1 side and back walls. Includes cut-out for compartment light(s). Toolboards to be approx (2) 30" high x 24" wide and (1) 30" high x 36" wide.	\$979.00
3380-0227	Fixed back wall mounted peg toolboard(s) with holes located on 7/8" centers. Toolboard(s) shall not be notched around compartment vents.	\$0.00
3380-0228	Vertical hinged swing-out Pegboard tool board. Location: L2. Hinge along rearward compartment wall and position halfway in from door opening. Includes single point D-ring latch to secure in the closed position that is accessible from the ground.	\$1,781.00
3380-0229	Adjustable toolboard partition. With unistrut track mounted to inside of rollout tray on floor for toolboard to adjust side to side. Toolboard to be fabricated from 1.5" square aluminum tubing for frame and centered inside of frame shall be .250" smooth plate with bracing on each end for rigidity when tools are mounted. Locate in [#LOC] floor mounted roll-out tray.	\$552.00
3380-0230	Compartment underbody. Includes drop down front door with push-button latches. Locate: Span below R1 and R2.	\$1,522.00

Option No.	Description	PRICE
3380-0231	Floor mounted Slide Master with tray. Model SM3-SP. 2/3rds deep. Mount on R1 extended floor. To be approx 72 inches deep and wide as possible.	\$1,393.00
3380-0232	Tray for tool board. There will be a total of (4) trays welded to both side of the toolboard's. Location: L1(1) tray on each side of toolboard as low as possible. The trays will be fabricated of 3/16" aluminum and approx 6" tall x 6" deep x 24" long. Finish shall be sanded aluminum.	\$922.00
3380-0233	Adjustable roll-out tray with 500 lbs. capacity. Tray to have raised forward lip with hole(s) to accommodate mounting of captive rollers for optioned reels in compartment. Tray at full extension shall position rollers outward to provide additional protection from hoses chafing or damaging painted surfaces: [#LOC].	\$1,388.00
3380-0234	Weld a heavy duty gusseted vertical divider 40 inches tall centered in tray: 1/4 inch thick aluminum and full depth of tray. Option to accommodate mounting of hydraulic tools. Location: R4 in floor mounted tray aft of partition.	\$705.00
3380-0235	Weld a heavy duty gusseted vertical divider 40 inches tall centered in tray: 1/4 inch thick aluminum and full depth of tray. Option to accommodate mounting of hydraulic tools. Location: L4 in floor mounted tray aft of partition.	\$705.00
3380-0236	Vertical hinged heavy duty swing-out toolboard with storage trough(s). Location: [#LOC]. Hinge along forward compartment wall and position centered between door and back wall. Includes D-Ring latch to secure in the closed position that is accessible from the ground. The Toolboard shall include a 5" x 5" Trough, enclosed on each end and running full length along the botom edge of the board, both inside and outside (for as long as available space allows when fully opened), used for small containers storage. Hinge made from 1/2" stainless steel rod and stainless steel plate with flanged bearing top and bottom.	\$1,886.00
3380-0237	Compartment underbody 30" wide. Includes drop down front door with push-button latches. The storage compartment shall hold approximately 50` of 3" DJ hose. Locate [#LOC].	\$1,308.00
3380-0238	Pac Trac Vertical hinged swing-out toolboard PM-1000, adjustable in and out. Location: [#LOC]. Hinge along forward compartment wall. Includes latch to secure in the closed position that is accessible from the ground.	\$1,698.00
3380-0239	Adjustable roll-out tray with 500 lbs. capacity and a gas shock. PAC tool panel mounted on floor of tray. Location(s): L1	\$1,366.00
3380-0240	Floor mounted stainless steel roll-out tray. Includes OnScene Solutions slide 81900 series. 500 lbs. tray capacity. Location: [#LOC].	\$2,126.00
3380-0241	Adjustable stainless steel roll-out toolboard. Includes upper and lower adjustable track with 250 lbs. slides and gas shock actuated. Toolboard sized to compartment height and depth as applicable. Location(s): [#LOC].	\$1,036.00
3380-0242	Tool board brackets to include PAC 1004, fabricated boxes and stainless hooks.	\$396.00
3380-0243	Adjustable roll-out tray. Includes 500lbs. tray capacity. Location: L3 compartment. The tray to be maximum of 20" deep x standard compartment width size. Use 20" long slides due to the enhanced extended compartmentation.	\$1,021.00
3380-0244	Fixed aluminum toolboard. Toolboard to be spaced off tank with mounting blocks. Locate above pump module mounted to tank, as large as possible. Includes tank mounting blocks.	\$664.00
3380-0245	SlideMaster slideout tray (aluminum slide 2 rail) with aluminum tray. Size approx 43" wide x 98" deep. Tray to be notched to accommodate water tank fill tower. Tray design includes hose tray to accommodate vertically stacking 100' of 1-3/4" hose located on officer side of body between water tank fill tower and rear body and slotted holes in floor for hose ventaltion. Finish is sanded aluminum. Locate: In hose bed.	\$3,303.00

Option No.	Description	PRICE
3380-0246	Running board suction tray. Includes removable slats in bottom of tray. Tray inside dimensions to be 35" long from front to back x 10" from rub rail inward to pump panel x 9.5" total depth inside. Tray shall be equipped with a removable slat which will reduce the listed depth dimension. The outboard edge of the tray shall have no folded lip and shall bolt through rub rail to allow for max width. Location(s): [#LOC]	\$608.00
3380-0247	Floor mounted roll-out tray, 48" wide sized for portable pump. Includes 500lbs tray capacity. Location: R1 offset forward.	\$927.00
3380-0248	Vertical hinged swing-out tool board, adjustable in and out. Location: [#LOC]. Hinge along forward compartment wall. Includes single point D-ring latch to secure in the closed position that is accessible from the ground.	\$1,699.00
3380-0249	Compartment underbody. Includes drop down front door with push-button latches. To hold approximately 25' of 5" LDH hose in each underbody compartment. Locate below L1/R1.	\$1,308.00
3380-0250	Floor mounted Slide Master with tray. Notched. Model SM3-SP. 2/3rds deep. Notch rear forward corner to accommodate vertical exhaust to maximize utility. Finish to be sanded aluminum unless otherwise specified. Locate: L1 extended floor.	\$1,581.00
3380-0251	Left side running board SS hose tray with Duradek flooring. Well to store 50' of 4" hose.	\$577.00
3380-0252	Right side running board SS hose tray with Duradek flooring. Well to store 50' of 4" hose.	\$577.00
3380-0253	Adjustable aluminum peg toolboard with SlideMaster SM3-MP 600 lb. slides for use with deep compartments. Includes upper and lower adjustable track with lock in/lock out latch. Toolboard sized to compartment height and depth as applicable. Location(s): R1	\$1,366.00
3380-0254	Floating style right side running board SS hose tray with Duradek flooring. Well to be 34"L x 9"W x 11"D and offset rearward.	\$713.00
3380-0255	Floating style left side running board SS hose tray with Duradek flooring. Well to be 34"L x 9"W x 11"D and offset rearward.	\$713.00
3380-0256	Compartment with provision for 2 SCBA Bottle storage. Includes drop-down door with D-ring latch. Compartment to be located [#LOC].	\$670.00
3380-0257	L4 shall contain (1) permanent divider centered in the compartment. Forward of divider shall include (1) floor mounted tray and (1) adjustable tray. Rearward of the divider shall include (2) adjustable heavy duty roll-out toolboards.	\$4,916.00
3380-0258	R4 shall contain (1) permanent divider centered in the compartment. Forward of divider shall include (1) floor mounted tray and (1) adjustable tray. Rearward of the divider shall include (2) adjustable heavy duty roll-out toolboards.	\$4,916.00
3380-0259	R1 shall have (1) vertical partition 24" off forward wall with (1) adjustable shelf rearward of the partition.	\$1,667.00
3380-0260	Vertical hinged swing-out tool boards. Location: [#LOC]. (1) Hinged along forward compartment wall and (1) Hinged along rear compartment wall. They shall be positioned centered between door and back wall. Includes d-ring to secure in the closed position that is accessible from the ground.	\$3,287.00
3380-0261	Roll-out generator tray. Includes tray interlock. Locate R3. 23 x 18 x 3 spaced from forward wall 8 inches.	\$846.00
3380-0262	Vertical hinged heavy duty swing-out toolboard. Location: L2. Hinge along forward compartment wall and position so that face of toolboard will be 6" into compartment from back of closed door. Includes D-Ring latch to secure in the closed position that is accessible from the ground. Hinge made from 1/2	\$1,726.00
3380-0263	Floor mounted SlideMaster with tray and a vertical tool board centered in tray to accommodate horizontally mounting (4) tri-pod lights (2) to each side "Make and Model Pioneer 110V with dual light heads. SlidMaster Model SM3-HD. Mount on top of 5 inch tall channel to accommodate storage of cribbing below. Finish is sanded aluminum. Locate: B1 on top of extended floor.	\$3,067.00
3380-0264	PAC TRAC panels vertical stacked with tool mounting grooves orientated horizontal on forward and rearward side walls of compartment L2.	\$571.00
3380-0265	Tray, floor mounted roll-out with gas spring. 500 lbs. capacity. The front and rear lips shall be 1.5" high. Location: [#LOC].	\$711.00

Option No.	Description	PRICE
3380-0266	Vertical hinged swing-out Pegboard tool board. Location: R2. Hinge along forward compartment wall and position halfway in from door opening. Includes single point D-ring latch to secure in the closed position that is accessible from the ground.	\$1,781.00
3380-0267	Compartment underbody 66" wide with slide-out tray. Includes front door with D-ring latch(es). Door will be attached to the tray. Locate centered below L1/L2.	\$2,322.00
3380-0268	Tray / toolboard combination, floor mounted roll-out with gas spring. 500 lbs. capacity. The tray portion to be rearward. L1 rearward of CAFS unit.	\$1,612.00
3380-0269	Tray, floor mounted Slide Master with tray to accommodate Ferno model 71 basket with RIT equipment. Model SM3-HD. Locate: B1 extended floor.	\$2,103.00
3380-0270	Adjustable mounted Slide Master with tray. Model SM3-SP. Full depth B1 above extended floor.	\$2,103.00
3380-0271	The L1 Compartment shall include (1) extra unistrut track at the upper tool board mounting area. This shall provide for a total of (3).	\$160.00
3380-0272	Floor mounted low profile roll-out tray. Includes 250lbs capacity slides and a manual lock. Location: Right rear panel hydrant compartment.	\$480.00
3380-0273	Fixed back wall mounted toolboard. Toolboard to be spaced off wall a half inch. Location(s): L1 lower on forward, rearward and back walls. Note toolboard fixed to back wall will be removable due to jack access.	\$235.00
3380-0274	Vertical hinged heavy duty swing-out toolboard. Location: [#LOC]. Hinge along forward compartment wall and position centered between door and back wall. Includes D-Ring latch to secure in the closed position that is accessible from the ground and a ball type nylon catch with a ball socket rod to hold device in the open position. Hinge made from 1/2" stainless steel rod and stainless steel plate with flanged bearing top and bottom.	\$1,765.00
3380-0275	Vertical hinged heavy duty swing-out toolboard. Location: [#LOC]. Hinge along forward compartment wall and position 8 in. in from door opening between door and back wall. Includes D-Ring latch to secure in the closed position that is accessible from the ground and a ball type nylon catch with a ball socket rod to hold device in the open position. Hinge made from 1/2" stainless steel rod and stainless steel plate with flanged bearing top and bottom.	\$1,765.00
3380-0276	Storage system for compartment L1. Includes vertical partition 29" from left side wall with (2) adjustable HD tool boards ahead of partition and (2) adjustable shelves rearward of partition in lower section. HP75 / HP78 SideStacker.	\$2,824.00
3380-0277	Running board suction tray extra capacity, drivers side. Includes removable slats in bottom of tray. Tray to be as long as possible, and 5" deeper than standard tray depth for extra hose capacity. Location shall be on drivers side pump panel running board. (Note): ground clearance below tray will be reduced to approximately 9" over level ground.	\$1,318.00
3380-0278	Running board suction tray. Includes removable slats in bottom of tray. Tray to be as long and as deep as possible to hold 50' of 5.00" LDH hose with Storz couplings. Location(s): officer side runningboard.	\$797.00
3380-0279	Floor mounted SlideMaster tray with aluminum frame. Model M3. Single depth. Mount on [#LOC] floor.	\$1,267.00
3380-0280	PAC TRAC panels vertical stacked with tool mounting grooves orientated horizontal on each side of Swing-out Toolboard. Locate: L2.	\$849.00
3380-0281	Stainless steel underbody compartment with 500 lb. capacity Jonathan brand ball bearing slide drawer on the driver's and officer's side of the body forward of the rear wheels. The door face shall be constructed of brushed stainless steel and a locking bent D-ring style dead bolt latching mechanism shall be installed. Interior tray height to be 6" high while the width and depth shall fit the available area.	\$5,894.00

Option No.	Description	PRICE
3380-0282	All floor mounted and adjustable tray(s) to have 4" high sides all around IPO standard.	\$428.00
3380-0283	Tool board. A heavy duty 1/4" thick aluminum, gusseted vertical tool board approx 48" tall x tray length shall be provided to accommodate stowing (4) Res Q Jacks: (2) RJ3 Lift Stands and (2) RJ3 Stabilization and Lifting Struts. The tool board shall be welded inside a floor tray (Tray not included and selected seperatly) and stow jacks vertically next to each other. Jacks to be held in place with straps for fast access. Finish shall be sanded aluminum unless otherwise specified. Locate: R4.	\$2,015.00
3380-0284	Floor mounted Slide Master tray with 10 inch tall sides. Model SM3-SP. 1/2 depth transverse or full depth on non transverse. Includes a 10 inch tall welded divider located on center line with tray. Mount on [#LOC] floor.	\$1,758.00
3380-0285	Floor mounted Bi-Directional Slide Master tray with 8 inch tall sides. Includes a 8 inch tall welded divider located on center line with tray. Model SM2-D-SP. Mounted on [#LOC].	\$2,261.00
3380-0286	Tool Board. Weld a heavy duty gusseted vertical tool board / divider as tall as height allows centered inside tray. Material to be 1/4 inch thick aluminum and full depth of tray. Locate: [#LOC].	\$705.00
3380-0287	Tray for tool board. There will be a tray bolted to bottom of toolboard. The tray will be fabricated of smooth aluminum. Tray size to be 4 inches tall x 16 inches wide x depth of toolboard. Tray shall include a gusset for added support at each end. Finish shall be sanded aluminum. Locate: L1 low as possible on forward surface.	\$268.00
3380-0288	Adjustable mounted Slide Master with tray. Model SM3-SP. 30 inch depth. Tray shall be 30 inches deep front to rear. Locate: B1 upper area over frame rail and as close to compartment back wall as possible. Tray when at 100% extension shall partially extend outside of compartment approx 8 inches.	\$1,576.00
3380-0289	Fixed back wall mounted peg toolboard. Toolboard to be spaced off wall an inch. Location(s): [#LOC].	\$282.00
3380-0290	Notch, body compartment tray. Notch rear aft corner of floor mounted tray to accommodate minimum clearance around B1 forward bulkhead to maximize tray utility. Location: L3	\$131.00
3380-0291	Notch, body compartment tray. Notch forward rear corner of tray to accommodate minimum clearance around compartment forward bulkhead to maximize tray utility. Location: R3	\$131.00
3380-0292	Tray, floor mounted roll-out with gas spring. 500 lbs. capacity. For use with half transverse tray. Tray travel will be limited to 26 inches of extension. Location: [#LOC].	\$711.00
3380-0293	Floor mounted bi-directional Slide Master with tray. Aluminum Model M2D. Mounted on [#LOC].	\$1,962.00
3380-0294	Crosby Style compartment underbody with slide-out tray. Includes front door with D-ring latch(es). Door will be attached to the tray. Locate [#LOC].	\$2,322.00
3380-0295	Adjustable mounted bi-directional Slide Master toolboard. Mounted in transverse area of L2/R2.	\$2,355.00
3380-0296	Tray, floor mounted roll-out with mechanical rotary latch system. 500 lbs. capacity. Location: [#LOC].	\$711.00
3380-0297	SlideMaster slide out tray w/hose tray approx 10.875 wide x 124 long x 16 deep to hold 400' of 2.5" DJ. Includes handrail at rear top corner of tray and slotted holes in floor for hose ventilation. Floor mounted at rear of body in ladder tunnel on driver side.	\$1,652.00
3380-0298	There shall be a smooth plate aluminum cover over the top of the batteries and the side(s). The cover shall act as a shelf to allow storage of equipment on top of the batteries while also acting as a divider to seperate the equipment stored along side the batteries.	\$427.00
3380-0299	Divider. A welded heavy duty gusseted vertical divider 40 inches tall centered in tray: 1/4 inch thick aluminum and full depth of tray. (1) Gusset to be located to the back side of tray only. Option to accommodate mounting of hydraulic tools. Location: R4 floor mounted tray.	\$705.00

Option No.	Description	PRICE
3380-0300	Tray, SlideMaster Mount on top of angle welded to compartment side wall to accommodate cribbing storage below. Locate: B1.	\$2,035.00
3380-0301	PAC TRAC panels vertical stacked with tool mounting grooves orientated horizontal on forward wall of L1/R1 transverse compartment.	\$1,698.00
3380-0302	Adjustable heavy duty tool board with 500 lb capacity. Includes return style reinforcing bends on vertical front and rear edges of tool board, upper and lower adjustable track and gas shock actuated. Tool board sized to compartment height and depth as applicable. Upper end to be notched around compartment offset to provide maximum height. Relocate upper slide as applicable for maximum extension of toolboard. Location(s): [#LOC].	\$1,002.00
3380-0303	All rollout trays to be as wide as possible.	\$0.00
3380-0304	Tray, floor mounted roll-out with gas spring. 500 lbs. capacity. Location: L1 Tray to include a center vertical mounted peg board divider to extend 26in. above the top of the tray lip into open area above in compartment. Peg board will be centered in tray and positioned to utilize peg board storage on the forward and rearward sides of the board as mounted. Peg board to be utilized for fitting and tool storage.	\$917.00
3380-0305	Adjustable aluminum peg toolboard or use with transverse compartments. Includes lower adjustable tracks providing minimum 6" side to side adjustability . Toolboard sized to compartment height and depth as applicable. Includes gusseted supports on both ends. Location(s): L2/R2 transverse area, offset forward.	\$1,115.00
3380-0306	Fixed wall mounted peg toolboard. Toolboard to be spaced off wall a half inch on forward, rearward and back wall from floor to ceiling (as practical). Location(s): [#LOC].	\$1,125.00
3380-0307	SlideMaster generator roll-out tray with interlock. Model SM3-SP. Single depth. Mount on [#LOC] floor.	\$1,109.00
3380-0308	Tray divider, vertical divider minimum 16" tall x tray depth x 1/4 inch thick alum pegboard. The divider will be adjustable as located within the tray in L2.	\$470.00
3380-0309	Floating style right side running board SS hose tray with Duradek flooring. Well to be 46"L x 8.5"W x 11"D to retain (2) 50' doughnut rolls of 4" LDH hose.	\$713.00
3380-0310	Fixed upper transverse wall mounted peg toolboard. Toolboard to be spaced off wall a half inch. Includes cutouts in toolboard for adjustable shelf tracking for shelving to be as wide as possible. Toolboard to align with top of transverse shelf and extend out to door opening and as high as practical. Location(s): L1/R1 forward wall.	\$1,124.00
3380-0311	Fixed upper transverse wall mounted peg toolboard. Toolboard to be spaced off wall a half inch. Includes cutouts in toolboard for adjustable shelf tracking for shelving to be as wide as possible. Toolboard to align with top of transverse shelf and extend out to door opening and as high as practical. Location(s): L1/R1 rearward wall.	\$1,124.00
3380-0312	Fixed wall mounted peg toolboard. Toolboard to be spaced off wall a half inch on forward, rearward and back wall from floor to ceiling as practical. Location(s): [#LOC].	\$844.00
3380-0313	Divider. Provide a bolt in heavy duty vertical divider with gussets at each end. Divider to be 1/4 inch thick aluminum 27 inches tall x 32 inches deep & upper corners of divider to have a 4 inch radius. Option to accommodate mounting of (4) four universal air pack brackets, (2) each side of divider. Location: R3, centered in floor mounted tray.	\$705.00
3380-0314	Vertical hinged heavy duty swing-out toolboard. Location: R2. Hinge along forward compartment wall and position centered between door and back wall. Includes Tri-Mark latch to secure in the closed position that is accessible from the ground. Hinge made from 1/2" stainless steel rod and stainless steel plate with flanged bearing top and bottom.	\$1,810.00

Option No.	Description	PRICE
3380-0315	Floating style right side running board SS hose tray with Duradek flooring. Well to be 50"L x 8.5"W x 8"D and includes (2) divided areas offset rearward for 2.5 gal water can extinguisher storage.	\$789.00
3380-0316	Vertical hinged severe duty swing-out tool board. Location:[#LOC] Hinge along rearward compartment wall and position centered between door and back wall. Includes positive lock to secure in both closed and open position that is accessible from the ground. Heavy duty pivots for 400lb weight capacity on tool board. Tool board is to be Peg board style with 1in. on center pattern for the peg board holes.	\$3,974.00
3380-0317	Tray, adjustable roll-out with 500 lbs. capacity and a gas shock. There shall be 3" clearance between the back of the tray and all mounting hardware to the back wall of compartment. Location(s): L3.	\$1,021.00
3380-0318	Floor mounted Slide Master with flat plate. Model SM3-MP (Mid profile) with 300 Lb capacity. For use with deep compartments. Located upper pump module compartment.	\$1,239.00
3380-0319	Floor mounted SlideMaster tray with aluminum frame. Model AM3 with 600lb capacity. Mount on [#LOC] floor.	\$1,379.00
3380-0320	PAC TRAC panels vertical stacked with tool mounting grooves orientated horizontal on each side of (1) roll-out tool board. Tool board not included & requires a tool board selection. Locate in compt [#LOC].	\$1,697.00
3380-0321	L1 shall contain (1) permanent divider 12" off of forward wall. Forward of divider shall include (1) permanent shelf 25" off of extended floor. Rearward of the divider shall include (1) floor mounted slidemaster roll-out tray on extended floor.	\$1,585.00
3380-0322	Floor mounted roll-out tray. Includes 500lbs. tray capacity. No lip on tray. Location: L3.	\$927.00
3380-0323	Tool peg board, bolt in, inverted V shape. A bolt in tool peg board in the shape the letter V inverted shall be provided. The tool board shall be sized to best accommodate a 10 in. tall x 10 in. wide tripod sleeve in the middle and provide a stop at 90 in. deep. The tool board shall be sized in height and depth as applicable. Material is 1/4 inch smooth aluminum peg board. Finish is sanded aluminum. Locate:centered in B1 tray.	\$1,769.00
3380-0324	Floor mounted Slide Master with tray. Model SM3-HD. Locate: B1 extended floor. Option to provide up to 108" extension of B1 at extended floor level.	\$2,272.00
3380-0325	Roll-out generator style tray (no interlock). 18 inches wide. Locate: R4, on floor aft of partition.	\$965.00
3380-0326	Fixed back wall mounted plywood (Grade A Birch) tool boards. Includes (3) coats of varnish. Toolboards to be spaced off wall a half inch. Location: (1) L3 upper, (1) R1 upper, (1) R2 & (1) R3 upper.	\$1,166.00
3380-0327	Adjustable mounted Hansen roll-out/tilt-down tray. Location(s): R2. For use in single depth or rescue style compartments.	\$1,505.00
3380-0328	Adjustable heavy duty two sided peg board roll-out aluminum tool board with hidden gas shock . Includes return style re-enforcing bends on vertical front and rear edges of tool board with boxed in design, upper and lower adjustable track and gas shock actuated. Tool board sized to compartment height and depth as applicable. Location(s): [#LOC]	\$1,111.00
3380-0329	Adjustable heavy duty two sided tool board with 500 lbs. capacity. Includes return style reinforcing bends on vertical front and rear edges of tool board and boxed in design, upper and lower adjustable track and gas shock actuated. Tool board sized to compartment height and depth as applicable. Location(s): [#LOC].	\$935.00
3380-0330	Fixed back wall mounted plywood (Grade A Birch) toolboard. Includes (3) coats of varnish. Toolboard to be spaced off wall a half inch. Location: (1) L2	\$508.00
3380-0331	Floor mounted Slide Master with tray. Model SM3-SP. 1/2 depth transverse or full depth on non transverse. Tray side walls to be 6 inches tall. Design includes (4) four 2 inch diameter holes equally spaced each side wall of tray for hold down strap attachment. Mount on [#LOC] floor.	\$1,493.00

Option No.	Description	PRICE
3380-0332	Floor mounted Slide Master with tray. Model SM3-SP. Tray to be 33 in wide x 33 in deep. Locate: B1 floor	\$1,243.00
3380-0333	Running board suction tray (floating style). Includes tapered 3" front corner and removable slats in bottom of tray. Tray to be as long as possible. Also tray to be wider than standard to accommodate three lays of 1.75" DJ hose. Requires 2" wider running board. Location(s): [#LOC].	\$992.00
3380-0334	Vertical hinged heavy duty swing-out toolboard. Location: [#LOC]. Hinge along forward compartment wall and position close at door opening just inside envelope to clear door. Customer to utilize the back wall of the compartment and the back wall of the swing out tool board only. Includes D-Ring latch to secure in the closed position that is accessible from the ground. Hinge made from 1/2in. stainless steel rod and stainless steel plate with flanged bearing top and bottom.	\$1,726.00
3380-0335	PAC TRAC panels vertical stacked with tool mounting grooves orientated horizontal on back side of Swing-out Tool board. Locate:[#LOC].	\$848.00
3380-0336	Vertical hinged swing-out peg tool board as large as practical for size of compartment. Location: R4. Hinge along rearward compartment wall. Adjustable depth with upper and lower stainless Unistrut channels. Includes single point D-ring latch to secure in the closed position that is accessible from the ground.	\$2,381.00
3380-0337	Tool Board, PAC brand double sided adjustable slide out tool board on slide p/n VSO-24. Locate (1) in compt. [#LOC].	\$1,880.00
3380-0338	Adjustable mounted Hansen roll-out/tilt-down tray. Location(s): R1. For use in single depth or rescue style compartments.	\$1,505.00
3380-0339	Running board suction tray with extra capacity (see drawing for details). Includes removable slats in bottom of tray. Location(s): [#LOC]	\$668.00
3380-0340	PAC TRAC panels vertical stacked with tool mounting grooves orientated horizontal on rearward wall of compartment. Locate: [#LOC].	\$849.00
3380-0341	PAC TRAC panels vertical stacked with tool mounting grooves orientated horizontal on forward, rearward and back walls of compartment R1 upper and lower.	\$1,042.00
3380-0342	PAC TRAC panels vertical stacked with tool mounting grooves orientated horizontal on forward, rearward and back walls of compartment L1 upper only.	\$540.00
3380-0343	Floor mounted roll-out tray with back wall as high as possible. There shall be a toolboard 36" from rear wall of tray. Includes 500lb tray capacity. Location: R1 floor.	\$1,399.00
3380-0344	Compartment underbody with slide-out tray. Includes drop-down front door with Tri-Mark latch(es). [#LOC].	\$2,322.00
3380-0345	Running board suction tray. Includes removable slats in bottom of tray. Tray to be as long as possible. Also tray to be wider than standard to accommodate three lays of 1.75" DJ hose. Requires 2" wider running board. Location(s): [#LOC].	\$1,272.00
3380-0347	Vertical hinged swing-out tool board, adjustable in and out. Location: [#LOC]. Hinge along rearward compartment wall. Includes single point D-ring latch to secure in the closed position that is accessible from the ground.	\$1,699.00
3380-0348	Vertical hinged heavy duty swing-out toolboard. Location: L2. Hinge along forward compartment wall and position 14" off back wall. Includes D-Ring latch to secure in the closed position that is accessible from the ground. Hinge made from 1/2" stainless steel rod and stainless steel plate with flanged bearing top and bottom.	\$1,726.00
3380-0349	Floor mounted Slide Master with tray. Model SM3-SP. Floor mounted at rear of body in ladder tunnel on driver side.	\$1,393.00
3380-0350	PAC TRAC panels vertical stacked with tool mounting grooves orientated horizontal on forward, rearward and back walls of compartment L5 upper and lower.	\$1,042.00

Option No.	Description	PRICE
3380-0351	Toolboard, adjustable with 500 lb. slides for use with deep compartments. Includes upper and lower adjustable track with lock in/lock out latch. Toolboard sized to compartment height and depth to be 2/3 of transverse compartment. Location: R1	\$1,203.00
3380-0352	Toolboard, adjustable with 500 lb. slides for use with deep compartments. Includes upper and lower adjustable track with lock in/lock out latch. Toolboard sized to compartment height and depth to be 2/3 of transverse compartment. Location: L3	\$1,203.00
3380-0353	Tray, tool board. There shall be a tray bolted to bottom edge of tool board. The tray will be fabricated of smooth aluminum. Tray size to be 2 inches tall x 10 inches wide x depth of tool board. Tray shall include a gusset at each end for added support as required. Finish shall be sanded aluminum. Locate: L3 low as possible on tool board per customer drawing.	\$268.00
3380-0354	Tray, roll-out, adjustable, 500lb capacity. Provide a 1/2 depth adjustable tray with lock in/lock out latch. Note: Tray slide range is limited to 36 inches. Locate: L2.	\$1,375.00
3380-0355	Tray, roll-out, adjustable, 500lb capacity. Provide a full depth adjustable tray with lock in/lock out latch. Note: Tray slide range is limited to 36 inches. Locate: B1.	\$1,375.00
3380-0356	Tray, adjustable roll-out with 500 lbs. capacity and a gas shock. Tray to be 8" high on all (4) sides. Location(s): L1.	\$1,021.00
3380-0357	Fixed aluminum tool mounting panel for use with customer/dealer installed hydraulic rescue tools. Panel to be 30" high x full depth of tray. Includes formed side flanges and gusseted supports on both ends. Location: On left side of floor tray in the B1 compartment.	\$857.00
3380-0358	PAC TRAC panels vertical stacked with tool mounting grooves orientated horizontal on forward and rearward side walls of compartment R2.	\$571.00
3380-0359	PAC TRAC panels vertical stacked with tool mounting grooves orientated horizontal on forward and rearward side walls of compartment L1.	\$571.00
3380-0360	Tray modification to the slide-out tray in R3 compartment. The side of tray that is at R3 opening, to hinge down and lock with a pin on each end, in the upright position.	\$213.00
3380-0361	Adjustable heavy duty tool pegboard with 500 lbs. capacity. Includes return style reinforcing bends on vertical front and rear edges of tool board, upper and lower adjustable track and gas shock actuated. Tool board sized to compartment height and depth as applicable. Upper end to be notched around compartment offset to provide maximum height. Relocate upper slide as applicable for maximum extension of toolboard. Location(s): [#LOC].	\$1,178.00
3380-0362	Adjustable mounted Hansen roll-out/tilt-down tray. Location(s): [#LOC] For use in single depth or rescue style compartments.	\$1,505.00
3380-0363	Left side running board SS hose tray with Duradek flooring. Well to store minimum 25' of 5" hose.	\$577.00
3380-0364	Adjustable roll-out tray with 500 lbs. capacity. Tray to have 4" lips. Location(s): [#LOC].	\$1,315.00
3380-0365	Tray, roll-out, adjustable, 500lb capacity. Provide a 1/2 depth adjustable tray with lock in/lock out latch. Note: Tray slide range is limited to 36 inches. Locate: [#LOC].	\$1,375.00
3380-0366	Vertical hinged swing-out Pegboard tool board, adjustable in and out. Location: R3. Hinge along rearward compartment wall. Includes single point D-ring latch to secure in the closed position that is accessible from the ground.	\$1,781.00
3380-0367	PAC TRAC panels vertical stacked with tool mounting grooves orientated horizontal on forward, rearward and back wall as high as practical. Location(s): R2 lower.	\$2,406.00
3380-0368	PAC TRAC panels vertical stacked with tool mounting grooves orientated horizontal on standard rescue forward, rearward and back wall as high as practical. Location(s): L5 lower.	\$1,548.00
3380-0369	Pac Trac panels vertically stacked on each side of rollout tool board in compt (3)-L2 and (1)-R2.	\$6,461.00

Option No.	Description	PRICE
3380-0370	PAC TRAC panels on bottom of roll out tray. Locate: Floor mounted tray in L3.	\$375.00
3380-0371	Divider, tray. Weld a heavy duty gusseted vertical divider 40 inches tall and full depth of tray. Material: 1/4 inch thick aluminum with sanded finish. Option to accommodate mounting of (2) two Rescue 42 struts tools. Location: L4 floor mounted tray offset to front.	\$705.00
3380-0372	Divider, tray. Weld a heavy duty gusseted vertical divider 40 inches tall and full depth of tray. Material: 1/4 inch thick aluminum with sanded finish. Option to accommodate mounting of (2) two Rescue 42 struts tools. Location: R4 floor mounted tray offset to front.	\$705.00
3380-0373	Toolboard storage box: Installed on the lower side of the toolboard (opposite side of gas shock if equipped). Approximately 6"x6"xAvailable depth of the toolboard. Location: [#LOC]	\$268.00
3380-0374	Vertical hinged swing-out tool board, adjustable in and out. Location: [#LOC]. Hinge along forward compartment wall. Includes single point D-ring latch to secure in the closed position that is accessible from the ground. To be full height of the compartment.	\$3,299.00
3380-0375	Fixed aluminum toolboard mounted to Poly Tank. Toolboard to be spaced off tank with mounting blocks (tank mounting blocks included). Board to be located above pump module and L1 mounted to tank. Additional slide-out Platform step(s) required due to increase height of toolboard to assist in access. Final board dimensions shall be approved at departmental pre-con meeting. Wetside Tanker only.	\$764.00
3380-0376	Fixed aluminum toolboard mounted to Poly Tank. Toolboard to be spaced off tank with mounting blocks (tank mounting blocks included). Board to be located above rear speedlays mounted to tank. Additional slide-out Platform step(s) required due to increase height of toolboard to assist in access. Wetside Tanker only.	\$764.00
3380-0377	Adjustable heavy duty two sided tool board rated at 500 lbs. capacity with dual side pockets. Includes return style reinforcing bends on vertical front and rear edges of tool board and boxed in design, upper and lower adjustable track and gas shock actuated. Shall be equipped with (2) pockets, (1) one mounted to bottom on forward facing surface approx. 10" x 10" by as long as tool board will allow and (1) one mounted to bottom rearward facing surface approx. 5" x 10" by as long as tool board will allow. Tool board sized to compartment height and depth as applicable. Location: L5 compartment.	\$1,332.00
3380-0378	GEARGRID SingleSwingOut Tool Grid. Location:[#LOC]. Includes swingout out tool grid hinged along the forward compartment wall and stationary grid along the back wall. Color: Gray	\$2,708.00
3380-0379	Floor mounted Bi-Directional Slide Master with tray. Model SM2-D-SP. Mounted inside cab medical cabinet. The tray shall be made as wide as possible. Options like rear wall cab heaters, etc will reduce the width of the tray.	\$1,962.00
3380-0380	Vertical hinged swing-out toolboard, adjustable in and out. Location: L2. Hinge along forward compartment wall. Includes latch to secure in the closed position that is accessible from the ground. Hinge made from 1/2" stainless steel rod and stainless steel plate with flanged bearing top and bottom.	\$1,644.00
3380-0381	Tool board(s) to have a hand hold cutout on each outboard edge.	\$270.00
3380-0382	Floor mounted Slide Master with tray. Model SM3-SP. 1/2 depth tray sized to accommodate (24) ZICO plastic SCBA storage tubes stacked 4 tall x 6 deep. Tray lip facing forward in body to be notch to access SCBA bottles stowed in ZICO rack on floor of tray. Locate: L2.	\$1,325.00
3380-0383	Tray, floor mounted roll-out with gas spring and "Hansen" slides. 500 lbs. capacity. Location: [#LOC].	\$1,149.00
3380-0385	Adjustable mounted roll-out tray with gas spring and "Hansen" slides. 500 lbs tray capacity. Location(s): [#LOC]	\$1,678.00

Option No.	Description	PRICE
3380-0386	Pac Trac Dual Vertical hinged swing-out toolboards PM-1000, adjustable in and out. Location: [#LOC]. Hinge (1) forward and (1) rearward compartment walls. Includes latch to secure in the closed position that is accessible from the ground.	\$3,396.00
3380-0387	Tray, tool board. There shall be three (3) trays equal size bolted to bottom edge of toolboards. The tray will be fabricated of smooth aluminum. Tray size to be 3 inches tall x 7 inches wide x depth of toolboard. Finish shall be sanded aluminum. Locate: L2 low as possible on tool board per customer drawing.	\$804.00
3380-0388	Roll-out generator tray low profile with locking slides. Includes tray interlock. Locate [#LOC].	\$1,039.00
3380-0389	Divider for roll out tray. Provide a three (3) sided vertical divider insert 20 inches tall X full depth of tray. Includes (1) additional divider between the sides located 8 inches from forward side divider wall. Upper outer corners to have a 4 inch radius. Finish to be sanded aluminum unless other wise specified. Locate: R1 welded inside floor mounted tray.	\$373.00
3380-0390	Right side running board SS hose tray with Duradek flooring. Well to store minimum 25' of 5" hose.	\$577.00
3380-0391	Running board suction tray (floating style). Includes tapered 3" front and rear corner(s) and removable slats in bottom of tray: [#LOC].	\$773.00
3380-0392	Four (4) poly boxes to be 10" x 10" x 22", black, mounted on floor of compartment R1.	\$678.00
3380-0393	Adjustable heavy duty two sided tool board with 500 lbs. capacity. Includes return style reinforcing bends on vertical front and rear edges of tool board and boxed in design, upper and lower adjustable track and gas shock actuated. Tool board sized to compartment height and depth as applicable. Upper end to be notched around compartment offset to provide maximum height. Location(s): [#LOC].	\$1,054.00
3380-0394	PAC TRAC panels vertical stacked with tool mounting grooves orientated horizontal on one (1) side, of one (1) roll-out tool board. Tool board not included & requires a tool board selection. Locate in compt [#LOC]. Reference sales drawing for tool board location if more than one toolboard in compartment.	\$849.00
3380-0395	Vertical hinged heavy duty swing-out toolboard. Location: [#LOC]. Hinge along forward compartment wall and adjustable in and out. Includes D-Ring latch to secure in the closed position that is accessible from the ground. Hinge made from 1/2" stainless steel rod and stainless steel plate with flanged bearing top and bottom.	\$1,818.00
3380-0396	Running board suction tray. Includes removable slats in bottom of tray. Tray to be approx. 16" wide x 10" deep to hold a roll of 25' of 4.00" LDH hose with couplings. Location(s): officer side runningboard.	\$797.00
3380-0397	PAC TRAC panels vertical stacked with tool mounting grooves orientated horizontal on forward wall of compartment. Locate: [#LOC].	\$849.00
3380-0399	Floor mounted Bi-Directional Slide Master with tray. Model SM2-D-SP. Mounted on transverse floor of L4/B1/R4. Tray to have 4" sides.	\$1,643.00
3380-0400	Floor mounted roll-out/tilt down tray with aluminum frame and locking handle offset 3" to right from center. Note locking handle offset from center for striker pin clearance allowing tray to mount directly to floor with no or minimal spacers. Applies only to compartments w/lift-up doors. Mount on [#LOC] floor.	\$1,160.00
3380-0401	Tray, floor mounted roll-out with gas spring. 500 lbs. capacity. Location: L1, tray to be 22" wide x 15" deep ID and offset forward.	\$711.00
3390-0385	Compartment R2 to have the following storage package: (1) vertical partition 12" off forward wall and the following located forward of the partition: (2) adjustable shelves. Rearward of partition: (1) 18" wide floor mounted roll-out tray with 48" high tool board centered on the floor of the tray.	\$2,435.00
3390-0454	Bolt-in partition wall. Locate in [#LOC] 12" off forward wall.	\$236.00

Option No.	Description	PRICE
3390-0503	An adjustable partition wall(s) will be locate in [#LOC]. This will include both top and bottom adjustable tracks.	\$696.00
3390-0509	Bolt-in vertical peg board style partition wall. Locate in [#LOC].	\$236.00
3390-0512	Partition, transverse. A transverse bolt-in vertical partition wall shall be provided. Locate in [#LOC].	\$542.00
4000-0038	Bleeder valves as required.	\$0.00
4005-0007	Hale Centrifugal Booster PTO Pump - 2 Stage	\$17,780.00
4005-0008	Hale AP 500 PTO single stage Pump	\$17,962.00
4005-0009	Hale RSD (1250 GPM) single stage MGA gear box driven pump. For use with rear mount pump body.	\$29,418.00

4005-0046	Hale QSMG 1000-2000 GPM Pump single stage Bronze (Dealer only)	\$46,649.00
4005-0049	Class 1 Pump/Pump Module Package. Includes the following: LED panel lights, (1) DSDM Pump, (1) Class 1 Captain Pressure Governor, (1) Enfo IV, (1) Class 1 Intelli-tank water and foam level gauge, (1) 2.1A Foam Logix - plumbed to speedlay preconnects and front jump. (1) 2" tank fill, (1) 3" tank to pump, (1) driver and (1) officer 2.5" aux. intake, (1) driver side 2.5" and (1) 3" discharge w/integral droops, (1) officer side 3" discharge w/integral droop, officer side lower intake port for 5" front intake application w/MIV-E (E-ONE to do piping from Class 1 MIV-E to front of cab), (1) 2.5" driver side front hosebed discharge, (2) 1.5" speedlay preconnects, (1) 3" deck gun (pipe offset to driver side due to access door in pan) and (1) 1.5" front bumper discharge (swivel located on bumper to driver side). All discharge/intakes to be electric valves and controlled from inside rear of cab.	\$84,239.00
4005-0050	c	\$0.00
4005-0051	Rating 1500 IGPM	\$0.00
4005-0052	Hale QMAX 1500-2250 GPM single stage pump with K Gear Box	\$30,889.00
4005-0053	Hale QMAX-21L 1500 pump. Tradition.	\$26,467.00
4005-0054	Hale Qflo-23L 1250 pump. Tradition.	\$20,673.00
4005-0055	Waterous CS Single Stage Pump.	\$25,250.00
4005-0056	Waterous CSU Single Stage Pump.	\$30,877.00
4005-0057	Hale DSD Pump 750/1500 GPM single stage	\$33,604.00
4005-0058	RATING 5000 LPM	\$0.00
4005-0059	Hale Qflo-19L 1250 pump. Tradition.	\$20,673.00
4005-0060	Hale HPX300 BD26 Hale Portable Pump mounted in pan. W/Remote controls in Cab. Hook up to Chassis Fuel System.	\$21,710.00
4005-0061	Hale AP 500 MGA T-Case Driven single stage Pump.	\$22,560.00
4005-0062	Waterous S100D (1500 GPM) single stage pump. For use with rear mount pump body.	\$41,670.00
4005-0063	Hale QFLO Plus 750-1250 GPM Pump single stage	\$45,740.00
4005-0064	PM80 Vacuum Pump. Includes primary and secondary shut offs, (4) water level gauges- (3) body and (1) cab and the (3) inlets/outlets with switching.	\$0.00
4005-0065	PM100 Vacuum Pump (for use with AP or MBP pumps only). Includes primary and secondary shut offs, (4) water level gauges- (3) body and (1) cab and the (3) inlets/outlets with switching.	\$2,963.00
4005-0066	AP50 pump without steamers. Includes:	\$0.00
4005-0067	AP50 pump with steamers. Includes:	\$0.00
4005-0068	MBP747 pump with steamers. Includes:	\$0.00
4005-0069	MBP1000 pump with steamers. Includes:	\$0.00
4005-0070	DSD1250 pump with steamers. Includes:	\$0.00
4005-0071	CET portable pump. Locate: Includes:	\$0.00
4005-0072	PTO for use with PM80 vacuum pump and EVS3000 transmission.	\$0.00
4005-0073	PTO for use with PM100 vacuum pump and EVS3000 transmission.	\$0.00
4005-0074	PTO for use with PM100 vacuum pump and EVS4000 transmission.	\$0.00

Option No.	Description	PRICE
4005-0075	PTO for use with AP50 pump and EVS3000 transmission.	\$0.00
4005-0076	PTO for use with AP50 pump and EVS4000 transmission.	\$0.00
4005-0077	PTO for use with MBP pump and EVS3000 transmission.	\$0.00
4005-0078	PTO for use with MBP pump and EVS4000 transmission.	\$0.00
4005-0079	Hale DSD Pump 750/1500 GPM single stage	\$29,425.00
4005-0080	Hale Centrifugal CBP Booster Pump - 1/Stage w/T-CASE	\$19,995.00
4005-0081	Hale RSD single stage, PTO driven pump. For use with rear mount pump body and mid-ship engine applications.	\$22,166.00
4005-0082	Hale DSD single stage pump.	\$28,686.00
4005-0083	Rating 1500 GPM. Includes rams horn intake adaptors (1) each side	\$1,345.00
4005-0084	PM100 Vacuum Pump (for use with DSD pump only). Includes primary and secondary shut offs, (4) water level gauges- (3) body and (1) cab and the (3) inlets/outlets with switching.	\$2,963.00
4005-0085	Hale QMAX-21L 1750 pump. Tradition.	\$26,467.00
4005-0086	Hale RSD/RGA single stage pump. For use with rear mount pump body.	\$31,959.00
4005-0087	Waterous S100D/TC20 single stage pump. For use with rear mount pump body.	\$30,459.00
4005-0088	Hydraulically driven PM 100 vacuum pump and APH50 water pump. Hydraulic motor driven by PTO on driver side of EVS 4000 series transmission. 40 gallon hydraulic reservoir. Vacuum pump system includes primary and secondary shut-offs, 4 water level gauges ? 3 body and 1 cab and the (3) inlets/outlets with switching.	\$2,963.00
4005-0089	RATING 6000 LPM	\$0.00
4005-0090	Hale Pump Pro-Tech Extended 3 Year Warranty in addition to the standard 2 year warranty. Hale to supply 3 years additional warranty with no charge.	\$0.00
4005-0091	RATING 7000 LPM	\$0.00
4005-0092	RATING 8000 LPM	\$0.00
4005-0093	RATING 4000 LPM	\$0.00
4005-0094	RATING 3000 LPM	\$0.00
4005-0095	Waterous CM1250 two stage pump. Includes flame-plated impeller hubs. Tradition.	\$29,854.00
4005-0096	Waterous CMU 1500-2250 GPM two stage Pump	\$33,377.00
4005-0097	PM100 Vacuum Pump (for use with DSD pump only). Includes primary and secondary shut offs, (4) water level gauges- (3) body and (1) cab and the (2) inlets/outlets officer's, driver side and (1) 10" rear dump only with switching.	\$7,488.00
4005-0098	Waterous Pump TPP-5 Extended Warranty.	\$1,875.00
4005-0099	Hale Pump Pro-Tech Extended 3 Year Warranty in addition to the standard 2 year warranty.	\$2,121.00
4005-0100	Hale AP50 PTO driven pump. Includes driver side 5" intake with cap (shipped loose). Capacity of 500GPM/1892LPM	\$13,796.00
4005-0101	Hale MBP PTO driven pump. Includes driver side 6" intake with cap (shipped loose). Capacity of 750GPM/2839LPM.	\$18,517.00
4005-0102	Hale MBP PTO driven pump. Includes driver side 6" intake with cap (shipped loose). Capacity of 1000GPM/3785LPM.	\$18,517.00
4005-0103	Rating 500 GPM.	\$0.00
4005-0104	Hale QFLO pump.	\$0.00
4005-0105	Hale QMAX pump.	\$4,931.00
4005-0106	Pump gear box to be 23L. For use with 1250 gpm QFLO pump.	\$0.00

Option No.	Description	PRICE
4005-0107	Pump gear box to be 21L. For use with 1500 gpm QMAX pump.	\$4,931.00
4005-0108	Pump gear box to be 23X. For use with 1250 gpm QFLO pump.	\$0.00
4005-0109	Pump gear box to be 21X. For use with 1500 gpm QMAX pump.	\$4,931.00
4005-0110	Pump gear box to be 23L. For use with 1250 gpm Hale QFLO pump. Includes officer side lower port with MIV-E valve for use with an auxiliary large intake.	\$0.00
4005-0111	Pump gear box to be 21L. For use with 1500 gpm Hale QMAX pump. Includes officer side lower port with MIV-E valve for use with an auxiliary large intake.	\$4,931.00
4005-0112	Pump gear box to be 23X. For use with 1250 gpm Hale QFLO pump. Includes officer side lower port for use with an auxiliary large intake.	\$0.00
4005-0113	Pump gear box to be 21X. For use with 1500 gpm Hale QMAX pump. Includes officer side lower port for use with an auxiliary large intake.	\$4,931.00
4005-0114	Pump gear box to be 23L. For use with 5000 lpm QFLO Plus pump.	\$0.00
4005-0115	Pump gear box to be 21L. For use with 6000 lpm QMAX pump.	\$0.00
4005-0116	Pump gear box to be 23X. For use with 5000 lpm QFLO Plus pump.	\$0.00
4005-0117	Pump gear box to be 21X. For use with 6000 lpm QMAX pump.	\$0.00
4005-0118	Pump gear box to be 23L. For use with 5000 lpm Hale QFLO Plus pump. Includes officer side lower port with MIV-E valve for use with an auxiliary large intake.	\$0.00
4005-0119	Pump gear box to be 21L. For use with 6000 lpm Hale QMAX pump. Includes officer side lower port with MIV-E valve for use with an auxiliary large intake.	\$0.00
4005-0120	Pump gear box to be 23X. For use with 5000 lpm Hale QFLO Plus pump. Includes officer side lower port for use with an auxiliary large intake.	\$0.00
4005-0121	Pump gear box to be 21X. For use with 6000 lpm Hale QMAX pump. Includes officer side lower port for use with an auxiliary large intake.	\$0.00
4005-0122	Waterous CSU 1500-2250 GPM single stage Pump. Shall include the Endurance CSC20 Waterous, C20 transmission.	\$41,217.00
4005-0123	Hale QMAX 2000 pump. Special Tradition. Includes 4" set-up for officer side #1 port.	\$26,467.00
4005-0124	Driveline components for use with an EVS3000 transmission and a DSD pump application.	\$0.00
4005-0125	Driveline components for use with an EVS4000 transmission and a DSD pump application.	\$0.00
4005-0126	Rating 1250 IGPM	\$0.00
4005-0127	Hale QMAX-21L 1500 pump. Tradition.	\$26,467.00
4005-0128	Rating 2500 GPM Certification	\$3,282.00
4005-0129	Hale 8FG single stage pump. For use with Industrial products.	\$41,307.00
4005-0130	Hale QFLO-PLUS 750-1250 GPM Pump single stage	\$24,472.00
4005-0131	E-ONE 1250-1500 GPM pump, single stage.	\$37,675.00
4005-0132	Hale AP 500 RGA T-Case Driven single stage Pump.	\$22,560.00
4005-0133	Hale RSD single stage PTO driven pump. For use with rear mount applications only.	\$23,003.00

Option No.	Description	PRICE
4005-0134	Hale CBP 250GPM PTO pump. Plumbed for use with all discharges of the foam manifold and suction side to water tank. For use as pump and roll application with controls located in the cab. Includes pre-set discharge pressure relief valve at 125psi and (2) check valves to prevent pressurizing pumps when not engaged.	\$9,847.00
4005-0135	Hale Qflo-23X 1250 pump. Tradition.	\$20,673.00
4005-0136	Hale MBP PTO driven pump. Includes driver side 5" intake with cap (shipped loose). Capacity of 750GPM/2839LPM. For use with Wetside Tanker only.	\$15,939.00
4005-0137	Darley 1000 to 1500 single stage, PTO driven pump.	\$23,418.00
4005-0138	Hale QMAX 1000-2250 GPM single stage pump.	\$38,911.00
4005-0139	PTO pump, Darley JMP, 500 GPM, 2-stage, high pressure, option, Wildland	\$27,028.00
4005-0140	PTO pump, Hale Qpak, 1000 GPM, base, Wildland	\$37,459.00
4005-0141	Hale Auxiliary Portable Pump, HPX100-KBD24, base, Wildland	\$27,492.00
4005-0142	Auxiliary Portable Pump, Darley 1-1/2 AGE 26BSD, Option, Wildland	\$24,781.00
4005-0143	Hale DSD Pump 750/1500 GPM single stage	\$24,234.00
4005-0144	Hale AP PTO driven pump. Includes driver side 5" intake with cap (shipped loose). Capacity of 500GPM/1892LPM. For use with Wetside Tanker only.	\$14,079.00
4005-0145	Hale MBP PTO driven pump. Includes driver side 6" intake with cap (shipped loose). Capacity of 1000GPM/4000LPM. For use with Wetside Tanker only.	\$16,611.00
4005-0146	Hale MBP PTO driven pump for use with under tank mounting. Includes driver side 5" intake with cap (shipped loose). Capacity of 750GPM/2839LPM. For use with Wetside Tanker only.	\$15,939.00
4005-0147	E-ONE 1250-1500GPM PTO pump, single stage.	\$37,680.00
4005-0148	Hale QMAX-21X 1500 pump. Tradition.	\$26,467.00
4005-0149	Rating 3000 GPM Industrial	\$0.00
4005-0150	Hale MG Pump 500/1000 GPM single stage	\$23,430.00
4005-0151	Install existing pump. Pump model # and serial # must be supplied: _____.	\$1,454.00
4005-0152	Hale MG Pump 500/1000 GPM single stage	\$19,825.00
4005-0153	PM100 Vacuum Pump (for use with APH or MBP pumps only). Includes primary and secondary shut offs, (4) water level gauges- (3) body and (1) cab and the (3) inlets/outlets with switching.	\$2,962.00
4005-0154	Hale QMAX-XS 1250-2250 GPM single stage pump.	\$30,771.00
4005-0155	Hale RME/RGA 3000gpm Pump for Rear Mount with (3) 6" Inlets.	\$42,204.00
4005-0156	Pump gear box to be 19L. For use with 1250 gpm QFLO pump.	\$0.00
4005-0157	Waterous CL PTO driven pump. Includes driver side 5" intake with cap (shipped loose). Capacity of 500GPM/1892LPM. For use with Wetside Tanker only.	\$14,779.00
4005-0158	Waterous CS Single Stage Pump.	\$3,602.00
4005-0159	RATING 3000 GPM	\$0.00
4005-0160	Darley 1.5 AGH single stage hydraulically driven centrifugal pump.	\$10,819.00
4005-0161	PM80 Vacuum Pump. Includes primary and secondary shut offs, (4) water level gauges- (3) body and (1) cab and the (3) inlets/outlets with switching.	\$763.00

Option No.	Description	PRICE
4005-0162	PM100 Vacuum Pump (for use with AP or MBP pumps only). Includes primary and secondary shut offs, (4) water level gauges- (3) body and (1) cab and the (3) inlets/outlets with switching.	\$3,722.00
4005-0163	PM100 Vacuum Pump (for use with DSD pump only). Includes primary and secondary shut offs, (4) water level gauges- (3) body and (1) cab and the (3) inlets/outlets with switching.	\$3,722.00
4005-0164	Rating 1750 Imperial Gallons Per Minute.	\$0.00
4005-0165	Waterous CPK2 250GPM PTO pump.	\$10,546.00
4005-0166	Waterous Centrifugal CP-2 250gpm Booster Pump - 1/Stage w/T-CASE.	\$15,303.00
4005-0167	Pump gear box to be 21L. For use with 1500 gpm QMAX pump.	\$4,931.00
4005-0169	Hale QMAX-XS R 1250-2250 GPM single stage pump. (R GEAR BOX)	\$31,439.00
4005-0170	Hale QMAX-21L 1250 pump. Tradition.	\$26,467.00
4005-0171	Waterous CXVK 750-1250 single stage PTO Pump.	\$25,859.00
4005-0172	Waterous CS 750-1250 single stage pump. (With gear box to front IPOS)	\$29,643.00
4005-0174	(ROCHESTER FD ONLY) Waterous CXVPA 750-1250 single stage Pump	\$23,149.00
4005-0175	Rating 1050 Imperial Gallons Per Minute.	\$0.00
4005-0176	Hale CBP 250GPM PTO HYD pump. For use as pump and roll application with controls located in the cab or via rear pump governor.	\$22,151.00
4005-0177	Hale APH 500gpm HYD driven pump. Includes driver side 5" intake with cap (shipped loose). Capacity of 500GPM/1892LPM. For use with Wetside Tanker only.	\$24,369.00
4005-0178	Waterous S100 2000 GPM Pump with R gearbox.	\$47,593.00
4005-0179	Waterous CLV 500gpm HYD driven pump. Includes driver side 5" intake with cap (shipped loose). Capacity of 500GPM/1892LPM. For use with Wetside Tanker only.	\$24,369.00
4005-0180	E-ONE 1250-1500 GPM pump, single stage for use with Hush chassis.	\$36,764.00
4005-0181	Waterous CXVPA 750-1250 single stage Pump	\$28,504.00
4005-0182	Waterous CXVK 1250 GPM single stage pump with 150CFM CAFS	\$69,377.00
4005-0183	Waterous CPK 300GPM PTO pump. For use as pump and roll application with controls located in the cab. Includes pre-set discharge pressure relief valve at 125psi and (2) check valves to prevent pressurizing pumps when not engaged.	\$11,104.00
4005-0184	Waterous CXS-C20C 1250-1500 GPM single stage pump for eMax configurations.	\$39,011.00
4005-0185	Hale CBP 250 GPM PTO pump.	\$10,946.00
4005-0186	Hale 8FG pump 2000 GPM for Bronto RLP.	\$39,887.00
4005-0187	Hale APMG50 Pump 500GPM single stage.	\$17,228.00
4005-0188	Pump shall have a 1750 GPM rating from pump manufacture, but 3rd party testing will be 1500 gpm.	\$0.00
4005-0189	Darley PSF 1000-1500 GPM pump, single stage, centrifugal, front mounted pump.	\$30,698.00
4005-0190	Darley 1.5 AGH single stage hydraulically driven centrifugal pump.	\$12,929.00
4005-0191	Pump shall have a 2000 GPM rating from pump manufacture, but 3rd party testing will be 1750 gpm.	\$0.00
4005-0192	Pump shall have a 1250 GPM rating from pump manufacture, but testing will be 750 gpm.	\$0.00
4005-0193	Pump shall have a 500 GPM rating from pump manufacture, but testing will be 250 gpm.	\$0.00
4005-0194	Pump shall have a 1250 GPM rating from pump manufacture, but 3rd party testing will be 1000 gpm.	\$0.00
4005-0195	Hale QFLO 750-1250 GPM pump, single stage. Requires primer option.	\$21,585.00

Option No.	Description	PRICE
4005-0196	Hale QMAX 1000-2250 GPM single stage pump. Requires primer option.	\$26,598.00
4005-0197	Hale QTWO 1500-2000 GPM two stage pump. Requires primer option.	\$35,425.00
4005-0198	Hale 8FGR 1500-2000 GPM Pump single stage. Requires dual primer option.	\$40,497.00
4005-0199	Hale 8FG single stage pump. For use with Industrial products. Requires dual primer option.	\$36,246.00
4005-0200	Waterous CS 750-1250 single stage pump. Requires primer option.	\$22,768.00
4005-0201	Waterous CSU 1500-2250 GPM single stage pump. Requires primer option.	\$26,255.00
4005-0202	Waterous CMU 1500-2250 GPM two stage pump. Requires primer option.	\$41,501.00
4005-0203	Waterous S100 2000 GPM Pump with R gearbox. Requires primer option.	\$44,399.00
4005-0204	E-ONE 1250-1500 GPM pump, single stage. Requires primer option.	\$34,638.00
4005-0205	E-ONE 1250-1500GPM PTO pump, single stage. Requires primer option.	\$34,643.00
4005-0206	E-ONE 1250-1500 GPM pump, single stage for use with HS chassis. Requires primer option.	\$33,727.00
4005-0207	Hale 8FG pump 1500-2000 GPM for Bronto RLP. Requires primer option.	\$36,744.00
4005-0208	Hale AP50 PTO driven pump. Includes driver side 5" intake with cap (shipped loose). Capacity of 500GPM/1892LPM. Requires primer option.	\$11,500.00
4005-0209	Hale MBP PTO driven pump. Includes driver side 6" intake with cap (shipped loose). Capacity of 750GPM/2839LPM. Requires primer option.	\$16,221.00
4005-0210	Hale MBP PTO driven pump. Includes driver side 6" intake with cap (shipped loose). Capacity of 1000GPM/3785LPM. Requires primer option.	\$16,221.00
4005-0211	Hale RSD/RGA single stage pump. For use with rear mount pump body. Requires primer option.	\$28,816.00
4005-0212	Waterous S100D/TC20 single stage pump. For use with rear mount pump body. Requires primer option.	\$27,265.00
4005-0213	Hale RSD single stage PTO driven pump. For use with rear mount applications only. Requires primer option.	\$20,707.00
4005-0214	Waterous CXVK 1250 GPM single stage pump with 150CFM CAFS. Requires primer option.	\$67,030.00
4005-0215	Waterous CXS-C20C 1250-1500 GPM single stage pump for eMAX configurations. Requires primer option.	\$35,817.00
4005-0216	Hale MG Pump 500/1000 GPM single stage. Requires primer option.	\$17,529.00
4005-0217	Hale DSD Pump 750/1500 GPM single stage. Requires primer option.	\$21,938.00
4005-0218	Hale AP PTO driven pump. Includes driver side 5" intake with cap. Capacity of 500GPM/1892LPM. Requires primer option. For use with Wetside Tanker only.	\$11,783.00
4005-0219	Hale MBP PTO driven pump. Includes driver side 5" intake with cap. Capacity of 750GPM/2839LPM. Requires primer option. For use with Wetside Tanker only.	\$13,643.00
4005-0220	Hale MBP PTO driven pump. Includes driver side 6" intake with cap. Capacity of 1000GPM/4000LPM. Requires primer option. For use with Wetside Tanker only.	\$14,315.00
4010-0016	530 Gallon "T" Water Tank. Note: Any foam cell(s) will reduce the overall water capacity. Tank capacity is 530 US gallons / 441 Imperial gallons / 2006 Liters.	\$6,046.00
4010-0030	300 gallon "T" water tank.	\$5,394.00
4010-0031	400 gallon "T" water tank.	\$6,941.00
4010-0032	450 gallon "T" water tank.	\$7,261.00
4010-0033	500 gallon "T" water tank.	\$7,578.00

Option No.	Description	PRICE
4010-0035	530 Gallon "R" Water Tank Note: Any foam cell(s) will reduce the overall water capacity. Tank capacity is 530 US gallon / 441 Imperial gallons / 2006 Liters.	\$5,534.00
4010-0047	280 gallon "T" water tank. Includes sleeve for ladder tunnel.	\$6,703.00
4010-0048	250 gallon "T" water tank. Includes sleeve for ladder tunnel.	\$6,703.00
4010-0049	490 gallon "T" water tank. Includes sleeve for ladder tunnel.	\$8,887.00
4010-0050	480 gallon "T" water tank. Includes sleeve for ladder tunnel.	\$8,887.00
4010-0051	475 gallon "T" water tank. Includes sleeve for ladder tunnel.	\$8,887.00
4010-0052	450 gallon "T" water tank. Includes sleeve for ladder tunnel.	\$8,887.00
4010-0053	430 gallon "T" water tank. Includes sleeve for ladder tunnel.	\$8,887.00
4010-0054	Tank Water L 530 Gallon. Tank capacity is 530 US gallon / 441 Imperial gallons / 2006 Liters.	\$8,298.00
4010-0055	530 Gallon "T" Water Tank. Includes lower upper "T" for lower hosebed height. Note: Any foam cell(s) optioned will reduce the overall water capacity. Tank capacity is 530 US gallon / 441 Imperial gallons / 2006 Liters.	\$7,555.00
4010-0057	530 Gallon "L" shaped Water Tank. Includes lowered rear section for lower hose bed height. Note: Any foam cell(s) optioned will reduce the overall water capacity. Tank capacity is 530 US gallon / 441 Imperial gallons / 2006 Liters.	\$8,915.00
4010-0059	530 Gallon "T" Water Tank. Includes raised lower "T" and rear tank overhang for shallow upper area rear compartment. Note: Any foam cell(s) will reduce the overall water capacity. Tank capacity is 530 US gallon / 441 Imperial gallons / 2006 Liters.	\$7,555.00
4010-0060	530 Gallon "T" Water Tank. Includes raised lower "T" and rear tank overhang for deep upper area rear compartment. Note: Any foam cell(s) will reduce the overall water capacity. Tank capacity is 530 US gallon / 441 Imperial gallons / 2006 Liters.	\$8,008.00
4010-0061	530 Gallon "T" Water Tank. Includes lowered "T" and rear tank overhang for shallow upper area rear compartment. Note: Any foam cell(s) will reduce the overall water capacity. Tank capacity is 530 US gallon / 441 Imperial gallons / 2006 Liters.	\$6,046.00
4010-0062	530 Gallon "T" Water Tank. Includes lowered "T" and rear tank overhang for deep upper area rear compartment. Note: Any foam cell(s) will reduce the overall water capacity. Tank capacity is 530 US gallon / 441 Imperial gallons / 2006 Liters.	\$6,406.00
4010-0065	680 Gallon "T" Water Tank. Note: Any foam cell(s) and/or storage options thru the tank will reduce the overall water capacity. Tank capacity is 680 US gallon / 566 Imperial gallons / 2574 Liters.	\$6,693.00
4010-0068	510 Gallon "T" Water Tank. Note: Any foam cell(s) will reduce the overall water capacity. Tank capacity is 510 US gallon / 424 Imperial gallons / 1930 Liters.	\$6,046.00
4010-0073	530 Imperial Gallon "R" water tank. Note: Any foam cell(s) and/or storage options through the tank will reduce the overall water capacity.	\$6,367.00
4010-0074	530 Gallon "T" Water Tank. Note: Any foam cell(s) will reduce the overall water capacity. Fill towers to be located side by side and offset rearward due to hosebed storage pan partition. Tank capacity is 530 US gallon / 441 Imperial gallons / 2006 Liters.	\$7,463.00
4010-0080	300 Gallon R Poly Water Tank	\$5,394.00
4010-0082	300 Gallon "R" Water Tank. Tank capacity is 300 US gallons.	\$4,854.00
4010-0083	Fill tower locations. Water and Foam "A" fill towers to be located driver side of hosebed and Foam "B" fill tower to be located to officer side of hosebed.	\$314.00
4010-0090	530 Gallon "R" Water Tank Note: Any foam cell(s) will reduce the overall water capacity. Tank capacity is 530 US gallon / 441 Imperial gallons / 2006 Liters. For use with rear mounted pumps only.	\$4,892.00

Option No.	Description	PRICE
4010-0093	Fill tower locations. Water fill tower to be located driver side of hosebed and foam fill towers to be located inboard of water tower.	\$314.00
4010-0099	Fill tower(s) to be located offset to officer side of water tank.	\$0.00
4010-0117	Fill tower locations. Water fill tower to be located driver side of hosebed and foam fill tower to be located to officer side of hosebed.	\$314.00
4010-0122	500 Gallon R Water Tank Note: Any foam cell(s) will reduce the overall water capacity. Locate rear of L1/R1 center of the truck. This will delete the transverse area in L2/R2 and L3/R3.	\$6,917.00
4010-0126	560 Gallon "T" Water Tank. Note: Any foam cell(s) will reduce the overall water capacity.	\$8,215.00
4010-0127	280 gallon "T" water tank.	\$5,394.00
4010-0138	400 Gallon "R" Water Tank Note: Any foam cell(s) will reduce the overall water capacity. Tank capacity is 400 US gallon / 333 Imperial gallons / 1514 Liters.	\$4,213.00
4010-0141	530 Gallon "T" Water Tank (no "T" section to officer side of tank). Note: Any foam cell(s) and/or storage options thru the tank will reduce the overall water capacity. Tank capacity is 530 US gallons / 441 Imperial gallons / 2006 Liters.	\$6,693.00
4010-0145	650 Gallon "R" Water Tank. Note: Any foam cell(s) and/or storage options thru the tank will reduce the overall water capacity. Tank capacity is 650 US gallons / 541 Imperial gallons / 2460 Liters.	\$5,506.00
4010-0146	580 Gallon "R" water tank. Foam cells reduce the base amount of water.	\$6,056.00
4010-0159	Fill tower locations. The water and foam fill towers shall be relocated so they are centered left to right about the apparatus after the tanks have been loaded.	\$314.00
4010-0160	500 gallon "T" water tank.	\$7,578.00
4010-0174	530 Gallon "T" Water Tank. UPF Poly III color fill towers. Note: Any foam cell(s) will reduce the overall water capacity.	\$6,046.00
4010-0175	530 Gallon "R" Water Tank UPF Poly III color fill towers. Note: Any foam cell(s) will reduce the overall water capacity.	\$5,534.00
4010-0183	530 Gallon "L" shaped Water Tank. UPF Poly III color fill towers. Includes lowered rear section for lower hose bed height. Note: Any foam cell(s) optioned will reduce the overall water capacity.	\$8,915.00
4010-0186	530 Gallon "R" Water Tank Note: Any foam cell(s) will reduce the overall water capacity. UPF Poly III color fill towers. For use with rear mounted pumps only.	\$4,892.00
4010-0195	300 gallon "T" water tank. UPF Poly III blue fill tower.	\$5,394.00
4010-0196	400 gallon "T" water tank. UPF Poly III blue fill tower.	\$6,941.00
4010-0197	450 gallon "T" water tank. UPF Poly III blue fill tower. Note: Any foam cell(s) will reduce the overall water capacity.	\$7,261.00
4010-0198	500 gallon "T" water tank. UPF Poly III blue fill tower.	\$7,578.00
4010-0199	280 gallon "T" water tank. UPF Poly III blue fill tower. Includes sleeve for ladder tunnel.	\$6,703.00
4010-0200	250 gallon "T" water tank. UPF Poly III blue fill tower. Includes sleeve for ladder tunnel.	\$6,703.00
4010-0201	490 gallon "T" water tank. UPF Poly III blue fill tower. Includes sleeve for ladder tunnel.	\$8,887.00
4010-0202	480 gallon "T" water tank. UPF Poly III blue fill tower. Includes sleeve for ladder tunnel.	\$8,887.00
4010-0203	475 gallon "T" water tank. UPF Poly III blue fill tower. Includes sleeve for ladder tunnel.	\$8,887.00
4010-0204	450 gallon "T" water tank. UPF Poly III blue fill tower. Includes sleeve for ladder tunnel.	\$8,887.00
4010-0205	430 gallon "T" water tank. UPF Poly III blue fill tower. Includes sleeve for ladder tunnel.	\$8,887.00

Option No.	Description	PRICE
4010-0213	530 Gallon "L" shaped Water Tank UPF Poly III color fill towers. Includes lowered rear section for lower hose bed height. Note: Any foam cell(s) optioned will reduce the overall water capacity. Tank capacity is 530 US gallon / 441 Imperial gallons / 2006 Liters.	\$8,915.00
4010-0217	550 Gallon "R" Water Tank UPF Poly III color fill towers. Note: Any foam cell(s) will reduce the overall water capacity.	\$5,921.00
4010-0223	Fill tower(s) to be located offset to driver side of water tank.	\$0.00
4010-0228	560 gallon "T" water tank. UPF Poly III blue fill tower. Note: Any foam cell(s) will reduce the overall water capacity.	\$8,215.00
4010-0231	500 Gallon "R" Water Tank UPF Poly III color fill towers. Note: Any foam cell(s) will reduce the overall water capacity.	\$5,534.00
4010-0237	590 Gallon "R" Water Tank. UPF Poly III color fill towers. Note: Any foam cell(s) and/or storage options through the tank will reduce the overall water capacity.	\$5,560.00
4010-0241	Fill tower(s) to be located offset to driver side of water tank. Maintain a minimum 18.00" spacing from side of hose bed to nearest surface on the fill neck to accommodate customer supplied storage system to be added.	\$0.00
4010-0244	1200 Gallon "T" Foam Tank. UPF Poly III for [#LOC]. UPF Poly III [#COL] fill tower. Tank capacity is 1200 US gallons / 999 Imperial gallons / 4542 Liters.	\$10,496.00
4010-0246	Fill tower locations. Water fill tower to be located driver side of hosebed, the Foam "A" centered and Foam "B" fill tower to be located to officer side of hosebed.	\$314.00
4010-0248	560 Gallon "T" Water Tank. UPF Poly III color fill towers. Note: Any foam cell(s) and/or storage options through the tank will reduce the overall water capacity.	\$5,075.00
4010-0251	600 US Gallon "R" Water Tank. UPF Poly III color fill towers. Note: Any foam cell(s) will reduce the overall water capacity.	\$6,264.00
4010-0253	300 gallon "R" water tank. UPF Poly III blue fill tower.	\$5,150.00
4010-0256	500 Gallon R Water Tank Note: Any foam cell(s) will reduce the overall water capacity. Locate center of the truck between L4/R4 and L5/R5. This option will partially protrude into the L3/R3 compartment and delete the transverse area in L4/R4 and L5/R5.	\$6,917.00
4010-0258	Fill tower locations. The water and foam fill towers shall be relocated so they are centered left to right about the apparatus after the tank has been loaded. Fill towers are to be no more than 4" above top of body sides.	\$314.00
4010-0260	Fill tower locations. The water and foam fill towers shall be re-located in the center of the hose bed pan.	\$314.00
4010-0263	250 Gallon "R" Water Tank UPF Poly III color fill towers. Note: Any foam cell(s) will reduce the overall water capacity. Locate centered between the L1/R1 compartment.	\$6,346.00
4010-0269	270 Gallon "R" Water Tank UPF Poly III color fill towers. Tank capacity is 270 US gallons. Note: Any foam cell(s) will reduce the overall water capacity.	\$4,854.00
4010-0270	500 gallon "T" water tank. UPF Poly III blue fill tower. Includes sleeve for ladder tunnel.	\$8,887.00
4010-0271	530 Gallon half "T" Water Tank (no "T" section to drivers side of tank). UPF Poly III color fill towers. Note: Any foam cell(s) and/or storage options through the tank will reduce the overall water capacity.	\$6,046.00
4010-0280	560 Gallon "L" shaped Water Tank. UPF Poly III color fill towers. Includes lowered rear section for lower hose bed height. Note: Any foam cell(s) optioned will reduce the overall water capacity.	\$9,419.00
4010-0281	475 gallon "T" water tank. UPF Poly III blue fill tower. Includes sleeve for ladder tunnel. Note: Any foam cell(s) will reduce the overall water capacity.	\$7,421.00
4010-0283	630 Gallon "R" Water Tank. UPF Poly III color fill towers. Note: Any foam cell(s) will reduce the overall water capacity.	\$6,561.00
4010-0287	Fill tower locations. Water fill tower to be located officer side of hosebed, Foam "B" fill tower to be inboard of the Class "A", and Foam "A" fill tower to be located to driver side of hosebed.	\$314.00

Option No.	Description	PRICE
4010-0288	600 Gallon "L" shape Water Tank. UPF Poly III color fill towers. Includes lowered rear section for lower hose bed height. Note: Any foam cell(s) optioned will reduce the overall water capacity.	\$8,915.00
4010-0291	300 gallon "T" water tank. UPF Poly III blue fill tower. Includes 4" diameter sleeve for rear discharge. Note: Any foam cell(s) will reduce the overall water capacity.	\$6,049.00
4010-0295	270 gallon "T" water tank. UPF Poly III blue fill tower.	\$4,857.00
4010-0296	530 Gallon "T" Water Tank (no "T" section to officer side of tank). UPF Poly III color fill towers. Note: Any foam cell(s) will reduce the overall water capacity.	\$6,621.00
4010-0299	600 Gallon "T" Water Tank (no "T" section to officer side of tank). UPF Poly III color fill towers. Note: Any foam cell(s) and/or storage options thru the tank will reduce the overall water capacity. Tank capacity is 600 US gallons / 499 Imperial gallons / 2271 Liters.	\$7,420.00
4010-0301	500 Gallon "L" shaped Water Tank. UPF Poly III color fill towers. Includes lowered rear section for lower hose bed height. Note: Any foam cell(s) optioned will reduce the overall water capacity.	\$9,207.00
4010-0303	530 Gallon "T" Water Tank (no "T" section to driver side of tank). UPF Poly III color fill towers. Note: Any foam cell(s) will reduce the overall water capacity.	\$6,621.00
4010-0304	Fill tower locations. Water fill tower to be located officer side of hosebed, Foam "A" fill tower to be inboard of the Water fill tower.	\$0.00
4010-0305	Fill tower locations. Water and Foam "A" fill towers to be located driver side of hosebed and Foam "B" fill tower to be located center of the hosebed.	\$314.00
4010-0313	500 gallon "T" water tank. UPF Poly III blue fill tower. Includes sleeve for 6" waterway pipe.	\$8,887.00
4010-0314	Fill tower(s) to be located centered in the forward area of water tank.	\$0.00
4010-0316	Fill tower to be located offset to driver side of water tank, in the forward corner of the hose bed.	\$0.00
4010-0317	Fill tower to be located offset to officer side of water tank, in the forward corner of the hose bed. Wetside Tanker.	\$0.00
4010-0320	Fill tower locations. The water and foam fill towers shall be re-located in the hose bed pan off set to officer side.	\$0.00
4010-0322	590 Gallon "L" shaped Water Tank. UPF Poly III color fill towers. Includes lowered rear section for lower hose bed height. Note: Any foam cell(s) optioned will reduce the overall water capacity.	\$9,515.00
4010-0323	Fill tower locations. Water fill tower to be located officer side of hosebed, Foam "B" fill tower to be inboard of the Water fill tower.	\$0.00
4010-0324	Fill tower(s) to be located offset to officer side of water tank in the hose bed pan.	\$0.00
4010-0327	Fill tower(s) to be located offset to officer side of water tank. Top of towers not to exceed the top of the body side sheets.	\$0.00
4010-0328	Fill tower for water to be black ipo standard.	\$0.00
4010-0329	280 gallon "T" water tank. UPF Poly III blue fill tower.	\$5,394.00
4015-0002	Mechanical speed counter for Hale pumps.	\$338.00
4015-0007	Pump cooler, 1/4" valve with 3/8" tubing.	\$178.00
4015-0008	Zinc anodes for Hale pump (PR), (1) discharge side and (1) intake side.	\$341.00
4015-0012	Pump shift override, side panel mounted.	\$785.00
4015-0013	Fire Research ThrottleXcel engine throttle. Includes engine gauges.	\$1,677.00
4015-0014	Thermal Relief Valve - Hale TRV120.	\$877.00

Option No.	Description	PRICE
4015-0015	Valve relief system, Hale TPM.	\$3,922.00
4015-0016	Thermal relief valve, Hale TRVL-120.	\$1,589.00
4015-0018	Valve Inlet MIV-E - Hale. Location: [#LOC].	\$3,630.00
4015-0019	Valve inlet MIV-M, Hale. Location: [#LOC].	\$3,114.00
4015-0020	Valve Monarch Manual - Waterous. Location: [#LOC].	\$5,329.00
4015-0021	Valve Monarch Air Actuated - Waterous. Location: [#LOC]	\$5,781.00
4015-0022	Mechanical pump seal - Hale.	\$802.00
4015-0026	Electronic speed counter for Waterous pumps.	\$334.00
4015-0027	Pump Shift Override Under L1 Compartment.	\$785.00
4015-0029	Hale pressure relief valve.	\$1,376.00
4015-0030	Waterous pressure relief valve.	\$1,537.00
4015-0031	Valve Relief System - Dual TPM Required for pump rating 2250 GPM and above.	\$4,641.00
4015-0032	Hale 2-stage manual transfer valve.	\$0.00
4015-0033	Hale 2-Stage Power Operated Transfer Valve.	\$1,821.00
4015-0034	Waterous 2-stage manual transfer valve.	\$0.00
4015-0035	Waterous 2-Stage electronic transfer valve.	\$1,538.00
4015-0036	6" Additional Intake for 2250 GPM Pump.	\$2,100.00
4015-0037	Engine throttle, vernier.	\$383.00
4015-0038	Pump seal packing for Hale pump.	\$0.00
4015-0039	Pump seal mechanical for Waterous pump.	\$755.00
4015-0040	Pump seal packing for Waterous pump.	\$0.00
4015-0041	Valve Monarch Electric - Waterous. Location: [#LOC].	\$5,917.00
4015-0042	Waterous Overheat Protection Manager.	\$1,131.00
4015-0043	Anodes for Hale CAFSPRO Pump (Pair), (1) Discharge side and (2) Intake Side.	\$512.00
4015-0044	Anodes for Waterous pump - (Pair) (1) discharge side and (1) intake side.	\$414.00
4015-0045	Throttle Selection Switch on Pump Operator's Panel for Back-Up of Relief and Throttle System.	\$581.00
4015-0046	Hale pump shift override.	\$1,251.00
4015-0047	Additional Hale Primer Valve. Located: [#LOC].	\$643.00
4015-0048	Pump Shift Override - driver's side under running board forward of running board tray if applicable.	\$785.00
4015-0049	Extend Fire Pump Grease Zerks to Operator's Panel	\$452.00
4015-0050	Relocate Primer to the Outside of the Frame Rail on Driver's Side	\$100.00
4015-0051	Two 4.5" Steamers for Hale Qflo Pump	\$801.00
4015-0052	Steamers to be Flush. Location: [#LOC].	\$0.00
4015-0053	Steamers to be Flush + 1". Location: [#LOC].	\$0.00
4015-0054	Additional Waterous Primer. Located: [#LOC].	\$1,441.00
4015-0055	6" Additional Intake for Industrial	\$2,265.00
4015-0056	Air operated master pump drain (upgrade).	\$234.00

Option No.	Description	PRICE
4015-0057	Special controls and regulator requirements for Seattle. Install RV-1 (Pressure Regulating Valve) going to pump shift to allow a max of 60 PSI on pump.	\$438.00
4015-0058	Engine shut-down switch on pump panel. Includes covered access.	\$356.00
4015-0059	Steamers to be Flush + 3 Location [#LOC]	\$0.00
4015-0060	Valve Inlet MIV-E Hale to have 1/4" Hale Air Bleeder valve to be located at top of valve and 3/4" Bleeder/Drain valve to be located at bottom of valve and no seperate steamer port drain - tie into master drain valve.	\$0.00
4015-0061	Ross 19 WR-D with trigger type handle, chromed, shall be provided with controls operated from the right hand pump panel. Finish in chrome plate. Testing for intake pressures shall be done at the factory so that a label can be applied to the adjustment providing accurate settings in 25 pound increments from 75 to 275 pounds of intake pressure.	\$2,754.00
4015-0062	Primer indicator light shall be provided on the pump operator's panel, color to be red.	\$123.00
4015-0063	TPM Relief Valve outlet to be extended to the side of truck under runningboard or compartment.	\$303.00
4015-0064	Hale Auto Fill/Thief Inlet 2.5" Tank Fill "AutoFill" Automatic Tank Fill Valve Location: [#LOC].	\$4,622.00
4015-0065	Schedule 40 stainless steel piping.	\$1,278.00
4015-0066	Trident Pump Primer W/3 Barrel Push Button Control. (In addition to standard.)	\$1,143.00
4015-0067	Steamers to be Flush + 2 Location [#LOC]	\$0.00
4015-0068	6" intake valve Akron electric with relief. Location: [#LOC].	\$3,854.00
4015-0069	MIV's, Pressure Relief and Atmospheric Relief (intake relief) to be plumbed to top of heat pan.	\$164.00
4015-0070	WATEROUS OIL PRIMER	\$77.00
4015-0071	Valve Relief Thermal - Hale TRVL-120 W/Audible Alarm	\$1,603.00
4015-0072	6" Intake Valve Elkhart Electric UBEC1 Control with Relief. Location: [#LOC]	\$3,854.00
4015-0073	Manual operated master pump drain. The master drain shall be clearly marked and placed in accessible location below running board on driver side or L1 compartment.	\$0.00
4015-0074	Manual remote operated master pump drain. The master drain control shall be clearly marked and placed in accessible location on driver side pump panel.	\$343.00
4015-0075	Pump Seal Mechanical - Hale. For use with Tradition Hale pumps.	\$2,488.00
4015-0076	Pump primer motor mounted to forward area of pump.	\$0.00
4015-0077	Pump shift override location on officer side panel in place of standard.	\$166.00
4015-0078	Master pump drain with manual control. Locate control on main rear pump panel area.	\$0.00
4015-0079	Valve Inlet MIV-E - Hale. Manual Override will be behind the Pump Panel. " Tradition" [#LOC]	\$3,630.00
4015-0080	6" Cap Vented "IPOS"	\$19.00
4015-0081	Hale Semi-Automatic Priming push-button control.	\$535.00
4015-0082	Electric Over Air Actuation Pump Cooler Valve	\$465.00
4015-0083	Electric Over Air Actuation Engine Cooler Valve	\$299.00
4015-0084	Pump Air Blow Out with 1/4" Snubber Valve.	\$267.00
4015-0085	Auto Tank to Pump Operation. When Switched to Automatic Mode, The Tank Valve will Close When Suction Pressure Reaches 15 PSI & Opens When Suction Pressure Drops Below 15 PSI.	\$1,964.00
4015-0086	Pump Cooler 1/4 Turn 3/8" Valve	\$280.00

Option No.	Description	PRICE
4015-0087	Engine Cooler 1/4 Turn 3/8" Valve	\$280.00
4015-0088	Portable/Qmax Pump Shall be with Manifold and check valves for Front Bumper Turret and Ground Sweep. To be use dearing Pump&Roll operation.	\$959.00
4015-0089	Extend exhaust pipe from dunnage pan mounted portable pump in line with main exhaust system using stainless steel flexible pipe.	\$127.00
4015-0090	Akron Test Port for Master Gauges	\$102.00
4015-0091	Pump cooler with .75" 1/4 turn valve.	\$317.00
4015-0092	Hale Fill Steamer Thief intake adapter to be Flush + 2 Location [#LOC]	\$1,697.00
4015-0093	The optional pump to be NFPA or ULC (as applicable) compliant. Includes primer, pump shift and indicators, (1) 2.5" driver side aux. intake with swing handle and test ports.	\$0.00
4015-0094	Engine cooler. For use with International 4400 chassis.	\$0.00
4015-0095	Engine cooler. For use with International 7400 chassis.	\$0.00
4015-0096	Engine cooler. For use with International 7600 chassis.	\$2,792.00
4015-0097	Heated intake strips (4). Located (1) on each 6" tank intake and (1) 2.5" rear tank fill.	\$1,800.00
4015-0098	Manual operated master pump drain. The master drain shall be clearly marked and placed in accessible location on pump panel.	\$0.00
4015-0099	Zinc Anodes for Hale Pump and tank - (Pair) (1) pump and (1) tank.	\$682.00
4015-0100	Portable Pump Shall be for Front Bumper Turret and/or Ground Sweep . To be use for Pump&Roll operation only.	\$0.00
4015-0101	Pump cooler, 1/4" valve with 3/8" tubing.	\$0.00
4015-0102	Powder Coating Plumbing Components. Include all Stainless Steel Piping, and Vic's applicable. With the exception of the smaller threaded components and Bronto supplied parts.	\$12,731.00
4015-0103	Fuel cooler to have .375 tubing for a max of 20 GPM water flow.	\$92.00
4015-0104	Engine Cooler: E-One part number 629430; plumb with 1" control valve on pump panel and 1" ID low pressure hydraulic hose cooler. Install .375 ID restriction orifice in line to limit flow to between 45 and 50 GPM at 150PSI.	\$3,813.00
4015-0105	All Stainless Steel piping is to be constructed of 316L stainless steel.	\$1,846.00
4015-0106	All flanges on plumbing larger that 2" shall have welded flanges where possible. Threaded connections are acceptable for 2" and smaller plumbing.	\$1,264.00
4015-0107	Plated or Stainless Steel fastners on all plumbing and the plumbing system.	\$1,149.00
4015-0108	Valve Relief Thermal - Hale TRVL-120	\$949.00
4015-0109	Galvanized Victaulic Coupling. All Victaulic couplings shall galvanized.	\$232.00
4015-0110	Valve Monarch Manual with Akron Intake Relief- Waterous. Location: [#LOC]	\$3,240.00
4015-0111	Ferrell Compression Fittings for all Plastic Tubing in the Pump module plumbing.	\$710.00
4015-0112	PTO/Midship Pump Shall have Manifold and check valves for Front Bumper Turret and Hose Reel. To be use dearing Pump&Roll operation.	\$959.00
4015-0113	Auto Discharge Pressure Relief Valve Preset at 125psi for Pump&Roll.	\$2,703.00
4015-0114	Pump gear box to be 23L.	\$0.00
4015-0115	Pump gear box to be 21L.	\$0.00
4015-0116	Manifold for use with a side mount pump module.	\$0.00
4015-0117	Manifold for use with a side mount pump module with foam.	\$0.00

Option No.	Description	PRICE
4015-0118	Manifold for use with a top mount pump module.	\$0.00
4015-0119	Manifold for use with a top mount pump module with foam.	\$0.00
4015-0120	Pump gear box to be 23XL.	\$0.00
4015-0121	Pump gear box to be 21XL.	\$0.00
4015-0122	Pump gear box to be 19L.For use with export engine application.	\$0.00
4015-0123	Manifold for use with a side mount or top mount pump modules.	\$0.00
4015-0124	Manifold for use with a side mount or top mount pump modules with foam.	\$0.00
4015-0125	Red Switch Cover on Master Drain Switch.	\$15.00
4015-0126	Hale PTO/MIDSHIP 250GPM to 1000gpm Pump Pressure Relief Valve	\$2,431.00
4015-0127	Fire Research Infinity vernier type engine throttle.	\$735.00
4015-0128	Manual operated master pump drain. The master drain shall be clearly marked and placed in accessible location rearward below running board on officer side or R1 compartment..	\$0.00
4015-0129	Waterous Overheat Protection Manager with audible alarm.	\$1,063.00
4015-0130	Additional Trident Primer Valve, Located: [#LOC]. Requires aux air tank if connected to front or rear intake.	\$386.00
4015-0131	Hale Anode Pro Kit (3) Anodes with Flange. One on each suction tube and one anode on the discharge located as close to the center of the pump as possible.	\$1,199.00
4015-0133	Anode for Darley pump - (1) intake side.	\$446.00
4015-0134	Class 1 Engine Twister throttle, vernier	\$929.00
4015-0135	Mechanical speed counter for pumps.	\$411.00
4015-0136	Mechanical Darley pump seal.	\$1,123.00
4015-0137	Valve Monarch Manual with Indicator lights - Waterous. Location: [#LOC].	\$5,565.00
4015-0138	6" Inlet Valve Manual Gear Operated with Relief. Location: [#LOC].	\$3,142.00
4015-0139	Darley Pump Overheat Thermal relief valve shall be provided with a light located on pump operator's panel.	\$799.00
4015-0140	Manifold for use with a side mount or top mount pump modules with foam. Includes manifold updates for driver side rear 3" discharge application.	\$0.00
4015-0141	Delete Thermal relief valve	\$0.00
4015-0142	Pump&Roll kit. To include Digital Master pressure gauge. Mini tank level, Tank to pump control, Switches in cab, and Preset discharge pressure relief valve.	\$3,142.00
4015-0143	Pump&Roll kit WM. To include Digital Master pressure gauge, Switches, and Preset discharge pressure relief valve controls in cab. Locate in cab center console.	\$2,689.00
4015-0144	Manual remote operated master pump drain. The master drain control shall be clearly marked and placed in accessible location below running board on driver side or L1 compartment.	\$343.00
4015-0145	Engine cooler plumbing. For use with Navistar 7400 chassis. Wildland	\$375.00
4015-0146	Four (4) 6.0" diameter suction inlet ports with 6" NST male threads and removable screens shall be provided, on left side.	\$2,265.00
4015-0147	Three (3) 6.0" diameter suction inlet ports with 6" NST male threads and removable screens shall be provided, on left side.	\$0.00
4015-0148	Three (3) 6.0" diameter suction inlet ports with 6" NST male threads and removable screens shall be provided, two (2) left side, and one (1) right side..	\$0.00

Option No.	Description	PRICE
4015-0149	Four (4) 6.0" diameter suction inlet ports with 6" NST male threads and removable screens shall be provided, two (2) left side, and two (2) right side..	\$2,265.00
4015-0150	Darley pump shift override.	\$785.00
4015-0151	Indicator Light for valve position on the vacuum pump.	\$1,646.00
4015-0152	Hale pump shift override. Pump shift to be recess behind pump operator pump panel with door.	\$1,521.00
4015-0153	Thermal relief valve, Hale TRV atmosphere line shall be plumb back to water tank.	\$0.00
4015-0154	Addition Anodes for Darley pump. Intake.	\$446.00
4015-0155	Manual remote operated master pump/pump transmission cooler drain. The master drain control shall be clearly marked and placed in accessible location under driver side pump panel or L1 compartment.	\$343.00
4015-0156	Pump Inlet (3) 6" Suctions Inlet located on the driver's side. Suction inlets adapter to be 316L stainless steel and terminate in NST threads.	\$669.00
4015-0157	Waterous 2-Stage Electric Transfer Valve Manual Override locate driver side pump panel.	\$289.00
4015-0158	Manual operated Dual master pump drain. The master drains shall be clearly marked one for water pump, and one for foam pump and placed in accessible location rearward below running board on driver side or L1 compartment.	\$0.00
4015-0159	Valve Inlet MIV-E - Hale. Location: [#LOC].	\$3,630.00
4015-0160	Pump Shift Override Under R1 Compartment	\$785.00
4015-0161	Addition Heated intake strips (1). Located (1) on addition 2.5" direct tank fill.	\$452.00
4015-0162	Engine cooler. For use with Freightliner M2 chassis.	\$0.00
4015-0163	Customer supply existing midship pump shall be reused on new chassis.	\$6,957.00
4015-0164	Factory Pump Test.	\$499.00
4015-0165	Pump seal mechanical for Waterous pump.	\$0.00
4015-0166	Pump cooler, automatic with 3/8" tubing. Include a check valve that is install between the pump discharge and tank that will automatically close when drafting.	\$153.00
4015-0167	Pump&Roll pump automatic cooler to cool the pump for periods of pumping when water is not being discharge.	\$127.00
4015-0168	Engine cooler. For use with International 4400, 7400 and 7500 chassis.	\$467.00
4015-0169	Engine cooler. For use with International 7600 chassis.	\$375.00
4015-0170	5" Additional Intake. Location: [#LOC].	\$2,265.00
4015-0171	6" caps for both side and front intakes to be Class 1 venting style IPO standard.	\$0.00
4015-0172	Primer indicator light shall be provided on the pump operator's panel, color to be red. The indicator light shall be upgraded to a LED indicator light IPOS.	\$186.00
4015-0173	Manual operated master pump drain. The master drain shall be clearly marked and placed in accessible location forward below running board on driver side or L1 compartment.	\$0.00
4015-0174	Manual operated water/foam master pump drain. The master drains shall be clearly marked, one for water pump shall be located driver side under L3 or L4 compartment, and one for foam pump shall be under R3 compartment	\$0.00
4015-0175	Additional control and air bleeder for the MIV-E to provide controls at: [#LOC].	\$585.00
4015-0176	6" caps for intake to be Class 1.	\$0.00
4015-0177	Additional Anode for Darley pump. Location: Discharge side of pump.	\$446.00

Option No.	Description	PRICE
4015-0178	Anodes for Waterous pump - (Three) (1) discharge side, (1) intake side and (1) inside of tank.	\$624.00
4015-0179	Waterous Monarch Electric valve manual override control located on pump panel same side as Waterous intake valve is.	\$414.00
4015-0180	6" Intake Akron Electric Valve and 9323 Controller with relief. Location: [#LOC].	\$3,854.00
4015-0181	Pump cooler with .75" 1/4 lift lever turn valve.	\$317.00
4015-0182	Engine cooler with .75" 1/4 lift lever turn valve.	\$317.00
4015-0183	Test Port 1/4" Drain Valve.	\$85.00
4015-0184	Pump overheat discharge line outlet shall discharge water away from pump operator.	\$0.00
4015-0185	Master gauges to have flush out connection.	\$178.00
4015-0186	Trident Pump Primer W/3 Barrel Push Button Control. (In place of standard primer.) Requires a 15.6 CFM or larger air compressor.	\$221.00
4015-0187	Anodes Pro System for Hale pump (QTY3), (1) discharge side and (2) intake side with one on each side of intake.	\$664.00
4015-0188	Red Switch Cover on rear dump valve switches.	\$15.00
4015-0189	Darley Fluid Primer IPOS.	\$147.00
4015-0190	Remove pump from donor chassis and rebuild Hale QFlow 1250.	\$10,824.00
4015-0191	Valve Monarch Electric - Waterous. Location:Front Intake with Elkhart Relief valve.	\$5,181.00
4015-0192	Intake adapter 6" FNST x 6" MNST for pump intake.	\$333.00
4015-0193	Hale 3" Auto Fill w/Thief Inlet. Locate: [#LOC].	\$6,732.00
4015-0194	Discharge manifold to be Class1 IPOS. For Dumfries Triangle VFD Only.	\$2,749.00
4015-0195	All Discharge, and Intake valves shall be Hale Stainless Steel IPOS. For Dumfries Triangle VFD Only.	\$0.00
4015-0196	Hale Pump Shift Override - driver's side under runningboard forward of runningboard tray.	\$1,251.00
4015-0197	Pump cooler with .50" 1/4 turn valve. Include a .50" check valve to prevent back flow of water into the pump if the valve is left open.	\$317.00
4015-0198	Front Mounted Pump Gear Box IPOS	\$715.00
4015-0199	Pump&Roll kit. To include Digital Master pressure gauge. Mini tank level, Tank to pump control, Switches in cab, and Preset hydraulic flow control valve.	\$3,142.00
4015-0200	Hale 6" Suctions stainlees steel 12 bolt flange x 6" NH Thread adapter. (IPOS) For pump inlets.	\$97.00
4015-0201	Engine cooler, automatic with no valve.	\$0.00
4015-0202	Electric Over Air Actuation Pump Cooler 1" Valve.	\$465.00
4015-0203	Thermal relief valve, discharge water outlet drain to dump straight out rear of slideout platform at operator position.	\$0.00
4015-0204	Trident Manually operated master pump drain. The master drain shall be clearly marked and placed in accessible location on pump panel.	\$173.00
4015-0205	Throttle Increase/Decrease switch in cab to operate water pump.	\$625.00
4015-0206	Manual operated master pump drain. The master drain shall be clearly marked and placed in accessible location rearward of driver side step.	\$0.00
4015-0207	Thermal relief valve, Hale TRVL-120. (1) light at pump operator panel, and (1)light in cab.	\$1,589.00
4015-0208	All stainless steel piping, flexible hose, tubing, brass valves, quarter-turn bleeders, and couplings that transfer water or foam that are not contained within a heated compartment must be covered with a foam insulation sheath or sleeve. Where insulation sheathing is not practical, foam insulation tape will be applied to provide sufficient insulation protection.	\$931.00

Option No.	Description	PRICE
4015-0209	Hale Fluid Primer IPOS.	\$147.00
4015-0210	Pump cooler with Innovative Control 1/4 turn valve with "T" handle and label.	\$171.00
4015-0211	Anodes for Waterous pump - (2) at intake side.	\$414.00
4015-0212	Trident Automatic Pump Primer.(In place of standard primer.)	\$924.00
4015-0213	PTO pump discharge outlet shall be plumb to the main pump foam manifold with check valves and suction side to water tank. For use as pump and roll application with controls located in the cab.	\$0.00
4015-0214	Additional Darley Primer Valve. Located: [#LOC].	\$1,045.00
4015-0215	5" Intake Akron Hand Wheel Valve with relief. Location: drive side pump panel	\$4,439.00
4015-0216	Front mount PTO for fire pump operation	\$804.00
4015-0217	Mechanical speed counter for Darley pumps.	\$317.00
4015-0218	Darley Oilless primer	\$1,554.00
4015-0219	Darley pressure relief valve.	\$2,025.00
4015-0220	Pump&Roll kit with interlocks. To include Digital Master pressure gauge, Mini tank level, Tank to pump control, Switches in cab, and Preset discharge pressure relief valve.	\$3,348.00
4015-0221	Additional 9323 electric controller for 6" intake electric valve. Location officer side pump panel. Include 1/4" air bleeder.	\$1,395.00
4015-0222	Waterous "H Manifold" shall be located on the left, and right side pump.	\$1,946.00
4015-0223	Auto Pump Pressure Preset at 125psi.	\$0.00
4015-0224	Hale Pump Shift Override - driver's side under runningboard forward of runningboard tray. Pump shift to be flush with runingboard when is in gear.	\$1,251.00
4015-0225	Zinc anodes for Hale pump (3), (2) discharge side and (1) intake side.	\$284.00
4015-0226	Heated strips (2). Located (1) on each 2.5" rear tank fill.	\$743.00
4015-0228	Engine cooler. External engine cooler mounted in engine compartment. IPOS internal cooler in radiator.	\$0.00
4015-0229	Hale Pump Primer.	\$0.00
4015-0230	Pump gear box to be XL.	\$0.00
4015-0231	Qmax Pump gear box to be "R" IPOS.	\$871.00
4015-0232	Thermal revief valve lines to be extended below frame rails and secured with metal clamps.	\$0.00
4015-0233	Throttle Selection Switch on Pump Operator's Panel to be recess with cover.	\$597.00
4015-0234	Control for engine cooler. Includes Innovative Controls 1/4 turn valve with "T" handle and label. Requires engine cooler option.	\$375.00
4015-0235	Pump Shift Override - driver's side under running board rearward of running board tray if applicable. (Rod linkage in place of cable.)	\$1,251.00
4015-0236	Pump 6" inlet strainer to be mount out board for easy access.	\$0.00
4015-0237	Trident Automatic Pump Primer w/gauge. IPOS	\$1,150.00
4015-0238	Hale electric primer (oil-less).	\$2,296.00
4015-0239	Waterous electric primer (oil-less).	\$2,347.00
4015-0240	Darley electric primer (oil-less).	\$2,189.00
4015-0241	Trident primer W/2 barrel push button control. For use with up to 1000 GPM pumps.	\$1,615.00
4015-0242	Trident primer W/3 barrel push button control. For use with 1250 GPM and larger pumps. Requires 15.6 CFM or large engine air compressor.	\$1,928.00

Option No.	Description	PRICE
4015-0243	Hale electric primer - dual (oil-less).	\$4,214.00
4015-0244	Engine throttle, vernier, digital gauge, and interlocked switch in cab for jet dump operation.	\$1,454.00
4015-0246	Heated intake strips (4). Located on CAFS Super 70 tank	\$1,800.00
4015-0247	Pump 6" inlet adapter model #82301, and 72572-A shall be use on both side with recess box to allow room for a TFT piston valve to fit behind the roll up door.	\$1,250.00
4015-0248	Pump Air Blow Out with Innovative Controls 1/4" valve w/1/4 turn handle.	\$267.00
4015-0249	Pump cooler Innovative Controls 3/4" include lift lever with ergonomic grip.	\$317.00
4015-0250	Waterous manual operated master pump drain. The master drain shall be clearly marked and placed in accessible location on pump panel.	\$0.00
4015-0251	Zinc anodes for Hale pump (3), (1) discharge side and (2) in intake manifold side.	\$284.00
4015-0252	Hale Anode Pro Kit (3) Anodes with Flange. One on each suction tube and one anode on the discharge located as close to the center of the pump as possible. Display monitor location: Pump panel.	\$1,199.00
4015-0253	Hale Anode Pro Kit (3) Anodes with Flange. One on each suction tube and one anode on the discharge located as close to the center of the pump as possible. Display monitor location: Pump panel.	\$1,199.00
4015-0254	Flame Plated Impeller Hubs Waterous pump.	\$748.00
4015-0255	Pump 6" inlet both side shall be recess to allow room for a Akron 7983 piston valve to fit and not extend out pass the running boards.	\$1,250.00
4015-0256	Trident Automatic Pump Primer w/gauge. For use with 1250 GPM and larger pumps. Requires 15.6 CFM or large engine air compressor.	\$2,488.00
4015-0257	Waterous 6" Jamesbury Electric Inlet Valve. Location: [#LOC]	\$5,593.00
4015-0258	5" Steamers for Hale Pump IPOS 6".	\$0.00
4015-0259	Control for engine cooler. Includes Class1 1/4 turn 3/8" valve with "T" handle and label. Requires engine cooler option.	\$375.00
4015-0260	Hale MIV-E to have hand wheel in place of knob.	\$75.00
4020-0001	Additional tank sump.	\$338.00
4020-0002	Dump Valve Mounting Plate	\$623.00
4020-0003	Jet Dump	\$623.00
4020-0004	Newton dump mounting plate.	\$593.00
4020-0005	Fill Tower(s) to extend 6" above body.	\$408.00
4020-0006	Direct 1.0" Water Tank Fill with Akron Valve Terminate with .75 Hose Bib. Location: driver side pump panel	\$850.00
4020-0007	1.5" Tank Drain Akron Manual Valve with pull cable control at left pump panel. Valve shall be located at the tank sump and extend plumbing below frame rail.	\$894.00
4020-0008	Water Overflow Pipe to be cut down an additional 3".	\$163.00
4020-0009	Water fill tower to have a butterfly latch.	\$196.00
4020-0010	Fill Tower Lids to be hinged as follows: Water Fill Tower to be hinged to front and Foam Fill Tower to be hinged to rear. Add black rubber gasket material to foam fill tower to ensure proper seal.	\$451.00
4020-0011	Notch officer side water tank (overall tank capacity will be reduced for application). Notch to allow 2.5" rear discharge to be routed down low to rear of unit. Discharge to be positioned towards lower area of ladder tunnel access door (height only).	\$1,633.00

Option No.	Description	PRICE
4020-0012	Vision Mark tags for water and foam fill towers ipos tags.	\$81.00
4020-0013	Sight Level Water Gauge form into front of water tank, as a part of the tank.	\$215.00
4020-0014	Water tank fill tower to be 6" wide x 17" long. Required on HP100/CR100/92RM with 2.5" tank fill.	\$117.00
4020-0015	Rear tank dump. Includes painted steel assembly with manually actuated valve on driver side of dump assembly. Includes integral manual extension chute.	\$2,411.00
4020-0016	Rear tank dump. Includes stainless steel assembly with manual actuated valve on driver side of dump assembly. Includes integral manual extension chute.	\$2,931.00
4020-0017	Rear tank dump. Includes stainless steel assembly with electrical actuated valve and integral manual extension chute.	\$3,786.00
4020-0018	Rear tank dump. Includes painted steel assembly with manual actuated valve on top of dump assembly. For use with slip on extension and chute.	\$1,452.00
4020-0019	Rear tank dump. Includes stainless steel assembly with manually actuated valve on top of dump assembly. For use with slip on extension and chute.	\$1,749.00
4020-0020	Rear tank dump. Includes stainless steel assembly with electrically actuated valve. For use with slip on extension and chute.	\$2,598.00
4020-0021	Rear tank dump. Includes painted steel assembly with manually actuated valve on top of dump assembly. Includes integral swivel chute with manual telescopic extension.	\$3,602.00
4020-0022	Rear tank dump. Includes stainless steel assembly with manually actuated valve on top of dump assembly. Includes integral swivel chute with manual extension.	\$5,213.00
4020-0023	Rear tank dump. Includes mild finish steel assembly with manually actuated valve on driver side of dump assembly. Includes integral electric extension chute.	\$3,683.00
4020-0024	Rear tank dump. Includes stainless finish steel assembly with electrically actuated valve. Includes integral manual extension chute.	\$4,057.00
4020-0025	Rear tank dump. Includes stainless steel assembly with electric actuated valve and integral electrical extension chute.	\$5,216.00
4020-0026	Dump valve/extension switching location. For use with electric single or triple dump and/or electric extension applications. Switch(s) location: [#LOC].	\$0.00
4020-0027	Slip-on stainless steel dump extension and chute. Includes beavertail mounted removable support arm bracket and tailboard mounted storage tray (directly below dump) with retaining straps.	\$1,808.00
4020-0028	Slip-on mild finish dump extension and chute. Includes (1) beavertail mounted removable support arm bracket and tailboard mounted storage tray (directly below dump) with retaining straps.	\$1,396.00
4020-0029	Driver and officer side tank dumps. Includes stainless steel assembly with electrically actuated valve and integral electrical extension chute.	\$8,989.00
4020-0030	Driver and officer side tank dumps. Includes painted steel assembly with electrically actuated valve and integral electrical extension chute.	\$6,583.00
4020-0031	Fill Tower(s) to be 24" tall due to the ROM hosebed cover and to be located 27" off front of the tank due to drum of ROM hosebed cover.	\$314.00
4020-0032	Dealer supplied dump extension, chute, and items for storage in or on the body. To be provided by E-ONE will be (1) support arm bracket and (2) mount points on trailing end of beavertails (support arm bracket to be shipped loose).	\$262.00
4020-0033	2.5" Officer Rear Tank Inlet. Includes Water Level Gauge.	\$961.00

Option No.	Description	PRICE
4020-0034	Rear tank dump. Includes painted steel assembly with manually actuated valve on driver side of dump assembly and integral manual extension chute.	\$2,872.00
4020-0035	Rear tank dump. Includes painted steel assembly with manually actuated valve on driver side and manual slip-on chute. Includes painted steel slip-on elbow and extension with support bracket (all shipped loose).	\$3,507.00
4020-0036	Tank Plug installed in rear tank inlet hole.	\$0.00
4020-0037	Three (3) anodes located in main body water tank.	\$870.00
4020-0038	Rear tank dump. Includes mild finish steel assembly with manually actuated valve on top of dump assembly. Includes integral manual extension chute.	\$2,411.00
4020-0039	Rear tank dump. Includes painted steel assembly with electric actuated valve and integral electric extension chute.	\$3,841.00
4020-0040	Additional tank sump for use with dual side tank dump applications.	\$0.00
4020-0041	Additional Dump valve/extension switching location in Cab accessible to driver.	\$408.00
4020-0042	Water tank notched at forward top face (overall tank capacity will be reduced). Notch along forward top face of tank for storage pan clearance.	\$615.00
4020-0043	Slip-on mild finish dump extension and chute. Includes (1) rear body mounted removable support arm bracket and tailboard mounted storage tray (lower step directly below dump) with retaining straps.	\$1,434.00
4020-0044	Slip-on stainless steel dump extension and chute. Includes body mounted removable support arm bracket and tailboard mounted storage tray (opposite side of NFPA upper access step/ladder) with retaining straps.	\$1,854.00
4020-0045	Notch officer side water tank (overall tank capacity will be reduced for application). Notch to allow for a 2.5" hosebed discharge to be routed into the hosebed on officer side.	\$440.00
4020-0046	Notch driver/officer side water tank (overall tank capacity will be reduced for application). Notch to allow for hosebed discharge(s) to be routed into the hosebed.	\$440.00
4020-0047	Sight tube gauge, plastic tubing and brass valves installed on left front face of body. Wildland	\$250.00
4020-0048	Recessed SCBA storage compartment located officer side of tank offset forward of fold-a-tank rack. Storage compartment shall be equipped with aluminum smooth plate double doors painted job color with drip rail. Interior will include tracking on side and rear walls for mounting of equipment.	\$729.00
4020-0049	Water Fill Tower to be the following color: Blue.	\$0.00
4020-0051	Speedlay provision in tank. Located at front of tank to accomodate (2) hose trays. Includes provision for plumbing to be located on driver side above trays. Trays to hold 200' of 1.75" DJ. Wetside only.	\$1,791.00
4020-0052	Hosebed partition "L" shape. Locate at rear of hosebed, centered side to side, extend 106" forward and taper at 90 degrees to driver hosebed side wall. Partition to be poly and integral to the tank. See photos on file.	\$703.00
4020-0053	Tank sump box (1) each side of tank for newton dump mounting. Wetside Tanker Only.	\$676.00
4020-0054	Rear tank dump. Includes painted steel assembly with electric actuated valve on top of dump assembly. Includes integral swivel chute with manual extension.	\$5,256.00
4020-0055	Switch guard half moon. Locate on electrical Newton dump and Newton dump ext chute switches.	\$31.00
4020-0056	Tank sleeve for rear or hosebed (low hosebed applications) discharge.	\$289.00
4020-0057	Newton Dump valve handle shall be relocated, to permit it to be actuated from the right hand side (as mounted) in place of its standard location.	\$0.00

Option No.	Description	PRICE
4020-0058	Recessed SCBA storage compartment located driver side of tank offset forward. Recess will include tracking on side and rear walls for mounting of equipment. Does not include door. Wetside Only.	\$577.00
4020-0059	Rear tank dump. Includes painted steel assembly with electrically actuated valve. For use with slip on extension and chute.	\$2,042.00
4020-0060	Tank sump box (1) each side centered above rear wheels for newton dump mounting. Wetside Tanker Only.	\$676.00
4020-0061	Recessed SCBA storage compartment located officer side of tank offset forward. Recess will include tracking on side and rear walls for mounting of equipment. Does not include door. Wetside Only.	\$577.00
4020-0062	Water tank fill tower to be approximately 8" tall IPOS.	\$187.00
4020-0063	Tank sump dump box (1) each side for newton dump mounting.	\$337.00
4020-0064	Tank sump dump box (1) at rear for newton dump mounting.	\$337.00
4020-0065	Notch driver side water tank (overall tank capacity will be reduced for application). Notch to allow for a 2.5" hosebed discharge to be routed into the hosebed on driver side.	\$440.00
4020-0066	Notch driver side water tank (overall tank capacity will be reduced for application). Notch to allow a booster reel to be mounted in hosebed storage pan.	\$440.00
4020-0067	Water Tank Notch for ladder storage above tank for (1) stokes basket.	\$615.00
4020-0068	The Newton mounting plate shall be fitted with a stainless steel plate to cap the tank until the dealer supplied dump has been installed.	\$289.00
4020-0069	Notch driver side water tank (overall tank capacity will be reduced for application). Notch to allow for (2) 1.5" hosebed discharges to be routed into the hosebed on driver side.	\$440.00
4020-0070	Vertical "A" style sleeve thru tank for 50' boom support.	\$728.00
4020-0071	Tank sleeve for hosebed discharge(s). Wetside Tanker.	\$797.00
4020-0072	Water Tank Notch for HOT SHOT hosebed storage pan.	\$233.00
4020-0073	Water tank floor to be 1" thick material ipos 1/2" thick material.	\$494.00
4020-0074	Water tank notched at forward top face. Notch along forward top face of tank for cylinders of the electric hosebed cover clearance.	\$394.00
4020-0075	6" overflow pipe IPO 4" over flow pipe.	\$608.00
4020-0076	Jet Dump 2" IPO 1.5".	\$656.00
4020-0077	The water tank is etched to provide a cut-out guide for future installation of a Newton quick dump. The tank includes a 14" x 14' fill tower for extra venting. A removable rear body panel is provided for access to the tank dump area.	\$519.00
4020-0078	Notch forward lower face of water tank. Notch along forward lower face of tank to accommodate 20 in. raised floor.	\$1,419.00
4020-0079	Water tank notched at forward face lower corner (overall tank capacity will be reduced). Notch along forward lower face of tank for speedlay clearance.	\$615.00
4020-0080	Wire raceway/conduit at rear of tank, internal. Electrical wiring at rear of tank shall be run inside the tank in place of standard.	\$909.00
4020-0081	There shall be no exposed wiring conduits on the exterior of the tank. All the wiring shall be run through inside the tank.	\$1,097.00
4020-0082	Rear tank dump. Includes stainless steel assembly with manually actuated valve on driver side of dump assembly. For use with slip on extension and chute.	\$2,069.00
4020-0083	Notch, water tank notched on side face. Notch along officer side face of tank to accommodate ladder storage thru B1.	\$394.00

Option No.	Description	PRICE
4020-0084	4" Water Tank Overflow piping to be extended below chassis frame rails and piped so as not to discharge over rear springs, axle, or fuel tank.	\$394.00
4020-0085	Center fill tower location	\$124.00
4020-0086	Dump valve, SS with 18" extension. Electric actuation for open/close and extension.	\$5,711.00
4020-0087	Dump valve/extension switching location. For use with electric single or triple dump and/or electric extension applications. Switch(s) location: (2) driver (driver side and rear) and (1) officer side outboard side of beavertails/body.	\$0.00
4020-0088	Water tank notched at rear lower face (overall tank capacity will not be reduced). Notch along rear lower face of tank to accommodate ladder tunnel clearance from aft body compartment.	\$615.00
4020-0089	Water tank notch. Add vertical channel shaped notch on forward face (overall tank capacity will be reduced). Notch on forward face of tank sized to accommodate speedlay plumbing clearance.	\$615.00
4020-0090	Water tank notched at rear (overall tank capacity will be affected). Notch tank at rear as necessary to accommodate clearance for plumbing.	\$615.00
4020-0091	Water tank notched at top driver side (overall tank capacity will be reduced). Notch along driver side top of tank for 2.5" rear discharge clearance.	\$615.00
4020-0092	Gauge panel provision in tank. Located at front of tank to accomodate gauges,display units and other plumbing options. Includes painted lift up door with hold open device. Wetside only.	\$868.00
4020-0093	Driver side shall have four (4) upper storage compartments recessed within the Wetside tank. Dimensions to be approximately 47" wide x 34" high x 12" deep each. For misc. equipment, long handle tools, etc. Wetside Tanker Only.	\$3,940.00
4020-0094	Driver side shall have three (3) upper compartments recessed within the Wetside tank. Dimensions to be 47" wide x 34" high x 12" deep each.	\$2,997.00
4020-0095	SCBA storage compartment located officer side of tank offset forward. Storage area to blister out the tank side to edge of body so that doors for storage compartment will be flush with lower compartment doors. Compartment to recess into the tank up to a depth of 18" from the edge of the blister. Recess will include tracking on side and rear walls for mounting of equipment. Does not include door. Wetside Only.	\$1,051.00
4020-0096	Top surface of tank to have storage partitions created from same material as the Poly Tank side wall per customer design for storage of rolled hoses and/or equipment. Refer to the sales drawing for desired customer layout.	\$902.00
4020-0097	Sight Glass for water level included as part of the tank located per the sales drawing. Includes clean out access directly above the sight glass for periodical maintenance.	\$215.00
4020-0098	Water tank notched for rear suction piping clearance.	\$1,472.00
4020-0099	Tank sleeve for rear discharge(s).	\$289.00

Option No.	Description	PRICE
4020-0100	Vertical tunnel thru officer side of water tank behind R1 for light mast in hose bed storage pan. (overall tank capacity will be reduced for application approx. 51 gal on a 1280 tank). Water loss may vary with tank configuration,size or position of mast as applicable. Tunnel to allow for vertical light tower mast to retract and stow thru tank. Shall include necessary modifications and mounting provisions attached to the water tank mainframe and to the hose bed storage pan to support the light mast for safe operation. Compartment R1 shall feature a removable access panel in the rear wall of the compartment to access the service port at the base of the water tank at the bottom end of the light mast for the air connection. The forward open area of the mainframe where the tower retracts shall have additional front to back cross tubes as needed to allow for the wider spread in main frame extrusions for tower mast.	\$1,378.00
4020-0101	Water tank notch at rear lower face (overall tank capacity will not be reduced). Notch along rear lower face of tank to accommodate clearance from aft body compartment.	\$615.00
4020-0102	1.5" Tank Drain Elkhart Manual Valve with pull cable control at left pump panel. Valve shall be located at the tank sump and extend plumbing below frame rail.	\$894.00
4020-0103	Water tank notch. Add a notch at the bottom corner of the water tank. Notch on aft lower face of tank sized to accommodate speedlay plumbing clearance. (overall tank capacity will be reduced)	\$615.00
4020-0104	Water tank notch. Add vertical channel shaped notch on forward face. Notch on forward face of tank sized to accommodate componet clearance. (overall tank capacity will be reduced).	\$615.00
4020-0105	Notch driver side water tank (overall tank capacity will be reduced for application). Notch to allow for ladder tunnel from rear.	\$1,633.00
4020-0106	Tank sleeve for rear 5" or 6" suction. The sleeve will be 8" ID.	\$283.00
4020-0107	Switch guard half moon. Locate on electrical Newton dump and Newton dump ext chute switches. Location Cab.	\$31.00
4020-0108	Tank notch in water tank for rear suction piping.	\$902.00
4100-0000	10 gallon integral foam tank for [#LOC]. Foam tank capacity will reduce the water tank capacity.	\$1,023.00
4100-0006	40 gallon integral foam tank for [#LOC]. Foam tank capacity will reduce the water tank capacity. Tank capacity is 40 US gallon / 33 Imperial gallons / 151 Liters.	\$1,299.00
4100-0007	15 gallon integral foam tank for [#LOC]. Foam tank capacity will reduce the water tank capacity. Tank capacity is 15 US gallon / 12 Imperial gallons / 56 Liters.	\$1,063.00
4100-0008	20 gallon integral foam tank for [#LOC]. Foam tank capacity will reduce the water tank capacity. Tank capacity is 20 US gallon / 16 Imperial gallons / 75 Liters.	\$1,101.00
4100-0009	30 gallon integral foam tank for [#LOC]. Foam tank capacity will reduce the water tank capacity. Tank capacity is 30 US gallon / 25 Imperial gallons / 113 Liters.	\$1,192.00
4100-0011	300 gallon "T" foam tank.	\$5,394.00
4100-0012	280 gallon integral foam tank for [#LOC]. Foam tank capacity will reduce the water tank capacity. Tank capacity is 280 US gallon / 233 Imperial gallons / 1059 Liters.	\$4,483.00
4100-0013	50 gallon integral foam tank for [#LOC]. Foam tank capacity will reduce the water tank capacity. Tank capacity is 50 US gallon / 41 Imperial gallons / 189 Liters.	\$1,393.00
4100-0014	150 gallon integral foam tank for [#LOC]. Foam tank capacity will reduce the water tank capacity. Tank capacity is 150 US gallon / 124 Imperial gallons / 567 Liters.	\$3,593.00

Option No.	Description	PRICE
4100-0015	25 gallon integral foam tank for [#LOC]. Foam tank capacity will reduce the water tank capacity. Tank capacity is 25 US gallon / 20 Imperial gallons / 94 Liters.	\$1,146.00
4100-0016	100 gallon integral foam tank for [#LOC]. Foam tank capacity will reduce the water tank capacity.	\$2,588.00
4100-0017	10 gallon external foam tank. Locate in storage pan. Tower to be next to water fill tower.	\$1,624.00
4100-0018	80 gallon integral foam tank for [#LOC]. Foam tank capacity will reduce the water tank capacity. Tank capacity is 80 US gallon / 66 Imperial gallons / 302 Liters.	\$2,072.00
4100-0020	60 gallon integral foam tank for [#LOC]. Foam tank capacity will reduce the water tank capacity. Tank capacity is 60 US gallon / 50 Imperial gallons / 227 Liters.	\$1,670.00
4100-0021	30 imperial gallon integral foam tank for [#LOC]. Foam tank capacity will reduce the water tank capacity.	\$1,299.00
4100-0022	180 gallon integral foam tank for [#LOC]. Foam tank capacity will reduce the water tank capacity. Tank capacity is 180 US gallon / 149 Imperial gallons / 681 Liters.	\$4,195.00
4100-0023	300 gallon integral foam tank for class [#LOC] foam. Foam tank capacity will reduce the water tank capacity. Tank capacity is 300 US gallon / 249 Imperial gallons / 1135 Liters.	\$4,245.00
4100-0024	70 gallon integral foam tank for [#LOC]. Foam tank capacity will reduce the water tank capacity. Tank capacity is 70 US gallon / 58 Imperial gallons.	\$1,813.00
4100-0025	600 gallon integral foam tank for [#LOC]. Foam tank capacity will reduce the water tank capacity. Tank capacity is 600 US gallons / 499 Imperial gallons / 2271 Liters.	\$9,606.00
4100-0026	1030 gallon foam tank for [#LOC]. Tank capacity is 1030 US gallons / 857 Imperial gallons / 3898 Liters.	\$8,333.00
4100-0027	1280 gallon foam tank for [#LOC]. Tank capacity is 1280 US gallons / 1065 Imperial gallons / 4845 Liters.	\$10,651.00
4100-0029	500 gallon integral foam tank for [#LOC]. Foam tank capacity will reduce the water tank capacity. Tank capacity is 500 US gallons / 416 Imperial gallons / 1892 Liters.	\$8,006.00
4100-0031	250 gallon integral foam tank for [#LOC]. Foam tank capacity will reduce the water tank capacity. Tank capacity is 250 US gallon / 208 Imperial gallons / 946 Liters.	\$4,004.00
4100-0032	790 gallon foam tank for class B foam. Tank capacity is 790 US gallons / 657 Imperial gallons / 2990 Liters.	\$6,393.00
4100-0033	30 gallon integral foam tank for [#LOC]. UPF Poly III [#COL] fill tower. Foam tank capacity will reduce the water tank capacity.	\$1,192.00
4100-0034	10 gallon integral foam tank for [#LOC]. UPF Poly III [#COL] fill tower. Foam tank capacity will reduce the water tank capacity.	\$1,023.00
4100-0035	20 gallon integral foam tank for [#LOC]. UPF Poly III [#COL] fill tower. Foam tank capacity will reduce the water tank capacity.	\$1,101.00
4100-0036	40 gallon integral foam tank for [#LOC]. UPF Poly III [#COL] fill tower. Foam tank capacity will reduce the water tank capacity.	\$1,299.00
4100-0037	50 gallon integral foam tank for [#LOC]. UPF Poly III [#COL] fill tower. Foam tank capacity will reduce the water tank capacity.	\$1,393.00
4100-0038	100 gallon integral foam tank for [#LOC]. UPF Poly III [#COL] fill tower. Foam tank capacity will reduce the water tank capacity.	\$2,588.00
4100-0039	1030 gallon integral foam tank for [#LOC]. UPF Poly III [#COL] fill tower.	\$8,333.00
4100-0040	1280 gallon integral foam tank for [#LOC]. UPF Poly III [#COL] fill tower.	\$10,651.00
4100-0047	1030 gallon integral foam tank for [#LOC]. UPF Poly III [#COL] fill tower.	\$8,333.00
4100-0048	30 gallon integral foam tank for [#LOC]. UPF Poly III [#COL] fill tower.	\$10,651.00
4100-0049	1500 gallon integral foam tank for [#LOC]. UPF Poly III [#COL] fill tower.	\$11,372.00
4100-0050	1000 gallon integral foam tank for [#LOC]. UPF Poly III [#COL] fill tower.	\$8,333.00
4100-0051	750 gallon integral foam tank for class B foam. Tank capacity is 750 US gallons.	\$12,007.00

Option No.	Description	PRICE
4100-0052	500 Gallon integral foam tank for [#LOC]. UPF Poly III [#COL] fill tower. The fill tower shall include a an expansion dome. Foam tank capacity will reduce the water tank capacity. Tank capacity is 500 US gallons / 416 Imperial gallons / 1892 Liters.	\$8,006.00
4100-0053	30 Gallon external foam tank for [#LOC]. UPF Poly III [#COL]. Locate in storage pan.	\$3,560.00
4100-0054	500 gallon "T" foam tank for class B foam. UPF Poly III Yellow fill tower. Foam tank capacity will reduce the water tank capacity. Tank capacity is 500 US gallons / 416 Imperial gallons / 1892 Liters.	\$8,006.00
4100-0055	250 Gallon integral foam tank for [#LOC]. UPF Poly III [#COL] fill tower. The fill tower shall include an expansion dome. Foam tank capacity will reduce the water tank capacity. Tank capacity is 250 US gallons / 208 Imperial gallons / 946 Liters.	\$4,062.00
4100-0056	180 Gallon integral foam tank for [#LOC]. UPF Poly III [#COL] fill tower. The fill tower shall include an expansion dome. Foam tank capacity will reduce the water tank capacity. Tank capacity is 180 US gallons / 149 Imperial gallons / 681 Liters	\$4,195.00
4100-0057	20 gallon external foam tank for [#LOC] locate: Officer side front of body. UPF Poly III [#COL] fill tower. A diamond plate cover will be provided around the foam tank.	\$3,163.00
4100-0058	25 gallon integral foam tank for [#LOC]. UPF Poly III [#COL] fill tower. Foam tank capacity will reduce the water tank capacity.	\$1,183.00
4100-0059	230 Gallon integral foam tank for [#LOC]. UPF Poly III [#COL] fill tower. The fill tower shall include an expansion dome. Foam tank capacity will reduce the water tank capacity. Tank capacity is 230 US gallons / 191 Imperial gallons / 870 Liters.	\$4,483.00
4100-0060	2030 gallon integral foam tank for [#LOC]. UPF Poly III [#COL] fill tower. Note: Any storage options thru the tank will reduce the overall foam capacity.	\$16,383.00
4100-0061	200 gallon integral foam tank for class B foam. Foam tank capacity will reduce the water tank capacity. Tank capacity is 200 US gallon / 166 Imperial gallons / 757 Liters. UPF Poly III Yellow fill tower.	\$3,203.00
4100-0063	1530 gallon integral foam tank for Class B foam. UPF Poly III Yellow fill tower. Tank capacity is 1530 US gallons / 1273 Imperial gallons / 5791 Liters.	\$11,722.00
4100-0064	30 Gallon external foam tank for [#LOC]. UPF Poly III [#COL] tower to be accessible from driver side. Includes bolt-on .187" diamond plate cover with end panel (if applicable) and cutout in top panel for fill tower. Locate in storage pan over pump offset to driver side.	\$1,785.00
4100-0066	2030 gallon foam tank for Class B foam. UPF Poly III Yellow fill tower. Note: Any storage options thru the tank will reduce the overall foam capacity.	\$16,383.00
4100-0067	300 Gallon "T" foam tank for Class B foam. UPF Poly III Yellow fill tower. Tank capacity is 300 US gallons / 250 Imperial gallons / 1137 Liters.	\$5,394.00
4100-0068	35 imperial gallon integral foam tank for [#LOC]. UPF Poly III [#COL] fill tower. Foam tank capacity will reduce the water tank capacity. Tank capacity is 42 US gallon / 35 Imperial gallons / 159 Liters.	\$1,299.00
4100-0069	265 gallon integral foam tank for [#LOC]. UPF Poly III [#COL] fill tower. Foam tank capacity will reduce the water tank capacity. 265 US gal/220 Imperial gal/1003 liters	\$4,483.00
4100-0070	200 gallon integral foam tank for [#LOC]. UPF Poly III [#COL] fill tower. Foam tank capacity will reduce the water tank capacity.	\$3,203.00
4100-0071	1000 gallon integral foam tank for [#LOC]. UPF Poly III [#COL] fill tower. The fill tower shall include a an expansion dome. Foam tank capacity will reduce the water tank capacity. Tank capacity is 1000 US gallons / 832 Imperial gallons / 3785 Liters.	\$8,333.00
4100-0072	150 gallon integral foam tank for class A foam. UPF Poly III Green fill tower. Foam tank capacity will reduce the water tank capacity.	\$3,488.00
4100-0073	20 Gallon external foam tank for [#LOC]. UPF Poly III [#COL]. Locate in storage pan.	\$1,597.00

Option No.	Description	PRICE
4100-0074	120 gallon integral foam tank for class B foam. Foam tank capacity will reduce the water tank capacity.	\$2,876.00
4100-0075	5 gallon integral foam tank for [#LOC]. UPF Poly III [#COL] fill tower. Foam tank capacity will reduce the water tank capacity.	\$1,023.00
4110-0002	Foam tank (B) outlet. Includes 1" male adapter and connector (ship loose). Outlet location: [#LOC].	\$1,012.00
4110-0003	Stainless steel foam can piercer for bottom of foam fill tower. Requires foam fill to be 16" X 16" wide.	\$993.00
4110-0004	Foam tank shutoff. 1/4 turn shut off on each connection to the foam tank - foam discharge, refill and sending unit. The Valves shall be located at the tank.	\$792.00
4110-0005	Direct 1.5" Foam Tank Fill with Akron 1.5" Valve. A 1.5" FNST tank fill connection with rocker lug plug, and a replaceable .25" mesh strainer on the left pump panel.	\$799.00
4110-0006	Foam tank outlet. Includes 1" male adaptor and connector (ship loose). Outlet location: [#LOC]	\$1,011.00
4110-0007	Foam transfer pump shall automatically shut down when the foam tank is full.	\$469.00
4110-0008	Williams Hot Shot II 150 Single 2.5" Foam Tank To Pump Controls.	\$8,587.00
4110-0009	TTP 4" WILLIAMS FOAM SINGLE	\$10,563.00
4110-0010	Foam Fill Towers to be the following colors: Foam "A" to be Yellow (if applicable) and Foam "B" to be Green (if applicable).	\$0.00
4110-0011	1.5" Foam tank drain Akron manual valve.	\$740.00
4110-0012	Williams Hot Shot II Single 3" Foam Tank To Pump Controls.	\$8,587.00
4110-0013	Foam tank outlet. Includes 1.5" MNST with cap. A 1.5" FNST fitting shall be included in the loose equipment . Outlet location: [#LOC].	\$1,109.00
4110-0014	Foam tank (B) outlet. Includes 2" male adapter. Outlet location: [#LOC].	\$1,464.00
4110-0015	Foam tank outlet. Includes 1" Female adaptor and connector (ship loose). Outlet location: [#LOC].	\$1,011.00
4110-0016	There shall be one color coded tag reading: "FOAM TANK CLASS B" this tag shall be mechanically mounted to the foam tank dome and shall be colored white.	\$15.00
4110-0017	Direct 1.5" Foam Tank Fill with Akron 1.5" Valve. A 1.5" FNST tank fill connection with rocker lug plug, with a replaceable strainer on left side pump panel.	\$799.00
4110-0018	Foam tank (B) outlet. Includes 1" male camlock adaptor and connector (ship loose). Outlet location: driver side pump panel.	\$1,011.00
4110-0019	All foam service valves to be stainless steel IPOS. No PVC valves to be used.	\$513.00
4110-0020	Foam tank outlet. Includes 1" male camlock adaptor and connector (ship loose). Outlet location: (1)driver and (1) officer side pump panel.	\$1,011.00
4410-0004	Plumbing Package "A" RLP. Includes intake and discharge manifolds, 6" intake valves, 2.5" left intake, 2.5" left discharge w/ integral droop, 2.5" right discharge w/ integral droop, 4" right discharge w/ integral droop, 4" waterway discharge, (2) 1.5" crosslays, 2.5" crosslay, 1.5" tank fill w/ 2" valve and 3" tank to pump.	\$56,100.00
4410-0012	Plumbing Package "B" RLP. Includes intake and discharge manifolds, 6" intake valves, 2.5" left intake, 2.5" left discharge w/ integral droop, 4" right discharge w/ integral droop, 4" waterway discharge, (2) 1.5" crosslays, 2.5" crosslay, 1.5" tank fill w/ 2" valve and 3" tank to pump.	\$52,656.00
4410-0013	Plumbing Package "A" RLP. Includes intake and discharge manifolds, 6" intake valves, 2.5" left intake, 2.5" left discharge w/ integral droop, 2.5" right discharge w/ integral droop, 4" right discharge, 4" waterway discharge, (2) 1.5" crosslays, 2.5" crosslay, 1.5" tank fill w/ 2" valve and 3" tank to pump.	\$56,100.00

Option No.	Description	PRICE
4410-0014	Plumbing kit with Hale AP50 (without officer side steamer) pump (500GPM). Includes (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharge with droop and cap and (2) 1.5" Crosslay Discharges.	\$24,230.00
4410-0015	Plumbing Kit with Hale DSD pump (1250GPM). Includes (1) 2.5" Driver Side Discharge with droop and cap, (2) 2.5" Officer Side Discharges with droops and caps and (2) 1.5" Crosslay Discharges.	\$22,553.00
4410-0016	Plumbing kit with Hale AP50 (with officer side steamer) pump (500GPM). Includes (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharge with droop and cap and (2) 1.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current NFPA.	\$25,954.00
4410-0017	Plumbing Kit for use with a Hale DSD NFPA pump (1250GPM). Includes (1) FRC In-Control display, (1) 2.5" Driver Side Discharge with droop and cap, (2) 2.5" Officer Side Discharges with droops and caps and (2) 2.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current NFPA.	\$38,425.00
4410-0018	Plumbing Kit with Hale MBP500 pump (500GPM). Includes (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharge with droop and cap and (2) 1.5" Crosslay Discharges.	\$30,465.00
4410-0019	Plumbing Kit with Hale MBP500 NFPA pump (500GPM). Includes (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharge with droop and cap and (2) 2.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current NFPA.	\$32,189.00
4410-0020	Plumbing Kit with Hale MBP1000 pump (1000GPM). Includes (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharge with droop and cap and (2) 1.5" Crosslay Discharges.	\$30,465.00
4410-0021	Plumbing Kit with Hale MBP1000 NFPA pump (1000GPM). Includes (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharge with droop and cap and (2) 2.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current NFPA.	\$32,189.00
4410-0022	Plumbing kit with Hale APH50 (with officer side steamer) hydraulic driven pump. Includes (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharge with droop and cap and (2) 1.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current NFPA.	\$5,619.00
4410-0023	Plumbing kit with Hale AP (with officer side steamer) pump rated for 2000 LPM. Includes (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharge with droop and cap and (2) 1.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current ULC.	\$25,954.00
4410-0024	Plumbing Kit with Hale MBP pump with rating of 2000 LPM. Includes (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharge with droop and cap and (2) 2.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current ULC.	\$32,189.00
4410-0025	Plumbing Kit with Hale MBP pump rated at 3000 LPM. Includes (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharge with droop and cap and (2) 1.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current ULC.	\$32,189.00
4410-0026	Plumbing Kit for use with a Hale DSD (5000LPM) ULC pump. Includes (1) FRC In-Control display, (1) 2.5" Driver Side Discharge with droop and cap, (2) 2.5" Officer Side Discharges with droops and caps and (2) 2.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current NFPA.	\$38,425.00
4410-0027	No water pump required. Water Master only.	\$0.00

Option No.	Description	PRICE
4410-0028	Plumbing Kit for use with a Hale Pump and Side Mount Pump Module. To include the Master Intake and Discharge Gauges, Pressure Governor, (7) 2.5" Pressure Gauges, (1) 2" Tank Fill, (1) 3" tank to pump, (1) 2.5" Driver Side Auxiliary Intake, (2) 2.5" Driver Side Discharger, (1) 2.5" Driver Side Rear Discharge (droop shipped loose), (2) 1.5" Preconnect Discharges, (1) 3" Deck Gun and (2) 6" Intake Caps (Shipped Loose).	\$0.00
4410-0029	Plumbing Kit for use with a Hale Pump and Top Mount Pump Module. To include the Master Intake and Discharge Gauges, Pressure Governor, (6) 2.5" Pressure Gauges, (1) 2" Tank Fill, (1) 3" tank to pump, (1) 2.5" Driver Side Auxiliary Intake, (2) 2.5" Driver Side Discharger, (1) 2.5" Driver Side Rear Discharge (droop shipped loose), (2) 1.5" Preconnect Discharges, (1) 3" Deck Gun and (2) 6" Intake Caps (Shipped Loose).	\$0.00
4410-0030	Plumbing Kit for use with a Hale Pump and Side Mount Pump Module. To include the Master Intake and Discharge Gauges, Pressure Governor, (6) 2.5" Pressure Gauges,, (1) 2" Tank Fill, (1) 2.5" Driver Side Auxiliary Intake, (2) 2.5" Driver Side Discharges, (1) 2.5" Driver Side Rear Discharge (droop shipped loose), (2) 1.5" Preconnect Discharges, (1) 3" Deck Gun and (2) 6" Intake Caps (Shipped Loose).	\$0.00
4410-0031	Plumbing Kit for use with a Hale Pump and Top Mount Pump Module. To include the Master Intake and Discharge Gauges, Pressure Governor, (6) 2.5" Pressure Gauges, (1) 2" Tank Fill, (1) 2.5" Driver Side Auxiliary Intake, (2) 2.5" Driver Side Discharges, (1) 2.5" Driver Side Rear Discharge (droop shipped loose), (2) 1.5" Preconnect Discharges, (1) 3" Deck Gun and (2) 6" Intake Caps (Shipped Loose).	\$0.00
4410-0032	Plumbing Kit for use with a Hale Pump and Side Mount Pump Module. To include the Master Intake and Discharge Gauges, Pressure Governor, (6) 2.5" Pressure Gauges, (1) 2" Tank Fill, (1) 3" tank to pump, (1) 2.5" Driver Side Auxiliary Intake, (2) 2.5" Driver Side Discharger, (1) 2.5" Driver Side Rear Discharge (droop shipped loose) locate below hosebed, (2) 1.5" Preconnect Discharges, (1) 3" Deck Gun and (2) 6" Intake Caps (Shipped Loose).	\$0.00
4410-0033	Plumbing Kit for use with a Hale Pump and Top Mount Pump Module. To include the Master Intake and Discharge Gauges, Pressure Governor, (6) 2.5" Pressure Gauges, (1) 2" Tank Fill, (1) 3" tank to pump, (1) 2.5" Driver Side Auxiliary Intake, (2) 2.5" Driver Side Discharger, (1) 2.5" Driver Side Rear Discharge (droop shipped loose) locate below hosebed, (2) 1.5" Preconnect Discharges, (1) 3" Deck Gun and (2) 6" Intake Caps (Shipped Loose).	\$0.00
4410-0034	Plumbing Kit for use with a Hale DSD NFPA pump (750GPM). Includes (1) FRC In-Control display, (1) 2.5" Driver Side Discharge with droop and cap, (2) 2.5" Officer Side Discharges with droops and caps and (2) 2.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current NFPA.	\$38,425.00
4410-0035	Plumbing kit with Hale AP50 (with officer side steamer) pump (500GPM). Includes (1) 2.5" Driver Side Discharge with cap (NO DROOP), (1) 2.5" Officer Side Discharge with cap (NO DROOP) and (1) 1.5" Crosslay Discharge (forward) and (1) 2.5" discharge (rearward) and a Hale TRVL-120 thremal relief valve. Pre-connect storage to be extra capacity (24" deep) with (1) lay of 1.75" DJ at 200' and (2) lays of 2.5" DJ at 200'. Pump intake to have 5" FNPT by 5" NST and a 6" Stortz adaptor with cap by 5" FNST threads (ship loose). The discharges are to be labeled and color coded in compliance with current NFPA. All discharges to have quater turn bleeder valves.	\$30,561.00
4410-0036	Plumbing Package "C" RLP. Includes intake and discharge manifolds. The 2.5" left discharge w/ integral droop, 2.5" right discharge w/ integral droop, 4" right discharge w/ integral droop, 4" waterway discharge, (2) 1.5" front bumper crosslays, (1) 2.5" crosslay, shall be 9315 electric controllers. The 6" intake valves, 2.5" left intake, 1.5" tank fill w/ 2" valve and 3" tank to pump Shall be 9313 Electric controllers.	\$72,189.00

Option No.	Description	PRICE
4410-0037	Plumbing Kit for use with a Hale DSD NFPA pump (1250GPM). Includes (1) FRC In-Control display, (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharges with droop and cap, and (1) 4" Officer discharge with 3" valve and 4" Storz droops adapter and caps and (2) 2.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current NFPA.	\$42,678.00
4410-0039	Plumbing kit with C.E.T. Pump. Includes (2) 1.5" Crosslay Discharges.	\$14,633.00
4410-0040	Plumbing Kit for use with a Hale DSD (5000LPM) ULC pump. Includes (1) FRC In-Control display, (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharges with droop and cap, and (1) 4" Officer discharge with 3" valve and 4" Storz droops adapter and caps and (2) 2.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current NFPA.	\$42,678.00
4410-0041	Skid Unit. See Quote in truck folder for details.	\$23,322.00
4410-0042	Plumbing Kit for use with a Hale Pump and Top Mount Pump Module. To include the Master Intake and Discharge Gauges, Pressure Governor, (7) 2.5" Pressure Gauges, (1) 2" Tank Fill, (1) 3" tank to pump, (1) 2.5" Driver Side Auxiliary Intake, (2) 2.5" Driver Side Discharger, (1) 3" with 3" valve Driver Side Rear Discharge (droop shipped loose) locate below hosebed, (2) 1.5" Preconnect Discharges, (1) 3" Deck Gun and (2) 6" Intake Caps (Shipped Loose).	\$896.00
4410-0043	Plumbing Kit for use with a Hale Pump and Side Mount Pump Module. To include the Pressure Governor, (1) 2" Tank Fill, (1) 2.5" Driver Side Auxiliary Intake, (2) 2.5" Driver Side Discharges, (1) 2.5" Driver Side Rear Discharge (droop shipped loose), (2) 1.5" Preconnect Discharges, No Deck Gun Discharge and (2) 6" Intake Caps (Shipped Loose).	\$0.00
4410-0044	Plumbing Kit for use with a Hale DSD NFPA pump (1250GPM). Includes (1) FRC In-Control display, (2) 2.5" Driver Side Discharge with droop and cap, (1) 3" Officer Side Discharge with droop and cap and (2) 2.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current NFPA.	\$42,962.00
4410-0045	A skid unit (tank and pump) will be located in the utility bed of the truck. See Long spec for specifications.	\$37,977.00
4410-0046	Plumbing Kit for use with a Hale DSD NFPA pump (1250GPM). Includes (1) FRC In-Control display, (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharge with droop and cap, (1) 3" Officer Side Discharge with droop and cap and (2) 2.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current NFPA.	\$42,962.00
4410-0047	Plumbing kit with Hale APH (with officer side steamer)hydraulic driven pump. Pump rated for 2000 LPM. Includes (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharge with droop and cap and (2) 1.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current ULC.	\$32,825.00
4410-0048	Plumbing Kit for use with a Hale Pump and Top Mount Pump Module. To include the Master Intake and Discharge Gauges, Pressure Governor, (6) 2.5" Pressure Gauges, (1) 2" Tank Fill, (1) 2.5" Driver Side Auxiliary Intake, (2) 2.5" Driver Side Discharges, (1) 3" Officer Side Discharge (3" to 2.5" adapter shipped loose), (2) 1.5" Preconnect Discharges, (1) 3" Deck Gun and (2) 6" Intake Caps (Shipped Loose).	\$0.00
4410-0049	Northern Sunrise County Skid Unit. See truck folder for skid quote, details and photos.	\$28,811.00
4410-0050	Plumbing kit with Hale AP50 pump (500GPM). Includes (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharge with droop and cap and (2) 1.5" Crosslay Discharges.	\$24,577.00
4410-0051	Plumbing Kit with Hale MBP500 pump (500GPM). Includes (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharge with droop and cap and (2) 1.5" Crosslay Discharges.	\$30,812.00

Option No.	Description	PRICE
4410-0052	Plumbing Kit with Hale MBP1000 pump (1000GPM). Includes (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharge with droop and cap and (2) 1.5" Crosslay Discharges.	\$30,812.00
4410-0053	Plumbing kit with Hale AP50 (with officer side steamer) pump (500GPM). Includes (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharge with droop and cap and (2) 1.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current NFPA.	\$26,302.00
4410-0054	Plumbing Kit with Hale MBP500 NFPA pump (500GPM). Includes (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharge with droop and cap and (2) 2.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current NFPA.	\$32,536.00
4410-0055	Plumbing Kit with Hale MBP1000 NFPA pump (1000GPM). Includes (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharge with droop and cap and (2) 2.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current NFPA.	\$32,536.00
4410-0056	Plumbing Kit for use with a Hale DSD NFPA pump (1250GPM). Includes (1) FRC In-Control display, (1) 2.5" Driver Side Discharge with droop and cap, (2) 2.5" Officer Side Discharges with droops and caps and (2) 2.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current NFPA.	\$38,772.00
4410-0057	Plumbing Kit with Hale AP pump rated at 2000 LPM. Includes (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharge with droop and cap and (2) 1.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current ULC.	\$26,302.00
4410-0058	Plumbing Kit with Hale MBP pump rated at 3000 LPM. Includes (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharge with droop and cap and (2) 1.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current ULC.	\$32,536.00
4410-0059	Plumbing Kit for use with a Hale DSD NFPA pump (1250GPM). Includes (1)CLASS 1 TPG Plus display, (1) 2.5" Driver Side Discharge with droop and cap, (2) 2.5" Officer Side Discharges with droops and caps and (2) 2.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current NFPA.	\$38,425.00
4410-0060	Plumbing Kit with Hale MBP1000 NFPA pump (750GPM). Includes (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharge with droop and cap and (2) 2.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current NFPA.	\$32,536.00
4410-0061	Skid unit, removed from donor unit (customer supplied) and installed in new unit.	\$28,090.00
4410-0062	Plumbing Kit with Hale MBP1000 NFPA pump (1000GPM). Includes (1) 2.5" Driver Side Discharge with droop and cap, (1) 4" Officer Side Discharge w/4" Akron electric valve and 4" Storz elbow and cap and (2) 2.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current NFPA.	\$37,891.00
4410-0063	Plumbing kit with Hale APH (with officer side steamer)hydraulic driven pump. Pump rated for 500 GPM. Includes (1) 2.5" Driver Side Discharge with droop and cap, (1) 2.5" Officer Side Discharge with droop and cap and (2) 1.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current NFPA.	\$32,825.00
4410-0064	Plumbing Kit with Hale MBP1000 NFPA pump (1000GPM). Includes (1) 2.5" Driver Side Discharge with droop and cap, (1) 3" Officer Side Discharge with droop and cap and (2) 2.5" Crosslay Discharges. The discharges are to be labeled and color coded in compliance with current NFPA.	\$33,566.00
4410-0065	Foam tank outlet. Includes 1" MNST adaptor with cap. Outlet location: [#LOC].	\$1,011.00

Option No.	Description	PRICE
4415-0008	1.5" front bumper discharge Akron manual valve.	\$1,665.00
4415-0009	1.5" Front Bumper Discharge Hale Manual Valve	\$1,776.00
4415-0010	1.5" Front Bumper Discharge Akron Electric Valve	\$3,435.00
4415-0011	2.5" Front Bumper Discharge Akron Electric Valve	\$3,602.00
4415-0012	1.5" Crosslay with Akron manual valve. Location: [#LOC].	\$1,037.00
4415-0014	2.5" Left Pump Panel Discharge Akron Manual Valve. Location: [#LOC].	\$1,080.00
4415-0015	2.5" Left Panel Discharge Hale Manual Valve. Location: [#LOC]	\$1,404.00
4415-0016	2.5" Right Pump Panel Discharge Akron Manual Valve. Location: [#LOC].	\$1,199.00
4415-0017	2.5" Right Pump Panel Discharge Hale Manual Valve. Location: [#LOC]	\$1,523.00
4415-0018	2.5" left front hose bed discharge Akron manual valve.	\$1,561.00
4415-0019	2.5" Left Front Hosebed Discharge Hale Manual Valve	\$1,824.00
4415-0020	2.5" right front hose bed discharge Akron manual valve.	\$1,561.00
4415-0021	2.5" Right Front Hosebed Discharge Hale Manual Valve	\$1,824.00
4415-0022	2.5" Left Rear Discharge Akron Manual Valve. Location: [#LOC].	\$1,262.00
4415-0023	2.5" Left Rear Discharge Hale Manual Valve Location: [#LOC]	\$1,523.00
4415-0024	2" Left Rear Hosebed Discharge Akron Manual Valve	\$3,195.00
4415-0025	2.5" Left Rear Discharge Akron Electric Valve	\$1,626.00
4415-0027	2.5" Left Rear Hosebed Discharge Akron Electric Valve	\$4,582.00
4415-0028	2.5" Right Rear Discharge Akron Manual Valve. Location: [#LOC].	\$1,262.00
4415-0029	2.5" Right Rear Discharge Hale Manual Valve Location: [#LOC]	\$1,523.00
4415-0030	2.5" Right Rear Rearmount Discharge Akron Manual Valve	\$1,626.00
4415-0031	2.5" Right Rear Hosebed Rearmount Discharge Akron Electric Valve	\$4,582.00
4415-0032	Discharge 2.5" additional. Location: [#LOC].	\$1,531.00
4415-0033	3" Left Pump Panel Top mount Discharge Akron Manual Valve (Waterous pumps noted location to be forward lower port). Location: [#LOC].	\$1,847.00
4415-0034	3" Right Pump Panel Discharge Akron Manual Valve (Waterous pumps noted location to be forward lower port). Location: [#LOC].	\$1,734.00
4415-0035	3" Right Pump Panel Discharge Hale Manual Valve Location: [#LOC]	\$2,126.00
4415-0036	3" Left Front Hose Bed Discharge Akron Manual Valve.	\$2,265.00
4415-0037	3" Right Front Hose Bed Discharge Akron Manual Valve.	\$2,265.00
4415-0038	3" Left Rear Discharge Akron Manual Valve. Location: [#LOC].	\$1,949.00
4415-0039	3" Right Rear Discharge Akron Manual Valve. Location: [#LOC].	\$1,949.00
4415-0041	3" Deck Gun Discharge, Akron manual valve.	\$1,770.00
4415-0042	4" Deck Gun Discharge with 6" Hydraulic activated valve	\$8,182.00
4415-0043	4" Deck Gun Discharge 6" Electric Elkhart Valve w/ Ratio Controller	\$10,996.00
4415-0049	4" Pump Panel Discharge Hale Electric Valve Location: [#LOC]	\$6,113.00
4415-0050	4" Pump Panel Discharge Akron Electric Valve (Waterous pumps noted location to be forward lower port). [#LOC]	\$4,953.00
4415-0051	4" Waterway Discharge with 3" Akron Manual Valve.	\$2,403.00

Option No.	Description	PRICE
4415-0052	4" Waterway Discharge with 4" Akron Electric Valve	\$4,954.00
4415-0053	4" Waterway Discharge with 3" Akron Electric Valve	\$4,142.00
4415-0054	4" Right Pump Panel Discharge with 3" Akron Manual Valve (Waterous pumps noted location to be forward lower port). Location: [#LOC].	\$2,040.00
4415-0055	4" Left Rear Discharge Akron Electric Valve	\$5,248.00
4415-0056	4" Rear Discharge with Akron Electric Valve. Rear Mount application. Locate to [#LOC] of rear steamer.	\$4,953.00
4415-0057	5" Right Pump Panel Discharge with 3" Akron Manual Valve. Location: [#LOC].	\$2,828.00
4415-0058	2.5" Crosslay Akron Manual Valve. Location: [#LOC].	\$1,250.00
4415-0061	2" Crosslay with Akron Electric Valve for Rear Mount	\$1,879.00
4415-0063	1.5" Double Speedlay with Hale Manual Valve for ERV	\$2,436.00
4415-0064	1.5" Double Speedlay with Akron Manual Valve for ERV	\$2,436.00
4415-0065	1.5" Double Speedlay with Akron Manual Valves.	\$2,031.00
4415-0066	1.5" Triple Speedlay with Akron manual valve.	\$3,187.00
4415-0067	1.5" left front hose bed preconnect Akron manual valve.	\$1,080.00
4415-0068	1.5" right front hose bed preconnect Akron manual valve.	\$1,080.00
4415-0071	1.5" Left Rear Discharge Akron Manual Valve. Location: [#LOC].	\$1,139.00
4415-0072	1.5" Right Rear Discharge Akron Manual Valve. Location: [#LOC].	\$1,139.00
4415-0073	Triple Speedlay (2) 1.5" and (1) 2.5" with Akron Manual Valve.	\$4,548.00
4415-0074	1.5" Rear Driver Side Preconnect Akron Manual Valve for Rear Mount	\$2,015.00
4415-0075	2.5" Rear Driver's Side Preconnect Akron Manual Valve for Rear Mount	\$2,234.00
4415-0076	Discharge Package (4) 2.5" Akron Manual Valves for Rear Mount	\$6,929.00
4415-0077	Discharge Package (3) 2.5" with Akron Manual Valves and (1) 3" with Akron Manual Valve. For use with rear mounted pump.	\$7,489.00
4415-0078	3" Deck Gun Discharge Akron Electric Valve Body Front for Rear Mount	\$8,070.00
4415-0079	3" Deck Gun Discharge Akron Manual Valve Body Rear for Rear Mount	\$4,414.00
4415-0085	1.5" Crosslay w/2" Akron Electric Valve Location: [#LOC]	\$3,020.00
4415-0086	2.5" Crosslay w/Akron Electric Valve. To be located rearward of 1.5" crosslay(s) if applicable. Location: [#LOC].	\$3,472.00
4415-0088	1.5" Crosslay w/2" Akron Electric Valve & Navigator 9305 Location: [#LOC]	\$5,651.00
4415-0089	2.5" Crosslay w/Akron Electric Valve & Navigator 9305. To be located rearward of 1.5" crosslay(s) if applicable. Location: [#LOC]	\$6,566.00
4415-0091	1.5" Crosslay w/2" Electric over Hydraulic Actuated Akron Valve	\$2,794.00
4415-0092	2.5" Crosslay w/Electric over Hydraulic Actuated Akron Valve. To be located rearward of 1.5" crosslay(s) if applicable.	\$3,026.00
4415-0093	Double 1.5" Speedlay w/2" Akron Electric Valves	\$6,053.00
4415-0094	Triple 1.5" Speedlay w/2" Akron Electric Valves	\$9,216.00
4415-0095	Triple (2) 1.5" & (1) 2.5" Speedlay w/(2) 2" & (1) 2.5" Akron Electric Valves	\$11,106.00
4415-0096	Double 1.5" Speedlay w/2" Akron Electric Valves & Navigator 9305	\$11,220.00
4415-0097	Triple 1.5" Speedlay w/2" Akron Electric Valves & Navigator 9305	\$16,993.00
4415-0098	Triple (2) 1.5" & (1) 2.5" Speedlays w/(2) 2" & (1) 2.5" Akron Electric Valves & Navigator 9305	\$19,285.00
4415-0099	3" Deck Gun Discharge Akron Electric Valve	\$4,070.00

Option No.	Description	PRICE
4415-0100	3" Deck Gun Discharge Akron Electric Valve & Navigator 9305	\$7,246.00
4415-0101	3" Deck Gun Discharge w/Electric over Hydraulic Actuated Akron Valve	\$3,550.00
4415-0102	1.5" Front Bumper Discharge Akron Electric Valve & Navigator 9305	\$6,306.00
4415-0103	1.5" Front Bumper Discharge w/Electric over Hydraulic Actuated Akron Valve	\$3,448.00
4415-0104	2.5" Front Bumper Discharge Akron Electric Valve & Navigator 9315	\$7,321.00
4415-0105	2.5" Front Bumper Discharge w/Electric over Hydraulic Actuated Akron Valve	\$3,695.00
4415-0106	1.5" Left Front Hosebed w/2" Akron Electric Valve	\$3,089.00
4415-0107	2.5" Left Front Hosebed Akron Electric Valve	\$3,788.00
4415-0108	3" Left Front Hosebed Akron Electric Valve	\$4,570.00
4415-0109	1.5" Left Front Hosebed w/2" Akron Electric Valve & Navigator 9305	\$5,720.00
4415-0110	2.5" Left Front Hosebed Akron Electric Valve & Navigator 9305	\$6,966.00
4415-0111	3" Left Front Hosebed Akron Electric Valve & Navigator 9305	\$7,743.00
4415-0112	1.5" Left Front Hosebed w/2" Electric over Hydraulic Actuated Akron Valve	\$2,862.00
4415-0113	2.5" Left Front Hosebed w/Electric over Hydraulic Actuated Akron Valve	\$3,301.00
4415-0114	3" Left Front Hosebed w/Electric over Hydraulic Actuated Akron Valve	\$4,049.00
4415-0115	1.5" Right Front Hosebed w/2" Akron Electric Valve	\$3,089.00
4415-0116	2.5" Right Front Hosebed Akron Electric Valve	\$3,788.00
4415-0117	3" Right Front Hosebed Akron Electric Valve	\$4,570.00
4415-0118	1.5" Right Front Hosebed w/2" Akron Electric Valve & Navigator 9305	\$5,720.00
4415-0119	2.5" Right Front Hosebed Akron Electric Valve & Navigator 9305	\$6,966.00
4415-0120	3" Right Front Hosebed Akron Electric Valve & Navigator 9305	\$7,743.00
4415-0121	1.5" Right Front Hosebed w/2" Electric over Hydraulic Actuated Akron Valve	\$2,862.00
4415-0122	2.5" Right Front Hosebed w/Electric over Hydraulic Actuated Akron Valve	\$3,301.00
4415-0123	3" Right Front Hosebed w/Electric over Hydraulic Actuated Akron Valve	\$4,049.00
4415-0124	2.5" Left Pump Panel Discharge Akron Electric Valve. Location: [#LOC]	\$3,307.00
4415-0125	2.5" Left Pump Panel Discharge Akron Electric Valve & Navigator 9305. Location: [#LOC]	\$6,486.00
4415-0126	2.5" Left Pump Panel Discharge w/Electric over Hydraulic Actuated Akron Valve Location: [#LOC]	\$2,862.00
4415-0127	2.5" Right Pump Panel Discharge Akron Electric Valve Location: [#LOC]	\$3,307.00
4415-0128	3" Right Pump Panel Discharge Akron Electric Valve (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$4,040.00
4415-0129	4" Right Pump Panel Discharge w/3" Akron Electric Valve (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$4,345.00
4415-0130	5" Right Pump Panel Discharge w/3" Akron Electric Valve Location: [#LOC]	\$5,131.00
4415-0131	2.5" Right Pump Panel Discharge Akron Electric Valve & Navigator 9305 Location: [#LOC]	\$6,486.00
4415-0132	3" Right Pump Panel Discharge Akron Electric Valve & Navigator 9305 (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$7,208.00
4415-0133	4" Pump Panel Discharge Akron Electric Valve & Navigator 9305 Location: [#LOC]	\$8,746.00
4415-0134	4" Right Pump Panel Discharge w/3" Akron Electric Valve & Navigator 9305 Location: [#LOC]	\$7,514.00

Option No.	Description	PRICE
4415-0135	5" Right Pump Panel Discharge w/3" Akron Electric Valve & Navigator 9305 Location: [#LOC]	\$8,302.00
4415-0136	2.5" Right Pump Panel Discharge w/Electric over Hydraulic Actuated Akron Valve Location: [#LOC]	\$2,981.00
4415-0137	3" Right Pump Panel Discharge w/Electric over Hydraulic Actuated Akron Valve Location: [#LOC]	\$3,515.00
4415-0138	4" Right Pump Panel Discharge w/3" Electric over Hydraulic Actuated Akron Valve Location: [#LOC]	\$3,822.00
4415-0139	5" Right Pump Panel Discharge w/3" Electric over Hydraulic Actuated Akron Valve Location: [#LOC]	\$4,609.00
4415-0140	1.5" Left Rear Discharge Akron Electric Valve Location: [#LOC]	\$3,149.00
4415-0141	2.5" Left Rear Discharge Akron Electric Valve Location: [#LOC]	\$3,490.00
4415-0142	3" Left Rear Discharge Akron Electric Valve Location: [#LOC]	\$4,253.00
4415-0143	1.5" Left Rear Discharge Akron Electric Valve & Navigator 9305 Location: [#LOC]	\$5,781.00
4415-0144	2.5" Left Rear Discharge Akron Electric Valve & Navigator 9305 Location: [#LOC]	\$6,667.00
4415-0145	3" Left Rear Discharge Akron Electric Valve & Navigator 9305 Location: [#LOC]	\$7,425.00
4415-0146	1.5" Left Rear Discharge w/Electric over Hydraulic Actuated Akron Valve	\$2,923.00
4415-0147	2.5" Left Rear Discharge w/Electric over Hydraulic Actuated Akron Valve	\$3,043.00
4415-0148	3" Left Rear Discharge w/Electric over Hydraulic Actuated Akron Valve	\$3,732.00
4415-0149	1.5" Right Rear Discharge Akron Electric Valve Location: [#LOC]	\$3,149.00
4415-0150	2.5" Right Rear Discharge Akron Electric Valve Location: [#LOC]	\$3,490.00
4415-0151	3" Right Rear Discharge Akron Electric Valve Location: [#LOC]	\$4,253.00
4415-0152	1.5" Right Rear Discharge Akron Electric Valve & Navigator 9305 Location: [#LOC]	\$5,781.00
4415-0153	2.5" Right Rear Discharge Akron Electric Valve & Navigator 9305 Location: [#LOC]	\$6,667.00
4415-0154	3" Right Rear Discharge Akron Electric Valve & Navigator 9305 Location: [#LOC]	\$7,425.00
4415-0155	1.5" Right Rear Discharge w/Electric over Hydraulic Actuated Akron Valve	\$2,923.00
4415-0156	2.5" Right Rear Discharge w/Electric over Hydraulic Actuated Akron Valve	\$3,043.00
4415-0157	3" Right Rear Discharge w/Electric over Hydraulic Actuated Akron Valve	\$3,732.00
4415-0158	3" Left Panel Discharge Top Mount Akron Manual Valve w/30 Degree Droop. (Waterous pumps noted location to be forward lower port.) Location: [#LOC].	\$2,184.00
4415-0159	3" Left Panel Discharge Top Mount Akron Electric Valve (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$4,151.00
4415-0160	3" Left Panel Discharge Top Mount Akron Electric Valve w/30 Degree Chrome Droop (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$4,490.00
4415-0161	2.5" Left Panel Discharge Akron Manual Valve w/30 Degree Chrome Droop. Location: [#LOC].	\$1,356.00
4415-0162	2.5" Left Panel Discharge Akron Electric Valve w/30 Degree Chrome Droop. Location: [#LOC].	\$3,585.00
4415-0163	2.5" Left Panel Discharge Akron Electric Valve & Navigator 9305 w/30 Degree Droop Location: [#LOC]	\$6,763.00
4415-0164	2.5" Right Panel Discharge Akron Manual Valve w/30 Degree Chrome Droop. Location: [#LOC].	\$1,356.00
4415-0165	3" Right Panel Discharge Akron Manual Valve w/30 Degree Chrome Droop. (Waterous pumps noted if location is forward of steamer use lower discharge port.) Location: [#LOC].	\$2,072.00
4415-0166	2.5" Right Panel Discharge Akron Electric Valve w/30 Degree Chrome Droop Location: [#LOC]	\$3,585.00

Option No.	Description	PRICE
4415-0167	3" Right Panel Discharge Akron Electric Valve w/30 Degree Chrome Droop (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$4,376.00
4415-0168	2.5" Right Panel Discharge Akron Electric Valve & Navigator 9305 w/30 Degree Droop Location: [#LOC]	\$6,763.00
4415-0169	3" Right Panel Discharge Akron Electric Valve & Navigator 9305 w/30 Degree Droop (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$7,547.00
4415-0171	3" Auxillary Waterway Discharge Akron Manual Valve. Plumbed from foam manifold and "Y" into w/way pipe downstream from main w/way discharge valve.	\$1,291.00
4415-0172	2.5" Auxillary Waterway Discharge Akron Manual Valve. Plumbed from foam manifold and "Y" into w/way pipe downstream from main w/way discharge valve.	\$1,215.00
4415-0176	Brass Swivel in Tray [#LOC] for Front Bumper Discharge.	\$0.00
4415-0178	Polished Stainless Steel Swivel Located on Top of Bumper [#LOC] for Front Bumper Discharge.	\$0.00
4415-0179	2.5" Auxiliary Deck Gun Discharge Akron Valve for use with CAFS System.Plumbed from foam manifold and "Y" into Deck Gun pipe downstream from main Deck Gun discharge valve.	\$2,101.00
4415-0180	2.5" Auxillary Waterway Discharge Hale Manual Valve. Plumbed from foam manifold and "Y" into w/way pipe downstream from main w/way discharge valve.	\$1,484.00
4415-0181	3" Auxillary waterway discharge Hale Manual Valve. Plumbed from foam manifold and "Y" into w/way pipe downstream from main w/way discharge valve.	\$1,513.00
4415-0184	3" Deck Gun Discharge Hale Manual Valve	\$1,986.00
4415-0185	3" Left Panel Discharge w/Akron Electric Valve & 9305 Navigator for Top Mount Module (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$7,324.00
4415-0186	3" Left Panel Discharge w/Akron Electric Valve & 9305 Navigator for Top Mount Module (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$7,662.00
4415-0187	1.5" Crosslay with Hale Manual Valve Location: [#LOC]	\$1,996.00
4415-0189	2.5" Crosslay with Hale Manual Valve Location: [#LOC]	\$2,691.00
4415-0190	Double 1.5" Speedlay with Hale Manual Valve	\$2,501.00
4415-0191	Triple 1.5" Speedlay with Hale Manual Valve	\$3,891.00
4415-0192	4" Waterway Discharge with 3" Hale Manual Valve	\$2,801.00
4415-0193	Triple Speedlay (2) 1.5" and (1) 2.5" with Hale Manual Valves	\$5,564.00
4415-0194	2.5" Front bumper discharge Akron manual valve.	\$1,913.00
4415-0195	4" Right Pump Panel Discharge with 3" Hale Manual Valve Location: [#LOC]	\$2,434.00
4415-0196	5" Right Pump Panel Discharge with 3" Hale Manual Valve Location: [#LOC]	\$3,225.00
4415-0197	2.5" Left Panel Discharge Hale Manual Valve with Droop. Location: [#LOC]	\$1,680.00
4415-0198	2.5" Right Pump Panel Discharge Hale Manual Valve with droop. Location: [#LOC]	\$1,797.00
4415-0199	3" Right Pump Panel Discharge Hale Manual Valve with Droop Location: [#LOC]	\$2,457.00
4415-0200	1.5" Left Panel Discharge Akron Valve	\$1,080.00
4415-0201	1.5" Right Panel Discharge Akron Valve.	\$1,080.00
4415-0202	The pre-connect shall have a flow rating of 95 gpm.	\$0.00

Option No.	Description	PRICE
4415-0203	The pre-connect shall have a flow rating of 125 gpm.	\$0.00
4415-0204	1.5" Crosslay with Hale Electric Valve Location: [#LOC]	\$3,597.00
4415-0205	2.5" Crosslay with Hale Electric Valve Location: [#LOC]	\$4,436.00
4415-0206	Double 1.5" Speedlay with Hale Electric Valve	\$5,704.00
4415-0207	Triple 1.5" Speedlay with Hale Electric Valve	\$8,694.00
4415-0208	Triple Speedlay (2) 1.5" and (1) 2.5" with Hale Electric Valves	\$10,510.00
4415-0209	3" Deck Gun Discharge Hale Electric Valve	\$4,382.00
4415-0210	2.5" Auxiliary Deck Gun Discharge Hale Valve for use with CAFS System	\$4,496.00
4415-0211	2.5" Front Bumper Discharge Hale Manual Valve	\$1,971.00
4415-0212	1.5" Front Bumper Discharge Hale Electric Valve	\$3,378.00
4415-0213	2.5" Front Bumper Discharge Hale Electric Valve	\$3,716.00
4415-0214	1.5" Left Front Hosebed Discharge Hale Manual Valve	\$1,234.00
4415-0215	3" Left Front Hosebed Discharge Hale Manual Valve	\$2,483.00
4415-0216	1.5" Left Front Hosebed Discharge Hale Electric Valve	\$2,835.00
4415-0217	2.5" Left Front Hosebed Discharge Hale Electric Valve	\$3,568.00
4415-0218	3" Left Front Hosebed Discharge Hale Electric Valve	\$4,878.00
4415-0219	1.5" Right Front Hosebed Discharge Hale Manual Valve	\$1,234.00
4415-0220	3" Right Front Hosebed Discharge Hale Manual Valve	\$2,483.00
4415-0221	1.5" Right Front Hosebed Discharge Hale Electric Valve	\$2,835.00
4415-0222	2.5" Right Front Hosebed Discharge Hale Electric Valve	\$3,568.00
4415-0223	3" Right Front Hosebed Discharge Hale Electric Valve	\$4,878.00
4415-0224	1.5" Left Panel Discharge Hale Valve	\$1,190.00
4415-0225	3" Left Pump Panel Top mount Discharge Hale Manual Valve Location: [#LOC]	\$2,065.00
4415-0226	3" Left Pump Panel Top mount Discharge with 30 deg Droop Hale Manual Valve Location: [#LOC]	\$2,394.00
4415-0227	2.5" Left Panel Discharge Hale Electric Valve. Location: [#LOC]	\$3,148.00
4415-0228	2.5" Left Panel Discharge Hale Electric Valve with Droop. Location: [#LOC]	\$3,422.00
4415-0229	3" Left Pump Panel Top mount Discharge Hale Electric Valve Location: [#LOC]	\$4,460.00
4415-0230	3" Left Pump Panel Top mount Discharge with 30 deg Droop Hale Electric Valve Location: [#LOC]	\$4,790.00
4415-0231	1.5" Right Panel Discharge Hale Valve	\$1,190.00
4415-0232	2.5" Right Pump Panel Discharge Hale Electric Valve. Location: [#LOC]	\$3,268.00
4415-0233	2.5" Right Pump Panel Discharge Hale Electric Valve with droop. Location: [#LOC]	\$3,542.00
4415-0234	3" Right Pump Panel Discharge Hale Electric Valve Location: [#LOC]	\$4,523.00
4415-0235	3" Right Pump Panel Discharge Hale Electric Valve with Droop Location: [#LOC]	\$4,854.00
4415-0236	4" Right Pump Panel Discharge with 3" Hale Electric Valve Location: [#LOC]	\$4,829.00
4415-0237	5" Right Pump Panel Discharge with 3" Hale Electric Valve Location: [#LOC]	\$5,619.00
4415-0238	1.5" Left Rear Discharge Hale Manual Valve Location: [#LOC]	\$1,252.00
4415-0239	3" Left Rear Discharge Hale Manual Valve Location: [#LOC]	\$2,166.00

Option No.	Description	PRICE
4415-0240	1.5" Left Rear Discharge Hale Electric Valve Location: [#LOC]	\$2,854.00
4415-0241	2.5" Left Rear Discharge Hale Electric Valve Location: [#LOC]	\$3,268.00
4415-0242	3" Left Rear Discharge Hale Electric Valve Location: [#LOC]	\$4,562.00
4415-0243	1.5" Right Rear Discharge Hale Manual Valve Location: [#LOC]	\$1,252.00

4415-0246	2.5" Right Rear Discharge Hale Electric Valve Location: [#LOC]	\$3,268.00
4415-0247	3" Right Rear Discharge Hale Electric Valve Location: [#LOC]	\$4,562.00
4415-0248	1.5" Crosslay Elkhart Manual Valve Location: [#LOC].	\$1,095.00
4415-0249	2.5" Crosslay Elkhart Manual Valve. To be located rearward of 1.5" crosslay(s) if applicable. Location: [#LOC]	\$1,407.00
4415-0250	1.5" Crosslay w/2" Elkhart Electric Valve Location: [#LOC]	\$2,422.00
4415-0251	2.5" Crosslay w/Elkhart Electric Valve. To be located rearward of 1.5" crosslay(s) if applicable. Location: [#LOC]	\$2,957.00
4415-0252	1.5" Double Speedlay with Elkhart Manual Valves	\$2,200.00
4415-0253	SPDLY TRPL 1.5" ELKHART VLV	\$3,440.00
4415-0254	Triple Speedlay (2) 1.5" and (1) 2.5" with Elkhart Manual Valves	\$5,188.00
4415-0255	Double 1.5" Speedlay w/2" Elkhart Electric Valves	\$4,848.00
4415-0256	Triple 1.5" Speedlay w/2" Elkhart Electric Valves	\$7,411.00
4415-0257	Triple (2) 1.5" & (1) 2.5" Speedlay w/(2) 2" & (1) 2.5" Elkhart Electric Valves	\$9,384.00
4415-0258	4" Waterway Discharge with 3" Hale Electric Valve	\$4,800.00
4415-0259	4" Waterway Discharge with 4" Hale Electric Valve	\$6,070.00
4415-0260	4" Waterway Discharge with 3" Elkhart Manual Valve	\$2,638.00
4415-0261	4" Waterway Discharge with 3" Elkhart Electric Valve	\$4,162.00
4415-0262	4" Waterway Discharge with 4" Elkhart Unibody Electric Valve	\$6,283.00
4415-0263	3" Auxillary Waterway Discharge Elkhart Manual Valve. Plumbed from foam manifold and "Y" into w/way pipe downstream from main w/way discharge valve.	\$1,522.00
4415-0264	2.5" Auxillary Waterway Discharge Elkhart Manual Valve. Plumbed from foam manifold and "Y" into w/way pipe downstream from main w/way discharge valve.	\$1,376.00
4415-0265	3" Deck Gun Discharge Elkhart Manual Valve w/RC-10 Controller.	\$2,002.00
4415-0266	3" Deck Gun Discharge Elkhart Electric Valve	\$3,524.00
4415-0267	2.5" Auxiliary Deck Gun Discharge Elkhart Valve for use with CAFS System	\$2,261.00
4415-0268	1.5" Front Bumper Discharge Elkhart Manual Valve	\$1,750.00
4415-0269	2.5" Front Bumper Discharge Elkhart Manual Valve	\$2,074.00
4415-0270	1.5" Front Bumper Discharge Elkhart Electric Valve	\$3,074.00
4415-0271	2.5" Front Bumper Discharge Elkhart Unibody Electric Valve	\$3,623.00
4415-0272	1.5" Left Front Hosebed Preconnect Elkhart Manual Valve	\$1,164.00
4415-0273	2.5" Left Front Hosebed Discharge Elkhart Manual Valve	\$1,720.00
4415-0274	3" Left Front Hosebed Discharge Elkhart Manual Valve	\$2,500.00

Option No.	Description	PRICE
4415-0275	1.5" Left Front Hosebed w/2" Elkhart Electric Valve	\$2,489.00
4415-0276	2.5" Left Front Hosebed Elkhart Electric Valve	\$3,268.00
4415-0277	3" Left Front Hosebed Elkhart Electric Valve	\$4,021.00
4415-0278	1.5" Right Front Hosebed Preconnect Elkhart Manual Valve	\$1,164.00
4415-0279	2.5" Right Front Hosebed Discharge Elkhart Manual Valve	\$1,720.00
4415-0280	3" Right Front Hosebed Discharge Elkhart Manual Valve	\$2,500.00
4415-0281	1.5" Right Front Hosebed w/2" Elkhart Electric Valve	\$2,489.00
4415-0282	2.5" Right Front Hosebed Elkhart Electric Valve	\$3,268.00
4415-0283	3" Right Front Hosebed Elkhart Electric Valve	\$4,021.00
4415-0284	1.5" Left Panel Discharge Elkhart Valve	\$1,164.00
4415-0285	4" Pump Panel Discharge Elkhart Electric Valve (Waterous pumps noted location to be forward lower port) Location: [#LOC].	\$5,167.00
4415-0286	5" Pump Panel Discharge with 4" Akron Electric Valve Location: [#LOC]	\$5,646.00
4415-0287	5" Pump Panel Discharge with 4" Hale Electric Valve Location: [#LOC]	\$6,763.00
4415-0288	5" Pump Panel Discharge with 4" Elkhart Electric Valve Location: [#LOC]	\$5,860.00
4415-0289	2.5" Left Pump Panel Discharge Elkhart Manual Valve. Location: [#LOC]	\$1,240.00
4415-0290	2.5" Left Panel Discharge Elkhart Manual Valve w/45 Degree Droop. Location: [#LOC].	\$1,517.00
4415-0291	3" Left Pump Panel Top mount Discharge Elkhart Manual Valve Location: [#LOC]	\$2,081.00
4415-0292	2.5" Left Pump Panel Discharge Elkhart Electric Valve. Location: [#LOC]	\$2,790.00
4415-0293	2.5" Left Panel Discharge Elkhart Electric Valve w/45 Degree Droop Location: [#LOC]	\$3,066.00
4415-0294	3" Left Panel Discharge Top Mount Elkhart Electric Valve Location: [#LOC]	\$3,603.00
4415-0295	4" Left Pump Panel Discharge with 3" Akron Manual Valve Top Mount Controlled. (Waterous pumps noted location to be forward lower port.) Location: [#LOC].	\$2,040.00
4415-0296	4" Left Pump Panel Discharge with 3" Hale Manual Valve Top Mount Controlled Location: [#LOC]	\$2,433.00
4415-0297	4" Left Pump Panel Discharge with 3" Elkhart Manual Valve Top Mount Controlled (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$2,272.00
4415-0298	1.5" Right Panel Discharge Elkhart Valve	\$1,164.00
4415-0299	2.5" Right Pump Panel Discharge Elkhart Manual Valve. Location: [#LOC].	\$1,356.00
4415-0300	2.5" Right Panel Discharge Elkhart Manual Valve w/45 Degree Droop. Location: [#LOC].	\$1,517.00
4415-0301	3" Right Pump Panel Discharge Elkhart Manual Valve Location: [#LOC]	\$1,968.00
4415-0302	4" Right Pump Panel Discharge with 3" Elkhart Manual Valve w/RC-10 Control w/lights. Location: [#LOC].	\$2,272.00
4415-0303	5" Right Pump Panel Discharge with 3" Elkhart Unibody Manual Valve Location: [#LOC]	\$3,061.00
4415-0304	2.5" Right Pump Panel Discharge Elkhart Electric Valve Location: [#LOC]	\$2,907.00
4415-0305	2.5" Right Panel Discharge Elkhart Electric Valve w/45 Degree Droop Location: [#LOC]	\$3,066.00
4415-0306	3" Right Pump Panel Discharge Elkhart Electric Valve Location: [#LOC]	\$3,491.00
4415-0307	4" Right Pump Panel Discharge w/3" Elkhart Electric Valve (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$3,797.00
4415-0308	5" Right Pump Panel Discharge w/3" Elkhart Electric Valve Location: [#LOC]	\$4,583.00

Option No.	Description	PRICE
4415-0309	1.5" Left Rear Discharge Elkhart Manual Valve Location: [#LOC]	\$1,223.00
4415-0310	2.5" Left Rear Discharge Elkhart Manual Valve. Location: [#LOC].	\$1,422.00
4415-0311	3" Left Rear Discharge Elkhart Manual Valve Location: [#LOC]	\$2,182.00

4415-0318	1.5" Right Rear Discharge Elkhart Electric Valve Location: [#LOC]	\$2,549.00
4415-0319	2.5" Right Rear Discharge Elkhart Electric Valve Location: [#LOC]	\$2,969.00
4415-0320	3" Right Rear Discharge Elkhart Electric Valve Location: [#LOC]	\$3,705.00
4415-0322	Second Left Front Hosebed Discharge 1.5" w/2" Akron Manual Valve	\$1,080.00
4415-0323	Second left front hose bed discharge 2.5" Akron manual valve.	\$1,561.00
4415-0324	Second Left Front Hosebed Discharge 2.5" Hale Manual Valve	\$1,824.00
4415-0325	Second Left Front Hose Bed Discharge 3" Akron Manual Valve.	\$2,265.00
4415-0326	Second Left Front Hosebed 1.5" w/2" Akron Electric Valve	\$3,089.00
4415-0327	Second Left Front Hosebed 2.5" Akron Electric Valve	\$3,788.00
4415-0328	Second Left Front Hosebed 3" Akron Electric Valve	\$4,570.00
4415-0329	Second Left Front Hosebed 1.5" w/2" Akron Electric Valve & Navigator 9305	\$5,720.00
4415-0330	Second Left Front Hosebed 2.5" Akron Electric Valve & Navigator 9305	\$6,966.00
4415-0331	Second Left Front Hosebed 3" Akron Electric Valve & Navigator 9305	\$7,743.00
4415-0332	Second Left Front Hosebed 1.5" w/2" Electric over Hydraulic Actuated Akron Valve	\$2,862.00
4415-0333	Second Left Front Hosebed w/2.5" Electric over Hydraulic Actuated Akron Valve	\$3,301.00
4415-0334	Second Left Front Hosebed w/3" Electric over Hydraulic Actuated Akron Valve	\$4,049.00
4415-0335	Second Left Front Hosebed Discharge 1.5" Hale Manual Valve	\$1,234.00
4415-0336	Second Left Front Hosebed Discharge 3" Hale Manual Valve	\$2,483.00
4415-0337	Second Left Front Hosebed Discharge 1.5" Hale Electric Valve	\$2,835.00
4415-0338	Second Left Front Hosebed Discharge 2.5" Hale Electric Valve	\$3,568.00
4415-0339	Second Left Front Hosebed Discharge 3" Hale Electric Valve	\$4,878.00
4415-0340	Second Left Front Hosebed Preconnect 1.5" Elkhart Manual Valve	\$1,164.00
4415-0341	Second Left Front Hosebed Discharge 2.5" Elkhart Manual Valve	\$1,720.00
4415-0342	Second Left Front Hosebed Discharge 3" Elkhart Manual Valve	\$2,500.00
4415-0343	Second Left Front Hosebed 1.5" w/2" Elkhart Electric Valve	\$2,489.00
4415-0344	Second Left Front Hosebed 2.5" Elkhart Electric Valve	\$3,268.00
4415-0345	Second Left Front Hosebed 3" Elkhart Electric Valve	\$4,021.00
4415-0346	Second Right Front Hose Bed Preconnect 1.5" With 2" Akron Manual Valve.	\$1,080.00

Option No.	Description	PRICE
4415-0347	Second Right Front Hose Bed Discharge 2.5" Akron Manual Valve.	\$1,561.00
4415-0348	Second Right Front Hosebed Discharge 2.5" Hale Manual Valve	\$1,824.00
4415-0349	Second Right Front Hosebed Discharge 3" Akron Manual Valve	\$2,265.00
4415-0350	Second Right Front Hosebed 1.5" w/2" Akron Electric Valve	\$3,089.00
4415-0351	Second Right Front Hosebed 2.5" Akron Electric Valve	\$3,788.00
4415-0352	Second Right Front Hosebed 3" Akron Electric Valve	\$4,570.00
4415-0353	Second Right Front Hosebed 1.5" w/2" Akron Electric Valve & Navigator 9305	\$5,720.00
4415-0354	Second Right Front Hosebed 2.5" Akron Electric Valve & Navigator 9305	\$6,966.00
4415-0355	Second Right Front Hosebed 3" Akron Electric Valve & Navigator 9305	\$7,743.00
4415-0356	Second Right Front Hosebed 1.5" w/2" Electric over Hydraulic Actuated Akron Valve	\$2,862.00
4415-0357	Second Right Front Hosebed 2.5" w/Electric over Hydraulic Actuated Akron Valve	\$3,301.00
4415-0358	Second Right Front Hosebed 3" w/Electric over Hydraulic Actuated Akron Valve	\$4,049.00
4415-0359	Second Right Front Hosebed 1.5" Discharge Hale Manual Valve	\$1,234.00
4415-0360	Second Right Front Hosebed Discharge 3" Hale Manual Valve	\$2,483.00
4415-0361	Second Right Front Hosebed Discharge 1.5" w/2" Hale Electric Valve	\$2,835.00
4415-0362	Second Right Front Hosebed Discharge 2.5" Hale Electric Valve	\$3,568.00
4415-0363	Second Right Front Hosebed Discharge 3" Hale Electric Valve	\$4,878.00
4415-0364	Second Right Front Hosebed Preconnect 1.5" Elkhart Manual Valve	\$1,164.00
4415-0365	Second Right Front Hosebed Discharge 2.5" Elkhart Manual Valve	\$1,720.00
4415-0366	Second Right Front Hosebed Discharge 3" Elkhart Unibody Manual Valve and shall terminate with a 3"FNPT X 2.5"MNST adapter.	\$2,500.00
4415-0367	Second Right Front Hosebed 1.5" w/2" Elkhart Electric Valve	\$2,489.00
4415-0368	Second Right Front Hosebed 2.5" Elkhart Electric Valve	\$3,268.00
4415-0369	Second Right Front Hosebed 3" Elkhart Electric Valve	\$4,021.00
4415-0370	Second 1.5" Front Bumper Discharge Akron Manual Valve.	\$1,665.00
4415-0371	Second 1.5" Front Bumper Discharge Hale Manual Valve	\$1,776.00
4415-0372	Second 1.5" Front Bumper Discharge Akron Electric Valve	\$3,435.00
4415-0373	Second 2.5" Front Bumper Discharge Akron Electric Valve	\$3,602.00
4415-0374	Second 1.5" Front Bumper Discharge Akron Electric Valve & Navigator 9305	\$6,306.00
4415-0375	Second 1.5" Front Bumper Discharge w/Electric over Hydraulic Actuated Akron Valve	\$3,448.00
4415-0376	Second 2.5" Front Bumper Discharge Akron Electric Valve & Navigator 9305	\$7,321.00
4415-0377	Second 2.5" Front Bumper Discharge w/Electric over Hydraulic Actuated Akron Valve	\$3,695.00
4415-0378	Second 2.5" Front Bumper Discharge Akron Manual Valve	\$1,913.00
4415-0379	Second 2.5" Front Bumper Discharge Hale Manual Valve	\$1,971.00
4415-0380	Second 1.5" Front Bumper Discharge Hale Electric Valve	\$3,378.00
4415-0381	Second 2.5" Front Bumper Discharge Hale Electric Valve	\$3,716.00
4415-0382	Second 1.5" Front Bumper Discharge Elkhart Manual Valve	\$1,750.00
4415-0383	Second 2.5" Front Bumper Discharge Elkhart Manual Valve	\$2,074.00

Option No.	Description	PRICE
4415-0384	Second 1.5" Front Bumper Discharge Elkhart Electric Valve	\$3,074.00
4415-0385	Second 2.5" Front Bumper Discharge Elkhart Electric Valve	\$3,623.00
4415-0386	4" Right Rear Discharge 4" Akron Electric Valve.	\$5,509.00
4415-0387	4" Left Rear Discharge Hale Electric Valve	\$6,335.00
4415-0388	4" Left Rear Discharge Elkhart Electric Valve	\$5,458.00
4415-0389	4" Right Rear Discharge Hale Electric Valve	\$6,592.00
4415-0390	4" Right Rear Discharge Elkhart Electric Valve	\$5,719.00
4415-0391	4" Deck Gun Discharge Akron Electric Valve.	\$5,879.00
4415-0392	4" Deck Gun Discharge Hale Electric Valve	\$6,962.00
4415-0393	4" Deck Gun Discharge Elkhart Electric Valve	\$6,088.00
4415-0394	2.5" Left Rear Hosebed Discharge Above Hosebed Akron Manual Valve	\$0.00
4415-0395	Rear discharge(s) located [#LOC]	\$0.00
4415-0396	Rear discharges to be located below the rear intermediate step.	\$0.00
4415-0397	4" Officer side discharge. Forward of steamer and includes 30 degree droop, 4" Akron full flow valve with 4" driver side hand wheel control.	\$4,075.00
4415-0398	An indicator light shall be installed in the cab to show the pre-connect discharge line is fully deployed and pressurized.	\$109.00
4415-0399	1.5" Crosslay w/2" Akron Valve Handwheel Control Location: [#LOC]	\$2,137.00
4415-0400	1.5" Crosslay w/2" Elkhart Valve Handwheel Control Location: [#LOC]	\$2,191.00
4415-0401	2.5" Crosslay w/Akron Valve Handwheel Control. To be located rearward of 1.5" crosslay(s) if applicable. Location: [#LOC]	\$2,348.00
4415-0402	2.5" Crosslay w/Elkhart Unibody Valve Handwheel Control. To be located rearward of 1.5" crosslay(s) if applicable. Location: [#LOC]	\$2,400.00
4415-0403	3" Deck Gun Discharge Akron Valve Handwheel Control.	\$2,868.00
4415-0404	3" Deck Gun Discharge Elkhart Valve Handwheel Control	\$2,923.00
4415-0405	1.5" Front Bumper Discharge Akron Valve Handwheel Control	\$2,766.00
4415-0406	1.5" Front Bumper Discharge Elkhart Unibody Valve Handwheel Control	\$2,819.00
4415-0407	2.5" Front Bumper Discharge Akron Valve Handwheel Control	\$3,013.00
4415-0408	2.5" Front Bumper Discharge Elkhart Valve Handwheel Control	\$3,067.00
4415-0409	1.5" Left Front Hosebed Preconnect Akron Valve Handwheel Control	\$2,179.00
4415-0410	1.5" Left Front Hosebed Preconnect Elkhart Valve Handwheel Control	\$2,234.00
4415-0411	2.5" Left Front Hosebed Discharge Akron Valve Handwheel Control	\$2,660.00
4415-0412	2.5" Left Front Hosebed Discharge Elkhart Valve Handwheel Control	\$2,712.00
4415-0413	3" Left Front Hosebed Discharge Akron Valve Handwheel Control	\$3,366.00
4415-0414	3" Left Front Hosebed Discharge Elkhart Valve Handwheel Control	\$3,418.00
4415-0415	1.5" Right Front Hosebed Preconnect Akron Valve Handwheel Control	\$2,179.00
4415-0416	1.5" Right Front Hosebed Preconnect Elkhart Valve Handwheel Control	\$2,234.00
4415-0417	2.5" Right Front Hosebed Discharge Akron Valve Handwheel Control	\$2,660.00
4415-0418	2.5" Right Front Hosebed Discharge Elkhart Valve Handwheel Control	\$2,712.00

Option No.	Description	PRICE
4415-0419	3" Right Front Hosebed Discharge Akron Valve Handwheel Control	\$3,366.00
4415-0420	3" Right Front Hosebed Discharge Elkhart Valve Handwheel Control	\$3,418.00
4415-0421	4" Pump Panel Discharge Akron Valve Handwheel Control. (Waterous pumps noted location to be forward lower port.) Location: [#LOC].	\$4,143.00
4415-0422	4" Pump Panel Discharge Akron Valve Handwheel Control. (Waterous pumps noted location to be forward lower port.) Location: [#LOC].	\$4,143.00
4415-0423	5" Right Pump Panel Discharge with 4" Akron Valve Handwheel Control	\$4,838.00
4415-0424	5" Right Pump Panel Discharge with 4" Elkhart Valve Handwheel Control	\$4,918.00
4415-0425	2.5" Right Pump Panel Discharge Akron Valve Handwheel Control. Location: [#LOC]	\$2,299.00
4415-0426	2.5" Right Pump Panel Discharge Elkhart Valve Handwheel Control. Location: [#LOC]	\$2,351.00

4415-0449	4" Right Rear Discharge Akron Valve Handwheel Control	\$4,699.00
4415-0451	4" Waterway Discharge with 3" Akron Valve Handwheel Control.	\$3,502.00
4415-0452	4" Waterway Discharge with 3" Elkhart Valve Handwheel Control	\$3,556.00

Option No.	Description	PRICE
4415-0453	4" Waterway Discharge Akron Valve Handwheel Control	\$4,144.00
4415-0454	4" Pump Panel Discharge Akron Valve Handwheel Control. (Waterous pumps noted location to be forward lower port.) Location: [#LOC].	\$4,227.00
4415-0455	Second 1.5" Front Bumper Discharge Akron Valve Handwheel Control	\$2,766.00
4415-0456	Second 1.5" Front Bumper Discharge Elkhart Valve Handwheel Control	\$2,819.00
4415-0457	Second 2.5" Front Bumper Discharge Akron Valve Handwheel Control	\$3,013.00
4415-0458	Second 2.5" Front Bumper Discharge Elkhart Valve Handwheel Control	\$3,067.00
4415-0459	Second Left Front Hosebed Discharge 1.5" w/2" Akron Valve Handwheel Control	\$2,179.00
4415-0460	Second Left Front Hosebed Discharge 1.5" w/2" Elkhart Valve Handwheel Control	\$2,234.00
4415-0461	Second Left Front Hosebed Discharge 2.5" Akron Valve Handwheel Control	\$2,660.00
4415-0462	Left Front Hosebed Discharge 2.5" Elkhart Unibody Valve Handwheel Control	\$2,712.00
4415-0463	Second Left Front Hosebed Discharge 3" Akron Valve Handwheel Control	\$3,366.00
4415-0464	Second Left Front Hosebed Discharge 3" Elkhart Valve Handwheel Control	\$3,418.00
4415-0465	Second Right Front Hosebed Preconnect 1.5" Akron Valve Handwheel Control	\$2,179.00
4415-0466	Second Right Front Hosebed Preconnect 1.5" Elkhart Valve Handwheel Control	\$2,234.00
4415-0467	Second Right Front Hosebed Discharge 2.5" Akron Valve Handwheel Control	\$2,660.00
4415-0468	Second Right Front Hosebed Discharge 2.5" Elkhart Valve Handwheel Control	\$2,712.00
4415-0469	Second Right Front Hosebed Discharge 3" Akron Valve Handwheel Control	\$3,366.00
4415-0470	Second Right Front Hosebed Discharge 3" Elkhart Valve Handwheel Control	\$3,418.00
4415-0471	1.5" Left Discharge Akron Valve in Running Board Hose Tray, [#LOC].	\$1,080.00
4415-0472	1.5" Left Discharge Hale Valve in Runningboard Hose Tray, [#LOC].	\$1,190.00
4415-0473	1.5" Left Discharge Elkhart Valve in Runningboard Hose Tray, [#LOC].	\$1,164.00
4415-0474	1.5" Right Discharge Akron Valve in Runningboard Hose Tray, [#LOC].	\$1,080.00
4415-0475	1.5" Right Discharge Hale Valve in Runningboard Hose Tray, [#LOC].	\$1,190.00
4415-0476	1.5" Right Discharge Elkhart Valve in Runningboard Hose Tray, [#LOC].	\$1,164.00
4415-0477	4" Left Rear Discharge Elkhart Valve Handwheel Control	\$4,521.00
4415-0478	4" Right Rear Discharge Elkhart Valve Handwheel Control	\$4,782.00
4415-0479	All flexible hose lines (up to 1.5") for plumbing are to have reuseable screw together fittings.	\$0.00
4415-0480	Special Class 1 Plumbing Package with all plumbing gauges. Includes following discharges: (2) 2.5" DRV, (2) 2.5" OFC, (1) 3" DG, (1) 2.5" DRV RR, (1) 2.5" OFC RR, (2) 1.5" PC, (1) 1.5" JL and (2) 2.5" AUX INTAKES - (1) each side	\$0.00
4415-0484	2.5" Quad Speedlay with Akron Manual Valves.	\$4,984.00
4415-0485	4" Pump Panel Discharge Akron Valve Handwheel Control for officer's side panel	\$2,769.00
4415-0486	Third Left Front Hosebed Discharge 2.5" Akron Manual Valve.	\$1,561.00
4415-0487	2.5" Discharge Package Montreal. Includes (8) discharges- (4) each side with droop.	\$14,961.00
4415-0488	4" officer rear discharge with 3" valve. Includes 4" FNPT x 4" MNST chrome adaptor with cap (ship loose).	\$3,390.00
4415-0489	2.5" Auxillary Waterway Discharge Akron Elect Valve. Plumbed from foam manifold and "Y" into w/way pipe downstream from main w/way discharge valve.	\$3,656.00

Option No.	Description	PRICE
4415-0491	2.5" Left Panel Discharge Elkhart Manual UnibodyValve w/30 Degree Chrome Droop. Location: [#LOC].	\$1,484.00
4415-0492	2.5" Right Panel Discharge Elkhart Manual UnibodyValve w/30 Degree Chrome Droop. Location: [#LOC].	\$1,512.00
4415-0493	1.5" Crosslay w/2" Elkhart Unibody Manual Valve. Location: [#LOC].	\$1,095.00
4415-0494	1.5" Crosslay w/2" Elkhart Unibody Electric Valve UBEC3 to read flow, and pressure. Location: [#LOC]	\$5,319.00
4415-0495	2.5" Right Panel Discharge Elkhart Hand Wheel Control UnibodyValve w/30 Degree Chrome Droop Location: [#LOC]	\$2,431.00
4415-0496	3" Deck Gun Discharge Elkhart Unibody Valve Handwheel Control	\$2,821.00
4415-0497	4" Pump Discharge Elkhart Electric UBEC3 Valve to read flow, and pressure. Location: [#LOC]	\$6,941.00
4415-0498	1.5" Right Rear Discharge Elkhart Electric UBEC3 Valve to read flow, and pressure. Location: [#LOC]	\$5,160.00
4415-0499	2.5" Right Rear Discharge Elkhart Electric UBEC3 Valve to read flow, and pressure. Location: [#LOC]	\$5,995.00
4415-0500	1.5" Front Bumper Crosslay Elkhart Electric UBEC3 Valve to read flow, and pressure.	\$5,471.00
4415-0502	1.5" Front Bumper Discharge Akron Manual Valve without Blowout	\$1,665.00
4415-0504	2.5" Right Panel Discharge Elkhart Manual UnibodyValve Location: [#LOC]	\$1,385.00
4415-0505	2.5" Left Panel Discharge Elkhart Manual UnibodyValve Location: [#LOC]	\$1,355.00
4415-0506	2.5" Right Panel Discharge Elkhart Hand Wheel Control UnibodyValve Location: [#LOC]	\$2,306.00
4415-0507	4" Officer side discharge. Foward of steamer. Includes 30 degree droop. Hand Wheel Control on operator panel.	\$4,864.00
4415-0508	1.5" preconnect discharge with Akron Electric Valve. For use on rear mounted pumps only. Locate [#LOC].	\$3,435.00
4415-0509	2.5" Auxillary Waterway Discharge Akron Hand Wheel Valve. Plumbed from foam manifold and "Y" into w/way pipe downstream from main w/way discharge valve.	\$2,534.00
4415-0510	1.5"/2.5" Double Speedlay with Akron Manual Valves (1) 1.5" speedlay, and (1) 2.5 speedlay.	\$2,478.00
4415-0511	1.5" Right Panel Discharge Akron Valve Hand Wheel Control	\$2,398.00
4415-0512	2.5" preconnect discharge with Akron Electric Valve. For use on rear mounted pumps only. Locate [#LOC].	\$4,582.00
4415-0513	Brass Swivel Located on Top of Bumper [#LOC] for Front Bumper Discharge.	\$0.00
4415-0514	4" Officer side discharge. Foward of steamer and includes 30 degree droop, 4" Elkhart Elect Control full flow valve.	\$5,352.00
4415-0515	Front jumpline swivel to be recess so WYE valve will clear rise lid and tray.	\$177.00
4415-0516	4" Right Panel Discharge w/ 3" Akron Valve Handwheel Control w/Droop Location: [#LOC]	\$3,486.00
4415-0517	4" Right Pump Panel Discharge with 3" Akron Manual Valve w/Droop. Location: [#LOC].	\$2,378.00
4415-0518	4" Right Panel Discharge w/ 3" Akron Valve Electric w/Droop (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$4,683.00
4415-0519	4" Right Pump Panel Discharge w/3" Akron Electric Valve & Navigator 9305 with 30 Degree Droop Location: [#LOC]	\$7,853.00
4415-0520	4" Right Pump Panel Discharge with 3" Hale Manual Valve with 30 Degree Droop Location: [#LOC]	\$2,772.00
4415-0521	4" Right Pump Panel Discharge with 3" Hale Electric Valve with 30 Degree Droop Location: [#LOC]	\$5,167.00
4415-0522	4" Pump Panel Discharge Akron Electric Valve Location: RS With control at LHS only.	\$4,953.00
4415-0523	5" Right Panel Discharge w/4" Elkhart Electric UBEC3 Valve to read flow, and pressure. Location: [#LOC]	\$7,247.00
4415-0524	3" Deck Gun Discharge Elkhart Unibody Manual Valve.	\$1,995.00
4415-0525	1.5" Front Bumper Discharge Elkhart Unibody Manual Valve.	\$1,750.00
4415-0526	Triple Speedlay (2) 1.5" and (1) 2.5" with Elkhart Unibody Manual Valves	\$5,188.00
4415-0527	1.5" Crosslay w/2" Elkhart Electric Unibody UBEC1 Valve Location: [#LOC]	\$3,020.00

Option No.	Description	PRICE
4415-0528	2.5" Left Pump Panel Discharge Elkhart Unibody Electric Valve. Location: [#LOC]	\$3,307.00
4415-0529	3" Right Pump Panel Discharge Elkhart Unibody Electric Valve Location: [#LOC]	\$4,040.00
4415-0530	4" Pump Panel Discharge Elkhart UBEC1 Electric Valve (Waterous pumps noted location to be forward lower port). Location: [#LOC].	\$4,953.00
4415-0531	4" Pump Panel Discharge Akron Electric Valve with 30 Degree Droop (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$5,274.00
4415-0532	4" Waterway Discharge with 4" Elkhart Unibody Electric Valve	\$4,954.00
4415-0533	2.5" Single Discharge Location:Officer's Side Pump Panel.	\$1,531.00
4415-0534	2.5" Single Discharge Location:Officer's Side Pump Panel.	\$3,448.00
4415-0535	1.5" Front Bumper Discharge Akron Manual Valve. For use with Spartan Chassis	\$1,132.00
4415-0536	5" Right Pump Panel Discharge with 4" Akron Valve Handwheel Control. Location: [#LOC].	\$4,163.00
4415-0537	2.5" Crosslay Elkhart Unibody Manual Valve. To be located rearward of 1.5" crosslay(s) if applicable. Location: [#LOC]	\$1,470.00
4415-0538	1.5" Double Speedlay with Elkhart Unibody Manual Valves	\$2,084.00
4415-0539	1.5" Triple Speedlay with Elkhart Unibody Manual Valves	\$3,236.00
4415-0540	Triple Speedlay (2) 1.5" and (1) 2.5" with Elkhart Unibody Manual Valves	\$4,658.00
4415-0541	3" Deck Gun Discharge Elkhart Unibody Manual Valve.	\$1,881.00
4415-0542	Second 1.5" Front Bumper Discharge Elkhart Unibody Manual Valve	\$1,750.00
4415-0543	3" Right Pump Panel Discharge Akron Manual Swing Valve (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$1,995.00
4415-0544	3" Left Pump Panel Discharge Akron Manual Valve (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$1,810.00
4415-0545	5" Pump Panel Discharge with 4" Elkhart UBEC1 Electric Valve Location: [#LOC]	\$5,860.00
4415-0546	4" Waterway Discharge with 3" Elkhart Unibody Valve Handwheel Control	\$3,556.00
4415-0547	2.5" Front Bumper Discharge Elkhart Unibody Manual Valve	\$2,074.00
4415-0548	3" Auxillary Waterway Discharge Elkhart Unibody Manual Valve. Plumbed from foam manifold and "Y" into w/way pipe downstream from main w/way discharge valve.	\$1,279.00
4415-0549	1.5" Front Bumper Discharge Elkhart Electric UBEC1 Valve	\$3,534.00
4415-0550	2.5" Double Speedlay with Akron Manual Valves	\$2,494.00
4415-0551	2.5" Right Front Hosebed Discharge Akron Manual Valve. Locate offset 11.5" from officer side hosebed side.	\$1,561.00
4415-0552	1.5" Front Bumper Crosslay Discharge Akron Manual Valve.	\$2,338.00
4415-0553	2.5" Left Front Hosebed Discharge Akron Manual Valve located outlet shall be located 13.625" from inside hosebed wall.	\$1,561.00
4415-0554	1.5" Triple Speedlay with Akron Valve Hand Wheel Control.	\$7,007.00
4415-0555	3" Deck Gun Discharge Akron Manual Valve with no Plumbing from the valve to deck gun channel Dealer to install Extend-A-Gun and Plumbing from the valve to the channel..	\$1,643.00
4415-0556	4" Waterway Discharge with 4" Akron Electric Valve & Navigator 9305 Control	\$8,290.00
4415-0557	2.5" Left Rear Discharge Elkhart Unibody Manual Valve Location: [#LOC].	\$1,422.00
4415-0558	2.5" Right Rear Discharge Elkhart Unibody Manual Valve Location: [#LOC].	\$1,422.00
4415-0559	5" Right Pump Panel Discharge with 4" Elkhart Unibody Valve Handwheel Control Location: [#LOC]	\$4,435.00

Option No.	Description	PRICE
4415-0561	2.5" Left Panel Discharge Akron Electric Valve w/30 Degree Droop Location: [#LOC]	\$3,585.00
4415-0562	3" Right Pump Panel Discharge Akron Electric Valve w/30degree Droop (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$4,225.00
4415-0563	2.5" Right Panel Discharge Akron Electric Valve w/30 Degree Droop Location: [#LOC]	\$3,585.00
4415-0564	3" Right Pump Panel Discharge Elkhart Electric Valve w/30degree Droop Location: [#LOC]	\$4,225.00
4415-0565	4" Waterway Discharge with 5" Elkhart Electric Valve	\$6,405.00
4415-0566	1.5" crosslay w/2" Akron electric valve. Location: [#LOC].	\$3,020.00
4415-0567	2.5" Crosslay w/Akron Electric Valve. To be located rearward of 1.5" crosslay(s) if applicable. Location: [#LOC].	\$3,472.00
4415-0568	3" deck gun discharge Akron electric valve.	\$4,070.00
4415-0569	4" deck gun discharge Akron electric valve.	\$5,879.00
4415-0570	1.5" Front Bumper Discharge Akron Electric Valve.	\$3,435.00
4415-0571	Second 1.5" Front Bumper Discharge Akron Electric Valve	\$3,435.00
4415-0572	2.5" Front Bumper Discharge Akron Electric Valve	\$3,602.00
4415-0573	Second 2.5" Front Bumper Discharge Akron Electric Valve	\$3,602.00
4415-0574	2.5" Left Pump Panel Discharge Akron Electric Valve. Location: [#LOC].	\$3,307.00
4415-0575	2.5" Left Panel Discharge Akron Electric Valve w/30 Degree Droop. Location: [#LOC].	\$3,307.00
4415-0576	4" Pump Panel Discharge Akron Electric Valve. (Waterous pumps noted location to be forward lower port.) Location: [#LOC].	\$4,953.00
4415-0577	5" Pump Panel Discharge with 4" Akron Electric Valve. Location: [#LOC].	\$5,646.00
4415-0578	1.5" Left Rear Discharge Akron Electric Valve Location: [#LOC]	\$3,149.00
4415-0579	2.5" Left Rear Discharge Akron Electric Valve. Location: [#LOC].	\$3,490.00
4415-0580	3" Left Rear Discharge Akron Electric Valve. Location: [#LOC].	\$4,253.00
4415-0581	4" Left Rear Discharge Akron Electric Valve.	\$5,248.00
4415-0582	1.5" Right Rear Discharge Akron Electric Valve Location: [#LOC]	\$3,149.00
4415-0583	2.5" Right Rear Discharge Akron Electric Valve. Location: [#LOC].	\$3,490.00
4415-0584	3" Right Rear Dicharge Akron Electric Valve Location: [#LOC]	\$4,253.00
4415-0585	4" Right Rear Discharge Akron Electric Valve.	\$5,509.00
4415-0586	2.5" Right Pump Panel Discharge Akron Electric Valve. Location: [#LOC].	\$3,307.00
4415-0587	3" Right Pump Panel Discharge Akron Electric Valve. Location: [#LOC].	\$4,040.00
4415-0588	4" Right Pump Panel Discharge w/3" Akron Electric Valve (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$4,345.00
4415-0589	5" Right Pump Panel Discharge w/3" Akron Electric Valve. Location: [#LOC].	\$5,131.00
4415-0590	2.5" Right Panel Discharge Akron Electric Valve w/30 Degree Droop. Location: [#LOC].	\$3,585.00
4415-0591	3" Right Panel Discharge Akron Electric Valve w/30 Degree Droop (Waterous pumps noted location to be forward lower port). Location: [#LOC].	\$4,376.00
4415-0592	4" Right Panel Discharge w/3" Akron valve electric w/droop (Waterous pumps noted location to be forward lower port). Location: [#LOC].	\$4,683.00

Option No.	Description	PRICE
4415-0593	3" Right Pump Panel Discharge Akron Electric Valve w/30degree Droop (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$4,225.00
4415-0594	2.5" Right Panel Discharge Akron Electric Valve w/30 Degree Droop Location: [#LOC]	\$3,585.00
4415-0595	1.5" Left Front Hosebed w/2" Akron Electric Valve	\$3,089.00
4415-0596	2.5" Left Front Hose Bed Akron Electric Valve.	\$3,788.00
4415-0597	3" Left Front Hose Bed Akron Electric Valve.	\$4,570.00
4415-0598	Second Left Front Hosebed 1.5" w/2" Akron Electric Valve	\$3,089.00
4415-0599	Second Left Front Hosebed 2.5" Akron Electric Valve	\$3,788.00
4415-0600	Second Left Front Hosebed 3" Akron Electric Valve	\$4,570.00
4415-0601	1.5" Crosslay w/2" Akron Electric Valve Location: [#LOC]	\$3,020.00
4415-0602	1.5" Right Front Hosebed w/2" Akron Electric Valve	\$3,089.00
4415-0603	2.5" Right Front Hose Bed Akron Electric Valve.	\$3,788.00
4415-0604	3" Right Front Hose Bed Akron Electric Valve.	\$4,570.00
4415-0605	Second Right Front Hosebed 1.5" w/2" Akron Electric Valve	\$3,089.00
4415-0606	Second Right Front Hosebed 2.5" Akron Electric Valve	\$3,788.00
4415-0607	Second Right Front Hosebed 3" Akron Electric Valve	\$4,570.00
4415-0608	Double 1.5" Speedlay w/2" Akron Electric Valves.	\$6,053.00
4415-0609	Triple 1.5" Speedlay w/2" Akron Electric Valves	\$9,216.00
4415-0610	Triple (2) 1.5" & (1) 2.5" Speedlay w/(2) 2" & (1) 2.5" Akron Electric Valves	\$11,106.00
4415-0611	Triple (2) 1.5" & (1) 2.5" Speedlay w/(2) 2" & (1) 2.5" Akron Electric Valves	\$11,106.00
4415-0612	4" waterway discharge with 3" Akron electric valve.	\$4,142.00
4415-0613	4" waterway discharge with 4" Akron electric valve.	\$4,954.00
4415-0614	3" Left Panel Discharge Top Mount Akron Electric Valve Location: [#LOC]	\$4,151.00
4415-0615	3" Left Panel Discharge Top Mount Akron Electric Valve w/30 Degree Droop (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$4,490.00
4415-0616	Third Right Front Hosebed Discharge 2.5" Akron Manual Valve.	\$1,561.00
4415-0617	2.5" Left Panel Discharge Akron Manual 3" Valve w/30 Degree Droop. Location: [#LOC].	\$1,734.00
4415-0618	2.5" Auxillary Deck Gun Discharge Manual Valve. Plumbed from foam manifold and "Y" into Deck Gun pipe downstream from main Deck Gun discharge valve.	\$1,215.00
4415-0619	4" Right Pump Panel Discharge with 3" Akron Manual Valve. The 4" NST threads shall be a integral part of the valve. (Waterous pumps noted location to be forward lower port.) Location: [#LOC].	\$2,040.00
4415-0620	3" Right Rear Discharge Elkhart Unibody Manual Valve Location: [#LOC]	\$2,182.00
4415-0621	3" Left Front Hosebed Discharge Elkhart Unibody Manual Valve	\$2,500.00
4415-0622	3" Right Front Hosebed Discharge Elkhart Unibody Manual Valve	\$2,500.00
4415-0623	3" Left Rear Discharge Elkhart Unibody Manual Valve Location: [#LOC]	\$2,182.00
4415-0624	4" Rear Discharge w/3" Akron Valve Handwheel Control for Rear Mount. The 4" NST Adapter shall be a integral part of the valve.	\$3,725.00
4415-0625	3" Deck Gun Discharge Akron Valve Handwheel Control for Rear Mount located at rear.	\$4,003.00

Option No.	Description	PRICE
4415-0626	Triple Speedlay (forward to rearward or bottom to top) (2) 1.5" and (1) 2.5" with Akron Manual Valve. Speedlays are side by side and located inside transverse compartment.	\$2,284.00
4415-0627	3" Deck Gun Discharge Elkhart Electric Unibody Valvw with UBEC3 controller to read flow, and pressure.	\$6,232.00
4415-0628	5" Pump Panel Discharge Elkhart Electric UBEC3 Valve to read flow, and pressure. Location; [#LOC]	\$6,531.00
4415-0629	2.5" Right Rear Discharge Elkhart Unibody Manual Valve Location: [#LOC]	\$1,422.00
4415-0630	4" Left Pump Panel Discharge w/3" Akron Electric Valve (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$4,345.00
4415-0631	4" Rear Discharge w/4" Akron Valve Handwheel Control for Rear Mount. The 4" NST 30 degree Adapter shall be a integral part of the valve.	\$4,378.00
4415-0632	1.5" Left Front Hose Bed Preconnect Elkhart Unibody Manual Valve.	\$1,164.00
4415-0633	1.5" Right Front Hosebed Preconnect Elkhart Unibody Manual Valve	\$1,164.00
4415-0634	Second Left Front Hosebed Discharge 2.5" Elkhart Unibody Manual Valve	\$1,720.00
4415-0635	Second Right Front Hosebed Discharge 2.5" Elkhart Unibody Manual Valve	\$1,720.00
4415-0636	4" Right Pump Panel Discharge with 3" Elkhart Unibody Manual Valve. (Waterous pumps noted location to be forward lower port.) Location: [#LOC].	\$2,272.00
4415-0637	Second Left Front Hosebed Discharge 3" w/ 3" Elkhart Unibody Manual Valve and shall terminate with a 3"FNPT X 2.5"MNST adapter.	\$2,500.00
4415-0638	Second Right Front Hosebed Discharge 2.5" w/3" Elkhart Unibody Manual Valve and shall terminate with a 3"FNPT X 2.5"MNST adapter.	\$2,500.00
4415-0639	2.5" Left Rear Rearmount Discharge Akron Manual Valve	\$1,626.00
4415-0640	1.5" Crosslay with Akron Manual Valve for Rear Mount	\$1,155.00
4415-0641	Discharge Package (3) 2.5" with Akron Manual Valves and (1) " with Akron Electric Valve. For use with rear mounted pump.	\$0.00
4415-0642	2.5" rear preconnect with crosslay style swivel. For use with rear mount pump application. Includes Akron manual valve with controller located on pump operator panel. Locate: [#LOC].	\$2,174.00
4415-0643	1.5" Rear Right Side Preconnect Akron Manual Valve for Rear Mount	\$2,015.00
4415-0644	2.5" Rear Officer's Side Preconnect Akron Manual Valve for Rear Mount	\$2,234.00
4415-0645	1.5" rear preconnect with crosslay style swivel. For use with rear mount pump application. Includes Akron manual valve with controller located on pump operator panel. Locate: [#LOC].	\$1,940.00
4415-0646	1.5" speedlay preconnect with swivel. For use with rear mount pump application. Includes Akron manual valve with controller located on pump operator panel. Locate [#LOC]	\$2,319.00
4415-0647	Discharge Package (3) 2.5" with Akron Manual Valves and (1) 4" with Akron Electric Valve. For use with rear mounted pump.	\$10,441.00
4415-0648	2.5" speedlay preconnect with swivel. For use with rear mount pump application. Includes Akron manual valve with controller located on pump operator panel. Locate [#LOC]	\$2,565.00
4415-0649	Deck gun plumbing to be located [#LOC].	\$0.00
4415-0650	Triple speedlay with (2) 1.5" in upper area, and (1) 2.5" in lower storage area. All with Akron manual valves.	\$3,680.00
4415-0651	4" Waterway Discharge with 4" Akron Electric Valve with Digital Flow Meter.	\$5,943.00

Option No.	Description	PRICE
4415-0652	1.5" Preconnect with manual Akron Valve. Position lower rear wall offset rearward and approximately 7" off floor to bottom of line. Position swivel to rotate vertically. Locate [#LOC]	\$1,665.00
4415-0653	1.5" double pre-connect. Includes Akron manual 2" valves with controls located in body compartment on pump operator panel.	\$2,051.00
4415-0654	2.5" Discharge with droop. Located at discharge #1 driver side and includes Akron electric valve with controller located on pump operators panel.	\$2,648.00
4415-0655	2.5" Discharge with droop. Located at discharge #2 driver side and includes Akron electric valve with controller located on pump operators panel.	\$2,648.00
4415-0656	3" Discharge with droop. Located at discharge #1 officer side and includes Akron electric valve with controller located on pump operators panel.	\$3,399.00
4415-0657	3" Deck gun. Includes Akron manual valve with controller located in body compartment on pump operators panel.	\$2,252.00
4415-0658	2.5" Driver rear discharge with cap and NFPA retainer. Includes Akron manual valve with controller located in body compartment on pump operator panel.	\$1,787.00
4415-0659	2.5" Left Pump Panel Discharge Elkhart Unibody Electric Valve with Droop. Location: [#LOC]	\$3,443.00
4415-0660	2.5" Right Panel Discharge Elkhart Unibody Electric Valve w/Droop Location: [#LOC]	\$3,442.00
4415-0661	4" Right Pump Panel Discharge w/3" Elkhart Electric Unibody Valve (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$3,900.00
4415-0662	3" Deck Gun Discharge Elkhart Electric Unibody Valve	\$4,070.00
4415-0663	Front jumpline hose kit. For use with (2) DR cab and SM pump module.	\$0.00
4415-0664	Front bumper 1.5" pre-connect with manual valve. Locate pre-connect in front bumper tray down low on rear wall. Includes air-blow out and bleeder valve.	\$4,603.00
4415-0665	1.5" Front Bumper Discharge Akron Electric Valve & Navigator 9315	\$6,306.00
4415-0666	Triple (2) 1.5" & (1) 2.5" Speedlays w/(2) 2" & (1) 2.5" Akron Electric Valves & Navigator 9315	\$19,285.00
4415-0667	2.5" Left Panel Discharge Akron Electric Valve & Navigator 9315 w/30 Degree Droop Location: [#LOC]	\$6,084.00
4415-0668	2.5" Right Panel Discharge Akron Electric Valve & Navigator 9315 w/30 Degree Droop Location: [#LOC]	\$6,084.00
4415-0669	2.5" Left Rear Discharge Akron Electric Valve & Navigator 9315 Location: [#LOC]	\$6,667.00
4415-0670	3" Right Panel Discharge Akron Electric Valve & Navigator 9315 w/30 Degree Droop (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$7,088.00
4415-0671	1.5" double speedlays with Akron manual valves. Each outlet connection shall terminate externally (no swivels) on the side of the module just below the speedlay.	\$2,031.00
4415-0672	1.5" Triple Speedlay with Akron Manual Valve. Each outlet connection shall terminate externally (no swivels) on the side of the module just below the speedlay.	\$3,187.00
4415-0673	Triple Speedlay (2) 1.5" and (1) 2.5" with Akron Manual Valve. Each outlet connection shall terminate externally (no swivels) on the side of the module just below the speedlay.	\$4,548.00
4415-0674	1.5" Double Speedlay with Elkhart Manual Valves. Each outlet connection shall terminate externally (no swivels) on the side of the module just below the speedlay.	\$2,200.00
4415-0675	1.5" Triple Speedlay Elkhart Manual Valves. Each outlet connection shall terminate externally (no swivels) on the side of the module just below the speedlay.	\$3,440.00

Option No.	Description	PRICE
4415-0676	Triple Speedlay (2) 1.5" and (1) 2.5" with Elkhart Manual Valves. Each outlet connection shall terminate externally (no swivels) on the side of the module just below the speedlay.	\$5,188.00
4415-0677	1.5" Front Bumper Discharge Akron Electric Valve. For use with rear mount pump. Includes air blow-out with control on pump operator panel.	\$2,620.00
4415-0678	1.5" front bumper discharge with Akron manual valve. For use with rear mount pump. Includes air blow-out with control on pump operator panel.	\$1,603.00
4415-0679	1.5" front bumper discharge with Elkhart unibody manual valve. For use with rear mount pump. Includes air blow-out with control on pump operator panel.	\$1,530.00
4415-0680	1.5" front bumper discharge with Elkhart unibody electric valve. For use with rear mount pump. Includes air blow-out with control on pump operator panel.	\$2,620.00
4415-0681	2.5" front bumper discharge with Akron manual valve. For use with rear mount pump. Includes air blow-out with control on pump operator panel.	\$1,894.00
4415-0682	2.5" front bumper discharge with Elkhart unibody manual valve. For use with rear mount pump. Includes air blow-out with control on pump operator panel.	\$1,894.00
4415-0683	2.5" Front Bumper Discharge Akron Electric Valve. For use with rear mount pump. Includes air blow-out with control on pump operator panel.	\$3,118.00
4415-0684	2.5" front bumper discharge with Elkhart unibody electric valve. For use with rear mount pump.	\$3,118.00
4415-0685	Triple Speedlay (2) 1.5" and (1) 2.5" with Elkhart Unibody Manual Valves Rear Mount.	\$4,706.00
4415-0686	Triple Speedlay (2) 1.5" and (1) 2.5" with Akron Manual Valve Rear Mount.	\$4,645.00
4415-0687	2.5" rear panel discharge with Akron manual valve. For use with rear mount pump. Location [#LOC].	\$1,327.00
4415-0688	2.5" rear panel discharge with Elkhart unibody manual valve. For use with rear mount pump. Location [#LOC].	\$1,327.00
4415-0689	3" rear panel discharge with Akron manual valve. For use with rear mount pump. Location [#LOC].	\$1,600.00
4415-0690	3" rear panel discharge with Elkhart unibody manual valve. For use with rear mount pump. Location [#LOC].	\$1,600.00
4415-0691	3" Rear panel discharge with Elkhart unibody electric valve. For use with rear mount pump. Location [#LOC].	\$3,375.00
4415-0692	3" rear panel discharge with Akron electric valve. For use with rear mount pump. Location [#LOC].	\$3,375.00
4415-0693	4" rear panel discharge with 3" Elkhart unibody manual valve. For use with rear mount pump. Location [#LOC].	\$1,621.00
4415-0694	4" rear panel discharge with 3" Akron manual valve. For use with rear mount pump. Location [#LOC].	\$1,621.00
4415-0695	4" rear panel discharge with 3" Elkhart unibody electric valve. For use with rear mount pump. Location [#LOC].	\$2,961.00
4415-0696	4" rear panel discharge with 3" Akron electric valve. For use with rear mount pump. Location [#LOC].	\$2,961.00
4415-0697	4" rear panel discharge with 4" Akron electric valve. For use with rear mount pump. Location [#LOC].	\$3,989.00
4415-0698	4" rear panel discharge with 4" Elkhart unibody electric valve. For use with rear mount pump. Location [#LOC].	\$3,989.00
4415-0699	5" rear panel discharge with 4" Akron electric valve. For use with rear mount pump. Location [#LOC].	\$5,646.00
4415-0700	5" rear panel discharge with 4" Elkhart unibody electric valve. For use with rear mount pump. Location [#LOC].	\$5,646.00
4415-0701	2.5" Rear Mount Pump Panel Discharge Akron Electric Valve. Location: [#LOC]	\$3,788.00
4415-0702	2.5" Rear Mount Pump Panel Discharge Elkhart Unibody Electric Valve. Location: [#LOC]	\$3,788.00
4415-0703	1.5" preconnect discharge with Elkhart unibody manual valve. Includes swivel style connection. Location [#LOC].	\$1,226.00
4415-0704	2.5" preconnect discharge with Elkhart unibody manual valve. Includes swivel style connection. Location [#LOC].	\$1,464.00

Option No.	Description	PRICE
4415-0705	2.5" preconnect discharge with Akron electric valve. Includes swivel style connection. Location [#LOC].	\$2,790.00
4415-0706	2.5" preconnect discharge with Elkhart unibody electric valve. Includes swivel style connection. Location [#LOC].	\$2,790.00
4415-0707	1.5" preconnect discharge with Akron electric valve. Includes swivel style connection. Location [#LOC].	\$2,716.00
4415-0708	1.5" preconnect discharge with Elkhart unibody electric valve. Includes swivel style connection. Location [#LOC].	\$3,294.00
4415-0709	3" Deck gun discharge with Akron manual valve. For use with rear mount pump and for forward body area. Location [#LOC].	\$2,416.00
4415-0710	3" Deck gun discharge with Akron electric valve. For use with rear mount pump and for forward body area. Location [#LOC].	\$3,736.00
4415-0711	3" Deck gun discharge with Elkhart unibody manual valve. For use with rear mount pump and for forward body area. Location [#LOC].	\$2,416.00
4415-0712	3" Deck gun discharge with Elkhart unibody electric valve. For use with rear mount pump and for forward body area. Location [#LOC].	\$3,736.00
4415-0713	3" Deck gun discharge with Akron manual valve. For use with rear mount pump and for rearward body/pump module area. Location [#LOC].	\$1,445.00
4415-0714	3" Deck gun discharge with Akron electric valve. For use with rear mount pump and for rearward body/pump module area. Location [#LOC].	\$3,082.00
4415-0715	3" Deck gun discharge with Elkhart unibody manual valve. For use with rear mount pump and for rearward body/pump module area. Location [#LOC].	\$1,445.00
4415-0716	3" Deck gun discharge with Elkhart unibody electric valve. For use with rear mount pump and for rearward body/pump module area. Location [#LOC].	\$3,082.00
4415-0717	1.5" front bumper discharge line. Includes air actuated Akron valve with switching located in cab on console. Discharge line to terminate just below driver side of bumper with male NPT threads (line is for use with dealer installed bumper turret. Dealer responsible for plumbing application and any additional length of line or connectors). Secure line as required and cap. Includes cab mounted pressure gauge and side panel bleeder and blow-out.	\$1,927.00
4415-0718	1.5" Single Speedlay with Akron Manual Valves.	\$1,101.00
4415-0719	3" Deck Gun Discharge Akron Electric Valve & Navigator 9315	\$7,246.00
4415-0720	4" Right Pump Panel Discharge w/3" Akron Electric Valve & Navigator 9315 (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$7,514.00
4415-0721	Quad Speedlay (3) 1.5" / (1) 2.5" with Akron Manual Valves. Located inside transverse compartment.	\$3,381.00
4415-0722	3" Deck Gun Discharge Akron Electric Valve with a 9315 valve controller with pressure reading only. [#LOC]	\$4,531.00
4415-0723	4" Discharge Akron Electric Valve & Navigator 9315 (Waterous pumps noted location to be forward lower port). Location: [#LOC].	\$8,746.00
4415-0724	4" Rear Mount Discharge w/3" Akron 9315 Electric Valve to read Flow and Pressure with 30 degree droop (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$7,514.00
4415-0725	4" Rear Mount Discharge w/3" Akron 9315 Electric Valve to read Pressure (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$4,288.00
4415-0726	1.5" Front Bumper Discharge Akron Electric Valve & Navigator 9315 with Pressue Reading only.	\$3,847.00
4415-0727	1.5" Crosslay w/2" Akron Electric Valve & Navigator 9315 to Read Pressure only Location: [#LOC]	\$3,580.00
4415-0728	2.5" Rear Mount Discharge Akron Electric Valve & Navigator 9315 to Read Pressure only. Location: [#LOC]	\$3,755.00

Option No.	Description	PRICE
4415-0729	2.5" Rear Mount preconnect with crosslay style swivel. For use with rear mount pump application. Includes Akron Electric valve with 9315 controller to Read Pressure only located on pump operator panel. Locate [#LOC]	\$4,070.00
4415-0730	2.5" Left Rear Discharge UBEC3 Electric Valve to read flow, and pressure. Location: [#LOC]	\$5,995.00
4415-0731	2.5" Left Pump Panel Discharge UBEC3 Electric Valve with 30 degree droop to read flow, and pressure. Location: [#LOC]	\$5,961.00
4415-0732	2.5" Right Pump Panel Discharge UBEC3 Electric Valve with 30 degree droop to read flow, and pressure. Location: [#LOC]	\$5,961.00
4415-0733	4.5" Right Pump Panel Discharge with 3" Akron Manual Valve w/Droop Location: right side discharge 1 [#LOC]	\$2,586.00
4415-0734	Chrome Plated Brass Swivel Located on Top of Bumper [#LOC] for Front Bumper Discharge	\$0.00
4415-0735	3" Left Hosebed Akron Electric Valve located Driver side rear below hosebed.	\$4,570.00
4415-0736	3" Right Hosebed Akron Electric Valve located Officer side rear below hosebed.	\$4,570.00
4415-0737	2.5" Discharge with droop. Located at discharge #2 officer side and includes Akron electric valve with controller located on pump operators panel.	\$2,648.00
4415-0738	2.5" upper preconnect. Includes Akron manual valve with controller located in body compartment on pump operator panel.	\$1,787.00
4415-0739	3" Right Pump Panel Discharge Elkhart Electric Valve w/30degree Droop to Terminate with 2.5" MNST w/cap Location: [#LOC]	\$4,225.00
4415-0740	2.5" preconnect discharge with Akron manual valve. With swivel style connection. Location: [#LOC].	\$1,464.00
4415-0741	1.5" preconnect discharge with Akron manual valve. With swivel style connection. Location: [#LOC].	\$1,226.00
4415-0742	2.5" rear panel discharge with Akron electric valve. For use with rear mount pump. Location [#LOC].	\$3,174.00
4415-0743	2.5" rear panel discharge with Elkhart unibody electric valve. For use with rear mount pump. Location [#LOC].	\$3,174.00
4415-0744	2.5" Crosslay w/2.5" Akron Electric Valve & Navigator 9315 to Read Pressure only Location: [#LOC]	\$4,148.00
4415-0745	2.5" Left Panel Discharge Akron Electric 9315 Navigator Valve w/30 Degree Droop to Read Pressure only Location: [#LOC]	\$4,120.00
4415-0746	2.5" Right Panel Discharge Akron Electric 9315 Navigator Valve w/30 Degree Droop to Read Pressure only Location: [#LOC]	\$4,120.00
4415-0747	4" Pump Panel Discharge Akron Electric Navigator 9315 Valve (Read Pressure only) Location: [#LOC]	\$5,424.00
4415-0748	4" Waterway Discharge with 4" Akron Electric Navigator 9315 Valve (Read Pressure only)	\$5,389.00
4415-0749	4" rear panel discharge with 4" Akron manual valve with handwheel. For use with rear mount pump. Location [#LOC].	\$3,393.00
4415-0750	Preconnect shall be set to handle 200' x 1.75" at 95 GPM	\$0.00
4415-0751	2.5" Crosslay Elkhart UBEC3 Electric Valve to read flow, and pressure.. To be located rearward of 1.5" crosslay(s) if applicable. Location: [#LOC]	\$5,825.00
4415-0752	4" Waterway Discharge with 4" Elkhart UBEC3 Valve to read flow, and pressure.	\$7,763.00
4415-0753	Second Left Front Hosebed Preconnect 1.5" Elkhart Unibody Manual Valve	\$1,164.00
4415-0754	Left Front Hose Bed Discharge 2.5" Elkhart Unibody Manual Valve.	\$1,720.00
4415-0755	Right Front Hosebed Discharge 2.5" Elkhart Unibody Manual Valve	\$1,720.00
4415-0756	Second 1.5" Right Front Hosebed Preconnect Elkhart Unibody Manual Valve	\$1,164.00
4415-0757	1.5" Front Bumper Discharge Elkhart Electric UBEC3 Valve to read flow, and pressure.	\$5,728.00
4415-0758	Left Front Hosebed Discharge 2.5" Elkhart Unibody UBEC3 Valve to read flow, and pressure.	\$5,919.00
4415-0759	Right Front Hosebed Discharge 2.5" Elkhart Unibody UBEC3 Valve to read flow, and pressure.	\$5,919.00
4415-0760	2.5" Front Bumper Discharge Akron Manual Valve without Blowout.	\$1,913.00
4415-0761	4" Officer panel discharge w/ 3" Akron electric valve. Location: [#LOC]	\$3,898.00
4415-0762	4" Pump Panel Discharge Akron Electric Valve with 30 Degree Droop. Location: [#LOC].	\$5,274.00

Option No.	Description	PRICE
4415-0763	3" Discharge with 4" connection (no droop). Located at discharge #1 officer side and includes Akron electric valve with controller located on pump operators panel.	\$3,902.00
4415-0764	3" Discharge with 4" connection (no droop). Located at discharge #1 driver side and includes Akron electric valve with controller located on pump operators panel.	\$3,902.00
4415-0765	2.5" Discharge with droop. Located at discharge #2 officer side and includes Akron electric valve with controller located on pump operators panel.	\$2,648.00
4415-0766	1.5" double pre-connect. Includes Akron electric 2" valves with controls located in body compartment on pump operator panel.	\$4,785.00
4415-0767	2.5" Right Panel Discharge Akron Manual 3" Valve w/30 Degree Droop Location: [#LOC]	\$1,734.00
4415-0768	2.5" Crosslay w/Akron Electric Valve & Navigator 9315. To be located rearward of 1.5" crosslay(s) if applicable. Location: [#LOC]	\$6,566.00
4415-0769	Double 1.5" Speedlay w/2" Akron Electric Valves & Navigator 9315	\$11,220.00
4415-0770	2.5" Right Front Hosebed Akron Electric Valve & Navigator 9315	\$6,966.00
4415-0771	4" Deck Gun Discharge Akron Electric Valve & Navigator 9315	\$7,345.00
4415-0772	4" Deck Gun Discharge Elkhart Electric Unibody Valve	\$6,088.00
4415-0773	2.5" Right Pump Panel Discharge w/3" Elkhart Electric Unibody Valve and 30degree Droop [#LOC]	\$4,225.00
4415-0774	3" Right Front Hosebed Elkhart Electric Unibody Valve	\$4,021.00
4415-0775	3" Left Front Hosebed Elkhart Electric Unibody Valve	\$4,021.00
4415-0776	2.5" Left Pump Panel Discharge w/3" Elkhart Electric Unibody Valve and 30degree Droop [#LOC]	\$4,225.00
4415-0777	2.5" Left Panel Discharge 3" Akron Electric 9315 Navigator Valve w/30 Degree Droop to Read Pressure and Flow Location: [#LOC]	\$6,118.00
4415-0778	2.5" Crosslay w/Akron 3" Electric Valve & Navigator 9315 include 3" plumbing. To be located rearward of 1.5" crosslay(s) if applicable. Location: [#LOC]	\$6,794.00
4415-0779	2.5" Left Rear Discharge with Akron Navigator 9315 3" Electric Valve and 3" Piping Location: [#LOC]	\$7,743.00
4415-0780	2.5" Right Front Hosebed Include Akron 3" Electric Valve & 9315 NavigatorControler w/3" Plumbing.	\$7,743.00
4415-0781	3" Right Pump Panel Discharge UBEC3 Electric Valve with 30 degree droop to read flow, and pressure. Location: [#LOC]	\$7,088.00
4415-0782	2.5" Left Front Hosebed Include Akron 3" Electric Valve & 9315 NavigatorControler w/3" Plumbing. To terminate at the left front of the hosebed.	\$7,743.00
4415-0783	Double 2.5" Speedlay w/Akron Navigator 9315 3" Electric Valve Controller. Include 3" piping and to terminate with a 2.5" brass swivel.	\$13,587.00
4415-0784	1.5" Rear Panel Discharge manual Akron Valve. Locate [#LOC]	\$1,665.00
4415-0785	SPECIAL rear plumbing routing. The driver side rear discharge after the valve assembly is to be routed over to the officer side and to the rear. The officer side rear discharge after the valve assembly is to be routed over to the driver side and to the rear. This is to be done to provide FOAM to the driver side rear and the officer side rear is to be NO FOAM. Valve control handles to remain in standard locations on the pump control panel.	\$1,121.00
4415-0786	Brass swivel in tray [#LOC] for front bumper discharge.	\$0.00
4415-0788	3" officer side discharge (forward of steamer) with NFPA droop with cap. Includes 2.5" pressure gauge on pump operator panel.	\$495.00
4415-0790	1.5" front bumper discharge. Locate discharge in bumper hose storage tray (outboard side wall) down low. Includes 2.5" pressure gauge on pump operator panel.	\$4,603.00

Option No.	Description	PRICE
4415-0791	Front jumpline hose kit. For use with (2) DR cab and SM pump module.	\$0.00
4415-0792	Front jumpline hose kit. For use with (2) DR cab and TM pump module.	\$0.00
4415-0793	Front jumpline hose kit. For use with (4) DR cab and SM pump module.	\$0.00
4415-0794	Front jumpline hose kit. For use with (4) DR cab and TM pump module.	\$0.00
4415-0795	2.5" officer side discharge (forward of steamer) with NFPA droop with cap. For use with Side Mount Pump Module. Includes 2.5" pressure gauge, and bleeder on panel.	\$0.00
4415-0796	2.5" officer side discharge (forward of steamer) with NFPA droop with cap. For use with Top Mount Pump Module. Includes 2.5" pressure gauge, and bleeder on panel.	\$0.00
4415-0797	3" officer side discharge (forward of steamer) with NFPA droop with cap. For use with Side Mount Pump Module. Includes 2.5" pressure gauge, and bleeder on panel.	\$495.00
4415-0798	3" officer side discharge (forward of steamer) with NFPA droop with cap. For use with Top Mount Pump Module. Includes 2.5" pressure gauge, and bleeder on panel.	\$495.00
4415-0799	1.5" front bumper discharge. Locate discharge in bumper hose storage tray down low. For use with Side Mount Pump Module. Includes 2.5" pressure gauge, and bleeder on panel.	\$4,603.00
4415-0800	1.5" front bumper discharge. Locate discharge in bumper hose storage tray (outboard side wall) down low. For use with Top Mount Pump Module. Includes 2.5" pressure gauge, and bleeder on panel.	\$4,603.00
4415-0801	Front bumper discharge - 1.5" manual control. For use with a side mount pump module with crosslays. Locate discharge in hose storage tray down low. Custom ES.	\$1,294.00
4415-0802	Front bumper discharge - 1.5" manual control. For use with a top mount pump module with crosslays. Locate discharge in hose storage tray down low. Custom ES.	\$1,358.00
4415-0803	Front bumper discharge - 1.5" manual control. For use with a top mount pump module with speedlays. Locate discharge in hose storage tray down low. Custom ES.	\$1,358.00
4415-0804	No auxiliary front bumper preconnect.	\$0.00
4415-0805	5" Left Pump Panel Discharge W/4" Akron Electric Navigator 9315 valve and controller. Include valve position display pressure and flow meter. [#LOC]	\$8,830.00
4415-0806	5" Right Pump Panel Discharge W/4" Akron Electric Navigator 9315 valve and controller. Include valve position display pressure and flow meter. [#LOC]	\$8,830.00
4415-0807	Dual Ground Sweep Nozzles 50 GPM. Locate at front (1) left and (1) right sides control at operator panel.	\$1,687.00
4415-0808	2.5" Left Rear Discharge w/3" Akron Manual Valve. Include 3" plumbing to terminate with 2.5" threads. Location: [#LOC]	\$1,949.00
4415-0809	4" Pump Panel Discharge w/4" Akron Electric Valve Location: right side discharge 1	\$4,953.00
4415-0810	1.5" Crosslay w/2.5" Akron Manual Valve and plumbing Location: [#LOC]	\$1,264.00
4415-0811	Akron 2.5" foam system discharge with swing handle. For use with Williams Advent or Hot Shot foam systems. Locate to [#LOC].	\$1,194.00
4415-0812	Elkhart Unibody 2.5" foam system discharge with swing handle. For use with Williams Advent or Hot Shot foam systems. Locate to [#LOC].	\$1,194.00
4415-0813	Deck Gun plumbing to terminate approx 6" above dunnage pan floor.	\$0.00
4415-0814	5" Right Rear Discharge 5" Akron Electric Valve.	\$7,499.00
4415-0815	5" Left Rear Discharge 5" Akron Electric Valve.	\$7,499.00

Option No.	Description	PRICE
4415-0816	5" Right Rear Discharge 5" Elkhart Electric Valve.	\$7,499.00
4415-0817	5" Left Rear Discharge 5" Elkhart Electric Valve.	\$7,499.00
4415-0818	2.5" preconnect discharge with Akron manual valve. Location: [#LOC].	\$1,464.00
4415-0819	5" Left Side Discharge 5" Akron Electric Valve. Locate: [#LOC]	\$5,694.00
4415-0820	5" Right Side Discharge 5" Akron Electric Valve. Locate: [#LOC].	\$5,694.00
4415-0821	3" Left Panel Discharge Akron Electric Valve w/30 Degree Droop Location: [#LOC]	\$4,081.00
4415-0822	3" Left Panel Discharge Elkhart Electric Valve w/45 Degree Droop Location: [#LOC]	\$4,101.00
4415-0823	3" Left Panel Discharge Akron Electric Valve. Location: [#LOC]	\$3,871.00
4415-0824	3" Left Panel Discharge Akron Manual Valve w/30 Degree Droop. Location: [#LOC]	\$1,810.00
4415-0825	3" Left Panel Discharge Elkhart Manual Valve w/45 Degree Droop. Location: [#LOC]	\$2,022.00
4415-0826	3" Left Panel Discharge Elkhart Unibody Manual Valve. Location: [#LOC]	\$1,833.00
4415-0827	3" Left Panel Discharge Elkhart Electric Valve. Location: [#LOC]	\$3,909.00
4415-0828	3" Right Pump Panel Discharge Akron Manual Valve.(Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$1,810.00
4415-0829	3" Right Pump Panel Discharge Akron Electric Valve.(Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$3,871.00
4415-0830	3" Right Pump Panel Discharge Elkhart Unibody Manual Valve. Location: [#LOC]	\$1,833.00
4415-0831	3" Right Pump Panel Discharge Elkhart Electric Unibody Valve with 30 degre droop elbow. Location: [#LOC]	\$3,909.00
4415-0832	Akron 1.5" dry chemical system discharge with electric/air actuated. Locate to [#LOC].	\$0.00
4415-0833	Elkhart 1.5" dry chemical discharge with swing handle. Locate to [#LOC].	\$0.00
4415-0834	4" Deck Gun Discharge Outlet with 6" Electric Elkhart Valve and plumbing. Require 4" Monitor	\$6,465.00
4415-0835	4" Deck Gun Discharge Outlet with 6" Electric Akron Valve and plumbing. Requires 4" Monitor.	\$6,465.00
4415-0836	6" Deck Gun Discharge Outlet with 6" Electric Akron Valve and plumbing. Requires 6" Monitor.	\$6,827.00
4415-0837	6" Deck Gun Discharge Outlet with 6" Electric Elkhart Valve and plumbing. Require 6" Monitor.	\$6,827.00
4415-0838	8" Deck Gun Discharge Outlet with 8" Electric Akron Valve and plumbing. Require 8" Monitor.	\$8,911.00
4415-0839	2.5" officer side discharge (rearward of steamer) with NFPA droop with cap. For use with Side Mount Pump Module. Includes 2.5" pressure gauge, and bleeder on panel.	\$1,515.00
4415-0840	8" Deck Gun Discharge Outlet with 8" Electric Elkhart Valve and plumbing. Require 8" Monitor.	\$8,911.00
4415-0841	5" Left Side Discharge 5" Elkhart Electric Valve. Locate: [#LOC]	\$5,694.00
4415-0842	5" Right Side Discharge 5" Elkhart Electric Valve. Locate: [#LOC]	\$5,694.00
4415-0843	4" Right Rear Discharge 5" Elkhart Electric Valve.	\$4,763.00
4415-0844	4" Left Rear Discharge 5" Elkhart Electric Valve.	\$4,763.00
4415-0845	4" Left Rear Discharge 5" Akron Electric Valve.	\$4,763.00
4415-0846	4" Right Rear Discharge 5" Akron Electric Valve.	\$4,763.00
4415-0847	Akron 635 Swivel with turning vane Located on Top of Bumper officer's side of center tray for Front Bumper Discharge	\$181.00
4415-0848	4" Left Pump Panel Discharge with 3" Elkhart Unibody Manual Valve (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$2,272.00
4415-0849	5" Pump Panel Discharge 4" Akron Electric Valve & Navigator 9315 (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$8,326.00

Option No.	Description	PRICE
4415-0850	1.5" Double Speedlay w/2" Elkhart Unibody Electric Valve UBEC3 to read flow, and pressure..	\$10,637.00
4415-0851	2.5" officer side discharge (rearward of steamer) with NFPA droop with cap. For use with Top Mount Pump Module.	\$1,465.00
4415-0852	6" Right Side Discharge 6" Elkhart Electric Valve with Unibody controller. Locate: [#LOC]	\$6,439.00
4415-0853	6" Left Side Discharge 6" Elkhart Electric Valve with Unibody controller. Locate: [#LOC]	\$6,439.00
4415-0854	3" Left Rear Discharge Elkhart Electric Unibody Valve Location: [#LOC]	\$3,664.00
4415-0855	3" Right Rear Discharge Elkhart Electric Unibody Valve Location: [#LOC]	\$3,664.00
4415-0856	3" Right Side Discharge Elkhart Electric Unibody Valve. Location: [#LOC]	\$3,664.00
4415-0857	2" preconnect discharge with Akron 2" manual valve. For use with rear mount pump and includes swivel style connection. Location: [#LOC].	\$1,500.00
4415-0858	Triple speedlay with (1) 1.5" and (1) 2.5" in lower storage area and (1) 1.5" in upper storage area. All with Akron manual valves.	\$3,685.00
4415-0859	Triple speedlay with (1) 1.5" and (1) 2.5" in lower storage area and (1) 1.5" in upper storage area. All with Elkhart Unibody manual valves.	\$3,802.00
4415-0860	Plumbing package, Akron, base, Wildland	\$10,103.00
4415-0861	Preconnect valve, Akron, 2", option, Wildland	\$1,487.00
4415-0863	Discharge, Left rear, 2" Akron, control at valve, base, Wildland	\$1,113.00
4415-0864	Discharge, Left rear, 2.5" Akron, control at valve, option, Wildland	\$1,210.00
4415-0865	Discharge, Right rear, 2" Akron, control at valve, option, Wildland	\$1,113.00
4415-0866	Discharge, Right rear, 2.5" Akron, control at valve, option, Wildland	\$1,208.00
4415-0867	Direct tank fill, Right rear, 2" Akron, control at valve, base, Wildland	\$721.00
4415-0868	Preconnect valves, Akron, 1.5", base, Wildland	\$1,487.00
4415-0869	Preconnect crosslay valve, Akron, 2", option, Wildland	\$2,221.00
4415-0870	Right front bumper discharge valve, Akron, 2", option, Wildland	\$788.00
4415-0871	Front bumper discharge valve, Akron, 2", electric, option, Wildland	\$1,381.00
4415-0872	Pair of 1.5" preconnect discharges with Akron manual valves. For use with Wetside tank with upper tank/hosebed pre-connect storage. All exposed piping along forward area of tank to be painted black. Plumbing to terminate with 1.5" MNST threads to the driver side of the tank/hosebed.	\$2,441.00
4415-0873	Provide a 1.5" port connection (with removable cap) on the main manifold for use with a dealer installed ground spray system. Dealer will make all required connections and controller applications.	\$184.00
4415-0874	1.75" Front Bumper Crosslay Discharge with 2" Akron Manual Valve. Include 2" plumbing from pump compartment to back of cab. From back of cab to crosslay swivel will be 2" plumbing.	\$2,510.00
4415-0875	Pair of 1.5" preconnect discharges with Akron manual valves. For use with narrow Wetside tank with driver side compartment top pre-connect storage. Plumbing to terminate with 1.5" MNST threads.	\$2,364.00
4415-0876	4" Deck Gun Discharge W/ 4" TFT Model AKM111113 Manual gear activated valve. A 6" stainless steel pipe from the rear of the truck to the front center of the body shall be provided. The inlet to the deck gun piping shall have a 5" storz w/cap also to be off set to the driver side rear, and shall terminate with a 4" flange approx: 4-6" below the top of the body. A TFT Monsoon 1500 GPM manual monitor with a Williams 1.5 Hydro Foam manual nozzle shall be supplied.	\$10,329.00
4415-0877	2.5" Crosslay Elkhart UBEC1 Electric Valve. To be located rearward of 1.5" crosslay(s) if applicable. Location: [#LOC]	\$2,957.00

Option No.	Description	PRICE
4415-0878	2.5" Right Panel Discharge Elkhart Unibody Electric Valve. Location: [#LOC]	\$3,326.00
4415-0879	2.5" officer side discharge (rearward of steamer) with NFPA droop with cap. For use with Side Mount Pump Module.	\$0.00
4415-0880	2.5" Left Panel Discharge with Elkhart Unibody Manual 3" Valve and 30 Degree Droop Location: [#LOC]	\$1,734.00
4415-0881	2.5" Right Panel Discharge Elkhart Unibody Manual 3" Valve w/30 Degree Droop Location: [#LOC]	\$1,734.00
4415-0882	2.5" preconnect discharge with Akron 3" manual valve and 3" plumbing reduce to a 2.5" at the swivel. For use on rear mount pump. Includes swivel style connection. Location: driver side under hosebed (outboard).	\$2,039.00
4415-0883	6" Right Side Discharge 6" Akron Electric Valve. Locate: [#LOC].	\$6,439.00
4415-0884	6" Left Side Discharge 6" Akron Electric Valve. Locate: [#LOC]	\$6,439.00
4415-0885	Brass Swivel in Tray Located on rear wall of tray, in upper center of back wall.	\$0.00
4415-0886	3" Right Pump Panel Discharge Elkhart Manual Unibody Valve with 30 degree droop elbow. Location: [#LOC]	\$1,948.00
4415-0887	Triple speedlay with (1) 1.5" and (1) 2.5" in lower storage area and (1) 1.5" in upper storage area. All with Akron electric valves.	\$9,384.00
4415-0888	2.5" Left Pump Panel Discharge UBEC3 Electric Valve to read flow, and pressure. Location: [#LOC]	\$5,417.00
4415-0889	2.5" Front Bumper Discharge Elkhart Electric UBEC3 Valve to read flow, and pressure.	\$5,954.00
4415-0890	Right Rear Deck Gun/5" Rear Discharge with 6" elect. valve. Locate at rear of body with a 5" pipe "T" and 4" elec. shutoff valve for 4" Deck Gun discharge.	\$15,109.00
4415-0891	Left Rear Deck Gun/5" Rear Discharge with 6" elect. valve. Locate at rear of body with a 5" pipe "T" and 4" elec. shutoff valve for 4" Deck Gun discharge.	\$15,109.00
4415-0892	3" Front Bumper Discharge Akron Manual Valve. Location; 3" front bumper discharge piped through the center of the center front bumper tray and to come out thru the front bumper. Piping to have a cover plate in tray.	\$3,940.00
4415-0893	Front bumper 1.5" pre-connect with manual valve and pressure gauge. Locate pre-connect in front bumper tray down low on rear wall.	\$2,158.00
4415-0894	2.5" officer forward hosebed/body tray pre-connect. Includes connection to 2.5" valve assembly, pressure gauge and bleeder. Pre-connect to be positioned rearward of the forward Zico rack mount of the officer side hosebed/body tray. Hosebed/Body tray to include black dri-dek flooring for NFPA and a red vinyl hosebed cover (secure along the sides with awning strips and twist locks along the inboard side. The area inboard of the forward and rearward Zico rack mounts to have a bolt-in wall to square off the hose storage area.	\$3,324.00
4415-0895	Hose bib discharge 3/4" with valve. Location Officer's side pump panel.	\$327.00
4415-0896	1.5" Left Preconnect Akron Manual Valve. Preconnect will be run to front of hose box on top of driver's side compartments.	\$1,080.00
4415-0897	2.5" Right Rear Discharge Elkhart Electric Unibody Valve Location: [#LOC]	\$2,968.00
4415-0898	2.5" Left Rear Discharge Elkhart Unibody Electric Valve Location: [#LOC]	\$3,307.00
4415-0899	4" Waterway Discharge with 3" Elkhart Unibody Manual Valve	\$2,638.00
4415-0900	5" Right Side Discharge 5" Akron Hydraulic activated Valve. Location: [#LOC]	\$5,694.00
4415-0901	3" Discharge Akron Electric Valve will be "T" into front intake to allow the front intake to use as a discharge/intake. Include gauge and bleeder.	\$4,253.00
4415-0903	1.5" Front Bumper Crosslay Discharge Akron Manual Valve	\$2,449.00

Option No.	Description	PRICE
4415-0904	2" front bumper discharge Elkhart Electric valve. Include Elkhart electric valve, plumbing, and harness from the valve to joystick control located in cab console. Discharge to terminate and capped off just below the center of the bumper for dealer supplied and installed joystick, and bumper turret.	\$2,566.00
4415-0905	Akron 1.5" foam system discharge with swing handle. For use with Williams Advent or Hot Shot foam systems. Locate to [#LOC].	\$971.00
4415-0906	6" Deck Gun Discharge Outlet with 6" HYD Akron Valve and plumbing. Require 6" Monitor.	\$6,827.00
4415-0907	1.5" front bumper discharge plumbing from back of cab to front bumper.	\$596.00
4415-0908	2.5" Rear Mount Discharge Akron Electric Valve & Navigator 9315 to Read Pressure only w/30 Degree Droop. Location: [#LOC]	\$3,883.00
4415-0909	4" Waterway Discharge with 4" Akron Electric Valve & Navigator 9315 Control. (Waterway valve override must be accessible through right side pump panel from standing on the ground).	\$8,290.00
4415-0910	2.5" hose bed discharge Akron manual valve [#LOC].	\$1,561.00
4415-0911	Double 1.5" Speedlay w/2" Akron Electric Valves & Navigator 9315 to read Pressure only.	\$7,156.00
4415-0912	Second Left Front Hosebed 3" Elkhart Unibody manual Valve	\$2,499.00
4415-0915	6" Waterway Discharge with 6" Akron Electric Valve.	\$6,446.00
4415-0916	4" Deck Gun Discharge Akron Valve Handwheel Control.	\$4,864.00
4415-0917	2.5" Right Rear Discharge Akron Manual Valve includes gauge and bleeder. Location: [#LOC].	\$1,406.00
4415-0918	1.5" Front Bumper Crosslay Discharge Elkhart Unibody Manual Valve	\$2,338.00
4415-0919	Deck gun monitor 3" Gemini manual hand wheel model 34700011 and nozzle 2.5" NH Excel model 51471000.	\$3,691.00
4415-0920	Left Front Hosebed Discharge 2.5" Elkhart Unibody UBEC1 Valve.	\$3,267.00
4415-0921	Right Front Hosebed Discharge 2.5" Elkhart Unibody UBEC1 Valve.	\$3,267.00
4415-0922	Location of the preconnect(s) mounted in the speedlay shall be as close to the outer edges of the floor as practicality permits.	\$0.00
4415-0923	4" Right Pump Panel Discharge with 3" Akron Manual Valve. Include a 4"FNST swivel x 4"MNST 30 degree droop adapter, and cap. Location: [#LOC].	\$2,378.00
4415-0924	2.5" Single Speedlay with Akron manual valve located at lower storage area offset to rear.	\$1,395.00
4415-0925	All Discharge/Intake caps, and plug to be Kochek brand and Powder coated. Color; White.	\$633.00
4415-0926	1.5"/2.5" Double Speedlay with Akron Manual Valves, upper 1.75" speedlay and lower 2.5" speedlay.	\$2,478.00
4415-0927	2.5" Deck Gun Discharge, Akron manual valve. Locate outlet above L1, compartment. Piping to be routed up thru L1, compartment top offset forward. Include pressure gauge and bleeder.	\$1,737.00
4415-0928	2.5" Deck Gun Discharge, Akron Electric valve with dual control (1) control operator panel and (1) control officer side panel . Locate deck gun outlet above R1, compartment. Piping to be routed up thru R1, compartment top offset forward. Include pressure gauge and bleeder.	\$3,540.00
4415-0929	2.5" Right Front Hosebed Akron Electric Valve & Pro Navigator 9325 controller with pressue read out.	\$4,546.00
4415-0930	2.5" Left Front Hosebed Akron Electric Valve & Pro Navigator 9325 controller with pressue read out.	\$4,546.00
4415-0931	2.5" Front Bumper Discharge Akron Electric Valve & Navigator Pro Controller 9325 with pressure read out.	\$4,365.00
4415-0932	Double 1.5" Speedlay w/2" Akron Electric Valves & Navigator Pro 9325 with Pressure read out.	\$7,609.00
4415-0933	2.5" Right Panel Discharge Akron Electric Valve & Navigator Pro 9325 controller w/30 Degree Droop to Read Pressure. Location: [#LOC]	\$4,349.00

Option No.	Description	PRICE
4415-0934	2.5" Left Panel Discharge Akron Electric Valve & Navigator Pro 9325 controller w/30 Degree Droop to Read Pressure. Location: [#LOC]	\$4,077.00
4415-0935	4" Right Pump Panel Discharge w/3" Akron Electric Valve & Navigator Pro 9325 with Pressure read out. (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$5,419.00
4415-0936	4" Pump Panel Discharge Akron Electric Valve & Navigator 9325 to read flow, and pressure w/30 degree droop. (Waterous pumps noted location to be forward lower port). Location: [#LOC].	\$6,260.00
4415-0937	3" Deck Gun Discharge Akron Electric Valve & Navigator read flow, and pressure with 9325 controller.	\$5,583.00
4415-0938	2.5" Left Pump Panel Discharge Akron Manual Valve. The discharge shall extend out beyond the pump panel w/Chrome plated finish. Location: [#LOC].	\$1,218.00
4415-0939	2.5" Right Pump Panel Discharge Akron Manual Valve. The discharge shall extend out beyond the pump panel w/Chrome plated finish. Location: [#LOC].	\$1,218.00
4415-0940	3" Right Pump Panel Discharge Akron Manual Valve. The discharge shall extend out beyond the pump panel w/Chrome plated finish. (Waterous pumps noted location to be forward lower port). Location: [#LOC].	\$1,872.00
4415-0941	4" Right Pump Panel Storz Discharge with 3" Akron Manual Valve. Include 3" FNST X 4" Storz 30 degree elbow adapter with cap. (Waterous pumps noted location to be forward lower port). Location: [#LOC].	\$2,598.00
4415-0942	Left Rear Discharge 2.5" Elkhart Unibody electric valve with UICS-2 CAFS Controller.	\$4,632.00
4415-0943	3" Deck Gun Discharge Akron Electric Valve & Navigator with 9323 controller.	\$4,092.00
4415-0944	3" Right Panel Discharge Akron Electric Valve & Navigator 9325 w/30 Degree Droop (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$5,546.00
4415-0945	1.5" Front Bumper Discharge Elkhart Electric Valve with UICS-2 CAFS Controller.	\$4,899.00
4415-0946	1.5" Crosslay w/2" Elkhart Electric Unibody Valve with UICS-2 CAFS Controller. Location: [#LOC].	\$4,385.00
4415-0947	2.5" Right Panel Discharge Elkhart Unibody Electric Valve w/Droop, and include UICS-2 CAFS Controller. Location: [#LOC].	\$4,806.00
4415-0948	Preconnect extension (Each). The front hosebed preconnect to be extended to the rear of the hosebed area. Includes smooth plate cover. Location: [#LOC].	\$501.00
4415-0951	The pre-connect shall have a flow rating of 150 gpm.	\$0.00
4415-0952	4" Deck Gun Discharge Outlet with 6" Electric Akron Valve and plumbing. Require 4" Monitor. Locate right rear.	\$7,564.00
4415-0953	Polished stainless steel swivel in tray [#LOC] for front bumper discharge.	\$0.00
4415-0954	1.5" Front Bumper Discharge Akron Electric Valve & Navigator 9325 controller to read flow, and pressure..	\$6,055.00
4415-0955	3" Deck Gun Discharge Akron Electric Valve with 9325 Navigator Controller to read flow, and pressure.	\$6,206.00
4415-0956	4" Right Rear Discharge Akron Electric Valve with 9325 Navigator controller to read flow, and pressure. [#LOC].	\$8,208.00
4415-0957	Speedlay plumbing in lower opening to have 1.5" forward and 2.5" rearward.	\$0.00
4415-0958	Speedlay plumbing to have 2.5" forward and 1.5" rearward.	\$0.00
4415-0959	3" Deck Gun Discharge Akron Electric Valve with 9325 Navigator Controller(to read pressure only).	\$4,234.00
4415-0960	Right Rear Deck Gun/5" Rear Discharge with 5" elect. valve, 5" ratio controller. Locate at rear of body with a 5" pipe "T" and 3" elec. shutoff valve for 3" Deck Gun discharge.	\$15,109.00
4415-0962	6" Left discharge 6" Elkhart electric valve with Unibody controller. Location: [#LOC].	\$7,537.00

Option No.	Description	PRICE
4415-0963	One (1) pre-connect 1.5" adaptation to Storz. The pre-connect extension hose shall include an adapter to Storz and the pre-connect nozzle (sold separately in loose equipment) shall be supplied with a Storz adapter.	\$205.00
4415-0964	Triple speedlay with (2) 1.5" in lower storage area and (1) 2.5" in upper storage area. All with Akron manual valves.	\$3,685.00
4415-0965	Left Front Hosebed Discharge 3" Akron Manual Valve and shall terminate with a 3"FNPT X 2.5"MNST adapter.	\$2,281.00
4415-0966	Right Front Hosebed Discharge 3" Akron Manual Valve and shall terminate with a 3"FNPT X 2.5"MNST adapter.	\$2,281.00
4415-0967	1.5" Crosslay w/2.5" Akron Manual Valve and plumbing. Include 2.5" FNST X 1.5" MNST adapter. Location: [#LOC].	\$1,264.00
4415-0968	2.5" front bumper discharge. Locate discharge in bumper hose storage tray (outboard side wall) down low. For use with Top Mount Pump Module. Includes 2.5" pressure gauge, and bleeder on panel.	\$5,591.00
4415-0969	2.5" left front hose bed discharge Akron manual valve. Locate discharge(s) approximately 26" up from hosebed floor.	\$1,872.00
4415-0970	5" Right Pump Panel Discharge with 3" Akron Manual Valve w/Droop. Include a 3"FNST swivel x 5"Storz adapter, and a 5"Storz x 4" Storz with cap. Location: [#LOC].	\$2,718.00
4415-0971	Pre-connect shall be set to handle 200' x 1.50" hose @95 GPM.	\$0.00
4415-0972	4" Right Pump Panel Storz Discharge with 4" Akron Electric Valve. Include 4" FNST X 4" Storz 30 degree elbow adapter with cap. (Waterous pumps noted location to be forward lower port). Location: [#LOC].	\$5,137.00
4415-0973	5" Right Pump Panel Storz Discharge with 3" Akron Manual Valve. Include 3" FNST X 5" Storz 30 degree elbow adapter with cap. (Waterous pumps noted location to be forward lower port). Location: [#LOC].	\$2,718.00
4415-0974	5" Left Rear Discharge 5" Akron Hand Wheel Control Valve.	\$6,401.00
4415-0975	2.5" Front Bumper Crosslay Discharge Akron Electric Valve.	\$3,602.00
4415-0976	3" Auxillary CAFS Deck Gun Discharge Electric Unibody Valve. Plumbed from foam manifold and "Y" into Deck Gun pipe downstream from main Deck Gun discharge valve.	\$4,070.00
4415-0977	2.5" Front Bumper Crosslay Discharge Akron Manual Valve.	\$2,674.00
4415-0978	4" Waterway Discharge with 4" Akron Electric Valve & Navigator 9325 Control to read flow, and pressure.	\$5,680.00
4415-0979	Deck Gun piping to extend up 12" above top of pump module.	\$0.00
4415-0980	6" Right Rear Discharge 6" Akron Electric Valve with 9323 controller. Locate: right rear discharge.	\$6,549.00
4415-0981	6" Left Rear Discharge 6" Akron Electric Valve with 9323 controller. Locate: left rear discharge.	\$6,549.00
4415-0982	6" Pump Panel Discharge 6" Akron Electric Valve with 9323 controller. Locate: [#LOC].	\$6,439.00
4415-0983	2.5" Right Pump Panel Discharge Akron Electric Valve with 9323 controller. Location: [#LOC].	\$3,307.00
4415-0984	2.5" Left Pump Panel Discharge Akron Electric Valve with 9323 controller. Location: [#LOC].	\$3,307.00
4415-0985	1.5" crosslay w/2" Akron electric valve and 9323 controller. Location: [#LOC].	\$3,020.00
4415-0986	4" Right Pump Panel Discharge w/4" Akron Electric Valve with 9323 controller. (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$5,058.00
4415-0987	3" Right Front Hosebed Elkhart Electric Unibody Valve. Termnate with a 3"FNPT X 2.5" MNST.	\$4,021.00
4415-0988	3" Left Front Hosebed Elkhart Electric Unibody Valve. Terminate with a 3"FNPT X 2.5" MNST.	\$4,021.00
4415-0989	Left Front Hosebed Discharge 3" w/ 3" Elkhart Unibody Manual Valve and shall terminate with a 3"FNPT X 2.5"MNST adapter.	\$2,500.00
4415-0990	Triple speedlay with (1) 1.5" and (1) 2.5" in lower storage area and (1) 1.5" in upper storage area. All with Elkhart Unibody electric valves.	\$9,384.00

Option No.	Description	PRICE
4415-0991	4" Pump Panel Discharge Akron Electric Valve & Navigator 9325 to read flow, and pressure. (Waterous pumps noted location to be forward lower port). Location: [#LOC].	\$6,046.00
4415-0992	4" Pump Panel Discharge Akron Electric Valve & Navigator 9325 (Waterous pumps noted location to be forward lower port). Location:Left Side Discharge 1.	\$8,763.00
4415-0993	3" Left Rear Discharge Akron Electric Valve with 9323 controller. Location: [#LOC].	\$4,253.00
4415-0994	4" waterway discharge with 4" Akron electric valve with 9323 controller.	\$4,954.00
4415-0995	Brass Swivel in Tray for Front Bumper Discharge. Locate in center tray offset to driver side of tray.	\$0.00
4415-0996	1.5" Front Bumper Discharge Akron Electric Valve with 9323 controller.	\$3,435.00
4415-0998	4" Left Pump Panel Discharge w/3" Akron Electric Valve with 9323 controller (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$4,345.00
4415-0999	4" Right Pump Panel Discharge w/3" Akron Electric Valve, and 9323 controller. (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$4,345.00
4415-1000	Double 1.5" Speedlay w/2" Elkhart Electric Unibody Valve with UICS-2 CAFS Controllers.	\$7,577.00
4415-1001	4" Right Panel Discharge w/30 Degree Droop. Include 4" Akron Electric Valve w/9323 Controller. (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$5,282.00
4415-1002	2.5" Crosslay Elkhart Unibody Manual Valve. Location: crosslay 1 & 2.	\$1,250.00
4415-1003	1.5" Front Bumper Crosslay Discharge Elkhart Unibody Valve with hand wheel control.	\$3,158.00
4415-1004	1.5" Double Speedlay with Elkhart Unibody Valves with hand wheel controls.	\$4,649.00
4415-1005	2.5" Left Panel Discharge Elkhart Hand Wheel Control UnibodyValve w/30 Degree Droop Location: [#LOC]	\$2,430.00
4415-1006	1.5" Preconnect Discharge Akron Electric Valve with 9323 controller. Locate [#LOC].	\$3,435.00
4415-1007	5" Left Side Discharge 5" Akron Electric Valve w/9323 controller. Locate: [#LOC]	\$5,694.00
4415-1008	5" Right Side Discharge 5" Akron Electric Valve with 9323 controller. Locate: [#LOC].	\$5,694.00
4415-1009	8" Deck Gun Discharge Outlet with 8" Electric Akron Valve with 9323 controller. Require 8" Monitor.	\$8,910.00
4415-1010	3" Right Panel Discharge Akron Electric Valve and 9323 Controller w/30 Degree Droop. (Waterous pumps noted location to be forward lower port). Location: [#LOC].	\$4,266.00
4415-1011	3" Right Pump Panel Discharge Akron Electric Valve. Location: [#LOC].	\$4,039.00
4415-1012	3" Right Front Hosebed Akron Electric Valve with 9323 controller.	\$4,569.00
4415-1013	Both Polished Stainless Steel Swivel Located to be minimum of 16 inches forward of cab to allow storage of short suction hose across front bumper.	\$0.00
4415-1014	4" Waterway Discharge with 3" Elkhart Unibody Electric Valve	\$4,161.00
4415-1015	3" Right Pump Panel Discharge Akron Electric Valve with 9323 controller. Location: [#LOC].	\$4,039.00
4415-1016	4" waterway discharge with 3" Akron electric valve, and 9323 controller.	\$4,141.00
4415-1017	2.5" Front Bumper Discharge Akron Electric Valve with 9323 controller.	\$3,602.00
4415-1018	2.5" Left Front Hose Bed Akron Electric Valve with 9323 controller.	\$3,788.00
4415-1019	2.5" Right Front Hose Bed Akron Electric Valve with 9323 controller.	\$3,788.00
4415-1020	Double 1.5" Speedlay w/2" Akron Electric Valves with 9323 controllers.	\$6,053.00
4415-1021	2.5" Left Pump Panel Discharge Akron Electric Valve with 9323 controller and 30 degree droop. Location: [#LOC].	\$3,691.00

Option No.	Description	PRICE
4415-1022	2.5" Right Pump Panel Discharge Akron Electric Valve with 9323 controller and 30 degree droop. Location: [#LOC].	\$3,691.00
4415-1023	4" Deck Gun Discharge Outlet with 6" Electric Akron Valve and plumbing. Requires 4" Monitor.	\$6,465.00
4415-1024	4" Right Pump Panel Discharge w/3" Akron Electric Valve, and 9323 controller include 30 degree droop. (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$4,682.00
4415-1025	5" Right Pump Panel Discharge w/3" Akron Electric Valve. Location: [#LOC].	\$5,131.00
4415-1026	5" Pump Panel Discharge with 4" Akron Electric Valve with 9323 controller. Location: [#LOC].	\$5,646.00
4415-1027	2.5" Front Bumper Discharge Akron Manual Valve and chrome adapter. Location: Through the bumper on Officer side front bumper.	\$2,012.00
4415-1028	5" Left Rear Discharge 5" Akron Electric Valve with 9323 controller.	\$7,499.00
4415-1029	5" Right Rear Discharge Akron Electric 5" Valves with 9323 controller.	\$7,499.00
4415-1030	6" Deck Gun Discharge 6" Electric Akron Valve with 9323 controller, and plumbing. Requires 6" Monitor.	\$6,827.00
4415-1031	4" Deck Gun Discharge 6" Electric Akron Valve with 9323 controller and plumbing. Requires 4" Monitor.	\$6,465.00
4415-1032	3" Left Panel Discharge Top Mount Akron Electric Valve with 9323 controller. Location: [#LOC]	\$4,151.00
4415-1033	3" Left Panel Discharge Top Mount Akron Electric Valve w/9323 controller, and 30 Degree Droop (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$4,490.00
4415-1034	Triple Speedlay (1) 2.5" and (2) 1.5" with Akron Manual Valve. 2.5" in top location in bed number 1.	\$4,373.00
4415-1035	1.5" Rear Driver Side Preconnect Akron gear operator valve hand wheel control for Rear Mount.	\$2,179.00
4415-1036	2.5" Right Pump Panel Discharge Akron Manual Valve to be used with Wetside - under tank design only. Location: [#LOC].	\$2,398.00
4415-1038	2.5" Right Pump Panel Discharge Akron Electric Valve to be used on Wetside with under tank design only. Location: [#LOC].	\$4,543.00
4415-1039	Double Speedlay (2) 1.5" and Crosslay (1) 2.5" with Akron Manual Valve.	\$4,548.00
4415-1040	1.5" Crosslay w/2.5" Elkart Unibody Manual Valve and plumbing Location: [#LOC]	\$1,264.00
4415-1041	4" Pump Panel Discharge w/3" Akron Electric Valve & Navigator 9325 to read flow, and pressure. (Waterous pumps noted location to be forward lower port). Location: [#LOC].	\$5,653.00
4415-1042	2.5" Single Speedlay with Akron manual valve outlet to terminate below speedlay tray.	\$1,272.00
4415-1043	3" Deck Gun Discharge Elkhart Electric Unibody valve UBEC2 to pressure.	\$4,815.00
4415-1044	3" Right Pump Panel Discharge UBEC2 Electric Valve with 30 degree droop to read pressure. Location: [#LOC]	\$4,718.00
4415-1045	Preconnect extension (Each). The front hosebed preconnect to be extended to the rear of the hosebed area. Includes smooth plate cover. Location: second officer side hose bed preconnect is to terminate approx 10" from back edge of hosebed.	\$432.00
4415-1046	6" Right Rear Discharge 6" Akron Electric Valve with 9323 controller. Locate: right rear discharge.	\$6,549.00
4415-1047	6" Left Rear Discharge 6" Akron Electric Valve with 9323 controller. Locate: left rear discharge.	\$6,549.00
4415-1048	3" Rear panel discharge with Akron electric valve and 9323 controller. For use with rear mount pump. Location [#LOC].	\$3,375.00
4415-1049	Discharge Package (4) 2.5" Darley Manual Valves for front Mount	\$6,929.00
4415-1050	3" Akron Electric Valve for front mount pump	\$4,570.00
4415-1051	1.5" hose reel discharge with Akron electric valve.	\$2,716.00
4415-1052	1.5" Preconnect Discharge Akron Electric Valve with 9325 controller with pressure reading only. Locate (1) L1, and (1) R1.	\$3,863.00
4415-1053	Deck gun piping to be positioned in dunnage pan center front to rear and low in pan, but no less than 4" from floor.	\$0.00

Option No.	Description	PRICE
4415-1054	2.5" Front Bumper Discharge Akron Manual Valve. Locate 2.5" discharge under front bumper on officer side center under officer side.	\$1,913.00
4415-1055	2.5" Crosslay w/2.5" Elkhart Electric Unibody Valve with UICS-2 CAFS Controller with pressure reading. Location: [#LOC].	\$4,610.00
4415-1056	1.5" crosslay with Akron manual valve and no swivel. For use with discharges that locate below the hose beds. Location: [#LOC].	\$1,037.00
4415-1057	4" Left Rear Discharge 4" Elkhart Electric Unibody Valve.	\$4,763.00
4415-1059	Quad Speedlay (2) 1.5" / (2) 2.5" with Akron Manual Valves.	\$4,523.00
4415-1060	2.5" Front Bumper Discharge Elkhart Electric Valve with UICS-2 CAFS Controller with pressure reading.	\$5,008.00
4415-1061	4" deck gun discharge Akron electric valve w/9323 controller.	\$5,879.00
4415-1062	2.5" rear panel discharge with Akron manual valve with droop. For use with rear mount pump. Location rear pump panel. Location [#LOC].	\$1,533.00
4415-1063	2.5" Right Pump Panel Discharge Akron Manual Valve w/droop to be used with Wetside - under tank design only. Location: [#LOC].	\$2,691.00
4415-1064	8" Deck Gun Discharge Akron Electric Valve with a Navigator 9325 controller. Include pressure sensor for pressure reading out only. Require 8" Monitor.	\$9,530.00
4415-1065	5" Right Side Discharge Akron Electric Valves with a Navigator 9325 controller. Include pressure sensor for pressure read out only. Location: [#LOC]	\$6,313.00
4415-1066	5" Left Side Discharge Akron Electric Valves with a Navigator 9325 controller. Include pressure sensor for pressure read out only. Location: [#LOC]	\$6,313.00
4415-1067	5" Left Rear Discharge 5" Akron Electric Valve with a Navigator 9325 controller. Include pressure sensor for pressure read out only	\$7,705.00
4415-1068	1.5" Crosslay w/2" Akron Electric Valves with a Navigator 9325 controller. Include presure sensor for pressure read out only. Location: [#LOC].	\$3,805.00
4415-1069	4" Deck Gun Discharge 6" Electric Akron Valve with a Navigator 9325 controller. Include pressure sensor for pressure read out only. Location: right rear. Require 4" Monitor.	\$7,787.00
4415-1070	2.5" Crosslay w/2.5" Akron Electric Valves with a Navigator 9325 controller. Include presure sensor for pressure read out only. Location: [#LOC].	\$4,161.00
4415-1071	1.5" Front Bumper Crosslay Discharge Akron Electric Valve with a Navigator 9325 controller. Include pressure sensor for pressure read out only.	\$3,847.00
4415-1072	4" Pump Panel Discharge Akron Electric with a Navigator 9325 controller. Include presure sensor for pressure read out only. (Waterous pumps noted location to be forward lower port). Location: [#LOC].	\$5,813.00
4415-1073	4" Deck Gun Discharge 6" Electric Akron Valve with a Navigator 9325 controller. Include pressure sensor for pressure read out only. Location: pump module. Require 4" Monitor.	\$6,937.00
4415-1074	4" Waterway Discharge with 5" Akron Electric Valve with 9325 controller. Include pressure sensor for pressure read out only. Location: pump module.	\$6,737.00
4415-1075	1.5" Front Bumper Crosslay Discharge Akron Manual Valve.	\$2,338.00
4415-1076	2.5" Right Pump Panel Discharge Akron Electric Valve to be used on Wetside with under tank design only. Location: [#LOC].	\$4,543.00
4415-1077	2.5" Center Rear Discharge Akron Manual Valve. To terminate at rear of ladder tunnel opening centered.	\$1,729.00
4415-1078	2.5" Right Pump Panel Discharge Waterous Manual Hand Wheel Valve. Locate discharge 2.	\$3,489.00

Option No.	Description	PRICE
4415-1079	2.5" Left Pump Panel Discharge Waterous Manual Hand Wheel Valve. Locate discharge 1, and 2.	\$3,386.00
4415-1080	2.5" Left Front Hosebed Discharge Waterous Manual Hand Wheel Valve. Location: left front hosebed.	\$3,647.00
4415-1081	2.5" Right Rear Discharge Waterous Manual Hand Wheel Valve. Location: right rear	\$3,647.00
4415-1082	1.5" Crosslay w/2.5" Waterous Valve Handwheel Control.	\$3,496.00
4415-1083	2.5" Right Pump Panel Discharge Akron Electric Valve w/droop to be used on Wetside with under tank design only. Location: [#LOC].	\$4,835.00
4415-1084	1.5" front bumper discharge Akron manual valve with chrome adapter through bumper. Location: Driver Side.	\$1,768.00
4415-1085	4.5" Right Pump Panel Discharge with 3" Akron Manual Valve Location: [#LOC]	\$2,386.00
4415-1086	4" Front Discharge w/4" Elect 9323 Akron Valve and Plumbed Through Front Bumper.	\$7,093.00
4415-1087	4" Left Pump Panel Discharge w/4" Akron Electric Valve with 9323 controller. (Waterous pumps noted location to be forward lower port) Location: [#LOC]	\$5,058.00
4415-1088	3" Left Rear Deck Gun Discharge Akron manuall Valve. Location: Driver side rear.	\$2,392.00
4415-1089	2.5" Single Speedlay with Akron manual valve.	\$1,395.00
4415-1090	4" Discharge with 4" Akron Electric valve. The discharge plumbing will be wye into the 5" rear intake plumbing. Where the rear intake can be utilized as a Intake or Discharge.	\$4,826.00
4415-1091	2.5" Deck Gun Discharge, Akron manual valve.	\$1,737.00
4415-1092	2.5" Single Speedlay with Elkhart valve hand wheel control located at lower storage area offset to rear.	\$2,595.00
4415-1093	2.5" Front Bumper Discharge Akron Manual Valve and chrome adapter. Location: Through the bumper inboard of frame rails.	\$2,012.00
4415-1094	3" Right Rear Discharge UBEC3 Electric Valve to read flow, and pressure. Location: Right rear.	\$7,088.00
4415-1095	Triple Speedlay (2) 1.5" and (1) 2.5" with Akron valves hand wheel control.	\$7,557.00
4415-1096	2.5" Crosslay Akron Manual Valve. For use with discharges that locate below the hose beds. Location: [#LOC].	\$1,250.00
4415-1097	4" Right Side Discharge outlet no valve. Include 4" plumbing, terminate with 4"FNPT X 5" storz adapter with locking cap. (FOR PUMP TESTING ONLY).	\$1,500.00
4415-1098	5" Pump Panel Discharge with 4" Akron Electric Valve with 9323 controller. Include a 4"NST X 5" Storz elbow with cap. Location: discharge 3	\$5,646.00
4415-1099	4" Left Pump Panel Discharge w/4" Akron Electric Valve with 9323 controller. (Waterous pumps noted location to be forward lower port). [#LOC].	\$5,058.00
4415-1100	1.5" Crosslay w/2" Akron Electric Valve with 9325 controller to Read Flow, and Pressure. Location: [#LOC]	\$3,961.00
4415-1101	2.5" Front Bumper Discharge Akron Electric Valve with 9325 controllerto Read Flow, and Pressure.	\$6,321.00
4415-1102	2.5" Right Panel Discharge Akron Electric Valve & Navigator Pro 9325 controller w/30 Degree Droop to Read Flow, and Pressure. Location: [#LOC]	\$5,175.00
4415-1103	2.5" Left Panel Discharge Akron Electric Valve & Navigator Pro 9325 controller w/30 Degree Droop to Read Flow, and Pressure. Location: [#LOC]	\$5,175.00
4415-1104	3" Front Bumper Discharge Akron Manual Valve. Location; Officer side with a fix 90 degree elbow on top of bumper..	\$3,791.00
4415-1105	2.5" Right Pump Panel Foam Discharge Akron Electric Valve with 9323 controller. Location; Right side pump panel.	\$3,307.00
4415-1106	1.5" Double Speedlay with Akron Valves with hand wheel controls.	\$4,649.00
4415-1107	3" Right Rear Discharge UBEC3 Electric Valve to read flow, and pressure. To terminate 2.5" NST. Location: [#LOC].	\$7,088.00

Option No.	Description	PRICE
4415-1108	2.5" Single Speedlay with Akron manual valve located at lower storage area offset to front.	\$1,395.00
4415-1109	Preconnect extension (Each). The front hosebed preconnect to extend to the front of the hosebed divider area.	\$0.00
4415-1110	5" Right Pump Panel Discharge with 3" Akron Manual Valve. Include a 4" FNST swivel x 5" Storz 30 degree droop adapter, and cap. Location: [#LOC].	\$2,579.00
4415-1111	Front bumper 1.5" pre-connect with manual valve and pressure gauge.	\$2,158.00
4415-1112	3.5" Right Panel Discharge with 3" Akron Electric Valve with 9323 controller. Location: Right side pump panel.	\$4,193.00
4415-1113	Speedlay plumbing in lower two opening to have 1.5", and upper forward opening to have 2.5", rearward upper opening 1.5".	\$0.00
4415-1115	Triple speedlay with (2) 1.5" in upper storage areas and (1) 2.5" in lower storage area. All with Akron manual valves.	\$3,685.00
4415-1116	2.5" Right Pump Panel Discharge Waterous Manual Valve. Location: [#LOC]	\$1,529.00
4415-1117	2.5" Left Rear Discharge Waterous Manual Valve. Location: [#LOC]	\$1,836.00
4415-1118	2.5" Left Pump Panel Discharge Waterous Manual Valve. Location: [#LOC]	\$1,479.00
4415-1119	4.5" Right Pump Panel Discharge with 4" Akron Valve Handwheel Control. Location: [#LOC].	\$4,838.00
4415-1120	5" Right Pump Panel Discharge with 5" Akron Valve Handwheel Control	\$5,438.00
4415-1121	2.5" Crosslay Akron Manual w/3" Akron Valve, 3" plumbing to the 2.5" swivel. Location: [#LOC].	\$1,950.00
4415-1122	4" Waterway Discharge Akron Valve with Trident Handwheel Control.	\$4,144.00
4415-1123	4" Pump Panel Discharge Akron Valve with Trident Handwheel Control. (Waterous pumps noted location to be forward lower port.) Location: [#LOC].	\$4,143.00
4417-0025	Valve, quarter turn bleeder installed on [#LOC].	\$136.00
4417-0026	Automatic drain valve. For: [#LOC].	\$86.00
4417-0030	Monitor Akron 3578 Electric 2000.	\$10,533.00
4417-0031	Monitor Akron 3570 Manual 2000	\$3,863.00
4417-0032	Monitor Scorpion wireless RF radio 2000 GPM	\$11,821.00
4417-0042	An Akron tether remote control kit with a 30` cable shall be provided for an Akron monitor. Plug for the remote control to be located: [#LOC].	\$1,190.00
4417-0054	Preconnect extension (Each). The front hosebed preconnect to be extended to the rear of the hosebed area. Includes smooth plate cover. Location: [#LOC]	\$432.00
4417-0055	"Superior" style cable controls for top mount.	\$213.00
4417-0058	Quarter turn bleeder drain valve plumbed to: [#LOC].	\$0.00
4417-0061	All 2.5" discharge(s) to have a 2.5" Swivel FNST X 2.5 male New York Corp threads elbow adapter with cap.	\$212.00
4417-0062	Class 1 Cable Style Controls for Top Mount Discharges and Intakes.	\$142.00
4417-0063	Class 1 air operated drains (upgrade) for all discharges and intakes. Includes switch on pump panel for each valve.	\$133.00
4417-0067	Monitor 4" TFT Monsoon Manual with TFT Master Stream 2000 gpm manual Nozzle.	\$6,889.00
4417-0070	Push-Pull "T" handle controls.	\$0.00
4417-0075	Monitor 4" TFT Monsoon Electric with TFT Master Stream 2000 gpm electric Nozzle. Include panel mount and hand held Remote.	\$15,557.00
4417-0077	Adapter 3" FNST x 3.5" MNST with Cap.	\$254.00
4417-0079	9304 Akron Navitgator electric valve control. Location: All electric discharge valves IPOS.	\$640.00
4417-0080	All 1.5" Threads to be IPT threads	\$75.00

Option No.	Description	PRICE
4417-0081	Vented caps and plugs for all discharges/intakes.	\$623.00
4417-0088	Bleeder drain valve plumbed to: [#LOC].	\$124.00
4417-0089	Lift lever quarter turn bleeder valve. Plumbed for use with: [#LOC].	\$0.00
4417-0090	Additional control for deck gun electric valve locate adjacent to the discharge outlet.	\$1,846.00
4417-0095	Monitor and Reel kit. Includes (1) Akron FireFox remote control monitor. Located above pump area with joystick controller at cab console and (1) Booster Reel with a capacity for 200' of 1" (not included). Includes aluminum plate enclosure with easily accessible rewind switch, rollers and air blow-out. Locate officer side lower pump area. For use with AP or MBP pumps.	\$12,729.00
4417-0096	Monitor and Reel kit. Includes (1) Akron FireFox remote control monitor. Located above pump area with joystick controller at cab console and (1) Booster Reel with a capacity for 200' of 1" (not included). Includes aluminum plate enclosure with easily accessible rewind switch, rollers and air blow-out. Locate officer side lower pump area. For use with DSD pump.	\$12,729.00
4417-0097	Innovative Controls Push/Pull Valve Control Handles IPOS.	\$54.00
4417-0098	Monitor in stowed position to be flush with top of hosebed cover.	\$0.00
4417-0101	Automatic drain valve. For: [#LOC].	\$0.00
4417-0106	Deck gun piping to be positioned [#LOC].	\$0.00
4417-0112	Willams Hydro Chem 1 X 3 Ranger 3 Monitor Manual	\$28,597.00
4417-0113	Willams Hydro Foam 1 X 3 Ranger 3 Monitor Manual	\$31,464.00
4417-0115	Monitor 4" TFT Monsoon Electric with hand held Remote. Require Nozzle	\$13,440.00
4417-0120	Adapter Chrome Reducer 2.5"FNST x 1.5"MNST w/Cap. [#LOC].	\$102.00
4417-0121	Air blow-out for: Front Bumper Discharge. (NOT REQUIRE)	\$0.00
4417-0123	Monitor hand held remote control, in aluminium box to be located: [#LOC].	\$0.00
4417-0132	All Plumbing Valves Working Pressure to be at 250 psi.	\$0.00
4417-0135	Addition Automatic drain valve. For: front bumper discharge. Loction under front bumper at lowest point.	\$86.00
4417-0139	Dealer to install a second pre-connect. Locate 200' of 1 3/4" double jacketed hose on the top of the pump module. The pre-connect shall be fitted to the 4" right hand side discharge using a dealer supplied adapter.	\$0.00
4417-0140	Crosslay 1 valve control to be electric 9313 comtroller.	\$1,974.00
4417-0150	Manual override access hole to be supplied in officer's side pump panel to access the override on the 4" discharge .Wrench required for manual override shall be located in vicinity of access panel.	\$90.00
4417-0151	Location only. The front bumper 1.5" discharge shall be located down low centered on rear wall of front bumper tray.	\$0.00
4417-0152	All discharges 3" and below, and 2.5" intakes shall have Akron 8900 series valves with Fusion CF Composite ball.	\$222.00
4417-0154	Additional electric controller for discharge electric valve locate adjacent to the outlet. Locate.[#LOC].	\$1,846.00
4417-0156	Triple speedlay plumbing location (1) 1.5" and (1) 2.5" in lower storage area with 2.5" forward of the 1.5", and (1) 1.5" in upper storage area.	\$0.00
4417-0159	Monitor Scorpion 8294-02 Monitor w/2000 GPM Nozzle, and ST-195 stacked tips (tips shipped loose).	\$9,735.00
4417-0161	Air blow-out for: Front Bumper Discharge.	\$0.00
4417-0163	Additional control for deck gun valve handwheel control locate adjacent to discharge outlet. Hand wheel to be extended to top of pan.	\$1,533.00
4417-0166	Monitor 3" TFT Monsoon Electric with TFT Master Stream 1500 gpm electric Nozzle. Include panel mount and hand held Remote.	\$12,192.00

Option No.	Description	PRICE
4417-0169	Master gauges, discharge gauges and bleeder lines to have (NO LOOPS) to trap water.	\$0.00
4417-0174	CAFS Compressor "auto on".	\$145.00
4417-0175	Innovative Controls push/pull valve controls with locking T handles.	\$0.00
4417-0176	Innovative Controls 3/4" bleeder/drain valve include lift lever with ergonomic grip.	\$0.00
4417-0177	Innovative Controls 3/4" bleeder/drain valve include 1/4 turn T-handle.	\$0.00
4417-0181	Triple Speedlay Plumbing shall be (2) 1.5" plumbed to driver side and (1) 2.5" plumbed to officer side.	\$0.00
4417-0183	Monitor Scorpion 8294-02 Monitor w/2000gpm Nozzle.	\$9,516.00
4417-0185	Innovative Controls discharge and intake bezels with integral color code and verbiage for side mount pump panel.	\$518.00
4417-0186	Innovative Controls discharge and intake bezels with color code and verbiage for top mount pump panel.	\$333.00
4417-0187	Monitor Apollo Akron 3426 w/ Akron Nozzle 5160	\$2,511.00
4417-0192	Innovative Controls discharge and intake bezels with integral color code and verbiage for rear mount pump panel.	\$355.00
4417-0203	Innovative Controls discharge and intake bezels with integral color code and verbiage for AP50 pump.	\$129.00
4417-0204	Trident Hand Wheel Control.(In place of standard push/pull rod.): Location [#LOC].	\$1,077.00
4417-0206	Innovative Controls 3/4" Bleeder drain valve plumbed to: direct/inlet tank fill.	\$124.00
4417-0209	Monitor Akron 3480 Electric StreamMaster II with 5178 2000gpm electric nozzle.	\$13,167.00
4417-0214	Monitor Akron 3480 Electric StreamMaster II 2000gpm with 5178 nozzle. Include a panel mount control with stow, and hand held wireless remote control.	\$13,481.00
4417-0216	"Superior" style cable controls for side mount.	\$272.00
4417-0217	Innovative Controls 3/4" bleeder/drain valves located on bleeder panel inside L1 compartment.	\$0.00
4417-0224	Additional control for deck gun valve push/pull control locate adjacent to discharge outlet.	\$833.00
4417-0226	A sensor shall be located at the monitor that signals the door ajar light in the cab to indicate that the monitor is raised.	\$258.00
4417-0231	5" Officer side discharge shall be short enough to accommodate a 5" storz elbow adapter while still allowing room for roll up door.	\$0.00
4417-0232	CAFS Discharge electric valve controls shall be through the CAFS One Step display screen located at the pump panel operator. (IPOS manual control)	\$0.00
4417-0233	Monitor Akron 3483 Manual with 5160 nozzle.	\$6,583.00
4417-0234	Innovative Controls 3/4" bleeder/drain valve include 1/4 turn T-handle. Preconnect drain controls (X-Lay 1 & 2) located on the driver side of the pump enclosure. Remaining drains located where applicable.	\$0.00
4417-0238	Trident 6" Hand Wheel Control.(In place of standard push/pull rod.): Location [#LOC].	\$1,277.00
4417-0242	Trident 3/4" bleeder/drain valve include 1/4 turn rectangular chrome plated brass handle.	\$25.00
4417-0243	Monitor Akron 3482 Electric with a 5177 1250gpm nozzle. Include panel mount control.	\$10,083.00
4420-0003	Winch system manual propellant bottle lift.	\$3,037.00
4420-0053	Driver and officer side tank dumps. Electric actuated dump valve includes 18" electric telescopic extension and switch. Stainless steel valve and extension.	\$5,711.00
4430-0008	Advent 30 Foam System for a Single Foam Tank	\$21,401.00
4430-0009	Advent 60 Foam System for a Single Foam Tank	\$25,441.00
4430-0010	Advent 120 Foam System A and B Type	\$32,630.00
4430-0011	1600 Rockwood Around The Pump Foam System	\$4,494.00

Option No.	Description	PRICE
4430-0013	Williams 1500 Around-The-Pump foam system.	\$7,626.00
4430-0014	Hale 2.1A FoamLogix foam system.	\$7,575.00
4430-0015	Hale 3.3 FoamLogix foam system.	\$16,092.00
4430-0016	5.0 Hale FoamLogix Foam System.	\$18,142.00
4430-0017	400 Rockwood around the pump foam system.	\$3,385.00
4430-0018	1600 Hypro/FoamPro foam system.	\$8,787.00
4430-0019	2001 Hypro/FoamPro foam system.	\$14,271.00
4430-0020	2002 Hypro/FoamPro foam system.	\$18,190.00
4430-0021	Around The Pump Multi-Metering Foam System	\$7,584.00
4430-0022	Hot Shot II 150 Foam System.	\$54,840.00
4430-0023	Hot Shot II 300 Foam System	\$58,353.00
4430-0024	Hot Shot I 150 Foam System	\$44,406.00
4430-0025	Hot Shot I 300 Foam System	\$68,953.00
4430-0031	Eclipse Compressed Air Foam System 1000 GPM Manifold w/2002 FoamPro.	\$84,901.00
4430-0032	CAFSPRO with 2.1 Foam Logix Compressed Air Foam System with 750gpm Manifold	\$50,631.00
4430-0039	Eclipse Compressed Air Foam System 500 GPM Manifold w/2001 FoamPro	\$79,169.00
4430-0041	WATP 500 A/B Foam System Include 1.5" Foam pick up.	\$10,429.00
4430-0042	Advent 12 Foam System for a Single Foam Tank	\$21,179.00
4430-0043	Advent 12 Dual Foam System for Dual Foam Tanks	\$23,252.00
4430-0045	95 GPM Akron Foam Eductor. Location: [#LOC].	\$2,326.00
4430-0046	125 GPM Elkhart Foam Eductor Location: [#LOC]	\$2,900.00
4430-0047	125 GPM Akron foam eductor. Location: [#LOC].	\$2,657.00
4430-0048	95 GPM Elkhart Foam Eductor Location: [#LOC]	\$2,646.00
4430-0050	Dealer installed foam system.	\$0.00
4430-0051	Advent 30 Dual Foam System for Dual Foam Tanks	\$26,316.00
4430-0052	CAFSPRO with 3.3 Foam Logix Compressed Air Foam System with 750gpm Manifold	\$63,898.00
4430-0053	CAFSPRO with 5.0 Foam Logix Compressed Air Foam System with 750gpm Manifold	\$64,984.00
4430-0054	Foam system, an around the pump multi-metering, proportioning 3 percent.	\$7,292.00
4430-0055	Foam system, an around the pump multi-metering, proportioning 6 percent.	\$7,292.00
4430-0056	125 GPM Elkhart Foam Eductor w/air actuated foam valve Location: [#LOC]	\$3,500.00
4430-0057	125 GPM Akron Foam Eductor w/air actuated foam valve. Location: [#LOC].	\$3,115.00
4430-0058	Hot Shift Clutch - Required with CAFS system	\$3,171.00
4430-0059	Eclipse Compressed Air Foam System 500 GPM Manifold w/2002 FoamPro.	\$83,089.00
4430-0060	CAFSPRO 5.0 FoamLogix Compressed Air Foam System with 1000 GPM manifold.	\$66,747.00
4430-0061	FoamPro 3012 foam system, hydraulics PTO driven.	\$24,202.00
4430-0062	Advent 120 Foam System single	\$29,902.00
4430-0063	FoamPro 3040D Foam System with elect/hyd drive.	\$41,902.00

Option No.	Description	PRICE
4430-0064	Locate Foam Pro unit in walkway compartment on officers side. Make cut-out in rearward side of compartment so foam pump will protrude into pump compartment. Includes small access door in pump panel for acces to calibration valve.	\$0.00
4430-0066	Foam Tank To Pump 1" Air/Act for Dealer install foam system.	\$887.00
4430-0070	125 GPM Akron Simple Apparatus Foam System	\$1,690.00
4430-0071	1500V Williams A/B Around The Pump foam system. Include A/B tanks control.	\$9,382.00
4430-0072	Foam System to be located in pump module area and provide foam capability for up to (6) discharges. The (6) discharges with foam capability (applicable only as optioned) are: (2) crosslays or speedlays (as applicable), (1) front bumper jump line, (2) booster reels and (1) officer side rear body discharge or additional crosslay.	\$0.00
4430-0075	2.0 Feecon Around The Pump Foam System	\$4,701.00
4430-0076	Eclipse Waterous Compressed Air Foam System 1000 GPM Manifold.	\$66,715.00
4430-0077	Waterous Advantus 6.0 Foam System	\$20,417.00
4430-0078	Classic 140 Compressed Air Foam System. Shall include (5) Discharge outlets (1) 2.5" Left Hosebed Preconnect Discharge, (2) 1.5" Crosslay outlets, and (2) booster reels.	\$44,321.00
4430-0079	The foam system performance shall be tested and certified in compliance with the applicable NFPA 1901 requirements.	\$306.00
4430-0080	The balanced pressure foam system performance shall be tested and certified in compliance with 2009 NFPA 1901.	\$609.00
4430-0081	1500 Williams Around The Pump Foam System Up Graded to 2000gpm at 3%	\$2,975.00
4430-0085	Classic 140 Compressed Air Foam System.	\$25,171.00
4430-0086	1.0 Feecon Around The Pump Foam System Preset at 3% Class B Foam. (For Pump&Roll with PortablePump)	\$4,203.00
4430-0087	Advent 60 Foam System for a dual Foam Tank.	\$31,025.00
4430-0088	Willams Foam System around the pump Multi-Metering Valve - 1%, 3% and 6%.	\$20,727.00
4430-0089	The main pump manifold to have water loop for dealer installed foam system (Class A Foam System) to noted preconnects/discharges	\$788.00
4430-0090	Hot Shot II 160-348 High Pressure Foam System.	\$62,486.00
4430-0091	FoamPro 1600 Foam System. Provides foam for (2) 1.5" Double Crosslay, and Booster Reel. Include FoamPro Remote start control in cab center console. Locate foam system in the L1 compartment on the shelf.	\$14,785.00
4430-0092	Hot Shot II 160-348 High Pressure foam pump test of 140 gpm at 250 psi.	\$0.00
4430-0093	Venom 5.0 Hypro/Foam Pro Foam System.	\$18,651.00
4430-0094	Advent 12 Elecrict (230) Dual Foam System for Dual Foam Tanks	\$26,450.00
4430-0095	Foam System to be located in pump module area and provide foam capability for up to (6) discharges. The (6) discharges with foam capablity (applicable only as optioned) are: (2) crosslays or speedlays (as applicable), (1) front bumper jump line, (2) booster reels and (1) driver side rear body discharge or additional crosslay.	\$0.00
4430-0096	Hale 2.1A Foam System. Provides foam for up to (4) discharges: 1.5" Double Crosslay or Speedlay (as applicable), and the following discharges if optioned: 1.5" Frt Bumper and Booster Reel.	\$5,436.00
4430-0097	Dealer installed foam system. Final manifold/discharge configuration to be defined by foam system application installed at/by dealer.	\$1,386.00
4430-0098	Hale 2.1A Foam System. Provides foam for up to (4) discharges: 1.5" Double Crosslay or Speedlay (as applicable), and the following discharges if optioned: 1.5" Frt Bumper and Booster Reel.	\$5,546.00

Option No.	Description	PRICE
4430-0099	Hale 2.1A Foam System. Provides foam for up to (4) discharges: 1.5" Double Crosslay or Speedlay (as applicable), and the following discharges if optioned: 1.5" Frt Bumper and Booster Reel.	\$5,546.00
4430-0100	Foam ready system. Final manifold/discharge configuration to be defined by foam system application installed at/by dealer.	\$1,386.00
4430-0102	The foam system performance shall be tested in compliance with 2003 NFPA 1901.	\$0.00
4430-0103	Advent 120 Foam System. For use with dual foam cell applications.	\$36,430.00
4430-0104	Advent 120 Foam System. For use with single foam cell application.	\$33,076.00
4430-0105	Advent 160 Foam System. For use with dual foam cell applications.	\$39,837.00
4430-0106	Advent 160 Foam System. For use with single foam cell application.	\$34,607.00
4430-0107	WATP 500 B Foam System. Includes 1.5" Foam pick-up.	\$8,773.00
4430-0108	FRC MFA200 Class A around the pump foam system.	\$2,784.00
4430-0109	Waterous Advantus 3.0 foam system.	\$14,846.00
4430-0110	Hot Shot II 300/372 HD Foam System. Relief Valve set pressure at 275 psi. Edwards pump HDF 300-372 with Muncie PTO CS10-A1006Hot Shot II 300 Foam System. The foam pump shall flow 250gpm at 250 psi. Include (2) 3" intake one left, and one right side.	\$62,527.00
4430-0111	Ultra high pressure system with 150' hose reel,high pressure hose with nozzle. Plumb to water and foam tank. The system range will be 19-21 gpm @ 1400psi with a 20hp Honda engine. The system shall be located in R3 compartment with the reel in L3 compartment.	\$38,336.00
4430-0112	125 GPM Akron Foam Eductor w/manual panel mount 1/4 turn foam valves (1) for A tank, and (1) for B tank. Location: [#LOC]	\$3,444.00
4430-0113	The foam system shall be factory tested at, minimum, maximum, and midrange.	\$306.00
4430-0114	Eclipse Compressed Air Foam System 3" Manifold w/Advantus 6.0 Foam system.	\$78,473.00
4430-0115	125 GPM Akron foam eductor system with air actuation for both foam eductor and foam supply valve. Location: [#LOC].	\$3,910.00
4430-0116	FoamPro 3040 Foam System hyd drive. (FoamPro Low Flow 130gpm at 3%)	\$41,514.00
4430-0117	1500V Williams A/B Around The Pump Foam System with Single Tank and Aux Pickup to be use for Class A or Class B foam inlet.	\$9,966.00
4430-0118	FoamPro AccuMax 3040 Foam System hyd drive with Multi-Piont Injection, and low flow option.	\$41,514.00
4430-0119	FoamPro AccuMax 3040 Foam System hyd drive with Multi-Piont Injection, and low flow option.	\$41,926.00
4430-0120	1500V Williams Manual A/B Around The Pump foam system with pickup. Include manual A/B tanks control with manual .75 flush valve.	\$9,438.00
4430-0121	Ultra high pressure system with 150' hose reel,high pressure hose with nozzle. Plumb to water and foam tank. The system shall be located in R3 compartment with the reel in L3 compartment.	\$45,096.00
4430-0122	1601 Hypro/FoamPro foam system.	\$8,045.00
4430-0123	FoamPro AccuMax 3060 Foam System hyd drive with Multi-Piont Injection, Manual Override, and low flow option. Includes "Auto-Start" system.	\$64,225.00
4430-0124	Pneumax 140-SP Silver Compressed Air Foam System to be used on Ford F550 chassis and driven off the Hale DSD Pump. Requires special DSD pump with PTO Bore and SAE "B" hydraulic drive splined.	\$26,062.00
4430-0125	Hot Shot II 300 Foam System. With a Fire Lion FP4 bonze pump.	\$58,353.00
4430-0126	Foam System to be located in pump module area and provide foam capability for up to (6) discharges. The (6) discharges with foam capability (applicable only as optioned) are: (2) crosslays or speedlays (as applicable), (1) front bumper jump line, (2) booster reels and (1) driver side forward hosebed preconnect.	\$0.00

Option No.	Description	PRICE
4430-0127	95 GPM Akron Foam Eductor Air Actuated. Location: [#LOC]	\$3,076.00
4430-0128	Hale SmartCAFS 5.0 FoamLogix Compressed Air Foam System with 1000 GPM manifold.	\$66,231.00
4430-0129	PyroBlitz Models B2000M-P PTO Ultra high pressure system with 150' hose reel,high pressure hose with PyroBlitz nozzle. Plumb to water and foam tank. Location; [#LOC]	\$47,069.00
4430-0130	Waterous 200-P PTO Platinum Compressed Air Foam System	\$29,589.00
4430-0131	Waterous 140-P PTO Platinum Compressed Air Foam System	\$28,855.00
4430-0132	Waterous 80-P PTO Platinum Compressed Air Foam System	\$22,037.00
4430-0133	Darley 150 ODIN Compressed Air Foam System.	\$21,492.00
4430-0134	FoamPro 2002ELECT/3060HYD Foam System. FoamPro 2002 system for Class A low flow, and 3060 system for high flow Class B faom. (HILLSBOROUGH COUNTY)	\$52,193.00
4430-0135	125 GPM Akron Foam Eductor w/manual panel mount 1/4 turn foam valves. Include push/pull, or lever for foam eductor Location: [#LOC]	\$3,230.00
4430-0136	Darley 150-PTO Compressed Air Foam System	\$27,320.00
4430-0137	95 GPM Akron Foam Eductor Air Actuated. Plumb to both 1.5" preconnects.	\$3,076.00
4430-0138	2001 Hypro/FoamPro foam system with remote foam control installed in the cab in additional to operators panel. Wildland	\$15,878.00
4430-0139	95 GPM Akron Foam Eductor w/air actuated foam valve. Location: [#LOC].	\$3,076.00
4430-0140	Williams 1500 Around-The-Pump foam system. Include air actuated aux foam inlet valve IPOS control at operator panel.	\$7,883.00
4430-0141	Pyrolance Model B 200 M-G gasoline engine driven ultra high pressure system with 150' lenght of 3/4" hose, with ultra high pressure pistol grip fog nozzle. Include plumbing to water and foam tank.	\$40,108.00
4430-0142	Advent 30 Foam System for a Single Foam Tank	\$33,534.00
4430-0143	Pyrolance Model B2000M-P PTO Ultra high pressure system with 150' hose reel, high pressure hose with PyroBlitz nozzle. Plumb to water and foam tank. Location: Pump in L1 and hose reel in L3.	\$48,482.00
4430-0144	1.5 Feecon Around The Pump Foam System	\$8,688.00
4430-0145	FRC TurboFoam TFC400 foam system. Include FRC A/B Electric Selector.	\$21,509.00
4430-0146	60 Gal. Horizontal Component SUPER CAFS. System to have a electrically operated activation valve that is activated by a switch with a red guarded cover in the driver lower dash panel. System to be plumbed to a 1.5" discharge located in the Officer side bumper tray. Location; Foam tank in L2 and R2 compressed bottle under ladder in open storage area. All valves and discharges on the drivers side of the unit accessible in L1 fill to located on driver side of unit. To include 1520 Akron Saberjet 1.5" nozzle with pistol grip.	\$35,592.00
4430-0147	Waterous One Step Compressed Air Foam System with Advantus 3.0 foam system.	\$92,828.00
4430-0148	FoamPro Turbo Ultra High Pressure foam system with a Dual-Action spray gun. Include booster reel model E1520-17-18 with 100' of 5/8" high pressure hose. Location L1.	\$8,383.00
4430-0149	125 GPM Akron foam eductor system with air actuation foam eductor. Location: [#LOC].	\$3,796.00
4432-0002	Akron 5070 Manual 2000 GPM Nozzle	\$1,881.00
4432-0003	Elkhart SM2000 Electric Nozzle	\$2,431.00
4432-0009	Hot Shot Ratio Controller 2" Discharge. Plumbed to: [#LOC].	\$2,241.00
4432-0010	Hot Shot Ratio Controller 2.5" Discharge. Plumbed to: [#LOC].	\$2,306.00

Option No.	Description	PRICE
4432-0011	Hot Shot Ratio Controller 3" Discharge. Plumbed to: [#LOC].	\$2,380.00
4432-0012	Advent Ratio Controller 2" Discharge. Plumbed to: [#LOC]	\$1,834.00
4432-0013	Advent Ratio Controller 2.5" Discharge. Plumbed to: [#LOC]	\$1,837.00
4432-0014	Advent Ratio Controller 3" Discharge. Plumbed to: [#LOC]	\$1,865.00
4432-0015	Advent Ratio Controller 4" Discharge. Plumbed to: [#LOC]	\$2,066.00
4432-0016	Advent Ratio Controller 5" Discharge. Plumbed to: [#LOC]	\$3,766.00
4432-0017	Advent Ratio Controller 6" Discharge. Plumbed to: [#LOC]	\$3,865.00
4432-0018	Advent Ratio Controller 8" Discharge. Plumbed to: [#LOC]	\$7,494.00
4432-0019	Foam Pro Remote Start Switch	\$744.00
4432-0020	Eclipse 1.5"/3.0" Compressed Air Foam System Discharge Kit. Location: [#LOC].	\$24.00
4432-0021	Darley ODIN Remote Start Switch	\$4,388.00
4432-0022	1.5" Compressed Air Foam System Discharge Kit Location: [#LOC]	\$358.00
4432-0023	2.0" Compressed Air Foam System Discharge Kit. Location: [#LOC].	\$361.00
4432-0024	2.5" Compressed Air Foam System Discharge Kit. Location: [#LOC].	\$364.00
4432-0025	3.0" Compressed Air Foam System Discharge Kit Location: [#LOC]	\$407.00
4432-0026	3" Deck Gun Discharge Eclipse Compressed Air Foam System	\$3,978.00
4432-0027	3" Deck Gun Compressed Air Foam System	\$4,321.00
4432-0029	5" Discharge Right Pump Panel Hot Shot System	\$6,428.00
4432-0030	6" Discharge Right Pump Panel Hot Shot System	\$6,720.00
4432-0031	6" Discharge Right Pump Panel Hot Shot Electric	\$8,149.00
4432-0032	4" Discharge Rear Hot Shot Electric	\$6,103.00
4432-0033	4" Discharge Rear Hot Shot Hydraulic	\$6,220.00
4432-0034	5" Discharge Rear Hot Shot Hydraulic	\$9,504.00
4432-0035	5" Discharge Rear Hot Shot Electric	\$6,760.00
4432-0036	A/B Hypro/FoamPro manual foam selector.	\$2,400.00
4432-0037	A/B Class 1 manual foam selector.	\$3,465.00
4432-0038	Monitor/Nozzle Combination Hydro Foam/Ranger3 Radio Remote Controlled. Paint Monitor color: [#COL]	\$71,165.00
4432-0039	Monitor/Noz 1x4 Hydro Foam 3-6%. Paint Monitor: [#COL]	\$87,468.00
4432-0040	Monitor/Nozzle Combination Hydro Chem Ranger3. Paint Monitor:[#COL]	\$70,688.00
4432-0045	Hot Shift Clutch	\$3,265.00
4432-0051	15 GPM 24 VDC foam transfer pump, mounted in vehicle body and switch operated from driver's side pump panel.	\$2,611.00
4432-0052	Remote foam tank fill, FoamPro's "Power Fill".	\$628.00
4432-0053	Foam system plumbed to [#LOC].	\$0.00
4432-0054	Akron Quick Disconnect Foam Pickup Tube on Driver's Side Pump Panel for Eductor. Located on: [#LOC].	\$504.00
4432-0055	Elkhart Quick Disconnect Foam Pickup Tube on Driver's Side Pump Panel for Eductor Located on: [#LOC]	\$716.00
4432-0056	Hale EZ-Fill foam system for a single foam tank. Includes clear hose wand (shipped loose). Controller and connection port located [#LOC].	\$2,949.00

Option No.	Description	PRICE
4432-0057	Hale EZ-Fill foam system for dual foam tank. Includes clear hose wand (ship loose). Controller and connection port located [#LOC].	\$3,327.00
4432-0058	Akron quick-disconnect foam pickup tube on officer's side pump panel for eductor. Located on: [#LOC].	\$504.00
4432-0059	Elkhart Quick Disconnect Foam Pickup Tube on Officer's Side Pump Panel for Eductor Located on: [#LOC]	\$716.00
4432-0060	Label for ATP foam systems.	\$37.00
4432-0061	FoamPro foam system refill. Includes clear hose wand (ship loose). Controller and connection port located [#LOC].	\$3,333.00
4432-0063	Hale FoamLogix air actuated A/B selector.	\$3,921.00
4432-0064	Hypro FoamPro electric actuated A/B selector.	\$3,680.00
4432-0065	3" Deck Gun CAFSPRO Compressed Air Foam System.	\$6,891.00
4432-0066	Additional 3/4" Foam Tank Valve for 95 Eductor and Dual Foam Cells	\$486.00
4432-0067	CAFS System Plumbed to [#LOC].	\$0.00
4432-0069	Monitor/Noz 1x4 Hydro Foam 1-3%. Paint Monitor: [#COL]	\$87,468.00
4432-0070	Hot Shot Ratio Controller 4" Discharge. Plumbed to: [#LOC].	\$3,175.00
4432-0071	Foam Pickup 2" on Driver's Side Pump Panel for 3040D Foam System with Pickup Tube.(Montreal only)	\$1,167.00
4432-0072	Foam Tank Fill 1.5" Air Act for a 3040D Foam System.(Montreal only)	\$673.00
4432-0073	Foam Fill Connection Provide a 1.5" FNST tank fill connection for each tank with rocker lug plug, and a replaceable .25" mesh strainer on the left pump panel within easy reach of the ground, Install a check valve to prevent foam loss during hose connection, also install a 1/4" turn drain valve plumbed from inboard side of check valve so line can be drained.	\$708.00
4432-0074	.375 Foam Manifold Drain	\$142.00
4432-0075	FoamPro Advanced Digital Controller "auto start".	\$145.00
4432-0076	Foam Pickup 2" on Officer's Side Pump Panel for 3040D Foam System with Pickup Tube.(Montreal only)	\$1,167.00
4432-0077	Foam Pickup 10 feet with 1.0 PVC Clear Spiraflex Hose IPOS	\$254.00
4432-0078	Foam tank drain plumbed to side panel with valve and 3/4" male garden hose connection. To allow filling of remote foam unit and pails from tank.	\$911.00
4432-0079	A/B Class 1 Manual Foam Selector	\$3,465.00
4432-0080	Special CAFS/FOAM Manifold for (4) preconnects, Deck Gun, and 3" Right Rear discharge.	\$6,371.00
4432-0081	Special FOAM 5" Manifold for All Discharge Outlets To Have Foam.	\$0.00
4432-0082	Foam Pickup 2" on Side Pump Panel. With Manual valve and Pickup Tube.	\$848.00
4432-0083	Deck Gun Foam Tank To Pump Connection Provide a Manual 1.5" Valve Locate Next to Deck gun outlet.	\$850.00
4432-0084	FoamPro Calibration to be in Liters Per Minutes IPO Gallon Per Minutes	\$0.00
4432-0085	CAFS to be provided on the following preconnects: Preconnect #1 and Preconnect #2.	\$853.00
4432-0086	CAFS to be provided on the following additional preconnect: Preconnect #3 or Officer side rear/hosebed discharge.	\$428.00
4432-0087	CAFS to be provided on the following additional discharge: Front jumpline.	\$428.00
4432-0088	5" Discharge Right Side Electric Valve W/Ratio Controler for Hot Shot II System. Location: [#LOC]	\$6,715.00
4432-0089	CAFS Manual Air Valve to be .3/4" Valve in place of standard.	\$147.00
4432-0090	CAFS/Foam System Operation Label "Operate only (2) 1 3/4" Discharges or (1) 2 1/2" at a time"	\$194.00
4432-0091	Special design 5" foam/water manifold with check valves.	\$4,056.00
4432-0092	FoamPro Remote Start/Stop in cab.MultiFlo Interface, and Dual Injection control located on operator panel.	\$7,489.00

Option No.	Description	PRICE
4432-0093	Hot Shot Ratio Controller 5". Plumbed to: [#LOC].	\$3,236.00
4432-0094	Waterous Electric Actuated A/B Selector.	\$3,521.00
4432-0095	Foam ready Manifold for a Hale Foam Logix or a Foam Pro system- plumbed to front jumpline , 3 speedlays and right rear discharge.W/3" plumbing	\$2,080.00
4432-0096	Hale Foam Logix Remote Start Switch	\$784.00
4432-0097	.75" Foam Manifold Drain with 1/4 turn valve.	\$486.00
4432-0098	Eclipse Waterous TC20 T-Case W/Compressed Air Foam System. For a S100D Waterous pump.	\$56,217.00
4432-0099	Foam System Plumbed to [#LOC].	\$319.00
4432-0100	2.0" Compressed Air Foam System Discharge Kit with Electric actuated 1/2" valve. Location: [#LOC].	\$396.00
4432-0101	2.5" Compressed Air Foam System Discharge Kit with Electric actuated 3/4" valve. Location: [#LOC].	\$400.00
4432-0102	Foam Transfer 12 Volt Pump, mounted in vehicle body to unload foam or tranfer to another truck and switch operated from Driver's side pump panel.	\$2,280.00
4432-0103	Foam system to only be connected with the "A" foam cell. Dealership to work "B" foam cell application once unit is shipped to dealership. No foam level gauge provided for "B" tank.	\$455.00
4432-0104	Hale Manual Single Foam Flush System.	\$1,227.00
4432-0105	A/B Foam Selector locate Driver side walk way recess in box on diamond plate panel at front of module.	\$185.00
4432-0106	15 GPM 12 volt Foam Transfer Pump, mounted in vehicle body and switch operated from Officer's side pump panel.	\$2,285.00
4432-0107	5" Discharge Right Side Electric Valve W/Ratio Controler for Hot Shot II System. Include Adjustable metering valve Location: [#LOC]	\$6,715.00
4432-0108	Hot Shot Ratio Controller 5" Discharge with adjustable metering valve. Plumbed to: [#LOC]	\$3,236.00
4432-0109	Hot Shot Ratio Controller 3" Discharge with adjustable metering valve. Plumbed to: [#LOC]	\$2,380.00
4432-0110	Hot Shot Ratio Controller 2" Discharge with adjustable metering valve. Plumbed to: [#LOC]	\$2,241.00
4432-0111	Install Foam Percentage Rivets in metering valves Precentage Plate.	\$921.00
4432-0112	5" Discharge Right Side Electric Valve W/Ratio Controler for Hot Shot II System. Include metering valve Location: [#LOC]	\$6,715.00
4432-0113	Foam Intake Test Port Locate on the intake side of pump between the strainer and the pump, bulkhead fitting is to be on operator pump panel.	\$102.00
4432-0114	Foam testing. The foam system shall be calibrated for 1 X 3 Thunderstrom foam AR-AFFF concentrate. The foam propotioning system shall provide .25%, .5%, 1%, and 3% foam solutions within the allowable concentration ranges required in NFPA #1901. Each percentage shall be tested at a high and low flow and a revit shall be install at mid point..	\$2,185.00
4432-0115	Foam ready manifold for a Hale FoamLogix or a FoamPro system with 3" plumbing feeding the manifold so the dealer can install the Hale or FoamPro manifold.	\$926.00
4432-0116	Manual operated foam master drain. The foam master drain shall be clearly marked and placed in accessible location on the left jack leg cover.	\$0.00
4432-0117	1.5" FNST Hydro- Foam Aux Foam pickup. The 1.5" FNST foam inlet fitting shall be located on officer side pump panel with a electic over air control valve. And be control at the operator panel.	\$1,471.00
4432-0118	Foam Strainer Pump Panel Mount with 1" connection ports and 2.5" NST cap. (IPOS strainer for foam system.)	\$1,127.00
4432-0119	Foam Strainer Pump Panel Mount with 1" connection ports and 2.5" NST cap. (For Foam Refill)	\$1,127.00

Option No.	Description	PRICE
4432-0120	Special 5" FOAM Manifold for all discharge outlets to plumb to foam.	\$3,450.00
4432-0121	Foam Tank Supply/Flush 1" valves will be electric control operated through the V-MUX system. The flush valve to be located as close to foam tank supply valve as possible. A manual flush drain .75" valve will be located under the officer's side running board.	\$1,103.00
4432-0122	A 1.50" x 10' reinforced concentrate hose and stinger shall be provided with NST threads to connect to the foam inlet as (shipped loose) for auxiliary foam operations.	\$299.00
4432-0123	Eclipse 1.5"/3.0" Compressed Air Foam System Discharge Kit Location: [#LOC]	\$571.00
4432-0124	FoamPro Control head shall be mounted on a 6.625 X 5.375 Escutcheon Plate for access at the TM Control panel..	\$0.00
4432-0125	6" Ratio Controller for Hot Shot II System. Include metering valve. Location: [#LOC].	\$4,158.00
4432-0126	8" Ratio Controller for Hot Shot II System. Include metering valve. Location: [#LOC]	\$8,180.00
4432-0127	Williams 8" Ratio Controller for Deck Gun. Include 1% or 3% proportioning valves	\$8,180.00
4432-0128	Williams 8" Ratio Controller for Deck Gun. Include 3% or 6% proportioning valves.	\$8,180.00
4432-0129	Hot Shot Ratio Controller 5" Discharge. Plumbed to: [#LOC].	\$4,288.00
4432-0131	Foam Proportioning system shall be tested at 1% & 3% concentrate.	\$0.00
4432-0132	Foam Proportioning system shall be tested at 3% & 6% concentrate.	\$0.00
4432-0133	Foam Ready Manifold for dealer installed Hale FoamLogix or FoamPro system with 3" plumbing feeding the foam manifold.	\$0.00
4432-0134	Eclipse 1.5"/3.0" Compressed Air Foam System Discharge Kit. Location: [#LOC].	\$319.00
4432-0135	CAFS Audible w/light Low Air Alarm shall be tied into the CAFS air system. If it drop below 90PSI the alarm activate.	\$380.00
4432-0137	Hot Shot Ratio Controller 6" Discharge with adjustable metering valve. Plumbed to: [#LOC]	\$4,484.00
4432-0138	Hot Shot Ratio Controller 2.5" Discharge with adjustable metering valve. Plumbed to: [#LOC]	\$3,226.00
4432-0139	FT-550 Foam Refill System, Wildland	\$1,837.00
4432-0141	Foam System Plumbed to all 2" & smaller and RS 2.5". Wildland	\$0.00
4432-0142	CAFS Foam System Plumbing package, Wildland	\$0.00
4432-0143	FoamPro Percentage Default to be Perset at .4%	\$0.00
4432-0144	Foam ready Manifold for a Hale Foam Logix or a Foam Pro system- plumbed to Crosslay #1, Driver side 2.5" discharge, Hose reel, and (1) 2.5" outlet for dealer install bumper monitor. W/3" plumbing	\$2,300.00
4432-0145	Special CAFS/FOAM Manifold for (2) speedlays, left, and right front hosebed to have CAFS.	\$242.00
4432-0146	Monitor/Noz 1x4 Hydro Foam 1-3%. Paint Monitor: [#COL]	\$78,728.00
4432-0147	Eco-Logic foam test system integrated into the standard plumbing to allow foam testing without the use of foam.	\$9,301.00
4432-0149	Williams 2X5 Ambassador Hydro Chem Radio Remote Controlled Monitor. (To be Painted Body Color)	\$78,728.00
4432-0150	Foam testing. The foam system shall be test at 1%,3%, and 6%.	\$1,404.00
4432-0151	FoamPro aux foam fill kit. Include check valve, level sensor, placard and camlok connection.	\$779.00
4432-0152	1.5" Foam Tank to pump Electric/Air Actuated. With a guard switch cover adjacent to the foam control display.	\$1,083.00
4432-0153	CAFS system water drain shall be extended out to pump panel.	\$247.00
4432-0154	Hot Shot Ratio Controller 2" Discharge. With metering valve for A&B Foam system Plumbed to: [#LOC].	\$2,340.00
4432-0155	Hot Shot Ratio Controller 2.5" Discharge. With metering valve for A&B Foam system Plumbed to: [#LOC].	\$2,409.00
4432-0156	Hot Shot Ratio Controller 5" Discharge. Include metering valve for A&B Foam system Plumbed to: [#LOC]	\$4,442.00
4432-0157	Hot Shot Ratio Controller 6" Discharge. Includes metering valve for A&B Foam system. Plumbed to: [#LOC].	\$4,309.00

Option No.	Description	PRICE
4432-0158	Williams Hot Shot II 160 Dual 2.5" Foam Tank To Pump Controls A/B Selector.	\$8,706.00
4432-0159	CAFs system drains shall be extended to the officer's side pump panel area.	\$371.00
4432-0160	3" Compressed Air Foam System Discharge Kit with Electric actuated 3/4" valve. Location: [#LOC]	\$462.00
4432-0161	1.5" Compressed Air Foam System Discharge Kit with Electric actuated 1/2" valve. Location: [#LOC]	\$395.00
4432-0162	6" High Flow Ratio Controller for Hot Shot II System. Includes metering valve. Location: [#LOC].	\$4,157.00
4432-0163	1.5" Foam Tank to pump Air Actuated. With a guard switch cover adjacent to the foam control display.	\$1,082.00
4432-0164	Waterous Electric Actuated A/B Selector. A to be plumb to the foam tank, and B to be plumb to the left pump panel for an aux foam pick-up.	\$3,521.00
4432-0165	Special design foam/water manifold to allow dealer supplied foam system to be plumbed to crosslay 1, crosslay 2 and rear discharge so they are foam ready.	\$4,056.00
4432-0166	Special design 4" foam manifold with check valve to prevent foam from back flowing into the water pump. Include 4" Check valve with 4" plumbing, and drain.	\$1,778.00
4432-0167	FoamPro 1/2" Line Controller plumbed to [#LOC].	\$7,600.00
4432-0168	Auto on power-up mode, which automatically come on with pump in gear.	\$145.00
4432-0169	Advent Ratio Controller 2" Discharge. Special Orifice size .10, .250, .500, 1.0, and 3.0% Plumbed to: [#LOC]	\$1,834.00
4432-0170	Advent Ratio Controller 2.5" Discharge. Special Orifice size .10, .250, .500, 1.0, and 3.0% Plumbed to: [#LOC]	\$1,837.00
4432-0171	Advent Ratio Controller 3" Discharge. Special Orifice size .10, .250, .500, 1.0, and 3.0% Plumbed to: [#LOC]	\$1,865.00
4432-0172	Advent Ratio Controller 4" Discharge. Special Orifice size .10, .250, .500, 1.0, and 3.0% Plumbed to: [#LOC]	\$2,066.00
4432-0173	An Elkhart quick-connect foam outlet with pick-up tube assembly permits foam from on-board tank supply or to a 5 gal. pails/buckets. For portable eductor. Install one on each side pump panel.	\$1,929.00
4432-0174	Foam system pump with cover to Located [#LOC].	\$0.00
4432-0175	Two hose bed and (3) crosslays will have a "T" with manual valve to terminate with NST male thread and cap inside module for foam testing.	\$9,066.00
4432-0176	A Elkhart quick-connect foam outlet with pick-up tube assembly permits foam from on-board tank supply or to a 5 gal. pails/buckets. For portable eductor. Location: [#LOC].	\$967.00
4432-0177	FoamPro 3/4" Line Controller plumbed to [#LOC].	\$7,600.00
4432-0178	Foam tank fill 1"electric line controllert for a foam system.	\$911.00
4432-0179	A Elkhart quick-connect, foam outlet with pick-up tube assembly permits foam from on-board tank supply or to a 5 gal. pails/buckets. For portable eductor. Location: [#LOC].	\$831.00
4432-0180	Foam Flush with 1/4" valve. Locate inside driver side upper pump access door, rearward.	\$486.00
4432-0181	Hinged aluminum treadplate switch guard for foam system air control Location on driver side lower pump panel.	\$124.00
4432-0182	Extended warranty for Waterous CAFS compressor - 4 Years in addition to the standard 1 year warranty (parts only).	\$2,755.00
4432-0183	Hinged stainless steel switch guard cover for foam system air control switch Location on pump operator panel.	\$124.00
4432-0184	Waterous Overboard pickup electric actuated selector. A to be plumb to the A foam tank, and B to be plumb to the left pump panel for an aux foam pick-up.	\$3,521.00
4432-0185	Foam Flush System.	\$117.00

Option No.	Description	PRICE
4432-0186	Addition Foam Flush System. A 3/4" valve with garden hose bib connection mounted in pump compartment (1) for 2002 and (1) for 3060 system. They will be plumb to the foam supply line for flushing of the system. A check valve prevents water from entering the foam tank when the system is being flushed.	\$448.00
4432-0187	Addition Foam Flush System. A 3/4" valve with garden hose bib connection mounted in pump compartment (1) for 2002 and (1) for 3060 system. They will be plumb to the foam supply line for flushing of the system. A check valve prevents water from entering the foam tank when the system is not being flushed.	\$448.00
4432-0188	Aux 2" foam system intake with swing handle. Locate to be driver side pump panel.	\$1,175.00
4432-0189	CAFS Compressor "Auto On".	\$145.00
4432-0190	.75" Foam Manifold Drain with lift lever 1/4 turn valve.	\$332.00
4432-0191	FoamPro off-board pickup. Includes clear hose wand (ship loose). Controller on operator panel and connection port located [#LOC].	\$3,520.00
4432-0192	Foam system maintenance valves between the foam tank fill, and tank to pump valve. Valves to be wire tied open.	\$1,286.00
4432-0193	Foam ready Manifold for a Hale Foam Logix or a Foam Pro system- plumbed to front jumpline , bottom 1.75" speedlay and officer side 2.5" discharge. W/3" plumbing.	\$2,080.00
4432-0194	Foam tank B plumb to foam outlet, Foam tank A plumb to FoamPro1600 system.	\$0.00
4432-0195	Class B foam cell shall only be plumbed to foam outlet.	\$0.00
4432-0196	A CAFS Compressor RPM interlock indicator light, and label shall be on the pump operator panel. Indicator light will come on when engine RPM is to high to engage CAFS PTO.	\$81.00
4432-0197	CAFS Foam System Plumbing package, Wildland	\$0.00
4432-0198	Dual discharge port "Y" togehter plumb to 4" foam loop feeding the foam manifold to prevent friction loss and to keep pump head pressure to a minimum.	\$155.00
4432-0199	Foam Metering valve shutoff. Each metering to have a electric/air foam shutoff valve control at pump operator panel in cab. A toggles switch with guarded cover and green indicator light for each valve.	\$4,158.00
4432-0200	Foam concentrate supply line. Fittings and hoses from the foam tank to the inlet of the foam pump must be supplied. Use 1-1/2" (38 mm)minimum inside diameter or larger clear suction hose.	\$0.00
4432-0201	Foam pump transfer breaker to be labeled with an embossed metallic tag fastened in place with stainless steel hardware.	\$0.00
4432-0202	Aluminum smooth plate bracket to be mounted in front of foam transfer pump to protect from road debris.	\$0.00
4432-0203	Foam tank B or foam pickup plumb to foam eductor, Foam tank A plumb to FoamPro, or FoamLogix system.	\$0.00
4432-0204	Tank to pump, Auto fill system, and pressure reading will be control in Hale SmartCAFS UltraView display.	\$0.00
4432-0205	Foam tank drain, and service valve to be remote mounted behind driver side pump access door.	\$0.00
4432-0206	ECO-Logic test port connection for use with cart style system.	\$0.00
4432-0207	Hale EZ-Fill foam system for a single foam tank with dual pickup (1) left, and (1) right pump panel. Includes clear hose wand (shipped loose). Controller to be located on left pump panel.	\$3,399.00
4432-0208	Foam tank B outlet valve shall have rubber hood latch as a secondary lock.	\$200.00
4432-0209	CAFS Discharge Addition activated switch with a red guarded cover Location: Officer side front bumper adjacent to discharge.	\$170.00
4432-0210	Extend CAFS refill to driver side in coffin compartment.	\$300.00
4432-0211	All foam service/drain valves to be brass, or stainless steel IPOS. No PVC valves to be used.	\$513.00

Option No.	Description	PRICE
4432-0212	Foam tank outlet 1.5" plumbed to pan. Include 1.5" valve manual control with cam-lock fitting and cap located in the pan off set to officer side rearward. (Dealer supply HYDRO foam nozzle.	\$1,131.00
4432-0213	300 GPM PTO Edwards foam transfer pump, mounted in pump compartment module and control from pump operator panel.	\$24,080.00
4435-0001	Class 1 Intelli-Tank water tank level gauge. On pump panel.	\$519.00
4435-0002	Class 1 Intelli-Tank foam tank level gauge. On pump panel.	\$536.00
4435-0003	Class 1 Intelli-Tank/Whelen 500 LED water tank level gauge package. Location of Whelen 500 tank level lights: [#LOC].	\$4,194.00
4435-0004	Sight Tube Water Tank Level Gauge. Located driver's side front of body.	\$534.00
4435-0005	Innovative Controls 5 Water Tank Level Gauge	\$488.00
4435-0006	Innovated Contols 5 Foam Tank Level Gauge	\$761.00
4435-0007	Class 1 Water Bar graph style Tank Level Gauge.	\$815.00
4435-0008	Class 1 foam Bar graph style Tank Level Gauge.	\$1,080.00
4435-0009	Fire Research TankVision model WL2600 Class A foam tank level gauge.	\$1,003.00
4435-0010	Fire Research TankVision model WL2000 water tank level gauge.	\$873.00
4435-0011	Fire Research TankVision model WL2700 B foam tank level gauge.	\$1,002.00
4435-0012	Pump overheat indicator.	\$386.00
4435-0013	4.5" Class 1 compound pressure gauge (30-0-600 PSI).	\$205.00
4435-0014	Dual Read 4.5" Pressure Gauge (30-0-600 psi/100-0-4000 KPA).	\$307.00
4435-0015	2.5" Class 1 compound pressure gauge (30-0-600). Discharge(s): [#LOC].	\$148.00
4435-0016	Dual Read 2.5" Pressure Gauge (30-0-600 psi/100-0-4000 KPA). Discharge: [#LOC].	\$208.00
4435-0018	Dual Read 3.5" Pressure Gauge (30-0-600 psi/100-0-4000 KPA). Discharge: [#LOC]	\$282.00
4435-0019	3.5" Class 1 compound pressure gauge (30-0-600). Discharge: [#LOC].	\$177.00
4435-0020	MC Products gauge heater line controls and strips for 4 gauges.	\$789.00
4435-0021	Gauge heater strips, additional (EA).	\$151.00
4435-0022	6" NoShok pressure gauge (30-0-600).	\$716.00
4435-0023	4" NoShok master pressure gauges (30-0-600).	\$219.00
4435-0024	6" Class 1 compound pressure gauge (30-0-600).	\$705.00
4435-0025	Flowminder Super System. Discharge: [#LOC].	\$2,912.00
4435-0026	Flowminder System. Discharge: [#LOC].	\$1,883.00
4435-0027	Flow Meter Value System. Discharge: [#LOC].	\$1,729.00
4435-0028	Gauges, secondary agent, propellant pressure 2.5", vessel pressure 2.5" shall be installed on [#LOC].	\$775.00
4435-0029	Agent 2.5" Pressure Gauge located on the dash.	\$393.00
4435-0030	Transmission temperature gauge.	\$267.00
4435-0031	Pump hourmeter on pump operator's panel.	\$166.00
4435-0033	Ammeter gauge on pump operator's panel.	\$303.00
4435-0034	Fuel level gauge on pump operator's panel.	\$366.00
4435-0035	Enfo III System on Pump Operator's Panel	\$1,104.00
4435-0036	Engine gauge package at the pump operator's panel.	\$765.00

Option No.	Description	PRICE
4435-0037	Engine Gauge Package for Mechanical Engines	\$783.00
4435-0038	Class 1 Engine Status Center on Pump Operator's Panel	\$1,812.00
4435-0039	Whelen 500LED Tank Level Gauge Package for Rear Mount	\$2,597.00
4435-0040	FRC Tachplus engine monitoring display.	\$1,486.00
4435-0047	Class 1 Intelli-Tank water tank level gauge, additional. Location: [#LOC].	\$596.00
4435-0049	Class 1 tank level water LED graph gauge, additional. Location: [#LOC].	\$815.00
4435-0050	FRC Tank Level Water TankVision Gauge, Additional. Location: [#LOC].	\$555.00
4435-0051	Innovated Controls 5 Light Tank Level Water Gauge Additional Location: [#LOC]	\$728.00
4435-0052	Class 1 Tank Level Water Mini Gauge Additional. Location: [#LOC].	\$545.00
4435-0053	FRC Tank Level Water TankVision model WLA205-A00 Mini Gauge. Location: [#LOC].	\$415.00
4435-0054	Innovative Controls 5 Light Tank Level Water Mini Gauge. Location: [#LOC].	\$569.00
4435-0055	Class 1 Tank Level Intelli Foam Gauge Additional. Location: [#LOC].	\$596.00
4435-0056	Class 1 Tank Level Foam Mini Gauge Additional Location: [#LOC]	\$545.00
4435-0057	FRC Tank Level A Foam Tank Vision model WLA265-A00 Mini Gauge, Additional. Location: [#LOC].	\$497.00
4435-0058	FRC Tank Level B Foam Tank Vision model WLA205-A00 Mini Gauge Location: [#LOC]	\$497.00
4435-0059	Innovated Controls Tank Level Foam Mini Gauge Additional Location: [#LOC]	\$569.00
4435-0063	Duplex Master Gauge for CAFS or Industrial Foam Systems.	\$551.00
4435-0064	FRC Insight Ultimate model FPA400 combination pressure/flow gauge. Location: [#LOC].	\$2,195.00
4435-0065	2.5" NoShok pressure gauge (30-0-600). For: [#LOC].	\$159.00
4435-0066	IC5/Whelen 500 Water Tank Level Gauge Package Location of Whelen 500 Tank Level Lights: [#LOC]	\$4,164.00
4435-0067	Class 1/Whelen PSTank Water Tank Level Gauge Package. Location of Whelen PSTank Strip-Lights: [#LOC].	\$1,976.00
4435-0068	IC5/Whelen PSTank Water Tank Level Gauge Package Location of Whelen PSTank Strip-Lights: [#LOC]	\$1,945.00
4435-0069	Class 1 ENFO IV system on pump operator's panel.	\$989.00
4435-0070	Fire Research TankVision model WL2600 Class A and WL2700 Class B foam tank level gauges.	\$1,998.00
4435-0071	FRC Tank Vision model WLA205-A00 Tank Level A and B Foam Gauges Location: [#LOC]	\$989.00
4435-0072	Fire Research Tank Vision Water Tank Level Gauge with Automatic Tank Filling System model ATA400 Location: [#LOC]	\$3,055.00
4435-0073	No foam level gauge(s) for foam cell(s). Not required per customer specifications.	\$0.00
4435-0074	FRC Water Tank Level Gauge with Driver for Spartan Chassis only.	\$1,161.00
4435-0075	Ashcroft 6" dry master intake and discharge gauges.	\$612.00
4435-0076	Ashcroft 3.5" dry discharge gauges. Provide for each discharge.	\$1,545.00
4435-0078	Innovated Controls water/foam tank level display, additional. Location: [#LOC].	\$669.00
4435-0081	Audible and visual indicators on driver side pump panel. (1) audible/visual indicator for high engine temp and low oil pressure and (1) audible/visual for high trans temp.	\$304.00
4435-0082	Class 1 New Pressure Governor.	\$0.00
4435-0083	Innovative Controls 10 LED SL series water tank level gauge. On pump panel.	\$531.00
4435-0084	Innovative Controls 10 LED series foam tank level gauge. On pump panel.	\$761.00
4435-0085	Innovative Controls 10 LED SL series tank level water gauge, additional. Location: [#LOC].	\$728.00

Option No.	Description	PRICE
4435-0086	Innovative Controls 10 LED series Tank Level Water Mini Gauge. Location: [#LOC].	\$569.00
4435-0087	Innovative Controls IC 10 LED SL series Tank Level Foam Mini Gauge Additional. Location: [#LOC].	\$569.00
4435-0088	IC 10 LED SL series/Whelen 500 water tank level gauge package. Location of Whelen 500 tank level lights: [#LOC].	\$4,164.00
4435-0089	IC 10 LED SL series/Whelen PSTank water tank level gauge package. Location of Whelen PSTank Strip Lights: [#LOC].	\$1,945.00
4435-0090	Additional PSTank Level Strip-Light. Located: [#LOC].	\$474.00
4435-0092	2.5" Class 1 compound pressure gauge (30-0-400). Discharge: [#LOC].	\$148.00
4435-0093	3.5" Class 1 pressure gauge (30-0-400). Discharge: [#LOC].	\$177.00
4435-0094	Class 1 4-1/2" compound pressure gauge (30-0-400 PSI).	\$205.00
4435-0098	FRC Audible Water Tank Alarm. Wired to the FRC water tank level gauge and is to sound when tank level reaches a quarter tank.	\$213.00
4435-0099	Flow Meter Value System. Discharge: right side discharge 4	\$1,729.00
4435-0100	Flow Meter Value System. Discharge: left side discharge 4	\$1,729.00
4435-0101	2.5" Span Pressure Gauge (30-0-600). Discharge: [#LOC].	\$141.00
4435-0102	3.5" Span Pressure Gauge (30-0-600). Discharge: [#LOC].	\$171.00
4435-0103	4.5" Span Pressure Gauge (30-0-600 PSI).	\$199.00
4435-0104	MC Series 2000 4 Light Water Tank Level Gauge	\$686.00
4435-0105	MC Series 2000 4 Light Series Foam Tank Level Gauge	\$863.00
4435-0106	Dual Scale 3.5" Pressure Gauge 0-400 PSI / 100-2800 KPA. Replaces Standard	\$341.00
4435-0107	Primer motor master disconnect cut-off switch. Locate on pump panel.	\$228.00
4435-0108	Digital Pressure Gauge IPO Duplex Gauge	\$877.00
4435-0109	2.5" Class 1 Pressure Gauge (30-0-600). IPO Duplex	\$148.00
4435-0110	Pump Overheat Gauge Indicator with Audible Alarm	\$493.00
4435-0111	MC Series 500 4 LED Series Water Tank Level Gauge	\$814.00
4435-0112	Class 1 Pressure 4.5" Gauge (30-0-300 PSI)	\$205.00
4435-0113	FRC TankVision/Whelen PSTank water tank level gauge package. Location of Whelen PSTank Strip-Lights: [#LOC].	\$2,622.00
4435-0114	Digital CAFS CFM Flow Meter	\$2,226.00
4435-0115	2.5" NoShok Pressure Gauge (-30-0-600 PSI/100-0-4000KPA). For: [#LOC].	\$178.00
4435-0116	4" NoShock Dual Read Pressure Gauge 30-0-600PSI/100-0-4000KPA	\$231.00
4435-0117	FRC Tank Level Foam Tank Vision Gauge Additional Location: [#LOC]	\$630.00
4435-0118	4" NoShock Dual Read Pressure Gauge 30-0-400PSI/100-0-2800KPA	\$231.00
4435-0119	2.5" NoShok Pressure Gauge (0-400 PSI/-0-2800KPA) For: [#LOC]	\$178.00
4435-0120	Duplex Master Gauge (0-400 PSI) for CAFS or Industrial Foam Systems.	\$551.00
4435-0121	Whelen PS LED water and foam tank level gauges shall be installed on the exterior of the unit. One pair of water and foam strip lights, four (4) strip lights. Location: [#LOC].	\$1,310.00
4435-0122	Fire Research Tank Vision model WL2000 Water Tank Level Gauge w/audible alarm low level buzzer shall be installed. The buzzer shall sound when the tank volume indicator drops to 1/4 tank.	\$1,041.00
4435-0123	FRC Insight model FPA410 Ultimate Pressure Gauge LPM/KPA Location: [#LOC]	\$2,195.00
4435-0124	6" Class 1 Compound Pressure Gauge (30-0-400 PSI).	\$691.00

Option No.	Description	PRICE
4435-0125	Class Digital Pressure Gauge Discharge: [#LOC]	\$877.00
4435-0126	Digital Master Pressure Gauge	\$837.00
4435-0127	3.5" Span Pressure Gauge (0-400). Discharge: [#LOC]	\$180.00
4435-0128	Dual Read 2.5" Span Pressure Gauge (0-300 psi/0-2050KPA). Discharge: [#LOC]	\$197.00
4435-0129	Dual Read 6.0" Span Pressure Gauge (30-0-400 psi/100-0-2800KPA)	\$402.00
4435-0130	FRC Insight model FPA400 Ultimate Master Flow Gauge	\$1,694.00
4435-0131	2.5" Class 1 Pressure Gauge (0-300). Discharge: [#LOC]	\$156.00
4435-0132	Whelen PS LED Foam and Water Tank level gauges shall be installed officer's side pump panel.	\$657.00
4435-0133	FRC/Whelen 500 Water Tank Level Gauge Package Location of Whelen 500 Tank Level Lights: [#LOC]	\$4,125.00
4435-0134	FRC Foam Tank Level Gauge "Class B Foam" with Driver for Spartan Chassis only.	\$1,309.00
4435-0135	Class 1 Intelli/Whelen PSTank Water Tank Level Gauge Package Location of Whelen PSTank Strip-Lights: [#LOC]	\$2,485.00
4435-0136	Whelen PS LED Foam and Water Tank level gauges shall be installed at the control panel for the monitor platform.	\$656.00
4435-0138	2.5" Span Pressure Gauge 0-400). Discharge: [#LOC]	\$148.00
4435-0139	Span Pressure 4" Gauge (0-400 PSI)	\$205.00
4435-0140	Span Master Intake/Pressure 4" 50/50 Gauge (30-0-300)	\$343.00
4435-0141	Pump module discharge gauges (4) to be english dominant. For use with AP/MBP pumps.	\$0.00
4435-0142	Pump module discharge gauges (5) to be english dominant. For use with DSD pump.	\$0.00
4435-0143	Pump module discharge gauges (4) to be metric dominant. For use with AP/MBP pumps.	\$0.00
4435-0144	Pump module discharge gauges (5) to be metric dominant. For use with DSD pump.	\$0.00
4435-0145	Additional discharge gauge(s). Includes english dominant reading.	\$149.00
4435-0146	Additional discharge gauge(s). Includes metric dominant reading.	\$152.00
4435-0147	Innovative Controls 14 LED SL series Water Tank Level Gauge	\$538.00
4435-0148	Innovative Controls 14 LED SL series Foam Tank Level Gauge	\$592.00
4435-0149	IC 14 LED SL series/Whelen 500 Water Tank Level Gauge Package Location of Whelen 500 Tank Level Lights: [#LOC]	\$4,197.00
4435-0150	Ashcroft 4.5" dry master intake and discharge gauges.	\$499.00
4435-0151	4.5" Class 1 Pressure Gauge (30-0-600) Black Face w/White letters.	\$219.00
4435-0152	2.5" Class 1 Pressure Gauge (30-0-600). Discharge with Black Face and White Letters: [#LOC]	\$156.00
4435-0153	Pump Overheat Gauge Indicator shall be located on center console adjacent to pump controls.	\$386.00
4435-0154	Class 1 Flowminder System with digital totalizer readout. Discharge: [#LOC]	\$1,591.00
4435-0155	Dual Read 4.5" Span Pressure Gauge (30-0-600 psi/100-0-4000 KPA)	\$307.00
4435-0156	Class 1 Intelli-40 Tank Water Tank Level Gauge with Blue LED's.	\$775.00
4435-0157	Class 1 Intelli-40 Tank Foam Tank Level Gauge with Red LED's.	\$741.00
4435-0158	6" Span Pressure Gauge (30-0-600)	\$710.00
4435-0159	Dual Read 2.5" Pressure Gauge (30-0-400 psi/100-0-2800KPA). Discharge: [#LOC]	\$208.00
4435-0160	Transmission Temperature Gauge with light and a buzzer alarm for audible warning.	\$382.00
4435-0161	Dual Read 4.5" Pressure Gauge (30-0-400 psi/100-0-2800 KPA)	\$307.00
4435-0162	IC10/Whelen M6 LED Water Tank Level Gauge Package Location of Whelen M6 LED Tank Level Lights: [#LOC]	\$4,311.00

Option No.	Description	PRICE
4435-0163	Pump module main and discharge gauges to be english dominant.	\$0.00
4435-0164	Pump module main and discharge gauges to be dual read.	\$0.00
4435-0165	Water Tank Level Gauge. Locate on the pump operator panel.	\$0.00
4435-0166	Foam Level Gauge. Locate on the pump operator panel.	\$0.00
4435-0167	Pump module main and discharge gauges to be english dominant.	\$0.00
4435-0168	Pump module main and discharge gauges to be metric dominant.	\$0.00
4435-0169	Auxiliary discharge gauge to be english dominant.	\$0.00
4435-0170	Auxiliary discharge gauge to be metric dominant.	\$0.00
4435-0171	Water Tank Level Gauge. Locate on the pump operator panel.	\$0.00
4435-0172	Water Tank Level Gauge. Locate on the pump operator's panel. Includes auxiliary sender for rear body mounted auxiliary water tank level gauge.	\$0.00
4435-0173	Foam Level Gauge. Locate on the pump operator panel.	\$0.00
4435-0174	Sight Tube Water Tank Level Gauge. Located on driver's pump panel.	\$534.00
4435-0175	Duplex Master Gauge (0-600 PSI) for CAFS or Industrial Foam Systems.	\$631.00
4435-0176	Duplex Master Gauge (0-600 PSI) Noshok for CAFS or Industrial Foam Systems. (IPOS HALE DUPLEX)	\$0.00
4435-0177	Innovated Controls 14 LED SL series Tank Level Water Gauge Additional Location: [#LOC]	\$754.00
4435-0178	Engine gauge package at the pump operator's panel.	\$880.00
4435-0179	Deluxe engine gauge package with fuel, and transmission temp built into the tach gauge display at the pump operator's panel.	\$1,006.00
4435-0180	2.5" Pressure Gauge Dual Read (0-400 PSI/-0-2700KPA) . Discharge: [#LOC]. Color: [#COL].	\$260.00
4435-0181	4.5" Pressure Gauge (30-0-400 psi/100-0-2758 KPA). Color: [#COL].	\$329.00
4435-0182	FRC Insight model FPA412 Ultimate Pressure Gauge LPM/KPA with back lighting Location: [#LOC]	\$2,367.00
4435-0183	Sight Tube Water Tank Level Gauge with Indicator. Located inside pump compartment on driver's side as high/low as possible.	\$534.00
4435-0184	2.5" NoShok pressure gauge (0-400). For: [#LOC].	\$159.00
4435-0185	4" NoShok master pressure gauges 30-0-400PSI.	\$268.00
4435-0186	Class 1 Tank Level Intelli 40 Water Gauge Additional Location: [#LOC]	\$854.00
4435-0187	Class 1 Intelli-40 Tank Water Tank Level Gauge with Red LED's.	\$795.00
4435-0188	Class 1 Intelli with (1) Whelen PSTank Water Tank Level Gauge. Location of Whelen PSTank Strip-Lights: Officer side rear of front cab door.	\$1,473.00
4435-0189	Class 1/Whelen PSTank water tank level gauge package. Includes ITL-40M on pump operator's panel, mini gauge in cab and (3) Whelen PSTANK lights. Location of Whelen PSTANK lights: (1) driver side up high on tank offset forward of scene light, (1) officer side up high on tank offset forward of scene light and (1) at rear up high.	\$2,790.00
4435-0190	IC10 Water with (1) Whelen PSTank Water Tank Level Gauge. Location of Whelen PSTank Strip-Lights: Officer side rear of front cab door.	\$1,473.00
4435-0191	Dual Scale 3.5" Pressure Gauge 0-400 PSI / 100-2800KPA.. Discharge: [#LOC].	\$287.00
4435-0192	Class 1 2.5" Pressure 0-400 PSI Gauges, Wildland	\$393.00
4435-0193	2.5" Class 1 compound pressure gauge (0-400). Discharge: [#LOC].	\$148.00

Option No.	Description	PRICE
4435-0194	FRC TachPro model TPA600-A00 engine monitoring display. Location: officer's side overhead outboard and L1 adjacent to breaker box.	\$1,337.00
4435-0195	Gauges for pre-connect(s) shall be 0-400 PSI IPOS.	\$0.00
4435-0196	2.5" Pressure Gauge Dual Read (30-0-600 psi/100-0-4140 KPA). Discharge: [#LOC]. Color: [#COL].	\$209.00
4435-0198	3.5" Class 1 pressure gauge (0-400). Discharge: [#LOC].	\$180.00
4435-0199	Class 1 Intelli-40M Tank Water Tank Level Gauge.	\$795.00
4435-0200	2.5" Class 1 pressure gauge (0-600). Discharge: [#LOC].	\$144.00
4435-0201	Digital Master Pressure Gauge Located in cab.	\$837.00
4435-0202	4.5" Class 1 Discharge pressure gauge (0-600 PSI).	\$148.00
4435-0203	Additional Whelen 500 Tank Level Lights. Located: officer rear.	\$946.00
4435-0204	Whelen 500 Series LED water tank level gauges - additional. Requires tank level gauge with 500 Series lts. Location of additional lights: driver side rear of body up high.	\$1,257.00
4435-0205	3.5" LED Class 1 compound pressure gauge (30-0-400). Discharge: [#LOC]. Color: [#COL].	\$262.00
4435-0206	4.5" LED Class 1 compound pressure gauge (30-0-400). Color: [#COL].	\$263.00
4435-0207	Class 1/Whelen PSTank water tank level gauge package. Includes ITL-40M on pump operator's panel, and (3) Whelen PSTANK lights. Location of Whelen PSTANK lights: (1) driver side up high on tank offset in front of forward scene light, (1) officer side up high on tank offset in front of forward scene light and (1) at rear up high.	\$2,240.00
4435-0208	Class 1 Intelli 40M/Whelen PSTank Water Tank Level Gauge Package Location of Whelen PSTank Strip-Lights: [#LOC]	\$1,893.00
4435-0209	2.5" LED Class 1 compound pressure gauge (30-0-400). Discharge: [#LOC]. Color: [#COL].	\$258.00
4435-0210	PSTank Level Strip-Light Pair Located: [#LOC] (Chassis only option require sale codes for gauge and driver)	\$948.00
4435-0211	2.5" NoShok pressure gauge (30-0-600). Non-liquid filled. For: [#LOC].	\$159.00
4435-0212	Generator hourmeter on officer side rear compartment.	\$166.00
4435-0213	Class 1 3-1/2" compound pressure gauge (30-0-400 PSI). Master intake and discharge gauges.	\$358.00
4435-0214	IC10 Water with (1) Whelen PSTank Water Tank Level Gauge. Location of IC10 LED tank level gauge on operator panel. Location of Whelen PSTank Strip-Lights: Officer side rear of body facing rearward.	\$1,473.00
4435-0215	Class 1 4-1/2" compound pressure gauge (30-0-400 PSI). Locate Auto Fill Inlet.	\$205.00
4435-0216	Class 1 Intelli-Tank water tank level gauge mounted on the rear of the body. Optimize mounting position on rear body using space not allocated by other equipment unless otherwise specified.	\$519.00
4435-0217	Duplex 4.5" Dual Read Master Gauge (0-600 psi/0-4000KPA) for CAFS or Industrial Foam Systems.	\$551.00
4435-0218	6" LED Backlit compound pressure gauge (30-0-400). Color: [#COL].	\$578.00
4435-0219	Water pump digital water temperature gauge.	\$377.00
4435-0220	Class 1 ITL40M Water Tank Level Gauge with blue back ground Whelen 500 LED lights. Location of gauge: Location of lights: [#LOC].	\$4,194.00
4435-0221	Class 1 Intelli-40M Tank Foam Tank Level Gauge with red back ground.	\$795.00
4435-0222	Class 1 Intelli-40M Tank Foam Tank Level Gauge with green back ground.	\$795.00
4435-0223	Class 1 2.5" LED Backlit compound pressure gauge (30-0-400) package. Provide for each discharge. (SPECIAL COLOR INFO IN FILE)	\$2,829.00
4435-0224	3.5" Class 1 pressure gauge (0-400). w/Class 1 Logo. Discharge: [#LOC].	\$176.00

Option No.	Description	PRICE
4435-0225	Gauge heater strips, shall extend the full length of the gauge line. (Officer side discharge gauge lines will require 2 per line)	\$129.00
4435-0226	DEF level gauge on pump operator's panel.	\$366.00
4435-0227	Innovative Controls 10 LED series foam tank level gauge. In R2 compartment.	\$761.00
4435-0228	Innovative Controls 10 LED SL series water tank level gauge. In R2 Compartment.	\$531.00
4435-0229	2.5" LED Class 1 pressure gauge (0-300). Discharge: [#LOC]. Color: [#COL].	\$209.00
4435-0230	No foam level gauge(s) for class (B) foam cell(s). Not required per customer specifications.	\$0.00
4435-0231	Class 1 Tank Level Intelli 40M Water Gauge Additional Location: [#LOC]	\$793.00
4435-0232	4.5" LED Class 1 compound pressure gauge (30-0-300). Color: [#COL].	\$338.00
4435-0233	Single Read 2.5" Thuemling Pressure Gauge (0-2800KPA. Location: One (1) for each discharge outlet.	\$1,449.00
4435-0234	Single Read 4.5" Thuemling Pressure Gauge (100-0-4000 KPA) (1) master intake and, (1) master discharge gauges.	\$597.00
4435-0235	IC 10 LED SL series/Whelen PSTank foam tank level gauge package. Location of Whelen PSTank Strip Lights: each side of module up high.	\$2,175.00
4435-0236	Ashcroft 6" dry master intake and discharge gauges. (30-0-300)	\$764.00
4435-0237	Ashcroft 3.5" dry discharge gauges. Provide for each discharge. (0-300)	\$1,545.00
4435-0238	Addition Vacuum gauge located on driver side pump panel.	\$519.00
4435-0239	Class 1 Intelli/Whelen PSTank Water Tank Level Gauge Package Location of Whelen PSTank Strip-Lights: Location of Whelen PSTank Strip-Lights: Locate one (1) each side of pump module up high and one (1) officer side rear.	\$4,717.00
4435-0240	Innovative Controls 10 LED SL series tank level foam gauge, additional. Location: [#LOC].	\$761.00
4435-0241	Innovative Controls 10 LED series foam tank level gauge with a bright yellow easy to read graphics overlay. On pump panel.	\$760.00
4435-0242	Sight Tube Water Tank Level Gauge. Located on driver's side adjacent to pump operator panel.	\$533.00
4435-0243	4" Innovative Controls Brass Case Nite-Glo Master Pressure Gauges with Bezel. Intake 30-0-400, and Discharge 0-400.	\$935.00
4435-0244	2.5" Innovative Controls brass case pressure gauge (0-400) with color code bezel.	\$170.00
4435-0245	Class 1 4-1/2" compound pressure gauge (30-0-400 PSI). (Discharge gauge package).	\$205.00
4435-0246	2.5" Innovative Controls stainless steel case pressure gauge (0-400) with color code bezel.	\$149.00
4435-0247	4" Innovative Controls stainless steel case master pressure gauges with bezel. Intake 30-0-400, and discharge 0-400.	\$423.00
4435-0248	2.5" Innovative Controls stainless steel case dual read pressure gauge (0-2750KPA/0-400PSI) with color code bezel.	\$149.00
4435-0249	4" Innovative Controls stainless steel case master pressure gauges with bezel. Intake 30-0-400, and discharge 0-400, dual read KPA/PSI.	\$423.00
4435-0250	2.5" Innovative Controls brass case pressure gauge (0-400) with color code bezel.	\$170.00
4435-0251	Innovative Controls SL Plus series water tank level gauge with E-One logo at the bottom.	\$627.00
4435-0252	Innovative Controls SL Plus series foam tank level gauge (foam tank A).	\$627.00
4435-0253	Innovative Controls SL Plus series foam tank level gauge (foam tank B).	\$627.00
4435-0254	4" Innovative Controls brass case master pressure gauges with bezel. Intake 30-0-400, and discharge 0-400.	\$630.00
4435-0255	4" Innovative Controls brass case master pressure gauges with bezel. Intake 30-0-400, and discharge 0-400, dual read KPA/PSI.	\$621.00
4435-0256	Innovative Controls SL Plus series tank gauge w/SL Plus Monster tank level gauge package. Location of SL Plus Monster Lights: [#LOC].	\$2,604.00
4435-0257	Additional Innovative Controls SL Plus series tank level water gauge. Location: [#LOC].	\$643.00

Option No.	Description	PRICE
4435-0258	Addition 4" Innovative Controls stainless steel case master pressure gauges 0-400. Locate driver side pump panel.	\$245.00
4435-0259	Innovative Controls/Whelen PSTank water tank level gauge package. Includes IC10 gauge on pump operator's panel, mini gauge in cab and (3) Whelen PSTank lights. Location of Whelen PSTank lights: (1) driver side up high on tank offset forward of scene light, (1) officer side up high on tank offset forward of scene light and (1) at rear up high.	\$2,781.00
4435-0260	Innovative Controls/Whelen PSTank water tank level gauge package. Includes IC10 gauge on pump operator's panel, and (3) Whelen PSTank lights. Location of Whelen PSTank lights: (1) driver side up high on tank offset in front of forward scene light, (1) officer side up high on tank offset in front of forward scene light and (1) at rear up high.	\$2,240.00
4435-0261	4" Innovative Controls stainless steel case master pressure gauges with bezel. Intake 30-0-400, and duplex discharge 0-400 for CAFS and Industrial applications.	\$1,430.00
4435-0262	2.5" Innovative Controls Nite-Glo brass case pressure gauge (0-400) and color code bezel with blue light gauge illumination.	\$338.00
4435-0263	2.5" Innovative Controls Nite-Glo brass case pressure gauge (0-400) and color code bezel with red light gauge illumination.	\$338.00
4435-0264	FRC TankVision/FRC Maxvision water tank level gauge package. Location of FRC Maxvision Strip-Lights: each side of cab towards rear	\$2,729.00
4435-0265	Master LED Backlit gauges. Master Discharge backlit LED gauge to be red, and master intake backlit LED gauge to be blue.	\$0.00
4435-0266	2.5" Innovative Controls Nite-Glo brass case pressure gauge (0-400) and color code bezel with white light gauge illumination.	\$338.00
4435-0267	IC SL Plus series tank gauge w/SL Plus Monster tank level gauge package. Control head located in cab console. Location of SL Plus Monster Lights: [#LOC].	\$2,604.00
4435-0268	PTO Temperature Gauge with light and a buzzer alarm for audible warning.	\$360.00
4435-0269	4" Innovative Controls stainless steel case pressure gauge (0-400). Location: Master discharge pressure gauge.	\$232.00
4435-0270	IC SL PLUS series/Whelen PSTank water tank level gauge package. Location of Whelen PSTank Strip Lights: [#LOC].	\$2,522.00
4435-0271	2.5" LED Class 1 pressure gauge (0-400). Discharge gauge. Color: [#COL].	\$258.00
4435-0272	4" Innovative Controls stainless steel case master pressure gauges with bezel. Intake 30-0-400, and duplex discharge 0-400, dual read KPA/PSI. for CAFS and Industrial applications.	\$1,430.00
4435-0273	Class 1 flow meter totalizer button. Location Pump operator panel.	\$0.00
4435-0274	2.5" Innovative Controls stainless steel case pressure gauge (0-300) with color code bezel.	\$149.00
4435-0275	4" Innovative Controls stainless steel case duplex pressure gauge (0-400) with color code bezel.	\$1,124.00
4435-0277	Class 1 ENFO IV system on pump operator's panel. (METRIC UNITS)	\$989.00
4435-0278	FRC Insight Ultimate model FPA-402 combination pressure/flow gauge w/ back light. Include color code bezel.	\$2,270.00
4435-0279	Class 1 3.5" discharge gauges. Provide for each discharge. (0-600)	\$1,770.00
4435-0280	6" Class 1 master pressure gauges. Intake 30-0-600, and discharge 0-600.	\$1,410.00
4435-0281	Class 1 Intelli, w/driver and (1) Whelen PSTank Water Tank Level Gauge. Location of Whelen PSTank Strip-Lights: Driver side upper body forward of scene light.	\$1,273.00
4435-0282	IC 10 LED SL series/Whelen 400 water tank level gauge package. Location of Whelen 400 tank level lights: Each side of upper pump panel.	\$3,834.00
4435-0283	2.5" LED Class 1 compound pressure gauge (30-0-400). Color Red	\$258.00
4435-0284	Master LED Backlit gauges. Master Discharge backlit LED gauge to be red, and master intake backlit LED gauge to be green.	\$0.00
4435-0285	Fire Research TankVision Pro model WL300-A00 water tank level gauge.	\$753.00

Option No.	Description	PRICE
4435-0286	Fire Research TankVision Pro model WL360-A00 Class A foam tank level gauge.	\$853.00
4435-0287	Fire Research TankVision Pro model WLA300-B00 water level gauge, Additional. Location: [#LOC].	\$665.00
4435-0288	Fire Research TankVision Pro model WLA360-A00 Class A and WLA370-A00 Class B foam tank level gauges.	\$1,704.00
4435-0289	Fire Research TankVision Pro model WLA 370-A00 Class B foam tank level gauge.	\$853.00
4435-0290	Additional Monster Water Level Light. Located: [#LOC].	\$474.00
4435-0291	4" Innovative Controls stainless steel case master pressure gauges with bezel. Intake 30-0-400, and duplex discharge 0-400 for CAFS and Industrial applications. IPOS HALE	\$423.00
4435-0292	FRC TankVisionWLA300-B00/Whelen PSTank water tank level gauge package. Location of Whelen PSTank Strip-Lights: [#LOC].	\$2,622.00
4435-0293	Class 1 3.5" discharge gauges. Provide for each discharge. (0-300) [#LOC]	\$176.00
4435-0294	6" Class 1 Compound Pressure Gauge (30-0-400 PSI).	\$691.00
4435-0295	6" NoShok pressure gauge (30-0-400).	\$716.00
4435-0296	MC Series 500 5 LED Series Water Tank Level Gauge.	\$763.00
4435-0297	2.5" Pressure Gauge Dual Read (30-0-400 psi/100-2800KPA). Discharge: [#LOC]. Color: [#COL].	\$209.00
4435-0298	4.5" Pressure Gauge (30-0-400 psi/100-0-2800 KPA). Color: [#COL].	\$263.00
4435-0299	Gauge bezels are to be mounted so that the color code is at the top of the gauge bezel.	\$0.00
4440-0004	2.5" side suction top mount control handle Akron manual valve. Location: [#LOC].	\$1,559.00
4440-0005	2.5" Left Intake Akron Manual Valve.	\$1,175.00
4440-0006	2.5" Right intake Akron manual valve.	\$1,175.00
4440-0007	2.5" Left Rear Intake Akron Manual Valve. (With rear discharge location to be outside or below).	\$1,895.00
4440-0008	2.5" Right Rear Intake Akron Manual Valve.(With rear discharge location to be outside or below).	\$1,377.00
4440-0010	3" Left Intake Akron Manual Valve.	\$1,927.00
4440-0011	3" Right Intake Akron Manual Valve.	\$1,971.00
4440-0012	3" right rear intake Akron manual valve. (With rear discharge location to be outside or below.)	\$2,261.00
4440-0014	5" front intake without valve.	\$3,736.00
4440-0015	5" Front Intake w/5" Air Actuated Valve and Relief.	\$5,892.00
4440-0016	5" right rear intake, no valve.	\$2,852.00
4440-0017	5" Right Rear Intake w/5" Air Actuated Valve and Relief.	\$4,745.00
4440-0018	2.5" Intake Akron Manual Valve Rear Mount	\$1,001.00
4440-0019	4" Rear Intake Akron Electric Valve for Rear Mount	\$3,907.00
4440-0020	2.5" Intake Akron Manual Valve for Rear Mount Location: [#LOC]	\$1,464.00
4440-0021	3" Intake Akron Manual Valve for Rear Mount Location: [#LOC]	\$2,196.00
4440-0025	5" front intake with no valve plumbed through front bumper.	\$4,176.00
4440-0026	5" Front Intake w/5" Air Actuated Valve and Relief Plumbed Through Front Bumper.	\$6,334.00
4440-0027	2.5" Left Intake Hale Manual Valve	\$1,197.00
4440-0028	2.5" Right Intake Hale Manual Valve	\$1,407.00
4440-0029	3" Right Intake Hale Manual Valve	\$2,493.00
4440-0030	2.5" Side Suction Top Mount Control Handle Hale Manual Valve Location: [#LOC]	\$1,785.00

Option No.	Description	PRICE
4440-0031	3" Left Intake Hale Manual Valve	\$1,955.00
4440-0032	5" Front Intake without Valve for use with Spartan Chassis	\$1,472.00
4440-0033	2.5" Left Rear Intake Hale Manual Valve. (With rear discharge location to be outside or below).	\$2,057.00
4440-0034	2.5" Right Rear Intake Hale Manual Valve	\$1,538.00
4440-0035	3" Right Rear Intake Hale Manual Valve	\$2,478.00
4440-0036	2.5" left intake Elkhart manual valve.	\$1,335.00
4440-0037	3" Left Intake Elkhart Manual Valve	\$2,160.00
4440-0038	2.5" Left Rear Intake Elkhart Manual Valve. (With rear discharge location to be outside or below).	\$2,053.00
4440-0039	2.5" Side Suction Top Mount Control Handle Elkhart Manual Valve. Location: [#LOC].	\$1,714.00
4440-0040	2.5" Right Intake Elkhart Manual Valve	\$1,335.00
4440-0041	3" Right Intake Elkhart Manual Valve	\$2,206.00
4440-0042	2.5" Right Rear Intake Elkhart Manual Valve	\$1,532.00
4440-0043	3" Right Rear Intake Elkhart Manual Valve. (With rear discharge location to be outside or below).	\$2,494.00
4440-0044	5" Left Rear Intake w/5" Air Actuated Valve and Relief. Requires air actuated tank to pump with side mount pump module configuration.	\$5,156.00
4440-0045	4" Left Rear Intake Akron Electric Valve w/Intake Relief Valve.	\$5,526.00
4440-0046	4" Right Rear Intake Akron Electric Valve w/Intake Relief Valve.	\$5,526.00
4440-0047	4" Left Rear Intake Elkhart Electric Valve w/Intake Relief Valve	\$5,948.00
4440-0048	5" Right Rear Intake Elkhart Electric Valve w/Intake Relief Valve	\$6,620.00
4440-0049	3" Left Rear Intake Akron Manual Valve. (With rear discharge location to be outside or below).	\$2,637.00
4440-0050	3" Left Rear Intake Hale Manual Valve. (With rear discharge location to be outside or below).	\$2,846.00
4440-0051	3" Left Rear Intake Elkhart Manual Valve. (With rear discharge location to be outside or below).	\$2,864.00
4440-0053	4" Left Rear Intake Hale Electric Valve w/Intake Relief Valve	\$6,609.00
4440-0054	4" Right Rear Intake Hale Electric Valve w/Intake Relief Valve	\$6,609.00
4440-0055	3" Side Suction Top Mount Control Handle Akron Manual Valve. Location: [#LOC].	\$2,241.00
4440-0056	3" Side Suction Top Mount Control Handle Hale Manual Valve Location: [#LOC]	\$2,452.00
4440-0057	3" Side Suction Top Mount Control Handle Elkhart Manual Valve Location: [#LOC]	\$2,468.00
4440-0058	5" Right Rear Intake w/5" Electric Actuated Valve and Relief.	\$6,620.00
4440-0059	5" Left Rear Intake w/5" Electric Actuated Valve and Relief.	\$6,620.00
4440-0060	5" Rear Intake with no valve. Located below officer side storage tunnel. Includes short handle cap (ship looses).	\$3,506.00
4440-0061	5" front intake w/5" Akron electric actuated valve and relief.	\$7,377.00
4440-0062	5" Front Intake w/5" Elkhart Electric Actuated Valve and Relief.	\$7,380.00
4440-0064	2.5" Left Intake w/3" Akron Manual Valve	\$1,795.00
4440-0065	2.5" Left Intake w/3" Hale Manual Valve	\$2,005.00
4440-0066	2.5" Left Intake w/3" Elkhart Manual Valve	\$2,022.00
4440-0067	2.5" Right Intake w/3" Akron Manual Valve	\$1,795.00
4440-0068	2.5" Right Intake w/3" Hale Manual Valve	\$2,005.00

Option No.	Description	PRICE
4440-0069	2.5" Right Intake w/3" Elkhart Manual Valve	\$2,022.00
4440-0070	2.5" Side Suction Top Mount Control Handle w/3" Akron Manual Valve Location: [#LOC]	\$2,178.00
4440-0071	2.5" Side Suction Top Mount Control Handle w/3" Hale Manual Valve Location: [#LOC]	\$2,389.00
4440-0072	2.5" Side Suction Top Mount Control Handle w/3" Elkhart Manual Valve Location: [#LOC]	\$2,403.00
4440-0073	The driver and officer side aux. intakes. Includes 3" valve and 2.5" connection on panel.	\$2,697.00
4440-0074	5" Front Intake without Valve Low "S" in Tray	\$3,639.00
4440-0075	5" Front Intake w/5" Air Actuated Valve and Relief Low "S" in Bumper Tray.	\$5,795.00
4440-0076	4" Front intake w/4" Akron electric valve and relief.	\$6,578.00
4440-0077	2.5" Side Intake Operator Control Akron Elec Valve Drivers side.	\$3,121.00
4440-0078	2.5" Left Intake Elkhart Unibody TM Control Manual Valve	\$1,455.00
4440-0079	3" Side Suction Top Mount Control Handle Elkhart Manual Unibody Valve Location: [#LOC]	\$2,247.00
4440-0080	Front Intake, Left and Right Pump 6" Inlet and 2.5 Left Direct Tank Fill Shall be "T" together with spring check valves and plumb into the FRC auto tank fill.	\$3,602.00
4440-0081	2.5" side suction air control Akron valve Drivers side.	\$1,203.00
4440-0082	2.5" Left Intake Akron Manual Valve With Integral 30 Degree Droop	\$1,251.00
4440-0083	2.5" Right Intake Akron Manual Valve With Integral 30 Degree Droop	\$1,251.00
4440-0084	5" Front Intake w/5" Manual Gear Actuated Valve and Relief	\$6,912.00
4440-0085	4" Right Side Intake Akron Electric Valve w/Relief.	\$3,907.00
4440-0086	2.5" Side Intake Operator Control Akron Elec Valve Officer side.	\$3,121.00
4440-0087	2.5" Intake with Akron electric valve. Controller to be located at pump operator panel. Locate intake [#LOC].	\$3,136.00
4440-0088	2.5" Intake with Hale electric valve. Controller to be located at pump operator panel. Locate intake [#LOC].	\$3,136.00
4440-0089	5" Front Intake w/5" Electric Actuated Valve and Relief Low "S" in Bumper Tray	\$7,281.00
4440-0090	2.5" Side Suction Air Act Akron Valve Locate Rear of Steamer.	\$1,719.00
4440-0091	2.5" Side Suction Top Mount Control Handle w/3" Elkhart Unibody Manual Valve Location: [#LOC]	\$2,281.00
4440-0092	3" Left Intake Elkhart Unibody Manual Valve	\$1,927.00
4440-0093	3" Right Intake Elkhart Unibody Manual Valve	\$1,971.00
4440-0094	2.5" Left Intake Elkhart Unibody Manual Valve w/chrome valve face.	\$1,175.00
4440-0095	2.5" Right Intake Elkhart Unibody Manual Valve w/chrome valve face.	\$1,175.00
4440-0096	5" Front Intake w/4" Hale Electric Actuated Valve and Relief Low "S" in Bumper Tray	\$7,256.00
4440-0097	2.5" Right Intake Elkhart Unibody Manual Valve	\$1,175.00
4440-0098	5" Front Intake w/5" Akron Electric Actuated Valve and Relief	\$7,377.00
4440-0099	2.5" Intake with Akron electric valve. Controller to be located at pump operator panel. Locate intake [#LOC].	\$3,136.00
4440-0100	5" Right Rear Intake w/5" Electric Actuated Valve and Relief.	\$6,620.00
4440-0101	3.0" Side Intake Operator Control Akron Elec Valve Officer side.	\$3,598.00
4440-0102	3" Left Rear Intake Akron Electric Valve w/Intake Relief Valve	\$3,714.00
4440-0103	5" Front Intake w/5" Elect. Actuated Valve and Relief Plumbed Through Front Bumper.	\$7,377.00
4440-0104	3.0" Side Intake Operator Control Akron Electric Valve Driver side.	\$3,598.00

Option No.	Description	PRICE
4440-0105	2.5" Intake Akron Manual Valve for Rear Mount Location: [#LOC]	\$1,387.00
4440-0106	2.5" Intake Akron Electric Valve for Rear Mount Location: [#LOC]	\$3,353.00
4440-0107	2.5" Side Suction Top Mount Control Handle Elkhart Manual Unibody Valve Location: [#LOC]	\$1,542.00
4440-0108	5" Front Intake for use with rear mounted pump. Positioned to run under the officer side of the body to the officer side front bumper. Includes a 5" Akron electric valve and relief(s).	\$9,388.00
4440-0109	2.5" Aux suction and located driver side pump module. Includes Akron electric valve with controller located at pump operator panel.	\$2,942.00
4440-0110	Hale 2.5" intake relief valve.	\$0.00
4440-0111	Officer side 5" rear intake (No Valve). Intake to run under officer side of tank and then angle into B1. In B1 the intake needs to angle downward to above floor mounted reel. Support brackets will be provided as required and to engineering requirements. To include any additional primer valves as required.	\$4,576.00
4440-0112	2.5" Intake with Elkhart Unibody electric valve. Controller to be located at pump operator panel. Locate intake [#LOC].	\$3,136.00
4440-0113	2.5" Intake Elkhart Unibody Manual Valve for Rear Mount Location: [#LOC]	\$1,387.00
4440-0114	2.5" Intake Elkhart Unibody Electric Valve for Rear Mount Location: [#LOC]	\$3,353.00
4440-0115	2.5" Aux suction and located officer side pump module. Includes Akron electric valve with controller located at pump operator panel.	\$2,942.00
4440-0116	2.5" Left Intake w/3" Elkhart Unibody Manual Valve	\$1,746.00
4440-0117	2.5" Right Intake w/3" Elkhart Unibody Manual Valve	\$1,746.00
4440-0118	Auxiliary 2.5" Officer Side Panel Intake. Includes officer side panel controller.	\$964.00
4440-0119	5" Front Intake with 6" front swivel located on officer side front bumper.	\$10,180.00
4440-0121	5" Front Intake with 6" front swivel located on officer side front bumper. 2010 EPA Custom ES.	\$10,180.00
4440-0122	5" Front Intake with 6" front swivel located on officer side front bumper. Commercial ES.	\$10,708.00
4440-0126	Akron 2.5" foam system intake with swing handle. For use with Williams Advent or Hot Shot 150 foam system. Locate to [#LOC].	\$1,175.00
4440-0127	Elkhart 2.5" foam system intake with swing handle. For use with Williams Advent or Hot Shot foam systems. Locate to [#LOC].	\$1,175.00
4440-0128	Akron 3" foam system intake with swing handle. For use with Hot Shot 300 foam system. Locate to [#LOC].	\$1,993.00
4440-0129	Elkhart 3" foam system intake with swing handle. For use with Hot Shot 300 foam system. Locate to [#LOC].	\$1,993.00
4440-0130	2.5" Right Intake w/3" Akron Manual Valve. Location: (REAR OF STREAM)	\$1,795.00
4440-0131	2.5" Right Side intake Akron manual valve. Locate valve down low and the handle to be horizontally.	\$1,353.00
4440-0132	5" Left rear intake, no valve.	\$2,852.00
4440-0133	3" Intake with Akron electric valve. Controller to be located at pump operator panel. Locate intake [#LOC].	\$3,598.00
4440-0134	3" Intake with Elkhart Unibody electric valve. Controller to be located at pump operator panel. Locate intake [#LOC].	\$3,598.00
4440-0135	4" Front Intake w/4" Elect Actuated Akron Valve and Relief Plumbed Thru Front Bumper	\$6,578.00
4440-0136	5" Front Intake w/4" Akron Electric Actuated Valve and Relief Rear Mount. From pump to back of cab will be 4" plumbing, and from back of cab to the front of cab will be 5" plumbing.	\$7,837.00
4440-0137	2.5" side suction top mount control handle Akron manual valve with chrome plated end. Location: [#LOC].	\$1,610.00
4440-0138	2.5" right intake Akron manual valve with chrome plated end.	\$1,226.00
4440-0139	2.5" Intake Akron Manual Valve for Rear Mount Location: officer side rear intake with Integral 30 Degree Droop	\$1,449.00

Option No.	Description	PRICE
4440-0140	2.5" right intake Akron manual valve, located rear of steamer IPO standard location.	\$1,175.00
4440-0141	5" Front Intake w/5" Air Actuated Valve and Relief. A three position air control switch will be located adjacent to the front suction on top of gravel shield inboard of front suction swivel.	\$5,892.00
4440-0142	5" Left Rear Intake w/5" Air Actuated Valve and Relief. Does not include cap.	\$4,999.00
4440-0143	2.5" Intake with Akron Electric Valve & Navigator Pro 9323 Controller with 30degree droop. Controller locates on pump operator panel. Locate intake [#LOC].	\$3,057.00
4440-0144	5" Right Rear Intake w/5" Manual Hand Wheel Actuated Valve and Relief.	\$6,519.00
4440-0145	2.5" Side suction, location: officer side pump panel with control handle Hale manual valve single handle on driver side pump panel. Handle shall actuate both driver and officer side suction. Control handle to be labeled DRIVER AND OFFICER SUCTION PRIMER CONTROL.	\$1,785.00
4440-0146	Aux 2.5" foam system intake with swing handle. Locate to be [#LOC].	\$1,175.00
4440-0147	2.5" Left Intake Akron Manual Valve With Integral 30 Degree Chrome Droop.	\$1,452.00
4440-0148	2.5" Right Intake Akron Manual Valve With Integral 30 Degree Chrome Droop.	\$1,452.00
4440-0149	2.5" Side Intake Top Mount Control Handle Akron manual valve. With Integral 30 Degree Chrome Droop. Location: [#LOC].	\$1,835.00
4440-0150	2.5" Side Intake Top Mount Control Handle Akron manual valve. With Integral 30 Degree Droop.. Location: [#LOC].	\$1,634.00
4440-0151	2.5" Side Suction Top Mount Control Handle Elkhart Manual Unibody Valve W/30 degree Chrome Droop. Location: [#LOC]	\$1,819.00
4440-0152	2.5" Left Intake Elkhart Unibody Manual Valve w/30 degree Chrome Droop.	\$1,452.00
4440-0153	2.5" Right Intake Elkhart Unibody Manual Valve w/30 degree Chrome Droop.	\$1,452.00
4440-0155	2.5" Left Rear Intake Akron Manual Valve. Top Mount control.	\$2,128.00
4440-0156	5" Right Rear Intake w/5" Electric Valve with 9323 controller and Relief.	\$6,471.00
4440-0157	2.5" Intake with Akron electric valve with 9323 controller. Controller to be located at pump operator panel. Locate intake [#LOC].	\$3,136.00
4440-0158	4" Right Rear Intake Akron Electric Valve include 9323 controller w/Intake Relief Valve.	\$5,525.00
4440-0159	5" front intake w/5" Akron electric actuated valve and relief with 9323 valve controller.	\$7,377.00
4440-0160	5" Front Intake w/5" Electric Akron Valve with 9323 controller and Relief Low "S" in Bumper Tray	\$7,281.00
4440-0161	6" Intake for front mounted pump w/long handle cap.	\$0.00
4440-0162	3" front mount Intake Akron manual Valve.	\$1,927.00
4440-0163	5" Front Intake w/5" Elect. Actuated Valve and Relief Plumbed Under Front Bumper. With 6" adapter.	\$7,484.00
4440-0164	5" Front Intake w/5" Elect. Akron Valve 9323 controller, and Relief Plumbed Through Front Bumper.	\$7,484.00
4440-0165	4" Right Rear Intake w/4" Air Actuated Valve and Relief.	\$4,533.00
4440-0166	4" Right Rear Intake w/4" Air Actuated Valve and Relief.	\$4,745.00
4440-0167	5" Front intake w/5" hand wheel actuated valve and relief.	\$6,759.00
4440-0168	6" Right Rear Intake w/6" Air Actuated Valve and Relief.	\$5,680.00
4440-0169	2.5" Intake with 3" Akron electric valve WITH 9323 controller. Controller to be located at pump operator panel. Locate intake valve: Locate intake [#LOC].	\$3,598.00
4440-0170	4" Right rear intake, no valve.	\$2,852.00
4440-0171	5" Left Rear Intake w/5" Electric Valve with 9323 controller and Relief.	\$6,471.00
4440-0172	5" Front Intake w/5" Jamesbury Valve Hand Wheel Actuated, and Relief. "Low S"	\$7,048.00

Option No.	Description	PRICE
4440-0173	5" right rear intake to terminate at rear panel below ladder tunnel. Piping to transition from B1 into R3 and out rear panel.	\$0.00
4440-0174	3" Right Rear Intake Akron Electric Valve. Bleeder located on driver side pump panel.	\$3,714.00
4440-0175	4" right rear intake to terminate at rear panel below ladder tunnel. Piping to transition from B1 into R3 and out rear panel.	\$0.00
4440-0176	6" right rear intake, no valve. Include 6" chrome adapter with cap.	\$4,652.00
4440-0177	4" Right Rear Intake Akron Hand Manual Hand Wheel Valve w/Intake Relief Valve.	\$4,826.00
4440-0178	5" Front intake w/5" hand wheel actuated valve and relief through front bumper.	\$6,759.00
4445-0004	Front intake swivel 5" polished chrome.	\$2,220.00
4445-0005	Front intake swivel 6" polished chrome.	\$2,309.00
4445-0006	Intake Adapter 5" FNPT x 4.5" MNST for Front Intake	\$452.00
4445-0007	Intake adapter 5" FNPT x 6" MNST for front intake.	\$557.00
4445-0008	Intake Relief Valve - Elkhart.	\$666.00
4445-0009	Intake relief valve, Akron.	\$489.00
4445-0011	Valve Relief Intake - Ross 2.5"	\$2,013.00
4445-0013	2.5" Check Valve for [#LOC] intake.	\$421.00
4445-0014	3" Check Valve for [#LOC] Intake	\$719.00
4445-0015	6" Check Valve for [#LOC] Steamer	\$701.00
4445-0016	Intake relief valve, Hale 2.5".	\$672.00
4445-0018	Intake relief valve outlet to be extended to the side of the truck under the running board. Includes tag that reads "Intake Pressure Relief Outlet - Do Not Cap".	\$303.00
4445-0019	Intake Adapter 5" FNST x 4.5" MNST for Front Intake	\$452.00
4445-0020	Intake Adapter 5" FNST x 6" MNST for Front Intake	\$557.00
4445-0021	Intake Adapter 5" FNPT x 4.5" MNST for Rear Intake	\$452.00
4445-0022	Intake adapter 5" FNPT x 6" MNST for rear intake.	\$557.00
4445-0023	Recessed front suction intake swivel in bumper, 3" in tray.	\$1,023.00
4445-0024	Intake adapter 5" FNPT x 5" MNST for front intake.	\$415.00
4445-0025	Intake Adapter 5" FNPT x 5" MNST for Rear Intake.	\$415.00
4445-0026	Front Intake Swivel 4" Polished Chrome	\$1,332.00
4445-0027	Intake Adapter 4" FNPT x 4" MNST for Rear Intake.	\$399.00
4445-0028	Intake bleeder/drain valve to be extended to the side of the truck.	\$62.00
4445-0029	Rear Intake Aadapter Flush.	\$0.00
4445-0030	Intake Adapter 5" FNST x 4" MNST with LH 4" cap for Front, Rear, or Side Intake.	\$452.00
4445-0032	Front Intake Swivel 5" Painted Job Color	\$125.00
4445-0035	Front Intake Swivel 6" Painted Job Color	\$2,309.00
4445-0037	Auto Tank Fill Valve Plumbing "T" into Right MIV'S/Rear Intake with check valves.	\$696.00
4445-0038	Waterous Intake Pressure Relief Valve.	\$1,537.00
4445-0039	Intake Adapter 2-1/2"MNST X 3" FNST Swivels with plug.	\$256.00
4445-0040	Master Intake Valve Relief Valve Pressure setting to be set at 250psi.	\$0.00

Option No.	Description	PRICE
4445-0041	Front/Rear Intake Drain Valves to be located inside of the heat pan. Valves to be a 3/4" bleeder valve with 1/4 turn control located under officer side running board.	\$171.00
4445-0043	Mechanical Tachometer Counter Connection on the Driver Side Pump Panel.	\$220.00
4445-0044	Mechanical Tachometer Counter Connection on the Pump Operator's Panel. For use with side mount application.	\$220.00
4445-0045	Mechanical Tachometer Counter Connection on the Pump Operator's Panel. For use with top mount application.	\$220.00
4445-0047	Bleeder/Drain .75 Valve Plumbed to each 6" inlet/outlet.	\$188.00
4445-0048	Intake pressure relief valve, Task Force Tips.	\$471.00
4445-0049	Intake relief valve outlet to be extended to the side of the truck under the front body compartment. Includes tag that reads "Intake Pressure Relief Outlet - Do Not Cap".	\$303.00
4445-0050	Intake adapter 5" FNPT x 6" MNST for rear intake.	\$557.00
4445-0051	Rear Suction Location: [#LOC]	\$0.00
4445-0052	Recessed front suction intake swivel in bumper, 3" in tray using aluminum smooth plate with black Scorpion coating (IPOS diamond plate).	\$1,108.00
4445-0053	Front Intake Drains to be orientated so that they are Level with the bottom of the 5" Intake Piping.	\$0.00
4445-0054	Intake Adapter 5" FNPT x 4" MNST for Front, Rear, or Side Intake with 4" Cap.	\$452.00
4445-0055	Intake adapter 5" FNPT x 5" MNST for front intake. The 5" front intake adapter shall be mounted so the threads approximately 2" from the bumper (Flush+2).	\$415.00
4445-0058	5" Check Valve shall be install in front intake to prevent back flow.	\$1,161.00
4445-0059	Manual override access door to be on officer's side pump panel to access the override on the front/rear intake electric valve.	\$90.00
4445-0060	Front intake bleeder valve to be located adjacent to inlet at front bumper.	\$95.00
4445-0061	6" Kochek RL chrome pyrolight cap for front intakes IPOS.	\$159.00
4445-0062	2.5" Left Aux Intake shall be as located approximately 6" below main pump inlet offset to rear.	\$375.00
4445-0064	5" Front intake Low "S" piping shall be short as possible from cab.	\$0.00
4445-0065	Intake adapter 5" FNPT x 6" MNST for pump inlet (IPOS).	\$166.00
4445-0066	2.5" Left Aux Intake shall be as located forward of steamer.	\$0.00
4445-0067	Manual override access hole to be supplied in rear pump panel to access the override on the 4" tank to pump .Wrench required for manual override shall be located in vicinity of rear access panel.	\$90.00
4445-0069	Intake Adapter 5" FNPT x 4.547 PHOENIX 6 TPI with cap for Front, or rear intake.	\$671.00
4445-0070	Waterous Intake Pressure Relief Valve controls for pump, and intakes to be located behind officer side pump panel.	\$103.00
4445-0071	Front Intake Swivel 5" Painted Job Color	\$2,219.00
4445-0072	Intake adapter 5" FNPT x 6" MNST for rear intake with rocker lug cap.	\$556.00
4445-0073	Intake Releif Valve Pressure setting to be 175psi.	\$0.00
4445-0074	2.5" Aux Intake shall be as located approximately 12" awayfrom main pump inlet offset to rear.	\$375.00
4445-0075	Manual override knob on officer's side pump panel for front intake electric valve.	\$350.00
4445-0076	Front, and rear intakes to have air toggle switches IPOS.	\$0.00
4445-0077	All Intake relief valve outlet to be extended down, and terminate with MNST threads.	\$0.00
4445-0078	Front Intake piping shall be mounted so the end pipe is approximately 3" from the bumper tray back wall.	\$0.00

Option No.	Description	PRICE
4445-0079	Intake Adapter 4" FNPT x 5" MNST with cap for Rear Intake	\$452.00
4445-0080	Intake pressure relief valve, Trident Air Max with adjustment knob and pressure gauge.	\$1,476.00
4445-0081	Anode for Darley pump - (1) Front intake piping.	\$446.00
4445-0082	Intake adapter 5" FNPT x 4" MNST for front intake. Front intake adapter shall be mounted so the threads approximately 2" from the bumper (Flush+2).	\$415.00
4450-0007	1" Tank Fill Akron Manual Valve	\$427.00
4450-0008	1.5" tank fill Akron manual valve.	\$972.00
4450-0009	1.5" Tank Fill Hale Manual Valve	\$1,125.00
4450-0010	2" tank fill Akron manual valve.	\$1,167.00
4450-0011	2.5" tank fill Akron manual valve. At pump panel.	\$1,250.00
4450-0012	1.5" tank drain Akron manual valve.	\$851.00
4450-0013	2.5" Tank Fill/Drain Water Akron Manual Valve. Location: [#LOC].	\$1,574.00
4450-0014	Direct 2.5" water tank fill with Akron valve. Location: [#LOC].	\$1,415.00
4450-0015	2.5" Tank fill off pump discharge Akron air actuated valve Location: [#LOC].	\$1,346.00
4450-0016	4" Tank fill with check valve. Location: [#LOC].	\$2,380.00
4450-0017	Tank fill, 4.5" water with check valve Location: [#LOC].	\$2,839.00
4450-0018	5" Tank fill water with check valve. Location: [#LOC].	\$2,880.00
4450-0019	6" Tank Fill Water with Check Valve Location: [#LOC]	\$2,983.00
4450-0020	2.5" rear direct tank fill. Location: [#LOC].	\$1,412.00
4450-0021	3" Dual Tank to Pump Akron Manual Valves - Side Panel Controlled	\$1,663.00
4450-0022	3" tank to pump Akron manual valve.	\$1,229.00
4450-0023	3" Tank to Pump Akron Air Actuated Valve	\$1,722.00
4450-0025	4" Tank to Pump Akron Electric Valve for Rear Mount	\$4,470.00
4450-0026	5" Rear Jet Dump No Valve. Include 1-1/2" inline valve and high pressure hydraulic hose connected to the 1-1/2" internal tank piping which runs to the rear of the booster tank.	\$2,362.00
4450-0027	5" Rear Jet Dump w/5" Manual Butterfly Valve.	\$3,673.00
4450-0028	Newton Dump with Manually Operated Valve.	\$2,111.00
4450-0029	Newton Dump Extension. For use with a manually operated Newton Dump.	\$1,045.00
4450-0030	Newton Directional Chute. Includes chute support bracket and support bolts mounted each side on trailing edge of body/beavertails.	\$1,698.00
4450-0031	Electric actuated dump valve includes 18" electric telescopic extension and switch.	\$5,711.00
4450-0032	2" Tank Fill Akron Electric Valve	\$2,875.00
4450-0033	2.5" Portable Pump Connection SEV	\$2,063.00
4450-0034	2.5" Tank Fill "AutoFill" Automatic Tank Fill Valve. Location: [#LOC]. Requires Class 1 tank gauge.	\$8,276.00
4450-0035	2.5" Direct Tank Fill Location: [#LOC]	\$1,298.00
4450-0037	4" Tank To Pump Akron Air Valve for Rear Mount	\$3,856.00
4450-0038	Hale 4" Air Tank to Pump for CAFSPRO Foam System.	\$4,653.00

Option No.	Description	PRICE
4450-0054	2.5" Tank Fill Hale Manual Valve	\$1,643.00
4450-0055	Hale 4" Manual Tank-to-pump	\$3,512.00
4450-0056	3" Air Tank to Pump for Cafspro Foam System with 4" plumbing.	\$2,408.00
4450-0057	3" Tank to Pump Hale Manual Valve	\$1,401.00
4450-0058	2.0" Tank Fill Hale Manual Valve	\$1,336.00
4450-0059	1.5" Tank Fill Elkhart Manual Valve	\$1,056.00
4450-0060	2" Tank Fill Elkhart Manual Valve	\$1,252.00
4450-0061	2.5" Tank Fill Elkhart Manual Valve	\$1,407.00
4450-0062	3" Tank to Pump Elkhart Manual Valve	\$1,465.00
4450-0063	Direct 2.5" Water Tank Fill with Hale Valve. Location: [#LOC]	\$1,577.00
4450-0064	Direct 2.5" Water Tank Fill with Elkhart Valve. Location: [#LOC]	\$1,572.00
4450-0065	Direct 3" Water Tank Fill. Location: [#LOC].	\$1,657.00
4450-0066	Tank-to-pump 4" Akron Air Valve.	\$3,745.00
4450-0067	Tank-to-pump 4" Akron electric valve.	\$3,829.00
4450-0068	3" Tank to Pump w/3.5" Waterous Valve	\$1,878.00
4450-0070	2.5" Tank Fill Hale Electric Valve	\$2,942.00
4450-0071	Tank-to-pump 4" Hale Electric Valve	\$4,826.00
4450-0072	2.5" Direct Fill Line into the tank, Akron electric valve. Location: [#LOC].	\$3,412.00
4450-0073	3" Tank to Pump w/3.5" Waterous Electric Valve	\$3,629.00
4450-0074	2" Tank Fill Akron Valve Handwheel Control	\$2,266.00
4450-0075	2" Tank Fill Elkhart Valve Handwheel	\$2,321.00
4450-0076	2.5" Tank Fill Akron Valve Handwheel Control	\$2,348.00
4450-0077	2.5" Tank Fill Elkhart Valve Handwheel Control	\$2,400.00
4450-0078	3" Dual Tank to Pump Akron Air Valves.	\$2,736.00
4450-0079	2.5" Tank Fill Off Pump Discharge Akron Electric Gated Valve Location: [#LOC]	\$2,522.00
4450-0080	3" Tank to Pump Akron Manual Valve two (2) independent Top mount controls	\$1,663.00
4450-0081	2" Tank Fill Akron Hyd	\$2,217.00
4450-0082	1.5" Tank Drain Hale Manual Valve	\$959.00
4450-0083	1.5" Tank Drain Elkhart Manual Valve	\$935.00
4450-0084	Auto Tank Fill Valve Plumbing "T" into Left and Right Fill Thieft with check valves.	\$1,519.00
4450-0085	3" Tank to Pump Elkhart Unibody Manual Valve	\$1,558.00
4450-0086	2" Tank Fill Elkhart Unibody Manual Valve	\$1,255.00
4450-0087	2.5" Tank Fill "AutoFill" Automatic Tank Fill Valve. Location: [#LOC].	\$8,334.00
4450-0088	2" Tank Fill Elkhart Unibody Electric Valve	\$2,657.00
4450-0089	Tank-to-pump 3" Elkhart Electric Valve	\$3,192.00
4450-0090	1.5" Direct Tank Fill Elkhart Unibody Manual Valve Left Side Panel	\$1,166.00
4450-0091	2.5" Direct Tank Fill "AutoFill" Automatic Tank Fill Valve. Location: [#LOC].	\$4,683.00

Option No.	Description	PRICE
4450-0092	3" Tank to Pump Akron Valve Hand Wheel Control.	\$2,536.00
4450-0093	Tank-to-pump 3" Akron Electric Valve	\$3,575.00
4450-0094	Driver side lower pump panel mounted 2.5" direct tank fill.	\$2,242.00
4450-0095	2" Tank Fill Hale Electric Valve	\$2,875.00
4450-0096	Electric 3" Akron tank to pump. Controller located on pump control panel.	\$3,448.00
4450-0097	Electric 3" Hale tank to pump. Controller located on pump control panel.	\$3,448.00
4450-0098	2.5" Tank Fill Akron Electric Valve with 9323 controller.	\$3,042.00
4450-0099	3" Tank to Pump Elkhart Unibody Air Actuated Valve	\$1,733.00
4450-0100	Direct Rear 2.5" Water Tank Fill [#LOC] with 2.5"Check Stainless steel Technocheck Valve.	\$1,161.00
4450-0101	Newton Dump with electrically actuated valve and manually actuated chute. Electric dump valve control to be located to the driver side rear within reach from the ground.	\$5,168.00
4450-0102	Direct 1" Water Tank Fill Plumb to the fill Tower and Terminate with .75 Female Hose Bib. Location: driver side pump panel.	\$547.00
4450-0103	Direct Rear 2.5" Water Tank Fill with 2.5"Check Stainless steel Technocheck Valve. Location: [#LOC]	\$1,161.00
4450-0104	6" Rear Gravity Dump No Valve	\$2,726.00
4450-0105	3" Tank Fill Akron Manual Valve	\$1,643.00
4450-0106	6" Rear Jet Dump w/6" Electric/Air Butterfly Valve with Control Switchs in Cab and Pump operator panel side Rear.	\$3,903.00
4450-0107	Direct 2.5" water tank fill with 3" Elkhart manual valve. Location: [#LOC].	\$1,812.00
4450-0108	2" tank fill Akron 9313 electric valve.	\$2,875.00
4450-0109	2.5" Tank Fill Direct Akron Electric Valve with 9323 controller at pump operator panel. Location: [#LOC]	\$3,412.00
4450-0110	Tank-to-pump 4" Akron electric valve.	\$3,829.00
4450-0111	4" Tank to Pump Akron Electric Valve for Rear Mount	\$4,470.00
4450-0112	Electric 3" Akron tank to pump. Controller located on pump control panel. Include 9323 controller.	\$3,448.00
4450-0113	5" Rear Jet Dump (No valve). For use with a center slam strip rear end.	\$2,132.00
4450-0114	3" Tank to Pump Electric Over Air Actuated Valve. (For Pump&Roll Operation)	\$1,825.00
4450-0115	Newton Dump with Electric Operated Valve.	\$4,049.00
4450-0116	2.5" Tank Fill Elkhart Unibody Manual Valve	\$1,407.00
4450-0117	Tank-to-pump 4" Elkhart Unibody Electric Valve	\$3,829.00
4450-0118	Direct 2.5" Water Tank Fill with Elkhart Unibody Valve. Location: [#LOC]	\$1,572.00
4450-0119	3" tank to pump Akron manual valve w/4" tank connection.	\$1,253.00
4450-0120	2.5" Rear Tank Inlet. Includes Water Level Gauge Located in B1 Compartment	\$1,515.00
4450-0121	3" Tank to pump Akron air actuated valve w/4" tank connection.	\$1,722.00
4450-0122	3" Tank To Pump Akron Electric Actuated Valve w/4" Plumbing. Include 9323 controller.	\$3,533.00
4450-0123	Direct 3" Tank Fill Akron Electric Valve with control at pump operator panel valve Location: [#LOC]	\$3,448.00
4450-0124	3" Tank To Pump Elkhart Unibody Manual Valve w/4" Plumbing.	\$1,315.00
4450-0125	3" Tank To Pump Elkhart Unibody Air Actuated Valve w/4" Plumbing	\$1,819.00
4450-0126	Newton Dump with Manually Operated Valve. Model 1060 with 6" Extendable Handle.	\$2,116.00

Option No.	Description	PRICE
4450-0127	2.5" Tank Fill "AutoFill" Automatic Tank Fill Valve with IntelliTank level gauge located behind officer side pump panel. Location: [#LOC].	\$8,276.00
4450-0128	Officer side lower pump panel mounted 2.5" direct tank fill. Not available with with rear intake or front intake with auxiliary intake offset to rear.	\$2,242.00
4450-0129	3" Tank to Pump. Includes Akron manual valve with controller located in body compartment on pump operator panel.	\$1,516.00
4450-0130	2" tank fill. Includes Akron manual valve with controller located in body compartment on pump operator panel.	\$1,047.00
4450-0131	2.5" Tank Fill Elkhart Unibody Electric Valve	\$3,174.00
4450-0132	3" Tank To Pump Elkhart Unibody Electric Actuated Valve w/4" Plumbing	\$3,550.00
4450-0133	3" Tank To Pump Akron air actuated valve w/4" plumbing from the tank to the valve or check.	\$1,722.00
4450-0134	3" Tank To Pump Akron Manual Valve w/ Trident Hand Wheel Control and 4" tank connection.	\$3,088.00
4450-0135	4" tank to pump with Akron air actuated valve. For use with rear mount pump.	\$2,969.00
4450-0136	4" tank to pump with Elkhart air actuated unibody valve. For use with rear mount pump.	\$2,969.00
4450-0137	4" tank to pump with Akron electric valve. For use with rear mount pump.	\$3,398.00
4450-0138	4" tank to pump with Elkhart unibody electric valve. For use with rear mount pump.	\$3,398.00
4450-0139	2" tank fill with Akron manual valve. For use with rear mount pump.	\$1,103.00
4450-0140	2" tank fill with Akron electric valve. For use with rear mount pump.	\$2,654.00
4450-0141	2" tank fill with Elkhart unibody manual valve. For use with rear mount pump.	\$1,103.00
4450-0142	2" tank fill with Elkhart unibody electricl valve.	\$2,654.00
4450-0143	2" Tank Fill Elkhart Electric Valve	\$2,657.00
4450-0144	3" Tank to Pump Elkhart Air Actuated Valve	\$1,733.00
4450-0145	Direct 2.5" Tank Fill Elkhart Unibody Electric Valve w/30 degree droop adapter with swivel/plug and control at pump operator panel. Location: driver side rear B1 compartment.	\$3,412.00
4450-0146	Tank-to-pump 3" Elkhart Unibody Electric Valve	\$3,192.00
4450-0148	4" rear direct tank fill. Includes handwheel control, swivel with droop with cap and retainer. Located to [#LOC] of the rear body.	\$2,687.00
4450-0149	2.5" rear direct tank fill. Includes swing handle control, swivel with droop and cap with retainer. Located to [#LOC] of the rear body.	\$1,303.00
4450-0150	Manual 3" tank-to-pump for use with QFLO pump on side mount pump module.	\$0.00
4450-0151	Manual 3" tank-to-pump for use with QFLO pump on top mount pump module.	\$0.00
4450-0152	Manual 3" tank-to-pump for use with QMAX pump on side mount pump module.	\$0.00
4450-0153	Manual 3" tank-to-pump for use with QMAX pump on top mount pump module.	\$0.00
4450-0154	Manual Valve Overrides for the (3) 6" valves tank inlet/outlet valves in the event of an air pressure failure.	\$1,141.00
4450-0155	2.5" Tank Fill Akron Electric/air control Valve.	\$1,789.00
4450-0156	3.0" Tank Drain Akron Air Actuated Valve.	\$1,722.00
4450-0158	Rear tank dump. Includes stainless finish steel assembly with electrically actuated valve. For use with slip on extension and chute. Includes Slip-on stainless steel dump extension and chute with beavertail mounted removable support arm bracket and tailboard mounted storage tray (officer side) with retaining straps.	\$5,711.00

Option No.	Description	PRICE
4450-0159	Inlet/Outlet 6" Heated Collar. The heat collar will be install between the valve, and tank flange. They are connected to the coolant system on the truck to circulate anti-freeze. Also a 110 volt heater and thermostat for freeze control when the truck is parker. The 110 volt heater shall be connected to shoreline.	\$1,866.00
4450-0160	Bush Pack 1" Fill with 1" Cam-Lock fitting located on pump operator pump panel. Include a 3' length of 1" clear hose.	\$434.00
4450-0161	Direct .75" Water Tank Fill Plumbing to Terminate with .75 Female Hose Bib.Location: [#LOC]	\$547.00
4450-0162	Direct 2.5" water tank fill with Akron valve. Location: Driver side rear of steamer Top Mount Control.	\$1,565.00
4450-0163	Direct 3" water tank fill. Location: Driver side pump panel.	\$1,657.00
4450-0164	Direct 2.5" Tank Fill Akron Electric Valve with Dual Control (1) control at the valve and (1) at the pump operator panel. Valve location officer side rear.	\$4,111.00
4450-0165	3" rear direct tank fill. Includes swing handle control, swivel with droop and plug with retainer. Located to [#LOC] of the rear body.	\$1,526.00
4450-0166	Additional 3" Tank To Pump Akron Manual Valve w/4" plumbing. Shall include internal plumbing to the rear of the tank into the rear sump on officer side.	\$2,262.00
4450-0167	Direct tank fill, Right rear panel, 2.5" Akron, control at valve, option, Wildland	\$817.00
4450-0168	Direct tank fill, Left side pump panel, 2" Akron, control at valve, option, Wildland	\$817.00
4450-0169	4" rear direct tank fill. Includes handwheel control, with 5" Swivel Storz elbow and cap. Located to [#LOC] off rear of body	\$3,168.00
4450-0170	Rear tank dump. Includes stainless finish steel assembly with electrically actuated valve. For use with slip on extension and chute. Includes beavertail mounted removable support arm bracket. Slip-on stainless steel dump extension with tailboard mounted storage tray (officer side) with retaining straps and chute mounted in B1 compartment above the dump.	\$5,711.00
4450-0171	2.5" rear direct tank fill. The 2.5" direct water tank fill connection shall include an inlet strainer, a 2.5" FNST chrome inlet swivel, w/double male nst adapter and a chrome cap with cable. [#LOC] of the rear body.	\$1,303.00
4450-0172	4" Direct Tank Inlet/Outlet w/4" Elect Valve. Include 4" plumbing, strainer and terminate with 4"FNST X 5" storz adapter w/cap. Location at left side pump panel.	\$4,470.00
4450-0174	2.5" Direct Tank Fill Akron Electric Valve with Dual Control (1) control at the valve and (1) at the pump operator panel. Valve location officer side rear.	\$4,364.00
4450-0175	4" rear direct tank fill. Includes electric dual control (1)operator panel (1) at valve, with 4" Swivel Storz elbow and cap. Located to (1) left and (1) right side off the rear body	\$4,059.00
4450-0176	3" Tank to Pump Electric Over Air Actuated Valve w/4" Plumbing.. Include (1) control in cab, and (1) control pump operator panel).	\$1,824.00
4450-0177	Manual 3" tank-to-pump w/4" plumbing for use with QFLO pump on side mount pump module.	\$0.00
4450-0178	Manual 3" tank-to-pump w/4" plumbing for use with QFLO pump on top mount pump module.	\$0.00
4450-0179	Manual 3" tank-to-pump w/4" plumbing for use with QMAX pump on side mount pump module.	\$0.00
4450-0180	Manual 3" tank-to-pump w/4" plumbing for use with QMAX pump on top mount pump module.	\$0.00
4450-0181	Hose bib female direct tank inlet 3/4" with valve. Location Officer side pump panel.	\$326.00
4450-0182	Rear tank dump. Includes stainless finish steel assembly with air actuated valve on top of dump assembly. Includes integral swivel chute with manual extension.	\$6,416.00
4450-0183	4" rear direct tank fill. Includes handwheel control, with cap and retainer. Valve to be Located on rear tailboard officer side. Include stainless steel plumbing from the top of the tank to tailboard. A 2.5" Direct inlet shall be "T" into the 4" piping up high.	\$4,559.00
4450-0184	Hose bib female direct tank inlet 3/4" with valve. Location Driver side pump panel.	\$326.00

Option No.	Description	PRICE
4450-0185	3" Tank to Pump Electric Over Air Actuated Valve. (For Pump&Roll Operation)	\$1,824.00
4450-0186	2.5" Tank Fill "AutoFill" Automatic Tank Fill Valve. Location: [#LOC].	\$8,488.00
4450-0187	Rear Suction Location: [#LOC]	\$0.00
4450-0188	Rear tank dump. Includes painted steel assembly with manually actuated valve on top of dump assembly. Includes integral 6012 series swivel chute with manual telescopic extension and with locking system.	\$3,996.00
4450-0190	Rear tank dump. Includes painted steel assembly with electric actuated valve on top of dump assembly. Includes integral swivel chute with manual telescopic extension and locking system..	\$5,627.00
4450-0191	Rear tank dump. Includes painted steel assembly with electric actuated valve and integral manual extension chute.	\$2,720.00
4450-0192	Rear tank dump. Includes stainless steel assembly with electrically actuated 1070 dump valve. Includes integral swivel chute with manual extension.	\$7,291.00
4450-0193	Driver and officer side tank dumps. Includes stainless steel assembly with electrically actuated valve. For use with flip chute.	\$5,194.00
4450-0194	2.5" Left Rear Direct Tank Fill. Includes swing handle control, swivel, and plug with retainer. The valve piping shall be connected to the front face of the tank inside pump compartment with the valve located at the rear of unit.	\$1,471.00
4450-0195	Rear tank dump. Includes stainless steel assembly with manually actuated valve on top of dump assembly with quick release pin to allow for folding down handle. Includes integral swivel chute with manual extension.	\$5,212.00
4450-0196	Slip-on stainless steel dump extension chute.	\$901.00
4450-0197	6" Rear Jet Dump 36" Extension Chute w/6" Female Cam Lock.	\$954.00
4450-0198	Fill 2.5" water tank Akron checked valve. Location: [#LOC].	\$1,574.00
4450-0199	Reverse push/pull handle on 3" tank to pump Akron manual valve. The "in" position will be open and the "out" position will be closed.	\$59.00
4450-0200	3" Rear Direct tank fill. Includes Fireman Friend 3" valve with 4" body to terminate with 3" FNST adapter, 30 degree droop and plug. Locate [#LOC]. Wetside only.	\$1,807.00
4450-0201	4" Rear Direct tank fill. Includes Fireman Friend 4" valve with 5" Storz elbow adapter and cap. Located to [#LOC] of the rear body	\$2,908.00
4450-0202	Rear tank dumps. Includes stainless steel assembly with electrically actuated valve with flip chute.	\$4,010.00
4450-0203	Rear tank dump. Includes stainless steel assembly with electrically actuated valve. For use with slip on extension and chute.	\$2,598.00
4450-0205	Direct 4" Tank Fill Akron Electric Valve with Dual Control (1) control at the valve and (1) at the pump operator panel. Valve location [#LOC].	\$4,802.00
4450-0206	4" rear direct tank fill. Includes handwheel control, swivel with droop with cap and retainer. Include 3/4" bleeder. Located to [#LOC] of the rear body.	\$2,654.00
4450-0207	2" Tank to Pump Electric Over Air Actuated Valve. (For Pump&Roll Operation)	\$1,295.00
4450-0208	Rear Tank Inlet 3". Includes Water Level Gauge Located in B1 Compartment.	\$1,900.00
4450-0209	2" tank fill Akron manual valve.	\$1,489.00
4450-0210	2" tank fill Akron electric valve & Navigator Pro 9323 Controller.	\$2,802.00
4450-0211	2.5" Direct Tank Fill "AutoFill" Automatic Tank Fill Valve. Waterous (Auto Fill) shall be "T" into both side 6" intake, front, and rear 5" intake with a special manifold and check valves.	\$5,781.00
4450-0212	Rear tank dump. Includes steel assembly with manually actuated valve on top of dump assembly. Includes integral 6012SW swivel chute with manual telescopic extension and swivel to have seven position lock system.	\$3,996.00

Option No.	Description	PRICE
4450-0213	Newton dump switch to have a red flip up cover (or bezel).	\$56.00
4450-0214	Tank Level Gauge Transducer shall have a 1/4 turn shut off service valve.	\$75.00
4450-0215	2" tank fill Akron Electric Valve & Navigator 9325 controller. Controller only, no flow or pressure reading require.	\$2,829.00
4450-0216	Tank-to-pump 4" Akron electric valve with Navigator 9325 Controller. Controller only, no flow or pressure reading require.	\$3,829.00
4450-0217	2.5" Direct foam tank fill Elkhart Unibody manual valve. Plumbing to be reduced to 2" after the valve. Location: [#LOC].	\$1,407.00
4450-0218	6" Rear Gravity Dump No Valve terminate with 6" NST and cap.	\$2,836.00
4450-0219	Rear tank dump. Includes painted steel assembly with manually actuated valve on top of dump assembly. Includes integral 6012SW swivel chute with manual telescopic extension and swivel to have seven position lock system.	\$4,597.00
4450-0220	Dump valve/extension switching location. For use with electric double dump and/or electric extension applications. Switch(s) location: [#LOC].	\$0.00
4450-0221	3" Left Rear Direct Tank Fill. Includes swing handle control, swivel, and plug with retainer. The direct tank fill piping shall be connected to the top of the tank and routed down to the valve located at the rear of unit down low.	\$2,021.00
4450-0222	3" Right Rear Direct Tank Fill. Includes swing handle control, swivel, and plug with retainer. The direct tank fill piping shall be connected to the top of the tank and routed down to the valve located at the rear of unit down low.	\$2,021.00
4450-0223	4" Rear Direct tank fill. Includes Fireman Friend 4" valve with 4" MNST adapter and cap. Located above lowered B1 compartment in upper smooth plate bolt on panel.	\$2,908.00
4450-0224	4" tank to pump with Hale Valve air actuated unibody valve.	\$3,282.00
4450-0225	5" Check Valve shall be install in front intake to prevent back flow.	\$1,161.00
4450-0226	4" Rear Direct tank fill w/4" check valve and piping. Include a 4" MNST adapter and cap. Located officer side rear.	\$2,174.00
4450-0227	Direct 2.5" Tank Fill W/2" Electric/Air Valve include 2.5" swivel/plug and control at pump operator panel. Location: Under R1, and R2 compartment between slide out steps.	\$1,430.00
4450-0228	Rear tank dump. Includes stainless steel assembly with manually actuated valve on top of dump assembly. Includes integral 6012 swivel chute with manual telescopic extension and with locking system.	\$5,783.00
4450-0229	3" Tank Fill Akron Valve Handwheel Control	\$2,472.00
4450-0230	3.5" Tank To Pump Akron Manual Valve w/4" Plumbing. Piping from the tank to the valve to be 4".	\$1,533.00
4450-0231	6" Rear Jet Dump w/6" Electric/Air Butterfly Valve to terminate w/ 6" NST with jet Control at Pump operator panel and 6" dump valve control at left side rear.	\$5,032.00
4450-0232	Second 3" Tank To Pump Elkhart Unibody Electric Actuated Valve w/4" Plumbing	\$3,550.00
4450-0233	Driver side lower pump panel mounted 2.5" manual direct tank fill. Include check valve.	\$2,242.00
4450-0234	3" Tank to Pump. Includes Akron manual valve with controller located in body R1 compartment. Valve to terminate in a 3 inch Storz suction fitting. Locate valve center 9-1/2 inches above floor and 6 inches forward of rear door opening. Storz end should be just behind door when closed.	\$1,516.00
4450-0235	Officer side 2.5" direct tank fill locate on lower pump panel.	\$2,242.00
4450-0236	2" Tank Fill Elkhart Unibody Valve Handwheel	\$2,320.00
4450-0237	3" Tank To Pump Elkhart Unibody Manual Valve w/4" Plumbing. Include manual hand wheel control.	\$1,940.00
4450-0238	Tank-to-pump 4" Akron electric valve with Navigator 9323 Controller.	\$3,829.00
4450-0239	Direct 2.5" water tank fill with Akron valve. Location: Officer side rear of steamer. Control at pump operator panel.	\$1,565.00

Option No.	Description	PRICE
4450-0240	5" Rear Jet Dump w/5" Akron Manual Butterfly Valve. Include a 5" Ames female coupler connection.	\$4,059.00
4450-0241	4" rear direct tank fill. Includes handwheel control, with 4" Swivel Storz elbow and cap. Located to officer's side off rear of body	\$3,168.00
4450-0242	6" Rear Gravity Dump with 6" manual hand wheel control valve to terminate with 6" MNST connection with cap..	\$5,142.00
4450-0243	Direct 2.5" Water Tank Fill with Firemen Friend high flow Valve. Location: B1.	\$1,625.00
4450-0244	3" Tank To Pump outlet, and 2" Tank Fill inlet shall be cap off at tank for Dealer install portable pump.	\$155.00
4450-0245	Tank level gauge located in L1 on stainless steel bracket. For Dealer Install Pump.	\$0.00
4450-0246	5" Rear Jet Dump No Valve. Include 1-1/2" inline elect/air valve and high pressure hydraulic hose connected to the 1-1/2" internal tank piping which runs to the rear of the booster tank.	\$3,005.00
4450-0248	4" rear direct tank fill. Includes handwheel control, with cap and retainer. Located to the rear body	\$2,687.00
4450-0249	4" rear direct tank fill. Includes handwheel control, with cap. Located to [#LOC] of the rear body.	\$2,654.00
4450-0250	2.5" Direct Tank Fill "Elkhart AutoFill" UBEC1AT Automatic Tank Fill Valve. Location: off driver side MIV intake valve.	\$5,004.00
4450-0251	4" Tank to Pump Akron Valve Hand Wheel Control.	\$4,256.00
4450-0252	2.5" tank fill Akron electric valve. At pump panel.	\$2,875.00
4450-0253	4" electric tank to pump	\$3,356.00
4450-0254	Direct 2.5" Tank Fill W/2.5" Electric/Air Valve. Include 2.5" swivel/plug and control at pump operator panel. Location: Rear center body above B1.	\$1,430.00
4450-0255	4" Rear Direct tank fill with bleeder. Includes Fireman Friend 4" valve with 4" Storz elbow adapter and cap. Located to officer of the rear body.	\$3,015.00
4450-0256	2.5" Rear Direct tank fill. Includes Fireman Friend 3" valve with 4" body to terminate with 2.5" FNST adapter, 30 degree droop and plug. Location; B1	\$1,807.00
4450-0257	1.5" Tank Drain Elkart Manual Valve with pull cable control at left pump panel. Valve shall be located at the tank sump and extend plumbing below frame rail.	\$894.00
4450-0258	1.5" Tank Fill/Re-circulation line Akron manual valve.	\$972.00
4450-0259	1.5" Tank Fill/Re-circulation line Elkhart manual valve.	\$972.00
4450-0260	2.5" Tank Drain Akron Air Actuated Valve.	\$1,525.00
4450-0261	2.5" Tank Fill Waterous 2.5" Valve.	\$1,533.00
4450-0262	Direct 2.5" Water Tank Fill with Firemen Friend high flow Valve. Location: [#LOC].	\$1,625.00
4450-0263	Rear tank dump. Includes stainless steel assembly with manual actuated valve on top of dump assembly. Includes integral manual extension chute.	\$2,931.00
4450-0264	Second 3" tank to pump Akron manual valve w/4" tank connection.	\$1,253.00
4450-0265	Tank plumbing, tank to pump, and tank fill lines will be run together above L2/R2 floor. Include a smooth plate cover.	\$300.00
4450-0266	5" Rear Jet Dump w/5" Elect/Air Butterfly Valve. Jet manual valve control at operator pump panel. Air actuated valve control located (1) in cab, and (1) at left rear of body.	\$4,073.00
4450-0267	2.5" Direct Fill Line into the tank, Elkhart electric valve. Location: driver side pump panel.	\$3,412.00
4450-0268	2.5" rear direct tank fill. The 2.5" direct water tank fill connection shall include an inlet strainer, a 2.5" FNST chrome inlet swivel, w/double male nst adapter and a chrome cap with cable. Valve to be Located down low (1)driver, and (1)officer side rear. Fill to be piped internally to the top of the water tank to reduce head pressure during filling.	\$1,509.00

Option No.	Description	PRICE
4450-0269	3" Dual Tank to Pump Akron Manual Valves (2) independent controls with 4" tank connection- Side Panel Controlled.	\$2,734.00
4450-0271	5" Rear Jet Dump w/5" Electric/Air Butterfly Valve to terminate w/5" Ames female coupler connection, with jet Control at Pump operator panel and 5" dump valve control at left side rear.	\$5,032.00
4450-0272	2.5" Direct Fill Line into the tank, Elkhart electric valve. Location: driver side pump panel.	\$3,412.00
4450-0273	Direct 2.5" Water Tank Fill with Akron manual/Firemen Friend Valve. Location: Officer side rear below ladder tunnel. Include 2.5" stainless steel pipe and/or high pressure flexible hose from the connection to the water tank.	\$2,807.00
4450-0274	3.5" rear direct tank fill with 3" Akron manual valve. Includes swing handle control, swivel with droop and plug with retainer. Located to officer's side of the rear body.	\$1,845.00
4450-0275	16" Rear tank dump. Includes stainless steel assembly with electrically actuated valve. (NO EXTENSION)	\$2,598.00
4450-0276	Dump valve/extension switching location. For use with electric single or triple dump and/or electric extension applications. Switch(s) location: (2) driver (driver side and rear) and (2) officer side outboard side of beavertails/body	\$586.00
4450-0277	5" rear direct tank fill. Includes Akron 7982 inlet valve with 5" FNST X 5" STORZ swivel. Located to officer's side off rear of body	\$4,482.00
4450-0278	Direct 2.5" water tank discharge outlet shall be a gravity outlet coming directly from the tank with stainless steel plumbing. Location: Officer side pump panel.	\$1,415.00
4450-0279	2.5" Tank drain, Akron manual valve with push-pull T-handle control. Locate under driver side running board.	\$1,185.00
4450-0280	4" Rear Direct tank fill. Includes Fireman Friend 4" valve with 4" body to terminate with 4" FNST adapter, 30 degree droop and plug. Locate [#LOC].	\$2,228.00
4450-0281	2.5" Rear Direct tank fill. Includes Fireman Friend 3" valve with 4" body to terminate with 2.5" FNST adapter, 30 degree droop and plug. Location: [#LOC].	\$1,807.00
4450-0282	3" Tank to pump Akron air actuated valve w/4" tank connection. Include a heavy duty three position switch.	\$1,722.00
4450-0283	Direct .75" Water Tank Fill Plumb to the fill Tower and Terminate with .75 Female Hose Bib. Location: driver side pump panel.	\$347.00
4455-0004	Gasket Material around all Discharges, Intakes and Handle Slots on Pump Panel to hold in heat of Module Plumbing	\$1,034.00
4455-0010	Winterization Package. System shall protect the pump, piping, firefighting systems and watertank to 0 degree. While in storage the winterization system shall be powered through shoreline connection.	\$4,370.00
4455-0011	Webasto Winterization system shall protect the pump, piping, firefighting systems and watertank. Include seperate reservoir for coolant. Heaters control in cab.	\$9,216.00
4455-0012	Winterization Package. System shall protect the pump, piping, firefighting systems and water tank to 0 degree. While in storage the winterization system shall be powered through winterization shoreline connection.	\$4,370.00
4455-0013	Webasto Winterization system shall be wired to cut off when tank level empty light come on.	\$0.00
4460-0000	Air outlet w/snubber valve. Location: [#LOC].	\$284.00
4460-0001	Air blow-out for: [#LOC].	\$267.00
4460-0003	Pump panel tags color coded per NFPA compliance.	\$0.00
4460-0004	All tags installed on the exterior of the apparatus shall be mechanically fastened with stainless steel screws. These include but not limited to tags installed on the pump module, body, cab and bumper. Pump panel tags shall be mechanically fastened regardless whether the panel is enclosed behind a door.	\$1,335.00
4460-0005	Fire Shop Bezel Chrome - Standard 2.5" Gauge	\$42.00
4460-0006	Radiator Fill Valve on Pump Panel.	\$314.00

Option No.	Description	PRICE
4460-0007	Air outlet with snubber valve and 25' hose. Location: [#LOC].	\$319.00
4460-0008	Air Outlet Valve to operate off of CAFS System Compressor. Location: [#LOC].	\$392.00
4460-0009	Pump panel tags, special color. (Must specify.)	\$336.00
4460-0010	Pump panel tags - Special label. (Must specify.)	\$287.00
4460-0011	OK To Pump Light - Pump Panel Mounted - Green .75" Light. Located near pressure governor.	\$75.00
4460-0012	Panel support. Vertically hinged panels to have support bracing provided along internal side of main panel only.	\$0.00
4460-0013	Air Outlet Valve. Plumbed from the reservoir tank. Includes quarter turn valve. Location: [#LOC].	\$335.00
4460-0014	Check Engine and Stop Engine light mounted on pump panel. Wire lights to pump module mounted alarm.	\$288.00
4460-0015	Pump panel lights on both sides to operate from switch on driver's pump panel only.	\$0.00
4460-0016	All tubing to be enclosed in protective loom behind the pump panel.	\$284.00
4460-0017	Class 1 Color Coded Bezel Chrome - 2.5" Gauge.	\$27.00
4460-0018	Class 1 color coded bezel, chrome - 3.5" gauge.	\$31.00
4460-0019	A throttle and switch will be provided and mounted behind pump operator's panel in a recessed box. The switch will allow the operator to toggle from pressure governor to throttle for emergency. There will be installed a automatic constant pressure relief system that will limit the maximum discharge pressure of the fire pump to 125psi during emergency operation when throttle switch is actuated. A recessed box with a hinged door will be provided and constructed out of stainless steel to house the throttle, throttle select switch.	\$3,014.00
4460-0020	Pump shift override label. Locate on pump control panel. Label to provide instruction on use of the pump shift override	\$54.00
4460-0021	Diagramatic Vinyl Side Mount Pump Panel Label of the discharges & preconnects specified color coding for handles and gauges.	\$2,042.00
4460-0022	Stainless steel plates for all discharges and intakes behind the pump panel access doors, each side. Stainless steel plates to be mounted on the valve with rubber gasket to seal opening.	\$1,191.00
4460-0023	Span Color Coded Bezel - 2.5" Gauge	\$11.00
4460-0024	Span Color Coded Bezel - 3.5" Gauge	\$11.00
4460-0025	Cut-out on officer side pump panel with expended metal. Cut-out to be approx. 14" wide x 6" high to provide sight to cord reel in pump house. Cut-out to be located above cord reel rollers on pump panel.	\$163.00
4460-0026	CAFS Air Outlet Valve Recess Driver side Pump Panel with door.	\$396.00
4460-0027	Diagramtic vinyl rear mount pump panel labeling of discharges and/or preconnects. Includes rear panel (with hosebed deck gun) and front discharge layouts (two (2) views- No top view).	\$2,042.00
4460-0029	All exterior 1x3, and .1/2x1 tags shall be Vision Mark tags.	\$744.00
4460-0030	L1 forward body compartment pump panel mount. Includes structural build out for panel mount.	\$1,816.00
4460-0031	Attach Escutcheon Plates with Thunb Latch on Officer Side.	\$196.00
4460-0032	Push/Pull Rod Extrusion at pump panel to be thru bolted with nuts IPOS nut cert.	\$100.00
4460-0033	CAFS Air outlet .75 valve with Handle and Quick Disconnect. Location: [#LOC]	\$441.00
4460-0034	Cab jack access door. Located on officer side pump panel in upper rearward area. Includes twist and turn latch.	\$273.00
4460-0035	Diagramtic Vinyl Overlay Rear Mount Pump Panel. All Foam controls and Foam Discharges Yellow, Intakes Blue, Water Discharges Red, and Pump and Engine Gray.	\$2,042.00

Option No.	Description	PRICE
4460-0036	Special NFPA color coded "T" handles with color coded tags (IPOS). Use new Fire Shop color coded "T" handles with color coded tags on plumbing push/pull handles. See PM when handles are to be installed.	\$0.00
4460-0037	Fire Shopp NPFA Color Coded "T" handles with color coded tags.	\$53.00
4460-0038	Diagramtic Vinyl Overlay Pump Operator Panel. All controls and Discharges, and Intakes.	\$2,042.00
4460-0039	Innovative Controls Color Coded Bezel Chrome - 2.5" Gauge.	\$114.00
4460-0040	Discharge Escutcheon Plates NFPA Color Coded to match photos in file with vinyl overlay shall be around each discharge outlet on driver and officer pump panel.	\$538.00
4460-0041	Pump panel access doors on the RH and LH pump panels.	\$4,440.00
4460-0042	Diagramtic Top Mount Pump Panel Label of the discharges & preconnects specified color coding for handles and gauges..	\$5,174.00
4460-0043	Pump panel tags mechanically fastened with screws.	\$441.00
4460-0044	Cab jack access door. Located on officer side pump panel in forward area. Includes twist and turn latch.	\$273.00
4460-0045	Innovative Controls Tags, all plumbing, and body 1x3 tags shall be Innovative Controls. To include round tag for TM controls if applicable.	\$758.00
4460-0046	Innovative Control Noshok 4" Master Gauge Bezel.	\$123.00
4460-0047	Upgrade right hand side pump panel. 1.5" foam tank fill shall be upgraded to a gated fill/drain (in place of standard checked valve).	\$229.00
4460-0048	Innovative Control 7.75" Dia Pump Intake Color Code Bezel Trim Ring.	\$131.00
4460-0049	Innovative Control 4" Dia Pump Intake/Discharge Color Code Bezel Trim Ring.	\$120.00
4460-0050	Innovative Controls Foam Discharge Identifying label shall be installed in recessed areas on each foam discharge gauge bezel.	\$10.00
4460-0051	Speaker cut out with "E-ONE" stainless steel grille. Located pump operator panel. For dealer install speaker.	\$142.00
4460-0052	Pump panel lighting (LHS and RHS) shall be upgraded to LED display lighting IPOS.	\$416.00
4460-0053	One (1) tag shall be added to each fill/drain to indicate "OPEN\CLOSE" for each pump panel (LHS and RHS as applicable).	\$76.00
4460-0054	One (1) tag shall be added to each inlet to indicate "80 PSI MAX" for each pump panel (LHS and RHS as applicable).	\$76.00
4460-0055	Upgrade right hand side pump panel. 2.5" Water tank fill to be upgraded to a gated fill/drain (in place of standard checked valve).	\$202.00
4460-0056	Gauges in the pump panel instrument panel shall be 0-400 PSI, 4.5" for both LHS and RHS pump panels.	\$212.00
4460-0057	Upgrade 2.5" fill at the pump panel to have a flange mounted 30 degree droop, swivel chrome body (in place of standard flange mounted straight swivel chrome body). Location: [#LOC].	\$180.00
4460-0058	Push-pull handles on the pump operator's panel to be oriented vertical. eMAX only.	\$0.00
4460-0059	Class 1 color coded bezel gauge trim ring - 2.5" Gauge	\$40.00
4460-0060	Color coded trim rings around all inlets and outlets for both driver and officer side. The side discharge outlets shall be color coded and labeled to correspond with the discharge identification tag.	\$1,382.00
4460-0061	Air outlet with 3/8" valve 1/4 turn, and 25' hose. Location:driver side	\$375.00
4460-0062	Air outlet w/3/8" valve. Location: Officer side pump panel.	\$313.00
4460-0063	Innovative Control 5.5" Dia Pump Intake/Discharge Color Code Bezel Trim Ring.	\$121.00
4460-0064	A as built plumbing schematics tag on aluminum plate shall be install on rear of cab. Locate center below rear vista window.	\$394.00
4460-0066	Diagramtic Vinyl Pump Panel Label of the discharges & preconnects outlets. Location; On forward wall of L1 compartment adjacent to pump operator panel. Specified color coding.	\$2,042.00
4460-0067	Officer side pump panel shall include an access door to provide access to the cab tilt switch and manual jack as mounted.	\$208.00

Option No.	Description	PRICE
4460-0069	Class 1 color coded bezel gauge trim ring - 3.5" gauge.	\$45.00
4460-0070	Fire Shop Trim Ring/Collar Chrome w/color code insert - Side Discharge/Intake	\$102.00
4460-0071	Pump panel cutout with bolt on stainless steel cover plate for foam level gauge. Cutout to match the brand of water level gauge specified.	\$65.00
4460-0072	Area for diagrammatic truck symbol on pump panel to be painted black with smooth surface ipo Zolatone.	\$0.00
4460-0073	Pump Panel Tags 1" x 3" Addition label for each TM Control handles.	\$73.00
4460-0074	Air blow-out for:Frt Jumpline .75" lift lever turn valve IPOS.	\$317.00
4460-0075	Water/Foam Capacity label mounted adjacent to level gauges.	\$59.00
4460-0076	The Driver's side pump panel instrument panel shall be modified to include verbiage and punching for only those options that are called for per specific order detail affecting the drivers pump panel instrument panel. Options not selected will not be present.	\$79.00
4460-0077	Foam tank tag colors on PPNL to match color of fill towers on unit IPO standard RED.	\$27.00
4460-0078	Pump panel tags, special color. #1 -Red Crosslay #2 -Yellow 2" tank fill- Black 3" tank to pump- Black 2.5" Left Intake - Black 2.5 Left rear dis -Blue 3" Deck Gun - Grey 2.5 Left Dis - Pink 2.5 Right Dis- Green 4" Right Dis- Purple.	\$336.00
4460-0079	Pump Panel Tags 1" x 3", Additional label for tank to pump control handle. The "in" position will be open and the "out" position will be closed.	\$30.00
4460-0080	Diagrammatic Vinyl Overlay Rear Mount Pump Panel Label of the discharges & preconnects specified color coding for handles and gauges.	\$2,042.00
4460-0081	Stainless steel trim plates for all discharges, intakes and pump inlets on hinge side pump panels.	\$108.00
4460-0082	Label the water level gauge "TANK".	\$6.00
4460-0083	Pump panel NFPA warning tags, special location.	\$49.00
4460-0084	6" Gauge panel to be tilt outward at the top.	\$536.00
4460-0085	CAFS Air Outlet Valve Recess Driver side Pump Panel with door.	\$396.00
4460-0086	Air blow-out with Innovative Control 1/4" valve w/1/4 turn "T" handle and label for: [#LOC].	\$255.00
4460-0087	Hose reel blow-out, with Innovative Controls 1/4" valve w/1/4 turn handle.	\$255.00
4460-0088	Air outlet with Innovative Control 1/4" valve w/1/4 turn "T" handle and label for: [#LOC].	\$255.00
4460-0089	Pump panel tags, special color. Discharge #1 - blue; Discharge #2 - white; Preconnect #1 - red; Preconnect #2 - yellow.	\$268.00
4460-0090	All single tags placed directly on the pump panel to be mechanically fastened with screws.	\$441.00
4460-0091	Stainless Steel discharge escutcheon plates color coded to match the custom tag colors shall be around each discharge hand wheel and electric valve controller. Plate also includes discharge gauge and foam ratio controller (if equipped). Plates shall also be provided for intake valve controllers. Also includes coloring of the custom auxiliary suction outlet on driver side pump panel.	\$600.00
4460-0092	Pump panel tags, special color. (4450-0010- tank fill- black color, 4450-0119-tank to pump- white color, 4415-0012-654 1.5" crosslays- #1 green, #2 blue, 4415-0014-581-2.5" pump panel discharge #1- Lime green, 4415-0014-582-2.5" pump panel discharge #2-Brown, 4415-0016-584- 2.5" right panel discharge-red, 4415-0022-350- 2.5" left rear discharge- Yellow, 4415-0041- deck gun discharge- pink, 4415-0054-583 4" right side pump panel discharge-Purple, and 4415-0058-655- 2.5" crosley-Orange.)	\$336.00

Option No.	Description	PRICE
4460-0093	Pump panel tag colors. 4450-0010 tank fill- Black, 4450-0019- tank to pump-Black, 4415-0012-064 crosslay #1 blue, #2 red, 4415-0022-350 2.5" left rear discharge-mustard yellow 4415-0041 deck gun-Grey 4415-0058-655 2.5" crosslay- Green 4415-0161-581- 2.5" left panel discharge #1 Green 4415-0162-182- 2.5" left panel discharge # 2- Blue 4415-0517-583- 4" right panel discharge-yellow with white border.	\$336.00
4460-0094	Pump drain tag with chrome bezel installed on vertical edge of the officer side running board below the footman loop that secures the hose well strap.	\$0.00
4460-0095	Air outlet with Innovative Control 1/4" valve w/1/4 turn "T" handle w/label and 25' hose. Location: driver side	\$375.00
4460-0096	Speaker Grille Located on the pump operator panel.	\$260.00
4460-0097	Pump panel tag colors. 4450-0010 tank fill- Platinum, 4450-0019- tank to pump-Black, 4415-0012-654 crosslay #1 orange, #2 red, 4415-0028-351 2.5" right rear discharge-lime green, 4415-0058-655 2.5" crosslay- white, 4415-0161-581- 2.5" left panel discharge #1 Green, 4415-0164-584- 2.5" right panel discharge # 2- Blue 4415-0517-583- 4" right panel discharge-yellow with white border.	\$336.00
4460-0098	Heat tapes are to be wrapped around the surface to be heated instead of being laid length-wise.	\$0.00
4465-0001	** OBS ** Fire Commander pressure governor. Includes engine gauges. Detroit S60 only.	\$4,923.00
4465-0003	FRC In-Control pressure governor. Includes engine and master pump gauges.	\$5,831.00
4465-0005	Class 1 Captain pressure governor.	\$3,086.00
4465-0007	Class1 Command Master pressure governor. Includes pump intake pressure and discharge pressure, throttle, relief, tank level(s), water, oil, volt and tachometer.	\$5,649.00
4465-0008	FRC PumpBoss Pressure Governor. Includes engine gauges.	\$2,868.00
4465-0009	FRC Pro-S Pressure Governor	\$3,027.00
4465-0010	FRC In-Control pressure governor TGA200. Includes engine transmission and master pump gauges.	\$5,895.00
4465-0011	Class 1 TPG pressure governor. Includes, water, oil, volt and tachometer.	\$2,379.00
4465-0012	Fire Commander II pressure governor. Includes engine gauges, Pump Digital Master Gauges. Detroit engines only.	\$5,641.00
4465-0013	FRC In-Control pressure governor. Includes engine and master pump gauges.The discharge pressure display shall show pressures from 0 to 4000 kPa. The intake pressure display shall show pressures from -100 to 4000 kPa.	\$5,831.00
4465-0014	FRC In-Control pressure governor. Includes engine and master pump gauges. For use with International MaxxForce engines.	\$0.00
4465-0015	FRC In-Control pressure governor TGA300. Includes engine, transmission, and master pump gauges.	\$4,294.00
4465-0016	Class1 TPG pressure governor. Includes water, oil, volt and tachometer.	\$0.00
4465-0017	FRC PumpBoss pressure governor PBA400. Includes engine monitor gauges.	\$2,868.00
4465-0018	FRC InControl pressure governor TGA400. Includes engine, transmission, and master pump gauges.	\$4,294.00
4465-0019	Class1 TPG Plus pressure governor. Includes master gauge readings, water, oil, volt and tachometer.	\$0.00
4465-0020	Class 1 TPG Plus pressure governor. Includes master intake and discharge gauges, water, oil, volt and tachometer.	\$3,177.00
4465-0021	FRC In-Control pressure governor TGA400-A10. Includes engine, transmission, and master pump gauges.	\$4,294.00
4465-0022	Class 1 Sun Guard Pressure governor cover. Durable steel construction in black matte finish. Flips up to read controls; lays flat when not in use.	\$242.00
4465-0023	FRC In-Control pressure governor. Includes engine and master pump gauges. For use with Freightliner Detroit Diesel engines.	\$0.00
4465-0024	The Pressure Governor as mounted on the pump panel shall include a stainless steel shield/visor to shade the display from direct sunlight (the shield/visor shall share the same painted on finish as the pump panel if applicable).	\$161.00

Option No.	Description	PRICE
4465-0025	Class 1 TPG Plus pressure governor. Includes master intake and discharge gauges, water, oil, volt and tachometer for WaterMaster.	\$0.00
4465-0026	FRC In-Control pressure governor TGA300. Includes engine, transmission, and master pump gauges. (WATERMASTER ONLY)	\$0.00
4465-0027	FRC In-Control pressure governor TGA400. Includes engine, transmission, and master pump gauges.	\$204.00
4465-0028	Class 1 Sentry pressure governor/ Twister throttle. Includes master intake and discharge gauges, water, oil, tran, volt and tachometer.	\$3,052.00
4465-0029	Pressure Governor shall be mounted in a diamond plate box located at front of L1 compartmet above pump operator panel.	\$155.00
4465-0030	FRC PumpBoss pressure governor PBA200. Includes engine monitor gauges.	\$2,472.00
4465-0031	FRC Total Control pressure governor TCA100. Includes engine, transmission, and master pump gauges.	\$3,779.00
4465-0032	Addition FRC InControl pressure governor TGA400-B00. Includes engine, transmission, and master pump gauges. Location: Officer side pump panel	\$2,818.00
4475-0000	Pump certification 750-2250 GPM	\$2,736.00
4475-0001	Pump Certification - Industrial	\$2,918.00
4475-0002	UL Testing - the unit will be third party tested and certified by Underwriters Laboratories Inc. (UL). UL will issue a Certificate of Automotive Fire Apparatus Examination and Test stating the unit's compliance with the required pump sections of NFPA.	\$3,103.00
4475-0003	Pump certification 750-2250 GPM. To be performed by UL (Underwriter's Laboratories). Stainless steel product only.	\$2,736.00
4475-0004	Pump certification 250-500 GPM	\$1,963.00
4475-0005	Pump certification 500 GPM.	\$0.00
4475-0006	Pump Certification 2500 GPM	\$2,918.00
4475-0007	Factory pump test only, not thrid party.	\$1,963.00
4475-0008	Pump Certification 3000 GPM.	\$2,918.00
4475-0009	UL Testing - the unit will be third party tested and certified by Underwriters Laboratories Inc. (UL). UL will issue a Certificate of Automotive Fire Apparatus Examination and Test stating the unit's compliance with the required pump sections of NFPA.	\$3,102.00
5000-0000	A master jumper disconnect switch provided between the positive side of the batteries and the positive slave receptacle stud. Installed adjacent to the jumper studs.	\$116.00
5010-0004	Multiplex data logger.	\$686.00
5010-0005	Multiplex electrical system for aerals.	\$6,141.00
5010-0010	Multiplex cab/non-multiplex body electrical system for pumper / tanker / rescue.	\$3,695.00
5010-0011	Body prep for non-multiplex electrical system. Existing multiplex boxes and covers to remain in rear side compartments.	\$0.00
5010-0012	Class 1 multiplex display to be located on the center dash electrical panel offset to driver side.	\$0.00
5010-0013	Vehicle data recorder - 2009 / 2016 NFPA compliant. Includes occupant detection with display. Display location: [#LOC].	\$2,721.00
5010-0015	Additional CrewGuard display for use with VDR. Location: [#LOC].	\$525.00
5010-0017	Multiplex electrical system for Tiller aerial.	\$7,405.00
5010-0018	Class 1 multiplex display to be located on the center dash electrical panel offset to officer side.	\$0.00
5010-0019	Class 1 multiplex display to be located on the side panel of center dash electrical cover facing outward (driver side).	\$0.00
5010-0020	Body and cab electrical system.	\$0.00
5010-0021	Body and cab electrical system. Includes multiplex electrical.	\$0.00

Option No.	Description	PRICE
5010-0023	All wiring must be in looms with no more than 4" exposure at termination ends. All wires will be clamped IPO zip ties. Do not tie wires to chassis fuel lines. The shunt will be a weather resistant box IPO a plate. Leave wiring loop for door alarm system This is required for correct operation of alarm system.	\$0.00
5010-0024	Modem for use with the E-ONE multiplex electrical system.	\$676.00
5010-0037	Multi-color touch screen display for multiplexed based electrical system. Location: [#LOC].	\$2,001.00
5010-0038	All electrical harnesses, air lines, brake lines and hydraulic lines are to be installed to the frame using metal clamps. Wire ties are not acceptable.	\$0.00
5010-0039	V-MUX Electrical system for aerials.	\$6,141.00
5010-0042	Load shed sequence to be per electrical requirements with current electrical load and NFPA alternator output and testing.	\$0.00
5010-0043	Multiplex 24V electrical system for pumper / tanker / rescue.	\$3,695.00
5010-0049	Vehicle data recorder - 2009 / 2016 NFPA compliant. Includes occupant detection shown in multiplex display. E-ONE chassis only.	\$2,348.00
5010-0050	V-MUX Electrical system for Tiller aerial.	\$7,405.00
5010-0051	HVAC Controlled through multiplex display(s).	\$1,235.00
5010-0052	Vista IV touch screen display for V-MUX electrical system. Location: [#LOC].	\$2,260.00
5010-0054	Locate line Voltage wiring in Carflex moisture resistant reinforced conduit.	\$1,020.00
5010-0055	Vista IV display for V-MUX electrical system. Location: [#LOC].	\$1,927.00
5010-0056	Mounting arm for driver's multiplex display in cab (6").	\$234.00
5010-0057	GPS Module for V-MUX electrical system (Garmin). Includes antenna. Requires Vista display.	\$1,737.00
5010-0058	All electrical harnesses are to be installed to the frame using metal clamps with bundling of wires using metal ties with coating. Wire ties are not acceptable.	\$0.00
5010-0059	VFD Text display for V-MUX electrical system. Location: [#LOC].	\$840.00
5010-0062	V-MUX GPS Module shall be controlled by the driver's Vista display.	\$0.00
5010-0063	V-MUX GPS Module shall be controlled by the officer's Vista display.	\$0.00
5010-0066	V-MUX GPS Module shall be controlled by the officer's Vista display. The Driver's display shall be for view only.	\$0.00
5010-0067	GPS Module for V-MUX electrical system (Weldon). Includes antenna. Requires Vista display with touch screen.	\$1,315.00
5010-0070	Es-Key Multiplex electrical system for aerials.	\$6,141.00
5010-0072	Information Center for Class1 Es-Key electrical system. Location: [#LOC].	\$840.00
5010-0073	Vista IV touch screen DIN mount display for V-MUX electrical system recessed in dash. Does not include any tactile switches. Commercial chassis only.	\$1,940.00
5010-0075	Vista display to have a customized sticker for legend buttons (Reference info in file for new configuration). May require special programming fee.	\$562.00
5010-0076	Vista display to have a non-standard sticker for legend buttons (Reference info in file for existing but non-standard configuration). May require special programming fee.	\$108.00
5010-0077	Vista display(s) to display in metric.	\$0.00
5010-0078	Link2 Vehicle information system for V-MUX electrical system. Does not include required subscription.	\$1,592.00
5010-0079	Vista display translated to French.	\$744.00
5010-0082	Vista IV display for V-MUX electrical system. Location: center overhead console. Commercial cab only.	\$2,203.00

Option No.	Description	PRICE
5010-0083	Vehicle Data Recorder Input connection to be labeled with an embossed metallic tag fastened in place with stainless steel hardware.	\$0.00
5010-0085	Vista IV touch screen DIN mount display for V-MUX electrical system. Does not include tactile switches. Commercial chassis only. Location: Inside rear body entry door way on LH bulkhead 5 feet above bottom entry way step off set inboard.	\$1,940.00
5010-0086	Weather proof Vista display for V-MUX electrical system. Location: [#LOC].	\$3,914.00
5010-0088	7" UltraView display for Es-Key electrical system. Location: [#LOC].	\$3,851.00
5050-0000	Vanner Bravo 1800 watt inverter. For use with (2) quartz lights. Includes on/off switch in cab. Inverter to be mounted in a body compartment as close to the chassis batteries as practical (20' max cable length).	\$3,009.00
5050-0001	Vanner 2600 watt inverter. For use with quartz lights. Includes on/off switch in cab. Inverter to be mounted in cab below rear wall bench seat.	\$4,646.00
5050-0002	Vanner 2600 watt inverter. For use with (2) quartz lights. Includes on/off switch in L1 compartment, next to breaker box. Inverter to be mounted in a L1 up high (20' max cable length).	\$4,646.00
5050-0003	Vanner 2600 watt inverter. For use with (2) quartz lights. Includes on/off switch in driver overhead console. Inverter to be mounted in L3 up high forward (20' max cable length).	\$4,646.00
5050-0004	Vanner 2600 watt inverter. For use with (2) quartz lights. Includes on/off switch in Gen compartment. Inverter to be mounted in Gen Compartment up high (20' max cable length).	\$4,646.00
5050-0005	Fluorescent light (EA). Locate above walkway in walk-in body, evenly spaced.	\$267.00
5050-0008	A Trip Lite power strip will be Located one on the back wall of the interior compartment, one each in the upper cabinets over the desk in the body, and one running vertically in L1 rearward. The Trip Lite will be 48" long.	\$692.00
5050-0009	Vanner 3600 watt inverter. For use with all 110. Includes on/off switch in L1 compartment, on forward wall. Inverter to be mounted in a L1 up high (20' max cable length).	\$5,371.00
5050-0010	Auto transfer switch 120 volt near main circuit breaker panel. Includes 8 place breaker box. Allows interior fluorescent lights, chargers and refrigerator to be powered by either shorepower or generator.	\$798.00
5050-0011	Interior fluorescent lights are to be wired through transfer switch to operate from shorepower and the generator.	\$0.00
5050-0012	One (1) 1/8" DA finish aluminum seven-slot electrical pigtail holder shall be provided and mounted in compartment 1 on secondary door pan.	\$128.00
5050-0013	110V/220V wiring on cab and body to be THHN type wire.	\$0.00
5050-0015	Vanner 2600 watt inverter, (NFPA rating at 1400 watts). Includes on/off switch in L1 compartment. Inverter to be mounted in a L1, forward wall up high (20' max cable length).	\$4,646.00
5050-0016	Vanner 2600 watt inverter, (NFPA rating at 1400 watts). Inverter to be mounted in a L1, on permanent shelf (20' max cable length).	\$4,646.00
5050-0017	Body 110 volt outlets shall have a dedicated breaker within the breaker box for no more than every (2) body mounted receptacles (single outlet, duplex, etc. as applicable). This is to provide multiple isolated circuits as required that carry no more than (2) receptacles located throughout the body.	\$556.00
5050-0018	Vanner Tru-sine 1000 watt inverter. For use with (4) cab interior receptacles when generator is not running or shoreline is not connected. Includes on/off switch in cab. Inverter to be mounted in a body compartment as close to the chassis batteries as practical (20' max cable length).	\$2,025.00

Option No.	Description	PRICE
5050-0019	Inverter prewire for dealer/customer supplied and installed 3KW inverter. Includes 12 volt wiring and A/C cabling to breaker box. Prewire to [#LOC].	\$862.00
5050-0020	Vanner 3000 watt inverter. For powering aux A/C from battery idle mitigation system. Location: [#LOC]	\$2,972.00
5050-0021	Inverter prewire for dealer/customer supplied and installed 5KW inverter. Includes 12 volt wiring and A/C cabling to breaker box. Prewire to [#LOC].	\$962.00
5100-0000	Foot switch to control air horns located [#LOC].	\$125.00
5100-0001	Switch circuit three way. Includes (1) additional switch. An additional switch required for more than two locations. Location: [#LOC].	\$177.00
5100-0002	Momentary switch with 6' pendant for cab tilt. Yellow weatherproof push button at end of coiled cord. Location of switch plug-in: [#LOC]	\$394.00
5100-0006	Foot switch to control Q2B located [#LOC].	\$125.00
5100-0007	Foot switch to control electronic siren located [#LOC].	\$125.00
5100-0008	Quartz Light Ajar switch (EA) for pole mounted light.	\$74.00
5100-0009	Audible door ajar alarm wired through door ajar light.	\$65.00
5100-0010	Additional push button hose reel switch. Location: [#LOC].	\$196.00
5100-0011	Switch 12V for 120-240V (EA). Location: [#LOC].	\$452.00
5100-0014	Air horns to be interlocked through the master warning switch.	\$106.00
5100-0015	Back-up alarm override momentary switch located at the cab dash. The switch will allow for overriding the back-up alarm and reset after transmission is shifted again.	\$62.00
5100-0017	Wire rear amber through ignition switch.	\$84.00
5100-0018	Primary Warning switch to activate all warning lights and siren controls to be located driver's side overhead console.	\$187.00
5100-0019	Additional amber warning light override momentary switch located at the cab warning light switch panel. The switch will allow for overriding the rear additional amber warning lights and reset after ignition is turned off.	\$339.00
5100-0020	Switch additional 12 volt/15 amp toggle. Location and function: Under driver side cab dash for master battery override.	\$212.00
5100-0021	Opticom switch wired through upper level warning switch.	\$80.00
5100-0022	Push-button hose reel switch. Location: [#LOC].	\$196.00
5100-0023	Provide a single switch on the cab dash (within reach of the driver and officer) for locking and unlocking of all roll-up doors. The switch is to be red. Label RUD Lock.	\$327.00
5100-0025	Switch additional 12 volt/15amp for all compartment lighting(8)	\$407.00
5100-0026	Switch additional 12 volt/15amp for all lower emergency warning LED Lights switch location shall be within easy access of the operator on the driver's instrument panel.	\$228.00
5100-0027	Switch additional 12 volt/15amp for each scene lite location(4)	\$239.00
5100-0028	A seperate switch shall be provided in the cab to control the Top Deck Amber lighting	\$228.00
5100-0029	Stirrup style hose reel switch. Location: [#LOC].	\$196.00
5100-0030	Additional stirrup stlye hose reel switch. Location: [#LOC]	\$196.00
5100-0031	The switch for roll-up door electric lock(s) on cab to be located on the [#LOC].	\$0.00
5100-0032	The switch for roll-up door electric lock(s) on body to be located [#LOC].	\$0.00

Option No.	Description	PRICE
5100-0036	Additional programming instructions: [#LOC].	\$131.00
5100-0037	Master disconnect switch. Function or location.[#LOC]	\$177.00
5100-0038	Hose Reel rewind switch located in rubrail.	\$100.00
5100-0039	Foot switch(es) mounted on a 45 degree bracket.	\$86.00
5100-0040	Micro switch with 2.75" lever upgrade. Location: (2) hosebed cover, (1) ladder rack.	\$84.00
5100-0041	Fire Fighting panel shall have a means to protect each switch function from accidental activation	\$764.00
5100-0042	Ramsey control with 3' cord for cab tilt in addition to standard toggle. Red/Black weatherproof push buttons at end of cord. Location of switch plug-in: [#LOC].	\$394.00
5100-0044	Rear cab heater switch. Function and location: [#LOC].	\$212.00
5100-0045	Thermostatic controls for pump compt heaters. Thermostat set at freezing temp.	\$267.00
5100-0046	Cut-off switch for Q2B main power. Switch to be accessible from driver's seat.	\$288.00
5100-0047	Switch household 110V w/ weaterproof cover. Location and function: cab mounted next to air compressor for 120V air compressor	\$212.00
5100-0048	Magnetic door ajar switches IPO std for all body compt doors.	\$766.00
5100-0049	Ramsey control with 8' cord for cab tilt in addition to standard toggle. Red/Black weatherproof push buttons at end of cord. Location of switch plug-in: [#LOC].	\$394.00
5100-0050	Push button test switch for tank or foam level gauge, push button wired "hot" to batteries to allow checking tank level in fire station without having to power up truck electrical system. Located on operator pump panel.	\$368.00
5100-0051	Lower emergency light override momentary switch located at the cab warning light switch panel. The switch will allow for overriding the lower level emergency lights and reset after ignition is turned off.	\$339.00
5100-0052	Household toggle switch for 110V. Switch plate will be a Crouse Hinds TP7256. Switch will be wire to top plug of duplex recept on rear, and be located next to recept. One switch for each top duplex.	\$464.00
5100-0053	All cab console switches (as applicable) and the (4) body mount intake switches to be LED smart switches (IPOS).	\$1,611.00
5100-0054	Foot switch location IPOS: officer side foot switch(es) 3" from front wall to center of switch.	\$0.00
5100-0055	Switch for hydraulic gen to be located on officer side overhead console IPOS.	\$131.00
5100-0056	Hose deployment switch in front bumper tray. Includes hinged plate on bottom of bumper tray with switch on floor and indicator light on pump panel. Requires tray without slats. Location: [#LOC].	\$623.00
5100-0057	Foot switch location IPOS: officer side foot switch(es) 3" from front wall to center of switch.	\$0.00
5100-0058	Master battery disconnect switch. Location: driver seat riser ipo riser door. Includes overlay plate.	\$506.00
5100-0059	Back-up alarm / rear back up lights override momentary switch located at the cab dash. The switch will allow for overriding the back-up alarm & back-up lights and reset after transmission is shifted again.	\$62.00
5100-0060	Switch for 12V quartz lights to be located on officer side overhead console IPOS.	\$131.00
5100-0061	Door ajar alarm override momentary switch located at the cab dash. The switch will allow for overriding the door ajar alarm and reset after transmission is shifted again.	\$212.00
5100-0062	Switch 12V for 110-240V (EA). E-One supplied and installed relays and Van Mor supplied and installed switches. Locate the relays near breaker box.	\$452.00

Option No.	Description	PRICE
5100-0063	Ramsey control with 10' cord for cab tilt. Red/Black weatherproof push buttons at end of cord. Location of switch plug-in: next to manual cab tilt pump	\$394.00
5100-0064	AM/FM radio to be connected to radio re-broadcast input of siren. Includes momentary sw on driver's sw panel that will disable connection when master power is cycled.	\$339.00
5100-0065	Switch pump compt light(s). Includes door switches on pump module access doors to activate light(s). Location: top mount pump panel.	\$358.00
5100-0066	Solid state dimmer switch. Location and function: [#LOC].	\$137.00
5100-0067	Display switch function and location: (2) front cab dome lights: clear light switched at driver, officer and pump panel; red light switched at driver and officer. (3) Cab dome lights above rear facing seats: clear light switched at driver, officer and pump panel; red light switched at driver, officer and pump panel. (4) Pump panel cab dome lights: clear light switched at driver, officer and pump panel; red light switched at driver, officer and pump panel. Front scene lights at driver, officer and pump panel displays. Driver side scene lights at driver, officer and pump panel displays. Officer side scene lights at driver, officer and pump panel displays. Rear facing scene lights at driver, officer and pump panel displays.	\$588.00
5100-0068	Switch button for Q2B siren. Locate on dash control panel area within reach of the [#LOC] position. Label as space permits.	\$200.00
5100-0069	Additional panel mounted Go-Light spot control. Location: officer side cab switch panel.	\$209.00
5100-0070	Air horn switch in the interior. Switch to be labeled "Evacuation Alert". Location: [#LOC].	\$149.00
5100-0071	Display switch function and location: (2) front cab dome lights: clear light switched at driver and officer displays; red light switched at driver and officer displays. (3) Cab dome lights above rear facing seats: clear light switched at driver and officer displays; red light switched at driver and officer displays. Front scene lights at driver and officer displays. Driver side scene lights at driver and officer displays. Officer side scene lights at driver and officer displays. Rear facing scene lights at driver and officer displays.	\$588.00
5100-0072	Locate Q2B brake in officer side overhead console IPO standard location of driver side overhead console.	\$60.00
5100-0073	Additional programming instructions: wire officer rear quartz light ajar switch through ladder rack controls.	\$131.00
5100-0074	Switch button for Q2B siren brake. Locate on dash control panel area within reach of the [#LOC] position. Label as space permits.	\$200.00
5100-0075	Jump stud disconnect switch. Location: driver side of body adjacent to connectors. Includes overlay plate.	\$506.00
5100-0076	Additional programming instructions: Indicator lights need to be tied into all switch functions.	\$131.00
5100-0077	Switch, additional 12 volt/15 amp (PR). Location and function: Center console labeled "Left Nozzle" and "Right Nozzle" for use with dealer installed ground spray system. Dealer to make all fianl connections and functional testing of switching.	\$242.00
5100-0079	Foot switch location IPOS: officer side foot switch(es) left to right: Electronic siren, Q2B, Air horns	\$0.00
5100-0081	Foot switch location IPOS: driver side foot switch(es) left to right: Q2B, Electronic siren	\$0.00
5100-0082	Foot switch location IPOS: driver and officer side foot switch(es) left to right: Q2B, air horns.	\$0.00
5100-0083	Door ajar circuit to be upgraded to include access panels and doors.	\$895.00
5100-0084	Switch, additional 12 volt/15 amp. Back-up switches for primary switch controller failure. Location and function: Accessible to driver for 1) Master warning (red), 2) #17 program on light bar, all body warning lights, grill mounted Viper lts, and cab side facing 6x4 warning lts, 3) #18 program on light bar, rear beacons, intersecting Vipers and front quad warning lts, 4) #18 program on light bar, wig-wag and Message board with default NYPD program.	\$212.00
5100-0085	Master battery disconnect lever switch. Location: driver side dash ipo rocker switch.	\$506.00

Option No.	Description	PRICE
5100-0086	Additional programming instructions: clear warning lights to remain on in blocking mode in accordance with Maryland Code Allowance.	\$131.00
5100-0087	Ramsey control plug-in for cab tilt in addition to standard toggle. Does not include tether controller. Location: [#LOC].	\$222.00
5100-0088	Linemaster Twin 491-S foot switch to control air horns and Q2B located [#LOC].	\$401.00
5100-0089	Foot switch to control electric fire bell located [#LOC].	\$125.00
5100-0090	Foot switch to control Scream Eagle siren located [#LOC].	\$125.00
5100-0091	Switch 12V for 110-240V (EA). Location: cab switch panel for rear body quartz light(s).	\$452.00
5100-0092	Additional push button air reel switch. Location: Right side wheel well for air reel.	\$196.00
5100-0093	Master battery disconnect switch. Location: driver seat riser facing outward, behind access door.	\$552.00
5100-0094	Ramsey control with 15' cord for cab tilt in addition to standard toggle. Red/Black weatherproof push buttons at end of cord. Location of switch plug-in: [#LOC].	\$394.00
5100-0095	Switching controlled through the Multiplex display for 120-240V devices (EA). The 120-240V Multiplex switching utility shall be used for: [#LOC].	\$452.00
5100-0096	Switch, alternate location IPOS. Location and function: [#LOC].	\$0.00
5100-0097	Additional warning light programming instructions: Rear vertically side mounted red Viper lights behind rear doors and the rear facing red QL97 lights at eye level to be shed in blocking mode.	\$159.00
5100-0098	Switch additional rocker lock-out safety style. Location and function: [#LOC].	\$212.00
5100-0099	Momentary rocker switch for the Federal Rumbler (secondary siren) located on the driver and officer side overhead panels. The switches will allow for overriding the Federal Signal Rumbler siren and reset after ignition is turned off.	\$339.00
5100-0100	Switch additional (2) position shall be installed and properly labeled to enable operator to activate the OEM traffic horn or air horn. The switch shall be located: rear of body driver side approximately 65" above ground level.	\$212.00
5100-0101	Switch, additional 12 volt/15 amp. Location and function: driver side pump panel for radio speaker as mounted on or near pump panel.	\$212.00
5100-0102	A cab interior audible alarm and hazard light. The light shall be blue in color and 2" diameter, The alarm and hazard light shall be wired to the light tower to provide a clear indicator of when the light tower is raised or not in the bedded position. The light shall be mounted in the vicinity of the door ajar hazard light.	\$157.00
5100-0103	Locate Q2B brake on lower dash between touch screens IPOS.	\$60.00
5100-0104	Air horn switch at rear body. Switch to be labeled "Air Horn". Location: driver side rear of body approx. eye level (if applicable).	\$149.00
5100-0105	Switch momentary. Head lights, running lights, and tail lights (on with ignition) override momentary switch located at the cab dash. The switch will allow for overriding the head lights, running lights, and tail lights (turning them off momentarily) after the ignition has been turned on.	\$212.00
5100-0106	Thermostatic control for compartment heater. Thermostat set at 60 degrees Fahrenheit to prevent freezing. Location: [#LOC].	\$136.00
5100-0107	Cut-off switch for Q2B main power. Switch to be accessible from officer's seat.	\$288.00
5100-0108	Switch circuit three way 12V for 120-240V (EA). Includes (1) additional 12V for 120-240V switch. An additional switch required for more than two locations. Location: [#LOC].	\$452.00
5100-0109	Audible alarm to sound when water level is below 1/4 tank remaining.	\$301.00

Option No.	Description	PRICE
5100-0110	Additional programming instructions: wire upper rear facing M9 warning lights through the brake light circuit in addition to warning lights. Lights will function as steady brake primary and flashing warning secondary.	\$131.00
5100-0112	Ramsey control on officer side cab dash with 3' cord to operate Q2B and air horns. Red switch Q2B, Black air horns.	\$371.00
5100-0113	Switch push button momentary for Rumbler activation. Location: [#LOC].	\$0.00
5100-0114	Foot switch location IPOS: driver side switches located outboard on floor and officer side switches located inboard on floor.	\$0.00
5100-0115	Monarch control for cab tilt in place of standard toggle.	\$432.00
5100-0116	Weldon 4-button V-MUX switch module. Location [#LOC].	\$432.00
5100-0117	Switch, additional momentary 12 volt/15 amp. Location and function: [#LOC].	\$212.00
5100-0118	Door ajar indicator switch for each SCBA air bottle storage compartment door on body wired to "Door Open" indicator inside cab. Switches as optioned are in addition to standard SCBA bottle retainer straps.	\$59.00
5100-0119	Rear cab heater Eaton guarded switch. Function and location: [#LOC].	\$212.00
5100-0120	Switch additional guarded toggle. Location and Function: driver side rear of body for rear flood lights.	\$212.00
5100-0121	Push-button hose reel switch. Location: 28" above tailboard on inside of driver side next to dump valve.	\$0.00
5100-0122	Switch circuit three way. Includes (1) additional switch. An additional switch required for more than two locations. Location: driver, officer and rear of body adjacent to dump valves for activation.	\$177.00
5100-0123	Switch, additional 12 volt/15 amp. Location and function: center console for driver side scene lights, officer side scene lights and rear scene lights.	\$212.00
5100-0124	Switch, additional 12 volt/15 amp. Location and function: center console as a spare.	\$212.00
5100-0125	Door ajar indicator switches for all SCBA air bottle storage compartment doors on cab wired to "Door Open" indicator inside cab.	\$59.00
5100-0126	Minimum 4" spacing for officer side foot switches.	\$0.00
5100-0127	Switch panel three way. Includes (7) additional switches. An additional switch required for more than two locations. Location: L1 adjacent to breaker box for front brow lights, driver 120V cab/body scene lights, officer 120V cab/body scene lights, driver 12V cab/body scene lights, officer cab/body 12V scene lights and rear 12V scene lights.	\$1,230.00
5100-0128	Red flip cover for toggle switch. Location: [#LOC].	\$20.00
5100-0129	Switch rear door fully open for dump valve power activation.	\$384.00
5100-0130	Weatherproof Eaton rocker switches on pump panel ipo toggle switches.	\$243.00
5100-0131	Foot switch(es) mounted on a 30 degree bracket.	\$86.00
5100-0132	Switch, additional through multiplex display. Function: [#LOC]	\$95.00
5100-0133	Switch. Location and function: [#LOC].	\$212.00
5100-0134	Switch 12V for 240V 30A Recept. Location: B1 near compartment door frame, 24 inches above the lower compartment floor.	\$466.00
5100-0135	Cole Hersee lock out device for master battery switch. Model CLH24505.	\$91.00
5100-0136	Locate Q2B brake in officer side switch panel IPO standard location.	\$60.00
5100-0137	Foot switch Dayton SS model 6GPA2 to control air horns located driver and officer side.	\$265.00
5100-0138	Push-button hose reel switch on 10' tether located in L1 rearward wall.	\$307.00
5100-0139	Foot switch Linemaster model 632S to control electric siren located [#LOC]. Includes 25 degree diamond plate bracket.	\$125.00
5100-0140	Ramsey control with 3' cord for cab tilt in place of standard toggle. Red/Black weatherproof push buttons at end of cord. Includes receptacle with cover. Location of receptacle: [#LOC].	\$394.00

Option No.	Description	PRICE
5100-0141	Ramsey control with 6' cord for cab tilt in addition to standard toggle. Red/Black weatherproof push buttons at end of cord. Location of switch plug-in: [#LOC].	\$394.00
5100-0142	Switch, door ajar additional. Location: front bumper raised lid.	\$212.00
5100-0143	Switch, additional ladder climbing lights in cab accessible to driver. Requires Engineering approval.	\$329.00
5100-0144	Magnetic door ajar switch IPO std for [#LOC] body compt door.	\$109.00
5100-0145	Additional driver side overhead switches in addition to vista screen operations. See specifications.	\$2,755.00
5100-0146	Switch, master activation for Newton Dumps with red cover, located within the cab adjoining to Newton Dump control.	\$177.00
5100-0147	Ramsey control with 3' cord for cab tilt in addition to standard toggle. Red/Black weatherproof push buttons at end of cord hardwired adjacent to standard toggle.	\$394.00
5100-0148	Switch lever 120V AC shoreline disconnect with weatherproof cover. Location: Adjacent to shoreline receptacle.	\$452.00
5100-0149	Switch lever 120V shoreline disconnect. Location: Adjacent to shoreline receptacle.	\$452.00
5100-0150	Hose Reel rewind switch located in pump module rearward in rubrail. One (1) left ,and one (1) right side.	\$196.00
5100-0151	Switch wire through multiplex display in cab for aerial work lights at tip.	\$462.00
5100-0152	Locate Q2B brake through multiplex display(s) IPOS.	\$60.00
5100-0153	Locate Q2B brake on center lower dash panel IPO standard location.	\$60.00
5100-0154	Push-button hose reel switch on 10' tether located in R1 rearward wall.	\$307.00
5100-0155	All pump module and rear body doors connected to the door ajar circuit will utilize plunger type manual switches.	\$0.00
5100-0156	Locate windshield wiper control below transmission shifter IPOS.	\$60.00
5110-0003	High impact orange ABS plastic handheld spotlight SL-45 Location: [#LOC].	\$225.00
5110-0004	Alternating flasher for headlights.	\$361.00
5110-0005	Pre-wire for trailer hitch. Includes stop, left turn, right turn, marker and ground wires. Does not include connector.	\$255.00
5110-0007	Audible indicator in cab with rear button. The rear button will be located on the driver's side at the rear behind the hand rail (if applicable).	\$369.00
5110-0008	Audible indicator in cab with rear buttons. The rear buttons will be located one each side at the rear, behind the hand rail (if equipped).	\$407.00
5110-0009	Clock Digital 12/24 Waterproof mounted in cab officer's overhead dash.	\$670.00
5110-0010	Receptacle 12V 175A portable winch. Located at rear near trailer hitch.	\$377.00
5110-0011	Vehicle Information Control Center for E-One Multiplexed trucks located on Driver's Side.	\$6,358.00
5110-0012	Vehicle Information Control Center for E-One Multiplexed trucks located on Officer's Side.	\$6,358.00
5110-0013	Vehicle Information Control Center for E-One Multiplexed trucks located on Driver's Side. Display Only, No computer.	\$2,700.00
5110-0014	Vehicle Information Control Center for E-One Multiplexed trucks located on Officer's Side. Display Only, No computer.	\$2,700.00
5110-0015	Vehicle Information Control Center for E-One Multiplexed trucks located at center of engine cover mounted on swivel bracket.	\$6,756.00
5110-0016	Emi Testing and Certification	\$4,317.00
5110-0017	Back-up alarm 97 dB.	\$110.00
5110-0018	12 volt 12 gauge constant hot lead (24" long) with ground wire. Location: [#LOC].	\$86.00

Option No.	Description	PRICE
5110-0019	Audible indicator in cab with rear button. Locate (1) buzzer in tractor cab wired to foot switch on right side of tiller cab. (1) buzzer in tiller cab wired to push button switch in tractor cab center of dash. Includes indicator lights wired to each buzzer. Provide labels that read: 1-STOP, 2-GO, 3-BACKUP in both cabs.	\$1,058.00
5110-0020	Starter safety circuit for tillerman cab. Locate on the driver side floor of tillerman cab. Includes service override switch under cab dash within easy reach of driver position.	\$629.00
5110-0023	Converter 24 VDC to 12 VDC 25 Amp	\$557.00
5110-0024	Back up alarm Grote 107 dB(A).	\$282.00
5110-0025	Back up horn system. Includes 12v independent horn (NAPA 730-1047) below officer's side dash, 12v independent horn (NAPA 730-1047) at rear of body and Ramsey control switch with 25' tether at rear of body.	\$882.00
5110-0026	12 volt 12 gauge wired through ignition lead (24" long) with ground wire. Location: [#LOC].	\$86.00
5110-0027	Powered equipment rack alarm. To activate while rack is in motion.	\$74.00
5110-0028	Code3 model 700 flasher for alternating headlights.	\$354.00
5110-0030	Flasher alternating for headlights Whelen model UHF2150A.	\$375.00
5110-0031	12 volt 12 gauge wired to chassis reverse (24" long) with ground wire. Location: back wall of rear bench seat riser.	\$86.00
5110-0032	Clock digital 12/24 waterproof mounted in [#LOC].	\$670.00
5110-0033	Battery jumper studs (PR).[#LOC].	\$367.00
5110-0034	4 Pin trailer wiring flat connector. Includes matching plug. Requires trailer wiring pre-wire option.	\$100.00
5110-0035	All 12 Volt electrical components and Multiplex box will be located in lower L1 back wall. The compartment depth will be limited by approximately 6".	\$0.00
5110-0036	All 12 Volt electrical components and Multiplex box will be located in R1 back wall. The compartment depth will be limited by approx 6".	\$131.00
5110-0037	Additional wiring instructions: [#LOC].	\$390.00
5110-0038	Audible indicator in cab with remote switch. The signal button will be accessible from ground level on the driver's side at the rear of vehicle.	\$407.00
5110-0039	Clock Digital 12/24 Waterproof mounted in cab officer's switch panel.	\$670.00
5110-0040	Indicator light. Color: [#COL]. Location and function: [#LOC].	\$123.00
5110-0041	7 pin trailer wiring connector. Requires trailer wiring pre-wire option.	\$133.00
5110-0042	Trailer wiring and connector for 2009 NFPA 1901 Type I, Type II or Type III trailer. Includes model 12-907 connector on body. Stop/turn/tail circuits shall be connected, remaining wires to be coiled up for future use. Trailer end 12-906 shipped loose.	\$492.00
5110-0043	Back-up alarm Federal Reactor model 210350 self-adjusting.	\$192.00
5110-0044	ABS cover for multiplex PDMs' located in the pump module.	\$101.00
5110-0045	Radio interface cable-run a 7-conductor 20 gauge wiring (578865) from the pump panel microphone box to the center overhead area, leave a 30" coil of wire at each end.	\$595.00
5110-0046	4 Pin trailer wiring heavy duty round connector. Includes matching plug. Requires trailer wiring pre-wire option.	\$111.00
5110-0047	NFPA cab siren and speaker (FS) package. Includes (1) PA300 siren with (1) ES100 speaker officer side behind bumper cut-out (includes mounting bracket).	\$0.00

Option No.	Description	PRICE
5110-0048	NFPA cab siren and speaker (FS) package. Includes (1) PA300 siren with (1) ES100 speaker located center in front bumper (includes mounting bracket).	\$0.00
5110-0049	NFPA cab siren and speaker (WHLN) package. Includes (1) siren with (1) speaker officer side behind bumper cut-out (includes mounting bracket).	\$0.00
5110-0050	NFPA cab siren and speaker (WHLN) package. Includes (1) siren with (1) speaker located center in front bumper (includes mounting bracket).	\$0.00
5110-0051	All 12 Volt electrical components and Multiplex box will be located in L3 back wall. The compartment depth will be limited by approx 6".	\$0.00
5110-0052	12V power distribution module. Includes (6) battery hot and (6) switched hot circuits. 100 amps max (IATS). Location: [#LOC].	\$327.00
5110-0053	NFPA cab siren and speaker (FS) package. Includes (1) PA300 siren with (1) ES100 speaker officer side behind bumper cut-out (includes mounting bracket).	\$0.00
5110-0054	NFPA cab siren and speaker (WHLN) package. Includes (1) siren with (1) speaker officer side behind bumper cut-out (includes mounting bracket).	\$0.00
5110-0055	NFPA cab siren and speaker (FS) package. Includes (1) PA300 siren with (1) ES100 speaker located center in front bumper (includes mounting bracket).	\$0.00
5110-0056	NFPA cab siren and speaker (WHLN) package. Includes (1) siren with (1) speaker located center in front bumper (includes mounting bracket).	\$0.00
5110-0057	7 Pin trailer wiring connector, SAE J5606. Requires trailer wiring pre-wire option. This will include the Male and Female connections.	\$201.00
5110-0058	NFPA cab siren and speaker (FS) package. Includes (1) PA300 siren with (1) ES100 speaker with grill driver side front bumper.	\$0.00
5110-0059	E-One supplied/Van-Mor installed ambulance style exhaust fans. Locate one on rear wall in the robot area up high offset to the driver's side and a vent for fresh air offset to the officer's side, one on the officer side up high above the rearward counter top and a fresh air vent on the driver's side up high above the forward most desk area, and one in the forward bomb suit closet with a vent between the 2 closets.	\$159.00
5110-0060	12 volt 4 gauge constant hot lead (24" long) with ground wire. Location: [#LOC].	\$257.00
5110-0061	Run RG58U antenna cables. Run each cable from [#LOC].	\$92.00
5110-0062	(4) rocker switches with back lighting to be provided IPO the standard toggle switches on body for the (3) main vacuum pump intake/discharge.	\$462.00
5110-0063	NFPA cab siren and speaker (FS) package. Includes (1) EQ2B siren with (2) 100 Watt speakers located center in front bumper (includes mounting bracket).	\$0.00
5110-0064	Multiplex box with all 12 Volt electrical components to be located in [#LOC] back wall. The compartment depth will be limited by approx 6".	\$0.00
5110-0065	Lighted bumper guide (PR). Bores model 848211 located (1) each side of front bumper extension.	\$435.00
5110-0066	Switches in cab (2) for controlling (2) TNT DT 4.0 diesel engine hydraulic power units. Switches to be kill/run/start with indicator light. Run wiring into dunnage area with extra length for dealer installation.	\$1,121.00
5110-0067	Back up alarm Preco 97 dB(A) warble tone.	\$286.00
5110-0068	Handheld flashlight, orange Streamlight Litebox flashlight with vehicle mount system. Location: [#LOC].	\$202.00

Option No.	Description	PRICE
5110-0069	Back up alarm ECCO model 410 97 dB(A) grommet mount.	\$221.00
5110-0070	Vehicle Information Control Center for E-One Multiplexed trucks swivel pedestal mount located at center between driver and officer. Mid engine cabs only.	\$6,756.00
5110-0071	CAT 6 receptacle. This will include CAT 6 wire, solid conductors, non-plenum. Locate 1 over desk in cab, 2 over the desk in the body, and 1 at the officer's side front seat in the cab. Each CAT 6 cable will terminate in the rack area with a 36" service loop.	\$127.00
5110-0073	12V Outlet on officer side in cab.	\$183.00
5110-0074	NFPA cab siren and speaker package. Includes (1) PA300 siren with (1) ES100 speaker in driver side bumper.	\$0.00
5110-0075	NFPA cab siren and speaker package. Includes (1) PA300 siren with (1) ES100 speaker in driver side bumper (for use with extended front bumper).	\$0.00
5110-0076	NFPA cab siren and speaker package. Includes (1) PA300 siren with (1) ES100 speaker officer side behind bumper cut-out (includes mounting bracket).	\$0.00
5110-0077	12V Outlet on officer side in cab. Custom ES.	\$86.00
5110-0078	NFPA cab siren and speaker package. Includes (1) PA300 siren with (1) ES100 speaker in driver side bumper.	\$0.00
5110-0079	Back up alarm Ecco model SA917 87-112dB.	\$251.00
5110-0080	EMI/RFI Testing and Certification	\$5,749.00
5110-0081	NFPA cab siren and speaker (WHLN) package. Includes (1) siren with (2) speakers located - (1) to driver side and (1) to officer side of front bumper (includes mounting bracket).	\$258.00
5110-0082	Receptacle 12V 175A portable winch. There will be a total of four, locate one at each of the receiver.	\$1,503.00
5110-0083	Receptacle 12V 175A portable winch. There will be a total of three, locate one at each of the side and rear receivers.	\$1,127.00
5110-0084	Door ajar switches for ladder tunnel doors to be located at top of door.	\$0.00
5110-0086	NFPA cab siren and speaker (FS) package. Includes (1) PA300 siren with (1) ES100 speaker driver isde of front bumper.	\$0.00
5110-0087	Tekonsha model Prodigy 2 trailer brake controls wired to connector. Control located in cab accessible to driver. Requires 9-pin connector.	\$938.00
5110-0088	Lighted bumper guide (PR) with angled support brackets. Bores model 848211 located (1) each side of front bumper extension.	\$563.00
5110-0089	Back-up alarm Ecco model 575 107dB.	\$185.00
5110-0090	Breaker box grounding cable. 10' 2Ga cable attached to ground side of breaker box. Includes clamp on end of cable for use with aerial ground pad.	\$247.00
5110-0091	NFPA cab siren and speaker (FS) package. Includes (1) PA300 siren with (1) ES100 speaker below the center of the bumper (includes mounting bracket).	\$0.00
5110-0092	NFPA cab siren and speaker (FS) package. Includes (1) PA300 siren with (1) ES100 speaker located driver side of bumper.	\$0.00
5110-0093	Wiring from pump panel mic box to cab (under center seat). Wiring to be shielded 10 conductor cooper. Provide approximately 10' extra within cab coiled and 2' extra coiled at the back of the mic box.	\$209.00
5110-0094	Wiring instructions: Dedicated ground wire for 12V distribution module located behind officer seat.	\$139.00
5110-0095	(3) rocker switches with back lighting to be provided in cab on center console. Lable switch "Driver Spray Nozzle", "Officer Spray Nozzle" and "Remote Nozzle Light". Switching only being provided. Dealership to make all final connections to switches from dealer installed ground nozzle application.	\$347.00

Option No.	Description	PRICE
5110-0096	Conduit flexible 1.5" for Camera Mast installation. Run the conduit from the roof area on the driver's side above the rear interior to the breaker box. Conduit should also be run from the same roof area to under the body in order to run air lines for camera mast and to the desk area on the driver's side.	\$630.00
5110-0097	West Metro additional electrical instructions: 1) ATC override switch through display(s). 2) generator engage indicator through display(s). 3) Jake brake position indicator through display(s). 4) Dominator to be programmed with chasing pattern; wired on driver side. 5) Program warning lights with NFPA compliant "High Activity" pattern. 6) Seat belt indicator to "flash" occupant. 7) Each cab door warning light wired through corresponding door. 8) Scene lights to be integrated with park brake. 9) Yellow warning light in display to "flash".	\$0.00
5110-0098	Receptacle 12V 50A Anderson style two prong plug. Located near receiver in the rear.	\$377.00
5110-0099	All 12 Volt electrical components and Multiplex box will be located on L1 ceiling.	\$347.00
5110-0100	Antenna rack with conduit for dept antennas. Location: Top front of body	\$865.00
5110-0101	Back up alarm Federal Reactor Model 210505 (PR). Includes stainless steel cover for protection.	\$608.00
5110-0102	A Hindsight 20/20 Model: HS-300 rear obstacle detection and proximity system will be installed on the truck. This system will include one display (located in the cab), one control box (mounted under or in the body), and two sensors/detectors (mounted on the rear of the truck).	\$1,938.00
5110-0103	Fans 8" pair. Location: ceiling mounted in rescue interior. (1) at entrance and (1) forward.	\$394.00
5110-0104	(3) 12VDC Anderson Power Products 12 volt connections shall be installed (1) in compartment L1, (1) in compartment L2 and (1) in compartment R2.	\$520.00
5110-0105	Transmission Temperature Gauge with light and a buzzer alarm for audible warning. Located adjacent to breaker box.	\$382.00
5110-0106	There shall be 2 sets of cables for emergency starting. Cables will come from Junction City Wire Harness Company. One set of cables will have molded plugs each end, second set will have molded plug one end and 800 amp clamp. Each set shall be 16' long. Includes receptacle on driver side of extension in stainless steel box with Cole Hersee type switch driver side lower dash area and indicator light in cab. Subject to department and E-ONE engineering approval at pre-construction.	\$4,462.00
5110-0107	Alternating flasher for headlights. Federal Signal model FHL2-SCNYPD.	\$288.00
5110-0108	Regen indicator lights with warning tags (PR). (2) Whelen 2" grommet mount lights (model TOA00MAR) (1) located on officer side wheel well forward and (1) on R2 secondary door up high. Includes red tag with white lettering to read "High Exhaust Heat When Flashing". Lights to be wired through park brake.	\$330.00
5110-0109	Indicator light, Weldon 9186-2300. Color: [#COL]. Location and function: [#LOC].	\$123.00
5110-0110	Receptacle 12V 175A portable winch. Located at front near receiver.	\$377.00
5110-0111	All 12 Volt electrical components and Multiplex box will be located in recessed box at rear between frame rails.	\$0.00
5110-0112	Back up alarm Preco model 1040.	\$191.00
5110-0113	Indicator light. Color: Red. Location and function: pump operator panel for foam pump on.	\$123.00
5110-0114	Powered equipment rack alarm; Preco 97dB(A) warble tone. To activate while rack is in motion and through park brake.	\$286.00
5110-0115	Battery charger, one (1) Hurst tool battery charger shall be mounted in place and be included in the shoreline transfer switch circuit. The Hurst battery charger(s) shall be installed [#LOC].	\$103.00
5110-0117	ATIMS vehicle "Brick" system.	\$5,602.00

Option No.	Description	PRICE
5110-0118	All 12 Volt electrical components and Multiplex box will be located in L1 forward wall. The area will be covered with a removable panel.	\$0.00
5110-0119	CAT V cable run. This will include CAT V wire, non-plenum. Run cable from microphone box on pump panel to center overhead in cab.	\$152.00
5110-0120	Receptacle 12V 175A portable winch. There will be a total of three, locate one at each of the side and front receivers.	\$1,127.00
5110-0121	All 12 Volt electrical components and Multiplex box will be located in L1 forward wall next to breaker box. The area will be covered with an aluminum removable panel.	\$466.00
5110-0122	NFPA cab siren and speaker (WHLN) package. Includes (1) siren with (1) speaker located driver side front bumper (includes mounting bracket).	\$0.00
5110-0123	NFPA cab siren and speaker (FS) package. Includes (1) PA300 siren with (1) ES100 speaker located driver side front bumper (includes mounting bracket).	\$0.00
5110-0124	Audible indicator in cab with rear buttons. The rear buttons will be located [#LOC].	\$407.00
5110-0125	Receptacle 12V 175A portable winch. There will be a total of (2), locate one (1) on each side near under body receivers.	\$753.00
5110-0126	Mount and supply a 12VDC power supply for a NYPD supplied Thermal imaging camera charger base. This shall be wired battery hot and connected to the PDM behind the officers seat. The base shall be installed behind the officers seat inside the cab, up high per photo supplied by NYPD.	\$154.00
5110-0127	12 volt 6 gauge lead wired through ignition (24" long) with ground wire. Location: [#LOC].	\$236.00
5110-0128	Mount and supply a 12VDC power supply for a NYPD supplied Thermal imaging camera charger base This shall be wired battery hot and connected to the PDM inside the body. The base shall be installed above the refrigerator per photo supplied by NYPD. Installation shall require the elimination of the existing left side hand light and the light and base shall be shipped loose with the vehicle.	\$154.00
5110-0129	NFPA cab siren and speaker (WHLN) package. Includes (1) siren with (1) speaker located center in front bumper (includes mounting bracket).	\$0.00
5110-0130	NFPA cab siren and speaker (WHLN) package. Includes (1) siren with (1) speaker located driver side front bumper (includes mounting bracket).	\$0.00
5110-0131	Antenna bases, three (3) separate Tessco P/N 90942 (NMO Motorola style - also known as MATM style) shall be mounted on the body roof spaced evenly Front to Rear on center line of body. Cables should exit through forward area of upper L4 Bulk Head.	\$440.00
5110-0132	Indicator light. Color: Green. Location and function: driver side overhead for jake brake "on".	\$123.00
5110-0133	12 volt 10 gauge constant hot lead (24" long) with ground wire. Location: [#LOC].	\$100.00
5110-0134	Wiring instructions: Additional body compartment light drops on the opposing side of the compartment not equipped with strip lights. L1, L2, L3, R1, R2, R3 and B1.	\$79.00
5110-0135	Additional wiring overlays to support Whelen 900 series lighting (not OEM installed). Lights shall be installed at a later date. One (1) each side of body on forward upper body corners.	\$198.00
5110-0137	Additional wiring instructions: All wiring on/at rear tailboard to be raised to not interfere with ground height to rear of unit.	\$390.00
5110-0138	Regen indicator light with warning tag . Whelen 500 series TIR6 amber light located in rubrail above exhaust end. Includes warning tag to read "High Exhaust Heat When Flashing". Light to be wired through indicator in cab and park brake.	\$330.00
5110-0139	12 volt 14 gauge wired through ignition lead (36" long) with ground wire. Location: [#LOC].	\$102.00

Option No.	Description	PRICE
5110-0140	12 volt 10 gauge wired through ignition lead terminated in a junction box with ground wire. Location: [#LOC].	\$102.00
5110-0141	TBD	\$166.00
5110-0142	All 12 Volt electrical components and Multiplex box will be located in L1 forward wall and in compartments L4 & R4 in the rearward wall. The area will be covered with a removable panel.	\$0.00
5110-0143	Handheld flashlight, orange Streamlight HID Litebox flashlight with vehicle mount system. Location: [#LOC].	\$1,444.00
5110-0144	Hopkins 7 pin trailer wiring connector model 48495-7 RV blade. Requires trailer wiring pre-wire option.	\$137.00
5110-0145	Pre-Wiring for trailer hitch should include a hot 12vdc and back-up light wire at the connector and a wire from the connector to the cab for future electric brake unit in cab. In the cab there should be a wire labeled for brake lights to connect to future electric brake unit. Connector sold separately.	\$255.00
5110-0146	Cole-Hersee trailer tail light converter model 48000. Trailer connector sold separately.	\$334.00
5110-0147	NFPA cab siren and speaker (FS) package. Includes (1) PA300 siren with (1) ES100 speaker located center in front bumper (includes mounting bracket).	\$0.00
5110-0148	CAT V cable run. This will include CAT V wire, non-plenum. Run cable from center dash to overhead cabinet in command area.	\$152.00
5110-0149	Generator power shall be supplied to the command desk area. One (1) 12/3 cable shall supply 20 amps with 10' of wire coiled at the command desk area. The wires shall be clearly marked to identify them as 110V/20A generator power.	\$370.00
5110-0150	Shoreline power shall be supplied to the command desk area. One (1) 12/3 cable shall supply 20 amps with 10' of wire coiled at the command desk area. The wires shall be clearly marked to identify them as 110V/20A shoreline power.	\$370.00
5110-0152	Emergency Start System Cole Hersee switch guard.	\$0.00
5110-0153	12V power distribution module. Includes (6) battery hot and (6) switched hot circuits. 100 amps max (IATS). Includes circuit breakers ipo fuses. Location: [#LOC].	\$327.00
5110-0154	Dow Corning 738 white electrical sealant. Apply to all exposed electrical connections.	\$352.00
5110-0155	Customer supplied handheld spotlight SL-45 shall be mounted in place. Location: [#LOC].	\$184.00
5110-0156	Indicator lights, Weldon 9186-2300. Location and function: (1) red and (1) green located at the front and rear interior rescue body. Lights to be wired through park brake. Red; park brake dis-engaged, green; park brake engaged.	\$536.00
5110-0157	NFPA cab siren and speaker (WHLN) package. Includes (1) siren with (1) speaker located below oem bumper offset to driver side for Freightliner 114SD chassis (includes mounting bracket) if applicable for non-extended bumper or for extended bumper speaker shall be installed thru bumper.	\$0.00
5110-0158	12 volt 12 gauge lead (24" long) with ground wire wired to battery saver. Location: [#LOC].	\$86.00
5110-0159	Rescue body entry door lock - electric wired through cab doors. Includes additional body interior mounted switch, barrel style key lock on exterior of door and manual interior lock on door.	\$534.00
5110-0160	Pollak 7 pin trailer wiring connector model 12-709. Requires trailer wiring pre-wire option.	\$198.00
5110-0161	Blue Sea 12V power distribution module model 5025 (2) and (1) 5026 wired through battery hot. Location: (1) 5025 in center cab dash, (1) 5026 in forward floor of radio cabinet and (1) 5025 behind officer seat.	\$1,229.00
5110-0162	Wiring instructions: Dedicated ground wire for 12V distribution module located at driver and officer 3x3 post.	\$139.00
5110-0163	A dual USB charging port wired to battery hot. Location: [#LOC].	\$73.00
5110-0164	Mount customer supplied antenna. Locate: on module roof and route cable to inside of radio cabinet located in forward corner on driver side.	\$263.00

Option No.	Description	PRICE
5110-0165	Ambulance style exhaust fan. Locate on driver side wall in REHAB module area up high above bench seat and add a vent for fresh air on the officer's side up high above bench seat.	\$247.00
5110-0166	Blue Sea 12V power distribution module model 5025 (2) and (1) 5026 wired through ignition hot. Location: (1) 5025 in center cab dash, (1) 5026 in forward floor of radio cabinet and (1) 5025 behind officer seat.	\$1,229.00
5110-0167	Megellan vehicle mount weather station with Weather Master software. Display located on the center dash with telescopic pole on the driver side back of cab.	\$12,634.00
5110-0168	Relocate ladder climbing light to side of diamond plate light shield. Westside only.	\$183.00
5110-0169	Aluminum smooth plate cover for foam controller shall be located on back of controller.	\$215.00
5110-0171	Lighted bumper guide (PR). Bores model 848211 located (1) each side of front bumper extension, lens color shall be amber.	\$616.00
5110-0172	Dump Valve / Zico Rack Controls - 3 switch panels	\$515.00
5110-0173	LINE-X package for miscellaneous parts mounted on the body: Includes aerial style or similar brackets used for beacon lights, camera shield, license plate bracket, traffic advisor box (non-recessed only), fabricated shield over traffic advisor, fabricated light boxes and other brackets used for mounting scene and warning lights, stirrup style switch as applicable.	\$269.00
5110-0174	Back up alarm Hella model A1399 SA-BBS-97.	\$312.00
5110-0175	Refrigerator Electric DE-788 AC/DC 12/120 Volt. Dual voltage refrigerator for marine and truck applications, wired to 12V battery system and shoreline. Norcold, DE-788 Marine, 3.1 cuft. Color: Black. Refrigerator to be located in [#LOC].	\$1,268.00
5110-0177	Receptacle (pair) 12V 175A portable winch. There will be a total of (2), locate one (1) on each side near wheel well side body receivers.	\$753.00
5110-0178	Locate back-up alarm up high between frame rails.	\$0.00
5110-0179	Durabak package for miscellaneous parts mounted on the body: Includes aerial style or similar brackets used for beacon lights, camera shield, license plate bracket, traffic advisor box (non-recessed only), fabricated shield over traffic advisor, fabricated light boxes and other brackets used for mounting scene and warning lights, stirrup style switch as applicable.	\$269.00
5110-0180	Collision Avoidance Systems model CAS-4HW rear obstacle detection and proximity system. Includes 4 sensors at rear of vehicle and speaker in cab.	\$1,987.00
5110-0181	A 12 place 12 volt DC power distribution module will be installed in the body interior electronics compartment. The module will have six (6) circuits wired directly to the battery and will be protected with a 30 amp circuit breaker for overload protection. The module will also have six (6) circuits controlled by the multiplex systems, via a 30 amp relay, and will be protected with a 30 amp circuit breaker for overload protection. The module will also include 12 positions for grounds.	\$412.00
5110-0182	Antenna base Tessco P/N 90942 (NMO Motorola Style - also called MATM style) on body roof. Location: body roof raceway.	\$99.00
5110-0183	Install customer supplied WIFI antenna kit. (Pair) Dual LTE 802.11n GPS Multiband. Option includes: Installation of two (2) Dual LTE 802.11n GPS Multiband antennas (cables provided by the customer). Locate: Antennas to be on forward body module roof. One (1) located driver side forward corner and one (1) on the passenger side rear corner. Route supplied cables to inside of electronic cabinet located in forward corner on officer side of module.	\$526.00
5110-0184	Receptacle Waytek model 11014 dual USB / 12V power. Location: [#LOC].	\$135.00
5110-0185	12 volt 12 gauge constant hot lead (24" long) with ground wire and circuit breaker. Location: [#LOC].	\$143.00
5110-0186	12 volt 12 gauge wire through master power hot lead (24" long) with ground wire and circuit breaker. Location: One (1) each side behind left and right pump panel. (FOR CUSTOMER SUPPLY TFT INTAKE VALVE.)	\$143.00

Option No.	Description	PRICE
5110-0187	Pre-wire for customer supplied electric fire bell. Includes push button activation switch on center cab dash offset to officer side.	\$358.00
5110-0188	Handheld flashlight, orange Streamlight Knucklehead Haz-LO LED flashlight with charger. Location: [#LOC].	\$380.00
5110-0189	Refrigerator Electric AC/DC 12/120 Volt. Dual voltage refrigerator for marine and truck applications, wired to 12V battery system and shoreline. Norcold model NR740BB, 1.7 cuft. Color: Black. Refrigerator to be located in [#LOC].	\$1,268.00
5110-0190	Audible indicator in cab with rear interior button. Locate (1) buzzer in the cab wired to push button accessible to the driver. (1) buzzer in the interior of the rescue body wired to push button switch accessible to a seated position in the body. Includes indicator lights wired to each buzzer. Provide labels that read: 1-STOP, 2-GO, 3-BACKUP in both locations.	\$822.00
5110-0191	12V power distribution module. Includes (12) battery hot circuits. 100 amps max (IATS). Location: [#LOC].	\$327.00
5110-0192	12V power distribution module. Includes (12) switched hot circuits. 100 amps max (IATS). Location: [#LOC].	\$327.00
5110-0193	Guard for reel push button rewind switch. Qty each. Material: Aluminum. Finish: Sanded.	\$115.00
5110-0194	Indicator light, Whelen M4 with chrome flange. Color: green. Location and function: (1) each side up high on pump module wired through pump engage.	\$814.00
5110-0195	Refrigerator Electric NR751 AC/DC 12/120 Volt. Dual voltage refrigerator for marine and truck applications, wired to battery system and shoreline receptacle. Norcold, NR751 Marine, 2.7cuft. Color: Black. Refrigerator to be located in [#LOC].	\$1,268.00
5130-0000	Cord reel 150 feet of 12/3 black cord installed on the [#LOC] with an electric rewind.	\$1,936.00
5130-0001	Cord reel electric with 200' of 10/3 black cable. Locate [#LOC].	\$2,286.00
5130-0002	Cord reel electric with 200' of 10/3 yellow cable. Location(s): [#LOC].	\$2,581.00
5130-0003	Cord reel electric with 200' of 10/4 black cable. Location: [#LOC].	\$2,574.00
5130-0004	Cord reel electric with 200' of 10/4 yellow cable. Location [#LOC].	\$3,338.00
5130-0005	Ground reel with 20' of cable and 3' rod to be used for grounding unit while using the generator.	\$439.00
5130-0006	Rollers for cord reel mounted on reel. Locate: [#LOC].	\$373.00
5130-0012	Junction box Circle-D with four (4) 3-wire NEMA L5-15 110 volt 15 amp twist lock receptacles. Located on cord for reel in [#LOC].	\$788.00
5130-0013	Junction box Circle-D with four (4) 3-wire NEMA L5-20 110 volt 20 amp twist lock receptacles. Located on cord for reel in [#LOC].	\$788.00
5130-0014	Circle D wall/floor mounting box. Mount at final or ship loose (customer preference). For use with reel located in or on [#LOC].	\$155.00
5130-0015	Junction box Circle-D with two (2) 15 amp straight blade and two (2) 20 amp twist lock receptacles. Located on cord for reel in [#LOC].	\$995.00
5130-0016	Junction box Circle-D with all twist lock, 2-120V and 2-240V outlets. Located on cord for reel in [#LOC].	\$975.00
5130-0017	Junction box Woodhead with four (4) NEMA L5-15 110 Volt 15 Amp twist lock receptacles. Located on cord for reel in [#LOC].	\$1,566.00
5130-0018	Junction box, Daniel Woodhead, with four (4) NEMA L5-20 110 volt 20 amp twist lock receptacles. Located on cord for reel in [#LOC].	\$1,252.00
5130-0019	Cord reel electric with 150' of 12/3 yellow cable. Locate [#LOC].	\$2,007.00
5130-0022	Rollers for cord reel mounted through panel. Location(s): [#LOC].	\$373.00
5130-0024	Electric cord reel rewind switch. Switch located [#LOC].	\$125.00
5130-0028	Rollers, captive for cord reel mounted on reel.	\$373.00
5130-0029	Pre-wire from breaker box to roof top compartments of L2 and R3 for dealer installed cord reel (10/3). Provide 3' pig tail in forward area of compartments. Include pre-wire for wall mounted rewind switch (dealer installed). Provide enough wire from roof top compartment to below body in case customer goes with foot switch application.	\$892.00

Option No.	Description	PRICE
5130-0030	Junction box Circle-D with one (1) straight blade and three (3) twist lock receptacles. Located on cord for reel in [#LOC].	\$995.00
5130-0031	Cord reel electric/manual back-up with 200' of 10/3 black cable. Crank handle mounted next to reel. Locate [#LOC]	\$2,746.00
5130-0032	Cord reel electric with 150' of 10/4 yellow cable. Location [#LOC]	\$3,338.00
5130-0033	Junction box Circle D with four (4) 3-wire NEMA 5-15 110 volt 15 amp straight blade receptacles. Located on cord for reel in [#LOC].	\$788.00
5130-0034	Cord reel Akron electric with 200' of 10/3 yellow cable. Location(s): [#LOC].	\$2,464.00
5130-0035	Junction box Circle-D with (3) L5-15 and (1) L5-20 110Volt twist lock receptacles. Located on cord for reel in [#LOC].	\$788.00
5130-0036	Diamond plate cord reel cover over reel. Use rollers provided with reel on cover IPO E-One supplied if applicable. Location: [#LOC]	\$652.00
5130-0037	Cord reel Akron electric with 200' of 10/4 yellow cable. Location(s): [#LOC]	\$3,224.00
5130-0038	Junction box Circle-D with (2) L5-20 twist lock and (2) 5-20 110Volt straight blade duplex receptacles. Located on cord for reel in [#LOC].	\$788.00
5130-0039	Bracket for rollers. A support bracket for rollers shall be provided up high at compt opening for reel in [#LOC].	\$283.00
5130-0040	Hannay PWM (Pulse Width Modulator) control for reel. Mounted next to switch for cord reel in [#LOC].	\$702.00
5130-0041	Cord reel rollers bracket mounted on top of [#LOC].	\$373.00
5130-0042	Junction box Circle-D with four (4) 3-wire Nema 5-20 110Volt 20 Amp duplex receptacles. Located on cord for reel in [#LOC].	\$873.00
5130-0043	Cord reel Akron electric with rear mounted motor. Includes 200' of 10/3 yellow cable. Location(s): [#LOC].	\$2,807.00
5130-0044	Junction box Akron with (2) 5-20 125v 20 Amp duplex receipts and (2) L5-20 125v 20 Amp twist lock receipts. Located on cord for reel in [#LOC].	\$621.00
5130-0045	Akron model EJB-VMT-TP mounting box. Locate box for use with reel in or on [#LOC].	\$303.00
5130-0046	Junction box Circle-D with one (1) 5-20 straight blade and three (3) L5-20 twist lock receptacles. Box wired as 240v with individual circuit breakers on box. Located on cord for reel in [#LOC].	\$995.00
5130-0047	Cord reel rollers mounted thru panel. Location: Centered next to generator door panel.	\$529.00
5130-0048	Junction box Circle-D with (2) NEMA 5-20 120V GFCI duplex and (2) NEMA L6-20 220V twist lock receptacles. Located on cord for reel in [#LOC].	\$995.00
5130-0049	Cord reel electric for 200' of 10/3 cable. Cable not included. Location(s): [#LOC]	\$2,309.00
5130-0050	Mounting bracket for Circle D junction boxes. Shall be mounted in close proximity to the applicable cord reel.	\$318.00
5130-0051	Junction box Circle-D with (2) 5-15 straight blade and (2) L5-15 twist lock receptacles. Box to have individual circuit breakers on box. Located on cord for reel in [#LOC].	\$995.00
5130-0053	Electric Cord Reel Levelwind. Device to help evenly wrap cable on reel, for use with straight line pulls only.	\$3,763.00
5130-0054	Cord reel electric with 200' of 8/3 black cable. Locate [#LOC]	\$3,916.00
5130-0055	Rollers for cord reel, mounted on support bracket. Location(s): [#LOC]	\$373.00
5130-0056	Junction box Woodhead with (3) NEMA L5-15 110 Volt 15 Amp twist lock receptacles and (1) NEMA 5-20 110 Volt 20 Amp household receptacle. Located on cord for reel in [#LOC].	\$1,566.00
5130-0057	Mounting box for Woodhead junction box. Mount at final or ship loose (customer preference). For use with reel located in or on [#LOC].	\$283.00
5130-0058	Junction box Akron with four (4) 3-wire NEMA L5-20 110 volt 20 amp twist lock receptacles. Located [#LOC].	\$621.00
5130-0059	Junction box Circle-D with four (4) FirePower FP11 110Volt 20 Amp receptacles. Located on cord for reel in [#LOC].	\$1,284.00

Option No.	Description	PRICE
5130-0060	Locate junction box mount on top shelf in L3 just below reel rollers.	\$0.00
5130-0061	Cord reel electric with 250' of 10/3 black cable. Locate [#LOC].	\$2,697.00
5130-0062	Junction box Circle-D with (2) 5-20 straight blade and (2) twist lock receptacles; (1) L5-20 and (1) L5-15. Located on cord for reel in [#LOC].	\$995.00
5130-0063	Cord reel electric with 200' of 12/3 black cable. Locate [#LOC].	\$2,697.00
5130-0064	Electric reel with 200' 10/3 black. Ceiling mounted in driver side rearward body compartment in upper area offset rearward. Includes reel mounted rollers and rewind switch. For use with dealer/E-ONE installed generator only.	\$1,885.00
5130-0065	Electric reel with 200' 10/3 black. Ceiling mounted in driver side rearward body compartment in lower area offset rearward. Includes reel mounted rollers and rewind switch. For use with dealer/E-ONE installed generator only.	\$1,885.00
5130-0066	Electric reel with 200' 10/3 black. Ceiling mounted in officer side rearward body compartment in lower area offset rearward. Includes reel mounted rollers and rewind switch. For use with dealer/E-ONE installed generator only.	\$1,885.00
5130-0067	Junction box Akron with (4) 5-20-GFCI 125v 20 Amp duplex recepts. Includes 12" pigtail with L14-20 connector and rubber feet. Located on cord for reel in [#LOC].	\$621.00
5130-0068	Cord reel electric with 200' of 10/3 yellow cable. Location(s): [#LOC].	\$2,581.00
5130-0069	Cord reel electric with 250' of 10/3 yellow cable. Locate [#LOC].	\$3,066.00
5130-0071	Locate cord reel(s) as close to compartment opening(s) as practical.	\$0.00
5130-0072	A swing out roller assembly. Roller shall be a Hannay Reels, 4 way roller 2.5" opening mounted on a swing out bracket attached up high on the rearward wall of L3 and R4.	\$373.00
5130-0073	Cord reel electric low profile with 200' of 10/3 yellow cable. Location(s): [#LOC].	\$3,271.00
5130-0075	Cord reel Akron electric 200' of 10/3 yellow cable with rollers and cord stop. Location(s): [#LOC].	\$1,974.00
5130-0076	Cord reel Akron electric 200' of 10/3 black cable with rollers and cord stop. Location(s): [#LOC].	\$1,829.00
5130-0077	Junction box Akron with (1) GFCI 5-20 125v 20 amp receptacle that provides GFCI protection for a second 5-20 receptacle and two (2) L5-20 125v 20 amp twist lock receptacles. Located on cord for reel in [#LOC].	\$677.00
5130-0078	Bracket wall mount for Akron junction boxes. Shall be mounted in close proximity to the applicable cord reel.	\$238.00

Option No.	Description	PRICE
5150-0106	License plate mount, chrome housing located at the left hand side of the front of cab.	\$39.00
5150-0108	Marker light LED body package. Commercial light rescue or wildland bodies only.	\$1,188.00
5150-0111	Weldon Model 7" 1010 red LED stop/tail, amber LED turn and clear LED (9186-5586) back-up.	\$874.00
5150-0112	Marker light package .75" Dia LED TecNiq. Commercial pumper and tanker bodies.	\$472.00
5150-0113	License plate light LED with chrome housing, chrome license plate mounting frame located on the rear body / engine cover.	\$137.00
5150-0114	(2) Federal Signal Viper EXT (VPX802-R NYPD) RED LED Auxiliary brake lights mounted high up on the outer surface of the rear entry doors.	\$261.00
5150-0115	Provide special rear NYPD turn signal requirements.	\$0.00
5150-0116	Marker lights Britax LED amber/red rubber housed (PR). Location: on cab above wheels and on body above forward and rearward recessed warning light housings.	\$318.00
5150-0117	Federal Signal QuadraFlare LED vertical mount taillights models QL64Z4V-LEFT-NY and QL64Z4V-RIGHT-NY. Includes LED (2) stop/tail, (1) arrow turn and (1) backup lights with vertical Cast 4 housing and weatherproof connectors on each side.	\$1,965.00
5150-0118	Marker light LED body/cab package. E-One custom cab and SS rescue bodies only. NYPD	\$1,768.00
5150-0119	Truck-Lite auxiliary turn signal model 60115Y LED (PR) with grommet mounting. Location: [#LOC].	\$288.00
5150-0120	Whelen 600 LED auxiliary arrow turn signal (PR) with 15 degree castings. Location: [#LOC].	\$719.00
5150-0121	Trucklite model MDL60 chrome bezels for front cab corner marker/turn lights.	\$59.00
5150-0122	Marker lights additional red LED Trucklite Model 15 (PR). Location: [#LOC].	\$111.00
5150-0123	Marker lights additional amber LED Trucklite Model 15 (PR). Location: [#LOC].	\$111.00
5150-0124	The amber LED marker light on each side front of body just in front of rear wheels shall be upgraded to an amber Trucklite LED clearance/auxiliary turn light IPOS (clearance only no turn).	\$195.00
5150-0125	Marker light TeqNiq .75" LED body package. Commercial light rescue or initial attack vehicle bodies.	\$676.00
5150-0126	Marker light LED cab package. E-One custom cab only.	\$821.00
5150-0127	Whelen M6 series LED vertical mount tail lights. Includes LED stop/tail, arrow turn lights with vertical 3 light housing (PR) with M9LZC Super LED scene lights (PR), with chrome flanges and weatherproof connectors.	\$2,777.00
5150-0128	Marker light TeqNiq LED body package. Commercial mini pumper bodies only.	\$676.00
5150-0129	Whelen M6 series LED horizontal mount tail lights. Includes LED stop/tail, arrow turn and back-up lights individually mounted with weatherproof connectors.	\$1,627.00
5150-0130	License plate light LED with chrome housing located at the rear of the body driver side down low.	\$146.00
5150-0131	LED marker light cab and body package. E-ONE custom cab and SS rescue body vehicles.	\$1,438.00
5150-0132	Marker light LED body package. Commercial chassis with SS rescue body vehicles.	\$866.00
5150-0133	License plate light LED with chrome housing located at the rear of the body below B1 entry door.	\$146.00
5150-0134	License plate light incandescent with chrome housing located at the rear of the body.	\$146.00
5150-0135	License plate mount, chrome housing located at the right hand side of the front of cab/bumper.	\$39.00
5150-0136	License plate light LED with chrome housing located at the right hand side of the rear body / engine cover.	\$124.00
5150-0137	Location - the rear license plate and light to be located: [#LOC].	\$0.00
5150-0138	DOT STT/BU lighting. Includes red LED stop/tail/turn and clear LED back-up lights. Lights mounted horizontally on the rear of the body	\$419.00

Option No.	Description	PRICE
5150-0139	Whelen M6 LED auxiliary arrow turn signal (PR) with 15 degree E-1 fabricated housing. Paint housing same color to be mounted to. Location: Rear wheel well off set rearward	\$852.00
5150-0140	Whelen M6 LED auxiliary arrow turn signal (PR) with 15 degree E-1 fabricated housing. Paint housing same color to be mounted to. Location: Centered over cab wheel well	\$852.00
5150-0141	Marker lights Britax LED amber/red rubber housed (PR). Location: on cab above wheels rear of front doors down low and on body above forward and rearward recessed warning light housings.	\$318.00
5150-0142	License plate light with chrome housing located at the right hand side of the rear body / engine cover.	\$124.00
5150-0144	Marker light LED body package. Commercial with SS pumper bodies only.	\$452.00
5150-0145	Marker light LED body/cab package. E-One custom cab and SS pumper body.	\$1,431.00
5150-0146	Taillights Federal Signal DOT STT/BU. Includes 4" LED red stop/tail/turn and 4" LED clear back-up lights.	\$301.00
5150-0147	Whelen 600 series LED vertical mount tail lights. Includes LED stop/tail, arrow turn and halogen back-up lights with individual chrome flanges and weatherproof connectors.	\$2,184.00
5150-0148	Bracket license plate at rear of body. Fabricated from .125" smooth plate aluminum painted job color.	\$52.00
5150-0149	License plate light incandescent with chrome housing located at the rear of the body below tailboard/body.	\$60.00
5150-0150	Weldon LED vertical mount tail lights. Includes LED stop, tail, turn and halogen back-up lights with vertical 4 housing and weatherproof connectors.	\$2,050.00
5150-0151	Marker light package cab / body LED. Body lights to be .75" Dia TecNiq for custom pumpers and tankers.	\$831.00
5150-0152	Federal Signal QuadraFlare LED vertical mount tail lights. Includes LED stop/tail, arrow turn and back-up lights with individual chrome bezels and weatherproof connectors.	\$1,158.00
5150-0153	Instructions: License plate and light to be located on B4 compartment door at rear of body.	\$0.00
5150-0154	License plate light EON LED located at the rear of the body.	\$122.00
5150-0155	Whelen 600 series LED vertical mount taillights. Includes LED stop/tail, arrow turn and backup lights with individual black flanges and weatherproof connectors.	\$2,441.00
5150-0156	Marker lights Britax model L428 LED amber/red rubber housed (PR). Location: [#LOC].	\$434.00
5150-0157	Marker lights Britax LED amber/red rubber housed (PR). Location: on cab above wheels rear of front doors down low, on body above forward recessed warning light housings and on body behind rear side doors same height as cab lights.	\$318.00
5150-0158	Whelen M6 series LED vertical mount tail lights with clear lenses. Includes LED stop/tail, arrow turn and back-up lights with vertical 4 light housing and weatherproof connectors.	\$1,771.00
5150-0159	License plate light EON LED located on front bumper.	\$122.00
5150-0160	Marker lights Britax LED amber/red rubber housed mounted on the rear body corners angled up.	\$434.00
5150-0161	Weldon auxiliary turn signal and marker light model 9186-8580 LED (PR). Location: [#LOC].	\$301.00
5150-0162	Weldon LED vertical mount tail lights. Includes LED stop, tail, turn and back-up lights with vertical 4 housing and weatherproof connectors.	\$2,491.00
5150-0163	Whelen M6 series LED vertical mount tail lights. Includes LED stop/tail, arrow turn and back-up lights individually mounted with weatherproof connectors.	\$1,627.00
5150-0164	Whelen M6AC LED auxiliary turn signal (PR) with 15 degree E-1 fabricated housing and clear lens. Paint housing same color to be mounted to. Location: Centered over cab wheel well	\$852.00

Option No.	Description	PRICE
5150-0165	Marker light LED body/cab package TecNiq. E-ONE custom cab with rear mount aerial platform bodies only. Includes (3) marker lights on front of platform.	\$1,800.00
5150-0166	Light Whelen M6 red LED 3rd brake light (ea). Location: [#LOC]	\$296.00
5150-0167	Weldon clearance light model 9186-8580 LED (PR). Low intensity only wired as steady on with marker light circuit. Location: (1) each side in body wheel well offset forward.	\$301.00
5150-0168	Whelen M6 series LED vertical mount tail lights. Includes LED stop/tail, arrow turn and back-up lights individually mounted with black bezels and weatherproof connectors.	\$1,627.00
5150-0169	License plate light LED with black housing located at the rear of the body.	\$146.00
5150-0170	Optronics 4" GloLight LED taillights. Includes red LED stop/tail, amber turn and clear back-up.	\$569.00
5150-0171	Marker light package cab / body LED. Body lights to be .75" Dia TecNiq/ Trucklite for custom pumpers and tankers.	\$1,231.00
5150-0172	Marker light package cab / body LED. Body lights to be .75" Dia TecNiq for custom cab and rescue body.	\$831.00
5150-0173	Whelen M6 series LED vertical mount tail lights with clear lenses. Includes LED stop/tail, arrow turn and back-up lights with vertical 3 light housing and weatherproof connectors.	\$1,627.00
5150-0174	Marker light package (9) .75" Dia LED TecNiq. Wetside Tanker.	\$260.00
5200-0000	Breaker box 8 place single phase. Includes main breaker. Note: Main breaker occupies 2 places leaving 6 available. Locate [#LOC].	\$916.00
5200-0001	Breaker box 12 place single phase. Includes main breaker. Note: If gen is 6KW or less, main will occupy 2 places leaving 10 available. Locate [#LOC].	\$957.00
5200-0002	Breaker Box 20 Place Single Phase. Includes main breaker. Locate [#LOC].	\$975.00
5200-0003	Breaker box 2 place single phase (70A 110/220V). Location [#LOC].	\$408.00
5200-0006	Breaker box 30 place three phase. Includes main breaker. Only for generator sizes 30 thru 60 KW. Location: [#LOC].	\$2,285.00
5200-0007	Breaker box 30 place single phase. Includes main breaker. Maximum generator size 48 KW. Location: [#LOC].	\$1,510.00
5200-0008	Breaker box 16 place single phase. Includes main breaker. Locate [#LOC].	\$961.00
5200-0009	Breaker box 8 place single phase; no main breaker. For use with multiple options wired through shoreline power with 30A or larger inlet recept. Locate adjacent to main breaker box.	\$714.00
5200-0010	Locate breaker box for auto transfer switch above main breaker box.	\$0.00
5200-0011	Locate breaker box [#LOC].	\$0.00
5200-0012	Breaker box location. Breaker box will be mounted by VanMor. Locate: rear of the entry door in the interior.	\$0.00
5200-0013	Breaker Box 20 Place Single Phase. Includes main breaker. Locate inside forward body module, centered on rear wall, up high. Digital readout panel to be located next to breaker box.	\$975.00
5250-0003	Generator Onan 6KW diesel. Requires fuel pick up option in chassis and 3rd party testing. Generator location: [#LOC].	\$16,400.00
5250-0004	Generator Onan 10KW diesel. Requires fuel pick up option in chassis and 3rd party testing. Generator location: [#LOC].	\$20,937.00
5250-0005	Generator Onan 6KW hydraulic. Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$14,027.00
5250-0006	Generator Onan 8KW hydraulic. Includes generator control/PTO engage switch and a gauge panel located adjacent to circuit breaker box. Generator location: [#LOC].	\$15,787.00
5250-0007	Generator Onan 10KW hydraulic. Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$16,393.00

Option No.	Description	PRICE
5250-0008	Generator Harrison 15KW MPC hydraulic. Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$27,176.00
5250-0009	Generator Harrison 20KW MPC hydraulic. Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$29,361.00
5250-0010	Generator Winco 20KW single phase PTO driven for electronically controlled engine with automatic transmission.	\$8,764.00
5250-0012	Generator Onan 15KW hydraulic. Includes generator control/PTO engage switch and a gauge panel located adjacent to circuit breaker box. Note: Generator is not compatible with an Amkus electric hyd tool power unit. Generator location: [#LOC].	\$23,676.00
5250-0017	Generator Honda EM5000SXK with 4.5KW continuous output. Generator location: [#LOC].	\$6,640.00
5250-0026	Generator Smart Power 10KW hydraulic model ER110. Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$18,700.00
5250-0027	Generator Onan 25KW PTO. Single phase 120/240v. Includes PTO, driveshaft, main breaker, gauge panel, fast idle and frequency control for engine.	\$9,707.00
5250-0028	Generator Onan 35KW PTO. Single phase 120/240v. Includes PTO, driveshaft, main breaker, gauge panel, fast idle and frequency control for engine.	\$11,611.00
5250-0030	Generator Siemens Kubota 7.8KW 24 Volt installed in Generator Compartment.	\$12,382.00
5250-0031	Generator Siemens Kubota 7.8 KW 24 Volt installed on Top Deck	\$12,953.00
5250-0032	Generator Siemens Kubota 10 KW 24 Volt installed in R-4 Compartment	\$15,513.00
5250-0033	Generator Siemens Kubota 10KW 24 Volt installed on Top Deck	\$16,219.00
5250-0035	Onan 40kW PTO driven 3-phase generator.	\$12,673.00
5250-0036	Generator Smart Power 6KW hydraulic model HR-6 (with top mount cooler). Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$14,893.00
5250-0037	Generator Smart Power 8KW hydraulic model HR-8 (with top mount cooler). Includes generator control/PTO engagement switch and a gauge panel located adjacent to the circuit breaker box. Generator location: [#LOC].	\$17,019.00
5250-0038	Generator Smart Power 10KW hydraulic model HR-110 (with top mount cooler). Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$18,700.00
5250-0039	Generator Harrison 10KW MCR hydraulic. Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$17,694.00
5250-0040	Generator Harrison 6KW MCR hydraulic. Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$13,782.00
5250-0042	Generator Westerbeke 5KW diesel (model#5.0 BCDB). Requires fuel pick up option in chassis and 3rd party testing. Generator location: [#LOC].	\$16,958.00
5250-0043	Dealer installed generator. Option includes space only. Dealer responsible for NFPA required 3rd party generator testing.	\$324.00
5250-0044	Generator Smart Power 5.5KW hydraulic model HR-6 (with top mount cooler). Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC]	\$19,043.00
5250-0045	Generator Harrison 30KW MPC hydraulic. Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$35,986.00
5250-0046	Generator PTO switch to be a locking rocker type.	\$0.00

Option No.	Description	PRICE
5250-0047	Generator Smart Power 15KW hydraulic model HR-15 (with top mount cooler). Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$24,875.00
5250-0048	Raven generator 5KW underhood 120V	\$12,087.00
5250-0050	Generator Smart Power 20KW hydraulic model HR-20 (with top mount cooler). Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$27,349.00
5250-0051	Locate generator gauge panel on pump operators panel ipo next to breaker box.	\$131.00
5250-0052	Lima Mac, 60KW, 120/208 VAC, 3 phase Generator w/ T-Case.	\$25,029.00
5250-0053	Generator Harrison 8KW hydraulic plumbed through aerial system. Bronto HDT only. When gen is engaged, the Bronto will run off (1) hyd pump, reducing it's speed by 50%. Includes generator control switch and gauge panel located adjacent to breaker box. Generator location: Driver side of dunnage pan over pump.	\$18,788.00
5250-0054	Generator Onan 7.5KW diesel. Requires fuel pick up option in chassis and 3rd party testing. Generator location: [#LOC].	\$14,698.00
5250-0055	Generator Smart Power 8KW hydraulic model ER8. Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC]	\$20,152.00
5250-0056	PTO engage switch to be wired as follows: switch in the down position (PTO off) and switch in the up position (PTO engage).	\$125.00
5250-0059	Generator Onan 15KW PTO. Single phase 120/240v. Includes PTO, driveshaft, main breaker, gauge panel, fast idle and frequency control for engine.	\$9,032.00
5250-0060	Dealer installed Onan 6KW diesel generator located [#LOC]. Option includes space only. Dealer responsible for NFPA required 3rd party generator testing.	\$324.00
5250-0061	Dealer installed Onan 6KW hydraulic generator located [#LOC]. Option includes space only. Dealer responsible for NFPA required 3rd party generator testing.	\$324.00
5250-0062	Dealer installed Onan 8KW hydraulic generator located [#LOC]. Option includes space only. Dealer responsible for NFPA required 3rd party generator testing.	\$324.00
5250-0063	Dealer installed Onan 10KW hydraulic generator located [#LOC]. Option includes space only. Dealer responsible for NFPA required 3rd party generator testing.	\$324.00
5250-0064	Dealer installed Onan 15KW hydraulic generator located [#LOC]. Option includes space only. Dealer responsible for NFPA required 3rd party generator testing.	\$324.00
5250-0065	Dealer installed Onan 20KW hydraulic generator located [#LOC]. Option includes space only. Dealer responsible for NFPA required 3rd party generator testing.	\$324.00
5250-0066	Dealer installed Smart Power 10KW hydraulic model ER110 generator located [#LOC]. Option includes space only. Dealer responsible for NFPA required 3rd party generator testing.	\$324.00
5250-0067	Dealer installed Smart Power 10KW hydraulic model HR110 generator located [#LOC]. Option includes space only. Dealer responsible for NFPA required 3rd party generator testing.	\$324.00
5250-0068	Dealer installed Smart Power 6KW hydraulic model HR-6 (with top mount cooler) generator located [#LOC]. Option includes space only. Dealer responsible for NFPA required 3rd party generator testing.	\$324.00
5250-0069	Dealer installed Smart Power 8KW hydraulic model HR-8 (with top mount cooler) generator located [#LOC]. Option includes space only. Dealer responsible for NFPA required 3rd party generator testing.	\$324.00

Option No.	Description	PRICE
5250-0070	Dealer installed Smart Power 15KW hydraulic model HR-15 (with top mount cooler) generator located [#LOC]. Option includes space only. Dealer responsible for NFPA required 3rd party generator testing.	\$324.00
5250-0071	Dealer installed Smart Power 20KW hydraulic model HR-20 (with top mount cooler) generator located [#LOC]. Option includes space only. Dealer responsible for NFPA required 3rd party generator testing.	\$324.00
5250-0072	Dealer installed Harrison 6KW MCR hydraulic generator located [#LOC]. Option includes space only. Dealer responsible for NFPA required 3rd party generator testing.	\$324.00
5250-0073	Dealer installed Harrison 10KW MCR hydraulic generator located [#LOC]. Option includes space only. Dealer responsible for NFPA required 3rd party generator testing.	\$324.00
5250-0074	Dealer installed Harrison 30KW MPC hydraulic generator located [#LOC]. Option includes space only. Dealer responsible for NFPA required 3rd party generator testing.	\$324.00
5250-0075	Guarded generator PTO engage toggle switch. Located driver side cab switch panel. For use on Typhoon X and CIIX cabs only.	\$212.00
5250-0076	Guarded PTO engage rocker switch. Located driver side cab switch panel. For use on Quest, CIIX LTH aerial and commercial cabs.	\$212.00
5250-0077	Generator Harrison 8KW MCR hydraulic. Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$17,501.00
5250-0078	Generator Smart Power 10KW hydraulic Liberator model Li15 (with top mount cooler and XRT hyd tool pump). Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$28,902.00
5250-0080	Dealer installed 5KW gas generator located [#LOC]. Option includes space only. Dealer responsible for NFPA required 3rd party generator testing.	\$324.00
5250-0082	Dealer installed Westerbeke 10KW diesel generator located [#LOC]. Option includes space only. Dealer responsible for NFPA required 3rd party generator testing.	\$324.00
5250-0083	Generator Package. Includes 5kw portable gas generator, (2) 20AMP TL receptacles. One each side on rear compartment face, (2) 500W quartz lights with internal pole on the pump module and (6) place breaker box with master breaker forward wall L1.	\$8,205.00
5250-0084	Generator Package. Includes (2) 20AMP TL receptacles. One each side on rear compartment face, (2) 500W quartz lights with internal pole on the pump module and (6) place breaker box (master breaker to be installed by dealer with size of generator to be determined by dealer) forward wall L1.	\$4,308.00
5250-0085	Connector plug for use with 5kw gas portable generator. Lower rear area of driver side rearward compartment.	\$0.00
5250-0086	Wiring from breaker box to lower rear area of driver side rearward compartment. Dealer to provide connector compatible with dealer installed generator.	\$0.00
5250-0087	Generator Package. Includes 5kw portable gas generator located in the officer side hosebed storage pan, (2) 20AMP TL receptacles, one each side on rear compartment face, (2) 500W quartz lights with internal pole on the pump module and (6) place breaker box with master breaker forward wall L1.	\$8,373.00
5250-0088	Dealer Installed Generator Package. Includes (2) 20AMP TL receptacles, one each side on rear compartment face, (2) 500W quartz lights with internal pole on the pump module and (6) place breaker box (master breaker to be installed by dealer with size of generator to be determined by dealer) forward wall L1.	\$4,429.00

Option No.	Description	PRICE
5250-0089	Generator Package. Includes 8kw hydraulic generator located in the officer side hosebed storage pan, (2) 20AMP TL receptacles, one each side on rear compartment face, (2) 500W quartz lights with internal pole on the pump module and (6) place breaker box with master breaker forward wall L1. Includes generator control / PTO engage switch mounted within the cab, a gauge panel shall accompany the generator package.	\$16,167.00
5250-0090	Dealer Installed Generator Package. Includes (2) 20AMP TL receptacles, one each side on rear compartment face, (2) 500W quartz lights with internal pole on the pump module and (6) place breaker box (master breaker and PTO to be installed by dealer with size of generator to be determined by dealer) forward wall L1.	\$4,515.00
5250-0091	Generator Package. Includes (2) 20AMP TL receptacles. One each side on rear compartment face, (2) 1500W quartz lights with internal pole on the pump module and (6) place breaker box (master breaker to be installed by dealer with size of generator to be determined by dealer) forward wall L1.	\$4,833.00
5250-0092	Generator Honda EM5000SXK with 4.5KW continuous output. NFPA rated at 3.3KW. Generator location: [#LOC].	\$6,016.00
5250-0093	Generator Smart Power 20KW hydraulic model HR-20 (with top mount cooler). Includes generator control / PTO engage switch and a gauge panel located on pump panel. Generator location: [#LOC]	\$27,349.00
5250-0097	Connector plug for use with 5.5KW Harrison gas generator. Driver side lower rear compartment offset forward.	\$0.00
5250-0098	Connector plug for use with 5.5KW Harrison gas generator. Officer side lower rear compartment offset forward.	\$0.00
5250-0099	Wiring from breaker box to lower rear area of officer side rearward compartment. Dealer to provide connector compatible with dealer installed generator.	\$0.00
5250-0101	Wiring from breaker box to officer side hosebed storage pan. Dealer to provide connector compatible with dealer installed generator. Allow for two feet of extra looped line in pan.	\$0.00
5250-0102	Connector plug for use with 5.5KW Harrison gas generator. Officer side hosebed storage pan.	\$0.00
5250-0103	Connector plug for use with 5kw gas portable generator. Officer side hosebed storage pan.	\$0.00
5250-0104	Wiring from breaker box to officer side hosebed storage pan. Dealer to provide connector compatible with dealer installed generator.	\$0.00
5250-0105	Exhaust deflector for use with dunnage pan mounted Harrison gas generator and TM module application.	\$0.00
5250-0106	Westerbeke 10KW BT-DAR diesel single phase generator and XRT Hydraulic tool system with 3 tool capability. 10,500 PSI system. Includes selector valve for each reel, hyd res / filter and remote cooler. Requires fuel pick up option in chassis and 3rd party testing. Locate in dunnage pan offset to officer side. Route (4) lead lines to B1 compt.	\$50,247.00
5250-0108	A Power Tech PTS-30 (30kw) diesel generator will be located in the pan over L1/R1. Locate the generator controls next to the breaker box.	\$19,954.00
5250-0109	Generator Onan 20KW PTO. Single phase 120/240v. Includes PTO, driveshaft, main breaker, gauge panel, fast idle and frequency control for engine.	\$9,372.00
5250-0110	Generator Package. Includes 8kw hydraulic generator located in the officer side hosebed storage pan, (2) 20AMP TL receptacles, one each side on rear compartment face, (2) magna fire quartz lights 900W/240V model KR-939-I with internal pole on the pump module and (6) place breaker box with master breaker forward wall L1. Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box.	\$16,774.00

Option No.	Description	PRICE
5250-0111	Westerbeke 10KW BT DAR diesel single phase generator and XRT Hydraulic tool system with 2 tool capability. 10,500 PSI system. Includes selector valve for each reel, hyd res / filter. Requires fuel pick up option in chassis and 3rd party testing. Locate in [#LOC]. Route (4) lead lines to B1 compt.	\$50,247.00
5250-0112	Generator Harrison 8KW hydraulic MCR model. Includes generator control to start generator. Start switch shall be located on the instrument panel within easy reach of the operator. A gauge panel shall accompany the generator package. Generator location: [#LOC].	\$15,468.00
5250-0113	Generator Harrison 10 KW hydraulic MCR model. Includes generator control to start generator. Start switch shall be located on the instrument panel within easy reach of the operator. A gauge panel shall accompany the generator package. Generator loc: [#LOC].	\$16,056.00
5250-0114	Generator Harrison 15 KW hydraulic MPC model. Includes generator control to start generator. Start switch shall be located on the instrument panel within easy reach of the operator. A gauge panel shall be located adjacent to breaker box. Generator loc: [#LOC].	\$22,167.00
5250-0115	Generator Harrison 15KW MPC hydraulic w/IHT. Includes tool circuit manifold, aux heat exchanger, generator control / PTO engage switch and a gauge panel located adjacent to breaker box. [#LOC]	\$36,475.00
5250-0116	Dealer installed Powertech 8KW diesel generator located [#LOC]. Option includes space only. Dealer responsible for NFPA required 3rd party generator testing.	\$324.00
5250-0117	Generator Harrison 8KW MAS hydraulic. Includes generator control/PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$17,501.00
5250-0118	Generator Harrison 8KW LPG hydraulic. Includes generator control switch to engage the PTO and start the generator and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$17,174.00
5250-0119	Generator Harrison 8KW MCR hydraulic w/IHT. Includes tool system manifold, aux heat exchanger, generator control / PTO switch, tool sytem / PTO switch, (both switches accessible by driver) and a generator gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$29,092.00
5250-0120	Generator Harrison 10KW LPG hydraulic w/IHT. Includes tool system manifold, aux heat exchanger, generator control / PTO switch, tool sytem / PTO switch, (both switches accessible by driver) and a generator gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$29,300.00
5250-0121	Generator Honda EM6500SX with 5.5KW continuous output. Generator location:[#LOC].	\$7,785.00
5250-0123	Generator Honda EM4000 with 3.5KW continuous output. NFPA rated at 3.3KW. Generator location: [#LOC].	\$6,016.00
5250-0124	Generator Smart Power 6KW hydraulic model LR-6 Light Rescue Series (FORD 250, 350, 450, 550 Chassis). Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box. Generator location:[#LOC].	\$15,756.00
5250-0125	Generator Harrison 10KW LPG hydraulic. Includes generator control/PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$17,694.00
5250-0127	Wiring from breaker box to tray mounted generator. Dealer to provide connector compatable with dealer installed generator. Allow for two feet of extra looped line in compartment L1.	\$0.00
5250-0128	Generator Smart Power 15KW hydraulic Liberator model Li20 (with top mount cooler and XRT hyd tool pump). Includes generator control switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$33,732.00

Option No.	Description	PRICE
5250-0129	Generator Harrison 8KW MDS hydraulic. Includes generator control/PTO engage switch, gauge panel located adjacent to breaker box and 80cc hyd pump (requires driver side port on EVS3000 trans). Generator location: [#LOC].	\$21,848.00
5250-0130	Generator Harrison 6KW MDS hydraulic w/IHT for continuous accessory. Includes aux hyd system manifold, integral aux heat exchanger, generator control / PTO switch, aux system / PTO switch, (both switches accessible by driver) and a generator gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$27,477.00
5250-0131	Generator toggle switch (IPOS keyed switch). Located: [#LOC].	\$212.00
5250-0132	Generator Harrison 8KW MDS hydraulic w/IHT for continuous accessory. Includes aux hyd system manifold, integral aux heat exchanger, generator control / PTO switch, aux system / PTO switch (both switches accessible by driver), and a generator gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$29,559.00
5250-0133	Generator Harrison 10KW MDS hydraulic w/IHT for continuous accessory. Includes aux hyd system manifold, integral aux heat exchanger, generator control / PTO switch, aux system / PTO switch (both switches accessible by driver), and a generator gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$30,725.00
5250-0134	Generator Harrison 6KW LPG hydraulic with remote mounted reservoir. Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$18,079.00
5250-0135	Generator Harrison 10KW MCR hydraulic w/IHT for continuous accessory. Includes aux hyd system manifold, aux heat exchanger, generator control / PTO switch, aux system / PTO switch, (both switches accessible by driver) and a generator gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$27,798.00
5250-0136	Generator Harrison modular component 15KW MCS hydraulic. Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$30,697.00
5250-0137	Generator Harrison 10KW LPG hydraulic with remote reservoir. Includes generator control/PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$17,694.00
5250-0138	Generator Smart Power 20KW hydraulic Liberator model Li25 (with top mount cooler and XRT hyd tool pump). Includes generator control switch, guarded PTO switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$41,160.00
5250-0139	Dealer installed Westerbeke 8W diesel generator located dunnage pan offset to officer side. Option includes space only. Dealer responsible for NFPA required 3rd party generator testing.	\$324.00
5250-0140	Generator (FOR US AIR FORCE ONLY) Onan 10KW diesel. Requires fuel pick up option in chassis and 3rd party testing. Generator location:[#LOC].	\$15,500.00
5250-0141	Generator Smart Power 6KW hydraulic model ER6. Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$14,893.00
5250-0142	Generator Harrison 6KW LPG hydraulic. Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$14,827.00
5250-0143	Generator Onan 8KW hydraulic 50 Hz. Includes generator control/PTO engage switch and a gauge panel located adjacent to circuit breaker box. Generator location: [#LOC].	\$16,393.00
5250-0144	Generator Harrison 12KW MCR hydraulic. Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$18,647.00

Option No.	Description	PRICE
5250-0145	Generator Harrison 6KW LPG hydraulic w/IHT. Includes tool system manifold, aux heat exchanger, generator control / PTO switch, tool sytem / PTO switch, (both switches accessible by driver) and a generator gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$23,926.00
5250-0146	Generator PTO engage programmed through multiplex display. For use on Typhoon X and CIIX cabs only.	\$212.00
5250-0147	Generator Smart Power 10KW hydraulic Liberator model Li10 (with top mount cooler and compatible with an XRT pump). Includes generator control / PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$26,402.00
5250-0148	Dealer installed 8KW gas located in L3. No space provided; dealer to advise compartment size to customer. Dealer responsible for NFPA required 3rd party generator testing.	\$0.00
5250-0149	Harrison diesel APU/Generator model# 10K160. APU location: [#LOC]. Seperate fuel pick-up option is required with this option.	\$26,934.00
5250-0150	Generator Onan 12KW Quiet Diesel de-rated to 8KW for NFPA compliancy. Requires fuel pick up option in chassis and 3rd party testing. Generator location: To be installed by VanMor.	\$18,108.00
5250-0151	Generator Harrison 6KW MAS hydraulic. Includes generator control/PTO engage switch and a gauge panel located adjacent to breaker box. Generator location: [#LOC].	\$13,782.00
5250-0152	Generator Harrison 10KW MAS hydraulic. Includes generator control/PTO engage switch and a gauge panel located adjacent to breaker box. Location: [#LOC]	\$17,694.00
5250-0153	Generator Onan 30KW PTO. Single phase 120/240v. Includes PTO, driveshaft, main breaker, gauge panel, fast idle and frequency control for engine.	\$10,870.00
5255-0000	3rd party generator testing without pump.	\$735.00
5255-0001	3rd party generator test with pump.	\$98.00
5255-0002	UL 3rd party generator testing without pump.	\$758.00
5260-0000	Generator air deflector for Onan hydraulic. When generator is compartment mounted or mounted in a pan on an aerial body, engineering is to specify updraft or downdraft.	\$479.00
5260-0001	Remote start for diesel generator. Location: [#LOC].	\$452.00
5260-0002	Remote control starting kit for Honda EM3800SX, EM4000, EM5000SX and EM6500SX generators. Locate [#LOC].	\$780.00
5260-0004	Generator prewire for dealer supplied and installed 5 KW portable generator. Includes 12 volt wiring and cable between breaker box. Prewire to [#LOC].	\$293.00
5260-0006	Compartment door(s) of compartment mounted generator to have interlock.	\$220.00
5260-0007	Block heater for diesel powered generator (Power Tech).	\$437.00
5260-0008	Generator prewire for dealer supplied and installed 6.5KW portable generator. Includes 12volt wiring and cable between breaker box. Prewire to [#LOC].	\$359.00
5260-0009	Generator oil drain valve with tube extending below driver side pump panel.	\$229.00
5260-0010	Remote start switches for Honda EM3800SX portable generator. Honda remote start kit with E-ONE supplied switches on pump panel. This option may void factory generator warranty from Honda.	\$1,096.00
5260-0011	Extend exhaust pipe from dunnage pan mounted portable generator into pump compartment using stainless steel flexible pipe.	\$103.00
5260-0012	Generator wire routing. Route wiring through rear side of dunnage pan approximately 4" from floor.	\$0.00
5260-0013	Locate generator gauge panel to the outboard side of the breaker box.	\$131.00
5260-0014	Oil drain valve with tube extending below officer side pump panel.	\$229.00

Option No.	Description	PRICE
5260-0015	Generator prewire for dealer supplied and installed 2.5 KW portable generator. Includes 12volt wiring and cable between breaker box with #66W47 posi-lock Woodhead recpt. Prewire to R1 forward wall up high.	\$485.00
5260-0016	Extend exhaust pipe from dunnage pan mounted portable generator in line with main exhaust system using stainless steel flexible pipe.	\$103.00
5260-0017	Compartment door(s) of compartment mounted compressor to have interlock.	\$220.00
5260-0018	Diamond plate generator shield (3) sided. Forward, rearward and outboard sides w/2" space between generator and shield. Outboard side to have slots for hot air exhaust.	\$704.00
5260-0019	The exhaust of the gas generator to be routed downward and to the exit to below the unit to the officer side of the unit.	\$291.00
5260-0020	Compartment door(s) of compartment mounted electric dump valve to have interlock.	\$220.00
5260-0021	Oil drain valve with tube extending below driver side pump panel.	\$229.00
5260-0022	Compartment door(s) of L2 and R3 compartments to have interlock due to the B1 mounted generator. Required in addition to standard generator compartment door interlock.	\$0.00
5260-0023	Generator platform to raise the generator up 8" in the storage pan. Generator raised due to heat from generator exhaust.	\$434.00
5260-0024	Locate generator gauge panel on the pump operators panel in lieu of standard location adjacent to breaker box.	\$131.00
5260-0025	Generator prewire for dealer supplied and installed 3.5 KW portable generator (Honda or other with equivalent dimensions). Includes 12 volt wiring and A/C cabling to breaker box. Prewire to [#LOC].	\$293.00
5260-0026	(4) terminal strips for quick dis-connection of generator.	\$0.00
5260-0027	Locate generator gauge panel above breaker box on a formed bracket. See photos on file with sales.	\$131.00
5260-0028	Locate generator gauge package on L1 forward wall outboard midway.	\$0.00
5260-0029	There shall be a 7 gauge stainless steel cover surrounding the generator. Cover shall be easily removable for generator servicing and have an expanded metal insert for ventilation.	\$1,213.00
5260-0030	Generator governor FRC FROG with two gauge panels. Locate one gauge panel next to breaker box and the second one in the cab.	\$7,628.00
5260-0031	The hydraulic generator (Harrison MCR model) shall be upgraded to a thru pump to accommodate other options sharing the same PTO pad.	\$829.00
5260-0032	Bolt-on diamond plate cover on top of generator. See photos on file.	\$284.00
5260-0033	Diamond plate guard to protect the generator's wiring and harnesses in the dunnage pan. The guard will go full height of the dunnage pan, forward to rear, separating the generator and breaker box from the other side (driver's side) of the dunnage pan.	\$364.00
5260-0034	Vertical exhaust for Harrison MCR and MPC generators 6KW - 20KW.	\$555.00
5260-0036	Locate generator gauge package (PTO engage, main breaker, gauge panel, fast idle and frequency control for engine) located: body interior inside L3 entrance door on the left side up high above L2 mounted inboard of the auto transfer switch/breaker box.	\$0.00
5260-0037	Generated auxiliary 12V power system wired through diesel generator. System includes (3) Power Max 100A 12V converters to power VMUX electrical system. Generator not included (engine off but ignition must be in "on" position). Requires Engineering review for generator and 12V power requirements.	\$6,947.00
5260-0038	Remote control starting kit for Harrsion DBR5500 generator. Location: [#LOC].	\$512.00
5260-0039	Generator prewire for dealer supplied and installed 5.5KW portable generator. Includes 12volt wiring and cable between breaker box. Prewire to dunnage pan.	\$416.00
5260-0040	Generator digital display FRC FROG-D IPOS. Location: [#LOC].	\$1,712.00

Option No.	Description	PRICE
5260-0041	Idle reduction system powered by a diesel generator. System includes (2) Power Max 100A 12V converters to power the vehicle electrical system. Requires diesel generator. Requires Engineering review for generator and 12V power requirements.	\$4,343.00
5260-0042	Compartment door(s) on officer side to be interlocked with ladder rack.	\$220.00
5260-0043	Locate generator gauge package on L1 forward wall above breaker box.	\$0.00
5260-0044	Locate generator gauge package on L1 forward wall up high.	\$0.00
5260-0045	Locate generator gauge package on pump panel in lieu of L1 forward wall above breaker box.	\$0.00
5260-0046	Generator prewire for dealer supplied and installed 2KW portable generator. Includes 12 volt wiring and cable between breaker box. Prewire to [#LOC].	\$324.00
5260-0047	Aesthetic shield for hydraulic generator on outboard end of dunnage pan. To be 3-sided, open top, and constructed from diamond plate.	\$479.00
5260-0048	Hinged diamond plate cover with out access hole on top of generator. Cover is to be hinged so as to tilt forward of the generator. See photos on file.	\$284.00
5260-0049	Locate generator gauge package on L4 forward wall in lieu of adjacent to breaker box.	\$0.00
5260-0050	Wiring and hydraulic line(s) (if equipped) covers for compartment mounted generator.	\$297.00
5260-0051	Support bracing for generator between L1/R1 compartments.	\$1,986.00
5260-0052	Generator hydraulic pump to have drive through upgrade for second hydraulic pump. Includes upgrade to 80cc pump for increased torque capacity. Harrison and SmartPower 6-10kw only. Requires engineering review and approval.	\$1,272.00
5260-0053	Generator governor FRC FROG. Locate gauge panel on pump panel.	\$4,181.00
5260-0054	Generator prewire for dealer supplied and installed 3KW portable generator. Includes 12 volt wiring and cable between breaker box. Prewire to [#LOC].	\$324.00
5260-0055	Generator hydraulic pump to have drive through upgrade for second hydraulic pump. Harrison and SmartPower 15-30kw only (with 80cc pump). Requires engineering review and approval.	\$727.00
5260-0056	APS: Auxiliary 12V Power System. System includes (1) 120A Power Max 12VDC converter to power VMUX electrical system load includes: Scene lights with body interior switch, compartment lights, step lights, ground lights with body interior switch, and 12VDC power distribution module in body interior electrical cabinet. Generator not included (chassis engine off with ignition in "on" position). Scene light and ground light switches to be panel mounted near body entry door. ***Requires Engineering review for generator and 12V power requirements.	\$4,373.00
5260-0057	Locate generator gauge panel inside body module on forward bulkhead above work station on driver side.	\$131.00
5260-0058	IRT. Generated auxiliary 12V power system wired through diesel generators. System includes (3) Power Max 100A 12V converters to power VMUX electrical system. Generators not included (engine off but ignition must be in "on" position). Requires Engineering review for generator and 12V power requirements. Commercial Chassis Command Vehicle only.	\$9,799.00
5260-0059	Generator hydraulic pump to have side ports IPOS. Harrison 6-10kw only. Requires engineering review and approval.	\$1,048.00
5300-0000	Light bar Code 3 model XL5100 (PR) 22" Long. All red lens. Location: [#LOC]	\$1,333.00
5300-0003	Light bar Code 3 model 556A3 56" long with all red lenses. Location: Centered on the front cab roof	\$1,834.00
5300-0004	Light bar Code 3 model 718A1 (PR) 18" Long. Red Upper / Clear Lower lens. Location: [#LOC].	\$1,503.00
5300-0015	Light bars Federal Signal ADX2201 LED (PR) with red lenses. Location: [#LOC].	\$3,321.00

Option No.	Description	PRICE
5300-0017	Light bar Federal Signal Jet Stream 48" LED with R/W/R lenses, red diodes and single traffic clearing light. Location: Centered on the front cab roof	\$2,724.00
5300-0020	Light bar Federal Signal JetStream JLX54HH 54" LED. Red Solaris reflectors with red domes each side and (2) center clear TCL lights. Location: Centered on the front cab roof.	\$3,030.00
5300-0021	Light bar Federal Signal JetSolaris 60" LED. Red Solaris reflectors with clear domes. NFPA compliant. Does not require 2 addl side facing bars. Location: Centered on the front cab roof.	\$2,880.00
5300-0022	Light bar Federal Signal 22I (EA). Location: [#LOC].	\$647.00
5300-0023	Light bars Federal Signal 22I (PR). Location: [#LOC].	\$1,204.00
5300-0024	Light bar Federal Signal Aerodynamic 25RQL-Fast 52" with red/clear lens. Location: Centered on the front cab roof.	\$1,670.00
5300-0026	Light bar Federal Signal Aerodynamic ADL5202 52" with red/clear/red lens. Location: Centered on the front cab roof.	\$1,578.00
5300-0028	Light bar Federal Signal Aerodynamic ADX5271 52" with 10 red Solaris LED reflectors. Location: Centered on the front cab roof	\$3,199.00
5300-0029	Light bar Federal Signal AeroDync ADX7201 72" with 8 red Solaris LED reflectors. Location: Centered on the front cab roof.	\$3,351.00
5300-0030	Light bar Federal Signal Aerodynamic AH1LC 72" with red/clear lens. Location: Centered on the front cab roof.	\$2,013.00
5300-0031	Light bar Federal Signal Aerodynamic AH2LC 72" with red/clear lens. Location: Centered on the front cab roof	\$2,093.00
5300-0044	Light bar Federal Signal Vector VC6001. Location: Centered on the front cab roof	\$2,362.00
5300-0047	Light bar Whelen model 9M380NQ66 w/MKEZ7 mounts. Location: Centered on the front cab roof.	\$3,043.00
5300-0048	Light bar Whelen Centurion model C300700N 72". Location: Centered on the front cab roof	\$1,859.00
5300-0049	Light bar Whelen Edge model 9M380NV 66" with MKEZ7 mounts. Location: Centered on the front cab roof	\$3,482.00
5300-0050	Light bar Whelen Edge model 9M387NQ 72" with MKEZ7 mounts without rear facing strobes. N/A on INTL Chassis. Location: Centered on the front cab roof	\$3,202.00
5300-0051	Light bar Whelen model 9M387NV 72" all strobe with MKEZ7 mounts. N/A with Vista roof with front facing windows. N/A on INTL Chassis. Location: Centered on the front cab roof	\$3,202.00
5300-0052	Light bar Whelen Edge model 9MINNFPA 28 1/4" with MK9 mounts. All strobe light bar. Location: [#LOC]	\$3,243.00
5300-0053	Light bar Whelen Freedom model FN66QLED 66" with MKEZ7 mounts. All LED light bar without rear facing LEDs. Location: Centered on the front cab roof.	\$4,124.00
5300-0055	Light bar Whelen Freedom model FN72QLED 72" LED with MKEZ7 mounts and clear lenses. Location: Centered on the front cab roof.	\$4,229.00
5300-0056	Light bar Whelen Freedom model FN72VLED 72" LED with MKEZ7 mounts. N/A INTL Chassis or Vista roofs with front facing windows. Location: Centered on the front cab roof.	\$4,229.00
5300-0059	Light bar Whelen model 9MINNFPA 28 1/4" strobe with MKEZ7 mounts (PR). Location: [#LOC]	\$3,243.00
5300-0060	Light bar Code 3 model 574NFPA1 74" with all red lenses. Location: Centered on the front cab roof.	\$2,121.00
5300-0061	Whelen Mini Edge NFPA 28 1/4" Light Bar. Location: [#LOC]	\$1,583.00
5300-0065	Light bar Federal Signal ADX2202 LED (PR) with red lenses. Located side facing only. Not NFPA compliant forward facing. Location: [#LOC].	\$2,059.00
5300-0070	Light bar Federal Signal JetStream JLX5401 LED 54". Red Solaris reflectors with red domes. Location: Centered on the front cab roof	\$2,466.00
5300-0073	Whelen Lightbar LED Mini Edge Location: [#LOC]	\$1,825.00

Option No.	Description	PRICE
5300-0074	Whelen Mini-Freedom LED light bars (PR) model FNMINI 24" with red/clear lenses and low profile MK9 mounts. Location: [#LOC].	\$4,783.00
5300-0076	Whelen Mini-Freedom LED side facing light bars (PR) model FT8RRRRF 24" with low profile MK9 mounts. Location: [#LOC]. Lense colors: Clear.	\$4,582.00
5300-0080	Whelen Strobe 28.50" Red Mini Light Bar installed on [#LOC]	\$1,631.00
5300-0081	Light bar, Whelen Freedom Mini LED 28.25", red, installed on [#LOC].	\$1,880.00

5450-0215	Light Whelen 12V Pioneer model PFP2 powder coated black with PBA203 recess mount. Includes switch accessible to driver (side facing lights switched separately). Location: driver and officer side centrally located in center area recessed into roof top compartment raise.	\$2,337.00
5450-0216	Quartz light Fire Research Spectra 120V LED model SPA802-K20-02 with brow mount (EA). Location: [#LOC].	\$2,602.00
5450-0217	Light Fire Research Spectra LED 120V model SPA570-K20 without pole. Location(s): [#LOC].	\$2,754.00
5450-0218	Fire Research Evolution 12V LED model FCA210-V12 with recess mount powder coated black. Includes switch in cab accessible to driver. Location(s):[#LOC].	\$2,022.00

Option No.	Description	PRICE
5450-0219	Fire Research Evolution 12V LED scene light model FCA802-V15 with brow mount powder coated black (EA). Includes switch accessible to driver (driver and officer side facing lights switched separately). Location: [#LOC].	\$2,190.00
5450-0220	Quartz light MagnaFire 750W/120V model KR-1936 with recess mount in diamond plate mounting box. Location(s): [#LOC].	\$1,166.00
5450-0221	Quartz light MagnaFire 5000 750W/120V model KR-2556 with cab brow mount (EA). Light head to be powder coated black. Location(s): [#LOC].	\$978.00
5450-0222	Quartz light MagnaFire 750W/120V model KR-1336 with low profile mount. Light head to be powder coated black. Location(s): [#LOC]	\$1,107.00
5450-0223	Quartz light MagnaFire 750W/120V model KR-SB-536-W/2-I with external pole. Light head to be powder coated black. Location(s): [#LOC].	\$1,487.00
5450-0224	Quartz light Fire Research Focus 1000W/120V model FCA600-M10-ON-6F3 with telescopic tripod pole. Location(s): [#LOC].	\$1,882.00
5450-0226	Light Whelen Pioneer Plus model PFP1AC 120V with vertical bail mount. Location(s): [#LOC].	\$1,648.00
5450-0227	Light Whelen Pioneer Plus LED model PFP1 12V with PBAPEDD pedestal mount. Includes switch in cab (side facing lights switched separately). Location(s): [#LOC].	\$1,732.00
5450-0230	Floodlight Whelen/ROM model KR-SB-8PFP2AC-I-TM with external mount tripod telepole. Pole length required shall be determined upon mounted location. Requires 110V receptacle. Location(s): [#LOC].	\$3,025.00
5450-0231	Light Whelen Pioneer Plus LED model PFP2 12V with PBAPEDD pedestal mount powder coated black housing, mounting brackets applicable shall also be black. Includes switch in cab (side facing lights switched separately). Location(s): [#LOC].	\$2,481.00
5450-0232	Light Whelen Pioneer Plus model PCP2AFSB 120VAC flood/spot with brow mount powder coated black (EA). Location(s): [#LOC].	\$2,478.00
5450-0233	Light Whelen Pioneer Plus model PCP2AFSB 120VAC spot/flood with brow mount powder coated black (EA). Location(s): [#LOC].	\$2,478.00
5450-0234	Light Whelen Pioneer Plus model PCP2AFSB 120VAC flood/spot with pedestal mount powder coated black. Location(s): [#LOC].	\$2,474.00
5450-0235	Light Whelen Pioneer Plus model PCP2AFSB 120VAC spot/flood with pedestal mount powder coated black. Location(s): [#LOC].	\$2,474.00
5450-0239	**OBS** Light Whelen Pioneer Plus model PCP2 flood/spot with pedestal mount (EA). Includes switch in cab (driver and officer side facing lights switched separately). Location(s): [#LOC].	\$2,474.00
5450-0240	Light Whelen Pioneer Plus model PFP2 12V with Quest brow mount (EA) powder coated black. Includes switch in cab accessible to driver (driver and officer side facing lights switched separately). Location(s): [#LOC].	\$2,457.00
5450-0241	Light Whelen Pioneer Plus model PFP2 12V with International Truck Cab center brow mount model PBAINTC. Includes switch in cab accessible to driver.	\$2,457.00
5450-0242	Fire Research Spectra 12V LED model SPA260-Q15 powder coated black with surface mount. Includes switch accessible to driver. Location: [#LOC].	\$2,062.00
5450-0243	Quartz light Fire Research Spectra 120V LED model SPA260-K15 powder coated black with surface mount. Location: [#LOC].	\$2,480.00
5450-0244	Light Whelen Pioneer Plus LED model PCP3 12V combination flood and 8 degree spotlight with pedestal mount adapter. Includes switch in cab (side facing lights switched separately). Location(s): [#LOC].	\$2,768.00
5450-0245	Light Whelen Pioneer Plus model PFP2AC 120V with brow mount (EA). Location(s): [#LOC].	\$2,406.00
5450-0246	Light Whelen Micro Pioneer Plus model MPBB with bail mount powder coated black. Includes switch in cab accessible to driver (side facing lights switched separately). Location: [#LOC].	\$793.00
5450-0247	Quartz light MagnaFire 750W/120V model KR-1936 with recess mount powder coated black. Location(s): [#LOC].	\$1,027.00
5450-0248	Quartz light Fire Research Optimum 1000W/240V model OPA510E-M12-SW with internal pull up pole. Location(s): [#LOC].	\$1,791.00

Option No.	Description	PRICE
5450-0252	Light Whelen Pioneer model PFA2 with PBA203 recess mount. Includes switch in cab (driver and officer side facing lights switched separately). Location: [#LOC].	\$2,104.00
5450-0254	Fire Research Evolution 12V LED model FCA830-V15 brow mount powder coated black. Quest cab only. Includes switch accessible to driver (driver and officer side facing lights switched separately). Location [#LOC].	\$2,053.00
5450-0255	Light Fire Research Evolution LED 12V model FCA580-V15 side fixed mount. Includes switch accessible to driver. Location(s): [#LOC].	\$2,029.00
5450-0256	Floodlight Whelen PFP1AC 120v with external mount tripod telepole. Requires 110V receptacle. Location(s): [#LOC].	\$2,753.00
5450-0257	Light Whelen Pioneer model PFP2 12V with external bottom raise pole mount. Includes switch accessible to driver. Location(s): [#LOC].	\$2,710.00
5450-0258	Light Whelen Pioneer Plus model PFP2 12V with internal top raise pole mount. Includes switch accessible to driver. Location: [#LOC].	\$2,451.00
5450-0259	Floodlight Whelen PFP2AC 110V with external mount 50" tripod telepole. Requires 110V receptacle. Location(s): [#LOC].	\$3,409.00
5450-0260	Light Whelen Pioneer model PCP2AP 120V with external bottom raise pole mount. Location(s): [#LOC].	\$3,068.00
5450-0261	Light Whelen Pioneer model PFP2AC 120V with external bottom raise pole mount. Location(s): [#LOC].	\$2,821.00
5450-0262	Light Whelen Pioneer model PFP2 12V with external bottom raise pole mount. Includes switch accessible to driver. Location(s): [#LOC].	\$2,726.00
5450-0263	Light Whelen Pioneer Plus model PCP2 12V flood/spot with brow mount powder coated black. Includes switch in cab (driver and officer side facing lights switched separately). Location(s): [#LOC].	\$2,478.00
5450-0264	Light Whelen Pioneer Plus LED model PFP2 120V with pedestal mount. Location(s): [#LOC].	\$2,614.00
5450-0265	Light Whelen Pioneer model PFP2AC 120V with internal top raise pole mount. Location: [#LOC].	\$2,755.00
5450-0266	Light Whelen Pioneer Plus model PFP2 12V with recess mount. Includes switch accessible to driver (driver and officer switched separately) and diamond plate mounting boxes for recess mount. Location: [#LOC].	\$2,633.00
5450-0267	Light Whelen 150W/120V with portable base. Requires 110V receptacle. Location(s): [#LOC].	\$2,544.00
5450-0268	Light Fire Research Spectra LED 120V model SPA570-K20 without pole powder coated black. Location(s): [#LOC].	\$2,808.00
5450-0269	Light Fire Research Spectra LED 110V model SPA510-K20 with internal pull-up pole powder coated black. Location(s): [#LOC].	\$2,715.00
5450-0270	Fire Research Evolution 12V LED scene light model FCA510E-V15-SW with internal pull-up pole powder coated black. Includes switch accessible to driver. Location: [#LOC].	\$2,547.00
5450-0271	Akron SceneStar 120V LED model ELSS-XLAC-SM2-PS-UI-TL. Location: [#LOC].	\$2,431.00
5450-0272	Light Whelen Pioneer model PFP2AC 120V powder coated black with internal bottom raise pole mount. Location: [#LOC].	\$2,755.00
5450-0273	Quartz light Fire Research Optimum 1500W/240V model OPA642-M15-ON-603 with 16.625" telescopic tripod pole. Location(s): [#LOC].	\$1,827.00
5450-0274	Fire Research Spectra 12V LED scene light model SPA530E-Q20-SW-H with external push-up pole powder coated black. Includes switch in cab accessible to driver. Location: [#LOC].	\$3,033.00
5450-0275	Light Fire Research Spectra 120V LED model SPA600-K20-ON-SPA603 with 40" telescopic tripod pole powder coated black. Location(s): [#LOC].	\$3,490.00
5450-0276	Akron SceneStar 12V LED model ELSS-XLDC-PU-UI-TL. Location:[#LOC].	\$2,122.00

Option No.	Description	PRICE
5450-0277	Light Whelen Pioneer model PFP2 12V powder coated black with external bottom raise pole mount. Includes switch accessible to driver. Location(s) [#LOC].	\$2,710.00
5450-0278	Light Whelen Pioneer Plus model PFP2 12V with recess mount. Location(s): [#LOC].	\$2,790.00
5450-0279	Floodlight Whelen PFP2AC 110V powder coated black with external mount 40" tripod telepole. Requires 110V receptacle. Location(s): [#LOC].	\$3,409.00
5450-0280	Light Whelen Pioneer model PFP1AC 120V with internal top raise pole mount. Location: [#LOC].	\$1,968.00
5450-0281	Quartz light Fire Research Focus 1000W/240V model FCA300U-M12 with roof mount. Location(s): [#LOC].	\$1,044.00
5450-0282	**OBS** Light Whelen Pioneer model PCP2 12V powder coated black with external bottom raise pole mount. Includes switch accessible to driver. Location(s) [#LOC].	\$2,710.00
5450-0283	Light Whelen Pioneer Plus model PFP2 12V powder coated black with internal top raise pole mount. Includes switch accessible to driver. Location: [#LOC].	\$2,451.00
5450-0284	Light Whelen 150W/120V with portable base powder coated black. Requires 110V receptacle. Location(s): [#LOC].	\$2,544.00
5450-0285	Floodlight Whelen PFP2AC 110V with external mount custom length tripod telepole. Requires 110V receptacle. Location(s): [#LOC].	\$3,409.00
5450-0287	Light Whelen 12 volt Pioneer Plus model PFP1 with brow mount (EA) powder coated black. Includes switch in cab (driver and officer side facing lights switched separately). Location(s): [#LOC].	\$1,692.00
5450-0288	Light Whelen Pioneer Plus model PFP1 powder coated black with bail mount. Includes switch in cab accessible to driver (side facing lights switched seperately). Location(s): [#LOC].	\$1,451.00
5450-0289	Light Whelen Pioneer model PFP1 12V with external bottom raise custom length pole. Includes switch accessible to driver. Location(s): [#LOC].	\$1,885.00
5450-0290	Light Whelen Pioneer model PFP1 12V with internal top raise pole mount. Includes switch accessible to driver. Location: [#LOC].	\$1,819.00
5450-0291	Light Whelen Slimline Pioneer Plus model PSL2 12V with International driver and officer brow mount. Includes switch in cab accessible to driver.	\$1,596.00
5450-0292	Light FireTech model FT-SL-15-110-W 120V with internal top raise pole mount (ROM model KR-900-I) pre-assembled from vendor. Location: [#LOC].	\$2,643.00
5450-0293	FireTech 72" 12V brow light with integrated marker lights. Includes switch accessible to driver. Replaces front brow marker lights. Requires special bracket 5450-0340 on aerials with waterway trough. Not available on aerials with deep trough.	\$4,150.00
5450-0294	Light Whelen Pioneer Max model PCP3 12V with Whelen external bottom raise pole mount. Includes switch accessible to driver. Location(s): [#LOC].	\$3,090.00
5450-0295	LED scene light ExtendaLite 220W/12V model ELSS-XLDC-PS-SM2-UI-SW with telescopic external push-up pole. Includes switch accessible to driver in cab. Location(s): [#LOC].	\$2,390.00
5450-0296	Fire Research Evolution 12V LED scene light model FCA570-V15 without pole. Includes switch in cab accessible to driver. Location: [#LOC].	\$2,109.00
5450-0297	Light Fire Research Spectra LED 110V model SPA700-K20 with portable mount. Requires 110V receptacle. Location(s): [#LOC].	\$2,518.00
5450-0298	Light Whelen Pioneer Plus model PFP1 12V with recess mount with painted stainless steel box. Includes switch accessible to driver (side facing lights switched separately). Location(s): [#LOC].	\$1,670.00
5450-0299	Light Whelen Pioneer Plus model PFP1AC 120V with brow mount (EA) powder coated black. Location(s): [#LOC].	\$1,712.00

Option No.	Description	PRICE
5450-0300	Light Whelen Pioneer Plus model PFP2AC 120V with recess mount. Locate [#LOC]. Includes diamond plate mounting box for recess mount.	\$2,969.00
5450-0301	Light Fire Research Spectra 120V LED model SPA656-K20-ON-SPA603 with 28" telescopic tripod pole. Location(s): [#LOC].	\$3,436.00
5450-0302	Light Fire Research Spectra 120V LED model SPA642-K20-ON-SPA603 with 16" telescopic tripod pole. Location(s): [#LOC].	\$3,436.00
5450-0303	Light Whelen Pioneer model PFP2AC 120V with external top raise pole mount. Location(s): [#LOC].	\$2,821.00
5450-0304	Light Whelen Pioneer Plus model PFP2 12V with bail mount. Includes switch in cab accessible to driver (side facing lights switched seperately). Location(s): [#LOC].	\$2,169.00
5450-0305	Akron SceneStar 12V LED model ELSS-SLDC-PU-UI-TL. Location: [#LOC].	\$2,045.00
5450-0306	Light Whelen Pioneer Plus model PCP2AFSP 120VAC flood/spot with pedestal mount. Location(s): [#LOC].	\$2,743.00
5450-0307	Light Whelen Pioneer Plus 12V model PCP2 flood/spot with pedestal mount powder coated black. Includes switch in cab (driver and officer side facing lights switched seperately). Location(s): [#LOC].	\$2,474.00
5450-0308	Light Whelen Slimline Pioneer Plus model PSL2 12V with Freightliner center brow mount. Includes switch in cab accessible to driver.	\$1,596.00
5450-0309	Light Whelen Pioneer Plus 12V model PFP2 flood with pedestal mount. Includes switch in cab (driver and officer side facing lights switched seperately). Location(s): [#LOC].	\$2,410.00
5450-0310	Fire Research Spectra 120V LED model SPA260-K15 with surface mount and diamond plate mounting box. Location: [#LOC].	\$2,600.00
5450-0312	Quartz light Fire Research Optimum 1000W/240V model OPA530-M12-SR-SW-ON with external push up pole. Location(s): [#LOC].	\$1,624.00
5450-0313	FireTech 11" 12V double stack brow light powder coated white. Includes switch in cab (driver and officer side facing lights switched seperately). Location: [#LOC]	\$1,388.00
5450-0314	FireTech 11" 12V double stack bracket mounted light. Includes switch in cab (driver and officer side facing lights switched seperately). Location: [#LOC]	\$1,388.00
5450-0315	Quartz light Fire Research Optimum 750W/110V model OPA642-S75-ON-603 with 16.625" telescopic tripod pole. Location(s): [#LOC].	\$1,758.00
5450-0316	Light Whelen Pioneer model PFP1 12V with PBA103 recess mount in painted smooth plate boxes. Includes switch accessible to driver (driver and officer side facing lights switched seperately). Location: [#LOC].	\$1,687.00
5450-0317	Quartz light Fire Research Focus 1000W/120V model FCA530-M10-CL50-SR-SW-ON with external push up pole. Location(s): [#LOC].	\$1,834.00
5450-0318	Fire Research Spectra Max 12V LED model SPA260-Q20 with surface mount. Includes switch accessible to driver. Location: [#LOC].	\$2,229.00
5450-0319	Akron SceneStar 12V LED model ELSS-XLDC-SM2-PS-UI-TL. Includes switch accessible to driver. Location: [#LOC].	\$2,431.00
5450-0320	Light Whelen Pioneer Plus model PFP1 12V powder coated black with recess mount. Includes switch accessible to driver (side facing lights switched seperately). Location(s): [#LOC].	\$1,451.00
5450-0321	FireTech 72" 12V brow light with integrated marker lights and black housing. Includes switch accessible to driver. Replaces front brow marker lights. Requires special bracket 5450-0340 on aerials with waterway trough. Not available on aerials with deep trough.	\$4,150.00
5450-0322	Light Fire Research Spectra Max 120V LED model SPA642-K28-ON-SPA603 with 16" telescopic tripod pole. Location(s): [#LOC].	\$3,436.00
5450-0323	Light Whelen Pioneer Plus model PFP2AC 120V powder coated black with recess mount. Location(s): [#LOC].	\$2,790.00
5450-0324	**OBS** Light Whelen Pioneer model PCP2 powder coated black with PBA203 recess mount in fabricated diamond plate boxes. Includes switch in cab (driver and officer side facing lights switched seperately). Location: [#LOC].	\$2,570.00

Option No.	Description	PRICE
5450-0325	Light Whelen Pioneer model PCP2 with chrome surface mount. Includes switch in cab accessible to driver (driver and officer side facing lights switched separately). Location: [#LOC].	\$2,113.00
5450-0326	Fire Research Spectra 12V LED model SPA260-Q15 with surface mount and diamond plate mounting box. Location: [#LOC].	\$2,193.00
5450-0327	Light Whelen Pioneer model PFP2AC 120V with internal bottom raise pole mount. Location: [#LOC].	\$2,755.00
5450-0328	Federal Signal Commander 12V LED scene light model COMLC15K-510E-SW with internal pull-up pole. Includes switch accessible to driver. Location: [#LOC].	\$2,491.00
5450-0329	Fire Research Spectra 120V LED model SPA260-K15 with surface mount and smooth plate painted mounting box. Location: [#LOC].	\$2,712.00
5450-0330	Diamond plate mounting boxes (4). For use with scene lights and warning lights. Locate on driver side forward and rearward compartment tops outboard; boxes to be full depth of compartment top. Officer side forward and rearward upper body corners.	\$931.00
5450-0331	Quartz light Fire Research Focus 500W/110V model FCA802-S50-01 with brow mount (EA). Location(s): [#LOC].	\$958.00
5450-0332	Light Whelen Pioneer model PFP2AC 120V powder coated black with external bottom raise pole mount. Location(s): [#LOC].	\$2,821.00
5450-0333	Quartz light KwikRaze 1500W/220V model KR-93D-I-NCW with internal telepole. Location(s): [#LOC].	\$1,000.00
5450-0334	Akron SceneStar 120V LED model ELSS-XLAC-RM recess mount. Location: [#LOC].	\$2,044.00
5450-0335	LED light Akron SceneStar 220W/12V model ELSS-XLDC-BL. Includes switch accessible to driver. Location(s): [#LOC].	\$2,229.00
5450-0336	Quartz light Fire Research Focus 500W/120V model FCA300U-S50 with brow mount. Location: Center of cab brow.	\$984.00
5450-0337	FireTech 35" 12V mini brow light with white housing. Includes switch in cab (driver and officer side facing lights switched separately). Location: [#LOC]	\$2,066.00
5450-0338	FireTech 21" recessed mini brow light. Includes 115v to 24v power supply (mounted separately from light). Location: [#LOC]	\$2,448.00
5450-0339	FireTech 46" 12V brow light with black housing. Includes switch accessible to driver (driver and officer side facing lights switched separately). Location: [#LOC]	\$2,434.00
5450-0340	Extended brow light brackets for use with FireTech front brow light with standard cab trough.	\$268.00
5450-0341	FireTech 72" 12V scene light with black housing. Includes switch accessible to driver. Side facing lights switched separately. Location: [#LOC].	\$3,958.00
5450-0342	Light shield for FireTech 72" scene light (EA). Smooth aluminum painted Durabak black. Location: [#LOC].	\$349.00
5450-0343	Light Whelen 12V Pioneer model PFP2 powder coated black with PBA203 recess mount. Includes switch accessible to driver (side facing lights switched separately). Location: [#LOC].	\$2,337.00
5450-0344	Light Whelen Slimline Pioneer Plus model PSL2 12V with recess mount. Includes switch in cab accessible to driver (side facing lights switched separately). Location: [#LOC].	\$1,370.00
5450-0345	Quartz light Fire Research Optimum 750W/110V model OPA200-S75 with recess mount with diamond plate box. Location(s): [#LOC].	\$1,245.00
5450-0346	FireTech 72" 12V brow lights with integrated marker lights for Quest. Includes (3) 24" brow lights with switch accessible to driver. Replaces front brow marker lights. Not available on aerials with deep trough.	\$4,150.00
5450-0347	Quartz light Fire Research Optimum 750W/110V portable model OPA700-S75-OP703 powder coated black. Location(s): [#LOC].	\$974.00
5450-0348	Light Whelen Slimline Pioneer Plus model PSL2 12V with pedestal mount. Includes switch in cab accessible to driver (side facing lights switched separately). Location: [#LOC].	\$1,436.00
5450-0349	Floodlight Whelen PFP2AC 110V powder coated black with external mount 50" tripod telepole. Requires 110V receptacle. Location(s): [#LOC].	\$3,409.00

Option No.	Description	PRICE
5450-0350	Light Whelen Pioneer model PFP1AC 120V with external bottom raise pole mount. Location(s): [#LOC].	\$2,351.00
5450-0351	**OBS** Light Whelen Pioneer model PCP2 with PBA203 recess mount in smooth plate mounting boxes painted job (2-tone if applicable) color. Includes switch in cab (driver and officer side facing lights switched separately). Location: [#LOC].	\$2,613.00
5450-0352	Light Fire Research Spectra 120V LED model SPA512-K20-CLP64.5-SW with 64.5" inner pole and 31.5" outer pole. Location(s): [#LOC]	\$3,060.00
5450-0353	Light Fire Research Spectra 12V LED model SPA850-Q20 with flat mount. Location: [#LOC].	\$2,537.00
5450-0354	Fire Research Spectra 120V LED model SPA260-K20 with surface mount. Location: [#LOC].	\$2,629.00
5450-0355	Fire Research Spectra 120V LED scene light model SPA540-K20-CL-SW-H powder coated black with external pull-up pole. Location: [#LOC].	\$3,027.00
5450-0356	Quartz light Fire Research Evolution 12V LED model FCA300U-V15 with brow mount powder coated black. Includes switch accessible to driver. Location: center of cab brow.	\$2,113.00
5450-0357	Light FireTech model FT-SL-15-W 12V with internal top raise pole mount (ROM model KR-900-I) pre-assembled from vendor. Includes switch in cab accessible to driver (side facing lights switched seperately). Location: [#LOC].	\$2,510.00
5450-0358	FireTech 27" 12V mini brow light with white housing. Includes switch in cab (driver and officer side facing lights switched separately). Location: [#LOC]	\$1,770.00
5450-0359	Federal Signal Commander 12V LED scene light model COMM15K-530-SW-H with external push-up pole. Includes switch in cab accessible to driver. Location: [#LOC].	\$2,491.00

Locate 65BZR red with clear lenses (1) each side rear compartment face mounted in taillight bezel.	\$1,402.00
5600-0121	Upper rear warning lights. Code 3 MX718A1 (Pr). Clear Upper / Clear Lower lens with (1) 50W standard and (1) 50W fast red rotators. The Optix LED module to be amber drivers side and red officers side. (1) takedown light each side will activate when truck is in reverse and when the scene light switch is activated. Location: (1) each side rearward on roof top compartments	\$1,629.00
5600-0122	Light Code 3 model 2122NFPA1 (PR) 22.5" long. Red LED with clear lens. Location: one each side on rear body compartment top.	\$4,187.00
5600-0123	Warning light Code 3 LXEX2F-AA LED (PR) amber. Surface mounted with bezel. Location: (1) each side rear compartment face up high	\$839.00
5600-0124	Warning light Code 3 LXEX1F-R LED (PR) red. Surface mounted with bezel. Location: [#LOC]	\$762.00
5600-0125	Code3 model 780 LED flasher. Flasher will control lower level warning lights ipo multiplexing	\$1,782.00
5600-0126	Body Whelen strobe power supply located in R1 on rear wall just below offset.	\$131.00
5600-0128	Warning light Whelen 600 series split Super LED (PR) red/amber. Location: [#LOC]	\$848.00
5600-0129	Warning light Whelen 600 series split Super LED (PR) red/clear. Location: [#LOC].	\$913.00
5600-0130	Whelen model UFM8 LED flasher (PR). Flashers will control lower level warning lights ipo internal flashers. Locate (1) in cab and (1) in body.	\$1,206.00
5600-0131	Light Whelen model PSR00FRR LED (PR) red. Location: [#LOC].	\$417.00
5600-0132	Warning light Federal Signal QL64XF LED (PR). (1) red and (1) green. Location: Red driver and green officer in front quad inboard of NFPA warning light	\$877.00
5600-0133	Warning light Whelen 900 series Super LED model 90RR5FRR (PR) red. Location: [#LOC].	\$1,286.00
5600-0134	Warning light Whelen 600 series LED red/clear. Surface mounted with weatherproof connector(PR). Location: [#LOC]	\$850.00
5600-0135	Whelen Super LED beacon Model L31H with [#COL] domes. Location [#LOC].	\$649.00
5600-0137	Warning light Whelen 700 series Super LED (PR) red/clear. Surface mounted with weatherproof connector. Location: [#LOC]	\$861.00
5600-0138	Warning light Whelen LIN3 series Super LED (PR) red with clear lens. Surface mounted RFLANGCD bezel with weatherproof connector. Location: [#LOC]	\$412.00
5600-0139	Whelen beacon with LED upper beacon and 700 series Super LED (PR) model B6LED with red LEDs/clear domes and [#COL] LEDs/clear lenses. Location: [#LOC].	\$3,099.00
5600-0140	Warning light circuit wiring through chassis reverse. All warning lights.	\$84.00
5600-0141	Lights warning Tomar LED red/white(clear) Rect-37L Series (PR). [#LOC].	\$708.00
5600-0142	Warning light Whelen 900 series Super LED model 90RA5FCR (PR) split red (bottom) / amber (top) with clear lenses. Location: [#LOC]	\$1,286.00
5600-0143	Warning lights Whelen 600 series Super LED (PR) red w/clear lens. Location: [#LOC].	\$655.00
5600-0144	Warning light Whelen 500 series TIR6 Super LED (PR) blue. Surface mounted 5TSMAC bezel with weatherproof connector. Location: [#LOC]	\$553.00
5600-0147	Warning light Whelen 600 series LED (PR). Red driver, blue officer surface mounted with weatherproof connector. Location: [#LOC]	\$909.00
5600-0149	Hazard (door ajar) light, 2.5" incandescent. Location: [#LOC].	\$0.00

Option No.	Description	PRICE
5600-0151	Whelen Ultra Freedom Micro Edge LED (PR) (1) driver Model MCFLED25 clear lense with red LEDs and (1) officer MCFLED22 clear lense with blue LEDs. Requires addtional upper level warning lights to meet NFPA. Location: [#LOC].	\$2,254.00
5600-0152	Warning light Whelen 500 series LED (PR) green. Includes switch on pump panel labeled "Ready for Water" Location: (1) centered between grille and windshield on slope, (1) driver side (inside of beavertail if so equipped) up high below hosebed opposite officer discharge.	\$844.00
5600-0153	Warning light Whelen 600 series split Super LED (PR) red/blue driver, red/amber officer. Location: [#LOC].	\$848.00
5600-0154	Warning light Whelen 600 series Super LED (PR). Red driver, blue officer surface mounted with weatherproof connector. Location: [#LOC].	\$655.00
5600-0156	Warning light Federal Signal QL64XF LED (PR) green. Surface mounted with bezel. Location: [#LOC].	\$724.00
5600-0157	Federal Model SY12FS Sentry with green dome. Includes switch on driver overhead. Location: pole mounted center rear cab roof.	\$425.00
5600-0160	Warning light Federal Signal QL97XF LED (PR) red. Surface mounted with bezel (if applicable). Location: [#LOC].	\$947.00
5600-0161	Warning light Federal Signal QL97XF LED (PR) amber. Surface mounted with bezel (if applicable). Location: [#LOC]	\$947.00
5600-0162	Warning light Federal Signal QL64XF LED (PR) blue. Surface mounted with bezel. Location: [#LOC].	\$658.00
5600-0164	Warning light Federal Signal QL64XF LED (PR) white. Surface mounted with bezel. Location: [#LOC].	\$761.00
5600-0165	Warning light Whelen 500 series Super Linear LED (PR) green. Location: [#LOC].	\$583.00
5600-0166	Warning light Whelen 600 series Super LED (PR) green. Location: [#LOC].	\$863.00
5600-0168	Fed QuadraFlare QL97SC-RA Red/Amber split color LED lights located on rear of body up high. Red on top on left side and bottom on right side to simulate "X" pattern. Includes external flasher.	\$1,183.00
5600-0169	Warning light Whelen 900 series Super LED driver side amber / officer side red model 90AA5FAR / 90RR5FRR. Location: [#LOC].	\$1,286.00
5600-0171	Warning light Whelen LIN3 series Super LED (PR) amber with clear lens. Surface mounted RFLANGCD bezel with weatherproof connector. Location: [#LOC]	\$412.00
5600-0172	Warning light Whelen 900 series Super LED model 90AA5FAR (PR) amber. Location: [#LOC].	\$1,286.00
5600-0174	Warning light Whelen 900 series Super LED model 90RR5FRR (2) (PR) red. Location: (1) each side rear compartment face up high and (1) each side mounted to the side body towards rear. All wired as part of upper rear warning lights.	\$2,645.00
5600-0175	Warning light Whelen 700 series Super LED (PR) red. Location: [#LOC].	\$655.00
5600-0176	Mars 888 pedestal mounted traffic clearing lights with clear lenses located one each side of cab above outer quad bezel.	\$2,047.00
5600-0177	Whelen model UFM8 LED flasher (3). Flashers will control warning lights ipo internal flashers. Locate (1) in cab and (2) in body.	\$1,808.00
5600-0178	Warning light Whelen 400 series TIR Super LED (PR) white. Surface mounted 4TSMAC bezel. Location: [#LOC].	\$663.00
5600-0179	Warning light Whelen 400 series TIR Super LED (PR) Red. Surface mounted 4TSMAC bezel. Location: [#LOC].	\$605.00
5600-0181	Warning light Federal Signal Model 360501 LED w/ bezel (PR). Surfaced mounted with blue driver and red officer lenses. Location: [#LOC].	\$608.00
5600-0182	Whelen beacon with LED upper beacon and 700 series Super LED (PR) Model B6LED with amber domes and [#COL] LEDs. Location [#LOC]	\$3,099.00
5600-0183	Warning light Whelen 600 series Super LED (PR). blue driver, green officer surface mounted with weatherproof connector. Location: [#LOC].	\$760.00
5600-0184	Warning light Federal Signal QL64XF LED (PR). (1) red driver, (1) blue officer. Surface mounted with bezel. Location: [#LOC]	\$658.00

Option No.	Description	PRICE
5600-0185	Federal Model IVP100 Vector pod (PR) located at the rear cab corners. Driver side to be amber with switch on driver's switch panel and automatically turn off when warning lts are on. Officer side to be blue with switch on driver's switch panel.	\$836.00
5600-0187	Warning light Federal Signal QL97XF LED (PR). (1) red driver, (1) blue officer. Surface mounted with bezel (if applicable). Location: [#LOC].	\$947.00
5600-0188	Federal Ultrastar LED beacon. Location [#LOC], color will be [#COL].	\$324.00

5600-0255	Warning light Whelen 900 series Super LED driver side red model (90RR5FRR) / officer side amber (90AA5FAR). Location: [#LOC]	\$1,286.00
5600-0256	Warning light Whelen M-Series Super LED model M9J (PR) red/blue. Surface mounted with weatherproof connector. Location: [#LOC].	\$1,482.00
5600-0257	Warning light Whelen M6 series Linear Super LED (PR) split red/blue with clear lens. Location: [#LOC].	\$820.00
5600-0258	Warning light Whelen M9RC series Super LED (PR) red with clear lens. Location: [#LOC].	\$1,257.00
5600-0259	Warning light Whelen M6BC series Linear Super LED (PR) blue with clear lens. Location: [#LOC].	\$748.00
5600-0260	Warning light Weldon Diamondback V46W-C00A LED (PR) amber w/ clear lenses. Location: [#LOC].	\$621.00
5600-0261	Whelen Super LED beacon Model L40 with [#COL] domes. Location [#LOC].	\$547.00
5600-0262	Warning light Whelen 900 series Super LED model 90RA5FCR (PR) split red / amber with clear lense. Location: [#LOC].	\$997.00
5600-0263	Whelen Super LED beacon Model L31H with green dome. Includes switch on pump operator panel labeled "Command". Location: centered rear cab roof.	\$1,007.00
5600-0264	Whelen beacon with LED upper beacon and 700 series Super LED (PR) Model B6LED with blue LED/clear dome driver and red LED/clear dome officer and 700 series [#COL] LEDs/clear lenses. Location: [#LOC].	\$3,099.00

Option No.	Description	PRICE
5600-0265	Hazard light, 2.5" incandescent additional amber. Location and function: center overhead for light tower. Wired through audible alarm if equipped.	\$39.00
5600-0266	Whelen Super LED beacon (PR) model L31H with red driver, blue officer LED and clear domes. Location rear upper body on aerial style brackets.	\$2,023.00
5600-0267	Warning light Whelen Dominator series LED with red driver/blue officer with clear lenses. Location: [#LOC]. Wire through lower level warning.	\$1,002.00
5600-0268	Mars 888 pedestal mounted traffic clearing light located one each side of cab outboard above the outer quad bezel on contoured pedestal bracket. Lens color(s): driver red, officer clear.	\$2,441.00
5600-0269	Whelen Super LED beacon (PR) model L31H with red driver, amber officer LED and clear domes. Location [#LOC].	\$2,023.00
5600-0270	Warning light Whelen 500 series vertical linear Super LED (PR) red with clear lens. Surface mounted with weatherproof connector. Location: [#LOC].	\$655.00
5600-0271	Warning light Whelen 500 series TIR6 Super LED (PR) red with clear lens. Surface mounted 5TSMAC bezel with weatherproof connector. Location: [#LOC].	\$553.00
5600-0272	Hazard (door ajar) light Federal Signal 2.5" LED model 607120-04. Location: [#LOC].	\$64.00
5600-0273	Warning light Whelen 900 series Super LED (PR). (1) model 90RR5FCR red driver and (1) model 90BB5FCR blue officer. Each light shall have a clear lense w/ colored LEDs. Location: side facing (1) each side upper front body panels and side facing (1) each side upper rear body panels.	\$1,286.00
5600-0274	Warning light Whelen 900 series Super LED (PR). (1) model 90RR5FCR red driver and (1) model 90BB5FCR blue officer. Each light shall have a clear lense w/ colored LEDs. Location: Rear facing up high on the rear one above each other.	\$1,286.00
5600-0275	Warning light Whelen M6AC series Linear Super LED (PR) amber with clear lens. Location: [#LOC].	\$748.00
5600-0276	Whelen Ultra Freedom Micro Edge LED (PR) model MCFLED clear lens with amber driver / red officer LEDs. Location [#LOC].	\$2,104.00
5600-0277	Warning light Whelen M6C series Linear Super LED (PR) white. Location: [#LOC].	\$748.00
5600-0280	Warning light Federal Signal Viper EXT Model VPX802-5-NYPD LED w/ chrome bezel (PR). Surfaced mounted with clear lens. Location: (1) each side lower front cab corner ahead of drip rail and (1) each side below bumper guide between gussets. Lights will be triple flash pattern.	\$658.00
5600-0281	Warning light Federal Signal Viper EXT Model VPX802-4-NYPD LED w/ chrome bezel (PR). Surfaced mounted with red lens. Location: (1) each side on cab grille, (1) each side, side facing, midway on vertical rear body panel behind rear body doors and (1) each side rear of body below tail lights. Special flasher requirements for all warning lights.	\$594.00
5600-0282	Federal Intelli model 650302 LED flasher (6). Flashers will control lower warning lights ipso internal flashers. Flashers will be wired with switches per NYPD. Requires Engineering approval.	\$2,720.00
5600-0283	Door ajar warning light package. (3) guarded toggle switches with Weldon 9186-2300-20 indicator lights. Switching as follows: (1) rear entry door, (1) escape hatch lid and (1) all other cab and body doors. Functioning: Toggles in up position as standard; flip down to override ajar buzzer. Indicator lights and buzzer wired through battery switch; not through park brake.	\$568.00
5600-0284	Whelen Super LED beacon (PR) model L31H with blue driver, red officer LED and clear domes. Location [#LOC].	\$2,023.00
5600-0285	Warning light Roto-Ray LED with (1) red, (1) blue and (1) clear lenses. Locate on front of cab centered below windshield.	\$3,006.00
5600-0286	Warning light Whelen M6RC series Super LED (PR) red with clear lens. Location: [#LOC].	\$715.00

Option No.	Description	PRICE
5600-0287	Warning light Whelen Dominator Plus model DP880000 with (8) red LINZ6 LEDs. Location: [#LOC]. Wire through lower level warning.	\$1,646.00
5600-0288	Whelen red TIR3 LED light heads (2). Locate in rubrails below compartments L1 and R1.	\$313.00
5600-0289	Warning light Whelen 900 series Super LED model 90BB5FBR (PR) blue. Location: [#LOC].	\$1,286.00
5600-0290	Warning light Whelen 600 series Super LED (PR) red with diamond plate mounting boxes. Location: [#LOC].	\$842.00
5600-0291	Warning light Roto Ray LED with (1) red, (1) green and (1) white lights. Locate on front of cab centered below windshield.	\$3,006.00
5600-0292	Warning light Whelen 900 series Super LED model 90RR5FRC (PR) red w/ clear lens. Location: [#LOC].	\$1,286.00
5600-0293	Light Whelen model PSC00FCR LED (PR) white. Lights are wired to reverse and respective turn signal. Location: (1) each side below L1/R1 just ahead of rear wheels in rubrail (if equipped).	\$957.00
5600-0294	Warning light Federal Signal IMPAXX model IPX600-R red LED w/ bezel (PR). Surfaced mounted with clear lens. Location: [#LOC].	\$506.00
5600-0295	Warning lights Weldon Diamondback V79W-C10A LED amber w/ clear lenses (PR). Location: [#LOC].	\$880.00
5600-0296	Warning light Weldon Diamondback V46W-C LED (PR) red driver, amber officer w/ clear lenses. Location: [#LOC].	\$621.00
5600-0297	Warning light Whelen Dominator series LED model D860020 red/white. Includes R/W/R/R/R/W/R LEDs with clear lenses. Location: [#LOC]. Wire through lower level warning.	\$989.00
5600-0298	Warning light Power Arc model M90FK-W LED (PR). Color: White. Location: [#LOC].	\$1,083.00
5600-0299	Warning light Federal Signal IMPAXX LED model IPX302-4 w/ bezel (PR). Surfaced mounted with red lens. Location: [#LOC].	\$348.00
5600-0300	Warning lights Weldon Diamondback V79W-C00R LED red w/ clear lenses (PR). Location: [#LOC].	\$880.00
5600-0301	Warning light Whelen M2 Super LED warning lights. Includes (2) red M2R LED light heads w/chrome flanges (if applicable). Location: [#LOC].	\$596.00
5600-0302	Warning light Whelen M2 Super LED warning lights. Includes (2) red M2RC LED light heads with clear lenses and chrome flanges (if applicable). Location: [#LOC].	\$596.00
5600-0305	Warning light Whelen M6 series Linear Super LED (PR) amber driver, red officer with clear lenses. Location: [#LOC].	\$748.00
5600-0306	Opticom Emitter 3M 794H. LED emitter and control only. Location and activation: [#LOC].	\$2,521.00
5600-0307	Warning light Whelen 600 series LED (PR) with clear lens. Red driver, blue officer surface mounted with weatherproof connector. Location: [#LOC]	\$909.00
5600-0308	The GPS control unit shall be located below the center overhead panel offset to the driver's side.	\$0.00
5600-0309	Warning light Whelen Vertex Super LED warning lights. Includes (2) red model VTX609R LED light heads with clear lens, w/chrome flanges model VTXFC. Location: [#LOC].	\$558.00
5600-0310	Warning light Whelen M6 series Linear Super LED (PR) split red/clear with clear lens. Location: [#LOC].	\$820.00
5600-0311	Warning light Whelen 900 series Super LED model 90AA5FCR (PR) amber with clear lenses. Location: [#LOC].	\$1,286.00
5600-0312	Light Whelen model PSA00FAR LED (PR) amber. Location: [#LOC].	\$417.00
5600-0313	Warning light Whelen 900 series Super LED with clear lens model 90BB5FCR (PR) blue. Location: [#LOC].	\$1,286.00
5600-0314	Federal Signal Vision LED rotating beacons model VSLR-IPX-R1R21 with rear facing IPX6 red LED warning light (Requires additional rear facing warning lights for NFPA compliance). Location: [#LOC].	\$2,531.00
5600-0315	Whelen Micro Liberty LED (PR) (1) driver Model MCSLED2R clear lense with red LEDs and (1) officer MCSLED2B clear lense with blue LEDs. Location: [#LOC].	\$1,772.00
5600-0316	Warning light Whelen M4AC Super-LED lights (PR) amber with clear lenses. Location: [#LOC].	\$959.00

Option No.	Description	PRICE
5600-0317	Whelen Super LED beacon (PR) model L31H with red driver, blue officer LED and clear domes. Location: [#LOC].	\$2,023.00
5600-0318	Whelen Ultra Freedom Micro Edge LED (PR) (1) officer Model MCFLED25 clear lense with red LEDs and (1) driver MCFLED22 clear lense with blue LEDs. Requires additional upper level warning lights to meet NFPA. Location: [#LOC].	\$2,254.00
5600-0320	Warning light Whelen ION series Super LED (2) red and (1) white with clear lens. Location: [#LOC].	\$991.00
5600-0321	Mars 888 pedestal mounted traffic clearing light located one each side of cab outboard above the outer quad bezel on contoured pedestal brkt. Lens color: clear.	\$2,441.00
5600-0322	Warning light Whelen M7D series Linear Super LED (PR) split red/clear with clear lens. Location: [#LOC].	\$830.00
5600-0323	Warning light Whelen M4A LED (2) amber. Surface mounted with weatherproof connector. Location: [#LOC].	\$661.00
5600-0325	Code3 model 9088EFA 88" rear light bar. Includes (14) REF3 red LED modules and (6) REF8 red LED modules. Location: [#LOC].	\$4,460.00
5600-0326	Whelen red TIR3 LED light heads (2). Locate in rear tailboard, one (1) each side below the tail lights.	\$313.00
5600-0327	Warning light Whelen Dominator series LED model D880000 red with clear lenses. Location: [#LOC]. Wire through lower level warning.	\$985.00
5600-0328	Warning light Whelen M7 series Linear Super LED (PR) white light with clear lens. Location: [#LOC].	\$727.00
5600-0329	Warning light Whelen M6CC series Super LED (PR) white with clear lens. Location: [#LOC].	\$715.00
5600-0330	Warning light Federal Signal IMPAXX model IPX602-R red LED w/ bezel (PR). Surfaced mounted with red lens. Location: [#LOC].	\$506.00
5600-0331	Federal Signal Vision LED rotating beacons model VSLR-R with red LED warning light(s) and red lenses (Requires additional rear facing warning lights for NFPA compliance). Location: [#LOC].	\$1,892.00
5600-0332	Mars 888 pedestal mounted traffic clearing light located (1) each side of cab outboard above the outer quad bezel on contoured pedestal bracket. Driver side red, officer side clear.	\$2,441.00
5600-0333	Warning light Whelen M9 series Super LED (PR) red driver, amber officer. Location: [#LOC].	\$1,482.00
5600-0334	Warning light Whelen IONWR series Super LED red in color. Location: [#LOC].	\$681.00
5600-0336	Warning light Roto Ray LED with (1) red, (1) amber and (1) clear lights. Locate on front of cab centered below windshield.	\$3,006.00
5600-0337	Warning light Federal Signal QuadraFlare QL64XF LED PR (1) blue (1) red. Surface mounted with bezel. Location: [#LOC].	\$658.00
5600-0338	Warning light Whelen M9 series Super LED (PR) red officer, amber driver. Location: [#LOC].	\$1,482.00
5600-0339	Warning light Whelen 600 series Super LED (PR). Red officer, blue driver surface mounted with weatherproof connector. Location: [#LOC].	\$655.00
5600-0340	Warning light Whelen M6 series Linear Super LED (PR) red driver, blue officer. Location: [#LOC].	\$748.00
5600-0341	Warning light Whelen 600 series split Super LED (PR) red/blue with clear lens. Location: [#LOC].	\$848.00
5600-0342	Whelen beacon with LED upper beacon and 700 series Super LED (PR) Model B6LED with blue driver and amber officer domes and [#COL] LEDs. Location [#LOC].	\$3,099.00
5600-0343	Whelen red TIR3 LED light heads (2). Locate in rubrail below pump module offset forward.	\$313.00
5600-0345	Warning light Federal Signal IMPAXX LED model IPX300-4 w/ bezel (PR). Surfaced mounted red LEDs with clear lens. Location: [#LOC].	\$348.00
5600-0346	All warning lights to have black bezels ipo chrome where applicable.	\$0.00
5600-0347	Warning light Whelen 900 series Super LED blue driver, amber officer. Location: [#LOC].	\$1,286.00
5600-0348	Whelen beacon Model RB6 (PR)- red driver/blue officer. Location: upper rear body.	\$0.00
5600-0349	Whelen red TIR3 LED light heads (2). Locate on front cab hood corners, one (1) each side. Commerical chassis only.	\$313.00

Option No.	Description	PRICE
5600-0350	Hazard (door ajar) light Whelen Vertex red LED model VTX609R w/chrome bezel. Location: [#LOC].	\$281.00
5600-0351	Warning light Whelen M-Series Super LED model M9A (PR) amber. Surface mounted with weatherproof connector. Location: [#LOC].	\$1,257.00
5600-0352	Warning light Whelen M6G series Linear Super LED (PR) green. Location: [#LOC].	\$960.00
5600-0353	Warning light Whelen M6 series Super LED (PR) amber. Location: [#LOC].	\$748.00
5600-0354	Warning lights Whelen LINZ6 LEDs (PR) red in color with chrome bezels if applicable. Location: [#LOC].	\$499.00
5600-0355	Whelen beacon with LED upper beacon and 700 series Super LED (PR) Model B6LED with blue domes and [#COL] LEDs. Location: [#LOC].	\$3,099.00
5600-0356	Federal Signal Pulsator LED beacon pole mounted with green dome. Mounted on a ROM external push/pull KR-SB-500-W4-I series pole with a flat surface to accommodate beacon mounting. Includes switch in officer overhead labeled "Command". Location: driver side rear of cab.	\$1,554.00
5600-0357	Warning light Whelen M6 series Linear Super LED (PR) red driver, green officer. Location: [#LOC].	\$748.00
5600-0358	Warning light Federal Signal Viper EXT Model VPX802-4 LED w/ bezel rear upper level package. Includes (9) surfaced mounted with red lens; (5) up high rear of body and (2) side facing on each side of body up high and rearward (as applicable).	\$2,667.00
5600-0359	Warning light Federal Signal IMPAXX LED model IPX302 w/ bezel (PR) (driver blue, officer red). Surfaced mounted with colored lens. Location: [#LOC].	\$348.00
5600-0360	Warning light Federal Signal QuadraFlare QL64XF LED (EA) red. Light to be steady burn to meet California DOT requirements. Surface mounted with bezel. Location: [#LOC].	\$294.00
5600-0361	Warning light Whelen M-Series Super LED model M9AC (PR) amber with clear lens. Surface mounted with weatherproof connector. Location: (1) each side above tail lights.	\$1,257.00
5600-0362	Power Arc beacon (PR) Model LEDB210 with [#COL] domes. Location: [#LOC].	\$1,333.00
5600-0363	Warning light Code3 XT6RB split red/blue LED (PR). Surfaced mounted with clear lens. Location: [#LOC].	\$392.00
5600-0364	Warning light Roto Ray LED with (2) green and (1) clear lights. Locate on front of cab centered below windshield.	\$3,006.00
5600-0365	Warning light Federal Signal QL64SFC split LED (PR) red/clear. Surface mounted with bezel. Location: [#LOC].	\$828.00
5600-0366	Warning light Whelen 500 series TIR6 Super LED (2) blue and (3) amber. Surface mounted 5TSMAC bezel with weatherproof connector. Lights to activate when park brake is set in blocking mode. Location: [#LOC].	\$1,381.00
5600-0367	Warning light Whelen 600 series Super LED (PR) amber with clear lens. Location: [#LOC].	\$655.00
5600-0368	Warning light Whelen M6A series Linear Super LED (PR) amber. Location: [#LOC].	\$748.00
5600-0369	Whelen Ultra Freedom Micro Edge LED (PR) model MCFLED2 clear lens with red driver / amber officer LEDs. Location: [#LOC].	\$2,104.00
5600-0370	Warning light Whelen M-Series Super LED model M9AC (PR) amber with clear lens. Surface mounted with weatherproof connector. Location: [#LOC].	\$1,257.00
5600-0371	Whelen Ultra Freedom Micro Edge LED (PR) model MCFLED2RB clear lens with (1) red/(1) blue LEDs. Location: [#LOC].	\$2,104.00
5600-0372	Light Code 3 model DB2-2PZNFPA2 (PR) with clear lenses. Located: [#LOC].	\$2,111.00
5600-0373	Warning Light Code3 model #65BZCB blue LED with clear lens and chrome bezel (PR). Location: [#LOC].	\$1,176.00
5600-0374	Warning light Federal Signal QL64XFC LED (PR) blue with clear lenses. Surface mounted with bezel. Location: [#LOC].	\$658.00
5600-0375	Warning light Federal Signal IMPAXX model IPX600-B blue LED w/ bezel (PR). Surfaced mounted with clear lens. Location: [#LOC].	\$506.00
5600-0377	Federal Signal Vision LED rotating beacons model VSLR-R2A02 with rear facing IPX6 amber LED warning light. Location: [#LOC].	\$2,531.00

Option No.	Description	PRICE
5600-0378	Warning light Code 3 65BZCR LED (PR) Red with clear lens. Surface mounted with bezel. Location: [#LOC]	\$623.00
5600-0379	Warning light Federal Signal QL97XFC-R LED (PR) red with clear lenses. Surface mounted with bezel (if applicable). Location: [#LOC].	\$947.00
5600-0380	Warning light Federal Signal QL64SFC split LED (PR) driver red/clear, officer red/green. Surface mounted with bezel. Location: [#LOC].	\$828.00
5600-0381	Hazard (seat belt warning) blue light 2" LED. Location: Adjacent to door ajar light.	\$39.00
5600-0382	Warning light Signal Technology Cross X red (PR). Includes rear facing block-out of light. Location: (1) each side bottom of cab mirror.	\$603.00
5600-0383	Warning light Whelen 900 series Super LED (PR). (1) model 90RR5FRR red driver and (1) model 90BB5FBR blue officer. Location: [#LOC].	\$1,286.00
5600-0384	Tomar model RECT-79-TSMF bezel (PR) for Whelen 900 series lights. Lights to be angled forward. Location: driver and officer gravel shield mounted lights.	\$197.00
5600-0385	Whelen Super LED ROTA-BEAM beacon (PR) model R316 Series [#COL] domes. Location [#LOC].	\$2,203.00
5600-0386	Warning light Whelen M2 Super LED warning lights. Includes (2) amber M2A LED light heads w/chrome flanges (if applicable). Location: [#LOC].	\$596.00
5600-0387	Whelen amber TIR3 LED light heads (2). Locate [#LOC].	\$313.00
5600-0388	Hazard (light tower ajar) amber light 2" LED. Location: [#LOC].	\$39.00
5600-0389	Warning light Whelen M4RC Super-LED lights (PR) red with clear lenses. Location: [#LOC].	\$573.00
5600-0390	Mars 888 LED pedestal mounted traffic clearing light located one each side of cab outboard above the outer quad bezel on contoured pedestal brkt. Lens color: clear.	\$3,871.00
5600-0391	Warning light Whelen M4R Super-LED lights (PR) red. Location: [#LOC].	\$573.00
5600-0392	Whelen Ultra Freedom Micro Edge LED (PR) model MCFLED2 clear lens with blue driver / red officer LEDs. Location (1) each side of body on rearward compartment top.	\$2,050.00
5600-0393	Warning light Whelen M6GC series Linear Super LED (PR) green with clear lenses. Location: [#LOC].	\$764.00
5600-0394	Federal LED beacon. Model LP800 (PR) [#COL]. Location: [#LOC].	\$1,139.00
5600-0395	Warning light Whelen M-Series Super LED model M9K (PR) red/amber. Surface mounted with weatherproof connector. Location: (1) on each side up high rear of body.	\$1,482.00
5600-0396	Warning light Whelen Dominator series LED model D66000 red with clear lenses. Location: [#LOC]. Wire through lower level warning.	\$874.00
5600-0397	Warning light Whelen WIONA series Super LED amber in color (ea). Locate rear of body below directional lightbar wired through reverse.	\$341.00
5600-0398	Warning light Whelen 500 series TIR6 Super LED (PR)1-red driver, 1-green officer. Surface mounted 5TSMAC bezel with weatherproof connector. Location: [#LOC].	\$553.00
5600-0399	Warning light Whelen M9 series Super LED (PR) red with diamond plate mounting boxes. Location: [#LOC].	\$1,586.00
5600-0400	Warning light Whelen IONWA series Super LED amber in color. Location: [#LOC].	\$681.00
5600-0401	Warning light Whelen M6B series Linear Super LED (PR) blue. Location: [#LOC].	\$748.00
5600-0402	Warning light Whelen M9 series Super LED (PR) blue driver, red officer with clear lenses. Location: [#LOC].	\$1,482.00

Option No.	Description	PRICE
5600-0403	(Do Not use. Converted in error)Whelen beacon with LED upper beacon and 700 series LED (PR) Model B6LED with red domes and split red / amber LEDs. Location: rear upper body on aerial style brackets.	\$3,178.00
5600-0404	Whelen beacon with LED upper beacon and 700 series Super LED (PR) Model B6LED with amber LED/clear dome driver and red LED/clear dome officer and [#COL] LEDs/clear lenses. Location: [#LOC].	\$3,099.00
5600-0405	Warning light Whelen M9 series Super LED (PR) red with (1) officer side diamond plate mounting box. Location: driver side facing upper body corner, officer rear compartment top outboard.	\$1,537.00
5600-0406	Warning light Whelen 500 series TIR6 Super LED (2) blue and (3) red. Surface mounted 5TSMAC bezel with weatherproof connector. Lights to activate when park brake is set in blocking mode. Location: [#LOC].	\$1,381.00
5600-0407	Whelen Ultra Freedom Micro Edge LED (PR) model MCFLED red lens with red LEDs. Location [#LOC].	\$2,104.00
5600-0408	Warning light Federal Signal QL97XF LED (PR) red with diamond plate mounting box. Surface mounted with bezel (if applicable). Location: [#LOC].	\$1,133.00
5600-0409	Whelen beacon with LED upper beacon and 700 series Super LED (PR) model B6LED with red domes and 700 series Super LED scene lights rear facing. Location: [#LOC].	\$3,270.00
5600-0410	Warning light Whelen 600 series Super LED (PR) red with black flange. Location: [#LOC].	\$655.00
5600-0411	Install customer supplied Opticom GPS system. Labor only; all components to be provided. See sales for locations.	\$804.00
5600-0412	Warning light Federal Signal QL64XF LED (EA) white. Surface mounted with bezel. Location: [#LOC].	\$382.00
5600-0413	Warning light Federal Signal IMPAXX model IPX600-W white LED w/ bezel (PR). Surfaced mounted with clear lens. Location: Front cab corners adjacent to existing fixtures.	\$578.00

5600-0545	Warning light Whelen 400 series TIR Super LED (PR) split red/blue with clear lenses. Surface mounted 4TSMAC bezel. Location: [#LOC].	\$770.00
6100-0000	Ladder HM100 with waterway to 80 ft. Includes partial fly section K-bracing, left side console with cover, split steps at tip and jack leg flood lights.	\$251,556.00
6100-0001	Ladder HM100 without waterway. Includes partial fly section K-bracing, left side console with cover, split steps at tip and jack leg flood lights.	\$220,818.00
6100-0002	Ladder 110 with waterway to 87'. Includes partial fly section K-bracing, left side console with cover, split steps at tip and jack leg flood lights.	\$251,635.00
6100-0003	Ladder 110 without waterway. Includes partial fly section K-bracing, left side console with cover, split steps at tip and jack leg flood lights.	\$220,898.00
6100-0004	Platform 95 Rear-Mount. Includes left side console and jack leg flood lights.	\$400,837.00
6100-0005	Ladder HP75 with waterway. Includes left side console with cover, split steps at tip and jack leg flood lights.	\$204,672.00
6100-0006	Ladder HP100. Includes pinned waterway, left side console with cover, split steps at tip and jack leg flood lights.	\$315,120.00
6100-0007	Ladder CR100 with waterway. Includes left side console with cover, split steps at tip and jack leg flood lights.	\$310,285.00
6100-0008	Platform HP95 Mid-Mount. Includes driver side console, level assist and jack leg flood lights.	\$422,618.00
6100-0009	Ladder HP100 SideStacker. Includes pinned waterway, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$316,131.00

Option No.	Description	PRICE
6100-0010	Ladder CR100 SideStacker with waterway. Includes left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$311,297.00
6100-0011	Platform 95 SideStacker. Includes left side console, turntable mansaver bars and jack leg flood lights.	\$401,877.00
6100-0012	Platform Bronto F118HDT-ER. Less monitor, heat shields and wood pads. Includes first boom lifting eye, 40 AMP converter and 6 wire intercom cable run from base to tip. Requires artic oil for units operating in sub zero conditions and tropical oil for units operating in dry desert conditions.	\$575,667.00
6100-0013	** (OBS - use 6100-0055) ** Platform Bronto F100RLP. Less monitor, heat shields, hydraulic pumps and wood pads. Includes first boom lifting eye, 40 amp converter and 6-wire intercom cable run from base to tip. Requires artic oil for units operating in sub zero conditions and tropical oil for units operating in dry desert conditions.	\$409,100.00
6100-0014	** (OBS - use 6100-0056) ** Platform Bronto F114RLP. Less monitor, heat shields, hydraulic pumps and wood pads. Includes first boom lifting eye, 40 amp converter and 6-wire intercom cable run from base to tip. Requires artic oil for units operating in sub zero conditions and tropical oil for units operating in dry desert conditions.	\$465,433.00
6100-0015	Aerial boom 50' Mid-Mount. Includes monitor, rescue ladder, split steps at tip and jack leg flood lights.	\$153,520.00
6100-0016	Ladder HP100 tiller. Includes pinned waterway, console cover, split steps at tip and jack leg flood lights. Hydraulic reservoir on tractor chassis to have access panel on front of reservoir to service suction strainer.	\$453,422.00
6100-0017	** (OBS - use 6100-0057) ** Platform Bronto F134RLP. Less monitor, heat shields, hydraulic pumps and wood pads. Includes first boom lifting eye, 40 amp converter and 6-wire intercom cable run from base to tip. Requires artic oil for units operating in sub zero conditions and tropical oil for units operating in dry desert conditions.	\$602,039.00
6100-0018	Platform HP100 with SideStacker T/T. Includes left side console, turntable mansaver bars and jack leg flood lights.	\$401,877.00
6100-0019	Platform HP100 with full turntable. Includes left side console, turntable mansaver bars and jack leg flood lights.	\$401,877.00
6100-0020	Ladder HM100 with waterway to tip. Includes full fly section K-bracing, left side console with cover, split steps at tip and jack leg flood lights.	\$255,435.00
6100-0021	(OBS) 65' Snozzle Model HS-2 with dual monitors. Locate individual jack switch plates on driver and officer side front compt face.	\$257,938.00
6100-0022	Mounting - 65' Snozzle torque box and aerial. Includes PTO, hyd pump, pump brkt, pump shaft, hyd hoses, water tank pass-thoughts for boom suport, and boom support for Snozzle supplied boom support bracket.	\$10,127.00
6100-0023	65' Snozzle Model HS-1 with single monitor. Includes auto nozzle leveling, HID tip light, strobe and tracking lights, and individual jack switch plates on driver and officer side front compt face.	\$235,376.00
6100-0024	65' Snozzle Model HS-2 with dual monitors. Includes auto nozzle leveling, HID tip light, strobe and tracking lights, and individual jack switch plates on driver and officer side front compt face.	\$251,315.00
6100-0025	Aerial chassis components for 95-Platform/CR100/110H/135. Requires customer supplied aerial and aerial overhaul/upgrade package.	\$160,005.00
6100-0026	Raise aerial turntable pedestal and boom support 1" (Required on HP100 Platform with long or extended cab).	\$3,034.00
6100-0027	Ladder HP78 500 lb tip load with waterway. Includes left side console with cover, split steps at tip and jack leg flood lights.	\$207,164.00
6100-0028	Ladder HP78 750 lb tip load with waterway. Includes left side console with cover, split steps at tip and jack leg flood lights.	\$207,164.00
6100-0030	Lower aerial turntable pedestal and boom support 6in (HM100/110/LTH100). Top of turntable support to top of torque box to be 36.25in.	\$921.00

Option No.	Description	PRICE
6100-0031	Ladder 110' SideStacker with waterway to 87'. Includes partial fly section K-bracing, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$252,648.00
6100-0032	Lower aerial turntable pedestal and boom support 3" (HP100/HPS105 ladder). Top of turntable support to top of torque box to be 35.813".	\$921.00
6100-0033	Ladder CR137 with waterway to 110'. Includes left side console with cover, split steps at tip and jack leg flood lights.	\$321,778.00
6100-0034	Ladder CR137 SideStacker with waterway to 110'. Includes left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$322,790.00
6100-0035	Lower aerial turntable pedestal and boom support (CR100/95-Platform). Top of turntable support to top of torque box to be 32.875" (for use with a 58" high body).	\$921.00
6100-0036	Ladder HM100 with waterway to tip for SideStacker body. Includes full fly section K-bracing, left side console with cover, split steps at tip and jack leg flood lights.	\$256,449.00
6100-0037	Ladder HP100. For use with center rear staircase body. Includes pinned waterway, rear handrail extension (PR) on turntable, left side console with cover, split steps at tip and jack leg flood lights.	\$315,439.00
6100-0038	Lower aerial turntable pedestal and boom support 3in (HM100/110/LTH100). Top of turntable support to top of torque box to be 39.25in.	\$921.00
6100-0039	Lower aerial turntable pedestal and boom support 4". For use with 65" high body.	\$577.00
6100-0040	Platform HP100 (2000 GPM capacity) with SideStacker T/T. Includes perimeter flow w/way pipe, 5" swivel, 5" lower w/way piping, left side console, turntable mansaver bars and jack leg flood lights.	\$403,994.00
6100-0041	Raise aerial turntable pedestal and boom support 2". Top of turntable support to top of torque box to be 36". (Required on Industrial HP100 Platform 750 gallon or greater tank).	\$3,096.00
6100-0042	Ladder LTH100 without waterway. Includes left side console with cover, adjustable height turntable handrails, split steps at tip and jack leg flood lights.	\$219,635.00
6100-0043	Lower aerial turntable pedestal and boom support 2" (HP100 Platform). Top of turntable support to top of torque box to be 32".	\$921.00
6100-0044	Ladder LTH100 with waterway to tip. Includes left side console with cover, adjustable height turntable hand rails, split steps at tip and jack leg flood lights.	\$254,252.00
6100-0045	Ladder HP75 with waterway. Includes left side console with smooth plate cover, split steps at tip and jack leg flood lights.	\$204,672.00
6100-0046	Raise aerial 50' mid-mount boom pedestal and boom support 5". For use with 85" high body.	\$2,300.00
6100-0047	Ladder LTH100 with waterway to 80 ft. Includes left side console with cover, adjustable height turntable hand rails, split steps at tip and jack leg flood lights.	\$250,403.00
6100-0048	Lower aerial turntable pedestal and boom support 7". For use with 62" high body.	\$577.00
6100-0049	Aerial boom 50' Mid-Mount. Includes rescue ladder, split steps at tip and jack leg flood lights. Requires monitor option.	\$142,216.00
6100-0050	There shall be no visible raw diamond plate (unpainted) on the aerial turntable. The following items on the turntable to be diamond plate painted black durabak: turntable console, turntable deck and access step.	\$853.00
6100-0051	Raise aerial turntable pedestal and boom support 1". Top of turntable support to top of torque box to be 36.875". (Applicable to 95P/CR100/CR137 w/sidestacker style frame cut).	\$3,034.00
6100-0052	Raise aerial turntable pedestal and boom support 2". Top of turntable support to top of torque box to be 37.875". (Applicable to 95P/CR100/CR137 w/sidestacker style frame cut).	\$3,034.00

Option No.	Description	PRICE
6100-0053	Hinged turntable console cover IPOS. Cover to be diamond plate with hinge on outboard side mounted to tube style pedestal mount. Includes modified left side turntable handrail.	\$521.00
6100-0054	Ladder HPS105. For use with SideStacker body. Includes pinned waterway, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$316,131.00
6100-0055	Platform Bronto F100RLP. Includes GCS controls, water flow and pressure and floor temp in displays. Requires artic oil for units operating in sub zero conditions and tropical oil for units operating in dry desert conditions.	\$453,720.00
6100-0056	Platform Bronto F114RLP. Includes GCS controls, water flow and pressure and floor temp in displays. Requires artic oil for units operating in sub zero conditions and tropical oil for units operating in dry desert conditions.	\$497,353.00
6100-0057	Platform Bronto F134RLP. Includes GCS controls, water flow and pressure and floor temp in displays. Requires artic oil for units operating in sub zero conditions and tropical oil for units operating in dry desert conditions.	\$562,341.00
6100-0059	Platform Bronto F116 RLP+. Includes variable jacking, hyd oil cooler and water flow and pressure and floor temp in displays. Requires ultrasonic collision guard option, artic oil for units operating in sub zero conditions and tropical oil for units operating in dry desert conditions.	\$552,434.00
6100-0061	Ladder HP100 SideStacker w/o waterway. Includes left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$288,095.00
6100-0062	Ladder HPS105. Includes pinned waterway, left side console with cover, split steps at tip and jack leg flood lights.	\$315,120.00
6100-0063	LINE-X package for Aerial Turntable: Includes turntable console, turntable deck platework and access steps and any other storage boxes or brackets fabricated out of diamond plate installed on the turntable.	\$983.00
6100-0064	Aerial turntable control console's exterior aluminum plate work to be smooth plate IPO diamond plate and painted job color.	\$1,214.00
6100-0065	Lower aerial turntable pedestal and boom support 1" (HP100 Platform). Top of turntable support to top of torque box to be 33".	\$490.00
6100-0066	Platform HP100 with full turntable. Includes OEM controls, left side roll top console, turntable mansaver bars and jack leg flood lights.	\$391,181.00
6100-0067	Turntable control pedestal to be full diamond plate IPO tube style pedestal mount. Includes diamond plate cover hinged to front and access door at lower area.	\$1,574.00
6100-0068	Platform 95 Rear-Mount. Includes platform with angled corners, left side turntable console and jack leg flood lights.	\$400,837.00
6100-0069	Platform 95 SideStacker. Includes platform with angled corners, left side turntable console and jack leg flood lights.	\$401,877.00
6100-0070	Aerial turntable rotation drive motor cover exterior aluminum plate work to be smooth plate IPO diamond plate and painted job color.	\$607.00
6100-0071	Platform HP100 with SideStacker T/T. Includes OEM controls, left side roll top console, turntable mansaver bars and jack leg flood lights.	\$391,181.00
6100-0072	Platform HPS100 with full turntable. Includes left side console, turntable mansaver bars and jack leg flood lights.	\$401,877.00
6100-0073	Platform HPS100 with SideStacker T/T. Includes left side console, turntable mansaver bars and jack leg flood lights.	\$401,877.00
6100-0074	Turntable control pedestal to be full diamond plate IPO tube style pedestal mount. Includes diamond plate cover hinged to side and access door at lower area.	\$1,574.00
6100-0075	Platform HP100 with full turntable. Includes left side roll top console and jack leg flood lights. Note chains IPO mansaver bars at turntable handrails.	\$401,216.00

Option No.	Description	PRICE
6100-0076	Locate aerial rotation drive on driver side IPOS. Includes modified turntable control console to incorporate the rotation drive cover.	\$412.00
6100-0077	Extensions for aerial and aerial jack grease fittings. Extensions to be routed to three groups (left torque box, right torque box and aerial).	\$1,184.00
6100-0078	Raise aerial turntable pedestal and boom support 3". Top of turntable support to top of torque box to be 41.812". (Applicable to HP100 w/sidestacker style frame cut).	\$3,034.00
6100-0079	Diamond plate catwalk w/gator grip each side of HP95 mid-mount platform bucket.	\$1,517.00
6100-0080	Platform HP95 Mid-Mount. Console in platform to be on right side offset to rear. Includes driver side roll top turntable console, level assist and jack leg flood lights.	\$426,738.00
6100-0081	Turntable handrails to be standard height, non-adjustable IPO standard. Applies to LTH100 only.	\$0.00
6100-0082	Top of turntable support to top of torque box to be 42.25in. (Metro 100).	\$3,156.00
6100-0083	Aerial turntable control console's exterior aluminum plate work to be smooth plate IPO diamond plate and painted two-tone job color.	\$1,214.00
6100-0084	Ladder HM100 SideStacker with waterway to 80 ft. Includes partial fly section K-bracing, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$252,569.00
6100-0085	Hinged turntable console cover IPOS. Cover to be smooth plate, painted FLNA 4145 black, with hinge on outboard side mounted to tube style pedestal mount. Includes modified left side turntable handrail.	\$646.00
6150-0000	Cold weather package for aerial hydraulic system.	\$2,854.00
6150-0001	Aerial hydraulic filter isolation kit.	\$404.00
6150-0002	Aerial hydraulic reservoir to be located in lower L1 compt.	\$1,051.00
6150-0003	Gauge aerial hydraulic oil level. Electronic display to be located [#LOC].	\$621.00
6150-0004	Extended length outrigger foot (PR). Required with 33k rear axle.	\$380.00
6150-0005	Aerial hydraulic oil reservoir to be stainless steel IPOS. Includes flange type hyd fittings. Not for use in southern climates.	\$1,858.00
6150-0006	Gauge aerial hydraulic oil level. Electronic display to be located on upper rear surface of turntable control console.	\$864.00
6150-0007	Aerial hydraulic reservoir to be located front center of body on "H" style bracket.	\$1,051.00
6150-0008	Integral outrigger pad extensions (4). 15" x 20" x .5" steel plate welded to std jack foot plates.	\$467.00
6150-0009	Cold weather package for shared aerial hydraulic system.	\$292.00
6150-0010	Aerial hydraulic cooler to be located left side of turntable ahead of control console.	\$0.00
6150-0011	Aerial hydraulic sight level gauge IATS. To be located on forward face of aerial reservoir viewable from a hinged door facing outboard behind compartment plate work.	\$666.00
6150-0012	Extended length outrigger foot (4). Required with >54k rear axle on HP100 Platform.	\$156.00
6150-0014	Aerial hydraulic pump - variable displacement.	\$4,269.00
6150-0015	Aerial hydraulic pump to have drive through provision. For use with up to 10kw Harrison, 10kw Smartpower and 15kw Onan.	\$546.00
6150-0016	Special aerial hydraulic reservoir/location due to customer's requirements.	\$1,236.00
6150-0017	Aerial hydraulic reservoir to be located in lower L2 compt.	\$1,051.00
6150-0018	Aerial hydraulic reservoir to be located in lower L3 compt.	\$1,051.00

Option No.	Description	PRICE
6150-0019	Forward drop down and lock jacks shall be provided with same larger ground pads (PR) as those provided for rear drop down jacks. Only applies to 95' mid mount platform.	\$332.00
6150-0020	Aerial hydraulic pump to be upgraded to a variable displacement style pump with a drive through provision. For use with up to 10kw Harrison generator only. HP95MM with 260WB only.	\$2,779.00
6200-0017	Camera color, fixed lens.	\$1,011.00
6300-0000	Monitor Akron electric 1000GPM for RLP/HDT. Includes 24v motors, tip controls, base controls and a butterfly valve. Sidesweep is 45 degrees left and right.	\$13,550.00
6300-0001	Monitor Elkhart electric 1000 GPM for ladder. Includes tip and base controls.	\$12,287.00
6300-0002	Monitor Akron electric 1000 GPM for ladder. Includes tip and base controls.	\$12,175.00
6300-0003	Monitor Elkhart electric 1000GPM for platform. Includes tip controls, base controls and a butterfly valve.	\$12,175.00
6300-0004	Monitor Elkhart electric 1250GPM. Includes tip controls, base controls and a butterfly valve.	\$12,175.00
6300-0005	Monitor Akron electric 1000GPM for platform. Includes tip controls, base controls and butterfly valve.	\$11,804.00
6300-0007	Monitor Akron electric 1250GPM for platform. Includes tip controls, base controls and butterfly valve.	\$12,345.00
6300-0009	Monitor Elkhart dual for platform. Rated at 1250 GPM on the 92 Pltfrm and 1500 GPM on the HP95MM and HP100 Pltfrm. Includes (1) electric and (1) manual monitor, (2) butterfly valves and tip/base controls for the electric monitor. Monitor sweep is 67.5 degrees outward and 22.5 degrees inward.	\$18,484.00
6300-0010	Monitor Akron dual for platform. Rated at 1250 GPM on the 92 Pltfrm and 1500 GPM on the HP95MM and HP100 Pltfrm. Includes (1) electric and (1) manual monitor, (2) butterfly valves and tip/base controls for the electric monitor. Monitor sweep is 67.5 degrees outward and 22.5 degrees inward.	\$18,903.00
6300-0011	1000 GPM Akron electric monitor for Tiller ladder. Includes auto-stow, tip and base controls.	\$13,570.00
6300-0012	Monitor Akron dual for Bronto. Rated at 1250 GPM. Includes (1) electric and (1) manual monitor, (2) butterfly valves and tip/base controls for the electric monitor. Monitor sweep is 45 degrees outward and 22.5 degrees inward.	\$18,901.00
6300-0013	Monitor TFT electric 1000GPM for platform with powder coated silver finish. Includes tip controls, base controls and butterfly valve.	\$14,756.00
6300-0014	Monitor TFT electric 1250GPM with powder coated silver finish. Includes tip controls, base controls and a butterfly valve. Monitor to have multiple flow ratings based on position.	\$14,756.00
6300-0015	Monitor TFT dual for platform with powder coated silver finish. Rated at 1250 GPM on the 92 Pltfrm and 1500 GPM on the HP95MM and HP100 Pltfrm. Includes (1) electric and (1) manual monitor, (2) butterfly valves and tip/base controls for the electric monitor. Monitor sweep is 67.5 degrees outward and 22.5 degrees inward.	\$19,720.00
6300-0016	Monitor TFT electric 1000 GPM for ladder with a powder coated silver finish. Includes tip and base controls.	\$12,175.00
6300-0017	Monitor painted silver from OEM.	\$0.00
6300-0018	Monitor painted job color.	\$445.00
6300-0020	Monitor Akron electric 1250GPM with SabreMaster nozzle. Includes tip controls, base controls and a butterfly valve.	\$13,468.00
6300-0023	Monitor Akron electric 1000GPM with SabreMaster nozzle for RLP/HDT. Includes automatic stow, 24v motors, tip controls, base controls and a butterfly valve. Sidesweep is 45 degrees left and right.	\$15,573.00
6300-0024	Monitor Akron electric 1000GPM with SabreMaster nozzle for platform. Includes tip controls, base controls and butterfly valve.	\$13,468.00
6300-0025	Monitor Elkhart Scorpion RF 1000GPM for ladder. Includes (1) handheld control, OEM transmitter with tip and base controls.	\$15,568.00

Option No.	Description	PRICE
6300-0026	Snuzzle monitor nozzle(s) to be Akron Akromatic. (Snuzzle supplied)	\$0.00
6300-0027	Snuzzle monitor nozzle(s) to be Elkhart SM-1000E. (Snuzzle supplied)	\$0.00
6300-0028	Snuzzle monitor nozzle(s) to be TFT. (Snuzzle supplied)	\$0.00
6300-0029	Monitor painted two-tone (secondary) job color.	\$445.00
6300-0030	Monitor Akron dual for platform. Rated at 1250 GPM on the 92 Pltfrm and 1500 GPM on the HP95MM and HP100 Pltfrm. Includes (1) electric with SabreMaster nozzle and (1) manual monitor, (2) butterfly valves and tip/base controls for the electric monitor. Monitor sweep is 67.5 degrees outward and 22.5 degrees inward.	\$20,024.00
6300-0031	Monitor Akron 3578 electric 1000GPM for ladder. Includes 3499 stack tips, 3485 steam shaper and base controls.	\$11,805.00
6300-0032	Monitor Akron electric 1000GPM with SabreMaster nozzle for ladder. Includes tip and base controls.	\$13,434.00
6300-0033	Monitor Akron electric 1500GPM. Side sweep limited to 45 degrees. Up sweep limited to 30 degrees. Includes tip controls, base controls and a butterfly valve.	\$12,986.00
6300-0034	Monitor Akron electric 1250GPM. Includes 3499 stack tips, 3485 steam shaper, tip controls, base controls and a butterfly valve.	\$11,588.00
6300-0035	Monitor Akron electric 1250GPM for 95-Platform. Side sweep limited to 45 degrees. Up sweep limited to 30 degrees. Includes tip controls, base controls and butterfly valve.	\$12,345.00
6300-0036	Monitor Elkhart electric 1000GPM for Bronto HDT. Includes tip controls, base controls and a butterfly valve. Side sweep is 45 degrees left and right.	\$12,175.00
6300-0037	Monitor Akron 3578 electric 1000GPM for ladder. Includes base controls. Does not include nozzle or tips. For use with dept supplied 3499 stack tips and 3485 steam shaper (to be noted on the NFPA exceptions document).	\$11,082.00
6300-0038	Semi-Automatic stow upgrade for TFT monitor on aerial ladder. Includes switch with indicator light at aerial turntable control console. Requires use of TFT control sys IPO OEM.	\$0.00
6300-0039	Semi-Automatic stow upgrade for TFT monitor on aerial ladder. Includes switches with indicator lights at aerial turntable and pump panel control stations. Requires use of TFT control sys IPO OEM.	\$803.00
6300-0040	Semi-automatic stow upgrade for Akron monitor on aerial. Includes switch with indicator light at aerial control console(s).	\$770.00
6300-0041	Monitor controls on pump operators panel. Ladders only.	\$923.00
6300-0042	Monitor Akron electric 1500GPM for ladder. Includes tip and base controls. Side sweep limited to 45 degrees.	\$12,753.00
6300-0043	Monitor TFT dual for platform. Rated at 1250 GPM on the 92 Pltfrm and 1500 GPM on the HP95MM and HP100 Pltfrm. Includes (1) electric and (1) manual monitor w/stacked tips, (2) butterfly valves and tip/base controls for the electric monitor. Monitor sweep is 67.5 degrees outward and 22.5 degrees inward.	\$19,144.00
6300-0044	Monitor Akron electric 1000GPM StreamMaster XT with SabreMaster nozzle for ladder. Includes tip controls, base controls and stow feature.	\$15,759.00
6300-0045	Monitor Elkhart dual for platform. Rated at 1250 GPM on the 92 Pltfrm and 1500 GPM on the HP95MM and HP100 Pltfrm. Includes (2) manual monitors, (2) butterfly valves. Monitor sweep is 67.5 degrees outward and 22.5 degrees inward.	\$12,619.00
6300-0046	Wireless control for Akron monitor on aerial. Includes (1) transmitter.	\$2,103.00
6300-0047	Monitor painted FLNA3225 red.	\$445.00
6300-0048	Wireless control for TFT Monitor on aerial. Includes (1) transmitter and stainless steel mounting bracket.	\$2,634.00
6300-0049	Monitor TFT electric 1000GPM for ladder with a powder coated silver finish. Includes stacked tips with tip and base controls.	\$11,278.00

Option No.	Description	PRICE
6300-0050	Monitor TFT electric 1000GPM for ladder. Includes shut off valve at tip (VUM) with 2.5" aux discharge valve. Includes tip and base controls. Monitor has a powder coated silver finish. Requires high flow W/W relief vlv.	\$14,293.00
6300-0051	Monitor Elkhart dual for platform. Rated at 1250 GPM on the 92 Pltfrm and 1500 GPM on the HP95MM and HP100 Pltfrm. Includes (1) electric Scorpion EXM w/SM-1250 nozzle and (1) manual Scorpion monitor w/handwheels and ST-195 stacked tips, (2) butterfly valves and tip/base controls for the electric monitor. Monitor sweep is 67.5 degrees outward and 22.5 degrees inward.	\$19,817.00
6300-0052	Monitor TFT electric 1000GPM for ladder (with reduced extension pipe at 2.75" long). Includes shut off valve at tip (VUM) with 2.5" aux discharge valve. Includes tip and base controls. Monitor has a powder coated silver finish. Requires high flow W/W relief vlv.	\$14,675.00
6300-0053	Monitor Akron electric 1250GPM for ladder. Includes tip and base controls. Side sweep limited to 45 degrees.	\$12,175.00
6300-0054	Monitor TFT electric 1250GPM with powder coated silver finish. Includes tip controls, base controls and electric VUM with dual outlets (1) pointed out and (1) pointed in. VUM to be controlled from platform and turntable control consoles.	\$15,000.00
6300-0055	Manual monitor painted silver from OEM. Electric monitor painted job color. Applies to dual monitor platforms only.	\$336.00
6300-0056	Monitor Akron dual for platform. Rated at 2000 GPM on the HP100 Pltfrm. Includes (1) electric monitor with 5178 nozzle, (1) manual monitor with 5170 nozzle, (2) butterfly valves and tip/base controls for the electric monitor. Monitor sweep is 67.5 degrees outward and 22.5 degrees inward at 1500 flow. Greater flows have restricted sweep.	\$19,931.00
6300-0057	Monitor TFT dual electric for platform with powder coated silver finish. 1250 GPM on the 92 Pltfrm and 1500 GPM on the HP95MM and HP100 Pltfrm. Includes (2) electric monitors, (2) manual VUM valves with (1)2.5" gated elbow outlet including 2.5" x 1.5" reducer w/cap, tip/base controls with monitor selector switch. Monitor sweep is 67.5 degrees outward and 22.5 degrees inward.	\$24,259.00
6300-0058	Monitor TFT dual electric for platform with powder coated silver finish. Rated at 1500 GPM on 95-Pltfrm and 2000 GPM on HP100 Pltfrm. Includes (2) electric monitors, (2) VUM valves with (1)2.5" gated elbow outlet including 2.5" x 1.5" reducer w/cap, tip/base controls and monitor selector switch. Monitor sweep is 67.5 degrees outward and 22.5 degrees inward.	\$24,259.00
6300-0059	Monitor Elkhart dual electric for platform. Rated at 2000 GPM on HP100 Pltfrm. Includes (2) electric monitors, (2) butterfly valves, tip/base controls and monitor selector switch. Monitor sweep is 67.5 degrees outward and 22.5 degrees inward.	\$26,095.00
6300-0060	Monitor TFT electric 1250GPM with powder coated silver finish. Waterway rated at 1250gpm with M-ERP2000-NN nozzle. Includes tip controls, base controls and a butterfly valve.	\$15,562.00
6300-0061	Monitor TFT electric 1250GPM for ladder. Includes shut off valve at tip (VUM) with reduced extension pipe at 2.75" long and 2.5" aux discharge valve . Side sweep set at 45 degrees. Includes tip and base controls. Monitor has a powder coated silver finish. Requires 4" waterway discharge and high flow W/W relief vlv.	\$14,293.00
6300-0062	Monitor TFT electric 1500GPM for ladder with a powder coated silver finish. Side sweep set at 45 degrees. Requires 4" waterway discharge. Includes tip and base controls.	\$12,175.00
6300-0063	Monitor TFT dual electric for platform with powder coated silver finish. Rated at 1500 GPM on 95-Pltfrm and 2000 GPM on HP100 Pltfrm. Includes (2) electric monitors w/2000gpm nozzles, (2) VUM valves with (1)2.5" gated elbow outlet including 2.5" x 1.5" reducer w/cap, tip/base controls and monitor selector switch. Monitor sweep is 67.5 degrees outward and 22.5 degrees inward.	\$25,577.00
6300-0064	Monitor TFT Typhoon RC electric w/extended range 1000GPM for ladder. Includes tip and base controls. Monitor has a powder coated silver finish.	\$12,509.00
6300-0065	Monitor TFT Typhoon RC electric w/extended range 1000GPM for 50' boom. Includes tip and base controls. Monitor has a powder coated silver finish.	\$11,307.00

Option No.	Description	PRICE
6300-0066	Monitor Elkhart Cobra EXM 1250GPM for 95-Platform. Side sweep limited to 45 degrees. Up sweep limited to 30 degrees. Includes tip controls, base controls and butterfly valve.	\$11,769.00
6300-0067	Dual Akron Forestry Monitors. Includes Akron Forestry 3462 with a 3293 low flow adjustable nozzle (one each side of bumper). Includes Akron 6035 Joystick (located one each side in cab) on center console, 2" electric valve (1 for each turret), and quick disconnects on each side of bumper.	\$16,993.00
6300-0068	Monitor TFT electric 1250GPM with powder coated silver finish. Includes tip controls, base controls and manual VUM with dual outlets.	\$13,114.00
6300-0069	Monitor Elkhart Scorpion electric 1500GPM for ladder. Includes tip and base controls. Side sweep limited to 45 degrees.	\$14,344.00
6300-0070	Monitor TFT Typhoon RC electric w/extended range 1000GPM for ladder. Includes shut off valve at tip (VUM) with 2.5" aux discharge valve. Includes tip and base controls. Monitor has a powder coated silver finish. Requires high flow W/W relief vlv.	\$13,980.00
6300-0071	Monitor TFT dual for platform with powder coated silver finish. Rated at 1250 GPM on the 92 Pltfrm and 1500 GPM on the HP95MM and HP100 Pltfrm. Includes (1) electric and (1) manual monitor, (2) manual VUM valves with (1)2.5" gated elbow outlet including 2.5" x 1.5" reducer w/cap, tip/base controls. Monitor sweep is 67.5 degrees outward and 22.5 degrees inward.	\$20,128.00
6300-0072	Monitor Elkhart Cobra EXM 1000GPM for ladder. Includes tip and base controls.	\$10,956.00
6300-0073	Semi-automatic stow upgrade for Elkhart Scorpion monitor on aerial. Includes switch with indicator light at aerial control console(s).	\$618.00
6300-0074	Monitor Elkhart electric 1000 GPM with ST-195 triple stack tips IPO fog nozzle. Includes tip and base controls.	\$10,219.00
6300-0075	Task Force 2.5 Master Stream 1250 Series M-R1250-NN Manual Nozzle	\$1,473.00
6300-0076	Monitor Akron StreamMaster II electric with SabreMaster nozzle 1250GPM for platform. Includes tip controls, base controls and a butterfly valve. Monitor to have multiple flow ratings based on position.	\$13,234.00
6300-0077	Monitor Akron StreamMaster II w/5177 electric nozzle 1000 GPM for ladder. Includes tip and base controls.	\$11,251.00
6300-0078	Monitor Akron StreamMaster II electric with 5177 nozzle 1000GPM. Includes 24v motors, tip controls, base controls, auto stow and a butterfly valve. Sidesweep is 45 degrees left and right.	\$11,153.00
6300-0079	Monitor Akron StreamMaster II electric with SabreMaster nozzle 1000GPM. Includes 24v motors, tip controls, base controls auto stow and a butterfly valve. Sidesweep is 45 degrees left and right.	\$12,767.00
6300-0080	Monitor Akron dual StreamMaster II for platform. Rated at 1250 GPM on the 92 Pltfrm and 1500 GPM on the HP95MM and HP100 Pltfrm. Includes (1) electric and (1) manual monitor, (2) butterfly valves and tip/base controls for the electric monitor. Monitor sweep is 90 degrees outward and 22.5 degrees inward. Monitors to have multiple flow ratings based on position.	\$18,634.00
6300-0081	Platform to be configured for dual monitors, driver side to be capped off for dealer installed 3" valve.	\$1,163.00
6300-0082	Akron Electric Ladder Pipe style 1494 w/5177 nozzle and wireless remote control. Battery, control modules and power receptacle to be mounted to aluminum plates one each side outside fly.	\$17,505.00
6300-0083	Monitor Akron electric 1250GPM. Includes 2499 stack tips, 3485 steam shaper, tip controls, base controls and a butterfly valve. Applies to HP100 Platform only.	\$11,716.00
6300-0084	Monitor TFT electric 1500GPM for ladder with a powder coated silver finish. Side sweep set at 45 degrees. Requires 4" waterway discharge. Includes tip and base controls.	\$12,175.00
6300-0085	Monitor Akron StreamMaster II w/1577 SabreMaster electric nozzle 1000 GPM for ladder. Includes tip and base controls.	\$12,369.00

Option No.	Description	PRICE
6300-0086	Monitor TFT manual 2000GPM with powder coated silver finish. Waterway rated at 1250gpm. Includes manual VUM and dual outlets with CFD threads.	\$10,828.00
6300-0087	Monitor Akron electric StreamMaster II with 1577 SaberMaster nozzle and Task Force Tips VUM w/dual outlets rated at 1250gpm Platform. Includes tip and base controls.	\$15,032.00
6300-0088	Monitor TFT electric 1000GPM with powder coated silver finish. Includes tip controls, base controls and manual VUM with single outlet.	\$11,922.00
6300-0089	Monitor Elkhart manual 1250GPM. Includes Scorpion 8294-02 monitor w/handwheels, X-Stream SM-2000 manual nozzle and a butterfly valve.	\$6,470.00
6300-0090	Akron Electric Ladder Pipe style 1494 w/5177 nozzle, wireless remote control and mounting fixture.	\$18,012.00
6300-0091	Monitor Akron dual for platform. Rated at 1250 GPM on the 92 Pltfrm and 1500 GPM on the HP95MM and HP100 Pltfrm. Includes (1) electric with SabreMaster nozzle and (1) manual monitor with 3499 stacked tips and 3485 stream shaper, (2) butterfly valves and tip/base controls for the electric monitor. Monitor sweep is 67.5 degrees outward and 22.5 degrees inward.	\$19,267.00
6300-0092	Monitor Akron Apollo style 3426 manual 1250GPM with tiller arm control for platform. Includes butterfly valve.	\$4,140.00
6300-0093	Monitor TFT dual electric for platform with powder coated silver finish. Rated at 1250 GPM on 95-Pltfrm and 1500 GPM on HP100 Pltfrm. Includes (2) electric monitors w/1250gpm nozzles, tip/base controls and monitor selector switch. Monitor sweep is 67.5 degrees outward and 22.5 degrees inward.	\$22,822.00
6300-0094	Monitor Akron 3483 Manual with 5160 nozzle.	\$6,583.00
6300-0095	Monitor Akron electric StreamMaster II with 1577 SaberMaster nozzle and Task Force Tips VUM w/single outlet rated at 1000gpm ladder. Includes tip and base controls.	\$13,819.00
6300-0096	Monitor TFT manual 1250/1500 GPM with powder coated silver finish. Includes a butterfly valve. Monitor to have multiple flow ratings based on position.	\$5,718.00
6300-0097	Monitor TFT electric 1500GPM with powder coated silver finish. Includes tip controls, base controls and a butterfly valve. Monitor to have multiple flow ratings based on position.	\$14,756.00
6300-0098	Monitor TFT electric for platform 1500GPM with powder coated silver finish. Includes tip controls, base controls and manual VUM with dual 2.5" aux discharge valves. Monitor to have multiple flow ratings based on position. HP100 Platform, HPS100 Platform and HP95 MM Platform only.	\$15,225.00
6300-0099	Akron Electric Ladder Pipe style 1494 w/5177 nozzle. Battery, control modules and power receptacle to be mounted to aluminum plates one each side outside fly. Includes controls at tip and turntable console.	\$14,928.00
6300-0100	Monitor TFT electric for platform 1250/1500GPM with powder coated silver finish. Includes stacked tips, tip controls, base controls and manual VUM with dual 2.5" aux discharge valves. Monitor to have multiple flow ratings based on position. HP100 Platform, HPS100 Platform and HP95 MM Platform only.	\$14,223.00
6300-0101	Monitor Akron dual StreamMaster II for platform. Rated at 1250 GPM on the 92 Pltfrm and 1500 GPM on the HP95MM and HP100 Pltfrm. Includes (1) electric and (1) manual monitor w/stacked tips, (2) butterfly valves and tip/base controls for the electric monitor. Monitor sweep is 90 degrees outward and 22.5 degrees inward. Monitors to have multiple flow ratings based on position.	\$18,077.00

Option No.	Description	PRICE
6300-0102	Monitor Akron dual electric for platform. Rated at 1500 GPM on 95-Pltfrm and 2000 GPM on HP100 Pltfrm. Includes (2) StreamMaster II electric monitors with 1577 SaberMaster nozzles, (2) butterfly valves, dual controls (seperate control for each monitor) in platform bucket and monitor selector switch (A/B) at turntable console. Monitor sweep is 67.5 degrees outward and 22.5 degrees inward at 2000 flow. Greater flows have restricted sweep.	\$23,056.00
6300-0103	Monitor TFT Typhoon RC electric w/extended range 1500GPM for ladder. Includes shut off valve at tip (VUM) with 2.5" aux discharge valve. Side sweep set at 45 degrees. Requires 4" waterway discharge and high flow W/W relief valve. Includes tip and base controls. Monitor has a powder coated silver finish.	\$13,980.00
6300-0104	Monitor TFT dual electric for platform with powder coated silver finish. 1250 GPM on the 92 Pltfrm and 1500 GPM on the HP95MM and HP100 Pltfrm. Includes (2) electric monitors, (2) manual VUM valves with (2) 2.5" gated elbow outlets (1) pointed out and (1) pointed in, 2.5" x 1.5" reducer w/cap, seperate controls for each monitor in platform and monitor selector switch (A/B) at turntable console. Note 2.5" outlets and 2.5" side of reducers to have N.Y. Corp threads ODM 3.00 and TPI 8.00. Monitor sweep is 90 degrees outward and 22.5 degrees inward. Monitors to have multiple flow ratings based on position.	\$25,641.00
6300-0105	Monitor Akron dual StreamMaster II for platform. Rated at 1250 GPM on the 92 Pltfrm and 1500 GPM on the HP95MM and HP100 Pltfrm. Includes (1) electric W/5177 automatic nozzle and (1) electric monitor w/stacked tips, tether control and storage box, (2) butterfly valves and tip/base controls for the driver side electric monitor only. Monitor sweep is 90 degrees outward and 22.5 degrees inward. Monitors to have multiple flow ratings based on position.	\$20,660.00
6300-0106	Monitor TFT electric 1000GPM for ladder. Includes shut off valve at tip (VUM) with 2.5" aux discharge valve, stacked tips with tip and base controls. Monitor has a powder coated silver finish. Requires high flow W/W relief vlv.	\$12,626.00
6350-0000	Pinned waterway - upgrade. Waterway pins to section 2 or 3 on HP75 / HP78 and pins to section 3 or 4 on LTH100, HM100 and CR100.	\$7,862.00
6350-0001	Nozzle Guard.	\$821.00
6350-0002	Elkhart 2.5" valve for platform. Valve to be located at the [#LOC].	\$1,598.00
6350-0003	Waterway drain for RLP/HDT/Snozzle.	\$536.00
6350-0004	Relief valve Hale P30 for RLP/HDT aerial waterway.	\$1,646.00
6350-0005	Rear 4" NST waterway inlet for rear mounted aerials. Includes chrome cap.	\$1,085.00
6350-0006	2.5" Waterway Class 1 pressure gauge 30-0-600. Locate next to waterway inlet.	\$210.00
6350-0007	3.5" Waterway Class 1 pressure gauge. Locate next to waterway inlet.	\$237.00
6350-0008	Waterway shut-off valve. Mounted to allow waterway to be used as a discharge. (Available on 1000 GPM waterway only - N/A with Waterous pumps on 4-jack aerials.)	\$1,445.00
6350-0009	Right side 4" NST waterway inlet for Mid-Mount Boom or Platform. Includes chrome cap.	\$1,581.00
6350-0010	Flowminder with single readout and totalizer for the aerial waterway to be located at the aerial control station.	\$2,642.00
6350-0011	Flowminder with dual readout and totalizer for the aerial waterway to be located at each aerial control station.	\$4,139.00
6350-0012	Akron 2.5" valve for platform. Valve to be located at the [#LOC].	\$1,762.00
6350-0013	2.5" NST Chrome cap and chain for platform discharge valve.	\$58.00
6350-0014	2.5" chrome elbow with 2.5" x 1.5" reducer and 1.5" cap for platform / ladder discharge valve.	\$292.00
6350-0015	Dual 4" NST waterway inlets for Mid-Mount Platform. Includes chrome caps.	\$2,858.00

Option No.	Description	PRICE
6350-0016	Dual 4" NST waterway inlets located (1) each side on trailer gooseneck. Includes chrome 4" caps. Also includes (2) 1.5" drain valves. To be hard piped down low on front corners of trailer body and terminated with a 1.5" MNST adaptor and cap. Outlet to point inward toward frame.	\$3,316.00
6350-0017	4" Waterway inlet valve (PR). Includes 4" Akron ball valves w/handwheel controls and 4" FNST x 5" Storz droop elbows. Locate (1) each side on waterway inlet. Handwheel to be positioned above valve facing forward.	\$7,925.00
6350-0018	Akron 1.5" valve for platform. Valve to be located inside the right rear of platform plumbed to hose box.	\$1,607.00
6350-0019	2.5" Waterway Class 1 pressure gauge 30-0-400. Locate next to waterway inlet.	\$210.00
6350-0020	Dual read 2.5" Waterway Class 1 pressure gauge (30-0-600 psi/100-0-4140 KPA). Locate next to waterway Inlet.	\$210.00
6350-0021	Dual read 3.5" Waterway Class 1 pressure gauge (30-0-600 psi/100-0-4140 KPA). Locate next to waterway Inlet.	\$282.00
6350-0022	Relief valve Akron model 59 for Snozzle waterway.	\$697.00
6350-0023	Position Waterway Drain Valve Handle at a 45 degree angle when open valve handle is up and closed down.	\$0.00
6350-0024	3.5" Waterway Class 1 pressure gauge 30-0-400. Locate next to waterway inlet.	\$237.00
6350-0025	2.5" Noshok Waterway pressure gauge 30-0-600. Locate next to waterway inlet.	\$225.00
6350-0026	2.5" Stainless steel RedHead 45 degree elbow with 2.5" x 1.5" chrome brass reducer and 1.5" chrome brass cap for platform discharge valve.	\$477.00
6350-0027	Auxiliary waterway inlet isolation valve - 4" handwheel controlled Akron. Mounted to allow aux inlet to be connected while flowing waterway from on-board pump. Includes relief valve and bleeder outboard of 4" valve.	\$4,143.00
6350-0028	4" Waterway inlet valve (PR). Includes 4" Akron ball valves w/handwheel controls and 4" FNST x 4" Storz droop elbows. Locate (1) each side on waterway inlet. Handwheel to be positioned above valve facing forward.	\$7,761.00
6350-0029	Rear 4" NST waterway inlet (PR) for rear mounted aerials. Includes 4" Akron handwheel controled shut-off vlvs, relief vlvs and chrome caps. Available only on CR100/92RM and HP100 Platform WOP, inlet replaces small compts at lower rear of body.	\$10,875.00
6350-0030	2.5" CSA Chrome cap and chain for platform discharge valve.	\$108.00
6350-0031	Auxiliary waterway inlet isolation valve - 4" electric controlled Akron. Mounted to allow aux inlet to be connected while flowing waterway from on-board pump. Includes relief valve and bleeder outboard of 4" valve.	\$4,597.00
6350-0033	Waterway inlet shut-off valve - 4" electric controlled Akron. Mounted below ladder tunnel between torque box and rear of body. Includes relief valve and bleeder outboard of 4" valve. Note: Std aerial relief valve to be located ahead of 4" valve. Applies to rear side staircase style bodies only.	\$4,597.00
6350-0034	3.5" Waterway Class 1 pressure gauge 0 to 300. Locate next to waterway inlet.	\$237.00
6350-0035	2.5" LED Class 1 Pressure Gauge (30-0-400). Waterway, Color: [#COL]	\$255.00
6350-0036	3.5" Waterway pressure gauge Ashcroft Gauge. Locate next to waterway inlet.	\$237.00
6350-0037	2.5" Waterway Class 1 pressure gauge 0 to 300. Locate next to waterway inlet.	\$210.00
6350-0038	Relief valve Hale P30 for aerial waterway. Required with tip vlv option. For use with three section aerial only.	\$1,071.00
6350-0039	Akron 2.5" valve for ladder tip. Includes alum manifold and butterfly valve to shut-off monitor. Requires high flow W/W relief vlv. HP78 only.	\$2,950.00
6350-0040	2.5" Waterway Span pressure gauge 30 to 600. Locate next to waterway inlet.	\$210.00
6350-0041	Waterway inlet check valve 4" (PR). Includes bleeder outboard of valve. Locate on driver and officer side.	\$1,454.00
6350-0042	Dual read 3.5" Waterway Class 1 pressure gauge (30-0-400 psi/100-0-2758 KPA). Locate next to waterway Inlet.	\$282.00

Option No.	Description	PRICE
6350-0043	Auxiliary waterway inlet isolation valve - 4" electric controlled Akron. Mounted to allow aux inlet to be connected while flowing waterway from on-board pump. Includes bleeder outboard of 4" valve. Control to at the pump operator panel.	\$4,112.00
6350-0044	3.5" Waterway Span pressure gauge 30 to 600. Locate next to waterway inlet.	\$239.00
6350-0045	Pressure gauge Class1 digital for the aerial waterway. Gauge to be located at the aerial turntable control station.	\$1,183.00
6350-0046	2.5" Waterway Class 1 pressure gauge 0-600. Locate next to waterway inlet.	\$210.00
6350-0047	2.5" Pressure Gauge Dual Read (0-400 PSI/-0-2700KPA). Waterway Color: [#COL].	\$260.00
6350-0048	Waterway shut-off valve 4" Akron elect model 9313. Mounted to allow waterway inlet to be used as a discharge. Master control to be located adjacent to the auxiliary waterway inlet, slave control located on turntable console.	\$5,147.00
6350-0049	2.5" FNST x 2.5" MCSA Chrome elbow with 2.5" FCSA x 1.5" MNPSH reducer and 1.5" cap for platform / ladder discharge valve.	\$292.00
6350-0050	2.5" Pressure Gauge Dual Read (30-0-600 psi/100-0-4140 KPA). Locate next to waterway inlet Color: [#COL].	\$209.00
6350-0051	2.5" Waterway Class 1 pressure gauge 0 to 300. Locate on aerial turntable console rear facing.	\$268.00
6350-0052	2.5" chrome elbow with 2.5" FNST x 1.5" MNPSH reducer and 1.5" cap for platform / ladder discharge valve.	\$286.00
6350-0053	Locate rear waterway drain on officer side of body to rear of rear outrigger ahead of auxiliary jack pad bracket.	\$0.00
6350-0054	3.5" Waterway Class 1 pressure gauge 0-400. Locate next to waterway inlet.	\$236.00
6350-0055	Vacuum breaker for waterway.	\$395.00
6350-0056	Waterway shut-off valve - 4" electric controlled Elkhart unibody. Mounted in waterway riser piping.	\$4,593.00
6350-0057	Rear 5" NST waterway inlet for rear mounted high flow aerials. Piping to run on top of torque box and "Y" into waterway pipe below swivel. Includes chrome cap.	\$1,661.00
6350-0058	Rear 5" NST waterway inlet for rear mounted aerials. Includes chrome cap. Requires TB with 5" wway pipe.	\$1,661.00
6350-0059	The rear waterway drain to be controlled by a cable IPOS. Locate control at rear body adjacent to waterway inlet.	\$362.00
6350-0060	3.5" Waterway Class 1 pressure gauge. Locate next to waterway inlet. Color: [#COL].	\$256.00
6350-0061	3.5" Waterway compound pressure gauge (30-0-400). Color: [#COL].	\$371.00
6350-0062	Rear 5" NST waterway inlet with 4" plumbing for rear mounted aerials. Includes chrome cap.	\$1,156.00
6350-0063	Relief valve Hale P40 for aerial waterway IPOS. Required with tip vlv option. For use with four section aerial only.	\$1,320.00
6350-0064	Elkhart 2.5" valve for ladder tip. Includes alum manifold and butterfly valve to shut-off monitor. Requires high flow W/W relief vlv.	\$2,950.00
6350-0065	2.5" Noshok Waterway pressure gauge 0 to 300. Locate next to waterway inlet.	\$225.00
6350-0066	Relocate Flowminder to the center of the three positions on the aerial turntable console.	\$0.00
6350-0067	2.5" Innovative Controls stainless steel case pressure gauge (0-400) with color code bezel. Locate next to waterway inlet.	\$149.00
6350-0068	2.5" Innovative Controls stainless steel case dual read pressure gauge (0-2750KPA/0-400PSI) with color code bezel. Locate next to waterway inlet.	\$149.00
6350-0069	2.5" Innovative Controls brass case pressure gauge (0-400) with color code bezel. Locate next to waterway inlet.	\$170.00
6350-0070	4" Innovative Controls stainless steel case pressure gauge (0-400) with color code bezel. Locate next to waterway inlet.	\$232.00
6350-0071	4" Innovative Controls stainless steel case dual read pressure gauge (0-2750KPA/0-400PSI) with color code bezel. Locate next to waterway inlet.	\$232.00
6350-0072	4" Innovative Controls brass case pressure gauge (0-400) with color code bezel. Locate next to waterway inlet.	\$332.00
6350-0073	2.5" Innovative Controls brass case dual read pressure gauge (0-2750KPA/0-400PSI) with color code bezel. Locate next to waterway inlet.	\$170.00

Option No.	Description	PRICE
6350-0074	4" Innovative Controls brass case dual read pressure gauge (0-2750KPA/0-400PSI) with color code bezel. Locate next to waterway inlet.	\$332.00
6350-0075	Rear 4" NST waterway inlet for rear mounted aerials to be flush. Includes chrome cap.	\$1,085.00
6350-0076	4" Innovative Controls stainless steel case pressure gauge (30-0-400) with color code bezel. Locate next to waterway inlet.	\$232.00
6350-0077	Front 5" NST waterway inlet for rear mounted aerials. Piping to "Y" into waterway pipe below swivel. Includes chrome cap.	\$5,397.00
6350-0078	Waterway shut-off valve - 4" electric Akron valve with 9323 controller. Mounted in a way to allow rear waterway inlet to be used as a rear discharge.	\$4,906.00
6350-0079	Waterway drain for RLP/HDT/Snozzle. The waterway drain valve to be located on the waterway piping, and to be controlled by a cable IPOS. Locate control at rear body adjacent to waterway inlet.	\$691.00
6350-0080	4" NST rear waterway inlet to be in a recessed aluminum rear access plate to allow specified adapter to be installed without affecting the overall length of the vehicle (see shop order for OAL and adapter details).	\$386.00
6350-0081	Elkhart 2.5" valve for platform (PR). Includes chrome 90 degree swivel with 1.5" reducer and cap. Outlet threads to be CFD (Chicago). Valves to be located one each side of monitor.	\$3,944.00
6350-0082	Akron 2.5" valve for platform QST threads. Valve to be located at the [#LOC].	\$1,762.00
6350-0083	Akron 1.5" valve with NSPH threads for platform. Valve to be located inside the right rear of platform plumbed to hose box.	\$1,607.00
6350-0084	Waterway drain 90 degree elbow to be flush with rubrail.	\$0.00
6350-0085	4" Innovative Controls brass base Nite-Glo pressure gauge 0-400 with color code bezel. Locate next to waterway inlet.	\$467.00
6350-0086	Waterway 1.5" Drain Valve Electric/Air Actuated with two switch controls. Switch located (1) at the rear, and (1)at the turntable.	\$880.00
6350-0087	Chrome 2.5" x 1.5" reducer with 1.5" cap for platform discharge valve.	\$196.00
6350-0088	Rear 4.5" NST waterway inlet with 4" plumbing for rear mounted aerials. Includes chrome cap.	\$1,132.00
6350-0089	2.5" Innovative Controls stainless steel case pressure gauge (0-300) with color code bezel. Locate next to waterway inlet.	\$149.00
6350-0090	Platform discharge valve handle to be inboard and shorten handle.	\$58.00
6350-0091	Rear 4" NST waterway inlet for rear mounted aerials. Intake located low on officer side at rear of body with piping routed up to outside of tunnel to enter into top of ladder tunnel, connecting in to swivel. Includes stainless steel piping and chrome cap.	\$2,109.00
6350-0092	2.5" Innovative Controls Nite-Glo brass case pressure gauge (0-400) and color code bezel with red light gauge illumination. Locate next to waterway inlet.	\$338.00
6350-0093	Rear 6" NST waterway inlet with 4" plumbing for rear mounted aerials. Includes chrome cap.	\$1,456.00
6350-0094	Akron 2.5" valve for platform with CSA threads. Valve to be located at the [#LOC].	\$1,762.00
6350-0095	2.5" FCSA x 2.5" MCSA Chrome elbow with 2.5" FCSA x 1.5" MNPSH reducer and 1.5" cap for platform / ladder discharge valve.	\$292.00
6400-0000	Breathing air platform with (2) 300CF cylinders. Includes low air alarm.	\$9,416.00
6400-0001	Breathing air platform with (2) 444CF cylinders. Includes low air alarm.	\$10,627.00
6400-0002	Breathing air platform with (2) 509CF cylinders. Includes low air alarm.	\$13,265.00
6400-0003	Breathing air platform with (1) 444CF cylinder. Includes low air alarm.	\$7,973.00
6400-0004	Breathing air ladder with (1) 300CF cylinder. Includes low air alarm.	\$9,165.00
6400-0005	Breathing air ladder with (2) 300CF cylinders. Includes low air alarm.	\$11,208.00
6400-0006	Breathing air ladder with (1) 444CF cylinder. Includes low air alarm.	\$9,292.00
6400-0007	Fill hose 50' 2250 PSI for 300CF cylinders.	\$910.00

Option No.	Description	PRICE
6400-0008	Fill hose 50' 5000 PSI for 444CF cylinders.	\$1,060.00
6400-0009	Fill hose 50' 10,000 PSI for 509CF cylinders.	\$1,300.00
6400-0010	Additional breathing air outlet at turntable console. Includes filter.	\$701.00
6400-0011	Breathing air outlets additional in platform (PR).	\$261.00
6400-0012	Breathing air ladder with (2) 444CF cylinders. Includes low air alarm.	\$12,421.00
6400-0013	Breathing air platform with (1) 509CF cylinder. Includes low air alarm.	\$9,911.00
6400-0014	Breathing air ladder with (1) 509CF cylinder. Includes low air alarm.	\$11,233.00
6400-0015	Fill hose 100' 5000 PSI for 444CF cylinders.	\$2,118.00
6400-0016	Breathing air outlets, additional (PR) on ladder fly section. These outlets shall be piped from the tip manifold back down to the lower end of the fly where the outlets will be mounted. It will align at the monitor when the ladder is fully extended.	\$1,523.00
6400-0017	Mount breathing air bottle as low as possible on side of base.	\$0.00
6400-0018	Breathing air platform with (2) 444CF cylinders. Includes low air alarm. Bottles shall be the same model year as the apparatus.	\$10,627.00
6400-0019	Fill hose 100' 10,000 PSI for 509CF cylinders.	\$2,598.00
6500-0000	Hose box for 50' of 1.75" DJ hose located [#LOC].	\$668.00
6500-0001	Hose box for 50' of 2.5" DJ hose [#LOC].	\$674.00
6500-0011	Pike pole tube for 6' pole on ladder. Location: [#LOC].	\$281.00
6500-0012	Pike pole tube for 8' pole on ladder. Location: [#LOC].	\$281.00
6500-0013	Pike pole tube for 10' pole on ladder. Location: [#LOC].	\$281.00
6500-0014	Pike pole tube for 12' pole on ladder. Location: [#LOC].	\$281.00
6500-0015	Mansaver safety bars mounted at turntable (PR).	\$1,871.00
6500-0016	Lifting eyes on platform (PR). Not available on Bronto.	\$338.00
6500-0017	Lifting arm for Mid-Mount platform.	\$629.00
6500-0018	Stokes basket receiver for use with Ferno Washington Model 71 Stokes on 95 RM platforms. Includes brackets to mount stokes on base of ladder. With a center hosebed or without a pump, the stokes basket shall mount on the right side of the base section opposite the breathing air bottles. With a side hosebed, the stokes basket shall mount on the right side of the base section ahead of the sign plate. Stokes not included.	\$1,294.00
6500-0019	Axe bracket mounted on aerial. For use with a 6 lb. axe only. Location: [#LOC].	\$468.00
6500-0020	Stokes basket receiver for use with Ferno Washington Model 71 Stokes on 95 MM platforms. Stokes not included.	\$1,564.00
6500-0023	Dual rope roller for aerial.	\$2,618.00
6500-0024	Lifting eye at tip of ladder. N/A on HM100 with pinned wway to tip.	\$464.00
6500-0025	Rear hand rail extension (PR) on turntable for center access step on rear of the body. HP75 / HP78 center hose bed only.	\$324.00
6500-0026	Stokes basket receiver for use with Ferno Washington Model 71 Stokes on HP100 platform. Includes brackets to mount stokes to base section right side ahead of sign plate (if equipped). Stokes not included.	\$2,249.00
6500-0027	Lifting eye / tie-off package for HP/HPS100 Platform. Includes lifting eyes each side (below mainrail) at tip of base and a tie-off point on each turntable trunnion.	\$2,114.00
6500-0028	Rappelling rope guides located each side on front hand rail of platform. HP95 and HP100 Platforms only.	\$265.00

Option No.	Description	PRICE
6500-0030	Hard suction storage box (PR) with nylon straps. (1) each side of ladder base section. Outer wall to be used as sign plate. Color: [#COL]	\$2,041.00
6500-0031	Hose box for 10' of 1.75" DJ hose located [#LOC].	\$636.00
6500-0032	Vogel auto lube system for aerial device (up to 8 points). Includes Dia Plt cover w/slot to view grease level.	\$2,866.00
6500-0033	Mansaver safety bars w/o padded cover mounted at turntable (PR).	\$1,939.00
6500-0034	(OBS) Automatic nozzle leveling (tip nozzle only) - Snozzle supplied. Includes On-Off switch.	\$2,534.00
6500-0035	Piercing nozzle for Snozzle - Snozzle supplied.	\$10,361.00
6500-0037	Storage box with hinged lid & butterfly latch for miscellaneous items, rated for 10lb. capacity. Approx size: 8W x 8L x 20D. Box location: [#LOC].	\$468.00
6500-0038	Stokes basket mounting bracket outside base section. Location: left side ahead of sign plate.	\$855.00
6500-0039	Equipment mounting plate 6" W x height of ladder section. Loc: Outboard on right side of fly approx 11" from tip. Permanent mounted equipment not to exceed 5 lbs.	\$465.00
6500-0040	Hose box for 100' of 1.75" DJ hose located [#LOC].	\$713.00
6500-0041	Diamond plate storage box with hinged lid for chain saw. Saw to store with blade extended thru dealer supplied slot in sub floor. Located on officer side of aerial turntable.	\$777.00
6500-0042	Stokes basket mounting bracket outside base section. Location: right side rear of sign plate.	\$855.00
6500-0043	Retaining pin for pike pole storage tube. Pin to prevent pike pole from vibrating out of stored position on ladder section.	\$108.00
6500-0044	Center turntable handrail to flare outward approx 8" to provide additional working space. HP100 SideStacker ladder only.	\$1,137.00
6500-0045	Handrails 50' boom - folding. Lowers travel height approx 7.5". Includes switch and wiring to hazard light in cab.	\$6,989.00
6500-0046	Mask box in platform for two masks. Box is in addition to box supplied with breathing air system.	\$451.00
6500-0047	Retraction stops to be positioned so tip of fly is flush with tip of base.	\$0.00
6500-0048	Turntable handrails - adjustable. Height to be able to be adjusted to allow for low height stations. Provide two settings, approx 2" and 4" lower than std.	\$1,123.00
6500-0049	Lifting eyes each side at tip of base. Rating is 400 lbs ea, 800 lbs pr.	\$1,437.00
6500-0050	Stokes basket receiver for use with Junkin model JSA-200 stokes on 95-Platform. Includes brackets to mount stokes on base of ladder. With a center hosebed or without a pump, the stokes basket shall mount on the right side of the base section opposite the breathing air bottles. With a side hosebed, the stokes basket shall mount on the right side of the base section ahead of the sign plate. Stokes not included.	\$1,294.00
6500-0051	Stokes basket mounting bracket outside base section. Location: right side ahead of sign plate.	\$855.00
6500-0052	Stokes basket mounting bracket outside base section. Location: left side rear of sign plate.	\$855.00
6500-0053	Hose box for 25' of 1.75" DJ hose located [#LOC].	\$642.00
6500-0054	Guard for quartz light on front of platform (EA). 1/8" Aluminum plate around top and sides of light.	\$234.00
6500-0055	Lifting eyes each side at tip of base. Rating is 1000 lbs ea, 2000 lbs pr.	\$1,437.00
6500-0056	HD Slide pad system for HP75/78. Includes (4) side guides and (4) HD rung pads on both the base and lower fly sections.	\$0.00
6500-0057	Left & Right side turntable handrails to flare out to rear, to provide additional working space. HP100 platform with full turntable only.	\$1,351.00

Option No.	Description	PRICE
6500-0058	Stokes basket receiver for use with Ferno Washington Model 71 Stokes on HP100 platform. Stokes and base mounting brackets not included.	\$1,725.00
6500-0059	Stokes basket receiver for use with Ferno Washington Model 71 Stokes on HP100 platform. Includes brackets to mount stokes to base section left side ahead of sign plate (if equipped). Stokes not included.	\$2,249.00
6500-0060	Heavy duty safety belt anchor points in platform (6). Anchors to be rated for 300# with a six foot long maximum shock lanyard.	\$946.00
6500-0061	Reducer 3.5"F x 2.5"M with mtg bracket. Locate at tip on right side.	\$813.00
6500-0062	Stokes basket receiver for use with Junkin MIL-8131-WM Stokes on HP100 platform. Includes brackets to mount stokes to base section right side ahead of sign plate (if equipped). Stokes not included.	\$2,249.00
6500-0063	Stokes basket receiver for use with Cascade model CT-PSS1 Stokes on 95 RM platforms. Includes brackets to mount stokes on base of ladder. With a center hosebed or without a pump, the stokes basket shall mount on the right side of the base section opposite the breathing air bottles. With a side hosebed, the stokes basket shall mount on the right side of the base section ahead of the sign plate. Stokes not included.	\$1,294.00
6500-0064	Diamond plate storage box with hinged lid for power cut saw. Box to be approx 32L x 16W x 20H located on right side of aerial turntable. Includes notch(es) as required for turntable handrail clearance. CR100/92Pltfrm with full T/T only.	\$826.00
6500-0065	Storage box with hinged lid & butterfly latch for miscellaneous items. Approx size: 6W x 14L x 15D. Box location:right side tip of ladder base.	\$610.00
6500-0066	Turntable bearing lube fitting to be located at rear of body behind turntable access door (applies to HP75/78 only).	\$0.00
6500-0067	PAC TRAC positive locking bracket (PR) for 8' pike pole on ladder includes stop plate to prevent the pole from sliding. location: right side of base horizontally mounted behind sign plate.	\$375.00
6500-0068	PAC TRAC positive locking bracket (PR) for 10' pike pole on ladder includes stop plate to prevent the pole from sliding. location: right side of base horizontally mounted behind sign plate.	\$375.00
6500-0069	PAC TRAC positive locking bracket (PR) for 12' pike pole on ladder includes stop plate to prevent the pole from sliding. location: right side of base horizontally mounted behind sign plate.	\$375.00
6500-0070	Diamond plate storage box with hinged lid for chain saw. Box to be approx 33L x 12W x 16D located on right side of aerial turntable. HP100L/CR100/137L/92Pltfrm with full T/T only.	\$826.00
6500-0071	PAC TRAC positive locking bracket (PR) for 12' Boston Rake on ladder. Includes stop plate to prevent the rake from sliding. location: left side of base horizontally mounted behind sign plate.	\$375.00
6500-0072	Guard shall be provided at tip for intercom speaker to protect against damage.	\$193.00
6500-0073	Guard shall be provided at tip for ladder controls to protect against damage.	\$193.00
6500-0074	Axe bracket mounted on aerial. For use with a 8 lb axe only. Location: [#LOC].	\$608.00
6500-0075	Stokes basket mounting bracket for Rescue Tech 1 Model# 620124 outside base section. Location: left side ahead of sign plate.	\$855.00
6500-0076	PAC TRAC positive locking bracket (PR) for storing 10' attic ladder on ladder base includes stop plate to prevent the attic ladder from sliding. Location: right side of base horizontally mounted behind sign plate.	\$571.00
6500-0077	Stokes basket receiver for use with Ferno Washington Model 71 Stokes on 95 MM platforms. Stokes and storage brackets on side of base not included.	\$1,037.00
6500-0078	Lifting eye at tip of ladder (250lb rating).	\$464.00

Option No.	Description	PRICE
6500-0079	Stokes basket receiver for use with Junkin Model MIL-8131-W Stokes on 95 MM platforms. Stokes and storage brackets on side of base not included.	\$1,037.00
6500-0080	Storage box with hinged lid & butterfly latch for miscellaneous items, rated for 30lb. capacity. Approx size: 5.5W x 18L x 40D. Box location: [#LOC].	\$611.00
6500-0081	Hose box for (2) 50' rolls of 1.75" DJ hose. Position box on platform so vent holes are to the inside IPO outside. Location: [#LOC].	\$713.00
6500-0082	Stokes basket receiver for use with Ferno Washington Model 71 Stokes on 95 RM platforms. Includes brackets to mount stokes to the inside of the aerial sign plate on the right side of the base section. Stokes not included.	\$1,858.00
6500-0083	PAC TRAC positive locking brackets, four (4) for two (2) 8' pike poles on ladder includes stop plate to prevent the pole from sliding. Location: Two (2) brackets right side and two (2) left side of base horizontally mounted behind sign plate for one (1) pike pole each side.	\$750.00
6500-0084	Stokes basket receiver for use with CMC Rescue-CMC Pro Series Model #726112-T1 Stokes basket on HP100 platform. Includes brackets to mount stokes to base section right side ahead of sign plate (if equipped). Stokes not included.	\$2,249.00
6500-0085	Stokes basket receiver only for HP100 platform. Stokes and base mounting brackets not included.	\$1,725.00
6500-0086	Stokes basket storage box for Ferno Washington model 71 stokes on aerial base section. Includes hinged lid with gas springs & notch to clear extension system components. Locate right side on side of base section ahead of sign plate (if equipped). HP100 platform only	\$2,549.00
6500-0087	Stokes basket storage box for Ferno Washington model 71 stokes on aerial base section. Box to be aluminum smooth plate with swirl finish includes hinged lid with gas springs & notch to clear extension system components. Locate right side on side of base section ahead of sign plate (if equipped). HP100 platform only	\$2,687.00
6500-0088	Each jack leg shall include a "NO STEP" label.	\$124.00
6500-0089	PAC TRAC positive locking brackets, four (4) for two (2) 8' pike poles with D-Handles on inside of left side of ladder fly section.	\$750.00
6500-0090	Stokes basket mounting bracket outside base section for Ferno Titan Tapered basket. Location: right side ahead of sign plate.	\$855.00
6500-0091	Diamond plate storage box with hinged lid to outside for Cutters Edge saw. Box to be approx 36" long x 16" wide x 16" deep includes butterfly latch, gas shock hold-open and chrome grab handle. Locate right side of base section forward of sign plate.	\$1,036.00
6500-0092	Smooth plate aluminum storage box with hinged lid for chain saw. Saw to store with bar extended thru dealer supplied slot in sub floor. Located outside to right rear of platform.	\$1,885.00
6500-0093	Pike pole tube for 6' Firehooks NY Roofhook on ladder. Location: [#LOC].	\$281.00
6500-0094	Stokes basket mounting bracket for Tranverse Advantage Basket Model# 11-0125 outside base section. Location: right side ahead of sign plate.	\$855.00
6500-0095	Diamond plate storage box with hinged lid to outside for (1) Cutter's Edge saw or (1) chain saw. Box to be approx 38L x 15W x 16D includes butterfly latch, gas shock hold-upen, chrome grab handle & notch to clear extension system components if applicable. Capacity 25lb. with tag attached to lid. Locate on driver's side of aerial base at tip.	\$1,350.00

6560-0067	Light Fire Research Spectra LED 120V model SPA570-K20 permanent mount. Requires 110-volt twist lock receptacle at tip option. Location(s): [#LOC].	\$2,843.00
6560-0068	Light Fire Research Spectra 120V LED model SPA850-K20 with flat mount. Location: [#LOC].	\$2,537.00

Option No.	Description	PRICE
6560-0069	Light Whelen Pioneer Plus LED model PFP2 12V platform mounted. Includes hardwired switch on platform console. The light shall be located [#LOC]. NOTE: requires engineering approval when combined with 110VAC and/or breathing air at the platform.	\$4,016.00
6560-0070	Quartz light 750W Magnafire model KR-2656 recess mount. Requires 110 receptacle at tip option. Includes hardwired switch on platform console. The light shall be located center front of platform.	\$797.00
6560-0071	Ladder climbing lights Luma-Bar Pathfinder LED strip (both sides of 3 section ladder). Color: blue.	\$7,826.00
6560-0072	Light Whelen Pioneer Plus model PFP2AC 120V with recess mount. Requires 110-volt receptacle at tip option. Includes hardwired switch on platform console. The light shall be located [#LOC].	\$2,730.00
6560-0073	Light Whelen Pioneer Plus model PFP2AC w/bail mount permanently mounted recessed in the center of the bottom heat shield on the platform. Requires 110-volt receptacle at tip option. Includes hardwired switch on platform console. Midmount only.	\$2,574.00
6560-0074	Whelen model PSBP12C LED spot lights (PR). Located: on the left and right side of aerial base.	\$1,235.00
6560-0075	Federal Signal QL97LEDSCENE LED scene light (EA) with weatherproof connectors. Switch on platform console. Locate [#LOC].	\$1,414.00
6560-0076	Fire Research Evolution 12V LED model FCA300-V15 with aerial mount. Includes hardwired switch on platform console. The light shall be located [#LOC].	\$1,999.00
6560-0077	Ladder climbing lights LED strip (one side of 3 section ladder). Color:[#COL].	\$2,869.00
6560-0078	Ladder climbing lights Luma Bar Pathfinder LED strip for HP75/78 ladder (one side). Color: [#COL].	\$4,281.00
6560-0079	Ladder climbing lights Luma Bar Pathfinder LED strip for HP75/78 ladder (both sides). Color: [#COL].	\$8,561.00
6560-0080	Ladder climbing lights Luma Bar Pathfinder LED strip for 4 section aerial (one side). Color: [#COL].	\$4,741.00
6560-0081	Ladder climbing lights Luma-Bar Pathfinder LED strip for 4 section aerial (both sides). Color: [#COL].	\$9,481.00
6560-0082	Ladder climbing lights Luma Bar Pathfinder LED strip for CR137 (one side). Color: [#COL].	\$7,832.00
6560-0083	Ladder climbing lights Luma Bar Pathfinder LED strip for CR137 (both sides). Color: [#COL].	\$15,661.00
6560-0084	Ladder climbing lights Luma-Bar Pathfinder LED strip for 95-Platform and HP100 Platform (one side). Color: [#COL].	\$4,874.00
6560-0085	Ladder climbing lights Luma Bar Pathfinder LED strip for 95-Platform and HP100 Platform (both sides). Color: [#COL].	\$9,748.00
6560-0086	Quartz light Fire Research Focus 1500W/240V model FCA540-M15-CLP37-ON-SW with 37" pull up pole. [#LOC].	\$1,811.00
6560-0087	Quartz light Fire Research Focus 1500W/240V model FCA570-M15 without pole. Location(s): [#LOC].	\$1,621.00
6560-0088	Light Whelen Pioneer Plus model PFP1AC w/bail mount platform mounted. Requires 110-volt receptacle at tip option. Includes hardwired switch on platform console. Location(s): [#LOC].	\$1,650.00
6560-0089	Light Whelen model PSR00XRR LED (EA) red 3rd brake light. Location: [#LOC].	\$210.00
6560-0090	LED floodlight Whelen Pioneer with pole model KR-SB-2PFP1-W2-S-SL mounted at platform. Switched at lighthouse and base console. Lights shall be located: [#LOC].	\$1,836.00
6560-0091	LED floodlight Whelen Pioneer with pole model KR-SB-2PFP2AC-W2-S-SL powder coated black mounted at platform. Requires 110V twist lock receptacle at tip option. The light shall be located [#LOC].	\$2,509.00
6560-0092	Wire guard for FRC Evolution light(s) on aerial. Location: [#LOC].	\$160.00
6560-0093	Light Whelen Pioneer Plus model PFP2AC powder coated black with permanent mount (ROM model KR-SB-6PFP2AC) powder coated black. Requires 110-volt receptacle at tip option. Location(s): [#LOC].	\$2,249.00
6560-0094	Light Whelen Pioneer model KR-14PFP2AC platform mounted powder coated black. Requires 110 volt twistlock receptacle at tip option. Includes hardwired switch on platform console. The light shall be located [#LOC].	\$2,124.00

Option No.	Description	PRICE
6560-0095	Light Whelen Pioneer Plus model PFP1 w/bail mount platform mounted. Includes hardwired switch on platform console. Location(s): [#LOC].	\$1,442.00
6560-0097	Light Fire Research Spectra LED 12V model SPA570-Q20 permanent mount. The light shall be fitted with a weather-resistant switch and hard-wired to the aerial tip power circuit. Location(s): [#LOC].	\$2,754.00
6560-0098	Turntable work lighting shall be upgraded to LED IPOS.	\$227.00
6560-0099	Upgrade (4) inclinometer lights to LED. Grote model G6151.	\$67.00
6560-0100	Whelen LED model PFBP12C at jib boom (PR) RLP/HDT.	\$1,144.00
6560-0101	Aerial turntable control panel EON LED lights IPOS.	\$220.00
6560-0102	Light Whelen Pioneer Plus model PFP2AC with permanent mount. Requires 110V receptacle at tip option. Location(s): [#LOC].	\$2,249.00
6560-0103	Whelen Pioneer PFP2AC 110V LED floodlight with pole mounted at platform. Requires 110V twist lock receptacle at tip option. The light shall be located [#LOC].	\$2,833.00
6560-0104	Light Whelen Pioneer Plus 12V model PFP1P1 with PBAPEDD pedestal mount. Switched at light head and base console. Location(s): [#LOC].	\$1,609.00
6560-0105	Light Whelen Pioneer Plus 120V model PFP1AP1 with PBAPEDA pedestal mount. Requires 110 volt twist lock receptacle at tip option. Location(s): [#LOC].	\$1,782.00
6560-0106	Quartz light Fire Research Spectra 12V LED model SPA260-Q15 with surface mount and on/off sw on platform console. The light shall be located [#LOC].	\$2,063.00
6560-0107	Light Fire Research Spectra 120V LED model SPA540-K20-CLP37-ON-SW with 37" pull up pole powder coated black. The light shall be located [#LOC].	\$3,406.00
6560-0108	Light Fire Research Spectra 120V LED model SPA850-K20 with flat mount powder coated black. Location: [#LOC].	\$2,592.00
6560-0109	Quartz light Fire Research Spectra 12V LED model SPA260-Q15 with surface mount powder coated black and on/off sw on platform console. The light shall be located [#LOC].	\$2,118.00
6560-0110	Ladder climbing lights Federal Signal MicroPulse6 LED for 4 section aerial (one side). Color: [#COL].	\$4,077.00
6560-0111	Quartz light 500W Magnafire 5000 model KR655-S. Requires 110-volt twist lock receptacle at tip option. The light shall be located [#LOC].	\$976.00
6560-0112	Flood lights Whelen 12V PFP1 at base (PR) with pedestal mount.	\$3,520.00
6560-0113	Light Whelen Pioneer Plus 120V model PFP1AP1 with PBAPEDA pedestal mount located at tip of base section (PR). Requires 110 volt twist lock receptacle at tip option.	\$3,675.00
6560-0114	Luma Bar Pathfinder 20" LED strip to illuminate aerial pedestal's control panel. Applies only to diamond plate turntable consoles.	\$1,254.00
6560-0115	Light Fire Research Spectra LED 12V model SPA540-Q15-CLP37-ON-SW with 37" pull up pole. The light shall be located [#LOC].	\$2,723.00
6560-0116	Light Whelen Pioneer Plus 120V model PSP1AP1 with PBAPEDA pedestal mount. Requires 110 volt twist lock receptacle at tip option. Location(s): [#LOC].	\$2,017.00
6560-0117	Light Fire Research Spectra 12V LED model SPA540-Q15-CLP37-ON-SW with 37" pull up pole powder coated black. The light shall be located [#LOC].	\$3,406.00
6560-0118	Light Rigid Industries 12V E2-Series 20" LED. Includes aluminum plate shield. Switched at turntable console. N/A with lifting eye at tip. Location: mounted below aerial at tip of fly section.	\$1,900.00

Option No.	Description	PRICE
6560-0119	Light Rigid Industries Spot/Flood 12V E-Series 10" LED (PR). Includes aluminum plate shields. Switched at turntable console. Location: One each side at tip of fly section mounted parallel to main rail facing down.	\$1,655.00
6560-0120	Flood lights Whelen Micro Pioneer model MPBW at base (PR).	\$1,651.00
6560-0121	Light Whelen Pioneer Plus model PFP1AC w/bail mount permanently mounted recessed in the center of the bottom heat shield on the platform. Requires 110-volt receptacle at tip option. Includes hardwired switch on platform console. Midmount only.	\$2,107.00
6560-0122	Ladder climbing lights Luma-Bar Pathfinder LED strip for 4 section aerial (both sides). Color: Blue (base, 2nd & 3rd, fly)/Amber fly section from folding steps to tip.	\$11,248.00
6560-0123	Whelen LED model PFBP12C at tip of base (PR).	\$1,144.00
6560-0124	Whelen Pioneer PFP1AC 110V LED floodlight with pole mounted at platform. Requires 110V twist lock receptacle at tip option. The light shall be located [#LOC].	\$2,074.00
6560-0125	Flood/Spotlight Whelen PCP2AC 110V with external mount 30" tripod telepole. Includes 110V 20A twistlock receptacle. Location(s): [#LOC]	\$3,725.00
6560-0126	Marker lights additional amber LED Trucklite Model 35 (PR). Location: [#LOC]	\$173.00
6560-0127	FireTech model FT-WL3500-FT-W LED flood/spot light. Includes hardwired switch on turntable console. Location: left and right side of base section.	\$1,484.00
6560-0128	FireTech model FT-WL3500-FT flood/spot LED light at jib boom (PR) RLP/HDT.	\$1,484.00
6560-0129	Outrigger flood light (4) RLP/HDT. Truck-Lite LED model 81380.	\$806.00
6560-0130	Whelen Pioneer PFP2AC 110V LED floodlight with pole mounted at platform powder coated black. Requires 110V twist lock receptacle at tip option. The light shall be located [#LOC].	\$2,833.00
6560-0131	Light Whelen Pioneer Plus 12V model PFP1P1 with PBAPEDD pedestal mount powder coated black. Switched at light head and base console. Location(s): [#LOC].	\$1,609.00
6560-0132	Akron SceneStar 12V LED model ELSS-SLDC-SB-SW with non-telescoping swivel base. Switched at light head and base console. The light shall be located [#LOC].	\$1,758.00
6560-0133	Light Whelen Pioneer Plus 120V model PFP1AP1 with PBAPEDA pedestal mount powder coated black. Requires 110 volt twist lock receptacle at tip option. Location(s): [#LOC].	\$1,782.00
6560-0134	Flood/Spotlight Whelen PCP2AC 110V with external mount 30" tripod telepole. Includes 110V 15A twistlock receptacle. Location(s): [#LOC]	\$3,725.00
6560-0135	Rigid Industries model 24421 LED spot light. Includes hardwired switch on turntable console. Location: left and right side of base section.	\$2,024.00
6560-0136	Light Rigid Industries model 24411 LED flood light w/bail mount platform mounted. Includes hardwired switch on platform console. Location(s): [#LOC].	\$1,013.00
6560-0137	Light Whelen Pioneer Plus model PFP1 with PBA103 recess mount. Includes hardwired switch on platform console. The light shall be located [#LOC].	\$1,451.00
6560-0138	Whelen Pioneer PFP2 12V LED floodlight with pole mounted at platform. Includes switch on light head. The light shall be located [#LOC].	\$2,608.00
6560-0139	Whelen Pioneer PCP2AC 110V LED floodlight with pole mounted at platform. Requires 110V twist lock receptacle at tip option. The light shall be located [#LOC].	\$2,833.00

Option No.	Description	PRICE
6560-0140	**OBS** Light Whelen Pioneer Plus model PCP2AC flood/spot with side pedestal mount. Location(s): [#LOC].	\$2,910.00
6560-0141	FireTech 11" 12V double stack bracket mounted light at tip. Includes switch on platform console. Location: [#LOC].	\$1,388.00
6560-0142	FireTech model FT-WL3500-FT-W LED flood/spot light. Includes switch on lighthead and turntable console. Location: [#LOC].	\$742.00
6560-0143	Quartz light Fire Research Focus 1000W/110V model FCA540-M10-CLP37-ON-SW with 37" pull up pole. The light shall be located [#LOC].	\$1,554.00
6560-0144	Light Fire Research Mini Spectra LED 120V model SPA570-T14 permanent mount. Includes switch at lighthead. Requires 110-volt twist lock receptacle at tip option. Location(s): [#LOC].	\$2,117.00
6560-0145	Quartz light Fire Research Spectra 12V LED model SPA260-Q20 with surface mount and on/off sw on platform console. The light shall be located [#LOC].	\$2,286.00
6560-0146	FRC LED model SOBRITE at base (PR).	\$1,547.00
6560-0147	FireTech model FT-WL3500-60 LED flood light. Includes hardwired switch on turntable console. Location: left and right side tip of base.	\$1,484.00
6560-0148	Ladder climbing lights Luma Bar Pathfinder LED strip for CR137 (both sides). Color: Green (base, 2nd, 3rd & 4th, fly)/Amber fly from folding steps to tip.	\$17,428.00

6560-0150	Light Whelen Pioneer Plus model PCP2 120V flood/spot with black housing and recess mount. Includes hardwired switch on platform console. The light shall be located [#LOC].	\$2,730.00
6560-0151	Light Whelen Pioneer Plus model PFP1AC with black housing and bail mount platform mounted. Requires 110-volt receptacle at tip option. Includes hardwired switch on platform console. Location(s): [#LOC].	\$1,650.00
6560-0152	Flood/Spotlight Whelen PCP2AC 110V powder coated black with external mount 30" tripod telepole. Includes 110V 20A twistlock receptacle. Location(s): [#LOC]	\$3,725.00
6560-0153	Light Rigid Industries model 50131 LED Dually D2 spotlight w/bail mount. Location(s): [#LOC].	\$575.00
6560-0154	FRC model SOBRITE LED flood light located [#LOC].	\$774.00
6560-0155	Outrigger flood light (4) RLP/HDT. Grote Trilliant Cube LED model 63981.	\$1,270.00
6560-0156	Light Whelen Pioneer Plus model PFP2AC with permanent mount powder coated black. Requires 110V receptacle at tip option. Location(s): [#LOC].	\$2,249.00
6560-0157	Whelen model 3SC0CDCR platform lights (PR) in place of standard platform floor lighting.	\$374.00
6560-0158	Whelen Pioneer PFP1AC 110V LED floodlight powder coated black with pole mounted at platform. Requires 110V twist lock receptacle at tip option. The light shall be located [#LOC].	\$2,074.00
6560-0159	Quartz light Fire Research Spectra LED 110V model SPA260-K15 with surface mount. Requires 110-volt twist lock receptacle at tip option. The light shall be located [#LOC].	\$2,425.00
6560-0160	Whelen Pioneer PFP2AC 110V LED floodlight with internal pole mounted at right side of turntable.	\$3,047.00
6560-0161	Light Fire Research Mini-Spectra 120V LED model SPA540-T14-CLP37-ON-SW with 37" pull up pole. The light shall be located [#LOC].	\$2,151.00
6560-0162	Light Whelen Pioneer Plus model PFP2 12V with permanent mount powder coated black. Requires engineering approval. Location(s): [#LOC].	\$2,599.00

Option No.	Description	PRICE
6560-0163	Light Whelen Micro Pioneer model MPPWCS low profile pedestal mount. Switched at light head and base console. Location(s): [#LOC].	\$849.00
6560-0164	Light Rigid Industries Marine Dually XL model 32311 LED flood light platform mounted (PR). Includes bail mounts and hardwired switch on platform console. Locate one each side below front platform step.	\$968.00
6560-0165	Floodlight Whelen PFP1AC 110V with external mount 30" tripod telepole. Includes 110V 20A twistlock receptacle. Location(s): [#LOC]	\$3,015.00
6560-0166	Light Whelen Pioneer Plus model PFP2AC 120V with recess mount powder coated black. Requires 110-volt receptacle at tip option. Includes hardwired switch on platform console. The light shall be located [#LOC].	\$2,730.00
6560-0167	Light Whelen Pioneer Plus model PCP2AC flood/spot with pedestal mount. Location(s): [#LOC].	\$2,910.00
6560-0168	Light Whelen Pioneer Plus model PFP2 12V with recess mount. Includes hardwired switch on platform console. The light shall be located [#LOC].	\$2,492.00
6560-0169	Light Rigid Industries Spot/Flood 12V E-Series 10" LED (PR). Includes aluminum plate shields. Switched at turntable console. Location: One each side forward and rearward of sign plates on base section.	\$1,655.00
6560-0170	Light Whelen Pioneer Plus model PCP2 120V flood/spot with recess mount. Includes hardwired switch on platform console. The light shall be located [#LOC].	\$2,730.00
6560-0171	Light Fire Research Mini Spectra LED 12V model SPA570-R14 permanent mount powder coated black. The light shall be fitted with a weather-resistant switch and hard-wired to the aerial tip power circuit. Location(s): [#LOC].	\$1,808.00
6560-0172	Light Whelen 12V Pioneer Plus model PFS1 spot/flood w/bail mount platform mounted. Includes hardwired switch on platform console. Location(s): [#LOC].	\$1,442.00
6560-0173	Light Whelen 12V Pioneer Plus model PFS2 flood/spot with pedestal mount. Switched at light head and base console. Location(s): [#LOC].	\$2,474.00
6560-0174	Light Whelen Micro Pioneer Plus with black housing model MPBB with bail mount platform mounted. Includes hardwired switch on platform console. Location: [#LOC].	\$793.00
6560-0175	Light Whelen 12V Pioneer Plus model PFS1 spot/flood w/recess mount. Includes hardwired switch on platform console. Location(s): [#LOC].	\$1,442.00
6560-0176	Light Whelen Micro Pioneer model MPPBCS low profile pedestal mount powder coated black. Switched at light head and base console. Location(s): [#LOC].	\$849.00
6560-0177	Light Fire Research Spectra Max 120V LED model SPA540-K28-CLP37-ON-SW with 37" pull up pole. The light shall be located [#LOC].	\$3,536.00
6560-0179	Whelen Pioneer PCPACAC 110V LED spot/floodlight with pole mounted at platform powder coated black. Requires 110V twist lock receptacle at tip option. The light shall be located [#LOC].	\$2,833.00
6560-0180	Light Whelen Pioneer Slimline model PSL2 12V powder coated black with recess mount. Includes hardwired switch on platform console. The light shall be located [#LOC].	\$1,370.00
6560-0181	Light Whelen Pioneer Plus 12V model PFP1P1 with PBAPEDD pedestal mount. Switched at light head and base console. Location(s): (1) each side tip of 3rd section.	\$3,218.00
6560-0182	FireTech model FT-SL-X-15 LED flood light. Includes switch on lighthouse and turntable console. Location: [#LOC].	\$2,060.00

Option No.	Description	PRICE
6560-0183	Light Fire Research Mini Spectra LED 120V model SPA570-T14 permanent mount powder coated black. Includes switch at lighthouse. Requires 110-volt twist lock receptacle at tip option. Location(s): [#LOC].	\$2,164.00
6560-0184	FireTech model FT-WL3500-FT-B LED flood/spot light. Includes hardwired switch on turntable console. Location: left and right side of base section.	\$1,484.00
6570-0001	Outrigger alarm RLP/HDT. Preco with warble tone.	\$286.00
6570-0003	110V/15A twist lock receptacle at tip.	\$2,995.00
6570-0007	Intercom Speaker - additional located at the monitor.	\$757.00
6570-0008	Intercom aerial 2-way. Atkinson Dynamics (Federal). Speaker to be located to rear of platform on Bronto units.	\$1,674.00
6570-0009	Intercom aerial 3-way. Atkinson Dynamics (Federal). Speaker to be located to rear of platform on Bronto units.	\$3,353.00
6570-0010	Aerial Information System (AIS) for ladder.	\$8,175.00
6570-0011	Aerial Information System (AIS) for ladder. Includes engine information.	\$9,094.00
6570-0012	Aerial Information System (AIS) for platform.	\$10,677.00
6570-0013	Aerial Information System (AIS) for platform. Includes engine information.	\$11,990.00
6570-0014	Class1 aerial information center.	\$4,001.00
6570-0015	110V/20A twist lock receptacle at tip.	\$2,995.00
6570-0017	Duplex receptacle at tip with (1) 3-prong NEMA 5-15 and (1) twist lock NEMA L5-15 receptacle.	\$3,045.00
6570-0018	Extension alarm for aerial. Alarm to sound at turntable console when aerial is near full extension.	\$600.00
6570-0019	Platform floor lights additional (4). Lights to match standard floor lights.	\$256.00
6570-0020	Camera package for Snozzle - Snozzle supplied. Includes infrared thermal imaging camera mounted on tip nozzle with wide angle lens and polarity control, fixed lens color camera mounted on tip nozzle and 10.4" Flat Screen Litton weatherproof monitor. Camera monitor location: [#LOC].	\$31,934.00
6570-0021	Duplex receptacle at tip with 3-prong NEMA 5-15 outlets.	\$3,045.00
6570-0022	Air horn switch at aerial turntable control console. Switch to be labeled "Air Horn".	\$149.00
6570-0023	Firepower receptacle at tip.	\$3,030.00
6570-0024	Laser jack pad spotting lights (4).	\$4,933.00
6570-0025	DVD 2-Channel recorder for Snozzle cameras. Location: [#LOC].	\$5,737.00
6570-0026	Laser jack pad spotting lights (2).	\$2,715.00
6570-0028	Air horn switch at aerial turntable control console. Switch to be a red button type and be labeled "Air Horn".	\$149.00
6570-0029	Light with alarm on turntable console for low eng oil press, high water temp, low voltage and low air press.	\$380.00
6570-0030	110V/20A duplex household receptacle at tip.	\$2,995.00
6570-0031	Mount tip intercom speaker on ladder fly section to forward upright to allow ladder to retract fully. HM100/110 with special retraction stops only.	\$0.00
6570-0032	Aerial Information System (AIS) for ladder. Includes engine information. System will not display extension or available tip load due to temporarily disconnected pull encoder. To be reconnected once updated HP78 software is loaded into system.	\$9,094.00
6570-0033	Air horn switch at aerial turntable control console. Switch to be labeled "Evacuation Alert".	\$149.00
6570-0034	Additional 110V/20A twist lock receptacle at tip. Requires 110v to tip option. Location: opposite standard at tip.	\$347.00
6570-0035	110V/15A twist lock receptacle at tip. Wiring from breaker box to tip to be 220V.	\$3,110.00

Option No.	Description	PRICE
6570-0036	Akron 9313 auxiliary waterway discharge vlv control on turntable console. Requires waterway discharge with Akron electric valve and three available collector rings.	\$1,284.00
6570-0037	Kaper2 LED light in override control area.	\$0.00
6570-0038	Cradle alignment light on turntable console.	\$585.00
6570-0039	110V/20A twist lock receptacle at tip. Wiring from breaker box to tip to be 220V.	\$3,110.00
6570-0040	110V/30A twist lock receptacle at tip.	\$3,110.00
6570-0041	110V receptacle at tip to be mounted outboard of inside working area of fly section to provide clear space inside fly section.	\$131.00
6570-0042	120V/250V 20A Daniel Woodhead Non-NEMA model 67W08 receptacle at tip.	\$3,413.00
6570-0043	110V/20A twist lock receptacle at tip. Receptacle power is provided via inlet receptacle (not generator/breaker box). Includes a [#COL] cover. Location: [#LOC].	\$3,110.00
6570-0044	Aerial information displays located at TT and platform console.	\$4,001.00
6570-0045	Switch at aerial turntable control console to disable flashing light at aerial tip. Switch to be labeled "Flashing Light".	\$149.00
6570-0046	12 VDC junction box located outside of platform near the breathing air block (no outlet, power source only). This 12 VDC circuit shall be activated with aerial master.	\$337.00
6570-0047	(2) 110v circuits to tip. (1) with a 20A twist lock recept in platform and (1) to supply power to quartz lights. Both to include 15A breakers. Aramco Bronto only.	\$2,995.00
6570-0048	(2) 110v circuits to tip. (1) with a 20A household recept in platform and (1) to supply power to quartz lights. Both to include 15A breakers. Aramco Bronto only.	\$2,995.00
6570-0049	Additional 110V/20A household receptacle at tip. Requires 110v to tip option. Location: opposite standard at tip.	\$347.00
6570-0050	Aerial Information Center (AIC) for 95-Platform and HP95MM.	\$4,251.00
6570-0051	110V/15A Hubble twist lock receptacle at tip. Includes grey weatherproof cover.	\$2,995.00
6570-0052	12 volt power point wired battery hot at tip.	\$64.00
6570-0053	Relocate intercom base and tip volume knobs and talk switch from center console to console lid.	\$0.00
6570-0054	Deadman foot switch at turntable for aerial controls.	\$327.00
6570-0055	Additional programming instructions: momentary laser jack pad switch to be provided with 30 second timer.	\$268.00
6570-0056	Additional rung alignment light. Whelen model 3SA00FAR amber light. Locate on aerial control panel where intercom controls typically mount.	\$288.00
6570-0057	Platform alignment lights on rear of platform. One visible from turntable console and one from cab.	\$659.00
6570-0058	12 Volt connector at ladder tip for Akron electric ladder pipe.	\$89.00
6570-0059	Q2B switch at aerial turntable control console. Switch to be labeled "Evacuation Alert".	\$149.00
6570-0060	Reel at tip of base for providing power to ladder tip.	\$4,969.00
6570-0061	Additional 12volt power shall be provided to the ladder tip. The power cabling shall consist of two (2) 2-gage wires run to the ladder tip in flexible tracking.	\$3,453.00
6570-0062	Command Light LCAS Laser Collision Avoidance System w/Stainless Steel Armor guard (PR) model #LC130. Wired to aerial master. Locate one each side at tip of ladder.	\$4,070.00
6570-0063	Generator switch on Bronto control panels to be wired to turn on / off the E-ONE installed hyd generator. Switches provided by Bronto.	\$185.00

Option No.	Description	PRICE
6570-0064	110V/15A Daniel Woodhead twist lock receptacle at tip.	\$3,203.00
6570-0065	Aerial battery volt gauge on turntable.	\$416.00
6570-0066	12 volt power point wired battery hot. Location aerial turntable.	\$64.00
6570-0067	Command Light LCAS Laser Collision Avoidance System (EA) model #LC130. Wired to aerial master. Locate driver side at tip of ladder.	\$2,035.00
6570-0068	Aerial Information Center (AIC) for 95-Platform and HP95MM. Turntable location only.	\$3,799.00
6570-0069	Additional rung alignment light at tip of ladder. Whelen model 3SA00FAR amber light. Locate on aerial control panel where intercom controls typically mount.	\$288.00
6570-0070	Whelen model UFM8 LED flasher. Flasher will control warning lights ipo internal flashers.	\$603.00
6570-0071	Aerial Information Center (AIC) for 95-Platform and HP95MM. Includes AACS style jack tags and lights.	\$4,661.00
6570-0072	Revised aerial wiring to tip to support customer required power option of 12V to tip to supply 15amps.	\$2,963.00
6600-0000	Folding ladder bracket. Locate inside the right side fly section for a FL-10.	\$633.00
6600-0001	Slide out roof ladder bracket. Locate outside base section for a [#LOC]. Available on 95RM, 110, CR100 and HM100.	\$1,924.00
6600-0002	Roof ladder bracket J style mount. Locate outside base section for a [#LOC]. Available on HP75/78, HP100, and HP95.	\$1,981.00
6600-0003	Roof ladder bracket lift out. Locate inside the left side fly section for a PRL-12. Avail on 95-Platform, 95MM and HP100 Platform.	\$364.00
6600-0004	Lift out style roof ladder bracket. Locate outside base section for a [#LOC]. Available on 95RM, 110, CR100 and HM100.	\$1,924.00
6600-0005	Roof ladder bracket lift out. Locate inside the left side fly section for a PRL-14. Avail on 95-Platform, 95MM and HP100 Platform.	\$364.00
6600-0006	Roof ladder bracket lift out. Locate inside the left side fly section for a PRL-16. Avail on 95-Platform, 95MM and HP100 Platform.	\$364.00
6600-0008	Roof ladder bracket lift out. Locate inside the left side fly section for a 775A-12. Avail on HP100P, 95RM and 95MM.	\$364.00
6600-0009	Parapet roof ladder bracket for platform. For use with Alcolite and Duo Safety roof ladders (not included). Available on HP100 Platform, HP95MM Platform and 95-Platform with angle corners.	\$1,994.00
6600-0010	** OBS** (use 6600-0009) Parapet roof ladder bracket for platform. For use with Alcolite and Duo Safety roof ladders (not included). Available on HP95 MM Pltfrm only.	\$1,994.00
6600-0011	Roof ladder bracket lift out. Locate inside the right side fly section for a 775A-10. Avail on HP100P, 95RM and 95MM.	\$364.00
6600-0012	In addition to the lift-out ladder bracket in the fly section a guard plate shall be installed on the inside of the fly section. To guard against the roof ladder hooks from accidentally following into the ladder fly structure when the aerial is extending or retracting.	\$153.00
6600-0013	Roof ladder bracket lift out. Locate inside the right side fly section for a PRL-14. Avail on 95-Platform, 95MM and HP100 Platform.	\$364.00
6600-0014	Shift aerial ladder bracket(s) and sign plates rearward on ladder base one vertical.	\$0.00
6600-0015	Lift out style roof ladder bracket. Locate outside base section for a 16' roof ladder PRL-16 on left side of base section. Includes additional bracket for ladder support. Available on 95RM, 110, CR100 and HM100.	\$2,571.00
6600-0016	Roof ladder bracket lift out. Locate inside the left side fly section for a 775-DR 12'. Avail on HP100P, 95RM and 95MM.	\$364.00
6600-0017	Roof ladder bracket lift out. Locate inside the left side fly section for a 775A-14. Avail on HP100P, 95RM and 95MM.	\$364.00
6600-0018	Roof ladder bracket lift out. Locate inside the left side fly section for a PRL-20. Avail on HP100 Platform only.	\$364.00
6600-0019	Roof ladder bracket lift out. Locate inside the left side fly section for a 775A-14. Available on HP100 platform only for modified tip weight.	\$364.00
6600-0020	Lift out style roof ladder bracket. Locate outside base section for a 16' roof ladder PRL-16 on right side of base section. Includes additional bracket for ladder support. Available on HP75/78.	\$2,571.00

Option No.	Description	PRICE
6600-0021	Parapet roof ladder bracket for platform bolt-on IPO pinned.	\$0.00
6600-0022	Roof ladder bracket lift out. Locate inside the right side fly section for a PRL-14. Avail on HP100 Platform only due to reduced calculated weight.	\$364.00
6750-0000	Aerial sign plates 10 x 144 (PR). Available on Booms, HP75 and HP100 only. Does not include lettering. Color: [#COL].	\$1,627.00
6750-0001	Aerial sign plates 16 x 144 (PR). Available on LTH100, HP100L, HPS105L, HP95 and HP100P only (requires 6750-0014 for special bracket on HP100P if there are not ladder brackets on each side). Does not include lettering. Color: [#COL]	\$1,826.00
6750-0002	Aerial sign plates 22 x 144 (PR). Available on HM100, HM110, 95, CR100 and CR137 only. Does not include lettering. Color: [#COL].	\$2,023.00
6750-0004	Aerial sign plates 12 x 144 (PR). Available on HP78, HP100 and HP100 platform only. Does not include lettering. Color: [#COL].	\$1,694.00
6750-0005	Aerial sign plate 9 x 266 - Snozzle supplied. Right side of booms only. Does not include lettering. Color: [#COL]	\$1,028.00
6750-0006	Aerial sign plates 16 x 144 driver and 12 x 144 officer. Does not include lettering. Color: Job color.	\$1,870.00
6750-0007	Sign plate for rear of aerial turntable handrails. To be two piece painted smooth aluminum plate split in the center and hinged on each side. Does not include lettering. Color: [#COL]	\$856.00
6750-0009	Aerial sign plates 10 x 168 (PR). Available on HP75/78. Does not include lettering. Color: [#COL]	\$1,899.00
6750-0010	Brackets for 22" x 144" aerial sign plate. For use with roof ladder bracket on opposite side. Available on aerials with aerial external extension system.	\$1,750.00
6750-0011	Aerial sign plates 22 x 144 (PR) un-painted. Available on HM100, HM110, 95 and CR100 only. Does not include lettering.	\$1,737.00
6750-0012	Paint aerial sign plate with approved metallic paint color.	\$206.00
6750-0013	Sign plate for rear of aerial turntable handrails. Single piece un-painted smooth aluminum plate. Does not include hinges or lettering.	\$521.00
6750-0014	Brackets to allow for a larger than standard sign plate on a HP style device. Does not include sign plates.	\$270.00
6750-0015	Aerial sign plate / hard suction hose storage box pkg. Includes a 12 x 144 sign plate on left side of base and a hard suction storage box with nylon straps on right side of base. Outer wall of box to be used as sign plate. Does not include lettering. Color: job color.	\$1,917.00
6750-0016	Aerial sign plates 16 x 120 (PR). Available on HP95 only. Does not include lettering. Color: [#COL]	\$1,760.00
6750-0017	Sign plate 12" x 18" (PR) shall be bolted to the outside of the fly section painted FLNA4006 white. Locate at tip of fly section, one each side.	\$397.00
6750-0018	Aerial sign plate / hose storage box pkg. Includes a 22 x 144 sign plate on right side of base and a hose storage box w/hinged cover on outboard side of base. Box to be smooth plt approx 5" wide x 140" long x 22" deep. Lid to be hinged on outboard side with a gas shock hold-open / hold-close. Floor to have extruded alum slats. Outer wall of box to be used as sign plate. Does not include lettering. Color: FLNA 4030 White.	\$2,539.00
6750-0019	Aerial sign plates 12 x 144 (PR). Available on HP78, HP100 and HP100 platform only. Does not include lettering. Unpainted.	\$1,439.00
6750-0020	Sign plate for rear of aerial turntable handrails. Single piece painted smooth aluminum plate. Does not include hinges or lettering. Color: [#COL].	\$601.00
6750-0021	Brackets to allow for a larger than standard aerial sign plate. Requires roof ladder bracket on opposite side. Does not include sign plates.	\$270.00
6750-0022	Aerial sign plates 10 x 144 (PR) with beveled edges. Available on Booms, HP75 and HP100 only. Does not include lettering. Color: Job Color.	\$1,790.00

Option No.	Description	PRICE
6750-0023	Brackets to allow for a 22" x 144" aerial sign plate on a HP100 Platform. Requires roof ladder bracket on opposite side. Does not include sign plates.	\$270.00
6750-0024	Removable number plate with mounting brackets (PR). Locate (1) each side of the platform. Plate to be painted job color. Lettering and/or graphics not included.	\$592.00
6850-0002	Pump panel control station. HP75 / HP78 and 50' rear mount boom.	\$3,844.00
6850-0003	Ladder tip controls.	\$11,347.00
6850-0004	Short Jack System HP75 / HP78.	\$9,006.00
6850-0005	Lock for ladder controls. 50/HP75/HM100/HP100/CR100/110 only.	\$288.00
6850-0006	Additional handheld jack controller at rear of body. Locate in rear jack control box. Includes selector switch at aerial master panel.	\$2,484.00
6850-0008	Platform leveling system to allow adjustment of platform pivot angle from cab. Includes light on back of platform visible by driver to indicate platform is in alignment with ladder.	\$2,624.00
6850-0009	Hinged cover for platform control console. Diamond plate with rubber hood latch to hold closed.	\$460.00
6850-0010	Connector for handheld jack control at rear of body. Loc: [#LOC]	\$557.00
6850-0011	Gas spring for aerial ladder console cover. To hold cover open at 90 degrees to the side.	\$184.00
6850-0012	Hinged cover for platform control console. Swirl finish smooth plate with gas spring hold-open.	\$572.00
6850-0014	Aerial control station (add'l) located at pump operator's panel. Includes upgrade to elect / hyd aerial control system and monitor controls at pump panel.	\$14,354.00
6850-0015	Aerial turntable console lowered approx 4" to allow for stations with arched doors.	\$973.00
6850-0016	**OBS - use 3310-0096** Doors for aerial switch panels at rear of body. Finish to match rear of body.	\$505.00
6850-0017	Envelope controls HP100 Platform. Forward extension of aerial to be restricted due to 260" wheelbase.	\$734.00
6850-0018	Vinyl turntable console control cover in place of standard. Color: [#COL].	\$0.00
6850-0019	Vinyl platform console control cover. Color: [#COL].	\$273.00
6850-0020	Aerial control stations (add'l) located at pump operator's panel and ladder tip. Includes upgrade to elect / hyd aerial control system and monitor controls at pump panel. Tip controls to be "creep" style.	\$17,488.00
6850-0021	Additional handheld jack controller at front of cab. Locate in front bumper officer side tray. Includes selector switch at aerial master panel.	\$2,484.00
6850-0022	Turntable handrails to have chains IPO Mansaver bars.	\$0.00
6850-0023	Retraction stops for ladder. Required to allow for nozzle guard on HP75/78 with 225-230 WB S/A and all T/A.	\$519.00
6850-0024	Handheld jack controller at rear of body. Locate in rear jack control box. This is in addition to standard aerial master panel also at rear of body.	\$2,065.00
6850-0025	Advanced Aerial Control System - Ladder. Includes monitor stow / deploy, cradle alignment It and display with flowmeter.	\$15,024.00
6850-0026	Direct hydraulic aerial control system.	\$0.00
6850-0027	Ladder tip controls. For use with AACS only.	\$2,137.00
6850-0028	Ladder controls at pump panel. For use with AACS only.	\$3,163.00
6850-0029	Short Jack System HP75 / HP78. For use with AACS only.	\$4,963.00
6850-0030	Aerial control station at top of body (Add'l). 50' Mid-Mount boom.	\$3,509.00

Option No.	Description	PRICE
6850-0031	Advanced Aerial Control System - Ladder. Includes color display at turntable, body protection, monitor stow / deploy, cradle alignment lt.	\$28,482.00
6850-0032	Advanced Aerial Control System - Ladder. Includes cradle alignment lt and display.	\$13,512.00
6850-0033	Retraction stops for ladder. Required to allow for TFT monitor with VUM on HP100 ladder with 240 WB.	\$519.00
6850-0034	Graphic aerial display at pump operator's panel. For use with deluxe AACS with pump panel aerial controls only.	\$844.00
6850-0035	Color aerial display at pump operator's panel. For use with deluxe AACS with pump panel aerial controls only.	\$2,925.00
6850-0036	Wireless aerial controls (in addition to standard). For use with deluxe AACS only.	\$10,988.00
6850-0037	Advanced Aerial Control System - Platform. Includes monitor stow / deploy, cradle alignment lt and display with flowmeter.	\$4,251.00
6850-0038	Advanced Aerial Control System - Platform. Includes color display at turntable and platform, body protection, monitor stow / deploy, cradle alignment lt.	\$11,990.00
6850-0039	AACS Ramp settings - Special. All three settings to be programmed at the standard .5 second ramp.	\$412.00
6850-0040	Color aerial display at pump operator's panel. For use with deluxe AACS without pump panel aerial controls on the panel.	\$4,985.00
6850-0041	Advanced Aerial Control System - Tiller. Includes short jack capability, monitor stow / deploy, cradle alignment lt and display with flowmeter.	\$19,987.00
6850-0042	Roll-top multi-level turntable console mounted to tube style pedestal mount. Cover to be 3-piece design. (95-platform, HP95 MM Platform and HP/HPS100 Platform only)	\$0.00
6850-0043	Diamond plate turntable console mounted to tube style pedestal mount. Includes side hinged diamond plate cover with hinge on outboard side. Includes modified left side turntable handrail. (95-platform and HP/HPS100 Platform only)	\$0.00
6850-0044	Multi-level turntable console mounted to tube style pedestal mount. Cover to be 1-piece design that pivots forward. (95-platform and HP/HPS100 Platform only)	\$250.00
6850-0045	Retraction stops for ladder. Required to allow for TFT monitor with VUM on HP75/78 ladder with 230 WB.	\$519.00
6850-0046	Retraction stops for HPS105 steel ladder. Required to allow for 250 WB.	\$519.00
6850-0047	Ladder tip controls switch panel relocated approx. 14" rearward at second bay on right side of tip. Applies only to HP75/78.	\$405.00
6850-0048	Diamond plate storage box with hinged drop down door and push button latch. Approximate size: 12" wide x 10.5" tall x 14" deep. Located below turntable console mounted between tube style pedestal mounts. Available only on HP100 platform with pedestal style turntable console.	\$528.00
6850-0049	Remove mansaver bar from driver side turntable access opening and replace with chain. Note this applies only to driver side access.	\$0.00
6900-0000	Aerial flow test - 3rd party.	\$485.00
6900-0001	Aerial 2003 NFPA Certification	\$3,763.00
6900-0002	Aerial 2009 NFPA Certification.	\$3,888.00
6900-0003	Aerial flow test - 3rd party. Performed by UL. Requires UL aerial certification.	\$0.00
6900-0004	Aerial 2009 NFPA Certification. Performed by UL.	\$8,179.00
6900-0005	Aerial flow test - 3rd party.	\$485.00
6900-0006	Aerial flow test - 3rd party.	\$485.00
6900-0007	Aerial 2016 NFPA Certification.	\$3,888.00
7200-0103	Inlet valve gated w/relief and elbow. 4" FNST x 4" STORZ and cap. (Kocheck Model 40K40204)	\$2,514.00

Option No.	Description	PRICE
7300-0000	Reducer Chrome 2.5"FNST x 1.5"MNST.	\$78.00
7300-0001	A 2.5 Storz x 1.5 Storz reducer shall be shipped loose.	\$72.00
7500-0000	Ziamatic Air Pack Bracket (2PHS) Model #UN-6-30-2PHS. Shipped loose.	\$334.00
7500-0001	Ziamatic Air Pack Bracket (FPHS) Model #UN-6-30-3-FPHS. Shipped loose.	\$339.00
7500-0002	Universal air pack bottle bracket (EA). Shipped loose.	\$163.00
7500-0004	Bracket SCBA Lifeguard SmartDock Gen2 restraint system. Ship Loose.	\$527.00
7600-0009	Pike Pole Mounting Tube Style (Each)	\$238.00
7800-0000	Alco-Lite 8' Folding Ladder without shoes.	\$331.00
7800-0002	Alco-Lite FL-10, 10' folding ladder without shoes.	\$277.00
7800-0003	10' folding Duo-Safety 585-A ladder.	\$432.00
7800-0004	Aluminum Cast Bracket for Duo Safety Folding Ladder - For 8' or 10'	\$459.00
7800-0005	Alco-Lite CJL-14 Combo Ladder A-Frame/Extension.	\$608.00
7800-0006	Alco-Lite PRL-12 roof ladder.	\$441.00
7800-0007	Alco-Lite PRL-14' roof ladder.	\$470.00
7800-0008	14' roof ladder, Duo-Safety 775-A.	\$650.00
7800-0009	Duo-Safety 16' 875-A roof ladder.	\$502.00
7800-0010	Alco-Lite PRL-16' roof ladder.	\$565.00
7800-0011	Alco-Lite PRL-18 Roof Ladder	\$612.00
7800-0012	Alco-Lite TRL-20 Roof Ladder	\$895.00
7800-0013	Alco-Lite AEL-12 Attic Extension Ladder	\$586.00
7800-0014	Alco-Lite PEL-16 Extension Ladder	\$763.00
7800-0016	Alco-Lite PEL-24' 2-section extension ladder.	\$960.00
7800-0017	Alco-Lite PEL3-24 extension ladder.	\$1,384.00
7800-0018	Extension ladder, Duo-Safety 900-A, 24' 2-section.	\$1,032.00
7800-0019	Vertical Ladder Bracket	\$489.00
7800-0020	Adjustable Track for Ladder Bracket	\$257.00
7800-0021	Alco-Lite PEL-28' extension ladder.	\$1,247.00
7800-0022	Alco-Lite PEL-30 Extension Ladder	\$1,342.00
7800-0023	Alco-Lite PEL3-35' 3-section extension ladder.	\$1,696.00
7800-0024	Alco-Lite PEL-35' extension ladder.	\$1,548.00
7800-0025	Duo-Safety 1225-A 35' 3-section extension ladder.	\$1,719.00
