

Pure Sound, Easy Calls

Headset for all
Smartphone brands

HD 335s

 **SENNHEISER**

HD 335s

Easy call, music and volume control. The Sennheiser HD 335s headset for Smartphones is developed to deliver pure sound with deep bass and designed to block outside noise. Enjoy the wearing comfort and flexibility of the rotating right ear-cup. Fits all major Smartphone brands such as Samsung, HTC, Sony, Apple, etc.

Benefits and Features:

- Pure Sound - smooth audio reproduction with deep bass.
- Easy Calls – in-line remote control with integrated microphone makes it easy to take/end calls.
- Fits All – compatible with virtually all the major Smartphone brands in the market like Samsung, HTC, Sony, Nokia, Apple, Blackberry etc.
- Flexibility - flip up the right ear-cup to talk to people around you.
- Blocks Outside Noise – due to the closed over-the-ear headphone design.
- Easy Volume Control – change volume level on the ear-cup via the embedded volume dial.
- Easy Music Control – the in-line remote enables you to easily play/pause music* and change track*
- Freedom of Movement - single-sided cable reduces tangling.
- Adapter – required for compatibility with selected Nokia and Sony Smartphones.
- Peace of Mind – two-year international warranty.
