Helping you to find better ways to do great work

Welcome to the Xerox Office Supplies Catalogue. Xerox have worked hard to present you with the widest choice of supplies to help you to promote your company's image through professional documents. Xerox is the market leader, in both the office and commercial digital print environments, in providing innovative products & services to ensure that you always achieve the best results from your equipment. We strive to ensure that whichever brand of printer you own, you'll achieve the best possible results by using Xerox supplies.

The Quality you need

At Xerox, we always treat your business as our own, so we ensure that our manufacturing and quality control methods are at the leading edge of technology.

So you can be sure that when you choose Xerox supplies, that we have extensively tested all of our products to ensure that you receive the output quality and runnability you need in your equipment.

We know that you have a choice when you purchase office document supplies, so we continually strive to ensure that our products perform well, time and again.

An even wider range

This Catalogue brings you a superb innovative range of media products for your printer or copier. We've further expanded our range of special media products, developed and specially matched to production colour and mono digital printing equipment.

Xerox's market leading position in the world of digital print allows us to optimise all of our media range to achieve for you the best possible results.

Customised products

Our expertise in media development is at your disposal when you specify one of our range of customised products. We can help you to streamline your production processes and reduce the levels of wastage in your document production using our "print on demand" customisation service.

By using our service you can be assured of the same superb results with the extra assurance that the processes we use to customise our products meet the same high standards that we apply to our stock ranges.

Customer service – our passion

At Xerox, we know that to run your business effectively you need a reliable delivery service, so wherever you purchase your Xerox products you'll know that we use the leading edge systems to make sure we despatch your order on time.

Your total satisfaction is guaranteed, so if within 30 days of receipt of any of our products, you find that you are not completely satisfied that it meets your quality expectations, we will replace it free of charge as part of our "no quibble" guarantee.

We offer an excellent Web ordering system, Xtranet, which allows you to order your Xerox supplies products online, giving you the assurance of secure order processing and immediate order confirmation. Contact your Xerox representative to sign up for free Xtranet access.

Xerox Office Supplies and Quality

Xerox is the worldwide leader in office document supplies due to a 'New Product Development and Quality Assurance Programme' unrivalled by any of our competitors. Every product in this catalogue has been tested and approved by state of the art Xerox laboratories to guarantee perfect results time after time in all your documents.

Over 40 years of Xerox knowledge and experience has lead to a full understanding of the interactions between office equipment and supplies products. This knowledge is used to continually improve the performance of all our products as well as develop leading edge products to extend the possibilities of new printing technologies. This unique approach delivers printing solutions that will enhance the productivity and image of your company.

Xerox Office Supplies and the Environment

Xerox Office Supplies has always considered caring for the environment a high priority. Xerox Office Supplies continually challenges suppliers to meet and exceed standards for emissions to air, land and water and preservation of natural resources set by Environmental Agencies. Consequently, Xerox Office Supplies is a leading force in developing and implementing environmental best practices and new technologies in paper production across Europe and all Xerox Office Supplies products are produced using these technologies.

The effort to protect the environment does not stop there, Xerox Office Supplies has also developed a wide range of products that go further than ever to protect the environment. From fully recycled paper made with very low grade waste paper to papers made with fewer additives and alternative sources of wood, such as waste wood from timber production, Xerox Office Supplies has a product to meet everyone's environmental standards.

www.xerox.com – supplies

Visit our website at www.xerox.com and select supplies if you need further help in selecting the right supplies for your business needs. The Xerox Supplies website offers you a range of options to choose from, including a search for compatible supplies based on your equipment, additional technical specifications for ultimate performance and templates for Xerox media including Labels, CD Labels, Business Cards, Greetings Cards, Trifold Brochures, etc.

"Our strategic intent is to be the leader in the global document market, providing document solutions that enhance our customer's productivity. Documents are the indispensable building blocks for capturing knowledge and sharing it with others. This is where Xerox can help by providing our customers with global document solutions that bring together leading edge technology, sophisticated software and services, and, of course, the widest range of supplies"

Speciality Media

DuraPaper

Durapaper is available in SRA3 and has a thickness of 255 microns. It is specially coated for use in digital colour printers and copiers and can be duplexed for greater productivity.

Durapaper is ideal for outdoor applications where weather resistance and durability are paramount. It is chemical resistant and waterproof, lending itself to a variety of applications in the harshest environments.

Durapaper is ideal for frequently handled documents such as workshop manuals, where quality of original must be maintained. The wipe clean properties of Durapaper make it ideal for restaurant menus, security passes and any documents requiring frequent use. When laminated, the Durapaper sheet bonds so tightly that it renders any document virtually tamperproof. The media is so durable that it can be folded, washed and even steam pressed.

Binding and Finishing

Covers for the Xerox Document Binder 120

The Xerox DB120 is an online binding machine compatible with the Xerox 5800, 5895, 5890, 5100, 5680, 4050, 4090, 4850, DT1DP-75/90, and HC390. The DB120 is also compatible with the Xerox DocuColor series: DC2045/2060/5252/6060. Using the unique system you get automatic, high quality, and cost effective binding of collated documents.

Binding is achieved online, unattended and while your production system is still processing. The Xerox Binder 120 can also function as a walk up finisher in the off-line manual mode. The output is outstanding with the professional appearance of wrap-around, perfect-type binding. Quality and reliability are guaranteed – its impossible to separate any sheet from its cover without tearing the sheet itself. Standard covers have a transparent plastic front and a card back. They are available in several colours and styles to meet every application.

The covers are available in 5 different spine widths:
1.5mm to bind between 1 and 13 sheets (80gsm)
3.0mm to bind between 14 and 28 sheets (80gsm)
6.0mm to bind between 29 and 55 sheets (80gsm)
9.0mm to bind between 56 and 84 sheets (80gsm)
13.0mm to bind between 85 and 120 sheets (80gsm)

Covers are supplied in cassettes containing 150 covers. Three cassettes are shipped in a 'master box'. The 'master box' can if required contain 3 different cassettes.

Minimum order quantity = 1 Master Box.

document solutions

Xerox Office Supplies Print Management Services will help you drive down costs across the print procurement process. Whatever your requirements we have the solution.

envelopes

Great looking envelopes that reflect your company's image.

business forms

A complete printing service for all kinds of business stationery – letterheads, invoices, statements, giro's... all guaranteed to glide through your laser printer or copier.

carbonless forms

Do you print multi-part forms for your business? We can supply ready perforated sheets or any colour configuration you require ready for your digital printer.

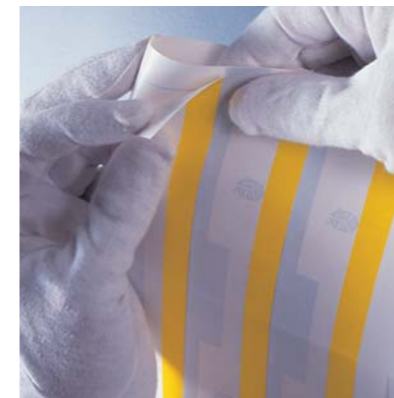

perforating, cutting & drilling

We lead the way in perforating documents, by minimising technical problems with pinhole technology. Optimise your costs by selecting the most economical sized paper and drill for efficient filing.

label specialities

We can create customised labels in any size, shape or colour or we can create documents with an integrated label. Either way, they will run through your printer with the greatest of ease.

binding solutions

Create maximum impact with your bound documents. Customised binders that shout your name – with pre-printed tabs and dividers.

marketing collaterals

Enhance your company's image with stunning marketing collaterals.

brochures & catalogues

You've had the idea – now let us turn it into a great looking document. From marketing fliers to glossy brochures...or your sales catalogue...or your annual report...the possibilities are endless.

DocuCard

Create membership or loyalty cards using the Xerox DocuCard – a unique combination of an integrated card and document. We can pre-print the sheet or card ready for you to print variable data through your printer.

– All other items – one order unit as shown in our catalogue.

– Minimum order value for free Delivery – £75.00 (excluding VAT).

B. Products are supplied in multiples of the pack sizes and outer case quantities stated in the catalogue. We regret that packs cannot be split.

2. Prices

For details of the latest prices and special product offers, please call the sales office number listed on the back cover of the catalogue.

A. Quantity discounts will be applied as appropriate to the total number of units of any mixture of products in the relevant product discount group, providing that they are included in one order and are for delivery to one address. Quantity discounts on one product group do not affect the prices charged for products in other groups.

B. Payment will be due on the date shown on our invoice.

C. All prices shown in our price lists, or quoted by our staff, are exclusive of VAT.

D. We reserve the right to vary our prices at any time. Orders will be accepted at the price current when we receive your order, provided that delivery is to be made within 14 days.

If you ask for delivery to be made more than 14 days after the date of your order, the prices charged will be those current on the requested delivery date.

3. Delivery

A. Delivery will be effected by leaving the products at the address specified by you. Whenever possible a signature will be obtained as proof of delivery, but we reserve the right to deliver without obtaining a signature. Xerox Office Supplies reserves the right to charge for the production of additional copies of proof of delivery requested by the customer.

B. Xerox Office Supplies shall not be liable for any loss incurred by you by reason of any delay in delivery.

C. Any claim in respect of products not delivered or delivered in a damaged condition, or in respect of any discrepancy in the quantity delivered must be made in writing within 14 days of delivery to the Supplies Office that took your order.

D. Delivery is free, except for urgent deliveries made at your request, or for orders valued at under £75.00 (excluding VAT).

E. Xerox Office Supplies reserves the right to charge for costs incurred to meet customer's special delivery requirements.

F. Xerox Office Supplies reserves the right to refuse to accept or credit products that have been returned to them without prior agreement. If you have products that need to be returned, please contact the Supplies Office that took your order and they will arrange for the goods to be collected.

G. Xerox Office Supplies reserves the right to charge for collecting products from you when the collection is due to your cancellation or amendment of an order. Only products returned in a saleable condition will be credited to your account.

H. If goods have been incorrectly supplied by Xerox Office Supplies, we will arrange collection if notified by the customer within 14 days of receipt of original order.

4. No Quibble Guarantee

If, within 30 days of receipt of any of our products, you find that you are not satisfied that it meets your expectations as to quality or performance, we will promptly replace it without further charge.

A. All products in this catalogue, whether or not they carry the Xerox name, are covered by our "No Quibble Guarantee". This does not in any way affect your legal rights.

5. Our Liability

A. Xerox Office Supplies accepts legal liability for any damage, injury or loss caused by our fault, but not from any loss of profit, loss of data or indirect or consequential loss. Except in the cases of personal injury or death our liability is limited to £5 million.

B. These terms of sale apply to all our orders, except where varied in writing.
