Bluetooth Headband Headset
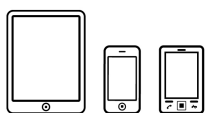

Genius ®
Live with Ideas

Bluetooth®

Genius proudly presents its new Bluetooth Headset, HS-980BT. This headband headset gives you more flexibility for music and phone calls. The bluebooth function lets you connect the headset to other bluetooth devices such as an iPhone or smart phone. Tablet PC users can control the music volumne and select tracks or even answer phone calls with this headset without accessing their devices. To charge the recharable battery, just plug in the UBS cable. The swivel ear cups and adustable headband design is not only very confortable but also convenient for travel.

HS-980BT is a great choice for people who require a high standard of mobility and good sound quality. Contact your sales representative for more information about HS-980BT.
