ICD-10-CM One-Day Seminar
Saturday, November 21, 2015

Location:
National University
804 E Brier Drive
San Bernardino, CA 92415

Presenter:
Diana R. Phelps, CPC, CPC-I, CEMC
Loma Linda AAPC Chapter President
Approved AAPC ICD-10-CM Instructor

Diana has been teaching medical coding for over 14 years. In 1998 she became a Certified Professional Coder (CPC) and in 1999 an Instructor (CPC-I). She is also a Certified Evaluation and Management Coder (CEMC).

Diana was employed by Loma Linda University Medical Center for 28 1/2 years. She worked in the Patient Business Office where she became a team leader in the coding department. Her last 4 years before retiring, she worked in the Compliance Department, auditing physician's documentation, and providing coding support and training for physicians and residents. She continues with LLUMC part-time on special projects even now.

She has held a variety of positions at LLUMC AAPC local chapter. She remains active in speaking at local chapter meetings, teaching coding, and doing seminars and consultant work.

Why Attend
The time is now to take the steps, having October 1, 2015 effective date for ICD-10-CM, there are major changes coming for every aspect of the health care industry. Now is the time to start the education and training so as a coding professional you have the knowledge and confidence to efficiently and accurately code using the ICD-10-CM system.

This one-day program will provide an overview of the coding fundamentals using ICD-10-CM. It will include a discussion of the structure for diagnosis coding for both inpatient and outpatient services.

Training will include:
- In depth ICD-10-CM guidelines
- ICD-10-CM format and structure
- Correct use of Index, Tabular, Neoplasm and Drug Tables
- Sequencing guidelines
- Hands on ICD-10-CM coding exercises
- Nuances found in the new coding system with coding tips

Cost includes: General Code Set Manual
- **$210** with 2015 AAPC ICD-10-CM Draft
- **$150** if you bring your own ICD-10-CM
Does not include the $60 Proficiency Exam which you will need to take on your own after the class!!
