

Honeywell Advanced Sensing Technologies Announces Lead Time Updates, effective April 26, 2022

Dear Valued Customer,

The attached lead-time report is intended to provide the latest estimated lead-times on our products.

TRLT (True Replenishment Lead Time) is expressed in weekdays and intended to represent our current view on the time required for delivery. Actual lead times may vary based on a number of factors, including among other potential circumstances logistical and transportation issues, weather-related events and lack of material and component availability in the supply chain.

If you have any questions, please contact your Honeywell Customer Support Representative.

Sincerely,

LaCretia Malone
