ZOOM-ZOOM

IMAGINATION DRIVES US

Imagination is the world's most valuable resource. It's our window to the future, because if we can imagine it, we can create it. Mazda is built on a foundation of imagination and ingenuity. It's the fuel behind all we create and achieve. It has given us breakthrough SKYACTIV TECHNOLOGY, 'KODO – Soul of Motion' design and countless successes that once existed only in someone's imagination. These pages show how imagination is an integral part of our innovative cars.

MAZDA2 GET OUT IN FRONT

The small car has taken a big leap forward. Mazda2 rewards you with sophisticated design, while SKYACTIV TECHNOLOGY unlocks quick-witted agility and outstanding fuel economy. Online connectivity is a seamless part of the fun and safety features are the most advanced around.

This forward thinking performance is matched by elegantly flowing style in both hatch and sedan models. 'KODO - Soul of Motion' design reflects the dynamic beauty of an animal leaping into action. Mazda2 captures the imagination through this eye-catching sense of movement.

魂動

KODO : SOUL of MOTION

RIGHT WHERE YOU WANT TO BE

Thoughtful design puts you at the centre of the fun. Careful crafting means it feels a cut above. The cabin arranges information and controls to help keep your attention on driving. The mood is modern and uncluttered, while the space wraps around you to lift your sense of comfort. Each model is trimmed in distinct colours, textures and patterns, set off by metallic accents from Maxx up. Maxx Hatch lets you amplify the ambience through the Colour Pack's high-gloss white dash panel and select red features. Genki Hatch gives you a dynamic sport-luxe feel through the S Pack, with off-white leather³ seat trim and unique centre console panels in a white, soft-touch finish. Of course, all the storage you could want is cleverly built in.

With smart tech you're right on the pace. In selected models a large central screen links to social media feeds and loads of other online content via MZD Connect.

SKYACTIV TECHNOLOGY A BETTER WAY TO MOVE

Getting around never felt so good. Mazda2 is light-on-its feet around town, smooth riding, sure of itself and sporty good fun everywhere you go. At every level, breakthrough SKYACTIV TECHNOLOGY has reduced weight and ramped-up efficiency. 1.5 litre petrol engines give you lots of go, yet use very little fuel. There are automatic or manual transmissions – both responsive and refined. Add a body that cuts quietly through the air, and Mazda2 moves you in the most enjoyable way you could imagine.

SKYACTIV-G 1.5L PETROL ENGINE (STD-SPEC)

A fundamental redesign of the internal combustion engine elevates performance, yet cuts fuel consumption. The low-friction 4-cylinder engine's multi-hole direct injection minimises fuel use, while a unique piston design improves fuel combustion and lowers emissions. Allied to a 4-1 exhaust system in Neo, the engine delivers 79kW and 139Nm, using only 5.5 litres per 100km^l when matched to the 6-speed SKYACTIV-Drive automatic transmission.

SKYACTIV-G 1.5L PETROL ENGINE (HIGH-SPEC)

The low weight, low friction and high efficiency fundamentals of SKYACTIV-G petrol engine design result in sporty performance with minimised fuel use. The high-spec engine in Maxx and Genki models uses i-stop to save extra fuel by switching the engine off when you come to a standstill, restarting instantly as required. Its 4-2-1 exhaust layout helps produce 81kW of power and 141Nm of torque. Just 4.9 litres of fuel is used every 100km^l when matched to the 6-speed (SKYACTIV-Drive) automatic transmission.

SKYACTIV-MT MANUAL TRANSMISSION

The 6-speed SKYACTIV-MT manual transmission delivers precise, sports-car style shifting through simplified design and a finely-honed mechanism. More compact and also much lighter than comparable transmissions, it significantly cuts internal friction to improve fuel economy.

SKYACTIV-DRIVE AUTOMATIC TRANSMISSION

Combines the best aspects of conventional automatic, continuously variable and dual clutch transmissions. The 6-speed SKYACTIV-Drive automatic transmission couples directly with the engine over a far wider range than other automatics for increased fuel economy and more direct power delivery. Shifts are quick and smooth.

SKYACTIV-BODY

New-generation design and materials maximise lightness and rigidity. Key joints are strengthened by advanced techniques requiring no heavy reinforcement. High and ultra-high tensile steel cuts weight and boosts strength. Despite being light, Mazda2 achieves outstanding collision performance.

SKYACTIV-CHASSIS

Every component has been optimised to build the sense of 'oneness' between car and driver. The lightweight front strut and rear torsion beam suspension uses firmer bushings and revised geometry for sporty agility with high levels of refinement. Electric power-assisted steering saves fuel, and also delivers quick handling underpinned by reassuring stability.

MZD CONNECT KEEP YOURSELF CONNECTED

Take off in Mazda2 and you're still in touch with the stuff that counts. Hook up your compatible² smartphone in Maxx and Genki models, and MZD Connect hooks up to a heap of online content, including Facebook and Twitter feeds, radio, podcasts and more. Texts and emails can even be read out loud. It all comes together right where you need it; on a central touch screen positioned to help you stay focused on the road. Control is effortless, with a rotary commander falling to hand without you even having to look. What could be easier? How about voice command of your menu choice, audio and navigation (when equipped).

CLEAR DIRECTION

The 7-inch colour touch screen clearly displays satellite navigation, featuring spoken street names and advanced lane guidance. Standard on Genki only.

AT YOUR COMMAND

Flip through menus and functions with the rotary commander designed for minimum distraction. Maxx and Genki only.

WEB GOES WITH YOU

MZD Connect brings you a huge choice of online content by seamlessly integrating your smartphone.

Maxx and Genki only.

EYES ON THE ROAD

Genki's Active Driving Display superimposes driving info into your field of vision, reducing distractions for improved safety. Supplementary graphics tell you all you need to know.

FORWARD LOOKING FEATURES

Switched on and geared to go – you've got everything you need to stay in front. In Genki models an Active Driving Display helps you keep your focus on the road. Current speed, navigation prompts and other key information is projected into your line of sight. Instruments update you in an instant, with clear central dials backed up by graphic readouts. All models give you Bluetooth® for hands-free phone² link-up and music streaming, while a USB port is integrated too.

GOOD CALL

Standard Bluetooth® lets you make hands-free calls easily and safely. Audio controls are also integrated on the steering wheel.

PLUG IN AND PLAY

The built-in USB port makes it easy to listen to music via players or storage devices, and charge compatible devices. Twin USB ports Maxx and Genki only.

Genki Hatch S Pack in off-white trim.³

14 Neo Sedan in Soul Red Metallic.

MORE CAPACITY FOR FUN

There's more room for fun with the surprisingly spacious Mazda2. Both sedan and hatch models offer impressive storage capacity, with the sedan containing even more cargo space. Split-folding seats open up the cabin for added carrying room, and smart storage design can be found throughout the hatch and sedan bodies, accommodating everything from beverages and smartphones to luggage. Stow your loose items out of sight but within easy reach, thanks to integrated consoles and intelligent use of door space.

Maxx Sedan in Soul Red Metallic.

SAFETY LEADS THE WAY

Having responsive handling and a cabin that helps you focus prepares you well to react to trouble. Even more confidence comes from having the latest in safety.

Mazda2 gives you the world-class collision protection of an extremely rigid body. Powerful ABS brakes, Dynamic Stability Control (DSC) and SRS airbags are standard. You can also choose the advanced safety of i-ACTIVSENSE technology.⁴ Smart City Brake Support monitors the vehicle ahead at city speeds. If it senses a collision is likely, it primes the brakes for fast response should you apply them, and can even brake automatically if you don't. You can enjoy Mazda2 knowing that you're very well looked after.

HELP RIGHT WHEN YOU NEED IT

In case of an unexpected hazard, Mazda2 is prepared. DSC acts instantly, braking the inner rear wheel to offset understeer (or outer front wheel to combat oversteer). The Traction Control System (TCS) also reduces torque to the driven wheels to minimise skidding. With control maintained, the hazard can be steered around.

STOPPING POWER

Stopping distance with EBA, ABS and EBD. Stopping distance with no assistance.

SMART CITY BRAKE SUPPORT (SCBS)

Helps avoid, or lessen, low-speed impacts. Working at 4-30km/h, SCBS monitors the vehicle in front to assess the chance of a collision. If it determines the risk is high, it applies initial braking pressure to deliver a faster response, should you brake. If you brake, the system deactivates. If you don't brake, SCBS brakes automatically. Optional across range.

HILL LAUNCH ASSIST (HLA)

The brakes remain applied for about two seconds after you remove your foot from the brake on a slope, allowing time to apply the accelerator for a smooth take-off. Standard on all models.

Neo Hatch in Metropolitan Grey Mica.

NEO FEATURES

- » 15 inch steel wheels
- » Headlamps (Halogen)
- » Power windows
- » Wipers (front) 2-speed with variable intermittent function
- » Seat colour: Black/blue (unique pattern for Neo)
- » Seat trim: Cloth
- » Front seats with: height adjustment (driver) and seat back pocket (passenger)
- » Rear seats with: 60/40 split fold backrest
- » Air-conditioning
- » Cruise control
- » Tilt and telescopic adjustable steering wheel
- » Trip computer⁵
- » Vanity mirrors (front)
- » Audio system with: AM/FM tuner, single disc CD player (MP3 compatible) and 4 speakers
- » Auxiliary-audio input jack (3.5mm mini-stereo)
- » Bluetooth® hands-free phone and audio capability²
- » Steering wheel-mounted audio controls
- » USB-audio input port (iPod compatible)
- » Advanced keyless push-button engine start
- » Airbags SRS: front (driver and passenger), side (front) and curtain (front and rear)
- » Anti-lock Braking System (ABS)
- » Dynamic Stability Control (DSC)
- » Emergency Stop Signal (ESS)
- » Hill Launch Assist (HLA)
- » Parking sensors (rear)

SCBS OPTION:

- » Smart City Brake Support (SCBS)⁴

POWERTRAIN

SKYACTIV-G

- » 1.5 litre in-line 4 cylinder 16 valve DOHC S-VT petrol
- » Compression ratio: 12.0 : 1
- » Drivetrain: FWD
- » Fuel consumption (combined): 5.4L/100km¹ (man) or 5.5L/100km¹ (auto)
- » Max power: 79kW @ 6,000rpm
- » Max torque: 139Nm @ 4,000rpm
- » Transmission: 6-speed manual (SKYACTIV-MT) or 6-speed auto (SKYACTIV-Drive)

SOUND CENTRE

Audio system combines 4-speaker power with CD player, USB and Bluetooth® compatibility². All controlled via stylish compact display.

LET'S GET STARTED

Getting the fun going is instant and easy thanks to push-button engine start.

FEELS GREAT

Supportive seats are made even more welcoming with high-quality cloth trim.

WELL PLACED

Steering wheel puts controls for Bluetooth® hands-free calls and audio right to hand.

Mazda2
MAXX HATCH

Maxx Hatch in Dynamic Blue Mica.

MAXX FEATURES

ADDITIONAL TO NEO

- » 15 inch alloy wheels
- » Seat colour: Black/blue (unique pattern for Maxx)
- » Leather-wrapped: gear shift knob, handbrake handle and steering wheel
- » 7-inch full colour touch screen display (MZD Connect[†])
- » Audio system with: 6 speakers
- » Internet radio integration (Pandora[®], Stitcher[™] and Aha[™])
- » Multi-function commander control
- » Radio Data System (RDS) program information
- » Reverse camera

COLOUR PACK OPTION:

- » Centre console side panels: High-gloss red
- » Front door armrest: Soft-touch red
- » Front door armrest panels: High-gloss red
- » Front decoration panel: High-gloss white
- » Ventilation louvre surrounds: High-gloss red
- » Seat colour: Red
- » Seat trim: Cloth

Colour Pack only available with three exterior colours; Snowflake White Pearl Mica, Aluminium Metallic and Black Mica.

SCBS OPTION:

- » Smart City Brake Support (SCBS)[†]

[†]Sat Nav available as an optional Mazda genuine accessory.

POWERTRAIN

SKYACTIV-G

- » 1.5 litre in-line 4 cylinder 16 valve DOHC S-VT petrol with i-stop
- » Compression ratio: 13.0 : 1
- » Drivetrain: FWD
- » Fuel consumption (combined): 5.2L/100km¹ (man) or 4.9L/100km¹ (auto)
- » Max power: 81kW @ 6,000rpm
- » Max torque: 141Nm @ 4,000rpm
- » Transmission: 6-speed manual (SKYACTIV-MT) or 6-speed auto (SKYACTIV-Drive)

SPORTING EDGE

Eye-catching 15-inch alloy wheels add sporty attitude, and enhance the superb handling of Mazda2.

SET TO CRUISE

Cruise control automatically maintains pre-determined speed, reducing driver fatigue on longer drives.

COVERED FOR COMFORT

Precise highlight stitching enhances appeal of elegantly patterned premium cloth.

STYLE STATEMENT

Stand out even further from the crowd with the stunning red themed Colour Pack option.

Mazda2
GENKI HATCH

Genki Hatch in Soul Red Metallic.

GENKI FEATURES

ADDITIONAL TO MAXX

- » 16 inch alloy wheels
- » Daytime running lamps (LED)
- » Exhaust extension (chrome)
- » Front fog-lamps (Halogen)
- » Front upper grille decoration (body coloured)
- » Headlamps (LED)
- » Headlamps auto on/off function
- » Wipers (front) 2-speed with rain-sensing function
- » Seat colour: Black
- » Active Driving Display
- » Air-conditioning (climate control)
- » Satellite navigation

S PACK OPTION:

- » Centre console side panels: Soft-touch white with white stitch
- » Front door armrests: Soft-touch white with white stitch
- » Front door armrest panels: High-gloss white
- » Front decoration panel: Soft-touch white with white stitch
- » Seat colour: Off-white/black
- » Seat trim: Leather³/cloth
- » Smart City Brake Support (SCBS)⁴

S Pack only available with four exterior colours; Dynamic Blue Mica, Soul Red Metallic, Metropolitan Grey Mica and Black Mica.

SCBS OPTION:

- » Smart City Brake Support (SCBS)⁴

POWERTRAIN

SKYACTIV-G

- » 1.5 litre in-line 4 cylinder 16 valve DOHC S-VT petrol with i-stop
- » Compression ratio: 13.0 : 1
- » Drivetrain: FWD
- » Fuel consumption (combined): 5.2L/100km¹ (man) or 4.9L/100km¹ (auto)

ENJOY MAZDA 2 WITH CONFIDENCE

REST ASSURED – YOUR WARRANTY

The quality built into Mazda2 is backed up by a 3-year, unlimited kilometre factory warranty and 6-year panel protection warranty.

MAINTAIN THAT ZOOM-ZOOM

Your Mazda2 deserves the best in care. Servicing with Mazda Service Select gives your car the advantage of factory trained Service Technicians and advanced computer diagnostic systems. As well as maintaining your Mazda in A1 condition, you'll also be protecting your vehicle's outstanding resale value.

HELP IS AT HAND – MAZDA ROADSIDE ASSISTANCE

Flat batteries, running out of fuel, flat tyres – everyone faces hiccups from time to time. When the unexpected happens, Mazda Roadside Assistance is there to keep you moving. You'll be covered 24 hours a day, 365 days a year, all round Australia. Better still, your Mazda will only be worked on by Mazda-approved technicians. Choose a Standard policy offering everything needed to get going again, or Premium with extras like accommodation, a rental car and vehicle recovery. Either can be purchased across the entire Mazda range. (Terms and conditions apply)

¹Fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic and road conditions and how the vehicle is driven. ²Please check the compatibility of your Bluetooth® device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase as not all devices operate correctly. Visit www.mazda.com.au/Bluetooth or consult your Mazda Dealer for further information. ³Leather interior includes some Maztex material on selected high impact surfaces. Off-white leather interior only available with selected exterior colours. ⁴i-ACTIVSENSE safety technologies are driver assist technologies only and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to constantly monitor vehicle surroundings and conditions at all times. ⁵Trip computer displays current and average fuel consumption, distance to empty and average vehicle speed. ⁶Subject to State or Territory regulations.

MAZDA

MAKE YOUR MAZDA EVEN MORE REWARDING

Mazda2 takes small-car style and sophistication to a higher level. With Mazda Genuine Accessories, the experience can be even more special. They let you add an individual touch, and protect your car's value too. They also give you great design and quality, plus the reassurance of a Mazda warranty. You can enjoy added Zoom-Zoom with Mazda Genuine Accessories.

CARGO TRAY (HATCH)

A tailor-fitted non-slip tray that shields the cargo floor from dirt, scratches and liquids. Also available for Sedan.

CARGO ORGANISER BOX

Prevent items from sliding around in the cargo area. Features moveable internal dividers, detachable lids and a securable base.

BOOT LIP PROTECTOR

Protect your rear bumper and boot lip from scratches and scuffs during loading and unloading.

MIRROR-INTEGRATED REVERSE PARKING CAMERA

Rear view mirror displays rear camera image on an integrated 4.3" LCD, activated when reverse is selected. Screen brightness auto-adjusts to ambient light. (Neo only)

FRONT MUD GUARDS

Keep bodywork free of mud and grime.

REAR MUD GUARDS

Stop mud and road grime collecting on the rear end of your car.

FEATURED HERE

- Alloy accelerator pedal
- Alloy brake pedal
- Alloy clutch pedal
- Alloy foot rest
- Floor mats
- Welcome illumination

FLOOR MATS

Protect your carpet with these high-quality, tailor-made branded floor mats. Fastening system enhances safety.

ARMREST CONSOLE

Add extra comfort and convenience with this centre armrest. Integrated inner console provides extra storage and keeps your belongings out of sight.

FEATURED HERE

- Bonnet protector
- Front mud guards
- Front parking sensors
- Headlight protectors
- Slimline weathershields

SATELLITE NAVIGATION

Be directed to your destination with ease. Maps appear on the easy-to-read 7-inch display. (Maxx only)

SAFETY PACK

Attract attention in an emergency situation and warn of hazards with this safety kit featuring lights, reflective vest and triangular road sign.

AUDIO RETRACTABLE LIGHTNING CABLE

Charge your iPhone, stream music and search through your playlists using your vehicle's audio controls.

AUDIO RETRACTABLE MICRO USB CABLE

Charge your Android phone and stream music to your vehicle's audio system.
