GUM-DIPPED
TIRES

When Ab Jenkins recently broke 84 records, he said, "Driving conditions were the most unfavorable I have ever faced. Despite these conditions, my Firestone Tires came through the 24-hour grind in magnificent style." Of course, you won't drive at 190 MPH. But remember, the tire that is safer at three miles a minute is safer at whatever speed you choose to drive.

Mayor Jeffries Northville Guest

Mayor Edward Jeffries of Detroit was the speaker at the annual Northville Citizenship Recognition banquet held Tuesday evening in the Presbyterian church at Northville. Over 200 were present. The banquet, given under the auspices of the Northville Coordinating Council, an organization representing all of the various civic, fraternal and religious groups of the city, proved a most interesting event for those who attended.

Dr. W. H. Johnson, president of the Council, briefly told of the purposes of the group in his introductory remarks as he presented Mayor Carl Bryan of Northville as toastmaster.

Mayor Jeffries, of Detroit, who was accompanied by Mrs. Jeffries, in his discussion of the duties and responsibilities of citizenship, declared that in these hectic times, our chief concern is not to be influenced by other motives than those which are for better government.

Board Announces First Draft

 Doice R. Beeman, 705 Francis street, Plymouth.
 Lyle Stelter, Wayne County Training school, Northville.
 Gerald A. Heaning, 24335 Puritan, Redford township.
 Arne L. Mannisto, 26511 Lyndon road, Detroit.
 Arthur R. Earl, Wayne County Training school, Northville.
 Jesse L. Cornwell, 18859 Brady road, Redford township.

The first number drawn in the historic lottery was 158, just 100 less than the first number drawn in the World War draft.
 The man holding this number in local board No. 61 which includes Plymouth, Northville, Redford and Livonia townships, is Ronald M. Swartz, who lives at 19325 Brady road, Redford township. He will be 25 years old Saturday.

When interviewed Wednesday morning, young Swartz had not yet learned that his was the first number drawn. Just married in June, he is employed as a field representative for the Universal Credit company in Detroit. A graduate of Western high school in Detroit, his only military experience has been with the ROTC during high school. He was born in Ariel, Pennsylvania, and came to Detroit in 1929. Following graduation from Dakota Wesleyan college in Mitchell, South Dakota, in June, 1939, he returned to Detroit to take up his first job.

children, Gordon, 11; Rita, 9; Helen, 8; Edward, 4, and Gerald, 2, years of age. A native of Calumet, Michigan, Holmes and his family were among the first residents to move into the Sherwood Gardens subdivision off Plymouth road four years ago. He has seen no previous military service, but has a brother in the United States navy.

William A. Raeburn, 27-year-old Plymouth resident, who lives at 941 Starkweather avenue, was the nineteenth man drawn with number 105. Raeburn and his wife and three-year-old son, William M., moved to Plymouth in April, coming here from Ypsilanti where he had been employed with the Sinclair Oil company. He has been employed on the production line at the River Rouge plant of the Ford Motor company for the last two months. Born in Chicago, Illinois, Raeburn lived in Ann Arbor as a boy, and spent two terms in the CCC camp at Petoskey before his marriage five years ago. Mrs. Raeburn is the daughter of Mr. and Mrs. John Mastick of Holbrook avenue, Plymouth.

Local board officials explained following the lottery drawing that the next step will be the issuance of questionnaire forms to the men whose numbers have been drawn as soon as the order is sent from Washington. It is expected that it will be several weeks before this order is issued. The number who will be sent questionnaires for the first draft is undetermined. After filling out the questionnaires men will be called for a hearing before the board for exemption applications. The board will consider claims for deferment and rule on all cases before men are called into service training.

Seek to End Discrimination

Plymouth voters are particularly interested in Proposal No. 3 on the Tuesday ballot. Not so many years ago Plymouth asked the Detroit Street Railways to provide service from here to Detroit. The D.S.R.'s reply was that it was not interested in sending Detroit-owned buses to this locality because it would not pay. Later a transportation service had been established was taken over by the Dearborn Coach company. A regular and responsible medium of transportation has been the result.

It is claimed by the city-owned Detroit transportation system that the proposal is an attack on the Home Rule principle. The exact contrary is the case. A vote against the proposal undermines Home Rule, which is a rule which ought to work both ways. Certainly Detroit is entitled to run its own affairs—in Detroit. But how about Royal Oak's experience? The rest of the state is entitled to run its own affairs, too, and certainly is entitled to supervise the state highway system outside the various Home Rule cities and villages. It takes a "yes" vote to insure real Home Rule to all the communities of the state, say those who favor the proposal.

declare emphatically that a "yes" vote will put a stop to unjust discrimination. They point out that one of the main purposes of the Motor Carrier Act as set forth in its title is to prevent rates, fares and practices which discriminate against any community, or to put it more simply, which give favors to one community at the expense of another. The Detroit Street Railways has repeatedly discriminated against suburban territories and communities, and there is no way to prevent continuation of such practices except by a "yes" vote on state proposal No. 3.

"Another hike" was the cry of the Girl Reserves at the first meeting. "Let's make it kind of special, maybe a scavenger hike," date and details to be set later. By the next meeting we hope every one will be flaunting her blue tie.

Plymouth School Wins First League Debate

Plymouth high school won its first league debate of the season Wednesday afternoon from Dearborn high school. Bob Daniel, Marion Goodman and Virginia Rock upheld the negative of the league for debate question: "Resolved, That the power of the Federal Government should be decreased." The judge was Harry Thomas Wood of Michigan State Normal college, Ypsilanti.

Methodist Women Elect Officers

Officers of the newly organized Women's Society of Christian Service of the Methodist church were elected and installed at a meeting of the Ann Arbor district at the Plymouth Methodist church Monday afternoon, October 28. Three hundred and fifty women attended the district meeting here.

Mrs. Austin Whipple delivered a welcome to the members, and W. E. Harrison, district superintendent, presided. Mrs. Wilbur Aalt, of Detroit, conference president, was the principal speaker of the afternoon.

Officers elected at the meeting and installed by Mr. Harrison include Mrs. Wallace Teed, Ann Arbor, president; Mrs. George Carothers, Ann Arbor, first vice-president; Mrs. Gertrude Grant, Ypsilanti, missionary vice-president; Mrs. B. W. Tuttle, South Lyon, Christian social relations vice-president; Mrs. David MacLennan, Morenci, corresponding secretary; Mrs. John Van Havel, Munith, recording secretary; Mrs. Russell Steininger, Northville, treasurer; Mrs. Peter Brender, Wayne, secretary of mission study; Mrs. Howard Busching, Ann Arbor, secretary of Wesleyan Service Guild; Mrs. Norman MacNaughton, Adrian, secretary of student work; Mrs. Clifton Hoffman, Willis, secretary of young women's and girls' groups; Mrs. L. L. Fowler, Berkley, secretary of children's work; Mrs. F. E. Gee, Ypsilanti, secretary of literature and publications; Mrs. Ralph Parsons, Stony Creek, secretary of supplies; Mrs. Peter Stain, Ann Arbor, secretary of spiritual life; Mrs. Augusta Holliday, Chelsea, chairman of status of women; and Mrs. Victor Longfield, Lincoln Park, chairman of missionary personnel.

Needlework Guild Meets at Mrs. Smith's Home

The officers of the Needlework Guild met at the home of Mrs. Vaughan Smith Tuesday, October 29. Due to the fact that there are several organizations in Plymouth that help those in need, the Guild will not have an ingathering of garments this year. However, the garments the Guild has on hand will be distributed among the needy. Layettes will also be made by Guild members. The Needlework Guild, "The charity that helps all charity," is still an organization in Plymouth and will do all it can at any time.

Store to Feature New Coat Styles

Real coat values are announced in the sale of women's and misses' coats at the Taylor and Blyton department store Friday, Saturday, Monday and Tuesday.

Included in the selection are herring bone tweeds, diagonal tweeds, shadow plaids, plushette, imitation caracul, and camel hair effects. All are interlined, some are fur-trimmed, and some sports styles are gabardine lined with zipper fasteners.

MRS. ROBERT A. NORTH

Mrs. Robert A. North Suggests Hot Dishes for Chilly Days

A hot dish of Spanish rice for noontime lunches during these first chilly days is the recipe offered this week by Mrs. Robert A. North, wife of the pastor of the Nazarene church and mother of four young children, Robert, 8; Richard, 5; Paul, 4; and Beth Ann, 10 months.

Spanish Rice
Add one quart of tomatoes and grated cheese to eight cups of cooked rice. Season with salt and pepper and a little butter, and bake in a moderate oven until brown. Serves six.

Another good recipe for cold days is a goulash dinner, served with mashed potatoes and hot biscuits and for dessert fruit jello and tea. Several of Mrs. North's favorite dinner menus with recipes follow:

Goulash
1 1/2 lbs. ground beef
1 small onion
1 green pepper
Large can kidney beans
1 quart tomatoes
Cook meat, onion and pepper in a little butter in frying pan. Add kidney beans and tomatoes and heat together. Season to taste.

Dinner Menu
Meat Loaf
Baked Potatoes — Spinach
Lemon pie
Bread and Butter
Tea and milk

Recipe for Meat Loaf
1 1/2 lbs. ground beef
1 lb. ground pork steak
1 lb. ground veal
1 small onion grated
1 tablespoonful vinegar
2 eggs
2 cups milk
Cracker crumbs
Seasoning.
Bake in a loaf pan with a little water poured over the loaf at 350 degrees.

Dumplings for Stew
2 cups flour
1/2 teaspoonful salt
4 teaspoonful baking powder
1 scant cup milk
"Sift the dry ingredients," says Mrs. North, "stir in the milk gradually, with a knife, to make a soft dough. Drop quickly by the spoonful into the boiling stew, letting the dumplings rest on the meat and potatoes. Cover closely to keep in the steam, and boil just ten minutes without lifting the cover. These dumplings will not fail."

Mrs. North also offers an unusual recipe for carrot salad in which she grinds two bunches of carrots, one lemon, rind and all, together and adds one-half cup of sugar, which is ready for serving after being chilled in the refrigerator.

The family's most popular dessert is an interesting suggestion for housewives who are perplexed about finding something different. The recipe follows:
Apple Sauce Chocolate Cake

- 2 cups sugar
- 1 cup shortening (butter and lard)
- 2 cups hot apple sauce
- 3/4 cups flour
- 1 tablespoonful hot water
- 3/4 teaspoonful soda
- 2 tablespoonsful cocoa
- 1 cup chopped raisins
- 1 cup chopped nut meats
- 1 teaspoonful ground cloves
- 1 teaspoonful ground cinnamon
- 1/2 teaspoonful nutmeg

Be a Goodfellow, Dress A Child

Be a Goodfellow and give some needy child clothing for Christmas.

A little girl lies ill in an impoverished home in a subdivision just outside Plymouth. Her father has just recovered from a long illness and is unemployed. She has several little sisters without proper shoes or clothing to go to school.

School authorities are arranging for hospitalization of one child whose brothers and sisters are without coats and must walk to school with only thin sweaters to keep them warm.

These are typical cases in and around Plymouth of school children who are without sufficient clothing. We think of slums and poverty in big cities, but little realize that there are unfortunate families in need right in our midst.

Lacking shoes, coats or underclothes, several of these children are unable to attend school regularly, and so fall behind in their education. Others must wear ill-fitting clothes which set them apart and make them feel self-conscious, blighting their personalities.

The Goodfellows are directing a campaign in your community to relieve such need, and this column solicits your help in contributing dresses and warm clothing for these children.

Women's clubs and church groups have already promised to make dresses for some of these needy families, and everyone's help will be appreciated. Make or buy a dress for a little girl, any age from 3 to 10, and send it into The Plymouth Mail office this week.

Mr. and Mrs. Peter Ralph Miller entertained at dinner Saturday for Rev. Raymond F. Greise, of the University of Detroit faculty.

Grace Henderson, of Toledo, Ohio, spent the week-end with her father, Ward Henderson, on Saturday evening, they entertained Mr. and Mrs. George M. Chute at dinner.

Presbyterian Ladies Visit Dodge Community House

Casseroles filled with chicken, paprikas swimming in its rich red gravy, gay embroideries of native costumes, the dim interior of a little negro church, the richly ornamented altar of a Slovak cathedral; these and other memories fill the minds of a group of nearly forty Plymouth women, members of the Presbyterian Auxiliary, who made the trip Wednesday, October 30, to the Dodge Community House in eastern Detroit.

Inspired by the talk given the

Auxiliary in September by Rev. Henry D. Jones of the Community House. The ladies have planned the trip for some time with anticipation of a delightful experience, such it proved.

Dressed in native costumes, ladies of the Slovak Lutheran Altar Guild served the Plymouth group a delicious luncheon of native foods. Huge tureens of chicken noodle soup were on the long tables, with large round loaves of dark and light rye bread. Instructions for cutting the bread provoked much merriment. In Slovakia the one who provides the bread is the one who cuts it, and the Reverend Zima illustrated one time when "whittin' toward you" is an fact.

Popriks with halusky was the featured entrée—in other words, chicken and dumplings in a red sauce, and topped with thick sour cream liberally seasoned with paprika. Bowls of steamed cabbage, dressed with a

sweet-sour sauce accompanied this.
Kolachky and coffee ended the meal.

Kolachky
1 cake compressed yeast
1 cup water
1 cup sugar
1 teaspoon salt
2 large eggs
2 cups milk
6 or more cups flour

Method: Proceed as for raised bread, making dough very smooth and more on the soft side than for quick bread. Bake at 375° for 25 minutes. Yields 6 dozen.

Filling: Use 2 cups of finely ground puppy seed, ½ cup each of milk, Karo syrup, ¼ cup white sugar, butter size of a walnut, cinnamon to flavor. Cook 5 minutes until thick.

The Reverend Zima explained the work of the church, giving the background of the Slovak people and their protestantism; Mrs. Zima, charming in the gay blue and yellow silk costume of her village, spoke of native Slovak customs.

The Lutheran church in the community is small, but there are many more Roman Catholic Slovakian people in the vicinity. To augment its picture of the community set-up the Plymouth group next visited the Slovak Catholic church close by. A grade school adjoins, and there were glimpses of classes taught by white-clad nuns. The combination gymnasium and auditorium is a community center, and there were evidences of various political and social activities there.

About 250 negro families live in the community, and a visit was next made to a little one-room negro Baptist church. The Dodge Community is able to do a great deal of work in cooperation with this congregation, many of whom are unable to read and write, and spend many hours in adult education classes. "So eager are members of this church to learn," said the Reverend Jones, "that we had to curtail our program, as the choir and other church activities were being neglected." There are five negro churches in two blocks, and collections barely pay for light and heat. In one, the pastor is a WPA worker, with no education, but fired with fervent spirit.

The ladies made a tour of the Dodge Community House, becoming acquainted with its resources, problems, and accomplishments. Dodge supported by the Presbyterian church works with the 13 churches in the community, aiming at a Christian settlement rather than a furtherance of the work of any one denomination.

Plymouth ladies attending were: Mrs. Walter Nichol, Mrs. David Mather, Mrs. Robert Mimmack, Mrs. William Kaiser, Mrs. Vaughn Smith, Mrs. Edwin Rice, Mrs. Edward Dobbs, Mrs. Russell Roe, Mrs. S. N. Thams, Mrs. George Brink, Mrs. Anthony Matulis, Mrs. Marvin Terry, Mrs. George William, Mrs. George Heston, Mrs. William Anson, Mrs. Charles Huer, Mrs. Henry Ehrhard, Mrs. Robert Guggerberg, Mrs. Jules Roberts, Mrs. James Brinley, Mrs. Donald Blevin, Mrs. Glenn Gordon, Mrs. Kari Starkweather, Mrs. Herman School, Mrs. Ed. Hauk, Mrs. R. N. Larns, Mrs. Dale Kaufman, Mrs. Elvin Taylor, Mrs. William Shaw, Mrs. Owen Williams, Miss Elizabeth Sutherland, and Mesdames Desmond, Bridgde, Trotter, Osgood, and Schillingberg.

Once, I Could Vote, Too!

Once, like you, I was a free man! A Frenchman!

Politicians made speeches to me, too!

They spoke about our impregnable democracy.

They told me what they were doing to protect my standard of living and my working conditions.

They promised my family safety through preparedness.

But they weren't honest with me! They let me down!

I found that out when I had to give up my job to go to war—at the same time that I found out you couldn't stop tanks with bodies, that you couldn't halt bombs and you couldn't buy peace with promises.

Now they are holding trials to find out whose fault it was. But I know—

It was MY fault!

I voted for the easy way.

I voted for the beguiling voice.

I voted for the politician, not the man.

I was one of a nation of free men who did not prize freedom. Today I am not free.

I repeat, it was my fault. But it was I who paid the penalty. I, with my womenfolk and my children! I, who thought I was prepared for war.

Free men of America, already you may be pledged to a conflict for which you know you are not prepared.

Remember my mistake! Weigh the man against the politician before you vote.

Do not vote for a politician—VOTE FOR A MAN WHO WORKED WITH HIS HANDS.

Do not vote for a voice—VOTE FOR A MAN.

Do not vote for the easy way—VOTE FOR A MAN WHO CAME UP THE HARD WAY.

Obituary City Completes Alley Paving

WILLIAM E. HOISINGTON
William Edward Hoisington, who resided at 195 Union street, passed away suddenly Friday afternoon, October 25. He is survived by his widow, Mrs. Minnie Hoisington, sister, Mrs. Mettie Gunsonly of Newburg; niece, Mrs. Verne Keeth of Detroit. Mr. Hoisington was taken to the Schrader Funeral Home, where funeral services were held Monday, October 28, at 2 p. m., Rev. Stanford S. Closson officiating, and under the auspices of the Plymouth Rock Lodge No. 47 F. & A. M. The active pallbearers were Henry Hondorp, Charles Greenlaw, Raymond Bachelder, Merritt Crumble, Alonzo Brockelhurst, and Jake Hines. Interment was made in Riverside cemetery.

MRS. IDA MARTHA SIOFIFF

Mrs. Ida Martha Siofiff, who resided at 1041 Brush street, passed away Sunday evening, October 27, at the age of 69 years. She is survived by her husband, Theodore H. Siofiff, five sons and one daughter, Walter of Whitmore Lake, Mayford and Theodore Jr., both of Plymouth, Mrs. Alice Berger of Detroit, Victor and Willis and Louis of Detroit, ten grandchildren and one great grandchild, and a sister, Mrs. Emma Schowcho of Detroit. Mrs. Siofiff was taken to the Schrader Funeral Home, and later taken to her home. Funeral services were held Wednesday, October 30, at 2 p. m. from St. Peter's Evangelical Lutheran church. The active pallbearers were Louis and John Krumm, Henry Grimm, Jr., Raymond Grimm, Thomas Karrick, and Henry Mielbeck. Rev. Edgar Hoenecke officiated. Interment was made in the Riverside Mausoleum.

The city has completed the alley paving project at the rear of the Main street business district. The first half of it is open now, and the entire alley drive will be open within another week, according to City Manager C. H. Elliott.

The city manager also expressed the thanks of the city to the following citizens and property-owners who have given or are making arrangements to give property for the alley: Fred Schrader, E. O. Huston, Cal Simon, Mrs. Kate Allen, Harry C. Robinson and the Federal Savings and Loan association.

Other city projects which have been completed this week include black top pavements and seal coating on Farmer, Gaster, Burroughs and Irving streets.

Construction of a sidewalk on Ann Arbor Trail between Main street and the new Atlantic and Pacific food store will be started the first of next week. The city is also installing sewer and water taps for several new buildings in town.

Statement To The People About Proposal Number 3

BY MANFRED BURLEIGH, CHAIRMAN LEGISLATIVE COMMITTEE, MICHIGAN MOTORBUS ASSOCIATION

In none of the literature circulated by the D. S. R. have I seen a statement of just what Proposal Number 3 is. D. S. R. officials have told what they claim the Proposal will do to them, what they claim it will do to library workers and school children and what it will do to Grand Rapids. They have called it a gold brick and an attack on Home Rule. But I have failed to come across one line written by D. S. R. officials which even attempts to tell the voters just what the amendment known as Proposal Number 3 provides.

Perhaps they think the voters wouldn't understand the simple language of the law and perhaps they think they can confuse the People by the mass of misrepresentation they have been circulating about the effect of the law.

Well, I'm going to trust the voters with some of the pertinent language of the Act

Treats All Alike

Proposal Number 3 is a referendum on an amendment to the Michigan Motor Carrier Act of 1933 putting all motor vehicles for hire operating on the public highways of this state, regardless of whom owns them, under the same law. It is not a constitutional amendment. Under the terms of this act, as amended, a municipal motorbus transportation agency—and that's the D. S. R.—when operating its buses on the public highways of this State more than two miles beyond the corporate limits of Detroit would come under the same rules and regulations now imposed on private bus companies. And before it could operate on these highways it would first have to get a permit from the Public Service Commission to do so after a showing of public convenience and necessity for such out-of-Detroit operation.

Act Not Obscure

What is the Motor Carrier Act which the D. S. R. is fighting with such frenzy?

It is an act, and I quote excerpts from the title of the Act itself.

- To promote safety upon and conserve the use of the public highways of the state;
- To provide for the supervision, regulation and control of the use of such highways by all motor vehicles operated by carriers of passengers and property for hire upon or over such highways;
- To preserve, foster and regulate transportation and permit the co-ordination of motor vehicle transportation facilities;
- To provide for the supervision, regulation and control of the use of such highways by all motor vehicles for hire;
- To insure adequate transportation service;

6. To fix, alter, regulate rates, fares . . . and practices . . . ;

7. . . . to prevent unjust discrimination;

8. To provide for the levy and collection of certain privilege fees and taxes, etc.

Nothing complicated or obscure about that, is there?

Proposal Number 3 simply asks that the D. S. R. play according to state rules when, and only when, it seeks to operate its buses on the public highways of this state more than two miles beyond the city limits or into another municipality. It puts the D. S. R. operations on the Public Highways of the state outside Detroit under state regulation the same as any other carrier. That's all there is to Proposal Number 3.

Many Backing Act

Although I represent the Michigan Motorbus Association, I am not speaking in its behalf alone. There are a great many other organizations beside the Motorbus Association interested in Proposal Number 3 because they consider that the campaign of the D. S. R. against the Proposal is an attack on the basic principle on which Michigan's great highway system was built—that those who use the highways should build and maintain them. The private car owner who pays his \$10 for a license plate every year and gives up 45 cents in taxes every time he buys 10 gallons of gas is interested in Proposal Number 3. So is the farmer, the workman, the school teacher and all persons interested in transportation. The state-wide campaign is sponsored by the Highway Users Conference, which includes 40 or more organizations of the state interested in protecting Michigan highways. We are members of that conference as are several organizations of private car owners, including the Michigan State Grange which unanimously endorsed Proposal Number 3 last week. There are many other highway users represented, big and little.

No City Exemption

The D. S. R. is asking something from the state which it could never get from the City of Detroit—tax exemption. The Detroit city charter provisions creating the D. S. R. specified that the D. S. R. should pay all taxes "the same as any other private corporation." Twice in its 19 years history the D. S. R. has asked the voters of Detroit to relieve them of part of those taxes and twice the voters have refused, the last time by a two to one vote.

I don't like to be drawn into a discussion of issues which have nothing to do with the operation of this law, but I cannot overlook certain false statements being circulated by the D.

S. R., statements that the D. S. R. officials know are false.

Assures Ford Workers

Some of the falsifications are that the private bus companies want to take over the D. S. R.; that if Proposal Number 3 is passed double fares will be collected from workers traveling to the Ford Motor Company downriver plants; that persons wishing to come into Detroit will have to get off at the city limits and transfer to D. S. R. lines, and many other stories like that. I repeat that such statements are false and the persons making them know they are false.

Proposal Number 3 can't possibly affect the street car-bus operations to the Ford Motor Company plants, for the reason that the Motor Carrier Act doesn't include street cars. So D. S. R. street cars to Dearborn or Royal Oak can't be hampered by the Proposal. And as to its bus operations to the Ford plants, the privately owned bus companies not only have no desire to duplicate the motorbus end of the D. S. R.'s operations but have repeatedly and publicly offered to stipulate before the Public Service Commission that the D. S. R. have this territory exclusively. The D. S. R. has a monopoly on the Ford Motor Company operations, which nobody can legally disturb.

How About Home Rule?

Without Proposal Number 3, the suburban communities of Detroit do not have Home Rule. Under the law as it stood until amended by the last Legislature, the D. S. R. had the right to start or stop service in any suburban territory it wished, whether the community liked it or not. One spokesman for the D. S. R. has said this statement is untrue. But the best legal advice we have been able to get and the best legal advice the City of Royal Oak could get, including the corporation counsel, Mr. W. C. Hudson, is that the D. S. R. can run its buses into Royal Oak whether Royal Oak wants them or not. That's the legal advice the D. S. R. lawyers gave Royal Oak, too. And the Mayor of Detroit declared recently: "The D. S. R. should be allowed to go anywhere it pleases in the state—Lansing, Grand Rapids or elsewhere."

If Proposal Number 3 is approved, suburban towns and villages will have a more effective voice in their own transportation problems. If they disagree with the D. S. R., they won't have to take or leave what the D. S. R. offers. They will have an appeal to the Public Service Commission and if either side feels aggrieved by the action of the Commission then it can appeal to the Supreme Court as is provided in the Motor Carrier Act.

Legion Plans Armistice Ball

The American Legion, Plymouth Post No. 32, has made plans to sponsor another Armistice day dance on Monday evening, November 11.

The event, one of the outstanding social events of the fall, will take place in the American Legion hall at Newburg. Dancing will begin at 9 o'clock.

The committee in charge has been successful in securing Don Patterson's popular orchestra, led by James Evans, for the evening.

Not Hard Cider

Two barrels of cider will be an "easy" tonight at the Republican dinner to be served at the Mayflower hotel. But it will be "not hard" cider—not the kind of hard cider that featured the campaign for William Henry Harrison for president just 100 years ago. Plymouth was a Whig hotbed in that historic campaign, mentioned in history as the "Hard Cider and Lug Cabin" campaign. There will be no hard cider tonight, but it will not be hard.

Townsend Club Meets Monday Eve

Members of the Plymouth Townsend club will meet Monday evening, November 4, in the Grange hall at 7:30 o'clock for the purpose of getting final instructions on how to vote at the election on Tuesday. There will be instruction in just how to mark a split ticket ballot and a general discussion of election problems.

Following the talks, there will be a social hour, with sandwiches and coffee being served. According to officials of the local club, news has been received at their national headquarters which tell of the partial adoption in the unoccupied position of France of the Townsend plan to help solve the situation existing in that part of the world.

Officers expect that there will be a good crowd at Monday night's meeting.

Alma College To Build Attractive Chapel

Plymouth residents will be interested in the announcement which has just been made by Alma college is ready to the erection of a new chapel for that institution. The local interest is due to the fact that Charles H. Bennett of this city is chairman of the board of trustees of the college. Mr. Bennett has been associated with the school for many years in an official capacity. Then too, it was at Alma College that the late John W. Dunning of this city was at one time a student of Plymouth. That was in the days before he became one of the best known Presbyterian pastors in Michigan. Work will begin as soon as funds have been accepted, he said, and it is expected that the chapel will be ready for occupancy in the spring so that it may be used for commencement exercises. Erection of the building, which is to cost approximately \$75,000, was assured by a donation of \$25,000 made by Adam Armstrong, Three Rivers manufacturer. Other funds were raised last year in the sesquicentennial campaign, through many small contributions. The chapel will be the first of several campus buildings to be constructed in the next few years. Others to follow will be a fine arts and union building, a men's dormitory, a new administration building, and rejuvenation of and an addition to the women's dormitory. The chapel, which will be of New England colonial style architecture, will have a seating capacity of 600, a stage, and an organ on the first floor. Medallions from a complete set of mosaic windows will be used, as well as a set of four carillon chimes. These were donated by the Memorial Presbyterian church of Detroit. The windows, made of Belgian glass in Brussels, have the seals of all the Presbyterian churches of the various countries. The bells were made in Manchester, England. A circular cover, supported by

Shriners Hold First Party

Members of the Shrine club enjoyed the first party of the season at the Mayflower hotel last Friday evening, with an attendance of nearly 200. The Shriners made the occasion a hard-time event, with an auction sale of numerous prizes.

Fred D. Schrader took the part of the "silver-tongued" auctioneer, and he did a real job. All of the funds raised from the auction and from the party will go to the crippled children fund of the club. "Auctioneer" Schrader was successful in getting a fairly large sum for this charitable work.

The prize live pig, a thoroughbred 75-pound OIC porker, donated as a prize by Mr. Schrader, went to Thomas Van Dine, Illustrious Potentate of Moslem temple in Detroit, the highest bidder for the squealing pig.

In addition to the pig, there were turkeys, geese, ducks, and chickens that were auctioned to those in attendance.

Rotarians Hear Youthful Talkers

"Grand hotel, Grand hotel,"—no, not the motion picture by that name but the real thing up on Mackinac Island, was the attraction that took three Plymouth boys, James Sexton, Dick Neal and George Chute Jr., on a bicycle trip to northern Michigan last summer, according to interesting talks the youngsters made at the meeting of the Rotary club last Friday noon.

The meeting was in charge of Walter Harms, chairman of the boys' work committee.

Each boy was given an opportunity to discuss a portion of the trip. James Sexton telling of the first days out, Dick Neal of the second portion and George Chute of the final leg of the tour that took the boys up the east coast of the state and back home through western Michigan.

Bicycle troubles, rain, short rations, camp sites that were none too comfortable, provided plenty of conversation for the boys.

They told of the uniform courtesy of attendants at various state parks where they visited. The high school students presented their stories of the trip to the Rotarians in a most interesting way.

Father LeFevre Has Anniversary

Several close Plymouth friends of Father Frank A. LeFevre were in Detroit Sunday to attend a celebration in honor of his twenty-fifth anniversary in the priesthood. He was transferred to Detroit about two years ago.

His many Plymouth friends will be pleased to know that he has recovered from his recent serious illness and is much better than he has been in some time.

Howard Stark "Goes to School"

Howard Stark, manager of the Plymouth A. & P. store, is in Rochester this week where he is observing the management and methods of handling the routine of the big A & P super market in that city. The new Plymouth Super Market will be opened in the near future and Mr. Stark desires to know just how everything goes before the opening date. The new store is located on Ann Arbor Trail almost across from the Mayflower hotel. A big parking space is now being prepared for customers.

THE MERITS OF BALLOT PROPOSALS

As a service to Michigan voters, the State Bar of Michigan has released the following statements for and against the proposals which appear on the November ballot. The statements were prepared by lawyers representing each side of each question. The State Bar itself has not taken a position on any of the proposals.

PROPOSAL NO. 3

FOR AGAINST

The Michigan farmer who owns a tractor and operates it only on his farm pays no tax on the gasoline he uses so long as the tractor stays on his farm. But when that farmer drives his tractor out onto the public highways of the state, he has to pay that gasoline tax and he has to abide by the laws and regulations governing the operations of motor vehicles on those highways.

Proposal Number 3 is just as simple as that. It applies the rule governing tractors to motor buses. It doesn't touch the operations of Detroit Street Railways within the city of Detroit. It doesn't take away a single power of the Street Railway commission over its street cars or buses in the city. But when Detroit seeks to operate its buses on the public highways of the state more than two miles beyond its city limits, it must come under the same regulations and pay certain taxes that are imposed on all other commercial motor vehicles.

That's all there is to Proposal Number 3. It is a referendum on an amendment to the Motor Carrier Act passed by the 1939 legislature by more than a two-thirds majority of the members of each House. It was passed after exhaustive discussion, public hearings, and careful consideration. It was signed by Governor Nickerson with the remark: "What is fair to one is fair to all." It is sponsored by the Highway Users Conference of Michigan, representing more than 40 organizations including farmers, tractors, private car owners and operators and various departments of the state government interested in conserving the highways of Michigan.

The Motor Carriers Act was passed to protect and conserve the highways of the state and to regulate motor vehicles operating for hire thereon. All Proposal Number 3 does is to make these provisions apply to all motor vehicles for hire no matter who owns them.

To the Editor:

Letters to the editor contain many a grain of sound common sense. Once in a while one reaches the point of genius. Of that kind there is an example in the Christian Science Monitor of last Monday, from a Natick, Mass. correspondent who signs himself—or herself—"A.B.G." It reads:

"IF A CANDIDATE FOR PRESIDENT OF THE UNITED STATES PROMISED TO:

- "Double the national debt;
- "Reduce the value of the dollar;
- "Plow under 25 per cent of the crops;
- "Pay \$5 for each pig not raised;
- "Create class hatred;
- "Scare business into cutting down, thereby continuing unemployment and endangering everyone's job;
- "Attempt to pack the supreme court;
- "Try to make over the country into a one-man government;
- "Set an example of evading laws;
- "Ignore his party platform;
- "WOULD HE GET YOUR VOTE?"

THE MOST IMPORTANT NEW CAR ANNOUNCEMENT DODGE HAS EVER MADE

DODGE presents to America a Great New Car with FLUID-DRIVE*

For 26 years, the public faith in the Dodge printed word has been a valued Dodge asset. Dodge has found it sound policy to make the performance of its cars exceed its promises in print.

The enthusiastic adjectives used in this advertisement represent no departure from this policy. They are used because the facts demand them.

This IS the most important new car announcement Dodge has ever made. This IS the story of the greatest car Dodge has ever built. To say less would be to slight the full and simple truth.

President **DODGE BROTHERS CORPORATION**

THE GREAT NEW DODGE for 1941 is longer, lower, roomier. It is completely re-designed; beautiful and distinguished in its sweeping new lines. It reflects what smart Americans call "good taste."

These things your eyes will tell you. But you'll need to "feel" as well as "see," to get the full thrill of the new Dodge Fluid-Drive.

Only by taking the wheel, on the road, can you experience the miracle of this new and wholly effortless way of driving.

Dodge Fluid-Drive frees you from the nuisance of gear-shifting and clutch-coddling. A touch of your toe on the accelerator or the brake becomes the complete driving operation. You use your hands merely to steer.

DODGE FLUID-DRIVE lets you start off in high and accelerate to top speed without shifting gears. It lets you slow down to one mile an hour... then move quickly through traffic without shifting. Halt at a stop light, then glide ahead without shifting or declutching.

You can climb hills at one to five miles an hour in high, come to a dead stop on the hill, then start up again... still in high. You can creep through heavy sand, dig out of rutted roads, plough through snow... all without declutching or shifting gears. And without stalling the engine!

Like many truly great things, Dodge Fluid-Drive is simplicity itself in design and operation. There's nothing new to learn. You simply cut out two old and irksome driving motions... gear-shifting and declutching.

And when you want extra-fast getaway, Dodge Fluid-Drive gives you an EXTRA surge of power at a flip of a finger, in "second"!

IT IS OFTEN SAID that Dodge is one of America's most economical cars, in its consumption of gas and oil.

Now comes Dodge Fluid-Drive teaming up with Floating Power (which banishes engine vibration) to give you a new standard of silken engine performance. An oil-like smoothness that makes you forget that old mooted argument about the number of cylinders.

Now for the first time, you get the remarkable economy for which Dodge has always been famous, plus a new velvet-smooth flow of power that puts to shame many an engine with more cylinders.

THE 1941 DODGE was conceived in the industry's newest and best-equipped engineering laboratories. It

Crop Yield to Break Records

As the 1940 crop season approaches the end, indications point to per-acre yields above the 10-year (1929-38) average for all general Michigan field crops except potatoes. Current yield estimates are only slightly above average for corn, field beans, winter wheat, rye and flax, and only slightly below average for potatoes. Oats and barley not only yielded far beyond the earlier expectations of growers, but that of oats proved to be seven bushels per acre higher, and that of barley 4.1 bushels higher than any previous records for the state. In comparison with the 10-year average, the yield of 47 bushels of oats per acre was 83 percent above and the yield of 33.5 bushels of barley per acre was 50 percent above. On the basis of these yields, the state's production of oats amounts to 56,729,000 bushels compared with 42,712,000 bushels last year. Barley production totals 5,882,000 bushels compared with 5,771,000 bushels in 1939. A portion of these crops was badly damaged by rains while standing in the shock.

The corn crop was slow in maturing and a heavy frost on September 26 over much of the state checked further growth and farmers have since been busily engaged in harvesting it. Dry weather shortened the ears in some southern counties, and many late planted fields throughout the state will produce only a partial crop, some of which is immature and of low feeding value. The European corn borer spread over a much larger area than in past years but caused very little reduction in yield. There is a wide variation in yields and the average for the state was estimated on October 1 at 33 bushels per acre, four bushels less than 1939 but 33 bushels more than the average of the preceding 10 years. Equivalent corn production on the state's total acreage amounts to 52,470,000 bushels compared with 58,238,000 bushels in 1939. Production of corn for grain will be considerably less than the above as a portion of the acreage is cut for silage and forage and some is grazed or hogged off.

Bean prospects declined in September. Late-planted fields ripened very slowly and there was a large proportion of green pods in many of them when the first frost did very little damage directly to the beans, it stopped further development. A portion of the immature pods will probably dry out with proper care but rains have hampered harvesting operations and some beans have been seriously damaged. The portion of cull beans that will have to be removed, otherwise known as "the pick," will be much heavier than in any recent year and the quantity of merchantable beans will be less than the estimated total production of 3,952,000 bags by the aggregate pick. Last year's production was 4,520,000 bags from

which a package of only two percent resulted. September weather was more or less favorable for the development and spread of late blight on potatoes, and growers reported with 24,250,000 bushels in central and northern Michigan. It has caused some rotting of potatoes and will undoubtedly cause additional losses before the harvest is completed. The frosts stopped further growth in many fields which, with the other losses, reduced the prospective yields from the estimate of 105 bushels per acre on September 1 to 90 bushels per acre on October 1. Total production is now indicated to be 22,500,000 bushels compared with 24,250,000 bushels in 1939. Grading losses are expected to be heavier than usual which will materially reduce the available quantity of Michigan-grown No. 1 potatoes.

Trapping Season on Skunks Open

Michigan trappers putting out their first trap sets today, November 1, may take muskrat and mink in the Upper Peninsula and skunks and badgers anywhere in the state.

Skunks last season contributed 32,822 pelts to the state's million dollar annual fur harvest. Only 713 badgers, whose hair makes fine shaving brushes, were taken. The season continues open on these species until January 31.

It is muskrats, however, which furnish the bulk of the supplemental income farmers and farm lads get from trapping. Last year's take is calculated at 819,447 pelts, all taken in a one-month season which extends from November 1 to 30 in the Upper Peninsula, from November 15 to December 15 in northern lower Michigan, and from December 1 to 31 in southern lower Michigan. An additional month's trapping is being allowed this year in marshes along Lake Erie.

Seasons for taking mink coincide with those for muskrat. The mink catch in 1939 was just under 20,000 skins.

Trappers took 8,450 raccoons last year, few compared to the take by hunters, in trapping seasons that are November 15-December 15 in northern lower Michigan and December 1-15 in southern Michigan. Only residents of Michigan may trap, and they must have a special order for trapping license and equip all traps with English name tags.

Orson Welles on Town Hall Series

ORSON WELLES

Orson Welles, 25 years old, genius of the theatre, coming direct from Hollywood, will speak before the Detroit Town Hall in the Fisher theatre next Wednesday, November 6, at 11 a.m. He will include excerpts from his famous roles in his lecture, "The New Actor."

Summoned to Hollywood after a revolutionizing Broadway, Welles wrote his first motion picture, "Citizen Kane," which he has produced, directed and starred in as leading actor.

At 13 young Orson was direct-

ing a theatrical group in the Todd school at Woodstock, Illinois. At 14 his father took him to Dublin where he told whopping tales of his reputation in the United States, and so impressed the members of Dublin's famous Gate theatre that they cast and recast him in the most difficult of character parts. He was next engaged as a guest artist by the Abbey Players.

Back in America, he toured with Katharine Cornell in "Romeo and Juliet" and "Candida." Then he threw in his lot with the Federal theatre and started "Macbeth," his thrilling "Dr. Faustus" and "The Cradle Will Rock."

His spectacular activities capped the climax two years ago when his "Man From Mars" broadcast, a feature of his famous Mercury Theatre of the air, set a nation spinning on its ears.

Plymouth Girl Is Made Student Adviser

Mrs. Elizabeth W. Whipple, daughter of Mr. and Mrs. Hartve Whipple, of Plymouth, has been selected to be a hall adviser in Penthouse, a freshman dormitory residence at Antioch college, Yellow Springs, Ohio. Miss Whipple who is a senior at Antioch this year is also working with a Better Dressing Fashion committee, to aid students in achieving "casualness" without "sloppiness." Her co-operative job experience has been in large department stores in New York and Chicago, where she has sold and modeled junior clothes.

Kiwanis Club to Elect Officers

The Kiwanis club will turn to its annual election of officers at the next regular meeting, Tuesday, November 5, now that the night club show sponsored for the annual ladies' night is over.

Tuesday night's party at the Mesonic temple was acclaimed a success by the large crowd which attended the turkey banquet served by members of the Eastern Star, and an evening of dancing and entertainment.

Del Delbridge's orchestra played for dancers, and the Ford Mercury Eight, two specialty artists, and Denny Lake radio yodeler and guitar player entertained the guests. Lake records his hill-billy songs for Brunswick and has also appeared in several movies.

A pleasant time is usually had by all except the hostess.

Salem Couple Celebrates Fiftieth Anniversary

Mr. and Mrs. William Shipley of Salem celebrated their fiftieth wedding anniversary Wednesday, October 30. Their children who joined them Wednesday evening for a dinner celebration were Mr. and Mrs. C. E. Kincaid and Mr. and Mrs. Howard Shipley of Plymouth, Mr. and Mrs. Judd Green and Mr. and Mrs. Glen Shipley of Northville, and Mr. and Mrs. George Bennett, of Salem.

Married in South Lyon Mr. and Mrs. Shipley, both 70 years old, have lived on the farm between South Lyon and Salem their entire life.

Mrs. William Tait Honored on Birthday

Tuesday, October 29 marked a happy milestone in the life of Mrs. William Tait of North Harvey street. Her birthday celebration started on the previous evening when several town friends, and Mrs. G. H. Whitney of Birmingham, spent the evening with her.

Then on Tuesday afternoon she was pleasantly surprised by another group of old friends who dropped in for a visit with her. The climax came in the evening when in response to a dinner invitation from her son and his wife, Mr. and Mrs. Clifford Tait of Northville road, she found all the members of her family gath-

ered to enjoy the delicious birthday dinner with her and to make it a delightful occasion.

It's a long time since we've seen a happy retired gentleman.

Mrs. Ruth Huston Whipple, the mayor of Plymouth, will be our guest speaker this Sunday night at 7 p.m. She will appear on our "America's Best" program and bring us a message on "America's Greatest Women." This Friday night, November 1, Miss Frieda E. Koeker from New York will pay our church a special visit to bring us a message from the Baptist board of education. All our members are urged to be present. A guest delegation from the Northville Baptist church will be here to hear Miss Koeker. The meeting is to take place at 7:30 p.m. In the afternoon a number of us will attend a meeting in the Northville church where Mrs. Hanson, a missionary from China, will speak on the work in China. The Ladies Aid will meet one week earlier this month on Thursday, November 7, because on the 14th they will put on another of their delicious suppers. Earlier in the day of November 7, from 10 a.m. to 4 p.m. the Women's Missionary society meets in the parsonage for White Cross work, potluck lunch at noon. Sunday morning worship at 10 a.m.; communion service. The pastor will bring the fourth message on the parables of Christ, this time on "The Pharisee and the Publican"; Sunday school at

11:15 a.m.; Wednesday prayer meeting at 7:30 p.m.; Bible study in the book of Romans. The lecture in the men's study group is on the religious beliefs of "Jainism."

FIRST CHURCH OF CHRIST Scientist. Sunday morning service, 10:30. Sunday school at 10:30. Pupils received up to the age of 20 years. Wednesday evening testimony service, 8:00. "Everlasting Punishment" will be the subject of the lesson-sermon in all Christian Science churches throughout the world on Sunday, November 3. The golden text (Proverbs 13:6) is: "Righteousness keepeth him that is upright in the way; but wickedness overthroweth the sinner." Among the Bible citations is this passage (Isaiah 3:10, 11): "Say ye to the righteous, that it shall be well with him; for they shall eat the fruit of their doings. Wee unto the wicked! It shall be ill with him; for the reward of his hands shall be given him." Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 266): "The sinner makes his own hell by doing evil, and the saint his own heaven by doing right."

FIRST PRESBYTERIAN church. Walter Nichol, pastor. 10 a.m. Sunday school; 11 a.m., worship; 6:30 p.m., young people. The Presbytery of Detroit and the Presbyterial society will meet at Grosse Pointe Memorial church on Monday, November 4, at 10 a.m. The work of Christian Education will be the chief consideration at these meetings. Speakers from the board of Christian Education will be heard. The board of trustees of Plymouth Presbyterian church will meet in the parlors of the church on Wednesday, November 6, at 7:30 p.m. The women of the church will hold a rummage sale on Thursday and Friday, November 7 and 8 at the Grange hall. Contributions to the sale will be gladly received. Dr. Kephart will be in charge of the choir and organ at the service. Sunday morning, November 27 has been set as the date for the annual bazaar.

Octet to Sing at Methodist Church Sunday

The Belleville male octet will sing here Sunday, November 3, at the regular evening services of the First Methodist church at 7 o'clock. The Rev. Alfred Eddy, pastor of the Belleville Methodist church, will preach the service.

Members of the octet are Bert Post, manager; Richard Bagget, director; Leonard Pitcher, Frank Mill, Arlo Roberts, Edward Bagget, Andrew Krebs and Don Goodall. Mrs. Orrin Post is piano accompanist for the octet which was organized nine years ago.

CHURCH OF THE NAZARENE. Holbrook and Pearl streets. Robert A. North, pastor. Bible school, 10; morning worship, 11; young people, 6:30; evening service, 7:30. Mid-week devotions, Wednesday, 7:30. On Monday night, November 4, we begin a two-week evangelistic campaign. Our special speaker will be Rev. V. C. Mulkin, of Grand Lodge. The meetings will begin each night at 7:30. A special feature of the Monday night service will be the Young Men's quartette from the First Nazarene church of Detroit. Many of you have heard them sing over station WEXL on Sunday afternoon and KCLW on Saturday nights. You will welcome this opportunity to hear them. Tuesday will be an all-day meeting of the Washtenaw County Holiness association. There will be three services, 10:30 a.m., 2:30 p.m., and 7:30 p.m. Rev. Mulkin is pastor of the church of the Nazarene of Grand Lodge, and has had many years of experience in pastoral and evangelistic work over the state of Michigan. You will enjoy his message. Everybody is invited.

CHURCH OF GOD. 333 North Main street. Rev. Clifford C. Funk, pastor. For the salvation of sinners, sanctification of believers, and divine healing for the afflicted. Come and experience the true fellowship shown to all, by God's children. Jesus said, "I am come that they might have life, and that they might have it more abundantly." He also said that he came to seek and to save the lost, not to call the righteous but the sinners to repentance. To the afflicted, he says "Call for the elders," and the prayer of faith shall save the sick, and the Lord shall raise him up." Sunday services: Preaching, 9:30 a.m.; Bible school, 10:30 a.m.; young people's meeting, 6:30 p.m. Evangelistic service, 7:30 p.m. Weekly services: Tuesday, young people, 7:30 p.m.; Wednesday, prayer meeting, 7:30 p.m. Our revival will begin Sunday. You are cordially invited to come. Rev. and Mrs. Hershell D. Rice will be the Evangelists.

Over 600 Hear Science Lecture

Pacific Coast Speaker Guest Here

Over 600 people heard the interesting lecture given on Christian Science at the Plymouth high school auditorium Sunday afternoon, October 20, by Peter V. Ross, C.S.B., of San Francisco. Mr. Ross is one of the prominent lecturers of the church.

In part, he said: "Mr. Ross, a member of the Christian Science Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, spoke here under the auspices of First Church

of Christ, Scientist, Plymouth. Referring to God as Life, and to man as an exhibit of divine Life, he said: "Disease cannot be genuine. This is why sufferers are constantly in revolt against it. If disease were a reality people would have to accept it without protest, for realities cannot be created or overcome. "Science insists that disease is in belief, in appearance, or in ignorance, rather than in reality. It belongs in the same category with the belief in the flatness of the earth. For certainly the earth appears flat. Occasionally to this day may be found a person who believes it flat. Obviously the flatness is in his thought, in his ignorance. Some day the simple fact will dawn upon him that the earth is round. Then the flatness will be cured. "Some day the undeniable fact will dawn upon the supposedly sick man that Life is God. Then his sickness will be healed, because disease and mortality cannot be ascribed to Deity. If God is Life, then Life must be diseaseless, ageless, endless. "Human experience," he continued, "consists of a considerable degree in making choices and decisions. Christian Science acquaints the individual with the spiritual facts which enable him to judge and choose wisely and rightly. "A person makes a right choice, he gives himself a Science treatment, when he embraces Life and renounces everything opposed to Life. When he recognizes that Life is irrepressible, unconquerable, incorruptible. When he realizes as best he can that this resistless Life is his, that it is full and unrestricted operation right where his infirmity may seem to be. Which means that the infirmity is not there, is not his, is not in existence. "Christian Science, discovered and founded by Mary Baker Eddy, has gone as widely abroad perhaps as has the Sermon on the Mount," stated the speaker. "In other words it has permeated universal thought. There is hardly a person in western civilization who is not talking a different and a better language, who is not pursuing a different and a better life, who is not living in a different and a better world because this great woman has lived and labored here. "There is no mystery about Christian Science treatment," ex-

plained the lecturer, "although the world abounds with people who, while they believe in Science, hesitate to voice its truths because afraid of saying something erroneous. Any statement, any attitude, any mood which denounces disease as a lying imposition, and which exalts Life and health as ever-present realities, is scientific, is legitimate treatment. "It is even reverent prayer, reverent in that it that absolves God from responsibility for sickness and suffering. It is the sort of prayer which works a change in the individual. For the effect of prayer, after all, is not on God but on the man who prays. Such prayer unites the individual with that Life to which disease and age and dissolution are unknown. It unites him with that Mind which imparts to man all the intelligence he needs for success and usefulness. "All down the centuries the belief has been entertained that man is material and mortal, whereas the fact is, as both revelation and revelation inform us, man, truly, is spiritual and immortal. The individual who insists that man is mortal will be a mortal to all intents and purposes. "But when an individual stands up and intelligently and thoughtfully admits that man is the likeness of God is an immortal, an exhibit of Life to which restrictions and distresses are unknown, he enters that reverent mood which is prayer, he makes that rational argument which undermines the belief in disease, he administers that Science treatment which dissipates the mesmerism of mortality. "Not a person should walk out of this auditorium the same person he was when he came in," said Mr. Ross in conclusion. "Each one of you should depart with more hope, strength, courage, and endurance than you had an hour ago. Many of you could not support ten years of age or ten pounds of weight. Why not allow these undesirable to dissipate and depart along with your aches and failures and loneliness? They are not actualities. They are perceptions. You can ban them all if you will suspend your unbelief long enough to permit the truth to enter a hearing to take lodgment in mentality. "It is not an easy thing for a person to revise his opinions, to subdue his prejudices, to waive his skepticism. It is so much easier to say: 'These pronouncements are wonderful. They may be true of spiritual man but what have they to do with me?' They have everything to do with you, for are you not in genuine make-up a spiritual man? "Accept these precious gifts of the Almighty which hitherto you may have been putting aside. Yours is the life that does not come or go or fail or despair or sicken or fade out; yours is the life which by the grace of God is invincible."

Legion Members Enjoy Party

More than 50 couples attended the American Legion Halloween party Monday night in the American Legion hall at Newburg. The place was most attractively decorated in real Halloween style. Numerous guests were present from Detroit, Monroe and other nearby places.

There were also other "special" guests, "Frau Hitler" from Berlin; Professor "Quiz" and the great fortune teller, "Yaa, Yaa, Phooey," who in real life proved to be none other than Captain Charles Thumme of the police department. He did a good job of entertaining the guests.

Various and interesting costumes were worn by nearly every one present.

Jewell Starkweather Wins College Honors

Miss Jewel Starkweather, 711 Starkweather avenue, received honors for the year 1939-40 at the annual Honors Day Convocation at Kalamazoo college Monday morning. This indicates a 2.5 or B plus average. Jewel is also a member of the scholars group for the year. She is a senior at Kalamazoo college this year.

Arvid Burden Returns From Mission Trip

Arvid E. Burden, son of Mr. and Mrs. Ernest Burden of Plymouth, and a recent graduate of the Moody Bible Institute at Chicago, returned last week from an extended visit through the Kentucky mountains under the direction of the Scripture memory mountain mission.

The work is accomplished among more than 40,000 boys, girls and young people. State law requires the Bible in the schools giving the mission an open door to accomplish its purpose. A set number of verses is assigned to be memorized. Those who successfully complete the assignment receive awards ranging from a Gospel of John, New Testament, Bible or two weeks summer camp, depending upon the length of the assignment completed.

The mission has a number of orphanages to care for in a material way as well as to reach them with the Scriptures. A part of the community work is visiting adults in their homes.

On his return trip, Mr. Burden spent a week with Mr. and Mrs. H. M. Cawood and family of Bristol, Tennessee.

It's only fair to admit that a lot of adventures turn out better than we expect.

NO THIRD TERM!

By JAMES TRUSLOW ADAMS Author, 'The Epic of America' I am utterly opposed to a third term not simply for Roosevelt but for any President whatsoever. This is not because of the beliefs of the Founding Fathers, altho they were probably the wisest group of statesmen ever assembled here. Times change and we ourselves are now Founding Fathers for the future.

Now, and now only, is the time when possibly America can be saved by defeating the Third Term and the trend to government by one man and his satellites. Make no mistake. Practically all Europe, except Britain, has set the pattern and we have been following it step by step. The only chance left to save our way of life and the liberties of ourselves and our children and our children's children is to vote against the permanent retention of office by Mr. Roosevelt or any other President by whatever name. The clock strikes for America, for its freedom and its Bill of Rights, as you cast your ballots on Election Day. God Bless America!

IN CONGRESS, JULY 4, 1776

The unanimous Declaration of the thirteen united States of America.

When in the course of human events, it becomes necessary for separate and independent States to assume among the Powers of the earth, the position which their geographies and political rights entitle them to assume, a solemn appeal to the Supreme Judge of the world for a declaration of their independence is the first and most natural step of Liberty. We the Representatives of the United States of America, in General Congress assembled, do hereby declare that these United Colonies are, and of right ought to be, free and independent States; that they are absolved from all allegiance to the British Crown; and that all political connections between them and that Kingdom are, and ought to be, totally dissolved; and that as free and independent States, they have full power to levy War, conclude Peace, contract Alliances, establish Commerce, and to send and receive Ambassadors, and to perform all other Acts and Things which Independent States may of right do. And for the support of this Declaration, with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our Lives, our Fortunes, and our sacred Honor.

WENDELL WILLKIE Says: 'Maybe it is all right for the politicians to assume that an order for a rifle is the same thing as a rifle. But a doughboy has never been known to make that mistake.'

VOTE 'NO' State Ballot No. 4 Anti-Competition Act

FOR YOUR CHILDREN'S SAKE! Vote YES on the PARKWAY PLAYGROUND PROPOSAL (STATE PROPOSAL NUMBER 5) What the Parkway-Playground Proposal Means to You! YOUR 'YES' VOTE means the setting up of a joint Commission, or Authority, for the Metropolitan Counties of Wayne, Washtenaw, Oakland, Livingston and Macomb... YOUR 'YES' VOTE means children of this crowded area will have an abundance of safe places to go and play! Actually, your 'Yes' can save the lives of many children who otherwise are destined to meet sudden tragedy on our motor-jammed streets and highways! (Seven years of parkway-playground progress in Greater New York has reduced traffic accidents to children 42 per cent! And juvenile delinquency 20 per cent!)
