# THE BMW 4 SERIES GRAN COUPÉ.

**BMW EFFICIENT DYNAMICS.**  
LESS EMISSIONS. MORE DRIVING PLEASURE.

THE NEXT  
100 YEARS

## VELKOMMEN TIL UDSTYRSSEKTIONEN.

De resterende sider i kataloget er en oversigt over det ekstra- og standardudstyr, bilen leveres med i Tyskland. På de allersidste sider i kataloget finder du en udstyrsrliste, som er gældende specifikt for det danske marked.

Med venlig hilsen  
BMW Danmark A/S

In 2016 the BMW brand will be celebrating its 100th anniversary. Find out more at [www.next100.bmw](http://www.next100.bmw)

## WANT TO DISCOVER MORE?

Explore the BMW 4 Series Gran Coupé in digital: simply download the interactive BMW brochure app for your device and select the model of your choice.

Internet use, depending on your mobile contract, may incur costs.

## THE BMW 4 SERIES GRAN COUPÉ. A NEW ERA OF AESTHETICS.

### THE MODEL SHOWN.

- 04 BMW 440i GRAN COUPÉ WITH M SPORT PACKAGE:** BMW TwinPower Turbo six-cylinder in-line petrol engine, 240kW (326hp), 19" M light alloy wheels Double-spoke style 442 M, Carbon Black metallic exterior colour, seats in Ivory White Dakota leather, Fine Brushed Aluminium interior trim with high-gloss Black accent line.

For further information on fuel consumption and CO<sub>2</sub> emissions please consult the technical data pages or contact your BMW partner.

### INNOVATIONS AND TECHNOLOGY.

- 18 BMW TWIN POWER TURBO ENGINES:**  
At the heart of BMW EfficientDynamics.
- 20 BMW EFFICIENT DYNAMICS:**  
Making fuel saving fun.
- 22 BMW CONNECTED DRIVE:**  
Services & Apps and Driver Assistance.
- 24 CHASSIS:**  
Innovative systems for more driving pleasure.
- 26 SAFETY:**  
Advanced technology at your service.

### INDIVIDUALITY AND ADAPTABILITY.

- 30 EQUIPMENT:** BMW Lines, M Sport package and BMW Individual, equipment highlights, wheels and tyres and Original BMW Accessories.
- 44 COLOURS:** Exterior and interior colours.
- 48 TECHNICAL DATA:** Weight, engine, transmission, performance, fuel consumption, wheels and dimensioned drawings.
- 50 BMW SERVICE:** BMW Service, BMW Financial Services and the BMW experience.

# THE CENTRE OF ATTENTION.

The BMW 4 Series Gran Coupé combines exceptional charisma and elegance with absolute everyday usability. As a four-door coupé, it is a dynamic marriage of opposites – with a beautiful design that captivates the eye again and again. Discover a new era of aesthetics. Discover the BMW 4 Series Gran Coupé.

**BUILT FOR  
ADMIRING GLANCES.**

The broad, muscular rear communicates clear sporting intent. The flowing coupé silhouette of the BMW 4 Series Gran Coupé immediately makes it stand out from the crowd. Every time you look at it the impression is the same: this is a car that looks good from any angle.

ONCE YOU'VE  
SAT DOWN  
YOU WON'T WANT  
TO GET OUT.

Everything in the interior of the BMW 4 Series Gran Coupé is adapted to your needs. Each control element is ergonomically oriented towards the driver. Every surface delights the eye and touch. The flowing interior trim lines extend from the instrument panel to the doors and all the way to the rear cabin, while the frameless doors make the interior appear even bigger and more distinguished. It's an enjoyment that can be shared: the rear seats accommodate up to three people.

**STUNNING LOOKS.**  
GREAT PRACTICALITY.

Looks great, is practical in everyday use, and impresses you afresh every day – for example with its large single-piece tailgate, which comes with an automatic opening and closing function as standard.

**TO SUM UP:  
IT'S A REAL BMW.**

This vehicle simply has everything – including that certain something. Its dynamic lines, clever functionality and fascinating driving performance create an attraction that no one can escape. Open the door and get in!

## INNOVATIONS AND TECHNOLOGY.

**BMW TWIN POWER TURBO ENGINES:** At the heart of BMW EfficientDynamics.

**BMW EFFICIENT DYNAMICS:** Making fuel saving fun.

**BMW CONNECTED DRIVE:** Services & Apps and Driver Assistance.

**CHASSIS:** Innovative systems for more driving pleasure.

**SAFETY:** Advanced technology at your service.

## BMW TwinPower Turbo engines. At the heart of BMW EfficientDynamics.

Thanks to BMW TwinPower Turbo technology, the innovative new generation of BMW petrol and diesel engines from the BMW EfficientDynamics engine range can deliver an agile performance and excellent responsiveness even at low engine speeds, all while being exceptionally fuel efficient and low in emissions. Increased efficiency and optimal dynamics guarantee noticeably more intense driving pleasure.

### BMW TWIN POWER TURBO SIX-CYLINDER IN-LINE DIESEL ENGINE 430d.

The absolute highlight in the BMW 4 Series Gran Coupé is the **multi-award-winning BMW 430d**. It's considered the global benchmark for dynamic power delivery and impressive efficiency. Its proven technology concept is used in nearly all BMW diesel engines. These new-generation engines ensure maximum driving pleasure while consuming less fuel and generating fewer emissions than their predecessors. Together with the optional **eight-speed Steptronic sport transmission**, they enable everything from comfortable cruising to very dynamic driving.

**BMW EFFICIENT DYNAMICS.**  
LESS EMISSIONS. MORE DRIVING PLEASURE.

### BMW 435d xDrive<sup>1</sup>.

- BMW TwinPower Turbo six-cylinder in-line diesel engine with 230kW (313hp) and 630Nm of torque
- 0–100km/h: 4.8sec; top speed: 250km/h (electronically limited)
- Combined fuel consumption: 5.6–5.7 litres/100km<sup>2</sup>
- CO<sub>2</sub> emissions: 146–150g/km<sup>2</sup>

### BMW 430d<sup>1</sup>/430d xDrive<sup>1</sup>.

- BMW TwinPower Turbo six-cylinder in-line diesel engine with 190kW (258hp) and 560Nm of torque
- 0–100km/h: 5.6sec (430d xDrive: 5.3sec); top speed: 250km/h (electronically limited)
- Combined fuel consumption: 5.1–5.3 litres/100km<sup>2</sup> (430d xDrive: 5.3–5.5 litres/100km<sup>2</sup>)
- CO<sub>2</sub> emissions: 134–139g/km<sup>2</sup> (430d xDrive: 140–145g/km<sup>2</sup>)

### BMW 425d.

- BMW TwinPower Turbo four-cylinder diesel engine with 165kW (224hp) and 450Nm torque
- 0–100km/h: 6.7sec; top speed: 247km/h
- Combined fuel consumption: 4.7–5.1 litres/100km<sup>2</sup>
- CO<sub>2</sub> emissions: 125–133g/km<sup>2</sup>

### BMW 420d/420d xDrive.

- BMW TwinPower Turbo four-cylinder diesel engine with 140kW (190hp) and 400Nm torque
- 0–100km/h: 7.5sec (420d xDrive: 7.6sec); top speed: 240km/h (420d xDrive: 235km/h)
- Combined fuel consumption: 4.2–4.5 litres/100km<sup>2</sup> (420d xDrive: 4.6–4.9 litres/100km<sup>2</sup>)
- CO<sub>2</sub> emissions: 111–119g/km<sup>2</sup> (420d xDrive: 121–129g/km<sup>2</sup>)

### BMW 418d.

- BMW TwinPower Turbo four-cylinder diesel engine with 110kW (150hp) and 320Nm torque
- 0–100km/h: 9.0sec; top speed: 213km/h
- Combined fuel consumption: 4.3–4.5 litres/100km<sup>2</sup>
- CO<sub>2</sub> emissions: 114–118g/km<sup>2</sup>

### BMW 440i<sup>1</sup>/440i xDrive<sup>1</sup>.

- BMW TwinPower Turbo six-cylinder in-line petrol engine with 240kW (326hp) and 450Nm torque
- 0–100km/h: 5.1sec (440i xDrive: 5.0sec); top speed: 250km/h (electronically limited)
- Combined fuel consumption: 6.6–6.8 litres/100km (440i xDrive: 7.1–7.4 litres/100km)
- CO<sub>2</sub> emissions: 154–159g/km (440i xDrive: 165–172g/km)

### BMW 430i/430i xDrive<sup>1</sup>.

- BMW TwinPower Turbo four-cylinder petrol engine with 185kW (252hp) and 350Nm torque
- 0–100km/h: 5.9sec (430i xDrive: 5.9sec); top speed: 250km/h (electronically limited)
- Combined fuel consumption: 6.1–6.5 litres/100km (430i xDrive: 5.9–6.2 litres/100km)
- CO<sub>2</sub> emissions: 143–151g/km (430i xDrive: 138–144g/km)

### BMW 420i/420i xDrive.

- BMW TwinPower Turbo four-cylinder petrol engine with 135kW (184hp) and 290Nm<sup>3</sup> torque
- 0–100km/h: 7.5sec (420i xDrive: 7.8sec); top speed: 236km/h (420i xDrive: 233km/h)
- Combined fuel consumption: 5.8–6.1 litres/100km<sup>2</sup> (420i xDrive: 6.6–6.9 litres/100km<sup>2</sup>)
- CO<sub>2</sub> emissions: 134–141g/km<sup>2</sup> (420i xDrive: 154–161g/km<sup>2</sup>)

<sup>1</sup> Eight-speed Steptronic transmission comes as standard for BMW 435d xDrive, BMW 430d/430d xDrive, 440i/440i xDrive, 430i xDrive.

<sup>2</sup> Fuel consumption and CO<sub>2</sub> emissions are dependent on the selected wheel and tyre sizes. For further information please consult the technical data pages or contact your BMW partner. The quoted performance, fuel consumption and CO<sub>2</sub> emissions figures are for vehicles with standard transmission.

<sup>3</sup> 420i xDrive with 270Nm torque.

## BMW EfficientDynamics

### Less emissions. More driving pleasure.

Whether the goal is maximum performance or minimum fuel consumption – for BMW, the focus is always on delivering quintessential BMW driving pleasure. BMW EfficientDynamics is the strategy developed by BMW to minimise fuel consumption and CO<sub>2</sub> emissions while simultaneously increasing dynamics and driving pleasure. It is a comprehensive technology package that encompasses the engine, energy management and the vehicle concept – and is standard in every BMW.

#### OPTIMISED AERODYNAMICS FOR OUTSTANDING EFFICIENCY.

Every BMW boasts excellent air resistance figures, thanks to a range of aerodynamic elements that complement each other perfectly. This in turn has a positive effect on efficiency and fuel consumption. These elements include a flat undercarriage cover and aerodynamically optimised exterior mirrors.

#### ENGINES.

The BMW TwinPower Turbo technology concept is used in all BMW **petrol engines**. Innovative turbocharger technology combined with High Precision Injection and the fully variable Valvetronic valve control system including Double-VANOS all improve performance, provide exceptional responsiveness even at low engine speeds and help to reduce fuel consumption.

The BMW TwinPower Turbo technology in the **diesel engines** combines the latest fuel injection technologies and fully variable turbine geometry with innovative turbocharger technology for enhanced efficiency and a more dynamic performance. All available engines feature a lightweight aluminium design and come with a maintenance-free particle filter.

#### OVERALL CONCEPT.

Intelligent lightweight construction at BMW means using the right material for the right parts of the vehicle. For every single component, the most suitable material is selected. This philosophy, also known as **BMW EfficientLightweight**, is now integral to BMW EfficientDynamics and applied to every BMW.

#### ENERGY MANAGEMENT.

The **ECO PRO Mode** helps drivers reduce their fuel consumption by up to 20 per cent<sup>1</sup>, depending on their driving style. Another 5 per cent can be saved by using the coasting function (only with the eight-speed Steptronic transmission), the Route-Ahead Assistant (only with Navigation System Professional) or ECO PRO Route (only with Navigation System Professional or Business).

Based on data from the navigation system, the **Route-Ahead Assistant** recognises curves, built-up areas, speed limits and motorway exits, and gives the driver tips in advance about when to stop accelerating.

The **coasting function** disconnects the drive train from the engine and the car coasts without the engine running. This happens when the driver is travelling at speeds between 50 and 160km/h and takes their foot off the accelerator but doesn't brake, and the Route-Ahead Assistant doesn't foresee a need to adjust the speed.

The **Automatic Start/Stop function** switches off the engine when the vehicle comes to a temporary standstill (e.g. at traffic lights or in a traffic jam) to further reduce overall fuel consumption. When the driver presses down on the clutch (manual transmission) or takes his or her foot off the brake (Steptronic transmission), the engine automatically starts up again in a fraction of a second.

**Brake Energy Regeneration** means that the alternator normally only generates electricity when the driver takes his or her foot off the accelerator or brakes – making productive use of excess kinetic energy to feed the battery.

<sup>1</sup> Determined in a BMW in-house fuel consumption study, dependent on individual driving style.

# BMW ConnectedDrive

So connected, you're free.

Our world is becoming more closely connected every day. And for BMW drivers it goes without saying that they can request information, communicate via telephone or email and always be up to date – all while they're on the go. The BMW ConnectedDrive<sup>1</sup> concept encompasses all the services and innovative technologies that link BMW vehicles and their passengers to the outside world and surrounding traffic.

The equipment option **ConnectedDrive Services\*** forms the basis for BMW ConnectedDrive functions, which provide the driver with a wide range of information, entertainment and service features while on the road.

The offer includes access to current location-based information such as weather and news, as well as an online search powered by Google™ and practical office functions. Services and features such as parking information, as well as travel and hotel guides can be accessed directly in the car without a smartphone via the ConnectedDrive menu.

Convenient, secure and unlimited access to selected smartphone apps is also integrated. ConnectedDrive Services also provides access to the **BMW ConnectedDrive Store**, in which services and apps can be ordered and extended anytime and anywhere to suit the user's individual requirements. The equipment option ConnectedDrive Services offers all this and more, making every trip in a BMW a real experience.

BMW ConnectedDrive with its intelligent services and assistance systems is ready with all the right equipment. **BMW ConnectedDrive Services & Apps** offer more freedom by providing versatile connections between the driver, vehicle and the outside world. **BMW ConnectedDrive Driver Assistance systems** make driving a BMW safer and more comfortable. And intelligent systems make life easy for the driver and minimise the dangers of traffic.

**Always see where you're going.** The full-colour BMW Head-Up Display<sup>2</sup> projects relevant driving information directly into the driver's line of vision, allowing him or her to fully concentrate on driving. The display includes data such as the current speed and – depending on the equipment – navigation tips, Speed Limit Info incl. no-overtaking indicator, telephone and entertainment lists, along with information and warnings from the various driver assistance systems.

The optional **Concierge Services\*** connect the driver to a BMW Call Centre agent at the push of a button. The agent can locate a particular restaurant, the nearest cash dispenser or an emergency pharmacy and send the address details directly to the car's navigation system

With **Online Entertainment**, a flat-rate account can be opened with any BMW music partner, such as Napster or Deezer, which can also be used with any other device supported by the provider. That means unlimited access to over 30 million songs.

\* May not be available in all countries. Please consult your BMW partner.  
<sup>1</sup> For further information on BMW ConnectedDrive please visit [www.bmw.com/ConnectedDrive](http://www.bmw.com/ConnectedDrive)  
 Image shows features that are only available for the German market.

<sup>2</sup> The display is not fully visible with polarised sunglasses. The contents shown by the Head-Up Display depend on equipment. Further optional equipment is required for additional displays.

## Chassis.

### A solid foundation for superior driving dynamics.

The BMW 4 Series Gran Coupé contains a whole host of innovative technologies to help you get the most out of each drive. Many of these systems are intelligently linked with each other. Their interaction ensures that you can enjoy maximum driving pleasure, in maximum safety – on every straight, in every corner, every second of your drive.

#### THE INTELLIGENT BMW xDRIVE FOUR-WHEEL DRIVE SYSTEM.

The intelligent BMW xDrive all-wheel drive system adapts perfectly to even the most challenging road surface conditions, ensuring optimal traction at all times. xDrive and Dynamic Stability Control (DSC) ensure that the BMW remains safe and stable. Controlled via the DSC sensor system, xDrive flexibly and quickly distributes drive power between the axles in order to prevent oversteer or understeer on bends, thereby ensuring outstanding directional stability. Moreover, it guarantees a rapid, safe acceleration even on slippery or steep stretches. In critical road conditions, the DSC doesn't need to intervene as much. BMW xDrive thus combines all the advantages of an all-wheel drive system – traction, directional stability and driving safety – with classic BMW agility.

The optional **Adaptive M suspension** maximises the vehicle's dynamic potential. The driver can adjust the driving characteristics via the Driving Experience Control to enable whichever driving style is most appealing at the time – from comfortable to extremely athletic. Whichever setting is chosen, the Adaptive M suspension's electrically controlled dampers calibrate to suit the road conditions within fractions of a second. The system also uses numerous sensors that measure wheel vibrations, as well as vehicle speed, in order to achieve optimal damping and vehicle safety. COMFORT mode can be selected for relaxed travelling. SPORT mode enables a distinctly athletic suspension setting with noticeably tighter damper settings. For extremely dynamic driving, SPORT+ mode is the best choice: the DTC function (Dynamic Traction Control) is activated, which allows more wheel-slip on the drive wheels, for athletic driving that pushes the limits of the car's dynamics. However, the DSC function is not completely disabled; rather it intervenes much later – within the limits of what is physically possible and safe – in order to stabilise the vehicle.

The optional **Variable steering** with Servotronic creates a direct and agile steering response and ensures less physical effort is required to turn the wheel. It reacts to the angle of the steering wheel with varying steering ratios. This improves handling when driving more dynamically and reduces the effort needed to steer when parking and turning.

**Driving Experience Control**, included as standard, lets the driver choose between the standard COMFORT mode, the ECO PRO mode, geared towards efficiency, and the SPORT mode, which enables even more dynamic driving. The ECO PRO mode adjusts the responses of the accelerator pedal and transmission as well as the heating/air conditioning settings to suit the driving situation.

The optional **eight-speed Steptronic sport transmission with gearshift paddles** adapts to suit the driver's individual driving style. Its range is perfect for everything from comfortable cruising through to a very dynamic driving style. In SPORT mode, the gearshifts are configured for maximum performance. It is also possible to change gears manually by using the gear selector lever or the steering wheel gearshift paddles.

## Safety.

### Unparalleled safety with the latest BMW technology.

The BMW 4 Series Gran Coupé features advanced technologies on which you can rely. Impressive driving characteristics and innovative equipment come as standard. As a driver, you will be aided by state-of-the-art technology able to give you maximum support in any situation, making you feel safe no matter what condition the roads are in.

#### INNOVATIONS FOR MAXIMUM SAFETY.

The BMW 4 Series Gran Coupé proves that elegance and safety go perfectly together. Advanced technology makes every drive comfortable and safe. The optional Adaptive Headlights with variable light distribution for example respond to your steering wheel movements, for a better view of the bend ahead. Or take the optional High-Beam Assistant: you can just keep it turned on permanently and focus on driving – the system will switch to high beam and low beam automatically, without dazzling oncoming drivers.

■ **Dynamic Stability Control (DSC)** permanently monitors the vehicle's status, optimising directional stability and traction.

□ **Adaptive Headlights** with variable city and motorway light distribution for optimal illumination of the road ahead.

□ **BMW Selective Beam** (the BMW anti-dazzle high-beam assistant, only available with Adaptive LED Headlights or Adaptive Headlights) detects other road users and selectively excludes them from the high-beam headlight distribution.

■ **Passenger cell** optimises passive safety in the event of a crash with its specialised system of beams and nodal connections as well as high-strength materials.

□ **Intelligent emergency call\*** automatically establishes a connection with the nearest rescue coordination centre through the BMW call centre whenever needed – without the use of a mobile phone.

□ **Active Protection** is BMW's preventive passenger protection system. It triggers precautionary measures in potentially dangerous situations and brakes the vehicle after an accident has occurred.

# INDIVIDUALITY AND ADAPTABILITY.

**EQUIPMENT:** BMW Lines, M Sport package and BMW Individual, equipment highlights, wheels and tyres and Original BMW Accessories.

**COLOURS:** Exterior and interior colours.

**TECHNICAL DATA:** Weight, engine, transmission, performance, fuel consumption, wheels and dimensioned drawings.

**BMW SERVICE:** BMW Service, BMW Financial Services and the BMW experience.

## BASE MODEL.

**[ 01 | 05 ]** The BMW 4 Series Gran Coupé in the optional Glacier Silver metallic exterior colour, with the optional 18" light alloy wheels V-spoke style 398. **[ 02 ]** The B-pillar in high-gloss Black makes for an elegant look. **[ 03 ]** The doors with frameless windows emphasise the car's elegant, coupé-style appearance. **[ 04 ]** Sport leather steering wheel, black, with three spokes, multifunction buttons and chrome inlay.

**[ 06 ]** 17" light alloy wheels star-spoke style 394, 7.5 J x 17 with 225/50 R 17 tyres. **[ 07 ]** Xenon headlights include a headlight washing system, accent lights and automatic headlight range control as well as four LED light rings that act as parking lights and daytime running lights.

## LUXURY LINE.

### Luxury Line interior equipment features:

- Door sill finishers in aluminium with "BMW" lettering
- Seats in Saddle Brown Dakota leather upholstery with exclusive stitching, alternatively seats in Veneto Beige Dakota leather upholstery with exclusive stitching; other upholstery options available
- Car key with Pearl-Gloss Chrome detailing
- Air conditioning and radio control unit with Pearl-Gloss Chrome detailing
- Centre console trim in high-gloss Black with exclusive chrome detailing
- Seat heating for driver and front passenger
- Finition Anthracite fine-wood trim with Pearl-Gloss Chrome accent line or Burling Walnut fine-wood trim with Pearl-Gloss Chrome accent line; other interior trims available
- Orange/red or white variable Ambient light
- B-pillar illumination
- Lights package
- 2-zone automatic air conditioning with extended features

### Luxury Line exterior equipment features:

- BMW kidney grille featuring eleven slats with high-gloss Chrome fronts
- Front bumper with specific design elements in high-gloss Chrome
- 18" light alloy wheels Multi-spoke style 416
- 19" light alloy wheels Multi-spoke style 399 with mixed tyres; other wheels available
- "Luxury Line" lettering on the side
- Air Breather in high-gloss Chrome, alternatively in body colour
- Side window frames and window recess finishers in high-gloss Chrome
- Rear bumper with specific design elements in high-gloss Chrome
- Tailpipe trim in high-gloss Chrome

### BMW Individual:

The Luxury Line can be perfectly complemented with equipment from the BMW Individual range (see page 36/37).

## SPORT LINE.

■ Standard equipment □ Optional equipment

### Sport Line interior equipment features:

- Door sill finishers in aluminium with "BMW" lettering
- Sport seats in Anthracite Track cloth with red or grey highlights
- Sport seats in Black Dakota leather with red highlights; other upholstery options available
- Sport leather steering wheel with red contrast stitching, alternatively available with black stitching
- Car key with red detailing
- Instrument cluster featuring speedometer and rev counter with chronoscales and contrast rings in red
- Air conditioning and radio control unit with Chrome detailing
- Centre console trim in high-gloss Black
- High-gloss Black interior trim with matt Coral Red accent line
- Fine Brushed Aluminium interior trim with high-gloss Black accent line; other interior trims available
- Orange/red or white variable Ambient light
- Driving Experience Control with additional SPORT+ mode
- Lights package
- 2-zone automatic air conditioning with extended features

### Sport Line exterior equipment features:

- BMW kidney grille featuring nine exclusively designed slats with high-gloss Black fronts
- Front bumper with specific design elements in high-gloss Black
- 18" light alloy wheels Double-spoke style 397 in bi-colour Ferric Grey
- 19" light alloy wheels Star-spoke style 407 bi-colour with mixed tyres; other wheels available
- "Sport Line" lettering on the side
- Exterior mirror caps in high-gloss Black or alternatively in body colour
- Air Breather in high-gloss Black or alternatively in body colour
- Side window frames and window recess finishers in matt Black
- Rear bumper with specific design elements
- Tailpipe trim in high-gloss Black

### BMW Individual:

The Sport Line can be perfectly complemented with equipment from the BMW Individual range (see page 36/37).

■ Standard equipment □ Optional equipment

## M Sport package interior equipment features:

- M door sill finishers and M driver's footrest<sup>1</sup>
- Sport seats for driver and front passenger in Hexagon Anthracite cloth/Alcantara upholstery with exclusive M looks
- Sport seats for driver and front passenger in Saddle Brown Dakota leather; other upholstery options available
- M leather steering wheel with multifunction buttons
- BMW Individual headliner in Anthracite
- Instrument cluster featuring speedometer and rev counter with chronoscales and contrast rings in red
- Air conditioning and radio control unit with Chrome detailing
- Centre console trim in high-gloss Black
- Aluminium Hexagon interior trim with matt Blue accent line or Fine Brushed Aluminium interior trim with high-gloss Black accent line; other interior trims available
- Shortened gear lever (only in conjunction with six-speed manual transmission) with "M" logo
- Driving Experience Control with additional SPORT+ mode
- Orange/red or white variable Ambient light
- Car key with blue detailing
- Lights package
- 2-zone automatic air conditioning with extended features

## M Sport package exterior equipment features:

- M Aerodynamics package with front apron, side sills and rear apron with diffuser insert in Dark Shadow metallic
- BMW kidney grille featuring nine exclusively designed slats with high-gloss Black fronts
- 18" M light alloy wheels Star-spoke style 400 M with mixed tyres
- 18" M light alloy wheels Double-spoke style 441 M in Ferric Grey metallic, 19" M light alloy wheels Double-spoke style 442 M in Ferric Grey with mixed tyres, 19" M light alloy wheels Double-spoke style 442 M in bi-colour Orbit Grey metallic or 19" M light alloy wheels Star-spoke style 403 M with mixed tyres
- M Sport suspension<sup>2</sup> or standard suspension
- Adaptive suspension
- M Sport brakes
- BMW Individual High-Gloss Shadow Line
- "M" logo on the side
- Tailpipe trim in high-gloss Chrome
- Exclusive Estoril Blue metallic paint finish or alternatively Carbon Black metallic; other exterior colours available
- Air Breather in high-gloss Black, in satin-finish Aluminium or in body colour

02 □

**[ 01 ]** The M leather steering wheel features multifunction buttons and specially designed thumb rests for precise vehicle control. The Fine Brushed Aluminium interior trim with high-gloss Black accent line complements the sporty ambience.

**[ 02 ]** The BMW 4 Series Gran Coupé with M Sport package in the optional Estoril Blue metallic exterior colour and with optional 19" M light alloy wheels Double-spoke style 442 M in bi-colour Ferric Grey, gloss-lathed, with mixed tyres. **[ 03 ]** 18" M light alloy wheels Star-spoke style 400 M with mixed tyres, 8 J x 18 with 225/45 R 18 tyres at the front, 8.5 J x 18 with 255/40 R 18 tyres at the rear. **[ 04 ]** The sport seats with Hexagon Anthracite cloth/Alcantara upholstery with M stitching and blue highlights create a powerful look. **[ 05 ]** Optional 19" M light alloy wheels Star-spoke style 403 M with mixed tyres, Bicolour Ferric Grey, gloss-lathed, front 8J x 19 with 225/40 R19 tyres, rear 8.5J x 19 with 255/35 R19 tyres.

# BMW Individual

The expression of personality.

BMW Individual paint finish in Moonstone metallic.

## The BMW Individual 4 Series Gran Coupé. More room for your ideas.

□ Make your highest standards a reality: Inspired by the light of the moon, the BMW Individual paint finish Moonstone metallic bathes the BMW 4 Series Gran Coupé in glimmering tones of silver. And, depending on the fall of the light, the finest pigmentation shimmers from silver to golden yellow through to a greyish blue.

More room for free expression: The BMW Individual fine-grain Merino leather Nutmeg clothes the generously proportioned interior in pure luxury. The velvet-soft, pristine surfaces make the high quality tangible, while the delicately worked piping and stitching reveal both outstanding craftsmanship and a passion for detail. The BMW Individual fine-wood trim Ash Grain White adds a note of added sophistication and, together with the leather-covered instrument panel, perfectly rounds off the exclusive interior ambience.

## EQUIPMENT HIGHLIGHTS.

■ Standard equipment □ Optional equipment

**[ 01 ]** The doors with frameless windows emphasise the car's elegant, coupé-style appearance. **[ 02 ]** The Adaptive LED Headlights come with additional features such as an accent light, low-beam and high-beam functions, the anti-dazzle High-Beam Assistant, LED fog lights and cornering lights. **[ 03 ]** Active Cruise Control with Stop&Go function includes distance and speed control, slowing the vehicle to a stop if required. **[ 04 ]** Twin tailpipes on the left with chrome trim (418d with single tailpipe).<sup>1</sup> **[ 05 ]** The electronic glass roof allows airflow to be regulated, creating a pleasant in-car climate. The integrated wind deflector guarantees a high level of acoustic comfort. **[ 06 ]** BMW Individual High-Gloss Shadow Line includes the window frame trim, window recess finishers, exterior mirror frames, mirror triangles and Air Breathers.

**[ 07 ]** The M leather steering wheel features multifunction buttons, a steering wheel rim in Black Walknappa leather and more pronounced thumb rests. **[ 08 ]** The sport seats for driver and front passenger: optimal support thanks to adjustable backrest width and angle, thigh support, seat height, seat angle and lengthways position.<sup>2</sup> **[ 09 ]** BMW Individual leather steering wheel in Sport leather steering wheel design with significantly higher quality leather and thicker wheel rim. **[ 10 ]** The Driving Experience Control lets the driver choose between the standard COMFORT mode, the ECO PRO Mode, geared towards efficiency, the SPORT mode and the SPORT+ mode.<sup>3</sup> **[ 11 ]** The iDrive Touch Controller (part of Navigation System Professional): intuitive control via the iDrive Controller touchpad. **[ 12 ]** Two cup holders at the front and back, as well as two bottle holders in the front doors – for a variety of storage options. **[ 13 ]** Thanks to its tightly spaced gear ratios and fast engine speed transitions, the eight-speed Steptronic transmission ensures greater driving comfort, smoother gear shifts and reduced fuel consumption.<sup>4</sup>

<sup>1</sup> Standard on 420d, 420d xDrive, 420i, 420i xDrive, 425d, 430i, 430i xDrive, 430d, 430d xDrive, 435d xDrive.

<sup>2</sup> Standard on 440i, 440i xDrive, 435d xDrive.

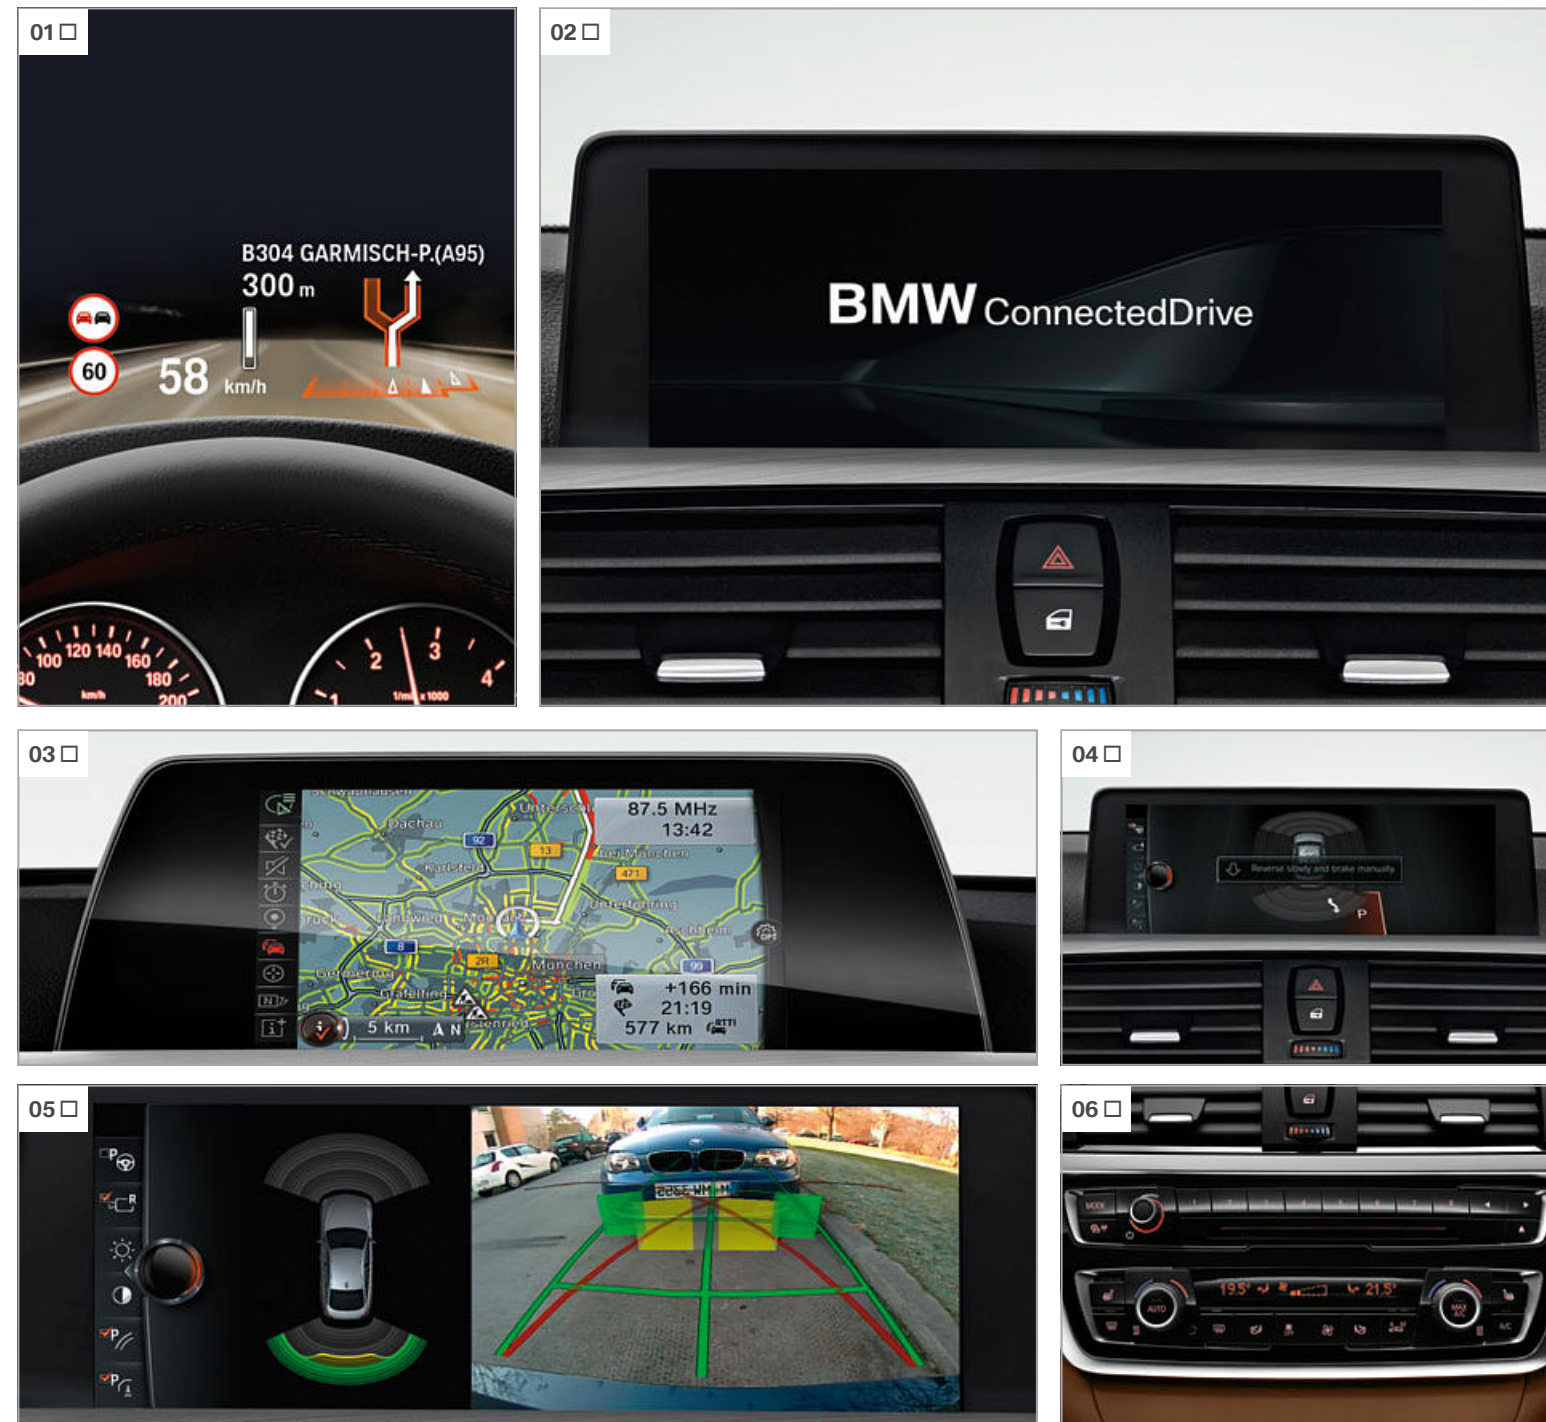

<sup>3</sup> SPORT+ mode only available with eight-speed Steptronic Sport transmission, Variable Sport Steering, Adaptive suspension, M Sport package or Sport Line.

<sup>4</sup> Standard on 430i xDrive, 440i, 440i xDrive, 430d, 430d xDrive, 435d xDrive.

## EQUIPMENT HIGHLIGHTS.

■ Standard equipment □ Optional equipment

**[ 01 ]** The full-colour BMW Head-Up Display<sup>1</sup> projects relevant driving information directly into the driver's line of vision. **[ 02 ]** Navigation System Professional<sup>2</sup> \* with hands-free kit, LCD colour display, 20GB of memory and three-dimensional map presentation. **[ 03 ]** Navigation system Business<sup>3</sup> \* with iDrive Controller, built-in 6.5" LCD colour display and three years of complimentary map updates. **[ 04 ]** The Parking assistant makes parking parallel and perpendicular to the road easier. It does the steering while the driver remains in control of the accelerator, brake and gears. **[ 05 ]** The Rear view camera shows the area behind the vehicle on the Control Display. Interactive track lines and obstacle markings also help the driver when reversing. **[ 06 ]** The automatic air conditioning with two-zone control includes Automatic Air Recirculation (AAR) with an active carbon filter, as well as fogging and solar sensors. (Shown here with Luxury Line.)

**[ 07 ]** The storage package includes for example a folding compartment, storage net, two 12V sockets, multipurpose hooks, tensioning strap, floor net and storage tray. **[ 08 ]** The Automatic tailgate operation opens and closes the tailgate electrically at the touch of a button. **[ 09 ]** BMW Individual instrument panel with leather upholstery<sup>3</sup> (XT1): the upper section is upholstered in Walknappa leather in the same colour as the interior and the lower section features BMW Individual fine-grain Merino leather in the upholstery colour. Upper-arm trim panels without leather upholstery. **[ 10 ]** BMW Individual instrument panel with leather upholstery (4M5), with Black Walknappa leather top and bottom.<sup>4</sup> Upper-arm trim panels without leather upholstery. **[ 11 ]** Harman Kardon surround sound system with 600 watt digital amplifier, vehicle-specific equalising and loudspeakers with chrome detailing. **[ 12 ]** The through-loading system includes a dividable rear seat backrest (40:20:40 split) that guarantees flexibility when transporting people and objects. **[ 13 ]** The 2+1 rear seating design makes driving more comfortable for the rear passengers. **[ 14 ]** Telephony with wireless charging offers a comprehensive telephony package with Bluetooth<sup>5</sup> connectivity, an NFC interface and the technical capacity for a WiFi hotspot.

\* May not be available in all countries. Please consult your BMW partner.

<sup>1</sup> Visibility is limited when wearing polarised sunglasses. The contents shown by the BMW Head-Up Display depend on equipment.

<sup>2</sup> Within the framework of BMW ConnectedDrive, in selected European countries the system automatically updates the maps for three years up to four times per year, without licence fees.

<sup>3</sup> Contrast stitching in upper and lower section of instrument panel. Only in conjunction with BMW Individual fine-grain Merino leather.

<sup>4</sup> Only in conjunction with Dakota leather.

<sup>5</sup> For further information (legal notes, compatibility) please visit [www.bmw.com/bluetooth](http://www.bmw.com/bluetooth)

Optional and standard equipment vary according to country.

## WHEELS AND TYRES.

■ Standard equipment □ Optional equipment ○ Accessories

**[ 01 ]** 18" light alloy wheels Star-spoke style 396, 8 J x 18, 225/45 R 18 tyres. **[ 02 ]** 17" light alloy wheels Star-spoke style 394, 7.5 J x 17, 225/50 R 17 tyres.<sup>1</sup> **[ 03 ]** 17" light alloy wheels Star-spoke style 393, 7.5 J x 17, 225/50 R 17 tyres.<sup>2</sup> **[ 04 ]** 18" light alloy wheels V-spoke style 398 with mixed tyres, 8 J x 18 with 225/45 R 18 tyres at the front, 8.5 J x 18 with 255/40 R 18 tyres at the rear. **[ 05 ]** 18" light alloy wheels Turbine-style 415, 8 J x 18 with 225/45 R 18 tyres. **[ 06 ]** 19" light alloy wheels Double-spoke style 401 with mixed tyres, 8 J x 19 with 225/40 R 19 tyres at the front, 8.5 J x 19 with 255/35 R 19 tyres at the rear. **[ 07 ]** 19" BMW Individual light alloy wheels V-spoke style 626 I with mixed tyres, 8 J x 19 with 225/40 R 19 tyres at the front, 8.5 J x 19 with 255/35 R 19 tyres at the rear. Discreet laser-engraved BMW Individual lettering. **[ 08 ]** 18" M light alloy wheels Double-spoke style 441 M in Ferric Grey metallic with mixed tyres, front 8 J x 18 with 225/45 R 18 tyres, rear 8.5 J x 18 with 255/40 R 18 tyres. **[ 09 ]** 19" M light alloy wheels Double-spoke style 442 M in bi-colour Orbit Grey, gloss-lathed, with mixed tyres, 8 J x 19 with 225/40 R 19 tyres at the front, 8.5 J x 19 with 255/35 R 19 tyres at the rear. **[ 10 ]** BMW M Performance 20" light alloy wheels Double-spoke style 405 M bi-colour with mixed tyres, 8 J x 20 with 225/35 R 20 tyres at the front, 8.5 J x 20 with 255/30 R 20 tyres at the rear.<sup>3</sup> **[ 11 ]** BMW M Performance 20" light alloy wheels Double-spoke style 624 M bi-colour matt black with mixed tyres, 8 J x 20 with 225/35 R 20 tyres at the front, 8.5 J x 20 with 255/30 R 20 tyres at the rear.<sup>3</sup>

## ORIGINAL BMW ACCESSORIES.

**[ 01 ]** 20" light alloy wheels Double-spoke style 624 M, polished; BMW base support system and BMW roof box 460 in black. **[ 02 ]** Bicycle/e-bike holder for the trailer tow hitch, suitable for transporting up to three bicycles. **[ 03 ]** Luxury textile floor mats, precise fit and dirt-repellent. Luxury edition with deep black mat and metal insert with BMW logo. **[ 04 ]** BMW Junior Seat Group 2/3 available in two colourways. **[ 05 ]** BMW anti-slip mat for luggage compartment in Black/Beige and folding box in Black/Beige. **[ 06 ]** Snap-in adapter Connect Universal for using the phone and listening to music. **[ 07 ]** Travel & Comfort system folding table including drinks holder gives passengers in the rear a convenient surface to put things on and is tilt and height-adjustable.

<sup>1</sup> Standard on 420i, 420i xDrive, 418d, 420d, 420d xDrive.

<sup>2</sup> Standard on 430i, 430i xDrive, 440i, 440i xDrive, 425d, 430d, 430d xDrive, 435d xDrive.

- The figure quoted includes a 90 per cent tank filling, 68kg for the driver and 7kg for luggage. Unladen weight applies to vehicles with standard equipment. Optional equipment may increase this figure.
- These figures may be different for models with xDrive.
- The overall weight of the trailer must not exceed the maximum permissible trailer load, taking into account the maximum permissible towbar download.
- BMW recommends the use of RON 95 super unleaded petrol. Unleaded RON 91 and higher with a maximum ethanol content of 10% may also be used. Output and fuel consumption figures apply to RON 98 fuel.
- All engines comply with the EU6 emissions standard. Fuel consumption is determined in accordance with the ECE driving cycle made up of approximately one-third urban traffic and two-thirds extra-urban driving (based on the distance covered). CO<sub>2</sub> emissions are measured in addition to fuel consumption.
- Fuel consumption and CO<sub>2</sub> emissions are dependent on the selected wheel and tyre size. Optional equipment may increase these figures. Please consult your BMW partner for in-depth information.
- Electronically limited.
- Height with roof aerial 1,397mm. For models with xDrive height is 1,412mm.

Values in [ ] are for vehicles with eight-speed Steptronic transmission.

All dimensions in the technical drawings are given in millimetres.

## WELL TAKEN CARE OF WITH BMW SERVICES:

When you buy a BMW, you can look forward to superb service and comprehensive customer care. For example, the **Condition Based Service** independently tracks both service fluid levels and the condition of parts subject to wear and then notifies you in the display when the vehicle requires servicing. So you only need to go to your BMW service partner when it's really necessary. When you do go, our

**qualified BMW service specialists** take care of your vehicle using the newest workshop technology and only **original BMW parts**. This service is available worldwide in more than 3,300 BMW service partner establishments in over 150 countries, to provide you with limitless driving pleasure.

### BMW SERVICE.

**BMW Service Packages\*:** Individual and stress-free, just for you. Individual, well-thought-out servicing solutions carefully tailored to you and your vehicle. With one-off, predictable costs, BMW Service Packages give you complete peace of mind, so you can enjoy owning a BMW to the very fullest. Whether it's fresh from the showroom or already well-travelled – there's a BMW Service Package for every phase of your vehicle's life. All bringing you maximum quality, expertise and value retention, always at reasonable, transparent rates. And always carefully tailored to you and your BMW. Find out just how stress-free truly individual service can be!

[www.bmw.com/serviceinclusive](http://www.bmw.com/serviceinclusive)

**BMW Mobile Service\*:** This service is there for you day and night. As soon as you call, we spring into action, and take care of everything that may need doing after an accident or breakdown, with specially trained technicians working – on site or via telephone – to get your car back on the road. We offer comprehensive, country-specific mobility packages for breakdowns, and insurance that covers you in the event of an accident or theft. So if anything untoward does happen, simply call up the BMW accident hotline and we'll go to work. We'll take care of calling the emergency services, a tow truck, a replacement car, notifying your insurance company and much more. For further information please visit [www.bmw.com](http://www.bmw.com)

**BMW TeleServices\*:** With Condition Based Service, you'll be automatically reminded of your next necessary service appointment on the vehicle screen. Provided you've consented, key vehicle data will be relayed to BMW automatically for analysis. Your assigned BMW service partner will access the information and contact you free of charge to make a service appointment as and when necessary. To access BMW Teleservices, the vehicle must be equipped with the optional Intelligent Emergency Call or ConnectedDrive Services. The service can be deactivated at any time you so desire, and you can change your service partner in the iDrive menu or ConnectedDrive portal. Find out more at [www.bmw.com/teleservices](http://www.bmw.com/teleservices)

### BMW FINANCIAL SERVICE.

**BMW Financial Services\*:** Mobility solutions to meet your needs. BMW Financial Services provides you with attractive leasing, finance and insurance options. To find out more, see the price list or go to [www.bmwfs.com](http://www.bmwfs.com). Your BMW partner will also be glad to draw up an individual offer for you in person.

### THE BMW EXPERIENCE.

**BMW TV\*:** [www.bmw.tv](http://www.bmw.tv) enables you to experience the BMW brand in all its diversity. Features, portraits and background reports provide you with information on automobiles, innovations, sports and lifestyle topics.

**BMW Driving Experience:** The better you control your BMW, the more enjoyment you will derive from driving it. Use our training courses to learn for yourself what it means to reach a car's physical limits on various types of surfaces, and what you have to do to control your vehicle even in extreme situations. For further information please visit [www.bmwdrivingexperience.com](http://www.bmwdrivingexperience.com)

**BMW Welt:** Picking up a car at BMW Welt has always ranked among the best moments for any driver. Turn this moment into one whole unforgettable day: experience the handover of your new BMW as just one part of a programme of activities perfectly tailored to your interests. At BMW Welt, the BMW Group plant, the BMW Museum, the BMW Group headquarters and the BMW Group Classic all combine to provide you with a great experience of an exciting history, a breathtaking present – and spectacular visions for the future. Find out more at [www.bmw-welt.com/en](http://www.bmw-welt.com/en)

**BMW Magazine:** In BMW Magazine, experience the newest BMW models in front of stunning backdrops. Discover new design trends, travel destinations and the richness of modern life. Encounter people with visionary ideas who are changing the world. Find out more at [www.bmw.com/magazine](http://www.bmw.com/magazine)

## SHAPING THE FUTURE – RESPONSIBLY.

In 2015, the BMW Group was once more listed in the Dow Jones Sustainability Index as the most sustainable automotive company worldwide. This makes BMW Group the only company in the automotive industry to be listed without interruption since the index was established. The development of efficient vehicle concepts and environmentally friendly production processes, including recycling, is an integral part of our philosophy. BMW EfficientDynamics and electric vehicles have enabled us to cut CO<sub>2</sub> emissions from our European new-vehicle fleet by more than 40% since 1995. We have also reduced the amount of resources used in production, such as water and energy, by 34% between 2006 and 2015, with a reduction to 45% of previous levels aimed at for 2020. In terms of other resources (such as volatile organic compounds, process wastewater and waste) our 45% target was met in 2014, and we will continue to work on further improvement. Production at our engine plant in Steyr has been waste-water free since 2007. And of course, at the end of its service life, every one of our vehicles can be easily and economically recycled. To return your end-of-life vehicle, please contact your BMW partner. For more information on this issue please visit our website.
