

THE 1972 LEMANS

LeMans Coupe
LeMans Hardtop Coupe
LeMans Sport Convertible
LeMans 4-door Sedan
LeMans 2-seat Station Wagon
LeMans 3-seat Station Wagon

SAFETY FEATURES

Occupant Protection

- Seat Belts with Pushbutton Buckles for all Passenger Positions
- Shoulder Belts with Pushbutton Buckles—Driver and Right Front Passenger (except convertible)
- Two Front-seat Head Restraints
- Energy Absorbing Steering Column
- Passenger-guard Door Locks with Forward-mounted Lock Buttons
- Safety Door Latches and Hinges
- Folding Seat-back Latches
- Energy Absorbing Padded Instrument Panel and Front and Intermediate Seat-back Tops
- Contoured Windshield Header (except convertible)
- Thick Laminate Windshield
- Padded Sun Visors
- Safety Armrests
- Safety Steering Wheel
- Cargo Guard
- Side-guard Beam
- Fuel Tank Impact Security
- Glove Box and Console Door Latch Impact Security
- Yielding Windshield Pillar Moldings
- Smooth Contoured Door- and Window-regulator Handles
- Soft, Low-profile Window-control Knobs, Coat Hooks, Dome Lamp
- Two Front-seat Belt Retractors
- Shoulder Belt Anchorages for Rear-seat Outboard Occupants
- Pressure-lock Radiator Cap
- High-strength, Front-seat Anchorages & Construction
- High-strength Rear-seat Retention
- Stamped Steel Door Hinges (at least 1 per door)

Accident Prevention

- Side Marker Lights and Reflectors (front side marker lights flash with directional signal)
- Parking Lamps that Illuminate with Headlamps
- Four-way, Hazard Warning Flasher
- Backup Lights
- Lane-change Feature in Direction Signal Control
- Windshield Defrosters, Washers and Dual-speed Wipers
- Wide-view, Inside, Day/Night Mirror (vinyl-edged, shatter-resistant glass and deflecting support)
- Outside, Rearview Mirror
- Dual Master Cylinder Brake System with Warning Light
- Starter Safety Switch
- Dual action Safety Hood Latches
- Headlamp aiming Access Provision
- Low-glare Instrument Panel Top, Inside Windshield Moldings, Wiper Arms and Blades and Metallic Steering Wheel Surfaces
- Safety Wheel Rims
- Uniform Shift Quadrant
- No Winged Wheel Nuts, Discs and Caps
- Self-adjusting Brakes

Anti-theft

- Anti-theft Ignition Key Warning Buzzer
- Anti-theft Steering Column Lock
- Multiple Key Combinations
- Visible Vehicle Identification
- Tamper-resistant Odometer with Telltale Feature

OTHER STANDARD FEATURES

- Bright Rocker Panel Moldings
- Bright Windshield Reveal Moldings
- Bright Rear-window Reveal Moldings (except convertibles)
- Carburetor Air Preheater
- Circ-L-Aire Heater and Defroster with Illuminated Controls
- Closed Crankcase Ventilation System
- Delco-Eye Energizer Battery
- Dome Light (except convertible)
- Evaporative Emission System
- Foam Front-seat Cushion
- Full-flow Oil Filter
- Labeled Instrument Panel Control Switches
- Radio-interference-suppression Ignition
- Recessed Windshield Wipers (except Coupe)
- Rotary Lock on all Instrument Panel Glove Compartments
- Twist-lock Exterior Lamp Sockets
- Windshield Antenna
- Self-regulating Alternator
- Side Window Reveal Moldings on Wagons
- Power-operated Convertible Top Mechanism
- Tempered Rear-window Glass in Convertibles

STANDARD EQUIPMENT— LEMANS SERIES

INTERIOR

- All-Morrokide, Custom Bucket Seats (convertible)
- Bench-type Front Seat in Cloth and Morrokide
- Courtesy Lamps Under Ends of Instrument Panel (convertible)
- Deluxe Steering Wheel
- Foam Front- and Rear-seat Padding
- Front-door, Dome-lamp Switches
- Nylon-blend, Loop-pile Carpet (hardtop coupe, convertible and 4-door sedan)
- Outboard, Front-seat Belt Retractors
- Safety Rear Armrests with Integral Ashtrays (hardtop coupe, convertible, and 4-door sedan)
- Upper-level Ventilation (hardtop coupe, convertible)
- Vinyl-coated, Molded-rubber Floor Covering (coupe)

EXTERIOR

- Chrome Front Valance Panel
- Concealed Windshield Wipers, Left Arm Articulated (hardtop coupe, convertible and 4-door sedan)
- Hubcaps
- Roof Drip Moldings (hardtop coupe)
- Vent Windows (coupe and 4-door sedan)
- Windshield Radio Antenna

POWER TRAIN & CHASSIS

Standard Engine:

250-cu.-in., Overhead-valve, 6-cyl., 1-bbl.

Available Engines:

- 350-cu.-in., V-8, 2-bbl.
- 400-cu.-in., V-8, 2-bbl.
- 400-cu.-in., V-8, 4-bbl.
- 455-cu.-in., V-8, 4-bbl.
- 455-cu.-in., V-8, H.O. 4-bbl. (2-door models only)

Standard Transmission:

3-speed Manual, Column Shift

Available Transmissions:

- 3-speed, Heavy-duty, Manual, Floor Shift (with V-8 engine only)
- 4-speed Manual (with V-8 engine only)
- 4-speed, Heavy-duty Manual, Close Ratio (V-8 only)
- Automatic (with 6-cyl. or 350 cu.-in., V-8 engines only)
- Turbo Hydra-matic

Standard Axle Ratio:

3.23:1

Standard Tires:

F78—14 Black

Standard Steering:

Manual

Brakes:

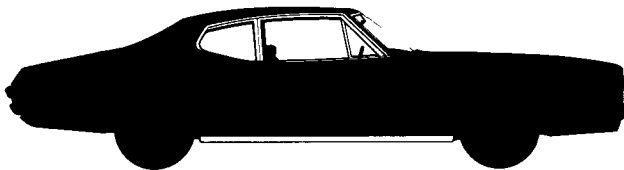

Manual

- Windshield and Rear-window Moldings

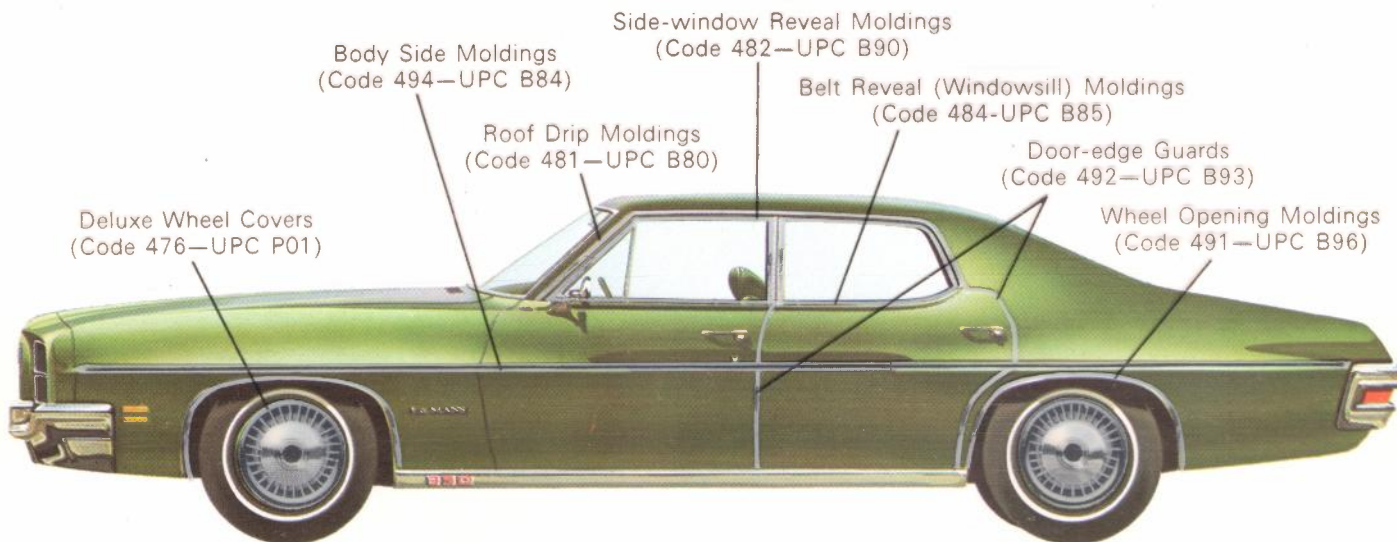

AVAILABLE MOLDINGS

- Body Side Moldings (except with available wood grain panelling)
- Door-edge Guards
- Hood Rear-edge Moldings
- Roof Drip Moldings

LE MANS FEATURES

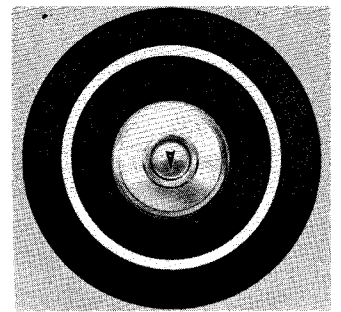

The LeMans has a newly designed grille for '72. A formed steel header panel separates the split grille and extends outward to surround the grille and the headlamps. LeMans has a single-bar front bumper which wraps around to the front side marker lights. A chrome-plated, heavy-gauge steel valance panel adds to the massive appearance. Concealed windshield wipers are standard on all models except the coupe.

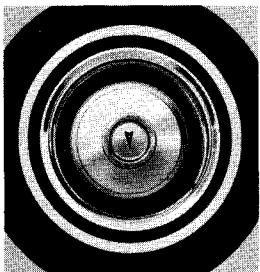

The wide, wraparound rear bumper houses horizontal taillights. Rear, side

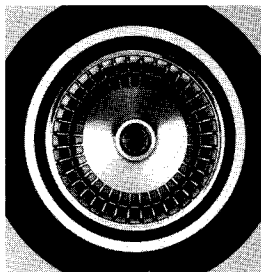

marker lights are incorporated into the wraparound taillight assembly.

Hubcaps are standard on LeMans and LeMans Station Wagons.

Hubcaps with trim rings are available on LeMans and LeMans Station Wagons.

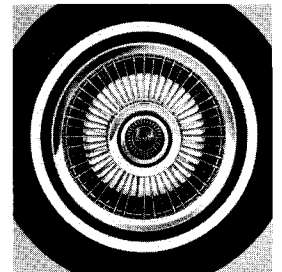

Deluxe Wheel Covers are available on LeMans and LeMans Station Wagons.

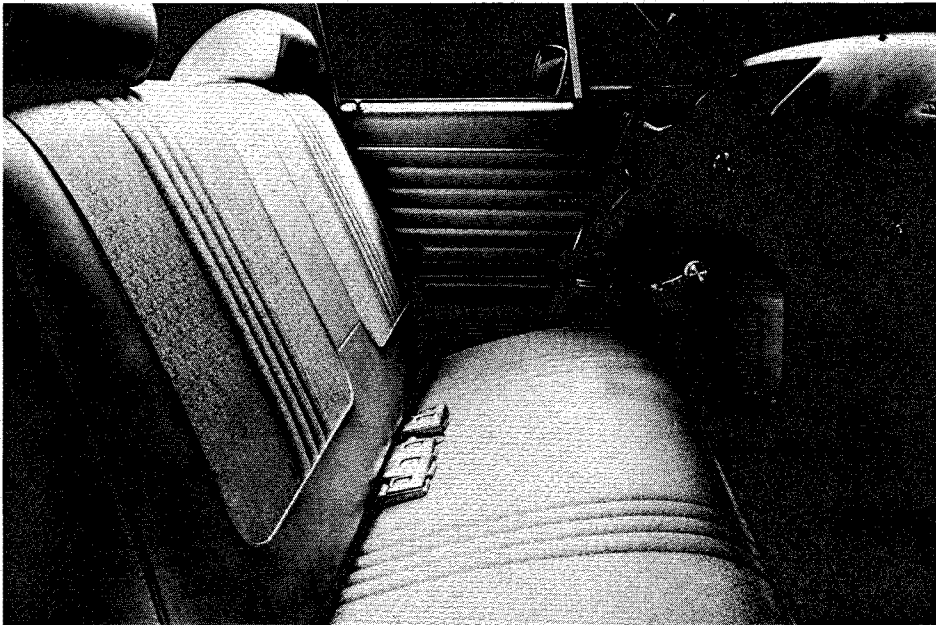

Rally II Wheels with trim rings are available on LeMans and LeMans Station Wagons.

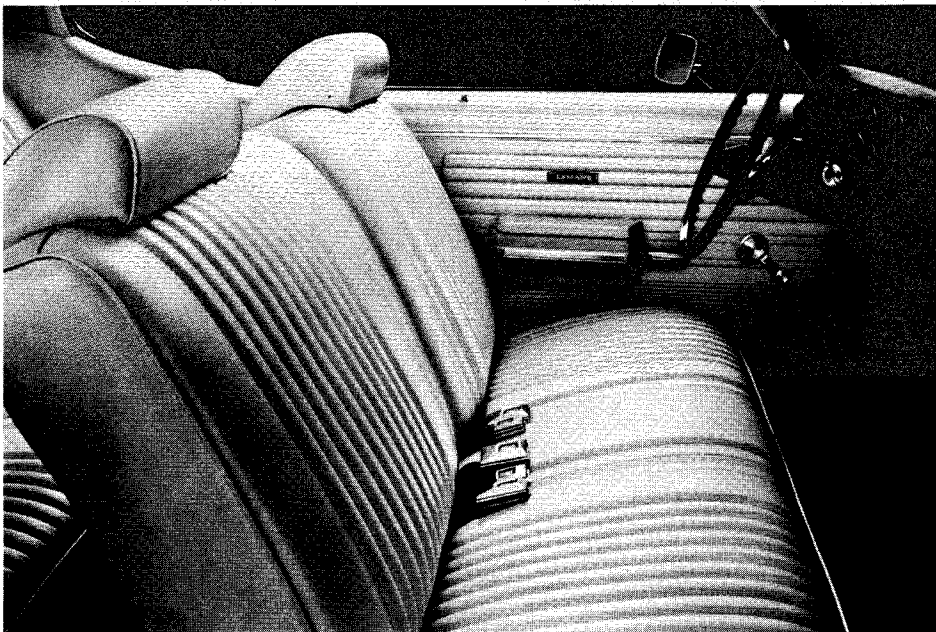

Honeycomb Wheels with trim rings are available on LeMans.

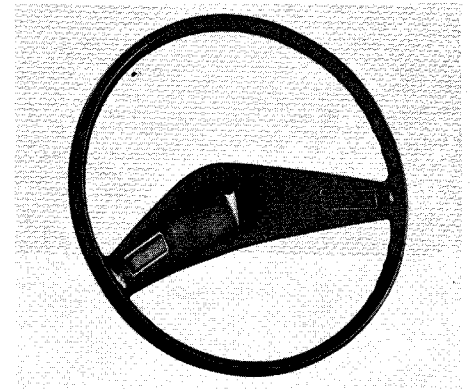

Wire Wheel Covers are available on LeMans and LeMans Station Wagons.

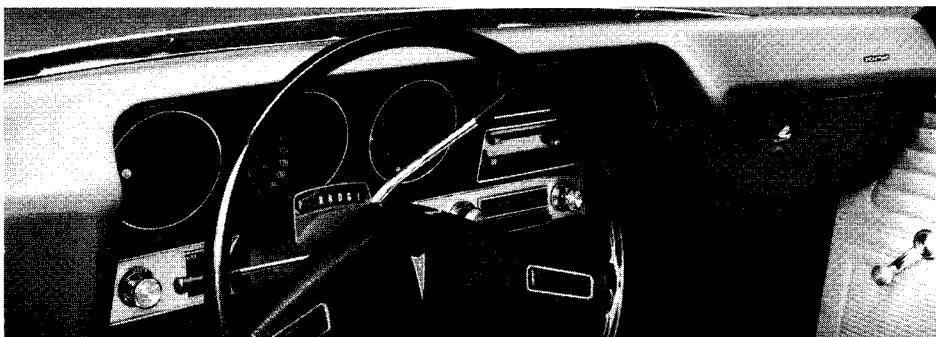

The standard LeMans bench seat is upholstered in Piccard Pattern Cloth with Morrokide trim. Colors are Blue, Green, Covert Beige, Ivory, Saddle and Black. Nylon-blend, loop-pile carpeting is standard on all except the LeMans Coupe. Front armrests are padded with lift-type handles. Safety rear armrest with integral ashtrays are standard on all but the LeMans Coupe.

A custom interior trim of Morrokide is available on LeMans.

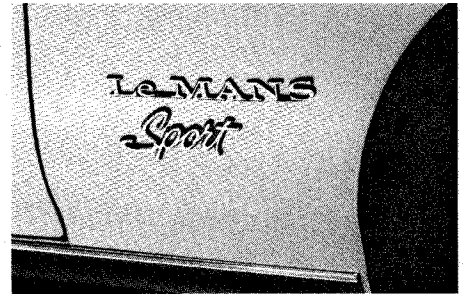

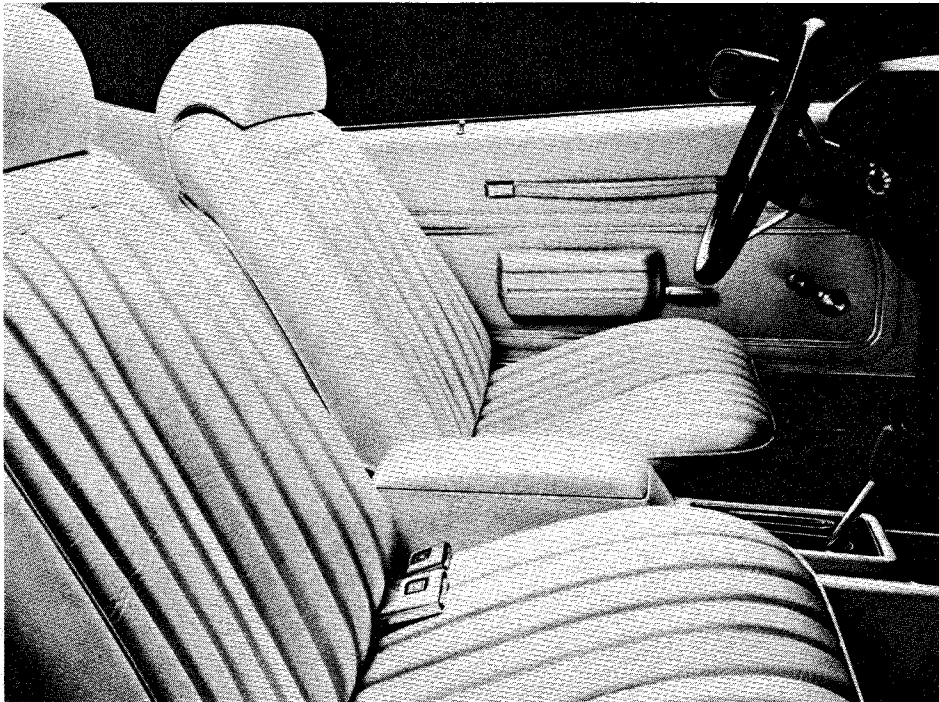

Standard on the LeMans is the **Deluxe Safety Steering Wheel**. It has a recessed center for greater protection. Horn bars are at spoke ends.

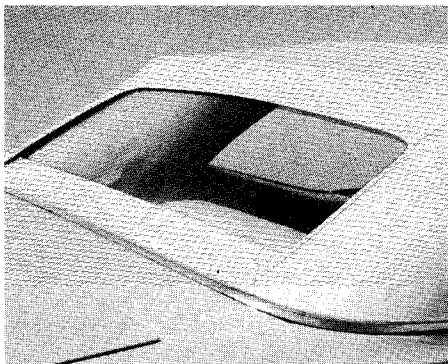

The instrument panel on the LeMans is trimmed in teak wood grain appearing vinyl. Standard instrumentation includes telltale lights for oil, water and alternator, fuel gauge, speedometer and brake warning light.

LE MANS SPORT CONVERTIBLE FEATURES

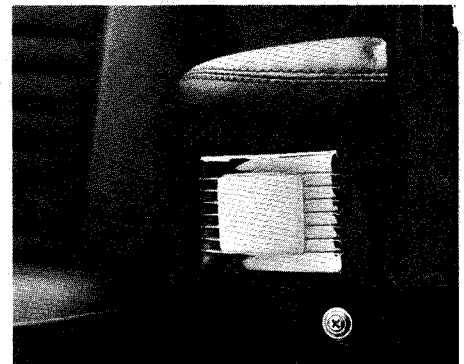

The Le Mans Sport emblem appears on the front fenders just behind the wheel openings.

Interior trim on the Le Mans Sport Convertible comes in all-Morrokide bucket seats with matching door panels. Front armrests are padded with lift-type door handles. Pull straps are located above the armrests. Rear armrests are padded with integral ashtrays. Nylon-blend, loop-pile carpeting is standard. Seat colors may be ordered in Pewter, Ivory, Saddle, Green or Black. Console, Custom Sports Steering Wheel shown are not included but are available.

The power-operated top includes a shatter-resistant, $\frac{1}{8}$ "-thick, tempered-glass rear window. Window does not have to be lowered when top is lowered. There are no problems with weathering or vision-reducing clouding. It requires no more maintenance than glass.

Rear-quarter interior lamps are standard on the convertible.

LE MANS PERFORMANCE OPTIONS

HANDLING PACKAGE (Code 724—UPC Y99)

For the tight, quick responsive feel of the GTO, a special handling package is available on the LeMans Coupe and LeMans Hardtop Coupe. Included are:

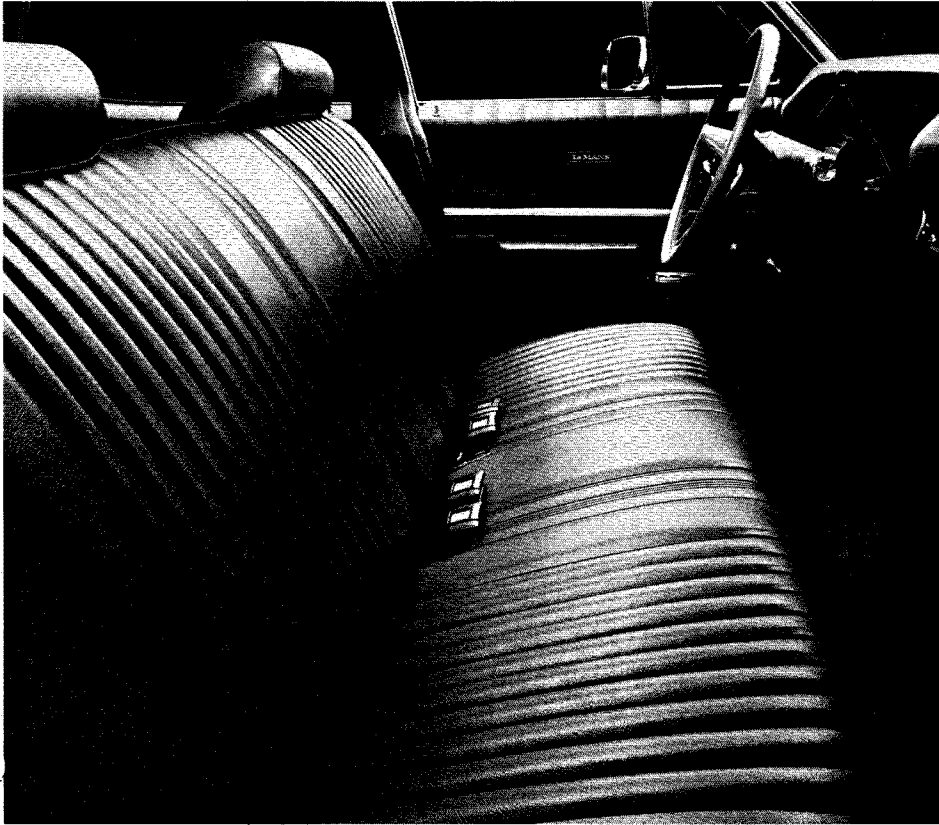

- Fast, Variable-ratio Power Steering
- G60—15 White-lettered Tires on 15 x 7 Steel Disc Wheels
- Firm Shocks
- Large Front and Rear Stabilizer Bars

WW4 OPTION (Code 702)

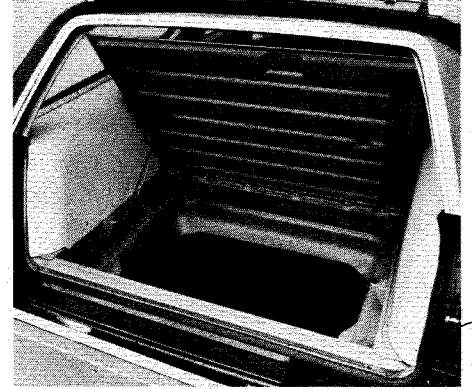

Available on the LeMans Coupe and LeMans Hardtop Coupe, the WW4 Option includes all items listed in the handling package (left), plus:

- 400-cu.-in., V-8, 4-bbl. Engine
- 4-speed Manual Transmission
- Safe-T-Track Rear Axle
- Power Front Disc Brakes
- Carpeting (standard on hardtop coupe)
- Fast-rate Variable-ratio Power Steering

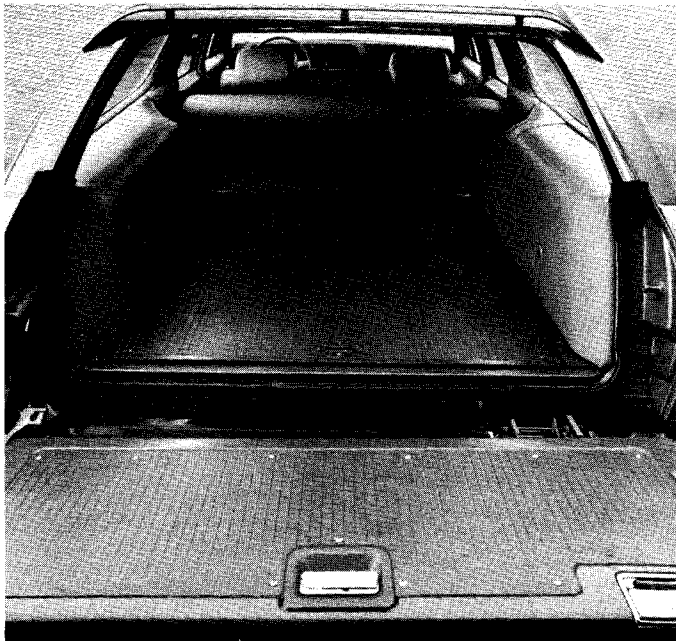

LE MANS STATION WAGON FEATURES

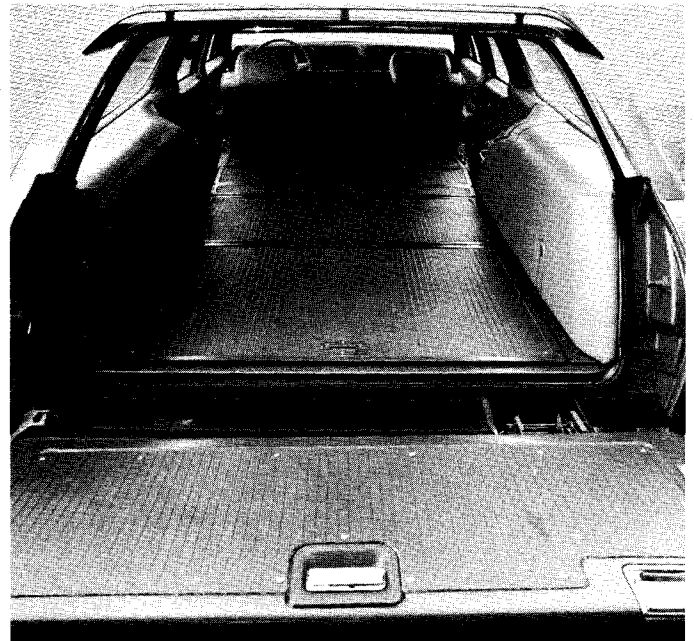

Seats and door panels in LeMans Station Wagons are all-Morrokide. Armrests are padded with lift-type handles. Second-seat armrests are padded and have integral ashtrays. Carpeting is standard. On 3-seat models, the third-seat foot well has a rubber mat. This seat folds flush with the rear cargo floor.

This concealed, subfloor storage compartment is located at the rear of the load area on all LeMans Station Wagons. A lock can be ordered so smaller articles can be safely stowed.

Even with the second seat up, LeMans Station Wagon has plenty of cargo space for luggage, groceries and tools. The tailgate is dual-hinged to swing open like a door or open flat in the conventional manner. A special built-in step is exposed when the gate is swung open like a door.

With the second seat folded down, there's ample room to carry camping supplies, step ladders, garden tools and many other items important to vacationers and do-it-yourself homeowners alike.

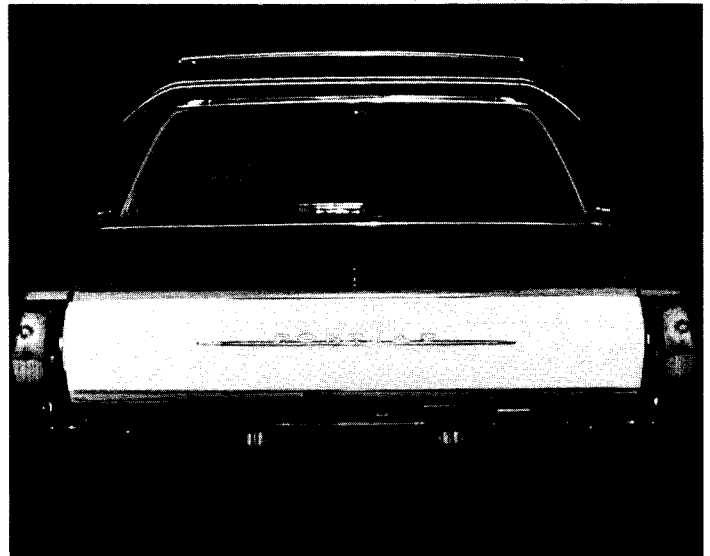

LEMANS STATION WAGON FEATURES

The dual-hinged tailgate is standard on LeMans Station Wagons. It can be swung open like a door, or opened flat in the conventional manner. A special, built-in step is exposed when the tailgate is opened like a door.

Wood grain side panelling, available on both LeMans Station Wagons, has a new, redder, warmer walnut color. The texture of the wood grain is translucent, so the color of the paint underneath shows through, making the panelling seem more an integral part of the car.

The reflective wood grain tailgate is part of the side panel option. At night, it reflects the headlights of other cars and looks like a horizontal bar of light. In daylight, it appears to be conventional panelling.

1972 LE MANS SPORT OPTION

SAFETY FEATURES

Occupant Protection

- Seat Belts with Pushbutton Buckles for all Passenger Positions
- Shoulder Belts with Pushbutton Buckles—Driver and Right Front Passenger (except convertibles)
- Two Front-seat Head Restraints
- Energy Absorbing Steering Column
- Passenger-guard Door Locks with Forward-mounted Lock Buttons
- Safety Door Latches and Hinges
- Folding Seat-back Latches
- Energy Absorbing Padded Instrument Panel and Front Seat-back Tops
- Thick Laminate Windshield
- Padded Sun Visors
- Safety Armrests
- Safety Steering Wheel
- Cargo Guard
- Side-guard Beam
- Fuel Tank Impact Security
- Glove Box and Console Door Latch Impact Security
- Yielding Windshield Pillar Moldings
- Smooth Contoured Door- and Window-regulator Handles
- Soft, Low-profile Window-control Knobs, Coat Hooks, Dome Lamp
- Two Front-seat Belt Retractors
- Shoulder Belt Anchorages for Rear-seat Outboard Occupants
- Pressure-lock Radiator Cap
- High-strength, Front-seat Anchorages & Construction
- High-strength Rear-seat Retention
- Stamped Steel Door Hinges (at least 1 per door)

Accident Prevention

- Side Marker Lights and Reflectors (front side, marker lights flash with directional signal)
- Parking Lamps that Illuminate with Headlamps
- Four-way, Hazard Warning Flasher
- Backup Lights
- Lane-change Feature in Direction Signal Control
- Windshield Defrosters, Washers and Dual-speed Wipers
- Wide-view, Inside, Day/Night Mirror (vinyl-edged, shatter-resistant glass and deflecting support)
- Outside, Rearview Mirror
- Dual Master Cylinder Brake System with Warning Light
- Starter Safety Switch
- Dual-action Safety Hood Latches
- Headlamp-aiming Access Provision
- Low-glare Instrument Panel Top, Inside Windshield Moldings, Wiper Arms and Blades and Metallic Steering Wheel Surfaces
- Safety Wheel Rims
- Uniform Shift Quadrant
- No Winged Wheel Nuts, Discs and Caps
- Self-adjusting Brakes

Anti-theft

- Anti-theft Ignition Key Warning Buzzer
- Anti-theft Steering Column Lock
- Multiple Key Combinations
- Visible Vehicle Identification
- Tamper-resistant Odometer with Telltale Feature

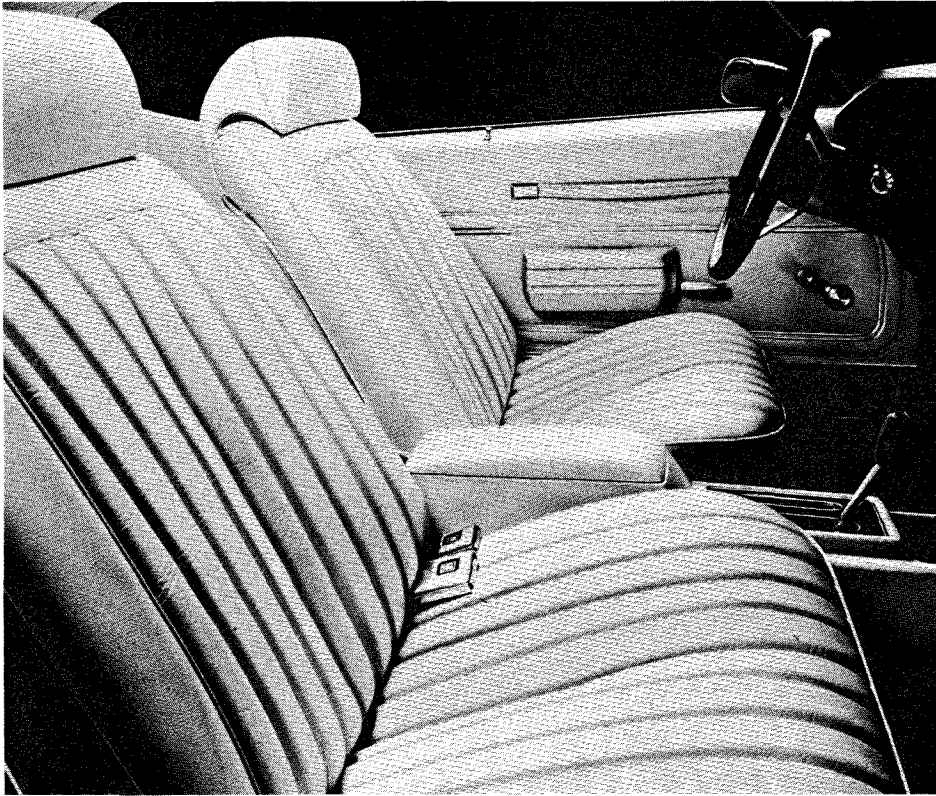

OTHER STANDARD FEATURES

- Bright Rocker Panel Moldings
- Bright Windshield Reveal Moldings
- Bright Rear-window Reveal Moldings (except convertibles)
- Carburetor Air Preheater
- Circ-L-Air Heater and Defroster with Illuminated Controls
- Closed Crankcase Ventilation System
- Delco-Eye Energizer Battery
- Dome Light (except convertibles)
- Dual-speed, Parallel-action Windshield Wipers
- Evaporative Emission System
- Foam Front-seat Cushion
- Full-flow Oil Filter
- Labeled Instrument Panel Control Switches
- Radio-interference-suppression Ignition
- Recessed Windshield Wipers
- Rotary Lock on all Instrument Panel Glove Compartments
- Twist-lock Exterior Lamp Sockets
- Windshield Antenna
- Self-regulating Alternator
- Power-operated Convertible Top Mechanism
- Tempered Rear-window Glass in Convertibles

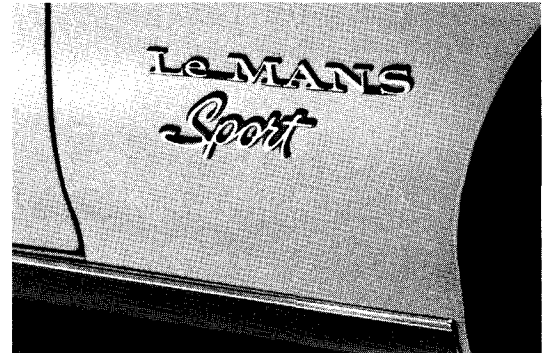

LE MANS HARDTOP COUPE (D37X)
WITH SPORT OPTION

LE MANS SPORT OPTION

The LeMans Sport Option, available on the Hardtop Coupe, includes all-Morrokide bucket seats with matching door panels. Front armrests are padded with lift-type door handles. Pull straps are located above the armrests. Rear arm-

rests are padded and have integral ashtrays. Nylon-blend, loop-pile carpeting is standard. Seat colors may be ordered in Pewter, Ivory, Saddle, Green or Black. Console and Custom Sports Steering Wheel are available at extra cost.

The LeMans Sport emblem appears on the front fenders just behind the wheel openings.

GTO OPTION

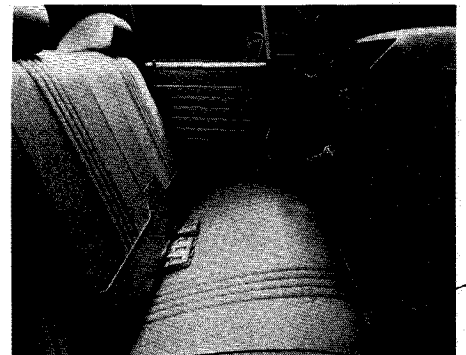

The GTO (Code 334—UPC W62) is available as an option on the LeMans Coupe and LeMans Hardtop Coupe. It includes the following items.

- Heavy-duty, 3-speed Manual Transmission with Floor Shift.
- 400-cu.-in., V-8, 4-bbl. Engine
- G70—14 Black Tires on Steel Disc Wheels
- Dual Exhausts with Side Splitters
- Endura Front Bumper
- Special Hood with Air Scoops
- Front Fender Air Extractors
- Firm Shocks
- Large Front and Rear Stabilizer Bars
- "GTO" Decal Identification
- Swirled-finish Aluminum Instrument Panel
- Lower Trim Plate

Chrome side splitters are new on the GTO for '72. These outlets for performance dual exhausts exit under the rear quarter panels behind the rear wheels.

A new grille has been designed for the '72 GTO and bright, four-bar bezels have been added to the parking lamps. The front end has long, twin air scoops that open at the front of the hood, and the famous energy absorbing Endura front bumper, which resists scratching, chipping and corrosion. Headlamps have separate, reinforced fiberglass mountings.

The standard GTO bench seat is upholstered in Piccard Pattern Cloth with Morrokide trim. An all-Morrokide bench seat is available. Also available are Custom Bucket Seats of knit vinyl and expanded Morrokide.

Functional air extractors, just behind the front-wheel openings, are part of the GTO Option, and help to prevent air-pressure buildup under the hood

WW5 OPTION (Code 705)

This option is available only when the GTO Option is ordered. It includes the following items:

- 455-cu.-in., V-8, 4-bbl. H.O. Engine
- Turbo Hydra-matic or 4-speed Manual Transmission
- Safe-T-Track Rear Axle
- Right- and Left-hand Body-colored Outside Mirrors with Left-hand Remote-controlled (Hardtop coupe only.)
- Formula Steering Wheel
- Bright Roof Drip Moldings
- Power Front Disc Brakes
- Carpeting (standard on hardtop coupe)
- Rally Gauge Cluster with Instrument Panel Tachometer
- Handling Package
- "GTO/H.O." Identification
- Unitized Ignition System
- Hood Ram Air

STANDARD MOLDINGS

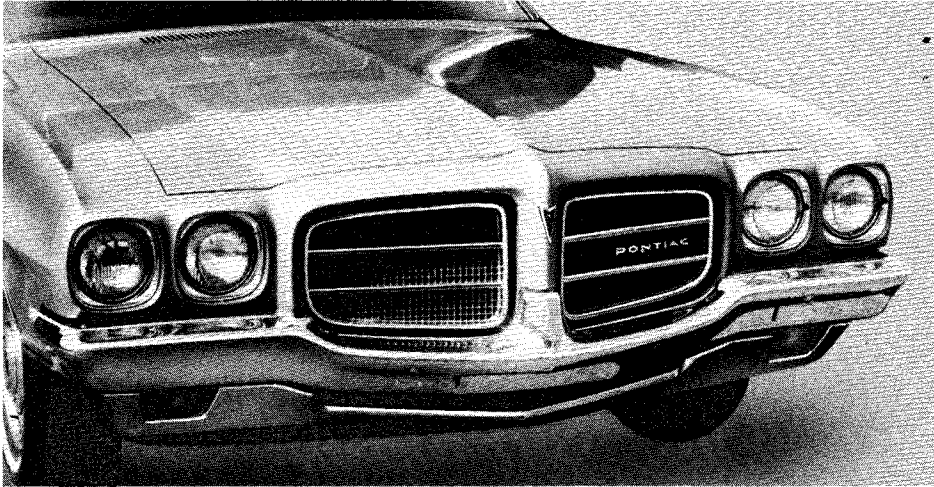

- Front Wheel Opening Moldings (rear wheels have opening covers)
- Hood Rear-edge Molding
- Horizontal Rear Deck Molding
- Lower Body Side Moldings
- Roof Drip Moldings

AVAILABLE MOLDINGS

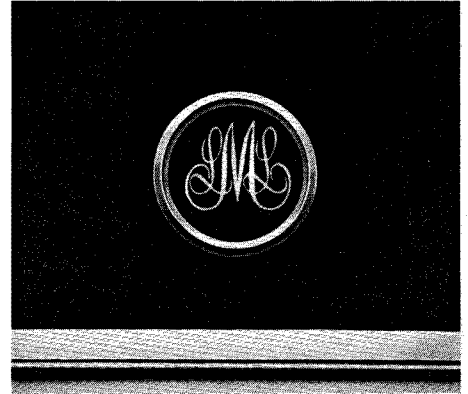

- Door-edge Guards

LUXURY LE MANS FEATURES

The Luxury LeMans has its own distinctive grille with horizontal bars surrounded by two, half frames on each side. A separate header panel accents the split-grille appearance, and extends outward to frame the grille and headlamps. The

single-bar front bumper, with a chrome-plated, heavy-gauge steel valance panel, wraps around to the front side marker lights. Parking lamps are set in the valance panel.

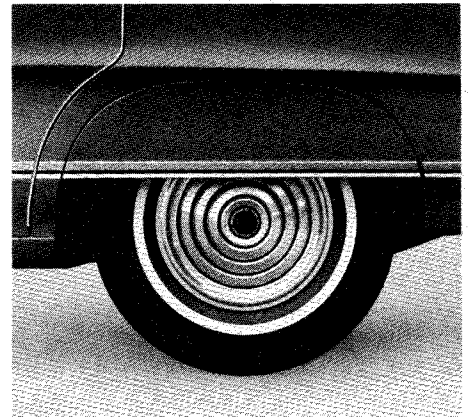

A monogram, which appears on each sail panel, also distinguishes the Luxury LeMans.

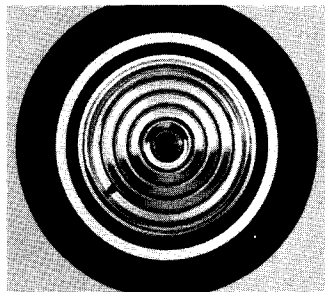

A bright-metal, horizontal, rear-deck molding follows the bumper as it wraps around the body. Wide, horizontal, wraparound taillights, which incorporate

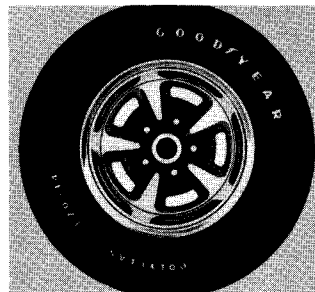

rear side marker lights, typify the Luxury LeMans styling. Side marker lights have bright vertical bars. The "Pontiac" name appears on the rear-deck moldings.

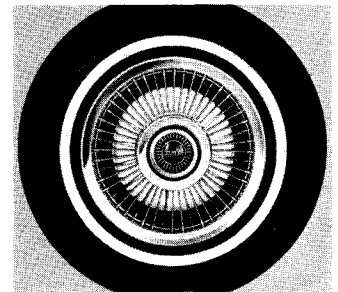

Rear wheel opening covers or fender skirts are standard on this series.

Deluxe wheel covers are standard.

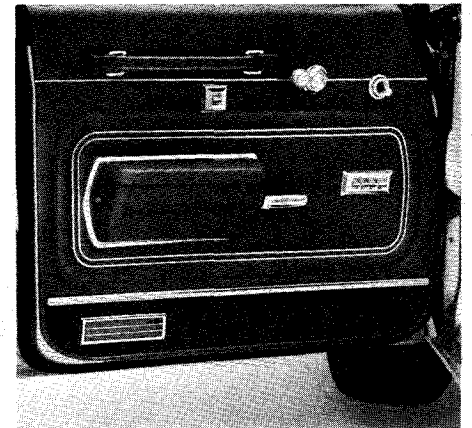

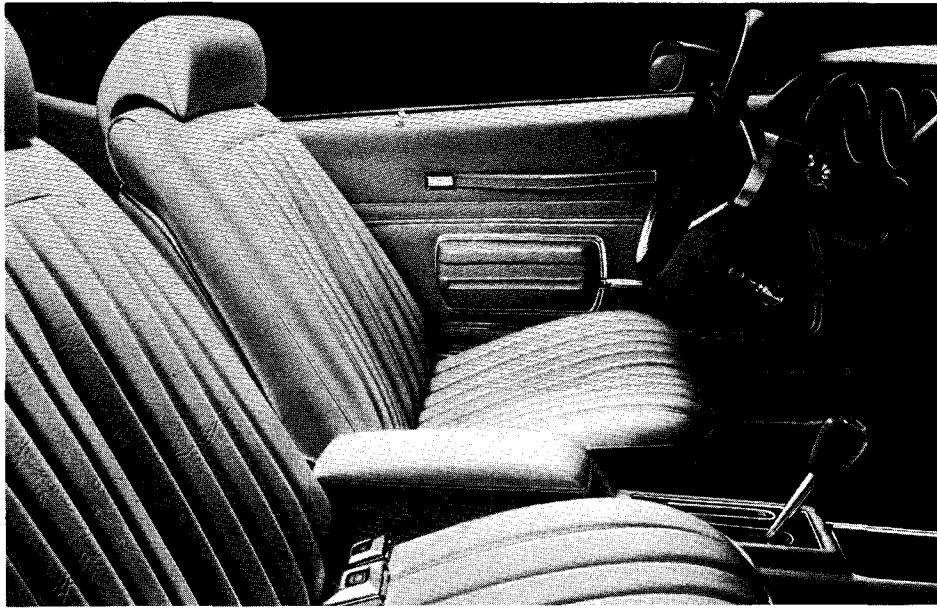

Rally II wheels with trim rings are available on the Luxury LeMans.

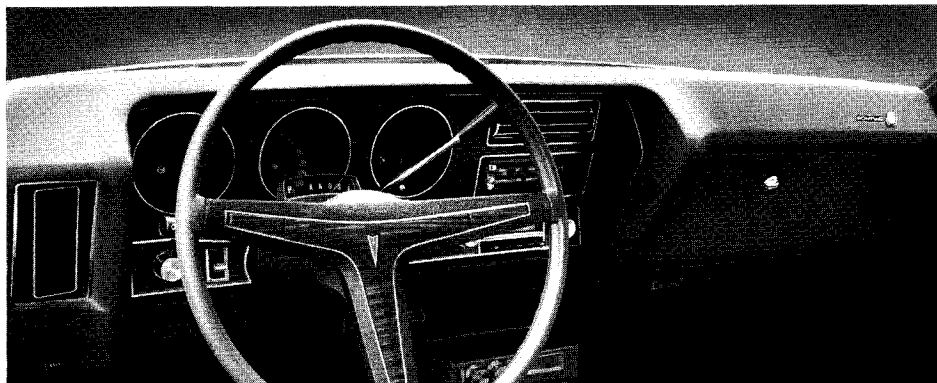

Also available are wire wheel covers.

A choice of three interiors is offered with the Luxury LeMans. The Notch-back bench seat comes in Potomac Pattern Cloth with Morrokide trim, or in elk Morrokide and Madrid Morrokide. Also offered, are Custom Bucket Seats of elk Morrokide and Madrid Morrokide. Custom Bucket Seats are available on the hardtop coupe only.

Carpeted lower door panels, padded armrests with bright backing and pull straps, plus front-door safety reflectors, are standard interior trim features on the Luxury LeMans.

A Custom cushion steering wheel is standard on this series. Wood grain inserts on the spokes match the teak vinyl instrument panel applique. The rim is covered with cushioned vinyl for greater comfort during long-distance driving. Horn buttons are on each spoke. The instrument panel gauges include oil, water and alternator telltale lights; brake warning light; fuel gauge and speedometer.

1972 PONTIAC
