CHRISTMAS FAIR – FIGHELDEAN VILLAGE HALL – 17TH NOVEMBER 2010

Our 12th annual Christmas Fair is being held at Figheldean Village Hall
 on Wednesday 17th November 2010 from 10 am until 3 pm.

Don't forget the date – it's a wonderful opportunity to get lots of ideas for Christmas and to find that very special gift. Once again there will be a wide variety of stalls with something for everyone; ladies, gentlemen and children. So join us for this special shopping bonanza and at the same time support essential research into fighting Cancer.

Light refreshments will also be available.

The entrance fee is £2.50, all of which goes directly to Cancer Research UK.

Thank you for your continued support, with your help we really can fight cancer.

DURRINGTON & DISTRICT LINK SCHEME

This is a voluntary 'good neighbour' scheme which covers several villages in the Avon valley providing help to those in need in various ways.

For example:

transporting people to hospital and other appointments, shopping and social visits. If we take you to an appointment we will take care of you throughout the journey and will return you back to your home. No matter how long we have to wait for you.

Practical help carrying out small house or garden jobs, walking a dog or feeding a cat.

Calling in for a chat and providing company or perhaps accompanying someone on a walk.

We do not charge for any of these services, we just ask for a donation if you can afford it.

The Durrington & District group has expanded recently but we would still welcome volunteers who may wish to provide assistance as outlined above. There are no set requirements, we can fit in with the time you have available; you do not even have to be a driver as there are non driving jobs by which you can provide a valuable contribution. If however you are able to use your own vehicle you will receive a mileage allowance for any tasks that you carry out on our behalf

If you would like to find out more about LINK or wish to volunteer to help us, please telephone us on 01980 594857 or call our Chairman on 01980 670748

WILTSHIRE COUNCIL – Working for YOU

In line with a new initiative, Wiltshire Council has agreed to pay 5p for every mile travelled by Link drivers. This will mean that Durrington and District Link will pay volunteers 35p per mile out of donations and Wiltshire Council will be making it up to 40p per mile with the agreed 5p. This subsidy applies to all Link Schemes throughout the County and recognises the valuable service given by so many people to help their neighbours get to hospitals, surgeries, shopping and other journeys which some people would find impossible to undertake without this help.

Mary Towle, Chairman, Durrington & District Link and Good Neighbours Scheme.

UPAVON GOOD COMPANIONS

Anyone over 50 is welcome to join the Upavon Good Companions

The last outing this year is on Tuesday November 9th to Poole for Xmas shopping. Non—members are welcome to come on the outings to help fill the coach.

Avon Valley Churches and All Saints, Durrington

For some years now the six parishes of the Avon Valley (Bulford, Milston, Figheledean, Netheravon, Fittleton and Enford) have had the Reverend Colin Fox as their Vicar, living in the Vicarage at Netheravon. Colin is now approaching retirement and will leave us at the end of July next year.

It is proposed that from that point the Avon Valley parishes will formally join with the parish of All Saints Durrington to make a new team of seven churches. Each parish will still have its own PCC and there will be a Team Council with representatives from all the churches. It is proposed to call the new team "The Avon River Team".

The Reverend Mark Zammit, Rector of Durrington, will be the new Team Rector living in the Durrington Rectory. A new Team Vicar will be appointed who will live in the Netheravon Vicarage. We will then be seven parishes, with two paid clergy, as well as the voluntary clergy, Rev Rachel Bussey and Rev Ann Keating. The staff also includes the two Lay Ministers, Christine Powne and Chrysogon Bamber, and Tina Draycott who is in training for ordination. The clergy are already taking services across the seven parishes, and we are beginning to work together and do things together much more.

The present PCCs have approved this arrangement and it will go for formal outline approval by diocese in November. After that public notices will be displayed on the village notice boards, and anyone can comment on the scheme. When the consultation period is ended we hope the scheme will then be legally constituted on 31st July 2011. If you have any comments about this arrangement then do contact Rev Colin Fox (01980 670326) or the Reverend Mark Zammit (01980 653953).

LOCAL POLICING

Well done to Community Speed Watch who have the highest level of recorded speeding vehicles in the County.

There has been a change in the law concerning the release of information about people who could be a risk to children. As of this month, "Any person can enquire about a person who has some form of access to or connection with a child. This could include any third party such as a grandparent, neighbour or friend. This is to ensure any safeguarding concerns are thoroughly investigated. A third party person making an enquiry would not necessarily receive disclosure, a more appropriate person may be a parent, guardian or carer. It should be noted that when it comes to the point of disclosure, this disclosure will only be made to the individual who is in a position to use that information to safeguard the child (usually a parent, carer or guardian), who may not always be the original applicant."

So anyone with concerns about any adult's suitability to have access to children can come to the Police with their concerns, the Police will carry out checks, but will report any findings, not to the person who approached the Police, but to the child's parent, in strictest confidence.

Local crimes have included an attempt theft of heating oil from Coombe, damage to a car in Waters Lane, Enford, and puncturing a bicycle secured to a bus stop on the A 345 Enford Hill.

Well I did not know that!!!

We have lived here in Enford for nearly 8 years and we have enjoyed every minute of it.

We have over the years listened on certain Sundays to the Enford Church bells ringing. Being newcomers to Enford I always assumed that 'the bells' were an electrical recording. It was not until recently that I was put right and that the peel of bells was real. On Sunday 17th October at 10.15am I had the privilege to be invited into the bell tower by the Captain of the bells Mr. Alan Cook. I was invited to stay, watch and listen whilst Mr. Cook and his team of campanologists went through their regular routines.

I am led to understand that one of the bells dates back to around Oliver Cromwell's time. It was a wonderful experience and I thank Mr. Alan Cook and his team for allowing me to be with them. I have been invited back at a later date to see and hear more. I am sure you will join me in giving Mr. Cook and his team a round of applause for these are the people we don't see but just hear their bell ringing. I will keep you posted on my next visit to the Enford Church belfry!!

ALL SAINTS ENFORD CHURCH

This month of November is very often referred to as the month of Remembrance. All Saints' Day on 1st November is followed at once by All Souls' Day when we call to mind all those who have loved and cared for us. It is important for us to remember and to celebrate our past as it roots in us who we are and what is important about our national identity.

This month of November is very often referred to as the month of Remembrance. All Saints' Day on 1st November is followed at once by All Souls' Day when we call to mind all those who have loved and cared for us. It is important for us to remember and to celebrate our past as it roots in us who we are and what is important about our national identity.

11th November falls on a Thursday, when many will keep a two minute silence. On Sunday, 14th November, we will hold Remembrance services in all our different churches (see list at the back of the magazine).

Remembrance is not just about the past. In the Jewish tradition, at a festival such as Passover, the past is recalled through the telling of a story so that it becomes real and alive in the present and effective in directing our life in the future.

The same with Holy Communion (The Eucharistic Prayer) which reminds us of the saving acts of God in creation and redemption – that through Christ we may be reconciled with God and share in his divine life here and in eternity.

So Remembrance brings us to think about our calling, our reliving, our rededication and our hope for the future. We need to be reminded of the horrors of war, the heroism of individuals through their stories, through music and through silence, so that these can become real in the present, influencing us to work for peace and the welfare of others. Remembrance is such an important occasion that it must never lose its religious dimension.

Colin Fox

A PRAYER OF THANKSGIVING

We give you thanks for the courage, devotion to duty and self-sacrifice of those who, in past conflicts, gave themselves that we may live in peace.
We pray for all who witness and make sacrifices today and challenge us to work peace so that every human life may be valued for Jesus Christ's sake. *Amen.*

ENFORD GARDENING CLUB

October meeting report

Mark Fife came along to the village hall on Thursday 14th October to give us a very informative talk about honey bees which was fascinating and interesting.
 Mark is very knowledgeable about honey bees and their habits, and explained alot about their nature, including how they communicate with each other using the 'waggle dance' and interesting facts such as that one bee will make 1/10 of a teaspoon of honey during her lifetime, and will visit 50 - 100 flowers in one trip!
 Mark keeps up to 10 hives on the Plain around this area, including some in Enford, so his honey is truly local; and he brought some along for sale on the evening.

There will possibly be a further opportunity to meet Mark as we hope to invite him to come and talk to the Club again in the Spring. If you were unable to attend on the evening, but are interested in coming along next time, let me know and I'll advise you of the date as soon as we have it.

THE HIND'S HEAD, BRAY

Wanting to meet my London daughter for lunch somewhere between there and Enford, I selected Bray as a good meeting place, and what a choice we had! Heston Blumenthal's 'The Fat Duck,' (at £150 per head—no thanks!) - 'The Waterside Inn' of Michel Roux fame (with his uniformed porter at the door) which was not what we had in mind, or a couple of pubs. We chose brilliantly- 'The Hind's Head', which is also owned by Heston Blumenthal, is an ancient pub with plenty of dark and polished paneling, fires burning brightly, beams and low ceilings, and most importantly comfortable chairs.

We arrived quite early as Harriet had to be back in London to collect children from school, and it was pleasing that the food came quickly as the ratio of staff to customers was marvelous—several young men in black shirts, all of whom were charming and helpful.

Having ordered a glass of wine, we got down to the serious business of studying the menu and I am pleased to say it was not too long. As time was limited we decided not to go for starters and I ordered my old favourite—mussels in cream and parsley sauce. It came in either starter or main course size and I opted for the larger one which was probably a mistake as the helping was enormous but truly delicious. Harriet chose chicken, ham and leek pie with a mustard sauce and with it she had spicy red cabbage and 'triple-cooked chips' for which the Blumenthal empire is apparently famous. It was so good that I think she is planning a return visit to have the same again! Other options were plaise with an artichoke puree, oxtail and kidney pudding, powdered duck leg (I can't imagine what that was), several different steaks, and of course a vegetarian choice.

We were offered the pudding menu, but decided enough was enough. Coffee came with mouth-watering little chocolates. The bill came to £27 per head including a glass of wine each. We could have gone for cheaper options, but we both chose what we really wanted. We were delighted to have such special food at a fraction of the price of the sister establishment up the road. This is a pub where the ambience is such that you feel happy and relaxed. Would I go back?? Yes ! Indeed I would !!!!!

Some November Poems

How silently they tumble down
And come to rest upon the ground
To lay a carpet, rich and rare,
Beneath the trees without a care,
Content to sleep, their work well done,
Colours gleaming in the sun.

At other times, they wildly fly
Until they nearly reach the sky.
Twisting, turning through the air
Till all the trees stand stark and bare.
Exhausted, drop to earth below
To wait, like children, for the snow."

No sun - no moon!
No morn - no noon -
No dawn - no dusk - no proper time of
day.
No warmth, no cheerfulness, no healthful
ease,
No comfortable feel in any member -
No shade, no shine, no butterflies, no
bees,
No fruits, no flowers, no leaves, no birds!
-
November!

"November comes
And November goes,
With the last red berries
And the first white snows.

With night coming early,
And dawn coming late,
And ice in the bucket
And frost by the gate.

The fires burn
And the kettles sing,
And earth sinks to rest
Until next spring."

"So dull and dark are the November days.
The lazy mist high up the evening curled,
And now the morn quite hides in smoke and haze;
The place we occupy seems all the world."

TRAINING ON SPTA

Training in November will return to a more normal level after the peak during October. In the first week the Land Warfare Centre will mount two armoured reconnaissance exercises. 8 - 20 November sees the Field Training Unit (UK) running a new exercise WESSEX THUNDER with 1st Battalion the Yorkshire Regiment Battle Group based in Germany. 1 YORKS will be training in the light role using the Area Weapons Effect System. The battle group will have a limited number of operational wheeled armoured vehicles and Warrior armoured infantry vehicles. Disruption should be minimal however there will be air activity both day and night mainly involving helicopters. On 17 and 18 November the Armoured Troop Commanders Course will deploy onto the West on exercise FIRST VIEW with Challenger 2. 22 – 26 November sees sub-units from three locally based units carrying out low level training. Activity will be spread across the whole Plain with the Kings Royal Hussars (Challenger 2) and 3rd Battalion The Yorkshire Regiment (Warrior) in the West and 2nd Battalion The Welsh Regiment (Warrior) in the Centre. Key non-military events will include the Tidworth and Bulford Garrison Bonfire Night at Old Carter Barracks on 4 November and the Tidworth 10k Fun Run in the Sidbury Hill area on Sunday 7 November.

FIRING NOISE

The main source of noise complaints is the live firing of 155mm AS90 (Artillery System of the 90s) self propelled guns. The firing is closely managed to ensure that legal noise limits are not exceeded and disturbance is minimised. Although some may find the noise intrusive, it is well below legal limits.

Late Firing Days on Larkhill & Westdown Ranges 2nd, 4th, 9th, 11th, 16th, 18th, 23rd, 25th, 30th.

Live Firing from the Chitterne, Shrewton & Tilshead Triangle 29th, 30th.

Complaints about Firing Noise should be made to (01980) 620819.

MILITARY FLYING

With the increase in training for operations there has been a significant increase in military flying. Helicopters, Hercules (C130) and fast jets may be active in all areas of SPTA 8th – 19th November. CAS possible throughout EX Wessex Thunder 0730 - 2400.

Dropping Zones (DZ) have been booked as follows:

Fox Covert DZ (North of B390 between Chitterne and Shrewton) is active on 1st and 25th November.

Everleigh DZ will be active on 1st, 2nd, 3rd, 4th, 5th, 15th, 16th, 17th, 18th, 19th, 22nd, 23rd, 24th, 25th, 26th, 27th and 30th November.

Complaints about low flying should be made to 0207 218 6020 or e-mail lowflying@mod.uk.

ACCESS

Access to Salisbury Plain is regulated by Salisbury Plain Military Lands Byelaws and Bulford, Larkhill and Imber Range Byelaws. This Newsletter is published up to 6 weeks before the event and urgent training bids may come in subsequently. Always comply with local signs and flags.

Access timings can be found on the SPTA Walks Line: (01980) 67 4763.

Bulford Ranges. A number of public rights of way (PROW) run through Bulford Ranges and are closed when firing is taking place and red flags are flying. No firing is planned for the 13th, 14th, 20th, 21st, 27th, 28th.

Larkhill Ranges. A number of PROW run through Larkhill Ranges and are closed when firing is taking place and flags are flying. No firing is planned for the 6th, 7th, 13th, 14th, 20th, 21st, 27th, 28th.

Note. In the event of range fires access may be denied to some areas due to the risk of unexploded ordnance "cooking off".

Imber. Difficult terrain and unexploded military debris make it hazardous to leave the marked routes. The public are excluded from Imber Ranges at all times, even if flags are not flying. The only exception being when the roads through Imber are opened to allow the public to reduce journey times across Imber Ranges.

The dates for Christmas/New Year 2010/11 opening have been extended and will now be from 1600 hrs on Friday 17 Dec 2010 to 1600 hrs on Thursday 6th January 2011. **Note this is a change from the traditional 1800 hrs to 1600 hrs in order to allow opening/closing works and range clearance to be completed in daylight.**

Easter Road Open Dates. Operational training permitting, it is planned to open roads through Imber over the Easter weekend. Details will be published nearer the time and once training requirements are known. Note. Even when the roads are open the village remains out of bounds to the public.

PUBLIC USE OF THE MILITARY LANDS

Offences Causing Most Trouble to Users of SPTA. The greatest problems are:

- Theft of and from vehicles and theft of metal. Secure your possessions!
- Criminal damage.
- "Off Roding" by 4WD and motor cycles.
- Poaching (including hare coursing).
- Irresponsible dog owners.

What You Can Do to Reduce Crime. You can report suspicious activity to **PLAINWATCH (01980 674700)** (a Ministry of Defence Police intelligence gathering project). The more information the better e.g. time place, vehicle registration, description of individuals and vehicles. If a crime is taking place call 999 and do not challenge the offenders.

Dogs. Recently there have been a number of dog attacks on sheep and other dogs. HQ DTE SP is investigating how best to deal with this problem. We have no funds to provide "dog bins" but small amounts of faeces can be placed in any rubbish bin if "bagged". All we ask is that:

- Dog walkers stay away from military training.
- Owners pick up faeces, bag them, take them home and put them in their own bin.

PLAINWATCH NUMBER 01980 674700

PLAINWATCH is specifically designed to rapidly identify suspicious activity on the Plain: firstly and principally to identify criminal activity but secondly to deter such activity.

We seek the support of those Parishioners who regularly use the Plain for recreational purposes, who when doing so spot what could be termed suspicious or even criminal activity taking place. No approach or contact should be made with potential offenders. If such an opportunity occurs we would be pleased to hear from you via a special telephone number which we have set up within our 24 hour Operations Cell: **01980 674700**. We would welcome your assistance in making the Plain more secure and a safe place to enjoy.

ADVERTISING IN THE ENFORD NEWSLETTER

Many of our readers contact us to say that they found just the help or service they needed in the advertising section of the Enford Newsletter and that they would definitely look there again when they need help as they are keen to support local businesses.

In order to help you make the best use of the advertising space there several points we would ask you to keep in mind.

The Enford Newsletter is digitally copied in black and white so fonts should be where possible in black. Any light or pale colours tend to fade often making the writing unclear.

Fonts should be plain and preferably with no shadow as this too can affect the quality of the print.

Adverts need to be designed to fit the space so that no shrinking or adjusting is required.

You can make changes to your advert at any time by contacting tanya@becker.globalnet.co.uk. This will always be done in time for the distribution of the Newsletter following your request.

Please make sure that if you do make any changes in your business particularly websites and email addresses do please let us know.

Your advert will also appear on the web page www.enfordnewsletter.org
