

Matrix | 09

 **TOYOTA**
make things better

A

09 Matrix

Unlock your full potential with the newly redesigned 2009 Matrix. Its low, aggressive stance, sharp lines and cool curves will set your mind racing over the endless possibilities of this versatile crossover. But it goes deeper than mere style. Matrix offers FWD models with a 1.8- or 2.4-litre engine or the enhanced traction control of an AWD model with the performance of a 2.4-litre engine. Power, style, versatility and exhilarating fun to get you wherever you need to go. Fulfill your potential with the one car that makes it all possible - that's how we make things better with the all-new 2009 Matrix.

FRONT COVER

Matrix XRS shown in Nautical Blue Metallic.

A Matrix XR with Sport Package shown in Sundance Metallic.

A

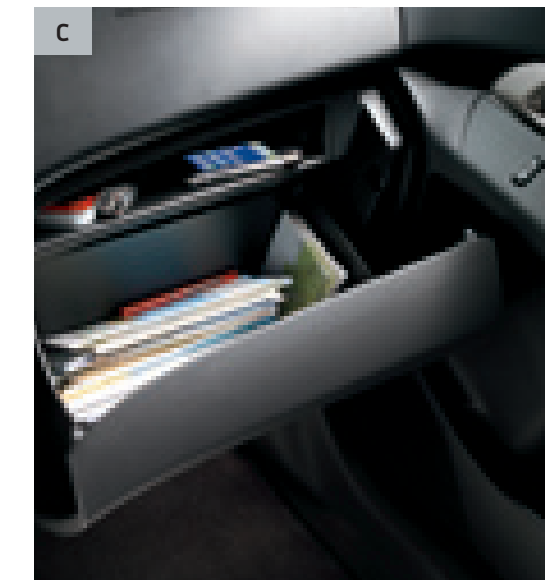

Matrix

The 2009 Matrix, with its bold, distinctive look, is engineered for whatever comes its way. It's been aggressively redesigned inside and out, so you'll see and feel the difference whether your view point is across the street or behind the wheel. Featuring a 1.8-litre, Dual VVT-i engine, the all-new Matrix also has 1.4 m³ (49.4 cubic feet) of cargo space with a 60/40 split rear bench seat to give you potential that's boundless.

DUAL GLOVE BOX Get organized: Matrix has a huge, dual glove box with a big, deep bin. A separate enclosure within the bin is ideal for important papers that need to be kept close at hand.

B

C

KEY FEATURES • 132 hp, 1.8-litre, 4-cylinder, DOHC, 16-valve, Dual VVT-i engine.
 • Power-assisted, ventilated front disc and rear disc brakes, Antilock Braking System (ABS).
 • Dual-stage driver and front passenger airbag Supplemental Restraint System (SRS).
 • AM/FM CD/MP3/WMA player, 4-speakers, audio auxiliary input jack, roof-mounted antenna.
 • Front bucket seats, driver and front passenger seat recline, 60/40 split rear bench seat with fold-down seat back.
 • Dual heated power remote-control mirrors.
 • Side window defoggers, electric rear window defroster with timer.
 • 16-inch steel wheels.

A

Matrix XR

That sound you hear is power with a purpose. Matrix XR offers boosted performance with its 2.4-litre, 158 hp engine. For increased storage capacity, the rear seats fold down flat offering you greater flexibility for your gear. With performance, storage, style and cool features such as a tire pressure monitoring system, dual coloured heated power remote-control mirrors and 6-speaker stereo system, Matrix XR comes ready to play.

B

C

D

A Matrix XR with Sport Package shown in Classic Silver Metallic. **B** Matrix XR with Sport Package interior shown in Dark Charcoal. **C** 60/40 split bench seat with fold-down seat back and **D** with passenger seats folded flat.

KEY FEATURES • 158 hp, 2.4-litre, 4-cylinder, DOHC, 16-valve, VVT-i engine with sequential multiport electronic fuel injection. • Power-assisted, ventilated front disc and rear disc brakes, Antilock Braking System (ABS). • 5-speed manual transmission, optional 5-speed automatic Electronically Controlled Transmission [ECT] with overdrive. • P205/55R16 all-season radial tires. • AM/FM CD/MP3/WMA player, audio auxiliary input jack, 6-speakers, roof-mounted antenna. • Reflector style halogen headlamps. • Power windows with driver side auto down, power door locks. • Dual heated power remote-control mirrors. • Tinted glass. • Side window defoggers. • 16-inch steel wheels.

A

Matrix AWD

When faced with harsh weather or to simply enjoy winter fun, Matrix comes available with All-Wheel Drive (AWD), to help optimize traction and get you to your destination safely and in style all year round. Matrix AWD also comes equipped with dual heated power remote-control mirrors so you can have a clear view of everything left behind in your tracks.

B

C

A Matrix XR AWD shown in Radiant Red with Sport Package. **B** Matrix XR AWD with Sport Package interior shown in Dark Charcoal. **C** Colourful optitron gauges. **D** Audio auxiliary input jack.

KEY FEATURES • 158 hp, 2.4-litre, 4-cylinder, DOHC, 16-valve, VVT-i engine with sequential multiport electronic fuel injection. • Power-assisted, ventilated front disc and rear disc brakes • Antilock Braking System (ABS). • 4-speed automatic Electronically Controlled Transmission (ECT) with lock-up torque converter. • AM/FM CD/MP3/WMA player, audio auxiliary input jack, 4-speakers, roof-mounted antenna. • Air conditioning, cabin air filter, rear seat heater ducts. • 60/40 split rear bench seat with fold-down seat back. • Reflector style halogen headlamps. • P205/55R16 all-season radial tires. • 16-inch steel wheels. • Dual-stage driver and front passenger airbags, front seat-mounted side airbags, front and rear head/side curtain airbags Supplemental Restraint System (SRS).

D

A

Matrix XRS

Slip behind the leather-wrapped steering wheel of the Matrix XRS and let the cockpit's controls and gauges embrace you. For optimum sound quality, Matrix XRS features seven strategically placed speakers to soak you in powerful sound from the JBL® audio system. The tire pressure monitoring system alerts you to critically low tire pressure to help you keep a firm grip on the road. And with 18-inch aluminum alloy wheels, coloured front and rear skirt package and power moonroof, the Matrix XRS is the perfect balance of slick handling and stunning style.

KEY FEATURES • 158 hp, 2.4-litre, 4-cylinder, DOHC, 16-valve, VVT-i engine with sequential multiport electronic fuel injection. • 5-speed manual transmission, optional 5-speed automatic Electronically Controlled Transmission (ECT) with Sequential Multi-Mode Shifter and lock-up torque converter. • Power-assisted, ventilated front disc and rear disc brakes, Antilock Braking System (ABS). • Electric Rack and Pinion power steering. • JBL® AM/FM CD/MP3/WMA 6-disc changer, Bluetooth®¹ capability. • Double Wishbone Rear Suspension. • Chrome Exhaust Tip. • P215/45R18 all-season radials tires. • 18-inch aluminum alloy wheels. • Tire pressure monitoring system.

¹ While there are several Bluetooth® phones in the market, Toyota recommends certain phones because they have been tested and meet Toyota's high standards for voice quality and functionality. Please see your Toyota Dealer for details. Note that the recommendation of Toyota is not a warranty of the performance for any phone and that some problems may occur with any type of handset based on the service coverage available in your area.

Safety

The 2009 Matrix has got you covered when it comes to advanced safety engineering. Augmenting the protection of 3-point seatbelts at every seating position, Matrix comes standard with a Supplemental Restraint System (SRS) that consists of six airbags. The SRS includes driver and front passenger front seat-mounted side airbags and front and second-row side curtain airbags, as well as standard active front headrests.

SAFETY FEATURES • Antilock Braking System (ABS) with Brake Assist (BA) and Electronic Brake-force Distribution (EBD). • Front and rear energy absorbing crumple zones. • Side-impact door beams. • Dual-stage driver and front passenger airbag Supplemental Restraint System (SRS). • Front passenger airbag occupancy classification indicator. • Energy absorbing steering column. • 3-point rear seatbelts in all positions with Automatic/Emergency Locking Retractor (ALR/ELR). • Energy absorbing upper interior trim. • 3-point front seatbelts with adjustable seatbelt anchors, driver's Emergency Locking Retractor (ELR) and passenger side Automatic/Emergency Locking Retractor (ALR/ELR). • Front seatbelt pre-tensioners with force limiters. • Anchor points for child restraint seats.

Performance

Under the hood, Matrix has the ways and means to out perform. Matrix features a 132 hp 1.8-litre engine and 128 lb.ft. of torque, while the Matrix XR, AWD and XRS are equipped with a 158 hp 2.4-litre engine that produces 162 lb.ft. of torque. The secret? Variable Valve Timing with intelligence (VVT-i), a technology that times valve openings for an optimal balance of power and efficiency and puts out the kind of responsive, torque-rich power that is sure to get you noticed.

ENHANCED VEHICLE STABILITY CONTROL (VSC)

Matrix drivers benefit from advanced technology designed to help cornering stability. Enhanced VSC automatically regulates engine output and brake-force distribution to the wheels, and provides Electric Power Steering (EPS) assist torque to help the driver steer in the direction that provides greatest control.

INDEPENDENT DOUBLE-WISHBONE REAR SUSPENSION

The Matrix XRS and the Matrix AWD come with an independent Double-Wishbone Rear Suspension that allows each rear wheel to act and react to forces independently. The result? Both rear wheels are kept in maximum contact with the road surface, enhancing cornering grip when driving over rough or uneven road surfaces.

Dress it up. Drive it out.

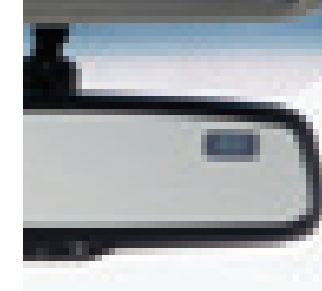

Express yourself. Optimize your vehicle's appearance and enhance its performance by adding the Toyota Accessories custom designed for your model. You can rest assured knowing that every Toyota Dealer is ready to answer questions, help select Toyota Accessory Parts, and keep your vehicle in top shape. Many of Toyota's Accessory Parts can be residualized or advanced through Toyota Financial Services (TFS) when purchased at the time of a new vehicle sale, and all are backed by a Toyota Warranty. For more information, please visit customizeyourtoyota.ca, your local Dealer or toyota.ca.

Enhance the look and functionality of your new Matrix by choosing from the following list of Accessories:

- Ashtray
- Bluetooth®
- Block Heater
- Bodyside Mouldings
- Cargo Liner
- Door Sill Protectors
- Emergency Assistance Kit
- Exhaust Tip
- First Aid Kit
- Hood Deflector
- Licence Plate Cover
- Owner's Manual Wallet
- Rear Bumper Protector
- Side Window Visors
- Sport Pedals

NEW VEHICLE WARRANTY SUMMARY NO DEDUCTIBLES – NO TRANSFER FEES

COMPREHENSIVE COVERAGE – 3 YEARS OR 60,000 KM This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

POWERTRAIN COMPONENTS – 5 YEARS OR 100,000 KM This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

MAJOR EMISSION CONTROL COMPONENTS – 8 YEARS OR 130,000 KM This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

CORROSION PERFORATION – 5 YEARS UNLIMITED DISTANCE Any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

DISCOVER MORE WITH TOYOTA

With Extra Care Protection you receive inflation protected coverage from mechanical failures, road emergencies, and much more. It's affordable peace of mind. Consult your Toyota Dealer for details.

Toyota Dealers are dedicated to making the experience of owning a Toyota both satisfying and rewarding. We service your Toyota the way we built it. So you can count on quality parts and professional service.

If you're looking at leasing or financing, we're here to help. We provide competitive interest rates, flexible terms, and an easy online pre-approval process. The toughest decision should be choosing which Toyota you want. Visit us at www.toyotafinancialservices.ca.

Fewer emissions and pollutants. More kilometres on less fuel. And power and performance second to none. Available in Prius, Camry and Highlander, these latest generation Toyota hybrids offer you the best of all worlds.

Toyota Graduate Program This program assists new graduates in their purchase of a New or Certified Used Toyota. The program differs depending on the model chosen. Be sure to ask your Dealer when purchasing your Toyota. Some conditions may apply.

All new Toyota cars and trucks include a full tank of gas, roadside assistance and floor mats.

The Toyota Mobility program is dedicated to addressing the transportation needs of Toyota Owners who have a disability, or know a family member with a disability or mobility issue. The program offers cash assistance, resource information and financing for adaptive equipment for their vehicle.

Enhance your Toyota ownership experience by joining Club Toyota – a complimentary and exclusive online service for Toyota owners. Benefit from an abundance of interactive, convenient services, and information conveniently at your fingertips. Register today at clubtoyota.ca.

Toyota Canada in the Community.

Toyota has a long-standing commitment to the environment both globally and in Canada. This is defined in the Toyota Earth Charter to “Always be concerned about the environment” even as we “Contribute toward a prosperous 21st Century society.” Toyota is committed to giving back to the communities in which we live and operate, to make Canada a better place to live.

Toyota Canada Inc. and Earth Day Canada established the Toyota Earth Day Scholarship Program in 2003 to recognize and reward graduating high school students who have distinguished themselves through environmental, volunteer and academic excellence. Each year, 15 scholarships are awarded coast to coast, allowing Canada's future environmental leaders to continue their studies. For more information visit earthday.ca

Toyota Canada Inc. and its Dealerships partnered with Evergreen in 2000 to create the Toyota Evergreen Learning Grounds Program, that is transforming Canadian school grounds into natural learning environments. For more information visit evergreen.ca

Toyota Canada Inc. and its Dealers are National Sponsors of Special Olympics Canada, which is dedicated to making a difference in the lives of Special Olympics athletes. Toyota Canada Inc. reaches out to Special Olympics athletes whenever possible through participation in events at a local, regional, provincial and national level. For more information visit specialolympics.ca

*Airbag Notice: The 2009 Matrix features a driver & front passenger airbag Supplemental Restraint System (SRS) which usually activates in a full-frontal collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate; in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. The 2009 Matrix also features a front seat-mounted side airbag and front and rear head/side curtain airbag Supplemental Restraint System (SRS) which usually activates in a side-impact collision of sufficient magnitude to inflate the bags. *Seatbelts must be worn at all times by all occupants.*

Make things better.

It's what we believe at Toyota. It is a belief grounded in a simple truth:

Better is not a destination. It is a way. It is a spirit of continuous improvement.

A path we travel along where every thing we do in the name of better improves the vehicles we build, the experience of our customers, and the world we live in. Better is about more than just a car or a truck. It is about before, during, and after. It is about the good we do for each other, our respect for the environment, and all the things we choose to do to simply **make things better.**
