

7-seater MPV

CARENS

The Power to Surprise

Cool and chic in the city

Sporty, stylish and sophisticated. These are words not usually associated with an MPV. But new Carens brings a whole new level of design to the segment, and feels right at home whether parked in your driveway or in the trendiest part of town.

turn drive time into
FAMILY FUN TIME

The Kia Carens promises to be a joy ride that your family will want to hop onto! Enjoy ample head and leg space with the flexible seating arrangement that sits 7 people comfortably. Pack in more fun with the innovative folding capacity for copious luggage space. With advanced 6-airbags systems and rear aircon vents, every ride is a safe, comfortable and enjoyable ride for the entire family!

Because you're the one in control

An ergonomically designed cockpit puts priority on driver comfort and intuitive, fingertip operation of new Carens' numerous high-tech features, while the low positioning of the windscreen base and wide, sweeping dashboard design ensure excellent visibility of the road ahead.

Interior images for illustration purposes. Interior is only available in black.

A haven of roominess and comfort

The seats in Carens are easily adaptable for any kind of trip, adventure or any sized luggage. The front passenger seat can be folded, so too the three individual seats, which can be sided, reclined and folded flat individually and independently for a 33:33:33 ratio and third-row seats in 50:50.

Interior images for illustration purposes.

Black Both traditional and strikingly modern at the same time, the all-black color scheme is sure to never go out of style.

Black Leather

Smart space for the CITY

Whether transporting materials for a DIY project or taking work home, configuring your vehicle's seats has never been so easy, nor so flexible.

for me

1st row partial and
2nd & 3rd row full folding

Smart space for the OUTDOORS

Live life to the fullest thanks to a level of cargo and passenger seating versatility that will push the limits of your imagination.

For the family

2nd row partial and
3rd row full folding

For the kids

Seating for 7 people

Sit back, relax and enjoy the ride

The seats found in Carens have been engineered not only for maximum versatility but also for the ultimate in ride comfort. Innovative technologies applied to the driver and passenger seats make even the longest journeys seem like a quick trip around the corner.

Passenger seatback folding

The back cushion of the front passenger seat can be conveniently folded forward to create additional space for extra-long items.

Sporty bucket seats

The driver and 1st row passenger seats feature a sporty yet functional design that provides ample lumbar and thigh support while accentuating the modern feel of the cockpit.

Sit back, relax and enjoy the ride

The seats in the Carens are easily adaptable for any kind of trip, adventure or any sized luggage. The front passenger seat can be folded, so too the three individual seats in the 2nd row, which can be sided, reclined and folded flat individually and independently for a 33:33:33 ratio and third-row seats in 50:50.

A perfect fit for your lifestyle

Whether at work or at play, Carens is the ideal companion for getting the most out of your daily life. Never before has a compact MPV offered so much versatility, comfort and convenience - all wrapped up in a thoroughly modern and stylish package.

Rear parking sensors

Alert you to obstructions while parking via an audible signal that increases in intensity as your vehicle gets closer to an object.

Sunroof option not available in Singapore.

Uncompromised safety for peace of mind

The wellbeing of you and your family is the number one priority for Kia, and Carens takes occupant protection to a whole new level by introducing innovative technologies rarely seen in the compact MPV segment. Our engineers have conducted countless computer simulations and actual crash tests so that your sole focus can be on enjoying the drive.

6 airbag system

Driver, passenger, front side and curtain airbags help minimize the risk of serious injury as the final line of defense in the event of a collision.

Safety power windows

All windows feature a mechanism that automatically stops them from closing when an obstruction is detected.

A showcase of cutting-edge technology

Step inside and discover a world of high-tech driver convenience features rarely seen in same-segment vehicles. With intuitively laid out controls and a host of logically displayed, up-to-the-minute driving information, Carens raises the bar with an all-new level of sporty sophistication.

Steering wheel remote control

Conveniently positioned buttons and switches give you full reign over audio, Bluetooth hands-free and auto cruise control functions. The Flex steer system also allows for three steering modes of Comfort, Normal and Sport for different driving conditions, giving you the best drive in every drive.

LED daytime running lights

Be seen on the roads for enhanced style and safety.

Paddle shifter is not available in Singapore.

Aux, iPod®, USB connections

Connectivity to virtually any portable music storage device means that you can enjoy your entire digital music collection while on the road.

Dual-zone full auto climate control

Separate temperatures can be set according to driver and front-seat passenger preferences, while the clean air system generates cluster ions to purify and deodorize the cabin air.

Auto light control

Enjoy fingertip operation of the headlamps, high beam, front and rear fog lamps and turn signal, while the auto function means you no longer need to worry about forgetting to turn your headlamps on or off.

Nu 2.0 GDI Engine

166ps / 21.7kg.m

Featuring plastic intake-manifold and aluminum cylinder block for weight reduction, the standard 2.0-liter Nu Gasoline Direct Injection (GDI) engine also produces more horsepower and torque for superior behind-the-wheel experience. Along with dual CVVT, the result is better engine performance and fuel efficiency to bring your family places.

Frugal on fuel, generous on performance

The all-new Kia Carens is optimised for true driving pleasure with state-of-the-art fuel sipping and CO₂ cutting technologies that do not sacrifice on power or performance.

Button start / stop system

Conveniently turn on and off the engine ignition with just the simple push of a button. You no longer need to hassle with keys when starting or finishing your trip.

6-speed auto transmission

This independently developed gearbox features a lightweight, compact design that offers improved shift quality and durability while also boosting fuel economy and acceleration.

Active ECO System

A standard feature with the 6-speed automatic transmission, the Active ECO System automatically optimizes the engine and transmission control systems to reduce fuel consumption.

Organ-type accelerator pedal

The organ-type accelerator pedal moves along the same natural plane as your foot for more comfortable operation, especially on extended journeys.

Every creature comfort imaginable

We believe that the true measure of a groundbreaking car can be found in the details. And we're sure you'll be pleased to discover the numerous delightful surprises to found in every nook and cranny of Carens.

Remote keyless entry system
The smart key unlocks the doors as soon as you touch the door handle so that you never have to worry about fumbling around for keys.

Spacious cargo room A walk-in sliding function on the outer 2nd row seats enable occupants to easily access the 3rd row seats with a light touch of a lever, while the luggage flat configuration for the 2nd and 3rd row seats provides expansive space for hauling all types of cargo.

Fold-up tray The backs of both driver and front passenger seats are fitted with convenient trays that feature an additional cup holder for extra convenience of the 2nd row seat occupants.

Rear air ventilation Back seat passengers can also enjoy warm or cool air circulation thanks to rear air vents positioned at the back of the center console.

Opposed-type wiper system Unlike conventional wiper systems, the wiper blades are mounted on opposite sides of the windshield and move in the opposite direction for maximum visibility even in heavy rain and snow.

Rain sensor The windshield wipers are automatically activated as soon as moisture is detected for greater convenience and visibility.

Auto defogging system A sensor automatically initiates a defogging process when condensation is detected on the windows to ensuring optimal visibility in humid climates.

Rear spoiler with high-mounted stop lamp The rear spoiler adds a sporty touch to the exterior design while a high-positioned stop lamp ensures that you are clearly visible to drivers behind.

Center console Two drinks can be securely stored within easy reach while a center fascia undertray and large storage compartment under the center armrest provide plenty of space for storing personal items.

Cargo security screen Create a separate partitioned-off space at the rear of the vehicle to stow away any personally belongings that you want to hide from prying eyes.

Cargo under storage compartment A spacious compartment located under the floor at the rear of the vehicle is the perfect place to store away emergency safety and cleaning supplies.

Outside door handle Classic look with a chrome-finished handles.

Fog lamps The fog lamps are stylishly integrated with the air intake holes of the front bumper using black housing to accentuate the car's athletic stance.

Side mirror Wing-type electric folding two-tone side mirrors feature LED turn signal lamps and puddle lamps for added safety and convenience.

Cycle & Carriage After-sales Service keeps your car in its prime

We care for you the same way we care for our family. Experience the Cycle & Carriage Kia Service spirit as we welcome you at our Kia Service Centres.

With more than a century in the automotive industry, we can assure you that you will enjoy the most comprehensive customer support and first-class service by well-trained professionals, using state-of-the-art technologies, diagnostic tools and grade A genuine parts to keep your Kia vehicle running in peak condition. All Kia genuine parts come with 1 year or 20,000km (whichever comes first) warranty.

This is our commitment to you.

Get unsurpassed assurance from Kia

We are confident of the quality and durability of every Kia vehicle, having undergone stringent pre-delivery processes and checks before being delivered in pristine condition. So confident are we that your new Kia car will enjoy a 5-year unlimited mileage warranty and a 10-year engine warranty.

From the date of registration, your new Kia car is covered against defects in materials and workmanship for a period of 5 years of unlimited mileage. On top of that, starting from 1 June 2014, your Kia car will come with a 10-year engine warranty, subject to a maximum mileage of 200,000km or 10 years, whichever is earlier. This engine warranty will take effect immediately after the expiry of the manufacturer's.

The Power to Surprise

Kia Motors Corporation (www.kia.com) - a maker of quality vehicles for the young-at-heart - was founded in 1944 and is Korea's oldest manufacturer of motor vehicles. Over 3 million Kia vehicles a year are produced at 10 manufacturing and assembly operations in five countries which are then sold and serviced through a network of distributors and dealers covering around 150 countries. Kia today has around 49,000 employees worldwide and annual revenues of nearly US\$45 billion. It is the major sponsor of the Australian Open and an official automotive partner of FIFA - the governing body of the FIFA World Cup™. Kia Motors Corporation's brand slogan - "The Power to Surprise" - represents the company's global commitment to surprise the world by providing exciting and inspiring experiences that go beyond expectations.
