# Notices

## STAKES ENGAGEMENTS

Unless announced otherwise all eligibility payments due after date of sale are the responsibility of the buyer, who should promptly notify the proper racing associations of the new ownership in order to receive direct billing.

## CANADIAN EARNINGS IN PEDIGREES

Before 2003, Canadian dollars were included with U.S. earnings as though there was no difference in the value of the two currencies. Following a recommendation by SITA (Society of International Thoroughbred Auctioneers), from January 1, 2003, purse money earned in Canada will now be separated. This policy is not retroactive for earnings prior to 2003.

Pedigree pages will continue to show combined earnings through December 31, 2002. There will be a separate designation for money earned in Canada since January 2003. Those earnings will be reported in Canadian dollars and indicated by (CAN).

The following example shows GRAND MISTRESS had combined, non-converted U.S. and Canadian earnings, prior to 2003, of \$36,021. Additionally, she earned \$22,494 in Canadian dollars since 1/1/03, of which \$11,770 (CAN) was earned in her second-place in the South Ocean Stakes, a restricted stakes at Woodbine.

Grand Mistress (f. by Storm Charger). 3 wins at 2 and 3,  
\$36,021 in N.A./U.S.; 2 wins at 4, 2003, \$22,494 (CAN) in  
Canada, 2nd South Ocean S.-R (WO, \$11,770 (CAN).

## INSPECTION OF HORSES

All horses in this sale are stabled in the racing barns at Lone Star Park. If you are planning early inspection of sales horses, you are advised to check with our office for updated information on arrival/stabling status.

## TRANSFER AND REPORT OF OWNERSHIP

The transfer of ownership for all Thoroughbreds must be reported to The Jockey Club by the new owner, within 60 days of the transfer, using a Transfer of Ownership form. The Certificate of Registration is not required and there is no fee for any transfer. Forms are available in Sales office.

# Black Type Definitions

## Black Type Race – Black Type Winner – Black Type Placed

The words “black type” are the equivalent, in racing, sales terminology and in sales catalogues, of the frequently-used word “stakes.” A stakes race will not always merit “black” type in a sales catalogue.

## Black Type Race or Stakes Race

There are several classes of black type races, which are described in the following information. A black type race must, by definition, close for entries at least 72 hours before it is run. Fees must also be paid towards the purse by owners and/or additional (added) money contributed by or through the host racetrack. In addition, a stakes race must have a total purse value distributed on the day of the race of \$50,000 or more. (This minimum was established in January 2007 and is frequently reviewed.) In the more liberal interpretation of “stakes,” the amount of the purse is not always a factor, but a race qualifies for “black type” in sales catalogue following ICSC (International Cataloguing Standards Committee) standards only when it meets the total purse and other criteria.

In pedigrees, a horse’s name, when it is a winner or has placed in a black type race, is indicated in bold (hence “black”) type. Winners’ names are in upper case (capital) bold letters. Horses placing 2nd or 3rd are in lower case bold letters. In addition, further symbols or designators associated with the black type race will indicate the level or quality of the race in question.

It is important to note that changes in entry requirements, restrictions and purse levels for black type races are not retroactive. Once awarded black type in a pedigree, this information is unchanged and permanently maintained until and unless it is required to be replaced by more current data.

## Graded or Group Black Type Races

All around the world, the “graded” or “group” stakes race (G1, G2 and G3) is recognized as being of the highest quality within any racing jurisdiction. The words “grade” and “group” have identical meaning and qualifications.

The Society of International Thoroughbred Auctioneers (SITA) uses the rulings of the International Cataloguing Standards Committee (ICSC) in its sales pedigrees to recognize grade or group designators for races.

ICSC maintains and monitors the application of guidelines by racing countries around the world. These countries qualify for several categories for cataloguing purposes as follows:

**Part I** countries will receive black type status and any race designators including grade/group indicators that are applicable.

**Part II** countries receive black type status, but will not be eligible to carry any designators such as grade/group indicators.

**Part III** countries have races listed for informational purposes only and do not receive any black type status.

# Black Type Definitions

(continued)

In the USA, graded races are classified by the American Graded Stakes Committee of the Thoroughbred Owners and Breeders' Association (TOBA). This committee meets regularly to insure its standards of purse money and quality of racing are maintained. Graded races are non-restricted (age and sex qualifications are not considered restrictions). From January 2003, the minimum value for a graded race has been \$100,000.

## Listed Black Type Races (L)

Below the quality of graded races, listed races also have a minimum added and/or total purse value, which, in January 2002, was set at \$75,000. For this and for other considerations, they do not qualify as graded black type races.

The name of the listed black type race is detailed after the subject horse in the pedigree with the designator (L), and, in parentheses, an abbreviation of the host track and the purse earned specifically in that race. Up to the end of December 1990, some listed races were also restricted races and carried the designator (LR). Since that time, listed races may not be restricted.

## Restricted Races

Because entry conditions for restricted races are often framed to exclude better horses, these black type races are usually regarded as of lesser quality than graded or listed races. The name of the restricted black type race is detailed after the subject horse in the pedigree with the designator (R) and, in parentheses, an abbreviation of the host track and the purse earned specifically in that race.

From January 2003, conditions for black type restricted races were refined and the only restrictions now allowed are those for state-bred runners, non-winners of a sweepstakes, sales graduates and stallions' progeny.

## Other Races Identified in Catalogues

There are some black type races which are not restricted, but do not have sufficient purse money to qualify as listed races. These races are identified by name but carry NO designator (G, L or R). The name of the race is detailed after the subject horse and, in parentheses, an abbreviation of the host track and the purse earned specifically in that race.

The amount of purse money to qualify a race for black type status is regularly raised by SITA to insure the quality and integrity of the black type system.

## Further Note

In 1985, several other stakes qualified for black type or for inclusion in some form in pedigrees. Subsequent changes have replaced or eliminated these races, but they remain in pedigrees until they are excluded by more current data. Such races carried designators (O), (N) and (Q).

Pedigrees in this catalogue comply with standards established by the International Cataloguing Standards Committee (ICSC) and adopted by the Society of International Thoroughbred Auctioneers (SITA).

# TEXAS THOROUGHBRED ASSOCIATION

## ACCREDITED TEXAS-BRED INCENTIVE PROGRAM

The accredited Texas-bred Incentive funds are derived from the “breakage” of the total pari-mutuel handle plus 1% of all multiple wagers at Texas tracks. This equates to approximately \$12,500 per \$1,000,000 of pari-mutuel handle at Texas racetracks.

## OWNER'S BONUS AWARD

An Owner's Bonus award shall be paid to owners of Accredited Texas-Breds finishing first, second or third in open-company races in Texas. The bonus is over and above the regular Owner Awards paid on these races. These awards derive from a 25% deduction off the top of the available ATB revenue for a meet. **The remainder of the ATB awards for the meet will be distributed as follows:**

### Benefits to “Horse Owner”:

40 percent is allocated to owners of Accredited Texas-Bred horses who finish first, second or third, in any race in Texas (except restricted stakes).

### Benefits to “Breeder”:

40 percent is allocated to eligible breeders of Accredited Texas-Bred horses who finish first, second or third, in any race in Texas.

### Benefits to “Stallion Owner”:

20 percent is allocated to the owner of the accredited stallion standing in Texas at the time of conception (providing annual administrative fees were paid for said breeding season) and whose Accredited Texas-Bred foal finishes first, second or third, in any race in Texas.

Also: on every racing day, an association (track) shall provide for the running of at least two races limited to Accredited Texas-Bred horses, one of which will be restricted to maidens.

## Accrediting Your Thoroughbred

**Even though a mare can be accredited after foaling, that foal will not be eligible for breeder's awards; a mare must be accredited prior to dropping the foal in question in order to receive breeder's awards.**

1. First, the foal must have been dropped in Texas; if not, it is ineligible for the Accredited Texas-Bred Program, even if all other requirements are met.

2. The foal's dam must be an Accredited Texas Mare. If she is not, then she must become accredited in order for the foal to be eligible. To accredit a mare, you must submit:

A. A completed mare application;  
B. The appropriate accreditation fee; and

C. A copy of the mare's Jockey Club papers (both front and back) that show your ownership.

3. If these requirements have been met, then the next step is to accredit the foal. To do this, you must submit:

A. A completed foal application;  
B. Applicable accreditation fee:  
See fee structure on next page.

C. Important note about the ATB Application for Weanlings, Yearlings, and Horses of Racing Age – Do not send in your original Jockey Club certificate of registration. For foals of 2017 and prior, you will be sent a sticker verifying ATB status that should attach to the original Jockey Club Certificate. For foals of 2018 and later that have Digital Jockey Club Certificates, TTA will attach a digital ATB logo verifying status.

4. If you are not a current member of the TTA at the time you attempt to accredit your horse, either:

A. The accreditation fee required per horse will be increased by \$50; or

B. You can join or renew your membership in the TTA at whatever level you choose (membership packages start at \$60; call TTA (512) 458-6133 for more information).

*Horse racing is a truly thrilling sport, the “Sport of Kings.” Fans come for the excitement, the glamor, the beauty, ....and the horses. The horses are the centerpiece of the sport, powerful athletes with glossy coats, pricked ears, flaring nostrils, keen, intelligent eyes. Every day, thousands of Thoroughbreds answer the bugler’s call. They go and run with all they have and more. But there can only be one winner in any given race.*

*Many go on to run other races on other days. Some end up winning. Some end up on breeding farms. What about the others? The Paddock Foundation’s goal is to answer that question.*

## **THE PADDOCK FOUNDATION: Dedicated to the Lifelong Welfare of the Horse**

**MISSION:** The Paddock Foundation is a non-profit corporation with a mission to support and advance the care of Thoroughbred racehorses after their racing careers by supporting retirement, rehabilitation, retraining and rehoming.

**OUR PARTICIPATION:** Participate as a financial supporter of other approved 501C3 organizations such as LoneStar Outreach to Place Ex-Racers (LOPE), Remember Me Rescue and CANTER Texas. Host Roses to Ribbons horse placement events at each Class 1 Texas racetrack. Post stories on social media highlighting activities and opportunities for Off-Track Thoroughbreds (OTTBs) as well as stories of their successful transitions to other careers or companion animals.

### **FUTURE GOALS:**

- Educate, encourage and facilitate the placement of retired or unwanted racehorses;
- Support organizations that retrain Thoroughbred horses for second careers;
- Support organizations that provide for the retirement and care of the retired Thoroughbred racehorse;
- Support therapeutic riding programs and equine educational programs.

**SUPPORT:** We invite you to partner with us in this noble cause. Contributions of any size are welcome and will be used to further the goals of The Paddock Foundation.

When both testes have been removed surgically, such horse will be described as a gelding. Any horse which is described incorrectly at time of sale as to its gender or sexual classification shall be subject to return to Consignor as provided in CONDITION NINTH.

**NINTH — RIGHT OF RETURN:** Any horse sold in this sale whose condition must be announced as provided for at CONDITION SEVENTH AND EIGHT above, and is not so announced shall be subject to return to consignor as refund of purchase price and reimbursement for all legitimate expenses incurred on behalf of the horse from fall of the hammer, provided that immediately on learning of such defect, buyer shall forthwith notify the undersigned in writing with veterinary certificates as to defect attached, such notification to be given within 48 HOURS of sale. All warranties of whatever sort shall terminate seven days from date of sale.

**TENTH — CATALOGUE AND ANNOUNCEMENTS:** The auctioneer and Texas Thoroughbred Association are not responsible for any statements made in this catalogue or from the auction stand concerning horses listed herein for sale, nor for any warranties expressed or implied on their behalf. Horses listed in this CATALOGUE are sold with their engagements, as listed herein or announced from the auction stand at time of sale, such information being as represented by consignor, to whom only shall purchaser look for redress in case of error or omission. The undersigned will endeavor to have all catalogue information correctly stated: but the consignor is responsible for correction of any errors or omissions.

**ELEVENTH — INSPECTION (INCLUDING THE REPOSITORY):** All Purchasers shall inspect fully each horse that they may purchase. As provided in the Conditions of Sale and otherwise, Purchasers are accepting any horse purchased with all defects except those conditions and defects specifically warranted by Auctioneer's Conditions of Sale. Purchasers that fail or refuse to inspect for any reason, including a lack of opportunity for inspection, purchase the horse at their own risk. It shall be the sole responsibility of the Purchaser to determine the sufficiency, quality and completeness of the available inspection; however, full inspection shall include a review of all Repository information for each horse.

**TWELFTH — AGENTS:** All agents purchasing horses for clients and/or consignors shall make known to the undersigned the name of their principals and shall sign an agent's authorization slip with the cashier of the undersigned.

**THIRTEENTH – LIMITED WARRANTIES AS TO BROODMARES:** All broodmares in this sale shall be offered with veterinary certificate provided by Consignor showing said mare, in the opinion of the examining veterinarian, to be, based on appropriate examination within ten (10) days of the date of sale, (a) pregnant, or (b) not pregnant, but suitable for mating, or (c) not as described in either (a) or (b) above and therefore requiring a special announcement. Any Buyer of a broodmare may have her examined by a veterinarian within twenty-four (24) hours after fall of the hammer, and prior to removal from the sales premises. Failure to do so is a waiver of any right to rescind the sale or revoke acceptance of the broodmare. All warranties with respect to broodmares terminate upon the earlier of (a) expiration of twenty-four hours from time of sale, or (b) removal of the broodmare from the sales premises. Any broodmare so examined by the Buyer's veterinarian within the permitted time period, whose pregnancy status and/or suitability for mating is found not to be as represented in the veterinary certificate provided by Consignor, except any mare whose pregnancy status and/or suitability for mating has materially changed after fall of the hammer, may be returned to Consignor as unsold; however, in the event of a disagreement between the Buyer's veterinarian and Consignor's examining veterinarian as to the pregnancy status and/or suitability for mating of the broodmare, a referee veterinarian shall be designated by the Consignor and Buyer (or by Auctioneer if Consignor and Buyer cannot agree) and shall examine the mare to determine whether or not she may be returned under this CONDITION. All parties shall be bound by the referee veterinarian's opinion, which shall be final and without recourse. The referee veterinarian's fee and any reasonable expenses of Auctioneer, including, without limitation, entry fees and sales commissions, shall be paid by the party whose property the mare is determined to be. Consignors who have actual knowledge that the broodmare has, within the last two years, undergone either (i) a caesarean section delivering a fetus, or (ii) surgery involving the cervix, or (iii) a urethral extension, or (iv) the removal of an ovary, must be so announced at the time of sale or in lieu of such announcement, must be disclosed by placing a veterinary certificate in the Repository, reasonably disclosing that one or more of the above conditions are applicable. Consignor shall have the sole responsibility concerning the accuracy of the disclosures/announcements and both Consignor and Buyer agree that Auctioneer is absolved from any liability relating to such announcements/disclosures and both agree to hold Auctioneer harmless from any loss incurred by either of them relating to such announcements/disclosures. Any horse whose condition is as aforesaid and is not so announced or disclosed in the Repository as required above will be subject to return to Consignor with refund of purchase price, and all proper expenses, fees and interest as provided in CONDITION EIGHT, provided that Auctioneer is so notified in writing by a veterinary certificate of such condition, and the right of return on the above grounds shall be within fourteen (14) days from the day of sale. Purchaser shall have the same rights and duties regarding return as provided in CONDITION EIGHT. The following terms and standards recommended by the American Association of Equine Practitioners are hereby made a part of this CONDITION:

Pregnant. Any filly or mare shall be characterized as "pregnant" if a practitioner has examined such animal for pregnancy at 42 days or more post mating during the applicable year and such examination indicated that such filly or mare was pregnant. Any report based on an examination at less than 42 days post mating should indicate the pregnancy status of the animal as well as the number of days post mating that the examination was performed. Accordingly, a report from a positive pregnancy exam at 42 or more days post mating indicates the filly or mare is "pregnant" without further comment. The results of a positive determination prior to 42 days should be indicated in a manner showing the applicable number of days such as "pregnant----41 days."

**Not Pregnant.** Any filly or mare that has been mated, examined for pregnancy, and found not pregnant at 42 days or more post mating during a specified year should be characterized as "not pregnant" unless such filly or mare has "aborted" as defined above. Any filly or mare that has been mated, examined for pregnancy and found not pregnant prior to 42 days post mating should be indicated in a manner showing the exact number of days such as "not pregnant---41 days." Any filly or mare determined to be pregnant prior to 42 days post mating and later found to be not pregnant should be characterized as "not pregnant" rather than "aborted" unless the examiner has knowledge that an aborted fetus was observed.

**Aborted.** Any filly or mare that is not pregnant at the time of examination should be reported as "aborted" rather than "not pregnant" if the person rendering the report is actually aware that (a) an aborted fetus was observed or (b) the mare had been declared "pregnant" based on an examination at 42 days or more post mating.

**Suitable for Mating.** If upon a palpation per rectum of the ovaries, uterus and cervix, and speculum examination of the cervix and vagina does not reveal significant abnormalities that would indicate that a filly or mare is not reproductively within reasonably normal limits and said filly or mare is not pregnant at the time of examination they shall be characterized as "Suitable for Mating". A filly or mare that is "pregnant" or "pregnant\_\_\_\_\_ days" at the time of examination, as determined by a palpation per rectum, shall be characterized as "suitable for mating" without further tests or examinations. Any reproductive examination or statement that a filly or mare is "suitable for mating" will only indicate either (a) the results of the above-referenced palpation per rectum and speculum examination on the date performed or (b) the filly or mare was found to be "pregnant" or "pregnant\_\_\_\_\_ days" and does not reflect the examiner's opinion of the future ability or inability of a particular filly or mare to conceive and deliver a live foal. There are many other tests or criteria that might be utilized to estimate the likelihood of a successful mating; however, a statement that a mare is "Suitable for Mating" shall not indicate any tests have been completed other than those specifically referenced above. Moreover, a filly or mare may be characterized as "Suitable for Mating" based on only one examination even though more than one examination might enhance the likelihood of discovering reproductive abnormalities.

**Mating.** The physical act of a stallion mounting a filly or mare with intromission of the penis and ejaculation. Artificial insemination qualifies as mating for breeds that permit artificial insemination.

**Mated.** Any filly or mare that has undergone the physical act of mating for whose pregnancy status has never been determined.

**Not Mated.** Any filly or mare that has not undergone the physical act of mating by any stallion during a specified year.

**FOURTEENTH:** 1. Any controversy arising out of a claim arising under CONDITIONS SEVENTH, EIGHTH, NINTH and TENTH shall be settled by arbitration between the buyer and consignor pursuant to the following procedure. Upon the auctioneer's determination that a claim under such CONDITIONS OF SALE has been timely and properly presented by the buyer pursuant to these CONDITIONS OF SALE, and upon notice from the auctioneer, the buyer and the consignor shall each select a licensed veterinarian acceptable to the auctioneer. If the veterinarians fail to agree promptly as to the validity of the claim, they, or the buyer and the consignor involved in the controversy, shall agree upon a third licensed veterinarian. If such two veterinarians, or the buyer and the consignor, are unable to agree promptly upon the third veterinarian, the auctioneer shall appoint the third veterinarian. The third veterinarian's fee, expenses and costs shall be paid by the party whose property the horse is determined to be. The panel of three veterinarians shall conduct any tests, investigation, or examinations which they deem necessary, and may, in their discretion, conduct a hearing by notifying the auctioneer to arrange for the hearing, and shall, by majority vote, determine the validity of the claim. The auctioneer shall determine the amount of reimbursement due to a buyer whose claim is found to be valid and may, in its sole discretion, conduct a hearing to aid in making such a determination, and such determination shall be incorporated in the award. 2. Any other controversy between or among the buyer, consignor and auctioneer arising out of a claim made under these CONDITIONS OF SALE shall be settled by arbitration among the parties in accordance with the rules of the American Arbitration Association. 3. Arbitration under 1 or 2 above shall take place in Travis County, Texas. Judgment upon any award rendered by the arbitrators(s) may be entered by any party and any court having jurisdiction thereof. The auctioneer will be entitled to reimbursement from the party whose property the horse is determined to be for reasonable attorney's fees and other costs incurred in the arbitration and any related court proceedings.

**FIFTEENTH:** If any provisions of these CONDITIONS OF SALE is held to be illegal or invalid, such illegality or invalidity shall not affect the remaining provisions of these CONDITIONS OF SALE, and they shall be continued and enforced as if such illegal or invalid provisions had never been inserted herein.
