Propane Prices Got You Down? Yank the Tank! Natural Gas will save you money!

- **Dependability:** Since the vast majority of the natural gas system is underground, it is not typically affected by inclement weather or other transportation problems. Always there when you need it.
- **Monthly billing:** No more large bills due when the tank is filled, you will receive a monthly bill.
- **More economical:** Operating cost for Natural gas equipment is substantially less than propane. Consider this:
 - If you used 800 gallons of propane last year at \$1.50 per gallon, you spent **\$1200** for fuel alone.
 - Using natural gas, your fuel cost for the same amount of energy would have been approximately **\$519** on our heat only rate or only **\$445** for year round use.

For more information on the availability of clean efficient NATURAL Gas please call or drop by today!

Tullahoma ANIMAL SHELTER

Meet Lady

This week at the City of Tullahoma Animal Shelter we have a precious Labrador Mix named Lady available for adoption. She entered our shelter as a stray on 7/11/2014. Lady was found laying at a patient's door at a local nursing home. She is approximately 7 years old. She is up-to-date on her vaccinations, heartworm negative and is microchipped. Lady is good with other dogs and children. She will receive a free spay with a \$35 adoption fee. Lady would love a forever home. We feel that she would make an excellent pet! Shirley the Mtn Curr mix from last week is patiently waiting for a great home.

Support your local shelter - adopt, donate or volunteer.

The Tullahoma Animal Shelter always has a great variety of dogs to choose from for adoption. Pictures of other dogs available may be seen at www.tullahomatan.gov
