**REVEREND MOTHER MARY ANSELM,** Superior General of the Sisters of the Blessed Sacrament, follows with deep interest the activities and progress of Xavier Prep. In prayer, before the Golden Monstrance, Reverend Mother prays that—each year—each Graduate who steps beyond the Golden Gate of the Prep—may follow the path that leads to Healthy, Happy and Holy living.

**MOTHER LORETTA MARIA,** Superior of the Sisters of Xavier Prep. never fails to lend encouragement and enthusiastic response to faculty and student body. Mother's smiling countenance and felicitous words at assemblies and meetings are deeply appreciated by those who teach and those who learn at the Prep.

**SR. M. MADDALENA**

**Principal of Xavier Prep.**

Dear Students and Graduates,

Greetings! The scholastic-year is about to finish. The realization of the approaching summer vacation pulsates each underclassman; baccalaureate and graduation ceremonies enervate each graduate—the auditorium will respond with hearty handclapping as deserved students file front to receive their awards. The adios—adieux—then empty and silent classrooms and corridors—how quickly the school year passes!

Reminiscing, my thoughts take me back to September. What a joy to notice your enthusiastic rush to begin another school year. The fall brought football and the admirable school spirit manifested by each of you. Thanksgiving and Christmas—you hailed us merrily with warmest wishes and presentation of gifts for our holiday enjoyment. Spring brought

mid-term examinations and Retreat, showing a furtherance of your co-operative, enthusiastic spirit. Truly, it has been a joy to work with you, guide you and discipline you.

May the fine Xavier spirit you have manifested within the walls of Xavier Prep, extend into your later years, so that you may—

"Far her praises send . . ."  
and while you so often sang—

"Hail, oh hail, X.U." . . . . .  
may we, your former teachers, be able to salute you—

"Hail, oh hail dear, former Preppers."

May God's abundant blessings follow you always and everywhere.

Very sincerely,

**SR. M. MADDALENA**

We, Xavier Prep Graduates owe a debt to this world—to make it better for having lived in it, to bring to it our hopes, our virtues, our ideals.

Fortified by years of Catholic training we are not frightened—rather we are confident, we are eager, as we pass through the Golden Gate of Xavier Preparatory.

# THE FRESHMAN CLASS

From Reverend Mother M. Katharine and other fine teachers of the past, Xavier Preparatory has inherited the best of educational traditions. Students come from many parishes and travel considerable distances. Crowded buses, and the every-busy cafeteria are familiar scenes in their daily lives. The modern school bears small resemblance to the "little red school-house" of the past. Problems are more complex and opportunities are greater, but the students exclaim, "This is our life and we accept its challenge." Love and sacrifice on the part of parents emulate students to spend, advantageously and profitably, their years behind the Golden Gate. Upon completion of four years of sound academic and moral training, the acquisition of deep, religious faith, the students depart, equipped and inspired to preserve and strengthen the ideals upon which America was founded.

## CSMC Schedule Offers Many Interesting Mission Activities

At the Union meeting, Nov. 6, at St. Aloysius High, Father Elmo Romagosa extended in the name of the CSMC unit at Notre Dame Seminary an invitation to teenage boys to spend Dec. 8 at the seminary. This day is planned to better acquaint boys with seminary life.

Room 205 adopts the mission of San Jose at Old Laguna, New Mexico. As an expression of their spirit of sacrifice for the missions these seniors are "afflicting the comfortable to comfort the afflicted." They are imbued with the idea that all Catholics in America of whatever age or rank will find

need in the apostolate which they must fill; some must work, some must give, some must work and give, and all must pray.

Parents at PTA meeting register interest in CSMC Convention particulars.

A skit "Going My Way, and It's About Time" was enacted at the November CSMC meeting by Benjamin Handy, Kenneth Monette, and Warren Marchand. Ossia Powell gave the Holy Father's Mission intention and Patricia Bazil presented a positive program for putting Christ back into Christmas.

A request was made for bed sheets to be used for bandages. These will be sent to mission lands.

Ask your doctor if he is participating in the mission medical project. He has received a letter regarding this from Father Romagosa assistant director of the for the Propagation Faith.

Undoubtedly your would like to take part good work. Why not as

## Senorita Charms Seniors

"Creo en Dios Padre Todopoderoso . . ." On Nov. 8 we were laboriously working tongue and teeth in an effort to give the just-right roll to our Credo in Spanish. A soft tap interrupted the exercise. In response to Sister's invitation, who should enter but a luminous Senorita in the flesh! She flashed us a smile warm and rich as her language. Soon she was introducing herself to us as "Senorita Ligia Hojos Herrera" from Medellin, Colombia. She had been in the United States for two months. She loved this country—thought it wonderful—just longed to master our English. But she missed Colombia's climate, its picture. Would she recite in Spanish? B love to.

Immediate

from her as with folded hands rolled out the age-old truth our Faith in the rich, many words that were now familiar. Differences of color, of speech of country vanished. We Catholics . . . united by Faith speaking an intelligible language to our God and Father. Our Senorita impressed us more than her beautiful language.

## League Members Launch Crusade

The members of the Sacred Heart League are sponsoring the Communion Crusade again this year. Instead of receiving Communion everyday, the league is only asking that we receive Holy Communion every Sunday. The members of this organization can be recognized by their Sacred Heart badges and red ribbons. They are hoping that this year every one will be a member of the Communion Crusade. The members of the Sacred Heart League will also be ushers at Mass on the first Friday on each month.

# SPORTS . . .

The gold and white has lots to recommend it,

With all those true Preppers to defend it.

High sportsmanship combined with modest score,

A Xavier Prepper just can't ask for more.

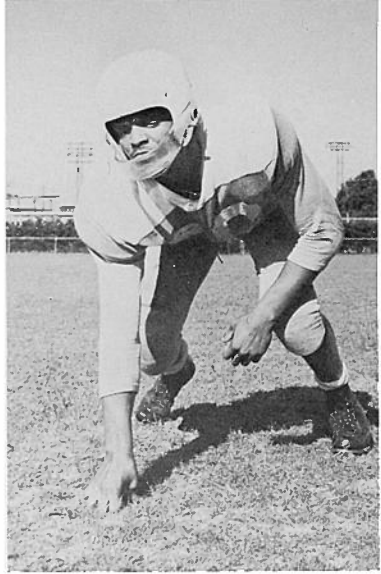

Sports . . . the time of day when we learn the rules of good sportsmanship. In one instant a boy can learn what sportsmanship means. The time may be in a football play, a dash across the finish line, or a rebound. Athletics made the body healthy and willing to become alive. They make the mind alert and able to see clearly what being part of a team means. Teamwork counts in sports along with sportsmanship. To be a good athlete one must possess the purpose of sports . . . sportsmanship!

JOHN MITCHELL

Hold that line XAVIER!

Henry Banks and John Mitchell congratulate each other—both football players were chosen to play on the All City Team!

Friendly enemies—Co-captains—Xavier Prep and St. Augustine! St. Augustine Captain—37 Albert Richard.

That memorable day the Yellow Jackets held the City Champions the Purple Knights, an undefeated team to the score 38-13. The victorious Knights admitted the Yellow Jackets fought hard and long—and both teams enjoyed playing the best game of the season!

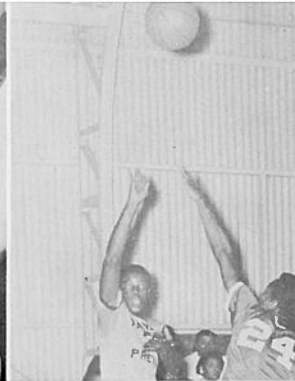

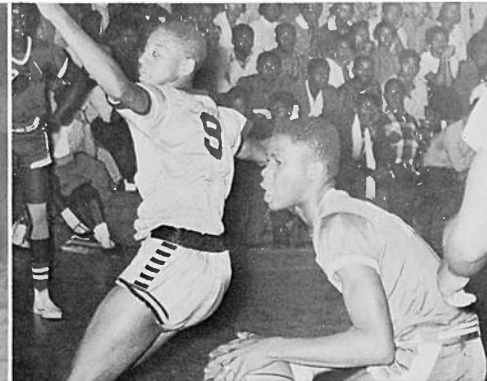

Before the "kick-off" X.P. wishes St. Augustine "the best 'o luck."

This season of the year is also about the longest. It gets under way in late November or early December and usually ends just before the Easter furlough. This year there were very many excitingly close games particularly in the case where a basket in the closing seconds often turned the tide of victory!

*In Memoriam*

We, the Graduating Class of 1958, have reserved this space for a MEMORIAL of Barbara Young, beloved Graduate of 1957, R. I. P.

Barbara reached and passed beyond the Golden Gate of her Alma Mater. Her life's journey was brief. Six weeks after the happy occasion of her Graduation, Barbara reached the Heavenly Gate,—

"Onward, upward to the eternal Day". . . . .  
May her soul rest in peace—is the prayer of the Graduates of 1958.
