The Australian Stock Horse Society Chairperson Welcome

It gives me a great deal of pleasure to welcome all Members to the 2023 National Show at AELEC, Tamworth, NSW.

We are coming through a rough period that started with the worst drought in 100 years, the onset of COVID-19 and then flooding of biblical measures. There have been some tough decisions made during these times – none tougher than to postpone the National Show of 2022. This postponement proved it very difficult to come up with a suitable solution. After much deliberation and consultation, the Board made the decision to run the National Feature Events at Inverell. I would like to thank all Members, sponsors and volunteers who supported the National Feature Events in December of 2022 and congratulate the winners of those events.

Well, 2023 gives the Society the opportunity to reignite the National Show with a schedule of events to show the versatility of “The Breed for Every Need,” the Australian Stock Horse.

This year will see the Yearling Futurity continue from its inception at Inverell last year. The 5YO Maturity will fulfil its role in making up for the lost year of 2020 due to Covid-19, however due to its popularity, the Board has resolved to permanently install this event as the 5YO Challenge. Due to the addition of these two events, the previously run Triple

Crown will this year commence its last installment, and a new crown to cover five events will commence with the Yearling Futurity. With five years to pass before the crowning of the first winner of that five-tiered event, the Board will be seeking a new name to cover the prestige of being the best-performed from the Yearling Futurity, through to and including the 5YO Challenge.

As part of the National Show, the Fountain of Youth Approved ASH Sale will also be conducted, with a great line-up of Yearling and 2YO horses for purchase. The Sale has gone through a revamping with a whole new concept of incentive-based events for purchased sale horses only.

I would like to take this opportunity to thank the National Show Committee. These members give countless hours of their time to ensure the planning and running of the event is the best that it can be. Thank you to all involved for your continued dedication, it is much appreciated.

In addition to the National Show Committee, we need to thank the National Events Convener, the General Manager and staff for all their hard work. The ASHS has many wonderful staff members all working for the benefit of our breed and its Members, thank you.

As with any major event, it is not successful without having great partnerships. The Society is very lucky to have some wonderful long-term sponsors as well as some relatively new ones. Sponsors can be found throughout this program with many also being on the ground. Please take the opportunity to engage and utilise these sponsors in any facet that you can, perhaps just a simple “thank you”. Thank you to all sponsors of the National Show.

Breeders, owners and riders anticipate the running of these highly prestigious events from one year to the next, so now the time has arrived for another installment. Good luck to one and all.

The National Show Committee Chairman Welcome

I would like to welcome one and all, to the 2023 ASHS National Show.

The National Show is such a fantastic showcase for our wonderful breed, the Australian Stock Horse. You can sit for the duration of the show and see campdrafting, dressage, showjumping, hacking, working and led classes, and the ever-exciting time trial – “The Breed for Every Need.”

The National Show has history, with the National Futurity now at Series 35, the National Maturity Series 34 and the Maiden Campdraft Series 26. Members breed horses especially for these events, and I would like to thank them for their continued support of the breed and of the Show.

We will see the next crop of youngsters on Saturday for the Fountain of Youth Sale, and starting this year, the Board has introduced new \$10,000 Incentive Challenges for FOY horses. There will be 4Yrs & Over, 3YO and 2YO Challenges run here at the show – make sure you watch out for them.

A huge Thank You to all the great sponsors who have come on board and supported the National Show, as without your support, we would not be able to continue. There will certainly be some lovely craftsmanship

on display with the beautiful trophy saddles up for grabs.

Also, thanks must go to our judges for giving freely of their time to officiate and to all the volunteers who are helping out. You are appreciated.

Cattle donors are another group of people who must be thanked for their generosity in allowing us to use their cattle. With the value of cattle, this needs to be acknowledged and they need to be congratulated.

I would like to thank my team, the National Show Committee, for their commitment and dedication to bringing you the best show possible. They are all volunteers, so when you see them around the grounds please say Thank You. Also, a big Thank You must go to Melissa Gorton, who has been our National Show Co-ordinator and chief organiser for the past eight years. Thanks Mel and I wish you well for your future endeavours.

Thank You to the ASHS Board of Directors and Acting General Manager, Catherine Smith, and her staff for the ongoing support given to the Committee.

Lastly competitors, I thank you for supporting the event and hope you have a friendly, rewarding and memorable time here at the 2023 ASHS National Show. Please remember to be kind to each other.

Best wishes,

Lorna Fanning (National Show Committee Convenor)

Announcers

Jim Callinan

Jim Callinan was born and raised on Glengarry Station, north of Scone, where his father and grandfather managed this great cradle of Australian Stock Horses for over half a century. His grandfather, also named Jim Callinan, owned the immortal ASH sire Chan, that had been given to him by his good friend Frank Scanlon. With this incredible Australian Stock Horse background, it is no wonder that Jim as a young competitor was almost unbeatable in Junior Campdrafts on

the great Chan mare, GLENGARRY DINA – HSH. Jim later played polocrosse with the Bunnan Club before taking up commentating, at which he was an instant success. This quickly spread to announcing at National Polocrosse Titles, the Australian Stock Horse National Show and the Sydney Royal Easter Show. Wherever he announces Jim always spreads the word about the Australian Stock Horse and for many years has been one of the Society's greatest advocates.

Lorna Fanning

Lorna was born in Tenterfield, NSW, and grew up on a grazing property just on the NSW side of the QLD border. Lorna has been involved with Australian Stock Horses most of her life. She has been an announcer for about 40 years now, and still enjoys it immensely. Lorna now lives in Warwick, QLD, and is actively involved with the Eastern Downs Branch and South Queensland Management Council of which she is secretary. She no longer owns any horses but

her interest is still well and truly there. She has received a Special Services Award and was Volunteer of the Year in 2011 – she was also recognised with the Warwick Tribute to Australian Campdrafting in 2022. Lorna is a Director of the Australian Stock Horse Society Board.

The National Futurity is designed to showcase the ability and temperament of the Society's three year-old horses. The Futurity is a contest held over four sections: Led, Hack, Working and Time Trial. Horses are allocated a score in each section and these result in an overall score for the event. Horses must record a score in each section to be eligible for an overall score.

Martins Stock Haulage Novice Campdraft

Campdrafting involves a rider entering a “camp” (yard) which contains six to eight head of cattle. The rider cuts out (separates) one beast from the others and brings it to the front of the camp, working the beast (blocking/turning) two or three times to prove the rider has the beast under control. The rider then calls for the gates to be opened, working the beast around a course in a larger arena. Once completed, the rider guides the beast through two pegs that are placed apart to finish the campdraft. Points are awarded for horsemanship and control of the beast within the set time limits.

ASHLA

ASHLA's rules regarding the scoring are available on the ASHLA Judging Form (www.ashs.com.au/forms). Full rules are available in the ASHS Events Handbook, for the latest version please visit the Society's website. Below is a summary for clarity.

Summary of ASHLA Competition Rules:

1. A breach of any ASHLA rule will mean disqualification and forfeit of any prizes and results from the ASHLA event on the day.
2. One horse/one rider rule - A rider may enter more than one horse in an ASHLA class but can only ride one of the nominated horses in that event, as long as they are the nominated rider on the ridden horse. That is, one horse can be entered multiple times with different riders but can only compete for one rider. A rider can enter multiple horses but must only compete on one. Other entries MUST be scratched.
3. No horse or rider substitution in an ASHLA class will be allowed. Each entry must be a horse AND rider combination. Other entries MUST be scratched.
4. **Nomination for Highest placed ASHLA Rider prizes in Futurity, Maturity, Maiden Series Campdraft, ABBEY Open Challenge and Snaffle Bit Futurity, must be PRIOR to the event commencing.**

Dressage

Competitors should choose a single style – either competing in Australian Stock Horse style attire, saddle and saddlecloth or “English Style” attire, saddle and saddlecloth/numnar. Refer to the ASHS Events Handbook for the rules and regulations.

The dressage is a timed draw, however should scratchings occur during the event, competitors will be requested to move-up. Competitors will be eliminated if they miss their time.

- Please ensure your horse is wearing its allocated breastplate number at all times during competition.
- Callers are permitted and no penalty will be incurred for using a caller in any test.
- Gear checks are compulsory. Please report to the Gear Check area 10 minutes prior to your test.
- Bridle: Leather or webbed reins are acceptable. Reins must be joined (no split reins permitted).
- For Preliminary, Novice and Elementary tests a plain snaffle bit is required.
- For Freestyle tests a simple double-reined bridle with a cavesson noseband or double bit (bit and bridoon) is permitted.
- Cavesson, Hanoverian, dropped and crossover nosebands are permitted but not compulsory.
- Whips up to 1.2 metres in length are permitted. The tassel is included when measuring the whip.

- Spurs, where worn, are to be English spurs only. See EA rules for full conditions. Spurs must be a pair.
- Helmet: All competitors must be an equestrian helmet approved by the current Australian Standards Association or international equivalent, which must be securely fastened under the chin. If you are a member of EA and rely on their personal insurance – you may need to comply with their headgear and helmets regulations.
- Note: Presentations for dressage are to be mounted and competitors must be in competition wear.
- For the purpose of deciding a Champion at a level, if a clear winner is required the following criteria will decide the winner:
 - First placed horses will be allocated 35pts;
 - Second placed horses will be allocated 34pts;
 - Third placed horses will be allocated 33points, and so on to the last placed horse.
- The Champion is the horse with the highest combined points of the two tests.
- In the event of a tie, the Champion will be the horse with the highest aggregate percentage at that level.
- In the event of a further tie, the horse with the highest percentage in the higher competition at that level will be deemed the Champion.
