Intef,

Unfortunately, the UT archives in our office are really incomplete. Prior to my coming here in 2011, no one really kept up accurate archives of hard or electronic copies.

The good news is that the Library archives are really complete. They are also in the process of being digitized. They have completed up through the 60's.

I would suggest contacting Vinny, who is in Special Collections. His contact information is below. Hopefully he can help you find you what you need. Thanks.

Subject: A.S.I. Archive and Document Request

Hello Lisa,

Ejmin asked me to contact you to get copies of some of the documents you shared with us at last Monday's meeting.

We were also interested in seeing if there was any additional information regarding A.S.I. voter ballot results EO 527 or Fee Policy Committee actions regarding A.S.I. fees in the archive?

We are especially interested in the 1988 Referendum, 1996 Referendum, and the years from 1997-2005. Thanks for your help in advance.

Let me know how I can assist if the information is not easy to access electronically. I would love to look through some old files from A.S.I.'s past.

I can be reached at my desk 323-343-5858 or via cell phone at 323-474-7706. Take care.

Attached is the ballot from 1996 that contains the referendum. I do not have any other ASI referendum documents. The item was recovered from Childcare Center archives not ASI archives. I will ask Patty if she has any other documents. I hope this helps.
