# DURANGO // 2016

# 2016 DODGE DURANGO

//// CITADEL SHOWN IN BRILLIANT BLACK CRYSTAL PEARL WITH OPTIONAL EQUIPMENT.

## TRIPLE THREAT

- 1 BEST-IN-CLASS POWER<sup>1\*</sup>
- 2 BEST-IN-CLASS TOWING<sup>2</sup>
- 3 BEST-IN-CLASS STANDARD FUEL ECONOMY<sup>3</sup>

*Dodge is known for creating vehicles that are unwilling to compromise. Under no circumstances do we believe impressive fuel efficiency means sacrificing power. That spacious seven-passenger seating means minimizing cargo room. Or that a vehicle with “utility” in its name can’t coexist with plush, upscale interior details including the largest available touchscreen in its class.<sup>4</sup>*

*Only Durango delivers best-in-class power<sup>1</sup>, towing capacity<sup>2</sup> and standard fuel economy up to 9.5 L/100 km (30 mpg<sup>3</sup>) — making it a triple threat. Without apologies, this is the 2016 Dodge Durango.*

\*All disclaimers and disclosures can be found on the back cover.

//// SIGNATURE DODGE LED RACETRACK TAILLAMPS.

//// CITADEL SHOWN IN BRILLIANT BLACK CRYSTAL PEARL WITH OPTIONAL EQUIPMENT.

//// R/T INTERIOR SHOWN IN BLACK.

//// R/T SHOWN IN REDLINE PEARL WITH THE BLACKTOP PACKAGE AND OPTIONAL EQUIPMENT.

# ALL-OUT PERFORMER

**BEST-IN-CLASS POWER<sup>1</sup> AND TOWING<sup>2</sup>** — Durango tackles the road and tows your toys with ease. The smooth, refined ride is the culmination of standard all-wheel drive (AWD), a new Sport Mode that delivers a more responsive driving experience, a near 50/50 weight distribution and four-wheel independent suspension.

**RESPONSIVE AND AWARD-WINNING** — The 3.6-litre Pentastar™ Variable Valve Timing (VVT) V6 engine offers up to 295 horses and 260 lb-ft of torque. New Engine Stop/Start (ESS) technology shuts the engine off when the vehicle comes to a complete stop — while amenities like radio, gauges and climate control continue to operate — to lower emissions and help conserve fuel. The engine restarts automatically when the brake is released, allowing for seamless acceleration.

**ALL-WHEEL DRIVE (AWD)** — Forge on in confidence with standard AWD. Durango offers two AWD systems — one for the HEMI® V8 and one for the Pentastar V6-powered models — both offer traction and handling over a wide range of road conditions. On V8 models, AWD includes a low range on the transfer case for extreme 4x4 situations.

**LEGENDARY HEMI POWER** — Durango boasts power from an available 5.7-litre HEMI engine. With VVT and FuelSaver Multi-Displacement System (MDS) technology, drivers get both authoritative power and impressive fuel economy.

**CLASS-EXCLUSIVE 8-SPEED AUTOMATIC<sup>4</sup>** — The standard 8-speed automatic transmission with Eco Mode provides superior efficiency, quicker acceleration and smoother shifting. Performance-inspired steering wheel-mounted paddle shifters allow for a more personalized driving experience.

**SPORT MODE** — Turning on Sport Mode changes the steering calibration, pedal calibration and shift pattern to further enhance Durango's responsive driving experience.

## 3.6L PENTASTAR VVT V6

UP TO **6,200**-LB TOWING

UP TO **295** HORSEPOWER **260** LB-FT TORQUE

AS EFFICIENT AS **9.5 L/100 KM** HWY\*

# BEST-IN-CLASS POWER<sup>1</sup> AND TOWING<sup>2</sup>

# STAND AGAINST ORDINARY

## GET NOTICED: LIMITED

Elevate your style with premium interior details and distinguished exterior touches for an incredible value. Comfort is king with heated front and second-row leather-faced seats, a heated leather-wrapped steering wheel, and driver's memory setting for exterior mirrors, driver's seat position and radio. Park-Sense® Rear Park Assist System<sup>5</sup>; ParkView® Rear Back-Up Camera<sup>5</sup> and Remote Start keep you surrounded in technology.

Limited's exterior is adorned with new polished 18-inch wheels with Granite Crystal pockets, automatic headlamps with chrome surround and LED daytime running lamps. Dial the style up even further with the available Brass Monkey Appearance Package that includes 20-inch Burnished Bronze wheels, dual exhaust with bright tips, Gloss Black grille, Black headlamp bezels, and body-colour wheel lip, lower sill mouldings, and front and rear fascias.

## NEXT-LEVEL LUXURY: CITADEL

Some might think that luxury and beauty can't be paired with an SUV as powerful as Durango, but they'd be wrong. Citadel models exude chic sophistication with stunning touches of exterior chrome, a bright premium grille and 20-inch polished wheels. The amenities inside move this model to the next level with nine amplified speakers with subwoofer, a 506-watt amplifier and Uconnect® with a largest-in-class<sup>4</sup> 8.4-inch touchscreen. The power sunroof, Nappa leather-faced seats and floor console with leather armrest add even more elegance.

For those who want to take it to the next level, opt for the available Platinum Appearance Package, which boasts 20-inch Satin Carbon wheels as well as mirror caps, grille surround, headlamp bezels, lower sill mouldings and door handles, all adorned in Platinum Chrome.

//// LIMITED SHOWN IN RED PEARL WITH BRASS MONKEY APPEARANCE PACKAGE.  
//// CITADEL SHOWN IN IVORY TRI-COAT PEARL WITH PLATINUM APPEARANCE PACKAGE.

# HIGH-PERFORMANCE R/T

## RACY INSIDE AND OUT

Durango R/T boasts fierce looks and standard HEMI® power performance with a powertrain full of track attitude and confident capability. This rugged model is equipped with big benefits like a unique sport-tuned suspension, 20-inch Granite Crystal aluminum wheels wrapped in all-season tires and a 20 mm-lower ride height.

The exterior features a slick, monochromatic appearance with High Intensity Discharge (HID) headlamps surrounded by Black bezels. Inside, the details are equally as impressive with a standard 8.4-inch Uconnect® Multimedia Centre with largest-in-class\* touchscreen, premium navigation<sup>2</sup>, luxurious leather interior trim and Nappa leather-faced seats finished with bold contrast stitching and an R/T embroidered logo.

OVER **50+** SEATING CONFIGURATIONS  
 ————— *KEEPS IT INTERESTING* —————

//// FOLD DOWN THE THIRD-ROW SEATS FOR EVEN MORE CARGO ROOM.

Properly secure all cargo.

//// AVAILABLE DVD/BLU-RAY™ PLAYER WITH SEATBACK-MOUNTED VIDEO SYSTEM.

**THERE'S NO DOUBT** that Durango is a passenger powerhouse. Standard seven-passenger seating includes a fold-flat front-passenger seat, 60/40 split-fold-flat second-row reclining bench seat with integrated padded centre armrest with cup holders, and 50/50 split-folding third-row seats. Opt for cloth or heated leather-faced fold-and-tumble second-row Captain's Chairs with soft-touch armrests and a floor-mounted mini console with cup holders for six-passenger seating.

Whether trips are an adventure for two with a week's worth of camping gear or a full-on family gathering, Durango easily accommodates with over 50 different seating configurations.

**CLASS-EXCLUSIVE\* BLU-RAY DVD CENTRE** — Opt for the available class-exclusive\* Blu-ray/DVD Centre and the trip becomes even more entertaining. The system boasts two nine-inch seatback-mounted screens and High-Definition Multimedia Interfaces (HDMI). When the show's over, hook up the portable gaming console for some friendly competition. Travelling with both a movie buff and a gaming fanatic? Durango has you covered. The rear-seat HDMI/USB ports let passengers tap into the entertainment system and use each screen independently of the other.

# COMMAND CENTRAL

LARGEST AVAILABLE  
TOUCHSCREEN IN ITS CLASS<sup>4</sup>

**ALL SYSTEMS: GO** // It's class-exclusive<sup>1</sup> and standard on every Durango model: a seven-inch full-colour customizable in-cluster display centre. From here, you get real-time information on performance, available navigation<sup>6</sup> and vehicle status in full colour and with rich graphics. The customization is near limitless, and programmable by you.

**Uconnect** // Engineered with technology, Uconnect brings a range of communication and entertainment services directly to Durango. Intuitive and customizable, available Uconnect systems include a touchscreen display up to a largest-in-class<sup>4</sup> 8.4 inches and steering wheel-mounted controls that operate features like a Bluetooth<sup>®</sup>-enabled phone, Voice Command<sup>7</sup>, 3D navigation<sup>6</sup>, radio settings, cruise control, preformatted text response and more.

**NEW CONVENIENCE AND SAFETY FEATURES** // For models equipped with the 8.4-inch touchscreen, Uconnect introduces all-new features including:

The **Drag and Drop** menu bar which allows you to personalize the dashboard with your top six features and services.

With **Siri Eyes Free**, you can initiate Siri sessions on your compatible iPhone<sup>®</sup> with the voice recognition button on the steering wheel to give voice commands<sup>7</sup> to send text messages, play music, set reminders, place phone calls and access turn-by-turn directions.

The **Do Not Disturb** feature enables you to route all incoming calls to voice mail and suppress texts. You may also choose to receive a visual prompt for incoming calls and texts, as well as send an automated reply.

Visit [driveuconnect.ca](http://driveuconnect.ca) for a list of available options.

//// OFFERS

60+

STANDARD / AVAILABLE  
SAFETY & SECURITY FEATURES

## IT'S SAFE TO SAY, WE HAVE YOU COVERED.

WITH OVER 60 STANDARD AND AVAILABLE SAFETY AND SECURITY FEATURES, YOU CAN REST ASSURED A HIGH DEGREE OF ADVANCED AUTOMOTIVE TECHNOLOGY WENT INTO EVERY DURANGO.

**ADAPTIVE CRUISE CONTROL (ACC) WITH STOP<sup>5</sup>** // This system maintains a driver-selected distance between your vehicle and the one in front of it by automatically decreasing the preset cruise control speed when approaching another vehicle in the same lane or when another vehicle that is travelling at a slower speed pulls into your lane. The system will accelerate back to the preset speed when space permits. At low speeds, ACC can bring Durango to a controlled stop.

**FORWARD COLLISION WARNING (FCW) WITH ACTIVE BRAKING<sup>5</sup>** // Sensors detect when Durango may be approaching another vehicle too quickly and send an audible and visual alert to the driver along with 1.5 seconds of brake assistance if the driver does not react in time.

**PARK-SENSE<sup>®</sup> REAR PARK ASSIST<sup>5</sup>** // When in Reverse, these sensors detect the presence of objects within two metres of the backup pathway and provide both an audible chime and a visual warning.

**BLIND-SPOT MONITORING (BSM) WITH REAR CROSS-PATH DETECTION<sup>5</sup>** // This technology includes dual radar sensors that constantly monitor driver blind spots, providing notification of an encroaching vehicle via illuminated icons on sideview mirrors and by an audible chime if the turn signal is activated. When in Reverse, rear sensors warn the driver with an audible chime if cross-traffic approaches.

**ELECTRONIC STABILITY CONTROL (ESC)<sup>®</sup>** // A standard vehicle-wide network of safety sensors provides instant aid when it detects the driver veering off the intended path. This robust system includes Electronic Roll Mitigation (ERM), Antilock Brake System (ABS) with Brake Assist, all-speed traction control and Trailer Sway Control (TSC).

**RAIN-SENSING WINDSHIELD WIPERS** // Rain-sensing wipers detect moisture on the windshield and, if the wipers have been placed in one of the delay positions, will activate automatically. You don't have to take your hands off the wheel to adjust the wiper controls as the rain intensity changes.

**RAIN BRAKE SUPPORT** // When the windshield wipers are activated, this standard system pulses the brake pads closer to the spinning rotors, helping to keep the rotors and pads dry to help enable the shortest stopping distance.

**AIR BAGS<sup>9</sup>** // Your sense of security is fully met with Durango's all-around air bag<sup>9</sup> system. These seven standard air bags<sup>9</sup> — full-length side-curtain, front seat-mounted side, driver's-side knee blocker and advanced multistage front — all work together to help provide protection when you need it most.

**REMOTE PROXIMITY KEYLESS ENTRY AND AVAILABLE REMOTE START** // Remote proximity keyless entry unlocks your vehicle when your key fob is in close proximity, without needing to push any buttons or even remove the fob from your purse or pocket. When equipped, your Durango can also be started from up to 300 feet away by pushing a button on the key fob.

**HILL START ASSIST** // This standard system automatically applies the brakes for two seconds on hills and inclines after the driver releases the brakes, holding the vehicle stationary to allow time for the driver to apply the throttle.

## DURANGO SXT

### POWERTRAIN

- 3.6L Pentastar™ Variable Valve Timing (VVT) V6 with Engine Stop/Start (ESS) technology and 8-speed automatic transmission with rotary E-shift
- All-wheel drive (AWD)

**DISCLAIMERS:** 1 Based on *WardsAuto* Mid-size Sport Utility segmentation and combined horsepower and torque ratings. 2 Based on *WardsAuto* Mid-size Sport Utility segmentation. When properly equipped. 3 Based on *WardsAuto* Middle Sport/Utility segmentation against competitor standard V6 engines. Based on combined highway/city 2016 *EnerGuide* fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. 12.8 L/100 km (mpg) city 9.5 L/100 km (34 mpg) highway on Durango base models equipped with the 3.6L Pentastar VVT V6 and 8-speed automatic. 4 Based on *WardsAuto* Mid-size Sport Utility segmentation. 5 This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 6 Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 7 Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth-compatible phone. 8 No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 9 The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 10 Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at [siriusxm.ca](http://siriusxm.ca). 11 Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 12 Not compatible with all garage door openers. 13 Additional fees will apply for Retailer-Activated Navigation.
