The 2011 Ford Fiesta

Loaded with substance, Fiesta changes everything. Among its **15 class-exclusive² features** is a 4-inch LCD multifunctional display;³ Ford SYNC[®] voice-activated, in-vehicle connectivity system;³ a fuel-efficient and lively PowerShift 6-speed automatic transmission;³ leather-trimmed seats complete with contrast piping;³ and even a driver's knee airbag, one of 7 standard airbags. Available in hatchback or sedan, both deliver European ride and handling that's a blast to drive. Introducing the 2011 Ford Fiesta.

¹EPA-estimated 29 city/40 hwy/33 combined mpg, automatic SFE. ²Class is Compact Cars. ³Optional. Availability varies by model. See your dealer for details.

2011 FIESTA

ford.com

Drive one.

You've never powered up like this.

That's a whole lot of change tucked in your pocket. With the available **Intelligent Access** key, you have a VIP pass to completely keyless entry. Touch the door handle and you're in. With the key still tucked away, simply depress the brake pedal and activate the **push-button start**. You're off. The new 2011 Ford Fiesta. Get into something completely different.

2011 FIESTA

**Surprises
like no other car
in its class.**

Helps money stay in your pocket, not your tank.

40 mpg hwy.¹ 29 mpg city.¹ Both best in class.

Provides vitals, at a glance.

Class-exclusive 4-inch LCD multifunctional display.²

Shifts crisply and efficiently to keep you smiling.

Class-exclusive PowerShift 6-speed automatic transmission.²

Controls your mobile, music and navigation by voice.

Class-exclusive Ford SYNC.^{®2}

Generates heat, in cloth or leather trim.

Class-exclusive heated front-seat cushions.²

Responds in an instant, when needed.

7 standard airbags, most in its class.

Helps keep fuel, and fumes, off your hands.

Class-exclusive Easy Fuel[®] capless fuel filler.

32-BIT MICROPROCESSOR

The brains behind the engine control system in Fiesta's 1.6L Ti-VCT Duratec I-4 engine is an advanced 32-bit powertrain control module, which makes quick adjustments of fuel, air, spark and gear changes for exceptional efficiency.

40 mpg hwy¹

Fiesta SE Sedan • Ingot Silver Metallic • Available Equipment
Fiesta SES Hatchback • Blue Flame Metallic • Available Equipment

Delivers the most MPGs in its class.

Wherever you drive, Ford Fiesta delivers: **class-leading highway fuel economy** of 40 mpg,¹ which no other gas-powered sedan in the U.S. can beat, as well as 120 horsepower. Much of the credit goes to its **class-exclusive 1.6L Ti-VCT Duratec® I-4 engine**, a marvel of modern efficiency. Twin independent variable camshaft timing (Ti-VCT) helps improve peak power, optimizes cold-start operation, delivers gains in low-speed torque and contributes to fuel efficiency. An available **PowerShift 6-speed automatic** transmission can provide torque to the wheels 100% of the time during shifts, for an extra-connected feel. Electric power-assisted steering helps contribute to fuel efficiency as well. Responsive. And responsible. Powerful traits of the new Ford Fiesta.

¹EPA-estimated 29 city/40 hwy/33 combined mpg, automatic SFE.

2011 FIESTA

ford.com

Drive one.

The available **voice-activated Ford SYNC®** in-vehicle connectivity system works with your paired Bluetooth®-enabled mobile phone. Plus your digital media player. Even a USB drive. With the touch of a button. And simple voice commands.¹

"Call Mark" *Provides hands-free calling*

"Read message" *Reads incoming text messages aloud*

"Play genre: rock" *Plays your digital music on command*

"Shuffle: on" *Mixes tracks like a pro*

"Services: directions" *Gives you Traffic, Directions and Information*

Personalized traffic reports with text-message alerts. Precise turn-by-turn directions. Business searches, news, sports and weather. Vehicle Health Reports. And 911 Assist.™ **SyncMyRide.com** has all the latest news.

SYNC. Say the word.

Listen to what you want. When you want. Wherever you are. With available **Sirius® Satellite Radio**. Enjoy over 130 channels, including 100% commercial-free music from every genre, plus sports, news, talk and comedy – all with crystal clear, coast-to-coast coverage.²

¹Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. ²Subscription required after introductory 6 months expire.

RALLY TO VICTORY

That's the goal of driver Ken Block and his Monster World Rally Team. Block, Rookie of the Year in the 2005 Rally America Championship, will pilot a 2011 Fiesta in 7 North American events in 2010, culminating at Summer X Games in Los Angeles.

Fiesta SES Hatchback • Lime Squeeze Metallic • Available Equipment

Carves up curves. Smooths straightaways.

Yes, Fiesta puts you assertively in the driver's seat. And you'll seriously enjoy time spent there. Up front, its MacPherson-strut suspension features specially tuned shocks, struts, bushings and dampers – along with a **22-mm stabilizer bar** – to help keep Fiesta sure-footed and firmly planted in the corners. Advanced **electric power-assisted steering** improves steering feel at low speeds and provides precise assist on the highway. In the rear, a **twist-beam suspension** with specially tuned shocks deftly balances responsive handling with the need for a smooth ride. 15-in. wheels are standard. 16-in. aluminum wheels are available. Curves and straightaways are yours to discover.

2011 FIESTA

ford.com

Drive one.

Connects you like never before.

An available, **class-exclusive 4-inch LCD multifunctional display** helps make controlling Fiesta systems simple and easy. View audio system data, vehicle settings, SYNC® information and more on the easy-to-read display screen that centers the instrument panel. Scroll through vehicle and audio settings by using the buttons on the cell-phone-inspired center console. Available **5-way controls** on the left (for SYNC) and right (for cruise control) spokes of the steering wheel help make operating those systems easy. Outside temperature, odometer and trip odometer are always displayed (on SE models and above) on the small screen between the speedo and tach. The end result? You're connected and in control.

Operate the available SYNC voice-activated in-vehicle connectivity system with the 5-way control on the left spoke of the steering wheel, and the buttons on the center console. Follow the action on the 4-inch LCD display screen. Visit SyncMyRide.com for all the latest news.

Display icons always let you know what's happening, whether you're making or receiving phone calls with SYNC, adjusting vehicle settings (clock, available ambient lighting, display language) or viewing messages (trunk open, door ajar, etc.).

Scroll through, select and control your range of audio choices (AM/FM stereo, CDs, available Sirius Satellite Radio, or an auxiliary digital media player). Push-button controls on the center console help you make your selections. Information is always displayed in a bright, easy-to-read format on the 4-inch LCD display screen.

2011 FIESTA

ford.com

Drive one.

Seats you in serious style.

With choices you won't find anywhere else in its class, style abounds inside the new Ford Fiesta. **Leather-trimmed seats**¹ in your choice of Plum Red or Cashmere-colored, with Charcoal Black piping, or Charcoal Black with Cashmere-colored piping. Heated front-seat cushions.¹ **Ambient lighting** that lets you choose from 7 hues.¹ All class exclusives. And all ready to impress. For those moments when style takes a back seat to space, Fiesta's 60/40 split rear seat folds down, opening up additional room for your gear. Pass-through access from the trunk increases that usable space even more in the sedan. In Fiesta, you've got choices. Not compromises.

HEATED SEATS

In cloth on Fiesta SE in the available Winter Package. In cloth and available leather trim on Fiesta SES/SEL in the available Upgrade Package.

Fiesta SES Hatchback • Leather-Trimmed Seats in Charcoal Black with Cashmere-Colored Piping • Available Equipment

¹Optional. Availability varies by model. See your dealer for details.

2011 FIESTA

ford.com

Drive one.

Keeps you covered. Even your knees.

A class-exclusive driver's knee airbag, one of **7 standard airbags**, is just one element of a complete safety story that earned Fiesta a **2010 "Top Safety Pick"** from the Insurance Institute for Highway Safety (IIHS). Dual-stage front airbags, front-seat side airbags and side-curtain airbags help protect the whole passenger compartment. **Ultra-high-strength steel** helps reinforce the frame. And AdvanceTrac[®] electronic stability control helps you stay on track. In terms of safety, Fiesta's got you covered.

THE 7TH AIRBAG

A class-exclusive driver's knee airbag, which inflates between the knees and the instrument panel in a crash, gives Fiesta a class-leading 7 airbags. All smartly positioned to help protect driver and passengers.

1 ULTRA-HIGH-STRENGTH BORON STEEL

Incredibly strong. Remarkably lightweight. Used in critical areas of the body structure to help protect occupants in the event of a collision.

2 FRONT-SEAT SIDE AIRBAGS

Deploy in certain side-impact collisions. Offer an extra measure of chest protection for the driver and front passenger.

3 SIDE-CURTAIN AIRBAGS

Deploy from the headliner to cover both rows of the vehicle in certain accidents.

4

4 ADVANCETRAC ELECTRONIC STABILITY CONTROL

Standard. Helps you stay on track. Brings an uncompromising level of confidence to every drive.¹ In fact, according to a National Highway Traffic Safety Administration (NHTSA) study,² ESC reduced single-vehicle passenger car crashes by 35% compared to similar models without the technology.

5

5 PERSONAL SAFETY SYSTEM™

Sensors here trigger deployment of the dual-stage front airbags of the Personal Safety System. Additional sensors in the Front-Passenger Sensing System determine occupant weight and safety belt status to optimize deployment force.

6

6 INTEGRATED BLIND SPOT MIRRORS

Smartly integrated convex spotters alert you to vehicles entering your blind spot. See a vehicle there. Stay in your lane until it passes.

7

7 SPACE ARCHITECTURE®

Stands for Side Protection and Cabin Enhancement. Achieved by running a high-strength steel cross-car beam between the door frames that helps divert crash forces underneath the seats and away from occupants.

Fiesta SES Hatchback • Lime Squeeze Metallic • Available Equipment

¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ²U.S. Department of Transportation study, Sept. 2004 (nhtsa.gov). Updated July 2007.

Unexpected features.

A. Brighten your outlook with a power moonroof, available on SE/SES/SEL models.¹

B. Ambient lighting, standard on SES/SEL models and available on SE, features 7 color choices that illuminate from within the front cupholders and front and rear footwells to help you create the mood you want.

C. Under a rear cargo cover that raises with the hatch, Fiesta hatchback models offer 15.4 cu. ft. of hidden storage that helps keep your belongings out of sight.

D. Six standard cupholders allow everyone to have a beverage close at hand.

E. Standard integrated blind spot mirrors help alert you to vehicles entering your blind spot. Keeping them clear is essential. Power, heated sideview mirrors, available in the Winter Package on SE and standard on SES/SEL models, quickly eliminate ice and snow buildup.

F. The standard Easy Fuel[®] capless fuel filler helps hands stay clean. No cap required.

New Vehicle Limited Warranty. We want your Ford Fiesta ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/50,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.
