

Captiva 5

THINK  HOLDEN

Modern living made easy

Compact enough for tight city parking, yet spacious enough to carry a long holiday's worth of cargo, the Captiva 5 is a savvy urban utility and sporty freedom machine rolled into one. With the option of Two Wheel Drive or Active All Wheel Drive, economical petrol or diesel power, plus high levels of safety and technology, it's the perfect vehicle for achieving work/life balance.

Roof mounted bike carrier not standard.
Available as an accessory

European inspired design

There's no mistaking the signature euro-style bodywork of the Captiva 5. Bolder up front, more athletic in stance, and with fast lines sweeping across its bonnet, windows and roof, the vehicle's intent and individuality are obvious to all.

So much to admire

Look beyond the big picture of its eye-catching exterior, and you find even more to admire about the Captiva 5. Like distinctive 19-inch alloy wheels (4 on LTZ), front fog lamps, satin silver roof rails, chrome tipped exhaust and a wide-opening rear door for easy access to the vehicle's cargo area – a space that expands from 430 litres to 865 litres with the flick of the wrist thanks to fold flat 60:40 split rear seating.

Equipped for the journey

The high driving position of the Captiva 5 reveals a commanding view of the road – and a cabin full of stylish features. There's a CD player and USB Port with iPod® integration for your hot tracks, dual zone electronic climate control to keep you cool and a leather wrap steering wheel for extra grip. Front and Rear Park Assist, cruise control, trip computer and Driver Information Display are also standard, as are 12-volt power outlets in the front, second row and cargo area.

The Captiva 5 powertrain lineup offers two engines with 6-speed manual and 6-speed automatic transmissions.

So whether you opt for Two Wheel Drive with the 2.4 litre petrol engine or Active All Wheel Drive with the 2.2 litre turbo diesel, you can expect the pleasure of genuine Holden performance, without the pain of large fuel bills or frequent trips to the bowser.

2.4 litre petrol engine

Fast to respond, slow to reach 'empty', this high output, low emission 4-cylinder powerplant will take you further up the highway without a drink. Providing linear delivery of torque, with near-peak levels over a broad range of revs, this dual overhead cam engine with variable valve timing is a smooth, spirited and reliable performer that makes driving a joy.

Maximum Power: 123kW @ 5600rpm*
Maximum Torque: 230Nm @ 4600rpm*

Key engine features include:

- Advanced digital sensors enable more efficient engine operation
- Rigid engine structure ensures quieter operation and improved engine durability
- Optimised piston skirts help reduce operational noise
- Aluminium construction improves the engine's power-to weight ratio, optimising efficiency and lowering tail pipe emissions

2.2 litre turbo diesel

The Captiva 4-cylinder turbo diesel engine, equipped with high-pressure common rail fuel injection delivers thrilling performance – smoothly, quietly, economically and with low emissions levels.

Maximum Power: 135kW @ 3800rpm*
Maximum Torque: 400Nm @ 2000rpm*

Key engine features include:

- The advanced, electronically controlled turbocharger with intercooler improves driveability and fuel economy, while also reducing emissions
- A revised compression ratio maximises power output
- A DOHC cylinder head and chain-timed camshaft drive enhance durability
- The high efficiency exhaust gas recirculation cooler improves engine robustness

6-Speed automatic transmission with Active Shift Control and Active Select

Designed with optimised gear ratios to maximise acceleration, optimise fuel economy at cruising speeds and minimise engine noise, this sophisticated 6-speed automatic transmission shifts with impressive speed and almost imperceptible smoothness.

Available with your choice of engine, it features Active Shift Control, which monitors the way you drive and adapts shift changes accordingly, and Active Select, which lets you switch to manual gear shifting for a more 'hands on' driving experience.

6-Speed manual transmission

An all-synchronised transmission with ultra smooth monoblock precision forged gears, this 6-speed gearbox teams with the 2.4 litre petrol engine for exceptional launch feel, rapid shifting and quiet, fuel-efficient highway cruising, thanks to a low ratio overdrive.

Economy Drive mode

ECO Drive mode is designed to improve the vehicle's fuel economy. When selected, the transmission will up-shift sooner and down-shift later, the torque converter will lock up sooner and stay on longer, and the accelerator pedal will be less sensitive. Available only with automatic transmission.

Active All Wheel Drive

The Active All Wheel Drive System on the Captiva 5 diesel model automatically divides engine torque between the front and rear wheels, depending upon driving conditions.

Normally, the vehicle is driven from the front wheels only, resulting in greatly improved fuel economy compared with traditional four wheel drive systems. However, the moment the vehicle's sensors detect a situation where four wheel drive would be preferable, up to 50% of engine torque is directed to the rear wheels.

As a result, the vehicle's full power is transferred to the road, even in tight corners, during hill starts or on slippery surfaces, such as wet or icy roads.

The Captiva 5's Active All Wheel Drive is also fully integrated with the vehicle's Electronic Stability Control and Anti-lock Braking System, and can be deployed automatically to counteract vehicle instability in a range of situations.

Safety

Wherever the road leads, however long or short the drive, the Captiva 5's advanced safety technology will be there with you, watching over every moment of your journey.

To help you avoid an accident, the vehicle's active safety systems feature everything from Electronic Stability Control (ESC) and Anti-lock Braking System (ABS), to Traction Control System (TCS), Electronic Brake Assist (EBA) and Electronic Brakeforce Distribution (EBD).

To that already long list you can also add Active Rollover Protection, which constantly monitors body roll and automatically initiates braking counter measures if required; Hill Start Assist, which prevents unintentional roll away; and a Descent Control System for hassle free driving down steep gradients.

Should a collision occur, the Captiva 5's passive safety systems instantly determine the severity and direction of impact, then activates the required occupant protection features, including seatbelt pre-tensioners

and six airbags – front airbags for the driver and front passenger, side impact airbags for the driver and front passenger, and side curtain airbags.

Front and rear crumple zones further maximise your family's safety in a collision, as do the multiple chassis load paths that help channel away impact energy. The vehicle is further complemented by a rigid safety cell which consists of high strength steel. Reinforced B pillars and door anti-intrusion beams provide added protection to the occupants involved in side impacts.

With safety features you will hopefully never need, there are also many others that will be of benefit every day. Like the vehicle's high driving position, which gives you a commanding view of the road; the push button convenience of an Electric Park Brake instead of the traditional lever style; and the added comfort of height adjustable front seatbelts and front and rear headrests.

Hill Start Assist

Hill Start Assist prevents the Captiva 5 unintentionally rolling backwards or forwards down a slope. The system engages automatically when a gradient is detected, it then acts to keep the vehicle stationary after the brake is released, giving you time to use the accelerator to pull away.

Descent Control System

Activated with the touch of a button, the Captiva 5's Descent Control System uses engine control and automatic braking to limit downhill speed.

It enables smooth, controlled hill descents and allows drivers to concentrate primarily on steering.

Active Rollover Protection

Should it detect excessive body roll during cornering or a lane change, Active Rollover Protection applies braking to each wheel as required, with extra brakeforce directed to those wheels with most grip. The vehicle's speed reduces, and with it, the amount of roll.

Driver and front passenger side impact airbags

Side impact airbags, mounted in the outboard wing of both front seats, help to protect against chest injury

Curtain airbags

Curtain airbags provide head and upper body protection for front seat occupants and left and right second row passengers in certain side-on collisions

Driver and front passenger airbags

For maximum protection in certain frontal collisions, Captiva 5 will deploy front airbags for the driver and passenger

How ESC helps you avoid accidents

Imagine you have to avoid an unexpected obstacle in the road. You end up with two wheels on the gravel verge and need to brake suddenly...

TCS reduces torque to the left rear wheel to reduce slip

ESC brakes the left rear wheel momentarily to avoid understeer

ESC brakes the right front wheel momentarily and reduces engine power to correct oversteer

LT

The versatile euro-style Captiva 5 LT is the SUV that's up for all of life's journeys.

Combining sporty performance and refined sedan-like handling with a high driving position, it has an extensive range of innovations as standard. These include Front and Rear Park Assist, Electronic Park Brake and Electronic Stability Control.

The spacious interior has all the comforts you need for the longest of trips including dual zone electronic climate control, CD and steering wheel mounted audio controls.

Captiva 5 LT in Smokey Eye (pack model shown)

Jet Black 'Marine' cloth seats

Front and Rear Park Assist

Leather wrap steering wheel

18-inch alloy wheels (pack model shown)

Electric sunroof (pack model shown)

Standard features include:

- 2.4 litre 4-cylinder petrol engine with 6-speed manual transmission – available in 2WD only
- Optional 2.4 litre 4-cylinder petrol engine with 6-speed automatic transmission and Active Select – available in 2WD only
- Optional 2.2 litre 4-cylinder Common Rail Turbo Diesel engine with 6-speed automatic transmission and Active Select – available in AWD only
- Electronic Stability Control
- 6 Airbags
- CD audio system
- Bluetooth® compatibility
- USB Port with iPod® integration
- Steering wheel mounted audio controls
- Driver Information Display
- Power windows with auto up/down feature, front and rear
- Cloth seat trim

- Leather wrap steering wheel
- Dual Zone Electronic Climate Control
- Electric Park Brake
- Front and Rear Park Assist
- Roof rails (satin silver)
- Body coloured exterior door handles
- Front fog lamps
- Cargo blind
- Chrome exhaust tip
- Trip computer
- Hill Start Assist

Pack features:

- 18-inch alloy wheels (4)
- Electric sunroof

LTZ

The Captiva 5 LTZ encapsulates the very best of what a premium SUV should be.

Extra refinements extend to the richer range of high specification features. These include 19-inch alloys, heated front seats, leather interior trim and intuitive technology such as rain sensing wipers.

Captiva 5 LTZ in Ironite

Leather appointed seat trim

Heated front seats

Leather wrap steering wheel

Leather wrap gear selector

19-inch alloy wheels

Standard features include:

- 2.4 litre 4-cylinder petrol engine – available in 2WD only
- 2.2 litre 4-cylinder Common Rail Turbo Diesel engine – available in AWD only
- Automatic transmission with Active Select
- Electronic Stability Control
- 6 Airbags
- CD audio system
- Steering wheel mounted audio controls
- Driver Information Display
- Power windows with auto up/down feature, front and rear
- Leather wrap steering wheel
- Leather wrap gear selector
- Leather appointed seat trim
- Heated front seats
- Electric 8-way power adjustable driver's seat
- Dual zone electronic climate control
- Electric Park Brake

- Front and Rear Park Assist
- 19-inch alloy wheels (4)
- Roof rails (Satin Silver)
- Body coloured exterior door handles
- Front fog lamps
- Rain sensing wipers
- Cargo blind
- Chrome exhaust tip
- Front passenger underseat storage tray
- Trip computer
- Hill Start Assist

Pack features:

- Electric sunroof

HoldenWise

More choices. More benefits. More reasons to drive a Holden.

For more than 60 years, Holden has been giving Australians the confidence of knowing they're behind the wheel of a quality vehicle, backed by a nationwide network of dealers. With HoldenWise, we're now giving you even more reasons to feel good about driving home in a Holden. You can pick and choose from the solutions you want, giving you complete peace of mind long after you've left the showroom.

For more information visit www.holden.com.au/holdenwise

Customer Care

With more than 240 dealerships Australia-wide, a Holden Dealer is never far away. Our Holden Customer Assistance Centre is also available to answer any questions over the phone.

Call 1800 033 349 8am – 7pm Mon-Fri, 9am – 1pm on Sat (EST).

Capped Price Servicing

With Capped Price Servicing, you'll know exactly what your standard service costs will be in advance. You're guaranteed to pay the same low price for the first four standard scheduled log book services* for the first three years or 60,000 km, whichever comes first.

New Vehicle Warranty

Every new Holden comes with a generous New Vehicle Warranty. Refer to your Owner's Handbook, the Holden website or see your Holden Dealer for full terms, conditions and exclusions.

Holden Leasing

Holden Leasing looks after fleet management and vehicle leasing for commercial, SME and public sector businesses. We source the right vehicles at a competitive price and arrange finance, delivery, maintenance and repairs.

Genuine Service

Holden has one of Australia's largest service networks. Servicing your Holden at an authorised Holden Service Centre gives you complete confidence, knowing that only Holden Dealership Technicians have access to regular Holden factory training and equipment.

Holden Insurance

Holden Insurance arranges a number of competitively priced insurance products, providing tailor-made protection. With a unique mix of standard features and policy options, you can customise your policy to find the right level of protection.

For more information, call the Holden Insurance hotline on 1300 784 026.

Genuine Parts

Holden Genuine Parts are designed and built to our exacting standards, ensuring your Holden continues to perform to its full potential. Holden Genuine Parts are made to meet our rigorous specifications and every single one is covered by a manufacturer warranty.

Holden Rental

If you want an extra vehicle, Holden Rental can keep you on the road. There are no minimum or maximum rental periods. And with no limit on the kilometres you can drive. All Holden Rental vehicles we offer are less than six months old and have low kilometres.

Genuine Accessories

Add an individual touch to your Holden with our extensive range of Genuine Holden Accessories. Each one is tested by Holden or GM Engineers in accordance with Holden's own demanding standards and Australian Design Rules (ADRs)*.

Service Express

Holden's Service Express is a fast, convenient way to have your car serviced. No more leaving your car at a dealership all day – you can get it done in around an hour.

Roadside Assistance

Every new Holden comes with Holden Roadside Assistance. It's one of Australia's most comprehensive assistance packages, with more than 3,000 Roadside Assistance patrols nationwide. Or, for even more benefits, membership can be upgraded to Holden Ultra Roadside Assistance.

Pitstop Tyre Service

Pitstop Tyre Service is a competitive, convenient way to maintain the safety of your vehicle. Trained Holden Technicians will inspect or replace your tyres using state-of-the-art precision equipment and check other components like brakes, giving you complete confidence.

Extended Warranty

The Holden Extended Factory Warranty covers all parts and workmanship originally covered by the New Vehicle Warranty, which is not already covered under the statutory Australian consumer laws. Holden Extended Factory Warranty is issued, fully supported & endorsed by Holden and its Dealer network.

* Where ADRs apply for the product

* Subject to the Capped Price Servicing terms and conditions, this will be a maximum capped amount for each service, up to four standard scheduled services (as specified in the Service Warranty Booklet).

A word about this catalogue. We have tried to make this catalogue as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described through this catalogue may have been changed and / or is available at extra cost. Further, GM Holden Ltd ABN 84 006 893 232, reserves the right to make changes at any time without notice, in prices, colours, materials, equipment and models. Your Holden Dealer has details, and before ordering, you should ask them to bring you up to date. No Holden Dealer or other person is authorised or permitted to give or make any statement, assertion or undertaking in relation to the quality, performance characteristics, descriptions or fitness for any purpose of any Holden product which is at variance with any written statement, assertion or undertaking on any of these subjects given or made by GM Holden Ltd in its published sales literature, and GM Holden Ltd does not accept any liability for any such unauthorised action. GM Holden Ltd has authorised Dealers in many parts of Australia for the sale of service parts and the provision of service to owners of Holden's products. Every endeavour is made to ensure that such Dealers carry adequate stocks of service parts, but GM Holden Ltd doesn't make any promise other than that contained in the New Vehicle Warranty given by GM Holden Ltd that such parts or service facilities will be available at any specific location or at any particular time. Express warranties offered for Holden products are subject to the conditions set out in all vehicle handbooks. Details also available from GM Holden Ltd on request. Copyright GM Holden Ltd. May 2013.
