

2016 | **FLEX**

Go Further

10.2 L/100 km (28 MPG) HWY¹
14.7 L/100 km (19 MPG) CITY¹

Live fully. Drive efficiently.¹

An unconventional blend of style, space and smarts, Ford Flex is the modern way to move.

Seat up to 7 in its 3 roomy rows. Drivers will appreciate the comforting heated steering wheel,² while passengers in the 2nd and 3rd rows will enjoy best-in-class³ leg room.

Flex offers smart features like new SYNC[®] 3, our next generation of voice-activated technology,⁴ Plus available driver-assist technologies that can help you maintain a gap to slower traffic,² see your path more clearly,² and even steer into parallel parking spots.²

Powered by your choice of a 3.5L Ti-VCT engine rated at 10.2L/100 km (28 mpg) hwy,¹ or a rousing 365-hp⁵ 3.5L EcoBoost,^{®2} the 2016 Flex is ideal for busy families. Go further.

Limited AWD. Kona Blue Metallic. Oxford White roof. Available equipment.

Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ¹FWD. Fuel consumption ratings based on Government of Canada approved test methods. Actual fuel consumption will vary. ²Available feature. ³Class is Large Utilities based on Ford segmentation. ⁴Available feature. Some mobile phones and some digital media players may not be fully compatible. Driving while distracted can result in loss of vehicle control. Only use SYNC/other devices, even with voice commands, when it is safe to do so. SYNC voice recognition and screens available in English, French and Spanish. Some features may be locked out while the vehicle is in motion. ⁵Figures achieved using 93-octane fuel.

Excites. Any way you power it.

Equipped with its standard 3.5L Ti-VCT engine, Flex uses twin independent variable camshaft timing to put 287 hp at your disposal. It also has a fuel efficiency rating of 10.2L/100 km (28 mpg) hwy.¹ And with the standard 6-speed SelectShift[®] automatic transmission, you can shift for yourself whenever you'd like, or leave it to Flex.

Get best-in-class V6 hp when you choose the twin-turbocharged, direct-injection, 365-hp² 3.5L EcoBoost[®] engine.³ Paired with Intelligent all-wheel drive (AWD) and steering wheel-mounted paddle shifters, the EcoBoost helps Flex deliver spirited performance.

Limited AWD. Shadow Black. Ingot Silver Metallic roof. Available equipment.
¹14.7L/100 km city and 10.2L/100 km hwy (19 mpg city/28 hwy), FWD. Fuel consumption ratings based on Government of Canada approved test methods. Actual fuel consumption will vary. ²Figures achieved using 93-octane fuel. ³Available feature.

A new capacitive touch screen with SYNC 3 has impressive responsiveness like a smartphone's swipe feature, as well as pinch-to-zoom functionality within navigation.²

Simple music access helps you find your favourite music fast. Through intelligent voice commands, SYNC 3 can automatically switch between music sources.

Easy destination entry within navigation² helps you locate your favourite restaurants, nearest ATM, closest fuel station and more.

SYNC® 3. The next generation is here.

Standard on SEL and Limited, new SYNC 3 technology¹ brings enhanced next-level connectivity to Flex. In addition to all the voice-activated benefits of the base SYNC system – placing and answering calls, and controlling music from your USB or smartphone – you'll love the innovative new features and easy-to-use new interface of SYNC 3.

New hardware meets new software on the easy-to-read 8" colour LCD touch screen that displays phone, audio and navigation² functions.

High-speed performance, including a capacitive touch screen with a convenient swipe feature, means you'll experience quick responses to your touch or voice commands.

Enhanced voice recognition lets you talk with simple, real-world commands and the system responds naturally to your voice, making hands-free calling that much easier.

Siri® seamless integration brings the power of Siri Eyes Free³ and your iPhone^{®3} into your vehicle.

Automatic updates over Wi-Fi^{®4} let you keep SYNC 3 up to date with the latest software as new updates become available.

SYNC. Say the word.™

Standard on SE, Ford SYNC¹ with a 4.2" screen delivers many of the great features found on SYNC 3, including:

Hands-free calling that lets you make a call with the simple push of a button along with the sound of your voice.

Automatic phone book download that transfers the names and numbers in your compatible phone automatically, once paired.

Voice-activated music commands that let you say what music you want to hear and listen to it easily with voice-activated search, or say "Bluetooth[®] audio" to stream content from your phone.

Plug-in capability with your MP3 player, USB or iPod.[®]

¹Some mobile phones and some digital media players may not be fully compatible. Driving while distracted can result in loss of vehicle control. Only use SYNC/other devices, even with voice commands, when it is safe to do so. SYNC voice recognition and screens available in English, French and Spanish. Some features may be locked out while the vehicle is in motion. ²Available feature.

³You must have a Bluetooth-enabled phone paired to your SYNC system. ⁴Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update. Data rates may apply.

Limited. Appearance Package. SYNC® 3. Available equipment.

Comforts. Providing ample room for up to 7.

Wherever you're headed, there's one spacious way to get there. All together – in Flex.

The 10-way power driver's seat¹ and power-adjustable pedals¹ can both include memory,¹ so Flex can recall your settings in an instant.

2nd-row seating options include a bench that seats 3 people, or buckets¹ for 2 with a pass-through to the 3rd row. Add the 2nd-row console for more storage.¹ Enjoy best-in-class leg room in the 2nd and 3rd rows.

The class-exclusive PowerFold[®] 3rd-row seat and either side of the 60/40 split 2nd-row bench seat can be folded to fit passengers and long cargo items. Enjoy up to 566 litres (20 cu. ft.)² of cargo space behind the 3rd-row seat, or up to 2,356 litres (83.2 cu. ft.) when the 2nd- and 3rd-row seats are folded flat.

The power liftgate¹ makes it easy to access the rear cargo area, even when your hands are full. Flex is all about form and function.

Listen to your favourites all across Canada with SiriusXM.^{®1} Your 6-month prepaid subscription gets you the best in audio entertainment including 100% commercial-free music from every genre, world-class news, sports, comedy and entertainment.³

(((SiriusXM)))

¹Available feature. ²Includes 141.5-litre (5.0-cu.-ft.) rear cargo storage well. ³SiriusXM subscriptions sold after 6-month prepaid period expires. Subscriptions are governed by SiriusXM Customer Agreement; see siriusxm.ca.

Impresses. All around.

A sky view in all 3 rows – courtesy of the multipanel Vista Roof® – and class-exclusive 2nd-row outboard inflatable safety belts¹ are just a couple of the ways Flex is designed to take care of its passengers.

A heated steering wheel¹ treats the driver to comforting warmth on command – no need for bulky gloves when the outside temperature drops.

Heated bucket seats¹ allow 2nd-row passengers to recline comfortably while charging their devices with the 110-volt power outlet¹ conveniently located on the back side of the centre console.

Chilled beverages or frozen treats can be stowed in the class-exclusive 2nd-row refrigerated console¹ for easy access while you travel. Impressive? In so many ways.

¹Available feature.

Assists. Parking and more.

Flex driver-assist technologies¹ use ultrasonic sensors and sophisticated radar to help you park, avoid collisions and more.

Make parallel parking easier with class-exclusive active park assist.¹ It not only helps you find a spot, it actually steers the vehicle into place as you control the gear shifter, and brake and accelerator pedals.

Get a heads-up from adaptive cruise control and collision warning with brake support.¹ It helps maintain your choice of 4 preset gaps from the vehicle in front of you and can alert you to a potential collision. If one is detected, it flashes a warning on the windshield, sounds an alarm, and helps by pre-charging the brake system.

Stay alert to traffic detected in blind spots as you drive forward, or traffic nearing either side of the vehicle as you slowly back up, thanks to BLIS[®] (Blind Spot Information System) with cross-traffic alert.¹ It helps warn you using lights embedded in the sideview mirrors.²

Limited AWD. Ruby Red Metallic Tinted Clearcoat. Available equipment.

Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ¹Available feature. ²BLIS replaces standard integrated blind spot mirrors.

Eases. Your mind.

With standard features like AdvanceTrac® with RSC® (Roll Stability Control™), which provides enhanced vehicle stability in a wide range of conditions. The system selectively applies individual brakes and modifies engine power to help keep all 4 wheels firmly planted.¹

A standard Safety Canopy® System increases protection with side-curtain airbags that deploy to cover all 3 rows. Every Flex also comes with front-seat side airbags and the dual-stage front airbags included in our Personal Safety System.™

Intelligent all-wheel drive (AWD)² balances torque between the front and rear wheels to enhance handling and maximize traction.

For a comprehensive list of Safety & Security features engineered into every 2016 Ford Flex, please turn the page.

ROLL STABILITY CONTROL

INFLATABLE 2ND-ROW SAFETY BELTS²

AWD² TRACTION

SEL. Too Good to Be Blue Metallic. Available equipment.

¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ²Available feature.

Flex Specifications

Limited AWD. Magnetic Metallic. Shadow Black roof. Limited Appearance Package. Available equipment.

Standard Features

Mechanical

4-wheel disc Anti-Lock Brake System (ABS)
Battery Management System
Electric power-assisted steering (EPAS)
