LINCOLN MKS

LINCOLN

2010 LINCOLN MKS

Lincoln MKS in Ingot Silver Metallic with available equipment.

HORSEPOWER TO WAIT RATIO: NONE.

THE RUSH IS ON. 355 horsepower.¹ 350 lb.-ft. of torque.¹ Along with an EPA-estimated 25 mpg hwy. It's V-8 power with V-6 fuel economy.² The all-new available 3.5L EcoBoost™ V-6 twin-turbocharged, direct-injection engine features tremendous low-end torque, exceptional launch and acceleration and smooth power on demand. To put all

that thrust to the pavement, Lincoln MKS with EcoBoost is equipped with Intelligent All-Wheel Drive. Inside, a 6-speed SelectShift Automatic™ transmission supplies the freedom of a "manual mode" – if you prefer shifting for yourself – with the convenience of an automatic.

¹Figures achieved using premium unleaded gasoline. ²EPA-estimated 17 mpg city/25 hwy., MKS with 3.5L EcoBoost V-6 engine.

LINCOLN

2010 LINCOLN MKS

Lincoln MKS in Ingot Silver Metallic with available equipment.

EXCEEDS EXPECTATIONS.

3.7L V-6 SETS THE PERFORMANCE STANDARD.

Backed by 274 hp and 270 lb.-ft. of torque, the standard 3.7L 24-valve Duratec® V-6 engine fuels a spirited ride. It also delivers up to 24 mpg hwy.¹ The standard 6-speed SelectShift Automatic™ transmission includes new steering wheel-mounted paddle shifters with concise actuation for exceptional control. With the transmission in manual mode,

pull to upshift and push to downshift for a refreshingly interactive experience. Available Intelligent All-Wheel Drive (AWD)² helps increase traction whether it's wet or dry outside. In rain, snow, or uneven road conditions, Intelligent AWD reacts instantly, seamlessly distributing torque to the wheel or wheels with the best grip.

¹EPA-estimated 17 mpg city/24 hwy., MKS with 3.7L V-6 engine and FWD. ²AWD standard on MKS with 3.5L EcoBoost™ V-6 twin-turbocharged, direct-injection engine.

LINCOLN

2010 LINCOLN MKS

WELCOME TO CENTRAL COMMAND.

SO SMART IT CAN EVEN CALL FOR HELP. Enter MKS with your paired Bluetooth®-enabled phone or plug your digital media player into its USB port. Lincoln SYNC®¹ knows you're there. Press a steering wheel button, say, "Call office," and it follows your commands. New this year: SYNC with class-exclusive² 911 Assist™ can make an emergency call from your phone if any airbag deploys.³ And unlike other systems

that send you to a call center first, SYNC connects you directly to a 911 operator. Other Driver Services⁴ include up-to-the-minute weather, traffic alerts, turn-by-turn directions, business searches, and personalized business, sports, entertainment, news and more. *All at no monthly fee.*⁵ SYNC also helps you request a Vehicle Health Report that can be viewed online. You talk. SYNC listens.™

¹Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. ²Luxury Full-Size Standard 6-cylinder Sedan class.

³The vehicle's electrical system (including the battery), the wireless service provider's signal, and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be turned on, connected to SYNC, and the 911 Assist feature enabled in order for 911 to be dialed. ⁴These SYNC features not available with optional Navigation System. See your dealer for details. ⁵For original owner, 3 years.

SIRIUS
TRAVEL LINK™

LINK YOUR LIFE. ENHANCE YOUR VIEW.

STAY IN THE KNOW. EVEN ON THE GO. You're always on the move. So class-exclusive SIRIUS Travel Link™, included with the available voice-activated Navigation System, is your link to vital information – whether you're on the town or far from it. On the generous 8" color LCD screen, access real-time traffic with incident information.¹ If an accident lies ahead, see how to bypass it. Find the lowest-priced fuel and be routed there. Check local movie listings and showtimes. Access current and forecasted weather. Even

check the scores and schedules of major league teams. This information-rich data stream only enhances an easy-to-use Navigation System that plots a course while driving as soon as you state your destination. A bird's-eye view includes landmarks for additional reference. And with nearly 10 gigabytes of hard drive storage, you can view stored photos and access up to 2400 of your favorite songs. This multifunctional system even lets you watch DVDs, in full THX® II Certified 5.1 Surround sound, when MKS is in "Park."

¹Real-time traffic monitoring available in select markets. Some features are unavailable while driving. Subscription required after complimentary six months expire. Service available in the 48 contiguous United States and the District of Columbia.

LINCOLN

2010 LINCOLN MKS

TAKE YOUR (12-WAY POWER, LEATHER-TRIMMED, HEATED AND COOLED FRONT) SEAT.

THERE'S POWER IN A NAME. Ultimate. Inside a Lincoln MKS equipped with the Ultimate Package, you'll quickly realize how it earned its name. Heated and cooled, 12-way power front seats are trimmed in world-renowned Bridge of Weir leather (Cashmere color shown), complete with Tuxedo stripe, and embroidered Lincoln Star on the front head restraints. Genuine Fine Line Ebony or Olive Ash

wood warms the instrument panel and leather-wrapped steering wheel. Up above, a panoramic Dual-Panel Moonroof rekindles the enchantment of open-air driving. A large forward panel opens for a clear view, while a fixed rear panel provides new perspectives. A power sunshade helps keep the cabin cool and protected from the sun when needed.

LINCOLN

2010 LINCOLN MKS

MKS AND THX. THE PERFECT SCORE.

THX® II CERTIFIED 5.1 SURROUND AUDIO SYSTEM. Included on vehicles equipped with the available voice-activated Navigation System, the THX II Certified 5.1 Surround Audio System in Lincoln MKS brings home-theater sound to the open road. Experience DVD-Audio discs in true surround sound and listen to CDs, MP3 files, SIRIUS® Satellite Radio, and even digital music stored on your phone like never before. In this acoustically engineered cabin, bass notes thump, drum beats pop, and vocals are presented with astounding clarity. Sixteen strategically aimed and focused speakers ensure a high-impact listening experience.

1. A center-channel **THX Slot Speaker™** array produces a wide, spacious sound stage and home theater-like ambience.
2. The available **voice-activated Navigation System**, with nearly 10 gigabytes of hard drive storage, lets you rip, store and manage 2400 tracks with its Jukebox feature.
3. A digital media player or flash drive can be connected via USB port and voice-activated through the **Lincoln SYNC® media system**.
4. New **DTS Neural Sound™** delivers surround sound experiences from stereo-based music sources such as SIRIUS Satellite Radio, CDs and digital music stored on MP3 players and mobile phones.
5. A 12-channel amplifier produces **600 watts of power** from 20Hz to 20kHz with a total harmonic distortion of less than 0.1%.
6. Rich, deep bass emanates from the **10" rear subwoofer**.
7. Sophisticated **Digital Signal Processing** provides spectral balance, wide dynamic range and exceptional acoustic performance, while volume-processing technologies compensate for increases in vehicle speed.

LINCOLN

2010 LINCOLN MKS

PREPARE FOR DOCKING. LET MKS GUIDE YOU.

TRUE LINCOLN FREEDOM. In as little as 24 seconds, a Lincoln MKS equipped with available Active Park Assist can overcome one of the most stressful aspects of driving: parallel parking. As you pull up to a spot, you'll marvel at the simplicity as Lincoln MKS handles the maneuver – with

very little assistance from you. You can even remove your hands from the steering wheel when MKS begins backing up into your parking spot. Simplicity realized. Parallel parking conquered. Now on to more important things.

PHASE 1: SCAN

Press Active Park Assist button to activate system. Use turn signal to determine active side as ultrasonic sensors measure spaces and surroundings for a parallel parking spot.

PHASE 2: MEASURE

When a suitable spot is located, the system sounds a chime and displays "Space Found Pull Forward" in message center. Pull forward until message center displays "Space Found Stop," followed by a chime.

PHASE 3: STOP TO PARK

With the ideal steering trajectory calculated, simply stop, put MKS in Reverse and remove your hands from the steering wheel as prompted by the system. Auto Steer is now activated.

PHASE 4: REVERSE

The system steers MKS into the parking spot as you follow vehicle prompts and gently control the shifting, brake and accelerator pedals. Use the Reverse Sensing System and Rear View Camera (when equipped) for additional help.

PHASE 5: FORWARD

After determining MKS is far enough back, stop and shift into Drive. Message center will display "Pull Forward Use Caution" followed by a chime. Additional reverse and forward prompts may be given as the system aligns MKS in the parking spot.

PHASE 6: PARALLEL PARKING COMPLETED

When Active Park Assist has aligned MKS and completed the automated steering, the message center displays "Active Park Finished" followed by a chime. Elapsed time: as little as 24 seconds.

LINCOLN

2010 LINCOLN MKS

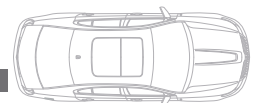

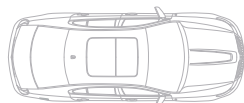

Lincoln MKS in Tuxedo Black Metallic with available equipment.

ADAPTS TO CONDITIONS. REACTS TO ASSIST YOU.

RADAR-BASED RESPONSIVENESS. In the car world, getting too close is frowned upon. To help you keep your distance, activate the available Adaptive Cruise Control and Collision Warning with Brake Support. This radar-based system is designed to maintain one of three preset gaps between MKS and the vehicle in front of it. When sensors detect that vehicle has slowed, MKS slows down. When sensors detect the gap has widened, you return to your preset distance. Even while commuting, the system maintains that distance as vehicles brake, accelerate and change lanes around you.

ON THE LOOKOUT. Whether Adaptive Cruise Control is activated or not, Collision Warning with Brake Support is *always active* and ready to respond. If sensors detect a potential rear-end collision with the vehicle in front of you, Collision Warning chimes and flashes an icon on the windshield to get your attention. If you fail to respond immediately, Brake Support pre-charges brake pressure so you get full brake power when applied. It's just one more way Lincoln MKS is helping look out for you.

- 29 YARDS – SPORTY DRIVING
 - 44 YARDS – NORMAL DRIVING
 - 66 YARDS – COMFORT DRIVING
- Based on a speed of 60 mph.

LINCOLN

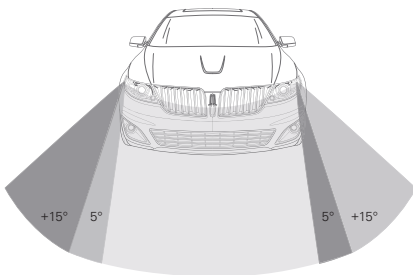

2010 LINCOLN MKS

BEAMS WITH HIGHER INTELLIGENCE.

A STARSHIP THAT SENSES YOUR ARRIVAL. Enter Lincoln MKS and lift off without inserting a key. Just carry its Intelligent Access key in your pocket or purse. Touch anywhere on the invisible keypad (which illuminates after contact) to unlock the door. After buckling in – and while pressing the brake pedal – start MKS at the push of a button.

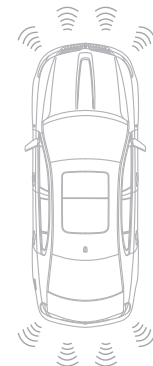

SUNSHADE THAT HELPS KEEP IT COOL. With one-touch-up/-down simplicity, the rear-window power sunshade helps protect the interior from the sun's harmful rays and helps keep it cool. Blocking up to 70% of the light when up, the shade is out of sight when lowered. When you shift into Reverse, the shade automatically lowers to keep your view clear.

HEADLAMPS THAT TURN WHEN YOU DO. Based on steering wheel angle and vehicle speed, Adaptive HID Headlamps turn in the same direction as MKS – rotating 5° inboard and 15° outboard. This simple swiveling action makes more roadway visible around a curve. Auto High Beams turn the high beams on and off as needed based on ambient light conditions.

AUDIO THAT ASTOUNDS YOU. The standard THX® II Certified Audio System with 6-disc in-dash CD changer directs 600 total watts of power to 16 speakers via 12 amplifier channels. To assure its high level of performance, multi-channel equalization and Digital Signal Processing precisely match speaker placement with cabin acoustics.

SENSORS THAT HELP WATCH OUT FOR YOU. The four sensors in the Forward Sensing System send out ultrasonic signals that help identify large, stationary objects in front of MKS when parking or pulling into a garage. An audible tone gets more rapid as you close in on an object. The Reverse Sensing System provides similar coverage in the rear.

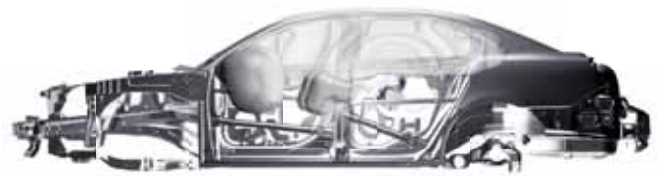

LINCOLN

2010 LINCOLN MKS

5-STAR CRASH TEST RATING. 2009 IIHS "TOP SAFETY PICK." On top of earning the government's highest 5-Star crash test rating¹ in 4 categories (including front and side-impact), the innovative vehicle structure of Lincoln MKS also makes it a "Top Safety Pick"² of the Insurance Institute for Highway Safety (IIHS). Rigorous IIHS criteria include high-speed front and side crash tests, as well as a rear crash test. In all three categories, Lincoln MKS earned the highest rating. Some of its core strength is derived from the use of lightweight aluminum-coated boron steel – one of the strongest weldable materials – in the body structure's B-pillars. Additional protection comes from side-intrusion door beams, a front-bumper plate and laser-welded steel sheets that add strength to the front frame rails.

SUITE PROTECTION. Microtechnology surrounds you in the 2010 Lincoln MKS. Sophisticated sensors are designed to detect collision, direct some or all of the airbags to deploy, and even sense a rollover and respond accordingly. They relay signals to a suite of six standard airbags that enhance occupant protection. Driver and front-passenger coverage includes the Personal Safety System,TM which customizes the deployment of the dual-stage front airbags. Front-seat side airbags offer an extra measure of chest protection for the driver and front passenger. Providing head-protection coverage for all outboard-seated occupants, the Safety Canopy[®] System features side-curtain airbags with roll-fold technology that deploy from the headliner to cover both rows of the vehicle in certain collisions.

¹Star ratings are part of the U.S. Department of Transportation's Safercar.gov program (www.safercar.gov). ²Based on 2009 model year ratings.

STANDARD LUXURY FEATURES

Rapid Spec 101A:

ENGINE

- 3.7L DOHC 24-valve Duratec® aluminum V-6
- 274 hp @ 6250 rpm/270 lb.-ft. of torque @ 4250 rpm
- Intake variable cam timing (iVCT) and Electronic Throttle Control (ETC)
- 10.3:1 compression ratio
- Sequential multi-port electronic fuel injection
- Stainless steel exhaust system with dual chrome exhaust tips
- 2010 EPA-estimated fuel economy
 - FWD 17 mpg city/24 hwy. (20-gal. capacity)
 - AWD 16 mpg city/23 hwy. (19-gal. capacity)

DRIVETRAIN

- Front-wheel drive
- 6-speed SelectShift Automatic™ transmission with paddle activation

WHEELS | TIRES

- 18" 10-spoke bright machined/painted cast-aluminum wheels
- P235/55R18 all-season tires

BRAKES

- Anti-lock Brake System (ABS)
- Brake Assist
- Electronic Brakeforce Distribution (EBD)
- Power 4-wheel disc brakes with ventilated rotors

SUSPENSION | STEERING

- Independent front and rear suspension
- Front and rear stabilizer bars
- Power rack-and-pinion steering

EXTERIOR

- Adaptive HID Headlamps with Auto High Beams
- Chrome inserts on door handles
- Easy Fuel™ capless fuel filler
- Forward and Reverse Sensing Systems
- Light-Emitting Diode (LED) taillamps
- Lincoln split-wing grille
- Power, heated sideview mirrors with integrated Blind Spot Mirrors, security approach lamps, memory and auto-dimming driver side
- Rain-sensing windshield wipers
- Solar-tinted glass
- Length 204.1"
- Wheelbase 112.9"
- Width (excluding mirrors) 75.9"
- Width (including mirrors) 85.5"
- Height 61.6"

INSTRUMENTATION | DRIVER CONTROLS

- Auto-dimming rearview mirror with compass and microphone
- Intelligent Access with Push-Button Start (2 transmitters)
- Power windows with global open and one-touch-open/-close for driver and front passenger
- Steering wheel-mounted cruise control, media controls and secondary audio controls
- Universal Garage Door Opener
- White LED-backlit instrument cluster with speedometer, tachometer, fuel level gauge, coolant temperature gauge, and message center

INTERIOR

- Accessory timed delay
- Ambient Lighting
- Dual-zone Electronic Automatic Temperature Control
- Front center floor console with armrest, storage and 2 cupholders
- Genuine wood accents in Fine Line Ebony or Olive Ash on the instrument panel
- Illuminated entry with theater-dimming feature
- Leather-wrapped shift knob with chrome surround
- Leather-wrapped steering wheel with genuine wood accent in Fine Line Ebony or Olive Ash
- Map pockets
- Power points (3)
- Power tilt/telescoping steering column with memory
- Rear-window power sunshade
- Head room (front/rear) 39.7"/38.5"
- Shoulder room (front/rear) 58.6"/57.4"
- Hip room (front/rear) 55.3"/55.3"
- Leg room (front/rear) 41.9"/38.6"
- Passenger volume 105.8 cu. ft.
- Cargo volume 18.7 cu. ft.
- Total interior volume 124.5 cu. ft.

SEATING

- 5-passenger seating
- 12-way power driver and front-passenger seats with power lumbar and driver-side memory feature
- Bridge of Weir leather-trimmed seating
- Heated and cooled driver and front-passenger seats
- Heated rear seats
- Rear-seat center armrest with pass-through and 2 cupholders

STANDARD LUXURY FEATURES (cont.)

AUDIO | COMMUNICATION SYSTEMS

- Auxiliary audio input jack in front center floor console
- Lincoln SYNC[®] voice-activated, in-vehicle communications and entertainment system
- SIRIUS Satellite Radio, including SIRIUS Satellite Radio receiver, low-profile antenna, and 6-month complimentary subscription to SIRIUS
- THX[®] II Certified Audio System with AM/FM stereo/6-disc in-dash CD changer, MP3 capability, 16 speakers (including 10" subwoofer), 600 watts of power and 12-channel amplifier

SAFETY | SECURITY

- Personal Safety System[™] for driver and front passenger with dual-stage front airbags,¹ safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver-seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System
- AdvanceTrac[®] electronic stability control²
- Belt-Minder[®] front safety belt reminder
- Brake and Engine Actuated Traction Control
- Child-safety rear door locks
- Emergency glow-in-the-dark, in-trunk release handle
- Front-seat side airbags¹
- Lower anchors and tether anchors for child-safety seats (LATCH)
- MyKey[™] owner controls feature
- Perimeter anti-theft system
- Power door locks
- Safety Canopy[®] System including side-curtain airbags¹ with roll-fold technology, and rollover sensor
- SecuriCode[™] invisible keyless-entry keypad
- SecuriLock[®] passive anti-theft ignition system
- Side-intrusion door beams
- SOS Post-Crash Alert System^{™3}
- Tire Pressure Monitoring System (excludes spare)

MKS WITH ECOBOOST[™] – Rapid Spec 190A

- All-new 3.5L V-6 twin-turbocharged, direct-injection engine
- 355 hp @ 5700 rpm/350 lb.-ft. of torque @ 3500 rpm⁴
- Intelligent All-Wheel Drive (AWD)
- 19" 10-spoke premium painted cast-aluminum wheels with P255/45R19 all-season tires
- Electronic Power-Assist Steering
- 2010 EPA-estimated fuel economy
AWD 17 mpg city/25 hwy. (19-gal. capacity)

AVAILABLE LUXURY PACKAGES

NAVIGATION PACKAGE – Rapid Spec 103A

- Voice-activated Navigation System with 8" high-resolution display; integrated SIRIUS Travel Link[™] feature (with 6-month complimentary subscription to Travel Link service) for real-time traffic, weather and fuel price updates; driver-configurable home screen; plus hard disc drive for music and data storage
- THX II Certified 5.1 Surround Audio System with AM/FM stereo/single-CD/DVD/Jukebox, MP3 capability, 16 speakers (including 10" subwoofer), 600 watts of power and 12-channel amplifier
- Rear View Camera

ULTIMATE PACKAGE –

Rapid Spec 104A with 103A or 201A with 190A

- Navigation Package
- Dual-Panel Moonroof with power sunshade
- 19" 10-spoke premium painted cast-aluminum wheels
- Ultimate seat trim featuring color-coordinated Tuxedo stripe in the center of the front and rear seatbacks, and embroidered Lincoln Star on the front head restraints

PREMIUM WOOD DOOR-TRIM PACKAGE⁵

- Wood appliques in Fine Line Ebony or Olive Ash on all doors

AVAILABLE EQUIPMENT

- 19" 10-spoke bright machined/painted cast-aluminum wheels (requires 3.7L V-6)
- 20" 11-spoke polished cast-aluminum wheels
- Adaptive Cruise Control and Collision Warning with Brake Support
- Dual-Panel Moonroof with power sunshade⁶
- Intelligent All-Wheel Drive (AWD)
- Active Park Assist (requires 3.5L EcoBoost V-6)

¹Always wear your safety belt and secure children in the rear seat. ²Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ³SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner. ⁴Figures achieved using premium unleaded gasoline. ⁵Included with Rapid Spec 104A. ⁶Requires Rapid Spec 201A.

FORD CREDIT Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Lincoln Mercury Dealer for details or check us out at fordcredit.com.

FORD MOTOR COMPANY INSURANCE SERVICES Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1.877.367.3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

FORD EXTENDED SERVICE PLAN For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Genuine Lincoln Accessories will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 4-year/50,000-mile New Vehicle Limited Warranty. Contact your local Lincoln Mercury Dealer for details and a copy of the limited warranty. Lincoln Licensed Accessories (LLA) are warranted by the accessory manufacturer's warranty. Contact your Lincoln Mercury Dealer for details regarding the manufacturer's limited warranty and/or a copy of the LLA product limited warranty offered by the accessory manufacturer.

Complimentary maintenance makes driving your Lincoln even more of a pleasure. Simply bring it to an authorized Lincoln service center, and scheduled maintenance will be performed at no charge throughout your first year of ownership or 15,000 miles, whichever comes first. Additional peace of mind comes from a 4-year/50,000-mile bumper-to-bumper New Vehicle Limited Warranty that covers repair, replacement or adjustment of parts at no additional cost, as well as a

6-year/70,000-mile powertrain limited warranty which features no deductible and is fully transferable. And Roadside Assistance for 6 years or 70,000 miles provides the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Lincoln Mercury Dealer will provide complete details on all of these privileges.
