

2016 LINCOLN NAVIGATOR

There's a certain, quiet power to which many of us aspire. It's a steadfast strength that radiates outward, silently encircling those around you. This type of power inspired the design of Navigator. From its signature Lincoln grille to its graceful wraparound tail lamps, it embraces you and your passengers, surrounding each of you in exquisitely crafted, luxurious comfort. A spacious sanctuary where responsive technologies elevate your travels and understated confidence guides you through each day – the 2016 Lincoln Navigator.

EXPRESSIVE DESIGN

YOU KNOW HOW IT FEELS TO CONQUER THE MOUNTAIN WITH YOUR CUSTOM EQUIPMENT? IT'S EMPOWERING LIKE THAT.

Navigator enhances every trip with its luxurious interior design and amenities. Relax into your **leather-trimmed, 10-way power, heated and cooled driver's seat** and take in the beautiful strength of the leather-trimmed steering wheel and instrument panel! Precise stitching and **genuine wood inlays**, including exotic Zircote on Reserve, satisfy your penchant for attention to detail.

The position of the driver's seat, the sideview mirrors, the brake and accelerator pedals, and even the tilt/telescoping steering column can be adjusted using power controls, then saved to a **memory setting** for Navigator to recall at the touch of a button.

Providing personalized comfort for you and your front passenger, **dual-zone electronic automatic temperature control** allows each of you to set your own preferred temperature. This convenient feature is just one of the many ways Navigator helps you rise above compromise.

ADAPTIVE HID HEADLAMPS

To provide more visibility when driving around curves, adaptive HID headlamps feature beams that move in the same direction as the steering wheel. Their bright, white light also provides better visibility than conventional halogen lamps. Together with the LED signature lamps and LED daytime running lamps, they further enhance the sophisticated face of every 2016 Navigator.

¹Available feature.

EXPRESSIVE DESIGN

**SOME ARE NATURALLY ADEPT AT COMFORTING THE PEOPLE IN THEIR LIVES.
LINCOLN NAVIGATOR RAISES IT TO AN ART FORM.**

Plenty of personal space for everyone. That's what you'll find inside this luxuriously appointed interior. In addition to its 3 rows of premium seating designed to pamper **up to 8 people**¹, you'll also find plenty of conveniences and an abundance of cargo room. After all, life is so much fuller when everybody comes along for the ride. The standard leather-trimmed, **heated 2nd-row bucket seats** feature reclining seat backs. A roomy 2nd-row centre floor console¹ and dual headrest DVD players^{1,2} help passengers stay organized and entertained on long trips. Those in back will also enjoy **best-in-class**³ **3rd-row leg room**, an added benefit of the independent rear suspension. Plus, the standard **PowerFold**[®] **3rd-row 60/40 split bench seat** folds flat in a single smooth motion, at just the touch of a button. If an extra-spacious interior is your desire, the long-wheelbase Lincoln Navigator L fulfills it with **1,207 litres (42.6 cu. ft.) of cargo space** behind its 3rd row – as well as a Cargo Management System to help you keep everything in its place.

¹Available feature. ²Lincoln Licensed Accessory. ³Class is Luxury Premium Utilities.

What could be easier than speaking your mind? Our next generation of voice-activated technology – SYNC® 3 – connects you to the world around you with its straightforward new design and features.¹ Audio, phone, navigation and other functions are concisely presented on the full-colour LCD screen. Whether you command it using simple, everyday language, or swipe its capacitive touch screen, SYNC 3 delivers high-speed performance. Plus, automatic updates over Wi-Fi^{®2} help keep it running at its best, so you can keep your eyes on the road and hands on the wheel.

SYNC

SYNC 3

Place and answer calls, and control music from your USB or smartphone, all with simple voice commands. New seamless integration with Siri® Eyes Free³ brings the power of your iPhone® into your vehicle. Navigation lets you pinch to zoom maps and makes it easy to enter your destination, find the closest ski resort or golf course, and so much more. SYNC AppLink™⁴ lets you control compatible mobile apps by voice too.

THX

THX II CERTIFIED AUDIO SYSTEM

The 14-speaker THX® II Certified Audio System with patented THX Slot Speaker™ technology and specialized digital sound processing fills the cabin with studio-quality sound ensuring you experience music exactly as the artist intended.

SIRIUSXM

SIRIUSXM

Listen to your favourites all across Canada with SiriusXM.® Get the best in audio entertainment, including 100% commercial-free music from every genre, world-class news, sports, comedy and entertainment, with your 6-month prepaid subscription.⁵

¹Some mobile phones and some digital media players may not be fully compatible. Driving while distracted can result in loss of vehicle control. Only use SYNC/other devices, even with voice commands, when it is safe to do so. SYNC voice recognition and screens available in English, French and Spanish. Some features may be locked out while the vehicle is in motion. ²Navigation System map updates cannot be received via Wi-Fi and require a separate update. Data rates may apply. ³You must have a Bluetooth®-enabled phone paired to your SYNC system. ⁴SYNC AppLink is available on select models and compatible with select smartphone platforms. Commands may vary by phone and AppLink software. ⁵SiriusXM subscriptions sold after 6-month prepaid period expires. Subscriptions are governed by SiriusXM Customer Agreement; see siriusxm.ca.

INNOVATIVE TECHNOLOGIES

It's important to have a sense of what's happening around you. A **Reverse Sensing System** and rear view camera are both standard equipment on every Navigator. The warning sounds and full-colour visuals are helpful when you're backing into or out of tight spaces. Plus, the camera displays visual guidelines to help you estimate distances and line up your boat trailer.

We could all benefit from a little forward thinking. Thankfully, when you're pulling into a space, the **Forward Sensing System** on Navigator sounds an audible tone if its sensors on the front bumper detect an object in front of your vehicle.

It can be easy to miss when a vehicle has entered your blind spot. Just as the name suggests, **BLIS® (Blind Spot Information System)** helps keep you aware of things that may be out of your line of view. The system alerts you with a light in the corresponding sideview mirror if its radar sensors detect a vehicle. **Cross-traffic alert** notifies you with an audible warning and a light in your sideview mirror if it detects a vehicle approaching either side as you're slowly backing out of a space.

QUARTER WINDOWS

POWERFUL PRESENCE

A responsive ride – with an independent side. Since road conditions are always changing, **Lincoln Drive Control featuring continuously controlled damping (CCD)** uses sensors to read the road – and your driving input – 500 times per second, then quickly adjusts the firmness and damping at all 4 wheels to help your vehicle be in harmony with the road. The system also lets you select between 3 drive modes – Comfort, Normal or Sport – to match your driving style. **Hill start assist** helps prevent your vehicle from rolling back when you're stopped on a hill. **Electric power-assisted steering (EPAS)** automatically adjusts your steering for different driving situations. Underneath it all, a **fully independent front and rear suspension** helps Navigator keep all your travels as smooth as possible.

Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.

POWERFUL PRESENCE

3.5L ECOBOOST

Turbocharge your travels. Navigator gets you where you want to go with a 3.5L EcoBoost® twin-turbocharged, direct-injection engine that provides 380 hp¹ and 460 lb.-ft.¹ of low-end torque. The 6-speed SelectShift® automatic transmission lets you manually select gears if you'd like – or you can leave it to Navigator. Tow up to **8,600 lbs. (3,900 kg)²** with ease – and without worry – thanks to standard trailer sway control³ that helps steady your vehicle's motion. Plus, the standard Control Trac® 4-Wheel Drive (4WD) System helps you get through rough terrain. Performance and control you can count on. That's Navigator.

A SENSE OF SECURITY

Slippery surfaces and emergency manoeuvres often require a bit more from your vehicle. Fortunately, Navigator provides just the help you need. **AdvanceTrac® with RSC® (Roll Stability Control™)** can selectively apply individual brakes and modify engine power to help keep all 4 wheels firmly planted.³ Navigator also surrounds you and your loved ones with its structural safety cage, **dual-stage front airbags** and **front-seat side airbags** for the driver and front passenger, plus **side-curtain airbags** for outboard passengers in all 3 rows.

¹Figures achieved using 93-octane fuel. ²When properly equipped. ³Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

EVEN BEFORE YOU OPEN THE DOOR, NAVIGATOR EXTENDS A GRACIOUS WELCOME.

A luminous welcome mat featuring the Lincoln logo is cast upon the ground on each side of the vehicle as it unlocks.

Keyless entry with push-button start makes entering, starting, exiting and securing your vehicle a breeze.

As you take your seat inside the cabin, the warmth of ambient lighting welcomes you back to your home away from home.

You'll be riding in high style thanks to the standard **power-deployable running boards** on every Navigator. Any time a door is opened, they lower themselves to facilitate each passenger's entry and exit from the vehicle. When the doors are closed, they stow themselves beneath the vehicle to maintain its streamlined appearance. A standard **power liftgate** provides one-touch access to your spacious rear cargo area. Activate it using a button on your key fob, on the liftgate handle, on the instrument panel, or inside the rear cargo area. Navigator is filled with thoughtful features designed to help make life easy for you.

THE LINCOLN
PLEDGE

There For You

Our pledge is the collective promise of everyone at the Lincoln Motor Company to be there for you and your Lincoln. As you join the Lincoln family, you're not only choosing an exceptional vehicle, but also exceptional maintenance and service. A few of the many comprehensive services designed for you are:

- 24/7 Roadside Assistance for peace of mind
- Expert advice for all your questions
- Convenient courtesy vehicle available while yours is in service
- Complimentary car wash to brighten your day

We provide all this and more in order to help keep your Lincoln running smoothly. We're here for you. Visit your local Lincoln Dealer or call the Lincoln Concierge at 1.888.658.6554 for details. Available at participating dealers. Restrictions may apply.

Lincoln Automotive Financial Services Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Lincoln Automotive Financial Services. Visit your local Lincoln Dealer, call the Customer Service Centre at 1.855.768.8909 or go to LincolnAFS.ca for details.

Ford Extended Service Plan Help protect your investment and add to your peace of mind by complementing your Lincoln purchase or lease with a Ford Extended Service Plan (ESP). Ford ESP protects you against unexpected repair costs after your Basic Coverage in the New Vehicle Limited Warranty expires by covering many vehicle components. Enjoy the drive even more by complementing your ESP with the Lincoln Maintenance Protection Plan (LMPP), which covers all required scheduled maintenance for your vehicle, plus 8 wear items. See your local Lincoln Dealer for details.

Lincoln Limited Warranties Your 2016 Lincoln Navigator comes with a 4-year/80,000-km Basic Warranty. Your Powertrain Warranty, Safety Restraint System coverage and Corrosion coverage last even longer. See your local Lincoln Dealer for details.

Lincoln Original Accessories that are properly installed by the authorized Dealer that sold the accessory will be warranted for whichever provides you the greatest benefit: 24 months/unlimited distance, or the remainder of your 4-year/80,000-km New Vehicle Limited Warranty. Lincoln Licensed Accessories (LLA) are warranted by the accessory manufacturer's warranty. LLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your local Lincoln Dealer for details and/or a copy of all limited warranties.
