Engineers get inspiration from all they see and experience. SEAT is inspired by Barcelona, where design goes through the essence of beauty. And we combine our design, with the top technology and quality standards of the Volkswagen Group.

Our history is built by the stories of millions of people. And we will always be driven by our customers, because all that we want to do is to provide technology to be enjoyed by you.

SOLUTIONS PERSONAL CONTRACT PLAN (PCP)

Making your budget go the extra mile

Solutions (PCP) is a flexible finance package that really puts you in the driving seat. Solutions offers flexibility – from your deposit and monthly repayments to what you do with your SEAT at the end of the agreement.

By paying a small deposit (as little as a single month's repayment) over a repayment period from 18 months up to four years, you can enjoy a plan individually suited to your needs and monthly budget.

Solutions takes away the worry about depreciation because a proportion of the value is left until the end of the agreement (the optional final payment), which acts as a guaranteed minimum future value. By doing this you can lower your monthly repayments or make your budget go even further with a higher spec.

The options are wide open with Solutions.

DECISION TIME

1. Choose a repayment period and annual mileage.
2. Pay your deposit which can be made up of cash or a part exchange.
3. Agree the number of repayments.

Setting the deposit and repayment term helps create the right combination for a monthly payment budget.

AT THE END OF YOUR AGREEMENT YOU HAVE 3 OPTIONS

1. Part exchange your existing car for a new SEAT on a Solutions (PCP) contract (subject to status).
2. Pay the optional final repayment and keep your SEAT.
3. Hand the car back (subject to terms and conditions).

IMPORTANT INFORMATION TO CONSIDER
