REDEFINING THE LUXURY EXPERIENCE

At Lincoln, we believe that luxury extends far beyond material possessions. Which is why, along with the intuitive features and luxury appointments of your MKT, you'll receive an exclusive collection of services we call the Lincoln Way.[™] These liberating benefits are designed to help uncomplicate your life. Making each day more effortless – and empowering you to soak up every brilliant, wonderful moment along the way.

EXPRESS YOUR AUTHENTIC SELF

A sophisticated fusion of design and function, Lincoln MKT gives you the power to proceed confidently. With effortless technologies like Torque Vectoring Control and Electric Power-Assisted Steering (EPAS), MKT delivers the smooth, responsive ride you deserve. For a personalized experience, Lincoln Drive Control¹ featuring Adaptive Suspension lets you switch between 3 drive modes – Comfort, Normal or Sport – to suit your mood or the driving conditions.

The Twin-Turbocharged 3.5-liter V6 engine¹ meets the demands of your fast-paced life with 365 hp² and spirited acceleration. Plus, it's paired with Intelligent all-wheel drive (AWD) for a dynamic experience – rain or shine. With its standard 3.7-liter Ti-VCT V6, MKT has an EPA-estimated rating of 24 hwy mpg.³ Twin independent variable camshaft timing (Ti-VCT) gives the 3.7-liter precise control over its intake and exhaust valves, helping it produce 303 hp while also optimizing fuel combustion. However you choose to power it, the 2018 Lincoln MKT is a well-balanced choice.

¹Available feature. ²Horsepower rating achieved with 93-octane fuel. ³EPA-estimated rating of 16 city/24 hwy/19 combined mpg, 3.7-liter FWD. Actual mileage will vary. ⁴The Lincoln Way app, compatible with select smartphone platforms, is available via a download. Message and data rates may apply. ⁵Lincoln Pickup & Delivery is valid for owners of new 2017 and newer model-year Lincoln vehicles. Service available for retail and warranty repairs. Mileage limitations may apply. Lincoln reserves the right to change program at any time without obligation. ⁶See dealer for details.

SPACIOUS SERENITY FOR UP TO 7

Living well and traveling well naturally go together in MKT. Bridge of Weir™ leather, created using an organic tanning process, trims the comfortably contoured seats in the 1st and 2nd rows. You'll find this premium leather on fine furniture and in jets, too. Those in the 1st row will also enjoy Comfort front seats with 12-way power adjustability. These heated and cooled seats include power lumbar support and a driver's seat memory feature. To help keep it quiet inside, an acoustic-laminate windshield and front-door glass are both standard.

MKT treats your passengers to best-in-class¹ 2nd-row leg room, with your choice of heated and cooled bucket seats,² or a 60/40 split bench with heated outboard seats. With the bucket seats, you can add a 2nd-row refrigerated console² that features "freeze" and "cool" settings. It's perfect for keeping favorite snacks or beverages chilled on the go. In the 3rd row, a PowerFold^{®2} 50/50 split bench seat lets you switch from carrying people to cargo with the push of a button. Adapting is easy in MKT.

Enjoy skyward views through the standard panoramic fixed-glass Vista Roof[®] (top) or a power panoramic Vista Roof² (above right), which lets you benefit from refreshing breezes along with your sunshine.

¹Class is Luxury Large Utilities based on Lincoln segmentation. ²Available feature.

ELEGANT DESIGN SPEAKS FOR ITSELF

Just as an artist's style draws you to their work, gracefully sculpted controls draw you toward MKT. Admire the richness of its genuine wood accents as you take your place at the leather-wrapped, heated¹ steering wheel. Paddle shifters discreetly mounted to the back side of the wheel let you take control of the 6-speed SelectShift[®] automatic transmission whenever you'd like. The positions of the driver's seat, tilt and telescoping steering column, sideview mirrors, and even the brake and accelerator pedals can all be adjusted using power controls, then saved to a memory setting for MKT to recall at the touch of a button.

¹Available feature.

LINCOLN
SYNC® 3

Feel free to speak your mind. MKT listens. With its SYNC 3 enhanced voice-activated technology,¹ you can control calls, music and more with just a touch and your voice. You'll find audio, phone, navigation² and other features concisely presented on the responsive touchscreen in the middle of your instrument panel. SYNC AppLink^{3,4} lets you control compatible mobile apps by voice. Plus, seamless integration with Siri[®] Eyes Free brings the power of your paired iPhone[®] into your vehicle. SYNC 3 also includes Apple CarPlay[™] compatibility⁵ and Android Auto[™] compatibility.⁵ The Voice-Activated Touchscreen Navigation System² features vivid 3-D maps with pinch-to-zoom capability. And automatic updates over Wi-Fi⁶ provide the latest SYNC 3 software as new updates become available. For help making the most of this or any other MKT feature, remember your Lincoln Concierge is available 24/7.

STAY CONNECTED WITH VOICE-ACTIVATED SIMPLICITY

¹Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Available feature. ³Certain restrictions, 3rd-party terms, or message and data rates may apply. See your Lincoln Dealer for details. ⁴Commands may vary by phone and AppLink software. ⁵Requires phone with active data service and compatible software. SYNC 3 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. ⁶Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update.

TECHNOLOGIES
HELP
SIMPLIFY
YOUR DAY

LANE-KEEPING SYSTEM^{1,2} – If you start to drift out of your lane, this technology can help. Using a forward-facing camera to detect road lane markings, the system can apply steering wheel torque and even alert you with a steering wheel vibration to help direct you to return to your lane.³ If it detects that you've crossed the line repeatedly, it can prompt the Driver Alert System^{1,2} to chime and display a coffee cup image to remind you that it's break time.

BLIS® (BLIND SPOT INFORMATION SYSTEM) WITH CROSS-TRAFFIC ALERT^{1,2} – Some vehicles may be out of your line of sight, but they can be detected by this technology. It warns you if it detects a vehicle in your blind spots while driving forward, or approaching from the sides while in Reverse.

ACTIVE PARK ASSIST^{1,2} – For help parallel parking, simply activate this system. It uses ultrasonic sensors to help you locate an appropriate space, then steers MKT into it. All you do is follow on-screen prompts and control the shifter, brake and accelerator pedals. For additional guidance during parking maneuvers, a Reverse Sensing System² and rear view camera² are standard on every MKT.

ADAPTIVE CRUISE CONTROL & FORWARD COLLISION WARNING WITH BRAKE SUPPORT^{1,2} – When highway cruising, this system can adjust the speed of your vehicle to maintain a preset gap from the vehicle in front of you. If a potential collision is detected, MKT can visually and audibly alert you and, if needed, precharge the brakes and increase brake sensitivity to help you reach full braking, faster.

ADAPTIVE HID HEADLAMPS – Paired with convenient auto high beams, these sophisticated headlamps feature bright-white light that provides better visibility than conventional halogen lamps. Their beams also move in the same direction as the steering wheel for more visibility when driving around curves.

THX® II CERTIFIED AUDIO SYSTEM¹ – Specialized digital sound processing and patented THX Slot Speaker™ technology enable this 14-speaker system to fill your MKT with studio-quality sound, so you and your passengers can experience music exactly as the artist intended.

¹Available feature. ²Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ³Lane-Keeping System does not control steering.
