The all-new Audi A5 Coupé

From design to reality.

When he created the original Audi A5, designer Walter de Silva described it as 'the most beautiful car I have ever built'. Now, the all-new Audi A5 takes his vision further; retaining its distinctive lines, it has evolved with a sharper, more focused appearance. While inside, our latest innovations bring the A5 right up to date.

The all-new Audi A5 Sportback

The beauty of practicality.

More prominent wheel arches. A wider, dramatic grille. Trademark, flowing shoulder lines that culminate in bold new headlights. But there's much more to the dynamic 3-door Coupé and the practical 5-door Sportback than looks. With many new features, such as optional Audi Parking System Plus and Smartphone Interface as standard, it has the technology to match its appearance.

The Exterior

Flowing. Streamlined. Elegant.

It's not only the sweeping roofline that makes an impression. Newly designed headlights that flank the long bonnet give this car a look that's simply unmistakable. One that's only accentuated by a new headlight design and distinctive slimline 3D LED lights at the rear.

Performance

Finely tuned.

Audi Drive Select comes as standard in the A5, so you can tailor the ride to suit you perfectly. The system integrates seamlessly with the optional adaptive dampers, giving you the ultimate in comfort and responsiveness. And thanks to the new electromechanical power steering, you'll have better feedback from the road and precision when you need it most.

14 The all-new Audi A5

15

The Interior

Beautiful in every detail.

Inside, each feature has been crafted for your comfort and driving pleasure. Standard features include luxurious twin-leather upholstery, heated front seats, 7" colour driver's information system and Audi Sound System.

Technology

Captivating innovations.

The technology in the Audi A5 is impossible to miss. Xenon headlights come as standard. Or upgrade to intelligent Matrix LED headlights that dip automatically when oncoming traffic is detected. Just as eye-catching is the optional Audi Virtual Cockpit, which turns your dashboard into a fully customisable digital display. And with driver assistants that watch the road and head-up display that projects directly in your line of vision, you'll have alerts and all the information you need at a glance.

S5

Extraordinary power.

A new V6 engine that produces 354PS. An enhanced 8-speed tiptronic transmission to deftly manage all that power. And looks that leave you in no doubt – this is a member of the high-performance Audi ‘S’ range.

The Audi S5 is available as either a Coupé or 5-door Sportback, taking the familiar silhouette of the A5 and adding distinctive ‘S’ styling, unique interior details and Fine Nappa leather ‘S’ Super Sport seats with pneumatic massage function. Even the technology is upgraded, with MMI Navigation Plus as standard including a full 36-month subscription to Audi Connect Infotainment Services.

Vorsprung durch Technik

Not just a slogan. A philosophy.

Progress. It's behind everything we do at Audi. It's why, in the all-new A5 Coupé and Sportback, we've incorporated new technologies to help you on the road and new engines to deliver enhanced performance and fuel economy.

The Audi A5 Coupé and Sportback are the embodiment of our forward-thinking approach.

Driving confidence, whatever the weather.

Loose gravel. Icy patches. A tight bend in the rain. Conditions on the road are always changing, so quattro changes too. Available with a variety of engines across Sport and S line trims and standard on S5, it analyses your grip – automatically distributing power between all four wheels to where it's needed most. It's made for the most challenging conditions of all – the ones you encounter every day. Whatever the road holds, you can be confident that quattro will react.

quattro

Matrix

LED lights

illuminating features

The Audi A5's new optional Matrix LED headlights produce a light similar in colour to daylight. They also incorporate sensors and an inbuilt camera that detects other road users, as well as ambient light in built-up areas. They then react by dipping individual LEDs to reduce the risk of dazzling other road users, while still fully illuminating the remainder of the road.

Where available, Matrix LED technology will even use the vehicle's navigation data to anticipate corners, adjusting LEDs as you negotiate the bend. The result is a much wider visual range, benefitting both you and other road users. Dynamic sweeping indicators complete the striking look at the front and rear.

Bring your phone to the fore.

Imagine being able to use your smartphone applications safely while driving. The Audi Smartphone Interface, standard on the Audi A5, lets you do just that.

Satellite navigation. Music streaming. Your contact list. Now you can access apps, approved for in-car use by Android and Apple, from the MMI controls on the A5's centre console, from the multi-function steering wheel, Audi Voice Control, or even via your smartphone's assistant, like Siri.

Simply connect your compatible smartphone via USB* and approved apps appear in full colour on the central MMI screen.

Smartphone Interface

Finding your way.

You can now use Apple and Google Maps™** as your navigation system. Turn-by-turn directions, traffic guidance and estimated arrival times are easy to see on your MMI screen without having to touch your phone – and addresses from your email, texts, contacts and calendar can be added as destinations. Don't forget, planning your journey at home reduces data usage while on the move.

Google Maps™**

Your own soundtrack.

You can play music stored on your phone as you drive, controlling it simply and intuitively through the interface. Streaming services are also available, including Spotify and Google Play Music.*

Spotify and Google Play Music*

Keeping in touch.

With Audi Smartphone Interface, any text messages you receive while driving can be read out to you – and if you need to respond, you can do so simply by dictating your message. But not only that. You can also use approved third-party apps* like WhatsApp to keep in touch while driving.

WhatsApp, Skype and Google Hangouts*

What's on your phone is now available on the road.

The Audi Smartphone Interface makes linking your smartphone† to your car quick, safe and easy.

With Android Auto and Apple CarPlay, you can access approved apps* from your phone safely via the Audi A5's MMI system – both by voice or fingertip control. So you can make calls, receive and dictate messages, navigate, select music and podcasts and much more without taking your eyes off the road.

Smartp

All imagery on these pages show use of Apple CarPlay with Audi Smartphone Interface. †Smartphone Interface uses Apple CarPlay, which is available with iPhone 5 and above, or Android Auto, which is available with phones using Android 5.0 Lollipop or above. *Availability of applications differs by operating system and is dependent on approval by Apple or Google. An up-to-date list of approved apps is available on the relevant systems' websites. Permanent availability cannot be guaranteed as this is the responsibility of Apple and Google. Use of certain apps with Smartphone Interface will be subject to signal availability of the mobile network in your location and in-car usage may increase your mobile data usage. If using regularly, a mobile phone contract including an unlimited or high amount of data is recommended.

Audi Connect Infotainment Services

The world at your fingertips.

Audi Connect Infotainment Services is the link between your Audi and the internet, giving you access to entertainment, information and search functions via scrolling, tapping or verbal commands.

With high-speed 4G internet access in your car, via an embedded SIM card with no data charge, you can call up flight information, fuel prices and weather, as well as high-resolution aerial and satellite pictures from Google Earth™ and Google Street View™.

Audi Connect Infotainment Services is available as a 3-month trial on Sport and S line models or a 36-month subscription is available to purchase as part of the Technology Pack. S5 models come with the 36-month subscription as standard.

Terms and conditions apply to certain Audi Connect Infotainment Services functions. Please see page 70 for additional information.

Audi

Connect Infotainment Services

Stay connected on the move.

The following Audi-supported services are currently available:

Infotainment

Online media streaming Pairing a smartphone with the Audi MMI app offers access to worldwide radio stations and music stored on the smartphone

Weather information Gives you forecasts and maps for your chosen destination

News online (individual)^ Text and images from your favourite news sources with text-to-speech function

Country-specific information*
The legal regulations for a specific country, such as speed limits or whether it is compulsory to carry a high-visibility vest or display a motorway toll sticker, are displayed when crossing a border

Communication

Twitter^ Enables you to tweet and receive updates on the move. With text-to-speech and other convenient text functions

Email Your emails can be transmitted to your Audi MMI and read out conveniently**

Mobility and navigation

Points of interest
Search Google™ using voice control

Navigate with Google Earth™ and Google Street View™
Uses high-resolution aerial and satellite images as well as photos to guide you to your destination with ease

Destination entry via myAudi or Google Maps™
If required, navigation destinations can be conveniently planned on your PC or smartphone. myAudi and Google Maps™ allow individual navigation destinations to be sent to the vehicle. When you start your journey, these can be easily loaded as your destination. myAudi or Google account required

myAudi – special destinations**
Import individual point-of-interest (POI) lists to your Satellite Navigation system via the myAudi portal

Map update online The map version delivered can be updated free of charge with the first 5 navigation updates which are issued at intervals of 6 months. In conjunction with Audi Connect, the update can be carried out online in the vehicle*

Flight information Get information about departure and arrival times, as well as the corresponding gates, and search directly for flight numbers

Train information Find departure and arrival times and platform information while you're on the road (also available for other types of public transport such as underground systems)

Fuel prices Information on filling stations with the cheapest prices in your selected search area

Parking information Helps you find car parks nearby and, where available, information on prices and currently vacant spaces

Traffic information online Complements the dynamic route guidance with real-time traffic flow information for individual stretches of road

Terms and conditions apply to certain Audi Connect functions. Please see page 70 for additional information.

*Only available when ordered in combination with Technology Pack (WB4) or MMI Navigation Plus with MMI Touch.

^myAudi account required.

**For information about compatible phones and software versions please visit www.audi.co.uk/phonecompatibility

Audi Connect Safety and Service

Reassurance comes as standard.

Audi Connect Safety and Service lets you locate your car, check your vehicle status and lock/unlock your Audi from a distance via your smartphone.* And, should you ever find yourself in an emergency situation, it's good to know that with Audi Connect Safety and Service, you'll also have access to the emergency services[†] or Audi Roadside Assistance.[†]

*In order to activate these features, customers must register and accept the terms and conditions on myAudi.
[†]These services are only within the range of the selected mobile phone network operated by Audi's chosen mobile phone provider.

Audi Connect Safety and Service

myService. Help is always at hand.

If you ever find yourself in an emergency situation, it's good to know that with Audi Connect Safety and Service, you'll have access to everything you need. Dealing with an emergency is stressful enough, so we give you one less thing to worry about – providing a link to the emergency services, Audi Online Roadside Assistance and your chosen Audi Service Partner.

Emergency Call[†]

In an emergency, time is of the essence. That's why your Audi comes with an SOS button that can call for urgent assistance when pressed. In the unfortunate event of the car detecting a major accident** it will automatically place a call to an Audi partnered emergency call centre, who will send emergency assistance to your GPS location.

Online Roadside Assistance[†]

In case of a mechanical fault or minor accident, just press the Online Roadside Assistance button. It will connect you to an Audi Roadside Assistance call centre, which can quickly establish your location and what kind of assistance you require.

Audi Service Request^{**}

After registering with myAudi, your chosen Audi Service Partner can receive relevant vehicle service data sent directly from your car to tell them when your car requires a service. They will then contact you in advance to arrange a booking.

myCarManager. Reassurance from afar.

Audi Connect Safety and Service myCarManager lets you locate your car, check its status and lock/unlock the doors from distance via your smartphone or tablet. So if you want to check up on your Audi but can't spare the time to get away, you can reassure yourself even when you're far away.*

Vehicle status report^{**}

How many miles of fuel have I got left? What's my current mileage? Is the car locked? Have I turned the lights off? With an Audi Connect MMI app on your smartphone or tablet, you'll have the answer instantly.

Remote lock and unlock^{**}

If you forgot to lock your car, or you need to give someone urgent access, don't worry: even if you're some distance away, you can lock and unlock your Audi via your smartphone or tablet.

Car finder^{**}

A common frustration is forgetting where you parked your car. With myCarManager you can check where you last switched the ignition off on a map to help locate your car.

*In order to activate these features customers must register and accept the terms and conditions on myAudi and download the Audi Connect MMI app on a compatible smartphone or tablet.

[†]These Audi Connect services are only within the range of the selected mobile phone network operated by Audi's chosen mobile phone provider. Services are provided via a SIM card installed in the vehicle. Costs for calls and connections are included in the price of your Audi. Audi Connect Safety and Service myCarManager is available for three years after vehicle delivery. For full terms and conditions please see page 70. Images are for illustrative purposes only.

Virtual Cockpit

Customisable control

The information you need is always changing, so the Audi Virtual Cockpit changes too. Available as an option, it replaces the traditional dashboard with a high-resolution, 12.3" LCD screen, which you can customise just by pressing the 'view' button on the multi-function steering wheel. Choose the 'classic' view, with prominent speedometer and rev counter, or the 'infotainment' view, which brings functions such as the navigation map or media to the fore – with crisp 3D graphics and highly detailed effects.

Everything you need to know right in front of you: it's the embodiment of Vorsprung durch Technik.

Build your **Audi**

**Express your individuality
with a choice of standard
and optional features**

The following sections of this guide are designed to make it easy for you to understand the specification of your all-new new Audi A5 and select the options you want. So with just a few choices, you can begin to create the Audi you've always imagined. However, if you want more details, please download the pricelist from www.audi.co.uk/pricelist

A5 SE

Available on Coupé and Sportback

The A5 SE offers premium specification as standard. Highlights include Xenon headlights with LED daytime-running lights, a 7" colour Driver's Information System, Audi Smartphone Interface, 3-zone climate control and Audi Sound System. The A5 also offers a wide range of assistance systems as standard including Audi Pre-sense City, cruise control with speed limiter and front and rear parking sensors.

Equipment highlights include:*

- ▶ 17" '15-spoke' design alloy wheels
- ▶ Xenon headlights with LED daytime-running lights
- ▶ Standard seats in Twin leather
- ▶ Heated front seats
- ▶ Deluxe 3-zone electronic climate control
- ▶ MMI Radio Plus with 7" colour MMI screen
- ▶ Audi Smartphone Interface⁺
- ▶ Colour Driver's Information System with 7" display
- ▶ Audi Sound System
- ▶ Cruise control system with speed limiter
- ▶ Audi Parking System Plus
- ▶ Multi-collision brake assist

*For more information on Audi Smartphone Interface, please see pages 32-33.

Main images. A5 Coupé SE in optional Manhattan grey, metallic (H1). 1. High multi-function 3-spoke leather steering wheel and colour Driver's Information System with 7" display. 2. MMI Radio Plus with 7" colour MMI screen and Audi Smartphone Interface. 3. Deluxe 3-zone electric climate control. 4. Standard seat with Twin leather in Rock grey.

A5 Sport

Available on Coupé and Sportback

The Sport trim builds on the same premium specification as SE with exterior styling upgrades for an enhanced, sporty look. Inside, we've added MMI Navigation, an automatic 3-month trial subscription to Audi Connect and electrically adjustable front Sport seats with 4-way electric lumbar support.

Specification in addition or replacement to SE. Equipment highlights include:*

- ▶ 17" '5-twin-spoke' design alloy wheels
- ▶ Radiator grille in Twilight grey matt with Matt aluminium inlays
- ▶ Air inlets in Titan black with Matt aluminium inlay
- ▶ Rear diffuser strip in Matt aluminium silver
- ▶ Front Sport seats in Twin leather
- ▶ Electrically adjustable front seats
- ▶ 4-way electric lumbar support
- ▶ LED Interior Lighting Pack
- ▶ MMI Navigation (SD card-based)
- ▶ Audi Connect Infotainment Services (3-month trial)

Main images. A5 Coupé Sport in optional Moonlight blue, metallic (W1). 1. MMI Navigation with 7" colour MMI screen. 2. Sport seat with Twin leather in black. 3. Inlays in Aluminium Ellipse, silver. 4. Electrically adjustable front seats.

A5 S line

Available as Coupé or Sportback.

Designed with the most driving-focused owners in mind, the S line specification includes an upgrade to larger 18" alloy wheels, and visual enhancements courtesy of bespoke S line exterior styling. It further stands out on the road with LED headlights, incorporating LED daytime-running lights and LED rear lights with dynamic rear indicators. Front Sport seats upholstered in a combination of Alcantara and leather help to set the tone inside, and Sport suspension does the same for the driving experience.

Specification in addition or replacement to Sport. Equipment highlights include:*

- ▶ 18" '5-twin-spoke star' design alloy wheels
- ▶ Sport suspension
- ▶ S line exterior body styling and badging
- ▶ LED headlights with LED rear lights and dynamic rear indicators
- ▶ Front Sport seats with 'S' embossed logo in leather/Alcantara
- ▶ High multi-function 3-spoke leather steering wheel with grips in perforated leather and 'S' badging
- ▶ Gear-lever knob in black perforated leather
- ▶ Illuminated door sill trims with 'S' logo
- ▶ Pedals and footrest in stainless steel

Main image. A5 Coupé S line in Tango red, metallic (Y1). **1.** High multi-function 3-spoke leather steering wheel with grips in perforated leather and 'S' badging. **2.** Illuminated door sill trims with 'S' logo. **3.** Front Sport seat with 'S' embossed logo with Alcantara/leather in black. **4.** Inlays in Matt brushed aluminium.

S5

Available as Coupé or Sportback.

With its 'S' body styling, 19" alloy wheels and subtle S5 badging, the S5 makes a powerful visual statement – the perfect complement to its powerful new 3.0 V6 TFSI engine. The supercharged unit delivers up to 354PS, 500 Nm of torque and a top speed of up to 155mph.* And it channels all that power through our legendary quattro all-wheel drive system, constantly analysing your grip and shifting that power between the four wheels to where it is needed most. With a high level of standard equipment offering the latest in technology and excellent comfort, the S5 is the pinnacle of the A5 range.

Specification in addition or replacement to S line. Equipment highlights include:*

- ▶ 19" x 8.5J '5-spoke Cavo' design, contrasting grey partly polished alloy wheels
- ▶ 'S' Sport suspension
- ▶ 'S' model enhanced braking system
- ▶ High-beam assist
- ▶ 'S' specific exterior body styling and badging
- ▶ 'S' Super Sport seats with 'S' embossed logo in Fine Nappa leather upholstery
- ▶ Pneumatic massage function
- ▶ 'S' interior styling
- ▶ MMI Navigation Plus with 8.3" high-resolution colour screen
- ▶ MMI Touch control panel
- ▶ Audi Connect (3-year subscription)

Main images. S5 Coupé in Navarra blue, metallic (2D). 1. MMI Navigation Plus with 8.3" high-resolution colour screen. 2. MMI Touch control panel. 3. Front 'S' Super Sport seat with 'S' embossed logo with Fine Nappa leather in black. 4. Gear-lever knob in black leather and with diamond 'S' badge.

Your colour

Express your individuality with a choice of standard and optional paints.

Choose from a selection of 2 standard or 12 optional paint colours. You can also choose from an additional colour on S line trims, or 3 on S5 models. For more specialist options, Audi exclusive will be available early 2017. Please contact your local Audi Centre for details.

Optionally available on S5 only

Your design

Add the final flourish with your choice of alloy wheels.

Whatever your taste, there's a set of alloy wheels that will enhance the looks of your A5. This is just a selection – discover more online with the Audi configurator or by exploring the pricelist.

19" x 8.5J '5-parallel-spoke' design alloy wheels

18" x 8.5J '5-arm star' design alloy wheels

19" x 8.5J '5-spoke cavo' design alloy wheels, contrasting grey, partly polished

19" x 8.5J 'multi-spoke' design alloy wheels, contrasting grey, partly polished

18" x 8.5J '5-twin-spoke-star' design alloy wheels

19" x 8.5J '10-V-spoke' design wheels

Wheels shown may not be available on all trims. Options are subject to availability and may extend time taken for delivery. Please note that the size of your chosen A5 wheel may affect the fuel consumption figures and the CO2 emissions. This may result in a change in subsequent Vehicle Excise Duty payable. For more information please download the pricelist from www.audi.co.uk/pricelist

Your comfort

Choose an interior that fits you perfectly.

Your A5 is available with a range of options to create the interior of your choice, including a choice of materials and colours, memory function for the driver's seat or additional heating for the rear seats. Visit the Audi configurator or browse the pricelist to tailor your A5's seating to suit you perfectly.

Main image shows front 'S' Super Sport seats in Fine Nappa leather with Rotor grey upholstery. Upholsteries shown may not be available on all trims. Your configurator

The easy way to build your Audi

Our online configurator makes it simple to create your ideal Audi, using the options featured in this brochure or in the Pricelist.

Visit www.audi.co.uk/configurator to create your perfect Audi A5

Audi Genuine Accessories

Personalise your Audi today.

Make your A5 your own by adding some genuine accessories. They're all created by Audi and specially crafted for our models, so they'll deliver the high standards you expect. What you see here is just a selection. See the full collection at www.audi.co.uk/accessories or speak to your Audi Centre for pricing.

Protection Pack

Safeguard the interior of your Audi against daily wear and tear. We have accessories to protect your car against everything from muddy footprints to damage caused by loading and unloading luggage. Contains flexible luggage compartment load liner, rubber front mats and rear bumper protection film.

Business Pack

This range of accessories is designed to make business travel simple. With convenient storage for suits, laptops and more, it lets you have everything organised for your arrival. Contains laptop holder bag, seat-mounted coat hanger and waste bag.

Touring Pack

Whether it's a weekend break with the family or a trip across Europe, our Touring Pack gives you more storage options – including a handy cool box to keep food fresh. Contains rear seat storage bag, waste bag and cool bag.

Comfort Pack

This pack provides useful ways to separate and organise the contents of your boot, as well as a convenient coat hanger to keep clothing free of creases. Contains coat hanger, boot box and boot tidy.

Your finance

Get your finance quote in seconds

Simply go to www.audi.co.uk and enter a few details to see the monthly payments you could be making on a new Audi A5. Below we've outlined some of the different options available – you just need to choose your annual mileage and length of term, then pay an initial deposit that could be as little as one monthly payment.

Solutions Personal Contract Plan

A flexible finance plan designed to give you a number of options, making it ideal if you want to change your car more regularly. At the end of the agreement, you have three choices:

1. Exchange the car for a new Audi.
2. Pay the option to purchase fee and optional final payment, then take full ownership of the car.
3. Simply return the car to Audi (fees may be payable).

Hire Purchase

If you know you'd like to keep your Audi, Hire Purchase could be right for you. And as you're making your payments with a view to owning the car, there's no restriction on how far you can drive each year.

Contract Hire

If you don't want to own your Audi, Contract Hire could be a great option. You can add a service, maintenance and tyres plan and, for VAT-registered businesses, an element of the VAT on rentals may be recoverable. You simply need to commit to a regular monthly payment and hand your car back at the end of your agreement (subject to our return standards).

Online finance calculator

To get an idea of your repayments on a finance scheme, enter a few details online at www.audi.co.uk and you'll see what you can expect to pay for your new Audi.

Audi Insurance

To ensure you can start enjoying your new car from day one, the first five days' insurance* is included as standard with all new Audi models. To activate it, simply call 0330 303 6900, give us a few details and you can drive it away as soon as you take delivery.

Telephone lines are open Monday to Friday 8am–8pm, and Saturday 9am–4pm. For details of our full range of insurance products, visit insurewithaudi.co.uk

*Subject to eligibility criteria. Audi Motor Insurance is sold and administered by Ageas Retail Limited. Audi Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"). Registered in England and Wales No. 2835230. Volkswagen Financial Services (UK) and Ageas Retail Limited are not part of the same corporate group.

Important information

Welcome to Audi.

By placing an order for your Audi, you're choosing to drive a car created in the spirit of Vorsprung durch Technik. And because we believe the service we offer should reflect the quality of our cars, we want to let you know exactly what you can expect from us, now and in the future.

Audi customer care

Every new Audi includes these reassuring features as standard:

- ▶ 3-year Audi warranty (unlimited-mileage in the first 2 years, with a full mechanical and electrical warranty up to 60,000 miles in the third year)
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ 3-year UK roadside assistance and recovery
- ▶ 3-year accessories warranty on any accessories purchased with your car (2-year warranty if purchased separately from your new Audi)*

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information. Warranty terms and conditions apply. Please see www.audi.co.uk/warrantyterms for further details.

Information in this guide

We've done all we can to make the prices, specifications, technical details and all other information you see in this brochure accurate at the time of publication. However, as our products are constantly being updated, we recommend checking the details with your Audi Centre.

We reserve the right to change prices or specification at any time. All prices shown in this guide include VAT which is currently charged at 20%.

Delivery charges and number plates are not included in the Total RRP inc VAT vehicle price.

Delivery charge	£504.99
Number plate	£20.00
VAT	£105.01
Total	£630.00

Recommended On-The-Road (OTR) prices include the delivery and number plate charges above, Road Fund Licence (which may vary depending on model/transmission – see table for details) and first registration fee at £55.00.

The images featured in this brochure are for illustrative purposes only. They may feature left-hand drive vehicles and include equipment that is not UK specification.

CO2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO₂) a vehicle emits, measured in grams per kilometre (g/km). First year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Petrol and diesel engines	First year	Annual rate (second year onwards)
A – up to 100g/km	£0	£0
B – 101 to 110g/km	£0	£20
C – 111 to 120g/km	£0	£30
D – 121 to 130g/km	£0	£110
E – 131 to 140g/km	£130	£130
F – 141 to 150g/km	£145	£145
G – 151 to 165g/km	£185	£185
H – 166 to 175g/km	£300	£210
I – 176 to 185g/km	£355	£230
J – 186 to 200g/km	£500	£270
K – 201 to 225g/km	£650	£295

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate.

Audi tax-free sales

If you are entitled to purchase a vehicle free of VAT, normally through military or diplomatic privilege, please contact your local Audi Centre for full details. Should you have any difficulty obtaining the information you require, please call 0870 241 5663.

Important information

Audi Connect Infotainment Services

Audi Connect Infotainment Services are provided via a SIM card embedded in the vehicle. The cost for data connection is free of charge during the standard 3-month free trial, or included within the cost of the optional Audi Connect Infotainment Services 36-month subscription. Data is unlimited (but you will not, for example, be able to use the embedded SIM to provide Wi-Fi hotspot services or tether any other device to the embedded SIM). There are no additional charges for data roaming within the EU (availability of services limited to certain countries).

Audi Connect Infotainment Services are available only within the range of the selected mobile phone network operated by Audi's chosen mobile phone provider. The content and scope of the online-based services offered may vary.

Audi Connect Infotainment Services enable access to certain search, social media and other online services provided by third parties. Permanent availability cannot be guaranteed, as this is the responsibility of the relevant third-party provider. Google and the Google logo are registered trademarks of Google Inc. All other trademarks are the property of their respective owners.

The availability of services supported by Audi Connect Infotainment Services varies from country to country and can be dependent on the capability of your mobile phone. For mobile phone and software compatibility please visit www.audi.co.uk/phonecompatibility or your Audi Centre.

Audi Connect Infotainment Services 3-month trial

The 3-month free use of Audi Connect Infotainment Services is activated from vehicle delivery. Should you wish to continue with the services after the 3 months, please consult your Audi Centre for details. Charges will apply upon renewal.

The Audi Connect Infotainment Services listed are correct at time of publication, please be aware that we cannot guarantee permanent availability to all these services throughout the 3-month trial.

Audi Connect Infotainment Services 36-month subscription

If purchased as part of the optional Technology Pack, a 36-month subscription for the use of Audi Connect Infotainment Services is activated from vehicle delivery. The Audi Connect Infotainment Services listed are correct at time of publication. Please be aware that we cannot guarantee permanent availability to all these services throughout your subscription. Should you wish to continue to use Audi Connect Infotainment Services after 36 months, please consult your Audi Centre for details. Charges will apply upon renewal.

Map updates for MMI Navigation Plus

The map version delivered with your vehicle can be updated with the first 5 updates after vehicle delivery. Updates are issued at intervals of 6 months. The current navigation data can be downloaded from the myAudi platform at www.audi.com/myaudi and installed in the vehicle via SD card.

Diamond cut finish alloy wheel

Diamond cut is a special finish on aluminium wheels. It is also sometimes referred to as 'polished' or 'partly polished'. Special aftercare should be taken when driving in extreme wintry road conditions.

For manufacturing reasons, these wheel surfaces do not have sufficient corrosion protection for such use and they can be permanently damaged by road salt or similar.

CO₂ and fuel consumption figures

Official fuel consumption figures for the Audi A5 Coupé range, in mpg (l/100km) from: Urban 37.2 (7.6) – 60.1 (4.7), Extra Urban 54.3 (5.2) – 78.5 (3.6), Combined 44.8 (6.3) – 70.6 (4.0). CO₂ emissions 144 – 105g/km.*

Official fuel consumption figures for the Audi A5 Sportback range, in mpg (l/100km) from: Urban 35.8 (7.9) – 58.9 (4.8), Extra Urban 52.3 (5.4) – 76.3 (3.7), Combined 44.8 (6.3) – 68.9 (4.1). CO₂ emissions 144 – 106g/km.*

Official fuel consumption figures for the Audi S5 Coupé, in mpg (l/100km) from: Urban 28.5 (9.9), Extra Urban 47.1 (6.0), Combined 38.2 (7.4). CO₂ emissions 170g/km.*

Official fuel consumption figures for the Audi S5 Sportback, in mpg (l/100km) from: Urban 28.5 (9.9), Extra Urban 46.3 (6.1), Combined 37.7 (7.5). CO₂ emissions 170g/km.*

For full technical data by engine, please see the pricelist on www.audi.co.uk/pricelist

*Fuel consumption and CO₂ emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. Optional wheels may also affect emissions and fuel consumption figures. More information is available at www.dft.gov.uk/vca
