The Audi TT RS

The icon. Now more powerful than ever.

Combining beautiful lines with exceptional performance, this is the most powerful TT ever to grace the road. Whether you choose the Coupé or Roadster, you'll notice the iconic design that made the Audi TT famous, and what lies beneath is no less remarkable. The new, lightweight 2.5 TFSI engine produces an impressive 400PS of power, representing the very latest in Audi engineering prowess.

The Exterior

TT silhouette. RS style.

Unique elements come together in the TT RS, from the iconic TT shape to our newly designed honeycomb grille with quattro logo, as well as larger air inlets and a fixed rear wing. You can also choose from a selection of colours, including two only available on the RS model – Catalunya red and Nardo grey.

The striking impression becomes even stronger with the addition of a Matt Aluminium Styling Pack or a High-gloss Black Styling Pack, which give special accents to the grille surround, front blade, RS rear wing and diffuser insert.

Performance

Full-on power.

The TT RS features RS Sport suspension, ultra-responsive quattro all-wheel drive and our 5-cylinder TFSI engine. It produces 400PS of power and 480 Nm of torque, taking the Coupé from 0–62mph in just 3.7 seconds (or 3.9 seconds for the Roadster). And it also produces an unmistakable 5-cylinder sound that's enhanced by the RS exhaust system.

The Interior

Beautiful design, inside and out.

The cabin is as attractive as it is functional, featuring Fine Nappa leather front Super Sport seats, RS logos and deluxe automatic air conditioning with integrated digital displays. The steering wheel features two 'satellite' buttons that put the most commonly used features at your fingertips.

With just the touch of a button, it lets you adapt the ride to suit you through Audi Drive Select. And, just like in the Audi R8, you can start the engine directly from the steering wheel: a feature taken from the track.

Technology

Technology at your fingertips.

Inside, all the controls and displays are oriented for the driver, so the ones you need are always within reach. With MMI Touch, you can enter commands, including destinations for the standard Satellite Navigation, both simply and intuitively. And as the Audi Virtual Cockpit transforms your dashboard into a fully digital display, maps are displayed in exceptional detail, right in front of you.

Vorsprung durch Technik

Not just a slogan. A philosophy.

Progress. It's behind everything we do at Audi. It's why, in the Audi TT RS, we've incorporated new technologies to help you on the road and engines to deliver impressive performance.

The Audi TT RS is the embodiment of our forward-thinking approach.

Designed for performance.

One of the most beautiful parts of the TT RS lies beneath the surface: the 2.5-litre engine. It announces itself with a truly distinctive sound – and you’ll notice the performance right away, too. This engine’s 400PS of power, combined with 480 Nm of torque, enables the TT RS Coupé to spring from 0–62mph in an impressive 3.7 seconds, and the Roadster to achieve the same in 3.9 seconds.

Driving confidence, whatever the weather.

Loose gravel. Icy patches. A tight bend in the rain. Conditions on the road are always changing, so quattro changes too. Standard on TT RS, it analyses your grip – automatically distributing power between all four wheels to where it's needed most. It's made for the most challenging conditions of all – the ones you encounter every day. Whatever the road holds, you can be confident that quattro will react.

quattro

LED lights Matrix

Illuminating features.

The TT RS's optional Matrix LED headlights produce a light similar in colour to daylight. They also incorporate sensors and an inbuilt camera that detects other road users, as well as ambient light in built-up areas. They then react by dipping individual LEDs to reduce the risk of dazzle, while still fully illuminating the remainder of the road.

Where available, Matrix LED technology will even use the vehicle's navigation data to anticipate corners, adjusting LEDs as you negotiate the bend. The result is a much wider visual range, benefitting both you and other road users. Dynamic sweeping indicators complete the striking look at the front and rear.

A new dimension in light.

Introducing optional Matrix OLED rear lights – a new innovation in lighting technology. It stands for Organic Light-emitting Diode: 4 wafer-thin lighting elements that provide a precision beam, that use no reflectors and don't cast shadows. Efficient, precise and with a striking 3D design, OLED rear lights are impossible to miss. Look a little closer, and you'll even see the iconic TT logo concealed within.

OLED lights

Audi Connect Infotainment Services

The world at your fingertips.

Audi Connect Infotainment Services is the link between your Audi and the internet, giving you access to entertainment, information and search functions via scrolling, tapping or verbal commands.

With high-speed 4G internet access in your car,* you can call up flight information, fuel prices and weather, as well as high-resolution aerial and satellite pictures from Google Earth™.

Audi Connect Infotainment Services is standard as a 36-month subscription on all Audi TT RS models.

Image for illustrative purposes only.
*Please note that an external data source is required to enable Audi Connect Infotainment Services.
Terms and conditions apply. Please see pages 53 and 54 for additional information.

Connect

Infotainment Services

Stay connected on the move.

The following Audi-supported services are currently available:*

Infotainment.

Weather information

Gives you the latest weather for today, as well as weekly forecasts and a weather map for your chosen destination.

Online news (individual)[†]

Text and images from a variety of news sources with text-to-speech function so you are kept up to date with what's happening in the news.

Through your myAudi account, you can personalise the news feeds that you want to see, displayed under Online news by entering the URL of your chosen RSS feed.

Communication.

Twitter[†]

Enables you to tweet and receive updates on the move, with text-to-speech and other convenient text functions.

Mobility and navigation.

Navigation with Google Earth™

Displays high-resolution aerial and satellite images to help guide you to your destination.

Points-of-interest (POI) search with voice control

Allows internet searches via Google for special destinations so that you can access POI information such as opening hours, visitor reviews and photos. Integrated voice recognition, which can be conveniently operated by pushing the button on the multi-function steering wheel, offers even more convenience. You can also access POI information straight from your smartphone with the Audi MMI app.

Destination entry via Google Maps™ and myAudi[†]

Using your smartphone or tablet and myAudi, you can conveniently plan your journey using Google Maps™, or from your myAudi account, and send the destination details to your car's navigation system.

Travel information

With Travel information you can find out what's happening nearby and at your destination. The online search engine provides detailed information such as sights, restaurants, shops, etc. which can be loaded directly into your navigation destination. You can also access travel information from your smartphone with the Audi MMI app.

Parking information

Helps you find car parks nearby and, where available, information on prices and currently vacant spaces.

City events

The City events function provides information about current events and places of interest at your location or travel destination.

Flight information

Get live information about departure and arrival times and search directly for flight numbers.

Train information

Find departure and arrival times and platform information while you're on the road (also available for other types of public transport such as underground systems).

Fuel prices

Information on filling stations with the cheapest prices in your selected search area. You can sort by price or by distance for your convenience, and can load destinations directly into your navigation system.

Traffic information online

Receive the latest information about your route, such as traffic congestion and roadwork updates. The traffic information data is continuously updated and displayed in colour on the navigation map, and the dynamic route guidance will keep you updated.

The content and scope of the Connect Services offered may vary from time to time. Features vary by model and Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Connect Services. Terms and conditions apply. Please see pages 53 and 54 for additional information.

*Please note that an external data source is required to enable Audi Connect Infotainment Services.

[†]In order to enjoy these services, customers must register, accept the terms and conditions and follow the activation steps instructed on myAudi.

Virtual Cockpit

Customisable control.

The information you need is always changing, so the Audi Virtual Cockpit changes too.

It replaces the traditional dashboard with a high-resolution, 12.3" LCD screen, which you can customise just by pressing the 'view' button on the multi-function steering wheel.

Choose the 'classic' view, with prominent speedometer and rev counter, or the 'infotainment' view, which brings functions such as the navigation map or media to the fore – with crisp 3D graphics and highly detailed effects. There's also a special RS screen that shows a central rev counter and allows you to customise the dials surrounding it, to show information like torque and power.

Everything you need to know right in front of you: it's the embodiment of Vorsprung durch Technik.

Build your Audi

**Express your individuality
with a choice of standard
and optional features.**

The following sections of this guide are designed to make it easy for you to understand the specification of your Audi TT RS and select the options you want. So with just a few choices, you can begin to create the Audi you've always imagined. However, if you want more details, please download the relevant pricelist from www.audi.co.uk/pricelist

TT RS

Available as Coupé or Roadster.

The TT RS includes impressive features as standard, like RS Sport suspension, RS body styling and, inside, a flat-bottomed steering wheel with convenient satellite buttons. It also puts advanced technology at your fingertips, including the all-digital Audi Virtual Cockpit and MMI Navigation Plus with MMI Touch.

Equipment highlights include:*

- ▶ 19" x 9.0J '5-arm polygon' design alloy wheels
- ▶ Brake calipers painted black with RS logo
- ▶ Audi Active Lane Assist
- ▶ LED headlights with LED rear lights and dynamic rear indicators
- ▶ RS body styling including an RS fixed rear wing
- ▶ Front Super Sport seats in Fine Nappa leather with RS embossing
- ▶ RS 3-spoke leather and Alcantara flat-bottomed multi-function steering wheel with 2 satellite buttons for engine start/stop and Audi Drive Select
- ▶ RS exhaust sound button
- ▶ Audi Virtual Cockpit with RS-specific screen
- ▶ MMI Navigation Plus including MMI Touch
- ▶ Audi Connect Infotainment Services (36-month subscription)
- ▶ Audi Parking System Plus
- ▶ Fully automatic electrically operated acoustic hood (Roadster only)

Main images. TT RS Coupé and TT RS Roadster in optional Vegas yellow, solid paint. 1. 19" x 9.0J '5-arm polygon' design alloy wheels. 2. MMI Touch.† 3. RS 3-spoke leather and Alcantara flat-bottomed multi-function steering wheel. 4. Front Super Sport seats in Fine Nappa leather with RS embossing.

*Image also shows optional carbon inlays.

Your colour

Express your individuality with a choice of standard and optional paints.

There's a selection of 1 standard or 8 optional paint colours for your TTRS. For more specialist options, see the Audi exclusive section on page 38. Please contact your local Audi Centre for details.

Standard colour*	Optional colours*					Optional colours*				Visit your local Audi Centre for more colour options
 <p data-bbox="120 1385 224 1428">Nardo grey, solid</p>	 <p data-bbox="401 1385 518 1428">Vegas yellow, solid</p>	 <p data-bbox="683 1385 800 1428">Catalunya red, metallic</p>	 <p data-bbox="965 1385 1082 1428">Floret silver, metallic</p>	 <p data-bbox="1246 1385 1363 1428">Glacier white, metallic</p>	 <p data-bbox="1705 1385 1822 1428">Mythos black, metallic</p>	 <p data-bbox="1986 1385 2104 1428">Daytona grey, pearl effect</p>	 <p data-bbox="2268 1385 2385 1428">Ara blue, crystal effect</p>	 <p data-bbox="2550 1385 2667 1428">Panther black, crystal effect</p>		

Audi exclusive paint

Make your TT RS truly unique.

Everyone has a favourite colour. No matter what yours is, Audi exclusive provides a range of unique colours that have been designed to set your car apart. There are over 50 exclusive paints* to choose from, a selection of which you can see below, or specify any other paint colour in the Audi range. You can also order customised paint† – if you have a particular colour in mind, we'll mix the exact metallic or pearl-effect shade you want.

*Audi exclusive paint is subject to factory approval. Visit your local Audi Centre for colour samples.
†Customised paint is subject to factory approval, and is available for metallic and pearl-effect water-based paints only. Three-colour process colours and two-tone schemes are not available.

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate. Visit your local Audi Centre for a more accurate colour swatch. Options are subject to availability and may extend time taken for delivery.

20" x 9.0J '7-spoke rotor' design alloy wheels in gloss anthracite black, diamond cut finish

19" x 9.0J '5-arm polygon' design alloy wheels

19" x 9.0J '5-arm polygon' design alloy wheels in matt titanium-look, diamond cut finish

20" x 9.0J '7-spoke rotor' design alloy wheels

20" x 9.0J '7-spoke rotor' design alloy wheels in matt titanium-look, diamond cut finish

19" x 9.0J '5-arm polygon' design alloy wheels in gloss anthracite black, diamond cut finish

Your design

Style your Audi TT RS with a choice of alloy wheels.

Whatever your taste, there's a set of alloy wheels that will enhance the look of your Audi TT RS. This is just a selection – discover more online using the Audi configurator or by exploring the full pricelist.

Please note that the size of your chosen TT RS wheel may affect the fuel consumption figures and the CO₂ emissions. This may result in a change in subsequent Vehicle Excise Duty payable. For details, please download the pricelist from www.audi.co.uk/pricelist. Options are subject to availability and may extend time taken for delivery.

Your upholstery

Uniquely luxurious leather.

You can specify the colour of your leather or upgrade to the Audi exclusive Palomino Brown Design Pack. Visit the Audi configurator or browse the pricelist to tailor your Audi TT RS's seating precisely.

Main image shows front Super Sport seats in Black Fine Nappa leather with Red stitching. For details, please download the pricelist from www.audi.co.uk/pricelist. Options are subject to availability and may extend time taken for delivery.

Gloss carbon door mirrors

Your options

Optional equipment highlights.

Personalise your Audi TT RS with a range of optional equipment choices. Some options have been packaged together for added convenience whilst others are available individually. From our Comfort and Sound Pack featuring Bang & Olufsen Sound System to options for the interior like the RS Red Design Pack which adds red accents to the air vents, seat belts and floor mats, you can arrive at your ideal combination of style and technology. To see our full list of options, download the pricelist from www.audi.co.uk/pricelist

Audi Phone Box with wireless charging*

Bang & Olufsen Sound System

Carbon inlays

Ceramic brakes

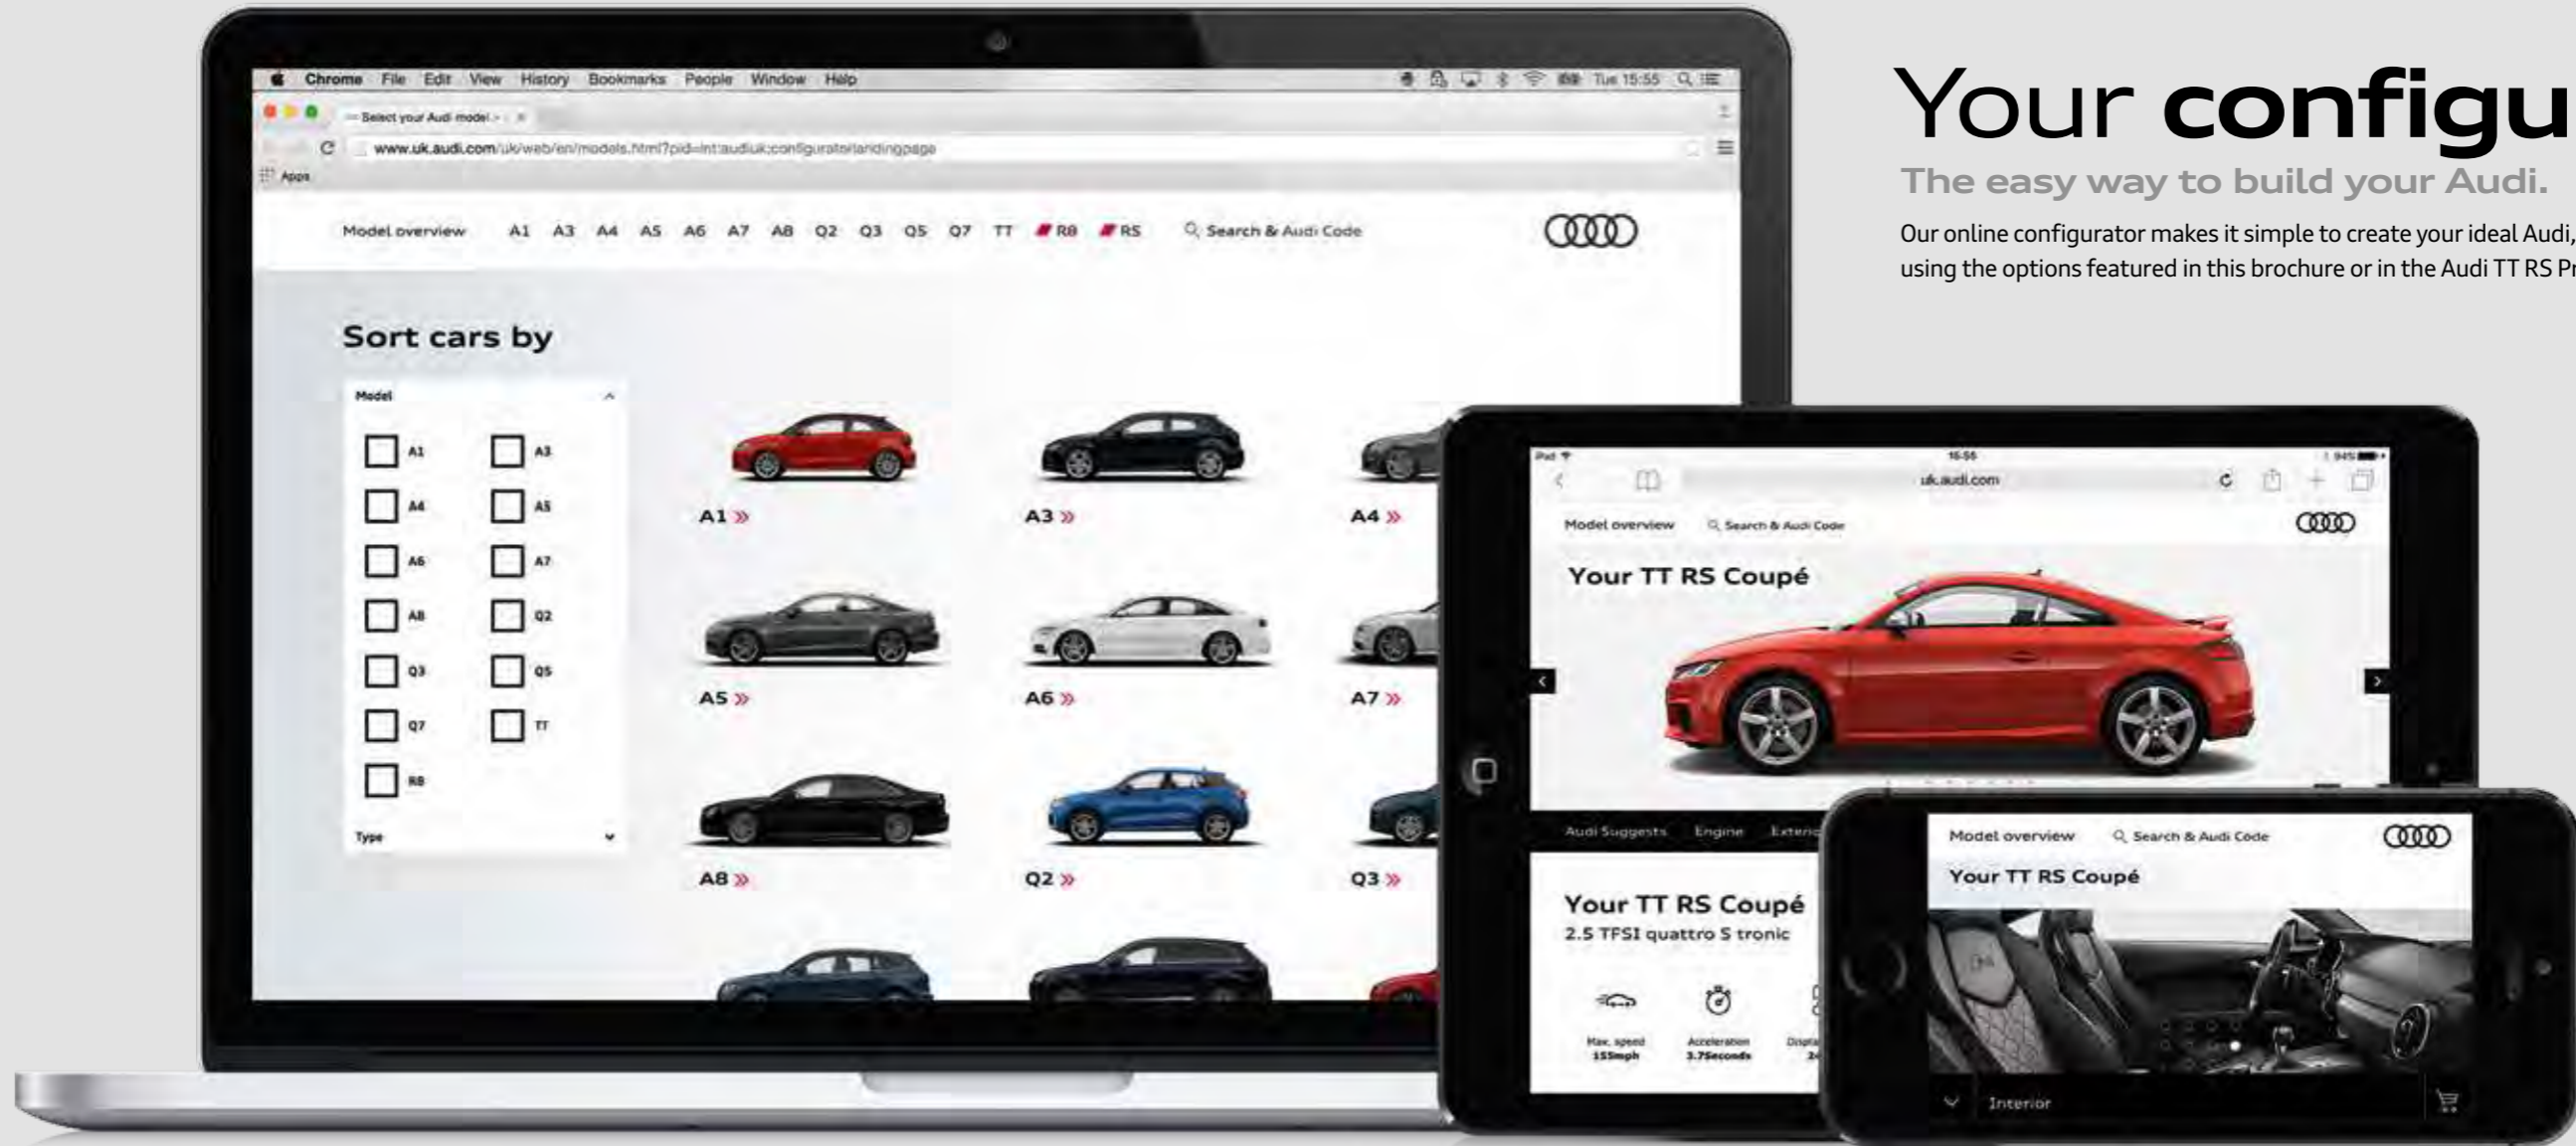

Options shown may only be available as part of a Pack. For details, please download the pricelist from www.audi.co.uk/pricelist
*Wireless charging only available with Qi-enabled compatible phones. Options are subject to availability and may extend time taken for delivery.

Your configurator

The easy way to build your Audi.

Our online configurator makes it simple to create your ideal Audi, using the options featured in this brochure or in the Audi TT RS Pricelist.

Visit www.audi.co.uk/configurator to create your perfect Audi TT RS

Audi Genuine Accessories

Personalise your Audi today.

Make your Audi TT RS your own by adding some genuine accessories. They're all created by Audi and specially crafted for our models, so they'll deliver the high standards you expect. What you see here is just a selection. See the full collection at www.audi.co.uk/accessories or speak to your Audi Centre for pricing.

Protection Pack

Protects your interior from mud, spills and daily wear and tear.

Touring Pack

Includes a cool box, rear seat storage and more.

Business Pack

Provides convenient storage for everything from laptops to suit jackets.

Comfort Pack

Helps you get organised – featuring a handy boot tidy and coat hanger.

Your finance

Get your finance quote in seconds.

Simply go to www.audi.co.uk and enter a few details to see the monthly payments you could be making on a new Audi TT RS. Below we've outlined some of the different options available – you just need to choose your annual mileage and length of term, then pay an initial deposit that could be as little as one monthly payment.*

Solutions Personal Contract Plan

A flexible finance plan designed to give you a number of options, making it ideal if you want to change your car more regularly. At the end of the agreement, you have three choices:

1. Exchange the car for a new Audi.
2. Pay the option to purchase fee and optional final payment, then take full ownership of the car.
3. Simply return the car to Audi (fees may be payable).

Hire Purchase

If you know you'd like to keep your Audi, Hire Purchase could be right for you. And as you're making your payments with a view to owning the car, there's no restriction on how far you can drive each year.

Contract Hire

If you don't want to own your Audi, Contract Hire could be a great option. You can add a service, maintenance and tyres plan and, for VAT-registered businesses, an element of the VAT on rentals may be recoverable. You simply need to commit to a regular monthly payment and hand your car back at the end of your agreement (subject to our return standards).

Online Finance Calculator

Use our online Finance Calculator to get a personalised quote that suits you. Simply visit the Finance and Offers section on www.audi.co.uk and you can choose between our Solutions Personal Contract Plan and Contract Hire calculators to see what you can expect to pay for your new Audi.

Audi Insurance

To ensure you can start enjoying your new car from day one, the first five days' insurance[†] is included as standard with all new Audi models. To activate it, simply call 0330 303 6900, give us a few details and you can drive it away as soon as you take delivery.

Telephone lines are open Monday to Friday 8am–8pm, and Saturday 9am–4pm. For details of our full range of insurance products, visit www.insurewithaudi.co.uk

*An offer of finance depends on certain conditions. Finance subject to status. Available to 18s and over. Terms and conditions apply. Audi Financial Services. †Subject to eligibility criteria. Audi Motor Insurance is sold and administered by Ageas Retail Limited. Audi Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"). Registered in England and Wales No. 2835230. Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Financial and consumer credit services are provided by VWFS UK. Volkswagen Financial Services (UK) Limited is authorised and regulated by the Financial Conduct Authority, registration number 311988. Audi Motor Insurance from Audi Financial Services is sold and administered by Ageas Retail Limited, registered in England and Wales No. 1324965. Registered office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA. Ageas Retail Limited is authorised and regulated by the Financial Conduct Authority (FCA), registration number 312468. Volkswagen Financial Services (UK) and Ageas Retail Limited are not part of the same corporate group.

Important information

Welcome to Audi.

By placing an order for your Audi, you're choosing to drive a car created in the spirit of Vorsprung durch Technik. And because we believe the service we offer should reflect the quality of our cars, we want to let you know exactly what you can expect from us, now and in the future.

Audi customer care

Every new Audi includes these reassuring features as standard:

- ▶ 3-year Audi warranty (unlimited mileage in the first 2 years, with a full mechanical and electrical warranty up to 60,000 miles in the third year)
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ 3-year UK roadside assistance and recovery
- ▶ 3-year accessories warranty on any accessories purchased with your car (2-year warranty if purchased separately from your new Audi)*

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information. Warranty terms and conditions apply. Please see www.audi.co.uk/warrantyterms for further details.

Information in this guide

We've done all we can to make the specifications and technical details and all other information you see in this brochure accurate at the time of publication. However, as our products are constantly being updated, we recommend checking the details with your Audi Centre.

You'll find full pricing information in the pricelist, which can be downloaded from www.audi.co.uk/pricelist

The images featured in this brochure are for illustrative purposes only. They may feature left-hand drive vehicles and include equipment that is not UK specification.

CO2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO₂) a vehicle emits, measured in grams per kilometre (g/km). First-year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Vehicles registered on or after 1 April 2017

Petrol and diesel engines	First year	Standard rate* (second year onwards)
A - 0g/km	£0	£0
B - 1 to 50g/km	£10	£140
C - 51 to 75g/km	£25	£140
D - 76 to 90g/km	£100	£140
E - 91 to 100g/km	£120	£140
F - 101 to 110g/km	£140	£140
G - 111 to 130g/km	£160	£140
H - 131 to 150g/km	£200	£140
I - 151 to 170g/km	£500	£140
J - 171 to 190g/km	£800	£140
K - 191 to 225g/km	£1,200	£140
L - 226 to 255g/km	£1,700	£140
M - over 255g/km	£2,000	£140

Vehicle Excise Duty (VED) rates correct at time of publication, but these may alter to reflect any change in the applicable VED rate. *Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £310 plus the standard annual rate for a 5-year period. After the 5-year period only the standard rate will apply.

Audi tax-free sales

If you are entitled to purchase a vehicle free of VAT, normally through military or diplomatic privilege, please contact your local Audi Centre for full details. Should you have any difficulty obtaining the information you require, please call 0870 241 5663.

Audi Connect Terms and Conditions

The Audi Connect Online Services ("Connect Services") are provided by Audi AG, and are included as standard in certain models within the Audi range of vehicles and are also available within some optional packs, such as the Audi Technology Pack. Audi AG is a company within our corporate group.

The Connect Services include:

- ▶ Audi Connect Infotainment Services ("Infotainment Services").

Some services require additional activation steps. In order to enjoy these services, customers must register, accept the terms and conditions and follow the activation steps instructed on myAudi (please visit <https://login.audi.com>).

Some services also require the download of the Audi MMI app on a compatible phone or tablet (always check latest phone and software compatibility).

Whilst correct at the time of publication, the content and scope of the Connect Services offered may vary from time to time. Features vary by model. Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Connect Services.

Enhancements in vehicle technology, information technology and web-based services sometimes require the Connect Services to be adapted and enhanced in line with new forms of technology or changes in user behaviour. In this context, Audi AG reserves the right at any time to enhance, reduce or change the functional scope of the Connect Services in a manner that it considers is reasonable for the customer.

For full details of the specific Connect Services on your vehicle, together with complete and up-to-date terms and conditions for those Connect Services, please visit www.audi.co.uk/connectterms

Audi Connect Infotainment Services

An external data source is required to enable the Audi Connect Online Infotainment Services ("Infotainment Services").

One of two can be used:

- ▶ A separate SIM card with data option (which can be inserted into the vehicle SIM card reader). If 4G usage is required the SIM card will also need a 4G option. When a separate SIM card is used, hands-free phone calls are possible by connecting a different mobile telephone via Bluetooth hands-free profile. For mobile phone and software compatibility, please visit www.audi.co.uk/phonecompatibility or your local Audi Centre; or
- ▶ On capable mobile phones, the phone's data connection can be shared with the vehicle via personal hotspot/tethering, although using this method may result in high consumption of your mobile phone battery.

Important information

Infotainment Services will only be available within the coverage area of your mobile phone network and there may be additional costs to you for the use of Connect Services (charges and billing correspond to your personal mobile phone contract or SIM card contract). Due to high data volumes, a mobile phone contract including an unlimited or high usage data plan is strongly recommended.

The Infotainment Services enable access to certain search, social media and other online services provided by third parties. Features vary by model. Permanent availability cannot be guaranteed as this is the responsibility of the relevant third party provider.

You may not use the Connect Services for any purpose other than the provision or receipt of services in accordance with these terms.

The subscription is activated from the point of vehicle registration. Should you wish to continue to use the Connect Services after your subscription expires, please consult your local Audi Centre for details (including the latest subscription fees). Charges will apply upon renewal.

Diamond cut finish alloy wheel

Diamond cut is a special finish on aluminium wheels. It is also sometimes referred to as 'polished' or 'partly polished'. Special aftercare should be taken when driving in extreme wintry road conditions.

For manufacturing reasons, these wheel surfaces do not have sufficient corrosion protection for such use and they may be permanently damaged by road salt or similar.

MMI Navigation Plus – online map updates and myAudi Special Destinations

The map version delivered with vehicles with MMI Navigation Plus can be updated free of charge for the first 5 updates after vehicle delivery (which are generally issued at intervals of 6 months). The current navigation data can be downloaded from the myAudi platform at www.audi.com/myaudi and embedded in the vehicle via SD card. In conjunction with Audi Connect Infotainment Services, the update can be carried out online in the vehicle (subject to mobile reception and an active data connection). For further navigation updates, it is possible to purchase new navigation data maps from your local Audi Centre at extra cost – please contact them for details.

With myAudi Special Destinations, you can download your favourite POI lists available on the internet (such as favourite restaurants) and have these displayed on your navigation map. In order to enjoy this service, customers must register, accept the terms and conditions and follow the instructions given on myAudi. Please visit <https://login.audi.com/login>

CO₂ and fuel consumption figures

Official fuel consumption figures for the Audi TT RS Coupé in mpg (l/100km) from: Urban 24.8 (11.4) – 25.0 (11.3), Extra Urban 42.8 (6.6) – 44.1 (6.4), Combined 33.6 (8.4) – 34.4 (8.2). CO₂ emissions 192 – 187g/km.*

Official fuel consumption figures for the Audi TT RS Roadster in mpg (l/100km) from: Urban 24.8 (11.4) – 25.0 (11.3), Extra Urban 41.5 (6.8) – 43.5 (6.5), Combined 33.2 (8.5) – 34.0 (8.3). CO₂ emissions 194 – 189g/km.*

Fuel consumption figures are correct at time of publication. For full technical data by engine, please download the pricelist from www.audi.co.uk/pricelist

*Fuel consumption and CO₂ emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. Optional wheels may also affect emissions and fuel consumption figures. More information is available at www.dft.gov.uk/vca
