*The Ultimate Expression
of Lincoln Luxury*

Welcome. To the Lincoln Black Label Experience.

More than a mark of distinction, Lincoln Black Label signifies your access to a uniquely elevated automotive experience. One that extends beyond the purchase of a luxuriously appointed vehicle to enhance your life in unexpected ways. From the moment you first meet with your dedicated Lincoln Black Label Experience Liaison, through each and every interaction you have with any Lincoln Black Label Dealership, you can expect the highest levels of personal service and attention to detail. Rest assured, we'll always have the utmost respect for your time, and we're firmly committed to your satisfaction. We look forward to introducing you to the **extraordinary member privileges** that comprise the Lincoln Black Label Experience.

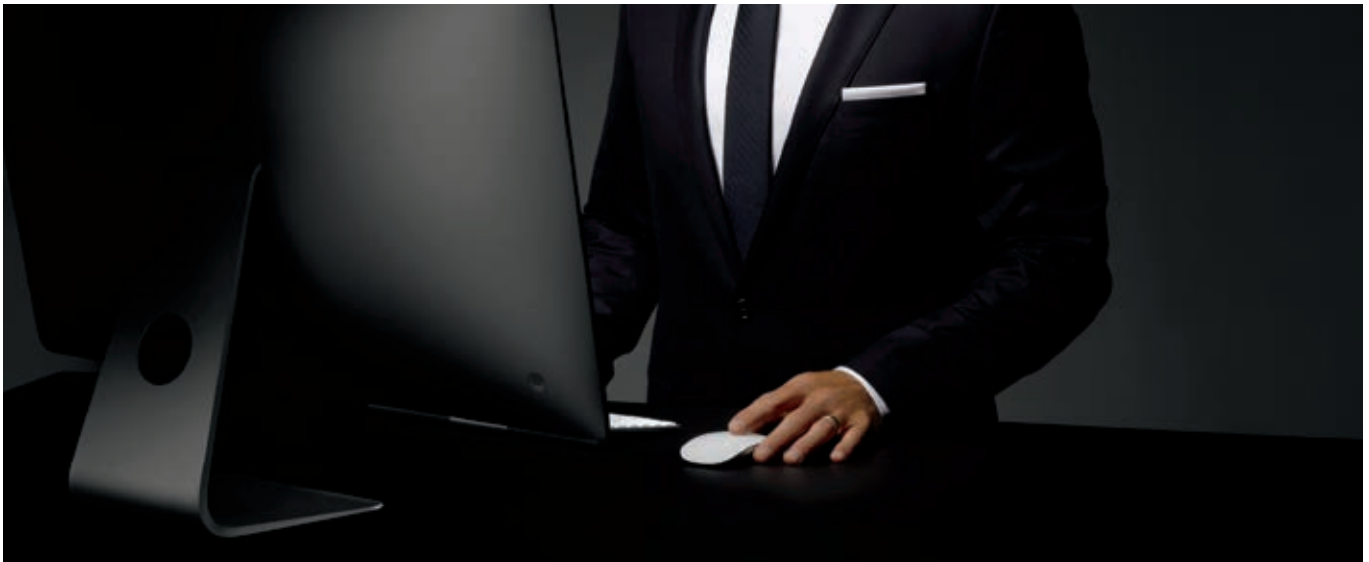

Each design theme in the 2016 Lincoln Black Label collection has been meticulously curated not for the masses, but for the select few, by an elite team of designers inspired by love of the automobile, as well as passion for the arts, architecture, fashion, fine food and culture. To help you thoroughly experience each, we'll arrange a **one-to-one consultation at your leisure** – in the private Lincoln Black Label studio at our dealership, or in your home, office, or other location of your choosing! You can explore the entire Designer Collection portfolio, including exterior paints and interior samples, before selecting your new Lincoln Black Label vehicle. And when it's ready, we'll deliver it to the location of your choice!

Comprehensively. At your service.

The dedicated Service Liaison Team at your Lincoln Black Label Dealership is pleased to assist with all of your service and maintenance needs. In fact, **we'll pick up your vehicle** when it needs service, provide you with a **courtesy vehicle**, and **return your vehicle to you** when it's ready.¹ These are just a few of the ways we demonstrate our commitment to respecting your time – and to making your entire ownership experience as enjoyable as possible. Another outstanding benefit of your Lincoln Black Label membership is the protection your new vehicle receives through the **4-year/50,000-mile premium maintenance plan**. It covers all required maintenance – including wear items like shock absorbers, brake pads and linings, wiper blades and more¹ – to help keep your Lincoln Black Label vehicle operating at its best. We also welcome you to visit any Lincoln Black Label Dealer for **complimentary car washes** as often as you like, during service hours, so your new vehicle can always be looking its best. We understand the contribution simple luxuries make toward a life well lived.

Annually. In for detailing.

We make it easy to keep your new Lincoln Black Label vehicle in pristine condition – both inside and out. In addition to unlimited washes, any Lincoln Black Label Dealer can provide your vehicle with a **complete interior and exterior detailing** once each year for the first 4 years of ownership.¹ Performed near your purchase anniversary, or in preparation for an evening out if you prefer, the service includes carpet and seat cleaning, hand waxing the exterior and more. Your Lincoln Black Label Experience Liaison will arrange it all at your leisure.

Tastefully. On the town.

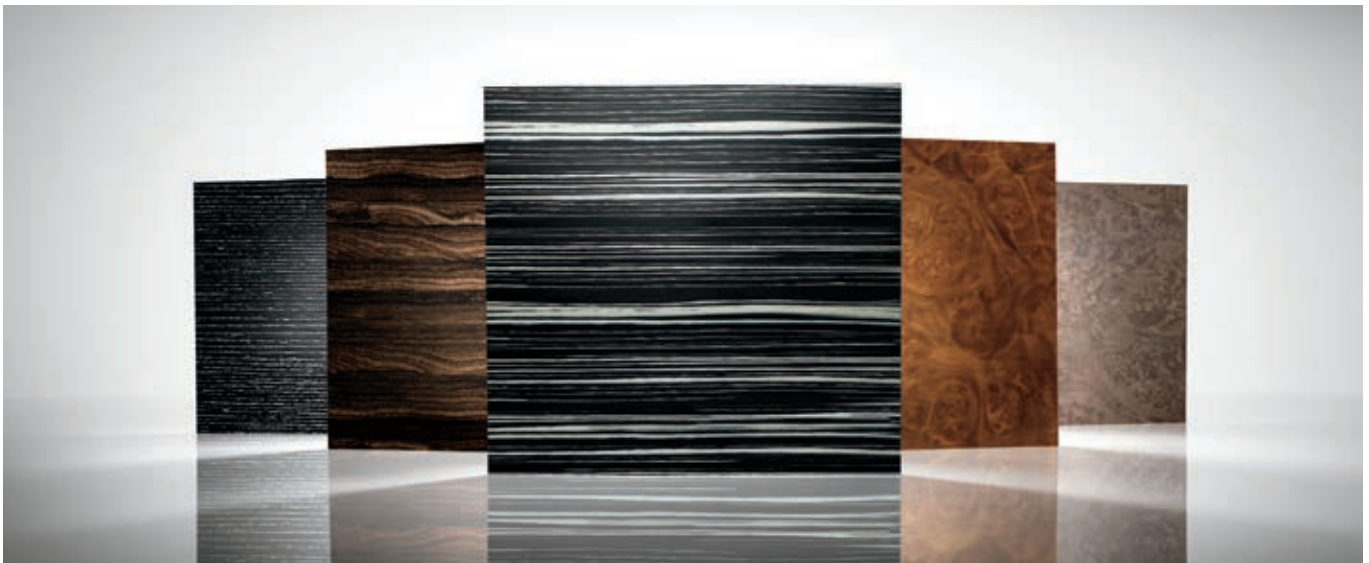

Your new Lincoln Black Label vehicle is the ideal transportation for a special occasion. And the **Lincoln Black Label Culinary Collection** is your members-only connection to the ideal venue. It's our curated list of restaurants from coast to coast featuring chefs ready to create an exclusive dining experience¹ for you. Los Angeles to Miami. Dallas to Detroit. Savor a night on the town courtesy of the Lincoln Motor Company. You'll also receive special consideration for future reservations and seating through your Lincoln Black Label Concierge.

Coats designed to dazzle. Exclusively for Lincoln Black Label.

The 2016 Lincoln Black Label collection features a specially selected palette of custom, multifinish, premium paints designed to further enhance your vehicle's exterior beauty while complementing its designer interior perfectly. Several of this year's gleaming coats also employ **revolutionary ChromaFlair® and SpectraFlair® technologies** that allow each flake to exhibit a wide range of hues depending upon the angle of the surrounding light and the angle at which you're viewing the vehicle. The result? The paint appears to dance.

Among the world's finest materials. Meticulously handcrafted.

Less than 1% of all hides produced globally are chosen for use in Lincoln Black Label vehicles. The few that meet our standards are personally selected by a 3rd-generation leather craftsman at Eagle Ottawa – a tanner since 1865 – then transformed into our exclusive **Venetian leather** through a uniquely designed process that results in the softest “hand” of the leather along with outstanding durability. This exquisite, naturally grained leather is form-fitted to the seats, steering wheel, door armrests and more. Custom perforation patterns and precisely stitched threads add the finishing touches within each Lincoln Black Label design theme. Prized in many circles – from the world’s most respected fashion houses to the poshest interior design studios – **Alcantara®** is a premium material known for its luxurious look, feel and durability. Lincoln Black Label designers selected this carbon-neutral material, which is crafted with sustainability-consciousness, to grace the headliners, visors and pillars, as well as to accent floor mats. They also sought out **exotic woods** from exotic places, basing their selections on maximum richness of color, grain and pattern. Zircote is a beautiful, naturally colored, heavily grained wood from South America that’s long inspired artisans of furniture, musical instruments and yachts. Metallic dust infused between the layers of Argento wood¹ gives it an ethereal, sparkling effect. You’ll find these and other eye-catching woods, such as Black Stripe,² Onyx³ and open-pore Chilean Maple,⁴ artfully accenting the impeccable interiors of the 2016 Lincoln Black Label collection.

OASIS is a place of peace and serenity. This refreshing Lincoln Black Label design theme resonates with those seeking a calming retreat in which to recharge and rejuvenate.
