A global group

For over 115 years, Renault has written and rewritten the automobile story, adding an interesting chapter every time. And thought-through many revolutionary firsts. The Gearbox. The Sedan. The Turbocharger. The Hatchback. The MPV. Inventions that didn't just change the way the world travelled, but also changed the way the world looked at automobiles.

For more than 30 years, Renault has been pushing the limits of motor sports and technology. The 2012 Formula One season witnessed Renault winning its 11th Constructor's Championship. By powering Red Bull Racing to victory for two consecutive years, Renault created a buzz even on the Indian Formula One circuit.

Now, with five classy and stylish cars in its portfolio, Renault is here to change the way India drives. A fact that's reinforced by its growing dealer network and increasing customer base. In just a short while since its launch in India, Renault has driven its way into every Indian car enthusiasts' heart. Awarded the 2013 Manufacturer of the Year, and arguably the most awarded brand ever in a year, Renault now commands a compelling position in the industry, ensuring its legacy of excellence as well as vision for change on Indian roads.

Renault won the Manufacturer of the Year at the NDTV Car and Bike Awards, 2013.

THE RENAULT FLUENCE. STATUS REDEFINED.

Few things in this world demand so much attention. And so little persuasion. The Renault Fluence is a delightful combination of design and outstanding performance. The technology in the car is multi-faceted and designed to give you a superlative driving experience. The comforts within spell indulgence and care for your convenience. All-round safety features make sure driving is not only pleasurable but also safe. Experience the Renault Fluence. Because it not only redefines automobiles. But also gives status a new meaning.

DESIGN

The new Renault Fluence wastes no time in taking your breath away. Stylish and fluid contours give it a seamless and uninterrupted flow that's difficult to replicate. A distinctive character line flows towards the rear from the rounded front wings, before emphasising the car's solid rear body. The windscreen wipers are hidden behind the bonnet's upper edge to complement the aesthetics of the car and to improve its aerodynamics. If the exterior is mesmerising, the interior is inviting. The integrated upper dashboard cowling has a soft-touch finish, yet it is also resistant to everyday weathering. The cabin comforts and interior refinements are meticulously crafted to please the eye and soothe the senses. Go ahead, change the way you look at automobile design.

1. DASHBOARD

The integrated upper dashboard has a 4 layered soft-touch finish, yet it is resistant to everyday knocks and exposure to direct sunlight. Perfect for Indian driving conditions.

3. CHROME FINISH

The windowsill, boot deck lid and fog lamp rims all come with a chrome finish for a classy and stylish look.

2. BODY

Streamlined headlights merge into the elegant waistline which sweeps seamlessly along Fluence's sides to the boot.

4. WIPERS

The windscreen wipers are tucked away behind the bonnet's upper edge for aesthetic reasons, reduce wind noise and improve aerodynamic efficiency.

5. CABIN SPACE

The interior space is amongst the largest in its category, making it a truly comfortable saloon car.

7. PLUSH LEATHER UPHOLSTERY

The plush seats, made from natural leather, provide both comfort and hygiene. While the front seats provide excellent support for the driver and co-passenger, the rear redefines comfort with AC vents and central arm rests. The 27° angle of the back seat is tested for optimal comfort.

6. ALLOY WHEELS

The Renault Fluence comes with R16 alloy wheels, tested to withstand the driving conditions in India. They also add to the car's stability and style.

8. GRILLE & EMBEDDED LOGO

The slot-type grille adds to the car's front-end charm with a sporting flourish. The embedded logo reflects the personality of the car.

The image shows the interior of a Renault Fluence. The front seats are upholstered in a light beige or cream-colored leather with a perforated pattern on the seat cushions and backrests. The rear seats are also upholstered in the same material and feature a similar perforated pattern. The dashboard and center console are finished in a dark grey or black material. The steering wheel is also upholstered in the same light beige leather. The overall design is clean and modern, emphasizing comfort and luxury.

COMFORT

Renault Fluence puts the accent on driving comfort. Let the air-conditioning automatically maintain the preferred temperature for each zone. Get your hands on the electric power steering that combines precise driver feedback with swift, accurate response to instructions from the wheel. The technology employed and the calibration of the control unit ensure both, steering precision and genuine driving enjoyment. Every feature within the Renault Fluence is built and styled to pamper.

1. DUAL ZONE AUTO CLIMATE CONTROL

Enables the driver and front-seat passenger to select individual temperature and fan-speed preferences via the soft-auto-fast control.

3. TILT & TELESCOPIC STEERING WHEEL

Find the most comfortable driving position for yourself with tilt and telescopic steering wheel.

2. SOFT TOUCH DRIVER CONTROLS

Ergonomically laid out controls mean all essential cockpit functions are easy to manage. Including climate control, radio, telephone fingertip remote control and cruise control/speed limiter.

4. REAR AC VENTS

Passengers in the rear seats have adjustable AC vents for maximum comfort and convenience. It also helps in balancing the temperature within the car.

5. CUSTOMISATION MENU

Created so that you can customise display and setting of various functions of the car according to your preferences.

7. LUMBAR SUPPORT

The driver's seat is designed ergonomically to provide enough back and thigh support.

6. ELECTRICALLY FOLDABLE AND ADJUSTABLE ORVMs

The side rearview mirrors are electrically adjustable and foldable with the touch of a button, adding safety and convenience to every drive.

8. SUN BLINDS

Enjoy better thermal protection and more privacy while travelling in the rear seat. They are safer and more elegant than those available in the aftermarket.

9. BOOT

Spacious and easily accessible, the boot has a capacity of 530 litres which is the best in its class.

11. GLOVE BOX

The glove box is large and well-lit, to make accessibility of objects much easier.

10. MAP POCKETS

Intelligently designed pockets located behind the front seats come in handy when storing documents, books and magazines.

12. CENTRAL CONSOLE STORAGE

Practical, non-intrusive and easy to access for the driver and the front passenger.

14. REAR CENTRAL ARM REST

For those on the go, the rear seat has an arm rest with cup holders.

13. SPLIT FOLDING REAR SEAT

The 60/40 split folding rear seat and the absence of any steel partition between the cabin and the boot adds to the flexible and convenient storage options.

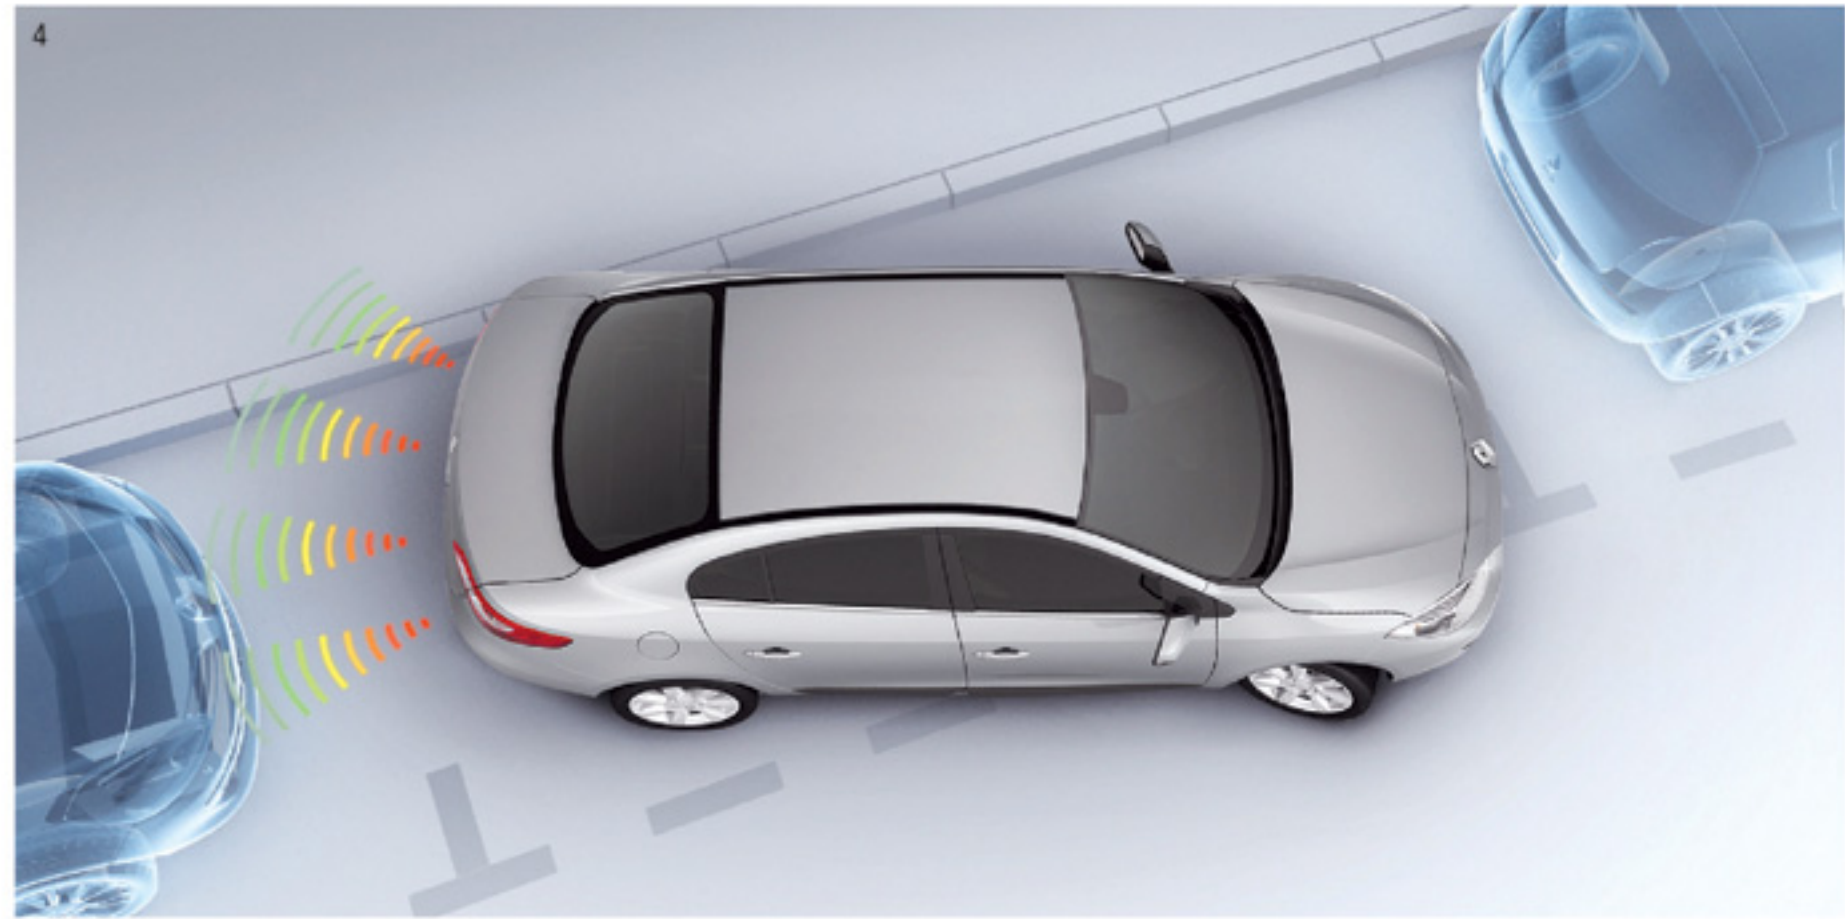

15. DOOR STORAGE BINS

Perfect to hold your knick-knacks and great for long drive essentials like CDs and water bottles.

The image shows the front interior of a Renault Fluence. The dashboard is dark grey with a central infotainment screen. The steering wheel is light beige with the Renault logo in the center. The center console has a gear shifter and handbrake. The seats are light beige with perforated leather. The overall design is modern and clean.

TECHNOLOGY

The Renault Fluence is fully-equipped with technology focused on user-friendliness. The Smart Access Card makes ignition keys a thing of the past. The Plug & Music option enables drivers to control auxiliary players (such as an iPod, or compatible devices with a USB connection) via the steering wheel-mounted fingertip remote controls. Several other similar practical touches complete this high-tech package, each of which aims to enhance the experience of the car. Finally, technology does what it's supposed to do. Takes driving pleasure to a whole new level.

1. ADVANCED CVT II WITH MANUAL MODE (6 SPEED)*

The Continuous Variable Transmission enables stress-free city driving and highway cruising, while delivering excellent fuel efficiency.

3. CRUISE CONTROL AND SPEED-LIMITER

The cruise control allows you to cruise at a fixed speed using controls on the steering wheel without the strain of using the accelerator. The speed limiter helps you govern and limit the top speed of the car.

2. SMART ACCESS CARD AND START/STOP BUTTON

Just keep the card on you. The car locks and unlocks automatically, depending on your proximity to the car. The start/stop button in the car lets you start/stop the engine with the push of a button.

4. REAR PARKING PROXIMITY SENSORS

The parking proximity sensors alert you to any obstacles behind the car. And helps you park in tight corners.

6. BLUETOOTH® AND PLUG & MUSIC

Hook up your digital personal music player using the USB and iPod® sockets and manage the system using the steering wheel controls. Bluetooth® connectivity not only allows the driver to stream music, but also make calls and operate other functions from the cell phone.

5. 6 SPEED MANUAL GEARBOX**

A slick, 6-speed gearbox, whose ratios are perfectly matched to the engine's output, gives you excellent drivability in stop-and-go city traffic and the ability to cruise at high-speed on highways. The 6-speed gear box paired with the renowned K9K engine, delivers best-in-class fuel efficiency of 20.4 KMPL.

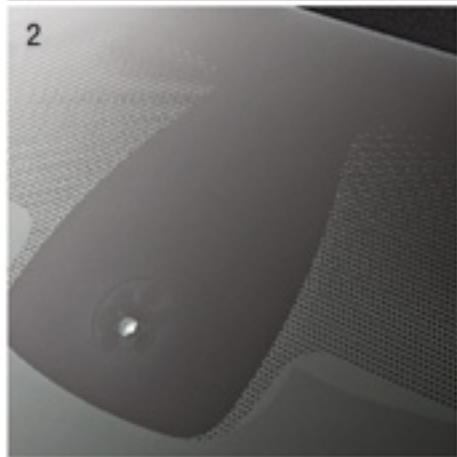

*Available in Petrol version only.

**Available in Diesel version only.

The image shows the interior of a Renault Fluence with its airbags deployed. The car has a beige leather-like interior with perforated seat cushions. A large front airbag is deployed from the steering wheel, and a smaller front airbag is deployed from the dashboard. A side airbag is deployed from the driver's seat. The background shows the car's windows and a light-colored exterior.

SAFETY

The Renault Fluence ensures that each drive is safe. Every feature, right from the seatbelts to the ABS, has been tested in an exacting endurance programme in demanding conditions (extreme heat and cold, poor roads, dust, etc). The company has capitalised on in-depth studies and also used its extensive engineering expertise to develop efficient safety systems relevant to the driving conditions found in India. Be assured of a superlative drive and the knowledge that the car will take care of you and your loved ones.

1. ISOFIX CHILD SEAT MOUNTING POINTS

The Isofix 3-points mounting points on the two side seats in the rear, allow the safe and secure installation of child safety seats.

4. FOG LIGHTS

Improve visibility in foggy or rainy conditions, while maintaining the stylish look of the car.

2. RAIN AND LIGHT SENSORS

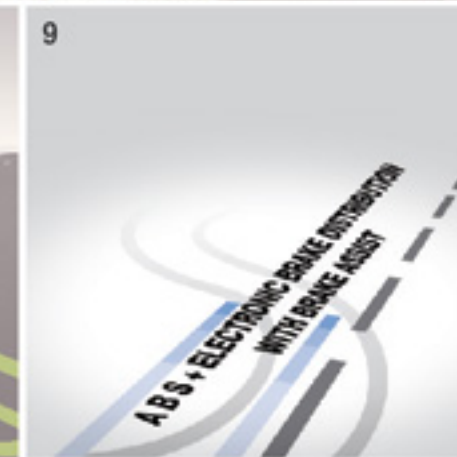

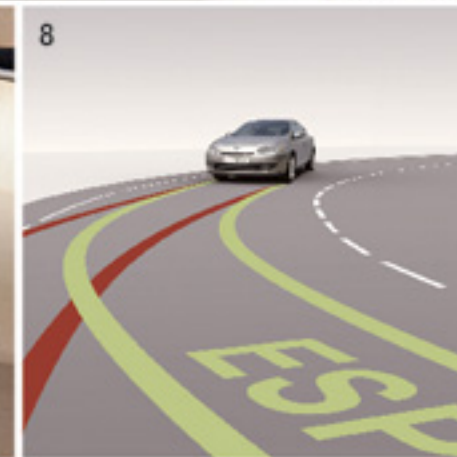

The front windscreen wipers, with automatic intermittent function, start and adapt their speed according to the intensity of the rain. A light sensor turns the lights on automatically when it gets dark or when you enter a tunnel.

3. FRONT ANTI-WHIPLASH HEADRESTS

These can be adjusted, both in height and inclination, to prevent risk of whiplash injury.

5. ELECTROCHROME REAR-VIEW MIRROR

Gradually darkens as the light levels increase, to prevent dazzling.

6. 4 AIRBAGS

The car is equipped with two airbags located in the front and two more located on the sides of the driver and co-passenger seat.

8. ESP® AND TRACTION CONTROL

ESP® helps prevent wheel slip and loss of traction, by reducing engine power and applying brake force to the wheels that need it. Traction control helps maintain traction on wet, icy, loose or uneven surfaces, by applying brake force to the spinning wheel(s).

7. ANTI-RUST WARRANTY

Your Fluence comes with a 5 year or 100,000 km. anti-rust warranty, best suited for Indian conditions.

9. ABS SYSTEM WITH BRAKE ASSIST AND EBD

Combined with brake assist, ABS and EBD help the driver keep control of the vehicle.

DIFFERENT BODY. SAME HEART.

A legacy that is scarcely rivalled, Renault's RS27 engine has powered many a Formula One wins. And now, Renault unleashes its power on Indian roads. Under the hood of every Fluence lies the same technology that powers Formula One cars, guaranteeing you an incredible performance and a great drive.

Petrol

Renault Fluence comes with a 2 litre petrol engine that produces the right combination of power and torque (137 PS and 190 Nm) required for a smooth drive. Coupled with a 6 speed manual transmission that lets you tame its power, it delivers a mileage of 13.4 kmpl.*

Diesel

The Renault Fluence is graced with the renowned 1.5 dCi diesel engine that gives you an output of 110 PS. Its 6 speed manual transmission with gear ratios perfectly matched to the engine's output offers a superlative driving experience. Be it a drive through city traffic or a cruise on the highway, the Fluence glides like a dream. That too, with a fuel efficiency of 20.4 kmpl.*

We believe peace of mind goes a long way in improving driving pleasure. That's why all our cars are backed by a firm promise and commitment to provide you with support, convenience and expertise, if you ever need it.

Welcome to Renault's world-class quality and unmatched customer satisfaction. Welcome to Renault Complete Care.

BEST-IN-CLASS WARRANTY

Get 2+2 years or 80,000 km.* warranty and labour free servicing at 2,000 km., 10,000 km. and 20,000 km. respectively, with every Renault you drive home. Because your peace of mind is the only thing we care about.
