

# RENAULT KOLEOS SUV

**DRIVE THE CHANGE**

# **KOLEOS: THE MULTI-TALENTED CROSSOVER. KOLEOS REAPS THE BENEFIT OF SALOON CAR COMFORT, CABIN SPACE OF AN MPV, PLUS THE TECHNOLOGY AND SAFETY EXPECTED OF A 4x4. WITH KOLEOS, THERE ARE SO MANY WAYS TO BE UNIQUE.**

Koleos is Renault's vision of the Crossover. As the first off-roader to come out of Renault Design, it combines Nissan-developed 4x4 technologies with the highest standards of comfort and safety. It also epitomises the brand's resolve to imagine cars that have distinctive personalities, yet which share a common goal: to stand out as the market's benchmark when it comes to driving enjoyment, travelling comfort, modularity and safety.

Similarly, the uncompromising quality dialled-in during its design and production - as well as servicing - has permitted Renault to offer Koleos owners a 5 year/150 000km warranty. This resolve has made Koleos a unique vehicle.

But then, there are so many ways to be unique...

Features and images may vary and be optional depending on model, and are subject to change without notice.

## GENUINE 4x4 ABILITY

**A TASTE FOR ADVENTURE?  
KOLEOS WILL TAKE YOU THERE.**

Koleos packs real 4x4 ability to take all types of terrain in its stride. Its high approach and departure angles, high ground clearance and intelligent, electronically-controlled transmission allow it to revel on even the most challenging surfaces - mud, dirt, rocky terrain in total safety. Its All-Mode 4x4-i transmission and ESC (Electronic Stability Control) combine to constantly optimise grip by delivering just the right amount of torque to each wheel, while the '4WD Lock' mode ensures that you stay in control in extreme conditions by evenly distributing torque front and rear for maximum grip and safety.

# VERSATILE, OF COURSE

YOUR NEEDS DIFFER FROM DAY TO DAY? KOLEOS MATCHES THE MOMENT.

Escaping the crowds has never been easier. On motorways and open roads alike, the steering precision, sure-footed handling and dynamic performance of Koleos have been engineered for your pleasure alone; the pleasure of a safe yet potent vehicle; the pleasure of a truly comfortable and spacious crossover.

VOTED BY CAR MAGAZINE AS COMPACT SUV OF THE YEAR 2010.

## **DYNAMIC PERFORMANCE**

**LOOKING FOR A NEW EXPERIENCE?  
KOLEOS TAKES DRIVING ENJOYMENT TO NEW HEIGHTS.**

Steep slopes don't stop Koleos. The automatic Hill-Start Assist function (HSA) ensures smooth pullaways every time, with no slipping back and with no need to use the parking brake. Similarly, Koleos' Hill Descent Control function (HDC) allows you to stay fully focused on the job in hand when driving down steep or slippery inclines.

Features and images may vary and be optional depending on model, and are subject to change without notice.

# EXQUISITE COMFORT

LOOKING FOR NEW STANDARDS IN COMFORT?

KOLEOS DELIVERS AN UNPRECEDENTED TRAVELLING EXPERIENCE.

It takes no time to feel perfectly at home behind the wheel of Koleos. Its agile handling and practical cabin deliver reassuring peace of mind when driving in and about town. Koleos slips effortlessly into the flow and is the ideal companion for your day-to-day motoring needs. Its high-up driving position affords an exceptional view of the road, while its carefully-designed dashboard ensures that the principal controls fall readily to hand. Koleos is also equipped with all the innovations that have made Renault a global benchmark in the realms of comfort and safety. The raft of upper-range, user-friendly features include the Renault hands-free card for keyless vehicle entry and starting, Integrated Carminat TomTom satellite navigation system, parking brake assist, cruise control with speed limiter, and automatic headlamp and wiper activation. And the list doesn't stop there!

Features and images may vary and be optional depending on model, and are subject to change without notice.

## INGENIOUSLY MODULAR

**YOU HAVE THE IDEAS. KOLEOS HAS THE SOLUTIONS.**

Koleos is exceptionally modular thanks to a long list of ingenious, practical cubbies located throughout its spacious interior. The carrying capacity of its wide, 450-litre boot can be extended in an instant thanks to the clever Easy Estate system which makes folding the rear seats forward child's play thanks to handy levers located just inside the boot. Longer items can be carried by tipping the front passenger seatback forward, while the split-opening tailgate and low boot sill facilitate loading.

When lowered, the bottom part of the hatch even serves a useful platform. To keep smaller items hidden out of sight, front and rear passengers benefit from a host of practical stowage solutions, as well as additional storage space under the boot floor.

Features and images may vary and be optional depending on model, and are subject to change without notice.

3 - Departure angle	31°
Water crossing	450

## 4x4 TRANSMISSION

A choice of three transmission modes:

**AUTO mode** (default mode when starting). The All Mode 4x4-i system guarantees best possible traction in all conditions by permanently optimising the torque split to the four driven wheels: those which benefit from the most grip receive more torque. In normal conditions, torque tends to be diverted to the front wheels only with a view to keeping fuel consumption to a level comparable to that of the 2WD mode.

**LOCK mode** In more difficult conditions, and at speeds of less than 40kph, torque is evenly distributed to the front and rear wheels, allowing Koleos to showcase its 4x4 ability.

**2WD mode** The two-wheel drive mode is ideally suited to dry roads or motorway driving.

### MANUAL GEARBOX

The six-speed manual gearbox ensures precise, smooth gearshifts for heightened driving enjoyment. The sixth gear minimizes fuel consumption and CO<sub>2</sub> emissions.

### AUTO ADAPTIVE AUTOMATIC TRANSMISSION

This six-speed transmission offers you a choice between fully automatic or flick-shift modes for dynamic performance in and about town, enhanced acoustic comfort and low fuel consumption on motorways.

### ESC

The Electronic Stability Control system (ESC) permanently controls the grip provided by each wheel to optimise cornering stability, notably in wet conditions.

### EMERGENCY BRAKE ASSIST (EBA)

EBA reduces stopping distances by automatically applying the car's full braking power in an emergency situation.

### HILL START ASSIST

The Hill Start Assist function (HSA) is automatically deployed on slopes of 10% or more. The system prevents Koleos from slipping back down the hill when pulling away without calling for the parking brake to be applied.

### HILL DESCENT CONTROL

With the 'lock' transmission mode selected, the Hill Descent Control (HDC) system stabilises the speed of Koleos at 7kph, enabling steep downhill slopes to be negotiated in total safety without need to use the brakes. It is activated by a fascia-mounted button.

## COMFORT

### CARMINAT TOMTOM

Navigation system programmed with South African maps. Colour navigation with 7" screen and central console control.

### RENAULT CARD

Koleos features the Renault card for keyless starting by remote control and locking/unlocking of the doors and boot.

### BOSE® SOUND SYSTEM

Specially designed for the acoustics of Koleos' cabin, the Bose® audio system comprises a digital amplifier, seven loudspeakers and a woofer delivers sound of an exceptionally high quality. To profit fully from the system, Koleos is also equipped with a six-CD multichanger, MP3 compatibility (fascia mounted socket), RDS radio, double aerial and double tuner, etc. (Optional) Dynamique Premium.

### MODULAR INTERIOR

According to your needs of the moment, the 60/40-split rear seat can be folded to form a flat floor. Items of up to 260cm in length can be carried by tipping the front passenger seatback forward.

Features and images may vary and be optional depending on model, and are subject to change without notice.

## KOLEOS OPTIONAL ACCESSORIES

# KOLEOS ACCESSORIES

**ALUMINIUM ROOF BARS**  
Set of anti-theft bars. Silver grey aluminium finish. Pre-assembled bars.

**CROSS BARS ON LONGITUDINAL BARS**  
Set of anti-theft bars. Silver grey aluminium finish. Pre-assembled bars.

**TOURING LINE 480 ROOF BOX**  
480-litre, metallic black Touring Line roof box can carry a load of up to 75 kg. It is fitted with a quick-install system and can be opened from both sides.

**BICYCLE CARRIER ON TOW BAR**  
Can carry up to 3 bikes. Can be tilted to allow access to the boot. Double anti-theft device: on the bike and the bicycle carrier (Euroway).

**ILLUMINATED KICKING PLATES**  
Aluminium, Koleos branded. Protects the door sill plate.

**DUO PLUS ISOFIX CHILD SEAT**  
For children between 9 months to 4 years. 5-point harness. "ISOFIX upper mounting" belt. Easy to install due to the Isofix hook locking system. Weight 9kg

**KID PLUS CHILD SEAT**  
For children from 4 to 10 years. Weight 6.8kg

**SMASH & GRAB WINDOW FILM**  
The thickness and characteristics of the safety film increase the windows' resistance to impacts: protection against car-jacking.

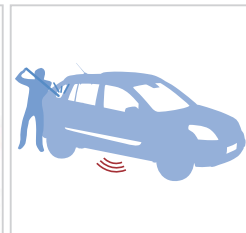

**WIND DEFLECTORS**  
Allows air in the passenger compartment to be regenerated. Smoked methacrylate.

**PARK DISTANCE CONTROL SENSORS**  
Detects obstacles which could be impacted by the vehicle whilst reversing.

**NAVIGATION SYSTEMS**  
State-of-the-art GPS with South African programmed road maps.

**COMPACT ALARM**  
Keep your Koleos safe and secure. Audible remote alarm system warns against attempted intrusions.

**i-POD CONNECTION**  
Connects your i-Pod to the car radio and allows you to navigate through your songs using the steering wheel remote controls. Keeps your i-Pod charged.  
Not compatible with Cabasse & Carminat.

**BLUETOOTH CAR KITS**  
Hands-free wireless kit. Compatible with most Bluetooth telephones on the market.  
1.CK3000 Evolution  
2.CK3100 LCD  
3.CK3200 LS

**NEXTBASE PORTABLE DVD SYSTEM**  
Rear seat in-car DVD system. Portable dual screen DVD with headphones. Plays DVD, CD, MP3 and games.

**ON-BOARD VIDEO**  
On-board video system, rear passengers enjoy the use of two 8 inch video screens, with two infrared headsets and a remote control. Fitted with an auxiliary input for a camcorder, games joystick, etc.

**MUD GUARDS**  
Protect the bottom of the car body from mud splashes or chipping. Black PVC.

**DOOR MIRROR CAPS**  
Top-of-the-range mirror caps to add a touch of class to your Koleos.

**REAR SPOILER**  
With antenna adaptor.  
Aerodynamic rear spoiler. Compatible with body kits.

**EXHAUST OUTLET**  
Rectangular shaped to enhance the sporty character of the Koleos.

**FOG LIGHT GARNISH - FRONT & REAR**  
Improves driving safety & the aesthetics of the front & rear panels of the vehicle.

**GEAR KNOB COVER**  
Leather finished with carbon inlay gear knob cover for the ultimate luxury finish.

**CARPET MATS**  
Colour matches the original colour scheme. Comfortable, waterproof and washable.

**ANTI-THEFT WHEEL NUTS**  
Protect your wheels against theft by fitting the Renault anti-theft nuts. They can only be removed with a special tool supplied.

**18" KOLEOS ALLOY WHEELS**  
Stylish, Renault branded Magnesium alloy lightweight rims.

**AUTOMATIC QUICK RELEASE TOW BAR**  
Ball removable without tools in only a few seconds. Designed for intensive use. Maintains the aesthetics of the vehicle once the ball is removed.

**KOLEOS REAR GUARD**  
The guards really catch the eye, emphasising the attractive 4x4 look of the Koleos. Perfectly integrated, they provide excellent protection against scratches and daily urban bumps.

**KOLEOS FRONT SKID**  
The skids give the Koleos an extremely sporty, dynamic and elegant appearance. Your crossover becomes a sporting SUV strengthening the vehicle's personality.

**SWAN NECK TOW BAR**  
The ball can be removed using tools to preserve the aesthetics of your Koleos.

**KOLEOS REAR SKID**  
The skids give the Koleos an extremely sporty, dynamic and elegant appearance. Your crossover becomes a sporting SUV strengthening the vehicle's personality.

**KOLEOS FRONT GUARD**  
The guards really catch the eye, emphasising the attractive 4x4 look of the Koleos. Perfectly integrated, they provide excellent protection against scratches and daily urban bumps.

## KOLEOS OPTIONAL ACCESSORIES

# ESCAPE THE CITY

## KOLEOS OUTDOOR ACCESSORIES

### TENT

If you enjoy weekend breaks and making the most of nature, the integrated, quick-assembly tents fits directly onto your Koleos.

### BODY KIT

The body kit enhances the 4x4 look of your Koleos. The sill panel trim emphasises the rugged appearance of the Koleos and protects against scratches and minor impacts.

### ENVELOPE NET

Holds small objects in place and allows for additional boot storage. Fitted using the original vehicle fastenings.

### SEPARATING GRILLE

Indispensable for the security of animals during transport. Easy assembly and disassembly.

### CARGO BOOT NET

Keep it secure!  
A boot net that prevents objects from rolling around while driving.

### CARGO BOOT LOAD LINER

Moulded to fit the passenger/boot area. Ideal for transporting large and dirty objects while protecting the interior of your Koleos.

### BOOTMAT

Rubber bootmat, washable and durable.

## RENAULT DRIVE THE CHANGE

The philosophy that encapsulates Renault brand values and expresses the ambition of Renault; an innovative, human company, to pioneer sustainable mobility for all.

Renault builds on more than 110 years of innovation to bring customers breakthrough top quality products and services that are ingenious, appealing, affordable and carbon efficient.

Renault's brand expresses the deep rooted values of our business culture and brand values - reliable, human, enthusiastic - and forges a new path in automotive design and use.

# RENAULT CONFIANCE

## RENAULT CONFIANCE AN ALL-ENCOMPASSING CARE PACKAGE.

When you drive a Renault, you drive with confidence because you know that wherever you are, you'll always be in great hands. And to make your travels even more enjoyable, Renault is proud to bring you Renault Confiance - a complete peace of mind programme. Read on and understand why many Renault drivers feel more confident that they're backed by Renault Confiance.

### PARTS AVAILABILITY WHATEVER PARTS YOU NEED, WE'LL HAVE THEM OR OFFER YOU A MOBILITY SOLUTION.

Renault ranks amongst South Africa's motor industry leaders in affordable parts pricing. Parts availability is ensured in Renault dealerships, but should your Renault become immobilised through spare parts being unavailable, you will be offered a mobility solution.

### 5 YEAR/150 000KM WARRANTY\* WITH A 5 YEAR/150 000KM WARRANTY, YOU'RE ALWAYS COVERED.

Should you experience any mechanical failure resulting from a defect in an original part(s) on your new Renault vehicle, Renault Confiance will cover the cost of repairs for a period of 5 years or 150 000km.

\*Warranty does not cover wear and tear items such as shock absorbers, brake pads, clutches, cam belts, etc.

### FIXED PRICE SERVICE MENU KNOW YOUR SERVICE COSTS UPFRONT, WHAT WE QUOTE IS WHAT YOU PAY.

No surprises, just fair, standard pricing on all services. So, you know upfront what you are paying for your vehicle service. The Fixed Price Service Menu is a major advantage for customers. It states the costs of every scheduled service, and is displayed in every dealership. It affords the opportunity to compare our servicing costs with competitors. Transparency is assured, and there are no hidden costs.

## 24HR ROADSIDE ASSISTANCE/SECURITY WHATEVER THE EMERGENCY, WE'LL ALWAYS BE THERE.

Because your personal security is of utmost importance to us, help is one phone call away. Simply dial **0800 600 189** for assistance or for a team to be dispatched to you.

- This number is available 24 hours a day, 365 days a year.
- You will either be assisted on the scene or your vehicle will be towed to the nearest Renault dealership.
- Our 24 hour Roadside Assistance Plan covers all new Renault vehicles for a period of 5 years or 150 000km with an option for extension.
- With our 'Stand by You' Plan, we will dispatch a security guard within any metropolitan area to stand by your side on request.

## SERVICE/MAINTENANCE PLANS WE OFFER STANDARD OR TAILOR-MADE OPTIONS TO SUIT YOUR NEEDS.

### SERVICE PLAN

Having a Service Plan reduces the costs of servicing your new car. The price of the Service Plan is fixed when you buy your car, so you won't have to worry about inflationary price increases on labour or parts; for the duration of your Service Plan.

### MAINTENANCE PLAN

Your Maintenance Plan is a comprehensive package that not only covers all your service, maintenance and labour costs over a contract period, giving you greater peace of mind.

### COMPLETE PEACE OF MIND

At Renault we believe in always putting you first and striving to understand your vehicle and service expectations. In this way we will be better able to meet them, providing you with peace of mind, value for money and a strong sense of satisfaction with your vehicle purchase.
