

ALTEA

TECHNOLOGY TO ENJOY

Adventure comes in all sorts of flavours. It might be expanding your horizons, or expanding your family. So when it came to designing the Altea, we had to address some important questions. Like, can responsible be exciting? And can sensible really be adventurous? And the answer is... yes.

THE ADVENTURE STARTS HERE

The Altea is spacious enough for growing families, with more than 30 different storage compartments and a streamlined interior that houses some smart technology, like the SEAT Media System 2.2, with touch screen, DAB radio, USB port, Navigation and Bluetooth® with controls on the steering wheel. Or Rear-Parking Sensors that help to avoid scrapes and dual-zone climate control, which helps to keep everyone on-board happy.

So whatever your plans, your next adventure starts here.

THINK BIG

Then think XL

Families grow. Children grow. The amount of stuff we need seems to grow non-stop, so that even simple journeys become epic endeavours. And when big isn't big enough, you need XL.

The Altea XL really is XL. It's tall, with masses of headroom and a higher, more commanding driving position. It's long. 18.76 cm longer than the standard Altea to be precise. Which translates into an extra 123 litres of space, and a total boot capacity of 532 litres. Which is, well, huge. In fact it's one of the roomiest cars in its class. Although you wouldn't think it from the outside.

With its swooping sporty lines, the look is unmistakably SEAT, as is the handling. It's well balanced and assured, which makes the Altea XL a genuine pleasure to drive. Now every school run, shopping trip or family visit is another chance to get behind the wheel. Being the family chauffeur has never been so much fun.

ALTEA I-TECH

Pioneering comfort and connectivity

I-TECH, featured in the SEAT Altea and Altea XL, boasts comfort and tech savvy in one smooth ride. Discover a range of features including a rooftop TFT LCD screen—perfect for entertaining or getting some much needed quiet time—plus, Dual-zone climate control, front and rear parking sensors, and a built-in Bluetooth® compatible, touch-screen Media System with satellite navigation.

A journey in the SEAT Altea keeps you as happy as it does safe and I-TECH has everything you need for your most enjoyable ride.

FORWARD THINKING

Technology and comfort on the move with I-TECH

SEAT MEDIA SYSTEM 2.2 TOUCH SCREEN WITH BLUETOOTH®.

Keep all lines of communication open with DAB digital radio, satellite navigation and Bluetooth®, plus SD card slot and media player connectivity. All controlled via a 5.0" colour touch screen.

HEADLIGHT WASHERS.

There to ensure great visibility at all times, regardless of the conditions you drive in. Even when your Altea is covered in mud, with clear headlights you'll still be safe for the drive. These are optional, as part of the winter pack or with Bi-Xenon headlights.

STORAGE COMPARTMENT IN ROOF + TFT.

Integrated TFT screen turns the Altea into your very own cinema. Includes overhead compartment for convenient storage.

BLUETOOTH®.

Bluetooth® allows you to stay connected while you're driving. Make calls using either voice recognition, or controls mounted on the steering wheel.

HEROES OF THE ROAD

Let's hear it for safety features!

AFS. ABS. TCS. ESC. EBA. No longer should these amazing, life-enhancing technologies be known only by anonymous acronyms. It's time they got the recognition they deserve.

After all, it's thanks to them – along with the standard eight airbags and iSOFiX fittings for child safety seats – that the Altea earned the maximum five-star Euro NCAP* safety rating in 2004. So say hello to AFS, the Adaptive Front-Lighting System, Bi-Xenon headlights that increase cornering visibility by swivelling to follow the direction of the steering wheel, available as an optional safety feature for the I-TECH version. Clever stuff. And what about ABS and TCS? Or to give them their full names, Anti-lock Braking and Traction Control Systems, working together to ensure maximum control and minimal wheel spin. Both are standard features in all versions of the Altea. And who could forget our good friends ESC and EBA. The Electronic Stability Control and Emergency Brake Assist deliver assured handling, and extra reassurance when braking.

Thanks guys. And they're not the only ones. So let's hear it for all those heroes of the road, working quietly behind the scenes to make your journey safer.

*For detailed information go to www.euroncap.com

AIRBAGS.
For safety without compromise the Altea has two front, two side, two rear side and two curtain airbags, a total of eight as standard.

HILL HOLD CONTROL.

The Altea is designed to expect the unexpected. Hill Hold Control stops your car rolling back during hill starts by applying a two second delay in releasing the brakes.

GREAT POWER

And with it, great responsibility

They're a clever bunch, the Altea engines. Combining power with responsibility, the engine range pushes boundaries in both performance and technology.

For those looking to do their bit for the environment, the 1.6 TDI 105PS Ecomotive is the ultimate engine. Hosting a Diesel Particulate Filter (DPF) as standard, achieving a combined fuel consumption of 62.8 mpg and emitting CO₂ levels as low as 119 g/km of CO₂, this holds the title of being our greenest Altea engine.

And for the automatic gearbox fans out there, our 1.6 TDI 105PS engine also comes available with a 7-speed Direct Shift Gearbox (DSG) which can change gear in a fraction of a second.

If a muscular engine is more your thing, we have the perfect solution. The 2.0 TDI 140PS provides that extra power for when it's needed, whilst at the same time achieving a very respectable 57.6 mpg.

ECOMOTIVE

START/STOP SYSTEM.

This system allows you to save fuel and cut down on CO₂ emissions. Start/Stop System activates when you are in a neutral gear position. The engine turns off completely and remains stopped until you put your foot on the clutch. To be on the move again, you only need to step on the clutch, shift into first gear and the engine will start automatically.

FORM AND FUNCTION

Looks good. Works even better

I-TECH

- / 16" 'Elio' titanium finish alloy wheels
- / 8 speakers
- / Auto headlights
- / Cruise control
- / Dual-zone climate control
- / Electric front and rear windows (one touch with anti-squeeze)
- / Electro-mechanical power steering (speed sensitive)
- / ESC (Electronic Stability Control) with EBA (Emergency Brake Assist)
- / Front and Rear Parking sensors
- / Front fog lights with cornering function
- / Front seat lumbar adjustment
- / Hands-free phone connection with voice control
- / Height-adjustable driver's and passenger seats
- / Hill Hold Control
- / ISOFIX points in rear seats
- / MP3-compatible CD player with combined USB/AUX-in port
- / Rain sensing wipers
- / Remote central locking with deadlocks
- / Roof mounted storage boxes
- / Roof mounted TFT screen in the rear
- / Roof rails (black)*
- / SEAT Media System 2.2
 - Satellite navigation
 - 5" colour touch-screen
 - DAB radio tuner
 - SD card slot
 - Bluetooth® audio streaming
- / Sliding rear seats
- / Steering wheel mounted controls
- / Two 12v power supply in centre console (front and rear)
- / Tyre pressure monitoring

*Altea XL only.

Shown with optional Bi-Xenon headlights and headlights washers.

UPHOLSTERY

We've got it covered

The Altea's upholstery has been selected to look great and stand up to whatever you throw at it.

¹The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS by 1.0139.

²Where law permits.

³Official fuel consumption according to EU Directive 99/94. The consumption calculation according to 1999/100/EC is based on the actual unladen weight of the vehicle. Additional specifications can lead to a higher weight class and hence to consumption figures of this higher weight class. The driving style, road traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with this standard.

*With 17" wheels.

ALTEA

ALTEA XL

DO THINGS YOUR WAY

Put your own slant on the styling, add practical items to help you live life your way, or just make sure you're prepared for anything. All Altea accessories are fully tested to meet SEAT's high quality standards, most come with a two-year warranty (three years if fitted before vehicle registration) and they can all be fitted by SEAT-trained technicians if you order at the same time as you order your new Altea. For the complete range of Altea accessories, go to seat.co.uk/accessories and download the brochure.

EXTERIOR BODY KIT.
Options include: tailgate spoiler, sport exhaust, rear bumper spoiler, front bumper lip spoiler and side skirts.

18" BLACK 7 SPOKE ALLOYS.

'Click+Go' is the quick, simple way to order our most popular SEAT accessories online or at your SEAT dealer. Where you see the  symbol, the 'fitted' price is all you pay. So you know what you're paying up front, with no hidden extras! With easy steps to follow it really is straightforward to order accessories and book a convenient time to have them fitted at your local dealer. You'll receive an email confirming your booking and then a reminder a few days before your appointment. It's as easy as that – and, of course, you can 'Click+Go' any time, 24/7. Just visit seat.co.uk/accessories

Please note not all accessories are available for all models.

ROOF BARS.
Can take up to 75kg.
Anti-theft lock and key.

LUGGAGE BOX.
Maximum cargo weight 50kg.

FRONT AND REAR MUDFLAPS.

FLEXIBLE LOADLINER.

FRONT CENTRAL ARMREST.
Black leather.

RECARO MONZA NOVA CHILD SEAT.
9 months-12 years,
iSOFIX ready.

CHROME TAILGATE TRIM.

YOU LOVE YOUR SEAT. SO DO WE

Your SEAT is special to you, and deserves special treatment when it's time for a service or repair. So put it in the hands of people who know and care about your car as much as you do: your SEAT Dealer.

We promise that your service or repair will employ all of the following (and plenty more besides), to give your car the care it deserves.

SEAT Technicians with specialist training, using the latest SEAT technology.

SEAT-approved parts will be fitted, complete with two-year warranty.

A comprehensive check of SEAT's database for the latest vehicle safety, software and product enhancements.

Free wash and vacuum with every service.

Your approval prior to any additional work we believe needs to be carried out.

Easy drop-off and collection, including loan cars, collection and delivery from your home address, or a courtesy lift.

Online booking. Choose a time and place to suit you.

A SEAT stamp in your service book. The reassurance that only comes with the real thing.

IT'S FIXED

Fixed-price servicing and maintenance for SEAT cars 1-15 years

At SEAT we want to make it easy for you to know what your servicing costs will be up front so that you can keep a tight rein on your budget. That's why we have transparent fixed prices on a whole range of services and maintenance jobs for SEAT cars. Book a fixed-price service or maintenance job online by following six simple steps. Visit seat.co.uk/service to book and for further information.

Book your service online and get
1st YEAR: **FREE 1 LITRE CASTROL EDGE PROFESSIONAL OIL TOP-UP KIT** WORTH £18.50
2-15 YEARS: **FREE SEAT EUROPEAN ROADSIDE ASSISTANCE** WORTH £245

We are so confident about our prices that if you have any 'It's Fixed' job done with us and then find within seven days and five miles that you could have had it done cheaper, we will refund the difference.

SERVICE PLANS
A three-year fixed-price service plan is available for any new SEAT for 24 monthly payments of £19.99 per month. Visit seat.co.uk/serviceplans for more information.

EXTENDED WARRANTY

Extend your peace of mind

It's reassuring to know you're covered for the cost of unexpected car repairs. And you can enjoy this feeling for up to two years longer with a SEAT Extended Warranty.

When you buy a new SEAT from a SEAT dealer, your new car is covered by a three-year/60,000 miles manufacturer warranty. And if you take out a SEAT Extended Warranty before your new car is registered, you'll get exactly the same level of cover for up to five years, at extremely competitive prices.

You can choose a SEAT Extended Warranty to last until the end of the 4th year/up to 75,000 miles or until the end of the 5th year/up to 90,000 miles, whichever is soonest. Plus it's fully transferable to the new owner (and subsequent owners) should you sell your car – enhancing the resale value of the car.

For further information and full terms and conditions, go to seat.co.uk/extendedwarrantyterms

ENSURANCE

Three years FREE cover for new and used SEATs

- / One-stop SEAT accident management
- / Dedicated Incident Manager
- / Guarantee that repairs are undertaken by participating SEAT-approved repairers
- / Online claim notification and repair tracking
- / Guarantee that only genuine SEAT parts and paints are used
- / Legal expenses cover
- / Courtesy car where applicable

Ensurance works alongside your main motor insurance policy no matter who it's from, giving you and your car additional protection.

For further information and to activate SEAT Ensurance, go to seat-ensurance.co.uk. After activation, you'll receive a confirmation email and Cover Booklet PDF with full terms and conditions.

WOW, NOW.

With **Solutions** from SEAT Finance the buzz of owning your dream SEAT is closer than you think.

Solutions is a flexible finance plan that's built around you. From your deposit and monthly repayments to what you decide to do with the car at the end of the agreement, you can choose what's right for you and your budget.

A proportion of the car's value is left to the end, which acts as a guaranteed minimum future value, taking away the worry of depreciation and allowing you to get a higher specification car or just simply reduce your monthly repayments.

And at the end of the agreement, you'll have three options. You can part-exchange your SEAT for one that suits you better on a new Solutions agreement. To keep your SEAT, just pay the optional final payment and it's yours. Or if circumstances have changed, you have the option to hand the car back and walk away. Terms and conditions apply.

An offer of finance is based on certain terms and conditions. Subject to status. Indemnities may be required.

Available to people over 18 in the UK only. SEAT Finance.

A great finance package, designed to impress. To see our latest Solutions offers, scan in the QR code or visit your local SEAT Dealer.

SEAT EXTENDED WARRANTY

THE SEAT WARRANTY

THREE-YEAR WARRANTY.

All new SEATs registered in the UK come with a three year/60,000 miles warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 (whichever is soonest) Dealer Warranty. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. If an additional warranty for subsequent years or higher mileage is desired, it may be purchased from an authorised SEAT dealer or repairer, however, this additional warranty must be purchased before the mileage reaches 60,000. Cover is subject to the car being serviced and maintained according to the manufacturer's technical guidelines. Full details of the three-year warranty are available from your SEAT dealer or repairer.

SEAT EXTENDED WARRANTY.

If you take out a SEAT Extended Warranty before your new car is registered, you'll get exactly the same level of cover, as the three year warranty, but for up to five years. You can choose a SEAT Extended Warranty to last until the end of the 4th year/up to 75,000 miles or until the end of the 5th year/up to 90,000 miles, whichever is soonest. SEAT Extended Warranty products are only available at the time of ordering your new SEAT.

THREE-YEAR PAINT WARRANTY.

The paintwork of the Altea is covered against manufacturing defects for a period of three years. Naturally, the Altea must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT dealer or repairer for full warranty details.

TWELVE-YEAR BODY PROTECTION WARRANTY.

The internal body sections and panels of the Altea is covered against rusting through from the inside for a period of twelve years. Naturally, the Altea must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT dealer or repairer for full warranty details.

SEAT PARTS WARRANTY.

SEAT parts and accessories supplied after new vehicle delivery are covered by our 24 months parts warranty.

SEAT ACCESSORIES.

Every accessory is designed specifically for SEAT and is fully tested to our high quality standards. All accessories unless otherwise stated come with a two year warranty, extended to three years when purchased and fitted prior to delivery of a brand new vehicle, and what's more, they can be fitted by SEAT approved technicians. Where you see the 'Click & go' icon , the price you see is what you'll pay including fitting, upfront and with no hidden extras! You can order at your SEAT dealer or online at seat.co.uk/accessories.

SEAT ENSURANCE.

Ensurance works alongside your existing your main motor insurance policy no matter who it's from, giving you three years FREE cover on all new and used SEATs. Activate your policy at seat-ensurance.co.uk and get one-stop accident management in the event of an accident or theft. After activation, you'll receive a confirmation email and Cover Booklet PDF with full terms and conditions.

FIXED-PRICE SERVICING AND MAINTENANCE FOR SEAT CARS 1-15 YEARS.

Fixed prices on a whole range of services and maintenance jobs for SEAT cars are now available at participating SEAT dealers. Visit seat.co.uk/serviceoffers for further information and to book online.

SPECIFICATIONS.

Specifications for the Altea refer to Model Year 2015. While SEAT makes every effort to make sure that specifications are accurate at time of going to press (**October '14**), you should always check details with your SEAT dealer as there may have been changes in view of SEAT's policy of continuous product improvement. The right is reserved to change specification and colour at any time. The information in this brochure can therefore be given as guidance only.

SEAT ASSISTANCE (INCLUDING EUROPEAN COVER).

Any new SEAT purchased and registered in the UK from an authorised SEAT dealer, is covered free by SEAT Assistance (including European cover) for roadside repairs or recovery to an authorised repairer for a term of two years. Your member of the SEAT authorised network will ensure that all servicing and repairs are carried out in accordance with the manufacturer's instructions. Terms and conditions apply.

SEAT FINANCE.

SEAT Finance specialises in providing funding solutions for SEAT drivers. Whether your SEAT is for private or business use, you can choose from a range of funding options.

Here is our full range of finance products.

- / Solutions – a personal contract plan
- / Hire purchase
- / Finance lease
- / Lease purchase
- / Contract hire

With all of our finance products you can choose one of our fixed-cost maintenance plans designed to help you budget accurately. No matter what finance product you choose, your local SEAT dealer will be able to provide you with a personalised quote that could meet your budget and vehicle needs. SEAT Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

TEST-DRIVE A SEAT.

To arrange a test drive at your nearest dealer, or for any questions you may have about SEAT, visit our website at seat.co.uk or call us on FREEPHONE 0500 22 22 22.

FUEL CONSUMPTION INFORMATION.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The individual vehicles have not been tested and there are inevitable differences between individual examples of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driving style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption.

VEHICLE EXCISE DUTY AND CO₂ EMISSIONS.

All vehicles first registered on or after 1st March 2001 are subject to a form of Vehicle Excise Duty (Road Fund Licence) based on the type of fuel the vehicle uses and its carbon dioxide (CO₂) emission level, measured in grammes per kilometre (g/km).

OPTIONAL EQUIPMENT.

Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. Any vehicle ordered with optional equipment (other than metallic paint) will be subject to a 12 week minimum delivery period.

SEAT BUSINESS SALES.

SEAT Business Sales is committed to meeting all your fleet requirements and driver needs. For Fleet & Small Businesses please call our Fleet Business Centre directly to speak to our business advisors on 0800 096 2328 or email us at businesscentre@seatfleet.co.uk. We are Spanish and German. We are passionate perfectionists. We are emotional technologists. Everything we know, is everything you feel. We give design a purpose. We bring technology to life. We call it TECHNOLOGY TO ENJOY. We are SEAT.

SEAT recommends  **EDGE** PROFESSIONAL

SEAT is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice. Some illustrations in this brochure may depict left-hand drive models. Consequently, controls and some items of equipment may differ or not appear on UK models. The information in this brochure can therefore be given as guidance only. While SEAT makes every effort to ensure that specifications are accurate at the time of publication, you should always check with your authorised SEAT dealership for the latest information. Due to limitations of the printing process the colours reproduced in this brochure may vary slightly from the actual paint colour and material. These vehicles and all their parts, as well as the original spares, were designed according to the Legal Regulations governing the prevention and minimisation of Environmental Impact, through the use of recycled/recyclable materials, with measures taken to achieve suitable recycling for the conservation and improvement of environmental quality. SEAT UK has made provision for the correct disposal and recycling* of all SEAT Vehicles when they are delivered by the customer to its national network of Environment Agency authorised treatment facilities. This service is offered at no cost to the last holder and applies to SEAT vehicles of any age which are substantially complete. The service is provided by Cartakeback.com and to find your nearest facility contact 0845 257 32 33 or browse to www.cartakeback.com.

*Since 2006 all vehicles returned to SEAT were certified by UK Government to be recycled to 85%. This brochure has been produced from Hello Silk paper which is Forest Stewardship Council certified.
