The Ford Mondeo. Engaging drive

There's something different about the Ford Mondeo. True, the distinctive profile is familiar enough, and the confidence-inspiring Intelligent Protection System and unrivalled driving experience are as dependable as ever. But settle inside and you'll hardly recognise it.

From the stylish centre stack, fresh switches and integrated controls to the sumptuous leather and Alcantara upholstery featured on selected models, almost every detail of the interior craftsmanship has benefited from our attention.

Outside, you'll find fresh alloy wheels, front grille and bumper, and restyled fog lights, plus revised rear light clusters and subtle chrome accents that help to convey an elevated sense of style.

We have enhanced your choice of engines and transmissions with the introduction of an advanced 1.8-litre SCi direct-injection petrol engine, and included new steering wheel-mounted, push-button sequential gearshift controls with the Durashift 5-tronic automatic transmission. We have even extended the range with an exclusive new ST TDCi. Powered by a potent new 155 PS 2.2-litre TDCi engine, our flagship diesel will satisfy even the most demanding driver.

All of which means that what was a safe decision is also an exceptionally smart one.

Note Some of the vehicle images in this brochure are of a pre-production model and are computer generated, therefore, the design/features on the final version may differ in various respects. In addition, some of the features shown on the vehicle may be optional.

Choose your Ford Mondeo in the following sections

- p12 **Bodystyles and series**
- p28 **Driving and technology**
- p34 **Safety and security**
- p36 **Finance and services**
- p38 **Features and colours**

Bodystyles and series

Whatever your driving needs, you will find a Ford **Mondeo** that will suit you perfectly. Take your pick from a comprehensive range of bodystyles and series, each carefully matched to deliver the definitive Ford **Mondeo** driving experience. Three different body designs allow you to choose between a sophisticated saloon, a dynamic hatchback and a versatile estate. Add eight distinctive series and you have the ultimate expression of choice. From the stylish and affordable LX to the self-confident Zetec and new Zetec Nav; from the dynamically styled Zetec S to the powerful new 155 PS ST TDCi and the exhilarating ST220; from the luxuriously appointed Ghia to the elegant and distinctive Ghia X. No matter which model you desire, you are sure to be impressed.

Exterior dimensions

	4-door	5-door	Estate
Exterior (mm)			
Overall length	4731	4731	4804
Overall width without mirrors	1812	1812	1812
Overall width with mirrors	1958	1958	1958
Overall height without roof rails	1429	1429	1441
Overall height with roof rails			1481
Wheelbase	2754	2754	2754
Ground clearance	130	130	130

5-door

Interior dimensions

	4-door	5-door	Estate
Front (mm)			
Effective headroom	1002	1002	1000
Maximum effective leg room	1071	1071	1071
Shoulder room	1396	1396	1396
Rear (mm)			
Effective headroom	952	963	1004
Minimum effective leg room	969	983	969
Shoulder room	1393	1393	1393
Luggage area (mm)			
Maximum cargo height			851
Maximum width between wheel arches			1141
Loadspace length to back of rear seat			1140
Maximum loadspace length to rear of front seats			1982
Stowable luggage (litres)[†]			
5-seat mode	500*	500*	540
2-seat mode (laden to roof)		1370	1700

Estate

[†]Measured using the VDA method. Dimensions may vary dependent on the model and equipment fitted. *With mini steel spare (450 with full-size spare on 4-door and 460 on 5-door).

LX

- Intelligent Protection System
- Electronic anti-lock braking system with Electronic Brake Assist and electronic brake-force distribution
- Cruise control
- Power/heated door mirrors
- Remote control central/double locking
- Perimeter and volume-sensing alarm
- Electrically-operated front windows
- 'Quickclear' heated front windscreen
- Manual air conditioning
- 6000 CD/radio
- Multifunction trip computer
- Windscreen wiper 'afterwipe' function
- Driver's seat power height adjustment
- Driver's seat manual lumbar adjustment
- White side repeat lenses
- Chrome front grille surround
- Tail-light clusters with silver indicator lenses
- Chrome switches
- Soft-feel front upper door trim

Style and function New bright metal-finished switches look good and feel pleasant to the touch.

Model shown is finished in Deep Rosso Red metallic paint (optional, at extra cost).

Zetec and Zetec Nav

Additional to LX

- 16" 7-spoke alloy wheels
- EATC (Electronic Automatic Temperature Control) air conditioning
- Sports suspension (4/5 door)
- Body colour door handles
- Body colour bodyside mouldings
- High-gloss B-pillar
- Front fog lamps
- Power-operated rear windows with global closing
- Rear seat centre armrest
- Fabric trim in a choice of two colours
- Leather steering wheel
- Leather gearshift knob with black insert and satin aluminium letters
- Illuminated vanity mirrors

Zetec Nav vs. Zetec*

- Low Line CD navigation system

*Please note, leather-trimmed steering wheel, power-operated rear windows and sports suspension are not included in Zetec Nav.

Low Line CD navigation system The Zetec Nav is equipped with a Low Line CD navigation system offering radio, route guidance and MP3-capable CD-player, all in one.

Model shown is Zetec, finished in Platinum metallic paint (optional, at extra cost).

Zetec S

Additional to Zetec

- 18" 5-spoke alloy wheels
- Self-levelling rear suspension (estate)
- Electronic Stability Programme (ESP) (standard on Duratec V6, optional with all other engines)
- Bodystyling kit
- Partial leather seats (standard on Duratec V6, optional with all other engines)
- Leather-look stitched vinyl armrest
- Polished steel front scuff plates

Seat comfort Ergonomically-designed seats ensure that you arrive at your destination feeling relaxed.

Model shown is finished in Octane Blue metallic paint (optional, at extra cost).

Ghia

Additional to Zetec

- 16" 6-spoke alloy wheels
- Sony 6006 CD/radio with 6-disc in-dash autochanger
- Mirror puddle lights
- Power foldable and heated door mirrors
- Rain-sensing windscreen wipers
- Auto-lighting
- Self-levelling rear suspension (estate)
- Door handles with chrome insert
- Chrome inserts on upper door line (4- and 5-door only)
- Chrome bar in lower front bumper
- Rear seat centre armrest with integral stowage compartment/cup holders
- Clock with 'crème' background
- Auto-dimming rear-view mirror
- Leather-trimmed gearshift knob
- Leather-wrapped handbrake lever with chrome release button
- Reading lights, front and rear
- Front footwell illumination and rear passenger compartment light
- Front scuff plates and floor mats

Time for detail Nothing escaped the attention of our designers. Even the clock has been styled to enhance the ambience of each individual model series.

Model shown is finished in Machine Silver metallic paint (optional, at extra cost).

Choose your Ford Mondeo from the series

p14 LX p16 Zetec and Zetec Nav p18 Zetec S p20 Ghia p22 Ghia X p24 ST TDCi p26 ST220

Ghia X

Additional to Ghia

- 17" 7-spoke alloy wheels
- Electronic Stability Programme (ESP) (standard on Duratec V6, optional with all other engines)
- Leather or Alcantara seat trim
- Eight-way power-adjustable driver's seat
- Variable climate-controlled front seats
- Leather/real wood steering wheel
- Real wood insert on Durashift 5-tronic gearshift knob

Elegant control The Ghia X's interior is rounded off by an exclusive steering wheel with an ergonomically designed wood and leather rim.

Model shown is finished in Panther Black metallic paint (optional, at extra cost).

ST TDCi

Additional to Zetec

- 18" 16-spoke alloy wheels
- Sony 6006 CD/radio with 6-disc in-dash autochanger
- Sports bodystyling kit
- Rear spoiler
- Thatcham Category 1 alarm
- Partial leather seats
- Heated front seats
- 2-way power-adjustable front passenger's seat
- Electronic Stability Programme (ESP)
- Power foldable and heated door mirrors
- Rain-sensing windscreen wipers
- Auto-lighting
- Self-levelling rear suspension (estate)
- Metallic paint (Performance Blue is optional, at extra cost)
- Single chrome-plated exhaust pipe
- Chrome gearshift knob
- Headlight jetwash

Comfort and control Partial leather seats and short-throw gearshift with purposeful chrome gear knob.

Model shown is finished in Machine Silver metallic paint.

ST220

Additional to Zetec S

- 18" 16-spoke alloy wheels
- Sony 6006 CD/radio with 6-disc in-dash autochanger
- Thatcham Category 1 alarm
- Twin exhaust pipes
- Electronic Stability Programme (ESP)
- Durashift 6-speed manual transmission
- Mirror puddle lights
- Rear spoiler
- Metallic paint (Performance Blue is optional, at extra cost)
- Recaro front seats with eight-way driver's and front passenger's power-operated seats
- Leather trim
- Rear seat centre armrest with integral stowage compartment/cup holders
- Rear reading light
- Front footwell illumination
- Headlight jetwash

Positive control Leather-wrapped gearshift knob with short-throw gearshift action.

Model shown is finished in Performance Blue metallic paint (optional, at extra cost).

1.8 Duratec SCi (left) Featuring direct petrol injection, the 1.8-litre Duratec SCi petrol engine combines the low fuel consumption of a diesel with the responsive power of a petrol engine. (Not appropriate for occasional and low mileage urban driving.)
Duratorq TDCi (right) The 2.0-litre Duratorq TDCi premium diesel engines use cutting-edge, common-rail technology for a more powerful and refined driving experience. Complying with European Stage IV emission standards, this has a financial benefit for the company-car driver as the 3% CO₂ diesel surcharge is not applicable. Stage III diesel and petrol engines (excluding SCi) do not have engine covers.

Driving and technology

True driving pleasure is an experience to be savoured. It's a blend of refined power and responsive performance, a quick-shifting transmission, precise steering and agile handling. So the **Ford Mondeo** is available with some of the most dependable and technologically advanced engines in the world, plus a wide choice of transmissions. Select from a growing range of engines, including the pulse-racing new 2.2-litre 155 PS TDCi Stage III diesel (the most powerful diesel yet from Ford) and the exciting new 3.0-litre Duratec V6 petrol engine. There's a choice of 5- or 6-speed Durashift manual transmissions* and the latest Durashift 5-tronic*, with its option of sequential manual or fully automatic gearshifting, for a naturally engaging drive.

Engine data

	Engine technical features	Maximum power*	Maximum torque*
1.8 Duratec HE 1798 cc	4 cylinders in-line; DOHC; 16 valves; alloy cylinder head and block; electronic multi-point fuel injection	92 kW (125 PS) at 6000 min ⁻¹ (rpm)	170 Nm at 4500 min ⁻¹ (rpm)
1.8 Duratec SCi** 1798 cc	4 cylinders in-line; DOHC; 16 valves; alloy cylinder head and block; direct injection with high pressure; electronic multi-point fuel injection system	96 kW (130 PS) at 6000 min ⁻¹ (rpm)	175 Nm at 4250 min ⁻¹ (rpm)
2.0 Duratec HE 1999 cc	4 cylinders in-line; DOHC; 16 valves; alloy cylinder head and block; electronic multi-point fuel injection	107 kW (145 PS) at 6000 min ⁻¹ (rpm)	190 Nm at 4500 min ⁻¹ (rpm)
2.5 Duratec V6 2495 cc	6 cylinders in V; DOHC on each bank; 24 valves; alloy cylinder head and block; electronic multi-point fuel injection	125 kW (170 PS) at 6000 min ⁻¹ (rpm)	220 Nm at 4250 min ⁻¹ (rpm)
3.0 Duratec V6 2967 cc	6 cylinders in V; DOHC on each bank; 24 valves; alloy cylinder head and block; electronic multi-point fuel injection	150 kW (204 PS) at 6000 min ⁻¹ (rpm)	280 Nm at 4900 min ⁻¹ (rpm)
3.0 Duratec ST V6 2967 cc	6 cylinders in V; DOHC on each bank; 24 valves; alloy cylinder head and block; electronic multi-point fuel injection	166 kW (226 PS) at 6250 min ⁻¹ (rpm)	285 Nm at 4900 min ⁻¹ (rpm)
2.0 Duratorq TDCi Diesel 1998 cc (Stage III and IV)	4 cylinders in-line; DOHC; 16 valves; alloy cylinder head; direct injection with high-pressure, common-rail, multi-point fuel injection system; turbocharger with intercooler and transient torque overboost function; electronic throttle; dual-mass flywheel	85 kW (115 PS) at 4000 min ⁻¹ (rpm)	280 / tba* Nm at 1900 min ⁻¹ (rpm)
2.0 Duratorq TDCi Diesel 1998 cc (Stage III)	4 cylinders in-line; DOHC; 16 valves; alloy cylinder head; direct injection with high-pressure, common-rail, multi-point fuel injection system; turbocharger with intercooler and transient torque overboost function; electronic throttle; dual-mass flywheel	96 kW (130 PS) at 3800 min ⁻¹ (rpm)	330 / 350* Nm at 1800 min ⁻¹ (rpm)

Engine data

	Engine technical features	Maximum power*	Maximum torque*
2.0 Duratorq TDCi Diesel 1998 cc (Stage IV)	4 cylinders in-line; DOHC; 16 valves; alloy cylinder head; direct injection with high-pressure, common-rail, multi-point fuel injection system; turbocharger with intercooler and transient torque overboost function; electronic throttle; dual-mass flywheel	96 kW (130 PS) at 3500 min ⁻¹ (rpm)	330 / 350* Nm at 1800 min ⁻¹ (rpm)
2.2 Duratorq TDCi Diesel 2198 cc (Stage III)	4 cylinders in-line; DOHC; 16 valves; alloy cylinder head; direct injection with high-pressure, common-rail, multi-point fuel injection system; turbocharger with intercooler and transient torque overboost function; electronic throttle; dual-mass flywheel	114 kW (155 PS) at 3500 min ⁻¹ (rpm)	360 / 400* Nm at 1800 min ⁻¹ (rpm)

*Tested in accordance with ISO 1585. **With transient overboost. **Not appropriate for occasional and low mileage urban driving.

*In 4th gear for 5-speed manual transmissions, in 5th gear for 6-speed manual transmissions. ^aFord test figures. ⁹⁰All CO₂ emissions figures in g/km and fuel consumption figures in L/100 km are from officially approved tests in accordance with EEC Directive 1999/100/EC. The CO₂ emissions and fuel consumption test figures shown in the chart do not express or imply any guarantee of the emissions or fuel consumption of a car of the class in question (see back cover). All the figures are based on tests conducted on vehicles with core equipment level and with standard wheels and tyres; optional or accessory wheels and tyres may have an effect on the emissions and fuel consumption of a vehicle. **Urban** An engine started from cold in laboratory conditions operated at varying speeds, maximum 31 mph, average 12 mph over a theoretical distance of 2.5 miles (4 km). **Extra Urban** Conducted immediately after the urban cycle, it consists of half steady speed driving and half varying speed driving, maximum 75 mph over a distance of 4.3 miles (7 km). **Combined** This is an average of the two parts of the test, weighted by the distances covered in each part. **Note** All vehicles are 5-speed manual except where auto, Durashift 5-tronic or 6-speed stated. All petrol engines are equipped with a catalytic converter.

^aRepresents the minimum kerbweight assuming full fluid levels and 90% fuel levels, including driver at 75 kg; subject to manufacturing tolerances and options, etc., fitted. ^{##} = Optional transmission. **Key** This table shows the availability of engine and gearbox combinations on Ford Mondeo models and resulting kerbweights. **Note** All vehicles are 5-speed manual except where auto, Durashift 5-tronic or 6-speed stated. All petrol engines are equipped with a catalytic converter. **Towing limits** Figures quoted represent the maximum braked trailer towing mass, with ability for the vehicle to restart on a 12% gradient, either a) max. permissible or b) at Gross Vehicle Mass. The performance and economy of all models will be reduced when used for towing. ST220 is not designed to tow. For further guidance, refer to the National Caravan Council's Towing Code. **Roof rack load (estate)** is a maximum of 100 kg.

Durashift 6-speed manual transmission The new Durashift 6-speed transmission combines greater in-gear flexibility and top speed potential with enhanced fuel economy and refinement.

Durashift 5-tronic Optional Durashift 5-tronic transmission now features steering wheel-mounted controls for fingertip gearshift control. In addition, all Ford Mondeos now come equipped with cruise control as standard, to help reduce stress and fatigue, particularly on long motorway journeys.

Transmission availability

To put the power onto the road, the Ford Mondeo offers a wide choice of transmission options. 1.8 and 2.0-litre Duratec petrol and 115 PS Duratorq TDCi Stage IV diesel models are equipped with a slick-shifting Durashift 5-speed manual transmission and a smooth hydraulic clutch. An exciting new Durashift 6-speed manual transmission is also available. Fitted as standard with the 1.8-litre Duratec SCi and V6 petrol engines, as well as the 130 PS and new 2.2-litre 155 PS Duratorq TDCi diesel engines, it enhances the car's performance and helps to make it even more fuel-efficient, regardless of driving conditions.

For the ultimate in driver choice, take a look at the innovative Durashift 5-tronic transmission. It's a smooth-shifting automatic when you're in a relaxed mood, or a fun-to-drive 5-speed sequential manual with steering wheel-mounted controls if you want to take more control (available on selected models, at extra cost).

Should you prefer a little less involvement, the Durashift 4-speed fully automatic option could be for you. Smooth and effortless in operation, it handles the 2.0-litre Duratec petrol engine's power with ease (optional, at extra cost).

Safety and security

It's unlikely that you would ever compromise the well-being and protection of your family. Neither would we. So feel secure in the knowledge that an Intelligent Protection System is standard on every new Ford Mondeo to provide exceptional levels of protection for all its occupants. Linked to a network of sensors located at strategic points throughout the car, it keeps constant watch over the driver and passengers. If danger should threaten, the system will assess the severity of the incident and respond in a split second, activating the appropriate safety system to provide outstanding passenger protection. A reassuring thought, isn't it?

Intelligent Protection System

At the heart of the Ford Mondeo's Intelligent Protection System is a centralised computer module. Linked to a neural network of sensors located at strategic points around the car, it keeps constant watch over the occupants, and monitors data including the driver's seat position and whether the driver is wearing a seat belt.

In the event of an accident, the Intelligent Protection System measures the seriousness of the impact through the front, side, and rear sensors and automatically activates the most effective safety features.

Dual-stage driver's and front passenger's airbags* are fitted as standard. So too are front seat side airbags, and side curtain airbags that descend from the headlining above the doors in a side impact, helping to protect those in the front and rear of the car.

Advanced safety Offering a total of six airbags, you can rest assured that the Ford Mondeo's advanced Intelligent Protection System is comprehensively equipped to care for your welfare.

Seat engineering Mondeo's seats have comfort and safety built-in. All seats have anti-submarining bases as standard, while the front seats incorporate side thorax airbags and anti-whiplash head restraints.

Dual-stage driver's and front passenger's airbags*

New dual-stage airbags are designed to inflate at two different rates depending on crash severity and, in the case of the driver's airbag, the position of the driver's seat.

Curtain airbags

In the event of a side impact, side curtain airbags descend from the headlining above the doors to help protect front and rear passengers.

Side airbags

Side airbags are built into both front seats to help cushion the chest and thorax in a side impact, regardless of the seat position.

Front and rear seat belts

Pyrotechnic front seat belt pre-tensioners take the slack out of the webbing in the event of an impact, while load-limiting retractors release a small amount of belt to help reduce chest loading.

Anti-whiplash front head restraints

The front head restraints are deployed both upward and forward to help reduce the risk of whiplash injuries in the event of a severe impact.

Sensor network

Strategically-positioned sensors supply vital information to the central processing unit at the centre of the Intelligent Protection System.

Belt-Minder™

Mondeo's Belt-Minder™ system gently reminds the driver to fasten their seat belt.

Anti-lock brakes

Ford Mondeo's anti-lock brakes (ABS) with electronic brake-force distribution (EBD) help to reduce speed swiftly and safely.

Emergency Brake Assist

Together with its sophisticated chassis, suspension and braking system, the Ford Mondeo has Emergency Brake Assist (EBA) as standard. This advanced system is designed to help reduce emergency stopping distances by reinforcing the driver's braking effort. When activated, EBA will automatically apply the brakes to their maximum pressure until the driver releases the brake pedal.

Decoupling brake pedal

To help reduce the risk of leg injury, the brake pedal is designed to collapse safely at the moment of impact.

Making safety a priority

The underlying strength of the Ford Mondeo's safety concept is its ultra-strong safety cell. Coupled with energy-absorbing zones front and rear, it provides a rugged survival compartment for you and your passengers. In every Ford Mondeo you will find an advanced seat belt system. Designed to work in conjunction with the airbags, the seat belts help to provide the ultimate in passenger protection.

An integrated child booster cushion is available* on selected models and is suitable for youngsters aged between three and twelve years.

To help reduce the risk of theft, we have equipped every Ford Mondeo with high-security locks, perimeter and volume sensing alarm and a smart 'Safeguard' engine immobiliser.

Interactive Vehicle Dynamics (IVD)

Using space-derived technology, Mondeo's Electronic Stability Programme (ESP) including traction control, standard on Duratec V6 models, employs yaw sensors and a gyroscope to help the driver maintain control of the car in critical driving situations. The sophisticated system senses when the vehicle is deviating from the driver's chosen line and automatically applies the necessary power and braking adjustments to correct its road position.

— Vehicle with ESP.
— Without ESP.

- A** Vehicle experiences understeer on approach.
- B** Vehicle experiences oversteer on exit to bend.

Finance and services

Across the UK, a dedicated network of Ford Dealers is equipped and trained to meet the needs of today's drivers. Because of our coveted reputation for quality and reliability, from the moment your new vehicle leaves the showroom, you are assured of lasting, attentive service in many ways. Ford not only cares through Dealers, we also offer a variety of finance and leasing schemes to suit the needs of both the private and business customer. With our wide choice of plans and services no one is more committed to delivering complete motoring confidence and total peace of mind than Ford.

FordCredit

As part of Ford Motor Company Limited, Ford Credit offers convenient and competitive financial services to Ford customers. Choose, try, finance and insure your Ford - without having to leave the showroom.

Ford Options

Ford Options is the flexible way to finance your Ford. If you are looking to renew your vehicle more often, this is the ideal plan. At the end of the agreement, choose which option suits you best - own the vehicle, return it or choose a new one.

Ford Acquire

Ford Acquire is a simple method of vehicle finance for private customers. Convenient to arrange, and with flexible terms to suit your needs, owning your Ford has never been so easy.

Ford Business Partner

As a specialist division of Ford Credit dedicated to partnering businesses, Ford Business Partner will work with you to achieve a complete Contract Hire transport solution.

Ford Insure

Ford Insure offers a wide range of great value products for you and your Ford including Comprehensive Motor Insurance, Payment Protection Plan* and Guaranteed Asset Protection**. When you purchase a Ford from a Ford Dealer, you will receive 7 days' Driveaway cover*** free when you call Ford Insure for a no-obligation annual quotation.

What's the next step?

Your local Ford Dealer will be pleased to help if you have any further queries and advise you of current special promotions. Your Dealer can also supply a personalised quotation for the finance plan and vehicle of your choice.

To find your local Ford Dealer, please call 0845 7111 888.

You can also obtain a personalised quotation for the finance plan of your choice.

Services

Company Car Drivers

Talkback - the company car drivers' club offers members extended test drives, tax and buying advice as well as special offers and invitations to special driver events. To join, log on to www.talkbackclub.com or call 0845 605 55 66 - it's free and you don't even have to drive a Ford.

Ford Mobility

MAGIC (Mobility and General Information Centre) is a Ford-dedicated care centre created to provide free and comprehensive information on all motoring and mobility issues to anyone requiring such assistance. MAGIC has many special offers for HRDLA recipients, or Motability scheme users, call free on 0800 240 241.

Ford Protect

Every new Ford car sold is protected by 12 months' unlimited mileage manufacturer's warranty, plus the option of extending this warranty with a no-cost 3-year/60,000 miles Ford Protect Plan. Upgrades are also available, giving you the option of worry-free motoring for up to 5 years.

Ford Rapid Fit

The national fast-fit network backed by Ford, offering you the convenience of a 'no-appointment-necessary, while-you-wait' service covering tyres, exhausts, brakes, batteries and much more. There are over 300 sites nationwide.

Ford Accident Repair Centres

If your Ford is involved in an accident, your Ford Dealer is best placed to return it to its pre-accident condition. Dealerships displaying the Ford Accident Repair Centre sign all meet the rigorous customer service and repair quality standards laid down by Ford, and offer a three-year repair guarantee.

Ford Customer Relationship Centre

In the unlikely event that your Ford Dealer can't help you or you need to speak to Ford directly, the Ford Customer Relationship Centre is just a phone call away. Call local rate 0845 841 1111.

Ford Rental - local service nationwide

Providing quality car and van rental from Ford's latest model range. For further information contact your local Ford Dealer.

Features and colours

The Ford **Mondeo** is fully equipped for your driving enjoyment. Indeed, nothing demonstrates our commitment to your pleasure more than the Mondeo's premium quality craftsmanship and superbly specified features. Everything you and your passengers need falls naturally and effortlessly to hand; advanced technology blending with user-friendly ergonomics to bring you features that not only look fantastic, but are easy to operate and work beautifully too. From the latest in great-sounding audio systems to a choice of distinctive alloy wheels, each element is designed without compromise to enhance your enjoyment and provide the ultimate ownership experience.

Rear seat audio system Features independent audio controls for the rear seat passengers, plus two headphone sockets. Requires Sony audio system or DVD navigation system with touch-screen.

Multimedia system The DVD multimedia system allows rear passengers to watch movies, or, if auxiliary leads are purchased separately, to play computer games. Includes infrared remote control and two plug-in headphones sets.*

High Line DVD navigation system This sophisticated system includes a large, easy-to-read colour display with touch-screen function, Traffic Message Channel (TMC) and MP3 playback capability. Just pick your destination and go.

Low Line CD navigation system The Low Line CD navigation system features a radio, single-CD audio player and up-to-the-minute route information including Traffic Message Channel via an LCD display and voice guidance system.

High-performance Sony audio system incorporates a six-disc autochanger that can play back your own compilations on CD-R/RW discs.

Accessories Make your new Ford Mondeo as individual as you choose, with genuine Ford accessories. For more details, pick up a copy of the Ford Mondeo accessory brochure from your local Ford Dealer.

Integrated child booster cushion provides safe and comfortable seating for youngsters aged between three and twelve years. (Optional, at extra cost.)*

New variable climate-controlled front seats with five levels of heating and ventilation, provide pleasant temperatures all-year round, because your comfort is our priority. (Standard on Ghia X.)

Flat load compartment New, fold-flat rear seats help to enhance the Ford Mondeo estate's flexible load-carrying ability.

Alcantara seat trim Luxurious new Alcantara seat trim adds to the Ford Mondeo's comfortable interior (available as a no cost option on Ghia X).

The folding rear seat centre armrest makes journeys more comfortable and incorporates a useful storage compartment.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation. **Illustrations, descriptions and specifications.** This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. ***Ford Information Service.** Calls are charged at national rate and may be recorded for training purposes.

Designed for living. Engineered to last.
