

2010 SONATA

 **HYUNDAI™**

WHAT SMART MEANS TO US.

At Hyundai, we are constantly striving to make smart decisions when it comes to our vehicles so you can make smart decisions when it comes to your purchase. A smart decision means weighing the pros and cons, evaluating the costs against the benefits, and making a choice for the right reasons for you. It means having no regrets.

Our investment in eco-friendly technologies, quality craftsmanship, extensive research and design, together with our state-of-the-art facilities and dedicated human resources, ensure our vehicles are built with integrity from the first to the final detail. And, together, they deliver on Hyundai's promise to Canadians – to create a lineup of smart vehicles.

A STRIKING BALANCE.

IN LIFE AND IN ENGINEERING, ACHIEVING BALANCE MEANS UNDERSTANDING WHAT'S IMPORTANT, AND ENSURING THOSE THINGS ARE PRESENT IN THE RIGHT PROPORTIONS. THE 2010 SONATA, HYUNDAI'S MIDSIZE SEDAN, BLENDS CLASSIC STYLING WITH MODERN APPOINTMENTS TO DELIVER THE UTMOST IN SMART SOPHISTICATION. SUCCESSFULLY BALANCING REFINEMENT AND RELIABILITY, THE SONATA PAIRS ELEGANCE WITH SUPERIOR PERFORMANCE, ADVANCED SAFETY AND CLASS-LEADING FUEL ECONOMY.

EXTERIOR

DELIGHT IN THE DETAILS.

Details are how the world differentiates the extraordinary from the ordinary, and the Sonata is all about the details. Combining a classic design with contemporary details, the Sonata exhibits unmistakable grace on the road. Its elegantly designed headlights, tail lights and available fog lights deliver improved visibility, while its stylized bumper fascias and bumper and body side mouldings further add to the Sonata's fluid design. The chrome front grille accentuates its wheel design and highlights the Sonata's polished styling.

1. Stylish. Enjoy the sophisticated styling of dual chrome-tipped exhaust on all V6 models, and available 17-inch 5-spoke wheels (10-spoke on Limited). When you've got function covered, what's wrong with some extra form for good measure?

2. The Little Things. Subtle design advancements can make a world of difference. The Sonata showcases a shark fin antenna, and body colour door handles and mouldings (standard on all models), while the Limited comes with chrome inserts (door handles, body side, and bumpers).

2010 SONATA

INTERIOR

SOPHISTICATION COMES STANDARD.

Every control and feature is well within reach and properly placed for convenience and safety, making the most of the Sonata's roomy interior without compromising your driving pleasure. With 462 litres of trunk space, the Sonata is equipped to satisfy a wide range of cargo needs without encroaching on passenger room. Enjoy the sound from your premium 6-speaker AM/FM/XM/CD/MP3 audio system with available steering wheel-mounted audio controls, or available Infinity® audio system (Limited models only). Or, the centre armrest with USB/Aux. inputs lets you hook up a variety of portable MP3 players. Open the garage, turn on lights, or even deactivate your security system with the available HomeLink™ transceiver integrated into the rearview mirror.

1. No Wrong Turns. With the Sonata's available in-dash, voice-activated^o GPS satellite navigation system, it's easy to find any destination or nearby service you may be looking for. The bright, 6.5-inch, full-colour touch-screen clearly displays your route, while the system gives you turn-by-turn voice prompts, ensuring you'll never lose your way again.

2. Interior of the Year in The Best Redesign Category – Auto Interior of the Year Awards by Ward's Autoworld Magazine. From the grip of your leather-wrapped steering wheel to the blue backlit gauge cluster, the Sonata's smart, ergonomic design is unparalleled.

 **HYUNDAI™**

2010 SONATA

PERFORMANCE

NO TRADE-OFFS

A vehicle that can boast performance that delivers superior horsepower and class-leading fuel efficiency** without any compromises is one that deserves consideration. The 2010 Sonata offers a choice of two engines – a 2.4L I4 or 3.3L V6. With the I4 engine, enjoy the impressive fuel efficiency that comes standard with a 2.4L, 175 hp, 16-valve 4-cylinder with Dual CVVT. The Sonata's sport-tuned suspension (available with Sport package) rewards enthusiastic driving with stiffer spring rates, 27 mm front and 17 mm rear stabilizer bars and unique strut valving in all four corners.

1. Efficient Power. Unprecedented power is yours with the 2010 Sonata's available 3.3L, 249 hp, 24-valve, DOHC V6 engine featuring Continuously Variable Valve Timing (CVVT) and a Variable Induction System (VIS).

2. In Control. The Sonata's SHIFTRONIC™ transmission features new reducing and solenoid valves for smoother shifts. It also enables manual gear selection for more spirited performance.

** 2009 Most Fuel Efficient Vehicle in its Class, ecoEnergy Award, Natural Resources Canada.

 HYUNDAI™

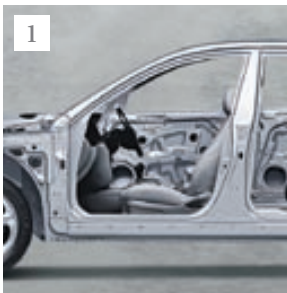

2010 SONATA

SAFETY

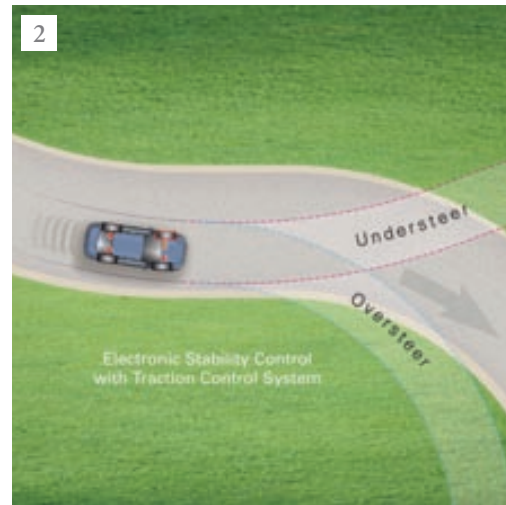

PROTECTING YOUR VALUABLES.

At Hyundai, keeping you and your family safe is our first priority. That's why the state-of-the-art technologies we employ to keep you protected on the road are built into every Sonata. Always prepared for the unpredictable, the Sonata is equipped with both active and passive safety systems, including 6 standard airbags¹ as well as LATCH rear child-seat tether anchors, a remote keyless entry system with alarm, front seat active head restraints, power-assisted disc brakes and Anti-lock Braking System (ABS) with Electronic Brake Force Distribution (EBD). With all of these safety features, it's clear Hyundai is looking out for your best interests.

1. Steel On Your Side. The Sonata's B-pillar construction – comprised of reinforced high-tensile steel – is the first component of any Hyundai vehicle. Engineered to work with front/rear crumple zones, body side reinforcements, hood-buckling creases and a steering column that collapses to absorb energy, the Sonata is built to help keep you safe.

2. A New Standard in Safety. Electronic Stability Control (ESC) with Traction Control System (TCS)² works to help keep your wheels where they're meant to be by applying braking power and reducing engine power in oversteer or understeer conditions (standard on all V6 and Limited models).

2010 SONATA

QUALITY

THE HIGHEST STANDARD OF EXCELLENCE. IT'S HOW WE DEFINE *QUALITY*. IT'S THE CORNERSTONE OF OUR BUSINESS, AND THE FOUNDATION UPON WHICH WE BUILD EACH AND EVERY HYUNDAI VEHICLE. FROM RESEARCH AND DEVELOPMENT, TO ENGINEERING AND DESIGN, IT IS OUR ENDURING DEDICATION TO QUALITY THAT ENABLES US TO OFFER CANADIANS A LINEUP OF VEHICLES THAT MEET AN EVER-HIGHER STANDARD OF EXCELLENCE.

ONE OF CANADA'S BEST WARRANTIES.

Have the peace of mind that comes with Hyundai Auto Canada's standard 5-year/100,000 km Comprehensive Limited warranty[†] along with a 5-year/100,000 km Powertrain warranty – standard with every Sonata. We also provide a 3-year/Unlimited km Roadside Assistance Program which includes fuel delivery service, flat tire changing, lock-out service, towing service, and more. Just one toll-free call away, 24 hours a day.

There are no deductibles and warranties are transferable.

For further details on your warranty coverage, including terms and limitations, please consult the Service Passport that accompanies all new Hyundai vehicles or see your local Hyundai dealer.

DRIVE DEFECTS TO ZERO.

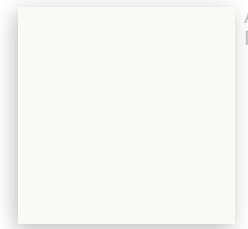

Hyundai embarked on its quality mission in 1999, when it launched its “Zero Defects” program. This initiative involves everyone – from design engineers to the factory workers on the line – and every aspect of the company's culture in a sincere commitment to quality manufacturing across the board. The results are obvious.

COLOURS

Our vivid palette of exterior colours is the perfect way to complete your Sonata. Explore the options and choose the one that best reflects your personal style.

Sport model includes a combination of cloth seats with leather bolsters.

♦ Production of Dark Red to be discontinued as of June 2009. Venetian Red will begin production as of July 2009.

Choice of interior colour depends upon exterior colour selection. Due to print production processes, the colours shown throughout this brochure may vary slightly from the actual hue. See your dealer for model applications and to view the Hyundai Colour Selector.

ACCESSORIES

Hyundai is making its name on delivering unprecedented quality and value, offering Canadians a wide variety of lifestyle-friendly vehicles loaded with outstanding packages of standard features and premium extras. Individual needs call for individual solutions. That's why Hyundai goes out of its way to offer you a line of accessories designed to suit specific demands. With Hyundai's line of authorized parts and accessories, you are able to customize and adapt your vehicle to your lifestyle. From versatile, quick-locking roof racks to stylish side visors, custom-fit your Sonata your way.

1. Cargo Tray.

Add years to the interior of your Hyundai by protecting it from spills and messy loads with a durable, custom-fit cargo tray.

2. Plastic Hood Protector.

Prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

3. iPod Cable.

This unique cable allows a convenient, direct hook-up from your iPod to your vehicle's stereo system in addition to charging the unit while you are using it.

4. Roof Racks.

This durable, quick-locking roof rack system lets you transport cargo easily, without sacrificing interior room.

5. Trailer Hitch Kit.

Designed to meet all your towing needs, a Hyundai hitch can accommodate a wide variety of hitch-mounted accessories. Kit includes the trailer hitch and ball mount. (Chrome ball not included).

6. Side Visors.

Sleek and sporty, these side visors let you enjoy fresh air even when it's raining. New design ensures a perfect fit every time.

7. Remote Starter.

Hyundai remote start systems prepare your vehicle in advance before you get in. Defrost your windows and warm up the cabin in the winter – cool down the interior in the summer.

MODEL FEATURES

GL

STANDARD EQUIPMENT:

16-inch Steel Wheels with Full Covers
2.4L, 175 hp, 16-valve, DOHC, 4-cylinder Engine with Dual Continuously Variable Valve Timing (Dual CVVT)

Specifications, features, illustrations, accessories, materials and equipment and all other information shown in this brochure are based on the latest information available at the time of publication. Although descriptions are believed to be correct, accuracy cannot be guaranteed. Hyundai Auto Canada Corp. reserves the right to make any changes or modifications at any time, without notice or obligation, including, without limitation, in colour, specifications, features, accessories, materials, equipment and models. Some vehicles are shown with optional equipment. All Hyundai warranties have no deductible.

[^] Fuel economy comparison based on combined fuel consumption rating for the 2010 Sonata GL Auto (8.02L/100KM) and 2009 Energuide combined fuel consumption ratings for the full size vehicle class. Fuel economy figures are based on manufacturer testing and are used for comparison purposes only. Actual fuel efficiency may vary based on driving conditions and the addition of certain vehicle accessories.

[†] Hyundai's Comprehensive Limited Warranty coverage covers most vehicle components against defects in workmanship under normal use and maintenance conditions.

^{††} Includes fuel delivery service, flat tire changing, lock-out service, towing service and more. Just one toll-free call away. 24 hours a day.

¹ The Supplemental Restraint (Airbag) System (SRS) is designed to work with the 3-point seatbelt system. The SRS deploys in certain frontal and/or side-impact conditions where significant injury is likely. The SRS is not a substitute for seatbelts, which must still be worn at all times.

Children under the age of 13 should be securely restrained in the rear seat. NEVER place a child-seat in the front seat of a Hyundai vehicle.

² Electronic Stability Control (ESC) and Traction Control System (TCS) are meant to enhance conscientious driving habits and are not a substitute for safe driving practices.

^{**} CAN/ULC S338-98 compliant immobilizer may reduce insurance costs in some instances.
