Mercedes-Benz User Experience Premium

Transforming the in-car user experience, thanks to MBUX: Controlled via voice or touch input, the innovative infotainment system can over time even predict personal habits thanks to artificial intelligence.

Voice control

- Activated by the keywords “Hey Mercedes” or via touch control buttons on the steering wheel, the new intelligent voice control LINGUATRONIC¹ lets you control many of the infotainment functions, including destination input, phone calls or music selection. If you're feeling chilly, just say “Hey Mercedes, I feel cold” and MBUX will adjust the temperature for you
- MBUX is able to understand different accents and will adjust to you over time

Touch inputs

- Beside voice control you can operate MBUX via touchscreen, the optional 7-inch rear tablet, as well as touch control buttons on the steering wheel

Personalisation

- Turn the new Mercedes-Maybach S-Class into your very own Mercedes-Benz, thanks to the biometric authentication with voice recognition in every seat, face recognition (with 3D driver display), finger print scanner and PIN protection
- Take your personal profiles with you between cars – vehicle settings are no longer stored locally but within the user profile, which is connected to the customer's Mercedes me account
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a petrol station? Just ask your MBUX – it will tell you the answer

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or a different price.
¹LINGUATRONIC off-board functions are currently available for three years and can be extended via the Mercedes me store

Revolutionary technology

MBUX augmented reality head-up display makes the front windscreen part of the digital cockpit. With the help of transparent projections onto the windscreen, the driver's field of vision is enhanced with relevant information about the current driving situation.

12.3-inch 3D driver display provides a clear three-dimensional representation of the driving situation and other road users, along with warning and navigation information.

MBUX 7-inch rear tablet with the ability to control many on-board functions.

12.8-inch OLED touchscreen central display with augmented reality, fingerprint scanner, haptic feedback and integrated climate controls.

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or a different price.

Mercedes me connect Stay connected any time, anywhere.

Mercedes *me*

Mercedes me is a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Mercedes me lets you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

Safety and Service – Mercedes me connect helps to keep you and your car safe

Check your car's oil level, tyre pressure and fuel from your phone so you'll be ready for every journey.

Live Traffic Information, Parked Vehicle Locator and much more with Mercedes me connect

Forgot where you've parked? Parked Vehicle Locator¹ will show you exactly where your car is as long as you're in a 1-mile radius of where you parked. Real-time traffic data and dynamic route with shorter journey times.

For more information speak to your local Mercedes-Benz Agent or visit the Mercedes me connect store at shop.mercedes-benz.com/en-gb/connect

Comfort – connect to your car anytime, anywhere

Forgot to lock your car? With Remote Car Lock² you will receive a notification on your smartphone to let you know. With one tap, you can lock and unlock your vehicle so you never have to worry.

¹Available on all models with the Vehicle Monitoring package. This option may vary between standard and additional cost dependent on the model

²Part of the Vehicle Status package. This option may vary between standard and additional cost dependent on the model

ZYNC The future of in-car entertainment

Bridging the worlds of automotive, software and entertainment, ZYNC's premium in-car digital entertainment platform provides video streaming, on-demand content, interactive experiences, local video programming, sports, news, gaming and much more.

Consisting of:

- Mercedes-Benz channel providing promotional content and other key brand assets
- Movies featuring original tracks, dubbing and subtitles for 28 languages
- Over 1,500 hours of readily available content
- Over 8,000 hours of content by 2023
- Vehicle specific How-To video guides built in

With new content being added regularly, the entertainment programmes can be viewed on the central display.

The prerequisite for ZYNC is an active Mercedes me account with the MBUX Entertainment package, which is currently free of charge for one year from booking and can then be extended for a fee in the Mercedes me portal.

Mercedes-Maybach S-Class

Safety

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or a different price.

DIGITAL LIGHT

High-definition headlamps with innovative features

The new innovative DIGITAL LIGHT headlamps works like a projector with more than one million pixels per headlamp and responds with brilliant light to changing traffic, road or weather conditions. Its ULTRA RANGE Highbeam with 650 m makes you feel like driving at daylight. DIGITAL LIGHT is also able to provide assistance in the form of messages on the road in front of you.¹

¹This additional function depends on local road traffic laws

Driving Assistance package¹ Cares for what matters.

The new Mercedes-Maybach S-Class comes with standard ground-breaking innovations in safety, comfort and driving functions, to help you stay safe on the road.

Active Lane Change Assist

Active Distance Assist DISTRONIC

Active Emergency Stop Assist

Active Blind Spot Assist expanded with blind spot monitoring towards the front and side. Additional hazard indication of the blind spot warning system as well as the exit warning function via the ambient lighting

Active Braking Assist with cross-traffic function now with turning manoeuvre function (responding to (among other things) crossing pedestrians when making a turn). Operating range on urban routes expanded to 74 mph (previously 44 mph)

Active Distance Assist DISTRONIC: now responds to stationary road users to prevent collisions up to 80 mph (previously 37 mph)

Active Emergency Stop Assist now able to assist in manual mode (previously only in DISTRONIC mode). Optional lane change by one lane (at 49 mph where no obstacles detected)

Active Evasive Steering Assist: now responds to cyclists and ends of tailbacks in addition to pedestrians. Operating range on urban routes expanded to 67 mph (previously 44 mph)

Active Lane Change Assist aids the driver with changing lanes by means of steering torque as soon as the driver initiates the change by activating the direction indicator

Active Lane Keeping Assist with enhanced comfort thanks to active steering intervention (instead of braking intervention). Additionally hazard indication via the ambient lighting

Active Speed Limit Assist ensures detected speed limits are automatically adopted as the set speed for Active Distance Assist DISTRONIC

Increased availability and cornering performance on carriageways with **Active Steering Assist**, more stern warnings to put hands on the steering wheel with new capacitive steering wheel

PRE-SAFE® PLUS and Impulse Side: when a rear-end collision threatens, PRE-SAFE® PLUS can initiate preventive measures, including warning following traffic and locking the brakes on standstill

Route-based speed adjustment with end of traffic jam function and Active Stop-and-go function adaption of speed before curves, roundabouts and junctions with end of traffic jam function

Traffic Sign Assist now warns of inadvertently running a stop sign or red light

Type-specific rendering of detected road users across several lanes on the driver display

¹Our driver assistance and safety systems are aids and do not relieve you of your responsibility as the driver. Please take note of the information in the Owner's Manual and the system limits which are described therein

Model prices

Model line	Engine	Transmission	CO ₂ WLTP ^{1*}	Basic RRP excl. VAT (£)	Total RRP incl. VAT (£)	Road Fund Licence (£) ² WLTP	Rec. OTR price (£) ³ WLTP	P11D value (£)	BiK tax rate 2023/24 (%) ²
Mercedes-Maybach First Class									
S 680 4MATIC	Petrol – 5,980 cc, 12-cylinder, 612 hp/ 450 kW	9G-TRONIC 9-speed automatic	321	178,112.50	213,735.00	2,605.00	217,200.00	214,540.00	37

¹The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. ²Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at <http://www.mercedes-benz.co.uk/WLTP> ³All engines are RDE (Real Driving Emissions) Step 2 Certified (6d-ISC-FCM). This results in a lower VED and BIK rate as these engines will not be subject to the diesel surcharge. A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Please refer to page 32 for the relevant rate for the second and subsequent years ³The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£730.00 incl. VAT), new vehicle registration fee (£55.00), fuel (£50.00 incl. VAT), and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Upper and side cover on the instrument panel covered in nappa leather

[Book a test drive](#)[Find your Mercedes-Maybach](#)[Find a Showroom](#)

Standard equipment

Engine, Transmission and Suspension

9G-TRONIC 9-speed automatic transmission with steering column gear selector, steering wheel gearshift paddles (Direct Select) and SPEEDTRONIC cruise control

76-litre fuel tank

DYNAMIC SELECT with a choice of driving modes

ECO start/stop function

Petrol particulate filter

Suspension – AIRMATIC air suspension with air suspension struts at the front and rear axle, automatic level control system, dependent on load: load detection for a constant suspension level, suspension level can be raised for rough roads and is automatically lowered at high speeds

Exterior

Air inlet grille in the front apron in high-gloss chrome

Automatically dimming inside rear-view mirror and driver's outside mirror including surround lighting with projection of brand logo in the form of a Mercedes-Maybach logo

Badge – Maybach lettering and model badge on the boot lid in Maybach-specific lettering

Badge – Mercedes-Maybach badge on C-pillar

Badge – V12 badge in Maybach-specific lettering on the front wing

Chrome trim strip on the bonnet

Comfort doors in the rear

Exterior mirrors – ambient lighting with projection of brand logo

Grey-painted brake callipers with 'Mercedes-Benz' lettering at the front, at the rear with grey logo badge

Headlamps – DIGITAL LIGHT

Heat-insulating, dark-tinted, noise-insulating and infrared-reflecting laminated glass

Heated windscreen

KEYLESS-GO with seamless door handles

Large compound brake discs, 360 × 26 mm, internally ventilated and perforated at the rear

Large compound brake discs, 390 × 36 mm, internally ventilated and perforated at the front

Lights – 2-piece LED tail lights with Maybach-specific 3D logo projection

MAGIC VISION CONTROL – adaptive windscreen wiper system, heated

Panoramic sliding sunroof

Power closing doors and boot lid – the assisted closing function closes doors smoothly and almost silently

Radiator grille with 27 vertical struts in high-gloss chrome, chrome surround with centrally positioned Maybach lettering

Rear apron – Maybach-specific chromed tailpipes in transverse-strut design with horizontal insert integrated into the rear apron

Rear apron – rear apron in the colour of the vehicle, lower part in high-gloss black with chrome trim strip between the tailpipes

Remote boot lid closing – open and close the boot lid from the driver's seat, while standing at the boot, or by using the vehicle key

TIREFIT

Vehicle key in high-gloss white with ornamental surround in high-gloss rose gold

[Book a test drive](#)[Find your Mercedes-Maybach](#)[Find a Showroom](#)

Standard equipment

Steering

Direct steering

Multifunction steering wheel in nappa leather with 'Maybach' lettering

Rear-axle steering with 4.5° steering angle adjustment

Steering column gear selector

Steering wheel gearshift paddles

Wheels

21" MAYBACH forged wheels - multi-spoke design, bichromatic look including fully integrated wheel bolt cover with 265/35 R21 tyres (code 70R)

Locking wheel nuts

Noise-reduced tyres with foam absorber

Summer tyres

Interior

12 V socket in rear of centre console plus in the front passenger footwell

Adaptive rear compartment lighting

Ambient lighting with Maybach-specific light colours amethyst glow and rosegold white

Automatically dimming rear view mirror

Centre console in a black crystal-look finish

Champagne flutes

Chauffeur package

Door sill panels with 'Maybach' lettering at front and rear, illuminated

Double sun visors

EASY ADJUST luxury head restraints with additional cushion for driver and front passenger, foldable and removable on front passenger side

EASY-ENTRY system to make it easier for the driver to get in and out

Electrically adjustable rear seats including memory function

MBUX navigation premium
MBUX rear tablet
Mercedes-Benz emergency call system
OLED central display
Parked vehicle locator – available to use free of charge for three years following activation ¹ , shows the position of the parked vehicle in a radius of approx. 1.5 km
Personalisation – available to use free of charge for three years following activation ¹ , stores settings such as the radio station or navigation destination in the personal driver profile and enables these to be used in vehicles with the same telematics generation, the profile can be linked to the key, and the functions can therefore already be activated before getting in
Pre-installation for Car Sharing

¹To use this service, you must register on the Mercedes me portal and also accept the Terms of Use for the Mercedes me connect services. In addition, the respective vehicle must be paired with the user account. Upon expiry of the initial term, the services can be extended for a fee. Initial activation of the services is possible within one year of first registration or commissioning by the customer, whichever occurs first ²Removed when MAYBACH Exclusive nappa leather MANUFAKTUR package (code DPL) or MAYBACH Exclusive nappa leather in silver grey/black (code 518A) selected

[Book a test drive](#)[Find your Mercedes-Maybach](#)[Find a Showroom](#)

Standard equipment

Communications and In-Car Entertainment (continued)

Pre-installation for Navigation Services – display of online content on the navigation map, parking spaces, weather information, local search

Remote Door Locking and Unlocking – available to use free of charge for three years following activation¹, provides convenient remote monitoring

Remote parking package – available to use free of charge for 3 years following activation¹

Remote retrieval of vehicle status¹ – shows mileage, tyre pressure, washer fluid level, etc.

Remote vehicle diagnostics¹ – enables better support in the workshop by allowing the Mercedes-Benz service partner to query the vehicle status prior to an upcoming workshop appointment

Remote vehicle finder – available to use free of charge for three years following activation¹ indicators activated via the app help to draw attention to the vehicle, for example in large, confusing car parks

Send2Car function – available to use free of charge for three years following activation¹, sends selected addresses via the app to the vehicle's navigation system, for example POIs or restaurants

Sliding sunroof/windows with remote closing and opening including ventilation function to use free of charge for three years following activation¹ for a breath of fresh air in the vehicle available

Software update¹ – updates the software of the vehicle's systems without having to visit the workshop

Sound personalisation – a setup assistant with innovative algorithms identifies your music preferences together with you and sets the Burmester® sound system to match your requirements. It stores the result in a personal profile

Sound system – Burmester® high-end 4D surround sound system

Speed fencing – available to use free of charge for 3 years following activation¹, also lists when and where the pre-defined speed was exceeded

Stolen Vehicle Help (free of charge for 3 years from activation) – this service reduces the bureaucratic effort required and gives you an advantage in terms of time. In the event of theft, you can report it to the police. You can transfer the police file number (depending on country) plus the relevant vehicle and owner information quite simply via app to our certified partner's security centre. This centre will then coordinate with the local police station to track your vehicle

Telediagnosics¹ – notifies the Customer Assistance Centre or the preferred Mercedes-Benz service partner when components with diagnostics capability need replacing (e.g. brake pads) and enables contact to be made via a pop-up message in the vehicle's multimedia system

TV receiver

Two USB-C ports at the front and rear

Two wireless head sets

USB Plus package – four additional USB-C connections, two at the front and in the rear

Valet protect – available to use free of charge for 3 years following activation¹ notifies via the app when the ignition is switched on/off and when the vehicle moves outside a defined radius (1 km, 2.5 km or 5 km)

Wireless smartphone integration²

Wireless charging system for mobile devices in the front and rear²

¹To use this service, you must register on the Mercedes me portal and also accept the Terms of Use for the Mercedes me connect services. In addition, the respective vehicle must be paired with the user account. Upon expiry of the initial term, the services can be extended for a fee. Initial activation of the services is possible within 1 year of first registration or commissioning by the customer, whichever occurs first ²Compatible smartphone required. Combined (consumption dependent on chosen optional equipment)	l/100 km mpg	14.1 20
Insurance		
Group rating		50E
Insurance ratings may vary depending on model line and specification. Please refer to http://www.thatcham.org/abigrouprating/ for further details		

¹Figures according to Directive 80/1269/EEC in the currently applicable version ²Mass of the vehicle in running order with at least 90% full fuel tank, plus the mass of the driver (estimated by law at 75kg), fuel and fluids, equipped with the standard equipment as specified by the manufacturer as well as, where applicable, the mass of the body, cab, trailer coupling and spare wheel(s) as well as tools. Optional extras, additional equipment and accessories can influence the weight, residual payload, rolling resistance, aerodynamics, etc., and therefore also affect the consumption/CO₂ values

Mercedes-Maybach S 680 4MATIC First Class

All measurements in millimetres. The dimensions shown are mean values and apply to standard-specification, unladen vehicles

--------	------------	--------	------------------------------	------------	--------------	-----------------	--------------------	----------------	------------------------

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate for each taxation band will apply. The table below shows the bands (A-M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions and the relevant Excise Duty are shown on the model pricing pages.

Band	CO ₂ emissions (g/km)	First year rate petrol and RDE2 diesel (£)	First year rate alternative fuel (£)	Electric vehicles		Alternative fuel vehicles		Petrol/diesel vehicles	
				Standard rate (£)	Premium rate (£) ¹	Standard rate (£)	Premium rate (£) ¹	Standard rate (£)	Premium rate (£) ¹
A	0	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00
B	1 to 50	10.00	0.00	0.00	0.00	170.00	560.00	180.00	570.00
C	51 to 75	30.00	20.00	0.00	0.00	170.00	560.00	180.00	570.00
D	76 to 90	130.00	120.00	0.00	0.00	170.00	560.00	180.00	570.00
E	91 to 100	165.00	155.00	0.00	0.00	170.00	560.00	180.00	570.00

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price
¹Premium rate only applicable to vehicles where the list price is over £40,000 including any factory-fitted options, standard UK delivery charge and VAT

Services and insurance

Mercedes-Benz ServiceCare

We believe that servicing costs should be as flexible and affordable as possible for your S-Class, which is why we offer ServiceCare, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz. With ServiceCare we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of all recommended service items including brake fluid, spark plugs, air filters, fuel filters and screen wash. You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects¹ and up to 30 years warranty against perforation due to corrosion from the inside out.² What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.²

Motor Insurance

We know that once you have chosen your Mercedes-Benz you can't wait to drive it – that's why we created First Cover³. It gives you 7 days' free comprehensive Motor Insurance when you buy a new or used vehicle from a Mercedes-Benz Agent. We will also send you a quote for annual cover, so you can enjoy the same peace of mind all year round.

[Apply for First Cover](#)

¹Applies to vehicles sold by Mercedes-Benz in the UK to its franchised Mercedes-Benz Agents ²Subject to full Terms and Conditions, dependent on date of registration, available upon request
³Terms and Conditions apply. We are an independent intermediary dealing with selected insurers in respect of annual insurance

Effective from July 2023 Production. Information correct at time of publication 02.05.2023.
