

# Dacia Sandero

The smarter **supermini**

# A bargain that **ticks all the boxes**

You need a family car. But that doesn't have to mean boring, bulky or beyond your budget. Nope – the New Dacia Sandero brings something new to the game. It's stylish, compact enough to whip around town, and surprisingly roomy inside.

As with all of our cars, you can keep the Sandero simple or jazz it up to your liking. We've got a range of trims, tech and features to make life easier and comfier.

# A little more about **our range**

Dacia fully supports the introduction of the new emissions testing procedure, called 'Worldwide Harmonised Light Vehicle Test Procedure' (WLTP). WLTP represents a positive change to provide consumers with fuel economy and emissions data which is more representative of the results you may achieve in real life.

# Be ready **for anything**

Modern life is mad. One day you're commuting in the city. Next day you're packing up for a family adventure weekend. Luckily, the Sandero can keep up with your lifestyle like a champ.

Its fluid lines, defined curves and new honeycomb grille are proof that affordable doesn't mean dull. While a choice of rigorously-tested engines and surprisingly robust suspension mean it's equally inspiring behind the wheel.

You can also relax with Hill Start Assist, ABS, **Electronic Stability Control** and front and side airbags, as standard. Everything you need for a smooth and peaceful ride.

Fancy chilling out with air conditioning? Or rocking out to your favourite tunes on DAB or your phone using Bluetooth®? It's all possible with your Sandero.

## Watch this **space**

Just how comfortable, roomy and practical can a supermini get? Step inside and see for yourself.

With five proper seats onboard, you'll find plenty of room for the whole family. The **split-folding rear seat** and **320 litre boot** mean there's space for all your stuff too. From a fortnight's groceries to the kids' sports kit, it'll all fit in – no sweat.

Keep your cool with **air conditioning** in the Ambience and Lauréate models. And don't worry too much about muddy paw prints or feet on the seats. The black cloth seats are as hard-wearing as they are comfortable. Or if you fancy a little bit of luxury, choose the Signature model with optional **leather seats**.

Of course, your safety is everything. That's why the Sandero comes with **four front airbags** as standard. Visual and audible warnings let you know if anyone's not wearing their seatbelt. And **child locks** help keep little ones safely where you can keep your eye on them.

## The tech **you need**

We don't do unnecessary nonsense. But we do let you pick from gadgets that keep you connected, safe and entertained in your **Sandero**.

Like DAB, FM and AM radio as standard in the Ambiance model. Or the handy AUX and USB inputs, for the times only your own tunes will do. If you need to make or take a call, do it safely with Bluetooth™ connectivity\*.

Add to all that our **Signature** model's 7" Touchscreen MediaNav system. Its SatNav with voice guidance makes light work of navigation. So you'll never get lost again, probably.

### Navigation

Provided by Navteq with vocal guidance.

### Radio

# The engine room

## Meet the boss under the bonnet

Just because your car is affordable, doesn't mean you have to compromise on engine quality. All our engines are rigorously tested, over 800,000 kilometres of test driving in fact. So you can relax every time you turn the key.

## Pick the engine for your lifestyle:

The **SCe 75** engine is great all-rounder

- 3-cylinder, 998cc engine offers you 75 hp and 6.2 - 6.3 (l/100km) combined, with CO<sub>2</sub> emissions of 141 - 142g/km\*.

For ultimate fuel efficiency and low CO<sub>2</sub> emissions, try the **Blue dCi 95** diesel engine.

\* WLTP figures shown are for comparability purposes; only compare figures with vehicle tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO<sub>2</sub> figures however for 2019 the CO<sub>2</sub> figures are based on the outgoing (NEDC) test cycle which will be used to calculate vehicle tax on first registration. The NEDC back translated CO<sub>2</sub> figures are available at your local dealer.

# We've got you covered

You might think our shockingly affordable prices mean our cars aren't made to last. Actually, the Duster is one tough cookie. To prove it, you get a 3-year\* warranty (or 100,000 km, if you reach that first). This means we'll repair or replace any defective parts for free. To keep the good times rolling, you can extend your warranty up to 5 years for a great price.

We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Duster will stay looking good-as-new for years to come.

## Roadside assistance

Although our cars are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in Europe. This offer also stands for the first 3 years/100,000 km<sup>†</sup> after you buy your new Dacia.

## Servicing

Just like most cars, you need to get your Dacia serviced every year (or 20,000 km if that comes first).

When the time comes, your local Dacia workshop is the place to go. With us you always get Dacia-trained experts, and original Dacia parts with a one-year warranty.
