MAYOR DEBOLD

LETTER TO RESIDENTS

Friends and Neighbors of Shorewood,

As always, I hope everyone is doing well, staying safe, and enjoying the last few weeks of winter.

In December, the Village introduced Shorewood's first-ever Holiday Market, and it was a huge success. If you missed it last year, don't worry, it will be back again the first weekend in December! Thank you again to everyone who helped in the preparation of this event, and everyone who was able to attend. It was amazing!

As we move into Spring, there are exciting events planned for families. We will be hosting two Easter egg hunts, along with Breakfast With the Bunny. Stay tuned to Facebook, and the Village of Shorewood website, for more information.

There will also be an Earth Day celebration, and another Memorial Day event. Last year's Memorial Day event was a great tribute to those who lost their lives serving our country, and we will continue with another ceremony again this year. More information regarding the exact day and time will be forthcoming.

Finally, the Village recently acquired an additional 32 acres of park space in River Crossing, along the DuPage River. As soon as spring-like weather arrives, we will be cleaning up that area, and seeding the site. This is a fantastic opportunity for our community.

The new year is off to a great start, and I look forward to all upcoming events in our Village!

Kind Regards,

Clarence "CC" DeBOLD

VILLAGE UPDATES

VILLAGE RECEIVES FINANCIAL AWARD

Shorewood's Fiscal Year 2021/2022 budget has received the Distinguished Budget Presentation Award from the Government Finance Officer's Association of the United States and Canada. This is the thirteenth consecutive year that the Village has received this award recognizing the commitment to meet the highest principles and standards of governmental budgeting.

VILLAGE HIRES NEW CHIEF OF POLICE

CHIEF OF POLICE

Phillip Arnold | parnold@vil.shorewood.il.us

Chief Arnold was hired as the new Chief of Police after Chief Klima's transition to Village Administrator. He is the fourth Chief of Police in the Village of Shorewood's history. He joined the Village of Shorewood Police Department after 7 years serving as Chief of Police for the Village of Wilmington. Chief Arnold also has served on a plethora of committees, task forces, and councils including the Illinois Motor Vehicle Theft & Insurance Verification Council where he was recently appointed by Secretary of State Jesse White to serve a four year term.

VILLAGE NAMED TREE CITY USA

This is the 14th year that the village has received this recognition from the Arbor Day Foundation.

Recognition is achieved by meeting four requirements: A tree board or department, a tree-care ordinance, an annual community forestry budget of at least \$2 per capita and an Arbor Day observance and proclamation.

SHOREWOOD PROMOTES EMPLOYEES

Congratulations to employees who have accepted new positions within the village.

Mark Dudash

Building Services | Chief Building Official
formerly Building Services: Assistant Building Official

Natalie Engel

Community Development | Economic Development Director
formerly Community Development: Village Planner

Danielle Malone

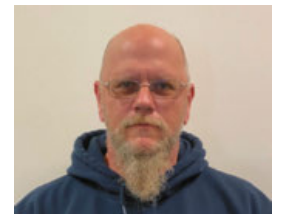

Police Department | Sergeant
formerly Police Department: Patrol

SHOREWOOD WELCOMES NEW EMPLOYEES

PUBLIC WORKS: MAINTAINER I

Dave Anderson | danderson@vil.shorewood.il.us

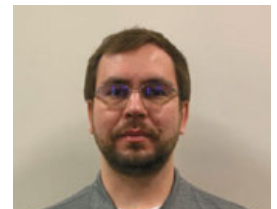

Dave started with the Village Public Works Department on December 28th, as a Public Works Maintainer I. He comes to us with some light mechanical background and already has a CDL which proved beneficial during this year's snow season.

IT SPECIALIST

William McCluskey | wmccluskey@vil.shorewood.il.us

William started with the Village of Shorewood as the new IT Specialist on February 14th. Most recently he has worked with both the Channahon Park District and the Channahon Fire Protection District with number of responsibilities in the information technology spectrum.

SEASONAL REMINDERS

Spring Hydrant Flushing

Hydrant flushing dispenses minerals and sediments that have settled in the pipes over time. Flushing also helps verify the proper operation of fire hydrants.

If you experience rusty water, please let your water run in order to clear the rust. It also is recommended not to wash clothing during this time. Packets to remove the rust from your clothing are available at Village Hall free of charge.

Hydrant Flushing Spring 2022 will be

April 4 - April 15

(Weather Permitting)

Splash Pads

Looking for a fun way to beat the heat this summer? Did you know there are three FREE splash pads in town? Check them out at Towne Center Park, Wynstone Park, and Westshore Park!

Splash Pads will be open

Memorial Day - Labor Day

10:00 am - 8:00 pm

Village Wide Cleanup Day

During this cleanup, unlimited amounts of household waste refuse material including bulky items like furniture, mattresses and junk will be picked up on our regular pick up day.

Village Wide Cleanup Day 2022 will be

Tuesday, April 26

OUTDOOR WATER USE RESTRICTIONS

Water conservation is something everyone should practice. Except for the air we breathe, water is the single most important element in our lives. It's too precious to waste.

In an effort to conserve water for fire protection, health and environmental reasons, the Village of Shorewood asks for your cooperation in complying with the following regulations:

DAYS: Addresses ending in even numbers may water on even number calendar days. Addresses ending in odd numbers may water on odd number calendar days. This applies year round including weekend and holidays.

HOURS: 6:00 am to 10:00 am & 6:00 pm to 10:00 pm

HAND HELD HOSE WATERING: 6:00 am to 10:00 am & 6:00 pm to 10:00 pm

NEWLY SODDED AND SEEDED LAWNS: A permit to water your lawn for newly sodded or seeded yards can be obtained through Water Utility Billing located in the Finance Department. These permits are valid for two weeks and allow you to water outside of the odd/even permitted days. No permits will be issued between June 15 and September 15. Permits must be displayed in a window.

WATER CONSERVATION AT HOME

Top 10 Water Conservation Tips

Ways To Incorporate Water Conservation In Your Home

1. **Purchase and install WaterSense labeled toilets.**
2. **Don't let the water run when brushing your teeth, washing your face or shaving. Most of it will be wasted. Just take what you need and save the rest.**
3. **Control your irrigation.**
 - Ensure the direction of water is maximized as well as adding auto features for on and off.
4. **When loading your dishwasher or washing machine, make sure that you are filling them up. Running a cycle through one larger load saves more water than running multiple, smaller loads.**
5. **If everyone in the U.S. flushed the toilet just one less time per day, we could save a lake full of water about a mile long, a mile wide, and four feet deep..... Every day!**
6. **Check for leaks. A faucet drip of only two tablespoons a minute is equal to 105 gallons of water in a week.**
7. **Do your lawn sprinkling early in the morning, between 6:00 am -9:00 am. After 10:00 am, both heat and evaporation increase, robbing the lawn of moisture.**
8. **Purchase a cover for your pool or hot tub. Making sure your pool or hot tub is covered when not in use can help reduce evaporation.**
9. **Landscape for water conservation.**
 - Try the concept of Xeriscape which means "landscape for water conservation."
10. **Be Smart. Example: When cleaning your fish tank, use the dirty water to water your house plants. The water is rich in nitrogen and phosphorous.**

Sewer Dumping

Please help keep water clean by refraining from dumping anything down sewer grates. The sewer grates drain directly into rivers, streams and ponds.

Does your home have an irrigation system?

Did you know that you are required to get an RPZ [Backflow Assembly] test annually whether you use it or not?

Spring is the best time to have this done!

Studies have found that the most common cross-connections come from irrigation systems since water can accumulate by the sprinkler heads. If there is a loss in water pressure, water could be sucked back through the pipes bringing any chemical fertilizer, pesticides, animal waste or other bacteria and parasites that were on the ground, back into your plumbing system.

Don't forget to submit the test results to the village's consultant, BSI, it's required by the state.

Native Plantings

Tired of having your water bill go up every summer?

Try incorporating native species into your home landscaping. Plants native to this area have evolved in order to best withstand this climate.

Planting natural species will not only cut down your water bill, but also the amount of time you spend doing yard work. These plants do not need to be fertilized and mulching with wood chips helps to keep the weeds away!

Did You Know?

There is as much water in the world today as there was thousands of years ago. Actually it's the same water!

Nearly 97% of the world's water is salty or otherwise undrinkable. Another 2% is locked in icecaps or glaciers. That leaves just 1% for ALL of humanity's needs!

The United States alone uses some 45 billion gallons of water every day. Only about 6% of that, 27 billion gallons, is taken by public water supply systems.

Indoor water use varies from family to family but they average out pretty reliably. Nearly 40% gets flushed down toilets, more than 30% is used in showers and baths, laundry and dishwashing take about 15%, leaks claim 5% or more, which leaves 10% for everything else.

A MESSAGE FROM THE POLICE DEPARTMENT

The Spring and Summer months are rapidly approaching and with this comes time for people to emerge from their winter activities and spend time outdoors. This includes children who will be more likely to enjoy outdoor activities. Motorists need to be aware that while school is still in session. Also, the likelihood of children playing or riding bicycles outside when the weather improves is higher and so is the risk of tragedy. Drivers are asked to be more aware of their surroundings and obey all speed limits and traffic laws, particularly when traveling through neighborhoods or near schools.

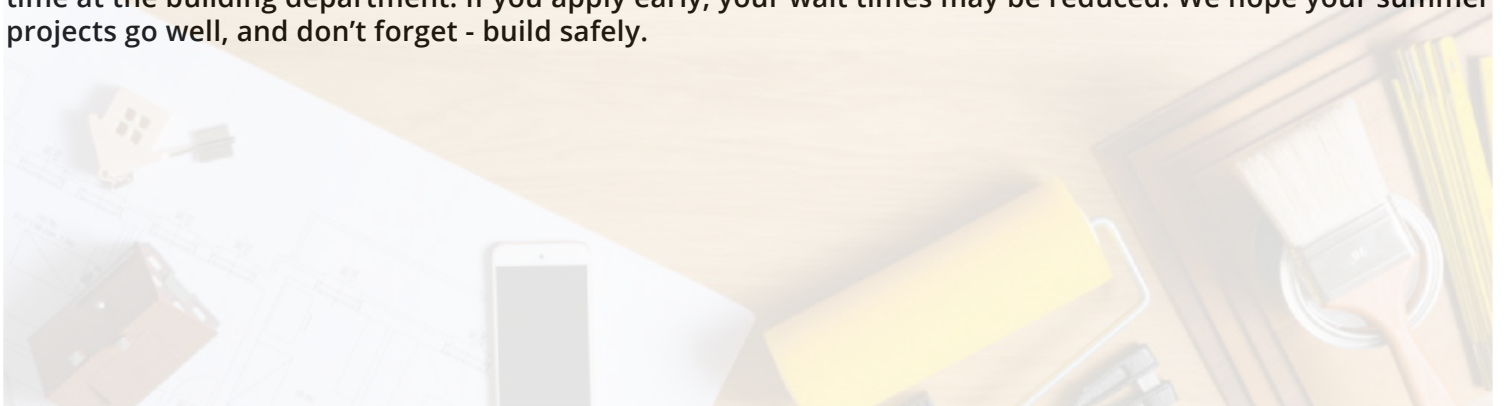

This season is also a good time to remind drivers not to be distracted or use their cell phones while driving. The State of Illinois and the Illinois Department of Transportation have designated April as Distracted Driving Month. This is a time of year where these groups partner with local law enforcement to make the public aware of the dangers of distracted driving. The Shorewood Police will be conducting increased education and visible enforcement during this time to aid in preventing this behavior.

HOME PROJECT REMINDERS

The warmer weather will bring many new projects for all of us around the house. This is a time to clean gutters so that they do not overflow and leak into basements. Downspouts should not be aimed at neighboring properties. Also, if your home has a crawl space, this is a good time to make sure the vents are open for air circulation and to reduce moisture. With all of the rain so far this year, lawns are growing faster than previously. Village Ordinance requires grass to be no more than 10 inches in length. If your lawn is getting close, you may receive a Notice of Visit. This is not a ticket, but a friendly reminder. There are a number of vacant properties in town. We are trying to stay on top of them. If you notice the grass hasn't been cut, please notify us at the Community Development Dept. at 815-553-2310. Also, if the grass in the rear yard is long, we need to be notified, as this is not always visible from the street.

Many property owners are considering building improvements this time of year. The reason a building permit is required is to protect building occupants, neighbors, future buyers and anybody that enters the building. Inspection(s) are included with each permit to communicate the acceptability of the construction work.

The building department requires a building permit for many projects around the house, roofs, siding, patio and sheds to name a few. A permit is not required for cosmetic work, such as painting and decorating, or ceramic tile; if you are not sure if you need a permit, call the Building Department at 815-553-2310 to inquire. A homeowner or contractor can make application for a permit. Permits can be attained by visiting our website at www.vil.shorewood.il.us Applications are available online. The requirements for each project are listed on the applications. You can submit applications online to permits@vil.shorewood.il.us Feel free to drop your application off in person, or you can mail regular mail. June through September is the busiest time at the building department. If you apply early, your wait times may be reduced. We hope your summer projects go well, and don't forget - build safely.

COMPREHENSIVE PLAN UPDATE

The Village is in the process of updating its Comprehensive Plan. This plan will help to shape the future of the Village. It will identify the community's goals and will provide a roadmap for how to achieve them. The Plan will include a Parks & Recreation Master Plan and will address community branding.

Have you ever found yourself wishing that Shorewood had certain amenities, housing types, or businesses? Do you have a vision for what would make Shorewood the perfect place for you and your family? Now is the time to share the ideas, to turn those dreams into reality!

There will be several opportunities for residents and business owners to get involved with Designing Shorewood. Visit the DesigningShorewood.org website to read about the plan, to provide comments, to share a concern or suggestion on the idea map, and to learn more about open houses and other ways you can participate.

Comprehensive planning sets a community's vision for the future and serves as a guide for economic sustainability. The Plan is a tool to manage growth, respond to the evolving economy, and inform public policy and investment.

WANT TO GET INVOLVED & LOOKING FOR WAYS?

PARTICIPATE IN-PERSON

Join us for an open house on Thursday, March 31st at 6:30 pm. We want to hear from you! Come share your ideas for designing Shorewood's future! All attendees will be entered for a chance to win one of several raffle prizes including gift certificates to local businesses, a digital picture frame and Apple Air Pods Pro!

Open House
Thursday, March 31st
6:30 pm - 8:00 pm
Village Hall

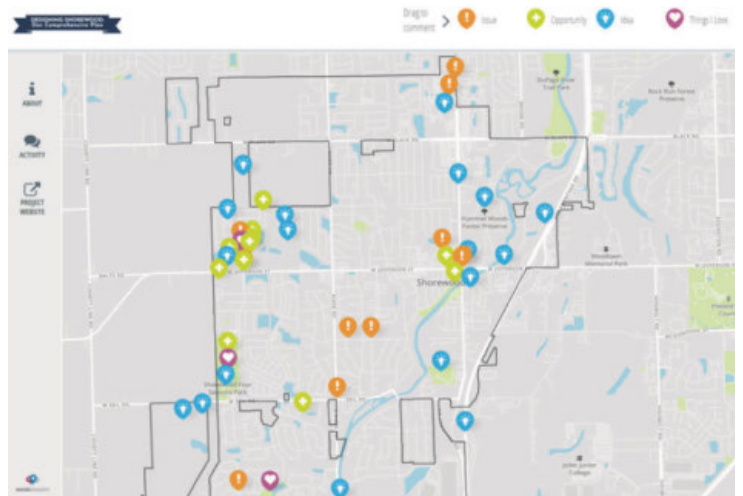

The Comprehensive Plan is a long-range strategy that will guide Shorewood's future development and address Village needs about housing, commercial areas, industrial uses, and economic development. It will also evaluate transportation and infrastructure requirements and include a Recreation Master Plan.

The Village has selected Teska Associates, Inc to lead the process. They are a planning and landscape architecture firm, based out of Evanston and Plainfield, with extensive experience in municipal comprehensive planning and parks planning. The engineering firm of Baxter & Woodman will assist with transportation, infrastructure and sustainability planning. Wohltgroup will direct the development of the branding and marketing campaign.

PARTICIPATE ONLINE

The Ideas Map function on DesigningShorewood.org allows residents to share thoughts and ideas and to post photos about different areas in the Village. Visit the website to participate and to hear what your neighbors are thinking.

FAQS ABOUT THE PROJECT

What is a Comprehensive Plan?

The Comprehensive Plan is a long-range strategy that will guide Shorewood's future development and address Village needs about housing, commercial areas, industrial uses, and economic development. It will also evaluate transportation and infrastructure requirements and include a Recreation Master Plan.

Do we have a Plan now?

Shorewood's current Comprehensive Plan was adopted in 2007, which was prior to the Great Recession. As many economic factors have changed since adoption of the plan, and the Village has grown and changed, the Village Board decided to complete a new Comprehensive Plan that reflects current market realities.

Why do we need a Comprehensive Plan?

Comprehensive planning formalizes and communicates a community's vision for its future, which serves as its guide for economic sustainability. Specifically, the Plan is a tool to manage growth, respond to the evolving economy, and inform public policy and investment. A Comprehensive Plan is essentially a community's investment guide for the private and public sectors.

What does the Village hope to gain through this process?

Through this process, the Village hopes to achieve the following:

- Provide Continuity – give future Village Boards and officials a common framework for addressing development and land use issues over time.
- Balance Competing Interests – evaluate the community as a whole in order to create orderly and rational development patterns.
- Protect Public Investments – promote system expansion as part of orderly and phased development.
- Preserve Valued Resources – plan for the enhancement or protection of natural resources by future development.
- Shape the Appearance of the Community – establish policies and guidelines that foster a distinctive sense of place.
- Promote Economic Development – clearly communicate Shorewood's expectation as it relates to economic sustainability.
- Validate Decision-Making – provide a factual basis by which the community can make sound zoning decisions.
- Build Community Consensus – encourage public support for a collective vision that provides clarity and consensus when proposed projects are consistent with the plan.
- Build Community Capacity – engage residents, business owners and other partners and empower them to participate in carrying out Shorewood's shared vision.

What are the topics?

The Comprehensive Planning process will begin with an evaluation of existing conditions including the built environment, the market, and residents' opinions. Recommendations will be made as part of an overall implementation strategy relating to the following topics:

- Community Vision, Identity, Marketing
- Housing – Housing Types, Design
- Commercial – Retail, Offices, Restaurants
- Industrial – Opportunities, Jobs, Logistics
- Parks, Recreation & Open Spaces
- Transportation & Infrastructure
- Economic Development
- Sub-Area Planning

Continued on page 12

12 • SPECIAL EVENTS

FAQS ABOUT THE PROJECT

What's the process?

The Comprehensive Planning process takes approximately 14-16 months. We are finishing up the first phase which includes data collection and community feedback. A draft plan and subarea plans will be prepared and the community will be invited to provide additional feedback. Once the vision is refined, the final plan will be prepared for review by the public, and formally considered at a Planning and Zoning Commission meeting before being adopted by the Village Board.

What is a subarea?

Some parts of the Village, and areas that may be part of the Village in the future, have development and design opportunities. The Plan will focus on more detailed suggestions for these subareas, relating to what development could look like there and how to best serve the Village. For this Comprehensive Plan, subareas to be evaluated and planned for are:

- I-55 corridor from US 52 to Black Road,
- IL Route 59 corridor from DuPage River to I-55 interchange,
- Earl Road and Geneva Street area,
- Mound Road to I-80 from railroad tracks to River Road, and
- Ridge Road at US Route 52.

Shorewood Summer Camp

Shorewood Summer Camp strives to provide a fun, safe and affordable summer recreational series for our local residents. This year's summer camp is designed to intrigue and captivate with activities to challenge physically and mentally providing an all-around recreational experience. The camp will build off of the interests of the kids to make sure it is an enjoyable experience for all. On Thursday, the camp will be held at Wynstone Park with a splash pad and don't worry there will be plenty of other activities if you do not wish to partake in the splash pad! Summer Camp registration will be completed through the Village of Shorewood's registration website.

Days: Tuesday, Wednesday, and Thursday (Fridays for Make-ups)
 Dates: June 7-August 11 (30 total days)
 Times: 9:00 am-12:00 pm
 Ages: 5-11 years old
 Fee: Entire Summer: \$310R/350NR
 Each additional sibling: \$280R/\$320NR
 Flex Pass: \$200R/\$220NR (Pick any 5 weeks)
 Flex Pass additional week: \$40R/NR

Locations: Cene's Four Seasons Park, Wynstone Park and Towne Center Park.
(Subject to change depending on weather)
 Deadline: May 23
 Min/Max: 10/35 campers.

Most of camp will be held in an outdoor setting. The only times we will bring the campers inside is for safety reasons due to severe weather. We pride ourselves in keeping all the campers safe and protected. We would like to have all parents have a reliable email address to be notified of any changes.

Registration website: <https://shorewoodil.recdesk.com/Community/Program>

-----	--------	----------------	-------

PARK AND RECREATION POLICIES

GENERAL INFORMATION

Per Village of Shorewood Policy, a service charge of \$25.00 will be incurred by the registrant for checks returned for insufficient funds.

Attendance in class is limited to registered participants only. Parents and siblings are not allowed in class unless otherwise stated. Recreation programs are designed for specific age groups. Participants must be the age designated in the class description before the course begins. Birth Certificates may be required.

BROCHURE CHANGES AND ERRORS DISCLAIMER

Occasionally, there may be an error that appears in print or online regarding registration dates, times, fees or other information. When such errors occur, the Village of Shorewood will do everything possible to correct the situation promptly. We thank you for your patience and understanding when these situations arise.

REFUND AND TRANSFER POLICY

Refunds will be given to participants if any class or program is cancelled by the Village of Shorewood. Refund requests may be granted to those participants who contact the Parks and Recreation Department at least 1 day prior to the scheduled course/event deadline. Course transfers may only occur if the funds will be put towards another class within that brochure season.

All refunds are issued by check. Refund checks are approved by the Village Board during their two monthly meetings.

WAIT-LIST POLICY

Wait-lists are formed when registration for a program has reached its maximum. If space becomes available, participants are removed from the wait-list and enrolled into the program.

Most events and programs have a Minimum and Maximum. In order to make sure you have a spot, be sure to register as soon as possible.

Our programs and events fill up quickly!

Don't wait, register today!

EQUAL ACCESS

No participants shall, on the basis of race, sex, creed, national origin, or disability, be denied equal access to programs, activities, services or benefits, or be limited in the exercise of any right, privilege, advantage, or opportunity.

RESIDENCY REQUIREMENTS AND BOUNDARIES

A Village of Shorewood Resident is described as a person whose legal domicile is within the boundaries of the Village of Shorewood. Residency is the principal place of habitation of the individual occupying the home, apartment, condominium, or estate. It shall be the principal yearly residence for the family residing at that location. The resident must be able to produce a valid driver's license or state I.D., and a current property tax bill or voter's registration card verifying residency at that location if requested.

REGISTRATION OPTIONS

Walk In

Walk in registration is processed at Shorewood Village Hall in suite 201. Office hours are Monday-Friday from 8:00 am until 4:30 pm.

Online Registration

Registration can be done online at this URL:

<https://shorewoodil.recdesk.com/Community/Home>

Drop Box

For your convenience, if you are not able to get to our offices during normal working hours, there is a drop box located in the rear/east side of Village Hall.

Please make checks payable to Village of Shorewood. Confirmation information will be mailed or emailed.

By Mail

Mail your completed registration form to: Parks and Recreation, One Towne Center Blvd. Shorewood, IL 60404. Payment must be made by check. Please make checks payable to Village of Shorewood. Confirmation information will be mailed or emailed.

PHOTO & VIDEO POLICY

The Village of Shorewood staff, or approved photographers, may take photographs of participants enrolled in Village programs, special events, or those utilizing our parks. These photographs or videos may be used in our brochures, fliers, social media, or website. No identification will be used in Village publicity materials, and all photographs and video are property of the Village of Shorewood.

RECREATION AND EVENT COORDINATORS

Village of Shorewood Parks and Recreation Waiver and Release of All Claims

The above participant agrees to obey all programs rules and regulations as well as the Park and Recreation Supervisor of the Program. As a participant in this program, I recognize and acknowledge that there are certain risks of physical injury and I agree to assume the full risk of any injuries, including death, damages or loss which I may sustain as a result of participating in any and all activities connected with or associated with such program. I agree to waive and relinquish all claims I may have, as a result of participation in the program, against the Village of Shorewood, it's officers, agents, servants, and employees. I do hereby fully release and discharge the Village of Shorewood and its officers, agents, servants and employees from any and all claims from injuries, including death, damage or loss which I may have or which may occur to me on account of my participating in the program. I further agree to indemnify and hold harmless and defend the Village of Shorewood and its officers, agents, servants and employees from any and all claims resulting from injuries, including death, damages and losses sustained by me and arising out of, connected with, or in any way associated with the activities of the program. I have read and fully understand the above program details and Waiver and Release of All Claims. Before registration in this program is valid, the Waiver and Release of All Claims must be signed by the participant. Where the participant is under 18 years of age, the Waiver and Release of All Claims must be read and signed on behalf of the participant by their parent or legal guardian.

Participant's

or Parent (Guardian) Signature: _____ Date: _____

(Parent (Guardian) required if participant is under 18 years of age.)

By registering for any Parks and Recreation activities, you agree to allow publication of any photos taken at programs, or events sponsored by the Village of Shorewood Parks and Recreation Department.

How you like to live

The truth about Cedarhurst. Cedarhurst creates communities faithful to one big idea: Every person should feel loved, valued, supported and able to safely live life to the fullest. Discover senior living that unflinchingly respects every individual.

The Cedarhurst Promise.™ We promise. If you're not satisfied and decide to move out within your first 60 days, we'll give you a complete refund.*

Call now (630) 528-2858 to schedule your tour.

4040 Cannonball Trail • Yorkville, IL 60560
CedarhurstYorkville.com • Assisted Living & Memory Care

*Cedarhurst Promise™ program is only available at advertised community. Not applicable for respite or other short-term stays. Refund is available only if move out is a result of dissatisfaction with Cedarhurst community as documented throughout stay. Complete refund includes base rent, level of care charges, and community fee. Ancillary services fees (ex. additional transportation, pet fees and laundry charges) do not qualify for refund. Additional terms and conditions may apply. Please contact community for additional details. Void where prohibited.
