Credit Card Information

Annual Percentage Rate for Purchases	The rate is variable, as described herein. The variable rate, if calculated today (July 1, 1997), based on the current Prime Rate of 8.5%, would be 17.99% APR.
Variable Rate Information	Your annual percentage rate (APR) may vary. The rate will be adjusted monthly and will be determined by adding a Margin to the Index. The Index will be the highest Prime Rate published in the "Money Rates" section of <i>The Wall Street Journal</i> on the first business day of the month in which the billing cycle begins. The Margin will be 9.49%. However, if your account becomes 30 days past due or is closed because of default, the Margin will be 13.49%.
Grace Period for Repayment of the Balance for Purchases	If you pay your previous balance in full on or before the due date shown on your previous statement, you will have a grace period on purchases of 25 days (from the statement closing date to the payment due date).
Method of Computing the Balance for Purchases	Average Daily Balance (including new purchases)
Annual Fees	None
Minimum Finance Charge	\$.50
Transaction Fee for Cash Advances, and Fees for Paying Late or Exceeding the Credit Limit	Transaction Fee for Cash Advances: greater of \$4.00 or 4% of the amount of the cash advance. Late Payment Fee: \$20.00 each time a payment is late. Over-the-Credit-Limit Fee: \$20.00 each month the balance exceeds the credit limit.

The rate for cash transactions will be a variable rate equal to the Prime Rate plus 13.49%. Based on the Prime Rate of 8.5% as of July 1, 1997, the rate for cash advances would be 21.99% APR. However, if your account becomes 30 days past due or is closed because of default, the Margin on cash transactions will be 17.49%. Based on the current Prime Rate, that would be 25.99% APR.

The information about the costs of the credit card described in this application is accurate as of July 1, 1997. This information may have changed after that date. To find out what may have changed, write us at: Associates National Bank (Delaware), P.O. Box 15687, Wilmington, DE 19850-5687.

* Your account must remain open and in good standing in order to earn or receive the rebate. The maximum rebate you can earn is \$20 per billing statement; \$100 per calendar year. Certain other restrictions apply. Please see the Rebate Terms and Conditions accompanying the credit card.

New York Residents: Consumer reports may be requested in connection with the processing of the enclosed application and any resulting account or update, renewal, or extension of the account. Upon your request, we will tell you whether or not a consumer report was requested and the names and addresses of any consumer reporting agencies that have provided us with such reports.

Ohio Residents: The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy consumers and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance within this law.

Wisconsin Residents: Wisconsin law provides that no provision of any marital property agreement, unilateral statement, or court decree applying to marital property will adversely affect a creditor's interests unless the creditor, prior to the time credit is granted, is furnished with a copy of the agreement, statement, or decree, or has actual knowledge of the adverse provision when the obligation to the creditor is incurred.

Phone Information & Instructions

Campus and Local Calls

Phones allowing free on-campus calls are located throughout the Twin Cities campus. You cannot reach numbers outside the University system from these phones, but pay phones are available in most University buildings.

Long-Distance Calls

For faculty and staff, the quickest and least expensive methods for placing University business calls are dialing direct or using a University Personal Authorization Code (UPAC), available from Networking & Telecommunications Services (NTS). Students living in residence halls can request a Personal Security Code (PSC) from NTS Student Services (625-3275). Both UPAC and PSC numbers allow you to make long-distance calls from campus phones.

Calling cards for placing University business-related calls from off-campus phones are available from Networking & Telecommunications Services. Order calling cards on an NTS service request form or visit our Web site: <http://www.nts.umn.edu>.

Personal long distance calls must be charged to a personal home telephone number or personal calling card. Charging personal calls to a University telephone is a violation of University policy and constitutes avoidance of state and federal taxes.

Telephone Assistance

To report problems with telephone or network service at the University, call Networking & Telecommunications Repair at 625-0006, available 24 hours a day.

NTS Student Services provides telephone-related assistance to students Monday through Friday, 8:30 am to 5:30 pm, at 625-3275.

For further information or assistance, call NTS User Services at 626-7800, available Monday through Friday 9 am to noon and 1 pm to 4 pm. Our Web site address: <http://www.nts.umn.edu>.

Emergencies

Outdoor telephone kiosks (with blue light on top) are for emergency use only. These connect you directly to the University police at the touch of a button.

Dialing 9-1-1 from any University telephone will connect you to the University police, who provide emergency assistance to the Twin Cities campus.
