

# EXPERTS IN SPECIALIST CIVILS PRODUCTS AND SOLUTIONS

LEADING CIVILS PARTNER FOR THE UK CONSTRUCTION INDUSTRY

# SPECIALIST SERVICE

## PROUD TO SUPPORT THE UK CONSTRUCTION INDUSTRY

We support Britain's construction projects through local, regional and national expert knowledge, specialist civils products and solutions and technical expertise.

From new roads and railways, retail centres and housing developments - and everything in between, we support industries that touch every part of people's lives the length and breadth of Britain.

**We pride ourselves on offering a specialist service that our customers can depend on. Our commitment to delivering our customers' every civils need and our ability to respond underpins all our actions.**

DEAN PINNER, MANAGING DIRECTOR

# NATIONAL AND LOCAL EXPERTISE

## EXPERT TEAMS

Our colleagues are the core of our business. They have expert technical knowledge and strive to deliver excellent customer service every single day.

## OUR COLLEAGUES MATTER

We invest seriously in training and development to make sure every colleague has the right skills, knowledge and tools for the job.

It matters that we have an inclusive and diverse workforce, and we encourage young people from all backgrounds to start careers in civils.

## DEVELOPING OUR TEAMS

We offer development and apprenticeship journeys for our branch, sales and commercial teams. It allows us to improve our service to our customers and be a leading employer of choice within the construction industry.

# TRUSTED BRANCH NETWORK

## WORKING FOR YOU

We offer the UK's widest in-stock civils product ranges. Our branches collaborate with regional and national teams to deliver the fastest product-sourcing for customers wherever they are.

## TRUST US TO DELIVER

With a network of regional teams, over 40 local branches and a specialised fleet at our disposal, customers know that wherever they are, we can supply all the civils products and solutions they need.

## COMMITTED TO CUSTOMER SERVICE

We're passionate about supporting your project - whether it's supplying products, managing lead times or finding new ways of working and new solutions - the whole team - from branch to national office - is behind you.

Every single day,  
we're trusted to supply  
specialist civils solutions

# TRUSTED TO DELIVER

## A SPECIALIST FLEET

We know the importance of a safe, fast and reliable service - we have an industry-leading transport planning system designed to meet our customers' needs. Supported by a nationwide fleet of specialist civils vehicles - all with FORS Gold accreditation, our delivery service offers operational excellence.

## FORS GOLD ACCREDITATION

Achieving the FORS Gold accreditation is proof of our commitment to reducing our environmental impact as a fleet operator and to maintaining the safety of our colleagues, customers and other road users.

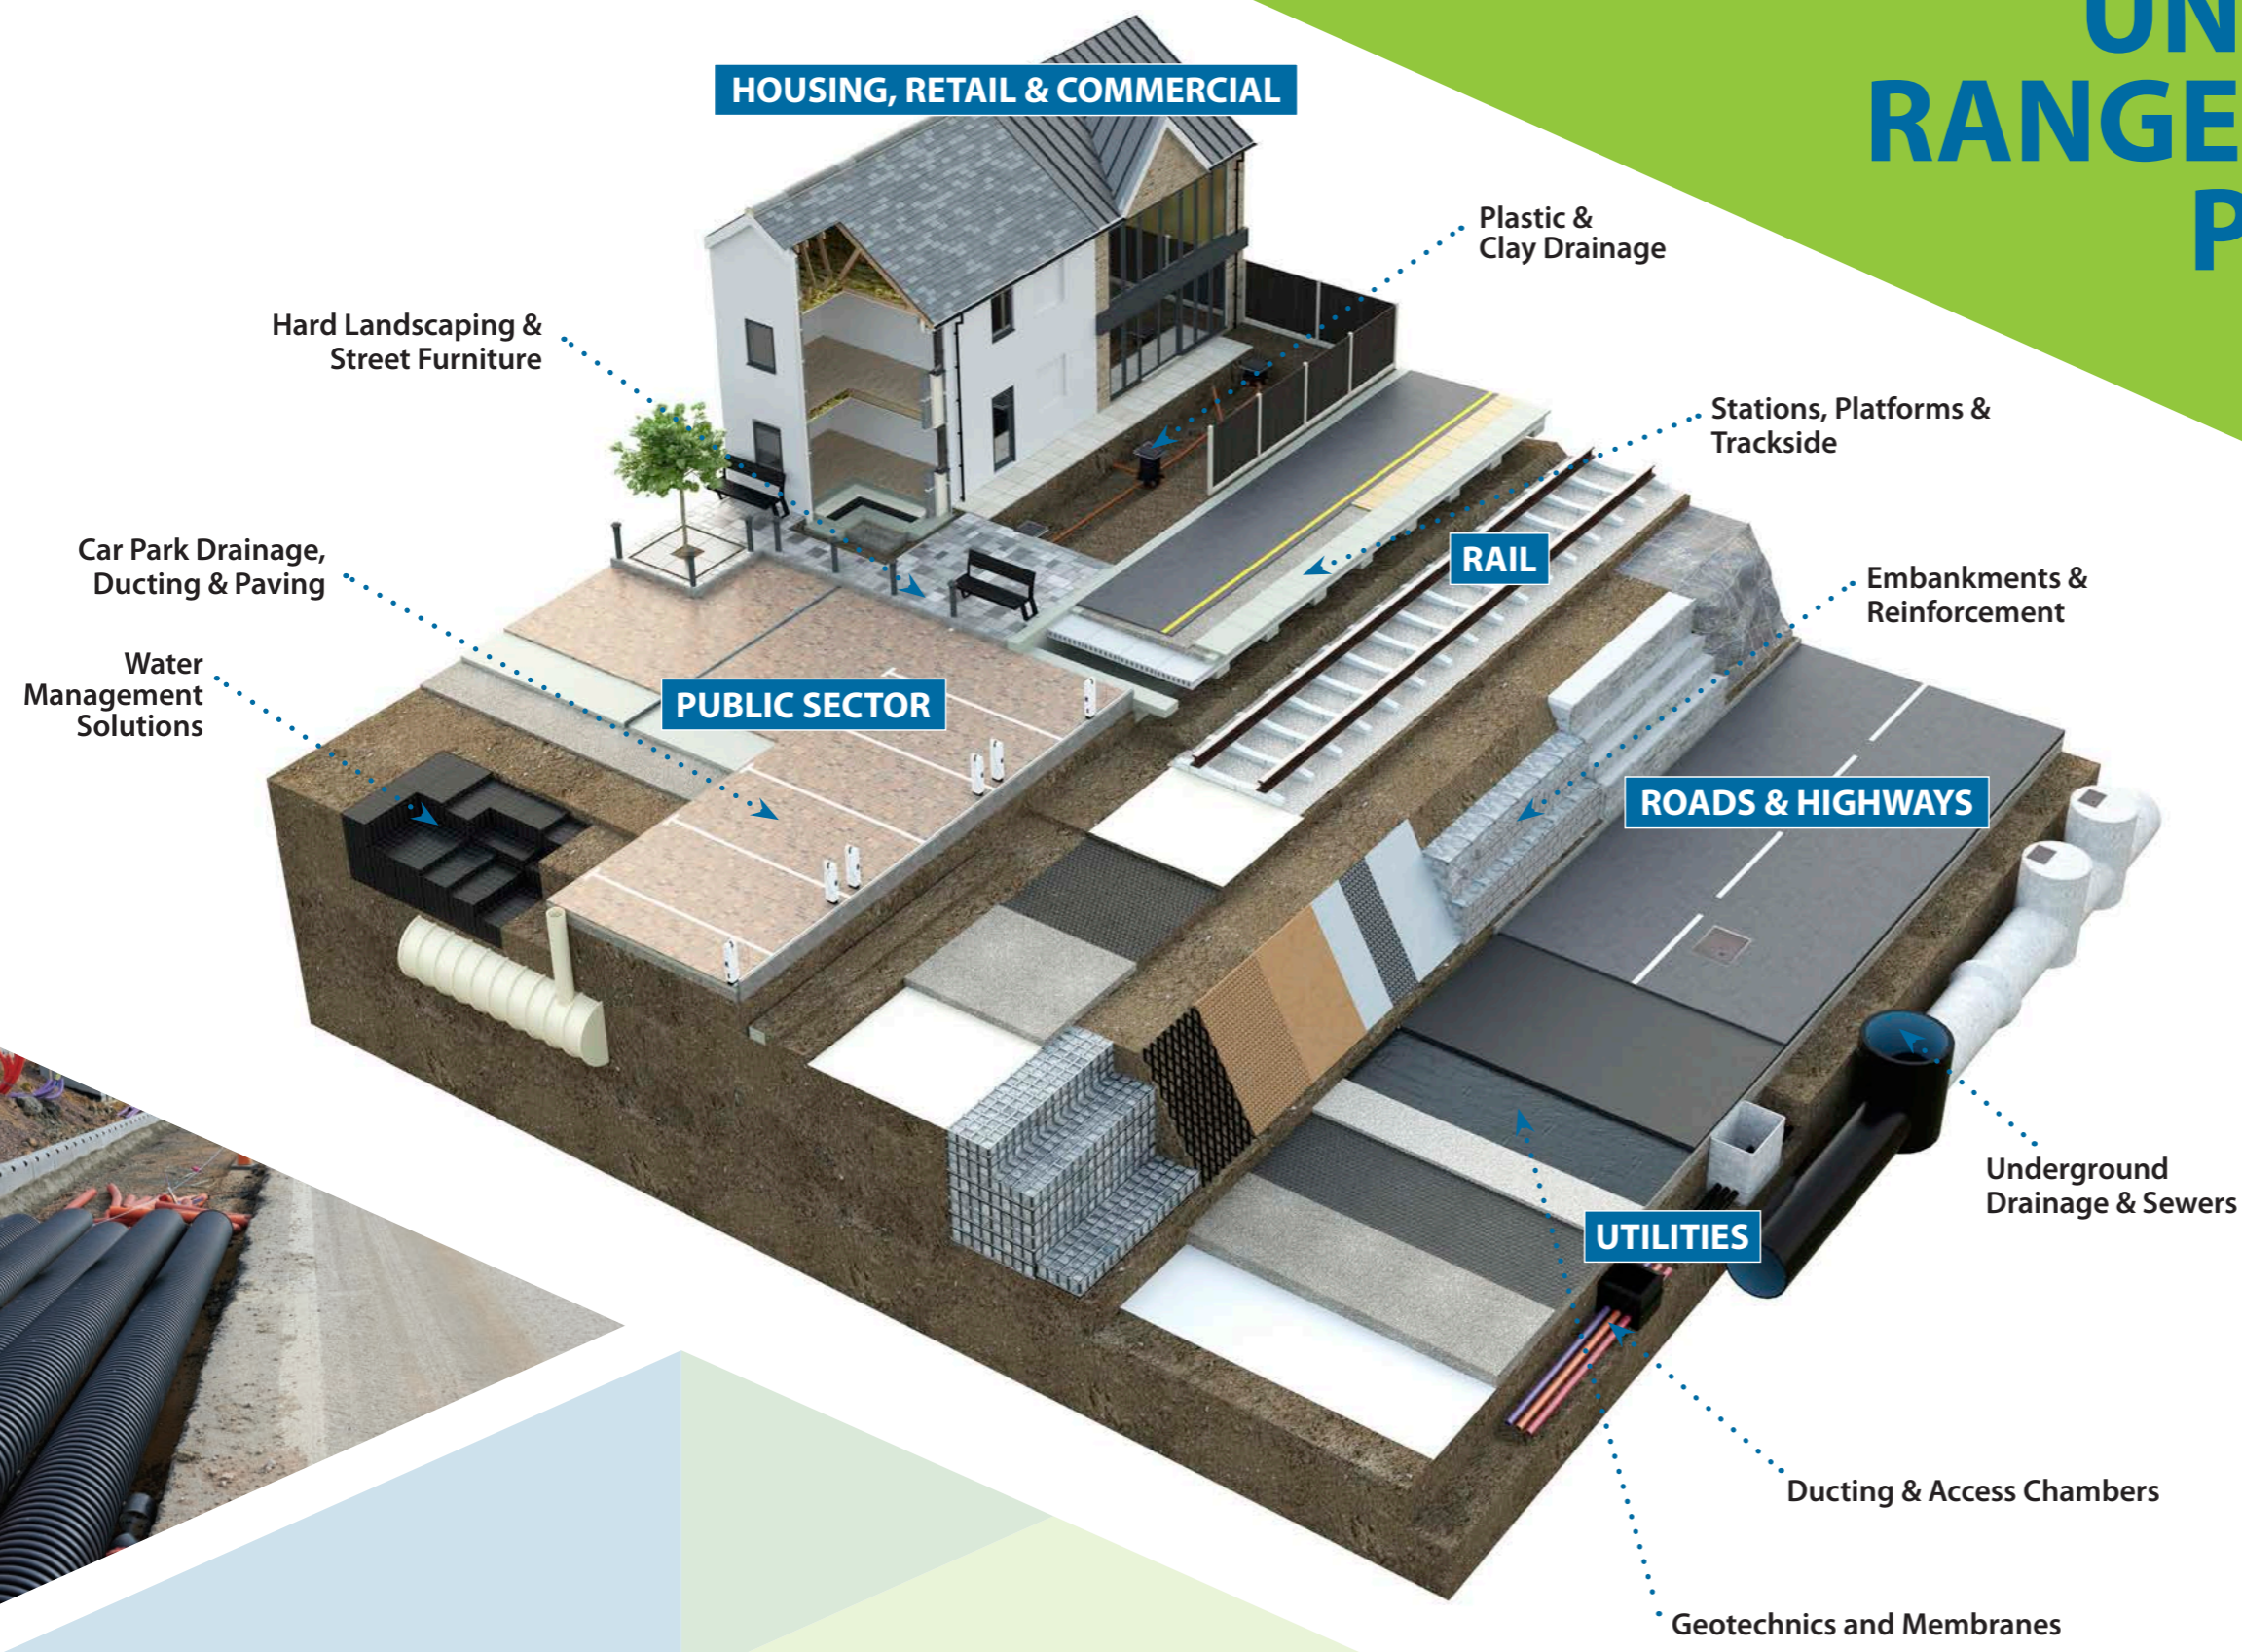

## TRACKING DELIVERIES

Our customers rely on us to deliver large civils products safely and on time. Electronic notification and live tracking allow customers to get on with their day, confident we can be trusted to deliver what we say we will, when we say we will.

SPECIALIST CIVILS SOLUTIONS

# THE LEADING CIVILS PARTNER

## FULL PROJECT MANAGEMENT

As the UK's leading civils partner we are committed to bringing significant benefits to our customers' projects at every stage.

We reduce time and costs by supporting the tender process, offering technical support and identifying solutions that will benefit projects.

Whether it's for a new A road, additions to utilities networks or an extension to the national rail infrastructure, expect full project management with exceptional performance for quality, efficiency, health and safety, sustainability and collaboration.

**Keyline became an extension of our organisation and added real value to the project. The team's experience, support and hard work throughout was a key part of why we were able to deliver the project on budget and ahead of schedule.**

TIM MASKELL, SENIOR BUYER, A14 INTEGRATED DELIVERY TEAM

**We offer integrated solutions including design, ESG compliance and training**

# A SAFETY LEADER

**Our Health and Safety management meets the highest standards in the industry**

## THE HIGHEST SAFETY STANDARDS

We prioritise safety for our teams, our customers, suppliers, and those in the communities that we serve - and if we see something unsafe, we'll deal with it.

Our Health and Safety management meets the highest standards in the industry. And to maintain our exceptional safety record, we involve all of our colleagues at every step - as everyone is responsible for delivering our vision of everyone going home safe and well, every single day.

We're proud to be safety leaders, but we also know that safety is more than just physical safety - it's mental health, diversity and inclusion and wellbeing too.

## SAFETY ACCREDITATIONS

We have achieved and will continue to maintain accreditations to a range of safety schemes, including:

# COMMITTED TO SUSTAINABILITY

The Drivers Incentive Scheme has created a real culture change

## THE ESG LEADER IN CIVILS SUPPLY

We believe we can help drive change for the benefit of everyone, and as part of Travis Perkins plc, we are strongly committed to all aspects of our Environmental, Social and Governance (ESG) agenda.

## DIVERSITY & INCLUSION

Becoming a better place for everyone to be able to 'bring their whole self to work' is core to who we are and what we value as a business. We recognise and celebrate the diverse perspectives that help us all thrive in the workplace and our commitment is to creating an inclusive environment where colleagues, customers and suppliers are treated equally and with respect.

## COMMITTED TO MAKING A DIFFERENCE

As part of our ESG commitments we are working towards a new, ambitious net zero carbon target. Keyline supports a collective response to reducing resource use and acting on climate change. We only work with suppliers who share our values and commit to making responsible choices about products, packaging, waste reduction and the use of plastic.

# CHARITY PARTNERSHIP

## SUPPORTING PROSTATE CANCER UK

Keyline is a long-standing partner of PCUK, committed to raising awareness of and supporting its research into the causes and treatment of prostate cancer. Over the last 10 years, our colleagues, joined by customers and suppliers, have raised over £1.8 million.

The partnership combines colleague fundraising and donations from customers and suppliers. Successful fundraising events have included charity nights, golf days, branch to branch cycle rides, and sporting challenges.

Prostate cancer continues to rise and is set to become the most common of all cancers in men by 2030. We pull out the stops to support PCUK's work to stop prostate cancer being a killer.

# THE TRAVIS PERKINS GROUP

## HELPING TO BUILD BRITAIN FOR OVER 200 YEARS

Keyline Civils Specialist is one of over twenty businesses that form Travis Perkins plc, making it one of the largest suppliers of building materials to the UK's building and construction industry.

With 20,000 dedicated colleagues operating from more than 1,700 branches, stores and sites around the UK, Travis Perkins plc pride themselves on having the best colleagues and being the best place to work with every business in the Group doing all that they can to deliver best-in-class products and service to each and every customer from their expert local teams.

The Group businesses serve a full range of building material customers - from small trade and DIY customers to large developers, house builders and infrastructure projects.
