Length 165.80 in. 3-point front/rear safety belts w/front pretensioners, load... Rear shoulder room 54.60 in. Front track 60.60 in. Be sure to read reviews - from multiple sources - of the company you're considering insuring your car with. A sport suspension, special appearance cues, 17-inch alloy wheels and performance tires, alloy pedals, and sport seats bring a performance emphasis. Xenon headlamps, keyless entry, and a ten-speaker sound system are among the included extras. Rear track 59.80 in. It's paired with either a six-speed manual transmission or Direct Shift six-speed automated manual gearbox, and with the manual is rated at 32 miles per gallon on the highway. Model Value The 2008 Volkswagen Rabbit's standard five-cylinder engine is more torquey and responsive than many other rival four-cylinder engines, and the Rabbit offers a wealth of standard equipment, plus more safety features than most other cars in its price range. Rear leg room 35.30 in. A 170-horsepower, 2.5L five-cylinder engine powers the Rabbit; it comes with either a five-speed manual or a six-speed Tiptronic automatic transmission, which has a Sport mode. The GTI features a 200-horsepower, 2.0L turbocharged and direct-injected four-cylinder engine that, besides bringing better performance than the Rabbit's engine, is also more efficient. Anti-intrusion side-impact door beams Anti-slip regulation (ASR) Buckle switch sensor for passenger airbag suppression Child safety rear door locks Collapsible steering column Daytime running lights Driver & front passenger airbag supplemental restraint system... Model Overview VW's value-priced 2008 Rabbit, and the performance-oriented GTI are both available in three- or five-door hatchback body styles.
