2014 MAXIMA®

WELCOME TO THE 2014 NISSAN MAXIMA® DIGITAL BROCHURE

Full of images, feature stories, and all the specification and trim level information you need to help select your Maxima®.

[Click here](#) to sign up for news and updates on the 2014 Nissan Maxima®.

WOULDN'T IT BE COOL IF_
A SEDAN HAD THE SOUL OF A
SPORTS CAR?

Should passion have to take a back seat to the back seat? We don't think so. Welcome to the 2014 Maxima[®], the 4-Door Sports Car.[®] Fender flares crouched over available 19" wheels are your invitation. A 290-hp V6 is ready to reel in the horizon. Inside, there's room for five and all the upscale luxuries and technology you desire, including an available Dual Panel Moonroof and power-tilt/telescoping steering column. But you won't confuse Maxima[®] with any other 4-door. Because at heart, it's a sports car. And that makes all the difference in the world. The 2014 Maxima[®]. Ready to be your soulmate.

Nissan Maxima[®] S shown in Super Black with Limited Edition Package.

Nissan Maxima® SV shown in Brilliant Silver with Sport Package.

Nissan Maxima® SV shown in Java Metallic with Sport Package.

NISSAN XTRONIC CVT® TRANSMISSION INNOVATION THAT SAYS GOODBYE TO GEARS.

Wouldn't it be cool to ride an endless wave of power? With Maxima®'s virtually gearless Continuously Variable Transmission (CVT), hunting for gears and clunky downshifts are a thing of the past. By letting you stay in the engine's sweet spot, a quick, satisfying rush of power is just a touch of a pedal away.

Traditional automatic is continuously hunting for gears and that elusive sweet spot of power.

CVT holds the engine at the ideal rpm, whether it's for power or economy.

Click the button to see a short video on Maxima®'s Continuously Variable Transmission (CVT).
Or go to bit.ly/NissanCVT.

What makes a sedan feel like a sports car? It takes more than stats. It takes a bond between car and driver. In Maxima®, the thick leather-wrapped steering wheel connects you to the road, the available steering column-mounted paddle shifters are a fingertip reach away, and the transmission lever is placed close to you for quick shifts – every detail making you feel at one with the car and the action.

Who says coupes should have all the fun? You'll love Maxima®'s powerful 290-hp V6, and your friends will love that no one has to be left behind. Everything's at your fingertips, from available paddle shifters to audio controls for your iPod.^{®1} So go for a drive – a quick blast, a scenic cruise or long weekend – it doesn't matter, just hit the road. You've got a Maxima®, you should be driving. Revved up? See the next page and find out even more.

¹Always give your full attention to driving. Avoid operating your iPod[®] in such a way that you can be distracted during vehicle operation. See dealer for details. iPod is a registered trademark of Apple, Inc. All rights reserved. iPod not included.

V6

UNRELENTING POWER.

The legendary 3.5-liter V6 rapidly unleashes its 290 horsepower with a press of the accelerator. The intake valve design, coupled with variable valve timing, helps generate incredible torque for off-the-line acceleration and improved power at higher engine speeds. A unique piston design and an advanced engine mounting system dramatically reduce unwanted engine vibrations, so the ride is as smooth as it is powerful.

290
HORSEPOWER

261
LB-FT OF TORQUE

26
MPG HIGHWAY¹

4
DRIVER-SELECTABLE MODES

UNMATCHED FINESSE.

In Maxima®, any road is a blank canvas. With the advanced Continuously Variable Transmission (CVT), you have four driver-selectable modes, letting you make quick work of your favorite drive in a style uniquely your own.

- **D MODE.** In Drive, Maxima® delivers quick acceleration and lasting euphoria.
- **DS MODE.** This mode engages more aggressive shift logic to provide sportier feedback.
- **PADDLE SHIFTERS.** For sporty fun, access the available paddle shifters mounted on the steering column.
- **SHIFT LEVER.** If you're looking for more hands-on control, use the shift lever in Manual mode.

Sport-tuned Suspension. The Maxima® shock absorber mounting system helps deliver exceptional responsiveness with minimal harshness. An available advanced sport-tuned suspension – fitted with a thicker front stabilizer bar, stiffer springs and high-performance front struts and rear shocks – gives you great open road performance without compromising ride comfort.

Vehicle-speed-sensitive Steering. Navigating the streets on your morning commute, and squeezing into that parking spot once you arrive, is easier than ever. The cutting-edge steering system is exceptionally responsive. Since it reacts to vehicle speed, not engine speed, it provides more precise maneuvering in the passing lane or the parking garage.

¹2014 Fuel Economy Estimate 26 MPG highway. Actual mileage may vary with driving conditions – use for comparison only.

INSPIRATION AT YOUR FINGERTIPS.

Slip behind the wheel and feel Maxima®'s intuitive design put everything you need close at hand. And while your passengers may be envious, once they're settled in their own rich leather-appointed seat with deep contours, and enjoying panoramic views, you'll hear nothing but gratitude.

A. Driver's Cockpit. Control is everything in this cockpit. The sport steering wheel helps give you a better grip on the wheel and a greater command of the road. Available paddle shifters allow you manual control at your fingertips. And extra padding in the driver's seat bolsters provides superior lateral support during high-performance driving.

B. Shift Lever with Manual Mode. By moving the shift lever closer to the driver, it falls more naturally to hand. Which is a good thing, since the Manual mode lets you tap or nudge the shift lever for responsive, manual-style fun.

C. Contoured Rear Seats. Looking much like Maxima®'s supportive front bucket seats, the rear seats feature deep bolsters to help hold your passengers in place and give superb comfort on trips of any distance.

D. Available Rear-window Power Sunshade. In the event your friends in the back want to stay out of the sun, the available power sunshade can be raised to shield the rear window.

E. Available Dual Panel Moonroof. Open up to everything around you. This distinctive roof – made almost entirely of glass – allows in light for everyone to enjoy. If you choose to open the moonroof, it lifts over the rear glass roof, so you always have a clear view out.

Available heated steering wheel

Available heated and cooled driver's seat, rear sunshade and heated front-passenger's seat

Click the button to see Maxima®'s advanced navigation system. Or go to bit.ly/MaximaNavigation

NavTraffic²

NavWeather²

Zagat Survey[®] information

CONNECTION ON A HIGHER LEVEL.

With Maxima®'s advanced connective technology, you can easily keep in touch with your world and, just as important, out of traffic jams.

Nissan Navigation System. Stay on schedule with turn-by-turn Voice Guidance. And avoid nasty bottlenecks with NavTraffic. Enjoy trusted restaurant recommendations from Zagat Survey,[®] while NavWeather helps you stay on top of changing conditions. Wherever your life takes you, count on the satellite-based Nissan Navigation System.^{1,2}

A. Bose® Audio. The available Bose® audio system features nine strategically placed speakers, including two woofers and a center channel, to surround you in deep, resonant bass and crystal-clear vibrant highs.

B, C. Nissan Intelligent Key® with Push Button Ignition. Standard on every Maxima®, you can unlock the doors and trunk, get in, start the engine and drive away, all without ever taking the key out of your pocket or purse.

D. RearView Monitor. With this option, when you engage Reverse, a discreet color camera mounted on the rear of the vehicle helps you see what's directly behind you via your Information Center monitor. The on-screen predicted path guidelines move in response to steering input.³

E. iPod®-friendly Technology. Maxima® gives you a variety of ways to enjoy your iPod.® You can simply plug in using the standard auxiliary audio input. Even better, the available USB input lets you play your iPod® or USB thumb drive and control the music through the audio system or touch-screen monitor.^{4,5}

F. Bluetooth.® With the standard Bluetooth® Hands-free Phone System, voice-recognition allows you to make and receive calls through the stereo speaker system.¹ No headset, no reaching – just a nice, firm grip on the steering wheel.⁶

¹Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ²Required SiriusXM Satellite Radio, NavTraffic and NavWeather subscriptions sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. NavTraffic available in select markets. Services available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2013 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. ³Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ⁴Driving is serious business and requires your full attention. Do not operate any devices connected to the USB or auxiliary audio input jack while driving. ⁵Always give your full attention to driving. Avoid operating your iPod® in such a way that you can be distracted during vehicle operation. See dealer for details. iPod is a registered trademark of Apple, Inc. NISSAN SAFETY SHIELD® PHILOSOPHY

INNOVATION THAT LOOKS OUT FOR YOU.

Wouldn't it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield® technologies are a comprehensive approach to safety that guides the engineering and development of every vehicle we make. By keeping an eye on your vehicle's systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident, the Nissan Safety Shield® technologies are our way of looking out for you and yours.

MONITOR

Smart technologies help monitor conditions. Like a rearview camera that helps you see something behind you, or a system that helps ensure you're rolling on properly inflated tires.

Tire Pressure Monitoring System¹

Lets you know when a tire is low.

Automatic On/off Headlights

Available RearView Monitor²

RESPOND

Whether you need to hit the brakes hard or maneuver around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

Vehicle Dynamic Control helps you maintain your steered path.³

Traction Control System helps reduce wheelspin in slippery situations.

Anti-lock Braking System helps you maintain steering control around obstacles while braking heavily.

Electronic Brake force Distribution sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

Brake Assist helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.

MONITOR
RESPOND
PROTECT

PROTECT

When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and air bag systems help protect everyone on board.

6 STANDARD AIR BAGS⁴

Nissan Advanced Air Bag System with dual-stage supplemental front air bags with seat-belt and occupant-classification sensors⁴

Front seat-mounted side-impact supplemental air bags⁴

Roof-mounted curtain side-impact supplemental air bags⁴

LATCH System (Lower Anchors and Tethers for Children)

snug-kids. Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: An industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at NissanUSA.com/SnugKids.

Click the button to see a short video on how Snug Kids® helps you find the right CRS for your Nissan. Or go to bit.ly/NissanSnugKids

¹Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. ²Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ³VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. ⁴Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details.

WOW YOUR ENTOURAGE.

For more information and to shop online for Genuine Nissan Accessories, go to parts.NissanUSA.com.

Nissan Maxima® SV with Sport Package (includes Rear Decklid Spoiler) shown in Super Black with External Ground Lighting, Splash Guards and Moonroof Wind Deflector.

GENUINE NISSAN ACCESSORIES.

Every Genuine Nissan Accessory is: custom-fit, custom-designed and durability-tested; backed by Nissan's 3-year/36,000-mile (whichever occurs first) limited warranty; and can be financed when installed by dealer at time of purchase!

A. Rear Decklid Spoiler

Downforce never looked so good.

B. Moonroof Wind Deflector

Get your blue sky with less noise.

C. All-season Floor Mats

Neither rain, sleet nor snow shall mess your ride.

D. Trunk Protector²

All-season protection from all-season muck.

E. Interior Accent Lighting

With 20 hues, all for you.

F. Carpeted Trunk Mat²

Protects your Maxima® and your other valuables.

G. Illuminated Kick Plates

Fewer scuffs and a grand entry, every time.

H. Trunk Sub-floor Organizer Kit

A place for everything. And everything in its place.

Additional Accessories:

- Splash Guards
- Carpeted Floor Mats
- Hideaway Trunk Net
- Vehicle Cover
- And More

¹Covered by Nissan's Limited Warranty on Genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 3-year/36,000-mile (whichever occurs first) Nissan New Vehicle Limited Warranty. Terms and conditions apply. See Warranty Information Booklet for details. ²Cargo and load capacity limited by weight and distribution. Always secure all cargo.

College Grad Program. Ask about our special new vehicle pricing available to individuals up to two years after graduation.

Active and Reserve US Military Program. Ask about our fixed discount on new vehicle pricing available to those serving our country.

New Vehicle Limited Warranties. Protection for your new Nissan includes 3-year/36,000-mile (whichever occurs first) basic coverage and 5-year/60,000-mile (whichever occurs first) powertrain coverage. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

Security+Plus® For additional peace of mind, a variety of extended service plans lets you tailor the coverage to your driving habits.

Maintenance+Plus® This extended plan ensures your Nissan will receive up to 17 different services and over 33 different inspection items at each visit, using the most up-to-date diagnostic equipment available.

Genuine Nissan Parts. When it comes time for service, any necessary replacement parts will be made using Genuine Nissan new or remanufactured parts, or Nissan-approved parts. And they're the only parts to carry Nissan's factory-backed limited warranty.

Nissan Mobility Assist. This program offers reimbursements toward the purchase and installation of certain mobility assistance products for program-eligible Nissans. Go to NissanUSA.com/mobility for more info.

Nissan's environmental action plan focuses on several key areas. Increasing production of Zero Emission vehicles, including the 100% electric LEAF.® Improving fuel efficiency through our PUREDRIVE™ measures. And reducing the environmental impact of manufacturing, as seen at our new, energy-efficient, low-emissions paint plant in Tennessee. For more information, log on to NissanUSA.com/green

At NissanUSA.com, you'll find virtual product demonstrations, a way to "build your own Nissan," a dealer locator, and more information about key Nissan support services. Or if you'd prefer, call **1-800-NISSAN-3** for answers to specific questions about Maxima® or any other Nissan vehicle. The Nissan names, logos, product names, feature names, and slogans are trademarks owned by or licensed to Nissan Motor Co. Ltd. and/or its North American subsidiaries. **Always wear your seat belt, and please don't drink and drive.** ©2013 Nissan North America, Inc.
