

ES

ES 350/ES 300h
ES 350 F SPORT

A BOLD STEP FORWARD

Built on an all-new chassis that pushes the limits in its class, the 2019 ES offers more space, a sleek coupe-like profile, and truly exhilarating performance from its 302-horsepower 3.5-liter V6 engine and eight-speed Direct-Shift automatic transmission with paddle shifters. The ES will also be available as an uncompromisingly powerful hybrid, and for the first time ever, an F SPORT model. Crafted with no detail spared and ushering in a new era, the all-new 2019 ES arrives later this year.

STANDARD ON EVERY ES

- SmartAccess^{3,4} with push-button Start/Stop
- Drive Mode Select
- Paddle shifters
- Power moonroof
- Lexus Multimedia System⁵ with 8.0-inch color display and compatible Scout[®] GPS Link^{6,7} with TurnStream.[™] Complimentary for the first three years of ownership.
- Lexus 10-speaker Premium Sound System
- Lexus Enform Remote⁸ app and Amazon Alexa⁹ compatibility. Complimentary for the first year of ownership.
- Lexus Enform Wi-Fi.[™] Complimentary 4GB/one-year trial¹⁰ is included.
- Amazon Alexa⁹ integration
- Lexus Enform App Suite 2.0⁶
- Apple CarPlay^{®11}-compatible (standard on all ES models from October 2018 production)
- Bluetooth^{®12} and USB¹³ smartphone connectivity
- Subscription-free Traffic and Weather updates via HD Radio.^{™14}
- Voice Command and Siri[®] Eyes Free¹⁵
- Color LCD multi-information display
- Dual-zone climate control with interior air filters, smog sensor and automatic recirculation mode
- Perforated NuLuxe^{®16} interior trim
- 10-way power-adjustable front seats
- Bi-LED headlamps, LED taillamps and daytime running lights
- Backup camera¹⁷
- Vehicle Stability Control¹⁸
- 10 standard airbags¹⁹
- Lexus Safety System+ 2.0²⁰ (Pre-Collision System²¹ with Pedestrian Detection,²² All-Speed Dynamic Radar Cruise Control,²³ Road Sign Assist,²⁴ Lane Departure Alert²⁵ with Steering Assist, Lane Tracing Assist²⁶ and Intelligent High Beams²⁷)
- Lexus Enform Safety Connect²⁸ and Service Connect.²⁹ Complimentary for the first 10 years of ownership.

NL - Navigation / Mark Levinson Audio Package

WE - F SPORT Heated and Leather Trimmed Steering Wheel with Windshield Wiper Deicer

Prototypes shown. **1.** Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers using special safety equipment and procedures. Do not attempt. **2.** 2019 EPA estimates. Actual mileage will vary. **3.** The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **4.** The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Lexus dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local *Yellow Pages* or by contacting www.aloa.org. **5.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. **6.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change at any time without notice. See lexus.com/enform for details. **7.** The Scout GPS Link app is compatible with select vehicle models. Availability and accuracy of the information provided by Scout GPS Link is subject to change at any time without notice and is dependent upon many factors, including smartphone connectivity, capability and cellular reception. Always use safe driving practices and follow all traffic rules. Data charges may apply. Scout and Telenav are registered trademarks of Telenav, Inc. The Scout GPS Link trial is at no extra cost and begins when the app is downloaded on the vehicle. Contact the Lexus Customer Assistance Center at 800-255-3987 for length of trial period. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. **8.** Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Lexus' control, which can limit the ability or functionality of the system. Registration and app download are required. See usage precautions and service limitations in *Owner's Manual*. To learn about Lexus Enform's data collection, use, sharing and retention, please visit <https://www.lexus.com/privacyvts/>. The Remote Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. **9.** Amazon, Alexa and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Certain Alexa functionality is dependent on smart home technology. Not all Amazon Alexa skills are available for in-vehicle use. Always drive safely and obey traffic laws. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. The Lexus+Alexa app requires an Android smartphone using version 5.0 and above (Apple iOS available early 2019). **10.** The Wi-Fi Connect trial period is at no extra cost and begins on the date of activation. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. **11.** Apple CarPlay is a trademark of Apple Inc. All rights reserved. Always drive safely and obey traffic laws. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. Standard on all ES models in Fall 2018. See dealer for details. **12.** Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you. The *Bluetooth* word mark and logos are registered trademarks owned by *Bluetooth SIG, Inc.* and any use of such marks by Lexus is under license. A compatible *Bluetooth*-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. **13.** May not be compatible with all mobile phones, MP3/WMA players and like models. **14.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. HD Radio Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp. **15.** Always drive safely, obey traffic laws and focus on the road while driving. Siri is available on select iPhone/iPad models and requires Internet access. Siri is not available in all languages or all areas and features vary by area. Some Siri functionality and commands are not accessible in the vehicle. Data charges may apply. See apple.com and phone carrier for details. Siri is a registered trademark of Apple Inc. **16.** NuLuxe is a registered trademark of Toyota Motor Sales, U.S.A., Inc. **17.** The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **18.** Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **19.** All the airbag systems are Supplemental Restraint Systems. All airbags (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details. **20.** LSS+ drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **21.** The LSS+ Pre-Collision System is designed to help avoid or reduce the crash speed and damage in certain frontal collisions only. It is not a substitute for safe and attentive driving. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **22.** The Pedestrian Detection System is designed to detect a pedestrian or a bicyclist ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrians, and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. **23.** Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors, including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details. **24.** Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle's forward-facing camera and Navigation System (when data is available) to recognize certain road signs and provide information to the driver via the multi-information display and/or Head-Up Display. Effectiveness is dependent on road, weather, vehicle and sign conditions. Use common sense when using RSA and do not drive distracted. See *Owner's Manual* for additional limitations and details. **25.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **26.** Lane Tracing Assist (LTA) is designed to read visible lane markers and detect other vehicles under certain conditions. When potential lane departure is detected, LTA provides a visual warning and either an audible alert or vibration in the steering wheel and can apply a slight steering force. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors, including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **27.** Intelligent High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. **28.** Lexus Enform services are dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Lexus' control, which can limit the ability to reach the response center or receive emergency support or otherwise limit the functionality of the system. Terms and conditions of subscriber agreement apply. To learn about Lexus Enform's data collection, use, sharing and retention, please visit <https://www.lexus.com/privacyvts/>. Stolen vehicle police report required to use Stolen Vehicle Locator. The Safety Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in paid subscription is required to access the service. Terms and conditions apply. **29.** Information provided is based on the last time data was collected from the vehicle and may not be up to date. Service Connect is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Lexus' control, which can limit the ability or functionality of the system. To learn about Lexus Enform's data collection, use, sharing and retention, please visit <https://www.lexus.com/privacyvts/>. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the respective trial period expires, enrollment in paid subscription is required to access the service. Terms and conditions apply. **30.** Ultrasonic Blue Mica 2.0 available for an additional charge. **31.** 17-, 18- or 19-in performance tires are expected to experience greater tire wear than conventional tires. Tire life may be substantially less than mile expectancy or 15,000 miles, depending upon driving conditions.

Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of publishing, are subject to change without notice, and are for mainland U.S.A. vehicles only. ©2018 Lexus
