ACURA
PRECISION CRAFTED PERFORMANCE

WHAT DOES IT MEAN TO PUT THE DRIVER FIRST?
IT MEANS CRAFTING AROUND THEIR NEEDS AND DESIRES.
ENSURING EVERY INNOVATION IS AN IMPROVEMENT
IN PERFORMANCE. EMBODYING THE SPIRIT OF PRECISION
CRAFTED PERFORMANCE FROM START TO FINISH.
IT MEANS THE 2020 ACURA RLX.

U.S. model shown.

ELEVATE YOUR PERFORMANCE

Reach new levels of performance and precision with the impressive RLX. The 377 total combined horsepower,* 3.5-litre Direct Injection i-VTEC® V6 engine helps to power through virtually any obstacle, forging an intimate, thrilling connection between car and driver.

SPORT HYBRID SH-AWD®

Sport Hybrid SH-AWD® is one of the world's most advanced electric torque-vectoring, all-wheel-drive systems. In fact, the RLX system uses some of the same technology we developed for the NSX.

The Sport Hybrid SH-AWD® system consists of a powerful V6 engine and three electric motors: a high-output electric front motor paired with a rapid-shifting 7-speed dual-clutch transmission and an electric rear Twin Motor Unit for individual, instant torque-vectoring. The vehicle is tuned to supply torque instinctively based on driving conditions and the driver's input, resulting in dynamic acceleration, direct response, and precise handling in virtually any condition.

TECHNOLOGY

AUDIOPHILES, REJOICE

After decades of creating top-level home audio, Krell® created the same high-end performance for the Acura RLX Sport Hybrid SH-AWD.® Enjoy the Krell ultra-premium audio system with a 14-speaker layout. Designed for the true audiophile, it creates an incredibly immersive sound experience. The system's tweeters are composed of lightweight magnesium cones that create extraordinarily detailed high-end frequencies with no trace of harshness. The midbass drivers are made from Zylon, the world's strongest superfibre, which moves quickly to musical input and stops when the musical signal stops, resulting in less vibration and a cleaner and more detailed sound.

ACURALINK™^{2,6,7}

AcuraLink™^{2,6,7} is designed to seamlessly connect you to the information and assistance you demand. Find nearby restaurants and points of interest while driving with the assurance of AcuraLink™ Assist services. Concierge Link puts personal assistants at your fingertips, so you can purchase airline tickets, book a hotel, or make dinner reservations, helping to ensure that all your journeys go off stress-free. And if traffic backs up, AcuraLink™ Real-Time Traffic™ with Traffic Rerouting™ helps to pull highway and surface-street information, including traffic flow, incidents and construction, and can thoughtfully reroute you for a faster commute.

HEAD-UP DISPLAY

On the windshield, the head-up display shows warnings, current speed, turn-by-turn directions and essential driving information in your line of sight, allowing you to keep your eyes on the road.

JEWEL EYE™ LED HEADLIGHTS

Jewel Eye™ LED headlights provide intense light and offer you excellent visibility—not just in overall distance, but in width and consistency. The light's colour mimics sunlight, for less eye fatigue while driving at night, and helps you to see colours more vividly.

SAFETY

ACURAWATCH™

Standard on the RLX, our AcuraWatch™ suite of advanced safety and driver-assist technologies is a network of systems designed to increase awareness and support the driver, working to help prevent, mitigate and in some cases even avoid impacts.

FEATURES

- a. Forward Collision Warning (FCW) system²
Collision Mitigation Braking System™² (CMBS®)
- b. Lane Departure Warning (LDW) system²
Lane Keeping Assist System² (LKAS)
Road Departure Mitigation (RDM) system²
- c. Adaptive Cruise Control (ACC)
with Low-Speed Follow (LSF)²
- d. Traffic Jam Assist² (TJA)
- e. Blind Spot Information (BSI) system²
- f. Cross Traffic Monitor system²
- g. Surround view camera system²

DESIGN

LOW, LEAN & MEAN

Modern design meets machine. Both artistic and muscular in nature, with bold sculpted lines, the RLX blends style and sophistication with Acura performance. The 2020 RLX has a low, athletic stance, a powerfully sculpted hood and fenders, a Diamond Pentagon Grille, an integrated rear diffuser, and exposed exhaust finishers.

SUPERCAR SIMILARITY

For more than thirty years, we've pushed the confines of what's possible to extract every last drop of performance out of our cars, and Sport Hybrid Super Handling All-Wheel Drive™ is the latest result of that ambition. The system, which contains similar technology found in the NSX, supplies supercar-inspired performance, and while other manufacturers are still dreaming about it, it's standard in the Acura RLX.

INTERIOR

GREAT DESIGN ISN'T A LOOK, IT'S AN EXPERIENCE

Each layer of detail reflects Acura's human-centered design philosophy. The RLX offers an ergonomic cockpit design, where everything is centered on the driver's needs. Sink into the luxe seat with high-contrast stitching and piping and enjoy the tri-zone climate control.

The meticulously tailored interior affords both driver and passengers personal space, as the RLX is amongst the top of its class for rear legroom.

SPECIFICATIONS

ENGINE

Engine	3.5-litre, 24-valve, Direct Injection SOHC, i-VTEC® aluminum-alloy V6
3-motor hybrid powertrain:	Front electric motor and rear twin motor unit
Engine horsepower @ rpm ¹	310 hp @ 6500 rpm
Engine torque (lb.-ft. @ rpm) ¹	273 lb.-ft. @ 4700 rpm
Front motor horsepower @ rpm ¹	47 hp @ 3000 rpm
Front motor torque (lb.-ft. @ rpm) ¹	109 lb.-ft. @ 500-2000 rpm
Dual rear motors horsepower @ rpm ¹	(36 hp + 36 hp) @ 4000 rpm
Dual rear motors torque (lb.-ft. @ rpm) ¹	(54 lb.-ft. + 54 lb.-ft.) @ 0-2000 rpm
Total combined Hybrid horsepower ¹	377 hp
Total combined Hybrid torque ¹	341 lb.-ft.
Battery type	Lithium-ion (Li-ion)
Displacement	3471 cc
Bore and stroke	89 x 93 mm
Emissions	Tier 3 Bin 30
Compression ratio	11.5:1
Variable Cylinder Management® (VCM®)	
Recommended fuel	Premium unleaded

¹Total combined horsepower and torque figures includes the maximum power of the engine and all motors combined that can be produced at any one time. Not SAE net.

DRIVETRAIN

Motor-integrated 7-speed dual-clutch transmission (DCT) with Sequential SportShift® paddle shifters
Electronic gear selector
Reactive force accelerator pedal

SAFETY FEATURES

Adaptive Cruise Control (ACC)² with Low-Speed Follow
Advanced Compatibility Engineering™ (ACE™) body structure
Anti-lock Braking System (ABS)² with Electronic Brake-force Distribution (EBD) and Brake Assist
Blind Spot Information (BSI) system²
Collision Mitigation Braking System™² (CMBS®)
Cross Traffic Monitor system²
Driver's knee airbag
Dual-stage, multiple-threshold front airbags (SRS)
Forward Collision Warning (FCW) system²
Immobilizer theft-deterrent system
Lane Departure Warning (LDW) system²
Lane Keeping Assist System² (LKAS)
Lower Anchors and Tethers for Children (LATCH)
Road Departure Mitigation (RDM) system²
Security system
Side curtain airbags
Tire Pressure Monitoring System³ (TPMS) with location and pressure indicators
Tire repair kit
Traffic Jam Assist²
Vehicle Stability Assist² (VSA®) with Traction Control

CHASSIS

19" alloy wheels
Tires: P245/40 R19
Agile Handling Assist²
Double-wishbone, lower double-joint front suspension
Electric power-assisted rack-and-pinion steering (EPS)
Front and rear stabilizer bars
Multi-link rear suspension
Power-assisted, solid rear disc brakes
Power-assisted, ventilated front disc brakes
Sport Hybrid Super Handling All-Wheel Drive™² (SH-AWD®)

EXTERIOR

Auto-dimming side mirrors
Front splash guards
Headlamp washers
Heated power-adjusting, side mirrors with driver recognition, reverse gear tilt-down and integrated turn indicators
Jewel Eye™ LED headlamps
LED fog lights
LED taillights
Power-folding side mirrors
Power moonroof with tilt feature, auto-open/close, auto-reverse, key-off operation and sliding shade
Rain-sensing windshield wipers

CAPACITIES

Cargo volume	339 litres
Fuel tank capacity	57 litres
Passenger volume	2891 litres

FUEL ECONOMY⁴ (L/100km)

	City	Highway	Combined
RLX	8.4	8.2	8.4

COMFORT & CONVENIENCE

Acoustic glass
Active Sound Control (ASC)
Acura Navigation System with Voice Recognition™⁵ and 8" display
AcuraLink™^{2,6,7} Subscription Services
Ambient lighting (cabin, door handle, footwell)
Auto-dimming rearview mirror
Automatic climate control system
Capless fueling system
Colour TFT Multi-Information Display (MID)
Driver's and front passenger's seatback pockets
Electronic Parking Brake (EPB) with automatic brake hold
Electronically-locking glove compartment
Front and rear parking sensors
HandsFreeLink™-Bluetooth® wireless mobile phone interface^{2,6} with steering wheel-mounted controls
Head-up display
Heated steering wheel
HomeLink® remote system⁸
Keyless Access System with pushbutton start
On-Demand Multi-Use Display™
One-touch directional signals
Power rear sunshade
Power tilt and telescoping steering column
Power windows with auto-up/down, auto-reverse and key-off operation
Rear side sunshades
Rear-seat centre armrest
Remote engine starter with vehicle feedback
Steering wheel-mounted audio, phone, MID and cruise controls
Surround view camera system²

ENTERTAINMENT

Krell® audio system with CD/AM/FM/SiriusXM™⁹ tuner, MP3/Windows Media® Audio compatibility, MP3/auxiliary input jack, USB audio interface² and 14 speakers
Bluetooth® Streaming Audio²
Hard disk drive (HDD) media storage

SEATING & TRIM

Seating capacity: 5
12-way power adjustable driver's and front passenger's seat including 4-way power lumbar support
Driver's seat memory settings
Heated front seats
Heated rear seats
Leather-wrapped steering wheel and shift knob
Milano leather-trimmed interior with contrast stitching and seat piping
Ventilated front seats
Woodgrain interior trim

EXTERIOR DIMENSIONS

Curb weight	1993 kg
Gross vehicle weight rating	2440 kg
Ground clearance - full-load	110 mm
Height	1466 mm
Length	5023 mm
Steering ratio	13.94
Steering turns lock-to-lock	2.575
Track - front/rear	1632/1630 mm
Turning radius, curb to curb	12.3 m
Wheelbase	2850 mm
Width (excluding sideview mirrors)	1890 mm

INTERIOR DIMENSIONS

Headroom - front/rear	954/937 mm
Hip room - front/rear	1419/1385 mm
Legroom - front/rear	1074/985 mm
Shoulder room - front/rear	1514/1449 mm

COLOURS

EXTERIOR

Brilliant Red Metallic

Lunar Silver Metallic

Majestic Black Pearl

Modern Steel Metallic

Obsidian Blue Pearl

Platinum White Pearl

INTERIOR

Ebony Milano leather with contrast stitching and seat piping

Greystone Milano leather with contrast stitching and seat piping

Saddle Brown Milano leather with contrast stitching and seat piping

Seacoast Milano leather with contrast stitching and seat piping

EXTERIOR COLOURS

INTERIOR RLX Elite Package

Brilliant Red Metallic	Ebony Milano leather with contrast stitching and seat piping
Lunar Silver Metallic	Ebony Milano leather with contrast stitching and seat piping
Majestic Black Pearl	Ebony, Seacoast or Saddle Brown Milano leather with contrast stitching and seat piping
Modern Steel Metallic	Ebony or Greystone Milano leather with contrast stitching and seat piping
Obsidian Blue Pearl	Ebony Milano leather with contrast stitching and seat piping
Platinum White Pearl	Ebony or Saddle Brown Milano leather with contrast stitching and seat piping

1. Horsepower and torque calculations reflect SAE net, Rev. 08/04, SAE J1349 procedures.

2. None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving. Drivers should not use handheld devices or operate certain vehicle features unless it is safe and legal to do so. Some features have technological limitations. For more comprehensive product and feature information, limitations and restrictions, please visit www.acura.ca/disclaimers and refer to your vehicle's Owner's Manual.

3. For optimal tire wear and performance, the pressure should be checked regularly with a tire gauge. Do not rely solely on the monitor system.

4. Estimated fuel consumption based on Government of Canada's 5-cycle testing method. Your actual fuel consumption will vary based on driving habits and other factors – use for comparison only. For more information on 5-cycle testing, visit <http://vehicles.nrcan.gc.ca>.

5. Map Database of the Acura Navigation System covers major metropolitan areas in Canada and the 48 contiguous U.S. states. For a list of current, detailed coverage areas, refer to the Acura website, www.acura.ca.

6. Only compatible with certain devices and operating systems. Operation may be dependent upon: 1. GPS satellite signal reception and available cellular data and/or voice connection; or 2. connection to vehicle's built-in Wi-Fi hotspot, if applicable. Associated charges (incl. data plans, roaming charges or other amounts charged by your wireless carrier) may apply.

7. Subscription required. Complimentary trial – one year for Security, one year for Remote, one year for Concierge – included, after which fees, taxes and other charges will apply in order to continue subscription. The availability of certain cellular networks is required for AcuraLink to operate properly. Service interruptions may occur and/or vehicle system upgrades may be required if cellular network availability is compromised. Ask your dealer for full terms and conditions.

8. HomeLink® can be programmed with codes of up to three remote-control devices (e.g., garage-door opener, home security system, etc.). Additional control devices not provided by Acura may be required.

9. Only available in certain areas. Includes a no-charge trial of three months, beyond which service fees apply.
