THE AIR FORCE SAID Wednesday night it has successfully fired a rocket high above the Pacific in "Project Far Side"—after four failures. But the Air Force would not confirm a report by The Los Angeles Examiner that the rocket soared 4,000 miles above the earth.

The successful test took place October 21 and "extensive data was obtained", according to the Air Force. It added that the data has not been evaluated and no figures will be made public "before noon, Friday".

A SKYROCKETING stock market made its biggest one-day advance in 28 years Wednesday as buying orders swept into Wall Street from all sections of the country. Major stocks jumped \$1 to \$10 a share, and the quoted value of all stocks listed on the New York Stock Exchange boomed to an estimated \$7,200,000,000.

In crowded brokerage houses throughout the financial district, many market analysts and customers attributed the resurgence in the market to President Eisenhower's statement Tuesday night that he would give talks on the national economy.

HERBERT BROWNELL, JR. resigned Wednesday as U. S. Attorney General. He said the settling of Federal policy in the Little Rock school integration dispute freed him to return to private law practice.

The White House said President Eisenhower accepted the resignation and will appoint Deputy Attorney General William P. Rogers, Jr. to the Cabinet. Rogers is a close friend of Vice President Nixon.

Friday, October 25
LABOR'S HIGH COMMAND suspended the International Brotherhood of Teamsters Thursday. The vote in the Executive Council of the AFL-CIO, to oust the Teamsters Union from their membership, was 25 to 4.

The council said James R. Hoffa, newly-elected Teamsters boss, must concede his crown. That was one of the two conditions imposed on the union as the price of having the suspension lifted. The second stipulated that a special committee of the AFL-CIO shall be given authority to correct abuses cited by the Ethical Practices Committee and to eliminate "all other corrupt influences" in the Teamsters.

Unless these terms are accepted, the Executive Council said it will recommend expulsion of the Teamsters at the AFL-CIO convention in December.

A COURT ORDER to halt interference with movement of milk was issued Thursday afternoon, after the day-old strike erupted into violence. Nine strikers were arrested after five separate outbursts, including pitched battles.

Despite the violence and the refusal of some of the 12,000 farmers in the 22-county Detroit milk shed to sell their milk, the strike appeared to be having little effect on supplies here.

WIDOWER BING CROSBY married a 23-year-old Texas beauty, Kathy Grant, whom he has been squiring for the past four years.

The surprise wedding took place Thursday in Las Vegas, catching even the crooner's four sons off guard. Only Mr. Crosby's mother and two close friends, who stood up for the couple, were let in on their closely-guarded secret.

Saturday, October 26
RUSSIAN COL. RUDOLF I. ABEL was convicted Friday of stealing American military and atomic secrets for Moscow. The maximum sentence is death.

The 55-year-old master spy is the first foreign national ever to stand trial for his life espionage charges in a civilian court.

Blue Devil Queen Crowned On Homecoming Day

Highlighting the halftime festivities of the Grosse Pointe-Highland Park football game, Saturday, October 26, were the introduction and crowning of **QUEEN BONNIE ZIMMERMAN** and her lovely court which was comprised of representatives of each of the grade classes. Shown with their escorts, from left to right: — **JOYCE CRONENWETH, JOHN DUN, SHELLA REGAN, RONALD ALLAIRE, JEAN HUTCHINSON, JIM MILLIES, QUEEN BONNIE ZIMMERMAN, KEITH HELMS, SUE CAVANAUGH, CHUCK MOLYNEAUX, KINGSLEY RONEY** and **BOB WICKS**.

Torch Drive Falls Short Of Quota

Pointe Collections Will Go On Through Nov. 7 In Effort to attain Goal

Pointe volunteer collectors in the ninth annual Torch Drive collected six times as much money as Downriver communities, but lost out percentage wise, it was disclosed by Mrs. Robert Duff, regional residential and small business chairman.

The Pointe is ahead of the average and way ahead of other regional organizations, Mrs. Duff said.

During the Ladies' Day collections, from October 15 through October 18, the Pointe volunteers collected \$304,563, or 91.6 percent of the \$332,325 quota.

Mrs. Duff said that the volunteers will continue their campaign through November 7, to try and reach 100 percent of the assigned quota.

Last year the Pointe contributed 120 percent over quota, more than any other region.

TO BRIGHTEN FISHER RD. Street lighting on Fisher road between Lake Shore road and Mack avenue will be modernized as a joint project between the City of Grosse Pointe and the Farms.

Distinguished Panel Set To Discuss School Picture

Panel members who ought to know will discuss "Our Public Schools—How Good a Job Are They Doing?" at the next meeting of the Richard PTA on November 12.

Dr. James Bushong, superintendent of the Grosse Pointe Public School System, will be a member of the group which will meet in the school auditorium at 8 o'clock.

Also on the panel will be Dr. James Lewis, a vice-president of the University of Michigan, former superintendent of schools in Dearborn and noted Michigan educator. Another member will be Vincent L. Peterson, principal of Parcels Junior High School. Coming from Michigan State University will be Dr. Edward A. Carlin, Dean of the Basic Colleges.

The panel moderator will be Lou Gordon, veteran Detroit editor, reporter and TV news-

More Beautiful Christmas Displays Aim of Campaign Planned By Garden Group

Council Takes Up Project For Yuletide Which Will Be Part of Its Year-Round Drive for Beautification

At a recent meeting of the Grosse Pointe Garden Club Council, plans for the current project of the group were outlined by Mrs. Frederick Schumann and Mrs. Bert Lindzey, co-chairmen. Following the over-all objective of the Council which is Beautification of our Community, it is sponsoring a Christmas Beauty program for 1957.

As the present trend in Christmas lighting seems to be towards show rather than an expression of the true Yuletide spirit, the theme of the project will be, "Christmas—Bright But Beautiful". The emphasis will be on education and general participation of all groups and residents to inspire a desire for more beautiful and artistic displays without undue expense or elaboration and in the real Christmas tradition.

Memos Being Sent Out With this in mind, memos of information will shortly be in the hands of all clubs, churches, schools, municipalities and organizations, asking for their help and cooperation.

Picked to succeed Mr. Lane is Robert Slone, present city manager of Rochester, Mich., who will assume his new post on February 1, at a starting salary of \$11,500. He will also receive an eight-cent a mile allowance when his car is used for official business.

From February 1 to the time his retirement becomes effective, Mr. Lane will act as administrative advisor to the new city manager to permit Mr. Slone to familiarize himself with the position.

Park Approves New Manager

The Park council took official action on Monday, October 28, on the appointment of a successor to City Manager Everitt B. Lane, who will retire on July 1, 1958.

The theme of the discussion is a timely one, for although Richard is an elementary school, parents are concerned about college enrollment for their children now. Due to the increase in college registrations and the difficulties in preparing the larger number of students who wish to enter colleges and universities the way must be paved early during the child's elementary school career.

The panel will discuss who goes to college and why, the problems and requirements and give a complete rundown on Grosse Pointe students and their collegiate future.

Absenteeism In Schools On Decline

Total of 721 Cases On Monday Compares With 975 Previous Week and Top Of 1718

Absenteeism in Pointe schools because of illness continues to decline and school officials feel satisfied that the peak, due mostly to influenza and other respiratory ailments, is well in the background.

On Monday there were 721 absences reported in the public school system. While this represents 7.2 percent of the total enrollment, it is a marked improvement over the top figure of 1,718 absences reported on October 11. A week ago there were 975 absences.

Were High for Week The decline started on October 17 after remaining at a high for almost a week. Comparisons with figures taken through the years, shows that on a typical day the absences will run between two and four percent. Monday's rate of 7.2 percent is not considered at all alarming, especially for this time of year when weather changes bring an abnormally high number of colds.

School officials are also slightly inclined to believe that "Series Sickness" might have had some influence on the peak absenteeism in early October. With the World Series games being telecast, it is considered highly probable that a number of absences might have been attributed to baseballitis rather than tonsillitis.

Two Show Increases

On Tuesday only two schools showed an increase in absenteeism over the previous day. Ferry jumped from 23 to 33 and Richard 25 to 30 on Monday. There was a decline in all other schools in the system.

The Board of Health also reported Tuesday that the total number of polio cases in the Grosse Pointe-Harper Woods district for the present season stands at seven. Six of these were in the Pointe and only one in Harper Woods.

While the last case was reported this month, it was stated that it was actually one that has occurred in August and was reported tardily. None of the cases was accompanied by any severe paralysis this year.

Predict Light Vote In Wayne County Balloting Nov. 5

City Only Pointe Concerned With Local Election And A Charter Amendment Issue

Approximately 33,377 qualified electors will have an opportunity to vote on Tuesday, November 5, for two Wayne County propositions, but it is feared that the apathy of a majority of the voters will make the balloting very light.

The only Pointe concerned with a local election, along with the county propositions, is the City, where candidates for local office are unopposed. The City also placed on the ballot several amendments to the employees' retirement system.

Would Have Choice

The voters are asked to approve or disapprove an amendment to Chapter A of the City Charter which will permit employees to voluntarily retire after 30 years of service with the City, with actuarially reduced pensions.

Other amendments asked for are: to increase policemen's and firemen's pensions six and two-thirds per cent; to increase general City members' pensions payable to social security age, 10 per cent for first \$4,200 of applicable salary and six and two-thirds of applicable salary above that sum; to lower requirements for survivors' benefits to 15 years of service; and to make other corrective changes.

Unopposed for his third term as mayor is Frederick W. Parker, Jr.; for clerk, Norbert Neff; councilmen, Edward V. Luss, Otto W. Pongrace and Alonzo C. Allen; treasurer, Theodore G. Osius; assessor, Neil Blondell, and constable, Arthur Van Beelaere.

All terms are for two years, except that for councilman, which is for four years.

Clerk Since 1919 Neff has served as city clerk since 1919; Osius has held his post since 1934; and Blondell, his, since 1926.

All the Pointes, along with other communities in the county, will vote on the county propositions; 1—for a Port of Detroit Bond issue for \$9,500,000, general obligation bonds, which will be voted on only by taxpayers; 2—a tax rate limitations increase, to be voted on by all electors, which will raise the tax rate by 16 cents per \$1,000 assessed valuation, from 1958 through 1973, for the sole purpose of paying the interest on the bonds. The Park has 9,328 registered voters, the City, 4,800; the Farms, 7,849; the Shores, 1,100; and the Woods, about 10,300.

PARKING TANGLE

There was a minor accident last Saturday in front of 16827 Kercheval avenue when Jeanne Yvonne Bambus, 1058 Roslyn road, in backing into a parking space, hit a parked car driven by Patricia Irene Oswald, 5515 Talbot avenue, in Detroit. The front end of the Oswald car was slightly damaged. No tickets were issued and Miss Bambus settled the damage expenses.

Mystified Woods Police Probing Boy's Accident

Mystified Woods police are probing an accident in which an eight-year-old boy was left unconscious with a skull fracture and a report of the incident was not made until hours later.

According to Det. Sgt. Walter O'Dell and Det. Leroy Tobian, a call was made to the station on Monday, October 21, by Edward W. Lewinski of 1200 S. Renaud, who stated that his son, Gary, a student at Our Lady Star of the Sea School, was over-due for lunch.

As anxiety mounted, Mrs. Lewinski got into the family car, and was backing out of the driveway, when she noticed a Chevrolet going west on the street, with a green bicycle

'The Cat' Sent Back To Prison

Mr. Morris Gets Sentence Of 7 1/2 To 15 Years In Jackson By Oakland Judge

The "Cat" has been caged!

On Monday, October 28, Ernest Morris, 42, was given a change of address, from 1785 Seward, Detroit, to Jackson Prison, by Oakland Circuit Judge Frank Doty.

Morris was convicted of breaking and entering in the night time at a trial heard before Judge Doty on October 15, and Monday, the "Cat Burglar" heard the judge sentence him to a term of 7 1/2 to 15 years, with no recommendation for parole.

Arrested August 17

Birmingham police arrested Morris on August 27, after the convicted man conveniently knocked himself out, while trying to escape from the home of H. R. Steding II, 830 Larchlea, in Birmingham.

The "Cat" was surprised by Steding, who awakened while the burglar was prowling in his bedroom, and then in his haste to escape, leaped for a stairway landing and bumped his head against a beam and tumbled down the stairs unconscious.

Birmingham Det. Lt. Merlin Holmquist said that when Morris regained consciousness and was questioned, he admitted burglarizing another home nearby (before entering the Steding house), where he took \$81.

Morris also admitted that all the time he was on parole from a 2 to 5-year sentence for a Farms burglary, he was very active in the Detroit area, burglarizing homes, especially in Dearborn.

Released In 1954

The burglar was released from Jackson in November 1954, for "good behavior." He was released from the prison after serving less than three years for the Farms burglary, for which he was arrested in December 1951.

About this time, Morris was on parole from a Detroit crime, for which he was convicted in 1945. He earned 11 months and 18 days time off for "good behavior" on the minimum sentence and was released, it was learned from Leonard

Community Plans Three Big Events

All Age Groups To Be Entertained at 18th Annual Celebration; Top Talent Engaged

Charles Addams fanciers and the like, along with most of the Pointe school children, are anticipating the annual celebration tonight of "All Hallows Eve—better known as "Halloween". It's the witches' and the kids' night to howl, beg, dress-up — and in general enjoy themselves.

For the 18th consecutive year the Grosse Pointe Mothers' Club, assisted by representatives of all the Pointe schools, and chaired by Forrest Geary, have joined forces to give the children the best possible fun time, without hell-raising.

At Three Schools

The parties will be held at Parcels Junior High School, Pierce Junior High School and Grosse Pointe High School. The ninth graders will be able to go to the High School party, or their own school's party, this year. The parties at the Junior High Schools will begin at 7:30 p.m. and end at 11. Grosse Pointe High's hours are from 7:30 till midnight.

The joint efforts of many have provided an impressive list of entertainers for the celebrators. The Tracy Twins, recording artists; Soupy Sales, comic; Ultramatics, a harmonica trio; Merv Shiner, singer currently at Cliff Bell's; George Young, a "rock 'n roll" entertainer; Bill Hart, ventriloquist; Bow-Airs, a piano combo; Danny Daniels, comedy juggler; Frankie Castro, recording artist; and the Buster Mills Dancers. These people, all professionals in the entertainment world, will blend their talents to help make Thursday night fun for all.

Bargain Tickets

Tickets will be sold in the schools for the bargain price of 25 cents. Fifty cents will be charged for all tickets purchased at the door. The sale of the tickets covers only a small portion of the expenses of the evening's festivities.

Financial help from numerous community organizations, business and individuals, will supplement the heavy budget required to bring top entertainment to the students of Grosse Pointe.

Food will be sold at the same low prices as in previous years. Here's hoping the evening matches the success of its predecessors — spook-it-up kids!

The important job of staffing the check rooms will be handled, as it has been so aptly in the past, by the auxiliaries of the American Legion and Veterans of Foreign Wars.

(Members of the American Legion, Post 303, will serve at Parcels and Grosse Pointe High School and members of the VFW, Post 995, will be on hand at Pierce Junior High.)

Baby in Woods Chokes to Death

A 13-month-old Woods boy died of apparent strangulation at home on Monday, October 28, while sitting in his high-chair.

The child, Richard Allen Caudle, son of Mr. and Mrs. James A. Caudle of 922 N. Brys drive, was found by his mother, hanging by the neck on the tray of the highchair.

The mother, Elizabeth, told Woods police she had fed the baby in the kitchen, and then left him alone for a brief moment. When she returned, she found her son hanging by the neck.

Police attempts to revive the child failed.

Dr. Clarence Candler of 20040 Mack avenue, said the tot had had a cold and might have choked on his food.

Woods authorities are awaiting a report from the Wayne County Medical Examiner's Office, for the actual cause of death.

Mystery

(Continued from Page 1)
died until about 9:15 p.m., the same day.

Patrolman Steve Patrick said that a call was made to the hospital at 6 a.m. on Tuesday, October 22, and he was informed Gary had regained consciousness, but could not recall what had happened when questioned by nurses.

At 2:15 p.m., police went to the Lewinski home, O'Dell and Tobian said, but no contact could be made with the parents. Then, at 3 p.m., police went to the hospital to question the boy, who again said he could not recall what had taken place.

Gary was released from St. John on Friday, October 25, and taken home by his parents. On Tuesday, October 29, when the last report was made, O'Dell and Tobian said no solution to the case had been arrived at yet. They said the case will remain open and that they will continue their investigation in the matter.

The detective team said they will wait until young Gary is well enough before they question him further.

ROLAND R. PAULIN
Mr. Paulin, 55, vice-president and manager of operations of Michigan Consolidated Gas Company, died Saturday, October 26. He lived at 1029 Audubon road.

One of his prime interests was Junior Achievement and he was re-elected to the board of directors of Junior Achievement of Southeastern Michigan just last week.

Mr. Paulin was also a member of the board of the Michigan United Fund and had served as head of the utilities' section of the Torch Drive. He was a member of the Engineering Society of Detroit, Economic Club, Detroit Athletic Club and Lochmoor Club.

Surviving are his wife, Margaret and four sons, Grant, Stanley, Harry J. and Theodore. He also leaves a sister, Mrs. Thomas Wier.

'The Cat' Back in Prison

(Continued from Page 1)
Scharf, head of the Detroit Parole Board District.

Scharf said that according to an old State statute, since amended, if a prisoner is released on good behavior and commits a crime while on parole, the old sentence did not conflict with the new one imposed.

Still More Confusing
Still more confusing, is that two years after being sentenced for the Farms crime, it was disclosed by Scharf, Morris' parole terminated in the Detroit case, and that was closed.

With the new statute, it is compulsory that time be deducted from a minimum sentence. Once released, the parolee must account for his actions, and if he misbehaves, he goes back to prison.

As far as the records are concerned, the "Cat" has been "behaving" himself, that is, until he made the mistake of being caught in his last crime, and this "good behavior" netted him time from his maximum sentence.

Scharf said that Morris' parole in the Farms case terminates on December 23 of this year, which leaves only a few weeks to serve on the 2- to 5-year sentence.

Can Only Recommend
Scharf also said that a parole board does not have authority to release prisoners, but only makes recommendations for a release.

However, after Morris has served his minimum sentence, less good behavior, the law requires that he be heard before the parole board, and it is up to the members of this board to recommend whether he should serve the maximum term, Scharf added.

DRIVER POSTS BOND

John A. Nugent of 16204 Muirland, will be arraigned before Woods Judge Don Goodrow on Saturday, November 2, on a charge of driving while under the influence of alcohol. He was arrested on Tuesday, October 22, at Mack and Lennon. He posted a bond of \$150 to guarantee his appearance in court.

Farms Police Tag Hit-Runner

Matthew H. Schumer of 1981 Holiday road, was ticketed by Farms police on Sunday, October 2, after being charged for a hit and run accident.

A Farms accident report showed that Charles E. Weigle of 4987 LaFontaine, Detroit, parked his car in front of a bar at 18744 Mack avenue, and went inside. Several minutes later, an unknown person entered the bar and said a parked car had been struck, and that the offending driver had left the scene.

However, he had taken the license number of the hit and run driver. Weigle went outside and found it was his vehicle that had been struck. The license number of the other vehicle was given to Farms police, who established that it belonged to Schumer. Woods police were asked to check on this, and when it was found that Schumer was the

Church Honors Nova Bransby

Nova M. Bransby, 1059 South Brys drive, was recently honored for her 25 years of faithful service as organist of Faith Lutheran Church, E. Jefferson at Phillip.

Mrs. Bransby was presented with a silver tray by Rev. C. H. Dange, Rev. Robert E. Snyder and Harold Boone in behalf of the congregation. The tray was presented during a choir reunion service which was held in connection with the 40th Anniversary celebration of Faith.

Judge Belanger Reports On Traffic Conference

The Traffic Court Conference presented by the Northwestern University School of Law in Chicago, attracted a record attendance, it was disclosed by Park Judge C. Joseph Belanger.

The judge attended the conference, which was co-sponsored by the American Bar Association and the Traffic Institute of the university, from October 14 through 18.

In his report to the Park council, Judge Belanger stated that judges representing practically every state in the Union, and a number from Canada, took in the five full-day sessions.

He said the Traffic Institute has developed a program in response to practical demand and in recognition of the fact that the problems of traffic and safety are necessarily the concern of numerous agencies, "coordinating their efforts in balanced, comprehensive public programs ... with particular interest to judges connected with the prosecution and final adjudication of traffic court cases."

The judge said the conference, as in previous years, dealt with the relation of the courts to traffic safety; application of criminal law and rules of evidence in traffic cases; practical applications of controls in traffic law enforcement; relations between police and courts in traffic cases; policies in the penalization of traffic violators; the Uniform Vehicle Code; the Model Traffic Ordinance; the laws of arrest.

The use of complaints in traffic cases; charges of driving while under the influence of intoxicating liquors and the chemical tests used for determination; the use of skidmarks as evidence of speed, the physical appearance and arrangement of courtrooms; selection and training of court personnel; public support of the courts; civil and criminal responsibility in traffic court cases; corrective and educational penalties, and violation bureaus and their full operation.

Judge Belanger said the Traffic Institute stressed enforcement, education and engineering as being the foundation for the improvement of general traffic conditions, and that traffic judges must, of necessity, be good educators.

He said that every possible effort was made by the Institute to acquaint the trial judge with every possible phase of traffic law enforcement, emphasizing that "education, end-

HOW TO PROFIT THROUGH TAX EXEMPTION

With today's high tax levels, investors in medium and high tax brackets are turning to tax-free Municipal Bonds for income that they can keep.

If you have a taxable income of \$10,000 or more, you may be well repaid by investigating the advantages of tax-exempt State and Municipal Bonds. For instance, if you file a single return on a taxable income of \$14,000, you would have to receive a dividend return of 7.45% on a taxable security in order to equal the yield from a 3.50% tax-free Bond. It's something to think about!

Our New Booklet, "How To Profit Through Tax-Exemption" explains in plain language your need for tax exemption, tells how much these high-grade investments can be worth to you. There's no obligation. Send for copy today, or phone

Dinner Given at Center Honors Dr. Lynn Bartlett

Approximately 100 Democrats—and one Republican—attended a dinner at the War Memorial Center Friday evening, October 25, to pay tribute to the State's new Superintendent of Public Instruction.

The affair was the second annual dinner given by the Grosse Pointe Democratic Club, and was held to honor Dr. Lynn M. Bartlett, former Director of Pupil Personnel for the Pointe School System, who assumed the State office on July 1. He was elected to the post last April.

The invocation was said by the Rev. Marcus Johnson of the Grosse Pointe Congregational Church.

Hudson Mead, first vice-president of the Pointe Club and chairman of the dinner committee, introduced Gov. G. Mennen Williams, the principal speaker of the evening; the club's president, J. Dunton Barlow; and his (Mead's) law partner, Dave Burgess, City councilman—and Republican.

Barlow in turn introduced several notables to the gathering, including State Sen. Harold Ryan; Circuit Judges Thomas J. Murphy and Theodore Bohn; Wayne County Prosecutor Samuel G. Olsen; and Al Pitt, the governor's legal advisor.

Bert Donlin, chairman of the Wayne County 14th Democratic Congressional District, attended the dinner, but had to leave before the introductions were made.

Barlow also introduced the officers of the club: Mead; Mrs. Maya Elmer, second vice president; Mrs. Mary Biene, secretary; Frank McKennon, treasurer; and Mrs. Helen Graves, publicity.

Unable to attend were: Congressman Louis C. Rabaut of the 14th Democratic Congressional District; and Neil Staebler, chairman of the Democratic State Central Committee. However, both sent telegrams expressing regrets at not being able to be present to honor Dr. Bartlett, but paid verbal tribute to the educator.

Before turning the affair back to Mead, Barlow gave a great deal of the credit for the success of the dinner to Mrs. Bohn and Mrs. Bartlett, both present with their husbands, who he said worked very hard on the committee.

Mead then called on Gov. Williams, who called the Pointe Democratic Club a healthy growth in the Pointe which he called a "thick Republican stubble and briar patch."

He said this growth is proof that the Democratic Party is not a class party, and that it deals with services for all, and believes it is for the "richest or poorest, the biggest or smallest," and can see a common good in helping the least citizen.

He blasted the present Republican leadership during the present world crisis, and said the people of the nation require strong leadership, and the American people have "grave doubts about the leadership they have been getting."

In speaking of Dr. Bartlett, the Governor said the new head of Public Education has brought leadership where leadership is needed.

He said that parents consider education as most important for the individual well-being of their children. They have risen to meet the challenge, and elected Dr. Bartlett to office.

The new superintendent of education not only reduced the vacuum, but created an entirely new concept of office in taking the leadership for education in the State, he said.

The Governor said that even before Dr. Bartlett assumed his post, he met with different organizations interested in education; attended citizens' conferences and when he took over the State office he sought

Wayne State Given \$116,000

Gifts and grants of more than \$116,000 were approved recently (October 16) by Wayne State University's Board of Governors at its October meeting.

A grant of \$18,905.69 will come from the estate of Dr. William A. Spitzley. The U.S. Public Health Service, National Institutes of Health, gave \$11,500 to continue research under the direction of Dr. Ernest Gardner and \$1,800 to be added to a training grant in psychiatric social work.

The Bureau of State Services, U.S. Public Health Service, granted \$12,247 to continue traineeships in public health nursing through August 2, 1958. The W. B. Saunders Company gave \$6,000 to be added to the fund to defray expenses of illustrating a textbook of human anatomy under the direction of Drs. Ronan O'Rahilly and Ernest Gardner, College of Medicine.

Other large grants included \$3,210 from the Monsanto Chemical Company, \$3,132 from the Union Carbide Corp., \$2,000 from the Monroe County Unit, American Cancer Society, \$1,800 from Wyandotte Chemicals Corp., \$1,340 from the Detroit Edison Company, and \$1,000 from American Motors and \$1,000 from Bendix Aviation Corp.

Pointe Kiwanians Hear Hospital Council Head

It is better to travel a few miles for quality care in a well-equipped and well-staffed hospital—such as those of Grosse Pointe—than to go to an inadequately equipped hospital closer to home, Jacques Cousin told the Grosse Pointe Kiwanis Club Tuesday evening, October 29, at its weekly

dinner in the War Memorial Center.

Mr. Cousin is executive director and secretary of the Greater Detroit Area Hospital Council.

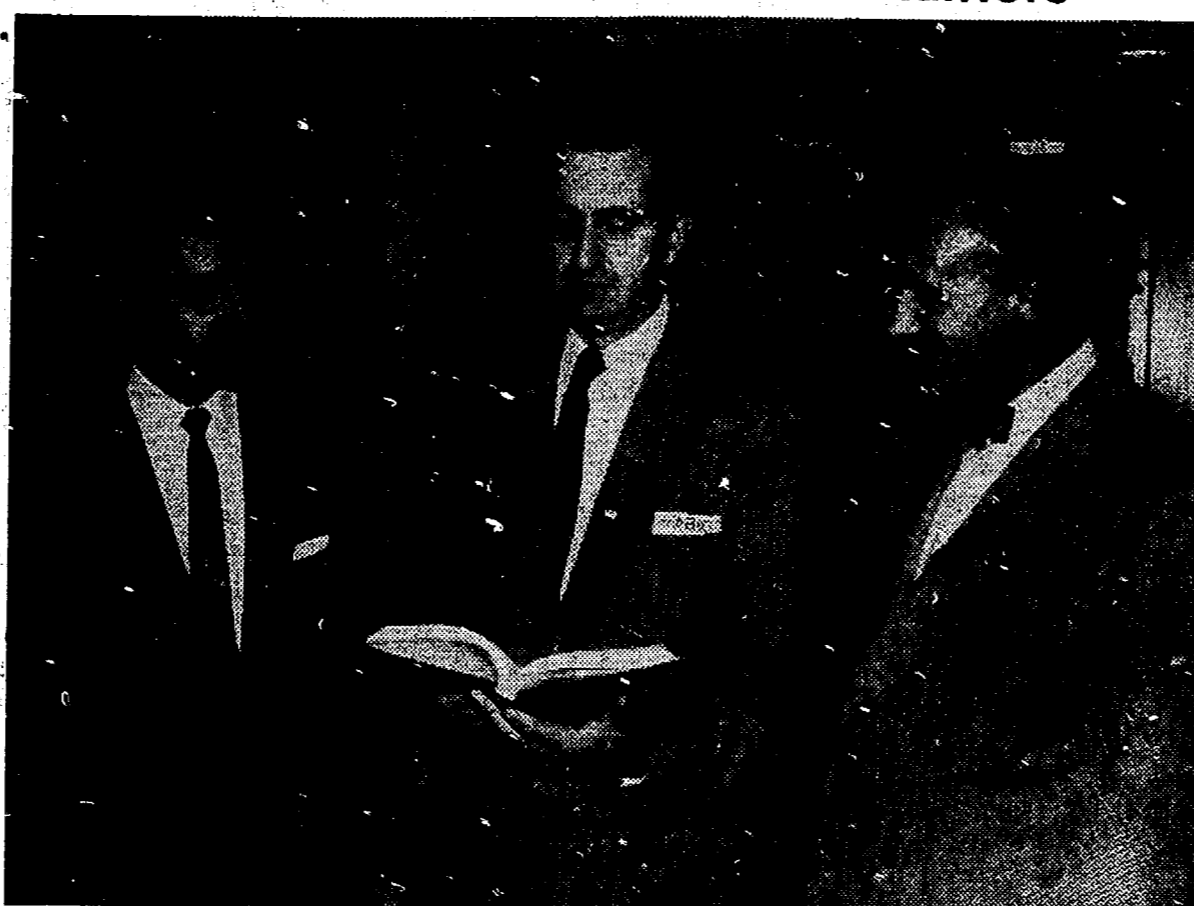

In discussing "Common Sense and the Hospital Dollar," Mr. Cousin pointed out that the rapidly changing outlook of hospitals, resulting from shifts of population, shortages of personnel, high construction and operational costs, plus the availability of a wide range of care in various hospitals, gives pause for competent reflection before permitting community pride to dictate over common sense in the location of new hospitals and the expansion of others.

He showed that smaller hospitals make for greater overhead.

"In Detroit hospitals of 50 beds or less," he declared, "occupancy averages but 54 percent. Those with 200 beds or more average 82 percent occupancy. Thus, four of the 50-bed capacity are accommodating only 116 patients while one 200-bed hospital is serving 164 patients."

He suggested also that the larger number of cases coming to the bigger hospital gives the staff more experience, thus

providing more assurance to the patient.

"Any doctor will tell you that in case of emergency he would prefer to go to a hospital adequately staffed and well experienced for the treatment of serious injuries.

"Thus it is for all kinds of ailments. The hospital able to give comprehensive care knows the answers—or, at least, its staff does—and has the equipment and space to put its knowledge into action, regardless of the injury or the disease.

"It is increasingly difficult to staff hospitals, especially the new ones," he said. "Doctors, nurses, technicians, dietitians—all are scarce as hen's teeth. You just don't fill hundreds of jobs by wishful thinking. It may take a year of constant work to secure enough nurses and technicians to do the job. For instance, it requires five nurses to do the work of one nurse around the clock—24 hours a day, seven days a week."

Small hospitals frequently cannot afford the expensive equipment necessary for comprehensive care, Mr. Cousin stated.

The Hospital Council, he declared, is making surveys of existing facilities and population trends in an effort to serve as consultant-advisor when the matter of new hospitals comes up for decision.

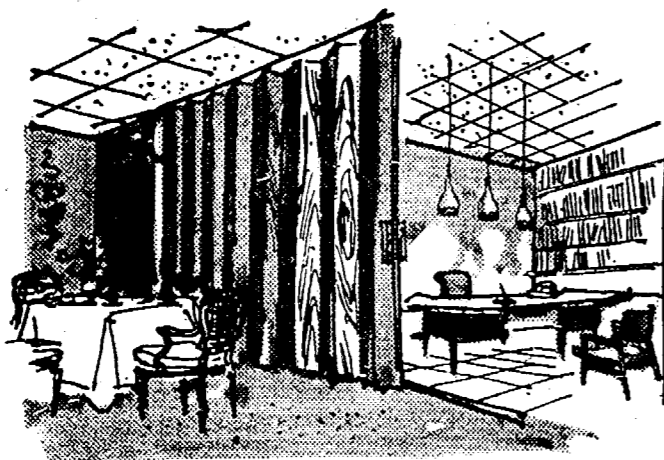

Some community hospitals are feasible, he said, but "many others would be a waste of money—and of questionable benefit to potential hospital-goers. "That's why 58 hospitals in seven counties of Eastern Michigan, plus scores of industrial, business and civic leaders, have banded together to provide answers which will lead to the greatest possible return—to the patient from the hospital dollar," he concluded.

V. C. Baily presented Mr. Cousin to Kiwanis.

Van Peurseum Discusses State Legislative Plans

George M. Van Peurseum, speaker of the Michigan House of Representatives, had a busy day meeting 14th District Republican Workers last Wednesday beginning with a break-

fast at 7:30 in the morning and ending with a meeting at 14th District Headquarters at 1531 E. Warren at midnight.

An afternoon press conference was held with Mr. Van Peurseum at which some of the east side weeklies sent representatives who asked questions on the Legislative Program and how that program affected the local area on the East Side.

In answer to the question on state aid reduction to Detroit's welfare program, Mr. Van Peurseum pointed out that he had written a letter to Mayor Mariani suggesting a meeting soon to discuss some of the problems faced by both the State and Detroit. Van Peurseum pointed out that this particular problem was an example of the type of thing that could be constructively discussed between the Mayor of our city and the head of the Michigan Legislature.

When asked if the welfare problem was not the result of a rural legislature, the speaker, who is from western Michigan, pointed out two very important facts which he thought, as an outsider, that the people of Wayne County sometimes forgot when they thought of the Michigan Legislature:

First, that the economy of Michigan—all of Michigan—depended very much on the prosperity of Michigan's huge metropolitan area of Wayne, Oakland, and Macomb.

He pointed out that this was so even in the tourist business which depended a great deal on metropolitan residents who vacationed in Michigan's Water-Wonderland; Section 2 of Representatives is not rural in nature, but urban, with more than 70 Representatives coming from urban areas out of a total of 110. He pointed out that as the population of Michigan grew, areas outside which were once thought of as rural are now actually small manufacturing centers and areas which have the same kind of problems as the large metropolitan areas.

The conferees then talked about the industrial blight on the East Side of Detroit as it related to the same kind of problem, although less aggravated, on the State level. Van Peurseum recognized that there is not only a local problem in this regard but we had a problem within a problem in that the solution of the Detroit area problem needed individual study and its causes might not be exactly the same as the State-wide situation. He said Michigan has seen a decrease in industrial jobs over the past seven years, even though attended with a tremendous increase in population, while industrial jobs in neighboring states have increased considerably.

Two Legislative study committees are working on the "Job Climate" of Michigan with the Senate Committee, chaired by Senator Clyde Geerlings, looking into the House Committee, headed by Representative Rollo Conlin, studying the tax picture in the State.

Mr. Van Peurseum said, "The House Committee which I have appointed is as bi-partisan as it can possibly be. We have five Republicans and four Democrats on the committee and the advisory committee appointed by that committee was approved to a man by unanimous vote." He further stated that he did not wish to pre-judge the very committee which was selected by the House of Representatives to study our tax problem objectively in order to come up with recommendations to the Legislature. He felt that for him to make a statement at this time on what the tax solution should be would be prejudicial to that committee. He stated: "That the lack of job expansion in this State is the most serious problem confronting us in many years and was way beyond the realm of partisan politics."

When asked about the legislative program of his party the speaker said that the program

written by the Republican Legislature could be key-noted by the word "Responsibility." He said that the Legislature wrote a program which recognized that certain state services had to be met and met at an even higher cost to the State, but that it also recognized that irresponsible spending and deficit financing could lead to nothing but a further increase in the inflationary spiral which, second to the threat of war, was America's greatest national problem.

In giving examples on this program he pointed out that the 1957-58 budget showed an increase of \$47,000,000 over the previous year; that in his tenure in the legislature which began in 1950 state expenditures have doubled; that much of the increased expenditure in state funds was for higher and secondary education; that in the field of mental health the appropriations were increased by three millions of dollars which item had likewise more than doubled over the last eight years; that whereas Michigan has 4 per cent of the nation's population it spends 7 per cent of the total money spent on the nation's mental health; that the policy of the Michigan Legislature has been to meet the legitimate needs that can be properly charged to government without being irresponsible.

On the other hand, Van Peurseum pointed out that in this same period of eight years that the Michigan Legislature had saved the taxpayers of the state an average of \$25,000,000 per year from what the Governor wished to spend. For instance, he stated, that last year

the Governor's budget proposed the spending of \$134,000,000, more than had been spent the previous year while at the same time he recommended taxing Michigan's job opportunity \$75,000,000, the net result being an approximate \$60,000,000 State deficit.

Speaker Van Peurseum said, "If President Eisenhower had recommended the same increase over the previous year he would have recommended a budget of \$96,000,000,000 in-

stead of the \$73,000,000,000 which he did recommend." He then went on to point out that if the Legislature had been responsible and had granted "bureaucratic" increases that our Sales Tax today would be 5 per cent instead of 3 per cent and as a further example if this had been financed by a combined cigarette and whiskey tax it would have required 16 cents more per package of cigarettes and 32 cents more on each dollar spent for liquor.

Hits Car Parked On Mack Avenue

Carol Miller, 3682 Beaconsfield, will no doubt rue October 24th from now on, for it was on this date that she banged into a parked car while driving east on Mack avenue.

Both cars were fairly well damaged, and Miss Miller's required a tow truck to clear the debris. To add to her woes, she was issued a ticket for not having her car under control. Equally unhappy about the whole affair was the owner of the other car, Charles Renner, of 20917 Hampton road.

INTRODUCING NEW

Swept-Wing 58

So advanced it leaves the rest behind!

On display for the first time today is a car that stands apart in any company. It is very low, very daring, beautifully proportioned. Its unusual sureness of handling and control reflects the latest engineering advances. To own it is a new adventure.

Beatty Chosen To Serve U. S.

From the desk of the newly-appointed Attorney General, William P. Rogers, to the NEWS office comes the impressive announcement, "I am pleased to inform you of the selection of Mr. George W. Beatty of Grosse Pointe Farms, Michigan, under the Attorney General's 1957 Recruitment Program for Honor Law Graduates."

The letter explains that Mr. Beatty is one of approximately seventy students to be chosen this year from a field of 600 "exceptionally qualified" applicants representing 90 different law schools throughout the country.

Mr. Beatty is the son of Mr. and Mrs. Harold A. Beatty, of Pine Court. He was married recently to the former Noelle Blackmer of Andover Massachusetts. Princeton University granted him an A.B. degree in 1954, when he was graduated 12th in his class.

Little League Election Held

The City of Grosse Pointe held its annual Little League meeting Monday night at the Neighborhood Club for the election of next year's officers. This organization has come a long way since its birth in the

City, over five years ago. Founding fathers were Paul Blackburn, first president; Al Ghesquire, Bob Van Tiem and Andy Teetaert. It was they who instigated the conversion of the lot at Charlevoix and Neff, building it themselves into one of the finest playing fields around.

The City Little Leaguers now boast of a membership of 140 boys, and about 70 fathers. Monday night's election results are as follows: president, Bill Bradley; vice-president, John Montgomery; secretary, Warren Jollymore; treasurer, Pat Mullin; and new members on the board of governors are Andy Teetaert and Robert Van Tiem.

A vote of thanks was given all the out-going officers, with special commendation to ex-president Victor Dhooge, for a job well done.

Rotarians Play Hosts to Foreign Students

—Picture by Fred Rumlens

Some 35 foreign students attending Wayne State University were entertained by members of the Grosse Pointe Rotary Club last Thursday night. The group gathered at the War Memorial Center, following which the hosts took their guests in tow. Some went to the hockey game, some to the symphony, others were taken home for

American family dinners. Pictured at the center left to right: — Murray Smith, chairman of the International Service committee of Rotary; Shigemitsu Morita, Japanese student; Saeyounglee, Korean; Robert Orr, Rotary president; and Ralph Burke, chairman of the foreign student committee.

Christ Church To Confirm 25

A class of 25 adults will be confirmed at Episcopal rites in Christ Church Sunday by the Rt. Rev. Richard S. Emrich, Bishop of Michigan. Bishop Emrich, who will also preach, will receive the large

class at the 11 o'clock service. The class is one of two for adults presented each year. Other services scheduled for Sunday include Holy Communion at 8 and 9:30 and the Canterbury service for teens at 6:30 p.m.

Library Offers Family Movie Night on Friday

The Grosse Pointe Public Library's Family Film Night for November is scheduled for Friday evening, November 1, at 7:30 o'clock. The showing will be presented in the Meeting Room of the Central Library at Kercheval and Fisher.

Featured on the program will be three color films, Hawaii, U.S.A.; Point Pelee, Nature Sanctuary and Sailing in Canada.

Hawaii, U.S.A., is a tourist's-eye-view of the islands, with little information on social, political, or economic conditions. However, a map of the islands gives the variety of races, climates, and crops that are part of this area. Modern buildings, homes, hotels are shown; the abundance and variety of flowers is pictured; the volcanic crater and formation of the islands is explored. This film runs 21 minutes.

Point Pelee, Nature Sanctuary is an 11-minute film which describes Point Pelee National Park. This southernmost tip of the Canadian mainland in Ontario provides a happy hunting ground for the ornithologist, entomologist, botanist, and the photographer. The film shows many different species of birds, as well as butterflies and other insects, and examples of wild flowers and shrubs.

The thrill of sailing as it is enjoyed in Canadian waters from the Atlantic to the Strait of Georgia is the subject of the third film, Sailing In Canada. To the rollicking accompaniment of sea chanteys, the film takes the viewer cruising up the St. Lawrence, on the Great Lakes, on Lake Winnipeg, and off Canada's Pacific Coast.

When Pointers Get Together

DAVID COOK had one of the biggest weeks in his comparatively short career when he kicked a field goal for the only score of the Grosse Pointe High School —Wyandotte game, and covered the press preview of Ford cars as student journalist representing the Detroit News. He was one of 135 from around the nation selected to attend the previews and give the younger slant on the new models. He was greeted by a fellow Pointer, none other than HENRY FORD, II, president of the motor company.

ROTC Exams Deadline Near

High school teachers and graduates have only until November 16 to apply for the Navy's Reserve Officer Training Corps, VAdm. James A. Holloway, Jr., Chief of Naval Personnel, said today. Applicants will take the nationwide competitive examination on December 14 as the first step toward an appointment as midshipman.

Designed to supplement the officer output of the Naval Academy, the ROTC program makes it possible for a young man to earn a commission while studying at the civilian college of his choice which has an ROTC unit. All tuition, fees and books are furnished by the Navy, and the student receives an annual retainer of \$600 for four years.

During the summers the student goes on fascinating training cruises to many parts of the world. After completing the usual four-year college course, he is commissioned in the Regular Navy or Marine Corps and goes on active duty with the Navy's far-flung fleets.

High school seniors and graduates between the ages of 17 and 21 may apply for the ROTC aptitude test. Those who make a qualifying score will be given a rigid physical examination early in 1958. From the pool of qualified young men remaining in competition, approximately 2,000 will be selected to begin their naval careers next September.

The ROTC college training program is also open to enlisted men on active duty with the Navy and Marines. Separate quotas are established for applicants from within these services.

Application forms are available at all high schools, colleges, Navy Recruiting Stations or from the Chief of Naval Personnel, Washington 25, D.C.

Sees Big Year For Auto Sales

Retail automobile deliveries for 1957, according to industry estimates, should be slightly more than 6,000,000 units to make 1957 the third-best volume year in automotive history.

J. C. (Larry) Doyle, general sales and marketing manager of the Edsel Division, Ford Motor Company, also told delegates to the New York State Bankers Association meeting in Albany that "one economic indicator" points to "an even greater possible potential" in 1958.

He said that in his opinion installment credit, when properly related to increased volume and the low rate of repossessions, is not alarming in any way.

Touching briefly on 1958, Doyle said it was "much too early" to make any forecasts but he did discuss one aspect of next year's "possible" potential, saying:

"New car credit contracts maturing this year were about 300,000 higher than in 1956 and about the same as in 1955. However, the number of new car credit contracts to mature next year is estimated to be about 900,000 more than in 1957.

"There has been no appreciable increase in car sales this year over 1956 despite these 300,000 additional contract maturities," he continued, "so it is entirely within the realm of possibility that a sizeable segment of these paid-up owners, plus the 900,000 who will pay off their contracts in 1958, may be back in next year's market for a new car."

Doyle said that automobile production for the first nine months of this year was about 4,700,000 units. For the year, industry estimates place production at about 6,200,000 units and retail sales, including foreign cars, slightly over 6,000,000. This would make 1957 the third-best year in automotive sales volume history and push 1956 to fourth place.

EXPERIENCE
Seeing his son born was "the most wonderful experience" of his life, writes Peter Browne in November Reader's Digest, but in the course of it he confessed to being more scared than when he flew as an air gunner with the Royal Air Force. "I feel like telling every husband," he writes, "if you possibly can, do as I did."

Barnaby Conrad to Give Talk in Center Friday

Barnaby Conrad, author of the best seller "Matador" and TV's Omnibus presentation "Death of Manolete," is being presented at the Grosse Pointe War Memorial Friday evening, November 1, at 8:15, in co-sponsorship with the Grosse Pointe Community Theater.

It is through Mrs. George Tait Hall, past president of the Junior League of Detroit and the Grosse Pointe Community Theater, that Mr. Conrad, who is her cousin, is coming to the Center. His exciting talk will be illustrated with his own movies.

Colorful Barnaby Conrad, alumnus of the California School of Fine Arts, the University of Mexico, North Carolina, and Yale, started life in Spain in the foreign service and became in turn a bull-fighter, pianist in Lima, Peru, portrait painter and companion-secretary to Sinclair Lewis.

Now, still in his thirties, he is an established author, regular contributor to the national magazines, married with three children and the proprietor of chic El Matador in San Francisco where celebrities are wont to gather.

Barnaby Conrad's interest in the bull ring was awakened when a student in Mexico. His first participation was a completely spontaneous and unrehearsed appearance in one of the smaller rings in Mexico when, following the program, members of the audience were challenged to enter the arena.

Mr. Conrad's latest work, "Gates of Fear," just released October 21, is a complete anthology of stories connected with bullfights around the world. His translations from Spanish works on bullfighting are regarded among the most authentic material on the subject.

Mr. Conrad, whose interests and enthusiasms are

boundless, sails a tiny class boat, naturally known as El Toro, which he has christened "Islero" after the killer of Manolete. Each year a race of El Toros sweeps across San Francisco Bay to compete for a cup presented by Mr. Conrad at his El Matador.

To further illustrate Mr. Conrad's versatility, for Omnibus' presentation of "Death of Manolete" he originated a new process, since widely used of combining still pictures with moving picture techniques.

Because of the expected large attendance in the Center's limited space and because a coffee social is planned to follow Mr. Conrad's talk and colored movies, reservations in advance are advised.

Children's Book Fair Scheduled

There will be on exhibit at the Detroit Historical Museum, November 8-24, books to please all ages from the pre-school child to boys and girls in Junior High School.

Interesting programs are planned for each day. Well-known authors and illustrators will talk about their books. There will be plays, puppet shows, film showings and fun-filled adventure for the entire family.

This is the fourth year for the event, sponsored by the Detroit Federation of Women's Clubs, Detroit Historical Museum, Detroit Council of Parents and Teachers, Detroit Free Press, Detroit Parochial and Public Schools, Detroit Public Library and the Children's Book Council.

Among those planning the activities are Mrs. Charles Burgess of Grosse Pointe Park, Chairman, Mrs. Edwin L. Yates of Grosse Pointe Woods, executive secretary, and Miss Marian C. Young, Chief of the Children's Department, Detroit Public Library, Co-Chairman.

The fair will be open from 9 a.m. to 10 p.m. Tuesday through Friday; 9 a.m. to 6 p.m. Saturday, and 1 p.m. to 10 p.m. Sunday. For group reservations, write or telephone Miss Shirley Morris, Detroit Historical Museum, TE 3-5410, 8 a.m.-4 p.m. Monday through Friday.

Great Lakes Antique Show Opens on Nov. 2

The \$500,000 Great Lakes Antique Show is scheduled for November 2, 3 and 4 in the Fountain Room, Detroit Masonic Temple.

The fifty-five exhibitors come from Washington, D.C., New York, Georgia and Kentucky, as well as Detroit and the mid-west area.

Fine examples of furniture, glass, china and silverware will be shown along with many special displays of jewelry, toys and clothing. An exhibit of early American, English, French and Belgian firearms will be featured.

The exhibition will be open from 12 noon to 10:30 p.m. daily and admission is 75 cents, tax included. All items in the exhibit are for sale.

Opens Office

JOHN B. DOYLE (Bernie to his countless friends) is announcing the opening of his own real estate office, at 128 Kercheval avenue, in the Farms.

Mr. Doyle, who is president of the Grosse Pointe Brokers Association, and member of the Detroit and National Real Estate Boards was long associated with one of the Pointe's largest real estate firms where he served as sales manager for the past several years.

Regarded as an authority on Grosse Pointe real estate, Mr. Doyle will specialize entirely in residential property, both vacant and improved, where appraisals as well as sales and management will be part of his operations.

HUBCAPS STOLEN

Arthur Paselk of 73 Kercheval complained to Farms police on Wednesday, October 23, that while his car was parked in a gas station at 66 Kercheval, during the night, someone stole three hubcaps.

Trust services are for lots of people. For people like this widow, for example, off for an outing with her grandchildren. She spends most of her time in pleasant ways. She's free to travel, to visit her friends and family, because her husband left her the means without the worrisome problems that often go with them. In conjunction with his attorney and the Trust Department of National Bank of Detroit, he took the time to so plan his estate that a considerable sum, which otherwise would have been lost in taxes, was preserved for his survivors. In addition, he also named National Bank of Detroit as Executor and Trustee in his will which naturally simplified things for his wife and children. Food Scoops Of the Week

This week the total wholesale meat picture is one of daily fluctuations. Prices are going up and down. Latest local reports show pork prices to be down a few cents, and it is hoped that the heavier pork runs will begin now that cooler weather has arrived.
Loin roasts are down as much as 10 cents a pound, and attractive prices have also been placed on center-cut pork chops, roll sausage and skinless frankfurters. Few decreases are expected on the lighter weight smoked hams (10-12 pounds) until after the holidays.
Although beef prices have shown daily price variations from one-half to one cent per pound, there has been little actual change in retail prices. However, many markets are displaying features on all chuck roasts—the arm chuck which is so excellent for swissing; ground beef; and corned beef. For those who have a freezer, the whole standing rib roast may also be obtained for about 10 cents less per pound this week! The butcher will cut it into steaks, roasts and shortribs.
The turkey market has shown five to ten cent price increases this week. However, prices on broiler-fryers have remained unchanged, but there are some low prices on fryer parts. It is believed that with the prospect of an eight to ten per cent larger crop this fall, and less demand at this time of the year, prices for our favorite fried chicken may decrease in November.
Both large and medium sized eggs remain about the same price this week, with medium sizes the better buy in accordance to weight and quality. All kinds of cheese are being featured at unusually low prices, and the three to four-cent drop on wholesale butter prices has made the spread a much better buy in retail food stores.
This week Michigan apples are particularly in the spotlight as one of the outstanding values at the produce counter.

MEATBALL STROGANOFF

1 pound hamburger
1 teaspoon salt
1/4 teaspoon pepper
1/4 teaspoon dry mustard
1/4 cup ketchup
1/4 cup fine dry breadcrumbs
1/2 cup milk
2 cans (4 oz.) mushrooms
1/4 cup chopped onion
2 tablespoons flour
1 cup bouillon
1 teaspoon Worcestershire sauce
1/4 cup sour cream
Combine and blend thoroughly hamburger, salt, pepper, dry mustard, ketchup, bread crumbs, and milk. Form into one-inch balls. Brown on all sides in ungreased skillet over moderate heat. Remove from pan. Pour off excess fat. Brown onion and mushroom in skillet. Blend in flour, and gradually add bouillon and Worcestershire sauce, stirring to blend. Return meatballs to skillet, cover and simmer 20 minutes. Just before serving, stir in sour cream. Serve on hot cooked rice or noodles. Serves 4. Courtesy of Kay Kopera, Detroit News.

G.P.U.S. News Notes

Mrs. Hortense Robinson of the Grosse Pointe University School music department participated in this fall's Music Critics' Fifth Annual Workshop held in Detroit under the joint sponsorship of the Music Critics' National Committee, the Detroit Symphony, and the Detroit News.

An event of great interest to the players and coaches of the GPUS varsity football team (undefeated in their three games so far this fall) was the showing last week of color movies of their game against the Maumee Valley (Ohio) Country Day School.

Chapel assemblies were conducted last week by Headmaster John Chandler, Jr. and by Harriett Radshaw of the 12th grade.

GPUS had large absentee lists last week because of the current wave of flu, colds, and sore throats.

The first issue of the Parents Bulletin was mailed out to parents last week.

Headmaster John Chandler, Jr. has announced through the columns of the Parents' Bulletin that the annual carnival

held last June 8, 1957, was an outstanding success and that "after the last bill had been paid, the treasurer reported a net profit of \$16,375.05 which has been transferred to augment the scholarship funds of the school."

In a very well written statement, which also appeared in the Parents' Bulletin, Charles Uzinkian of the Senior class took occasion to express his appreciation to the American Field Service for the summer in Germany for which he was selected.

Named as "Teen of the Week" by the Detroit News in its issue of October 18 was Dick Strother, President of the Senior class at GPUS.

plagued the country from 1931 to 1940, was shot dead by two gunmen who came up behind him as he sat in a barber chair in the Park Sheraton Hotel in New York City.

The triggermen fired an estimated 10 shots, four of which hit their mark. Both killers wore scarves over their faces and fled the hotel leaving the 11 terrorized barber-shop customers in such a state that no one could say in which direction they ran.

Over 100 detectives have been assigned to the case.

THE GOVERNMENT Friday recommended that the duPont holdings of 63 million shares of General Motors Corp. stock be distributed to the owners of duPont common stock.

The proposal was made by the antitrust division of the Justice Department. It would allow 10 years for an orderly transfer. Du Pont lawyers will file a counter-proposal within 60 days.

MARSHAL GEORGI K. ZHUKOV was relieved as Soviet Defense Minister Saturday. A Moscow radio announcement saying Marshal Rodion Y. Malinovsky, commander-in-chief of Soviet land forces had replaced him gave no indication as to whether Marshal Zhukov was being knocked out of a possible fight for power in the Kremlin or might be in line for some job bigger than Defense Minister.

Students of Communist affairs have felt for months that Marshal Zhukov was a real rival for Nikita S. Khrushchev, Communist party chief, but whether Mr. Khrushchev intended by relieving him to cut him down to size, or to give him even more power, was a point not clarified immediately in the Moscow broadcasts.

IT IS NOW, virtually certain that President Eisenhower will meet leaders of the 14 other North Atlantic Treaty Organization powers in December to forge tighter free world unity. The White House refused to confirm Sunday that the normal December meeting of the North Atlantic Council in Paris would be turned into a Western conference of heads of government.

SYRIA HAS ANNOUNCED that King Saud of Arabia had withdrawn his offer to mediate the Turkish-Syrian border crisis. This appeared to be a victory for Arab unity.

Monday, October 28

THE AIR OF MYSTERY about the future of replaced Defense Minister Marshal Georgi Zhukov suggested Sun-

day that more changes are imminent.

Diplomats with pipelines to Moscow said Nikita Khrushchev appears to be taking a bold gamble to tighten his grip as Russia's strongman by shoving aside his toughest remaining rival. There have been rumors that Premier Nikolai Bulganin might be kicked upstairs to the presidency held by aging Marshal Klementi Voroshilov.

A TRAPPED GUNMAN placed a trans-continental phone call to his mother Sunday and then surrendered tamely to police after a rampage across Idaho and Montana.

Before he gave up, Willard A. Brown, 23, had escaped from Montana Prison, stolen four cars and held seven persons hostage at different times. Acting upon the advice of his mother he meekly laid down his gun and gave himself up to the dozen police cars that surrounded a farmhouse in Lava Hot Springs, Idaho. None of his seven hostages had been harmed in the day of terror for all involved.

THE FORD MOTOR Company issued a happy financial statement Sunday that showed earnings for the first nine months of 1957 are 58 percent higher than the comparable period last year. Consolidated sales figures for this year's first nine months better last year's same period figures by 37 percent.

President Henry Ford II noted that profits before taxes for 1957 through September "were reduced by unusual costs associated with the company's major products line and facility expansion programs."

Tuesday, October 29

DEFENSE SECRETARY NEIL McELROY Monday wiped out a military spending cut of at least 170 million dollars ordered by his predecessor, Charles E. Wilson, which dipped into basic research funds of 1.7 billion dollars. He acted against a background of criticism of the August 17 economy order made by Wilson.

The criticism, much of it from Congressional Democrats, scientists and research organizations, grew sharp after the Russian success with its satellite. McElroy ordered the Army, Navy and Air Force to restore their basic research levels "within the overall resources currently available."

THE UNITED STATES and Great Britain have agreed in principle to divide the responsibility for developing future atomic weapons.

Under the agreement, it is understood, the United States would concentrate on developing certain types of atomic

weapons, while the British would work on other types of nuclear warheads. The allies would share the information obtained in their separate research and development projects.

The basic agreement was reached last week in the talks between President Eisenhower and British Prime Minister Harold Macmillan. Before it can be carried out, however, it must be approved by Congress through a change in the Atomic Energy Law of 1954.

JUVENILE JUDGE NATHAN J. KAUFMAN has asked Prosecutor Samuel H. Olsen and Chief Trial Lawyer Raymond DeRyck to meet with him at 3 p.m. Friday. He is planning a city-wide crackdown on teen-age drug traffic. Aided by knowledge obtained from four teen-agers arrested over the week-end, police are investigating the supply and sale of narcotics to high school students.

Wednesday, October 30

MARSHAL ZHUKOV, foremost Russian military figure, was reported under Kremlin detention today pending a decision on his fate by the powerful Communist party central committee.

A Russian diplomatic source in East Berlin reported Zhukov had been detained since Saturday night when his firing from the defense ministry leadership was announced.

Accusations before the central committee are that Zhukov was building a "cult of personality" on the basis of his military leadership. This was the same charge that Russian Party boss Khrushchev

lodged against Stalin -- after Stalin's death.

LOUIS B. MAYER, 72, the pioneer film maker who sprinkled Hollywood's plastic galaxy with some of its brightest stars, died today. Mayer, founder of Metro-Goldwyn-Mayer Studios, died of leukemia, an incurable disease, at UCLA medical center.

Since last summer he had waged a losing battle with the dread disease. He underwent treatment for six weeks at Stanford University Hospital for an ailment that was described publicly as anemia. He returned to his home in Hollywood on September 16.

A LAST-MINUTE AGREEMENT was reached in Flint Tuesday, averting a strike that would have idled 20,000 employees of the Buick Division of General Motors Corp. The pact was arrived at in a marathon bargaining session that began at 7 p.m. Monday, culminating

in the announcement Tuesday afternoon by a UAW spokesman: "Tentative agreement has been reached. There will be no strike. The negotiators are still talking." The strike deadline had been set for 10:18 a.m. Tuesday.

(Editorial note: For this material about the Yosemite we are indebted to Mrs. Andrew H. Green, a former Pointer, now living in Tryon, N.C. Her husband was chief machinist on the ship which had as crew members some of the Pointe's most illustrious names.)

Shot and grape rained down from the Morro Castle's 9.2 inch guns on the crew and officers of the USS Yosemite, intent on destroying a valuable Spanish supply ship at San Juan, Puerto Rico, that hot June morning in 1898.

Aboard that cruiser, fighting in that now almost forgotten war, were members of the Michigan State Naval Brigade, which included many of the Pointe's most famous scions. The ship's complement was often called "the millionaire crew".

For action in Cuban waters the Yosemite was awarded "double prize money", the last awarded by the US Navy. Two members of that war-time ship's company were each to become secretary of the Navy, Lt. Truman H. Newberry and Gunner's Mate Edwin Denby.

Friendships formed aboard the Yosemite during the battles of the Spanish American War remained firm. Chief machinist Andrew R. Green, Jr., later became a prominent industrialist, a political reformer, a Red Cross director in World War I overseas and finally campaign manager for Truman Newberry in his 1918 election as senator on the Republican ticket.

The Yosemite crew which left Detroit on April 29, 1898 for Norfolk to await the ship were home again by 1900 when the cruiser met her tragic fate off Guam. She had been sent there after her war duties to be a station ship and was run aground in a terrible typhoon, her bows crushed in and rudder and propeller broken.

Charles B. King was the last of her war-time crew to board the cruiser which had been in New York before the fatal trip to Guam. He went down to the engine rooms for a last look around before the Yosemite sailed, never dreaming that the ship which held so many memories for its famous crew would be scuttled in Pacific waters.

The Spanish-American War, many of the soldiers and sailors of that day have faded away but at the Broadhead Naval Armory a tablet testifies to the glory of the USS Yosemite and the roster of famous men who served on her.

Grosse Exaggerations A. PRYOR

"Ye that have faith to look with fearless eyes Beyond the tragedy of a world at strife, And trust that out of night and death shall rise The dawn of ampler life; Rejoice, whatever anguish rend your heart, That God has given you for a priceless dower, To live in these great times and have your part In Freedom's crowning hour; That you may tell your sons who see the light High in the Heavens... their heritage to take... 'I saw the powers of darkness put to flight, I saw the morning break!'"

While calling on a friend at crummet time the other day, her husband read aloud an article to us from one of the dailies. In said article there appeared a word which he pronounced "Roob-out." Never having heard same, we asked what it meant...

Just last night, grouping up with the neighbors for chit chat... the same man arrived and announced to his wife (and us) "Guess what? I ran across that word again today... remember 'roob-out'? It MUST be right but I can't figure what it means."

Readers who have been with us ever since our first column, might remember that we printed this before... albeit not in its entirety. During the war... way back in 1942, a local gent who was married and had four children, took himself off to the Navy for the duration and his first station was in California.

He and his wife naturally corresponded back and forth and our Naval Officer kept asking her to PLEASE send him some snapshots of herself and the children. He did not know when he might get sea duty and he wanted to take the snaps along.

She took the painting, which measured about 3 feet by 2 feet, to an art dealer, had it crated for shipping... but not until she had drawn a fancy moustache over her lip (on the portrait, natch!)... and pasted a small American flag in one corner.

In due time he telephoned to thank her for NOTHING. He said (among other things that are unprintable) that he had an aitch of a finger getting the thing uncanted... tearing a rent in his finger with a rusty nail, among other things and what in 'ell did she think he was going to do with it.

Time marches on... the hero comes home from the wars but sans portrait. The family never even thought about it again and it seemed like a closed book. BUT... a couple of years ago, one of the children, of debutante age herself, was about to have HER portrait painted and it reminded Mama of her own.

We don't usually try to make like a Helen Bower in this column but we have heard (from the horse's mouth) that a picture coming to the Adams on November 8th (we think) called "Les Girls" is a must. A lot of people might flock to see it, who are sexy Rexy Harrison fans...

Good news for Lou Gordon fans... he's in our midst again after what seemed like a long absence. The maestro of news and interviews will be back come this Saturday night at 11 p.m. on channel 7...

What Goes On at Your Library

By Jean Taylor

Last week was a particularly busy one for the librarians, with the Michigan Library Association convening in Detroit, Wednesday through Saturday, as well as business as usual at all our libraries.

Two of the Grosse Pointe Library Staff took an active part in the conference this year. Robert M. Orr, Director of the Grosse Pointe Libraries, discussed the subject "An Administrator Considers Streamlining Cataloging" at the opening meeting...

At the Thursday evening banquet, Leland Stowe, author and journalist, sparked plenty of discussion, when he spoke on "An Up-to-Date Assessment of Our Changing, Divided World." Mr. Stowe has had an enviable career of globe trotting...

Letters to The Editor

To the Editor: I just came from skating at the Ice Flair, which I understand is going to be called the Grosse Pointe Skating Club now.

They have advertised in your paper, but I do not think you mention them often enough in news items to make it a really popular place. I feel, and I know you do too, that the responsibility of any newspaper is to promote the things in a community which are good for the community and good for the people in it.

I am just a skater who gets such a bang out of doing a figure eight and who feels so exhilarated after a session on the ice, that I can't bear to have such an opportunity go to waste when a lot more people could be enjoying it, too.

Sincerely, MRS. W. R. BRYANT, 687 University Pl., Grosse Pointe 30, Mich.

Ford Hospital Nursing Grads to Hold Meeting... The Alumnae Association of the Henry Ford Hospital School of Nursing will hold its monthly meeting, Monday, November 4, at 8 p.m. in the Educational Building of the Henry Ford Hospital.

Plan For Medical Care By Fred Kopp, R. Ph. If sickness is regarded not as something to be cured but as something to be prevented, we have finally become educated in the matter of health. Knowing what to do is not enough, action is needed also; and provision of time and money to secure medical advice. By setting aside a small amount each month in our budget we can take care of the expense; by making an appointment with the doctor well in advance we can find the necessary time. Quality drugs, carefully compounded are important to health protection. Secure them from a pharmacist with a reputation for excellent prescription service.

ing reporter for the Reader's Digest, and most of his books have concerned world politics. His most recent one, "Crusoe of Lonesome Lake," however, is a departure. This is the biography of one, Ralph Edwards, who, more than 40 years ago, went into the Canadian wilderness, with little more than ingenuity, determination and keen respect for all that books could teach him. There he found the peace and independence he sought. This is truly an amazing chronicle.

In answer to a question on the changes in Russia over the last decade, Mr. Stowe recommended Louis Fischer's recent book, "Russia Revisited; a look at Russian and her Satellites," an informative and enlightening inside story.

At a luncheon which closed the conference, Elizabeth Howard Mizner of Harvard road, Grosse Pointe, author of several popular books for young people, spoke about "Books for Young Adults—A Challenge." Miss Howard's most recent book, "Girl of the North Country" is a novel for teen age girls, laid in Northern Michigan in the 1850's. This is a good story with warm family relationships, real characters and an excellent picture of pioneer life.

Weekly story hours will be held at all three libraries beginning November first. The libraries have chosen different days for this activity but the hour, 4 p.m. is the same in each case. Stories will be told at the Central Library on Fridays by Miss Jacqueline Hoskins; at the Woods Branch Thursdays by Miss Harriet Helms; and at the Park Branch, Wednesdays by Mrs. Mary Gaboda. All children of elementary school age are invited. We have great faith in stories as a means of giving enjoyment and as a way of arousing interest in books and encouraging children to read for themselves.

College Choir Sings Sunday

The Wartburg Choir of Wartburg College, Waverly, Iowa, will present a concert at Salem Memorial Lutheran Church, 21230 Moross road at Chester, on Sunday evening, November 3, at 8 o'clock.

This Detroit appearance is part of a five-state tour on the part of the well-known capella choir that has been heard in concerts from coast to coast during recent years. The Wartburg Choir received high praises in Minneapolis newspapers for its excellent concerts at the Lutheran World Federation meeting last summer.

The director of the Wartburg College Choir is Dr. Edwin Liemohn, head of the college's music department and well known as a composer and author. His compositions for choirs are widely sung by church, high school and college organizations. His setting of Luther's "A Mighty Fortress Is Our God" has been called "the

finest example of contemporary contrapuntal writing" for choirs. In 1953 the Muhlenberg Press published his book "The Chorale Through 400 Years," described as "The best book I know as giving the background of Protestant hymnody and its European development" by the reviewer in "Christian Century."

Included in the Sunday evening program at Salem Memorial are selections by Lassus, J. S. Bach, Heinrich Schuetz, as well as several well-known folk hymns, including selections in Latin, Norwegian and German. The public is invited to attend the concert by the 57-voice choir on Sunday evening.

Richard Wheaton is the local chairman of the Wartburg concert which is being supported by all of the American Lutheran churches of the east side of Detroit. Rev. Reginald H. Holle is pastor of Salem Memorial.

Keep Holiday Safe for Kids

Halloween costumes plus small children could equal double danger.

By observing a few safety rules inside and out of doors, you and your youngsters will be able to enjoy Halloween to the fullest.

1. Before he steps outside, be sure that your little "goblin" is dressed warmly. A coat underneath his costume, or a jacket over it, will be sure insulation against sniffles and sneezes.

2. A mask is an effective disguise for your child, but it is a safety hazard. Are the holes for the eyes large enough; is it comfortable for breathing? A safe, and more comfortable disguise, can be deftly applied with eyebrow pencil or rouge. Do not use cork, which is damaging to skin pores.

3. When "trick and treating," your youngster will be climbing steps and crossing streets. Check to see that his costume

is a safe length for him. Trailing ribbons or gowns can too easily be tripped over, and might result in a very bad fall.

4. If your child is joining his neighborhood playmates for a round of doorbell ringing, be sure that they are accompanied by someone who can be responsible for their safety. Check to see that he is supplied with a flashlight, which has been stocked with new batteries.

5. Warn your youngsters, before they leave, to be careful of steps and curbs, and review the safety rules for crossing the street. Many store costumes are partly luminous, but if your child's is not, stick pieces of luminous tape on the back, front and sleeves of his outfit. This will protect him, and the Halloween night driver, from an accident. The Department of Traffic Safety advises that your youngster remove his mask before crossing any street.

Cancer Society Reveals Grants

"Six grants totaling \$111,191 are being made to Michigan scientists and institutions for research in cancer," Nelson R. Gilbert, President of the American Cancer Society-Michigan Division announced at the Cancer Volunteer Leadership Training Conference being held at the Kellogg Center, East Lansing.

These grants are part of a total award of \$5,970,566 made at this time by the American Cancer Society to 197 scientists in 78 institutions in 31 states.

"All of the Michigan Division grants made at this time went for projects directed by five scientists at the University of Michigan," Gilbert said.

Total research grants made this year by the American Cancer Society exceeded \$10,500,000 but requests in excess of \$22,000,000 were received.

"This clearly demonstrates

science's intense concern with the cancer problem, Gilbert explained, and it clearly points up the need for greater funds for research. Only the most promising of the proposals received could be accommodated. Many other worthwhile research projects would have been supported had more money been available."

Subjects of the cancer research for which these grants were made are the causes of cancer, how cancer develops, treatment of cancer, and special work in the field of lung cancer.

According to a quotation from Elbert Hubbard, "there are two kinds of discontent in this world: the discontent that works, and the discontent that wrings its hands. The first gets what it wants, and the second loses what it had. There is no cure for the first but success, and there is no cure at all for the second."

Garden Talks Being Offered

Worrying about how to protect your garden during the winter months? Plan to attend November's noon round tables at the Detroit Garden Center and find out what to do.

In a series of free Monday discussions in Room 202, Old City Hall, director Ray Henstock will cover numerous phases of winter care. These talks will start at 12:15 p.m. A period for questions and answers follows at 12:45.

Circle these dates on your calendar and plan to attend: Nov. 4 — Why and how plants, deciduous shrubs, evergreens and trees should be mulched for winter. What materials should be used. Leaves can be used for some mulching but when?

Nov. 18 — Protect your evergreens for winter. Winter is a crucial period for evergreens. Learn how to reduce losses caused by frozen ground and bright sun and wind.

Nov. 25 — Selection and care of gift plants. With the holiday season approaching learn to choose the gift plant for the environment in which it must live.

Note that there is no talk scheduled for Nov. 11, Armistice Day, when Old City Hall will be closed.

GP Woman's Club Plans Bridge Party at Center

On November 6, the Bridge Group of the Grosse Pointe Woman's Club will meet at 12:45 o'clock in Room F at the War Memorial Center.

Mrs. F. M. Urban, chairman of the group, invites all members of the club to be present and enjoy a full afternoon of bridge hands. No tea is served.

Grosse Pointe News

From Another Pointe of View

By Patricia Talbot

The voices of the hunter, the football fan and the Halloween spook are heard in the land these crisp autumn days. Hunters seem to have first claim on the calendar, for with the gentleman of the house out shooting, milady has had to suspend dinner invitations temporarily until the bag of game is in and she can take over in the culinary department.

Pheasant is the bird locally, and Robert Laurie took his young son, Robbie, out for a day's shooting near Vassar. Last week-end the Robert Cudlips drove out to Metamora for a day's shooting.

The Cudlips with the Stan Days, the William Hickeys and the Victor H. Taylors lease a duck marsh in Canada near Tilbury on the Thames River where many Pointers shoot during the longer Ontario season. Robert Laurie, also a duck hunter, shoots at the Mitchell's Bay marsh of his father, William L. Laurie.

Partridge demand real skill from the nimrod and the Frederick W. Pearces, Jr. will try their luck this week-end with the Jack Sturtevant at the latter's remodeled schoolhouse near Vanderbilt. This is the hunting lodge co-owned and refurbished by the Sturtevants, the William Delbridges, the Dan Johnsons, the Charles B. Johnsons, Jr., and the Richard M. Kimbroughs.

Farms Trapshooting

Grosse Pointe Farms hunters who want to practice their shooting during the off season months this winter are invited to try their luck trapshooting at the Farms pier. Shooting began October 1.

Edward C. Roney, Jr., organized the Farms Trapshooting Club some three years ago for Farms residents and it has grown into a pleasant Sunday afternoon habit for some of the Pointe's most famous hunters.

Shooting on the pier regularly are Mr. Cudlip and Mr. Pearce with the club's president this season Henry M. Campbell III, Theodore A. McGraw, N. Dave Nyman, the Roy Chapins, Jr., Sammy Chapin, Mrs. Alfred L. Marks and the R. M. Surlams.

Iowa Rooters Here

For the football fans the Michigan-Iowa game looms on the horizon and much more exciting it will be for those who are entertaining guests from the Corn State.

Mr. and Mrs. Harold O. Love have invited the Richard E. Sherlings and the Homer Carleys from Cedar Rapids to be their guests and they will put them up at the Country Club over this coming week-end.

Following the game Saturday the Loves will be hosts at a dinner party for their guests in their Lochmoor boulevard home. Others at the post-game party will be the William H. Coddingtons and the James D. Tobins, of Birmingham.

Dr. and Mrs. Harther Keim, of University place, will have as their guest their daughter, Mrs. Eugene Gerwe, now of Davenport, Ia., who is visiting them with her daughter, Gretchen.

After the game they will all be going to a party given by the Keims' son-in-law and daughter, Dr. and Mrs. Thomas Peterson in Ann Arbor.

New Concerts At Institute

Six Pointers are devoting their time to promoting the second series of concerts sponsored by the Detroit Institute of Arts to bring to Detroit artistic presentations which correlate music, dance and drama with the visual arts represented in the Museum.

Local members of the Music Committee of the Detroit Museum of Art Founders Society are Arthur F. Neef, Harry Lynn Pierson, Mrs. Sterling S. Sanford, Jerome Irving Smith, Mrs. Robert Sucek and Donald Thurber.

The first concert of this series will be given November 20 at the Detroit Institute of Arts Lecture Hall. On the program will be Carl Dolmetsch on the English flute and Joseph Saxby at the harpsichord. Both are authorities on early music and instruments.

The other three concerts will be held at the Detroit Institute of Arts Auditorium. The New York Woodwind Quartet will play on January 11; the Budapest String Quartet on February 24, and the Theater of Angna Enters, the Greatest-Mime of Our Time, on March 17.

Mrs. Michael Freeman, of Wellesley drive, is chairman of the committee. Tickets may be obtained from the Detroit Museum of Art Founders Society, 5200 Woodward avenue and are \$10.00 to members and \$12.00 to non-members for the four concerts.

New Gift Shop At Hospital

To keep pace with the ever increasing demand, it has become necessary to remodel the Gift Shop at Cottage Hospital.

Mrs. Lynde Martin, in charge of this project, and also chairman of the Junior Benefit Guild of the Women's Auxiliary, has announced a tea for Auxiliary members, hospital personnel and the general public to celebrate the opening.

The party will be held Monday, November 4, from 1 until 4 o'clock at the Nurses' Residence in Ridge road. Booths will be set up to display the merchandise from the new shop.

Among those pouring at the tea table will be Miss Carolyn Wicks, administrator of the hospital, and Miss Anna Youngs, director of nurses. After the tea inspection of the shop is invited.

Soroptimists Present Gift to Schools

MISS DORIS FORSYTHE, of the Soroptimist International Club of Grosse Pointe, presented an audiometer to PAUL MAWHINNEY, left, of Grosse Pointe Board of Education, and JOSEPH KLEEFUS of the Grosse Pointe Parochial schools. The Soroptimist's, aware of the problems of the deaf and hard of hearing, made it available to the nurses in the schools. It is an instrument capable of group or individual testing.

To Hear Talk By Dr. Greene

The Woman's Society of the Grosse Pointe Methodist Church will hold a General Society Luncheon on Tuesday, November 5, at 12:45 p.m. The guest speaker will be the popular and well-known Dr. Katharine B. Greene, Wayne County Marriage Counselor, who will speak on "The Importance of the Woman in the Home."

A nursery will be provided free of charge for the convenience of luncheon guests with pre-school children. For reservations call Mrs. Dent at TU 1-1667.

Top Journalist To Give Talk

Fred Sparks, Pulitzer prize-winning journalist, will talk before Detroit Town Hall at 11 a.m. Monday, November 4, in Ford Auditorium.

Just back from Hong Kong where a series of his articles appeared in The Detroit News, Sparks' subject will be "Adventure Is My Business."

He has sought adventure on all continents. He saw the British forced out of the Suez Canal; he spent a month on a junk manned by anti-Communist guerrillas as they raided the mainland; he helped capture penguins on a Byrd expedition to the South Pole.

For his brilliant dispatches from the wars in Indochina, Malaya and Korea, he was awarded the Pulitzer Prize in International Reporting.

Club to Hear Dorothy Biddle

Dorothy Biddle, famed editor, lecturer and flower arranger will speak Monday at 2 o'clock in the Eastland Auditorium.

The noted garden columnist from Pleasantville, N. Y. will be presented under the auspices of the Windmill Pointe Garden Club. Popular columnist, her unusual talent is her ability to make spontaneous flower arrangements using unique materials with ease and flexibility.

Tickets for the lecture may be obtained from Mrs. Ray Venderbush, VA 2-9272 or at the door of the auditorium. The public is invited.

Unitarians Holding Biennial Holly Fair

Public Invited to Attend Big Event at E. Jefferson and Rivard on November 7 from 10 a.m. to 10 p.m.

A roast beef dinner and a children's "Big Game Hunt" Carnival are special features of the Biennial Holly Fair at Grosse Pointe Unitarian Church, 17440 E. Jefferson at Rivard, on Thursday, November 7, from 10 a.m. to 10 p.m.

The church women, who've spent two years preparing for this event, specialize in offering the unusual at attractive prices, and all agree, according to Fair Chairman Mrs. Nelson Frolund, that this year the galaxy of fair items for Christmas giving or Christmas using is better than ever.

The "For Men Only" booth is a new one, and under the chairmanship of Mrs. Raymond Baer has everything from handkerchiefs, with handrolled hems to party bow ties and father-son aprons.

The "Party Line" booth, also new, has a variety of items the hostess needs for gracious entertaining, say co-chairmen Mrs. John Herrmann and Mrs. Charles Feldman.

Toy Shop co-chairmen Mrs. John Gulevich and Mrs. William Eimer are sure children will love the hand-made puppets, the raggedy dolls, the clever wooden toys (which the men helped cut out), and the many novelty "stocking stuffers."

The Sparkle Shop has all sorts of glistening gifts. Among its most attractive offerings, according to chairman Mrs. E. G. Foxson Jr., are the beautifully designed burlap murals.

Mrs. Charles Ensor says her Linen booth has a variety of "extras," including sheet sachets, while Mrs. George Potter has the aprons, some with matching dust caps.

Green Thumb chairman Mrs. Fred Gould has, besides plants, dried arrangements and Christmas door ornaments, pots of fresh parsley and chives, while the minister, Rev. William D. Hammond, has the Book Shop corner where one

At mid-morning and mid-afternoon Mrs. John Leuzinger will serve her own homemade donuts with cider. For food to take out there's the Pantry Shelf run by Mrs. Thomas Miller, with the best in tempting taste treats from the kitchens of almost every church member, while the candy booth, too, will offer a marvelous variety of sweets, according to chairman Mrs. J. W. Chrisman.

An added Fair feature this year has to do with Pastel Portraits which are made during October and November at the Church, by appointment. Call Mrs. Otto Fisher, WA 1-1058, for further details or arrangements.

Mrs. George Spaulding, Children's Carnival chairman, wants all mothers to know that the "Big Game Hunt" is open continuously with the Fair.

To Hold Big Sale At Christ Church

Antiques, Toys, Books and Furniture To Be Sold in Undercroft November 7 To Help Finance Christmas Fair of 1958

Very elegant will be the cast-offs sold at the Christ Church White Elephant Sale on November 7 from 10 until 5 o'clock in the Undercroft of the church at Grosse Pointe boulevard.

No old clothing will be available but some precious antique china and glass, books, furniture, jewelry, silver, children's toys and oil paintings will be offered, promise sale co-chairmen Mrs. Wendell W. Anderson and Mrs. William Burton.

This White Elephant Sale is held every other year to raise money for Christ Church's biennial Christmas Fair. This fall Grosse Pointe Memorial is giving the holiday bazaar, but in November, 1958 it will be Christ Church's turn as these two churches alternate Christmas Fair years.

Mrs. Emory B. Ford is treasurer of the White Elephant Sale and handling the publicity chores are Mrs. William K. Muir and Mrs. John Anderson.

Gathering silver for the sale is Mrs. Howard Van Leyen, and Mrs. David Rust has been collecting jewelry. Other workers include Mrs. Ernest M. Baker, Jr., Mrs. Truman Brown, Mrs. Roy D. Chapin, Jr., Mrs. Charles

Creedon, Mrs. Frank Danger and Mrs. Cyril Edwards.

Clerking at counters displaying some of the unique crystal candlesticks, the Meissen plates, or displaying the charming old desks will be Mrs. Aaron Evans; Mrs. John B. Ford, Jr., Mrs. John H. French, Mrs. Edward Grace, Mrs. Lowry Kammer, Mrs. A. D. La Ferte and Mrs. Simpson Leonard.

Other workers will be Mrs. Allen Lomax, Mrs. Allen Merrill, Mrs. Allison Monroe, Mrs. Benjamin Paddock, Mrs. Thomas F. Paddock, Mrs. John Potter, Mrs. Glendon Roberts, Mrs. Joseph Standart, Jr., Mrs. Robert Upham, Mrs. Gordon Weller and Mrs. Maurice Wood.

Society Prepares for Sixth Annual Winter Carnival; Tea and Fashion Show Will Be Followed By Tour of Gay Booths and Evening Party with Cabaret on November 8

Christ Child Society members are decking the halls of the Latin Quarter with a wealth of Yuletide colors for the sixth annual Winter Carnival on Friday, November 8.

The whole day will be a festive one beginning at 1 o'clock with a tea and fashion show before the duplicated Santa's Workshop. Children's styles will be modeled as well as the latest modes for 'mildady, all before an unusual Christmas backdrop.

In the Carnival booths such wares as baked goods, candy, dolls, handicrafts, white elephants and surprise packages will be vended to round off the afternoon's entertainment. About 750 will attend the evening party which will feature a cabaret party and booths for pre-Christmas shopping for Dads. Husbands will join this big holiday party.

Mrs. Don J. Stein, of Rosedale, is chairman of the whole Carnival and is being assisted by a group of Pointers including Mrs. Hugh Ruthven, Mrs. William P. Bradley, Mrs. John G. Schafer, Mrs. Eugene Freitas, Mrs. Victor Brudenbach, Mrs. Wilbur P. Kay, Mrs. Anthony Toco and Mrs. Robert J. Whitty.

Money raised, and last year's total was \$25,000, will go to the building fund for the New Christ Child House now being

built at Greenfield and Joy roads. The building will be opened in the spring of 1958 to give temporary emergency shelter to children.

Federated Garden Clubs Stage Show

Grosse Pointe Garden Club Members to Exhibit at Four Day Show at Charles W. Warren Co. Beginning November 12; Will Also Act as Hostesses

Members of the various Grosse Pointe Garden Clubs will be on hand as exhibitors, hostesses and spectators when the four day show sponsored by the Federated Garden Clubs of Michigan (District One) opens November 12 at the Charles W. Warren Co. in Washington boulevard.

On the first day the show, highlighting table settings and flower arrangements, will open at 2 o'clock and on the succeeding three days the show will be open from 10 until 5 o'clock. All three floors of the store will be given over to the exhibits and also the mezzanine, newly opened salon for Steuben glassware, which is obtainable in Detroit exclusively at Warren's.

Tuesday afternoon there will be a tea to honor the exhibition committee, the officers of various garden clubs, as well as exhibitors and hostesses. The public is invited to this tea. Tea will also be served to visitors on Wednesday, Thursday and Friday afternoons. There is no admission charge for the show.

This third annual exhibition has a unique angle. Its resourceful, energetic committee members, in keeping with the progressive spirit of our world scientists, have developed classifications along the idea of a salute to the International Geophysical year.

These general classifications are: The World We Live In; The Spacious Firmament; Earth - Air - Fire - Water; and They Followed the Star.

Center Club Holding Dance

For their third affair of the season, Friday evening, November 8, at 9 o'clock, the Grosse Pointe War Memorial's Center Club is choosing the theme "Football Round-Up". The parties this year have been unusually successful and the club officers are determined to keep up the pace.

At the last dance Judy Stanton won the bachelor dummy that greeted guests at the entrance to the ballroom. Judy collected last names beginning with more letters of the alphabet than anyone else. This time there will be another "gimmick" to get folks acquainted and the same orchestra will play for dancing.

Another Center Club romance has been revealed. Attractive and popular Grosse Pointe teacher Marilyn Sweeney will be deserting her Merriweather road spinster roost. She met her Joe, of course, at the Center Club.

All the Pointes young single business and professional people are cordially invited to the Center Club affairs. Be sure and get your name on the list.

sary table, Holiday dance, Christmas party, etc.

No awards will be made, but District One will present a sterling silver punch bowl and tray for the permanent home of the National Council of State Garden Clubs in St. Louis, Mo.—a gift of Charles W. Warren and Company and Reed and Barton of Taunton, Mass.

Other Grosse Pointe exhibitors will be Mrs. Oscar Buhr; Mrs. Guy A. Durgan; Mrs. Dexter M. Ferry; Mrs. E. W. Frank; Mrs. Raymond J. Hodgson; Mrs. James T. Huette; Mrs. Longyear Palmer; Mrs. John B. Warren; Mrs. Bert H. Wicking; Mrs. Henry P. Williams and Mrs. Hansel Dwight Wilson.

A partial list of hostesses from Pointe garden clubs includes Mrs. James Atkinson; Mrs. Standish Backus; Mrs. Albert Beaver; Mrs. Alexander W. Blain; Mrs. Charles L. Brownell; Mrs. Carl J. Carlson; Mrs. Allen P. Edwards; Mrs. Benson Ford and Mrs. Edward Groh.

Mrs. Robert G. Hammel; Mrs. Earl I. Heenan; Mrs. Charles B. Johnson, Jr.; Mrs. Alfred D. Laferte; Mrs. Collier Y. Moffett; Mrs. James B. Ogden; Mrs. Don C. Stephenson; Mrs. Abram van DerZee; and Mrs. S. Wells Utley are others.

HOUSEHOLD HINT According to Consumer Marketing Information Agents, Midwest apples of all varieties are arriving in larger supply at your food stores as fall harvest gets underway. You'll find them good eating . . . served raw in salads or to eat out-of-hand, cooked as sauce, or baked in a variety of desserts. And you'll find them very economical.

Mason School PTA Plans Two Events

Harvest Bake Sale to be Held at School on November 5 and Dance Will be Conducted at Parcels on November 8

A Harvest Bake Sale to be held on Election Day, November 5, at Mason School, and a Harvest Square Dance at Parcels School on Friday, November 8 will be sponsored by the Mason School PTA.

According to an announcement by John Lapsch, Mason PTA president, the purpose of both harvest time events is to raise money for the purchase of drapes to darken rooms so that Mason students can have audio-visual work in their class rooms. Mrs. Owen Murray, who is a PTA director and chairman of Special Events, is in charge of both affairs.

Harvest Bake Sale, starting at 9 a.m. on Election Day, will feature a special snack counter. Coffee and donuts will be on sale, so those who vote at Mason can also take a coffee break there, too. To catch the early voter, the snack bar will open with the polls at 7 a.m. and close with the polls at 8 p.m. Mrs. Owen Baker, TU 1-2484, is in charge of bake sale contributions.

Second big event, the Harvest Square Dance, will be held at nearby Parcels gym which can accommodate the crowd expected. There will be prizes and refreshments.

Dancing will be both square and social, with music by Al Ross and his orchestra. Calling will be Bill Piggins. Dancing is from 8 p.m. to 11 p.m. Donations are \$1.25 per person. Tickets may be obtained from Mrs. George Steyer, TU 1-5645.

Also on the committee for the sale and dance are these Mason PTA officers: Fred Steiner, first vice president; Mrs. Gordon Henderson, second vice president; Bob Knapp, third vice president; Mrs. Cecil Conway, treasurer; Miss Carol Fischer, secretary; directors Ted Jacobs, Clarence Gould and Mrs. Willis Zeigler.

AAUW to Present Robin Hood Nov. 9

There Will Be Two Performances of Play By Michigan State University Players on Saturday, at 10:30 and 2 O' Clock at Pierce Junior High School

Robin Hood and his Merry Men, complete with long bows and all their legendary trickery, will invade Grosse Pointe next Saturday, November 9, to the delight of an estimated 1,400 youngsters who will see the play "Robin Hood" being put on at Pierce Junior High School by the Michigan State University Players.

There will be two performances, at 10:30 o'clock and 2 o'clock, of Robin Hood which is being sponsored by the Grosse Pointe AAUW as the first of two plays in their annual Children's Theatre program.

Tickets are now on sale at Harkness' Drugs in the Woods, the Punch and Judy shop on the "Hill", Fromm's in the Village, and Sullivan's Drugs in the Park.

Highly recommended as good and exciting entertainment, the story being presented includes many of the best known Robin Hood tales. The Merry Men of Sherwood Forest delight in outwitting the foolish Sheriff of Nottingham, with Little John, Will Scarlet, Alan-a-dale and Maid Marian figuring prominently in the action.

This is the fifth year that the MSU players have appeared here and the tenth year that the Players have toured Michigan communities with plays written and produced for youngsters.

"We feel we are fortunate in being able to present Robin Hood this year," said Mrs. Stewart Kerr, chairman of the AAUW Children's Theatre

program. "Always a favorite, the stories of Robin Hood are currently enjoying increased popularity because of television—thus the children will see a top flight performance about one of their favorite characters.

Mrs. Edward F. Gehrig, ticket chairman, points out that Robin Hood is but one of two plays the AAUW is bringing to Grosse Pointe this season, the second being "Sleeping Beauty" to be done in February. This year's season tickets covering both plays are available. Tickets may be purchased in advance at the ticket stations mentioned previously or at the box office.

GP Newcomers Plan Party

The Grosse Pointe Newcomers Club will continue its fall activities with a progressive bridge party on Friday, November 8.

Among the members who will open their homes for the festivity are Mr. and Mrs. Fred Schnurr, of Fisher road; Mr. and Mrs. Maurice Boyer, of Lincoln road; and Mr. and Mrs. Hans Van Lunenburg, of University place.

After the bridge the group will meet for a short business meeting at which time food will be served.

The Newcomers' last party, the Football Frolic, held at

the Legion Hall in Mack avenue was attended by 45 couples among whom were new members Mr. and Mrs. Bob Black of McMillan road, Mr. and Mrs. Jack Connelly, of Maryland avenue, and Mr. and Mrs. Kern Ingram, of Lakepointe avenue.

Mr. and Mrs. Richard Woelfel and Mr. and Mrs. Richard Davis are in charge of arranging parties for the season.

NEW START

Confidence in the future allows a man's world to end every night and begin again each morning.

From Another Pointe of View

(Continued from Page 17)

Frank Watts of Littlestone road bid all their buddies to a Halloween party this Saturday eve.

Mr. and Mrs. Watts hope this will be the beginning of a "Party of the Month Club" which will bring together their former crowd, who are now mostly young marrieds. They have already planned a New Year's Eve gala.

In on the cats and goblins caper will be the Daniel Burkes, the Post Fordons, the Richard Wickhams, the James Williamses, the Ted Smiths, the Douglas Turnbills, the Tom Brandts, the Philip Drolls and the Richard O'Connells.

Expected to come in from Ann Arbor for the ghostly gayety are the Warren Babcocks and the Jack Fifes will probably drive from Grand Rapids to the party. Other costumed guests will be Fritz Bloy, Lynn Trudell and William Farquhar.

Tenth Birthday

First evening party for Barbara Begg came on her tenth birthday last Friday evening. Her parents, the C. Brooks Beggs, of Lakeland avenue, tossed a supper for the young miss and then the girls—all went on to the evening movie. Very grown up for one night!

On the guest list were Susan Jenks, Paula Fisher, Mary Ellen Emery, Peggy Smothers, Linda Patterson, Elizabeth Frederickson, Mary Walker and Judy Gajewski.

Sports News From Scotland

Latest news of Pointers temporarily living in Europe comes from Mr. and Mrs. Merritt W. Jones, of Oxford road, now home from an exciting jaunt to the Continent.

Highlight of the trip was of course the visit with Mr. Jones' son and daughter-in-law, Lt. and Mrs. Merritt Jones in Edinburgh, Scotland. The former Elise Fink and her husband will be there for two years while the officer is stationed with the Judge Advocate General's office.

Lt. Jones incidentally proudly displayed his trophy won for the Air Force golf championship of Northern Scotland to his visitors. They arrived in time to see him presented with the award at a special dinner at the Officers' Club.

Also off visiting relatives over the week-end, though much nearer home, was Mrs. William Howie Muir, of Ridge road, with her daughter-in-law, Mrs. William K. Muir, also of Ridge road. They were in Simsbury, Conn., to see Mr. and Mrs. W. Howie Muir II and Mrs. W. Howie Muir's great grandson.

William McQueen Wins Scholarship

William McQueen has just been awarded one of the top scholarships at Cranbrook School, Bloomfield Hills, where he is currently a member of the junior class.

Sixteen-year-old "Bill" is now recipient of the James L. McLaughlin award, earned on the basis of his high academic work and position as a school leader.

Funds for this scholarship have been made available by the John L. McLaughlins of Great Falls, Montana in memory of their son James who died shortly after his graduation from Cranbrook.

"Bill" who has been a Cranbrook student since 1953, is the son of Mr. and Mrs. William F. McQueen, 1811 Hollywood, Grosse Pointe Woods.

Salon Opened by Slenderella

Grosse Pointe's first Slenderella International Salon opened Monday with Vice President Irene Ward of New York here to officiate at the tape-cutting ceremony.

The Grosse Pointe salon is one of three to be introduced in the Detroit suburban area within a one-week period. Others include Birmingham and Eastland Center locations.

A giant measuring tape was used for the opening of the new salon at 112 Kercheval. At the ceremony Miss Ward commented, "We are happy to join other business organizations in your fine community and we know we can be of great service to women in this area."

Miss Erika Knudsen, Supervisor of Slenderella in Detroit, announced the appointment of Marilyn Barney as manager of the salon here. Mrs. Barney formerly directed the Gratiot Salon. An assistant manager and three technicians will complete the staff of the salon.

Slenderella's Eastland salon, located in the Community Course, Eastland Center, is under the direction of Lorraine Schultz. Jo Ann Snyder manages the Birmingham salon at 263 Pierce street.

Since 1950 when the first salon was introduced in New York, Slenderella has grown tremendously and now operates 200 salons from Hawaii to Zurich and Paris to Seattle. Commenting on this phenomenal growth, President Larry L. Mack has declared, "We are certain our success is due to the fact that while women may be primarily concerned with improving their physical appearance, more important they

are becoming increasingly aware of the danger to their health and well-being if they are overweight."

Slenderella salons serve over 40,000 women every day, as a world total, and individual salons average 250 women each day.

J. R. Kennedy Wed in Kansas

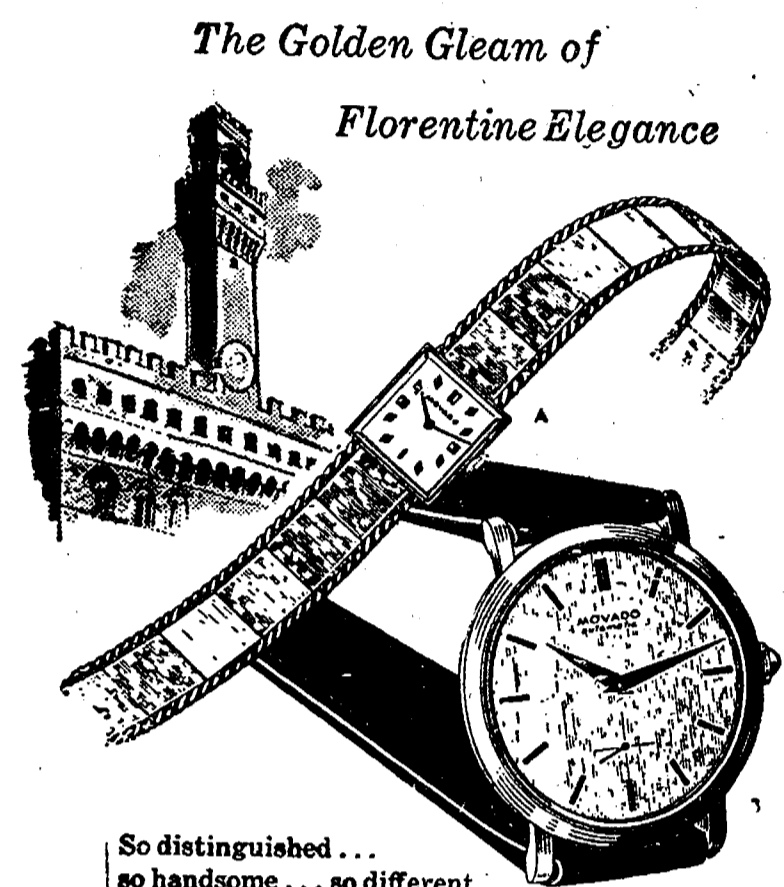

Sailing November 12 from San Francisco for a trip around the world are Mr. and Mrs. J. Randolph Kennedy, who were married last week in Wichita, Kan.

The new Mrs. Kennedy is the former Mrs. William L. Ainsworth, of Wichita. Mr. Kennedy who lives in Lincoln road now has an apartment at the River House. The newlyweds will divide their time between Wichita and Detroit.

The bride was given in marriage by her son, William L. Ainsworth, Jr., and attended by her daughter, Mrs. Charles Aikens. George Kennedy was best man for his father.

Young Peoples Concerts Begin

The Detroit Symphony Orchestra's happy "World of Music" Young People's Concert Series will be presented for the sixth season under the sponsorship of the Junior Leagues of Birmingham and Detroit, the Women's Association and the Junior Women's Association for the Symphony.

Committees from each group are selling tickets for the series through Nov. 22 under the direction of Mrs. Robert Wardrop, Bloomfield Hills. The four one-hour programs are scheduled at 11 a. m. the Saturday mornings of Dec. 7, Jan. 4, Feb. 22 and Mar. 15 in the Ford Auditorium. Valter Poole will conduct.

The first concert of the series, Dec. 7, will feature the Severo Ballet, trained by Detroit's gifted Severo, in Tchaikovsky's "Nutcracker Ballet." The "Nutcracker" was presented on the series two years ago and is repeated by special request. Two performances are scheduled this year, the first at 11 a. m. and the second at 2 p. m.

Arnold Moss, a frequent visitor to Hollywood and the Broadway stage, will narrate Harriett Johnson's "Chuggy and the Blue Caboose" on the second concert, Jan. 4. The work is based on the popular children's book by Lydia and Don Freeman.

The third concert, Feb. 22,

District Nursing Society Meets at Center Nov. 6

will feature John Sebastian, harmonist, playing the "Streetcorner Concerto" by Kleinsinger.

The Detroit Puppet Theater will present Aaron Copland's "Billy the Kid" with larger than life size puppets at the final Young People's Concert, March 15. Gil Oden, Detroit Institute curator, will supervise this unusual and important artistic venture with puppets created especially for this show by George Latschaw. A full year of preparation will have gone into the venture by performance time.

Chairmen working with Mrs. Wardrop are Mesdames Bruno D. Smoke, Women's Association; Raymond J. Duffy, Jr., Junior Women's Association; Alfred C. Moore, Junior League of Birmingham; and Burt Eddy Taylor, Jr., Junior League of Detroit.

Woods Garden Club to Meet

The Grosse Pointe Woods Garden Club will meet Tuesday at the Norwood drive home of Mrs. Arthur Swanson with Mrs. E. H. Ireland and Mrs. Ivan B. Taylor as hostesses.

The program will be a display of dried arrangements made by the members and a quiz on garden news. Mrs. Edward L. Weber and Mrs. Cecil Pollard will also talk.

Church Women Plan Reception

The Woman's Auxiliary of St. Michael's Episcopal Church will entertain the members of the Parish and their friends at a reception in the Lounge on Sunday, November 3, from 4 to 6 p. m.

As a part of the general celebrations in connection with the anniversary of the Parish, this event marks the Tenth Anniversary of the founding of St. Michael's Women's Auxiliary. Mrs. Nelson B.

Fisher is chairman of the committee planning the tea.

Three women will be given special recognition at this event. Presentations will be made to Mrs. Reginald Neffger (the former Mrs. Frederick Bahr) of Dunneville, Virginia, the first president of the Woman's Auxiliary; Mrs. Frederick J. Button, the first president of the organization under its present constitution, and Mrs. Harry Findlay, directress

of the Altar Guild since the founding of the Parish, marking the inscription of their names in the Golden Book of Remembrance of the Diocesan Women's Auxiliary.

Representatives of that organization as well as of the various groups of the East Side Convocation will be special guests.

Pointe Colony Meets Nov. 7

Grosse Pointe Colony, National Society of New England Women, will assemble Thursday, November 7, at the Detroit Historical Museum.

The purpose of the meeting is to welcome William I. Mayo of Westminster, Vermont, director of Kurn Hattin Homes. Mr. Mayo will show pictures of these homes for boys and girls and will tell of training the students toward trade skills. Mrs. Mayo will be an honored guest.

Other guests of honor will be two members of the National Executive Board; Mrs. Raymond E. Spokes, 2nd vice-president general, and Mrs. Junius Harworth, director general.

Tea will be served from 2 until 4. Grosse Pointe Colony is the hostess colony with its president, Mrs. Edward J. Savage, assisted by Mrs. Fred W. Haines, Mrs. Richard Webber Allen and Mrs. James Reid in charge of arrangements.

Ann Arbor Colony and Redford-Farmington Colony will participate as co-hostesses.

Concert Honors Victor Kolar

Members of the Tuesday Musicals will gather Tuesday morning at 10:30 o'clock to mark the opening of the third year of morning concerts to take place in the Detroit Institute of Arts Lecture Hall.

This first concert of the season is dedicated to the memory of Victor Kolar and includes the last program rehearsed by the late conductor.

The Tuesday Musicals string ensemble which will perform includes Florence Morgan, Lucille Zocharski, Lotta Winkler and Jo-Louise Bradley. They will play Dvorak's composition in E. Flat Major. This selection is of particular importance to the members as Mr. Kolar studied under the composer Dvorak.

Also appearing in the morning recital will be pianist Christine Pappas Frangos, Ruth Killen, soprano; Margaret Clifton, accompanist; and Helen Fairchild Larsson, chairman of the day.

Represent Soroptimists At Parley in Chicago

Florence Lehman and Marion Bachman, prominent business women of Soroptimist International of Grosse Pointe, were named delegates to the 48th Conference, Midwestern Region of the American Federation of Soroptimist Clubs, Inc., held in Chicago, Illinois, October 25-27, 1957.

Dedicated to the principle of service, these women joined with other Soroptimist representatives from 62 major cities of the midwest to coordinate their present programs and lay plans for their own future club activities.

Ideals of Soroptimism will be highlighted through the conference by the theme, "Facets in Education." As a special guest of the conference, Mrs. Lily Quarnberg, of Vancouver, Washington, the first vice president and president-elect of the American Federation of Soroptimist Clubs, will give the keynote speech, "If Only I Could Be Set Aglow."

The Soroptimist Club has as its service project Grosse Pointe Nursing and has just presented an audiometer to the Grosse Pointe public and parochial schools. This constitutes an important link in the general purpose of Soroptimists everywhere—service for others.

Valparaiso University Guild Holding Benefit

Members of the Valparaiso University Guild have pledged as their 1957-58 project the gathering of additional funds for a new Chapel-Auditorium now under construction on the campus of Valparaiso University in Valparaiso, Indiana.

The dual purpose of the structure will be of service to members of the university in presenting the daily Christian worship, concerts, and other events necessary in the spiritual, cultural, and academic life of the university.

The Detroit-East Chapter of the Guild has, therefore, planned an evening card party to be held at Our Saviour Lutheran Church, at Dickerson and Elm Dale Avenues, on Friday, November 1, at 8 o'clock.

Mrs. Calvin Gauss of Harcourt avenue is the ways and means chairman of the chapter, and Mrs. Andrew Daniel and Mrs. Carl Thrun of her committee are serving as co-chairmen of this affair.

Mrs. W. A. Huegli, Mrs. Harold Reith, Mrs. William Fenske and Mrs. Ralph Jewell are committee members. Mrs. Walter Moeller and Mrs. O. Sattelmeyer are in charge of tickets.

There will be prizes and refreshments. Everyone is most cordially invited to attend.

Shores Garden Club to Meet

The Grosse Pointe Shores Garden Club will meet on Friday, November 1, for luncheon at the Grosse Pointe War Memorial. Mrs. Robert Patterson is hostess for the day.

It is the annual International meeting of the Group and there will be a guest speaker who will talk on Japanese culture from a modern American viewpoint.

As an added note of interest, Mrs. Arthur G. Beasley, a native of Japan, will be a guest and will display some of her native costumes and objets d'art which she brought with her when she came to make her home in America.

RC to Conduct Training Class

The Detroit Red Cross chapter will conduct a training class for women interested in becoming volunteer Staff Aides on Wednesday, November 6, Mrs. J. Dwyer Kinnucan, chairman of volunteers, announced.

The session, which will be held in chapter headquarters, 153 Elizabeth East (at John R), will begin at 10:30 a.m. and continue until noon.

Mrs. Kinnucan explained the duties assumed by volunteer Staff Aides: "The duties assigned staff aides are clerical, which provides an opportunity for women with office training and experience to use those skills in Red Cross service."

However, filing, registering blood donors, keeping records of volunteer services and being hostess at the information desks require no special skills but do provide an avenue for service at tasks which are vital to the Red Cross chapter activities. There are openings for evening staff aide volunteers, too."

Interested women are invited to call the Red Cross, WO. 1-3900, between 10 a.m. and 3 p.m., Monday through Friday, for further information. Enrollment before the class day is optional.

Methodist Society Hostess at Clinic

The Woman's Society of the Grosse Pointe Methodist Church acted as hostess for one of the Fall Clinics of the Detroit District Woman's Society of Christian Service, on October 30, from 10 a.m. to 2:30 p.m.

The clinic dealt with committee work of the Woman's Society organization, and was presided over by Mrs. Donald F. Schram, district president.

Other district officers were present and took part in the discussions dealing with their respective offices. Luncheon was served by the local society members.

Yale Alumni Travel East To See Dartmouth Game

Enjoying a brief stay in New York early this week were Mr. and Mrs. B. Courtney Rankin, of Ridge road. Then they went on to New Haven, Conn., where Mr. Rankin will attend the Yale Alumni Executive Board meetings.

They will probably join forces with the William Y. Gards, of Dean lane, for the Yale-Dartmouth game on Saturday, November 7 from 11 o'clock in the morning until 9 o'clock in the evening.

Mrs. H. James Mog is in charge of arrangements and Mrs. Arthur D. Kerwin is president of the auxiliary, both busy with plans for the affair.

Throughout the year, talented and gifted residents of Carmel Hall have spent their spare time in creating lovely items for a fancy work booth, which will be under the supervision of Mrs. Thomas Danahey.

Mrs. Eugene F. McCafferty will display a myriad of colorful aprons, practical and party styles and Mrs. William D. Hinsberg will delight all with her toyland booth.

A special attraction will be a beautiful hand made bride doll complete with a wardrobe of eight separate ensembles.

Kopp Keglars Stretch Lead

Front running Kopp's stretched its lead to one and a half points in the Grosse Pointers Bowling league last Friday, October 25, by taking two points from last place Fox.

Second place Beaupre got nicked for two points by Lusch which enabled third place Jim's to move into second place with a two-point victory over Custom 2.

Only two and a half points separate the league leaders and the fourth place Fliche team. A four-way tie exists for fifth place with each team owning a 12-12 mark.

78ers Continue Winning Streak

Playing without the services of seven flu-ridden members, the St. Paul Grade School's 78ers tackled their toughest test of the season and walloped a well-balanced St. Martin team 31-0, at Kerby field, Friday, October 25.

The score proved prophetic—for it was identical with the score by which the St. Paul

the league-leading St. Martin varsity on Sunday, October 27, at Grosse Pointe High field.

The 78ers next will meet undefeated, league-leading St. David's in a showdown game at DeLaSalle Field, Tuesday, Nov. 5, at 4 p.m. The St. David team rolled up 73 points to 7 in its first two games this season. They downed St. Clare 28-0, a team the 78ers nosed out by 7-0.

In trimming St. Martin, the 78ers rolled smoothly behind the line plunging of fullback Steve Handlos and the end sweeps of halfback Jack "The Ripper" Wachter. This "Mr. Inside—Mr. Outside" combo accounted for all five 78ers touchdowns.

St. Paul scored first with a plunge by Wachter after the 78ers worked the ball downfield in a series of thrusts in and around the line engineered by quarterback "Chuckin' Chickie" Heiner. In the second quarter "Mr. Inside" Steve Handlos broke away on a 35-yard touchdown gallop to bring the count to 12-0 at the half.

The rugged St. Paul fullback practically duplicated this feat in the third quarter, as he scampered for 25 yards and a touchdown after knifing through tackle. He carried his momentum into the fourth quarter as a similar play clicked again for 27 yards and Steve's third touchdown of the afternoon.

Midway in the fourth quarter, Jack, "Mr. Outside" Wachter, ended the scoring as he began it with a roaring rip around left end good for 28 yards and the final tally. John Kolojeski slammed into the line for the only extra-point scored by the 78ers.

The victory was the seventh straight for the 78ers who have been moulded into one of the smartest schoolboy teams of the season by Coaches Al Schick, Al Gherquiere, Jack Nienstedt and Bernie Kolojeski. The St. Paul squad plays in the CYO Grade School League under sponsorship of the St. Paul Dads Club. The coaching staff members are volunteers from the Dads Club.

Spartans Picked For Bowl Game

The Grosse Pointe Woods Spartans, charter members of Detroit's fast Jack Lowther Little Football League, have selected to play in a post-season International Shrimp Bowl game against the Riverside Bees of Windsor, Ontario.

The contest, to be played under American rules, will be held on Sunday, November 3, at the Parcels Junior High School field, Mack at Eight Mile Road, in Grosse Pointe. Kick-off time will be 2 o'clock.

Hit hard in recent weeks by the Asian flu, the spunky, green-clad Spartans hope to be closer to full strength for this International Little League Classic with the Canadians.

The real miracle man of today is the fellow who can induce his running expenses to slow down to a walk.

Coaches Sketch Spartan Players

By Ernie Whitney
For the first time since they became charter members of Detroit's fast Jack Lowther Little Football League four years ago, the Grosse Pointe Woods Spartans have lost more games than they have won.

Nevertheless there is much to cheer about in the performance of many of the individual players. Here is the coaching staff's thumb-nail sketch of some of the members of the Spartan's Varsity squad:

Offensive Team
George Ardner, guard — tough to break through.
Pat Blake, halfback — good ground gainer.
Jack DeLozier, end — threat to any defense.

Don DeMeulemeester — worker on offense.
Butch DeWitte, end — works well on line.
Ricky Glanz, center — gives his all.

Bob Grycan, tackle — anchor on defensive line.
Steve Hartkop — keen tactics.
Bruce Hubbell — ranked one of best.

Chester Kasiborski — solid, hard to move out.
Bob Kutscher, guard — holds position.
Jim Padilla — has ability, works hard.

Pete Palombit, fullback — charging power, ground gainer.
Bob Phillips, quarterback — performance plus.
Scott Ranney, quarterback — outstanding in his position.

Carl Rea, halfback — fast, shifty runner.
Bryan Schick, end — proves his worth when rushed.
Steve Starzyk, halfback — hottest running back.

Jack Whitney, end — explosive runner.
Alan Wright, fullback — terrific line plunger.

Defensive Team
Ric Bidigare, line backer — moves fast, hits hard.
Len Castiglione, line backer — a worry to opposition.

Notice of Special Election

County of Wayne, State of Michigan

PROPOSITIONS to be submitted at the Special Election Nov. 5, 1957

To the Qualified Electors of the CITY OF GROSSE POINTE FARMS CITY OF GROSSE POINTE PARK CITY OF GROSSE POINTE CITY OF GROSSE POINTE WOODS TOWNSHIP OF GROSSE POINTE

NOTICE IS HEREBY GIVEN that at a special election to be held in said County of Wayne, State of Michigan, in the regular voting place in each election precinct in each City and Township in the County of Wayne, State of Michigan, on Tuesday, the 5th day of November, 1957, between the hours of 7:00 o'clock a.m. and 8:00 o'clock p.m., Eastern Standard Time, the following propositions will be submitted to the electors of said County:

I—Part of Detroit Bonding Proposition

Shall the Port Commission of the Port of Detroit, a port district established pursuant to law co-terminus with the County of Wayne, State of Michigan, borrow the sum of not to exceed Nine Million Five Hundred Thousand (\$9,500,000.00) Dollars and issue its general obligation bonds therefor for the purpose of acquiring sites and constructing necessary port improvements in said district?

II—Tax Rate Limitation Increase Proposition

Shall the limitation on the total amount of taxes which may be levied against all property in the County of Wayne, Michigan, for all purposes except taxes levied for payment of obligations incurred prior to December 8, 1932, be increased, as provided by Section 21, Article X of the Michigan Constitution, by sixteen one-hundredths (16/100) of one (1) mill (1/100,000) on each dollar of assessed valuation, as equalized, of all property in the County of Wayne for a period of sixteen (16) years, from 1958 to 1973, both inclusive for the sole purpose of providing funds to pay principal and interest on bonds to be issued by the Port Commission of the Port of Detroit, a port district established pursuant to law co-terminus with the County of Wayne, in the aggregate principal sum of not to exceed Nine Million Five Hundred Thousand (\$9,500,000.00) Dollars, for the purpose of acquiring sites and constructing necessary port improvements in said district?

Only properly registered electors who have property assessed for taxes within the County of Wayne, or the lawful husband or wife of such persons are entitled to vote on the bonding proposition.

All properly registered electors may vote on the tax-rate limitation increase proposition.

These propositions are being submitted in accordance with the following resolution adopted by the Board of Supervisors of said County on the 16th day of September, 1957, by the requisite three-fifths (3/5) vote:

Resolution of Board of Supervisors of the County of Wayne

WHEREAS, the Port Commission of the Port of Detroit, a port district co-terminus with the County of Wayne, State of Michigan, established pursuant to the provisions of Act 234, Public Acts of 1925, as amended, has, pursuant to the provisions of Act 234, Public Acts of 1925, as amended, approved a comprehensive port development plan after the requisite public hearing thereon, and by resolution adopted on September 3, 1957, provided for the borrowing of the sum of not to exceed Thirteen Million Five Hundred Thousand (\$13,500,000.00) Dollars for the purpose of acquiring the land and properties and constructing the various port facilities encompassed within said plan, subject, however, to the approval of the Board of Supervisors of Wayne County and a three-fifths (3/5) majority of the qualified electors of the County of Wayne voting thereon at a general election or special election called for such purpose, as required by the provisions of said law;

AND WHEREAS, pursuant to the provisions of the above law, said resolution has been duly certified to this Board for its approval thereof and for the necessary procedures to submit the bonding proposition to vote of the qualified electors of the County of Wayne, being the municipal corporation comprising the Port District;

AND WHEREAS, extensive meetings and discussions relative to said comprehensive port development plan have been held with the Port Commission and the Port Committee and Ways and Means Committee of the Board of Supervisors of the County of Wayne, as a result of which it is the determination of the Board of Supervisors that said plan should be approved, but that only that portion of the lands and properties embraced in said plan which the following description denotes, presently be acquired, constructed and financed by the issuance of bonds, to wit:

Land Acquisition

All that area in the City of Detroit bounded on the westerly side by the easterly line of Private Claim 563, which line is 150 feet, more or less, west of the westerly line of Section Avenue extending southerly to the U. S. Harbor Line; bounded on the north by the southerly line of the Chesapeake and Ohio Railway—Wabash Railroad right-of-way; on the east by the westerly line of the Evening News Association property and the northwesterly line of present West Jefferson Avenue and the westerly line of West Grand Boulevard at its intersection with said railroad right-of-way; and bounded on the south by the U. S. Harbor Line.

Port Facilities

- 1. Office space or building, approximately 15,000 sq. ft., of office and service space;
2. Two (2) transit sheds of appropriate design and construction, each 160'x360', more or less;
3. Grading and paving of approximately 202,900 sq. ft. of operating area for cargo and vehicle handling and/or storage;
4. Suitable and adequate trackage for rail car handling, including double trackage at wharf side and platform side of transit sheds;
5. Appropriate quay type wharf and a wharf facing of approximately 1,105' having a depth of water of 27 1/2' and wharf apron area of approximately 66,300 sq. ft.;
6. And such other work of light construction and technical nature as may be required;

AND WHEREAS, the estimate of cost of the acquisition of the lands and properties within the above designated area, and the acquisition of the port facilities specified for said area, has been estimated by Harley, Ellington and Day, Inc., architects and engineers, of Detroit, Michigan to be Nine Million Five Hundred Thousand (\$9,500,000.00) Dollars;

AND WHEREAS, the Port Commission of the Port of Detroit has concurred in the program herein set forth, which is a revision of its original immediate acquisition program as outlined in its resolution adopted September 3, 1957, and duly certified to the Board of Supervisors;

AND WHEREAS, the Port Commission has submitted to

the Common Council of the City of Detroit, the legislative body thereof, said comprehensive port development plan, all the area and territory embodied in said plan being located within the corporate limits of the City of Detroit; and said Common Council, by resolution, has approved said plan, all in accordance with the provisions of Section 30 of Act 234, Public Acts of 1925, as amended;

AND WHEREAS, because of uncertainties under the law as to whether the Port District is an agency of the county and thus is limited in its taxing ability for the payment of bonds by the limitations expressed in Section 21, Article X of the Michigan Constitution, or is an independent municipal corporation having a charter tax rate limitation, and thus is not subject to the limitations of said constitutional amendment under the decisions of the Michigan Supreme Court, this Board feels that it is necessary in order to provide for all eventualities to submit to the qualified electors on a separate ballot, or as a separate proposition on voting machines, a proposition providing for an increase in the constitutional tax rate limitation as authorized by said Section 21, Article X of the Michigan Constitution in an amount sufficient to provide for the payment of the principal and interest on said bonds over a maximum fifteen (15) year period;

AND WHEREAS, this Board determines that the procedures for said special election should be as provided in the so-called "County Public Improvement Act," being Act 118, Public Acts of 1923, as amended, there being no procedure specified in detail in Act 234, Public Acts of 1925, as amended, which procedures will also comply with the provisions of the general election law of the State and will provide complete notice and opportunity for the qualified electors of the County to register and vote on the propositions to be submitted.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF WAYNE THAT:

- 1. The comprehensive port development plan as proposed by the Port of Detroit Commission and approved by it by resolution is hereby approved.
2. The issuance of general obligation bonds in the amount of Nine Million Five Hundred Thousand (\$9,500,000.00) Dollars for the acquisition of the lands, properties and facilities outlined in the preamble to this resolution, as a part of said comprehensive port plan, be approved.
3. As there be submitted to the qualified electors of the County of Wayne, State of Michigan, at a special election herein called to be held in said County, being the municipality whose boundaries are co-terminus with the Port of Detroit, a port district existing under the provisions of Act 234, Public Acts of 1925, as amended, on Tuesday, November 5, 1957, that being the date of the general city election in the City of Detroit in said County, the following separate propositions:

Port of Detroit Bonding Proposition

Shall the Port Commission of the Port of Detroit, a port district established pursuant to law co-terminus with the County of Wayne, State of Michigan, borrow the sum of not to exceed Nine Million Five Hundred Thousand (\$9,500,000.00) Dollars and issue its general obligation bonds therefor for the purpose of acquiring sites and constructing necessary port improvements in said district?

Tax-Rate Limitation Increase Proposition

Shall the limitation on the total amount of taxes which may be levied against all property in the County of Wayne, Michigan, for all purposes except taxes levied for payment of obligations incurred prior to December 8, 1932, be increased, as provided by Section 21, Article X of the Michigan Constitution, by sixteen one-hundredths (16/100) of one (1) mill (1/100,000) on each dollar of assessed valuation, as equalized, of all property in the County of Wayne for a period of sixteen (16) years, from 1958 to 1973, both inclusive, for the sole purpose of providing funds to pay principal and interest on bonds to be issued by the Port Commission of the Port of Detroit, a port district established pursuant to law co-terminus with the County of Wayne, in the aggregate principal sum of not to exceed Nine Million Five Hundred Thousand (\$9,500,000.00) Dollars, for the purpose of acquiring sites and constructing necessary port improvements in said district?

4. Said propositions shall be stated as separate propositions on the voting machines or on separate ballots to be prepared and distributed by the county in the manner provided by law, which statements on the voting machines and ballot shall state the propositions in the form set forth in the preceding paragraph.
5. All public officials of the County of Wayne, State of Michigan, and all municipal units thereof, within such time as shall be required by law, be and they hereby are directed to do and perform all acts and things which shall be necessary to be done or performed in order to submit the foregoing propositions to the electors of said County at such special election to be held on Tuesday, November 5, 1957.

A three-fifths (3/5) majority of the members-elect of the Board of Supervisors of the County of Wayne, Michigan, having voted in favor of the adoption of the foregoing resolution, the Chairman thereupon declared that said resolution was duly adopted.

from 7:00 o'clock in the forenoon until 8:00 o'clock in the afternoon, Eastern Standard Time, at the central polling place, the Neighborhood Club, 17145 Waterloo Avenue, between Neff and St. Clair Avenues, for the purpose of electing the following officers:

- One MAYOR, for a two-year term**
- One CLERK, for a two-year term**
- Three COUNCILMEN, for four-year terms**
- One TREASURER, for a two-year term**
- One ASSESSOR, for a two-year term**
- One CONSTABLE, for a two-year term**

Notice is further given that there will be submitted at such election to the qualified electors the proposal of the City Council, adopted by resolution at a regular Council meeting on August 19, 1957, that Chapter A of the Charter of the City of Grosse Pointe relating to the Employees Retirement System be amended, the existing sections of the Charter which it is proposed to alter or abrogate and the amendments thereto being set forth as follows:

Proposed Amendments to Chapter A of the Charter of the City of Grosse Pointe

Existing Sections of the Charter
Proposed to be Altered or Abrogated

DEFINITIONS

Section 65. (24). "Voluntary retirement age" means age 60 years for a general city member, and age 55 years for a policeman or fireman member. During time of war engaged in by the United States, the Council may extend the age at which any class of members may voluntarily retire.

SERVICE RETIREMENT ALLOWANCE—COVERED MEMBER

Section 82.1. Upon his retirement, as provided in this Chapter, a covered member shall receive a retirement allowance consisting of the benefits hereinafter provided in this section, called a regular retirement allowance, and he shall have the right to elect an option provided for in section 84.

(a). An annuity which shall be the actuarial equivalent of his accumulated contributions standing to his credit in the annuity savings fund at the time of his retirement; and

(b). A pension which when added to his annuity will provide a retirement allowance equal to the product of the number of years, and fraction of a year, of his credited service multiplied by the sum of 1 per cent of the first \$4,200 of his final average compensation and 1.5 per cent of the remainder, if any, of his final average compensation in excess of \$4,200.

(c). If a covered member, who is in City service at the social security date, retires before he has acquired social security fully insured status on account of his City employment, the pension portion of his retirement allowance provided for in this section shall not be less than the sum of (A) \$120 per annum, and (B) 1/120 of his final average compensation multiplied by the number of years, and fraction of a year, of his credited membership service; and (C) 2/135 of his final average compensation multiplied by the number of years, and fraction of a year, of his credited prior service. Provided, that in no case shall (C) exceed \$1,800 per annum.

(d). According to such rules and regulations as the Board shall from time to time adopt, any covered member who retires prior to his attainment of age 65 years may elect to have his regular retirement allowance equated on an actuarial basis to provide an increased retirement allowance payable to his attainment of age 65 years and a reduced retirement allowance payable thereafter. His increased retirement allowance payable to his attainment of age 65 years shall approximate the sum of his reduced retirement allowance payable after his attainment of age 65 years and his estimated social security primary insurance amount.

(e). If a retiree dies before he has received in retirement allowance payments an aggregate amount equal to his accumulated contributions standing to his credit in the annuity savings fund at the time of his retirement, the difference between his said accumulated contributions and the said aggregate amount of retirement allowance payments received by him shall be paid to such person or persons as he shall have nominated by written designation duly executed and filed with the Board. If there be no such designated person or persons surviving the said retiree, such difference, if any, shall be paid to his legal representative. No benefits shall be paid under this paragraph on account of the death of a retiree if he elected option 1, 2 or 3 provided for in section 84.

SERVICE RETIREMENT ALLOWANCE—NON COVERED MEMBER

Section 82.1. Upon his retirement, as provided in this Chapter, a non-covered member shall receive a retirement allowance consisting of the benefits hereinafter provided in this section, called a regular retirement allowance, and he shall have the right to elect an option provided for in section 84 hereof.

(a). An annuity which shall be the actuarial equivalent of his accumulated contributions standing to his credit in the annuity savings fund at the time of his retirement; and

(b). A basic pension of \$120.00 per annum; and (c). A membership service pension equal to 1/120 of his final average compensation multiplied by the number of years, and fraction of a year, of membership service credited to his service account; and (d). A prior service pension equal to 2/135 of his final average compensation multiplied by the number of years, and fraction of a year, of prior service credited to his service account. In no case shall a non-covered member's retirement allowance, provided for in paragraphs (a), (b), (c) and (d) of this section, be less than an amount equal to 1.5 per cent of his final average compensation multiplied by his total years, and fraction of a year, of his credited service.

(e). If a retiree dies before he has received in retirement allowance payments an aggregate amount equal to his accumulated contributions standing to his credit in the annuity savings fund at the time of his retirement, the difference between his said accumulated contributions and the said aggregate amount of retirement allowance payments received by him shall be paid to such person or persons as he shall have nominated by written designation duly executed and filed with the Board. If there be no such designated person or persons surviving the said retiree, such difference, if any, shall be paid to his legal representative. No benefits shall be paid under this paragraph on account of the death of a retiree if he elected option 1, 2 or 3 provided for in section 84.

Amendments to Sections 65 (24), 82, 82.1, 83, 87, 88 and 90; and to add new sections 82.2 and 82.3

Amend Chapter A, Section 65, Paragraph (24) to read as follows:

(24). "Voluntary retirement age" for a policeman or fireman member means age 55 years or the age at which he acquires 30 years of credited service, whichever occurs first. Voluntary retirement age for a general City member means age 60 years or the age at which he acquires 30 years of credited service, whichever occurs first.

Amend Section 82 to read as follows:

SERVICE RETIREMENT ALLOWANCE — COVERED MEMBER

Section 82. Upon his retirement, as provided in this Chapter, a covered member shall receive a regular retirement allowance consisting of the benefits hereinafter provided in this section, and he shall have the right to elect an option provided for in section 84.

(a). An annuity which shall be the actuarial equivalent of his accumulated contributions standing to his credit in the annuity savings fund at the time of his retirement; and (b). If he retires before his attainment of age 65 years, a pension which when added to his annuity will provide a retirement allowance, payable to his attainment of age 65 years, equal to the number of years, and fraction of a year, of his credited service multiplied by the sum of 1 per cent of the first \$4,200 of his final average compensation plus 1.6 per cent of the remainder, if any, of his final average compensation in excess of \$4,200. Provided, that his said retirement allowance shall be subject to sections 82.2 and 82.3.

(c). Upon his attainment of age 65 years, if he retired prior thereto, or upon his retirement at or after his attainment of age 65 years, a pension which when added to his annuity will provide a retirement allowance equal to the number of years, and fraction of a year, of his credited service multiplied by the sum of 1.0 per cent of the first \$4,200 of his final average compensation plus 1.5 per cent of the remainder, if any, of his final average compensation in excess of \$4,200. Provided that his said retirement allowance shall be subject to sections 82.2 and 82.3.

(d). If a covered member, who is in City service at the social security date, or in the case of a policeman or fireman member who is in City service at the date the City first covers policemen and firemen under the Federal Social Security old-age and survivors insurance program, retires before he has acquired social security fully insured status on account of his City employment, the pension portion of his retirement allowance provided for in paragraphs (b) and (c) of this section shall not be less than the sum of (A) \$120 per annum, and (B) 1/120 of his final average compensation multiplied by the number of years, and fraction of a year, of his membership service credit, plus (C) 2/135 of his final average compensation multiplied by the number of years, and fraction of a year, of his prior service credit. Provided, that in no case shall (C) exceed \$1,800 per annum. In the event the said covered member is a policeman or fireman member and he retires before his attainment of age 65 years, or if he is a general City member and he retires before his attainment of age 60 years, his said pension above provided in this paragraph shall be reduced 1/2 of 1 per cent multiplied by the number of months, and fraction of a month, contained in the period from the date his retirement allowance becomes due to the date he would attain age 55 years or 60 years, as the case may be.

(e). According to such rules and regulations as the Board shall from time to time adopt, any covered member who retires prior to his attainment of age 65 years may elect to have his regular retirement allowance equated on an actuarial basis to provide an increased retirement allowance payable to his attainment of age 65 years and a reduced retirement allowance payable thereafter. His increased retirement allowance payable to his attainment of age 65 years shall approximate the sum of his said reduced retirement allowance and his estimated social security primary insurance amount.

Amend Section 82.1 to read as follows:

SERVICE RETIREMENT ALLOWANCE—NON COVERED MEMBER

Section 82.1. Upon his retirement, as provided in this Chapter, a non-covered member shall receive a regular retirement allowance consisting of the benefits hereinafter provided in this section, and he shall have the right to elect an option provided for in section 84.

(a). An annuity which shall be the actuarial equivalent of his accumulated contributions standing to his credit in the annuity savings fund at the time of his retirement; and

(b). A pension which when added to his annuity will provide a retirement allowance equal to the number of years, and fraction of a year, of his credited service multiplied by 1.6 percent of his final average compensation. Provided that his said retirement allowance shall be subject to sections 82.2 and 82.3.

DEFERRED RETIREMENT ALLOWANCE

Section 83. Should any member who either (1) has 25 or more years of credited service, or (2) has 10 or more years of credited service and has attained age 50 years, and in either case separates from the service of the City prior to his attainment of his voluntary retirement age, for any reason, except to become a retiree or his death, he shall remain a member during the period of his absence from City service for the exclusive purpose only of receiving a retirement allowance provided for in section 82 if he is a covered member, or as provided in section 82.1 if he is a non-covered member. Said retirement allowance shall begin as of the first day of the calendar month next following the month in which his application for same is filed with the Board on or after his attainment of his voluntary retirement age. In the event the said member withdraws all or part of his accumulated contributions from the annuity savings fund he shall thereupon cease to be a member and he shall forfeit his rights in and to a deferred retirement allowance provided for in this section. Except as otherwise provided in this chapter, said member shall not be given service credit for the period of his absence from City service.

DISABILITY RETIREMENT ALLOWANCE—COVERED MEMBER

Section 87. Upon his retirement on account of disability, as provided in section 85, a covered member shall receive a disability retirement allowance computed according to section 82 (a), (b), (c) and (e); Provided, that in no case shall his disability retirement allowance, payable to his attainment of age 65 years, be less than 15 per cent of his final average compensation; nor shall his said disability retirement allowance be less than the sum of 10 per cent of the first \$4,200 of his final average compensation and 15 per cent of the remainder, if any, of his final average compensation in excess of \$4,200. To his attainment of age 60 years his said disability retirement allowance shall be subject to section 82. Upon his retirement he shall have the right to elect an option provided for in section 84.

DISABILITY RETIREMENT ALLOWANCE — NON COVERED MEMBER

Section 88. Upon his retirement on account of disability, as provided in section 85, a non-covered member shall receive a disability retirement allowance computed according to section 82.1: Provided, that in no case shall his said disability retirement allowance be less than 15 per cent of his final average compensation. To his attainment of age 55 years his said disability retirement allowance shall be subject to section 92. Upon his retirement he shall have the right to elect an option provided for in section 84.

NON-DUTY DEATH

Section 90. (a). A member, with 10 or more years of credited service, who continues in City service on or after his attainment of age 55 years may, at any time prior to the effective date of his retirement, but not thereafter, elect option 2 provided for in section 84 in the same manner as if he were then retiring from service, and nominate a beneficiary whom the Board finds to be dependent upon the said member for at least 50 per cent of his support due to lack of personal financial means. Prior to the effective date of his retirement, but not thereafter, a member may revoke his said election of option 2 and nomination of beneficiary and he may again elect the said option 2 and nominate a beneficiary as provided in this paragraph. Upon the death of a member, who has an option 2 election in force, his beneficiary, if living, shall immediately receive the same retirement allowance to which the said beneficiary would have been entitled if the said member had retired the day preceding the date of his death, notwithstanding that he may not have attained his voluntary retirement age. If a member has an option 2 election in force at the time of his retirement, his said election of option 2 and nomination of beneficiary shall thereafter continue in force as a regular retirement allowance or according to another option provided for in section 84. No benefits shall be paid under this paragraph on account of the death of a member if any benefits are paid under section 91 on account of his death.

(b). A member, with 10 or more years of credited service, who continues in City service on or after his attainment of age 55 years, and does not have an option 2 election in force as provided in paragraph (a) of this section, and (1) dies while in City service, and (2) leaves a widow, or in the case of a female member leaves a widow whom the Board finds to be totally and permanently disabled and to have been dependent upon the said female member for at least 50 per cent of his support, the said widow or widower, as the case may be, shall immediately receive the same retirement allowance as the said beneficiary would have been entitled to receive if the said member had (1) retired the day preceding the date of his death, notwithstanding that he may not have attained his voluntary retirement age, (2) elected option 2 provided for in section 84, and (3) nominated his said widow or widower, as the case may be, as beneficiary. Upon the death or remarriage of the said beneficiary his retirement allowance shall terminate. If the aggregate amount of retirement allowance payments received by the said beneficiary is less than the accumulated contributions standing to the said member's account in the annuity savings fund at the time of his death the difference between his said accumulated contributions and the said aggregate amount of retirement allowance payments received by the said beneficiary shall be paid, in a single sum, to such person or persons as the Board shall determine to be entitled to same. No benefits shall be paid under this paragraph on account of the death of a member if any benefits are paid under section 91 hereof on account of his death.

RETIREMENT ALLOWANCE REDUCED FOR EARLY RETIREMENT

Section 82.2. In the event a general City member retires before his attainment of age 60 years, or a policeman or fireman member retires before his attainment of age 55 years, his retirement allowance provided for in section 82 shall be reduced 1/2 of 1 per cent multiplied by the number of months, and fraction of a month, contained in the period from the date his retirement allowance becomes due to the date he would attain age 60 years or 55 years, as the case may be.

The form in which the proposed Charter Amendments shall appear on the ballot shall be as follows for the reason that the changes are inter-related and pertain to one subject.

PROPOSED AMENDMENTS TO THE EMPLOYEES RETIREMENT SYSTEM

Shall Chapter A of the Charter of the City of Grosse Pointe be amended to permit employees to voluntarily retire after 30 years of City service with actuarially reduced pensions; to increase policemen's and firemen's pensions 6 1/2%; to increase general City members' pensions payable to social security age 10% for first \$4200 of applicable salary and 6 1/2% of applicable salary over \$4200; to lower requirements for survivor benefits to 15 years of service; and to make certain corrective changes.

Yes
No

man or fireman member retires before his attainment of age 55 years, his retirement allowance provided for in section 82 (a), (b) and (c), or in section 82.1 (a) and (b), as the case may be, shall be reduced 1/2 of 1 percent multiplied by the number of months, and fraction of a month, contained in the period from the date his retirement allowance becomes due to the date he would attain age 60 years or 55 years, as the case may be.

Add a new Section 82.3 to read as follows: TERMINAL PAYMENT

Section 82.3. If a retiree dies before he has received in regular retirement allowance payments an aggregate amount equal to his accumulated contributions standing to his credit in the annuity savings fund at the time of his retirement the difference between his said accumulated contributions and the said aggregate amount of retirement allowance payments received by him shall be paid to such person or persons as he shall have nominated by written designation duly executed and filed with the Board. If there be no such designated person or persons surviving the said retiree, such difference, if any, shall be paid to his legal representative. No benefits shall be paid under this section on account of the death of a retiree if he was receiving a retirement allowance under option 1, 2 or 3 provided for in section 84.

Amend Section 83 to read as follows: DEFERRED RETIREMENT ALLOWANCE

Section 83. Should any member who either (1) has 25 or more years of credited service, or (2) has 10 or more years of credited service and has attained age 50 years, and in either case separates from the service of the City prior to his attainment of his voluntary retirement age, for any reason except to become a retiree or his death, he shall be entitled to a retirement allowance provided for in section 82 if he is a covered member, or as provided in section 82.1 if he is a non-covered member. Said retirement allowance shall begin as of the first day of the calendar month next following the month in which he files his application for same on or after his attainment of age 60 years if he is a general City member, or age 55 years if he is a policeman or fireman member. Said retirement allowance shall be subject to section 82. Upon his retirement he shall have the right to elect an option provided for in section 84.

Amend Section 87 to read as follows: DISABILITY RETIREMENT ALLOWANCE—COVERED MEMBER

Section 87. Upon his retirement on account of disability, as provided in section 85, a covered member shall receive a disability retirement allowance computed according to section 82 (a), (b) and (c); Provided, that section 82.2 shall not be applied to the said disability retirement allowance. In no case shall his disability retirement allowance payable to his attainment of age 65 years be less than 15 per cent of his final average compensation; nor shall his said disability retirement allowance be less than the sum of 10 per cent of the first \$4,200 of his final average compensation and 15 per cent of the remainder, if any, of his final average compensation in excess of \$4,200. To his attainment of age 60 years, his said disability retirement allowance shall be subject to section 92. Upon his retirement he shall have the right to elect an option provided for in section 84.

Amend Section 88 to read as follows: DISABILITY RETIREMENT ALLOWANCE—NON COVERED MEMBER

Section 88. Upon his retirement on account of disability, as provided in section 85, a non-covered member shall receive a disability retirement allowance computed according to section 82.1: Provided, that section 82.2 shall not be applied to the said disability retirement allowance. In no case shall his disability retirement allowance be less than 15 per cent of his final average compensation. To his attainment of age 55 years his said disability retirement allowance shall be subject to section 92. Upon his retirement he shall have the right to elect an option provided for in section 84.

Amend Section 90 to read as follows: NON-DUTY DEATH

Section 90. (a). A member who continues in City employment after the date he either (1) has acquired 15 years of credited service, or (2) has attained age 55 years and has 10 or more years of credited service, may, at any time prior to the effective date of his retirement, but not thereafter, elect option 2 provided for in section 84 and nominate a beneficiary in the same manner as if he were then retiring from service. Provided, that the said beneficiary shall be a person whom the Board finds to be dependent upon the said member for at least 50 percent of his support due to lack of personal financial means. Prior to the effective date of his retirement, but not thereafter, a member may revoke his said election of option 2 and nomination of beneficiary and he may again elect the said option 2 and nominate a beneficiary as provided in this paragraph. Upon the death of a member who has an option 2 election in force, his said beneficiary, if living, shall immediately receive the same retirement allowance to which the said beneficiary would have been entitled if the said member had retired the day preceding the date of his death, notwithstanding that he might not have attained his voluntary retirement age. Provided, that section 82.2 shall not be applied to said retirement allowance. If a member has an option 2 election in force at the time of his retirement, his said election of option 2 and nomination of beneficiary shall thereafter continue in force, unless prior to the effective date of his retirement he elects to receive his retirement allowance as a regular retirement allowance or according to another option provided for in section 84. No benefits shall be paid under this paragraph on account of the death of a member if any benefits are paid, or are to be paid, under section 91 on account of his death.

(b). A member who continues in City employment after the date he either (1) has acquired 15 or more years of credited service, or (2) has attained age 55 years and has 10 or more years of credited service, and does not have an option 2 election in force as provided in paragraph (a) above, and (1) dies while in City service after March 31, 1956, and (2) leaves a widow, or in the case of a female member leaves a widow whom the Board finds to be totally and permanently disabled and to have been dependent upon the said female member for at least 50 percent of his support, the said widow or widower, as the case may be, shall immediately receive the same retirement allowance, computed in the same manner in all respects, to which the said beneficiary would have been entitled if the said member had (1) retired the day preceding the date of his death, notwithstanding that he might not have attained his voluntary retirement age, (2) elected option 2 provided for in section 84, and (3) nominated his said widow or widower, as the case may be, as beneficiary. Provided, that section 82.2 shall not be applied to said retirement allowance. Upon the death or remarriage of the said beneficiary his retirement allowance shall terminate. If the aggregate amount of retirement allowance payments received by the said beneficiary is less than the accumulated contributions credited to the said member's annuity savings fund account at the time of the said member's death, the difference between the said accumulated contributions and the said aggregate amount of retirement allowance payments received by the said beneficiary shall be paid, in a single sum, to such person or persons as the Board shall determine to be entitled to same. No benefits shall be paid under this paragraph on account of the death of a member if any benefits are paid, or are to be paid, under section 91 on account of his death.

An echo of bygone days whispered on the autumn wind the other afternoon. Upon calling at the Bishop road menage of Mrs. Frederick C. Ford we were told by the maid that we would find Madame in the morning room (not activities room, family, room, den or even sunroom, mind you). Mrs. Ford was eating her luncheon off a tray while watching TV, even as you and I, but her teapot was covered with an old fashioned blue striped knitted tea cosy.

But those of you who are fanciers after the ancestral whatnots may browse and buy to your heart's (if not your pocketbook's) content at the Antique Booth of the Grosse Pointe Memorial Church Fair November 14. From Mrs. George Villeroi comes work that in stock are 14 Swansea dessert plates, unique Lowestoft, all kinds of old American Silver, and what Mrs. V. calls intriguingly "unusually good copper".

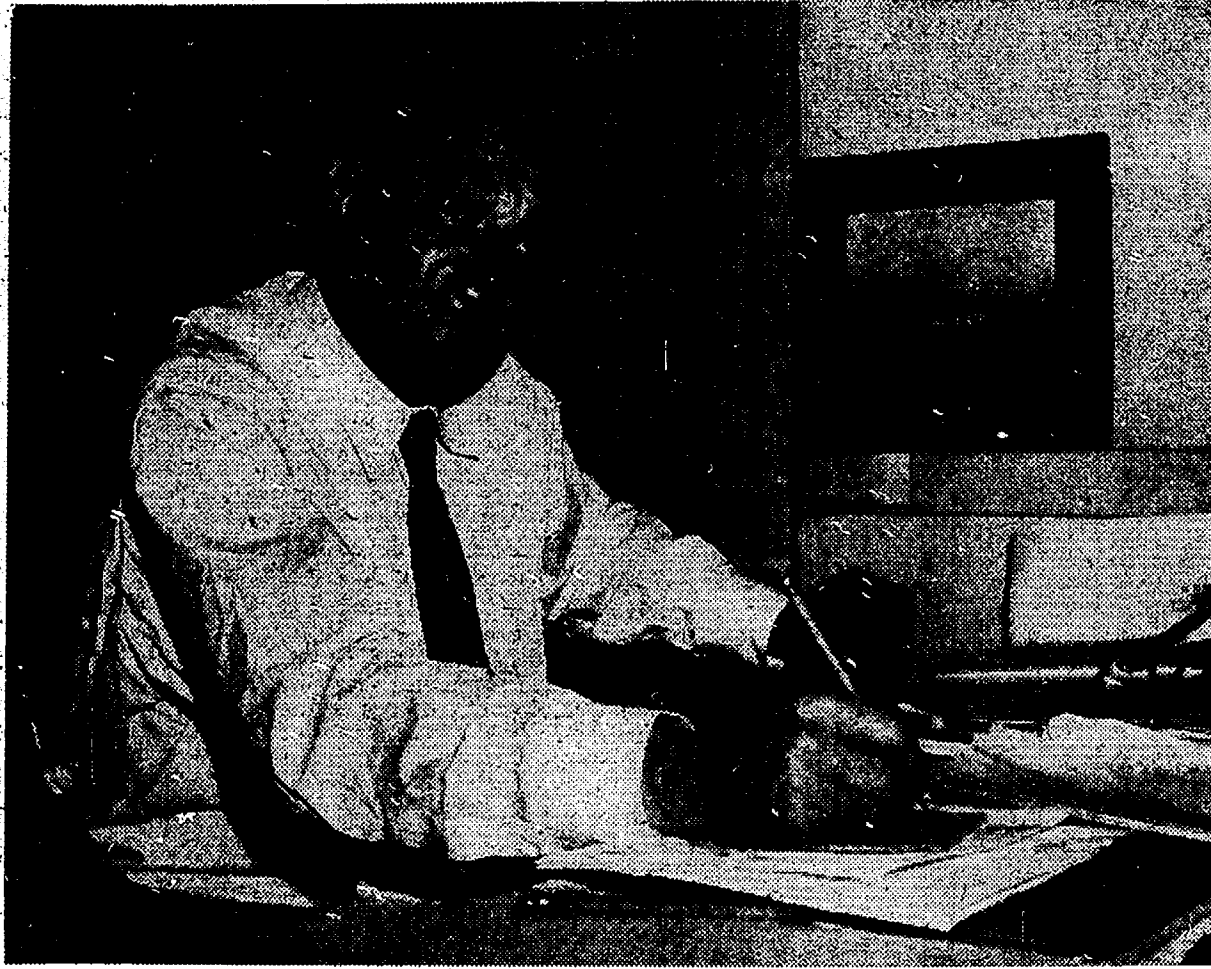

Holiday shoppers, the smart ones, are already combing the merchants' wares but fortunate are those like Mrs. Harry MacKay who can run up fascinating gifts themselves. Mrs. M. is one of those nimble fingered ladies who decorate sweaters . . . a favorite being a ribbed lavender cardigan with robin's egg blue rick rack cunningly decking the collar and front.

Local girl Cynthia Martin, daughter of Dr. and Mrs. Lyndle R. Martin, of Middlesex boulevard, makes good on the Olivet campus. Not only did she appear in the school newspaper twice as a profile sketch but she has just been named president of Soronian, oldest college sorority in the USA.

Mrs. Arthur Maxwell Parker, of Oldbrook lane, is a very distinguished member of the nation's art circles. Right now she is entertaining her sister, Mrs. George Roper, of Norfolk, Va., a painter of note herself. No doubt the sisters are enjoying Mrs. Parker's rare collection of ancestral portraits, some dating back to George Washington's day. Understands Mrs. P. is very modest about these heirlooms which are really museum pieces of rare worth.

NORBERT NEFF, OF ST. CLAIR AVENUE

By Patricia Talbot

Next Tuesday for the 27th time Norbert Neff will stand before the voters of the City of Grosse Pointe and ask them to re-elect him city clerk.

Since 1919 he has been a successful candidate for office and he isn't worried about this year's contest. Norbert Neff is as much a part of Pointe tradition and legend as anyone man could be.

His family came here in the late 1790's and cleared land at the turn of the century he ran for a farm on a claim which ran from the lake to Gratiot avenue about where Neff road stands today. He was born in the farmhouse, now renovated, but still standing, on the corner of Neff and Jefferson, grew up and went to school at old St. Paul's. Shuffling down the dusty

name terms with most of the Pointe's elite.

Long Lakeside Walk to School

On those long walks to school he watched and wondered about the sailing scows and steam yachts that sailed the lake and then was born his determination to be a lake captain.

He never has realized this dream, but life in the Pointe has been good to Norb Neff. When he finished his eighth grade year at St. Paul's he was certified to attend the Detroit High School, for there was no higher education here for Pointe youths. On the way into town to register he got a job as a millinery messenger and that was the last he saw of textbooks.

About this time his male relatives began to agitate for the City Park and it was their influence that obtained the land between Lakeland and University for the extensive recreation area in 1910. Civic responsibility was inherited by young Norb but he didn't realize where he was headed until 1919.

World War I Duty
In the war years he helped build roads for the Army, joined the Navy but never left the state. A year after the armistice he was drafted to run for city clerk and his 175 constituents elected him in a walkover.

The Village Hall then was south of Roosevelt place above the firehall, but soon after the war the village offices were moved to one of Mary Manning's cottages on Maumee near St. Clair, where they still are. The building was one of several that the actress had built when she became Mrs. Wadsworth, as a philanthropic gesture for the Pointe's workers.

From 1919 until 1934 at yearly elections Norbert Neff continued to serve his village, tackling the myriad duties that fall to the clerk of a growing residential sector. Growing up too was the legend of Norb Neff, friend of the founding families, an ex officio uncle to all their children, a settler of disputes, personal and political, historian and guardian of the law. Norb Neff was the man to see if you had a sewer problem, unwelcome neighbors, or a tree down in the front yard after a storm. His office door was opened to every citizen.

Village Becomes City
In 1934 the Village of Grosse Pointe became a city and Norb Neff was appointed city manager by the new council, a job he has held ever since. At the request of now nearly 7,000 citizens.

He has been in office longer than any other Pointe official, has seen the Pointe emerge from the resort era through the depression years to the post World War II boom of building.

Nostalgic Days
He remembers the first sidewalk laid in front of the Joseph Berry home on the lakeshore about the turn of the century, those pioneer automobiles packed with summer gear as the Newberrys motored out from town, the fabulous debut ball of Mrs. Henry

A Little Girl's Fairyland . . .

Here in the Pointe, are hundreds of new and exciting full-fashion dolls. Complete wardrobes of clothes, shoes, furs and jewelry for every size doll.

OUR DOLL HOSPITAL will give that old doll a brand new look.

SPOON CORN BREAD

By Mrs. George Hebb

- 1 pint sweet milk
- 1 cup sifted cornmeal
- 3 eggs (4 if small)
- 1/2 tsp. salt
- 1 tsp. sugar if you live north of the Mason-Dixon line

Heat milk to boiling; add meal slowly and let boil a few minutes stirring constantly; remove from heat and add salt, sugar if desired, and butter. When this is cool add the beaten egg yolks. This portion may be done ahead if more convenient. Just before baking add stiffly beaten egg whites. Bake in buttered casserole for 30 degrees for 40 minutes. If you like a grainier bread use packaged Quaker Meal (1/2 white, 1/2 yellow) instead of water two. If you divide recipe use two eggs. Serves 8.

E. Joy's daughter in World War I years, the schooners delivering sand to hold up sea walls along the lake, the first general stores that began all the merchant activity, today's grandmothers jogging along the rutted roads in spanking new pony carts.

He remembers when the Pointe was growing up as few do, remembers it with fondness and nostalgia, but not convinced that the good old days are gone forever. He always has a package of gum for the tots of the third generation, a minute to yarn with the older ones, help for troubled newcomers, companionship to offer the lonely and advice and comfort for anyone who asks.

Norb Neff has built up a tradition of service to the Pointe and the Pointe admires and respects him as an unforgettable character, who is building himself, every day, a monument—the small town boy who made good, at home.

Coterie Dance Set for Nov. 2

Saturday evening, November 2, is the date for the Grosse Pointe War Memorial to again welcome to the Center all the Pointe's married couples and their guests to an evening of dancing and sociability with Coterie.

Bob Cancell, president, has an excellent orchestra — a band new to the Pointe—on tap for dancing.

The first Saturday of the month is always Coterie's night at the Center with the Center's main floor specially decorated and candlelit for the occasion. Refreshments are served in the main dining room.

This Saturday folks will be invited to sign up for a very special semiformal December dinner dance.

Pointe Counter Points

By Pat Rousseau

Every young sorceress knows the magic of a party dress and will enjoy seeing the large collection of date and dance fashions (sizes seven through sixteen) to be shown, informally, November Second, from ten to four, at Jacobson's. Eight members of The Teen Panel . . . Phillis McKnight, Cathy Kennedy, Terri Karns, Marlene Rossi, Sharon Hynous, Jean Cavanaugh and Nancy Shick, will model these bewitching styles.

Shoot the spooks! In color that is . . . flash color . . . good with any camera. Be sure to get a supply of film at The Camera Center . . . today . . . so you don't miss recording the fun of Halloween and you own cute ragamuffins . . . costumes, Jack-o'-lanterns, shenanigans and all.

Wizardry . . . in exclusive chic by Margaret Rice. NOW . . . is the time to place your holiday orders for monogrammed gifts. Personal letters carefully stitched in her own workrooms. Shaded . . . or in contrasting colors . . . both can be the smart touch for bermudas, knee socks, blouses or dresses. Other gift ideas? Fine linen handkerchiefs with one's full name . . . or the lavish glamour of a sweater beaded and jeweled.

A coat that doesn't leave you COLD! . . . That's the order for a winter's day. D. J. Healy provides you with a coat . . . style-wise and hearth-cozy. It's the popular charcoal flannel coat that's lined with the toastiest red jersey lining . . . and a stole to match. All this for the heart-warming price of fifty-five dollars . . . also available in herringbone. For smart good looks . . . there's a reed straight black and white hand tailored tweed coat . . . with striking black braid accents . . . about fifty dollars.

If he's binting for shirts . . . he's hoping for Hathaway. In giving Hathaway you give more than a shirt. You give an idea . . . quiet luxury and perfect taste. Fine fabrics from every corner of the world. Immaculate cut and styling. And the most comfortable collars ever designed. Find these wonderful . . . wearable shirts at Proper's . . . for eighteen years a Grosse Pointe tradition.

Rue Caumartin . . . Paris! Imagine what a delight it would be to receive a gift from there! Especially if it were a personal one . . . for example . . . fine linen handkerchiefs with your initials neatly stitched in . . . or a handsome plain silk tie . . . for Monsieur . . . with his monogram. (Best possible! And in time for Christmas . . . too. Place your order with The League Shop, now . . . and the gift will be posted in Paris and sent directly to anyone on your Christmas list. While at The League Shop . . . don't miss seeing the lovely French greeting cards . . . (these can be printed with your name). Charming country and city holiday scenes. Also find many with Gallic humor. All are a joy to behold and to send!

Marie Bird believes that professional care for the hair should begin at cradle age with your precious one's first hair cut . . . an Intra-Curl given by a staff, especially trained to cater to the needs of young charmers . . . Their pretty mothers remember how much it meant during their own growing years . . . so call for an appointment and bring the baby with you. TUXEDO 1-6833.

Conjure a picture of a decorator! He's part magician . . . detective . . . mind reader . . . all in one . . . then, too, he can save you money by helping you achieve the results you want with no costly mistakes. As Wanamaker's you'll find just such helpful guides. Particularly valuable if you are trying to make a transition from one period to another . . . or create a gayer . . . cozier . . . or perhaps, a more elegant atmosphere.

Beauty tricks and treats . . . it's a real treat to do tricks with your figure these days. Lochmoor Salon of Beauty suggests you do it the delightful "Relax-a-tron" way. Each visit trims your figure, because it is equivalent in exercise to several miles of hiking . . . PLUS a good, general body massage. Leaves you feeling heavenly, with no jolting or jarring . . . just enjoyable comfort. Doze off while the "Relax-a-Tron" whistles away inches and bulges. Incidentally, this is the newest, most controlled way to spot reduce. Call TUXEDO 1-7252 for an appointment.

Cast a spell! Elixir by Alexandra de Markoff holds the promise of a spellbinding radiantly alive complexion. Violet Dixon is visiting Jacobson's. She will be delighted to give you advice on skin care and make-up . . . As Alexandra de Markoff's beauty ambassador . . . she'll introduce the fabulous Elixir with Royal Jelly . . . offer you a pleasant surprise and reaffirm the fact that a femme fatale knows no age.

Snore-stopper stops TV panel. It also ends the snoring problem at your house . . . factfully! Last Sunday, "What's My Liners" puzzled over this successful new product but it's no mystery to us. It's called "Turn Over Darling" . . . it's small . . . attractive . . . heart shaped . . . to be placed under the pillow. When snoring begins you can interrupt it by remote control. You push a button and the noisy sleeper is roused by an audible signal. Find this polite sleeper—saver at Kopp's.

who, where and whatnot

by whoozit

An echo of bygone days whispered on the autumn wind the other afternoon. Upon calling at the Bishop road menage of Mrs. Frederick C. Ford we were told by the maid that we would find madame in the morning room (not activities room, family, room, den or even sunroom, mind you). Mrs. Ford was eating her luncheon off a tray while watching TV, even as you and I, but her teapot was covered with an old fashioned blue striped knitted tea cosy.

But those of you who are fanciers after the ancestral whatnots may browse and buy to your heart's (if not your pocketbook's) content at the Antique Booth of the Grosse Pointe Memorial Church Fair November 14. From Mrs. George Villerot comes word that in stock are 14 Swansea dessert plates, unique Lowestoft, all kinds of old American Silver, and what Mrs. V. calls intriguingly "unusually good copper".

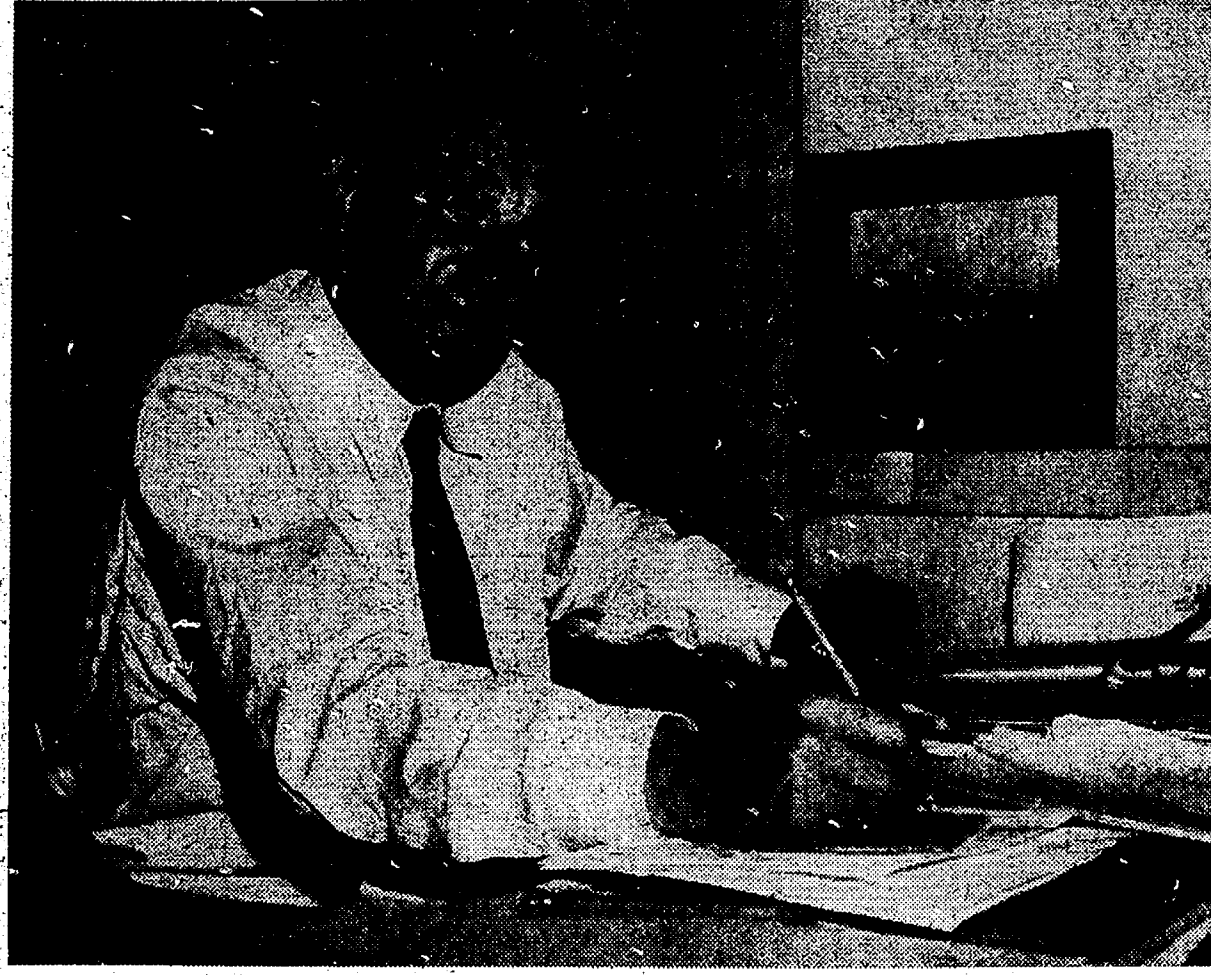

Holiday shoppers, the smart ones, are already combing the merchants' wares but fortunate are those like Mrs. Harry MacKay who can run up fascinating gifts themselves. Mrs. M. is one of those nimble fingered ladies who decorate sweaters... a favorite being a ribbed lavender cardigan with robin's egg blue rick rack cunningly decking the collar and front.

Local girl Cynthia Martin, daughter of Dr. and Mrs. Lyndle R. Martin, of Middlesex boulevard, makes good on the Olivet campus. Not only did she appear in the school newspaper twice as a profile sketch but she has just been named president of Soronian, oldest college sorority in the USA.

Mrs. Arthur Maxwell Parker, of Oldbrook lane, is a very distinguished member of the nation's art circles. Right now she is entertaining her sister, Mrs. George Roper, of Norfolk, Va., a painter of note herself. No doubt the sisters are enjoying Mrs. Parker's rare collection of ancestral portraits, some dating back to George Washington's day. Understand Mrs. P. is very modest about these heirlooms which are really museum pieces of rare worth.

Anything may be asked in the name of sweet charity believes the Book Cart Guild of Cottage Hospital. These ladies held a bridge soiree at the Nurses Home yesterday and besides the price of admission were asked to bring their own cards, talleys and tables.

Pointer of Interest

NORBERT NEFF, OF ST. CLAIR AVENUE

By Patricia Talbot

Next Tuesday for the 27th time Norbert Neff will stand before the voters of the City of Grosse Pointe and ask them to re-elect him city clerk.

Since 1919 he has been a successful candidate for office and he isn't worried about this year's contest. Norbert Neff is as much a part of Pointe tradition and legend as anyone man could be.

His family came here in the late 1790's and cleared land for a farm on a claim which ran from the lake to Gratiot avenue about where Neff road stands today. He was born in the farmhouse, now renovated, but still standing, on the corner of Neff and Jefferson, grew up and went to school at old St. Paul's.

Shuffling down the dusty

and muddy lane to that school at the turn of the century he often hitched a ride in the buggy of a summer colonist, a Newberry, a Brush, a Lothrop, a Duffield. Friendships begun on those far ago afternoons, when the Pointe was a sleepy summer colony persist today when Norb Neff is on first

name terms with most of the Pointe's elite.

Long Lakeside Walk to School

On those long walks to school he watched and wondered about the sailing scows and steam yachts that sailed the lake and then was born his determination to be a lake captain.

He never has realized this dream, but life in the Pointe has been good to Norb Neff. When he finished his eighth grade year at St. Paul's he was certified to attend the Detroit High School, for there was no higher education here for Pointe youths. On the way into town to register he got a job as a millinery messenger and that was the last he saw of textbooks.

About this time his male relatives began to agitate for the City Park and it was their influence that obtained the land between Lakeland and University for the extensive recreation area in 1910. Civic responsibility was inherited by young Norb but he didn't realize where he was headed until 1919.

World War I Duty

In the war years he helped build roads for the Army, joined the Navy but never left the state. A year after the armistice he was drafted to run for city clerk and his 175 constituents elected him in a walkover.

The Village Hall then was south of Roosevelt place above the firehall, but soon after the war the village offices were moved to one of Mary Manning's cottages on Maumee near St. Clair, where they still are. The building was one of several that the actress had built when she became Mrs. Wadsworth, as a philanthropic gesture for the Pointe's workers.

From 1919 until 1934 at yearly elections Norbert Neff continued to serve his village, tackling the myriad duties that fall to the clerk of a growing residential section. Growing up too was the legend of Norb Neff, friend of the founding families, an ex officio uncle, to all their children, a settler of disputes, personal and political, historian and guardian of the law. Norb Neff was the man to see if you had a sewer problem, an "unwelcome" neighbor, or a tree down in the front yard after a storm. His office door was opened to every citizen.

Village Becomes City
In 1934 the Village of Grosse Pointe became a city and Norb Neff was appointed city manager by the new council, a job he has held ever since at the request of now nearly 7,000 citizens.

He has been in office longer than any other Pointe official, has seen the Pointe emerge from the depression years to the post World War II boom of building.

Nostalgic Days
He remembers the first sidewalk laid in front of the Joseph Berry home on the lakeshore about the turn of the century; those pioneer automobiles packed with summer gear as the Newberrys motored out from town; the fabulous debut ball of Mrs. Henry

A Little Girl's Fairyland

Here in the Pointe, are hundreds of new and exciting full fashion dolls. Complete wardrobes, of clothes, shoes, furs and jewelry for every size doll.

SPOON CORN BREAD

By Mrs. George Hebb

1 pint sweet milk
1 cup sifted cornmeal
3 eggs (4 if small)
1/2 tsp. salt
1 tsp. sugar if you live north of the Mason-Dixon line

Heat milk to boiling; add meal slowly and let boil a few minutes stirring constantly; remove from heat and add salt, sugar if desired, and butter. When this is cool add the beaten egg yolks. This portion may be done ahead if more convenient. Just before baking add stiffly beaten egg whites. Bake in buttered casserole at 350 degrees for 40 minutes. If you like a grainer bread use packaged Quaker Meal (3/4 white, 1/4 yellow) instead of water ground. If you divide recipe use two eggs. Serves 8.

B. Joy's daughter in World War I years, the schooners delivering sand to hold up sea walls along the lake, the first general stores that began all the merchant activity, today's grandmothers jogging along the rutted roads in spanking new pony carts.

He remembers when the Pointe was growing up as few do, remembers it with fondness and nostalgia, but not convinced that the good old days are gone forever. He always has a package of gum for the tots of the third generation, a minute to yarn with the oldsters, help for troubled newcomers, companionship to offer the lonely and advice and comfort for anyone who asks.

Norb Neff has built up a tradition of service to the Pointe and the Pointe admires and respects him as an unforgettable character, who is building himself, every day, a monument—the small, to wn boy who made good, at home.

Coterie Dance Set for Nov. 2

Saturday evening, November 2, is the date for the Grosse Pointe War Memorial to again welcome to the Center all the Pointe's married couples and their guests to an evening of dancing and sociability with Coterie.

Bob Cann, president, has an excellent orchestra—br and new to the Pointe—on tap for dancing.

The first Saturday of the month is always Coterie's night at the Center with the Center's main floor specially decorated and candlelit for the occasion. Refreshments are served in the main dining room.

This Saturday folks will be invited to sign up for a very special semiformal December dinner dance.

DOG BITES MISTRESS

Mrs. John W. Langs, 281 University place, phoned City police Wednesday, October 23, to inform them that she had been bitten on the hand by her own dog, a 7-year-old male cocker. Mrs. Langs will impound the animal for the required 10-day period and the police notified the Board of Health.
