Blue Devil Nine Closes Season with Two Wins

By Jim Blackburn

The Grosse Pointe High School baseball team finished out the season with victories over Fordson, 4-2, and Monroe, 1-0 to finish second in the Border Cities League with a 5-3 record. The final victory was the fourth in a row, sixth in the last seven games, and third consecutive league triumph.

Against Fordson May 21 the Devils took an early lead, scoring a run in the opening inning. Ron Irwin singled with one out. John Reynolds followed with a single and, after Mickey Johnson was hit with a pitch, Terry Kasiborski belted a long drive. Irwin scored easily after the ball was caught.

In the second inning, with one out, Wally Ballew was hit by a pitch and Larry Kennedy singled him to third on a perfect hit-and-run play. With Bob Critchfield batting, Kennedy broke for second. As the throw went to second Ballew ran for the plate. Although the relay to home was in time Ballew deftly kicked the ball away from the catcher and the Devils led 2-0.

Fordson tied the score with a home run in the second and another run in the fifth on two singles, an error, and a passed ball. Neither team scored in the sixth or seventh and the game went into extra innings.

In the Devil eighth John Reynolds led off with a single and Mickey Johnson moved him to second with a ground ball.

Then Kasiborski gle to drive in moved to second the plate. When came through with of the inning, Kasiborski

How to add to your living space without adding an inch to your home.

Simply Install a Gas baseboard heater. And suddenly that enclosed porch, breezeway, playroom or add-on room—any room that was too chilly for comfort before—becomes a real family room. Economically.

Gas heats add-on rooms for about 1/4 the operating cost of any other type of baseboard heat. So every \$25 you spend for Gas baseboard heat represents savings of up to \$75 compared to the operating cost of other baseboard heaters. Savings like that really add up. And, of course, when you heat with Gas, you get super-comfort... without super-insulation.

So don't shut out that hard-to-heat area. Heat it easily—and economically—with Gas. To find out how to make your home grow—without stretching your budget—call 965-8000, Ext. 3375. Today. LIVE MODERN... FOR LESS... WITH GAS

President Greet Points Students

Last Friday afternoon, during a field trip to Metropolitan Airport, children in two classes at Mason School had the opportunity to meet President Johnson, who was on his way back to Washington.

The President spotted the local fifth and sixth graders, pupils in the rooms of Milton Riggs and Mrs. Marilyn Ralph, and shook hands with most of them. Principal A. Lawrence Gagnon, reporting the incident, said youngsters were still impressed and somewhat stunned by their encounter with Mr. Johnson.

And this was not all. The Mason pupils also met other celebrities in the official party, including Governor Romney, G. Mennen Williams, (Undersecretary of State for African Affairs), Mayor Cavanagh of Detroit, and Neil Staebler, Congressman-at-large.

Pointer Given New WSU Chair

The establishment of a Chair in Haematology at the Wayne State University School of Medicine is to be known as the William D. Traitel Professor of Haematology was approved at the monthly meeting of the WSU Board of Governors on Thursday, May 21.

Dr. Walter Seegers, 832 Notre Dame avenue, chairman of the department of physiology and pharmacology at Wayne State's School of Medicine, was named the first holder of the Chair by Dr. Ernest D. Gardner, dean of the School. The chair is the first of its kind to be established at WSU.

Traitel, who died November 6, 1961, was a real estate broker in the New Center area for more than 30 years. Part of his bequest went to the University Law School with the major portion being given to the Medical School to establish a fund for research in the field of blood diseases.

The University established the William D. Traitel Endowment for Medical Research with the current assets of the bequest which approximated \$500,000. The income from the fund will be used to support the chair and related research. An internationally recognized biochemist in the study of blood clotting, Dr. Seegers received his bachelor's, master's and Ph.D. degrees from the State University of Iowa, and has been a member of the WSU School of Medicine faculty since 1945.

He was recently elected a Fellow of the American College of Clinical Pharmacology and earlier this year became the first recipient of a Visiting Faculty Certificate awarded by the Mayo Foundation for Medical Education and Research. Dr. Seegers was cited for his scientific accomplishments, international reputation and senior faculty status at WSU.

Other awards held by Dr. Seegers include the Annual Roland T. Lakey Honorary Lecture Award for 1964 at WSU, the Special Award in Support of Creative Work from the Commonwealth Fund of New York and the first Probus Club Award for Academic Achievement at WSU.

Married, he is the father of one daughter.

Symphony Gets Big Boost In Endowment Fund Gifts

John B. Ford, chairman, and Robert B. Semple, president, announced at the May 21 Annual Meeting of The Detroit Symphony Orchestra, Inc., that a significant start had been made toward one of the Association's long-cherished goals—the establishment of a substantial Endowment Fund.

"The Ford Foundation has made a two-million dollar grant to us," Semple said, "which provides for one million dollars outright and the additional million dollars available in matching grants—a one-for-three basis during a five-year period."

Semple went on to say that two initial pace-setting matching grants have been made. "Mrs. Edsel B. Ford has pledged an endowment fund of \$750,000 with interest on this amount available immediately, and John B. Ford has likewise pledged \$250,000."

In addition, Endowment gifts have recently been made by the Katherine Tuck Fund, Mrs. Allan Sheldon, and Mr. and Mrs. Henry C. Johnson. "Thus," said Semple, "we are immediately one-third of our way toward full utilization of the Ford Foundation matching grant, and we are most hopeful that well within the time limit specified, we can obtain the remaining funds."

Under the direction of Ralph T. McElvenny, General Campaign chairman, The Detroit Symphony Orchestra is currently conducting its Golden Anniversary Maintenance Campaign for the voluntary support needed to finance the orchestra for the 1964-65 Golden Anniversary Season. The annual support goal has been increased substantially to \$800,000 in recognition of the higher costs for the orchestra, including improved rates of pay granted the musicians in the three-year contract negotiated last summer, and the longer season scheduled.

"The results of the campaign to date have been excellent," McElvenny said, "and we are confident of reaching our goal providing those who have not yet made their pledges respond as well as those who have. We are looking forward to a brilliant season under the direction of Sixten Ehrling, our new permanent conductor. The addition of the Meadow Brook Summer Series at Oakland University this year, and our Cabaret or "Pops" concerts scheduled for this December, will substantially broaden our listening audience."

Commenting on the Ford Foundation grant, John Ford said, "The Foundation has not had a program of grants to symphony orchestras. This grant was made because of the Foundation's interest in Detroit. The Foundation supports our Symphony Board's principal objective—to have a soundly financed major symphony orchestra in Detroit, fully equal to the best orchestras in the world, which will provide music of excellence to a broad community audience."

"With our special Spring series this year sponsored by the Musicians Recording Trust Fund in high school auditoriums in various parts of the city, our usual free summer concerts sponsored by the National Bank of Detroit, the Detroit Edison Company, and the City of Detroit, the new Meadow Brook Festival; and our extensive school children's and young people's series, we have one of the most diversified concert programs in the nation."

Semple indicated that the grant is made in recognition of the fact that the Orchestra is widely regarded by the community as a vital cultural force, is receiving outstanding and broadly based financial support, and that it is the policy of the Symphony's Board to assume

Rotarians Hear St. Paul Students

Local Rotary last Monday heard an excellent report from 9 students at St. Paul High School. These students attended the National Invitational Model United Nations General Assembly held April 24 through 28 at Georgetown University.

Through the proceeds of the Rotary Antique Show the club contributed towards the expenses for these students.

Students attending included Pete Smith, Judy Courtney, Ronald Stanke, Janet Olivio, Ken Meldrum, Pat Ryan, Bill McTigh, Dorothy Sepic, Mike Browning and were accompanied by Sister Marie Jude and Sister Marcelle.

Pearl Stagner of 5940 Hereford, Detroit, turned west on Village Lane from Cadieux where her car struck the bicyclist who was turning left from Cadieux onto Village Lane. The youth was taken to Bon Secours Hospital and released.

There were over 400 students attending the assembly representing 60 high schools from all over the United States. The students from St. Paul represented the countries of Israel and Jordan.

Young Cyclist Struck by Car

Rick Jahn of 16834 Village Lane was struck while riding his bike Thursday, May 21. The accident occurred at Village Lane and Cadieux.

no "gingerbread" in a Standard Federal Home Loan

Ever since 1893, when we financed homes like this one, we've concentrated on taking the gingerbread out of home financing.

Result: You save money when you finance the purchase of a home through Standard Federal.

Another plus: You can start and complete a home mortgage loan at any Standard Federal office. Home loans are arranged on FHA or GI plans, or on a Conventional plan with the open-end feature that allows you to borrow on the loan at some later date without the costs of refinancing an entire loan. One monthly payment covers principal, interest and real estate taxes.

For a home loan without gingerbread, be sure to see Standard Federal Savings, where you get expert assistance and prompt service.

3,700,000 PEOPLE WILL BENEFIT, BECAUSE "THE COMMONWEALTH" IS STILL IN DETROIT

The confidence expressed by stockholders and by the financial community in the Bank of the Commonwealth was an important key in locking the door on absentee ownership. By keeping "The Commonwealth" in Detroit, we have retained a vital source of financial strength.

Detroit is alive. Its people are more prosperous than ever before, and more optimistic. Its economic picture is bright, and growing brighter. And the need for financial resources is multiplying.

"The Commonwealth" will be a prime factor in this growth, for business and for individuals alike.

Its will is reborn. Its way is clear. Its purpose, to act.

GP Groups Aid Tornado Victims

The fund to aid the May 8 tornado victims of the Anchor Bay area of Macomb County, was swelled by \$400 donated by Pointe organizations, and police and fire chiefs groups of which Pointers are members, it was disclosed on Monday, May 25.

Immediately after an appeal was sent out by Gov. Romney to aid the victims of the \$4 million disaster, the Grosse Pointe Club, comprised of Pointe police men and firemen and members of the Pointe Post office branch on Mack avenue, approved appropriation of \$50 to be sent to the fund.

At a recent meeting, the Grosse Pointe Metropolitan Club, comprised of Pointe police men and firemen and members of the Pointe Post office branch on Mack avenue, approved appropriation of \$50 to be sent to the fund.

The Southeastern Michigan Association of Chiefs of Police, and the Southeastern Michigan Association of Fire Chiefs, of which the Pointe police and fire chiefs are members, sent \$50 each, it was revealed.

Lawn Concert Planned at HS

Returning to days of old in a simulation of the home town band concert, the Grosse Pointe High School Band and Orchestra Parents' Club will again sponsor the Outdoor Community Concert, complete with the high school concert band, ice cream and strawberries.

This is the fifth annual Community Concert and will be held on the front lawn of the high school building on Friday, June 5, at 6:30 p.m.

Ernest J. Collins, president of the Band and Orchestra Parents' Club, points out that this is a community venture and staged solely for the purpose of bringing the whole Pointe community together in an evening of music and socializing. "We neither hope nor plan to make a profit on this project — this is for Grosse Pointe," he added.

The first half of the concert will see the High School Band playing Sousa, Handel, and closing with the Tchaikovsky "1812 Overture," complete with cannons. Ross Heim, senior and first chair horn for over two years, will be featured in a selection entitled "Hornscape."

A combined alumni and high school band will present the second half of the concert. Any and all alumni of the band are invited to join the high school band for this portion of the program.

This concert is open to the public and free of charge.

Convict Given Suspended Sentence for Park Crime

Donald Asher, 22, of 4103 Cloutte, Detroit, presently serving 3-10 years in Jackson Prison, was taken out of prison and arraigned before Circuit Judge Joseph C. Rashid on Friday, May 15. He entered a plea of guilty to breaking and entering in the daytime.

It was disclosed by Park Police Chief Arthur Louwers on Thursday, May 21, that Judge Rashid gave Asher a suspended sentence because the convict is serving a prison term for illegal possession of burglar tools. The guilty plea was accepted for the records, it was said.

Asher and Joseph L. Harvarth, 24, of 8694 Carlin, Detroit, were arrested by Park police last December 11, after an 80-mile an hour chase through Park streets. The pair were charged with breaking and entering of a construction shack at St. Clare School, Audubon and Charlevoix, where a new school addition is being built.

The arresting officers, Patrolmen Gustave Boone and Bobby McAlister, found a telephone in the pair's car, that had been ripped from the construction shack wall.

Harvarth was recently sentenced to 3 1/2 years in Jackson Prison for a Park burglary by Judge Rashid.

Asher was sentenced in De-

Charter Changes To Go on Ballot

Following a public hearing on Monday, May 25, the City Council of Grosse Pointe City voted to continue under advisement the consideration of a proposed amendment to ordinance 96 of the City's zoning ordinance.

The Council answered questions and listened to critics of the amendment before a group of approximately 60 residents. The amendment under consideration would eliminate the clause permitting accessory use in conjunction with a residence.

Upon recommendation of City Attorney Charles Wright, the Council voted to submit to the citizens three amendments to the City Charter, to be voted on in the coming fall primary.

The first change in the charter would alter the date of the City's fiscal year, which now runs from April 1 to March 31, to a period running from July 1 to July 30. The proposed change in the fiscal schedule of the City would also require action to provide for the interim budget period from April 1 to June 30 during the year in which the change would occur.

The second amendment would give a duly elected or appointed city official authority to make purchase for the City of items amounting to \$1,000 or less.

The last amendment would require those people making claims against the City to notify the City within 60 days of the accident of said claim.

The Council also authorized the purchase of a street sweeper from the Bell Equipment Company whose bid of \$9,243 was lowest. A bid for asphalt paving Maumee from Lakeland to Cadeux was awarded to the Ajax Paving Company for \$10,501.44. The recommendation of Grelmel, Hammond, Hoey, Inc., City architects, to accept the J. A. Broughton Company's low bid of \$90,942 for construction of the Department of Public Works Garage was also passed by the city fathers.

In other action, the Council unanimously approved a request to permit the erection of an eight car garage at 17700 East Jefferson and modification of a Council resolution to allow the building of a medical-dental clinic on the southwest corner of Notre Dame and Mack avenue. The next City Council meeting is scheduled for June 15, where he was awaiting sentence for the Park crime.

Loses Jewelry During Moving

A Farms housewife, who recently moved into the city with her family from Florida, reported the loss or theft of valuable jewelry worth a total of \$2,975.

On Wednesday, May 20, Mrs. James D. Young of 256 Grosse Pointe boulevard, told police that the jewelry items were taken from a dresser drawer, while the family furniture was being moved from 4500 South County Road, West Palm Beach, to her present abode.

She said that the furniture was picked up by a Detroit company, and brought to Detroit and placed in storage.

On May 18, Mrs. Young told police, when the furniture was taken to her Grosse Pointe boulevard residence, she discovered the items gone.

Missing, the woman said, were: three pairs of gold earrings, valued at \$200; a gold and diamond bracelet, valued at \$1,500; a double-strand pearl necklace, valued at \$750; a single-strand pearl necklace, valued at \$300; and two gold bracelets, valued at \$225.

Mrs. Young told police that she had not left her house since the furniture was delivered. The investigation in the matter has been assigned to Det. Sgt. Jack Paisley and George Van Tien.

The would-be escapees were tossed into solitary confinement on orders from Sheriff Peter L. Buback.

Robbery Staged At Restaurant

Claire Groulx, 50, of 21167 Kenmore, Harper Woods, went to work at 7:55 a.m. Monday, May 18, and discovered her brother's restaurant had been forcibly entered and robbed.

She told Woods police that she had closed the place, Julian's Restaurant, 20795 Mack Avenue, at 9:30 p.m. the previous evening.

The woman said that she also discovered that Schummer's Sport Shop storeroom, adjacent to the eatery, had also been forcibly entered. She said she found the storeroom in general disorder.

Miss Groulx told police that the thief, or thieves, broke into a cigarette machine at the front of the restaurant, and ripped out the coin box with some blunt instrument. The box was later found in the cook's room, where a bottle of wine had been stolen.

The thief also took two rolls of pennies from the cash register, it was said. The amount of change taken from the cigarette machine is not known.

Dets. Albert Abend and Gaylord Golding said that because of the great variety of items stored in the sport shop storeroom, it is not known what, if anything, is missing, until an inventory is taken.

The matter is under investigation, they said.

Beyond the Call of Duty

A Grosse Pointe High School English Literature assignment recently called for the preparation of a map of the British Isles with approximately thirty significant historical and literary place names. Barbara Oliver and Carol Stephenson, pictured above, turned in a map ten feet long and nine feet wide. The map hangs from the ceiling to the floor of their English room.

Banquet Honors HS Musicians

The names of Carol Kettelhut, a senior and daughter of Mr. and Mrs. W. C. Kettelhut, of 1205 Kensington road and Nancy Cary, a junior and daughter of Mr. and Mrs. K. F. Cary, of 857 Fisher road, were revealed as citizenship award winners at the Annual Band and Orchestra Recognition Banquet held Wednesday, May 20, in the Grosse Pointe High School gymnasium.

The banquet is planned and sponsored by the High School Band and Orchestra Parents' Club.

The members of the concert band and symphony orchestra voted the Best Band Citizenship Award and the Best Orchestra Citizenship Award to Carol Kettelhut. This is the highest award possible in the high school music department and it is the first time that this honor has been voted to one person. Nancy Cary, runner-up in the orchestra, received the Best Orchestra Citizenship Award. Both awards carry a full scholarship to a summer music camp of the students' choice.

The banquet saw more than 350 parents and students in attendance. Mrs. Albert Teetzel, of 515 Rivard boulevard, served as general chairman of the event. Mrs. Russell H. Axson was chairman of the decorations committee which consisted of: Mrs. E. G. Acob, Mrs. Richard Knight, Mrs. Thomas Jefferis, Mrs. H. H. Comly and Mrs. Charles Adams.

George Watts, senior and president of the band and orchestra announced the results of elections for next year's officers. Craig Dykstra was named president; Nancy Cary, vice-president; Beverly Heisey, band secretary; Tom Hammond, band treasurer; Yvonne Schaudt, band librarian; Karen Thoma, orchestra secretary; Karl Schneider, orchestra treasurer; and Mary Walker, orchestra librarian.

Ernest J. Collins conducted an election for the Band and Orchestra Parents' Club officers for 1964-65. Mr. Harry Pratt was named president, Mrs. Donald Walker, vice-president, Mrs. Carl A. Nolte, 2nd vice-president, Mrs. David G. Teague, secretary, and William J. Lane, treasurer.

In addition to Mr. Collins, the following officers retire this year after service as officers of the Band and Orchestra Parents' Club: Mrs. Thomas Jefferis, first vice-president; Mrs. Albert Teetzel, second vice-president, and Mrs. Arthur Heim, secretary.

Six additional students were honored with string scholarships from Michigan State University. They were Judy Carnes, Carol Curtiss, William David, Carol Kraemer, Karl Schneider, and Karen Thoma.

Sixteen students were named as Recognized Award winners and received half scholarships to a summer music camp of their choice from the Band and Orchestra Parents' Club.

Elizabeth Carruthers, Craig Dykstra, Beverly Heisey, Marilyn Horn, Ruth Herdegen, Larry Lamb, Carol Nolte, Ronald Petersen, Robert Pratt, Pamela Rapalae, Fred Robbins, Yvonne Schaudt, Carolyn Taylor, Katherine Teague, Roger Teetzel and Roger Wayne were named recipients.

Receive Honors At Convocation

The Honors Convocation of the U. of D. College of Arts and Sciences is held each year in keeping with the four century old tradition begun in Coimbra, Spain in 1557 by a Jesuit Superior. More than 250 awards were presented during the ceremonies.

David A. DeGiustino, son of Dr. and Mrs. C. DeGiustino, 1435 Berkshire road, was awarded, in addition to the Dean's key, the Free Inquiry Award presented by the U. of D. chapter of the American Association of University Professors.

Another Grosse Pointe resident, Martin V. Ferer, son of Mr. and Mrs. M. Ferer, 1952 Lochmoor, was honored at the convocation with the sophomore scholarship key. Ferer is a physics major, and a graduate of Austin High School. He is serving as president of the U. of D. French Club.

Dean's keys for four years of scholastic achievement were presented to three Grosse Pointe students at the annual University of Detroit College of Arts and Sciences Honors Convocation.

Diane C. Kasper, daughter of Mrs. Anthony A. Kasper, 2179 Allard, also was granted a senior scholarship key. Miss Kasper, an English major, served as secretary of Gamma Pi Epsilon, national Jesuit honor society for women; and as president of the Student Education Association; and as vice-president of Lambda Iota Tau, national literary honor society.

Dean's key recipient Michael D. Whitty, son of Mr. and Mrs. D. Whitty, 1221 Whittier, was also initiated into Alpha Sigma Nu, national Jesuit honor fraternity. A senior history major, Whitty served as president of Tau Kappa Epsilon, social fraternity and the U. of D. Young Democrats. He is also a member of Phi Alpha Theta, honorary history society.

**Bicycle Safety
Winners Listed**

Farms Patrolman Joseph Miller, school safety officer, ended the bicycle safety inspection program on Thursday, May 21, by awarding prizes to winners of various Farms schools.

The officer stated that the biggest prize was a brand new bicycle, awarded to first place winners at each school, except at St. Paul's Catholic School. He explained that the latter by disclosing that St. Paul and Sacred Heart in Lake Shore road, are judged as one school during the annual contest.

Miller said that one year, a bike is awarded to a St. Paul student, and the following year, to a student at the convent. This year, the lucky winner was a Sacred Heart student.

He listed the following winners:

Gabriel Richard School—Patricia Sheppard, bicycle; Todd Hopping, speedometer; Judy Bracken, Oxford light; Patricia Ann Cullingford, horn; Larry Shaw, torpedo lights; Sam Anton, tail light; and Lee Scott, streamers.

Kerby School—Kurt Manglos, bicycle; Karen Moustakes, speedometer; Janet ZurSchmiede, Oxford light; Cathy Keeler, horn; Patty Schlich, torpedo lights; Bob Johnson, tail light; and Andy M. Goodhart, streamers.

St. Paul School—Leo Hurley, radio; Connie Drysdale, speedometer; John Fennesse, Oxford light; Brad Kalowich, horn; Mary L. Williams, torpedo lights; David O'Hondt, tail light; and Mary Penny, streamers.

Sacred Heart Convent—Ann Mengden, bicycle; Leza Fisher, speedometer; Mary Dunn, Oxford light; Cindy Wilberding, torpedo light; L.M. He Neville, tail light; and Karen Fitzgerald, streamers.

Miller disclosed that one bicycle was donated by a Farms department store, and the other bikes and the accessories were purchased through the authorization of the Farms council.

**Ask Columbia University
To Survey School Needs**

Dr. Charles H. Wilson, Superintendent of Schools, announced at Monday night's meeting of the Grosse Pointe PTA Council, that the Board of Education is seeking to employ a Columbia University team to conduct population, site and building utilization studies for the school system. He added that as yet the university had not confirmed the request.

The Columbia University survey service is by far the oldest in the United States. The numbers of schools and communities served are almost endless. In addition to surveys of Garden City, Great Neck, Mamaroneck, Manhasset, Nyack, White Plains, Yonkers and similar New York schools, Columbia University teams have made surveys for Atlanta, Georgia, Chattanooga, Tennessee, Chicago, Illinois, Fort Worth, Texas, Jacksonville, Florida, St. Louis, Missouri, and many, many others. Columbia has also made state-wide surveys as well in Mexico, Puerto Rico and Panama Canal Zone.

"The Institute of Field Studies," as the Columbia survey service is called, has as its present acting executive officer, David B. Austin. In the past this service has been under the successful leadership of such nationally recognized figures as George D. Strayer, N. L. Engel-

Truck Hits Car At Intersection

John Russell Salmonsens of 3787 Philip, Detroit, was charged with reckless driving Friday, May 22, when the dump truck he was driving struck a car driven by Lucille V. Dwyer of 5034 Berkshire.

Charlevoix: at excessive speed, failed to stop for a red light and hit the Dwyer car which was traveling north on Cadieux.

We feel that candidates for our School Board should have a constant record of interest with school problems all the year around.

Our two favorite candidates are as follows:

**Nab Cycle, Car
Thieves in Park**

Park police filed charges in juvenile court against a 14-year-old Detroit boy, accused of stealing a motorcycle and an automobile on Friday, May 22. The cycle and car were recovered in Detroit by Detroit police.

Park Police Chief Arthur Louwers disclosed that the boy stole the motorcycle from the garage of Richard Campbell, 654 Westchester. The car, belonging to Robert Vivers of 842 Westchester, was stolen from in front of the owner's house.

The chief said the young thief had a nine-year-old boy companion with him at the time of the thefts, and that the older boy is responsible for the theft of bicycles in the Park.

The older boy also confessed to stealing bikes from the waterfront park on other occasions, the chief said.

Det. Lt. Arnold Hough filed a complaint with juvenile authorities against the 14-year-old, and his companion was released to the Women's Division of the Detroit Police Department for further investigation.

The motorcycle and automobile were returned to their owners. The stolen bicycles were recovered, the chief said.

**Cars in Tangle
On Rivard Blvd.**

There was a moment of confusion on Rivard Boulevard Thursday morning, May 21, when three cars managed to bump each other.

Driving car number one was Alice R. Kay of 889 Rivard who pulled from the curb in front of her residence and failed to observe an approaching car, otherwise known as car number two, driven by Lee K. Silloway of 11 Provincial road.

The Silloway car hit the Kay vehicle which forced car number one into car number three, driven by Mary Grace Adams of 685 Rivard.

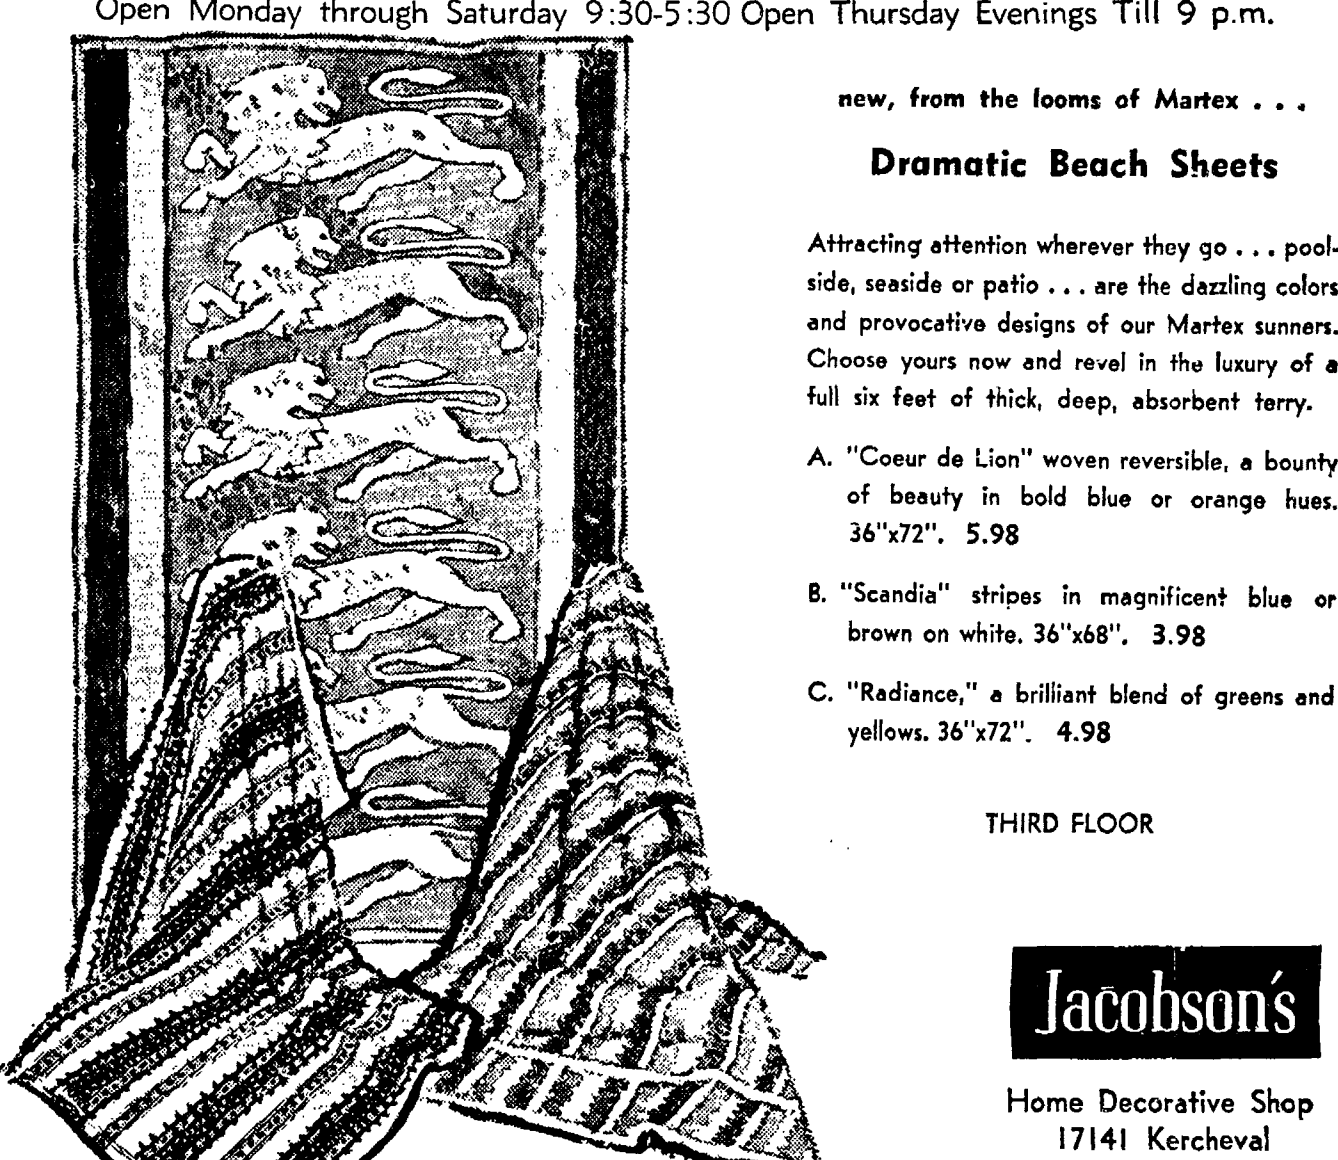

No one was injured.

**Bruce B. Darlington
At Camp Pendleton**

CAMP PENDLETON, Calif.—Marine Private First Class Bruce R. Darlington, son of Mrs. L. Evelyn Darlington of 939 Hampton road, completed four weeks of individual combat training recently at the Second Infantry Training Regiment, Marine Corps Base, Camp Pendleton, Calif.

While with the regiment all new Marines are trained in tactical and combat skills needed for battle. Emphasis was placed on the small unit tactic—the four man fire team and the 14-man squad.

Give Candidates Chance to Talk

Three candidates who are running for the two vacancies on the Grosse Pointe Board of Education will have a chance to present their qualifications and their views of local school problems at a public forum Tuesday, June 2 at 8 o'clock in the Fries Auditorium.

Barbara Rickerd Thompson, Calvin J. Sandberg and Russell H. Peebles, the three candidates, will each be allowed a 10-minute period to present their platforms. They will then participate in a question and answer session.

Spring Concert at St. Paul's

The newly organized St. Paul Choral Club under the direction of Sister Mary Esther presented a spring concert entitled "Music under the Stars" on Wednesday evening, May 27, at 8:15 p.m. St. Paul's parking lot provided the starlight setting for the program; the baseball backstop pinch hit for the stage.

A wide variety of selections, geared to please every taste, was played: part and unison arrangements, folk songs, piano solos, student arrangements, guitar and accordion selections. The following were a few of the musical features: special girls' chorus, "Charades" and "Harbor Lights"; piano soloists, Lucinda Pollack, Larry Reha; soloists, Bill McTighe, Pat Murphy, Michael Bellardi, Cora Dolgner, Tom Collins and Larry Reha; accompanists, Frances Stradach and Lucinda Pollack; accordionist, Sue Lykins; guitarists, Mark Hollerbach and Jody Batchelor; and a special arrangement of French songs.

LAWRENCE BOWMAN

John H. French, Jr., president of the City National Bank of Detroit, announced the promotion of LAWRENCE C. BOWMAN to manager of the bank's Mack-Cadieux office.

Mr. Bowman is a graduate of Duke University and brings a total of 11 years banking experience with him to his new post. He has been with City National Bank for two years, during which time he has served as assistant manager of two of the bank's offices located in the New Center area and Downtown Detroit. Prior to coming to Detroit, he spent four years with a Florida bank and five years as a national bank examiner.

Denver U Club Gets Charter

Two Pointers, Paul E. Mawhinney of 1153 Bishop and Robert Leeds of 1927 Allard were instrumental in organizing a Detroit area University of Denver alumni association. Vice-chancellor Robert McCollum presented the charter to Mr. Mawhinney, president of the Detroit group at a recent dinner meeting. Professor Jerry Kesselman of the University of Denver also addressed the group.

Mr. Mawhinney is director for personnel of the Grosse Pointe schools and Mr. Leeds is manager of Stouffer's Top of the Flame.

AN INSECT SPRAY THAT WON'T WASH OFF

Greenfield™ Systemic Insect Spray

Your roses are safe—rain or shine—for 10 to 14 days, with Greenfield Systemic Insect Spray. It goes into the plant system to kill aphids, mites, and other pests. Because rain or lawn sprinkling can't wash it off, it's effective much longer, protects tender new growth, too. Some also stays on plant surface for immediate protection against chewing insects. Ideal for roses, flowers, shrubs. See us today.

Students Donate to Clothing Drive

The annual clothing drive of the Save the Children's Federation has been scheduled for Thursday, May 21. Shown above are A. LAWRENCE GAGNON, principal of Mason School, and (left to right) DELORES SCHOHL, CATHY CHRISTENSEN, KEVIN YESSIAN, BILL BENZTEN and ROBERTA BROWN, who have contributed items of clothing. Last year approximately 9,000 pounds of clothing were collected in the elementary schools of The Grosse Pointe Public School System. This is roughly 2,000 pounds more than the preceding year. Many disastrous floods, tornadoes and earthquakes during the past year have increased the need for clothing of all sorts. Because of this drive chairman Forrest Geary of the schools' Department of Community Services urges participation to the fullest extent possible.

Trial Gardens Planted Again

Under the direction of the Grosse Pointe Garden Center, the Trial Gardens at the War Memorial were planted again by the various Garden Clubs of Grosse Pointe last Tuesday, May 26.

This year's theme is "color." Each plot allotted a Garden Club is planted in various shades of a single color, (pink, blue, lavender, yellow, etc.). One garden is planted with all white flowers. At least one new variety of plant must be included in each garden.

This year, the Garden Center is planting a test plot of petunias. One-half of the plants will be treated to control their growth; the other half will not be controlled. This should prove of exceptional interest to the many gardeners who find petunias are inclined to become "leggy."

Chairman of the Trial Gardens is Mrs. Arthur O. A. Schmidt, assisted by Mrs. Bayard Johnson, Mrs. Wood Williams, Mrs. Frederick Campbell,

Awards Made By Foundation

Two Grosse Pointers and the Grosse Pointe High School were given 1963 Freedom Awards from the Freedoms Foundation of Valley Forge, Pa. at a luncheon Wednesday, May 20, at the Statler-Hilton Hotel.

Mark Blundige Jr., of Washington road, associate editor of the Detroit Free Press, was honored with the George Washington Honor Medal Award for his editorial on "The Heritage and Duty Given Us at Gettysburg."

A Detroit News photographer, Robert Q. Jacobs of 2128 Lochmoor won \$100 and a George Washington Honor Medal for his picture of the Pulaski Day celebration in Hamtramck. The picture showed a group of young boys carrying American flags in a parade honoring the Polish-American patriot.

Grosse Pointe High School received its award for an editorial, "Newspapers Make All the Difference," which appeared in its newspaper "The Tower." Students, Sue Seegers and Ann Boynton, received the award for the High School.

Driving Honors Won By Alfred G. Affer

Army PFC Arthur G. Affer, 22, son of Mr. and Mrs. Sam Affer, 1952 Country Club dr., was named driver of the month for 1st. battalion of the 7th Infantry Division's 79th Artillery in Korea, April 21.

Affer was selected for his outstanding safety record and skill in the operation and maintenance of military vehicles.

A driver in the battalion's Headquarters Battery, he entered the Army in January 1963, completed basic training at Fort Knox, Ky., and arrived overseas the following July.

Rev. Stookey Leaving Pointe

The Reverend Lyman B. Stookey, Associate Minister of The Grosse Pointe Memorial Church, will preach his last sermon this Sunday in Memorial Church before his departure on June 20 for Brooklyn Heights, N.Y., where he has been called as minister of the First Presbyterian Church.

Mr. and Mrs. Stookey came to Grosse Pointe after a year's study in Great Britain; and formerly served with the Reverend Bertram del. Atwood in Englewood, New Jersey.

The Session of Memorial Church has called a Congregational Meeting for this Sunday, May 31, at 10:30 a.m. in Fellowship Hall to act upon Mr. Stookey's resignation, and to join with him in requesting the Presbytery of Detroit for a dissolution of the pastoral relationship. A committee will be elected by the congregation to seek a new associate minister to succeed Mr. Stookey.

On June 14 there will be an informal coffee hour between the morning services so that the congregation may say their farewells to the Stookeys.

Blue Devil Nine C Season with Two

By Jim Blackburn

The Grosse Pointe High School baseball team finished out the season with victories over Fordson, 4-2, and Monroe, 1-0 to finish second in the Border Cities League with a 5-3 record. The final victory was the fourth in a row, sixth in the last seven games, and third consecutive league triumph.

Against Fordson May 21 the Devils took an early lead, scoring a run in the opening inning. Ron Irwin singled with one out. John Reynolds followed with a single and, after Mickey Johnson was hit with a pitch, Terry Kasiborski belted a long drive. Irwin scored easily after the ball was caught.

In the second inning, with one out, Wally Ballew was hit by a pitch and Larry Kennedy singled him to third on a perfect hit-and-run play. With Bob Critchfield batting, Kennedy broke for second. As the throw went to second Ballew ran for the plate. Although the relay to home was in time Ballew deftly kicked the ball away from the catcher and the Devils led 2-0.

Fordson Ties It Up

Fordson tied the score with a home run in the second and another run in the fifth on two singles, an error, and a passed ball. Neither team scored in the sixth or seventh and the game went into extra innings.

In the Devil eighth John Reynolds led off with a single and Mickey Johnson moved him to second with a ground ball.

Blue Devil Nine Closes Season with Two Wins

By Jim Blackburn
The Grosse Pointe High School baseball team finished out the season with victories over Fordson, 4-2, and Monroe, 1-0 to finish second in the Fordson-Citrus League with a 5-3 record. The final victory was the fourth in a row, sixth in the last seven games, and third consecutive league triumph.

Then Kasiborski pitched a single to drive in Reynolds and moved to second on the play at the plate. When Bill Hermann came through with the third hit of the inning, Kasiborski scored. Bob Critchfield got the Fordson batters out easily in the bottom of the eighth after a lead-off single and the Devil had their third straight win. Critchfield pitched against Monroe on Monday, May 25, and completely baffled the Trojans. He allowed only three hits and two walks, winning his third shutout and seventh victory against only two defeats. He pitched play Critchfield hit league play Critchfield won five games, winning five and losing two.

Crown Captured By GPIHS Netters

By Jim Blackburn
The Grosse Pointe High School tennis team won two matches in a row last week to run their record to a perfect 8-0 in Order Cities League play, defeating Fordson 6-1 and Monroe 5-2 in the final two dual meets of the season. Against Fordson number one singles player, Mike Bielawski, won easily 6-0, 6-2. Tom Reed, number two player also had to trouble blanking his opponent 6-0, 6-0. Sophomores Ron Gutow and Ed Boyster played last two singles positions, Gutow winning 6-2, 6-1 and Boyster 6-2, 6-4.

Devil Netters Capture Berths in State Finals

By Ric Handee
The same set of hard-hitting Devils who went on this season to capture a tennis title in the BCL, led eight sports through the state regionals here last Friday. These high school racketeers have compiled a win-loss record of 9 and 2 to win Grosse Pointe's only BCL title of the year. Monroe has captured most of the sports, losing only in tennis to the Devils. Eight Class A high schools met at Grosse Pointe High School Neighborhood Club last Friday for the regional tournament. Two finalists, both singles and doubles will represent our region in the State Class A Tennis Finals which will be held in Kalamazoo on June 5. Representing Grosse Pointe in the regionals were: Dudley Callahan, Tom Reed, and Bob Weisler playing the singles; Pete Short, Chris Lee, and Fred Williams, Dick Keller in the doubles.

Pointe's three couples outplayed 21 other squads to earn both berths to the state finals. In fact their #2 and #3 doubles teams had to play each other to see which could join the #1 squad at Kalamazoo. Playing the third squad in Devil doubles were Fred Williams and Dick Keller in spot #2. Pete Short and Chris Lee played for Grosse Pointe. Both teams met tough competition in reaching the semi-finals. A crowd of well over 200 students watched Keller-Williams come from behind in the second round of play to defeat a couple from Farmdale. Williams was tight in the first set and his several long shots. Encouragement from the students and from his partner Dick Keller helped him settle him down and win the first set 7-5. From then on in, it was simple and they won the second set -6-0. Meanwhile Short and Leo were playing the first team from Austin. Both sets went all the way 6 games to 4 as the Devils pulled through with good play. After besting Austin, the #2 squad went on to beat the third Devil doubles for the place in the finals. Mike Bielawski and Joe Reed had little difficulty in sweeping past their opponents to reach the top. Their competition will come from teams like Hamtramck at 6-0.

The Grosse Pointe University School baseball team defeated St. Paul, 5 to 0, and Lutheran-East, 3-2, last week to increase its record to nine wins without a defeat. Thursday, May 21, GPUS hosted St. Paul. The game was a freshman, won his first victory game, allowing six hits and walking only one batter. Catcher Bob Thorpe kept the shutout intact by throwing out three base runners. The Knights broke the game wide open by scoring seven runs in the fifth inning. After the first man was retired, George Perrin walked and went to second base on Charles McKealy's third straight hit. An error by the St. Paul second baseman set the stage for a two run single by pitcher Getz. Then Lynn McNaughton grounded

into, followed by Kerry Pike's single, which produced two more runs. A walk and an error, which cost St. Paul another run, put runners on second and third base. Nels Olson singled both runners home, keeping him ahead in the R.B.I. race. Fern ended the inning by grounding to the shortstop. Friday afternoon, Nels Olson notched his sixth victory by edging Lutheran-East, 3-2. G.P.U.S. jumped on opposing pitcher Mike Hadden for two quick runs in the opening inning. Bob Thorpe's single to center field scored Dave Hadden from third base and Charles McFeeley from second base. G.P.U.S. scored the eventual winning run in the third inning on a single by Hadden and a single by Olson. Lutheran-East scored both of its runs in the fifth inning on a one-out triple by Don Vonnacker. Nels played his great control by fanning 10 men and walking just one batter.

At the other diamond it was the Braves over the Cards 4 to 3. Chris Foulis was the winning pitcher and Bill Gross charged with the loss. Both pitched a four hitter. Tuesday it was the Indians 16 and the Red Sox 4. Winning pitcher was Jeff Hadden and losing pitcher John Tompkins. Tompkins had a grand slam home run. In the Dodger-Phillies game it was Phillies 12 and Dodgers 1. Winning pitcher was Rick Scavarda, who also had a home run and two other good hits. The losing pitcher was Don Thompson. Wednesday the Yankees took the White Sox 9 to 7 as Mike Ferrer pitched for the winners and Brad Cunningham for the losers.

Hawaiian Hula For Single Set

The Grosse Pointe single set is invited to come down to 32 Lake Shore to swing and sway in the breezes of Lake St. Clair at an Hawaiian Hula. The dance will be given on Friday evening, June 5, from 8 to 12 o'clock.

The Aloha Dere Band accompanied by Hawaiian and Tahitian dancers will play for dancing and entertainment throughout the evening. For those who are daring, the lovely Hawaiian girls will lead them in the elementary movements of the Hula. After the floor show the band will play modern American mainland music for dancing.

Special Hawaiian punch and tidbits will be served. Much of the party will take place on the lakeside terrace reefs.

This is the final dance of the season for the Center Club, which will disband for summer activities until September when a special party will be held to welcome the new teachers in the Grosse Pointe schools. As usual dress for the Hula will be informal. Hawaiian dress style is encouraged and dates will not be necessary.

PEA Plans Tea Next Thursday

Grosse Pointe Parent Education Associates is sponsoring a tea for prospective members next Thursday, June 4, at St. Michael's Episcopal Church in Suringdale park, from 1 to 3 o'clock.

A brief program will precede the tea. Miss Esther L. Middlewood, Chief of Education Section, Michigan Department of Mental Health, will give a summary of Parent Education in Michigan and Mrs. T. B. Stedman will talk on "What PEA is Doing in the Grosse Pointe Area."

All interested Pointers are invited to participate. Reservations may be made by contacting Mrs. Robert Opdyke, TU 4-4569, or Mrs. Stedman, TU 5-4058.

R. M. Hulswit Wed in Europe

The marriage of Miss Bente Nielsen, of Holte-Sjaelland, Denmark, and Richard M. Hulswit, son of Mr. and Mrs. William H. Hulswit, Jr., of Roland road, took place May 2 in Knud Lavards Church near Copenhagen.

The bride is the daughter of Mrs. Inger Nielsen, of Holte-Sjaelland, and the late Mr. Nielsen.

Mr. Hulswit is a graduate of Grosse Pointe High School, Class of '57, and the University of Michigan, Class of '61.

The couple are on a motor trip through Austria, and will return to Frankfurt, Germany later this month, where Mr. Hulswit is stationed with U. S. Intelligence.

They will return to the United States in January.

Wilson-Binder Betrothal Told

Mr. and Mrs. Todd L. Binder, of Manistique, Mich., announce the engagement of their daughter, Marietta, to John R. Wilson, son of Mr. and Mrs. Lawrence H. Wilson, of Rivard boulevard.

The bride-elect was graduated from Northern Michigan University, where she affiliated with Delta Sigma Nu sorority, and is presently teaching in Royal Oak.

The bride-elect is a graduate of the Cleveland Institute of Art.

An August 22 wedding is planned, in Royal Oak.

Woman's Hospital Makes Plans For The Future

Not everyone can look into the future. However, this vision was given the Woman's Hospital Volunteer League by the administrator of Woman's Hospital, Miss Catherine M. Maloy, at the League's general May meeting and luncheon, Wednesday, May 20, at the Detroit Boat Club.

Hardworking League members heard the tremendous plans now being formulated for Detroit's Medical Center.

A year ago the League took on two new projects. The first project is completed, a gift of floor tile for the purchase of a floor of Hi Lo electric beds.

With this sum in hand, the League now starts on project II — to build and equip a Cardiac Laboratory. The cost? \$50,000.

Where does the money come from? Largely from the League-operated Coffee Shop and Gift Shop. These shops are staffed Monday through Friday by the volunteers. Once a year a bake sale and a rummage sale are held at Woman's.

MRS. JOHN VEECH, of Lakeland avenue, recently spent Mothers' Week-End at the Delta Kappa Epsilon House at DePaw University, Greensville, Ind., with her son, DOUG, who is a freshman at DePaw and a member of the Drill Team of the Air Force ROTC.

To Make Home In Norfolk, Va., Where Bridegroom, An Ensign In The U.S. Navy, Will Be Stationed Aboard The U.S.S. Forrestal

A reception at the Village Manor followed the candlelight service Sunday evening, in St. James Lutheran Church, at which Sharan Lee Leslie spoke her marriage vows to Thomas Midgley Eastwood.

The bride, daughter of Mr. and Mrs. Richard Lee Leslie, of Fisher road, chose a gown of silk organza and lace appliques over satin.

Her bouffant illusion veil fell from a lace headpiece, and she carried a cascade of white carnations.

Kathryn Stuart, the bride's cousin, was maid of honor, and bridesmaids were Mary and Catherine Eastwood, sisters of the bridegroom. They wore frocks of white lace over blue taffeta, and carried pink sweetheart roses.

The bridegroom, son of Mr. and Mrs. Howard Eastwood, Jr., of Roanoke, Va., asked his father to serve as best man. Ushering were Charles Hikes and Stuart Leslie, brother of the bride.

For her daughter's wedding, Mrs. Leslie chose a gown of sky blue lace over sky blue silk organza, and a corsage of white orchids. Mrs. Eastwood chose a tan lace and pink satin frock, and a pink satin cymbidium orchid corsage.

For traveling to Norfolk, Va., where the bridegroom, an Ensign in the U.S. Navy, is assigned to duty on the U.S.S. Forrestal, the new Mrs. Eastwood donned a blue silk suit.

Art In The Garden

Praying for fair skies and no Tuesday are members of the Board of Detroit Artists Market, under the leadership of Mrs. Edna Davidson Pierson, whose annual garden sale is scheduled for this Saturday and Sunday, June 6 and 7, at the home of Mrs. F. Sibley Moore, from 2 to 5 p.m.

Invitations read: "In case of rain, fingers crossed, hoping for perfect weather."

Among hostesses for the party are Mrs. Benson Ford, Mrs. Edsel B. Ford, Mrs. Walter B. Ford, C. Ford and duets of Andersons (Mrs. and Mrs. John W. Anderson, Mrs. Fred R. Glancy, Jr., and her daughter, R. Glancy, III), and Sheldens (Mrs. and Mrs. Allan Shelden, III).

Pointers To Aid Guidance Clinic

A group of women from the Grosse Pointe and eastside Detroit formed an association to assist the new Northeast Wayne County Child Guidance Clinic at a meeting held at the Grosse Pointe Public Library last Friday, May 22.

The organization plans to undertake volunteer and educational projects for the Clinic and has temporarily taken the name of the Assistance League for the Northeast Wayne County Child Guidance Clinic.

Dr. Charles E. Brake—a member of the Clinic's board of directors and former superintendent of education for Wayne County—spoke to the organizational meeting.

Dr. Brake stressed the preventive nature of the work of the Clinic staff. He noted that it was not only a matter of common sense but of simple economics to provide clinical aid to youngsters today rather than to be forced to institutionalize them later as adults.

Temporary officers chosen at the meeting are: President, Mrs. Barbara Knight; vice president, Mrs. Patricia Worrell; corresponding secretary, Mrs. Bice Powers; recording secretary, Mrs. Barbara Walker; and treasurer, Mrs. Jane Worthman.

Committee chairmen named are Mrs. Carol Neef, education committee, and Mrs. Norah Martin, public relations committee.

last inning, with the Cardinals leading 5 to 3. In the score, and Mark Walker's single scored MacEachern with the winning run.

Mike Ware limited the Cardinals to 5 hits and was the winning pitcher. Keith Cunningham pitched his usual strong game, striking out 10 batters, but some loose outfield play on the part of the Cardinals and timely hitting by Walker, Ware, Gage, Bayes and Cormille ended the Cardinals' 2-3 game winning streak.

Dave McLeod with 2 hits, assisted by Keith Cunningham and Dave Ricca looked good for the Cardinals.

Monday, May 18, the Dodgers, struck out 14 players in a 7-0 victory over the Pirates. Tom Driand and Ron the Red Legs were the pitchers of the day. Mike Ware pitched his second win of the season. Dave Peterson, helped insure the double for the Cardinals, gave up 6 hits, walked 1 and struck out 6.

There were some solid hits on both sides. Ernie Calcut of the Dodgers got 2 for 2, his second home run of the season and a double. Vince MacDonal aided his own cause with 2 for 2, and Jack Chapman and Ralph DiDomewicz came up with timely hits.

Sandy Sides was the big gun for the Cardinals, collecting 3 for 3, his first home run of the season and 2 solid singles. Mike Kelly and Keith Cunningham got the other Cardinals hits.

The Braves beat the Dodgers on Wednesday, May 20, by the deceiving score of 6 to 2. At the end of six full innings, the score was tied 2-2, and Ralph DiDomewicz, the Dodger pitcher, had not allowed a hit. The two unearned runs being scored on errors. Mike Ware, on the other hand, hurled a fine game, allowing 2 runs on 4 Pirates who hit. Jim Bayes, the Braves, and Jack Chapel for the Dodgers, then took the standings.

MRS. WALTER TOMICIC, OF BALFOUR ROAD (pictured with her two grandchildren, Lisa and Kathy Kamhout, her daughter, Mrs. Carl Kamhout, and her prize trotter, Careless Hanover) By Janet Mueller

Four years ago, in November, Walter Tomicic arrived home one night and told his wife he had bought her a Christmas present. Beatrice Tomicic (after more than 39 years of marriage, during which time she had become used to presents given by Walter, but selected by his secretary or one of the two Tomicic daughters— "He is not a sentimental man") asked absently, "Oh . . . what?"

"A horse," Mr. Tomicic replied. Mrs. Tomicic laughed. "Sure you did!" she said, and promptly forgot all about the conversation—until the papers arrived informing her that she was the proud possessor of a pacer, Careless Miss, purchased at the recent Harrisburg, Pa., sale.

From this spur-of-the-moment beginning, Beatrice Tomicic, a doting grandmother who loves to play with her two granddaughters, and Walter Tomicic, a grandfather nearing retirement age, are gradually building up one of the biggest and best harness racing stables in Michigan.

Nothing pleases the two lively youngsters more than to be able to pat such horses as Careless Hanover, Careless Dave, (named for daughter Penny's husband, David Gannon), Careless Hal, Careless Tom and Careless Carl, (named for Lisa and Kathy's father, Carl Kamhout), on the nose, offering them a bite of carrot while Grandma looks on with a big smile.

sniffle or sign of sickness is cause for alarm." 1963 was a bad year for horses; a mysterious virus struck stables throughout the United States.

Undaunted, the Tomicics have high hopes for Careless Dave, a two-year-old, expected to begin active competition this week or next at Wolverine Raceway.

"There's nothing quite like it," Beatrice Tomicic says of harness racing. "You know you can't win every time, but when the odds are against you and you come through, it's a wonderful feeling."

Claims Bad Timing Penny, who learned to love horseback riding and horses at camp, complains that her mother and father waited until she married and moved away before they became horse owners.

Nowadays, the Tomicics get out to the track as often as possible to keep up with their new interest in life — harness racing.

Behind their hobby is the hope of all owners, a champion pacer good enough to win the Little Brown Jug or a trotter capable of victory in the Hambletonian. But the sport itself is what really draws them, win or lose.

"The more you go, the more you want to go," Mrs. Tomicic explains. "Harness racing involves training, heartbreak, frustration . . . and the final joy of having your horse come through, that makes it all worth while."

Marie Birds Beauty ByLine

There isn't much time (only today and tomorrow) to get your hair in ship-shape condition before the long Memorial Day week - end. Just in case we can't take care of your beauty needs before you take off—make a bee-line for our salon at 117 Kercheval or call TUxedo 1-6833 the first thing Monday morning to have your hair revitalized with Protein Conditioners — or artfully cut and shaped — the better to blow in the breezes for future fun days!
