HANDLING

Whether you're wheeling through tight mountain roads or maneuvering through the city, Stratus Sedan can handle the challenge. That's because you have your choice of three suspensions: normal, sport, and performance. Each features a double wishbone suspension for a great ride. Sport suspension on ES adds a rear stabilizer bar for more control while the R/T improves performance with larger stabilizer bars and high performance components.

AIR BAGS & SEATBELTS

By now, air bags* and seatbelts are often taken for granted. We don't think like that. Here's proof: three-point shoulder/lap belt at all seating positions, the child seat anchor system LATCH, next generation front and side supplemental air bags available on all models. Plus, our standard air bags feature 'multistage' inflation that inflates the air bag with a force appropriate to the severity of the impact.

* Always use seat belts. Remember, a back seat is the safest place for children 12 and under.

AUTOSTICK®

AutoStick®, at no additional cost on R/T, provides the performance of a manual transaxle and the convenience of an automatic. It allows you to downshift before accelerating and can hold a gear longer to reach higher into the engine's rpm range - all without a clutch.

TIRES

Stratus Sedan comes with your choice of 15" all season tires standard on SE, 16" all season tires standard on SXT and ES or 17" performance tires standard on R/T.

7-year or 70,000-mile limited warranty* on the powertrain, the hardest working parts of our vehicles. And that's in addition to our 3-year or 36,000-mile basic limited warranty.

It even includes towing assistance† for the full 7/70. Another nice thing: since it's transferable, it can add extra value at trade-in time. A deductible applies to the 7-year or 70,000-mile powertrain limited warranty.

* See dealer for a copy of this limited warranty. Transferable to second owner with fee. A deductible applies.

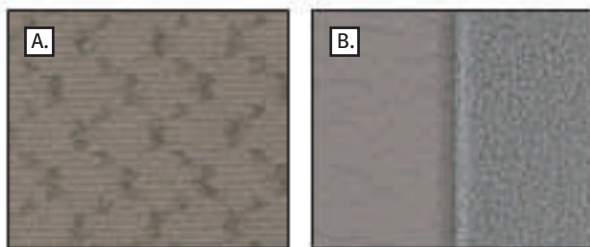

† Administered by Cross Country Motor Club, Inc., Boston, MA 02155.

For more information, please visit www.dodge.com/stratus_sedan

STORAGE

Stratus Sedan is all about giving you more for your money. More interior space (94 cubic feet of interior volume), more cargo room (16.0 cubic feet of cargo space) and more storage space (full length console with cupholders).

WINDOWS, DOORS AND MIRRORS

To make your drives more comfortable, Stratus Sedan includes power windows with driver's one-touch down feature, power speed sensitive door locks, a power sunroof available on SE, ES and R/T and tinted glass with front and rear solar control glass. Power mirrors and power trunk release are standard. An auto-dimming rearview mirror is available on ES and R/T. And a Trip Computer standard on ES and R/T is available on SE and SXT.

AUDIO

The 2004 Dodge Stratus Sedan doesn't fall short on satisfying your decibel cravings. With all these choices, how could it?

- AM/FM radio with CD player and four speakers, standard on SE, SXT, and ES
- AM/FM radio with cassette and CD player (shown) available on SE and SXT
- AM/FM with CD player, and Premium Gold® Sound System with a 120-watt amplifier and six speakers standard on R/T
- AM/FM radio with cassette player, CD changer controls and 6-disc in-dash CD player available on ES and R/T. Includes six Premium Gold® speakers and 120-watt amplifier
- Steering wheel-mounted audio controls available with leather-trimmed interior. Optional on ES and R/T.
