LINCOLN
2009 MKZ

The 3.5L V-6 engine of Lincoln MKZ, with 263 hp and 249 lb.-ft. of torque, has all the enthusiasm you need. The fact that it achieves those numbers on 87 octane fuel puts even more lift under your wings. To maximize the performance feel of the V-6, a wide-ratio 6-speed automatic transmission keeps gear changes tight. Electronic controls in the engine and transmission deliver smooth, seamless shifts.

The sport-tuned 4-wheel independent suspension of Lincoln MKZ supplies a ride that's steadfast and true. Up front, a double-wishbone design provides responsive handling. In the rear, a multilink independent suspension limits lateral force on the springs for a composed ride. Stabilizer bars front and rear help keep things steady, even through the hairpins.

Disc brakes at all four corners feature ventilated rotors up front to help dissipate heat; cooling the rotors and reducing brake fade. An Anti-lock Brake System helps give you enhanced steering control during emergency braking.

SINK INTO THE HEATED AND COOLED, LEATHER-TRIMMED DRIVER SEAT with its 10-way power adjustments and take in the visual tapestry before you. Figured Maple or Ebony woods enhance the Lincoln MKZ instrument panel, door trim and leather-wrapped steering wheel. Chrome or satin-nickel accents grace all buttons, knobs and controls. At night, white LED lighting illuminates the displays and control switches for a backlit glow.

Lincoln MKZ with Sand environment and Figured Maple wood trim.

AS YOU RELAX IN ITS SPACIOUS INTERIOR, RECHARGE YOURSELF in Lincoln MKZ by listening to the favorites on your digital media player. Connect it in one of two ways: to the USB port of the Lincoln SYNC® media system, where you can access songs by simply saying the name of the artist you want to hear; or to the audio input jack in the front center console. In the rear, a 60/40 split-folding seat makes pass-through access for longer items easy.

10-way power, heated and cooled front seats with power lumbar and driver memory settings.

THX® II CERTIFIED AUDIO SYSTEM. Maximizing the benefits of the standard AM/FM stereo and 6-disc in-dash CD changer with MP3 capability, the available THX II Certified Audio System features 14 speakers that deliver a rich listening experience. A sophisticated digital signal processor provides spectral balance, wide dynamic range and superior acoustic performance. Deep bass emanates from two 6" x 9" subwoofers in the rear deck. 600 watts of power are supplied by 12 amplifier channels. And acoustical depth pulses from the patented THX Configurable Speaker Array™ (CSA) located in the center of the instrument panel.

LINCOLN SYNC.®¹ Once your Bluetooth-enabled mobile phone is paired, and your MP3 player or flash drive is connected to SYNC's USB port, you'll have seamless integration and voice control of your in-vehicle communications and entertainment system. Tell SYNC to call Amy. Ask it to play a specific artist or tune. No problem. You talk. SYNC listens.™ "No matter what I threw at it, SYNC got it right... SYNC's female voice was welcoming, helpful, and friendly. And she never judged my song selection," says *Esquire* magazine.

VOICE-ACTIVATED NAVIGATION. Featuring a brilliant 6.5" color screen and six presets to destinations you'd like to store, the available voice-activated, DVD-based Navigation System on Lincoln MKZ is your trusted advisor. With nearly two million points of interest on a single DVD, the system computes complex routes in the time it takes just to unfold a map. With several different ways to program destinations, using criteria such as shortest route or drive time, you can customize the display and prompt options for your convenience. And since the system automatically stores the last 25 routes, finding your way has never been easier.

TUNED FOR LUXURY PERFORMANCE, the available Intelligent All-Wheel-Drive (AWD) system on Lincoln MKZ reacts automatically to changes in traction for increased driving confidence in all weather conditions. This active AWD system optimizes traction by seamlessly distributing torque between the front and rear wheels, providing increased control and performance during rapid acceleration and hug-the-line cornering. On wet or snowy road surfaces, of course, AWD really shines. Since the wheels with the best grip always receive the most power, AWD enhances control when the weather turns nasty. Together with standard AdvanceTrac® electronic stability control, AWD can even direct torque side to side on each axle, allowing you to continue forward motion even if only one wheel has grip.

LINCOLN
2009 MKZ

ENGINEERED FOR SAFETY, ONE ADVANCED SENSOR AT A TIME. SOPHISTICATED SENSORS IN MKZ CAN DETECT A COLLISION, SENSE A ROLLOVER, AND DIRECT SOME OR ALL OF THE AIRBAGS TO DEPLOY. EVEN ON THIS MICROSCALE, THE BIG PICTURE IS HELPING KEEP YOU SAFE.

If the unthinkable is unavoidable, rest assured that the 2009 Lincoln MKZ is prepared for the worst. Specific structural areas were strengthened against intrusion by manufacturing them with additional steel. Others were designed to collapse in a controlled fashion or to absorb crash energy and channel it away from the passenger compartment. And inside, occupant protection systems help keep you and your passengers safe.

Lincoln MKZ features six airbags to enhance occupant protection. The Personal Safety System® customizes the deployment of the dual-stage front airbags. Front-seat side airbags offer an extra measure of chest protection for the driver and front passenger, while the side-curtain airbags with roll-fold technology provide head-protection coverage for outboard-seated occupants in both rows. Sensors direct their deployment in certain types of side-impact collisions or rollover events.

The best defense, of course, is avoiding an accident altogether. AdvanceTrac® electronic stability control is designed to help do just that. With sensors to measure oversteer and yaw, the system constantly monitors vehicle speed, throttle position and steering wheel angle. If it senses wheel slip or a loss of traction, AdvanceTrac manages engine torque and applies braking power where needed to help keep Lincoln MKZ tracking on its intended path.

Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

MKZ STANDARD LUXURY FEATURES

ENGINE

- 3.5L Duratec DOHC 24-valve aluminum V-6
- 263 hp @ 6250 rpm/249 lb.-ft. of torque @ 4500 rpm
- 10.3:1 compression ratio
- Intake variable cam timing (iVCT) and Electronic Throttle Control (ETC)
- Sequential multi-port electronic fuel injection
- Stainless steel exhaust system with dual chrome exhaust tips
- 90,000-mile tune-up interval¹
- EPA-estimated fuel economy

FWD	18 mpg city/28 hwy.	17.5-gal. capacity
AWD	17 mpg city/24 hwy.	16.5-gal. capacity

DRIVETRAIN

- Front-wheel drive
- 6-speed electronic automatic transmission with overdrive

WHEELS/TIRES

- 17" 8-spoke painted machined-aluminum wheels
- P225/50R17 all-season V-rated performance tires

BRAKES

- Anti-lock Brake System (ABS)
- Electronic Brakeforce Distribution (EBD)
- Power 4-wheel disc brakes with ventilated front rotors

SUSPENSION/STEERING

- 24-mm front and 17-mm rear stabilizer bars
- Independent Short- and Long-Arm front suspension with coil springs over shocks
- Multilink independent rear suspension
- Power rack-and-pinion steering

EXTERIOR

- | | | |
|--|---------------------------|--------|
| Autolamp automatic on/off headlamps with delay | Length | 190.5" |
| Body-color door handles | Wheelbase | 107.4" |
| Fog lamps | Width (excluding mirrors) | 72.2" |
| Light-Emitting Diode (LED) taillamps | Width (including mirrors) | 80.1" |
| Lincoln waterfall grille | Height | 57.1" |
- Power, heated, chrome-capped sideview mirrors with security approach lamps, memory and auto-dimming driver side
 - Quad-beam halogen headlamps with Autolamp
 - Rear-window defroster
 - Reverse Sensing System
 - Solar-tinted glass
 - Speed-sensitive windshield wipers

INSTRUMENTATION/DRIVER CONTROLS

- Auto-dimming rearview mirror with compass and microphone
- Power windows with global open and one-touch-open/-close for driver and front passenger
- Steering wheel-mounted cruise and secondary audio controls
- Universal Garage Door Opener
- White LED-backlit instrument cluster with speedometer, tachometer, fuel level gauge, coolant temperature gauge and message center

FORD CREDIT Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Lincoln Mercury Dealer for details or check us out at fordcredit.com.

FORD MOTOR COMPANY INSURANCE SERVICES Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1.877.367.3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

FORD EXTENDED SERVICE PLAN For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Genuine Lincoln Accessories will be warranted for whichever provides you

the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 4-year/50,000-mile New Vehicle Limited Warranty. Contact your local Lincoln Mercury Dealer for details and a copy of the limited warranty. Lincoln Licensed Accessories (LLA) are warranted by the accessory manufacturer's warranty. Contact your Lincoln Mercury Dealer for details regarding the manufacturer's limited warranty and/or a copy of the LLA product limited warranty offered by the accessory manufacturer.

Complimentary maintenance makes driving your Lincoln even more of a pleasure. Simply bring it to an authorized Lincoln service center, and scheduled maintenance will be performed at no charge throughout your first year of ownership or 15,000 miles, whichever comes first. Additional peace of mind comes from a 4-year/50,000-mile bumper-to-bumper New Vehicle Limited Warranty that covers repair, replacement or adjustment of parts at no additional cost, as well as a 6-year/70,000-mile powertrain limited warranty which features no deductible and is fully transferable. And Roadside Assistance for 6 years or 70,000 miles provides the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Lincoln Mercury Dealer will provide complete details on all of these privileges.
