Why should you care?

An organization's employees are its number one asset, but did you know that their reach and impact is often greater than that of its company pages?

Your employees are seen as a trusted source of information by the audiences most important to your organization - your customers, prospects, partners and future employees. Activated effectively, they have the influence to grow your share of voice, website traffic, inbound leads, conversions, and prove ROI.

Over the past year, we've been conducting industry-specific research to celebrate companies whose employees are highly engaged and consistently sharing content with their own networks.

Now, we're combining every industry's rankings to determine which company had the world's most active workforce on social in 2021!

So, how active were your employees on social this year?

We've done the number crunching and listed the results below.

While you're looking, consider that DSMN8 customers typically see 30-40% of employees regularly sharing company-approved content, with little effort required.

We've got everything you need to launch an effective employee advocacy program that engages your business, customers, and prospects used by senior leadership, marketing, communications, sales, and HR teams.

Isn't it time you added amplified social sharing to your activity?

So, where does your company rank?

Table with 8 columns: Position, Company Name, LinkedIn URL, Industry, Location, Employees on LinkedIn, No. Employees Shared (Last 30 Days), % Shared (Last 30 Days). Lists 29 companies ranked by social activity.
